Chapter 691: 156: I didn't expect to see Ye Zhuo here! 3

“Grandma,” Feng Xianxian held onto Old Lady Lin's hand, “I really don't mind.””

Old Lady Lin still dragged Feng Xianxian out.

“Seeing that Old Lady Lin insisted on taking her away, Feng Xianxian continued, “Grandma, even if you want to move, you have to wait until tomorrow. It's already so late!””

“Hearing this, Old Lady Lin calmed down a little. “Alright, then we'll move tomorrow! I'll get the housekeeper to find you a bachelor apartment with better conditions.””

“Feng Qianxian looked at Old Lady Lin, her face full of guilt. “Grandma, my mom did that to you. I'm already very happy that you can forgive me. You really don't have to be so nice to me. I Can't take it.””

Feng Xianxian had been by Old Lady Lin's side for so long. She knew Old Lady Lin too well.

She had deliberately let Old Lady Lin see all this.

“In order to make Old Lady Lin feel sorry for her, Feng Xianxian had specially looked for a demolition house with the worst conditions when she was looking for a house.”

As expected.

“When Old Lady Lin saw this scene, she immediately couldn't sit still.”

“Silly Child!” Old Lady Lin held Feng Qianxian’s hand. “Those things were all done by your mother. What has it got to do with you? You mustn’t blame yourself!”

“”Grandma, Thank You!” Feng Qianxian hugged Old Lady Lin emotionally and the corners of her mouth curled up.”

Old Lady Lin patted Feng Qianxian’s back and couldn’t help but cough twice.

“Feng Xianxian narrowed her eyes and immediately asked with concern, “Grandma, have you recovered yet?””

“The look in Old Lady Lin’s eyes dimmed. She coughed once and Feng Xianxian immediately noticed it. However, the people at home seemed to be invisible. “It’s just a little cough. It’s not a big deal.””

“”Grandma, your health is more important.” Feng Xianxian continued, “You’re right. Why are you running out in such a cold day? You should be resting at home!””

“With Feng Xianxian’s concern for her, old madam Lin felt much better. She turned to look at Auntie Wang. “Auntie Wang, quickly bring out the food that I brought for Xianxian!””

“Okay.” Auntie Wang nodded.

“Old Madam Lin continued, “Xianxian, you haven’t had dinner yet, right? Grandma brought you some delicious food.””

“”Thank you, Grandma.””

Auntie Wang brought over the insulated box. Inside the insulated box were all the food that Feng Xianxian liked to eat.

“Although Feng Qianxian had already had her dinner, she still pretended to eat happily.”

“Is it good?” Old Lady Lin asked.

“Feng Qianxian nodded. “It’s good! Grandma, You’re the best to me!””

“After dinner, Feng Qianxian sent Old Lady Lin out of the neighborhood. As she walked, she told Old Lady Lin to take good care of her body, so she brought up the old matter again, “Grandma, Sister Ye Zao must be at home right now, right? I think you should look for Sister Ye Zao when you have time. Otherwise, it won’t work if you keep delaying. Sister Ye Zao’s medical skills are so good, she must have a way.””

The look in Old Lady Lin’s eyes was turning cold bit by bit.

Let Ye Zao Treat Her?

What’s the difference between letting ye Zao treat her and waiting for death?

“From the corner of her eyes, Feng Xianxian noticed Old Lady Feng’s expression and the corners of her mouth curled up into a proud smile.”

Just wait.

“One day, she would let ye Zao have a taste of falling from the clouds!”

The Lin family’s car stopped at the entrance of the residential area and sent Old Lady Lin into the car. Feng Xianxian instructed the driver to drive carefully.

“Old Lady Lin looked at Feng Xianxian. “Xianxian, I will get the butler to help you move tomorrow. Remember not to go out tomorrow.””

“Feng Xianxian nodded. “Alright, then I’ll have to trouble you.””

“Silly Child, why are you telling Grandma that it’s not troublesome?”

“As she watched the black car disappear into the snowy night, Feng Xianxian’s face was full of sarcasm, and the viciousness in her eyes almost seeped out.”

“Miss Feng.”

“At this moment, a gentle female voice appeared behind Feng Xianxian.”

Feng Xianxian turned around and saw a figure with a fairy-like aura.

It was Liu Caiyi.

“On a cold December Day, Liu Caiyi was wearing a white dress. Standing under the white snow, she looked exceptionally pure.”

Feng Xianxian recognized at a glance that this dress was ZY’s temperature-adjustable air-conditioner.

“ZY’s temperature-adjustable clothes were very mature. Now, in the cold December day, there were more and more people wearing a dress.”

“President Liu.”

“Seeing Liu Caiyi again, Feng Xianxian felt a myriad of emotions. The last time she saw Liu Caiyi, she was still a cousin of the Feng family, the granddaughter of the Lin family.”

“At this time, she had actually become the daughter of a prisoner who had attempted murder.”

Chapter 692: 156: I didn’t expect to see Ye Zhuo here! 4

What a joke of fate.

Liu Caiyi smiled. "Aren't you going to invite me to your house for a cup of tea?"

"Feng Xianxian said a little awkwardly, "President Liu, I..." "

Liu Caiyi reached out and patted Feng Xianxian on the shoulder. "I already know what happened. You're very strong."

Liu Caiyi only found out about the sudden change in Feng Xianxian's life.

That was why she couldn't wait to look for Feng Xianxian. She didn't want Feng Xianxian to give up on entering the literary world because of this matter.

She also didn't want a person who came from behind the scenes to show off in the literary world.

This was unfair to the truly talented people.

Feng Xianxian looked up at Liu Caiyi in surprise.

"Liu caiyi continued, "Miss Feng, all of this was done by your mother. It has nothing to do with you. I believe in your character. I also hope that you won't be unable to recover from this setback." "

""President Liu, thank you!" "

"Liu caiyi smiled and said, "Aren't you going to invite me to Your House for Tea?" "

Who Was Liu Caiyi?

She was the vice president of the Chinese Arts Association.

“She was also the heir of the Liu family. She definitely could not stand the environment of a rented house. Not to mention Liu Caiyi, if Feng Qianxian was not putting on an act for Old Lady Lin, she would not be able to stand it. ”

“Feng Xianxian continued, “President Liu, there’s a coffee shop nearby. Why Don’t we go for a cup of Coffee?” ”

“Okay.”Liu Caiyi nodded.

The two of them walked towards the coffee shop together.

“Feng Xianxian handed the menu to Liu Caiyi. “President Liu, what would you like to drink?” ”

“Liu Caiyi said, “I’d like a cup of Blue Mountain.” ”

Feng Xianxian looked up at the waiter. “Two cups of Blue Mountain then.”

“”Alright, Please Wait a moment.” ”

“After the coffee was served, Liu Caiyi continued, “What plans does Miss Feng have next?” ”

“Feng Xianxian was stunned for a moment, and a self-deprecating look flashed across her face. “President Liu, what plans can a person like me have in the future?” ”

“”You’re underestimating yourself too much.”Liu Caiyi continued, “In my heart, you’re a person of great talent. I also hope that you can face up to yourself. At the same time, I also hope that you can participate in the assessment competition three months from now.” ”

Assessment competition.

