

Almighty D 701

“Chapter 701: 158: it’s the New Year! A show of affection, the secret of the Xi family for half a month! 2”

“Ye Shu nodded. “Okay then, send your luggage to your room first. Come downstairs to help after you get some rest.””

“Okay.”

The eastern courtyard had always kept ye Sen’s room.

“Ye Sen came to the room and put away his luggage. Then, he went to the main hall and cut the window flowers with ye Zao.”

“Although Ye Sen was a big man, his hands were very skillful. He cut the flowers beautifully with one hand, which made the five little guys exclaim, “Great-uncle, you’re really amazing!””

“Ye Sen said with a proud face, “Of course. Otherwise, why would I be your great-uncle?””

““Great-uncle, can you cut an aunt?””

““Yes, no problem.””

Ye Sen took the red paper and scissors and walked around casually. A small portrait of ye Zao appeared.

“It was so lifelike that it looked real. Even ye Zao was surprised when he saw it. “I didn’t expect you to know this, uncle.””

“Ye Sen smiled and said, “Big niece, I don’t want to brag, but there are many things you didn’t expect!””

Ye Zao took the small portrait and took a photo and sent it to Cen Shaoqing.

[does it look good?]

Cen Shaoqing was reading the Buddhist scriptures when he heard the voice on wechat. He immediately picked up his phone and saw the picture that ye Zhuo sent.

It was a small portrait cut out of red paper.

It was vivid and beautiful. Cen Shaoqing recognized that it was ye Zhuo at a glance.

[it looks good.]

“After Cen Shaoqing sent a message, he sent another message. -LSB- leader, did you cut this?]”

[my uncle cut it. How is it? Is My Uncle Good?]

[very good.]

“After sending these three words, Cen Shaoqing felt a little depressed.”

He also wanted ye Zhuo to praise him.

Cen Shaoqing put his phone on the table and walked downstairs.

Today was the New Year’s Eve.

“At this time, Old Mrs. Cen and Zhou Xiang were also busy cutting the window flowers downstairs.”

“Although the CEN family had four daughters, three of them were married and had their own families. They were in their own families for the New Year and would only come back to pay their new year greetings on the first day of the New Year, therefore, only old Mrs. Cen, Zhou Xiang, Cen Shaoqing, and Cen Yuyan were at home.”

“However, Cen Yuyan had not returned yet.”

“Grandma, Mom.” Cen Shaoqing walked in front of the two of them.

Old Mrs. Cen raised her head and looked at Cen Shaoqing. “Why are you down here?”

“I’m here to help you.”

Help?

That was a new word.

“Cen Shaoqing had always been a person who had no desires or desires. The New Year was no different from any other day for him. When others stuck couplets, he would read Buddhist scriptures upstairs. When others cut window flowers, he would still read Buddhist scriptures.”

Old Mrs. Cen looked Cen Shaoqing up and down. “You’re here to help us?”

“Yes.” Cen Shaoqing nodded slightly and picked up a pair of scissors. “I’ll help you cut window flowers together.”

Cut window flowers?

“Zhou Xiang stretched out her hand to check Cen Shaoqing’s forehead and said strangely, “I don’t have a fever either.””

“Cen Shaoqing looked at Old Mrs. Cen. “Grandma, Can you tell me about the skill of cutting window flowers?””

“Old Mrs. Cen asked suspiciously, “Do you really want to Learn?””

Cen Shaoqing nodded.

“Old Mrs. Cen saw that Cen Shaoqing did not look like he was joking, so she began to teach Cen Shaoqing how to cut the window-cutting flowers.”

Cen Shaoqing listened very carefully.

“Twenty minutes later, he went upstairs with the scissors and the red paper.”

“Zhou Xiang looked at Cen Shaoqing’s back. “Mom, do you think Shaoqing has been possessed?””

Old Mrs. Cen narrowed her eyes. “I think this matter has something to do with Yezi.”

Zhou Xiang nodded in agreement.

“At this moment, footsteps could be heard from outside.”

Cen Yuyan had returned with her luggage.

Cen Yuyan usually did not stay in the Cen family’s old residence. She would only stay for a few days during the New Year.

“”Mom, Grandma!””

“Yuyan is back!” Zhou Xiang stood up.

Cen Yuyan walked over and hugged Zhou Xiang before hugging old Mrs. Cen. She then took out the new year gifts that she had prepared for Zhou Xiang and old Mrs. Cen.

