“Chapter 681: 154: a strange woman from the capital, a slap in the face, Ye Zhuo being called ‘father’ in public! 6”

“I heard from Ziteng that master five will bring his girlfriend over today. I wonder if it’s true!”

“It must be a lie! I heard that master five never attends such gatherings.”

“”What if it’s true? After all, ziteng and master five have a good relationship. How can ziteng joke about such things?””

“Guess Who Master Five’s girlfriend is?”

“When these words were said, everyone looked at each other and saw the confusion in each other’s eyes.”

“A short-haired girl who looked very cute said, “I heard that Master Five’s girlfriend is the daughter that the Lin family has just recognized.””

The Lin family’s eldest daughter?

The reputation of the Lin family’s eldest daughter was not very good.

“When they heard this, the crowd immediately burst into laughter. “No way! You believe such fake news?””

“The short-haired girl continued, “I’m not spouting nonsense! I heard that master five went to the Lin family to meet his parents last time.””

“Another girl added, “Actually, I also heard that Master Five’s girlfriend is the Lin family’s eldest daughter. Moreover, eldest daughter Lin even beat song Chenyu in the car race last time.””

The eldest daughter of the Lin family could beat song Chenyu?

Was that possible?

“”Don’t doubt it. In any case, the eldest daughter of the Lin family is a little different from the rumors. If fifth master really brings his girlfriend over today, you will be able to see it.””

“Upon hearing this, a sneer immediately sounded in the air. “Impossible, that’s impossible! You heard that Fifth Master’s girlfriend is the eldest daughter of the Lin family, then I also heard that Fifth Master’s girlfriend is Miss Song!””

“Song Chenyu was recognized as a great beauty in the entertainment industry, and Song Chenyu was also on good terms with Cen Yuyan.”

Anyone with a discerning eye could tell that Cen Yuyan had always treated song Chenyu as her own sister-in-law.

“If song Chenyu was Cen Shaoqing’s girlfriend, no one would be surprised.”

“Song Chenyu was known as a beauty that only appeared once in five thousand years, and the eldest daughter of the Lin family was known as what?”

A once-in-five-thousand-years idiot?

“At this moment, the sound of the door being pushed open came from outside.”

It was Cen Yuyan and song Chenyu.

“Sister Yuyan, Miss Song.” Everyone stood up to greet the two of them.”

“Hello.” Cen Yuyan smiled at everyone and sat on the other side with song Chenyu.

“Although Cen Yuyan and song Chenyu were sitting on the other side, her gaze kept on a man in a suit.”

“The man’s facial features were outstanding, and the buttons of his shirt were meticulously tied to the top. Everyone was trying to please Cen Yuyan, but this man was indifferent, as if he did not see Cen Yuyan.”

“His eyes were on his nose, his nose was on his mouth, and his mouth was on his heart.”

In fact.

Cen Yuyan was here for him.

This man was called Lu Xiu.

“Lu Xiu was a scientific and technological talent. Although he was only 31 years old, he had already made a great breakthrough in the scientific and technological field. He had even been invited into the laboratory by H Nation.”

“When Cen Yuyan first met Lu Xiu, she was deeply attracted to him.”

“Although the two of them had only known each other for less than a month, CEN Yuyan had already reached the point where they had not seen each other for a day, and she was already thinking of him like crazy.”

“Even if she had to pursue him, she would still pursue Lu Xiu.”

“Unfortunately, Lu Xiu was different from other men.”

“Cen Yuyan had many boyfriends in the past. Those men, as long as they saw her money, they would be willing to pay for it, but Lu Xiu was not.”

Lu Xiu didn't seem to be interested in anything.

“For Lu Xiu, Cen Yuyan even wanted to venture into the science and Technology World.”

“Unfortunately, she didn't have a guide in the science and Technology World.”

“Therefore, after knowing that Lu Xiu had been invited by He ziteng as a guest, Cen Yuyan pulled song Chenyu over uninvited.”

“No matter what, she had to woo Lu Xiu!”

She wanted to become Lu Xiu's girlfriend.

“After song Chenyu and Cen Yuyan arrived, the topic of conversation naturally returned to Song Chenyu.”

“In addition, he ziteng had said that fifth master Cen would bring his girlfriend over today, so everyone started to daydream.”

Could it be that Cen Shaoqing's girlfriend was really song Chenyu?

“Then, someone asked tactfully, “Sister Yuyan, I heard that fifth master is coming over today, and he even brought his girlfriend along. I wonder if that's true?””

Cen Yuyan's face didn't look too good when she mentioned the word 'girlfriend'.

She didn't know what was going on with Cen Shaoqing!

He actually still didn't break up with ye Zao until now!

"If Cen Shaoqing was just playing around, he should have had enough of it after such a long time!"

Could it be that he really wanted to marry ye Zao?

Old Madam Cen was muddled with age.

Was he confused too?

"Although she was a little angry, Cen Yuyan still smiled. "I'm not too sure.""

"From what Cen Yuyan said, Song Chenyu did not seem to be Cen Wuye's girlfriend?"

"Chapter 682: 154: the capital's strange woman, face slapping, Ye Zhuo being called Daddy in public! 7"

"If song Chenyu was CEN fifth master's girlfriend, according to Cen Yuyan's personality, she would definitely introduce song Chenyu directly in front of everyone! "

"After all, Cen Yuyan had always been proud of Song Chenyu. "

"Liu Xiaoyu had already been unhappy with song Chenyu for a long time. When she learned that song Chenyu was not Cen Shaoqing's girlfriend, she was especially happy, she smiled and said, "Sister Yuyan, can you tell us who fifth Master's girlfriend is?" "

“Cen Yuyan was about to say something when Song Chenyu patted song Chenyu’s hand. He raised his head to look at Liu Xiaoyu and said softly, “If Miss Liu has any questions, just ask me. Coincidentally, Miss Ye and I are in the same industry.” ”

The same industry?

“Song Chenyu’s words were like throwing a bomb into deep water. Someone immediately asked, “Fifth Master’s girlfriend is also a Celebrity?” ”

“Song Chenyu continued, “Miss Ye is an online streamer.” ”

An online streamer?

The kind that would squirm in front of a bunch of old men?

This was even worse than being a celebrity!

Who would have thought that CEN fifth master’s girlfriend was actually a streamer?

“Hearing this, the people in the room could not help but sigh. ”

“Although they had not seen Cen Wuye’s girlfriend yet, everyone could already imagine what his girlfriend looked like. ”

She was definitely a common internet celebrity.

“Her eyelids were cut exaggeratedly, her face was awry, and her nose bridge was covered by a prosthesis...”

