

## **Almighty D 601**

“Chapter 601: 144: face-smacking, glorious! 3”

He was a third-year student.

“Perhaps he did not expect Dr. YC to be so young and so beautiful. When Ye Zao gave him the medal, his ears turned slightly red. “Thank you, Dr. YC.””

“You’re welcome. Keep up the good work.”

The first place went to Lin Ze.

Although Lin Ze had been prepared for ye Zao to be Dr. YC from the moment ye Zao appeared.

“However, when ye Zao officially announced ye Zao’s identity, Lin Ze was still shocked.”

From Hacker Z to Dr. YC.

Just how many aspects of Ye Zao were unknown.

His sister was so outstanding. It seemed that he had to work harder and not drag down the family!

“Thinking of this, Lin Ze’s eyes were filled with determination.”

“Ye Zao picked up the medal and put it on Lin Ze. He said in a low voice, “Brother, Congratulations.””

The value of the science and technology competition was very high.

Lin Ze's actual results were much better than the other two.

She was different from Lin Ze.

"After all, she had reached the top of the science and technology world in her previous life."

This meant that Lin Ze had a lot of achievements in scientific research.

His future was limitless!

"After the award ceremony, the three of them still had to give their acceptance speeches."

"Feng Xianxian had prepared a long speech, but now, her mind was in a mess. She couldn't remember a single word of the acceptance speech she had prepared."

She could only stand in front of the microphone and thank everyone dryly.

The fact that Ye Zhuo was Dr. YC was a huge blow to Feng Xianxian.

"If there was a crack in the ground, she would have crawled down."

"At this moment, she was standing on the stage."

She was like a clown.

"As the founder of the award, Ye Zao also gave his speech on the stage."

Looking at ye Zao on the stage.

Li Yueyue pinched herself hard several times before she believed that this was not an illusion.

Ye Zao was Dr. YC.

He really was!

No wonder ye Zao confidently said that he was YC in the dormitory yesterday.

Li Yueyue remembered that she said she was YC's daughter yesterday.

Now her face hurt.

Too Awesome!

Ye Zao was simply too awesome!

"After the award ceremony, Ye Shu and Lin Jincheng carried the flowers onto the stage."

The Lin family's relatives also surrounded them to congratulate Lin ze and ye Zao.

"In the eyes of the Lin family's relatives, Ye Shu was now a winner in life."

First place in the Son's science and Technology Award.

The daughter was the founder of the award!

A son and a daughter each had their own merits.

Neither of them could lose to the other.

Why didn't they have such a good life?

"Old Mrs. Lin sat on the chair, still unable to recover."

Someone came to congratulate Old Mrs. Lin from the side.

"Old Mrs. Lin, Congratulations. You have two amazing grandsons and granddaughters!"

"Old Lady, can you please teach your children how to do it?"

"Just as Old Lady Lin was about to answer, someone immediately said,"

"I don't think this has anything to do with education. It's mainly the children who are doing well. Miss Ye didn't grow up by Old Lady Lin's side, but she still became a doctor!"

Ye Zhuo followed ye Shu.

"If he really wanted to ask for advice, he should ask ye Shu."

What did it have to do with Old Lady Lin?

"If Lin Ze didn't follow Old Lady Lin, he might be as outstanding as ye Zao!"

Old Lady Lin's face stiffened when she understood the meaning behind these words.

"She never expected that her granddaughter, whom she despised the most, would one day be so glorious and become the envy of everyone."

“For a moment, Old Lady Lin had a myriad of thoughts.”

Feng Qianhua had also prepared flowers for Feng Qianxian.

“But now, there was no need to bring them out.”

“With Ye Zhuoyu in front of her, if she brought out flowers now, she would only embarrass herself.”

“After all, in the eyes of everyone, Feng Qianxian had always been better than ye Zhuoyu.”

And Now?

How many people could see Feng Qianxian?

Feng Qianhua kicked the flowers on the ground to the bottom of the stairs in the audience seats.

“Feng Qianxian walked to Feng Qianhua’s side with difficulty. “Mom, Grandma, I’m sorry. I’ve disappointed you.””

“”It’s okay.”Feng Qianhua tried her best to smile, suppressing all her anger.”

“Although Feng Qianhua was very angry, she did not lose her mind.”

“After all, this was a public place.”

“Old Lady Lin was sitting next to Feng Qianhua. When she saw Feng Qianhua like this, her heart instantly ached, “It’s okay, Xianxian. Jin Wuzu is a complete person. Although you can’t compare to searing in this aspect, you’re still better than her in other aspects.””

It was fine if Old Lady Lin didn't say anything.

"When Old Lady Lin said this, Feng Xianxian felt even worse."

"It must be known that before this, Old Lady Lin had always called ye Zao a wild girl."

"Chapter 602: 144: a powerful slap to the face, glorious beyond measure! 4"

"But now, she actually changed her words. "

Feng Xianxian suddenly felt a little afraid that ye Zao would one day snatch her away along with Old Lady Lin.

Feng Qianhua's expression also changed slightly.

"Feng Xianxian sniffed. "Grandma, did I embarrass you?" "

"No! How could that be!" Old Lady Lin held Feng Xianxian's hand. "In Grandma's heart, you will always be the best granddaughter." "

"Feng Qianhua smiled and said, "Xianxian, you silly girl, how dare you say such silly things! You are the person that Grandma usually loves the most. Aren't you saying that to chill her heart?" "

"At this point, Feng Qianhua paused and continued, "But Aunt Lin, I think you are favoring Xianxian too much. After all, Zhuozhuo is your biological granddaughter... Will Zhuozhuo be angry if you favor Xianxian so much?" "

"I can like whoever I want. She doesn't have the right to be angry!" Old Lady Lin frowned.

“Feng Qianhua continued, “But if she’s not angry, why doesn’t she come over to our side? If people who don’t know her see this, who would know that you’re her grandmother? Why Don’t you stop treating Xianxian so well in the future...” ”

These words made Old Lady Lin’s anger rise to the extreme again.

Yes.

“From the beginning to the end, ye Zao never took her as a grandmother seriously. ”

“If it were anyone else, they would definitely come to her first. ”

“After all, she was ye Zao’s grandmother! ”

“Without her, how could there be ye Zao? ”

The person ye Zao should be most grateful to right now was her!

But Ye Zao did not even come over to greet her.

