“Chapter 641: 149: shock and a slap to the face, the literary world’s greatest power, senior Yu came personally to find it! 5”

Xia Xiaoman called a car on her phone app.

“Soon, the car stopped at the entrance of the hospital.”

“After the Doctor’s appraisal, Lin Qingxuan’s injuries were all superficial. She only needed to use some medicinal wine to treat her injuries. The only wound on her arm was a little deep and needed a few stitches.”

Xia Xiaoman frowned. “The injury is already so deep. Why do you keep saying that it’s nothing?”

“Lin qingxuan smiled and said, “It’s really nothing. The Doctor is making a big fuss out of nothing.” In fact, he was afraid that Xia Xiaoman would feel too guilty. Besides, he was a man. It was not a big deal for him to be injured.”

“The doctor came over with a syringe. “Sir, this is not making a big deal out of nothing. If your wound is not properly treated, it might get infected! If it really gets infected, then the problem will be huge!””

“Lin Qingxuan smiled and looked up. “Doctor, are you going to inject me with an anesthetic?””

The doctor nodded. “Yes.”

“Lin qingxuan continued, “Injecting an anesthetic will affect the healing of the wound, right?””

“The doctor squeezed out the excess air from the syringe. “It will more or less have an effect, but it doesn’t matter. There isn’t much anesthetic used and it will be metabolized soon.””

“Lin Qingxuan shook his head. “Doctor, just sew it up. I don’t need anesthetic.””

“The Doctor was stunned. He had worked for so long, but this was the first time he had seen a patient ask for such a request.”

No anesthetic?

““If you don’t sew it up, it will be very painful when you sew it up. Have you thought it through?”The Doctor asked.”

Lin Qingxuan nodded. “I’ve thought it through.”

“Mr. Lin?”Xia Xiaoman was also shocked.

“Lin qingxuan smiled and said, “It’s okay. I’ve Never Been Afraid of pain since I was young. Come on, doctor.””

The Doctor confirmed with Lin Qingxuan again before he started to stitch Lin Qingxuan up.

The Doctor thought that Lin Qingxuan would be in so much pain that he would struggle to avoid it.

“But from the beginning to the end, Lin Qingxuan did not make a sound.”

“However, her face was covered in layers of cold sweat.”

“Seeing this scene, Xia Xiaoman gulped.”

This was the first time she had seen someone like Lin Qingxuan.

“When one sees injustice on the road, one’s perseverance is strong.”

Even the way she looked at Lin Qingxuan was different. She initially thought that Lin Qingxuan was just trying to make a fool out of herself. She did not expect that Lin Qingxuan really had such perseverance!

Amazing!

She was really too amazing!

“After the stitches were done.., the doctor continued, “For the next three days, it’s best that the wound does not touch water. After that, it’s forbidden to eat spicy food. After three days, come to the hospital to remove the stitches. This is the list. You guys take the list and go to the first floor to pay the bill. After that, go to the pharmacy to get the medicine.””

“”Okay.”Xia Xiaoman took the list. “Thank you, Doctor.””

“Lin Qingxuan was injured because of her. Of course, she had to do these things.”

“The doctor smiled and said, “You’re welcome.””

“The two of them went to the first floor’s pay window to queue up to pay the bill. Xia Xiaoman turned to look at Lin Qingxuan. “Mr. Lin, go there and rest for a while. I’ll call you after I get the medicine.””

“Lin Qingxuan said, “No need. I’ll go with you.””

There was a long line at the first floor’s pay window.

Xia Xiaoman stood at the front while Lin Qingxuan stood at the back.

“In all these years, Lin Qingxuan had only interacted with Zhao shuning. Even though he was separated from Zhao shuning, he still maintained his old habits. This was the first time he had been in close contact with the opposite sex for such a long time.”

It felt a little strange.

“After waiting in line to pay the bill and taking the medicine, the two of them came out of the hospital.”

“Xia Xiaoman continued, “Mr. Lin, thank you so much for today! If it weren’t for you, I Might...”the rest of her words were self-evident.”

“After all, in front of those five strong men, Xia Xiaoman was just a powerless woman.”

“Lin qingxuan smiled and said, “It’s a small matter. You Don’t have to take it to heart. I believe that no matter who encounters this scene today, they will not sit idly by.””

“”No matter what, I have to thank you properly!”At this point, Xia Xiaoman bowed deeply to Lin Qingxuan.”

“Lin Qingxuan immediately helped Xia Xiaoman up, “Madam Xia, please don’t Be Like This! To tell you the truth, I also encountered a terrible incident today. Initially, I was still feeling stifled. After fighting with that group of people, I felt much better!””

Lin Qingxuan was not lying.

“When he left the Lin family, he was indeed very upset.”

“But now, those bad feelings had disappeared without a trace.”

“Xia Xiaoman continued, “Mr. Lin, my name is Xia Xiaoman. You saved my life. Just call me by my name from now on.””

“Chapter 642: 149: shock and a slap to the face. The literary world’s Big Dipper, senior Yu came personally to find it! 6”

“Lin Qingxuan said, “My name is Lin Qingxuan, Shuangmu Lin, Qingfeng’s Qing, and the imposing Xuan. I’m forty-two years old this year, and I’m the fourth oldest in my family. I think you should be a few years younger than me. If you don’t mind, you can follow them and call me fourth brother Lin.” ”

“Xia Xiaoman nodded and said with a smile, “Fourth brother Lin, I’m actually not much younger than you. I’m forty-one years old this year.” ”

“Hearing this, Lin Qingxuan was a little surprised. “I thought you were about the same age as Mama Searing!” He didn’t expect Xia Xiaoman to also step into the fortieth level. ”

“Xia Xiaoman smiled and said, “Mama searing is two years younger than me.” ”

“Seeing that it was getting late, Xia Xiaoman invited Lin Qingxuan to dinner again. ”

“Lin Qingxuan felt that it was very easy for him and Xia Xiaoman to get along, so he nodded and agreed. ”

It was not until evening that Lin Qingxuan returned to the Lin family.