“”Miss Song, can you tell us the live streamer number of CEN Wuye’s girlfriend?” ”

“Song Chenyu shook her head and said gently, “It involves personal privacy. I’m afraid it’s not convenient to reveal this.” ”

“Since song Chenyu had already rejected it, it was not good for everyone to insist. ”

““Mr. Lu, May I add you on wechat?”At this moment, Liu Xiaoyu walked in front of Lu Xiu. ”

“Lu Xiu was young and promising. He was also a single noble, so he was very welcome in the circle, especially young girls. ”

“Seeing this scene, Cen Yuyan’s lips curled up into a mocking smile. ”

Lu Xiu had a strange temper. He never casually added girls’wechat.

Even she only added Lu Xiu’s wechat because of her relationship with song Chenyu.

Lu Xiu acted as if he didn’t care about anyone except for Song Chenyu.

“As expected, in the next second, Lu Xiu rejected him. “Sorry, I don’t have wechat.” ”

No wechat?

Who wouldn’t have wechat nowadays?

It was obvious that he didn’t want to add her.

An awkward expression flashed across Liu Xiaoyu’s face.

Cen Yuyan snorted lightly.

“Song Chenyu stood up and said, “Brother Lu, sister Yuyan accidentally deleted an important piece of information from her phone a few days ago. Can you help her retrieve it?” ”

“Lu Xiu looked up at song Chenyu and said in a good-natured manner, “Bring it over for me to take a look.” ”

“Cen Yuyan was overjoyed. She immediately took out her phone and handed it to Lu Xiu. “Sorry to trouble you, Mr. Lu.” ”

“No problem.”Lu Xiu took the phone.

“Cen Yuyan sat back down beside song Chenyu. She pinched song Chenyu’s hand and said in a low voice, “Chenyu, thank you.” ”

“It’s my pleasure.”

...

“At this moment, Cen Shaoqing’s car stopped downstairs. ”

“He ziteng had been waiting for a long time on the first floor. When he saw Cen Shaoqing’s car, he was so excited that he immediately went up to greet him. “Fifth brother, female, God!” ”

Ye Zao was about to push the door open and get out of the car when Cen Shaoqing’s hand came around her shoulder. “Wait.”

“What’s Wrong?”Ye Zao looked back slightly.

Cen Shaoqing reached out and stroked her hair. “Let me help you tie up your hair.”

“Maybe it was because of his possessiveness, Cen Shaoqing did not want other men to see ye Zao with his hair down. ”

“Therefore, ever since he confirmed his relationship with Ye Zao, Cen Shaoqing always had a black rubber band on his wrist in addition to the Buddhist beads in his hand. ”

“Okay.”Ye Zao sat up straight and let Cen Shaoqing tie her hair.

“Cen Shaoqing’s movements were very light, afraid that she would hurt herself if she was not careful. ”

“After a while, her hair was tied up and the two of them got out of the car. ”

“He ziteng saw that the two of them had been struggling for a long time before they came out. He looked at the two of them with malicious intentions. “Fifth brother, Guru, the two of you didn’t come out of the car for a long time just now. What bad things were you doing?” ”

Ye Zhuo’s inexplicable old face turned red.

Cen Shaoqing raised his hand and slapped he ziteng. “What kind of colorful things are you thinking about?”

TSK TSK TSK.

“CEN fifth master, who had always been pure and ascetic, now even knew about the colors. ”

“He ziteng raised his head and glanced at CEN Shaoqing. He suppressed the smile in his eyes. “Fifth brother, I’m joking with you! Come, Let’s quickly enter the house!” ”

The three of them walked into the villa.

“In the sunlight room, he ziteng brought Cen Shaoqing and ye Zao in.”

““Let me introduce to you all. This is fifth master’s girlfriend and my idol, Miss Ye!” ”

“Hearing this, everyone looked up.”

“The girl was about 1.7 meters tall. She stood there like this. Her porcelain-white face seemed to be covered in a layer of snow. It was bright and beautiful with a hint of clarity, mixed with a hint of uneasiness.”

She was wearing a beige coat and a pair of Martin boots. She looked extremely handsome!

She was very beautiful.

She was also very gorgeous.

“However, her body was still emitting a biting cold.”

She was too beautiful!

It was a pity.

She was so beautiful that she was actually an internet celebrity.

What was the difference between this and a vase?

“Although song Chenyu was not as beautiful as ye Zao, she was at least more capable than ye Zao.”

“At this moment, Lu Xiu, who was sitting opposite Cen Yuyan, suddenly stood up and looked at ye Zao. He almost cried out in surprise, “Dad, Dad?” ”

“Chapter 683: 155: stunned everyone, the youngest phd in the science and Technology field, the number one in the science and Technology Conference! 1”

Lu Xiu’s sudden words stunned everyone in the room.

Father?

Who was he calling father?

There was Lu Xiu’s father here?

“When Cen Yuyan heard this address, she subconsciously stood up, intending to leave a good impression on Lu Xiu’s father.”

“After all, Lu Xiu’s father was very likely to be her future father-in-law.”

“Just as everyone was wondering who Lu Xiu’s father was, they saw Lu Xiu walk step by step to Ye Zhuo. The excitement on his face could not be concealed. “Father, I didn’t expect to meet you here today!””

Lu Xiu had always been a very calm person. There were very few times when he could not control his emotions.

“But today, he really could not control himself.”

“After all, YC was a legend in the science and Technology World.”

“At last year’s science and Technology Conference, YC swept through the top three in country P and directly ascended to the first place, becoming a dark horse in the industry.”

Lu Xiu had never worshipped anyone.

YC was the first.

“For YC, he even joined the ‘Niu Hulu family’ and became a member of the NIU Hulu family. Perhaps it was because he was used to calling his father in the family group, so when he saw ye Zhuo., he blurted out ‘father’.”

Lu Xiu never expected to see ye Zao at He Ziteng’s place today!

“To him, this was simply a surprise that fell from the sky!”

“At this moment, there were no words that could describe Lu Xiu’s mood.”

This feeling of meeting an idol in real life was too good!

“Ye Zao slightly raised his eyes, and there was some doubt between his brows. “You’re calling me?””

Seeing this scene.

A disdainful look appeared in Cen Yuyan’s eyes.

This ye Zao was really narcissistic.

He actually thought that Lu Xiu was calling her father.

She didn’t even look in the mirror to see how much she weighed.

She was just a small Internet celebrity.

Did she still think that Lu Xiu was one of those brainless fans who watched her live broadcast?

“At this moment, even if ye Zao wasn’t embarrassed, Cen Yuyan felt embarrassed for ye Zao.”

“If she were ye Zao, she would just find a hole and hide in it!”

She did not know how ye Zao could say this out loud.

“He was so young, why did he have no shame at all?”

He was truly shameless and invincible in the world!

Song Chenyu’s expression remained the same.