“When she heard these three words, Feng Xianxian’s eyes lit up. “President Liu, can I continue to participate in the assessment competition of the literary world?” Feng Xianxian thought that after such a change in her life, she would never be able to participate in the assessment competition again. ”

She didn’t expect Liu Caiyi to be willing to continue helping her.

This was a pleasant surprise for Feng Xianxian!

“Of course.” Liu Caiyi nodded.

“”Thank you, President Liu!” Feng Xianxian stood up and bowed to Liu Caiyi. ”

“Liu caiyi smiled and said, “It’s just a matter of words. You Don’t have to do this. In the time to come, I hope you can prepare well for the assessment and make everyone’s eyes shine.” ”

Liu Caiyi hoped that Feng Xianxian could crush ye Zhuo.

“After all, Feng Xianxian had almost become master Yu’s disciple. ”

She also wanted Master Yu to regret it.

She wanted everyone in the literary world to know that ye Zhuo had entered through the back door.

“Feng Xianxian continued, “President Liu, don’t worry. I will definitely not let you down.” As a woman, Feng Xianxian could feel that Liu Caiyi also hated ye Zhuo. ”

“If it wasn’t to deal with Ye Zao, Liu Caiyi wouldn’t have helped her over and over again. ”

It was said that the enemy of an enemy was a friend.

“At this moment, Liu Caiyi was a noble to Feng Xianxian!”

A noble who could help her deal with ye Zao!

“Seeing Feng Xianxian like this, Liu Caiyi nodded in satisfaction and continued, “Miss Feng, shall we add each other on wechat?” ”

“Sure!”

Feng Xianxian also immediately took out her phone.

The two of them added each other on wechat.

...

“The next day, Ye Zhuo and Old Mrs. Cen made an appointment to go shopping for the New Year.”

“Because she had made an appointment with Ye Zhuo, Old Mrs. Cen got up early.”

She was wearing a wine-red coat and a wine-red hair clip on her head. She looked very fashionable and exquisite.

“When she came downstairs, Cen Shaoqing was already eating at the dining table.”

“Grandma.”

“Old Mrs. Cen walked over to Cen Shaoqing’s side, “How is your Grandma’s outfit today? Does it look good?” ”

Cen Shaoqing glanced at Old Mrs. Cen and didn't comment.

"Old Mrs. Cen saw the disdain in Cen Shaoqing's eyes and gave him a slap, "You Little Brat, what kind of expression is that? Don't you know that white-haired Lord Grim never defeats a beauty? Even though I'm old now, when I was young, I was famous for being a great beauty! Do you know what a great beauty is? It's the kind of beauty that everyone loves, the kind of beauty that only birds would be able to see! The only reason you can grow like this is because you inherited your grandmother's good genes!" "

Chapter 693: 156: I didn't expect to see Ye Zhuo here! 5

"After saying this, old Mrs. Cen continued, "I'm going out to buy New Year's goods today. Do you want to go with me?" "

Although the Cen family had a butler.

"When it came to buying New Year's goods, Old Mrs. Cen had to do it herself every year. "

Cen Shaoqing drank a mouthful of milk. "I have a meeting this morning."

"You're not free?" Old Mrs. Cen narrowed her eyes.

"Yes." Cen Shaoqing nodded slightly.

"Old Mrs. Cen sighed and continued, "That's such a pity! I've already made an appointment with Yezi to let you work as a porter for the two girls. Looks like we can only find someone else now." "

Ye Zhuo was going too?

Cen Shaoqing's thin lips parted slightly and he immediately changed his words. "That meeting isn't very important. You can postpone it until tomorrow."

Old Mrs. Cen glanced at CEN Shaoqing with a calculating look in her eyes.

Heh.

Fighting with her!

Don't you know that the older the wiser?

"Old Mrs. Cen continued, "By the way, did you take a good look at the rules I gave you last time to pursue your wife?" "

"I did." Cen Shaoqing nodded slightly.

"In order to avoid taking detours on his way to pursue his wife, he spent two days and three nights studying all the books that old Mrs. Cen gave him."

"Old Mrs. Cen nodded in satisfaction. "Not bad, not bad! This is more like my Bai Tang's eldest grandson!" "

"After saying that, old MRS. CEN continued, "Oh right, you must never learn from that CEO who dug out his heart and kidneys! That is your negative example!" "

Old Mrs. Cen had already repeated this sentence more than ten times in front of Cen Shaoqing. Cen Shaoqing nodded slightly. "I know."

"Eldest grandson, it's not that I'm bragging, but you're getting better and better!" Old Mrs. Cen said with a proud face, "This is all thanks to my teaching Sun Youfang! If it weren't for me, the Invincible and good grandmother of the universe, you would still be a Bachelor!" "

“Look at how beautiful, how outstanding, how perfect leaf is! Look at yourself again. Other than this face, how can you be worthy of leaf!”

Ye Zao was the best in the universe in Old Lady Cen’s heart.

No one could compare to ye Zao!

“If anyone dared to say anything bad about ye Zao, she would be angry with them.”

“Cen Shaoqing, who was scolded,” ...for the umpteenth time, he wondered if he was really his grandson.”

“After breakfast, Cen Shaoqing drove Old Lady Cen to the Lin residence to pick up ye Zao.”

“He did not know if he had made an appointment with Old Lady Cen, but ye Zao was also wearing a wine-red coat today.”

“From Afar, he could see that person walking through the snow.”

“In the snow, the figure of that person was very obvious. It was as dazzling as a red plum blossom that had quietly opened in the snow after a cold night.”

Old Mrs. Cen pushed the door open and got out of the car. She opened her hands to welcome ye Zao.
“Yezi!”

Ye Zao jogged over and hugged Old Mrs. Cen. “Grandma Cen!”

“Cen Shaoqing, who had been ignored by the side, was speechless. He had never expected that old Mrs. Cen would become one of his competitors.”

“After a moment, old Mrs. Cen held ye Zao’s hand and stood in front of Cen Shaoqing. “Fifth girl, what do you think of this grandparent-grandchild outfit that ye Zao and I are wearing? Doesn’t it look good?” ”

Fifth Girl.

“If ye Zao had not been by her side, old Mrs. Cen would not have called Cen Shaoqing by his nickname. ”

“Only then did Cen Shaoqing notice that not only was ye Zao’s coat wine red, even the style was exactly the same as Old Mrs. Cen’s. ”

These two clothes had their own merits.

“Ye Zao’s clothes were like red plum blossoms blooming in the snow. They were beautiful and eye-catching, and his body emitted a cold aura similar to that of winter. ”

And old Mrs. Cen’s clothes matched that sentence.

Lord grim with white hair and flowers. Time never defeats a beauty.

“Cen Shaoqing nodded his head slightly, “Beautiful.” ”

“Seeing the two wearing the same clothes, Cen Shaoqing suddenly remembered that in the novel, the male and female protagonist wore a couple’s outfit to show off their love. ”

Couple’s outfit...

