Chapter 621: 147: publicly flaunting their love and envying others. The truth has surfaced! 7

""Great burning, I've already found out."" "

Ye Zhuo took the information.

He frowned slightly.

"According to the information Xiao Bai found out, although Feng Qianhua was the eldest daughter of the Feng family, she was not the daughter of the Feng family's old madam. "

"When the Feng family's old master was young, he was a womanizer. The red flags at home did not fall, and the colorful flags outside fluttered. "

Feng Qianhua was a womanizer that the Feng family's old patriarch had caused outside.

"When the Feng family's old patriarch carried Feng Qianhua back, the Feng family's old madam also cried and made a scene. But in the end, she still lost to reality. "

Because there were only two ways to face her.

Either accept this child.

Or divorce.

“For the sake of the family’s face, and for the sake of her four young sons not being mistreated by their stepmother, the Feng family’s old Madam accepted this fact with tears in her eyes and announced to the public that Feng Qianhua was her biological child. ”

“For so many years, apart from old madam Feng and the relatives of the Feng family, no one else knew about this secret. ”

Feng Qianhua and Mrs Zhang were so close. Could it be that the two of them were mother and daughter?

“But according to the information, Feng Qianhua’s biological mother, Xu Lanying, was already dead. ”

Could it be.

“In fact, Xu Lanying was not dead at all. ”

Was she the current Mrs Zhang?

And the health-preserving soup that Feng Qianhua sent to Old Lady Lin every day.

“In their conversation, they mentioned the health-preserving soup more than once. ”

Was the health-preserving soup really that magical.

Or was there another mystery behind it?

Did Old Lady Lin Raise a tiger as a threat and reap the consequences.

Ye Zhuo narrowed his eyes.

This matter seemed to be getting more and more interesting.

She was also looking forward to the day when the truth would be revealed.

On the other side.

At the CEN residence.

Old Mrs. Cen sat on the sofa and waited for Cen Shaoqing to return.

“It was almost twelve o’clock, but there was no sign of CEN Shaoqing. Old Mrs. Cen was extremely anxious.”

“When she heard the sound of footsteps, she jumped up from the sofa and ran out the door. She was so excited that even her slippers flew away. “Fifth, Shaoqing is back!” ”

“Grandma.”

“Old Mrs. Cen said impatiently, “How was your trip to the burning house today? Did you manage to settle your father-in-law and mother-in-law? Did everything go smoothly?” ”

“CEN Shaoqing said, “The situation is a little better than expected. It’s just that Ah Ze’s side might still have some misunderstandings about me.” ”

“Ah Ze?” Old Mrs. Cen stood on the small stool and slapped Cen Shaoqing. “That’s your brother! Your biological brother! I’ve already said it. There’s a cause and there’s a consequence. It’s your fault for being blind and offending Ah Ze!”

Cen Shaoqing twirled the Buddhist beads and silently accepted the criticism.

“Old Mrs. Cen continued, “Other than Ah Ze, what is the attitude of your father-in-law and mother-in-law?” ”

Cen Shaoqing’s thin lips parted slightly. “Uncle and aunt don’t object to us being together.”

“”That’s good.” Old Mrs. Lin heaved a sigh of relief, then, she said, “You Brat, you have to live up to your expectations too. When you have time, you should look at the law of wooing a wife and learn how the great CEO goes about wooing his wife! You must not bully Yezi! If you dare to bully Yezi and do anything to let her down, your grandmother will beat your dog’s Head Up!” ”

“Cen Shaoqing nodded. “Don’t worry, I won’t.” ”

“Old Mrs. Cen glanced at Cen Shaoqing and raised her chin proudly, “It’s also your kid’s fortune to have a good grandmother like me in China! If it wasn’t for me, a godly assistant, would you be able to chase after Yezi so quickly? Tell me, did you, Little Brat, Save the Milky Way in your previous life?” ”

“If she was like Old Lady Lin, an old fool and sweet-natured person, then Cen Shaoqing would be finished. ”

“CEN Shaoqing then nodded, “Yes, yes, yes, you are the best grandmother in the world.” ”

“”That’s right!” If Old Lady Cen had a tail, then she would definitely be in the sky by now. ”

The next morning.

Ye Zhuo was running in the garden as usual when he happened to run into the butler walking over.

“”Grandpa Butler,” ye Zhuo greeted politely. ”

“Young miss.”

“Ye Zhuo smiled and said, “How many times have I told you, you can just call me Zhuo Zhuo.” ”

“The Butler said with a serious face, “The master is the master, and the servant is the servant! Young Miss, you can’t break the rules of the entire Lin family just because of me.” ”

“Ye Zhuo continued, “Grandpa Butler, can I ask you a question?” ”

“”Please Ask, miss. .” ”

“Ye Zhuo continued, “How many years has aunt Zhang stayed in our Lin Family?” ”

“The Butler raised his head and calculated, “About... about twenty years.” ”

“After that, the butler continued, “Miss. . Why are you asking this?” ”

“Ye Zhuo said, “It’s nothing. I just asked casually.” ”

“Chapter 622: 147: publicly flaunting their love, envying others, and revealing the truth! 8”

“The housekeeper nodded. “Then, if you have nothing else to do, I’ll go and do my work first.””

“You go and do your work.”

Ye Zhuo continued to run.

The row of rooms behind the garden was the servant’s room.

“At this time, everyone was doing their jobs.”

“Ye Zhuo looked at the surveillance camera on the servant’s room and took out her phone from her pocket. A minute later, she put her phone back and put her hands in her pockets as she strolled into the servant’s room.”

“The Lin family manor was very large, covering an area of dozens of acres. Therefore, there were a lot of servants.”

“Since Aunt Zhang was old and her legs were inconvenient, and she was an elder of the Lin family, the Butler arranged a room on the first floor for her.”

The door was locked.

“However, this did not pose a problem to Ye Zhuo.”

Ye Zhuo took off the black hair clip on his head and removed the lock core just like that.

There were not many decorations in Zhang Sao’s room.

Ye Zao walked around the room.

“Finally, he pulled out two strands of hair on the number in front of the dressing table.”

“After putting the hair into a transparent self-sealing bag, ye Zao found another photo album in the drawer.”

Ye Zao flipped through a few pages and suddenly narrowed his eyes. His gaze was fixed on a photo of a small baby.

The baby was very small.

It looked to be about five to six months old.

The woman who was holding her looked to be about twenty years old. Zhang Sao's figure could be seen between her brows.

"If he was not mistaken, this child was Feng Qianhua when she was young. The woman holding the child was Zhang Sao when she was young."

