Chapter 651: 151: Gu Dening sent the test results! 1

Tonight was her apprenticeship banquet.

“If ye Zao came, what else could it be?”

“Feng Qianqian looked at ye Zao, the corners of her mouth curling up.”

“Old Lady Lin followed Feng Qianqian’s gaze and saw ye Zao as well. She frowned slightly. When she came, she did not call for ye Zao.”

She did not expect ye Zao to come on his own.

“This kind of literary banquet was attended by scholars. If Master Yu did not give her face, would he have asked ye Zao to come?”

Ye Zao must have come here because he was envious of Feng Xianxian.

But could such things be envied?

“If she was half as outstanding as Feng Xianxian, master Yu would not have only accepted Feng Xianxian as his disciple!”

Master Yu was really too much.

He didn’t even discuss with her before asking ye Zao to come over.

“If she knew about this matter, she definitely wouldn’t have asked ye Zao to come over. ”

11 am.

The master-apprentice banquet officially began.

“There was a total of two seats in the hall, two main seats and two secondary seats. ”

Old Lady Lin brought Feng Xianxian to the main seat.

Ye Zao sat in the secondary seat.

“Looking at Ye Zao in the second seat, Feng Xianxian’s eyes were filled with mockery. ”

A person like ye Zao was only fit to sit in the second seat.

Master Yu did not reveal any information about ye Zao in advance.

“Therefore, no one in the second seat knew ye Zao. ”

Ye Zao also fell into silence. He lowered his eyes and looked at his phone.

She was very pretty. Just sitting there like this was a beautiful scenery.

Everyone looked at her.

“Which family’s daughter is that?”

“Could she be Master Yu’s granddaughter?”

“She looks like it!”

“A graceful figure walked over and said with a smile, “Master Yu only has a nine-year-old grandson. He doesn’t have a granddaughter.” ”

“Miss Caiyi.”

“When they saw her, everyone at the second table stood up to greet her, except for Ye Zhuo. ”

“This person was called Liu Caiyi, the vice president of the Chinese Painting Association. ”

“Although she was only in her early twenties, she already had a seat in the Chinese painting world. Her future was bright and limitless. ”

The literary world and the Chinese painting world were all connected.

“Therefore, everyone wanted to be on good terms with Liu Caiyi. ”

“After all, connections were not something that could be bought with money. ”

Liu Caiyi dealt with the crowd in a familiar manner.

Her gaze swept past ye Zao.

One had to say.

Her appearance and temperament were too eye-catching.

Liu Caiyi was also very curious about who this girl was.

“Logically speaking, the people who came today were all outstanding figures in the literary world. Other than Master Yu’s successor, there should not be such a young girl.”

But according to what she knew.

“Master Yu’s new disciple was the Lin family’s old lady’s default granddaughter, Feng Xianxian.”

Could it be...

That this was the Lin family’s biological granddaughter?

“Looking at Feng Xianxian who sat next to Old Lady Lin, a faint light flashed in Liu Caiyi’s eyes.”

It seemed that the rumors were right.

The Lin family’s biological granddaughter was not favored in the Lin family.

“This Old Lady Lin was really interesting. She did not get close to her biological granddaughter, but instead went to get close to an outsider.”

11:28 pm.

The banquet officially began.

“The host on the stage introduced the main procedure of today’s master-apprentice banquet. “Today is Master Yu’s important day to accept a disciple. Now, I invite Master Yu to come up and introduce his beloved disciple to everyone.” ”

Offstage.

Feng Xianxian was extremely excited.

She had finally made her appearance.

Feng Xianxian's nervous palms were covered in a layer of sweat.

Her heart was also beating very fast.

“Master Yu walked onto the stage. He first exchanged a few pleasantries before moving on to the main topic. His gaze landed on ye Zao, who was seated at the second seat. “Now, let's invite my beloved disciple, the daughter of the Lin family, Ye Zao, to come up.” ”

The daughter of the Lin Family?

Ye Zao?

“Upon hearing this, everyone looked towards ye Zao, who was seated at the second seat. ”

Feng Xianxian and Old Lady Lin were stunned.

Old Lady Lin Never Expected Master Yu to take ye Zao as his disciple.

Feng Xianxian's face turned pale.

Cold Sweat broke out on her back.

Ye Zao?

Didn't master Yu Want to take her as his disciple?

Why did he suddenly turn into ye Zao?

What was going on?

Feng Xianxian could hardly control her emotions.

"Old Lady Lin held onto Feng Xianxian's hand." ... Xianxian, I'm sorry. It's all Grandma's fault. Grandma didn't get to the bottom of this!" At that time, master Yu said that he had decided to take her granddaughter as a disciple. "

She subconsciously felt that this person was definitely Feng Xianxian.

But she didn't expect that.

The granddaughter that master Yu was referring to was actually ye Zao.

Why was it ye Zao?

Could it be that something had gone wrong?

"Feng Xianxian tried her best to calm herself down. She squeezed out a sentence through the gaps of her teeth, "Grandma, I'm fine..." "

Chapter 652: 151: Gu Dening sent the test results! 2

How many times has this been?

“Ever since ye Zao came back, he had been snatching her things all the time!”

Feng Xianxian couldn't even count how many times this had happened.

Slut!

Ye Zao was a slut!

“Feng Xianxian clenched her fists tightly. Because she had used too much strength, her nails were deeply embedded in her skin and she was completely unaware of it.”

“Seeing Feng Xianxian like this, Old Lady Lin's heart ached terribly. “Xianxian, don't worry. Grandma will help you find Master Yu in a while. There must be a reason behind this...” ”

They had clearly agreed to take Feng Xianxian as a disciple. How could they change her at the last minute?

And it was in front of so many people!

“There's no need.”Feng Xianxian pretended to be strong and shook her head.

“Old Lady Lin sighed, “Grandma is here! Grandma will definitely not let you suffer!” ”

““Grandma, thank you.”Feng Xianxian looked at Old Lady Lin. ”

“Silly Child!”

“Under everyone's gaze, Ye Zao walked up the stage step by step. ”

“She originally thought that the teacher-apprentice banquet was just a formality, so she wore a simple white shirt, black tights, and a pair of small white shoes, forming a sharp contrast with the female guests in formal attire.”

She did not expect the ceremony to be so formal!

“However, even though ye Zao’s clothes were simple, he had the bearing of a mountain.”

It was incomparable.

“Below the stage, Liu Caiyi was also stunned.”

“She originally thought that Master Yu’s new disciple was the Lin family’s chosen granddaughter, Feng Xianxian. She did not expect that the chosen granddaughter would turn into a biological granddaughter.”