“Thinking of this term, the corners of Cen Shaoqing’s mouth curled up into an unnoticeable arc. ”

“Old Mrs. Cen said with a proud expression, “Of course. How can I not look good when I personally chose it? Good-looking people like us are the most suitable for wine red!” ”

“After saying that, old Mrs. Cen continued, “Alright, let’s Get in the car! There are still a lot of things to buy!” ”

The three of them got in the car.

“Very soon, the car stopped in front of a large chain supermarket. ”

“In order to buy all the new year’s products, Old Mrs. Cen had written down all the things she wanted to buy on a note. As she walked, she read the note. ”

“Ye Zhuo held onto old Mrs. Cen’s arm. “Grandma Cen, which floor should we go to First?” ”

Chapter 694: 156: I didn’t expect to see ye Zao Here! 6

““Let’s go to the fifth floor first,” old Mrs. Cen replied. ”

“Although Old Mrs. Cen and ye Zao had made the decision, Cen Shaoqing did not have any objections. He pushed the shopping cart and followed behind the two of them like a little follower. ”

It was the 26th day of the twelfth lunar month. The New Year in the supermarket was very interesting.

“When they went from the fifth floor to the first floor, it was already twelve o’clock. ”

“Old Mrs. Cen looked at Ye Zhuo. “Ye, are you hungry? Why don’t we find a place to eat first and then continue shopping after we finish eating?” ”

“Sure.”Ye Zhuo nodded. “It just so happens that I’m a little hungry too.”

“Cen Shaoqing carried the big and small bags in his hands and said, “Grandma, go find a place to eat with Zhuozhuo first. I’ll send the things to the car.” ”

“”Okay, you go ahead.” ”

“After Cen Shaoqing left, Old Mrs. Cen and ye Zhuo discussed what to eat. ”

“Why don’t we eat Japanese food?”Ye Zhuo suggested.

“Old Mrs. Cen nodded. “Sure, I haven’t eaten Japanese food for a long time.” ”

The two of them walked to the Japanese food store together.

Cen Shaoqing went to the underground garage and put the things in the trunk.

“Today was the day Feng Xianxian moved from a cheap rental house to a bachelor apartment. After she moved here, she went to the nearby supermarket to buy things. ”

She did not expect to meet an impossible person in the basement.

Was this Cen Wuye?

“From Feng Xianxian’s point of view, she could just see the exquisite side profile of that person. ”

“He was carrying the things into the trunk. It was originally a very casual action, but when he did it, he exploded with a powerful aura that made people fearful. ”

Bang Bang Bang —

“At this moment, Feng Xianxian could clearly hear her own heartbeat.”

It was CEN fifth master.

CEN fifth master that everyone in the capital wanted to climb up to.

“If it wasn’t for Ye Zhuo, CEN fifth master would already be her fiancé.”

“Thinking of this, Feng Xianxian clenched her fists.”

Slut!

Ye Zhuo was a slut who stole someone else’s fiancé.

“At this moment, a scene suddenly flashed in front of Feng Xianxian’s eyes.”

Feng Xianxian picked up her phone and opened the photo album.

The two photos were still there.

These were the photos of ye Zao being kept by that old man and getting the old man to drive over to pick him up.

If Cen Shaoqing saw these two photos...

What would happen?

Feng Xianxian smiled.

It seemed that she had to think of a way to let Cen Shaoqing see these two photos.

“Cen Shaoqing put the things in the trunk and called Ye Zhuo. “Leader, where do you eat?” ”

“At a Japanese food shop on the sixth floor.” Ye Zhuo’s voice came from the other end of the phone.
“Take the elevator from door No. 5. You can see this shop when you come out of the elevator on the right and turn left.”

““Okay, I’ll be there right away.” ”

“As Cen Shaoqing spoke, he walked toward the elevator in the direction of door number five. ”

“Seeing ye Zhuo pick up the phone, Old Mrs. Cen asked curiously, “Who called?” ”

Ye Zhuo smiled and looked at Old Mrs. Cen. “The fifth girl called.”

“Hearing the nickname of the fifth girl, Old Mrs. Cen couldn’t help but laugh out loud. Only ye Zhuo dared to call Cen Shaoqing so openly. ”

Cen Shaoqing on the other end of the phone:” ...”

...

“Soon, it was the 28th of December. ”

Today was the day Lin Qingxuan brought his girlfriend home to meet her parents.

Xia Xiaoman woke up very early. Today was the first time she met Lin Qingxuan’s family. She took it very seriously and was currently sitting in front of the dressing table putting on makeup.

“An Lizi picked out a lipstick for Xia Xiaoman. “Mom, this color doesn’t only make it white, it’s also very generous. You can use this today.” ”

“Okay.” Xia Xiaoman reached out to take it.

“An Lizi continued, “Mom, are you nervous?” ”

“”A little.” Although Xia Xiaoman really wanted to say that she wasn’t nervous, she was indeed a little nervous. ”

“An Lizi was also a little nervous. “Mom, why don’t I not go today? It’s your first time coming here today, and you brought me along. Wouldn’t that be bad?” Nowadays, many people cared about the woman bringing the child along. An Lizi was afraid of her presence, it would destroy the Lin family’s impression of Xia Xiaoman. ”

An Lizi had met Lin Qingxuan.

“She really liked this uncle, Lin Qingxuan. ”

It wasn’t easy for Xia Xiaoman to open her heart to accept another person. She didn’t want Xia Xiaoman to lose Lin Qingxuan because of her.

“”No.” Xia Xiaoman held an Lizi’s hand, “Lizi, you have to go. I’ve never hidden anything from your uncle Lin. If your uncle Lin’s family doesn’t accept your existence, then there’s no need for us to continue.” ”

Xia Xiaoman treated this relationship very seriously.

“Since she had decided to visit her parents, then she wouldn’t hide anything. ”

“If Lin Qingxuan wanted to marry her, then he and his family had to accept an Lizi. ”

“But mom...”

“Xia Xiaoman directly interrupted an Lizi’s unfinished words. “Lizi, you have to go. If you don’t go, I’ll call your uncle Lin right now and say that I won’t go either.” ”

“”Don’t call, don’t call!”An Lizi was shocked. “I’ll Go! I’ll Go!” ”

“Xia Xiaoman was satisfied and said, “Go and change your clothes. Your Uncle Lin will be here soon.” ”

“Okay.”An Lizi nodded.

Lin Qingxuan arrived as soon as the mother and daughter changed their clothes.

They got into the car.

“Lin Qingxuan said, “Xiaoman, Lizi, there are a lot of people in our family. Don’t be nervous when we arrive.” ”

“An lizi asked curiously, “Uncle Lin, how many people are there in your family?” ”

“Lin Qingxuan said, “I have three brothers and a younger brother. Brother, sister-in-law, brother, sister-in-law, nephew, niece, and daughter-in-law. There are more than thirty people in total.” ”

More than thirty people?