“As soon as he reached home, he was stopped by Old Lady Lin. “Qingxuan, I want to discuss something with you.” ”

“Go ahead.” Lin Qingxuan turned to look at Old Lady Lin.

“Old Lady Lin continued, “You’ve met Su ran today. Have you considered settling the matter?” ”

All of Lin Qingxuan's good mood disappeared in an instant.

“Mom, I'll tell you one more time. Jiang Su ran and I are not suitable for each other. Don't worry about it.”

“Madam Lin's face was stern, “Su ran, that child has a body, looks, face, and family background! Most importantly, she's a virgin! Why is she not good enough for you?”

“Feng Qianhua had personally introduced Jiang Su ran, and Jiang Su ran was very good at causing trouble, so Madam Lin was very satisfied with her.”

“It's not that she's not good enough, it's just that she's not suitable!” Lin Qingxuan continued, “Mom, I'm begging you, can you just leave me alone?”

“I'm Your Mom! I don't care who cares about you!” Saying this., madam Lin Sighed, “I know you still have some resentment against me because of what happened to Zhao shuning! But it's already happened. Even if you're angry at me, it's useless! Qingxuan, can't you give me a chance to make it up to you?”

“It had been more than three months since Zhao Shuning's incident, but Lin Qingxuan had been brooding over it.”

“Twenty years ago, Lin Qingxuan had already compromised once. This time, he would never compromise again. “Mother, the best way to make it up to me is to not interfere in my affairs! Unless you want to repeat what happened to Zhao Shuning!”

“After saying this, Lin Qingxuan turned around and walked into the room.”

“Old Lady Lin clutched her chest, almost fainting from anger.”

“Old Lady, Are You Alright?” Auntie Zhang immediately ran over to support Old Lady Lin.”

“Unfilial son! I’ve raised an unfilial son!”

“Auntie Zhang continued, “Old Lady, Master Yu is coming tomorrow. The most important thing for you now is to have a good rest. You must not be distracted by small matters when you receive important guests tomorrow.” ”

The most important reason was that old madam Lin was going to introduce Feng Xianxian in front of Master Yu Tomorrow.

What if Lin Qingxuan’s matter affected Feng Xianxian’s important matter?

“Hearing this, Old Madam Lin wiped her tears. “You’re right! Serious matters are more important! We’ll talk about other matters later!” ”

...

Feng residence.

Feng Qianhua brought a set of clothes to Feng Xianxian’s room.

““Xianxian, wear this set of clothes and come with me to the Lin Residence Tomorrow.” ”

“Feng Xianxian took the clothes and asked curiously, “Is there anything special about this set of clothes?” ”

“Feng Qianhua continued, “Tomorrow, Master Yu will come to the Lin residence. I’ve already made an agreement with your grandmother Lin to let her introduce you to Master Yu. So, you must perform well in front of Master Yu Tomorrow and strive to let Master Yu See you and take you in as his last disciple.” ”

“Master Yu?”Feng Xianxian was puzzled. “Is it master Yu from the literary world?”

“Yes.” Feng Qianhua nodded.

“Mom! Really?” Feng Xianxian was very excited.

“Master Yu was a great person in the literary world. There was no one in China who did not know of him. Thirty years ago, master Yu took in a child prodigy as his disciple. It was said that that disciple had already surpassed master Yu, if she was lucky enough to become Master Yu’s last disciple, what kind of glory would that be?”

“Of course it’s true!” Feng Qianhua continued, “Master Yu and master Lin have a good relationship. Master Lin left early, so your grandmother Lin’s words carry a lot of weight in front of him! Xianxian, you must not disappoint me tomorrow!”

Feng Xianxian nodded firmly. “Mom, don’t Worry!” After giving up on the path of the scientific and technological world, Feng Xianxian had completely shifted her focus to the literature association.”

“Chapter 643: 149: shock and a slap to the face, the literary world’s Big Boss, senior Yu came personally to find him! 7”

“In order to join the literary association, she had done a lot of homework.”

“This time, she would definitely not let Feng Qianhua down.”

“In the blink of an eye, the next day arrived.”

“At dawn, Old Mrs. Lin got up and began to choose her clothes.”

“At nine o’clock, Feng Qianhua came with Feng Xianxian.”

The mother and daughter were dressed very ceremoniously.

“At ten in the morning, Old Madam Lin brought everyone to the main hall where the guests were received, waiting for Master Yu to arrive.”

Very soon.

“Very soon, the housekeeper brought people over.”

The old man walking in front was dressed in a chinese-style tang suit. He had a long beard and his hair was already white. He looked like a celestial being.

This was master Yu himself.

Old Lady Lin immediately went up to greet him. “Jing Shan.”

Jing Shan was Master Yu’s name.

“Sister-in-law.” Master Yu cupped his hands. “It’s been many years. How have you been?”

“I’ve been well. How about you? How have you been all these years?” Old Lady Lin asked.

“I’ve been well too.” Master Yu nodded.

Lin Qingxuan followed behind to greet him. “Master Yu.”

“Master Yu looked at Lin Qingxuan and after a long while, he said, “This is fourth brother Qingxuan, right?””

“Yes.” Lin Qingxuan nodded.

“Old Lady Lin continued to introduce Master Yu. “Jingshan, this is Qianhua. You’ve met her before. This is Qianhua’s daughter Xianxian.””

Feng Qianhua immediately greeted Master Yu.

Feng Xianxian also greeted him.

“Okay.” Master Yu stroked his beard.

“Old Mrs. Lin continued, “It’s windy outside. Jingshan, let’s talk inside.””

Master Yu followed the old lady’s footsteps.

The group of people walked into the house.

“After entering the house, Master Yu and Old Mrs. Lin sat on the main armchair while the others sat on either side.”

“Old Lady Lin asked the servants to bring over the tea that had been brewed. “Jingshan, this is the first batch of Longjing tea before the rain today. How does it taste?””