“She and Lu Xiu were old friends. The two of them had grown up together. She knew that Lu Xiu had always had a good impression of her. Lu Xiu was already over 30, but he was not married yet. It was also because he was waiting for her.”

Song Chenyu knew Lu Xiu’s personality very well.

Lu Xiu was a person who had always been indifferent to unimportant people and matters.

Why did he act so strangely in front of ye Zao today?

Because...

Ye Zao had done it beautifully?

“However, based on her understanding of Lu Xiu, Lu Xiu was not the kind of person who paid attention to his appearance.”

Could it be that ye Zao had misunderstood?

“If ye Zao had misunderstood, then this matter would be interesting.”

There were so many people in this room!

“If Lu Xiu directly denied ye Zao’s words later, then where would ye Zao put his face?”

“Ye Zao couldn’t really think that after she hooked up with Cen Shaoqing, everyone would give her face, right?”

Then she was gravely mistaken!

Lu Xiu was not the kind of person who would bow down to some evil force.

“Even if ye Zao was Cen Shaoqing’s girlfriend, Lu Xiu would never give ye Zao Face.”

Song Chenyu raised her eyes and looked at Cen Shaoqing who was standing beside ye Zao.

She was looking forward to Cen Shaoqing’s reaction in a while.

Song Chenyu originally thought that ye Zao was a smart person.

Now it seemed that.

Ye Zao was just so-so.

A truly smart person would not be as eager for quick success and instant benefits as ye Zao!

“Lu Xiu tried his best to control his agitated emotions so that he would not scare ye Zao, then, he said, “Yes, I’m calling you! Hello, YC father! My name is Lu Xiu, a c-rank engineer in the scientific and technological world, and also a member of the NIU Hulu family! I’m very happy to be able to meet you here today!””

“When Lu Xiu said this, he directly shocked everyone in the room.”

So Lu Xiu was really calling ye Zhuo father.

Didn’t they say that ye Zhuo was a small internet celebrity?

“How could a small Internet celebrity make the god of Science and Technology, Lu Xiu, act like this?”

What the hell was going on?

None of them thought that Lu Xiu was calling ye Zhuo father.

Especially Cen Yuyan.

“A second ago, Cen Yuyan was still laughing at Ye Zhuo for thinking too highly of himself.”

She didn’t expect to be slapped in the face by Lu Xiu in the next second.

She never dreamed that Lu Xiu would actually call ye Zao Daddy.

She was already prepared to please Lu Xiu's father.

Who knew that Lu Xiu was calling ye Zao?

What right did ye Zao have?

How did ye Zao and Lu Xiu know each other?

"Chapter 684: 155: stunned everyone, the youngest phd in the science and technology industry, the number one in the science and Technology Conference! 2"

What was the relationship between these two people?

What was going on?

"What surprised Cen Yuyan even more was that Lu Xiu was such a cold person. He was usually not interested in anything, but she did not expect him to have such a time!"

"Cen Yuyan's face alternated between green and white, as beautiful as a color palette."

Only after hearing Lu Xiu's words did ye Zao remember the fact that she had a bunch of sons in the science and Technology World.

"Hello."Ye Zao took the initiative to extend his hand to Lu Xiu.

"Looking at the hand that ye Zao handed over, Lu Xiu's heart was extremely excited. His palm was covered with layers and layers of wet sweat as he shook ye Zao's hand with a trembling hand."

He shook hands!

He had made a name for himself!

He actually shook hands with his father!

“If this were to be spread out, how many people would die of envy!”

Lu Xiu’s heart almost jumped out of his chest.

“After shaking hands, Lu Xiu continued, “That father, can you give me an autograph?” ”

“Although Lu Xiu didn’t talk much in real life and was very low-key, in the world of Science and Technology, he was the complete opposite. Especially when he was chatting with the members of the Niu Hu Lu family online, he was practically telling them everything he knew. ”

“Now that he saw his idol in the world of Science and Technology, Lu Xiu just wanted to show off to those people in his family right away. ”

“If he didn’t sign his name, they definitely wouldn’t believe that it was true! ”

“Ye zhuo nodded slightly, “Where do you want to sign?” ”

“Lu Xiu rolled up the sleeves of his suit, revealing a white shirt. He also gave ye zhuo a marker pen, “Please sign my sleeve.” ”

“Okay.”Ye Zao took the pen.

Ye Zao signed Niu Hulu YC’s name on Lu Xiu’s sleeve.

“Thank you!” Lu Xiu bowed very respectfully to ye Zao.

Lu Xiu’s actions completely shocked everyone.

Everyone was very curious about who ye Zao was!

“Especially Cen Yuyan, she was so angry that her face turned pale.”

“Lu Xiu was the kaolin flower that she couldn’t chase after, but now, this kaolin flower actually nodded and bowed to ye Zao with extreme respect.”

What was this?

On what basis did ye Zao have?

Song Chenyu also frowned without leaving a trace.

“After knowing Lu Xiu for so many years, Song Chenyu had never known that Lu Xiu had such a side to him.”

“Usually, Lu Xiu had never lost his composure like this in front of her.”

“If she hadn’t seen it with her own eyes, she almost couldn’t believe that this was Lu Xiu.”

“Song Chenyu was originally the same as Cen Yuyan, thinking that ye Zao was being narcissistic.”

She didn’t expect it.

“Not only was Lu Xiu calling ye Zao Daddy, he even got ye Zao to autograph it for him.”

Could it be that Lu Xiu was a fan of ye Zao?

“After all, Ye Zao was a public figure. ”

Song Chenyu furrowed her brows without a trace.

““You’re welcome.”Ye Zao looked at Lu Xiu and continued: “Oh Right, let me introduce you. This is my boyfriend, Cen Shaoqing.” ”

“Ye Zao had a feeling that if she didn’t introduce Cen Shaoqing to Lu Xiu, this man would kill her. ”

“As expected, after ye Zao said this, the pressure on CEN Shaoqing lessened. ”

Lu Xiu was here asking for an autograph and calling him father. How could he not feel uncomfortable?

““CEN Fifth Master.”Lu Xiu raised his head and looked at Cen Shaoqing, returning to his previous appearance. “Nice to meet you.” ”

“Nice to meet you.”Cen Shaoqing nodded slightly.

“Lu Xiu continued, “CEN fifth master, remember to treat our Dr. YC well. If you dare to bully her, our Niu Hulu family members are not to be trifled with.”Although CEN Fifth Master could control the sky with a single hand in the capital. ”

“But if he dares to bully ye Zhuo, then those who stand behind ye Zhuo Niu Hu Lu family, will certainly not give up. ”

“After all, Ye Zhuo with them. ”

It's the light.

And faith.