Heartless ingrate.

The Lin family had really raised her for nothing.

Did Ye Zao really think that he was amazing just because he became a doctor?

He had not even reached the final step yet!

It was said that the latecomers would catch up.

Feng Xianxian would definitely be more powerful than ye Zao in the future!

“Coincidentally, at this time, someone came to congratulate Old Lady Lin on having a good granddaughter.”

“”Old Lady Lin, Congratulations! If this was my granddaughter, I’m afraid that I would laugh until I wake up from my dreams!” ”

“When this sentence fell into Old Lady Lin’s ears, it was ear-piercing.”

“It’s just a phd. It’s not as exaggerated as you say!”

Just a phd?

The people who came to congratulate were stunned.

They even felt that Old Lady Lin was showing off in disguise.

“The more people came to congratulate her, the more uncomfortable Old Lady Lin felt.”

It would be great if this YC phd was Feng Xianxian.

When would feng Xianxian let her have such a glorious time?

“Ye Zhuo, this wild girl, what right did she have to get all of this?”

Look at Ye Zhuo’s smug attitude!

Just you wait!

“The Higher You Stand, the more miserable the fall! ”

“Sooner or later, she would cry! ”

“Madam Lin Glanced at ye Zhuo and continued, “Qianhua, let’s go back!” ”

“Feng Qianhua said hesitantly, “If we go back like this, will brother Jincheng be angry?” ”

“Don’t worry about him!” Old Lady Lin turned around and left.

She wanted Lin Jincheng and ye Shu to know that she was angry.

Unfortunately.

“Ye Shu and Lin Jincheng were still immersed in the news that ye Zao was Dr. YC, so they did not notice her at all. ”

“Ye Zao took the flowers. “Thank you, Dad and mom.” ”

“Lin Jincheng looked at his children, and his eyes were slightly red. ”

“In his previous life, he had probably saved the Milky Way galaxy. In this life, he would only have two such outstanding children. ”

Lin Ze took the flowers from ye Shu and a smile blossomed on his lips.

Lin Ze was the type of boy who didn't like to smile.

"But when he smiled, he was absolutely stunning!"

"Li Yueyue squeezed through the crowd and walked to ye Zao's side. "Big Zao! No! Father, is it too late for me to hug your thigh now?" "

This call of 'Dad'scared Lin Jincheng and ye Shu to the side.

The two of them turned their heads to look at Li Yueyue.

"They saw that she was a very obedient and beautiful little girl, giving people a very quiet feeling. "

"If they had not seen it with their own eyes, it was hard to imagine that such a quiet little girl would say such words. "

"Ye Zao smiled and introduced, "Dad, Mom, brother, this is my roommate, Li Yueyue. Yueyue, this is my dad, this is my mom, and this is my brother, Lin Ze." "

"Li Yueyue bowed politely, acting as if they were close. "Hello, Dad! Hello, Mom! Hello, brother! My name is Li Yueyue, and I come from the beautiful and charming prairie. You can just call me Yueyue." "

This posture made it seem as if Lin Jincheng and ye Shu were her biological parents.

"Ye Shu and Lin Jincheng smiled and said, "Hello." "

Lin Ze nodded politely.

He had never spoken much in front of outsiders.

“Ye Shu continued, “Yueyue, there’s no class tomorrow anyway. Come home with US later. Zhuozhuo hasn’t brought his classmates over yet.” ”

“Chapter 603: 144: powerful face slapping, unlimited glory! 5”

“”Okay, okay! Then thank you, Aunty!”Li Yueyue was forthright and never beat around the bush.”

They went back together.

“Today, the driver drove here. ”

The extended Lincoln.

Seeing this car.

Li Yueyue was a little surprised.

The price of this extended Lincoln was around eight figures.

Li Yueyue couldn’t help but recall the first day she met ye Zao.

She said that her uncle was a courier.

Her mother was a caterer.

As for her father who came back later.

Ye Zao said that he sold furniture.

If the situation was really as ye Zao said.

Could their family afford Lincoln?

Could they afford a driver?

It seemed that her roommate was also keeping a low profile.

The driver opened the car door.

Ye Zhuo and Li Yueyue sat in the back seat.

“Lin Ze, Ye Shu, and Lin Jincheng sat in the front seat.”

“Not long after, they arrived at the Lin family’s manor.”

“Ye Zhuo pulled Li Yueyue and introduced the manor’s branch to her. “I live in the east wing with my parents and my brother. My fourth uncle temporarily lives in the north wing, and my grandmother lives in the west wing.” ”

“Li Yueyue asked in surprise, “You have a grandmother?” ”

““Yes.”Ye Zhuo continued, “She raised my brother.” ”

What a coincidence.

“At this moment, Aunt Zhang helped Old Lady Lin to walk over.”

“Is that your grandmother?” Li Yueyue asked.

“Ye Zhuo nodded slightly and said in a low voice, “My grandmother is the same as Feng Xianxian. She’s a bit snobbish. If you say something unpleasant later, don’t take it to heart.” ”

“OH.”

“After saying that, ye Zao brought Li Yueyue to Old Lady Lin. “Grandmother, this is my classmate, Li Yueyue.” ”

“No matter how much Old Lady Lin disliked ye Zao, she would not show it in front of outsiders. ”

The bigger picture still had to be taken into consideration.

“Moreover, this person was ye Zao’s classmate. ”

Ye Zao had one identity as a doctor.

Perhaps Li Yueyue was also a doctor!

People in the science and technology world could not be offended.

What if they could kick ye Zao out and help Feng Xianxian develop her network.

“Hello, Grandma,” Li Yueyue greeted her. ”

“Hello.” Old Mrs. Lin nodded and a kind smile appeared on her face. “Are you and Zao Zao University classmates?”

“Yes.” Li Yueyue felt that old Mrs. Lin was a very kind old woman, which was somewhat different from what ye Zao had described. ”

Could it be that there was some misunderstanding between the grandfather and grandson?

“Then you must be a talent in the science and Technology World, right?” Old Mrs. Lin continued to ask.  
”

Li Yueyue shook her head in embarrassment. “I’m not as smart as Zao Zao.”

Not in the science and Technology World?

“The smile on Old Mrs. Lin’s face disappeared a little, and she continued to say, “Then where are you from?” ”

“I’m from the Prairie.”

The grasslands?

Wasn’t that just a savage land?