Ye Zhuo took out his phone and took a photo of this photo.

He did all this.

Ye Zhuo came out of the maid's room and went to the kitchen again.

This was not ye Zhuo's first time in the kitchen. The chefs in the kitchen were very familiar with her and took the initiative to greet her.

"While ye Zhuo chatted with the chefs, he quietly added some ingredients to Old Mrs. Cen's lunch."

...

It was past eleven o'clock in the afternoon.

Feng Qianhua came punctually to deliver the health-preserving soup to Old Mrs. Lin.

"Auntie Feng, are you here to deliver soup to my grandmother?" Ye Zao walked over from the other side.

"Feng Qianhua nodded. "Zao Zao, where are you going?"

“Ye Zao smiled and said, “I’m here to visit my grandmother.””

Visit Old Lady Lin?

“Ye Zao had been back for so many days, when had he ever taken the initiative to visit Old Lady Lin?”

Could it be that ye Shu had realized the danger and intentionally made ye Zao come to please Old Lady Lin?

Feng Qianhua narrowed her eyes.

The two of them entered Old Lady Lin’s house together.

“When she saw Feng Qianhua, Auntie Zhang greeted her warmly, “Miss Qianhua!””

“Auntie Zhang.”

“When she saw ye Zhuo behind her, a strange look flashed across Auntie Zhang’s eyes. She smiled and said, “The eldest miss is here too!””

“Ye Zhuo nodded slightly. “Yes, I’m here to see my grandmother.””

“Aunt Zhang continued, “The old lady went to sleep at nine o’clock. She hasn’t woken up yet.””

“I see. Then I’ll go back first.”Ye Zao turned around and walked out of the door.

Feng Qianhua and Aunt Zhang walked into the house. “Has ye Zao been here in the past few days?”

Aunt Zhang shook her head. "No."

Feng Qianhua narrowed her eyes. "Then what happened today?"

"Aunt Zhang said in a low voice, "Could it be that ye Shu can't sit still anymore?""

"It's very possible," Feng Qianhua continued, "Please help me be more careful in the next few days."

The two of them talked as they walked in.

"When they arrived at Old Mrs. Lin's bedroom, Feng Qianhua took out a bowl of health-preserving soup and waited for old Mrs. Lin to wake up and drink it."

"Old Mrs. Lin slept for a while almost every morning. Usually, she would wake up not long after Feng Qianhua arrived."

But today.

"The health-preserving soup was cold on the table, but Old Mrs. Lin was still asleep."

"Feng Qianhua turned to look at Auntie Zhang. "Please heat up the health-preserving soup." This was the Lin family. It was inconvenient for her to enter and leave the kitchen, so it was best for Auntie Zhang to go."

"In the Lin family, Auntie Zhang was the person she trusted the most."

"Okay." Auntie Zhang nodded and walked toward the kitchen with the thermos bucket.

Ye Zao watched Aunt Zhang walk into the kitchen with a faint smile on his face.

Ten minutes later.

“A young servant came over. “Miss, this is what you asked me to take.””

Ye Zao took the small glass bottle from the servant with both hands. “Thank you.”

“”Miss, you’re too kind.””

An hour later.

“Ye Zao appeared in a laboratory. “Hello, I’m looking for Gu De Ning.””

“The receptionist raised her head to look at ye Zao, her eyes flashing with surprise. “Do you have an appointment with Dr. Gu?””

“Ye Zao said, “Please tell her that my surname is Ye, and she will come out to see me.””

“The receptionist saw ye Zao’s refined temperament and was afraid of offending the noble, so she immediately called the internal line to inform Gu Dening. She didn’t dare to delay for even a second.”

Gu dening came out very quickly.

She was probably doing an experiment and was wearing a blue isolation suit.

“Miss Ye! I didn’t expect it to really be you!”Gu dening looked at ye Zao in surprise.

This was the first time ye Zao had looked for her since she came to Beijing.

“Ye Zao smiled and said, “I came here today because I have something to ask you for help.””

“Gu dening said, “Miss Ye, you’re too kind. It’s my duty to do things for you. If there’s anything you need me to do, just say it!””

Ye Zhuo handed the glass bottle to Gu deling. “Help me test the contents of this bottle of medicine.”

“Chapter 623: 148: the result of the test was that old Mrs. Cen tore old Mrs. Lin apart with her bare hands, which was very satisfying! 1”

“Gu decing received the glass bottle with both hands. “Yes, Miss Ye.” ”

“How long will it take to send out the report?”Ye Zhuo continued to ask.

Gu decing looked at the glass bottle in her hand. “Is this Chinese Medicine?”

Ye Zhuo nodded slightly.

“Are there any medicinal dregs?”Gu decing continued to ask.

“No.”

“GU dening continued, “If there are no medicinal dregs, it will probably take some time. The main thing will depend on how many kinds of Chinese medicine are there.”With all kinds of Chinese medicine mixed together, even a sophisticated machine.., would not be able to analyze everything in a short period of time.”

“After saying that, gu dening said again, “Miss Ye, I will speed up the processing for you. Try to analyze everything within a period of time. Oh right, where are you now? I will send it over to you when the time comes.” ”

Gu dening was busy with all sorts of experiments all day long and did not know that ye Zhuo had been recognized by the Lin family.

“Ye Zhuo said, “I’m staying at 618 Jinxiu Manor on Shanhe Road. Sister Dening, I’ll have to trouble you with this matter.” ”

“Gu dening smiled and said, “Miss Ye, you’re too kind! Please wait for me for a while. I’ll go in and change my clothes. Let’s go for a meal?” ”

“Sure.”Ye Zao nodded slightly.

“Gu dening turned to look at the front desk. “Xiao Zuo, take Miss Ye to the VIP room.” ”

“Okay.”

Xiao Zuo was stunned.

Gu dening was the second person to cure cancer and held a supreme position in the medical world. She had never seen gu dening so respectful to anyone.

It seemed that this miss ye must have an extraordinary status.

“At the same time, Little Zuo was also glad that he did not neglect ye Zao just now. ”

“”Miss Ye, come with me.” ”

Ye Zao followed Little Zuo to the VIP room.

This VIP room was usually used to receive medical professors or people who had made significant contributions to the medical world.

It was the first time Little Zuo had seen a guest as young as Ye Zao.

"Ye Zao waited inside for about 20 minutes before Gu Dening pushed the door open and came in. "Miss Ye, sorry to keep you waiting." "

"It's okay." Ye Zhuo looked back slightly.

Gu Dening changed into her daily clothes.