"When Cen Shaoqing put his arm around ye Zhuo's shoulder, "Rest assured, I certainly won't bully her."  
"

"He ziteng continued, "Lu Xiu, aren't you going to explain to us what's going on? When did Master Wu's girlfriend, Miss Ye, become your father?" "

He ziteng wasn't the only one who wanted to know the answer. The others in the room were also very curious.

Everyone craned their necks to listen to Lu Xiu's answer.

"Lu Xiu raised his head to look at He ziteng, he continued, "Miss Ye is a big shot in our science and technology industry. She is also the youngest phd in the science and technology industry. She has made a lot of contributions to the science and technology industry. At the same time, she was also the first winner of last year's science and Technology Competition! "Because Miss ye is really too amazing, all of us call her that." "

Hearing these words.

Everyone looked at each other. They could see the shock in each other's eyes.

What did they just hear?

The youngest phd in the science and technology industry?

"Chapter 685: 155: stunned everyone. The youngest doctor in the tech industry, number one in the Tech Conference! 3"

He got first place in the Tech Conference?

F \* ck!

How could a small Internet celebrity be so powerful?

They thought that Lu Xiu had met ye Zao on the live broadcast platform.

They didn't expect ye Zao's background to be so powerful!

A big shot in the tech industry!

"Everyone looked at ye Zao with contempt, disdain, shock, and disbelief!"

He ziteng was also stunned. He originally thought that ye Zao was only very good at racing cars. He did not expect that Ye Zao was also an invincible existence in the technology industry!

"He ziteng looked at Ye Zao and gulped. "God, how many other identities do you have that I don't know?""

Ye Zao smiled. "There are so many that I can't even remember clearly."

"Really?" He ziteng was a little in disbelief.

Just the position of Technology Guru was a peak that ordinary people could not reach.

Ye Zao could have achievements in other fields?

“It shouldn’t be possible, right?”

“Ye Zao said with a serious expression, “Of course it’s true!””

“Hearing this, a look of disdain flashed across Cen Yuyan’s eyes.”

This ye Zao was really good at pretending!

Wasn’t it just having some achievements in the technology industry?

What was so great about it?

Did Ye Zao really think that she was all-rounder?

She was too vain!

Why did Cen Shaoqing fall for her?

“Cen Yuyan bit her lip tightly, feeling very indignant.”

“When she thought of Lu Xiu again, Cen Yuyan felt even more indignant.”

Why did a man like Lu Xiu look at ye Zao like a little fan looking at his idol?

When song Chenyu patted Cen Yuyan.

“Cen Yuyan glanced at song Chenyu and her expression returned to normal. She smiled at Cen Shaoqing and Ye Zao. “Shaoqing, take Zao and sit here.””

“We can sit here.” Cen Shaoqing took ye Zao and sat on the sofa at the side.

“Cen Yuyan’s expression did not change, but she did not feel good in her heart.”

Ever since Cen Shaoqing and ye Zao got together.

Cen Shaoqing did not have a sister like her in his eyes anymore.

“Although Cen Shaoqing had a cold personality in the past, he had never been so disrespectful to her in front of so many people.”

“After Cen Shaoqing and ye Zao sat down, everyone originally wanted to bring up the topic of these two people.”

“However, the auras of these two people were really too strong. They did not dare to casually say anything, so they could only bring up the topic of Song Chenyu.”

“”Miss song, I see that the bracelet on your hand is a limited edition of HT family, right?””

“Song Chenyu smiled and said, “Yes, it is.””

“Upon hearing this, some sharp-eyed people immediately noticed, “This is the new design by Master Gui Chen, right?””

“Song Chenyu said with some surprise, “Miss Li saw through it. This is indeed Master Gui Chen’s new winter product.””

Master Gui Chen was the chief designer of HT Jewelry.

It was hard to see his head and tail.

“Miss Li continued, “Master Gui Chen’s new product is not easy to buy. I’ve been waiting in line for three months, and their customer service still keeps me waiting! It’s still miss song who has a wide network.””

“The rarer the item, the more expensive it was. It was precisely because Master Gui Chen’s bracelet was not easy to buy, that owning a bracelet designed by Master Gui Chen had become the pursuit of all the socialites!”

“Upon hearing this, Ye Zhuo also looked in song Chenyu’s direction.”

His gaze was indifferent.

She originally thought that she had misheard.

She did not expect that the bracelet on song Chenyu’s hand was really the design that she had submitted not too long ago.

“Seeing that ye Zhuo was looking in her direction, a faint light flashed in song Chenyu’s eyes. She continued, “I have some relations with HT’s director nine miles.””

Which woman didn’t like jewelry?

“Moreover, it was designed by Master Gui Chen.”

It seemed that even ye Zao was no exception.

“Hearing that song Chenyu and HT’s director Jiuli knew each other, Miss Li was both surprised and envious. “When you have time, Miss Song, you must introduce director Jiuli to me.””

“Song Chenyu smiled and said, “Sure, no problem.””

“After everyone chatted for a while, he ziteng stood up and said, “The preparations downstairs are almost done. Shall we go downstairs and have a barbecue?””

“Sure!”

The group of people went downstairs noisily.

Ye Zhuo and Cen Shaoqing walked at the back. The two of them talked in a low voice as they walked.

Lu Xiu wanted to take advantage of this moment to chat with Ye Zhuo.

“After all, it was not easy for him to meet his father once.”

“Unfortunately, with Cen Shaoqing by Ye Zao’s side, he simply couldn’t find a chance to interact with ye Zao alone.”

“Downstairs, the He family’s butler had already set up the self-service barbecue stove.”

“The weather today wasn’t bad, and the sun was warm. Under such weather, barbecuing while basking in the sun was the most suitable.”

“Cen Yuyan pulled song Chenyu’s hand and walked over. “Shaoqing, Zao Zao, why don’t the four of us roast together? Chenyu’s cooking is really good! She’ll definitely let the two of you have a feast.””

“Chapter 686: 155: Shocking Everyone, the youngest phd in the science and technology industry, and the number one in the science and Technology Conference! 4”

“There were a total of ten grills downstairs. Under normal circumstances, three or four people would work together to grill together.”

It was a good opportunity to give Song Chenyu and Cen Shaoqing a chance to be alone together.

“Song Chenyu was a little embarrassed. “Yuyan, how can I be as good as you say?” ”

In fact.

Song Chenyu’s cooking skills were indeed not bad.

“In order to have the chance to show off in front of Cen Shaoqing, she had specially followed the chef to study her cooking skills.”

Hard work pays off.

She had finally waited until today.

She knew that her culinary skills would not be learned in vain.

“Cen Shaoqing was lowering his head to study the barbecue sauce. When he heard this, his thin lips parted slightly. “It’s not convenient. You guys can go somewhere else.” ”

Cen Yuyan’s face stiffened.

It was the second time.

This was the second time Cen Shaoqing had rejected her.