It seemed that the Lin family’s biological granddaughter still had some tricks up her sleeve.

She had actually used the underhand method to replace Li Zhuan.

Could an ordinary person do it?

Liu Caiyi picked up her cup and sipped her tea. She raised her eyebrows slightly.

Feng Xianxian had previously won first place in the Beijing calligraphy competition.

Liu Caiyi still had some impression of Feng Xianxian.

“Therefore, when she learned that Master Yu was going to take Feng Xianxian as his disciple, Liu Caiyi was not surprised.”

That was because Feng Qianxian indeed had the ability to do so.

She did not expect that.

“In the end, this predetermined granddaughter could not be compared to her biological granddaughter.”

Master Yu and the Lin family’s old lady had always been on good terms. This sudden change in the timing of taking in a disciple definitely had something to do with Old Lady Lin.

Master Yu was too old and muddle-headed after all. He took into account his past breakup with Ye Zao and did not consider whether ye Zao was qualified to be his disciple.

The literary world was full of talents.

“As Master Yu’s last disciple, if ye Zao did not have some ability, would he be able to convince the masses?”

Wouldn’t he be smacking himself in the face then?

“Thinking of this, the curve of Liu Caiyi’s lips became even more obvious.”

It looked like.

Another big show was about to begin in the literary world!

Ye Zao came to the stage and bowed to Master Yu. “Master.”

““Okay.” Master Yu helped Ye Zao up and handed the jade pendant that belonged to his sect to Ye Zao. “This jade pendant, you and your eldest senior brother each have one. From now on, you will be Yu Jingshan’s last disciple.” ”

Ye Zao received the jade pendant with both hands.

“This was a crystal clear jade pendant that did not have any impurities. When it was placed on his palm, it actually gave off waves of warmth. One look and one could tell that it was not cheap. ”

“Master Yu patted ye Zao’s shoulder. “The green exceeds the blue and is better than the blue. Zao Zao, from now on, the glory of the literary world will depend on you.” ”

He did not know why.

Ye Zao suddenly felt as if he had fallen into a trap.

“At that time, they had only agreed to acknowledge her as their teacher. ”

Why was the glory of the literary world being handed over to her now?

““Zao Zao, I believe that you will definitely be able to dazzle all of our eyes.” After saying that, master Yu brought ye Zao around the banquet hall and introduced some of the elders of the literary world to her. ”

““This is President Zeng of the literary association, this is Master Zhou... and this is the vice president of the Chinese Arts Association, Liu Caiyi. Caiyi, this disciple of mine is about the same age as you! I’ll have to trouble you to take care of her in the future!” ”

“Liu Caiyi raised her glass and her gaze swept across Ye Zhuo’s face. “Master Yu, you must be joking. Your Beloved Disciple, Miss Ye, is obviously not an ordinary person. I should be the one asking Miss Ye to take care of her!” ”

“Miss Liu.”Ye Zhuo also raised his glass towards Liu Caiyi.

“I’ll drink to toast first.”Liu Caiyi downed the wine in her glass in one gulp.

Ye Zhuo also downed the strong wine in his glass in one gulp.

Feng Xianxian looked at Ye Zao who was standing in the crowd and her eyes were red with anger.

She should be the one recognized by Master Yu!

What right did ye Zao have?

Old Lady Lin also felt very uncomfortable.

How could she have expected such an accident to happen?

Master Yu took ye Zao around and recognized everyone before answering the chairman.

Old Lady Lin found an opportunity to call master Yu out.

Chapter 653: 151: Gu Dening sent over the test results! 3

“”Sister-in-law, why are you looking for me?””

“Old Lady Lin said, “Jingshan! Didn’t we agree to take Xianxian as a disciple? Why is there a sudden change?””

“Master Yu was stunned. “When did I say that I want to take that little girl from the Feng family as a disciple? I’ve always said that I want to take your granddaughter as a disciple! Why, isn’t Zhuojiao your granddaughter?””

“Old Lady Lin choked and continued, “Jingshan, Xianxian is really a good child that is hard to come by. She is many times more outstanding than zhongruo. Why Don’t you take Xianxian as your disciple?””

“In Old Lady Lin’s opinion, wasn’t it just taking in another disciple? It was a very simple matter!”

Master Yu shook his head. “Old sister-in-law! You’re muddle-headed! That little girl from the Feng family is still lacking a little bit of fire in front of zhongruo.”

Saying that she was only lacking a little bit of fire was master Yu giving face to Old Lady Lin.

“In fact, in Master Yu’s heart, Feng Xianxian was standing in front of ye Zao and not even a shadow could be seen.”

These two people were not suitable to be compared.

“Hearing this, Old Lady Lin frowned and was very unhappy.”

“After all, Feng Xianxian was the most outstanding child in her eyes.”

But Master Yu said that Feng Xianxian was not as good as ye Zao.

Feng Xianxian was not as good as ye Zao?

This was a huge joke.

“Jingshan! Are you really not willing to take Xianxian as your disciple?”

“Master Yu continued, “It’s not that I’m not willing, it’s just that it’s not suitable. I’ve already taken Zao Zao as my disciple! And many years ago, I said that I would only take in two disciples in my life.””

“Old Lady Lin took a deep breath. “Xianxian is so outstanding. It’s your loss if you don’t take her as your disciple! Jingshan, there’s something I have to say first. Don’t think it’s unpleasant.””

“”Please speak, sister-in-law.””

“Old Lady Lin continued, “If you don’t take Xianxian as your disciple now, if you want to regret it in the future, there’s no medicine for Regret!””

Want to regret it?

No Way!

“At that time, Feng Xianxian would become the most dazzling existence.”

Old Lady Lin believed that Feng Xianxian would definitely be able to do it.

“”Don’t worry, old sister-in-law. I definitely won’t regret it.” Master Yu continued, “Old sister-in-law, although burning didn’t grow up by your side, she is still your granddaughter! Could it be that a biological granddaughter of the same lineage can’t be compared to an outsider? Aren’t you making burning’s heart turn cold by doing this?””

Not to mention ye Zao.

Even he could not stand it anymore.

Old Lady Lin’s favoritism was too exaggerated.

“Jingshan!” Old Lady Lin looked at Master Yu, “Don’t tell me that in your heart, I am the kind of person who can’t distinguish right from wrong? Burning is my biological granddaughter. How can I not feel sorry for her? But her strength is indeed inferior to Xianxian. Don’t tell her to tell the truth?””