“Then who are your parents?”

“Li Yueyue said, “My family raises sheep. My parents raise sheep too.” ”

Raise sheep?

Wasn’t that what a herdsman was?

The little smile on Old Madam Lin’s face disappeared completely in an instant.

Ye Zhuo was indeed a dog that could not change its ways!

“He was in the aristocratic circle and was even a great doctor. Yet, he was actually hanging out with the daughter of a herdsman.”

She even invited people to her house!

She was not afraid of dirtying the Lin family’s doorsill.

“As expected, a tanuki cat was a tanuki cat!”

“Even if she was dressed in a dragon robe, she did not look like a crown prince!”

It was embarrassing.

“Looking at Old Mrs. Lin’s expression, which was faster than flipping through a book, Li Yueyue was stunned.”

“At first, she thought that ye Zao had some misunderstanding with old Mrs. Lin.”

“Now, it seemed that ye Zao was absolutely right.”

This old lady was really too terrifying!

Li Yueyue tugged on ye Zao’s sleeve.

“Ye Zao continued, “I’ll bring my classmate back to the east wing first.” ”

“After saying that, he pulled Li Yueyue and walked to the other side. ”

“When they could no longer see Old Lady Lin’s back, Li Yueyue patted her chest and said, “D \* MN! Big Zao Zao, your grandmother is too scary!” ”

“Old Lady Lin’s cheekbones were very high. She was old and there was no collagen on her face. The moment her face completely collapsed, it was truly terrifying. ”

“Is she really your biological grandmother?”

Ye Zao nodded slightly. “She’s the real deal.”

Li Yueyue sighed. “Then it’s a miracle that your brother was not raised by her!”

It was said that the apple does not fall far from the tree.

It was unbelievable that Lin Ze could still be so outstanding under the teachings of Old Lady Lin!

“I also think that it’s not easy for my brother.”

Lin Ze had stayed by Old Lady Lin’s side for nineteen years. It was indeed a miracle that he was not influenced by Old Lady Lin.

...

“Old Lady Lin looked in the direction where ye Zhuo and Li Yueyue had left and frowned. After a moment, she turned to look at Aunt Zhang. “Go and call Jin city over for me!” ”

“Chapter 604: 144: a powerful slap to the face, a glorious sight! 6”

“Okay.”

Aunt Zhang nodded and walked towards the east courtyard.

Lin Jincheng arrived very quickly.

“What’s the matter?”

“Old Lady Lin’s face was stern. “Your daughter brought back a shady character. As a father, you’re not going to interfere?””

“Mom!” Lin Jincheng held back the anger in his heart. “That’s not a shady character. She’s searing hot’s classmate! She’s our guest!”

“Old Lady Lin said angrily, “How dare the daughter of a herdsman call herself a guest? When did the threshold of our Lin family become so low? Birds of a feather flock together. Hanging out with this kind of person all day long! Sooner or later, she will lead Ah Ze Astray as well!””

Old Lady Lin attached great importance to the younger generation’s circle of friends.

She believed that making friends was the same as talking about marriage.

The poor were never qualified to make friends with the rich.

Because the poor could never reach the level of the rich.

“Between friends, either I assimilate you, or you assimilate me.”

Different circles saw different worlds.

“If the rich were assimilated by the poor, sooner or later they would become poor.”

“Lin Jincheng looked at Old Mrs. Lin and said, “Do you have to force our family of four out of this house?””

There are four brothers in Lam Kam Shing.

Except Lin Qingxuan is abroad all the year round.

“The other three brothers are in three directions, southeast and west of China.”

“Only he remained in the capital, which was located in the north.”

“The reason why he had been enduring not to move out with Ye Shu and the children was that this was the Lin family’s old residence, a place left behind by Old Master Lin. When Old Master Lin passed away, he had instructed him, he had to take good care of the Lin family manor and Old Lady Lin.”

“Secondly, it was for the sake of Old Lady Lin bringing up Lin Ze.”

“But if Old Lady Lin continued to act like this, he would immediately bring ye Shu and the others out.”

Old Lady Lin was stunned. “What are you saying?”

“Lin Jincheng said, “I’m saying, if you interfere with the matters of our family of four again, I will immediately move out of this house.””

Old Lady Lin’s face instantly turned pale.

She could not believe that Lin Jincheng would actually say such heinous words to her.

She was clearly doing this for Lin Jincheng's own good.

"But not only did Lin Jincheng not appreciate her kindness, he even treated her like this."

Old Lady Lin was so angry that her entire body was trembling.

"After Lin Jincheng left, Aunt Zhang advised Old Lady Lin, "Old Lady, don't be too angry. Jincheng is a filial child. This must be some long-tongued woman who instigated something! Otherwise, he would definitely not say such heinous words.""

Who was this gossiping woman referring to?

"Of course, it was Ye Shu!"

"Old Madam Lin thumped her chest. "I shouldn't have let him go to Yun Jing that year! Ye Shu, that b\*tch, she will get her retribution!" Old Madam Lin was very regretful now, why didn't she take a tough stance back then and let Lin Jin Cheng and Feng Qianhua take the certificate."

"Seeing old madam Lin like this, the corners of Aunt Zhang's mouth curled up."

On the other side.

The Feng family.

"Ever since Feng Qianhua returned to the Feng family, she had been keeping a straight face."

She never thought that her daughter would one day lose to Ye Shu's bastard child.

Shameful!

It was really too shameful!

“Feng Qianqian looked at Feng Qianhua carefully, not daring to make a sound.”

“After a long while, Feng Qianqian gathered her courage and said, “Mom...””

Feng Qianhua looked up at Feng Xianxian. “Do you know what you did wrong?”

Feng Xianxian did not say anything.

She had worked very hard since she was young to meet Feng Qianhua’s standards.

“Other than at school, she usually rested at home and had almost no personal space.”

That was because she was busy attending all kinds of training classes.

Her time had not let her down.

“Over the years, Feng Xianxian had always been the child of other families that other parents had mentioned.”

She ranked third in the college entrance examination in the city.

She won third place in the science and Technology Awards during her university years.

She passed nine stages of go.

“She was proficient in all kinds of music, chess, calligraphy, and painting, and she could speak English and French.”

She thought that she was already very outstanding.

But this was not enough.

Who would have thought that ye Zhuo was actually the Dr. YC of the Science and Technology World?

