Chapter 631: 148: Teach Scum a lesson! 2

““Yes.” Mr. Zhang stood up and looked at Ye Zhuo. “This must be Miss Lin, right? I’m Mr. Zhang, the person-in-charge of the female Durban class. I’ll be your teacher in the future.” ”

Teacher?

“In that case, was Old Lady Lin for real? ”

““Female Durban, right?” Ye Zhuo nodded slightly. Her beautiful phoenix-like eyes were clear in black and white. “Alright, I’ll go with you.” ”

“What had Boss Ye, who stood at the top of the technological world, not seen before? ”

This was the first time she had seen a female Durban.

She wanted to see what kind of person would be able to create such a harmful training class for women!

This kind of cancer in society should be wiped out in one go!

Old Madam Lin was stunned.

She did not expect this Mr. Zhang to be so amazing.

He had dealt with ye Zao in one sentence.

Ye Zao did not even dare to make a sound.

A professional was a professional!

Formidable!

“Mr. Zhang looked at Old Madam Lin. “Old Madam, we’ll be leaving first.” ”

“”Alright, go ahead.”Old Madam Lin nodded her head. ”

Ye Zao followed Zhang Ziyue’s footsteps.

“Looking at Ye Zao’s back, a smug look appeared in Aunt Zhang’s eyes. ”

She had thought that ye Zao was a difficult person to deal with.

She didn’t expect a female Durban to make ye Zao Obedient.

It seemed that this Mr. Zhang really had tricks up his sleeves.

“Female Durban valued the superiority of men over women. They didn’t fight back, and they didn’t fight back when they were scolded. After a month, Ye Zao was just a puppet that could be manipulated. What qualifications did she have to compete with Feng Xianxian? ”

She couldn’t even compare to a strand of Feng Xianxian’s hair!

“After ye Zhuo left, aunt Zhang called Feng Qianhua and told her about ye Zhuo’s trip to female Durban.
”

“After Feng Qianhua heard about this, she was very happy. After hanging up the phone, she immediately made another call and instructed the female Durban leaders to ‘take care of’ ye Zhuo. ”

“With the female Durban leaders taking care of him, Ye Zhuo would definitely be reborn! ”

“After hanging up, Feng Xianxian walked over. “Mom, who are you talking to?” ”

“Feng Qianhua said, “Your Aunt Sun.” ”

Aunt Sun?

Sun Shu from the female Durban?

Feng Xianxian frowned. “Why are you looking for her?”

“Sun Shu was feudal and old-fashioned. Feng Xianxian, who had received a new-style education, really did not like her. ”

She did not like Sun Shu’s lessons on womanhood even more.

“Unfortunately, Feng Qianhua liked it. ”

“Fortunately, Sun Shu did not deliberately make things difficult for her like she did for Feng Qianhua’s sake. ”

“Feng Qianhua said, “I’ll ask your Aunt Sun to take care of Ye Zhuo in the women’s Durban Class.” ”

“Women’s Durban? Ye Zhuo also went to women’s Durban?”Feng Qianqian was very surprised.

She had never expected ye Zhuo to go to women’s Durban.

The profession was too incredible.

“Yes.” Feng Qianhua nodded. “Your grandma Lin signed her up this afternoon.”

“Then, is she willing to go?” Feng Qianqian and Ye Zhuo had stayed in the same dormitory. ”

She knew very well that ye Zhuo was not the kind of person who would bow his head easily.

“Feng Qianhua smiled and said, “It’s not up to her to go or Not! Your Grandma Zhang said that she was already taken to women’s Durban by Mr. Zhang in the evening.” ”

“Really?” Feng Qianqian’s eyes lit up.

Feng Qianhua nodded. “That’s why I asked Your Auntie Sun to take care of her.”

“Auntie Sun agreed?” Feng Qianqian asked immediately.

“Feng Qianhua smiled and said, “With my relationship with your Auntie Sun, how could she not agree?” ”

She and Sun Shu had known each other for more than ten years.

“Otherwise, she would not be at ease to let Feng Qianqian apply for female Durban as well. ”

“That’s Great!”

Feng Qianqian was very happy in her heart.

“Sun Shu was already forty years old, but she was still unmarried. She was a little perverted. ”

“There were endless ways to educate people. There was no dignity to speak of. Moreover, ye Zao had to be specially taken care of. ”

She didn't expect ye Zao to have such a Day!

“Feng Qianqian continued, “Mom, then let's go to the Lin family later to take a look. I heard that Grandma Lin went to the Cen family today. I don't know how the situation is now!” ”

“At the mention of this question, the smile on Feng Qianhua's face faded a little. “That old hag of the Cen family is blind. She rejected your grandma Lin.” ”

“What?” Feng Qianqian was stunned.

“She originally thought that with Old Lady Lin personally making a move, this matter shouldn't be a big problem. ”

“After all, Old Lady Lin and Old Lady Cen were close friends. ”

Could it be that old lady cen could reject the granddaughter-in-law that Old Lady Lin personally introduced?

“But now, Old Lady Cen actually rejected it! ”

“Feng qianhua frowned and said, “It's because that old lady from the Cen family rejected it. In order to help you vent your anger, your grandmother Lin moved ye Zhuo to female Durban!” ”

Chapter 632: 148: Teach Scum a lesson! 3

“Feng Xianxian thought for a moment. “Mom, shall we go to the Lin family now? I have a feeling that something isn’t right!” ”

Feng Qianhua nodded. “Okay.”

The mother and daughter set off to the Lin family home.

“Grandma!” Feng Xianxian ran to Old Lady Lin like a butterfly.

“Xianxian!” Old Lady Lin was very happy to see Feng Xianxian.

“However, the smile only lasted for a few seconds before Old Lady Lin’s face fell again. She said guiltily, “Xianxian, Grandma has let you down!” ”

“What’s wrong with Grandma?”

“Old Lady Lin continued, “That blind old lady from the Cen family actually can’t see how good you are...” thinking about this matter..., old Lady Lin felt angry. Feng Xianxian was so good and so outstanding, but Old Lady Cen was comparing Feng Xianxian to a nobody! ”

“Feng Qianxian quickly said, “Grandma, please don’t say that about Grandma Cen. Sister Ye Zao is prettier and more outstanding than me. It’s normal for her to like Sister Ye Zao! “Even though I know Fifth Master Cen before Sister Ye Zao, so what? “There’s no such thing as first-come, first-served love!” ”

“At this point, Feng Qianxian paused and continued, “I don’t blame Sister Ye Zao, and I don’t blame Grandma Cen either. If you want to blame someone, blame me for not being fated with Fifth Master Cen! Grandma, Please Don’t blame them!” ”

“The more Feng Xianxian acted like this, the more old Mrs. Cen felt her heart ache. ”

This child was just like her mother. Everything was good except that she was too kind.