“Master Yu picked up the cup and tasted it carefully. Then, he said, “First bitter, then sweet. The taste is mellow, and the fragrance is rich. The tea is clear and bright, without any impurities. The leaves are uniform in size. It’s a good tea! As expected of the first batch of Longjing tea before the rain!””

“Old Lady Lin was very happy to receive master Yu’s praise. She smiled and said, “This tea was brewed by Xianxian, which means that Xianxian has learned the way of tea very well.””

“Feng Xianxian said a little embarrassedly, “Grandma, you flatter me too much.””

“Old Lady Lin turned to look at master Yu and continued, “Jingshan, may I ask if you have any plans to take in a disciple in recent years?””

“Master Yu nodded. “Sister-in-law, to be honest, I have the same intention.””

The same intention?

Feng Qianhua and Feng Xianxian’s eyes lit up.

“Old Lady Lin continued, “Jingshan, what do you think of Xianxian? Although Xianxian is only 19 years old, she is extremely intelligent and has her own literary attainments.””

“Oh? Is That So?” Master Yu turned to look at Feng Xianxian.

“Old Lady Lin continued, “Aunt Zhang, go and show Master Yu the calligraphy that Xianxian has written.””

““Yes, Old Lady.””

“Not long after, Aunt Zhang came over with Feng Xianxian’s works.”

Feng Xianxian’s calligraphy was very beautiful.

“Horizontal, horizontal, vertical.”

She had once won first place in the calligraphy competition.

“Master Yu picked up the calligraphy and studied it carefully. Although there was appreciation on his face, there was no shock in his eyes.”

Actually...

His destination this time was not the capital.

It was Yunjing.

The matter originated from two calligraphy pieces given to him by an old friend.

“As a senior in the literary world, master Yu’s original works were almost priceless. He had once thought that his calligraphy was good enough, until he saw the two calligraphy pieces.”

“According to his old friend, the eldest son of the Bai family, Bai huaijin, had given the calligraphy to the master of the Bai family.”

“Because the master of the Bai family had something to ask of Master Yu’s old friend, he reluctantly gave the two calligraphies to master Yu’s old friend.”

“Master Yu’s old friend gave the two calligraphies to master Yu, who was good at calligraphy.”

“According to his old friend, the person who wrote the two calligraphies was a young girl. Bai Huaijin had also received the two calligraphies at a banquet, which aroused master Yu’s curiosity.”

He had originally thought that this calligraphy was written by a great calligrapher who hid his skills well.

He had not expected that the author was actually a young lady.

“The young lady had such high standards at such a young age. Master Yu really wanted to see for himself. If it was possible, master Yu even wanted to take her in as a disciple.”

“If he had not seen the two characters, Feng Xianxian’s calligraphy would have been acceptable.”

Chapter 644: 149: shock and a slap to the face. Senior Yu personally came to look for the literary world’s great master! 8

“However, ever since seeing the calligraphy and paintings sent by his old friend, he felt that none of the calligraphy he had seen before was called calligraphy.”

Only those two pieces of calligraphy were truly calligraphy!

“After a moment, master Yu put down Feng Xianxian’s calligraphy. “It’s not bad.” ”

Who Was Master Yu?

He was someone who stood at the top of the literary world.

“Feng Xianxian was already very happy to receive a sentence from master Yu saying, ‘it’s not bad’! ”

It seemed that there was no need to worry about finding a master.

“Old Lady Lin was just about to continue with this sentence when master Yu continued, “Why don’t I see Fourth Brother Jin City? I heard that Jin city has found their long-lost daughter. Old Sister-in-law, get someone to call Jin city’s family of four over.” ”

Old Lady Lin originally did not want ye Zhuo to see Master Yu.

Ye Zhuo wanted to be well-behaved and had no manners. What if he offended Master Yu?

“But since master Yu had said so, Old Lady Lin could not refuse. “Butler, go and call Jin city’s family of four over.” ”

“Okay.”The butler nodded.

“Old Lady Lin looked at master Yu and continued, “Jingshan, my granddaughter came from a small place and doesn’t know the rules. If she offended you in any way later, please forgive her.” ”

Master Yu only thought that Old Lady Lin was being modest.

“Not long after, Lin Jincheng and ye Shu brought Lin Ze and ye Zao over. ”

“Master Yu!”

“Master Yu had always admired Lin Jincheng. When he saw Lin Jincheng coming over, he immediately stood up and said, “Jincheng.” ”

“Lin Jincheng continued to introduce master Yu, “Master Yu, this is my wife, Ye Shu. This is my daughter, Ye Zao...” ”

“Just as he was about to introduce Lin ze, master yu smiled and said, “I know this person. This is Ah Ze! When I came here eight years ago, Ah Ze was still a child! I didn’t expect him to turn into a young man in the blink of an eye!” ”

Ye Zao looked at Master Yu Like This.

He frowned slightly.

“Master Yu’s face looked rosy, but in fact, he had a sickly aura. The cold air invaded his body, and he looked very unwell. ”

“Lin Ze greeted him politely, “Grandpa Yu.” ”

“”Good! Good!”Master Yu continued, “Jin City, your children are both dragons and phoenixes among men!” ”

Dragons and phoenixes among men?

Feng Xianxian bit her lip when she heard this. Her eyes flashed with dissatisfaction.

What kind of dragons and phoenixes were ye Zhuo and Lin Ze?

She should be the real dragon and Phoenixes among men!

“At this moment, master Yu, who was still talking, suddenly went limp and fell to the ground, unconscious. ”

Everyone present was shocked.

No one had expected master Yu to suddenly faint.

“Master Yu’s assistant was even more anxious. The old man had not been feeling well recently and would fall ill every few days. However, he had already taken his medicine when he left the house this morning. He had not expected him to faint now. ”

The assistant quickly took out the medicine that he had brought with him and fed it to master Yu.

“You can’t give this medicine to him.”Ye Zao immediately took the medicine bottle from the assistant’s hand.