“Master Yu said, “Zhuozhuo knows medicine, calligraphy, and literary attainments. How is she inferior to that little lass from the Feng Family?””

“Old Lady Lin completely did not listen to these words. She continued, “Jingshan, if you really don’t wish to have Xianxian as your disciple, then forget it. I Won’t force you. I’ll return to the banquet hall first.””

“After saying this, Old Lady Lin turned around and left.”

“Just as Old Lady Lin left, master Zhou came out from inside. He looked at Master Yu with a hesitant expression.”

“Seeing him like this, master Yu smiled and said, “We’ve been old friends for so many years. If you have something to say, just say it.””

Master Zhou hesitated for a moment. “It’s about the Lin family’s daughter. I also feel that you handled this matter too hastily...”

This was a major event in the literary world.

“Yet, master Yu had actually accepted a disciple so easily.”

“Furthermore, the other party was the eldest daughter of the Lin family.”

“As long as one inquired a little, one would know that the eldest daughter of the Lin family did not have a very good reputation in Beijing.”

She had never participated in any literary competition and had never won any grand prizes.

She was just an ordinary girl.

“In comparison, Feng Xianxian, who had won many prizes, was indeed more outstanding than Ye Zhuo.”

“Master Yu continued, “Come with me.””

Master Zhou followed Master Yu’s footsteps.

“After a while, the two of them arrived at the lounge. Master Yu took out the two words and handed it to Master Zhou. “Take a look at this.””

“Master Zhou took it with both hands. After opening the rice paper, he saw a set of words. He said in surprise, “Isn’t this the person you’ve been looking for?””

“When he first saw these two pieces of calligraphy, master Zhou was also shocked.”

“Even he, who was known as a calligrapher, could not write such a calligraphy.”

It could be seen that the person who wrote this calligraphy had a profound literary background!

Master Yu nodded. “Ye Zhuo is the person who wrote these two pieces of calligraphy.”

Ye Zhuo?

Chapter 654: 151: Gu Dening sent the test results! 4

Master Zhou was stunned. “You... Are You Sure?”

How Old Was Ye Zhuo?

Nineteen years old!

Could she be that powerful?

“Master Yu smiled and said, “Although I’m old, I’m not muddle-headed. I wouldn’t joke about the future of the literary world. I didn’t Take Ye Zhuo as my disciple out of consideration for anyone, but ye Zhuo has the ability to do so!””

“After saying that, master Yu continued, “And I believe that her achievements are far beyond the literary world. As long as she’s willing, she can make a name for herself in all fields.””

“Seeing that master Yu was so confident in ye Zao, Master Zhou paused and didn’t say anything.”

He hoped that ye Zao really had the ability to not betray Master Yu’s trust.

“After a long while, master Zhou said, “Alright, then the assessment in three months, should we let Miss Ye test her mettle?””

The literary world would hold an assessment competition every six months.

The main test would be the literary ability and calligraphy of the members of the literary world.

Those who failed the preliminary assessment would be forced to withdraw from the literary world.

Whether or not ye Zhuo had the real ability would depend on the assessment competition.

“That’s for sure!” Master Yu nodded.

“Ye Zhuo was his newly accepted closed-door foundation. If he did not participate in the assessment, he would definitely not be able to convince the public.”

He would even be mistaken as someone who came in through the back door.

“In fact, some people were already beginning to think so.”

In the banquet hall.

“After master Yu left, everyone was discussing in low voices.”

None of them had expected that master Yu would take ye Zhuo in as a disciple.

How did ye Zhuo become Master Yu’s last disciple?

Could it be because of Old Lady Lin’s relationship?

“Ye Zao sat at the main seat. His expression was the same as before, as if he had not heard these words.”

“Hearing these questioning words, Feng Xianxian’s face finally regained some color.”

“Ye Zao did not have this diamond diamond, yet he still wanted to take on this porcelain job!”

It was simply a huge joke.

Just wait to lose face!

“Seeing Master Zhou outside again, Feng Xianxian wanted to brush up on her presence. After all, master Zhou had a good impression of her.”

“Feng Xianxian turned to look at Old Lady Lin. “Grandma, I’m going outside to get some fresh air.””

““Okay,” old lady lin continued, “Do you need me to accompany you?””

“No need.” Feng Xianxian shook her head.

“As soon as she arrived outside, a gentle female voice sounded in the air. “Miss Feng.””

Feng Xianxian raised her head and saw that the other party was a young woman wearing a light yellow gown. Her facial features were beautiful and her aura was transcendent.

If she remembered correctly.

“This person was the vice president of the Chinese Arts Association, Liu Caiyi.”

“President Liu.” Feng Xianxian raised her head and looked at Liu Caiyi.

“Liu Caiyi directly explained the purpose of her visit. “In three months, there will be an assessment competition in the literary world. Are you interested in participating?””

“Feng Xianxian narrowed her eyes. “President Liu, from what I know, this assessment competition shouldn’t be something that can be participated in just because you’re interested, right?””

The literary world’s assessment was extremely valuable.

The people who participated were either members of the literary world or the personal disciples of various masters.

The assessment was also a promotion competition.

“After passing the preliminary examination, they would be promoted to a 1, then a 2, a 3, a 4, a 5, and finally an S grade. The S grades were divided into S 1 and S 5, then SS1-SS5, with the highest grade being SSS9.”

“At present, other than master Yu being SSS9, master Yu’s eldest disciple was also SSS9.”

“Unfortunately, this eldest disciple’s ambition was not in the literary world. Otherwise, he would definitely become the successor of the literary world.”

“Liu Caiyi continued, “As long as Miss Feng wants to participate, I have a way to let you participate.””

“Really?” Feng Xianxian’s eyes lit up.

Feng Qianqian really hoped to participate in this assessment competition.

“As Master Yu’s last disciple, Ye Zhuo would definitely participate in this assessment competition.”

She wanted to publicly slap ye Zhuo’s face! She wanted to prove in front of master Yu that she was the most outstanding!

Ye Zhuo was destined to be crushed by her.

“Of course.” Liu Caiyi nodded.

“”President Liu, can I ask why you want to help me?” Liu Caiyi was not a simple person. Because she stood tall, Liu Caiyi was usually very aloof and aloof. She rarely took the initiative to befriend anyone.”

Feng Xianxian subconsciously felt that Liu Caiyi must have some motive.

“Liu Caiyi smiled and said, “I just don’t want to see the literary world lose a talent, and I don’t want to see Master Yu regret it. I believe that you will definitely shine in the literary world!” Liu Caiyi was even more embarrassed to see people using underhanded methods to enter the literary world.”