“Old Mrs. Cen said that she could forgive Old Mrs. Cen even if she was just a cat or dog. Ye Zhuo had stolen her boyfriend, so she could still forgive ye Zhuo. ”

“It was fine if she forgave them herself, but she also advised herself not to blame them. ”

Sigh!

“In this world, kind people would suffer more! ”

“Old Lady Lin patted Feng Xianxian on the back. “Xianxian, don’t worry, I will definitely help you get justice! When that wild girl comes back from having sex with female Durban, I will let her break up with Shaoqing!” ”

Female Durban’s closed-door education could change a person’s character.

“Accepting adversity, not retaliating, not retaliating was the slogan of female Durban. Feng Xianxian was now looking forward to the reborn ye Zao. ”

“At that time, not to mention breaking up with Cen Shaoqing, even if ye Zhuo were to go east, she would not dare to go west! ”

“Feng Qianqian very well concealed the pride in her heart and continued, “Grandma, what you’re doing is too unfair to sister Ye Zhuo...” ”

““That wild girl snatched Shaoqing away from you and that’s Fair?”Old Lady Lin said angrily, “Shaoqing should have been yours to begin with! It’s only right for her to return it to you! She owes you this!” ”

“Feng Xianxian was touched as she hugged Old Lady Lin. Her eyes were red as she said, “Grandma, you’re So Good to me...” ”

“Silly child.”Old Lady Lin was also touched beyond words.

...

Female Durban was located in the suburbs of the capital.

It was in the middle of nowhere.

“There was only one building in the surroundings. There were a total of eight vicious dogs in the courtyard. There were posters posted everywhere with slogans such as ‘don’t fight back, don’t scold back, don’t submit, never divorce’, ‘obey your father at home, marry your husband’ and so on.”

It was as if a woman’s dignity was being rubbed on the ground.

“Passing by a classroom, ye Zhuo looked inside through the window.”

“A middle-aged woman wearing a modified version of the Cheongsam stood in front of the blackboard, she pointed at the words on the blackboard and said, “If the husband is angry, don’t be angry, step back and give in, and keep your voice low! This is a warning to us women to put our husbands above everything else, and never do anything that goes against women’s morals and shamelessness...” ”

“Below the stage, there were women in their 19s and 30s.”

“All of them listened very seriously and did not forget to take notes. Among so many people, not a single one of them came out to refute.”

Ye Zhuo frowned slightly. He felt that his worldview was about to explode.

Mr. Zhang turned to look at Ye Zhuo. “What are you looking at! Hurry up and follow!”

Ye Zhuo retracted his gaze.

“Soon, Mr. Zhang brought ye Zhuo to an office and stopped in front of it. He knocked on the door. “Sun Shu, are you in there?” ”

“Mr. Zhang.”

“A middle-aged woman in her forties walked out. She had a medium build and was about 1.6 meters tall. Like all the staff here, she wore a long black qipao and looked very serious. ”

She looked like an old witch from a fairy tale. Walking out of the room would scare a child to tears.

“Mr. Zhang continued, “This is the new student, Ye Zhuo. Take her to the dormitory later and teach her our rules! I still have other things to do.” ”

Ye Zhuo?

A glimmer flashed across Sun Shu’s originally calm eyes.

Could this be the ye Zhuo that Feng Qianhua had asked her to take special care of.

Chapter 633: 148: teach scum how to behave! 4

“Okay.”Sun Shu nodded as she sized up ye Zao.

The girl looked like she was about 18 or 19 years old.

She was tall and had snow-like skin.

“She wore a thin knitted sweater with a round collar on her upper body and a pair of pants that revealed her ankles. She wore a pair of white canvas shoes under her feet. Although she was dressed very simply, she gave off a feeling that could topple cities. ”

She looked like a vixen!

Sun Shu frowned slightly.

The daughter of this mistress was really different.

Which girl from a good family would wear such revealing clothes like her?

She was wearing pants that even exposed her ankles.

The collar of the sweater was also so big that her collarbone and neck could be seen clearly.

It was simply unsightly and immoral!

Despicable!

“Mr. Zhang continued, “I’ve already brought the person over. I’ll leave the rest to you.” ”

“”Alright, Go Do your work.”Sun Shu sent Mr. Zhang out of the door. ”

Ye Zhuo calmly sized up the environment in the office.

“The office was not big, but there were signs advertising women’s virtues everywhere. ”

There was a complete set of “Women’s ring” on the desk.

“Soon, Sun Shu walked in from outside. She looked at Ye Zhuo and spoke sternly, “When you come to our female Durban class, you must forget your identity as the eldest daughter of the Lin Family! From now on, you are just an ordinary student of the female Durban Class! Here, no one will spoil you! The students here go to bed at 11 o’clock sharp every night and get up at 4:30 in the morning. There are five hours of cultural lessons every day. The other classes train your hands-on skills, wash pots and dishes, sew and embroider. What do you know about housework?” ”

“I don’t know anything.”Ye Zhuo looked back slightly.

““You still have the face to live in this world if you don’t know anything? “From today on, you must know everything! “We are a closed-door management here. Now, hand over your phone to me! “For the next 30 days, you are not allowed to have any contact with the outside world!” ”

Sun Shu extended her hand to Ye Zhuo.

“What if I don’t hand it over?”Ye Zhuo raised his eyebrows slightly.

Don’t hand it over?

Sun Shu did not expect ye Zao to dare to refute her. None of the students here dared to refute her. They raised their hands and gave ye Zao a slap. “You disrespectful B * Stard!”

Sun Shu was the niece of the person-in-charge here. There were countless students who had been beaten and scolded by her.

Unfortunately.

“Before Sun Shu’s hand could be flung away, it was grabbed by ye Zao. ”

“Her wrist was pinched ruthlessly by someone, and a bone-cracking pain was felt. ”

PA —

“The left side of her face was slapped ruthlessly by someone, and a palm print instantly swelled up.”

It was a shocking sight.