"She was not interested in brands. She just wanted to be comfortable. There was no makeup on her face, only some lipstick. She looked very plain. "

"Miss Ye, I know a French restaurant nearby that's pretty good. Why don't we go for a French meal?" Under normal circumstances, a French meal had to be booked, but because Gu Dening was a member of the restaurant, there was no need to make a reservation. "

"Sure."

The French restaurant was right next to the laboratory.

They arrived very quickly by car.

"French people were all very romantic. In addition, the owner of this French restaurant was an authentic French person, so the decoration of the restaurant was very romantic. Elegant piano music poured out from the hands of the cellist. "

The waiter brought the two to the private room.

“Although gu dening had worked with ye Zhuo before, this was the first time gu dening treated ye Zhuo to a meal.”

“Although ye Zao was only 19 years old, Gu Dening had never treated her like a little girl.”

“”Miss Ye, will you be returning to Yun Jing during the New Year?” ”

“I might not be able to go back until the new year is over. What About You?”

“Gu dening took a sip of her drink. “My parents are both in Yun Jing. If I have time, I’ll definitely go back.” ”

The two of them chatted as they ate.

The French food was served very slowly.

“Two and a half hours later, the two of them walked out of the private room.”

“Zha Zha!”

“At this moment, a surprised male voice appeared behind Ye Zha.”

“Uncle?”Ye Zha looked back slightly and saw Ye Sen in a suit and leather shoes.

Ye Sen had been very busy recently and always flew abroad. Ye Zha had not seen him for almost a month. He did not expect to see him in the restaurant today.

“”Zao Zao, you’re here for dinner too? Where’s Ah Ze?” ”

“I’ve eaten.”Zao nodded slightly. “My brother didn’t come. I ate with sister De Ning.”

“Gu De Ning smiled and greeted ye Sen. “Hello, Mr. Ye.” ”

“”Hello, Doctor Gu.”Ye Sen then saw Gu de Ning beside ye Zao. ”

“Ye Sen then introduced the man beside him. “President Wang, this is my eldest niece. This is my eldest niece’s friend, doctor Gu. Zao Zao, Doctor Gu, this is president Wang.” ”

“President Wang looked like a very smart middle-aged man. After ye Sen introduced him, he immediately extended his hand to ye Zhuo and doctor gu, “My niece, doctor Gu.” ”

Ye Zhuo and gu dening shook hands with President Wang.

“During the process, president Wang looked at Gu Dening and felt that he had seen gu dening somewhere before, but he could not remember where he had seen her before...” ”

“Ye Sen had come to talk about cooperation today. After greeting her, ye Zhuo continued, “Uncle, we won’t bother you anymore. We’ll go back first.” ”

Chapter 624: 148: the result of the test was that old Mrs. Cen tore old Mrs. Lin apart with her bare hands. It was very satisfying! 2

“”Okay,”Ye Sen said to President Wang and then sent ye Zhuo and Gu dening out.”

President Wang stood at the same spot and narrowed his eyes.

The three of them came to the door. Ye Sen held the door like a gentleman and let ye Zhuo and gu dening go out first.

“Gu dening was wearing a pair of high heels. When she went down the stairs, she accidentally twisted and was about to fall. One of her hands quickly grabbed her arm and the other held her waist. “Are you okay?””

“Gu dening was still in shock. With Ye Sen’s help, she stabilized her body. “Thank you, Mr. Ye. I’m fine.””

“”It’s good that you’re fine.”Seeing that gu dening had stabilized herself, Ye Sen let go of her arm.”

There was a moment of subtlety in the atmosphere.

Ye Zhuo looked back slightly and just happened to see the blush on Gu Dening’s ear.

“After sending the two of them to the parking lot, Ye Sen returned to the restaurant.”

CEO Wang was still standing there waiting for him.

“CEO Wang.”

“CEO Wang looked outside the door. After a moment, he turned back to look at ye Sen. “CEO Ye, was that Doctor Gu a friend of your niece? Why do I feel like I’ve seen her somewhere before?”?”

“Ye Sen smiled and said, “Then you must have seen her on TV.””

“”On TV? !”CEO Wang said in disbelief, “So this doctor Gu is the Doctor Gu who cured cancer?””

“Although president Wang felt that gu dening was a bit like the Doctor Gu who cured cancer, he didn’t dare to confirm it.”

“After all, Gu Dening was too pretentious.”

How could ordinary people know her?

“Yes.” Ye Sen nodded. “She is the Doctor Gu who cured cancer.”

“President Wang suppressed the shock in his heart and continued, “President Ye, how old is your niece this year?””

““Nineteen,” ye Sen answered.”

Only nineteen years old!

President Wang was stunned again.

“Gu Dening’s identity was not ordinary to begin with. For ye Zao to be able to make friends with Gu Dening, he must not be a simple person.”

“President Wang continued, “Then your niece must be very powerful too!””

“Ye Sen was willing to listen to others praise ye Zao. He said with a proud look, “Don’t tell me, my niece is indeed powerful! She is also the largest shareholder of Shengdong Express! If it weren’t for her, there wouldn’t be Shengdong Express Now!””

““Really?” President Wang said in surprise, “Then what does your eldest niece know?””

“Ye Sen said, “My eldest niece Knows Everything!””

Knows Everything?

President Wang felt that Ye Sen’s words were a little too much.

“A nineteen-year-old girl, no matter how amazing she was, could not know everything.”

“President Wang did not continue the topic and continued, “President Ye, to tell you the truth, my mother has been suffering from cancer for half a year. I wonder if you can help introduce her to doctor Gu?””

“Although there was already a treatment plan for the cancer, because there was no cure before this, there were too many patients piled up. Currently, there were still many people waiting in line for treatment.”

“Ye Sen said, “Doctor Gu and my niece are friends. I’m not too familiar with her, but I can help you ask her through my niece. If she agrees, I’ll arrange for you to meet her.””

“”Then I’ll have to trouble you, President Ye.””

“”It’s just a matter of one sentence,”ye sen continued, “But President Wang, I can only help you ask. I Can’t guarantee whether doctor Gu will agree or not.””

President Wang looked at ye Sen. “I know that. I’m already very grateful that you can help me set up a meeting.”

...

At the Lin family home.

Feng Qianhua waited until one o’clock in the afternoon before Old Mrs. Lin woke up.

“As soon as she opened her eyes, she started coughing violently.”

“Feng Qianhua hurriedly passed the health-preserving soup to her. “Auntie Lin, you’re awake. Hurry up and finish the soup.””

“Old Lady Lin took the soup and drank it all in one go. After she finished it, she wiped her mouth with a longing look, “Qianhua, it’s been hard on you. You’ve come over every day to bring me health-preserving soup. If you hadn’t come over every day to bring me soup, I really don’t know how I would have been able to endure for the past ten years...””