“In front of Song Chenyu, Cen Yuyan felt a little embarrassed.”

“However, she did not dare to say anything.”

“Song Chenyu held Cen Yuyan’s arm and said with a smile, “Yuyan, it’s indeed your inconsiderate consideration. Fifth Master and Miss ye are having a barbecue together. Aren’t the two of us here to be third wheel? Come, let’s go over there to look for Lu Xiu.” ”

“”You’re right.”Cen Yuyan could only walk down the steps with a smile. “Shaoqing, then Chenyu and I will go over there.” ”

“Okay.”

Cen Yuyan and song Chenyu walked over to Lu Xiu’s side.

“Song Chenyu said in a low voice, “Yuyan, we agreed that I would come over today to set you and Lu Xiu up. Why do you keep pushing me to fifth master’s side?” ”

“Cen Yuyan said somewhat gloomily, “I Just Can’t Stand Ye Zao!” ”

She was also a little jealous.

“As a proud daughter of the heavens, Cen Yuyan had never been jealous of anyone.”

Ye Zao was the first.

“She thought that she didn’t lose to ye Zao in any way, but Cen Shaoqing and Lu Xiu seemed to be blind. Ye Zao was the only one in their eyes.”

“Song Chenyu smiled lightly and said, “Yuyan, do you mind the relationship between Lu Xiu and Miss Ye?” ”

Cen Yuyan frowned.

Yes.

She really did mind.

She couldn't accept that the person she liked worshipped another woman so much.

"Moreover, that person was the person she hated the most."

She felt that Ye Zhuo wasn't worthy of Lu Xiu's worship.

"Moreover, Ye Zhuo was only nineteen this year."

A nineteen-year-old child. What right did she have to have such a great achievement in the Science and Technology World?

"Song Chenyu continued, "Actually, you don't have to care about these things. Lu Xiu only idolizes men. There's no love between a man and a woman. It's said that there's a veil between a woman and a man. As long as you work hard, I believe you'll definitely be able to get Lu Xiu." "

"After saying this, Song Chenyu continued, "Actually, don't look at how Lu Xiu doesn't like to talk. He's actually cold on the outside but warm on the inside. Once he accepts you, you'll know!" "

"Lu Xiu had liked Song Chenyu for so many years, so Song Chenyu naturally understood Lu Xiu."

"If Cen Shaoqing hadn't suddenly appeared in Song Chenyu's world, perhaps she and Lu Xiu would have had a fruitful relationship by now."

Cen Shaoqing's appearance let Song Chenyu know.

What did it mean that there was always someone better.

“Hearing this, Cen Yuyan’s eyes lit up. “Really?” ”

“Song Chenyu nodded. “Of course it’s true! I grew up with Lu Xiu, how could I not know him?” ”

“Cen Yuyan continued to ask, “Then do you know if Lu Xiu liked anyone in the past?” ”

“Song Chenyu shook his head. “I’m not too sure about that either. At least for all the years I’ve known him, he has never confessed to any girl, nor has he ever been with any girl.” ”

“Cen Yuyan’s eyes became brighter and brighter. “Lu Xiu really doesn’t have a girl he likes?” Although Cen Yuyan had many relationships, she still hoped that her boyfriend would stay clean. ”

“Now that she knew that Lu Xiu had never been in a relationship and didn’t have a cinnabar mole, Cen Yuyan was naturally happy. ”

“Song Chenyu smiled and said, “Yuyan, when have I ever lied to You?” ”

“”Chenyu, then I’ll leave my matters to you.” ”

Song Chenyu nodded. “Your matters are my matters.”

“Cen Yuyan continued, “I’m three years older than Lu Xiu. Do you think Lu Xiu will mind my age?” ”

“”A girl in her third year carries a golden brick.” Song Chenyu patted Cen Yuyan’s hand, “Yuyan, you’re so beautiful. Age Isn’t a problem at all. Moreover, Lu Xiu has never said that he doesn’t like girls who are older than him.” ”

“Really? Lu Xiu really doesn’t mind that his girlfriend is older than him?”

“Chapter 687: 155: stunned everyone. The youngest phd in the science and Technology field, the number one in the science and Technology Conference! 5”

“Song Chenyu nodded very seriously. “Really! Yuyan, don’t worry about those problems that come out of nowhere anymore!” ”

“Song Chenyu had grown up with Lu Xiu since young. When she heard song Chenyu’s words, Cen Yuyan felt much more at ease. ”

“She believed that with song Chenyu’s help, she would definitely be able to woo Lu Xiu. ”

“Soon, the two of them walked to Lu Xiu’s side. ”

Lu Xiu and another young man were fiddling with the roasting tray.

“Song Chenyu said softly, “Lu Xiu, do you mind if Yuyan and I join you?” ”

“Before Lu Xiu could say anything, the young man beside him said, “Of course I don’t mind. We’re more than happy to welcome you!” ”

“Of the two of them, one was the best actress in the entertainment industry, and the other was the fourth daughter of the Cen family. No matter which one they were, they were unattainable. Now that they took the initiative to come over, he naturally would not reject them. ”

“Song Chenyu smiled and said, “Then I’ll be in charge of roasting. The three of you will be in charge of eating.” ”

“The young man was also a very discerning person. He continued, “Miss Song, I’ll Be Your Assistant. Otherwise, you definitely won’t be able to handle it by yourself.” ”

“”Alright, then I’ll have to trouble you.” ”

“Thus, the scene changed to Song Chenyu and the young man sitting there roasting while Cen Yuyan and Lu Xiu sat opposite each other eating.”

“Although Cen Yuyan was already thirty-four years old, she was still as shy as a young girl when facing Lu Xiu and paid attention to the way she ate.”

“Song Chenyu placed a skewer of roasted golden needle mushrooms on the plate and said with a smile, “Lu Xiu, why are you acting like a quiet gourd? Aren’t you going to talk to Yuyan?” ”

Lu Xiu rubbed his nose but didn’t say anything.

“Song Chenyu continued, “Oh right, Yuyan, aren’t you quite interested in AI technology? It just so happens that Lu Xiu is quite good at this convenience. If there’s anything you don’t understand, you can ask Lu Xiu more.” ”

“Hearing this, Cen Yuyan raised her head to look at Lu Xiu. “That Mr. Lu, can I really ask you?” ”

Lu Xiu knew what Song Chenyu meant. Song Chenyu was nothing more than trying to set him up with Cen Yuyan.

But he had no feelings for Cen Yuyan at all.

The person he liked had never been Cen Yuyan.

“All these years, he had been waiting for Song Chenyu...”