““Cheap Bastard, who did you say was a cheap bastard? HMM?”Ye Zao’s hand grabbed her hair just like that. His eyes and brows were smiling, and his tone was clear and shallow.”

He looked a little evil.

Sun Shu was stunned. Her head was buzzing and she was seeing stars.

She had always been the one who slapped others. She did not expect to be slapped this time!

She did not even realize what was going on.

“Let go of me!”

““Tell me, who is a B * Stard!”Ye Zao increased the strength in his hand.”

It hurt.

It was very painful.

Sun Shu’s facial features were twisted from the pain.

“However, Ye Zhuo had no intention of letting go. Instead, he held her tighter and tighter. Sun Shu felt that her scalp was about to be torn off. With a trembling voice, she said, “I, I am the B * Stard...” ”

“Hearing the satisfactory answer, Ye Zhuo unhurriedly let go of Sun Shu’s hair. “I see that you are also a woman. Why do women have to make things difficult for women? Is this feeling of being pointed at and called a B * Stard really good?” ”

Sun Shu’s lowered eyes were filled with viciousness.

“She had been in the industry for so many years, but she had never fallen for anyone before.”

This was the first time.

“Ye Zhuo continued, “Who’s your leader?” ”

Sun Shu took a few steps back and aimed for the opportunity to quickly pick up the stun baton in the corner. She rushed over to Ye Zhuo. “Little B * Tch!”

Ye Zhuo nimbly avoided Sun Shu’s attack and sent a backward kick.

Bang —

Sun Shu was kicked to the ground and fell to the ground.

“Ye Zhuo took a step forward and walked over. He raised his foot and lightly stepped on her hand. He slightly lowered his eyes and looked down at her. “Tell me, who is your leader?” ”

Sun Shu’s face was deathly pale.

It hurt.

“Ye Zhuo did not seem to have used much strength under his feet, but in fact, her fingers were almost broken.”

Ten fingers linked to the heart.

No one knew what kind of pain she was suffering now.

““Say, I say,”Sun Shu continued, “Our leader is Sun, Sun Yiguo.” ”

Ye Zhuo moved his feet and pulled out the swivel chair behind the desk. He sat on it and crossed his legs.

Chapter 634: 148: great burning tyrant teaches scum to be human! 5

Her appearance was somewhat unspeakably cold.

“In a moment, she took out her phone from her pocket and slightly lowered her eyes, as if she was sending a message to someone. ”

“Sun Shu was still lying on the ground, the bones in her body seemed to be broken. It would take a while before she could react. ”

Wait!

Little Slut!

She must teach this little slut a lesson!

Did Ye Zhuo really think that she could be so powerful?

“After coming here, she still wanted to leave unscathed?”

What a joke!

Sun Yiguo had his own power in the capital. No one could shake him.

“More importantly, Sun Yiguo was her uncle.”

She had been beaten to such a state by Ye Zhuo. Sun Yiguo would definitely seek justice for her!

“At that time, what faced ye Zhuo would be the most severe punishment.”

While ye Zao was not paying attention.

“Sun Shu slowly moved into the office desk. There was a security system there. As long as she pressed the button, it would trigger the alarm. At that time, the security guards patrolling downstairs would rush in.”

In the office on the other side.

“After Sun Yiguo received a call, his expression immediately changed. “Leader! This is a misunderstanding, definitely a misunderstanding! I’m going to investigate right away! Right away! I’ll definitely investigate this matter thoroughly!” ”

“After Sun Yiguo hung up the phone, he immediately went to look for Mr. Zhang. “Zhang Haiyuan, did you bring any new students back from outside today?” ”

“I did.”Zhang Haiyuan nodded.

“What’s her surname?”

Sun Yiguo prayed in his heart that it wasn’t that person.

It definitely wasn’t that person!

“If it was that ancestor, this matter really wouldn’t be able to end! ”

“Zhang Haiyuan said, “Your surname is Ye. What’s the matter?” ”

Ye?

“When he heard that, Sun Yiguo’s face turned pale. ”

It’s over!

It’s all over now!

“Zhang Haiyuan!”Sun Yiguo couldn’t contain his anger. “Who did you provoke? ! You had to provoke that ancestor! It’s over! Now we’re all going to be in trouble!”

“Zhang Haiyuan was a little confused. “CEO Sun, what are you talking about? Isn’t that just a 19-year-old little girl? What trouble can she bring us?” ”

“Sun Yiguo did not have time to explain and continued, “Quickly take me to see Miss ye Now!” ”

Miss Ye?

Zhang Haiyuan actually heard respect from this address.

Did he hear wrongly?

Wasn't that just a little girl?

What was there to be afraid of?

“CEO Sun, What's wrong with you?” ”

“What's wrong? !”Sun Yiguo's face was deathly pale and his entire body was drenched in cold sweat.
“Thanks to you, our good days are about to come to an end! Hurry up and take me to see Miss Ye!” ”

Zhang Haiyuan was also frightened by Sun Yiguo like this.

“Having known Sun Yiguo for so long, this was the first time he had seen Sun Yiguo so flustered. ”

“Zhang Haiyuan immediately said, “I just brought her to Sun Shu's office! She should still be in the office at this moment! I'll bring you there right away!” ”

“Before Zhang Haiyuan could finish his sentence, Sun Yiguo ran out. ”

Zhang Haiyuan hurriedly chased after him.

He was also a little flustered.

“Sun Shu's office was quite a distance away from here. Sun Yiguo was sweating profusely from running. Just as he reached the office building, he saw a few security guards walking up the corridor with electric shock sticks in their hands. ”

“When they saw Sun Yiguo, they took the initiative to greet him. “Chief Sun!” ”

“Sun Yiguo said, “What are you all doing?” ”

“The leading security guard said, “The Alarm in Madam Sun’s office rang just now.” ”

The alarm rang?

“Sun Yiguo’s heart skipped a beat. “Let’s go, Let’s hurry up!” ”

The group of people ran upstairs.

The office door was closed.

Sun Yiguo didn’t even have time to open the door and kicked it open.

Bang!

Sun Shu saw the people outside the door and her eyes lit up. “Second uncle!”

That’s great!

Sun Yiguo and the others had finally arrived.

“That Little B * Tch, Ye Zhuo, was finished! ”

“When he saw ye Zhuo sitting on the swivel chair, Sun Yiguo’s expression turned even uglier. All the strength in his body was sucked out almost instantly. “M-miss ye!” ”

“You’re Sun Yiguo?” Ye Zhuo turned the phone in his palm.