“Your fault is that you’re not as outstanding as ye Zhuo!” Feng Qianhua looked at Feng Xianxian and said with a dark face, “You’re my daughter, Feng Qianhua. I won’t allow you to be inferior to others!”

Especially since that person was ye Shu’s daughter!

Why did that B \* Tch ye Shu have to suppress her in every way?

Feng Qianhua was unwilling to accept this!

“After a long while, Feng Qianqian finally said, “Mom, I know I’m wrong! I’ll work hard in the future!”

“Feng Qianhua said, “I plan to apply for a female Durban for you.””

Female Durban?

“Chapter 605: 144: face-smacking, glorious! 7”

“Feng Xianxian widened her eyes in disbelief. As a college student in the new era, she could not accept such a decadent feudal education. ”

“Feng Qianhua continued, “You have to be better than ye Zhuo!”The older generation preferred women who followed three or four virtues and married their husbands. ”

She had to make Feng Xianxian the daughter of a wealthy family who was both beautiful and intelligent.

Only in this way could feng Xianxian surpass ye Zhuo.

Only then could she successfully marry into the Cen family.

“”I heard that the old lady of the Cen family prefers girls who are sensible and obedient. If she knew that you went to female Durban, she would definitely like you even more.” ”

“Hearing this, Feng Xianxian nodded. “Okay.” ”

She worshipped fifth master Cen very much.

She also liked fifth master cen very much.

Feng Xianxian did not feel ashamed to make her worship a person like fifth master Cen.

“After all, other people wanted to work for fifth master Cen, but they did not have any connections! ”

“Feng Qianhua continued, “No matter how powerful ye Zao is, he only has a little reputation in the technology industry. If she leaves the technology industry, she will be nothing! Xianxian, the most important thing for you now is to surpass ye Zao in other fields! “Develop in an all-round way! “Completely crush that little B \* Tch!” ”

“Feng Xianxian knew how to draw, finance, go, and design. ”

What About Ye Zao?

“Once ye Zao left the technology industry,.”

What else could she do?

Know How to finance?

Know How to design?

Know How to draw?

“Compared to Feng Xianxian, Ye Zao was just a Tech Geek. ”

“Feng Xianxian nodded very seriously. “Mom, don’t worry, I will definitely surpass ye Zao!” ”

“The next day, Feng Qianhua came over with a thermos bucket to deliver soup to Old Lady Lin. ”

“Old Lady Lin did not see Feng Xianxian follow her over. She asked with concern, “Where’s Xianxian?” ”

Feng Qianhua poured a bowl of soup for Old Lady Lin. “I signed her up for a female Durban.”

Female Durban?

Old Lady Lin narrowed her eyes.

“Feng Xianxian was so obedient. If she was so obedient, was there a need for her to go to a female Durban? ”

Ye Zao had no respect for his elders and was so proud that he forgot himself. She should be the one who should go to a female Durban.

Right.

She should let ye Zao go to a female Durban.

“Otherwise, ye Zao would one day cause a big mess and embarrass the Lin family.”

“Qianhua, give me the number of the person in charge of the female Durban.”

“Feng Qianhua was stunned. “Aunt Lin, why do you want this?”

“Old Madam Lin said angrily, “I want to give that disrespectful girl one too! Let Her Go in and reform properly! Otherwise, she will go to heaven in the future!”

“Are you talking about burning?” Feng Qianhua pretended to be surprised.

“Yes.” Old Madam Lin nodded.

“Feng Qianhua said with some hesitation, “But according to burning’s character, she might not obediently go to female Durban, right?”

Ye Zao would go to female Durban?

Who knew what kind of trouble he would cause!

Feng Qianhua was looking forward to that scene.

“If Xianxian can go, why can’t she go?”

Feng Qianhua took out a business card and handed it to Old Lady Lin. "This is the business card of the person in charge of female Durban. You can use this to contact him."

"Okay." Old Lady Lin took the business card and nodded.

"Feng Qianhua continued, "By the way, Aunt Lin, did you tell fourth brother about the matter of introducing a partner to fourth brother last time?" "

"Apart from Old Madam Lin, no one else in the Lin family was speaking up for her. This kind of situation was really disadvantageous to her! "

"Speaking of this matter, old Madam Lin was a little angry, but she still suppressed her anger and continued, "When are you going to invite the woman to Your House? Let me take a look." "

Feng Qianhua frowned. "What if you like her? It's no use even if fourth brother doesn't like her! Fourth Brother has to agree to this."

"Old Mrs. Lin smiled and said, "Qingxuan and I are mother and son. I have the same taste as him. As long as it's someone I like, he will definitely like her!" "

It was said that mother and son were linked by heart. Old Mrs. Lin did not believe that Lin Qingxuan would reject her when the time came.

Old Madam Lin did not want Lin Qingxuan to bring those messy people back from the outside.

She had to personally choose her daughter-in-law.

"Feng Qianhua hesitated for a moment before saying, "Alright then." "

"After leaving the Lin family home, Feng Qianhua invited Jiang Suran out. "

The two of them arranged to meet at a cafe.

“When she saw Feng Qianhua coming over, Jiang Suran stood up with a smile. “Qianhua is here.” ”

“Feng Qianhua said, “Suran, you’ve been waiting for a long time, haven’t you?” ”

““No, I just arrived too.” ”

Feng Qianhua sat down and drank a glass of water. “I’ve already taken care of that matter. Are You Free Tomorrow?”

Jiang Suran’s eyes lit up. “Really?”

“Yes.” Feng Qianhua nodded.

“Jiang Suran grabbed Feng Qianhua’s hand and said gratefully, “Qianhua, if this matter is successful, then you’ll be my big benefactor!” ”

“Jiang Suran was 38 years old this year. She was over 40 years old, and was one of the few older women left in the industry. ”

“Because she was too picky when she was young, she had never married. ”

Even though Lin Qingxuan was married twice.

But the Jiang family could not be compared to the Lin family.

The Lin family was an authentic wealthy family.

“If she could take this opportunity to marry into the Lin family, then she would be considered to have married well.”

“As a girl, who wouldn’t want to marry well?”

“Feng Qianhua patted Jiang Su ran’s hand. “Come with me to the Lin family tomorrow. The old lady of the Lin family likes obedient people. You know how to do that, right?” ”

“In order to marry well, Jiang Su ran stayed in Durban for more than a year.”