“The assistant was stunned. He raised his head to look at Ye Zao. “Miss Lin! Our Old Man’s illness is very serious. Please return the medicine to me quickly! Otherwise, if something happens, you won’t be able to take responsibility!” ”

“Ye Zao ignored the assistant’s words. He placed one hand on Master Yu’s pulse and the other hand took out his earphones from his pocket and put them on his ears. “Xiao Baibai, bring my acupuncture bag over!” ”

“Master Yu suddenly collapsed, and Ye Zhuo added to the mess. Old Madam Lin panicked and hurriedly said, “Ye Zhuo! Hurry up and return the medicine to Assistant Ma!” ”

“This wild girl, how could she not have the slightest discernment? ”

“Ye Zhuo raised his head and looked at Old Madam Lin. “This medicine has nothing to do with Master Yu’s illness. Not only will it treat the symptoms but not the root of the problem, it will also make master Yu’s body worse and worse! This one will take his life!” ”

“At that moment, a servant immediately ran over to deliver the acupuncture bag. ”

“Ye Zhuo took the acupuncture bag, picked up a silver needle, and inserted it into Master Yu’s acupuncture point. ”

“Seeing this, assistant Ma was shocked and hurriedly stopped ye Zhuo. “Miss Lin! What are you doing?” ”

Ye Zhuo continued to insert the needles. “I’m saving Master Yu.”

Saving Master Yu?

Just ye Zao?

She could save Master Yu?

It was simply a fantasy!

“Seeing this scene, Feng Xianxian seemed to have heard a huge joke.”

Who did ye Zao really think she was?

“Even if she did not succeed in becoming Master Yu’s disciple today, she would not feel any pity because ye Zao had become a murderer.”

Who Was Master Yu?

The literary world’s Great Big Dipper.

He had caused the death of Master Yu.

“Even if Cen Shaoqing made a move, he probably would not be able to protect ye Zao.”

“Old Lady Lin was about to die from anger from ye Zao. “Lin Jincheng, why don’t you take care of your daughter! Do you want her to cause the death of our entire family?” ”

Chapter 645: 150: a strong comeback. Feng Xianxian was dumbfounded. It turned out to be ye Zao! 1

This was master Yu!

Ye Zao had to go a little further if he wanted to show off!

Did she think that she was some godly doctor?

She actually thought that she could cure Yu Zho.

It was simply a fantasy!

It was unreasonable.

“If anything happened to Master Yu, the entire Lin family would be in trouble.”

Old Lady Lin was so angry that her entire body was trembling. She wanted nothing more than to make ye Zao disappear right before her eyes.

Lin Jincheng raised his head and looked at Old Lady Lin. “Mother! Zao Zao is not that kind of child who is fooling around! My illness was cured by taking the medicine that Zao Zao gave me! I believe that she will definitely be able to cure master Yu!”

Crazy!

Crazy!

Lin Jincheng was definitely crazy!

He actually believed that ye Zao would cure Master Yu.

This was a matter of life and death!

Lin Jincheng actually did not take it seriously.

“Old Lady Lin clutched her chest and pushed her back a few steps. Lin Qingxuan supported Old Lady Lin from behind. “Mom, I believe in Zao Zao too. Please let her try.” ”

Yes.

Lin Qingxuan also believed in ye Zao.

“This was because the ointment that ye Zao had given her to remove the swelling and silt was very effective. After applying it for less than a day, the bruise on her face disappeared without a trace. ”

“Even in foreign countries, Lin Qingxuan had never seen such an effective ointment. ”

“As far as he knew, that ointment was developed by Ye Zao himself. ”

No one with medical skills could develop a ointment?

“Seeing that Lin Qingxuan had said the same thing, Old Madam Lin was even angrier. ”

“This one or two, it was as if they had no brains! ”

They actually believed that ye Zao could cure diseases!

Feng Qianhua and Feng Xianxian looked at each other without saying a word.

Both of them could see the pride in each other’s eyes.

Ye Zao had really messed up today.

Just wait and see.

“Once master Yu breathed his last, Ye Zao was going to be in big trouble.”

Ye Zao continued to apply the needles on his hands.

“Assistant Ma turned to look at Lin Jincheng and frowned. “Mr. Lin Si, Mr. Lin Wu, are you sure that your Lin family’s eldest daughter can really save Master Yu?” ”

“Lin Jincheng nodded seriously. “Yes, I’m sure.” ”

Lin Qingxuan nodded as well. “I’m sure too.”

“Assistant Ma turned on his phone and switched on the recording mode. “Mr. Lin Si, Mr. Lin Wu, I’m starting to record the video now! Let me ask you again. Are you sure that the Lin family’s eldest daughter Can Save Master Yu?” ”

Lin Jincheng nodded without any hesitation.

Lin Qingxuan was the same.

They all trusted ye Zao very much.

“Assistant MA continued, “Then let me say something ugly first. If anything happens to master Yu after receiving Miss Lin’s treatment, the Lin family will bear all the consequences!” ”

“Lin Jincheng said, “Zao Zao is my daughter. If anything happens, I, Lin Jincheng, will bear all the responsibility alone!” ”

“”And me,” Lin Qingxuan continued, “I’m also willing to take full responsibility for my eldest niece.” ”

“Qingxuan! Jincheng! Are you crazy?” Old Lady Lin was furious.

“Feng Qianhua said in a timely manner, “Fourth brother, Brother Jincheng, Zhonghua is just a child. Aren’t you guys too hasty in making such a decision?” ”

It wasn’t just hasty.

It was simply a disregard for human life.

“Lin Qingxuan raised her head to look at Feng Qianhua. “Qianhua, this is, after all, a family matter of our Lin family.” ”

She was secretly meddling in Feng Qianhua’s business.

“An awkward expression flashed across Feng Qianhua’s face before disappearing quickly. She continued, “But this is, after all, related to master Yu’s safety. Isn’t it not too good to let burning cause trouble like this? Aunt Lin is also thinking of the Lin family.” ”

Feng Qianhua was the only one who came out to speak up for her.

“Old Madam Lin looked at Feng Qianhua, her eyes filled with gratitude.”

Old Madam Lin was completely disappointed with Lin Jincheng and Lin Qingxuan.