“Sun Yiguo wiped the sweat off his forehead. “Yes, I am.” ”

“When she saw this scene, Sun Shu was stunned. ”

She almost thought that she was hallucinating.

She originally thought that Sun Yiguo was here to seek justice for her.

But why was Sun Yiguo so respectful to Ye Zhuo?

Was Sun Yiguo Crazy?

“Ye Zhuo continued, “As the founder of female Durban, can you explain to me what is female virtue? Why is it that as long as female virtue doesn’t have male virtue? Is Mr. Sun engaging in sexism? And is this educational institution legal?” ”

The barrage of questions left Sun a little breathless.

Chapter 635: 148: teach the scum how to behave! 6

“Female Durban was against morality, so of course it was illegal.”

“Sun Yiguo took a deep breath and smiled. “Miss Ye, this is all a misunderstanding! It’s getting late, why don’t we send you back first!””

“Hearing that, Sun Shu frowned.”

Send Ye Zhuo back?

How could they send her back!

A B * tch like ye Zhuo should stay in female Durban and properly educate her.

“Second uncle!”

Sun Yiguo glared at Sun Shu. “Shut up!”

“Sun Shu’s face turned pale, and an ominous premonition arose spontaneously.”

“”Go Back? I came to your female Durban to learn the three followers and four Virtues, and you want me to go back?”Ye Zhuo raised his eyebrows slightly. “What if I don’t go back?””

Didn’t he know that it was easier to invite the gods than to send them off?

“Sun Yiguo was about to cry. “Ye, Miss Ye! Don’t joke around! I’ll get these two blind people to apologize to you! Please be magnanimous and forgive us this time!””

“After saying that, Sun Yiguo looked at Sun Shu and Zhang Haiyuan again. “The two of you, hurry up and apologize to Miss Ye!””

“Since things had developed to this point, Zhang Haiyuan also knew the seriousness of the matter and quickly apologized. “Miss Ye, I’m sorry! It’s all my fault. I underestimated you!””

Sun Shu did not want to apologize to Ye Zhuo.

What right did she have to lower herself to apologize to the daughter of a mistress?

“Ye Zhuo, this little b * Tch, was she worthy?”

It seemed that Sun Yiguo was also old and muddle-headed!

What was there to be afraid of about a little B * tch?

“I won’t apologize to such a B * Tch!”

“As soon as these words were said, the air became deathly silent.”

Idiot!

He was simply an idiot!

Sun Yiguo could not contain his anger. He walked over and slapped Sun Shu’s perfectly fine right cheek. “I think you’re the despicable person! B * Stard! Quickly apologize to Miss Ye!”

Sun Shu was beaten until her eyes were full of stars. It took her a long time to react. She looked at Sun Yiguo in disbelief. “Second uncle!”

Sun Yiguo did not have any children. She was his only niece. He usually treated her like his own daughter.

He did not expect Sun Yiguo to actually hit her today.

“Sun Shu was frightened by Sun Yiguo’s behavior. She stammered and apologized to ye zhuo, “Miss Ye, I’m sorry. I’m the one who’s despicable. Please forgive me...””

Ye Zhuo flipped the phone in his palm and looked indifferent.

“Ye Zhuo’s sudden silence made Sun Yiguo even more flustered. He raised his hand and kept wiping the beads of sweat on his forehead. “Miss... Miss Ye, shall I send you back?””

“”I told you, I’m here for class.””

Sun Yiguo almost knelt on the ground and called out to his ancestors.

“In the end, there was really no other way. In order to appease ye Zhuo’s anger, Sun Yiguo and Zhang Haiyuan had no choice but to personally carry ye Zhuo out.”

“Of course, Ye Zhuo was sitting on a chair.”

“These two people usually wished that they could trample all the women under their feet. This was the first time they had suffered such a silent loss, yet they dared not speak out.”

“After the car stopped at the Lin Manor, the two of them carried the chairs to Old Lady Lin’s west courtyard.”

In the hall.

Feng Qianhua and Feng Xianxian were chatting with Old Lady Lin.

“When the three of them saw Sun Yiguo and Zhang Haiyuan carrying ye Zhuo in, they were dumbfounded.”

They even thought that they were hallucinating.

No one expected that ye Zhuo would actually be carried back by the two female Durban leaders like an ancestor.

“Sun Yiguo and Zhang Haiyuan carefully placed the chairs on the ground, afraid that they would accidentally drop this living ancestor.”

“After a long while, Old Lady Lin finally reacted, she frowned and said, “Mr. Zhang! Why did you send her back? Did My uneducated granddaughter make you angry? Don’t be angry, I will let her apologize to you!””

It must be because ye Zhuo was disobedient and had been returned!

“Zhang Haiyuan was so scared that he broke out in cold sweat, he hurriedly said, “Old lady, what are you talking about?”? Your granddaughter, Miss Ye, is well-educated, extraordinary, and has a beautiful heart. She has sharp ears, sharp eyes, and graceful bearing! There is no need for her to attend the female Durban class at all. This is the tuition fee that you paid, and this is the contract that we signed! “Please keep it well!””

““Other than the tuition fee, this is the compensation for Miss Ye’s mental loss!””

“Educated and reasonable, extraordinary and refined, with a pure blue heart, sharp ears, sharp eyes, and graceful bearing?”

These idioms have something to do with ye Zao?

Old Lady Lin was completely stunned. She thought that she had heard wrongly.

“After saying that, Zhang Haiyuan apologized to ye Zao again, “Miss Ye, I was blind today and accidentally offended you. Your Prime Minister has a good mind, so please don’t lower yourself to the level of a villain like me!””

Chapter 636: 148: great burning domineering teaching scum to be a human! 7

Sun Yiguo also apologized.

He looked as humble as he could be.

“Not to mention Old Lady Lin, even Feng Qianhua and Feng Xianxian were stunned.”

What happened to Zhang Haiyuan?

“There was also Sun Yiguo, who was beside Zhang Haiyuan.”

“If they were not mistaken, Sun Yiguo was the founder of female Durban!”

“Ye Zao raised his eyes slightly. “Alright, you can go back now.””

““Thank you, Miss Ye!””

The two of them felt as if they had been granted amnesty and quickly turned around to leave.

“This scene made Feng Qianhua, her mother, and Old Lady Lin a little dumbfounded.”

Especially Feng Xianxian. Her face was filled with disbelief and her face was slightly pale.