Old Lady Lin’s illness usually seemed fine.

“But once it flared up, her chest would feel stuffy and she would cough non-stop. It was as if her bones were being gnawed by ants.”

It was very uncomfortable.

This health-preserving soup was Old Lady Lin’s life.

““It’s not hard. It’s what I should do.”Feng Qianhua picked up a tissue and wiped old lady Lin’s mouth, then, she said, “Oh right, Aunt Lin, su ran contacted me this morning. She said that if fourth brother didn’t have that kind of intention towards her, their family would have to arrange for her to meet other blind dates. When do you think you can arrange for fourth brother to meet su ran?””

Chapter 625: 148: the result of the appraisal was that Old Lady Cen had torn Old Lady Lin Apart. It was very satisfying! 3

Old Lady Lin frowned.

She had originally wanted Jiang Suran and Lin Qingxuan to meet at the birthday banquet yesterday.

What a coincidence.

Jiang Suran had missed the birthday banquet because she had something urgent to attend to.

""Tomorrow, tomorrow you ask Jiang Suran to come over to the house. I'll think of a way to leave Qingxuan at home tomorrow." "

"Okay."Feng Qianhua nodded.

"Old Madam Lin finished her soup and felt better. She continued, "Qianhua, what time is it now?" "

Feng Qianhua looked at her watch. "It's already 1:10 pm."

""It's already so late?"Old Madam Lin continued, "Then I have to get up quickly and make a trip to the CEN family." "

The Cen Family?

Feng Qianhua managed to conceal the smug look in her eyes. "What's the point of going to the Cen Family?"

"Old Madam Lin said, "You don't have to worry about this matter." "

"Feng Qianhua had a kind personality and was aloof from worldly affairs. If she knew that she was going to the CEN family because of Cen Shaoqing and Feng Xianxian, Feng Qianhua would definitely not agree. "

"These two mother and daughter were people who did not fight for anything. If she did not lend a hand to help them, they would definitely be bullied to death by those people. "

"First, Ye Shu snatched Lin Jincheng away from Feng Qianhua. "

"Then, ye Zhuo snatched Cen Shaoqing away from Feng Xianxian. "

These two mother and daughter.

One was more shameless than the other.

They were men who specialized in snatching other people's Men!

"After saying that, old Mrs. Lin said again, "Aunt Zhang, go and bring me the set of qipao that I ordered in Little Jiangnan." "

"Okay," aunt Zhang replied. After a while, she walked in with the Qipao. "

"After changing into the Qipao, Old Madam Lin sat in front of the dressing table to choose her jewelry. "

"Although she was old, her jewelry was not less than that of a young person. It was dazzling and dazzling. "

"Qianhua, do you think I look better with this pearl necklace or this diamond?" "

"Feng Qianhua walked over with a smile. "With the Qipao, of course I look better with the pearl necklace." "

"Old Lady Lin handed the necklace to Aunt Zhang. Aunt Zhang was just about to put it on Old Lady Lin when Feng Qianhua took the necklace, "Let me help Aunt Lin put it on." "

A dark blue qipao paired with a pink and white pearl necklace did indeed look good.

"Old Lady Lin looked at herself in the mirror with satisfaction and said with a smile, "Qianhua has a good eye." "

"Feng Qianhua said, "It's not that I have a good eye. It's clearly because you have a good foundation. As the saying goes, white hair and a flower lord grim. Time never defeats a beauty. You were a beauty when you were young, but you're still a beauty now." "

Old Mrs. Lin couldn't close her mouth from Feng Qianhua's praise.

This was one of the main reasons why she liked Feng Qianhua so much.

"After dressing up, Old Mrs. Lin took a car to the CEN residence. "

"When she heard that old Mrs. Lin was coming, old Mrs. Cen frowned, "What's that old fool Bai Tian doing here?" "

"But when she remembered that old fool Bai Tian was her future granddaughter-in-law's grandmother, she still went out to welcome her. "

"Seeing Old Mrs. Cen personally welcome her, Old Mrs. Lin knew that she held a very important position in old Mrs. Cen's heart. After all, she and old Mrs. Cen were university classmates. "

"Now, there were not many old classmates left in their class. "

"Quickly make tea for Old Mrs. Lin." Old Mrs. Cen instructed the servants to make tea.

Old Mrs. Lin sat on the sofa and looked curiously into the room. "Is Xiang Xiang not at home?"

"She went out for a SPA," old Mrs. Cen replied. "

"OH." Old Mrs. Lin nodded and continued, "It's not easy for your Xiang Xiang to stay by herself for so many years." "

"Old Mrs. Cen nodded as well. "It's indeed not easy for the child. I'm not that kind of feudal person. I asked her to find one, but she wasn't willing." Cen Haifeng had been gone for more than ten years. "

“All these years, Zhou Xiang had always been alone. ”

“Old Mrs. Lin continued, “By the way, where’s Your Shaoqing?” ”

“At the company.”

“Old Mrs. Lin deliberated over the words in her heart. “Actually, I came here this time for the matter of Shaoqing and Zhonghua.” ”

“At the mention of Ye Zhonghua, a smile appeared on Old Mrs. Cen’s face. “Fangyue, to be honest, I’ve never admired you in my entire life. The only person I admire is that you have such a good granddaughter! Do you think the ancestral grave of your old Lin family is emitting green smoke?” ”

“Old Lady Cen was filled with envy, jealousy, and hatred towards Old Lady Lin. ”

Good granddaughter?

Old Lady Lin frowned.

Ye Zao called her a good granddaughter?

She suspected that Old Lady Cen was deliberately mocking her.

“Old Lady Lin frowned and continued, “Bai Tang, although Zao Zao is my granddaughter, I will not hide anything for her. To be honest, she is indeed not worthy of your Shaoqing.” ”

“Who do you think doesn’t deserve who?” Old Lady Cen felt that she was hearing things.

Chapter 626: 148: the result of the appraisal was that old lady Cen Tore Old Lady Lin apart with her bare hands. It was very satisfying! 4

“Old Lady Lin continued, “Bai Tang, I know that you’re embarrassed to say it out loud because we’ve been old friends for many years. It’s alright. If you’re embarrassed to say it out loud, I’ll say it! Don’t talk about you. I myself also think that Zhuo Zhuo Zhuo doesn’t deserve Shaoqing!””

“From Old Lady Lin’s point of view, Old Lady Cen definitely didn’t like ye Zao.”

“After all, ye Zao came from a small place.”

He had no manners and no manners.