“An Lizi was shocked by this number. “Then, then are they all here today?” ”

“Lin Qingxuan nodded. “Yes, they’re all here.” ”

“After saying that, Lin Qingxuan continued, “But Lizi, don’t be nervous. You might even meet someone you know today.” ”

“An lizi asked curiously, “Who is it?” ”

Lin Qingxuan remained mysterious. “You’ll know when we get there.”

Xia Xiaoman did not say anything. She planned to give an lizi an unexpected surprise.

“Not long after, the car arrived at the Lin family manor. ”

“They had long known that Lin Qingxuan’s family background was not ordinary. Now that they saw the Lin family living in the manor, Xia Xiaoman and an Lizi were not too surprised. ”

Everyone from the Lin family had gathered in the main hall to wait for Lin Qingxuan.

“At this moment, when they heard the sound of the car engine, Old Lady Lin stood up excitedly. “He’s Here!” ”

The rest of the Lin family members were also very excited.

Lin Qingxuan led his men to the main hall.

“Seeing so many people, it would be a lie to say that she wasn’t nervous. An Lizi swallowed her saliva with difficulty. Suddenly, she saw a familiar figure in the crowd. ”

Holy Sh * t!

Was that ye Zao?

“Scorch!”

Chapter 695: 157: We're going to become cousins! 1

An Lizi did not expect to meet ye Zao at the Lin family home.

“Looking at Ye Zao, her nervous heart immediately relaxed a lot.”

“Lizi!” Ye Zao walked over and held an Lizi's hand.

“Compared to an Lizi's surprise, Ye Zao was much calmer. After all, she was already mentally prepared. Xia Xiaoman was Lin Qingxuan's girlfriend.”

“An Lizi asked ye Zao in a low voice, “Big Zao Zao, why are you here?” ”

“Ye Zao smiled and said, “Because Lin Qingxuan is my fourth uncle.” ”

An Lizi then remembered that ye Zao's biological father was also surnamed Lin.

“However, she never expected that Lin Qingxuan was actually ye Zao's fourth uncle.”

“In that case, wouldn't she be related to Ye Zao in the future?”

“At the thought of this, an Lizi was a little excited.”

“Never in her wildest dreams did she expect that one day, she and ye Zao would turn from good friends to Cousins.”

“From the looks of it, if Xia Xiaoman could marry Lin Qingxuan, it would indeed be a good choice.”

Ye Shu was also very surprised when he saw Xia Xiaoman and an Lizi.

She was different from ye Zao.

“From the beginning to the end, she did not know that Lin Qingxuan’s girlfriend was actually Xia Xiaoman.”

Ye Shu felt very familiar to be able to see Xia Xiaoman in the Lin family.

“After all, Xia Xiaoman was also from Yun Jing.”

“Because of Ye Zhuo, Ye Shu and Xia Xiaoman also had a very good relationship.”

Ye Shu stood in the crowd and smiled at Xia Xiaoman.

Xia Xiaoman also smiled at Ye Shu.

“Lin Qingxuan held Xia Xiaoman’s hand and walked to Old Lady Lin’s side. “Mom, this is my girlfriend, Xia Xiaoman. Xiaoman, this is my mom.” ”

Old Lady Lin Sized Up Xia Xiaoman.

She looked pretty good.

Her figure was also pretty good.

“Xia Xiaoman raised her head to look at Old Lady Lin and smiled. “Nice to meet you, Auntie.” ”

“Nice to meet you.” Old Lady Lin nodded in satisfaction.

“Judging from Xia Xiaoman’s words and actions, she was probably from a prestigious family. ”

“Lin Qingxuan pointed at an lizi and said, “Oh right, Mom, this is Xiaoman’s daughter, Lizi. Lizi and Zhuluo are high school classmates! Lizi, this is Grandma.” ”

Daughter?

Xia Xiaoman’s Daughter?

Xia Xiaoman actually has a daughter!

“Upon hearing this, Old Lady Lin was a little uneasy. ”

She didn’t expect Xia Xiaoman to actually be a second wife.

“She originally thought that Xia Xiaoman was like Jiang Suran, a young lady who married late. ”

“Upon hearing that it was a second marriage, Old Lady Lin felt as if someone had poured a bucket of cold water on her, from head to toe. ”

1

It was extremely uncomfortable!

“Even though Lin Qingxuan was also a second marriage, the Lin family’s business was huge, and Lin Qingxuan was capable. He could definitely marry a girl of equal status. ”

What was the point of marrying a second marriage?

“Furthermore, who knew if Xia Xiaoman had a vasectomy. ”

Would she still give birth? !

“If she didn’t give birth, why would Lin Qingxuan marry her back? ”

“An Lizi politely greeted Old Lady Lin. “Hello, Grandma.” ”

Old Lady Lin tried her best to maintain the self-restraint of a wealthy old lady. “Okay.”

Lin Qingxuan then introduced everyone in the Lin family to Xia Xiaoman and an Lizi.

“There were too many people in the Lin family. From four uncles, ten cousins, plus Ye Zhuo and Lin Ze, there were a total of twelve people of the same generation as an Lizi. ”

“Plus, there were eight cousins and five little guys. They recognized an Lizi and were dazzled. Fortunately, Ye Zhuo was by her side. Otherwise, an Lizi would have broken down. ”

Ye Zhuo brought an lizi along to mingle around the cousins.

An Lizi found that the Lin family was very friendly and easy to get along with. It was completely different from what she imagined from a wealthy family.

“Especially the five little ones, who were very welcoming of her arrival. ”

“On the other side, Ye Shu and Xia Xiaoman were chatting and laughing in front of the three sisters-in-law of the Lin family. ”

“With an acquaintance like ye Shu around, Xia Xiaoman felt much more relaxed.”

“The sisters-in-law of the Lin family were all reasonable people. They didn’t deliberately make things difficult for Xia Xiaoman. Instead, they were very warm to Xia Xiaoman.”

“Wu Mei smiled and said, “Xiaoman, does that mean that you and your fifth brother and sister-in-law are from the same hometown?” ”

“Xia Xiaoman nodded and said, “Yes, mother burning and I are both from Yun Jing.” ”

“Zhang Zhenzhen teased, “What burning mother! You should change your way of addressing your fifth brother and sister-in-law!” ”

“Yang Wenyin immediately followed, “Right, right, right. Xiaoman, I think you should change your way of addressing your fifth brother and sister-in-law.” ”

Everyone wanted to hear Xia Xiaoman call ye Shu “Fifth brother and sister.”.

“Lin Qingxuan walked over and said, “Second sister-in-law, Xiaoman is thin-skinned. Don’t scare her.” ”

“Xia Xiaoman didn’t think much of it at first, but after hearing Lin Qingxuan’s words, she immediately blushed.”

“Zhang Zhenzhen teased, “TSK, TSK, tsk. In the end, fourth brother is the one who knows how to feel sorry for someone, so he protected her just like that. Look, I’ve been talking here for a long time, but I haven’t seen your second brother come over to help me out.” ”

Chapter 696: 157: We’re going to become cousins! 2

“Hearing this, Xia Xiaoman’s face turned even redder.”