What was Ye Zao’s background?

Why were Sun Yiguo and Zhang Haiyuan so afraid of her?

Could it be... because of fifth master Cen?

“After all, Fifth Master Cen was an existence that could control the skies in the capital.”

“She originally thought that after ye Zao entered female Durban, he would no longer pose a threat to her.”

She did not expect...

This little slut’s methods were really brilliant!

“Ye Zao clapped his hands and stood up from his chair. “Grandma, if there’s nothing else, I’ll go back first.” ”

For a moment.

Old Madam Lin actually forgot to react and let ye Zhuo leave just like that.

Because all of this was really too mystical.

Who would have thought that the two female Durban leaders would worship ye Zhuo as their ancestor?

“After a long while, old madam Lin finally reacted and turned to look at Aunt Zhang. “Aunt Zhang, give a call to the female Durban to ask what’s going on!” ”

“Okay.” Aunt Zhang nodded.

“Sun Yiguo originally wanted to send this living ancestor, Ye Zhuo, back in one piece and everything would be fine.”

“Unexpectedly, on his way back, female Durban was banned because of its lack of business qualifications and illegal teaching. A few people in charge were also brought to the police station. Many media reporters came upon hearing the news and wanted to get first-hand news.”

“At the same time, Aunt Zhang also heard the news and said with a slightly pale face, “Old, old lady, female Durban has been banned!” ”

“What?” Feng Qianhua said in surprise.

“A bitter smile appeared on Feng Xianxian’s lips. “This should be Cen Wuye’s handiwork, right? It seems that he really loves sister ye Zhuo to death...” ”

“Seeing Feng Xianxian like this, Old Lady Lin’s heart ached terribly. She turned to look at Feng Xianxian, “Xianxian, don’t worry. Even if the sky collapses, grandma is still here! In My Heart, besides you, no one else is worthy of Shaoqing! Grandma will definitely make the decision for you!” ”

“Although Old Lady Lin was comforting her, Feng Xianxian still felt very uncomfortable in her heart. ”

What right did ye Zao have?

What right did he have to win Cen Shaoqing’s love and save himself from danger time and time again?

What was there in her body that was not comparable to ye Zao?

CEN fifth master should be hers!

What right did ye Zao have to compete with her?

She was just glad that ye Zao had entered female Durban.

“In less than three hours, she was slapped in the face! ”

How could this kind of feeling feel good?

...

“Ye Zao returned to his room and took a shower. Not long after, he wore a white halter top and a towel as he walked out of the bathroom. His wet hair was dripping water from his collarbone.”

Thin waist and long legs.

It was a scene that made one’s blood boil.

“Walking to the small room on the right side of the bedroom, ye Zao opened the First Aid Kit and took out a syringe. He squeezed out the excess air inside and stabbed it into his arm.”

“The sharp and thin syringe pierced through the veins. Soon, bright red blood was drawn out. It was clearly a shocking scene, but ye Zao did not even frown.”

“After drawing a tube of blood, he randomly picked up a cotton swab and pressed it on the eye of the needle. Then, he squeezed the blood that had just been drawn out into ten mini-sized devices.”

Ye Zao spent nearly half a month to develop these ten small devices to do blood tests.

“Because it had been a long time, the devices in this world were unable to detect blood problems. For the day when the truth was revealed, Ye Zao had personally developed one.”

Beep —

The sound of the instrument could be heard in the air. Ye Zao looked at the changes on the instrument and raised his eyebrows slightly.

“According to the analysis results, the original owner had been fed a drug called piperazine when he was young.”

The main effect of this drug was to suppress mental illness.

“However, if a normal person ate it by mistake, it would have the opposite effect and cause hallucinations.”

“The original owner had just been born at that time, so he had become slower than a normal person.”

To give such a small child such a drug...

What kind of vicious person would be able to do that?

“Ye Zao originally didn’t have much idea about this matter, but after staying in the Lin family for so long and getting to know Feng Qianhua and her daughter, she gradually had a sense of direction.”

Feng Qianhua wanted to replace ye Shu and become Lin Jincheng’s wife.

“This matter definitely had something to do with Feng Qianhua, including deliberately swapping two children. It was definitely her doing.”

“Thinking of this, Ye Zao turned on the computer, logged into the sky eye system, and continued to search for the truth of the incident back then.”

““Beautiful Big Zao, do you want to have some supper?”Xiao Bai slid in from outside the door.”

““I don’t want to eat,”ye Zao said without raising his head. “Help me find out who were the medical staff on duty in the obstetrics and gynecology department of Yunjing Hospital on the day I was born.” ”

Feng Qianhua wanted to switch out two children. It was impossible for her to do it alone without the help of the medical staff.

“After all, the Mu family’s position in Yunjing at that time was already very prominent.”

And Ye Shu was only a single mother at that time. One was poor and the other rich. The wards they lived in were different. How could these two children be switched out?

“Okay!”

“Xiao Bai was very efficient. He quickly found the staff on duty. “Da Zhuozhu, there were ten nurses on duty in the obstetrics department and two doctors!” ”

“Ye Zhuozhu was born at three o’clock in the morning, so he only needed to check the doctors and nurses on the night shift. ”

“Read it for me.”

Xiao Bai read it slowly.

“When he heard a name, Ye Zhuozhu frowned slightly. “Xu Lanyue? Is this a doctor or a nurse?” ”

Xu Lanyue?

“If she remembered correctly, Feng Qianhua’s biological mother, sister-in-law Zhang’s original name was Xu Lanying. ”

Could it be that Xu Lanyue had some relationship with Xu Lanying?

“Xiao Baibai continued, “She’s a doctor.” ”

“Chapter 637: 149: shock and a slap in the face, the literary world’s Big Boss, senior Yu personally came to find it! 1”

Doctor.

Piperazine was a prescription drug.

“Without a doctor’s prescription, it was very difficult for ordinary people to buy it.”

“If Xu Lanyue and Xu Lanying were related, then all of this could be explained.”

Ye Zhuo turned on the computer and entered Xu Lanyue’s name into the database.

“Although there were more than 30,000 people in the country named Xu Lanyue, there was only one obstetrician named Xu Lanyue in Yunjing City.”

Xu Lanyue was 63 years old this year.

She had been retired for eight years.

She currently lived in Yunjing.

Xu Lanyue was born in an ordinary working family. She had a younger sister and an older brother.