“However, Cen Yuyan was song Chenyu’s good friend after all. No matter what, she could not refute song Chenyu’s good intentions. Thinking of this, Lu Xiu raised his head and looked at Cen Yuyan. “Yes, if you have any questions, Miss CEN can ask.” ”

“Cen Yuyan was overjoyed in her heart, and her gratitude towards song Chenyu deepened. ”

“If it were not for song Chenyu, she probably would not have had the chance to sit at the same table as Lu Xiu. But now, not only could she sit at the same table as Lu Xiu, but she could also discuss problems with Lu Xiu. ”

“Cen Yuyan asked Lu Xiu many questions in a row. Finally, she said, “Mr. Lu, thank you for being so attentive in answering so many questions for me. Let’s have a meal together when you have the time? Take it as me thanking you.” ”

“Under the current circumstances, Lu Xiu could only nod his head and agree. ”

“He was afraid that if he rejected, song Chenyu would be disappointed. ”

He didn’t want to see song Chenyu disappointed.

“Seeing Lu Xiu nod, Cen Yuyan was very excited. ”

“Song Chenyu was roasting the chicken wings in his hand, and his gaze turned to ye Zao. ”

“The two of them sat in front of the barbecue stove, roasting and eating. ”

“To be more precise, Cen Shaoqing was roasting and Ye Zao was eating. ”

Cen Shaoqing was roasting?

Song Chenyu frowned.

Was she really not mistaken?

Wasn't it supposed to be ye Zao roasting and Cen Shaoqing Eating?

Was Ye Zao...

Being spoiled and arrogant?

Taking advantage of Cen Shaoqing's love for her and doing whatever he wanted?

Song Chenyu had become famous early on and had experienced many things.

She knew very well that there was no lasting love in this world.

"Especially for a man like Cen Shaoqing, his love had no expiration date. "

"As long as ye Zao had a brain, he would not be spoiled and arrogant like this. "

She should think of a way to ingratiate herself with Cen Shaoqing and have a common language with CEN Shaoqing.

It seemed that the relationship between the two would not last long.

Song Chenyu curled the corner of her lips and looked away.

"Although Cen Shaoqing had never barbecued before, under ye Zao's influence, his skills were getting better and better. From the first skewer's pitch black to the third skewer's golden yellow on both sides, it took less than ten minutes. "

“Ye Zao took the baked potato chips that Cen Shaoqing handed over and teased, “Mr. Cen’s cooking skills are getting better! You can even open a barbecue shop now.” ”

““Thank you, leader.” ”

“Ye Zao was overjoyed. He took a bite of the potato chips. They were crispy on the outside and tender on the inside. After biting open, the potatoes inside were soft and sticky. They combined the fragrance of chili powder and cumin powder, and the taste was very good. ”

“Chapter 688: 155: shocking everyone. Youngest phd in the science and Technology field, number one in the science and Technology Conference! 6”

“Do you want to have a bite?”

Ye Zhuo passed the potato chips that he had bitten to Cen Shaoqing’s mouth.

Cen Shaoqing opened his mouth and bit off half of the potato chips that ye Zhuo had bitten.

“Is it good?”Ye Zhuo asked.

““It’s good.”Cen Shaoqing nodded slightly and continued, “What do you want to eat next?””

“Roast a squid.”

“Okay.”Cen Shaoqing picked up a skewer of squid.

“After eating the last skewer of potato chips, ye Zao stood up and said, “I’m going to the bathroom.””

Cen Shaoqing nodded slightly.

“Seeing ye Zao walking towards the bathroom, song Chenyu raised his head and looked at Cen Yuyan.  
“Yuyan, please help me watch the fire for a while. I’m going to the bathroom.””

“Alright.”Cen Yuyan nodded.

Song Chenyu followed ye Zhuo to the washroom.

“When she entered, Ye Zhuo was standing in front of the sink washing his hands.”

Song Chenyu walked over with a smile. “Miss Ye.”

Ye Zhuo nodded at her.

“Song Chenyu took off the bracelet on her wrist, “Miss Ye, I just bought this bracelet a few days ago. It’s still new today. A good thing should go well with a beauty like you. It’s just a small token of appreciation. I hope Miss Ye will accept it.””

Song Chenyu was a smart person. She knew that she could not make an enemy out of ye Zao.

She had to curry favor with ye Zao and strive to make ye Zao and Cen Yuyan become good friends who could talk to her about anything.

“As the saying goes, know yourself and know your enemy, and you will win every battle.”

“From upstairs, song Chenyu could tell that ye Zao liked the bracelet on her hand very much. Therefore, it was very suitable to use this bracelet to bribe ye Zao.”

“For a girl like ye Zao, with Cen Shaoqing’s affection for her, she should feel that the whole world should treat her well unconditionally.”

“Therefore, Ye Zao would definitely accept this bracelet as a matter of course.”

“Thank you.” Ye Zao rejected tactfully. “I won’t accept a reward for nothing. I appreciate Miss Song’s kindness.”

“Song Chenyu was stunned. She did not expect Ye Zao to reject her. The smile on her face remained unchanged, “Miss Ye, you’re being too polite with your words. You’re Fifth Master’s girlfriend, and Yuyan and I are good friends. With this calculation, we’re not outsiders! Isn’t it just a bracelet? Miss Ye, you can keep it with ease. Only by wearing this bracelet on Miss Ye’s wrist can it reflect its value!””

“Song Chenyu was indeed a person who worked in the entertainment industry. After a round of pretty words, it almost made people dizzy.”

“Unfortunately, Ye Zhuo was never the kind of person who listened to beautiful words.”

“Moreover, Song Chenyu was a person who was very shrewd and good at disguising himself. It was too tiring to deal with such people.”

“Ye Zhuo smiled and said, “There’s really no need. I have one of these bracelets too.” Every time Ye Zhuo handed over the design drafts, nine miles would send her a copy of the finished product, after she confirmed that there were no problems, they would continue to produce.”

“However, almost all the samples sent over were given away by Ye Zao.”

She rarely wore these jewelry.

Ye Zao also had one?

“Song Chenyu felt that Ye Zao was trying to make a fool of himself. If Ye Zao really had one, then he would not be attracted to her bracelet.”

“Miss Ye, it’s just a bracelet. You really don’t have to be polite with me.”

“Ye Zhuo continued, “Miss Song, did you buy this bracelet from director Jiu Li?””

Song Chenyu nodded. “Yes.”

“Ye Zhuo continued, “Logically speaking, director Jiu Li would definitely not cheat you with the imitation. “Then there must be some misunderstanding. If I remember correctly, when Gui Chen was designing the bracelet, he specially left a C mark on the bracelet buckle so that everyone could better distinguish the authenticity. Miss song, the C mark on your bracelet is not only very shallow, but there are also scratches. For the sake of caution, I think you should go and ask Mr. Jiu Li What’s going on.””

Ye Zao did not want to say so much in front of Song Chenyu.