“Ye Zhuo had relied on his connections to become master Yu’s disciple, so she definitely would not be able to pass the assessment.”

“After all, the assessment was based on true ability.”

““Thank you, President Liu.” Feng Xianxian stood up and bowed to Liu Caiyi.”

Chapter 655: 151: Gu Dening sent the test results! 5

““It’s just a small matter.” Liu Caiyi smiled. “Miss Feng, I have great confidence in you. Good luck.” ”

“Feng Xianxian thought that after tonight, she would never be able to enter the literary world again. She did not expect that there would always be a way. ”

“Although she would not be able to become master Yu’s disciple tonight, after the assessment, she would still be able to dazzle master Yu! She would make master Yu regret not taking her in as his disciple tonight! ”

“She wanted to let Master Yu know that other than her, no one else could bring glory to the literary world! ”

It was even more impossible for ye Zhuo to do so!

12:30 pm.

The banquet continued.

The banquet did not end until around 1 pm.

Ye Zhuo followed behind Master Yu to send off the guests.

“After sending off the last few seniors, master Yu told ye Zhuo about the assessment. “Zhuo Zhuo, I’ll get Xiao Ma to send you the assessment rules when we get back. You should go back and think about it carefully.” ”

Ye Zao nodded slightly. “Alright.”

“After saying that, ye Zao continued, “Master, you seem to have forgotten something, right?” ”

“Master Yu was stunned for a moment before laughing out loud. “Don’t worry, I’ll remember this! I Won’t forget it!” ”

“After saying that, master Yu looked at Assistant Ma beside him. “Xiao Ma, go and bring me the things that I’ve prepared.” ”

“Alright.”

“Very soon, assistant Ma walked over with a very high-end packaging box in his hands. ”

“Master Yu continued, “Zhuozhuo, this is known as the world’s most delicious dessert. Take it home and enjoy it slowly.” ”

“Ye Zhuo took it with both hands and said, “Then I won’t stand on ceremony with you.” ”

...

“On the other side, Old Lady Lin had already arrived home. ”

“Ye Zao had made her lose so much face in front of Feng Qianxian today. At this moment, Old Lady Lin was filled with a belly full of anger. ”

“If ye Zao had not interfered, master Yu would definitely have taken Feng Qianxian as his disciple. ”

“Thinking of Feng Qianxian’s aggrieved look, Old Lady Lin was both angry and uncomfortable. ”

“Ye Zao had just stepped into the Lin family manor when Old Lady Lin called out to him, “Zao Zao.” ”

“What’s the matter?”

Old Lady Lin was furious when she saw ye Zao’s face. She wished she could slap him.

But she couldn’t.

She had to endure it for Feng Xianxian.

“Old Lady Lin looked at Ye Zao and tried her best to suppress the anger in her heart. A kind smile appeared on her face. “Zao Zao, good child. Come in with Grandma for a moment. Grandma has something to tell you.” ”

Good Child?

Ye Zao did not expect to hear these three words from Old Lady Lin One day.

Ye Zao was a little curious about what Old Lady Lin was up to. He turned around and followed Old Lady Lin's footsteps.

The two of them came to the main hall of the western courtyard.

"Old Lady Lin pointed at the dessert on the table and said, "Zao Zao, I heard that you like desserts. Grandma specially asked someone to make this for you." "

"Looking at this plate of desserts, ye Zhonghua chuckled. "

"What are you laughing at?"

Ye Zhonghua raised her eyebrows slightly. "I'm laughing at the Sun rising from the West today."

"She had been back to the Lin family for so long, but Old Lady Lin had never given her a good look. Not only did she treat her to desserts today, she even called her a good child. It was really rare. "

"Old Lady Lin Glanced at ye Zhonghua and said with a smile, "Look at how you talk, child. I'm your grandmother. It's my duty to treat you well!" "

"Ye Zao continued, "I won't eat the desserts. If you have something to say, say it." "

"Old Lady Lin felt that ye Zao did not know what was good for him. She was kind enough to treat ye Zao to desserts, but ye Zao did not appreciate her kindness. A wild girl was a wild girl. She was not something that could be put on the table! "

"Then I'll say it directly."After saying that., old Lady Lin continued, "I hope that you can break up with Shaoqing because you and Shaoqing are not suitable for each other at all. It's better to put off the pain for a while. It's better to cut the Gordian knot quickly." "

Only Feng Xianxian was the most suitable person for CEN Shaoqing.

“Ye Zao never expected that Old Lady Lin would say such a thing. His expression did not change as he pointed outside the window and said, “Look, the sky is still bright outside.” ”

Old Lady Lin was stunned. “What do you mean?”

Ye Zao smiled slightly. “It’s daytime now. It’s not suitable to dream.”

Dream?

Ye Zao actually dared to say that he was dreaming!

“Old Lady Lin was furious, but she had no choice but to hold it in, she sighed and said, “Zao Zao, I know that you blame Grandma. You blame Grandma For Not Liking You! Actually, the person that Grandma dotes on the most is you! Which person doesn’t like their own granddaughter! Grandma is strict with you for your own good! As the saying goes, the rod begets the filial son! Grandma hopes you can understand Grandma!” ”

Ye Zhuo just quietly watched Old Mrs. Lin Act.

Chapter 656: 151: Gu Dening sent the test results! 6

“Old Mrs. Lin continued, “Xianxian grew up in front of me. That child is smart and kind. All these years, it’s all thanks to her taking care of me! Besides, think about it, it’s your sister. As an older sister, shouldn’t you give in to her? Xianxian likes Shaoqing very much. Grandma hopes that you can give Shaoqing to her! “You’re so sensible. You definitely won’t reject Grandma, right?” ”

The only way to make up for Feng Xianxian was to let ye Zhuo and Cen Shaoqing break up.

“Feng Xianxian liked Cen Shaoqing so much. After hearing this news, she would definitely be very happy.
”

“If it wasn’t for Feng Xianxian, Old Lady Lin would also compromise in front of Ye Zhuo and play the family card.”

“Old Lady Cen didn’t relent. Other than playing the family card with Ye Zao, Old Lady Lin had no other choice.”

Ye Zao was only a nineteen-year-old child.

The older the wiser!

“Ye Zao looked at Old Lady Lin like this, his expression still the same, “First, I don’t have a sister. Second, I won’t break up with Cen Shaoqing. Don’t waste your expression acting in front of me. Do you know that acting is really too ugly?” ”

Old Lady Lin’s breathing stopped.