“Her older brother, Xu Guoqiang, had passed away three years ago.”

“Her younger sister, Xu Lanying, had passed away 40 years ago.”

Xu Lanying.

“Seeing this name, Ye Zhuo raised his eyebrows slightly.”

So they really were a family.

“If Gu Dening’s side had detected a problem with the health-preserving soup, then this health-preserving soup must have been provided to the mother and daughter by Xu Lanyue.”

19 years.

Feng Qianhua and Hua Wei were able to marry into the Lin family and had planned for 19 years. This chess game was really big.

It was unknown how old Lady Lin would react when she found out the truth about Feng Qianhua and her daughter.

Ye Zhuo raised his eyebrows slightly and turned to look at little white. “I want to eat a watermelon.”

“”Okay, I’ll go straight to the kitchen to get it.””

Little White took the elevator downstairs.

“When the servants at home saw little white coming downstairs, they had to tease it a little.”

Little White always made people laugh.

“I’m not talking to you anymore! I’m going to give the beautiful big burning a watermelon!”

Little White brought the watermelon up. Ye Zhuo held the watermelon in one hand and quickly jumped on the keyboard with the other.

“In the blink of an eye, the next day arrived.”

Jiang Su ran would be visiting the Lin family today.

“Therefore, Old Lady Lin left Lin Qingxuan at home with the excuse of a headache.”

“Lin Qingxuan had been staying abroad and had not been able to be filial to Old Lady Lin, so she felt a little guilty. Now that she heard that her mother’s headache was uncomfortable, she felt even more guilty and busied herself, “Mom, why don’t we invite Doctor Qiao over to take a look at you?””

Old Lady Lin was already in her seventies and eighties this year.

“No one knew which came first, tomorrow or the accident.”

“Old Lady Lin shook her head weakly. “It’s fine. With You by my side, I’ll be fine in a while.””

Lin Qingxuan sat by the bed and held Old Lady Lin’s hand.

“At this moment, footsteps came from outside the house. Old Lady Lin immediately signaled to Auntie Zhang.”

Auntie Zhang walked towards the main hall.

“As expected, Feng Qianhua had brought Jiang Sulan here.”

“Auntie Zhang smiled and said, “Miss Qianhua, second Miss Jiang, you’re here. The old lady is in the house. Come in with me quickly.””

Feng Qianhua nodded and turned to look at Jiang Su ran. “Let’s go in.”

The two of them followed Aunt Zhang's footsteps.

"Aunt Zhang smiled and said, "Old Lady, Miss Qianhua has brought second Miss Jiang to see you.""

Old Lady Lin immediately got up from the bed and smiled. "Let them in quickly."

Lin Qingxuan was stunned. Why did Old Lady Lin suddenly recover so quickly?

Did Her head not hurt anymore?

Feng Qianhua and Jiang Sulan walked in from outside. "Aunt Lin."

"Jiang Sulan also called for someone. "Old Madam, I heard that you weren't feeling well, so Qianhua and I came over to see you. Are You Alright?" Although Jiang Sulan was talking to old Madam Lin., her gaze was inadvertently sizing up Lin Qingxuan beside her."

Although Lin Qingxuan was already over forty years old...

"He was still handsome and elegant. In an instant, Jiang Su Ran's heart was beating a little fast."

"Old Lady Lin smiled and shook her head. "It's fine, it's fine! It's normal for people to be like this when they're old! It's hard for you to come all the way here.""

"After saying this, Old Lady Lin turned to look at Lin Qingxuan. "Qingxuan, let me introduce you. This is the second son of the Jiang family, Jiang Su ran. Su ran, this is our fourth son, Qingxuan.""

Jiang su ran?

"Hearing that, Lin Qingxuan frowned without a trace."

He thought that old Mrs. Lin was really uncomfortable.

He didn't expect that old Mrs. Lin was putting on an act with him and was secretly setting him up on a blind date.

""Hello, Mr. Lin Si." Jiang Su ran walked up to Lin Qingxuan and stretched out her right hand. "I'm Jiang Su ran.""

Jiang Su ran was very confident in herself.

"She had never been married and was still a virgin. Lin Qingxuan was a man who had been cheated in his second marriage, so there was no reason for him to look down on her."

Jiang su ran had seen Zhao shuning before.

She believed that her looks were no worse than Zhao Shuning's.

"In fact, she was even better than Zhao shuning."

"Hello." Lin Qingxuan reached out and held Jiang Su ran's hand.

"Jiang su ran continued, "I heard that Mr. Lin Si had been living in country M before?""

"Yes." Lin Qingxuan nodded slightly.

"Jiang su ran smiled and said, "I also lived in country M for a period of time. It's a very beautiful country. The quality of the citizens is generally very high. There's really no way to compare to it in China.""

"Chapter 638: 149: shock and a slap to the face. The literary world's great leader, senior Yu, has come personally to look for him! 2"

“Hearing this, Lin Qingxuan frowned. ”

“From these words, it wasn’t hard to tell that not only was Jiang Suran too vain, she also worshipped foreign countries. ”

“Although Lin Qingxuan was away all year round, he didn’t feel that China was inferior to country M. ”

“Moreover, he had chosen to go abroad back then because he wanted to bring Zhao shuning to avoid those rumors. ”

He really could not admire a person like Jiang Suran.

“Lin Qingxuan had initially wanted to deal with Old Lady Lin, but now he did not even want to deal with her anymore. He turned to look at Old Lady Lin. “I still have something to do. I’ll be leaving First!” ”

No one had expected Lin Qingxuan to suddenly change his attitude.

This included Jiang Suran.

Old Lady Lin stood up. “Qingxuan! Where are you going?”

“I have something to do.”

““Qingxuan, stop right there!” ”

Lin Qingxuan turned a deaf ear to her.

Old Madam Lin was so angry that her face turned pale and her breathing became unsteady.

“In front of outsiders, couldn’t Lin Qingxuan, the most filial and obedient son, leave her some face?”

“She was already so old, why did she still have to look at her son’s face?”

“Feng Qianhua walked to Old Madam Lin’s side and smiled. “Aunt Lin, maybe fourth brother has something urgent to do? You, don’t be angry!” ”

“Jiang Suran followed, “Qianhua is right. This Mr. Lin must have something urgent. Otherwise, he wouldn’t be in such a hurry to Flirt. You Don’t have to take it to heart.” ”

Jiang Suran was quite uncertain at this moment.