“However, this fish was too full of nonsense.”

“Since song Chenyu was in a hurry to embarrass her, she would fulfill her wish.”

“Upon hearing this, song Chenyu’s expression changed. She immediately picked up the bracelet and looked at it carefully.”

The C mark on the clasp of her bracelet was indeed a little blurry...

Could it be that her bracelet was fake?

Ye Zao ignored song Chenyu and turned around to walk outside.

“Song Chenyu, who was inside, only reacted after a long while.”

She originally wanted to use the bracelet to bribe ye Zao.

“Who would have thought that not only did she fail to bribe ye Zao, but she was even slapped by Ye Zao... ! ... Ye Zao recognized that it was a fake!”

A fake!

Song Chenyu never would have thought that a daigou that she had worked with for three years would actually dare to sell her a fake.

How could she know HT’s director Jiuli? !

“In order to buy this limited edition necklace, she had spent nearly five times more than the original price.”

She did not expect to still buy the fake goods.

Song Chenyu was very upset that she had lost so much face in front of ye Zhuo.

“Song Chenyu had always been cautious in doing things. This was the first time that she had suffered a loss in front of others. Not only had she lost so much face, but ye Zhuo had also discovered that she did not know HT’s Jiuli at all.”

“Looking in the direction that ye Zhuo had left, song Chenyu frowned.”

“After a long while, song Chenyu finally composed himself and came out of the bathroom.”

“Seeing song Chenyu, Cen Yuyan waved at her excitedly. “Chenyu, Chenyu! Quickly come over and take a look. These are the chicken wings that I roasted. What do you think?””

“This was the first time that Cen Yuyan, the daughter of a rich family, had roasted chicken wings. Looking at the chicken wings that she had roasted, she felt a special sense of accomplishment.”

“Song Chenyu smiled and said, “Good, very good! Yuyan, your first time roasting chicken wings like this is really not bad. I remember the first time I roasted chicken wings, I burnt the chicken wings into charcoal.””

“Cen Yuyan was even happier when she heard this. She handed the chicken wings to Lu Xiu and said, “Mr. Lu, this is my first work in my life. I’ll treat you to it.””

“Thank you.” Lu Xiu reached out and took it.

“Cen Yuyan noticed that Song Chenyu’s wrist was bare. She asked curiously, “Yuyan, where’s your bracelet?””

“Song Chenyu’s expression remained the same. “I accidentally scratched the wall just now, so I took it off.””

“OH.” Cen Yuyan didn’t think too much about it.

“Song Chenyu continued, “Yuyan, is Miss Ye very familiar with Mr. Jiuli?””

“Her?” Cen Yuyan frowned. “She probably doesn’t know HT’s Jiuli.”

“If Ye Zao didn’t know Jiuli, then why did she know so much about the bracelet designed by God Gui Chen?”

Could it be that she did her homework online?

“If Ye Zao was also boasting, then she definitely wouldn’t dare to say that she didn’t know director Jiuli at all...”

Song Chenyu heaved a sigh of relief in her heart.

“In fact, Ye Zao didn’t put song Chenyu in his eyes at all.”

...

“As the new year’s Day was getting closer and closer, the three brothers of the Lin family rushed back from the east, west, and south respectively. During the reunion dinner that night, Old Lady Lin talked about Lin Qingxuan’s personal matters.”

“Lin qingxuan smiled and said, “Mom, I know you’re anxious, so I’ve decided to find a day to bring her back for everyone to see.””

“Really?” Old Mrs. Lin’s eyes lit up.

Chapter 689: 156: I didn’t expect to see Ye Zhuo here! 1

“Lin qingxuan nodded, “Of course it’s true! Why would I lie to you about something like this?” ”

“Old Lady Lin was very happy and continued, “How is the woman? where is her family?” The Lin family was not a small family, and not just anyone could marry into it. ”

“Lin Qingxuan did not say it directly, but said, “She is a very outstanding person. You will know when you see her.” In Lin Qingxuan’s eyes, Xia Xiaoman was a particularly outstanding woman. ”

“Although she had experienced an unfortunate marriage, she still relied on her own strength to stand up. ”

Lin Qingxuan admired Xia Xiaoman’s strength very much.

That unceasing strength!

“Moreover, Lin Qingxuan also saw her own shadow in Xia Xiaoman.”

They had been hurt all over by the people they trusted the most.

“In addition, the two of them were not young anymore, so they decided to settle down their relationship as soon as possible and then go to collect the marriage certificate.”

“Hearing Lin Qingxuan’s words, old Mrs. Lin heaved a sigh of relief.”

Lin Qingxuan was the most obedient of the five sons.

“With her previous warning and reminder, she believed that Lin Qingxuan would definitely choose a girlfriend of the same social status.”

Lin Qingxuan would definitely not deliberately anger her and oppose her.

“Knowing that Lin Qingxuan had finally found the right person, the brothers and sisters-in-law of the Lin family were also very happy.”

“Wu Mei teased with a smile, “Fourth brother, if you put it that way, I’m getting more and more curious about what my future fourth brother and sister-in-law look like. Can you tell sister-in-law how the two of you met?” ”

“Yang Wenyin also joined in the jeering, “That’s right. Fourth brother and sister-in-law are all here today. You have to tell us about your future fourth brother and sister-in-law! To be able to conquer fourth brother and sister-in-law, this future junior brother and sister-in-law is definitely not a simple person!” ”

“Although Lin Qingxuan had a ridiculous marriage, he was not a muddle-headed person. Otherwise, he would not have been able to do so well overseas.”

Everyone was very curious about what kind of person Lin Qingxuan had found.

“Zhang Zhenzhen said, “Fourth brother, do you have a photo? Show it to us all! Satisfy Our Curiosity!” ”

“Ye Shu also joined in the fun. “That’s right. Sister-in-law, second sister-in-law, and third sister-in-law. Don’t tease fourth brother. When the time comes, fourth brother will be embarrassed to bring back his future fourth sister-in-law.” ”

“Lin Qingxuan said a little embarrassedly, “Sister-in-law, sister-in-law, sister-in-law, and sister-in-law are... fourth brother and sister-in-law. Don’t worry. I’ll bring her back on the 28th of December. You’ll see her then.” ”

“Today was already the 25th of December. There were only three days left until the 28th of December. Hearing this, everyone stopped teasing Lin Qingxuan. ”

Ye Zhuo was a little curious.

He did not know if Lin Qingxuan’s girlfriend was Xia Xiaoman.