No one knew how to please her future mother-in-law better than her.

“Jiang su ran nodded. “Don’t worry, I know what to do.” ”

“Feng Qianhua smiled. “Su ran, I believe in You! When you marry into the Lin family, you can’t Forget Our Agreement.” ”

“Jiang Su ran raised her glass to Feng Qianhua. “Qianhua, look at what you’re saying. I Can’t forget anyone but you.” ”

Chapter 606: 145: The Best in the Universe! (second watch)1

Feng Qianhua picked up her cup and clinked it with Jiang Su ran’s. “Then I wish us a happy cooperation.”

““A happy cooperation,”Jiang Su ran said with a smile. ”

“After chatting with Jiang Su ran for about half an hour, Feng Qianhua left the coffee shop.”

Jiang Su ran sat in her seat and looked at Feng Qianhua's back. A smile appeared on the corner of her mouth.

"Everyone knew that the old lady of the Lin family treated Feng Qianhua very well and treated her like her own child. Even the daughters-in-law of the Lin family could not compare to Feng Qianhua. With Feng Qianhua's introduction, she would definitely be the fourth lady of the Lin Family!"

"Lin Qingxuan had a weak personality and was easy to control. When that time came, the person in charge of the Lin family would naturally be her."

...

Lin family.

Ye Zhuo sat at the computer desk and searched for information from nineteen years ago.

She followed the clues.

"She had already discovered many clues, but she could not come to a conclusion yet."

Nineteen years had passed and many things were already blurred. She still needed some time to verify and implement them.

"Looking at the information on the computer screen, the corners of Ye Zhuo's mouth curled up slightly."

She was looking forward to the day when the truth would be revealed!

"At this moment, the sound of footsteps could be heard from outside the door."

"Ye Zao looked back slightly and saw Li Yueyue walking in with a big fat cat in her arms. "Big Zao Zao, this cat is so cute! Did you raise it?" "

“Like all girls, Li Yueyue liked to pet cats very much. ”

Ye Zao closed the computer. “This is my brother’s pet.”

“Your brother’s?” Li Yueyue looked at ye Zao in surprise.

“She didn’t expect Lin Ze, who looked cool on the outside, to have a fat cat. ”

Ye Zao nodded slightly.

“Li Yueyue stroked the fat cat in her arms. “I didn’t expect your brother to like cats too! I thought boys liked dogs! By the way, what’s its name?” ”

““It’s called brother Meow,” ye Zhuo answered. ”

“Brother Meow?” Li Yueyue asked.

“Meow!” Brother Meow in her arms raised his head and meowed.

“Li Yueyue said in surprise, “Damn! It can understand human language!” ”

Brother Meow raised his head and licked his paws proudly.

Ye Zhuo reached out and touched brother Meow. “It really does understand human nature.”

“At this moment, someone knocked on the door. ”

Ye Zhuo walked over to open the door.

“It was the maid at home, Auntie Qian.”

“Miss, there’s a delivery for you outside. It says that you need to sign it.”

Ye Zhuo nodded and followed Auntie Qian outside to receive the delivery.

Li Yueyue also carried brother Meow and followed.

“The delivery boy was waiting outside. “Hello, is this ye Zhuo?”

Ye Zhuo nodded slightly. “It’s me.”

The delivery man tore off the delivery form. “Please sign here.”

The delivery was a very large cardboard box.

It was rectangular in shape and about 1.5 meters tall. It was very heavy.

“Auntie Qian said, “Miss, I’ll get two people to carry the items in.”

Ye Zao smiled slightly. “No need. I’ll be fine by myself.”

“As soon as he said that, ye Zao picked up the delivery and walked into the house.”

He looked extremely dashing!

Auntie Qian and Li Yueyue were left in a mess in the wind.

“F \* CK, F \* ck!”

He was too strong!

“After a long while, Li Yueyue finally reacted. She carried brother Meow and caught up with Ye Zao. “Da Zao, Why Are You So Strong? What did you eat to grow up?” ”

Li Yueyue came from the grassland. The children on the grassland were all very strong because they drank milk and ate beef and mutton all year round.

“However, they were still not as strong as ye Zhuo.”

Ye Zhuo put the express delivery on the ground and raised his eyebrows slightly. “Could it be spinach?”

“Li yueyue said thoughtfully, “It seems that I have to eat more spinach in the future! By the way, what’s In Your Box?” ”

“Ye Zhuo said as he opened the express delivery, “A cleaning robot.” ”

2

“OH.” Li Yueyue nodded.

“Not long after, Ye Zao opened the box. ”

“Inside lay a robot made of two black and white circular objects. It looked very worn out and did not look like a robot. Instead, it looked like it was picked out from a trash can. ”

“Li Yue Yue frowned. “Zao Zao, this is your floor-sweeping robot?” ”

“Yes.”

“Li Yue Yue touched her chin and asked suspiciously, “Can this thing really sweep the floor?” ”

Ye Zhuo installed the power source.

Di —

“”Not only can it sweep the floor, it can also wash dishes, mop the floor, clean the windows, and bring its own search engine! It is the most powerful all-purpose sweeping robot in the Universe!” ”

“Chapter 607: 146: face smacking by force. This is my boyfriend, Cen Shaoqing. Feng Xianxian was dumbfounded! 1”

Li Yueyue was immediately stunned.

“Looking at little white standing in front of her, her eyes were filled with disbelief. ”

“After being stunned for a few seconds, she finally reacted and turned to look at Ye Zao. “Was it talking just now?” ”

Ye Zao nodded slightly.

“”Yes, you didn’t hear wrongly! It was the most powerful person in the universe talking just now!” ”

“Li Yueyue gulped. “F \* CK, F \* ck!” ”

“She originally thought that Little White was a pile of scrap metal, but she did not expect that this fellow was actually the strongest king.”

Not only could he speak.

He was also so intelligent!

“Li Yueyue also had a robot butler at home, but his language ability was not as strong as Little White’s.”

“If Little White had not been sent by express mail, Li Yueyue would have suspected that there was a living person hidden inside.”

“Xiao Bai turned around and looked at ye Zao. In an instant, he was full of drama. “The most beautiful robot in the universe, Great Zao Zao. Long time no see. I’ve missed you to death! Do You Miss Me?” ”

1

“No.”

Xiao Bai looked hurt. “D \* MN! Heartless! !”