The sisters-in-law of the Lin family were much easier to get along with than she had imagined. They were not as scheming as depicted in TV dramas or novels.

The sisters-in-law of the Lin family also admired Xia Xiaoman.

“Although they had not been together for long, they could see a positive energy from Xia Xiaoman.”

“Wu Mei smiled and said, “Alright, Alright. Don’t make fun of fourth brother and Xiaoman. By the way, it’s not easy for the five of us to get together today. Shall we fight the landlord?” ”

“Sure!”

“Thus, the five of them began to fight the landlord.”

“Seeing Xia Xiaoman and her daughter getting along so well with their family members, Lin Qingxuan was very happy. He was most afraid that Xia Xiaoman and an Lizi wouldn’t be able to integrate into the big family like the Lin family.”

“Now, it seemed that his worries were unnecessary.”

Old Mrs. Lin looked over and was a little angry.

Her daughters-in-law were all more insensible than the last.

“They did not even check whether Xia Xiaoman was worthy of marrying into the Lin family, but pulled Xia Xiaoman along to fight the landlord together.”

They really did not have the slightest discernment!

Especially Wu Mei!

She was the eldest daughter-in-law of the Lin Family!

How could she not even have the boldness of a eldest daughter-in-law?

Old Lady Lin looked at the person who was fighting the landlord and wished that she could walk over and flip over the Mahjong Table!

“Just as Lin Qingxuan saw that Xia Xiaoman was getting along so well with the sisters-in-law of the family and the burden on her heart finally settled, Old Lady Lin walked over to Lin Qingxuan’s side and her expression was a little ugly, “Qingxuan, come with me.” ”

“Seeing Old Mrs. Lin like this, Lin Qingxuan was mentally prepared. “Okay.” ”

Lin Qingxuan followed Old Mrs. Lin into the house.

“When they came into the house, Old Mrs. Lin’s expression suddenly became serious. “Fourth brother, let me ask you, where is Xia Xiaoman from?” ”

“She’s from Yun Jing.”

Yun Jing.

Yun Jing again.

Old Mrs. Lin frowned. Did she have a grudge against Yun Jing in her previous life?

Why were her sons one after another bewitched by the women from Yun Jing?

What kind of good woman could be raised in a small place like Yun Jing?

Ye Shu was a good example.

“As long as Ye Shu was sensible, she would not take Qiao and not forgive her.”

“Therefore, Old Mrs. Lin was very dissatisfied with Xia Xiaoman.”

She was dissatisfied in all aspects!

“Just based on the fact that Xia Xiaoman was from Yun Jing, she would not be able to marry into the Lin family.”

“Old Mrs. Lin tried her best to suppress the anger in her heart and asked, “She’s getting married for the second time?” ”

“Yes.” Lin Qingxuan nodded.

“”Muddle-headed!” Old Mrs. Lin snorted and berated, “Qingxuan! You’re too muddle-headed! You’re from a famous family after all, how can you marry a second-hand? !” ”

Second-hand woman?

Hearing this term.

“Lin Qingxuan’s face turned cold, “Mom! What are you talking about? Xiaoman isn’t a second-hand woman! She’s the one I want to spend the rest of my life with! I won’t allow you to talk about her like that!” ”

“I don’t agree to this!” Old Lady Lin’s attitude was firm.

“Lin Qingxuan continued, “Mom, whether you agree or not, I want to be with Xiaoman. I brought Xiaoman back today to inform you, not to ask for your permission.” ”

“Having had a failed relationship before, even if Old Lady Lin were to break the sky, he would not separate from Xia Xiaoman. ”

“For the rest of his life, Lin Qingxuan wanted to live for himself. ”

“This time, he would not compromise for anyone! ”

“Seeing Lin Qingxuan’s firm attitude, Old Lady Lin frowned. “Then let me ask you again, how old is Xia Xiaoman this year?” ”

““She’s one year younger than me,” Lin Qingxuan answered truthfully. ”

One year younger?

Old Lady Lin’s frown deepened. “She’s already forty-one years old! Can she still spread her wings for our Lin Family?”

Lin Qingxuan’s biggest problem now was that she did not have any children.

“As a mother, Old Lady Lin knew that Lin Qingxuan also wanted to have a child of her own. When she thought of this, her voice softened a few degrees, then, she said, “Qingxuan, in the first half of your life, it was that B * Tch Zhao shuning who delayed you. Don’t you want to have a child of your own in the second half of your life? “Mom knows that you like Xia Xiaoman, but Xia Xiaoman is already forty-one years old this year. She doesn’t suit you at all!” ”

“Lin Qingxuan knew what Old Lady Lin meant, “Mom, aren’t you the one who held me back? “If you hadn’t forced me to be with Zhao shuning back then, I wouldn’t have gotten to this point. I’ve already made up my mind to be with Xiaoman. No matter what you say, you can’t stop us from being together!”

Chapter 697: 157: We’re going to be cousins! 3

Lin Qingxuan had already discussed with Xia Xiaoman about giving birth.

Both of them decided to let nature take its course.

“It would be best if both of them could have a child after marriage. If they couldn’t have a child, they wouldn’t force it. Anyway, Xia Xiaoman already had an Lizi. ”

An Lizi was so sensible. Lin Qingxuan would treat an Lizi as his own.

Old Lady Lin looked at Lin Qingxuan with disbelief in her eyes.

Never in her wildest dreams did she expect that this most honest and obedient son would one day contradict her for a woman.

She also didn’t expect that Lin Qingxuan would still be brooding over Zhao shuning’s matter.

“Although she was also at fault for Zhao Shuning’s matter, her motive was for Lin Qingxuan’s good. ”

Why couldn’t Lin Qingxuan understand her?

“The More Old Lady Lin thought about it, the sadder she became. She covered her mouth and started coughing violently.”

She originally wanted to use her body to win Lin Qingxuan’s concern and let Lin Qingxuan know how difficult it had been for her all these years.

“Unfortunately, Lin Qingxuan only glanced at Old Lady Lin and said in a faint tone, “Mom, I will never be separated from Xiao Man anyway. Think about it yourself. I’ll go out first.” ”

“After saying that, Lin Qingxuan turned around and walked out of the door.”

Old Madam Lin staggered a few steps back and finally sat on the sofa. She didn’t come back to her senses for a long time and her eyes were slightly red.

“She was coughing so badly, but not only did Lin Qingxuan not show any concern, he even stabbed a knife into her heart...”

“At this moment, Auntie Wang walked out from the side. “Old Madam, don’t be too angry. Maybe Qingxuan was just angry for a moment. When he comes to his senses, he will naturally know that you are doing this for his own good.” ”

“Old Madam Lin Sighed. “I know this child’s character very well. This child either doesn’t say anything, or he is a man of his word. He has never been the kind of person to speak carelessly.” ”

“Old Madam Lin knew that Lin Qingxuan had made up his mind this time. Otherwise, his attitude wouldn’t have been so resolute.”

“When she thought of Lin Qingxuan being together with Xia Xiaoman, Old Madam Lin was very angry.”