“As the person in charge, she knew very well why Lin Qingxuan wanted to leave. ”

The Lin family was big and powerful. Jiang Suran didn’t want to give up just like that.

Even if there was only a glimmer of hope.

“Since Lin Qingxuan was the most obedient of all old lady Lin’s sons, then she had to please Old Lady Lin. As long as Old Lady Lin took a liking to her, even if Lin Qingxuan had a problem with it, she could only keep it. ”

“Hearing this, Old Lady Lin felt a little better. She walked down the stairs. “This child! Even if there’s an emergency, you can’t just leave an important guest behind!” ”

Honored Guest?

The corners of Jiang Suran’s lips curled up.

“It seemed that she had already occupied an important position in Madam Lin’s heart. Otherwise, Madam Lin would not have used the word ‘honored guest’.”

She could finally put down the heart that was hanging high up in the air.

“Jiang Suran smiled and said, “Madam Lin, you’re too kind! How can I be considered as an honored guest!” ”

““I can be considered as an honored guest!”Madam Lin held Jiang Suran’s hand. “Suran, you’re an honored guest of Our Lin Family!” ”

“Feng Qianhua said in a timely manner, “Aunt Lin, Suran, sooner or later, we’re going to become a family. Aren’t we being too polite?” ”

“Old Madam Lin nodded. “Yes! Qianhua is right! Sooner or later, we’re going to become a family. It’s too polite to be polite.” ”

Jiang Suran and Feng Qianhua exchanged a look.

“Just then, Lin Jincheng walked in from outside.”

“Seeing Lin Jincheng come in, Feng Qianhua’s eyes lit up and she immediately stood up. “Brother Jincheng.” ”

Jiang Suran greeted him as well. “Mr. Fifth Lin.”

Lin Jincheng nodded at the two of them.

“Old Madam Lin looked at Lin Jincheng. “Jincheng, why are you here?”These days, Lin Jincheng had been staying in the east wing and rarely came to her west wing.”

“Could it be that he hadn’t seen Feng Qianhua for a long time, so he came to see Feng Qianhua?”

Old Lady Lin knew that Lin Jincheng and ye Shu were still sleeping in separate beds.

That B * Tch ye Shu would be driven out of the Lin family by Lin Jincheng one day!

“Lin Jincheng continued, “Mom, Master Yu will come to the capital tomorrow.” ”

Master Yu?

Feng Qianhua’s eyes lit up when she heard this.

Master Yu was a great figure in the literary world.

“He had a good relationship with master Lin a few years ago. Although master Lin had passed away a long time ago, he would definitely visit the Lin family once he came to the capital. ”

Master Yu was a very low-key person. He had only taken in one disciple in his life.

“Feng Qianhua intended to let Feng Xianxian enter the literature association, but she had no choice. She had not found an opportunity because master Yu had not come to the capital for eight years. ”

“Eight years ago, Feng Xianxian was only an 11-year-old child. She did not have much attainments in literature. Now that she had been through countless trials and tribulations, Feng Xianxian already had her own views on literature. At this time.., it was most suitable for Old Lady Lin to personally introduce Feng Xianxian to master Yu. ”

“Master Yu was already 80 years old this year. If Feng Xianxian could become master Yu’s last disciple, her future would be limitless. Even the Feng family’s status in the capital would rise along with it. ”

Wasn't there a saying?

The smell of ink was like the stench of copper.

"No matter what time it was, the pursuit of literature by mankind was never-ending."

Chapter 639: 149: shock and a slap to the face. The literary world's Great Big Dipper. Senior Yu has come personally to find him! 3

"Thinking of this, Feng Qianhua was very excited."

"Old Madam Lin was also very excited. "Jin Cheng, is this news reliable?""

"After all, master Yu's status was noble."

"Moreover, master Yu's personality was particularly eccentric. He always kept to himself and never interacted with any family."

The Lin family could be considered a special case.

Lin Jincheng nodded. "Master Yu's assistant specially called to inform me."

"Alright." Old Lady Lin nodded and turned to look at Auntie Zhang. "Go and call the butler over."

She wanted to instruct the butler to clean up the entire Lin family in order to welcome master Yu.

"According to tradition, the first thing master Yu would do when he came to the capital city was to come to the Lin family."

“Aunt Zhang said, “Alright, I’ll go now.””

“Lin Jincheng continued, “Mother, I’ll be leaving first.””

“Old Madam Lin smiled and said, “Jincheng, send Qianhua home later.””

“”Mother, I’m a married woman now,”Lin Jincheng said very seriously. “It’s really not suitable to send Qianhua home.””

“Hearing this, Feng Qianhua’s expression turned ugly for a moment.”

She had loved Lin Jincheng for so many years.

Did Lin Jincheng really have to treat her like this?

“He clearly had no feelings for ye Shu, so why was he still unwilling to look at her?”

How was she inferior to Ye Shu?

“Old Madam Lin frowned. “If I ask you to send me off, you can!””

“”Mom, I really can’t.”After saying this, Lin Jincheng did not stay any longer and turned to leave.”

“Old Madam Lin turned to look at Feng Qianhua, her face full of guilt.”

“Feng Qianhua smiled at Old Madam Lin. “Aunt Lin, I’m fine.””

...

On the other side.

Lin Qingxuan drove the car out. He had no destination and didn't know where he could go. He just drove aimlessly.

He felt extremely depressed.

He suddenly wanted to find someone to confide in.

Lin Qingxuan took out his phone and opened his contact list. He realized that he didn't have anyone to talk to.

"He was middle-aged, but he didn't even have a friend to talk to."

"Lin Qingxuan suddenly realized that he had failed. He put his phone back into his pocket, took a deep breath, and continued driving."

"After driving for half an hour, Lin Qingxuan parked the car in the parking lot near the university city. He planned to get out and walk around."

There were many hotels and food streets near the university town.

The university students walked together in twos and threes.

"Looking at these young faces, Lin Qingxuan felt that he also became younger."

The last time Lin Qingxuan visited the university town was more than twenty years ago.

"At that time, the university town was not so prosperous."

One had to say.

China had developed too quickly in recent years.

“As she walked, Lin Qingxuan walked into a quiet alley.”

“Lin Qingxuan turned around and walked back. When she turned around, she suddenly heard a voice,
“Take out all the money you have!””

“I only have so much cash on me...”

“What’s the Alipay Password?”