“Li Yue tugged at ye Zao’s sleeve. “Zao Zao, where did you buy this robot at home? I want to buy one too!” ”

Little White slid to Li Yueyue’s side. “It’s a limited edition robot! The kind that you can’t buy even if you have money!”

“Really?” Li Yueyue looked at ye Zao.

Ye Zao nodded. “I assembled little white myself.”

Holy Sh \* t!

I assembled it myself!

“Li Yueyue was stunned, but when she remembered that ye Zao’s other identity was Dr. YC, Li Yueyue was not surprised. ”

“After all, Ye Zao had his own achievements in the science and technology world. ”

It was normal to assemble a robot.

“Is it called Little White?”

“Yes! It’s called Little White!” Little White answered quickly.

“Li Yueyue deliberately teased little white, “You’re so amazing, why do you work so hard? How much does Big Zao Pay You in a month?” ”

“I use my salary to pay the Electricity Bill!”

Li Yueyue was amused by little white and burst into laughter.

The servants at home were also amazed and all came over to tease little white.

Little White had a powerful brain. It answered everyone’s questions very quickly.

The next day was Sunday.

“Because she had made an appointment with Feng Qianhua, she would bring Jiang Suran as a guest today.”

“It was only nine o’clock, and Old Lady Lin was sitting in the hall, looking forward to it.”

“Aunt Zhang, go outside and see if Qianhua has arrived?”

“Aunt Zhang smiled and said, “Old Madam, don’t worry. It’s only nine o’clock now. Miss Qianhua has agreed to meet us at half past ten. Miss Qianhua has always been punctual. She should be here by half past ten.””

“Old Mrs. Lin nodded and continued, “Go and see Qingxuan! Don’t let him go out today!””

“Okay.”

“Aunt Zhang went to Lin Qingxuan’s courtyard, but she was told by the maid that Lin Qingxuan had already left.”

Aunt Zhang returned to old Madam Lin’s courtyard.

“When she heard that Lin Qingxuan had already left, old madam Lin frowned. “Why did he leave so early?””

1

Aunt Zhang shook her head. “I’m not too sure either.”

“At 10:30 am, Feng Qianhua arrived on time.”

Jiang Su ran was also following behind her.

“Aunt Lin, this is the second daughter of the Jiang family that I told you about, Jiang Su ran.” ”

“Jiang su ran quickly walked to Old Madam Lin’s side. “Nice to meet you, Old Madam. I’m Jiang Su ran. You can just call me su ran.” ”

Old Madam Lin nodded and scrutinized Jiang Su ran from top to bottom.

“Jiang Su ran was 1.62 meters tall and was about the same height as Feng Qianhua. Her looks were average and she wasn’t very pretty, but she wasn’t too ugly either. She was the type that could stand to be seen.”

The main point was that her buttocks were fuller.

“With just one look, it was obvious that she was a good mother.”

“Seeing this, a satisfied light appeared in Old Lady Lin’s eyes.”

“When a man reached Lin Qingxuan’s age, the most important thing was to have children.”

Looks were secondary.

What she cared about the most was whether the woman could have children. She could not repeat the same mistake and marry another woman who could not have children.

“Sit, sit.” Old Lady Lin continued, “We are not outsiders. There is no need to be so restrained.” ”

“Thank you, Old Lady.” Jiang Suran bent down and sat down. ”

“As expected, she had entered female Durban.”

Her temperament was different from that of an ordinary person.

Old Lady Lin liked people who knew the rules.

“At the moment, she was very satisfied with Jiang Suran.”

Feng Qianhua picked up the soup that she had brought for old Mrs. Lin. Jiang SU ran stood up with a smile. “Let me serve the soup to the old lady.”

Serve?

Feng Qianhua felt a little uncomfortable hearing this.

But Old Mrs. Lin liked to hear it.

“Chapter 608: 146: a forceful slap to the face. This is my boyfriend, Cen Shaoqing. Feng Xianxian was dumbfounded! 2”

“Other than Feng Qianhua, her daughters-in-law had never been so respectful to her before.”

Jiang Suran scooped up a bowl of soup and handed it to Old Lady Lin. “It’s a little hot. Let Me Blow on it for you.”

“Old Lady Lin smiled and said, “Alright, I’ll have to trouble you.””

“Jiang Suran said, “It’s no trouble. It’s also my blessing to be able to serve you.””

Old Mrs. Lin liked what she heard.

“The more she heard, the more she felt that Jiang Su ran was a good girl who knew the cold and the hot.”

Wasn't Lin Qingxuan lacking someone like that by her side?

Jiang Su ran bragged for a long time before handing the soup to Old Mrs. Lin. “Try it. Is it still hot?”

“Old Mrs. Lin took the soup and took a sip. She smiled and said, “It's not hot anymore.””

“After drinking the soup, Jiang Su ran picked up a piece of tissue to wipe old Mrs. Lin's mouth. The service was very considerate.”

“If Old Lady Lin was just a little satisfied with Jiang Su ran, she would be very satisfied now. She smiled and asked, “Su ran, how are your parents' health now?””

“Jiang su ran said, “My parents have already retreated to the front line. They are still in good health. They usually walk the dog at home and listen to the show.””

Old Lady Lin nodded. “How many brothers and sisters do you have?”

“Jiang Suran replied, “I'm the second eldest at home. I have an elder brother above me and a younger sister below me.””

“So they have a family?”

““Yes.” Jiang Suran continued, “My nephew is 21 years old this year and my niece is 13 years old this year.””

““So, you're the only one in your family who has no family now?””

“Yes.”

Feng Qianhua looked over and the corners of her mouth curled up.

She knew Old Lady Lin very well.

“Seeing Old Lady Lin like this, she knew that this matter was almost certain.”

“If Old Lady Lin was not satisfied with Jiang Su ran, she would have chased her out long ago. She did not have the time to ask so many questions here.”

It was not until three in the afternoon that Feng Qianhua left with Jiang Su ran.

Old Lady Lin personally sent the two of them to the car. She also told Jiang Su ran to come over often when she was free.

They got in the car.

“Jiang Su ran looked at Feng Qianhua and asked nervously, “Qianhua, what do you think of Old Mrs. Lin’s impression of me?””

“Feng Qianhua smiled and said, “You did very well. Don’t worry, I’m Still Here!””