“If it wasn’t for her face, Old Lady Cen would definitely not agree.”

“Hearing this, Old Lady Cen became anxious. “How can you say that, Old Lady? When did I think that ye Zao doesn’t Deserve Shaoqing? It should be that Shaoqing doesn’t deserve ye Zao!””

“Old Mrs. Lin smiled and said, “Stop pretending! Don’t worry, I Won’t Blame You! Because I also feel that ye Zhuo is indeed not worthy of Shaoqing!”Old Mrs. Lin knew that old Mrs. Cen was giving her a way out.”

“They had been old friends for so many years, so it was normal for old Mrs. Cen to care about her face.”

““Don’t you understand human language?”Old Mrs. Cen stood up from the sofa anxiously, “I said that I like Yezi very much! For Yezi to become our Cen family’s granddaughter-in-law, it is simply a great virtue of our ancestors! If we say that she isn’t worthy, it is also because our young master isn’t worthy of Yezi! What’s wrong with you?””

“Old Lady Cen was afraid that if Old Lady Lin’s words reached ye Zao’s ears, Ye Zao would misunderstand her!”

“Old Lady Lin only thought that Old Lady Cen was speaking with her heart in her mouth and continued to give her face in front of others, she then said, “Bai Tang, we are about to become a family. A family does not speak of two families. I think that Xianxian is more suitable for Shaoqing than ye Zao. Xianxian is sensible and obedient, gentle and generous. She also knows how to be filial to her elders. Shaoqing is also lucky that Shaoqing married her.””

“In Old Lady Lin’s opinion, Feng Xianxian was many times better than ye Zao.”

“In terms of filial piety, ye Zhuo could not compare to Feng Qianxian.”

““What is this?” Old Lady Cen looked at Old Lady Lin with unusual excitement and directly interrupted her words, “Have you, this old lady, become mentally deranged from drinking medicine every day? Feng Qianxian? Who does Feng Qianxian think she is! She can’t even compare to one of Ye Zi’s little fingers! “You want Shaoqing to marry her? In your dreams! “Even if he pays her, our Shaoqing won’t even spare her a second glance!””

“Old Mrs. Cen said angrily, “Zhao fangyue! “Yezi is your biological granddaughter! “She actually helped outsiders poach her biological granddaughter’s husband. How can there be a grandmother like you in the world? “Our granddaughter-in-law is really unlucky to have such a blind grandmother like you!””

Old Mrs. Cen was so angry that she wanted to beat Old Mrs. Lin up.

“At the same time, she felt sad for ye Zao.”

Ye Zao was such an outstanding and likable child.

How could he have such a good grandmother?

It was fine if a good granddaughter was someone else’s!

“But now, someone else’s grandmother still didn’t know how to cherish it.”

Infuriating!

Really infuriating!

“‘I’m telling the truth!’ Old Lady Lin stood up from the sofa, ‘Ye Zhuo just came back from a small place. He can have anything he wants. How could she be worthy of Shaoqing? ‘Moreover, Xianxian was the one who knew Shaoqing first. If it wasn’t for ye Zhuo’s interference, Xianxian might have already become Shaoqing’s fiancée! ‘Bai Tang, I know that you’re concerned about our friendship, but I don’t wish for our friendship to affect the matters of the two juniors! ‘I’m telling you this from the bottom of my heart!’”

One thing led to another. Old Lady Lin did not want Old Lady Cen to pretend to be very satisfied with ye Zhuo just because she was concerned about their friendship.

This was meaningless.

“Besides, she was not the kind of person who would extort favors in return.”

“Old Lady Cen was so angry that her face was red and her neck was thick. Her blood pressure soared, and she could not say a word for a long time.”

She really could not understand why there was such a grandmother like old Mrs. Lin in this world!

“Seeing her like this, old Mrs. Lin thought that old Mrs. Cen had tacitly agreed to her words, then, she said, ‘Then this matter is settled. Tell Shaoqing to quickly break up with Ye Zhuo! Xianxian is the most suitable person for her! ‘Although Xianxian is not my biological granddaughter, in My Heart, she is even closer to me than my biological granddaughter. In the future, our relationship will only become more intimate and not estranged!’”

“‘Bah! Friendship? who has a relationship with an old fool like you? With a person like you, you are worthy to be Yezi’s grandmother!’ Old Lady Cen pointed angrily at Old Lady Lin, ‘Zhao fangyue! I say, is there something wrong with your brain? ! Brain is like water, small brain is like fish! When you are young, you are stupid, but when you are old, you are still as stupid! With a granddaughter like Yezi, you are blind and don’t know how to cherish it. Sooner or later, you will regret it!’”

Chapter 627: 148: the result of the appraisal was that old lady Cen Tore Old Lady Lin Apart. It was very satisfying! 5

Old Lady Cen originally did not want to scold Old Lady Lin.

“After all, Old Lady Lin was also ye Zhuo’s biological grandmother. ”

But she really could not bear it anymore!

“Ye Zhuo was the granddaughter-in-law in her hands, but Old Lady Lin, this biological grandmother, insulted ye Zhuo like this. ”

How could old lady Cen Bear This?

Old Lady Lin was furious that old lady cen pointed at her nose and scolded her like this.

“Apart from Old Lady Cen, who else dared to scold her like this? ”

“Moreover, it was because of ye Zao! ”

Was Old Lady Cen’s brain damaged because of her age?

She actually scolded an old friend of many years just for a wild girl.

“Could it be that in Old Lady Cen’s heart, her weight was inferior to a wild girl? ”

She was truly bewitched!

“Old Lady Lin stood up from her chair, she looked at old lady cen and said, “I think the one who is truly blind should be you! Why Don’t You Think About It? Why would i rather Shaoqing marry Xianxian than have him have anything to do with ye Zao? Ye Zao is my biological granddaughter. If there was no reason, would I do this?” ”

Who Didn’t like biological granddaughters?

The point was that ye Zao was not worth her liking.

“After returning to the Lin family for such a long time, ye Zao had not even come to visit her once. ”

She was not willing to change her name.

“She was not even willing to give her a name. She even tried to sow discord in front of Lin Jincheng, and now, she even tried to snatch Feng Xianxian’s boyfriend! ”

Where in the world would there be such a rebellious granddaughter?

“Old Madam Cen pointed angrily at Old Madam Lin. “Because you’re sick, and it’s not light!” ”

It was an incurable disease!

There was no cure!

Old Madam Lin wanted to curse at Old Madam Cen.