Xia Xiaoman.

A second-hand woman who had been divorced and brought along a burden.

How could she be worthy of entering the Lin family's door.

No one knew what kind of bewitching potion Xia Xiaoman had poured into Lin Qingxuan.

"Auntie Wang continued, "This mother Xu is half-old and in her forties. Naturally, she can't be compared to a beautiful young lady. I believe that Qingxuan will understand this one day." "

"Hearing this, Old Lady Lin's eyes lit up. "

Yes.

Auntie Wang was right.

Xia Xiaoman was already 41 years old this year. How could she compare to a beautiful young lady?

"If Lin Qingxuan knew the difference between a beautiful young lady and a second-hand goods, would lin Qingxuan still have to rely on Xia Xiaoman? "

Definitely Not!

"Thinking of this, Old Lady Lin felt much better. "

She would definitely find Lin Qingxuan a girl of equal status.

In the main hall.

“An Lizi saw Old Lady Lin enter the room and did not come out. She whispered to ye Zao, “Da Zao Zao, how is your grandmother?”She looked at Old Lady Lin who did not seem to be easy to talk to and felt a little uneasy. ”

“Ye Zao looked at an Lizi and continued, “To be honest, she’s not that good. Tell Auntie to be mentally prepared.” ”

“Ah?”An Lizi widened her eyes in disbelief.

“Even ye Zao, her biological granddaughter, said that Old Lady Lin was nothing much. It could be seen that Old Lady Lin was definitely not easy to get along with. ”

“Ye Zao continued to give an lizi a warning, “My grandmother is a little snobbish. She has always wanted to introduce my fourth uncle to a daughter from a well-matched family. My uncle’s previous marriage was personally ruined by her!” ”

“After saying that.., ye Zhuo continued, “But Lizi, don’t worry. As long as my fourth uncle and aunt have a deep relationship, I think nothing can destroy them! Look at my parents. Although they went through a lot of hardships, they still ended up together!” ”

“Hearing that, an Lizi nodded. She had a plan in mind. ”

“Looking at Xia Xiaoman’s side, Ye Shu and the other three sisters-in-law were also taking turns to inoculate her while fighting the landlord. ”

“Originally, they didn’t want to say anything to Xia Xiaoman, mainly because they were afraid of causing a psychological burden on her. ”

“But now, Old Mrs. Lin hadn’t come out after returning to her room. They guessed that old Mrs. Lin must be dissatisfied with Xia Xiaoman again. ”

Lin Qingxuan finally found a girlfriend that he liked. They didn’t want Xia Xiaoman to be scared away by Old Mrs. Lin like Lin Qingxuan’s first love.

Chapter 698: 157: We're going to be cousins! 4

It was better to explain the situation to Xia Xiaoman first.

"In fact, Xia Xiaoman was already mentally prepared. She knew that Old Lady Lin would not like her too much."

"Because during their relationship, Lin Qingxuan had already confessed everything to her."

Including the matter of first love and Zhao Shining.

"Now, the Lin family's several sisters-in-law had not hidden anything from her and were on the same side as her. This made Xia Xiaoman very surprised. She also felt that the Lin family was a good family."

"Of course, except for Old Lady Lin."

"Ever since Old Lady Lin went to look for Lin Qingxuan, she had not come out of the house."

Everyone in the Lin family knew what Old Lady Lin meant.

"She simply wanted to embarrass Lin Qingxuan and Xia Xiaoman. She was the old lady of the Lin family. As long as she did not approve of Xia Xiaoman, Xia Xiaoman would not be able to stand in the Lin family."

"Unfortunately, Old Lady Lin miscalculated. If she did not receive Xia Xiaoman, there would naturally be others to receive her."

“Seeing that Old Lady Lin did not stand out, ye Shu stood up and said, “Xiaoman has been here for so long, but she hasn’t gone to the east courtyard yet! “Sister-in-law, second sister-in-law, and third sister-in-law, let’s Take Xiaoman to the east courtyard now. I’ve already arranged for the kitchen to prepare. We’ll have lunch at the east courtyard at noon.””

“Wu Mei nodded. “Alright, fifth sister-in-law, you’re the most thoughtful one.””

Old Madam Lin had been sitting in her room sulking.

She had originally thought that Lin Qingxuan would come over and beg her to go out and take charge of the situation.

“However, after waiting for so long, Lin Qingxuan still did not appear. This time, Old Madam Lin was a little anxious. Why had Lin Qingxuan not come?”

“If Lin Qingxuan had come to invite her, she would definitely take this opportunity to educate Lin Qingxuan.”

Unfortunately.

Old Lady Lin had not been able to wait for Lin Qingxuan.

“Logically speaking, it was time to eat. Why hadn’t Lin Qingxuan come?”

“In the end, Old Lady Lin could not sit still and went to the main hall.”

The originally lively main hall was now empty. There was not a single person in sight.

“Could it be that Xiaoman was self-aware and knew that she did not like her, so she ran away with her tail between her legs?”

Old Mrs. Lin called the maid over and asked what was going on.

“Hearing the maid’s answer, Old Mrs. Lin’s face turned pale.”

Ye Shu!

Ye Shu again!

Ye Shu was too bold. She actually dared to take her to the east courtyard without her consent.

Did she still put her mother-in-law in her eyes? !

And those three daughters-in-law were also insensible.

How could they let ye Shu do whatever she wanted? !

Old Lady Lin was still a little guilty about ye Shu.

“At this moment, she didn’t feel any guilt at all.”

Ye Shu was really too much!

Old Lady Lin was so angry that her whole body hurt everywhere.

...

The eastern courtyard was very happy.

“Because there were many people in the Ye family, Ye Shu opened three tables in the restaurant.”

The same generation and the same generation sat at the same table.

“Xia Xiaoman, Lin Qingxuan, and a few of the Lin family’s elder brothers and sisters-in-law sat at the same table.”

An Lizi sat at the same table as ye Zhuo and the Lin family’s cousins.

The others sat at the other table.

“Lin Qingxuan was very grateful to Ye Shu. He raised his cup and toasted ye Shu. “Fifth brother and sister, everything goes without saying! Let Me Toast First!””

Ye Shu immediately stood up with the glass in her hand and drank the wine in the glass in one gulp.

Lin Qingxuan gave another toast to the other sisters-in-law.

“If it wasn’t for the support of the sisters-in-law today, he would really be embarrassed in front of Xia Xiaoman.”

It wasn’t until the afternoon that Lin Qingxuan sent Xia Xiaoman and an Lizi back.

“Lin Qingxuan sent the mother and daughter home, and Xia Xiaoman sent him out of the apartment building in the community.”

“An Lizi was in the car just now, so Lin Qingxuan couldn’t say anything in front of the child.”

“Lin Qingxuan held Xia Xiaoman’s hand. “Xiaoman, how do you feel about going to my house today?””

“Xia Xiaoman went straight to the point, “Your family is very good, and I get along very well with my sisters-in-law. But on your mother’s side, she probably won’t like me too much, right? If your mother doesn’t accept me, what do you plan to do?””