“After hearing Feng Qianhua’s words, Jiang Su ran felt much more at ease. “Qianhua, I’ll have to trouble you with this matter.””

“Of course.” Feng Qianhua patted the back of Jiang Su ran’s hand.

“Jiang Suran seemed to have suddenly thought of something. “By the way, why didn’t I see the Lin family’s fourth son today?””

“Feng Qianhua said, “He probably went out. I’m not too sure either.””

Jiang Suran frowned. “Then what if the Lin family’s old lady has her eyes on me and the Lin family’s fourth son doesn’t agree?”

“After all, the person she was going to marry was Lin Qingxuan, not Old Lady Lin.”

Feng Qianhua smiled. “The person in charge of the Lin family is Old Lady Lin. You’re just worrying over nothing!”

“As long as Old Lady Lin agreed, would Lin Qingxuan Dare to say anything?”

“Even if Lin Qingxuan had any objections, he would probably be angry but not dare to say anything. if he dared to resist, he wouldn’t have married Zhao shuning twenty-one years ago.”

“Is that so?” Jiang Suran was a little worried.

“Feng Qianhua nodded. “The fourth son of the Lin family has soft ears. When Old Lady Lin told him to go east, he didn’t dare to go west. When he was with Zhao shuning previously, the person in charge was always Zhao shuning.””

“Jiang suran smiled and said, “Actually, I’ve heard about this too! Speaking of which, that Zhao Shuning is quite capable. He actually pushed the infertility onto the fourth son of the Lin Family! “He even made the Lin family’s fourth elder take the blame for so many years!””

“If it was anyone else, they probably wouldn’t have the ability to do so.”

Feng Qianhua only smiled and didn’t say anything.

“Actually, in her opinion, Zhao shuning was still stupid.”

“In fact, as long as Zhao shuning used a little trick, even if everyone in the Lin family knew that she was the one who was infertile, Lin Qingxuan would still feel guilty towards her for the rest of her life.”

Unfortunately.

Zhao shuning hadn't thought of that at all.

“In a short while, the car arrived at the entrance of the Jiang family home.”

Jiang su ran smiled and invited Feng Qianhua to her house to have a cup of tea.

“Feng Qianhua said, “There are plenty of opportunities to have tea. I still have other matters to attend to today, so I'll go back first.””

Jiang su ran nodded. “Then you go ahead.”

Feng Qianhua instructed the driver to start the car.

Jiang Su ran waited until the car was out of sight before she turned around and walked towards the Jiang family home.

“As soon as she walked in, the Jiang family's old madam walked out. “You're back? How did it feel to go to the Lin family home today?””

“Jiang su ran brushed her hair behind her ear. “The Lin family's old madam has a very good impression of me. Furthermore, Qianhua is the matchmaker. I feel that this matter will definitely not make a difference.””

“Chapter 609: 146: a strong slap to the face. This is my boyfriend, Cen Shaoqing. Feng Xianxian was dumbfounded! 3”

“Upon hearing this, Old Madam Jiang’s face was full of smiles. “Good, good, good! That’s Good!”She used to think that this second daughter of hers was the most useless in the family. She did not expect that Jiang Suran’s luck would also turn for the better one day. ”

That was the Lin Family!

“Although the fourth son of the Lin family did not do much in the country, he was able to enter the top 30 of the rich list overseas. ”

“Moreover, the Lin family had many brothers and had influence in all parts of the country. As the saying went, it was easy to get things done with people. If Jiang Suran could marry into the Lin family as she wished, it would be a great thing! ”

“At that time, the Jiang family could also benefit from it. ”

“After saying that, old madam Jiang seemed to have suddenly remembered something and asked with a straight face, “Are you still with that side?” ”

““Don’t worry, it’s long been broken off.” ”

““Really?”Old Madam Jiang narrowed her eyes. “Let me tell you, don’t make a mistake at such a critical time!” ”

It was Jiang Suran’s fortune to be able to marry into the Lin family. Old Madam Jiang didn’t want Jiang Suran to make a mistake at such a time.

“Mom!” Jiang Suran said somewhat speechlessly, “Look at what you’re saying! Am I the kind of person who doesn’t know what’s important and what’s Not?” ”

“It’s good that you know it in your heart.” Old Madam Jiang glanced at Jiang Su ran.

Jiang su ran held old madam Jiang’s arm. “I’ll help you back to your room first.”

Feng Qianhua didn’t return to the Feng family immediately.

“Instead, she came to the Lin family home.”

“Old Madam Lin wasn’t surprised to see Feng Qianhua return. She stood up and said, “Qianhua is here!” ”

“Feng Qianhua walked over with a smile. “Aunt Lin, you’ve met Su ran today. What do you think of her?” ”

“Old Madam Lin said, “She’s quite a nice person! She knows the rules and knows the cold and warmth. When Qing Xuan comes back, I’ll talk to her about this matter and try to settle things as soon as possible.” ”

“Feng Qianhua nodded. “Alright, I’m relieved to hear that from you.” ”

“Old Madam Lin held Feng Qianhua’s hand. “Qianhua, it’s all thanks to you this time! If it weren’t for you, where would I have found such a good girl?” Old Madam Lin was really very pleased with Su ran.”

“Feng Qianhua smiled and said, “Look at what you’re saying. As the saying goes, it’s not like a family doesn’t enter the same house. For you to like Su ran, it means that the two of you have an affinity with each other.” ”

“When she said the words ‘affinity with each other’, a gloomy look flashed across Feng Qianhua’s eyes.”

“Old Madam Lin patted her hand. “Qianhua, don’t worry. You’ve always been the best daughter-in-law in my heart. As long as there’s a chance, I’ll chase that Shameless B \* Tch, Ye Shu, out of the Lin family.” ”

“Feng Qianhua smiled. “Aunt Lin, don’t say that. So much time has passed, and I’ve thought it through. As long as I can see brother Jin Cheng Happy, then I’ll be happy.” ”

“Seeing Feng Qianhua like this, Old Madam Lin Sighed. ”

“At night, when Lin Qingxuan returned from outside, Old Madam Lin brought up the old matters again and talked about Jiang Sulan. ”

“Hearing this, Lin Qingxuan pinched her temples and said tiredly, “Mom, didn’t I say it a few days ago? I Won’t think about these things for a while.” ”

“”Mom is already so old. She might leave one day.”At this point, Old Lady Lin’s eyes were red. “Can’t you let mom leave before she dies without any worries?” ”

“”Twenty-one years ago, mom already made a mistake. Can’t you give mom a chance to make up for it? Qingxuan, don’t worry. Su ran will definitely be a good wife and mother in the future!” ”

“”Mom, the best way for you to make up to me now is not to talk about this anymore!”Lin Qingxuan continued, “I’m an adult now. I know what to do with my own matters! The most important thing for you now is to retire peacefully!” ”

Old Lady Lin looked at Lin Qingxuan with disbelief in her eyes.