“Lin Qingxuan continued, “You don’t have to worry about this. We all believe in searing.” ”

With that said.

Feng Qianhua couldn’t say anything else.

Since they all believed in ye Zao so much.

Then they should suffer a little!

There would be times when they would regret it.

“Feng Qianhua’s lowered eyes flashed with a proud light. To her, this was not a bad thing!”

“After master Yu died from the treatment, could ye Shu and ye Zao continue to stay in the Lin Family?”

They could be considered to have suffered the consequences of their actions.

Old Lady Lin thumped her chest and stamped her feet. “An unfilial descendant! An unfilial descendant! How could our Lin family have such an unfilial descendant!”

“Feng Qianhua comforted Old Lady Lin. “Aunt Lin, don’t worry. What if a miracle happens?” ”

“If a miracle really happened that easily, then it wouldn’t be called a miracle.”

Chapter 646: 150: a strong comeback. Feng Xianxian was dumbfounded. It turned out to be ye Zao! 2

“At this moment, ye Zao continued, “Assistant MA, Please Help Master Yu Sit Up.” ”

“At this moment, assistant Ma could only cooperate with Ye Zao and help Master Yu up.”

Ye Zao then took out the fifth silver needle and pierced it directly into all of Master Yu’s acupuncture points.

The silver needle gradually turned black at a speed visible to the naked eye!

“Meanwhile, master Yu’s face was slowly turning white, and even his lips had turned paper-colored. ”

Assistant Ma’s expression changed. “What’s going on?”

Ye Zhuo’s brows remained unchanged. “This is the poison that has accumulated in master Yu’s body. There’s no need to worry. It’ll be fine once the poison is expelled from his body.”

Feng Xianxian’s eyes were filled with disdain.

“Looking at Master Yu, it was obvious that he was about to die. ”

Ye Zao could actually say that it was a detoxification.

Did he really think that everyone else was an idiot?

Assistant MA also felt that something was wrong because there were no signs of life on Master Yu’s body. “Miss Lin! Are you sure that this is a detoxification?”

““Yes.”Ye Zhuo nodded slightly. Then, he took out a small porcelain jar from the medicine box at the side. He poured out a small black pill from the porcelain jar. Then, he opened Master Yu’s mouth and placed the prescription into Master Yu’s mouth. ”

“What kind of medicine is this? Can it be eaten?”Assistant MA was stunned again.

“Qingyou Pill. It can dispel cold air and detoxify poison.”Ye Zhuo took out a note from the medicine box and handed it to assistant MA. “Don’t worry. It’s not some third-rate medicine.”

Assistant MA took the note and frowned slightly. He did not expect this qingyou pill to have so many effects.

“However, not only did it not have any effect, master Yu’s condition was getting worse!”

His pale lips had turned black.

“Feng Xianxian squatted down and checked master Yu’s breath. Her face turned pale and she sat on the ground in shock. “Master, Master Yu seems to be out of breath...” ”

“What?”

Assistant MA was also shocked and immediately reached out to check master Yu’s breath.

“He was really, really out of breath!”

Lin Jincheng and Lin Qingxuan were also slightly stunned.

“Seeing this scene, Old Lady Lin immediately cried out, “Oh my God! What sin has our Lin family committed? !” ”

Feng Qianqian looked at Master Yu who was already out of breath and her eyes were filled with pride.

It’s over!

“This time, Ye Zao was really done for!”

Feng Qianqian could already imagine what kind of Asura battlefield she would have to face ye Zao in the future.

She had waited for so long.

She had finally waited for ye Zao's retribution!

"If it wasn't for the wrong occasion, Feng Qianqian almost wanted to laugh out loud."

"Assistant Ma looked at Lin Qingxuan and Lin Jincheng. "Mr. Lin Si, Mr. Lin Wu! You guys just said that you would take responsibility. Now that Master Yu has passed away, how do you plan to take responsibility?" "

"Lin Jincheng walked out. "I, Lin, have always kept my word! Since I've said that I will take responsibility, I will definitely take responsibility!" "

"And me!" Lin Qingxuan also walked out.

Old Madam Lin almost fainted.

"Lin Jincheng and Lin Qingxuan were the pillars of the family. If anything happened to them, how could the Lin family survive?" "

"This matter has nothing to do with Qingxuan and Jincheng! Assistant MA, if you want to find her, look for this wild girl. If she wasn't arrogant, nothing would have happened to Jingshan!" "

"Who told you that something happened to Master Yu?" Ye Zao unhurriedly put away the silver needles on Master Yu's acupuncture points.

"Feng Xianxian raised her head to look at Ye Zao. "Sister Ye Zao, don't be stubborn at a time like this!" "

She had already breathed her last. Could it be that ye Zao could bring Master Yu Back to life?

What a joke!

She didn't know where she got her confidence from!

Ye Zao did not explain. He removed the last needle from Master Yu's body and pressed it on the Fengchi acupoint.

"Urgh!"

"Master Yu, who had been lying on the ground with his eyes closed, suddenly sat up and vomited a mouthful of blood. "

It was different from normal people's blood.

The blood that master Yu vomited was black.

Ye Zao put the acupuncture bag into the medical kit and looked up at Master Yu. "How do you feel now?"

"Good! Very good!" Master Yu felt very comfortable, it was as if a heavy burden had been lifted from his shoulders. He continued, "Little girl! Thank you! If you had not disregarded the objections of others and treated me, I'm afraid that I would have really passed away!" "

Master Yu's illness was a serious illness.

"Even the doctor told him that he did not have much time left, which was why he was in a hurry to accept a closed-door disciple. "

"The moment he passed out, his whole body was wooden, even though there was a possibility of death. "

Chapter 647: 150: a strong comeback. Feng Xianxian was dumbfounded. It turned out to be ye Zao! 3

He had never felt this way before.

“The moment ye Zao applied the needle on him, he knew that he would not die. It was as if the sun was shining on the earth. ”

“Seeing this scene, everyone in the main hall was stunned. ”

Especially Feng Qianhua and Feng Xianxian.