Xia Xiaoman only wanted Lin Qingxuan’s attitude now.

“Lin Qingxuan looked at Xia Xiaoman and said very seriously, “Xiaoman, don’t worry. I’ll definitely think of a way to convince my mother to accept you.”He liked Xia Xiaoman very much, very much.”

“So, he would definitely convince Old Lady Lin.”

“Xia Xiaoman looked at Lin Qingxuan and continued, “Qingxuan, we’re already over forty years old. We don’t have much time to waste between us.””

Young people could get used to dating for a few more years.

But they were already forty years old.

Chapter 699: 157: they’re going to become cousins! 5

How many years do they have left to wait?

She couldn’t afford to wait!

Lin Qingxuan couldn’t afford to wait either.

“Xia Xiaoman was a person with a clear goal. She believed that if they liked each other, they should follow their hearts and be together. However, if Lin Qingxuan couldn’t get past Old Lady Lin, then there was no need for them to be together.”

“Lin Qingxuan continued, “Xiaoman, I understand what you’re saying. I hope you can give me more time.” ”

Xia Xiaoman nodded. “Then let’s do it after the New Year. I’m going back to Yun Jing on the first month. I hope that you can give me an accurate answer when I come back from Yun Jing.”

“”Sure!”Lin Qingxuan continued, “My mother likes to play tricks behind my back. If she asks you out or uses money to insult you, please tell me immediately! I don’t want there to be any misunderstanding between us because of my mother!” ”

Lin Qingxuan knew Old Lady Lin too well.

His first girlfriend was scared away by Old Lady Lin in this way.

“No matter what, he couldn’t let her scare Xia Xiaoman away again. ”

“Xia Xiaoman smiled and said, “Don’t worry, I’m not that kind of innocent little girl anymore. I know how to deal with your mother.” ”

“Since Lin Qingxuan had already explained everything, Xia Xiaoman could understand him. ”

“”Xiaoman, thank you.” ”

“Lin Qingxuan turned around and hugged Xia Xiaoman. “Don’t worry. No matter what, I will give you a satisfactory answer.” ”

“Okay.”Xia Xiaoman nodded.

Lin Qingxuan accompanied Xia Xiaoman to walk around the residential area before driving back to the Lin family.

“Lin Qingxuan originally thought that Old Lady Lin would talk to him after he returned home, but strangely, Old Lady Lin did not react at all. ”

This made Lin Qingxuan curious.

Staying put was not old Lady Lin’s style.

Could it be that she had thought it through?

“Today was the 28th of December, and the new year was coming soon, so Lin Qingxuan did not take the initiative to look for Old Lady Lin. He planned to look for Old Lady Lin to clarify things after the New Year’s Eve. ”

“In the blink of an eye, it was the 30th day of the New Year. ”

This year was the first New Year for ye Shu and Ye Zhuo in the Lin family.

Lin Jincheng attached great importance to the mother and daughter spending their first new year in the Lin family.

“In order to make the new year more festive, Lin Jincheng gave all the servants in the family a day off in advance, leaving only the servants who lived in the capital to take care of Old Lady Lin. ”

“As the four brothers, nephews, nephews, and wives of the Lin family were all at home, the Lin family manor was especially lively. ”

“After breakfast in the morning, everyone was busy writing couplets and cutting window flowers in the afternoon. ”

Ye Shu and a few sisters-in-law were busy preparing the New Year’s Eve dinner in the kitchen.

Lin Ze went to fetch ye Sen.

“Apart from ye Shu, Ye Sen had no other relatives in the capital, so Lin Jincheng took the initiative to bring Ye Sen over for the New Year.”

“Old Madam Lin came to the east courtyard. “Jincheng, come here. I have something to discuss with you.” ”

“Lin Jincheng walked to Old Madam Lin’s side. “Mom, if you have something to say, just say it.” ”

“”Jincheng, ””I want to bring Xianxian over to celebrate the new year with us.” ”

“”What?”Lin Jincheng’s face turned cold, thinking that he had heard wrong. ”

Old Mrs. Lin repeated it again.

“Lin Jincheng frowned tightly, he said angrily, “Mom, you know very well what Feng Qianhua did to us! At this time, you actually let Feng Xianxian come to our house for the New Year! Have you ever considered the feelings of us people? !” ”

“Old Mrs. Lin’s face was very ugly, “You also said that those things were all done by Feng Qianhua! What does Feng Qianhua’s actions have to do with Xianxian! Xianxian has never done anything to let our Lin family down! Jin city, did you know that Xianxian almost died the last time she committed suicide!” ”

Old Madam Lin’s heart ached especially when she thought of Feng Xianxian’s suicide.

“After saying that, old madam Lin said again, “Jin City, you also have children. Don’t you feel sorry for Xianxian?” ”

“Ever since Feng Qianhua was sent to prison, the Feng family had chased Feng Xianxian out of the house. Now, apart from her, Feng Xianxian had no other family or friends in the capital. ”

Today was the New Year. Old Madam Lin did not want Feng Xianxian to live alone in the apartment.

“Lin Jin Cheng frowned. “I have a daughter myself. Why should I feel sorry for someone else’s daughter? Mom, I don’t agree with you bringing Feng Xianxian Home for the New Year!” ”

“Old Lady Lin Sighed. “Jincheng, can’t you just take pity on Xianxian?”Old Lady Lin had no idea when Lin Jincheng had become so cold-blooded and heartless! ”

“”I pity her, who will pity me?”Lin Jincheng looked at Old Lady Lin and tried his best to keep his voice low, “Mom, don’t forget that this leg of mine was given to me by Feng Qianhua. My wife and daughter were separated for eighteen years because of Feng Qianhua! And my daughter’s ten-odd years of being an idiot was also given to her by Feng Qianhua!” ”

Lin Jincheng was really angry.

He did not expect that Old Lady Lin would still think of Feng Xianxian at a time like this.

“Old Lady Lin’s eyes were slightly red, “Jincheng, can you please help me out just because I’m already half dead? Xianxian is different from that B * Tch Feng Qianhua. It’s New Year’s Eve today. I don’t want to see that child alone!” ”

“Lin Jincheng took a deep breath. “Mom, don’t say anymore. I Won’t agree to this.” ”

“Jincheng!”

Lin Jincheng didn’t say anything more and turned around to walk into the house.

Old Madam Lin looked at Lin Jincheng’s back and sighed.

“With a wife, he forgot his mother. ”

Lin Jincheng was the best example.

“Lin Jincheng had already become like this. She couldn’t let Lin Qingxuan become a second Lin Jincheng. It seemed that after the new year, she had to settle Lin Qingxuan’s marriage.”

Find a well-behaved and well-educated daughter of everyone.

Old Lady Lin had a plan in her heart.

“Lin Jincheng returned to the main hall and Lin Qingxuan asked curiously, “Why is mom looking for you?” ”

“It was the new year, so Lin Jincheng did not want Lin Qingxuan to be upset. He continued, “It’s just a small matter. Oh right, fourth brother, shall we go write the couplet now?” ”

“”Okay.” Lin Qingxuan continued, “Write the couplet and burn your feet. The words ‘burn’ are really good.” ”

“After saying that, Lin Qingxuan turned around to look for ye Zao.”