She was almost angered to death.

“She poured her heart and soul out in front of Ye Zao, but ye Zao said that she was acting.”

Who Wouldn’t be angry?

“Old Lady Lin originally thought that as long as she played the family card with Ye Zao, Ye Zao would definitely listen to everything she said.”

“After all, Ye Zao had always wanted her recognition.”

But she didn’t expect that ye Zao was actually impervious!

“Although she was very angry, Old Lady Lin still tried her best to smile, “Child, what nonsense are you talking about! Grandma is not putting on an act with you! Grandma sincerely hopes that you can give Shaoqing to xianxian... .. Isn’t it only right for sister to give way to sister ? This is a fine tradition of our country!” ”

Sister should give way to sister?

Old Lady Lin really had the guts to say that.

“Ye Zhuo looked up at Old Lady Lin. “Since you don’t understand human language, I won’t waste my breath on you.” ”

“After saying that, she turned around and left. ”

“Old Lady Lin was so angry that she slammed the table and stood up. She pointed at ye Zhuo’s back and said, “Ye Zhuo! You’re really good!” ”

Ye Zhuo looked back slightly and the corners of his mouth carried a slight smile. “Thank you for the compliment. I also think that I’m good.”

Old Lady Lin pointed at ye Zao and held her breath in her chest. She almost suffocated.

Too Much!

This wild girl was too much!

Whose granddaughter was like her?

She couldn’t even compare to Feng Xianxian’s finger!

She didn’t even look at herself to see if she was worthy of Cen Shaoqing!

At this moment.

Lin Qingxuan walked in from outside.

She was all smiles. It looked like something good must have happened.

“Seeing Old Lady Lin clutching her chest and panting, Lin Qingxuan asked curiously, “Mom, what happened to you?” ”

“Old Lady Lin said with a cold face, “I was still angered by your good niece!” ”

“If ye Zao had agreed to break up with Cen Shaoqing, would she have been so angry? ”

““What did Zao Zao Do to You?”Lin Qingxuan continued to ask, “Did you say something unpleasant in front of Zao Zao?” ”

“Old Lady Lin was already angry, and now she was infuriated by Lin Qingxuan. ”

“Lin Qingxuan! I’m your mother!”

“Lin Qingxuan continued, “It’s precisely because you’re my mother that I have to remind you that it’s time for you to retire. Don’t always think about meddling in the affairs of the younger generation.” ”

“Old Lady Lin now had a son, a grandson, and a granddaughter. She even had five great-grandsons. ”

“It was supposed to be a time for fun, but Old Lady Lin had been living a good life and had to go through a lot. ”

She didn’t know what she was going through?

“Hearing this, Old Lady Lin’s heart was filled with anger again.”

The sons of other families all knew that they were on the same side as their mother.

But Lin Qingxuan was fine.

“It was fine if she didn’t help her, but she even felt that she was meddling in other people’s business.”

“After a while, old Mrs. Lin continued, “You’ve been leaving early and returning late. Are you dating su ran?” Old Mrs. Lin only hoped that Lin Qingxuan would marry Jiang Su ran as soon as possible, jiang Su ran was a filial and good child. She definitely wouldn’t be as heartless as Lin Qingxuan!”

“Old Mrs. Lin had observed that Lin Qingxuan not only left early and returned late, but she also carried a faint scent of perfume when she went home.”

Perfume was something only women used.

“Lin Qingxuan turned to look at Old Madam Lin. “Mom, I told you before that Jiang Su ran and I are not suitable for each other. Don’t mention this in front of me in the future.” ”

He had been on a date recently.

But the other party was not Jiang Su ran.

““Su ran is sensible and filial. How is it not suitable if she’s Beautiful?” Old Madam Lin pointed at Lin Qingxuan’s nose and said, “All of you, are you trying to make me so angry that I’m willing to die?” ”

“Lin Qingxuan looked at Old Lady Lin, “Mom, I know you are doing this for my own good, but Jiang Su ran and I are really not compatible. We are not the same type of people. Don’t worry, I promise to bring back a daughter-in-law for you in the shortest amount of time.” ”

Old Lady Lin narrowed her eyes and the anger in her heart disappeared a little. “You have someone outside?”

“Not yet,” Lin Qingxuan continued, “But I’m working on it.”

“Hearing this, Old Mrs. Lin hurriedly asked, “Where are they from? What are their family conditions like?”

“Mom! You’re here again!” Lin Qingxuan frowned. “Is family background so important to you?”

“Old Mrs. Lin said, “Do you know what it means to be of equal status? Love that is not of equal status will not have a result!”

“Lin Qingxuan’s expression instantly turned cold. “If it wasn’t for the fact that you said that we were of equal status, I wouldn’t have married Zhao Shuning back then!” Although Lin Qingxuan had always said that she didn’t blame Old Lady Lin., in the end, it was all because of Old Lady Lin.”

Old Lady Lin was stunned.

She knew that Lin Qingxuan was still blaming her.

“She had only done one wrong thing in her life, but Lin Qingxuan was unwilling to forgive her...”

“Lin Qingxuan looked up at Old Mrs. Lin. “Mom, you rest first. I’m going back to my room.”

“Looking at Lin Qingxuan’s back, old Mrs. Lin’s eyes reddened again. “This child still won’t forgive me!”

“Aunt Zhang walked to Old Mrs. Lin’s side and comforted her. “Old Mrs. Lin, don’t be sad. I believe that Qingxuan will understand your painstaking efforts one day.”

Old Madam Lin sighed deeply.

On the other side.

Ye Zhuo had just walked to the bedroom door when his phone rang.

He picked up the phone and took a look.

It was a call from Gu Dening.

“Hello, Sister Dening.”

“Gu Dening’s voice came from the other end of the line, “Miss Ye, are you at home now?””

“I’m at home.”

“GU dening continued, “It’s good that you’re at home. The test results are out. I’m going to send them over to you.””

“They’re out?” Ye Zao was a little surprised.

“The medical facilities were not up to date yet, so ye Zao thought it would take a long time.”

He did not expect the results to be out so soon.

“Ye Zao continued, “Sister Dening, I’ll have to trouble you to make the trip.””

“It’s no trouble. It’s my pleasure.”

“After hanging up the phone, Gu Dening drove over.”

Ye Zhuo came to the door to pick her up.

“Gu Dening was wearing a small suit, looking clean and neat. “Miss Ye, I have something to do, so I won’t go in. Here is the test report, please take a look.” ”

Chapter 657: 151: Feng Qianhua’s true colors are revealed! 1

Ye Zhuo took the test results from Gu Dening.