Did Lin Qingxuan blame him for being a busybody?

“But if Lin Qingxuan wasn’t her son, who would be willing to care for him? Who wouldn’t want to retire peacefully? ”

“It was said that it was difficult to manage a family of ten people, and there were dozens of people in the Lin family. If it wasn’t for her supporting them all these years, they would have been in chaos long ago!”

It was fine if Lin Qingxuan didn’t know about her hard work.

“But now, she was blaming her for being nosy.”

This really made Old Lady Lin’s heart turn cold.

Old Lady Lin’s heart was filled with anger. She could not get it out and she could not get it out. It was stuck in her throat and she felt very uncomfortable.

“After Lin Qingxuan left, Aunt Zhang comforted old lady lin, “Old Lady, Qingxuan just divorced Secretary Zhao. It’s normal for him to be unable to accept Jiang Suran for a while. Why Don’t you give him a little more time?””

“Chapter 610: 146: a forceful slap to the face. This is my boyfriend, Cen Shaoqing. Feng Xianxian was dumbfounded! 4”

Old Lady Lin Sighed.

“Aunt Zhang said again, “No matter what, you are Qingxuan’s mother. I believe that he will definitely understand you! Between mother and son, how can there be any overnight feud?””

The next day was Monday.

“In the morning, Lin Jincheng sent ye Zhuo, Lin Ze, and Li Yueyue to school.”

“When they got off the car, Li Yueyue bowed to Lin Jincheng, “Thank you, uncle, for your hospitality on Saturday and Sunday. Our Prairie is picturesque. If you have time, you and Auntie must go to our prairie for a visit! I’ll be the host!””

“Lin Jincheng smiled and said, “Okay, I’ll definitely bring your auntie there.””

““That’s settled then, uncle.”Li Yueyue stretched out her hand. “Let’s give each other a high five!””

Lin Jincheng stretched out his hand to give Li Yueyue a high five.

“Ye Zhuo looked at Lin Jincheng. “Dad, we’ll go in first.””

“Okay.”Lin Jincheng nodded and watched the three of them leave.

Lin Ze wore a black hoodie and a black mask on his face. He followed behind the two of them like a guardian God.

The passing students looked at him sideways.

Li Yueyue had never felt so many people staring at her. She felt quite embarrassed for a moment.

“At the next intersection, Lin Ze was going to separate from them to go to the boys’ dormitory.”

“Li Yueyue was conflicted, but she still said, “Brother Ze, wait a moment.””

“What’s Wrong?”Lin Ze stopped in his tracks.

Li Yueyue waved her phone. “Let’s add each other on wechat?”

Lin Ze hesitated for a moment. “Okay.”

“Hearing Lin Ze’s reply, Li Yueyue was so excited that she wanted to jump up, but she still held it in. She immediately opened wechat and added Lin Ze as a friend.”

Lin Ze’s wechat name was very simple.

It was just the initial letter of his name.

LZ.

“After adding wechat, Li Yueyue continued, “Brother ZE, is it convenient for you to tell me what kind of girl you like?””

Lin Ze was stunned.

“After a while, he replied, “I don’t know either.””

““Ah?”Li Yueyue said incredulously, “Don’t you have any standards for choosing a partner?””

Lin Ze shook his head.

“Li Yueyue continued, “Do you like girls who have a big sister Type?””

“I don’t know.”

“Lin Ze had never met a girl that he liked, so he did not know what kind of girl he liked.”

In fact.

“Before finding ye Shu and Ye Zhuo, Lin Ze was even resistant to the opposite sex.”

“After spending time with his mother and sister, this psychological resistance to the opposite sex disappeared a lot.”

Li Yueyue originally thought that a handsome boy like Lin Ze must have had a lot of romantic experiences. She didn't expect that Lin Ze was as pure as the little dragon girl who had just come out of the ancient tomb.

“For a moment, Li Yueyue could not bear to let her classmate, a veteran in love, Harm Lin Ze.”

“After Lin Ze left, Li Yueyue asked ye zao curiously, “Da Zao Zao, has your brother really never been in a relationship?””

“Yes.”

“Li Yueyue said, “Your brother is so handsome. There are so many girls who send him love letters every day. How could he have the heart to refuse? If it were me, I definitely wouldn't have the heart to refuse!””

“Ye Zao smiled and said, “Don't tell me you want to have three wives and three thousand concubines?””

“Li Yueyue first nodded, then shook her head and said with a false heart, “I'm not that kind of person!””

The two of them chatted and laughed as they walked into the dormitory. Only then did they realize that Feng Xianxian and Bai Xiaoman's beds were empty and their belongings had been moved away.

“Li Yueyue said in surprise, “I'm Gao! Did the two of them move away?””

“”From the looks of it, they should.””

“Li Yueyue smiled and said, “Then we should really celebrate! I hope that the new roommate isn’t so weird!””

“I hope so too!”

Feng Xianxian and Bai Xiaoman had indeed moved away.

“In the past, Feng Xianxian always felt superior in front of ye Zao. Now that such a thing had happened, how could Feng Xianxian still have the face to stay in the same dormitory as ye Zao?”

“In the blink of an eye, it was Friday.”

There were no classes in the morning.

Cen Shaoqing had made an appointment with ye Zao to bring her around the CEN group’s laboratory.

Ye Zao had just walked out of the school gate when he saw the familiar Maserati parked at the school gate.

“At this moment, the car door was pulled open from the inside.”

“However, it was not Cen Shaoqing who came, but his chauffeur.”

“”Miss Ye, master five has a small matter to take care of at the last minute. He asked me to pick you up.””

Ye Zao nodded. “Alright.”

This scene was coincidentally seen by Bai Xiaoman who was passing by.

She could not hear their conversation from afar. She only saw the driver opening the door for ye Zao.

But she knew this man.

Wasn't this ye Zao's mysterious boyfriend?