“After all, she had seen Lin Qingxuan and Xia Xiaoman on a date last time. ”

“Just as ye Zao was puzzled, seventh cousin’s wife picked up a pearl ball with her chopsticks and placed it into ye Zao’s Bowl. “Little twelve, eat more meat. Look at how skinny you are.” ”

“In the entire Lin family, Ye Zao was probably the skinniest. ”

“She was 1.73 meters tall, and her weight was only 96. ”

““Thank you, seventh cousin.” ”

“Sixth Cousin’s wife smiled and said, “I think our little twelve has a physique that doesn’t get fat from eating. He’s unlike me, who gets fat even after drinking a mouthful of cold and white meat.” Sixth Cousin’s wife was Lu Zijin, a model. She was usually very strict with the management of her figure, every morning, the first thing she did when she woke up was to weigh herself. ”

Liu Tangsao was extremely envious when she saw how much ye Zhuo loved desserts and how skinny he was.

““Little twelve, how much do you weigh?”The second Tangsao asked. ”

Ye Zhuo looked up slightly. “I weighed 96 pounds last year.”

96 pounds?

“When they heard this, the cousins were all very surprised and even a little envious. ”

“The Little Fatty Duan Duan, who was beside Ye Zhuo, raised his head proudly. “Auntie, I’m already 50 pounds this year! Auntie, I’m more than half of you!” ”

“Duan Duan is great!”Ye Zhuo patted the chubby boy’s head.

“Luo Luo said, “Then I want to eat more! I want to eat more than brother Duan Duan! I want to protect Auntie when I’m Fat!” ”

“I want to become fat to protect Auntie!”

“The five little guys who were reluctant to eat began to eat, making people laugh. ”

“After dinner, Wu Mei, Yang Wenyin, and Zhang Zhenzhen took ye Shu to play mahjong. ”

Ye Zhuo was dragged by the five little ones to build a snowman.

It was the end of the year.

It snowed almost every day in the capital.

“Looking at her sons and daughters-in-law, old Mrs. Lin suddenly felt sad. Now that the children were all here, no one cared about her health. ”

Chapter 690: 156: I didn't expect to see ye Zao Here! 2

“Although she looked normal now, the toxins in her body could threaten her life at any time if she couldn't get rid of them. ”

“Thinking of this, an itch suddenly appeared in Old Lady Lin's throat. She covered her mouth and coughed desperately. ”

“In the end, the people in the room acted as if they didn't see her. ”

Especially ye Zao.

“Ye Zao was also a traditional Chinese medicine practitioner, but she turned a blind eye to it. ”

“At a time like this, she still had the mood to play with her five children. ”

This was her biological granddaughter.

Her biological granddaughter.

“She had already apologized to ye Zao, so why couldn’t Ye Zao forgive her?”

“Now, she was already critically ill.”

But Ye Zao did not save her.

“The more she thought about it, the more uncomfortable she felt. Her heart was filled with anger. At this moment, she suddenly thought of Feng Xianxian.”

“If it was Feng Xianxian, she would definitely not be like ye Zao.”

Feng Xianxian was a good and understanding child. She would definitely understand her.

“Thinking of this, Old Lady Lin went to the kitchen and instructed the servants to bring food to Feng Xianxian. “Xianxian that girl likes seafood. Auntie Wang, please prepare more seafood.” ”

“After saying that, old Mrs. Lin instructed, “Sister Wang, remember to tell Xianxian that the weather is getting colder. Tell her to take good care of herself. If she needs anything, remember to call me and tell me not to trouble herself.” ”

““Okay.”Sister Wang said, “I will tell Miss Feng.” ”

“After thinking for a while, old Mrs. Lin continued, “Forget it, sister Wang. I’ll go with you to see Xianxian.” ”

“Auntie Wang asked in surprise, “You’re going to Miss Feng’s residence too?” ”

Old Lady Lin nodded.

It had been a long time since she had seen Feng Xianxian. She wouldn’t be at ease if she didn’t go with Auntie Wang personally.

They got into the car and followed Auntie Wang to Feng Xianxian's residence.

"After Feng Xianxian left the Feng family, she was currently renting an ordinary residential area."

"Because the parking spaces in the residential area were tight, they did not allow outside vehicles to enter. Old Lady Lin and Auntie Wang got out of the car and walked into the residential area."

"Old Lady Lin had never been to such a residential area. As soon as she stepped into the residential area, she frowned in disgust."

"Dirty, messy, broken!"

"If she was not careful, she would even step on the feces of stray cats and dogs."

How was this a place for humans to live?

Old Lady Lin looked at Auntie Wang and frowned. "Xianxian has been living here during this period of time?"

"Yes." Auntie Wang nodded.

Old Lady Lin's frown deepened.

"After all, Feng Xianxian was raised in her hands. How could she live in such a shabby place?"

"In a short while, the two of them arrived at the unit that Feng Xianxian was currently living in."

Feng Xianxian lived on the third floor and did not have an elevator.

“When they reached the third floor, Old Lady Lin was so tired that she could hardly breathe. She could not imagine how Feng Xianxian could adapt to it.”

It was all Feng Qianhua’s fault!

This was all Feng Qianhua’s fault!

“If it was not for that vicious woman, Feng Qianhua, how could Feng Xianxian end up here today?”

A good child does not have a good mother.

“The More Old Lady Lin thought about it, the more her heart ached for Feng Xianxian.”

Sister-in-law Wang reached out to knock on the door.

“Very soon, the door opened.”

“Seeing the person outside the door, Feng Xianxian said in surprise, “Grandma, Why are you here!” ”

“Old Lady Lin said with red eyes, “Xianxian, you’ve suffered! Why didn’t you tell Grandma before that you live in a place like this?” Every Time Old Lady Lin, wen, and Feng Xianxian were living well, feng Xianxian smiled and said that she was living well and did not need Old Lady Lin’s help.”

Old Lady Lin thought that Feng Xianxian was really living well.

She did not expect...

This child had been lying to her.

“The More Old Lady Lin thought about it, the more uncomfortable she felt.”

1

“She felt sorry for Feng Xianxian for not having a mother at such a young age, but also for her understanding.”

“As long as Feng Xianxian told her the truth, she would not let Feng Xianxian live in a place like this.”

“Feng Xianxian smiled and said, “Grandma, this place is actually very good. You Don’t have to worry about me. There are thousands of residents in our neighborhood! If other people can live in it, why can’t I?” ”

Old Lady Lin Sighed.

“Feng Xianxian continued, “Grandma, please come in and take a seat.” ”

Old Lady Lin followed Feng Xianxian into the house.

It was a very small space.

“The bathroom and the kitchen were all squeezed together. There wasn’t even a window. The moment they walked in, they felt suffocated and their nostrils were filled with a damp and moldy smell.”

This place couldn’t even compare to the Lin family manor’s toilets.

“Old Lady Lin couldn’t stay for even half a second. She grabbed Feng Xianxian’s wrist and said, “Let’s Go! Xianxian, let’s Go! We’re not staying here anymore!” ”