“The results showed that there were a total of 23 medicinal herbs in the medicine that Old Mrs. Lin usually drank, and three of them were addictive.”

“Old Mrs. Lin’s cough was caused by these three medicinal herbs. As long as the medicine was stopped, Old Mrs. Lin would cough non-stop for a long time. In serious cases, she would even cough up blood.”

“This medicine was not only addictive, but if taken for a long time, it would also cause damage to the body.”

Old Lady Lin had been drinking it for more than ten years.

One could almost imagine how much damage her body had suffered.

“Ye Zhuo frowned slightly. At first, she only suspected that there was something wrong with the health-preserving soup that Feng Qianhua gave Old Lady Lin. She did not expect that there was really something wrong with the health-preserving soup!”

She had drugged three kinds of poisonous drugs at once. Feng Qianhua was really ruthless!

“Madam Lin was usually closer to Feng Qianhua and her daughter than family. If it were anyone else, they would not have been able to do it.”

She wondered how madam Lin would react after finding out about this.

“Ye Zhuo put away the test results and looked up at Gu Dening. “Sister dening, thank you so much.” ”

“”Miss Ye, you’re Too Kind.”Gu dening smiled and said, “If there’s nothing else, I’ll go back first.” ”

“Ye Zhuo continued, “Follow me to the house to have a cup of tea before leaving.” ”

“Gu dening shook her head and smiled. “I still have some small matters to attend to, so I won’t go in. I’ll disturb you another day.” ”

“”Alright then.”Ye Zhuo nodded slightly. “Sister dening, drive carefully on the road.” ”

“”Yes, I will. Goodbye, Miss Ye.”Gu De Ning waved at ye Zhuo. ”

“After watching Gu de Ning get into the car, Ye Zhuo turned around and went back. ”

“After returning to the bedroom, Ye Zhuo began to prepare his luggage. ”

She planned to return to Yun Jing for a while.

“At night, Ye Shu came back. ”

“Ye Zhuo poured a glass of water for ye Shu. “Mom, I plan to return to Yun Jing soon.” ”

Return to Yun Jing?

Ye Shu took the cup and frowned slightly. "Didn't we agree to go back in the first month?"

"Ye Zhuo said, "I have some things to take care of when I go back this time." The test results of the nourishing soup had already come out. The main purpose of Ye Zhuo's return this time was to take care of Xu Lanyue's matters. "

"After all, Xu Lanyue was the person who provided all the conveniences to Aunt Zhang and Feng Qianhua. "

Xu Lanyue was also the person who had swapped her with Mu Yourong.

All of this was related to Xu Lanyue.

"She had to find Xu Lanyue and clarify everything in front of Aunt Zhang and Feng Qianhua, so that these people would pay the corresponding price for their actions! "

"They had done something bad, and they still wanted to get away with it? "

Impossible!

"Ye Shu knew that ye Zao had his own little secret, so she did not ask what was going on. However, ye Zao went back alone, so ye Shu was a little worried. "Why don't Mom go back with you?" "

"Ye Zao smiled and said, "There's no need to go through so much trouble. You're quite busy now, and the restaurant can't do without people. Besides, you can't help much when you go back. I can go back alone!" "

"It was the end of the year. During this period of time, Ye Shu's restaurant was very busy. "

“After saying that, ye Zao continued, “And it’s not my first time going on a long trip. Are you still worried?” ”

“Ye Shu continued, “Zao Zao, when will you go back?” ”

“Ye Zao said, “I’ll go to the school tomorrow to let them know. I’ll probably go back the day after tomorrow.” ”

“Ye Shu nodded and continued, “Then I’ll prepare some local specialties in the capital. You Go to Shasha’s house and send my regards to your Aunt Lian and uncle Lin on my behalf.” ”

“Okay.”

“The next day, Ye Zhuo went to the school to ask for leave from the counselor. ”

“Ye Zhuo’s performance was usually very good. Even if he asked for leave, he would not fail the course. Moreover, this person was a doctor in the science and technology field and was the face of the capital university. Therefore, the counselor very happily approved ye Zhuo’s leave request. ”

“Thank you.”Ye Zhuo took the leave request from the counselor with both hands.

“”It’s my pleasure.”In front of ye Zao, the counselor was a little reserved. ”

“After all, this person came to school just to go through the motions. ”

“Ever since she found out about ye Zao’s status in the science and technology world, the counselor did not dare to treat ye Zao as a student anymore. ”

“However, ye Zao did not put on any airs. ”

“Even if she had already made a name for herself in the science and Technology World, she did not act high and mighty. She was very humble in front of her teachers and classmates. ”

“Therefore, the counselor had always admired ye Zhuo very much. ”

“As soon as she came out of the office, Ye Zhuo received a call from CEN Shaoqing. “Hello.” ”

““Leader, are you in school?”Cen Shaoqing’s voice came from the other end of the phone.” ”

Chapter 658: 151: Feng Qianhua’s true colors are revealed! 2

“Here.”

“CEN Shaoqing continued, “I’ll wait for you at the West Gate.””

““Alright, I’ll be right there.””

“After hanging up, Ye Zhuo walked towards the west gate.”

“Just as he reached the west gate, he saw Cen Shaoqing, dressed in a plain robe, leaning against the car door with a string of bright red Buddhist beads in his hand.”

“His facial features were outstanding, and his figure was slender. He was leaning against the car door. It was originally a very casual action, but it gave off an unattainable domineering aura. It was hard to imagine how many streets he would surpass the young male stars.”

“The students who passed by all looked at him and whispered among themselves. Some of the girls wanted to go forward and ask for wechat, but that person’s aura was too strong. They did not have the courage to go over at all.”

“What kind of woman do you think is worthy of such a top-notch man?”

“Of course, only a celestial immortal is worthy of him!”

“That’s not possible. I think he must be waiting for the girls in our school!”

“How do you know it’s a girl? What if he’s waiting for his good brother?”

“At this moment, a tall and slender figure walked over. He had an extraordinary temperament, and his eyes were as clear as a painting.”

The crowd instantly fell silent.

“At first, everyone was wondering what kind of celestial immortal would be worthy of such a top-notch man?”

It was only until ye Zao’s appearance that everyone was convinced.

“The two of them stood together. One was handsome, and the other was beautiful. They were evenly matched. Even if they didn’t do anything, it was enough to shock everyone.”

Ye Zao walked directly to Cen Shaoqing. “When did you arrive?”