“How, how could this be? ”

Wasn't Master Yu already dead?

Why did he suddenly come back to life?

“Feng Xianxian almost lost her composure. Feng Qianhua grabbed Feng Xianxian's arm and whispered, “This isn't necessarily a bad thing for us.” ”

Master Yu admired Feng Xianxian's calligraphy and even praised her.

This meant that master Yu had already acknowledged Feng Xianxian as his disciple.

Feng Xianxian also thought of this and the anger in her heart dissipated a little.

Yes.

She couldn't lose her composure.

She still wanted to become Master Yu's disciple.

So What If ye Zao knew medicine?

Did she know calligraphy?

Did she know how to write articles?

Ye Zao didn't know any of these!

"When the time came, she would still crush ye Zao."

Feng Xianxian clenched her fists.

Old Lady Lin was also surprised.

She never expected ye Zao to really know medicine!

"Not only did he know medicine, he even saved Master Yu."

"Just a moment ago, she was still denying ye Zao."

She did not expect ye Zao to turn the tables.

Old Lady Lin's face turned red and she took two steps back awkwardly.

"Lin Qingxuan looked at Lin Jincheng excitedly. "It's Alright! Jincheng, master Yu is Alright!" "

Lin Jincheng was also very excited.

He had thought that something had really happened to master Yu and had even made all his plans. He did not expect that master Yu would actually wake up!

Ye Shu was not very surprised.

This was because she had always known that ye Zao's medical skills were very good.

“Lin Ze was not very surprised either. Although he had not spent much time with ye Zao, he knew that this younger sister of his was young and mature. She had never done anything that she was not confident in, much less put herself in danger. ”

“Assistant Ma also reacted at this moment. “Old Master, are you really alright?” ”

“I'm Alright!” Master Yu stood up.

“Not only was she alright, she even felt full of energy. ”

“Master Yu turned to look at Lin Jincheng and ye Shu. “Jincheng, you two have raised a good daughter!” ”

““Thank you, Master Yu.” ”

Feng Xianxian was extremely jealous.

She hated herself for not learning medicine.

“If she knew medicine, what would happen to Ye Zuo? ”

“After saying that, master Yu turned to look at Old Lady Lin, “Elder sister-in-law, your granddaughter is a rare and good child. She is already so skilled at such a young age. Her future is bound to be limitless! You are her biological grandmother. You should believe in her and support her more! “If even you don’t believe in her, how many people in this world will believe in her?” ”

Although master Yu had just fainted.

He was still conscious.

He had heard everything that Old Lady Lin Said and did.

“If Lin Jincheng and Lin Qingxuan had not stepped forward in time, ye Zao would have given up on the treatment. ”

“Old Lady Lin was already a little embarrassed. After hearing Master Yu’s words, she became even more embarrassed. She tried her best to smile. “Zao Zao, this child is still young. I’m afraid that she won’t be able to control her actions...” ”

““Don’t you know your own granddaughter?”Master Yu looked at Old Lady Lin. “If she didn’t know what to do, she wouldn’t have snatched me back from death.” ”

“The smile on Old Lady Lin’s face could barely be maintained. However, ye Zao did not react at all. ”

“If it was Feng Qianxian, Feng Qianxian would definitely speak up to help her out. ”

But what about Ye Zhuo?

He was like a mute!

Even his own granddaughter!

He wasn't even comparable to an outsider.

"Ye Zhuo handed a prescription to master Yu. "Master Yu, your body hasn't fully recovered yet. You still need to take medicine to recuperate. This is the prescription. Just follow the instructions on the prescription to brew the medicine and drink it." "

" "Alright." Master Yu took the prescription with both hands. "Little girl, thank you." "

"It was written in black and white, and it was very relaxed. "

It was a very standard small regular script.

"At first glance, it looked very comfortable. "

Subconsciously.

Master Yu felt that this handwriting was somewhat familiar.

It was as if he had seen it somewhere before.

"Thinking of this, master Yu frowned. "

Could it be that he had seen wrongly?

No one could predict ye Zhuo's future.

"You are too polite." Ye Zhuo smiled slightly. "This is the duty of a doctor."

She was neither arrogant nor impatient.

“Even though she had been doubted by others before, now that she had turned the tables and made everyone’s eyes light up, she was still extremely proud and arrogant.”

Chapter 648: 150: a strong comeback. Feng Xianxian was dumbfounded. It turned out to be ye Zao! 4

She had always looked indifferent.

“If she had not seen it with her own eyes, who would believe that this was a 19-year-old child?”

“The admiration in Master Yu’s eyes became more obvious. He continued, “You are called Zao Zao, right?” ”

“Yes.”Ye Zao nodded slightly.

“Master Yu smiled and said, “Then I will call you zhuozhuo from now on. You should stop calling me master Yu all the time. I am of the same generation as your grandfather. You Should Call Me Grandpa Yu from now on, right?” ”

“Hearing this, Feng Xianxian could not help but grit her teeth. ”

Grandpa Yu?

“Ye Zhuo, this little B \* TCH, what right did she have? ”

She should be the one who should call Master Yu Grandpa Yu!

“Fortunately, Ye Zhuo was not as good at literature as she was.”

“Otherwise, she would have completely lost her sense of presence in front of ye Zhuo.”

“Ye Zhuo was not pretentious. He smiled and said, “Grandpa Yu.” ”

Master Yu nodded in satisfaction.

It was a pity that ye Zhuo was not his biological granddaughter.

“If she was his biological granddaughter, he definitely would not be like Old Lady Lin, who did not know how to appreciate her blessings!”

“She had such a kind granddaughter, yet she did not know how to cherish it!”

“Thinking of this, master Yu turned to look at Old Lady Lin. “Old sister-in-law, I have a few words to say to you in private.” ”

Old Lady Lin nodded. “Then let’s go to the study.”

The two of them went to the study.

“Master Yu was the first to speak. “Old sister-in-law, your granddaughter’s future is limitless. You must not ignore her. You must nurture her well.” ”

Limitless?

What was limitless about someone like ye Zhuo!