“But when she thought of Feng Xianxian, she took a deep breath and suppressed all her dissatisfaction, “Bai Tang, calm down and listen to me properly! We have been old friends for many years, so I don’t want Shaoqing to be deceived by Ye Zao. This Child Ye Zao doesn’t know how to be filial to his elders at all. He has never taken me, his grandmother, seriously...” . “...” . “...” ”

“The more Old Lady Cen listened, the angrier she became. She directly interrupted old Lady Lin’s words, “Who is your old friend? I don’t have an old friend like you! It would be a disgrace if it were to be known! With a grandmother like you, I feel chills for Yezi! You’re not worthy to be Yezi’s grandmother! It’s also because Yezi has a good temper. If I were Yezi, I wouldn’t acknowledge you as a grandmother! I’m telling you very clearly now, other than Yezi, no one else is worthy to enter our Cen Family!” ”

“No One?”?

Old Lady Lin was furious.

Old Lady Cen actually said that Feng Xianxian was no one.

“She liked Feng Xianxian so much, but old lady cen treated Feng Xianxian so badly. How could old Lady Lin not be angry? ”

She was so angry that she was about to explode!

She was muddled!

This Bai Tang was muddled. She could not differentiate between good and bad. She mistook the fish eye for a pearl!

“However, when she thought about how Feng Xianxian would marry into the Cen family in the future, she couldn’t have any conflicts with Old Lady Cen Right now. Otherwise, what would she do if Old Lady Cen gave her little shoes to Feng Xianxian to wear in the future? ”

""Bai Tang! Can you not be so impulsive! Xianxian is really a very good and filial girl. If Xianxian didn't like your Shaoqing, do you really think that I would be willing to come? Don't be ungrateful! You want an inch and a foot!" "

""You don't want to come, right?" Old Lady Cen pointed at the door. "Then, please leave our Cen family immediately! Our Cen family doesn't welcome blind people like you!" "

Old Lady Lin was stunned.

She didn't expect Old Lady Cen to chase her out!

She also didn't expect Old Lady Cen to push down their many years of friendship and step on it.

"In front of so many servants, Old Lady Lin's face was somewhat embarrassed. "

"Didn't you hear me when I told you to leave?"

"Seeing Old Lady Lin standing there without moving, Old Lady Cen pointed to the door and repeated it again. "

""Bai Tang!" Old Lady Lin said angrily, "You will regret it very much!" "

Old Lady Cen was waiting to cry after missing out on such a good granddaughter-in-law like Feng Xianxian!

"Old Lady Cen placed her hands on her hips. "The one who should be regretting should be you! I think you are raising a tiger as a threat! The heavens are watching. The Heavenly Dao is good for reincarnation. Who will be spared? Just wait and see. Sooner or later, you will suffer retribution!" "

Old Mrs. Lin was so angry that she turned around and left.

“Old Mrs. Cen sat on the sofa, panting heavily from anger! ”

Crazy!

“That old fool, Bai Tian, Zhao fangyue, was simply crazy! ”

Old Mrs. Cen only regretted that she did not perform well just now. She should have scratched old Mrs. Lin’s face.

“Coincidentally, Zhou Xiang came back from the SPA at this time. “Mom, Aunt Lin came just now?” ”

Chapter 628: 148: the result of the appraisal was that Old Lady Cen had torn Old Lady Lin Apart. It was very satisfying! 6

“Yes.”

“Zhou xiang continued, “I saw that Aunt Lin’s complexion did not look too good. Did you have an argument with her?” ”

“Yes.”

“Zhou Xiang poured a cup of tea for Old Lady Cen, “Mom, Aunt Lin is already so old. Why do you have to make things difficult for her? Besides, the two of you have been friends for so many years! Now that Zhuluo and Shaoqing are still together, won’t you hurt the harmony between the two families?” ”

Zhou Xiang was a reasonable person who advocated peace.

“For so many years, Zhou Xiang had never blushed with anyone. ”

“Moreover, the Lin and CEN families were about to get closer and closer. It was not a wise move to quarrel at this time. ”

Old Mrs. Cen slammed the table and stood up. “Xiang Xiang! Do you know what that old fool Bai Tian said just now?”

“Old fool Bai Tian?”Zhou Xiang was stunned.

“Old Mrs. Cen said, “It’s Zhao fangyue!” ”

“Zhou Xiang frowned slightly. “Mom, how can you say that about Aunt Lin! No wonder I saw her face so ugly outside just now!” ”

“Old Mrs. Cen frowned and said, “That old fool Bai Tian ran over and said that Yezi wasn’t good enough for Shaoqing. She even said that she wanted to marry Feng Xianxian to Shaoqing and said a lot of bad things about Yezi...” ”

““What?”Zhou Xiang was immediately enraged, “How can she say that? ! Is she still Yezi’s grandmother? ! This is really too much! Mom, why didn’t you call me back just now? ! If I were at home, I would definitely have a good argument with her! She actually came over to sow discord! She bullied my daughter-in-law! Mom, you did the right thing! When dealing with someone like her, you shouldn’t treat her well! “Otherwise, she would think that our Cen family’s daughter-in-law is so easy to bully!” ”

Zhou Xiang was also very angry!

“She thought that this was just a conflict between the two old ladies, but she did not expect that it would involve ye Zhuo. ”

Too Much!

Old Lady Lin was really too much!

“Ye Zhuo was such a good child, how did he end up with such a grandmother?”

“Zhou Xiang continued, “Mom, did you scold her just now?” ”

“Old Mrs. Cen said, “I scolded her! Of course I scolded her! Not only did I scold her, I even chased her out!” ”

“Well done!” Zhou Xiang gave old Mrs. Cen a thumbs up.

“Old Mrs. Cen continued, “I regret not scratching her face right now! I’m So Angry!” ”

“Zhou Xiang said with some worry, “Mom, do you think that ye Zao will be bullied in the Lin Family?” ”

“Old Mrs. Cen replied, “Don’t worry! Yezi is not a pushover! If she dares to provoke Yezi, Yezi will definitely not be polite to her!” ”

“Even though that was what she said, Old Mrs. Cen was still a little worried about ye Zhonghua. She picked up her tablet and opened wechat to send a video to ye Zhonghua.”

“Soon, the call was connected. Ye Zhonghua’s face appeared on the screen with a white wireless earpiece on his ear.”

“Grandma Cen.”

“Seeing ye Zao, old Mrs. Cen laughed so hard that she couldn’t even see her eyes. It was as if she wasn’t the one who was angry and scolding the old lady earlier. “Yezi, what are you doing?” ”

“Ye Zao smiled and said, “I have a small matter at the hospital.” ”

The hospital?