“I just arrived.” Cen Shaoqing held ye Zhuo’s hand and bent down slightly, leaning his head on ye Zhuo’s shoulder.”

“What’s Wrong?”

“I’m a little tired.” Cen Shaoqing reached out and wrapped his arm around her waist, pulling her into his embrace. “Don’t move, let me carry you for a while.””

“There was a refreshing orchid-like scent on her body, and it smelled very comfortable. It could make people instantly put down all their fatigue. Cen Shaoqing took a deep breath.”

“About a minute later, Cen Shaoqing let go of her. “Shall We Go Eat First?””

“Sure.” Ye Zhuo nodded slightly.

Cen Shaoqing went to the other side and opened the car door for ye Zhuo.

Ye Zhuo got into the car.

“In the blink of an eye, the luxury car disappeared at the school gate, raising a cloud of dust.”

“DAMN! was that the school Belle just now?”

“I think so!”

“So, that man is the boyfriend of the school Belle? He’s a perfect match!””

“Yeah, yeah! I also feel that they’re a good match!””

“Feng Xianxian walked out of the door. When she saw this scene, she was so jealous that her facial features were twisted.”

On what basis?

On what basis did ye Zao have?

Cen Shaoqing was hers!

She should be the one who was jealous!

“If ye Zao had not interfered, Cen Shaoqing would be her boyfriend now!”

Ye Zao!

It was all ye Zao’s fault!

Ye Zao was a slut!

“Just like her mother, he was a shameless person who specialized in snatching other people’s boyfriends!”

After a long while.

Feng Xianxian finally reacted and turned around to leave.

“On the other side, the luxury car stopped in front of a member-only restaurant.”

“Cen Shaoqing was a regular customer here. The manager respectfully welcomed the two of them in. As they walked, he sized up ye Zao who was beside Cen Shaoqing.”

He was very shocked.

“He had known Cen Shaoqing for a long time, but he had never seen Cen Shaoqing bring a female companion here.”

This was the first time.

Could this girl be a relative of CEN fifth master's Family?

"The two came to the private room and sat down. The manager suppressed the doubt in his heart and continued, "Fifth master, are we still serving the dishes according to the old rules?" Because Cen Shaoqing was a vegetarian., therefore, the head chef of the restaurant had specially made a vegetarian dish for Cen Shaoqing."

Cen Shaoqing placed the Buddha beads on the table and looked up at Ye Zhuo. "What do you want to eat?"

Ye Zhuo turned to look at the manager. "What are the chef's recommendations for today?"

The manager handed a tablet to ye Zhuo. "These are the chef's recommendations."

"Ye Zhuo took the tablet and lowered his eyes to choose the dishes he wanted to eat. Then, he handed the menu to Cen Shaoqing. "I've chosen. What do you want to eat?""

"The same as you."

"Then, I'll add two more dishes?"

Cen Shaoqing nodded slightly. "Just watch what you order."

Ye Zhuo added another serving of sirloin steak and fried foie gras. He turned to look at the manager and handed the tablet to him. "These will do."

Seeing this scene.

The manager thought that he was hallucinating.

Ye Zhuo had chosen almost all meat dishes.

But wasn't Cen Wu a vegetarian?

Oh My God!

This world is too magical!

"If he hadn't seen it with his own eyes, the manager wouldn't have believed it at all!"

Chapter 659: 151: reveal the truth about Feng Qianhua's true colors! 3

Cen Shaoqing had been a vegetarian for more than 20 years. Who would have thought that he would break his precepts for a woman?

"At first, the manager thought that ye Zhuo was a relative of CEN Shaoqing's family. "

Now it seemed that.

Things were more than that.

"If these two were really relatives, would cen Shaoqing break his precepts so easily? "

"It seemed that this CEN fifth master, who was known to be a bachelor, was not far from the definition of true fragrance! "

The manager gulped and took the tablet that ye Zhuo handed over. "Please wait a moment."

The dishes were served very quickly in the restaurant.

"In about thirty minutes, all the dishes were served. "

"Halfway through the meal, Ye Zhuo looked up at Cen Shaoqing and continued, "Oh right, I'm returning to Yun Jing Tomorrow." "

Cen Shaoqing wiped his mouth with a tissue. "Why are you going back all of a sudden? Didn't you say that you're going to spend the new year in the capital?"

"Yes, I'm going to spend the new year in the capital."Ye Zhuo continued, "I have other things to deal with when I go back this time." "

Cen Shaoqing nodded slightly. "How many days will you be going back this time?"

"Ye Zhuo continued, "About... about a week or so. If things are troublesome, I might have to stay for a few more days." "

"Ceng Shaoqing twirled the Buddhist beads and thought for a while. "I'm quite busy these days, so I won't be going back with you. What Time Is Your Flight Tomorrow?" "

"Nine in the morning."

Ceng Shaoqing nodded. "Have you booked the Flight?"

"Yes."Ye Zhuo drank a mouthful of seabuckthorn juice.

Ceng Shaoqing looked at his phone. "I have a meeting at nine in the morning. Do you want me to get a driver to send you?"

“No need.” Ye Zhuo continued, “We have a driver at home. My Brother said that he would send me.”

Cen Shaoqing grabbed Ye Zhuo’s hand and opened his thin lips. “Zhuozhuo, I’m sorry.”

“Sorry for what?” Ye Zhuo asked in confusion.

Cen Shaoqing’s deep eyes were filled with guilt. “As your boyfriend, I can’t send you to the airport nor accompany you back to Yun Jing. Zhuozhuo, I’m really sorry!”

Ye Zao smiled and said, “What’s there to be sorry about? Everyone has their own things to do, so we just need to understand each other.” It would be best if Cen Shaoqing could accompany her back, but Cen Shaoqing was not free, so Ye Zao would not think too much about it.

The most important thing between a couple was to understand each other.

“After dinner, Cen Shaoqing and Ye Zao went to the nearby food street.”

Ye Zao liked the food street very much. He liked the special snacks on the food street even more. Although the food street was full of roadside stalls, the taste was even better than those in high-end restaurants.

Cen Shaoqing stood beside her and held her hand. As long as he lowered his eyes slightly, he could see her eyebrows and eyes.

“At this moment, his whole heart was filled.”

He wished he could find a rope to tie her to the belt of his pants and not separate her from him at all times.

“Do you want to try this candied haws?” At this moment, Ye Zhuo handed a string of bright red candied haws to Cen Shaoqing’s mouth.

“Cen Shaoqing was stunned at first, then he opened his mouth and took a bite of the candied haws.”

It was slightly sour with a sweet taste.