“However, the other party was master Yu after all. Furthermore, Ye Zhuo had just saved Master Yu’s life. Old Lady Lin said, “Alright, Jingshan. I will take your words to heart.” ”

“Seeing Old Lady Lin like this, master Yu heaved a sigh of relief. ”

“Old Lady Lin continued, “Jingshan, what do you think of Xianxian? To tell you the truth, Xianxian has been by my side since she was young. I treat her like my own granddaughter.” ”

Master Yu nodded. “She’s pretty good.”

“Hearing this, Old Lady Lin’s eyes lit up. She continued, “Jingshan, do you think you can take Feng Xianxian as your last disciple?” ”

Last Disciple?

Master Yu was stunned.

He had indeed come here to take in a disciple.

“However, Feng Xianxian had yet to meet his standards. ”

“Master Yu continued, “Sister-in-law, taking in a disciple is not a small matter. I have to consider it.” He and Old Master Lin were close friends, but it was a pity that old master Lin had left early. Now, Old Lady Lin was the only one left. ”

It would be too unreasonable to reject Old Lady Lin directly.

“If he did not find that little girl in Yun Jing City, perhaps he would consider accepting Feng Xianxian as his disciple. ”

“After all, Old Lady Lin had never asked him for anything in her life. ”

“However, if he found that little girl, he could only reject her.”

Master Yu only wanted to take in two disciples in his life.

The first disciple and the last disciple.

“When she heard that Master Yu would consider it, Old Lady Lin’s eyes lit up. “Jingshan, then you must consider it carefully! Xianxian is a really good child!” ”

As long as master Yu agreed to consider it.

There was hope for this matter.

“Master Yu nodded slightly, then, he said, “Elder sister-in-law, to be honest with you, I have other candidates in mind. However, I can only choose one of these two people. If I fail to choose that little lass from the Feng family, don’t blame me.” ”

“I won’t! I Won’t! Don’t Worry!”

Who else could be more outstanding than Feng Xianxian?

Old Lady Lin was filled with confidence in Feng Xianxian.

“Master Yu continued, “Old sister-in-law, it’s good that you know what you’re doing.” ”

Master Yu stayed at the Lin residence until the afternoon before setting off for Yun Jing.

Master Yu had just left.

“Feng Qianhua came over to Old Madam Lin to inquire about the news. “Aunt Lin, did you tell Master Yu About Xianxian?” ”

“Don’t worry.” Old Madam Lin nodded. “How could I forget such an important matter?”

“Feng Qianhua continued, “Then what did Master Yu Say?” Feng Xianxian was so outstanding. She was only nineteen years old, but she was already able to write a peerless calligraphy piece. There was no reason for Master Yu not to accept Feng Xianxian as his disciple. ”

Old Madam Lin raised her head to look at Feng Qianhua. “Master Yu said that he wanted to consider it.”

“Hearing this, Feng Qianhua’s expression lit up. ”

“He said that he wanted to consider it, but it was probably just to keep her in suspense. ”

“After all, master Yu’s identity was not simple. ”

It was not easy to take in a disciple.

That’s great!

That’s really great!

“Feng Qianhua looked gratefully at Old Madam Lin. “Aunt Lin, thank you so much!” ”

Chapter 649: 150: a strong comeback. Feng Qianxian was dumbfounded. It turned out to be ye Zhuo! 5

“We’re all family! Qianhua, why are you being so polite with me?” Old Lady Lin patted Feng Qianhua’s hand, “Master Yu isn’t an ordinary person. His apprenticeship banquet will definitely be quite grand. Go back and get qianxian to make more preparations. When Master Yu comes back from Yunjing, he might have to prepare for the apprenticeship banquet!”

“Alright, Aunt Lin.” Feng Qianhua nodded.

“After coming out of Old Lady Lin’s room, Feng Qianhua hurriedly told Feng Xianxian the good news.”

“Hearing this, Feng Xianxian was equally excited.”

“Although she was already prepared and master Yu would definitely take her in as a disciple, she was still extremely excited.”

This was master Yu!

“As long as she performed well, she could even inherit master Yu’s mantle!”

Feng Xianxian was very confident in herself!

...

“On the other side, in Yunjing.”

“Because these two words had originally come from Bai Huaijin, master Yu went straight to the Bai family.”

“When he learned that Master Yu was coming, Bai Huaijin was very surprised.”

One had to know that master Yu was a famous person in the literary world. He was an unattainable existence.

Why did Master Yu suddenly visit?

Bai Huaijin received master Yu with a perturbed heart.

““Master Yu, I’ve heard so much about you!” ”

““Thank you for your kind words, Mr. Bai.” ”

Bai huaijin welcomed master Yu in from outside.

“When they reached the main hall, Bai Huaijin immediately instructed the servants to pour tea. ”

“Master Yu continued, “Mr. Bai, actually, I came here today because I have something to discuss with you.” ”

“Hearing this, Bai Huaijin immediately put down his teacup and said very solemnly, “Please speak, master Yu.” ”

Master Yu’s assistant took out the calligraphy piece.

““Mr. Bai, do you recognize these two calligraphy pieces?” ”

Bai huaijin recognized these two calligraphy pieces at a glance. “I do! I gave them to my father not long ago!”

“Master Yu continued, “Mr. Bai, to tell you the truth, I really admire the author of these two calligraphy pieces. I wonder if Mr. Bai can tell me who is the author of these two calligraphy pieces?” ”

“Bai Huaijin was very happy that ye Zhuo’s words could be appreciated by master Yu. He continued, “The author of these two characters is a young lady named Ye Zhuo.” ”

Ye Zhuo?

Master Yu was stunned.

“The Ye Zhuo that Bai Huaijin was talking about, was it the Ye Zhuo that he knew? ”

“Master Yu continued, “Mr. Bai, can you tell me where this Young Lady Ye is from? Where does she live now?” ”

“Bai huaijin said, “Miss Ye is from Yun Jing, but she was admitted to the capital city to study at a university. She should be in the capital city now.” ”

She’s also in the capital city?