Lin Qingxuan came to the door of ye Zao’s room and knocked on the door. “Burning!”

“Ye Zao’s voice came from inside the room. “Fourth uncle, the door isn’t closed. Please come in.” ”

“Then I’ll come in.” Lin Qingxuan pushed the door open and entered.

“The moment she pushed the door open, she saw ye Zao sitting cross-legged on the floor outside the bedroom. There was a small pile of scattered parts on the carpet. Because it was so disassembled, it was almost impossible to tell what they were.”

“Zhuo Zhuo, what are you doing?” Lin Qingxuan asked curiously. ”

“Ye Zhuo said, “There seems to be a problem with the phone. Let me take it apart and have a look.” ”

“Can you put it back after you take it apart?” Lin Qingxuan expressed her doubt.

“It can be no problem.” Ye Zhuo continued, “Fourth uncle, why did you come to look for me?” ”

“Only then did Lin Qingxuan remember the serious matter. She continued, “We are preparing to write a couplet. We plan to let you come down and show off. Write a couplet and paste it on our front door!” ”

“Sure.” Ye Zao quickened his movements. “I’ll come down immediately after I install the phone.”

“Okay.” Lin Qingxuan nodded. “Then I’ll go down first.”

“Not long after Lin Qingxuan went down, ye Zao came down with the phone. ”

“Seeing ye Zao come down with the phone, Lin Qingxuan said in surprise, “Zao Zao, your phone is installed so quickly?” ”

“He thought that the phone couldn’t be put back in, but he didn’t expect ye Zao to actually put it back in. ”

“Yes.” Ye Zao nodded slightly. He picked up the writing brush beside him and began to write couplets.

“Her handwriting was like the wind, forming a style of its own. The Strokes were like dragons and snakes, which amazed Lin Qingxuan repeatedly. ”

The other members of the Lin family also ran over to watch. “Little Twelve’s handwriting is really good! As expected of Master Yu’s personal disciple!”

“Chapter 700: 158: it’s the New Year! A show of affection, a secret of the Xi family for half a month! 1”

Master Yu had taken in two disciples in his life.

“The eldest disciple was very mysterious and had never shown his face in front of outsiders. However, the outside world knew that the eldest disciple was also a dragon and Phoenix among men. He was better than the blue, but unfortunately, his ambition was not in the literary world.”

The youngest disciple was ye Zao.

Ye Zhuo’s talent was witnessed by the Lin family.

“Although ye Zhuo had not participated in the literary world’s assessment competition yet, the Lin family believed in ye Zhuo very much. Ye Zhuo would definitely be able to pass the assessment competition smoothly.”

Just the words written by Ye Zhuo were not something that ordinary people could compare to.

Duan Duan Duan stood beside ye Zhuo and clapped excitedly. “Amazing! Aunt is so amazing! Aunt is really amazing! If only I was as amazing as Aunt!”

“Ye Zhuo finished writing a couplet and looked down at Duan Duan. “Duan Duan, then Auntie will teach you how to write a couplet, okay?” ”

“Okay.”Duan Duan nodded.

Ye Zhuo carried Duan Duan and held his hand as he started to write.

The other four little fellows were envious of Duan Duan. They kept nagging ye Zhuo to teach them as well.

Ye Zhuo carried the four little fellows one by one and taught them how to write couplets.

“In a short while, he finished five couplets.”

The five little ones took the couplets that they had written and insisted on pasting their own couplets on the door of their respective bedrooms.

Lin Qingxuan picked up the first couplet that ye Zao had written and pasted it on the door of the Lin family manor.

Lin Jincheng followed him to paint paste.

“Ye Zao’s handwriting was graceful and majestic. Paired with the magnificent door of the Lin family manor, it looked extremely magnificent.”

Lin Jincheng looked at ye Zao’s handwriting with pride on his face.

“As soon as the couplet was affixed, a black car slowly drove over and stopped at a parking spot on the side.”

“A moment later, the car door was opened and a young man in a black down jacket walked out.”

“The young man got out of the car, walked around to the passenger seat, and opened the passenger seat door.”

A middle-aged man in a suit walked out of the car.

The two of them walked towards Lin Qingxuan and Lin Jincheng.

“Dad, fourth uncle.” ”

“Ah Ze is back.” Lin Jincheng looked up at the two of them.

“Ye Sen smiled and said, “Brother-in-law, fourth brother.” Lin Qingxuan was Lin Jincheng’s fourth brother, so ye Sen also followed behind and called him fourth brother. ”

“Sen.” Lin Jincheng nodded.

“Lin Qingxuan looked at ye Sen. “It’s the end of the year recently. Your company must be very busy, right?” ”

“Ye Sen continued, “It’s alright. A lot of the stations have stopped shipping recently, so it’s not very busy.” ”

“The express delivery company basically stopped shipping after the 29th of December. Under normal circumstances, they would wait until the 8th of the new year to resume shipping normally, so ye Sen was quite free during this period of time. ”

Lin Qingxuan nodded. “I’ve been busy for a year. I can take advantage of this time to rest more.”

“Lin Jincheng looked at Lin ze and said, “AH ze, take uncle to his room to rest. Your fourth uncle and I will go there to paste the couplets.” ”

“Okay.”

Lin Ze took ye Sen to the east courtyard.

“Ye Sen asked curiously, “Ah Ze, your uncles and Aunties are back?” ”

“Lin Ze nodded. “Yes, they come back every other year to celebrate the New Year.” ”

“Aren’t there a lot of people in your family this year?”

“”There are about 30 people in total,” Lin ze said casually. ”

More than 30 people celebrating the new year together?

Ye Sen swallowed his saliva.

The two of them talked as they walked to the east courtyard.

“When they reached the main hall, they saw ye Zhuo and the five little guys cutting the window flowers.
”

“”Uncle!” Seeing Ye Sen, Ye Zhuo stood up to greet him. ”

“”Big niece!” It had been a long time since he saw ye Zao, so ye Sen was very excited. ”

Little White followed behind ye Zao and imitated him. “Uncle!”

Ye Sen patted Little White’s head.

“Little White hid behind ye Zao and said with a look of disdain, “Uncle, you can’t just Pat Someone’s Head!” ”

“Why?” Ye Sen asked.

“Little White stuck out its cute little head from behind ye Zao. “Because if you pat someone’s head, they won’t be Smart!” ”

Ye Sen couldn't help but laugh.

The five little guys politely called him uncle.

Uncle?

"Every time he heard this title, Ye Sen felt a little sad. He was already a grandfather, but he was still single."

"At this moment, ye Shu heard ye Sen's voice and walked out. "Ye Sen, have you eaten? If you haven't eaten, there's still noodles in the pot. I'll get some for you." "

"Knowing that Ye Sen would come in the afternoon, ye Shu specially left some noodles. "

"Ye Sen smiled and said, "Sis, don't worry about me. I've already eaten." "