“Old Mrs. Cen was extremely worried when she heard that. “Yezi, are you feeling unwell? Or did that old fool and Sweet Bully You?” ”

“”No, I’m fine. Grandma Cen, you don’t have to worry. I came to the hospital for other matters.”Speaking up to this point, Ye Zhuo asked with some doubt, “Who is that old fool Bai Tian?” ”

“It’s that deaf and blind grandma of yours!”

“Hearing this, Ye Zhuo was overjoyed. “Your description is spot-on!” ”

“Old Mrs. Cen smiled and said, “Right? You also think that she’s deaf and blind, right?” ”

“After saying that, old Mrs. Cen continued, “Did that old fool Bully You?” ”

Ye Zao smiled slightly. “Do I look like the kind of person who is easy to bully?”

“As long as ye Zao’s identity was a little ordinary, he would be bullied. ”

“After all, Old Mrs. Cen’s methods were endless. First, she changed her name, and then she said that they were related... ”

“Old Mrs. Cen continued, “If she dares to bully you, tell me. I’ll go and scratch that old fool’s face! “Yezi, you mustn’t fight with her. If you fight directly, you’ll be labeled as unfilial. People talk, and when the time comes, the White will be labeled as black! “If I fight, it’s different. I’m of the same generation as her! “If I fight with her, at most, it’ll be considered a fight! “Moreover, with that cowardly look of hers, she definitely can’t beat me!” ”

“Ye Zhuo suddenly felt a warmth in his heart. From old Mrs. Cen’s face, she thought of her grandmother from another world. “Grandma Cen, thank you.” ”

Chapter 629: 148: the result of the test was that Old Lady Cen had torn Old Lady Lin Apart. It was very gratifying! 7

""Silly child, we're all family. What's there to thank!" "

"Zhou Xiang came over and said, "Zhuozhuo, you haven't come over to play for a long time! If you're free this Saturday, you must come over to play with Shaoqing!" "

"Alright."

The three of them chatted for quite a while before hanging up the video call.

"Just as ye Zhuo hung up the phone, the doctor came over with the report. "Miss Ye, the test results you requested are out." "

Ye Zhuo took the report with both hands. "Thank you."

"You're welcome."

Ye Zhuo looked at the report with a glance and the corners of his mouth curled up slightly.

It seemed that her guess was right.

Aunt Zhang and Feng Qianhua were biological mother and daughter.

Ye Zhuo put the test report into his bag and turned around to walk downstairs.

"Just as he walked out of the hospital door, he saw an acquaintance. "

“Zao Zao!”

“Aunt Xia!” Ye Zao turned around and saw Xia Xiaoman.

“Xia Xiaoman smiled and said, “Zao Zao, I didn’t expect it to really be you! Are you not feeling well at the hospital?” ”

“Ye Zao said, “I’m here to get a report. What About You, Aunt?” ”

“Xia Xiaoman continued, “I’ve been catching a cold recently, so I came to the hospital to take a look.” ”

“OH.” Ye Zao nodded slightly.

The two of them chatted as they walked.

“At this moment, a low-profile mercedes-benz stopped by the roadside. “Zao Zao!” ”

“The car window rolled down, revealing a cool and handsome face. ”

1

“Fourth uncle!”

Lin Qingxuan nodded and opened the car door to get out. Her gaze fell on Xia Xiaoman who was beside ye Zao. “This is?”

“Ye Zhuo took the initiative to introduce her. “This is my classmate’s mother, Auntie Xia. Auntie Xia, this is my fourth uncle.” ”

“Lin Qingxuan extended her hand towards Xia Xiaoman. “Hello, Madam Xia.” ”

“Mr. Lin.”Xia Xiaoman shook hands with Lin Qingxuan.

“Lin Qingxuan continued, “May I ask if we’ve met before? I don’t mean anything by it. I just feel that Madam Xia looks a little familiar!” ”

“Xia Xiaoman also felt that Lin Qingxuan looked a little familiar. Something seemed to suddenly appear in front of her eyes. “We should have met at the hospital before, right? Did I accidentally bump into You?” ”

“It had been a while since she last met Lin Qingxuan. At that time, Xia Xiaoman apologized to Lin Qingxuan, but Lin Qingxuan did not react at all. He left without saying a word. ”

She thought that Lin Qingxuan was a mute.

“Lin Qingxuan also remembered what had happened at the hospital that day. “Yes, yes, yes! It was that day!”That was the most important day of his life, it was also the day of his rebirth. If he hadn’t gone to the hospital that day, he would still be living under Zhao Shuning’s deception. ”

“Ye Zhuo said in surprise, “Fourth uncle, do you know Aunt Xia?” ”

“Lin qingxuan smiled and said, “We met once before.” ”

Xia Xiaoman nodded as well. “Yes.”

“Xia Xiaoman then continued, “Zao Zao, if you have time, come visit Auntie. Auntie has something to do today, so I’ll be leaving First!” ”

“”Alright, you can go ahead.” ”

Lin Qingxuan looked at Ye Zao. "Where are you going? I'll send you."

"Then I'll have to trouble fourth uncle to send me home." Ye Zao opened the door of the passenger seat.

"Okay." Lin Qingxuan nodded.

"After getting into the car, Lin Qingxuan asked curiously, "Zhuzhuo, does your classmate's family also live in the capital?" "

"Ye Zhuo said, "Her family is in Yun capital, but she has moved to the Capital Now! Oh right, fourth uncle, aunt Xia is also single." "

The last sentence was very suggestive.

"Lin qingxuan smiled and said, "This child!" "

1

"Ye Zhuo continued, "I heard that grandmother has been looking for a fourth aunt for you recently?" "

""I don't have any plans in this area right now. Your grandmother only knows how to mess around!" Because of Zhao shuning, Lin Qingxuan had been staying abroad for more than ten years. Now, he only wanted to live quietly in his hometown for a period of time. "

"After everything was settled, he would return abroad to consider other matters. "

The Lin family.

"Even when she returned home, Old Lady Lin was still furious. "

She had thought that she would be able to settle the matter between Feng Xianxian and Cen Shaoqing by going to the CEN family home today. She had not expected that old lady cen would be so unappreciative!

She actually looked down on Feng Xianxian.

She was really capable!

“Other than being stupid, Old Lady Lin did not have any other words to describe old lady cen.”

“Seeing Old Lady Lin Return, Aunt Zhang quickly came up to her. “Old Lady, how was the discussion at the Cen Residence?” ”

“According to Old Lady Lin and Old Lady Cen’s friendship, the two of them must have had a very pleasant exchange.”

Old Lady Lin was ye Zhuo’s biological granddaughter.