“Lin Qingxuan frowned slightly. This voice sounded very strange. She immediately quickened her pace and walked into the alley. When she reached the corner, she saw five strong men blocking a woman and blackmailing her.”

This back view looked a little familiar.

“Lin Qingxuan narrowed her eyes and shouted, “What are you doing in broad daylight? !””

This sudden voice scared the five strong men.

They turned around and saw that Lin Qingxuan was alone. The expression on their faces became disdainful again.

One person could beat the five of them?

The woman who was being blackmailed also turned around. Her eyes instantly lit up. “Mr. Lin!”

Lin Qingxuan did not expect that the other party was actually ye Zhuo's mother. "Ms. Xia?!"

"As if she realized something, Xia Xiaoman continued, "Mr. Lin, run quickly!" There were five of them. Lin Qingxuan alone was not their match."

"If Lin Qingxuan ran out to call the police now, they still had a chance of survival."

But Lin Qingxuan had no intention of running.

These strong men didn't give Lin Qingxuan time to run either.

Want to run?

It wasn't that easy!

"They were all people who wandered on the fringes of society, and some were even suspects on the run. They didn't care about robbing one more person, a little fat lamb that was delivered to their door. They didn't want to give it up for nothing. Damn"

Lin Qingxuan was full of high-end brands.

One look and one could tell that he was rich.

Everyone knew that rich people were afraid of death!

"The three strong men immediately surrounded Lin Qingcheng. The leader of the group used the back of his knife to pat Lin Qingxuan's face, while patting him, he said, "Brother, if you know what's good for you, you'd better shut up and hand over the things you have on You!""

“Chapter 640: 149: shock and a slap to the face, the literary world’s Great Big Dipper, senior Yu came personally to find it! 4”

“Lin Qingxuan reached out to push away the back of the knife, and the corners of her mouth curled up. “Then what if I don’t Know What’s Good for me?” ”

“”Don’t know what’s good for you? If you don’t know what’s good for you, then I can only show you no mercy!”The Brawny man’s expression suddenly became extremely vicious. He raised the dagger and stabbed it at Lin Qingxuan’s body. ”

“The shadow of the dagger was reflected in Lin Qingxuan’s eyes. At this moment, he found the right time and directly raised his hand to grab the Brawny man’s wrist. ”

“The public security in foreign countries was different from that in China. Lin Qingxuan had lived abroad for so many years, so naturally, she had practiced before. ”

“The Brawny Man obviously did not expect that Lin Qingxuan actually had some skills. He used a grappling hand to throw Lin Qingxuan to the ground, but Lin Qingxuan used a clever move to avoid it. ”

“Seeing this, the other three brawny men immediately joined in. ”

The five of them struggled together.

“Although Lin Qingxuan had practiced before, the other party was, after all, four brawny men. Furthermore, they had knives in their hands. Gradually, they were at a disadvantage. ”

“Xia Xiaoman was extremely anxious. She wanted to go over and help, but she was also being controlled by someone. ”

Although the other party was only a brawny man.

“However, Xia Xiaoman was just an ordinary middle-aged woman. Perhaps in terms of business, she was very smart and was able to handle things swiftly. However, when it came to fighting, she was completely powerless.”

At this moment.

Xia Xiaoman felt as if she had returned to the night when she was beaten up by an Dongliang.

The same panic.

The same helplessness.

“Moreover, she might very well implicate an innocent person.”

“Mr. Lin!”

Xia Xiaoman raised her head to look at the Brawny man beside her. Her voice was mixed with some sobs. “Stop fighting! Please stop fighting! I’ll give you the Alipay Password!”

Beep —

Beep —

“At this moment, the sound of sirens suddenly sounded in the air.”

The police were here! shit

Xia Xiaoman’s eyes suddenly lit up as if she saw salvation.

The five men were completely dumbfounded.

None of them had expected Lin Qingxuan to call the police in advance.

“While the five men were in a daze, Lin Qingxuan grabbed the soil on the ground and quickly threw it on their faces. Then, he grabbed Xia Xiaoman’s hand and ran. “Run!” ”

“During the fight, Lin Qingxuan realized that the five men were very vicious. They had hit their vitals with every move.”

“If he wasn’t a martial artist, he would have been beaten to the ground by now.”

“At this time, if he didn’t run, even if the police came, it would be a lose-lose situation.”

Xia Xiaoman ran at the fastest speed in her life!

Her heart almost jumped out of her chest.

“In a hurry, her gaze swept past Lin Qingxuan’s jaw. Her heart, which was already beating faster, seemed to have lost control.”

“Suddenly, her heart pounded.”

The five big men behind her also reacted at this time and quickly caught up.

At this moment.

A few policemen in uniform suddenly appeared at the entrance of the alley.

Seeing this scene.

Xia Xiaoman was like a person who had been blind for a long time who suddenly saw the sunlight.

“Are you okay?” A few policemen quickly ran over and protected Lin Qingxuan and Xia Xiaoman behind them. “Did you call the police?”

“I called the police.” Lin Qingxuan nodded.

Xia Xiaoman was about to say something when she suddenly saw fresh blood oozing out of Lin Qingxuan’s arm. “You’re injured!”

Lin Qingxuan shook his head. “I’m fine.”

“At this moment, the five people also came out of the alley. ”

“When they saw the policemen at the entrance of the alley, all of their faces turned pale. They were so scared that they turned around and ran back in. ”

“Lin Qingxuan immediately said, “Police comrade, it was those few people who extorted me and my friend just now!” ”

“Chase!” The leading policeman immediately let the police dog in.

“Then, the other policemen also chased in. ”

“Not long after, the five strong men were handcuffed by the police and brought out from inside. ”

“Extortion, extortion, murder with a knife. ”

“There were witnesses and evidence. Facing these five men, they would be sent to prison for five to ten years.”

“After taking their statements and leaving the police station, Xia Xiaoman looked at Lin Qingxuan. “Mr. Lin, shall I take you to the hospital to take a look?” ”

Lin Qingxuan smiled and shook his head. “I’m really fine. It’s just a small injury and I’ve already treated it at the police station.”

“Xia Xiaoman was a little worried. “It’s better to go over. Otherwise, I’ll feel guilty.” ”

“Not only was Lin Qingxuan’s arm injured, the left side of his face was also slightly swollen. ”

He looked very unwell.

“Xia Xiaoman had already said so. In order to make her feel at ease, Lin Qingxuan agreed to go to the hospital with her. ”