The taste was very good.

“He was a person who did not like sweet food, but he did not know when he began to like this taste.”

“How does it taste?”Ye Zhuo asked.

“It’s very good.”Cen Shaoqing nodded slightly.

“Another bite?”

Cen Shaoqing opened his mouth and took another bite.

“At this moment, ye Zhuo’s gaze suddenly stopped not far away, his expression slightly focused.”

“What are you looking at?”

Cen Shaoqing asked in puzzlement.

Ye Zhuo narrowed his eyes and pointed not far away. “Does that person look like my fourth uncle?”

Cen Shaoqing looked up.

He saw a man and a woman eating at a stall not far away.

The man was about forty years old and wore a suit.

“The woman looked about his age and was wearing a white down jacket. Perhaps there was something in her hair. At this moment, the man was standing up and helping her remove the thing on her head.”

“Just by looking at it, she looked a little intimate.”

“”It’s fourth uncle.”CEN Shaoqing continued, “Should we go up and say Hello?” ”

Ye Zhuo hesitated for a moment. “I don’t think so. I think fourth uncle is dating aunt Xia. Let’s not be a third wheel.”

“You know that aunt?”Cen Shaoqing asked.

Ye Zhuo nodded slightly. “She’s my good friend Lizi’s mother.”

That’s right.

The person who was with Lin Qingxuan was Xia Xiaoman.

“Ye Zao was a little surprised. Last time, she had joked in front of Lin Qingxuan and asked him to pursue Xia Xiaoman. At that time, Lin Qingxuan had rejected her. He did not expect the two of them to develop so quickly! ”

“Chapter 660: 151: Feng Qianhua’s true colors, revealing the truth! 4”

“Hearing this, Cen Shaoqing was also a little surprised. “Then if this matter is successful, won’t you and your good friend become relatives?””

“You can say that.” Ye Zhuo nodded slightly.

“Cen Shaoqing twirled the Buddhist beads. “Leader, who is older between you and your friend?””

Ye Zhuo thought for a moment. “Lizi is older than me by half a year.”

Older by half a year?

“Cen Shaoqing:” ... “fine, this ancestor had given him another sister.”

He had thought that he would be able to turn the tables and become brother-in-law again.

He did not expect it to be brother-in-law...

“Ye Zhuo held Cen Shaoqing’s hand and walked in another direction. “Let’s go this way. If fourth uncle and aunt Xia see us, they will definitely be embarrassed.””

Cen Shaoqing followed ye Zhuo’s footsteps.

It was not until four o’clock in the afternoon that Cen Shaoqing reluctantly sent ye Zhuo back.

...

“In the blink of an eye, it was the next morning.”

“After breakfast, Lin Ze drove ye Zhuo to the airport.”

“After sending him to the airport, Lin Ze frowned slightly. “Does your boyfriend know that you are returning to Yun Jing today?””

“Yes.”Ye Zhuo nodded slightly.

“Hearing this, Lin Ze’s frown deepened. “Even if he knew, he wouldn’t come to see you off?””

“Ye Zhuo smiled and said, “He’s been quite busy recently. Brother, don’t be angry.””

“Lin Ze said, “Is work more important than a girlfriend?”Lin Ze had never thought highly of Cen Shaoqing from the start. Now That Ye Zhuo was returning to cloud capital, Cen Shaoqing didn’t even come to see him off. This made Lin Ze even angrier.”

He felt that Cen Shaoqing did not have the awareness that a boyfriend should have.

“It was still in the dating period. If they got married, would ye Zao still have a presence in front of him in the future?”

“Ye Zao continued, “Isn’t it already the end of the year? Everyone is quite busy. Brother, let’s understand each other.””

Lin Ze looked at the time on his phone. “It’s getting late. Hurry up and go in. Don’t miss your flight.”

Ye Zao nodded slightly. “Then I’ll go in first.”

“Go in. Remember to call me when you get there.”Lin Ze watched ye Zao enter the boarding gate. He only turned around and left when he couldn’t see ye Zao at all.

Ye Zao had booked First Class.

There were two seats in a row in the first class cabin. There were eight seats in total. There were no other passengers in the first class cabin except for Ye Zao.

Ye Zao found his seat and sat down. He asked the stewardess for an eye patch and began to take a nap with his eyes narrowed.

He did not know how much time had passed.

Ye Zao felt as if there was an additional person beside him.

“Moreover, that person even extended a claw at him.”

“Just as that Claw was about to reach ye Zao’s cheek, ye Zao quickly reacted. He used an grappling hand and pinned the person to the seat. His knees were pressed against his chest.”

“The entire action was done in one go, and in less than three seconds, the man was subdued.”

““Leader, it’s me.””

A deep and familiar voice sounded in the air.

This is...

Cen Shaoqing?

“Ye Zao pulled down his blindfold. As expected, the person under her was Cen Shaoqing.”

“Ye Zao let go of Cen Shaoqing and said in surprise, “Didn’t you say that you’ve been very busy recently?””

Cen Shaoqing's lips curled up slightly. "I have a surprise for you."

"Ye Zao smiled and said, "I didn't expect you to have such a romantic side to you." Cen Shaoqing had been with Cen Shaoqing for so long, and he had always been a straight-laced person."

"Therefore, when Cen Shaoqing said that he was very busy today, ye Zao did not suspect anything."

Cen Shaoqing just looked at Ye Zao. "It's all thanks to the leadership's good training."

"Ye Zao glanced at the empty first-class cabin and asked, "Did you book this place?""

"Cen Shaoqing nodded slightly and said, "Yes.""

...

"Four hours later, the plane landed at Yun Jing Airport."

Cen Shaoqing held the luggage in one hand and ye Zao in the other as they walked out of the airport.

"As they had made arrangements beforehand, there were already drivers waiting outside the airport."

"After getting into the car, Cen Shaoqing looked at Ye Zhuo. "Are we going to the hotel or somewhere else?""

"Ye Zhuo said, "Let's go to my house.""

"It had been such a long time since he had returned, so ye Zhuo was quite worried about his family."

"Sure." Cen Shaoqing nodded slightly.

The car sped along and soon arrived at the ye family's residential area.

The chauffeur went around to the trunk and took out their luggage.

Cen Shaoqing took the suitcases from the driver. "Take a taxi back first. Leave the car here."

""Okay, fifth master."The driver nodded."

"Although no one lived in the Ye family for a long time, Zhou Yuelian often came to water the plants at home, so there was no dust at home. It was almost the same as when they left."

The few pots of plants on the balcony looked even more verdant.