“Even her biological grandmother did not like ye Zhuo, how could old lady Cen Like Him?”

A discerning person should know to choose Feng Xianxian.

Old Madam Lin’s eyes were filled with anger. “I think Bai Tang is becoming more and more stupid as she grows older! Her old eyes are blurred! She’s delaying the future generations!”

“Aunt Zhang narrowed her eyes, and an ominous premonition arose spontaneously. “Old Madam, what’s Going On?” ”

“Old Madam Lin did not directly answer aunt Zhang’s question. She continued, “Go and bring me the business card of the female Durban Representative!” ”

“Alright.”Zhang Sao nodded and ran to get the business card.

“Soon, Zhang Sao came over with the business card. “Here you are, Old Mrs. Lin.” ”

“Old Mrs. Lin took the business card, picked up her phone, and made a call. ”

“After the call, old Mrs. Lin continued, “In a while, the woman in charge of Durban will come. Zhang Sao, arrange for someone to go to the door to receive her.” ”

The security of the Lin Manor was very good. Not just anyone could enter.

“Okay.”

Aunt Zhang nodded.

“Half an hour later, Aunt Zhang brought in a middle-aged man with a mustache and a strong build. “Old Lady, this is the person in charge of our daughter Durban, Mr. Zhao.” ”

““Hello, Mr. Zhao.”Old Mrs. Lin greeted him with a smile. ”

“Old Lady Lin.”

“Old Lady Lin then arranged for the servants to make tea for Mr Zhang and then gave him a big red packet, “Mr Zhang, my granddaughter has just returned from the countryside. She has no respect for her elders, is rebellious, and has no manners at all. I wonder if you have any way to get her to correct her bad conduct?” ”

“Mr. Zhang smiled and said, “Don’t worry, Old Lady. No matter how bad a child is, as long as they are in my hands, they will be taught to be obedient, sensible, and reasonable!” ”

Chapter 630: 148: Teach Scum a lesson! 1

Mr. Zhang had been assisting the founder of female Durban to manage female Durban for a period of time.

“In these five years, he had seen all kinds of rebellious, lawless, violent, and playful rich and powerful young ladies.”

“No matter how bad a problem girl’s character was, in female Durban, she could transform into a good woman with three followers and four virtues.”

“Moreover, this Lin family’s eldest daughter was just a little girl who had just come from the countryside.”

A little girl from the countryside.

“After being locked up and starved for a few days, she would naturally be obedient.”

“A man is iron rice and steel. When the time came for her to bark like a dog, she would have to do it.”

“Therefore, Mr. Zhang did not take ye Zhuo to heart at all.”

He had even solved the most troublesome problem of a young girl. How could he not solve the problem of a little girl from the countryside?

“Hearing this, Old Mrs. Lin nodded in satisfaction. “So, Mr. Zhang is confident that he can correct all the bad behavior of my granddaughter?” ”

Mr. Zhang nodded as well. “Yes.”

“Old Mrs. Lin stood up and said, “Then I’ll leave my granddaughter to you, Mr. Zhang.” ”

“”No problem.”Mr. Zhang continued, “Also, let me introduce to you. Our training class is under closed management. The teaching period is one month. During this one month, other than the teachers, the students are not allowed to contact anyone else. Their cell phones will also be confiscated. “After you sign the contract, you have to attend a full month of classes. You can not go back on your words after that.” ”

The management of female Durban was very strict. This one month of training could be said to be hell-like devil training.

The girls with fierce temperaments could still carry on for seven to eight days.

Some girls had only gone in for two days before their temperaments were worn down and they became like marionettes.

“”Good, good. This is good. Don’t worry, Mr. Zhang. We won’t regret it.”Old Mrs. Lin continued, “We should lock her up for a month. Otherwise, she’ll never know the immensity of Heaven and Earth!” ”

What was a month?

“For someone like Ye Zhuo, a year was not much. ”

“Mr. Zhang stood up and took out a contract from his bag. “Old Lady, the tuition fee for our female Durban is 100,000 yuan. If you don’t think it’s a problem, sign the contract.” ”

Aunt Zhang walked over to take the contract and handed it to Old Lady Lin.

Old Lady Lin took the contract and signed it without even looking at it.

She couldn’t wait to send ye Zao to female Durban.

“Out of sight, out of mind. ”

She looked forward to meeting an obedient and sensible granddaughter in a month’s time.

“At that time, she could officially change ye Zao’s name! ”

She would also have to ask ye Zao to apologize to Feng Xianxian.

“After all, Ye Zao had arrogantly snatched away Feng Xianxian’s boyfriend. ”

“Mr. Zhang stood up and said, “Old Madam, since the contract has been signed, I won’t bother you anymore. Tomorrow Morning at 7:30, let Miss Lin Report.” ”

““Mr. Zhang, please wait a moment.”Old Madam Lin stood up as well. ”

“Mr. Zhang stopped in his tracks. “Old Madam, please speak.” ”

“Old Madam Lin continued, “My granddaughter is extremely mischievous. In order to avoid any unnecessary complications, can I trouble you to take her away now?” ”

Mr. Zhang hesitated for a moment. “That’s fine too.”

Old Madam Lin turned to look at Aunt Zhang. “Go and call for help.”

“Alright.”

Aunt Zhang walked towards the east wing.

Only Old Mrs. Lin and Mr. Zhang were left in the hall.

“Old Mrs. Lin continued, “Mr. Zhang, if that granddaughter of mine isn’t willing to go with you, do you have any other ways to bring her away?” ”

“Mr. Zhang smiled and said, “Don’t worry, Old Mrs. Lin. No matter how powerful a child is, seeing me is like seeing a mouse seeing a cat! Leave everything to me. You Don’t have to worry about other problems.” ”

Mr. Zhang had stayed in female Durban for so long. He had a hundred ways to educate those troubled girls.

“Really?” Old Lady Lin said in disbelief.

“”I, Zhang, never lie.” ”

“That’s good! Then I’ll leave my granddaughter to you in the future!”

“Not long after, Aunt Zhang came over with Ye Zhuo.”

“”Old Lady, the eldest miss is here.” ”

“Old Lady Lin Glanced at ye Zhuo and said with a straight face, “This is the person in charge of the female Durban class, Mr. Zhang! I’ve signed you up for a female Durban class. The class period is one month. From today onwards, you can go to class with Mr. Zhang.” ”

Female Durban Class?

Ye Zhuo raised her eyebrows slightly. “It’s the female Durban class with three followers and four Virtues?”

Did she not hear wrongly?

“This was already the 21st century, and there were still people promoting such old-fashioned feudal ideas? ”