Could it really be the same person?

“Master Yu continued, “Mr. Bai, may I ask if this miss ye was the daughter of the Mu family in Yun Jing who had carried her by mistake for eighteen years?” ”

“As such, master Yu didn’t know much about Ye Zhuo. ”

“He only knew that before she was found by the Lin family, she had been carried by the MU family. ”

“Hearing this, Bai Huaijin nodded excitedly. “Yes! That’s right! It’s Miss Ye! Master Yu, do you know Miss Ye as well?” ”

He did not expect it to be true!

Master Yu was also very excited now.

“No wonder when he looked at the prescription ye Zhuo had prescribed, he had a familiar feeling!”

“Master Yu said, “I do know her! But before this, I didn’t know that the author of these two characters was her!” ”

This result was too surprising for Master Yu!

But it was also within reason.

It was indeed very difficult to find a young lady as outstanding as ye Zao in this world.

“After learning of this news, master Yu rushed back to the capital city and asked ye Zao out alone. ”

““Grandpa Yu, why did you ask me out today?” ”

Master Yu nodded. “There is indeed something I need to discuss with you.”

“Please speak.”

“Master Yu considered his words in his heart and continued, “Zhuozhuo, do you have any plans to join the literary world?” ”

Ye Zhuo shook his head slightly. “Not at the moment.”

“Not at the moment did not mean that he would not have one in the future. Master Yu continued, “Zhuozhuo, I have only taken in one disciple in my life. I wonder if I have the honor to take you in as my last disciple?” ”

Master Yu now had the intention of grooming ye Zhonghua to become the successor of the literary world in the future.

“With ye Zhonghua’s talent, she was definitely qualified! ”

“Ah?”Ye Zhonghua was stunned. “Why?”

Master Yu didn’t hide anything and directly took out the two words. “Because of these two words.”

Ye Zhonghua didn’t expect that the two words she had given at the Yun Jing banquet would end up in master Yu’s hands. “I remember giving these two words to Mr. Bai at that time.”

“Master Yu nodded, “That is indeed the case. When that Brat from the Bai family received these two words, he gave them to his father. Because his father had a favor to ask of him, he reluctantly gave them to someone else. In the end, someone else gave them to me! “Ye Zhuo, to tell you the truth, when I saw these two words, I felt like I saw hope in the literary world!” ”

Chapter 650: 150: a strong comeback. Feng Xianxian was dumbfounded. It turned out to be ye Zao! 6

““I took in a disciple before. He is very talented, but unfortunately, his ambition is not in the literary world!””

“After saying that, master yu continued, “Zao Zao, I have never asked for anything from anyone in my life. As long as you agree to acknowledge me as your master, I will agree to any conditions!””

It had always been people who begged Master Yu to acknowledge them as his master.

Ye Zhuo was the first person to be begged by Master Yu to accept a disciple.

“If outsiders were to see this, they would probably die of envy.”

Ye Zhuo hesitated.

She had no intention of joining the literary world.

“At this moment, assistant Ma seemed to have thought of something. He lowered his head and whispered a few words into master Yu’s ear.”

“Hearing this, master Yu’s eyes lit up. He looked at ye Zao and said, “Zao Zao, as long as you agree to become my master, I’ll treat you to the best dessert in the world!””

The best dessert?

Ye Zao raised his eyes slightly. “Really?”

““Of course, of course!””

““Alright, then I’ll agree to it!” Not only would there be no loss in agreeing to become master Yu’s master, but he could also eat the best dessert in the world. This was not a loss in business.”

“Good! That’s Great!” Master Yu stood up excitedly. “Sear Sear! Then it’s a deal! You Can’t go back on your word!”

““Don’t worry, I never go back on my word.””

“That’s good.” Master Yu nodded. “The ceremony will be held in three days. You must come on time!”

“Okay.”

“After settling this matter, master Yu went to the ceremony.”

“When Old Lady Lin heard that Master Yu was preparing for the ceremony in the capital city, she quickly came over and asked, “Jingshan, I heard that you are going to take in a disciple?””

““Yes!” Master Yu said very excitedly, “Sister-in-law, you have raised a good granddaughter!””

A good granddaughter?

“Old Lady Lin smiled and said, “So, you are going to take in my granddaughter as a disciple?” The granddaughter that Old Lady Lin was referring to was Feng Qianxian. After all, she had always treated Feng Qianxian as her biological granddaughter.”

“In reality, she had never thought of ye Zao at all.”

“After all, she had mentioned ye Zao in front of Master Yu before.”

“Master Yu nodded. “Yes! I am preparing to hold a master-acknowledging banquet in three days. At that time, old sister-in-law, you must come and support me!””

“Old Lady Lin continued, “That is only natural!””

“If she did not come to Feng Qianxian’s master-acknowledging banquet, who else would?”

“After learning that Master Yu was going to take Feng Xianxian as his disciple, Old Lady Lin immediately told Feng Xianxian the good news.”

Feng Xianxian was extremely excited. She wished she could announce to the world that she was going to become master Yu’s last disciple.

“In the blink of an eye, it was time for the master ceremony.”

9 am.

The banquet was held at a famous five-star hotel in the capital city. Master Yu invited many literary scholars to personally witness the master ceremony.

“Rather than calling it a ceremony, it was more like a banquet where Master Yu announced his successor.”

Everyone was guessing who would be able to take over master Yu’s mantle.

“I heard that the other party is only a nineteen-year-old girl. I wonder what kind of Medicine Master Yu is selling!”

“That’s right! I’ve heard about it too!”

Old Lady Lin appeared at the banquet venue with Feng Xianxian dressed appropriately.

Feng Xianxian curled her lips slightly when she heard everyone’s discussion.

“They hadn’t even seen her true face yet, and they were already so surprised.”

“When Master Yu announced that she was the successor in public, these people would definitely be even more surprised.”

“At this moment, she saw a familiar figure appear in the banquet hall.”

That Was?

Ye Zao?

This was her apprenticeship banquet. What was ye Zao doing here?

Embarrassing?