“Old Mrs. Cen took the gifts that Cen Yuyan had bought. “If you are so solicitous for no reason, you must be up to no good. Fourth Girl, you must have something to ask of us, right?””

“Cen Yuyan was already in her thirties this year, but she had never bought any gifts for her family.”

Would the sun rise from the West?

Of course not!

“So, there must be something hidden here!”

“Cen Yuyan pursed her lips. “Grandma, I’m being filial to all of you! What kind of person do you think I am? Buying something for you is asking for something from you?””

“Zhou Xiang smiled. “Mom, maybe the fourth girl has really grown up!””

“As a mother, Zhou Xiang was very happy to receive her daughter’s new year gift. She was not as considerate as Old Lady Cen.”

“Chapter 702: 158: it’s the New Year! A show of affection, the secret of the Xi family for half a month! 3”

Old Mrs. Cen opened the gift. “Are you really begging us for Nothing?”

“Cen Yuyan laughed twice and continued, “Actually, there is such a thing, but it’s not a big thing. It’s just a small thing.” ”

“”I knew it wasn’t that simple.”Old Mrs. Cen put down the things in her hands. “Tell me, what is it?” ”

“Hearing this, the smile on Zhou Xiang’s face faded a little. ”

She originally thought that Cen Yuyan had grown up.

She didn’t expect that old Mrs. Cen was right.

“Cen Yuyan continued, “Grandma, look at our family. There are only four people every year during the New Year. It’s really too boring! It’s not lively at all. Why don’t we add one more person this year? What do you think?” ”

“Who do you want to invite to our family for the New Year?”Old Mrs. Cen asked.

“”Chenyu,”Cen Yuyan answered. ”

“”No,”old Mrs. Cen directly refused. ”

“”Why?”CEN Yuyan continued, “Chenyu is not from the capital, and she doesn’t have any relatives or friends in the capital. Now that her manager and assistant have gone back home for the holidays, she’s the only one in the capital. Anyway, our family doesn’t have many people, so wouldn’t it be more lively with her?” ”

Zhou Xiang and old Mrs. Cen were people who liked to be lively.

“They could take this opportunity to let Old Mrs. Cen see song Chenyu’s strengths, and they could also create an opportunity for song Chenyu and Cen Shaoqing to get to know each other. ”

This was simply killing two birds with one stone!

“When I say no, I mean no!” Old Mrs. Cen looked at Cen Yuyan, “Fourth girl, it’s your right to be friends with that fish, I can’t control it! But, if you want to bring that fish back to our house for the New Year, you absolutely can’t!”

“What fish? Her name is Chenyu! Song Chenyu! Chenyu is my best friend. Grandma, Why are you always targeting her?” Cen Yuyan frowned.

“Thinking about it carefully, song Chenyu had never offended Old Mrs. Cen.”

But Old Mrs. Cen didn’t like song Chenyu.

“That fish is obviously not a good fish!” Old Mrs. Cen glanced at Cen Yuyan. “You stupid thing. If you are sold one day, you can even count the money for others!”

“Mom, don’t you like sunken fish the most? Help me say a few words!” Cen Yuyan pulled Zhou Xiang’s arm.

“Zhou Xiang said, “I respect your grandmother’s opinion on this matter. After all, sunken fish is a public figure. If she rashly stays at our house to celebrate the New Year, there will definitely be rumors.”

Who in the Cen family was the easiest to have rumors with song Chenyu?

“Of course, it would be Cen Shaoqing!”

“If it was in the past, Zhou Xiang would very likely agree to song Chenyu coming to the Cen family for the New Year. However, it was different now. Cen Shaoqing now had ye Zao.”

“If song Chenyu were to get involved, what if ye Zao misunderstood?”

Only Ye Zao was the most suitable daughter-in-law candidate in Zhou Xiang's heart!

No one could replace ye Zao's position in her heart.

Song Chenyu could at most be considered a female celebrity that Zhou Xiang admired.

"Cen Yuyan frowned. "Mom, Chenyu is really pitiful spending the new year alone outside!" "

Zhou Xiang was a soft-hearted person. She could not bear to see others beg her.

"Thinking about it, song Chenyu staying alone outside during this family reunion was indeed quite heartwarming. "

"Thinking about this, Zhou Xiang was a little shaken and turned to look at Old Mrs. Cen. "

Old Mrs. Cen knocked the scissors in her hand on the table. "There are a lot of poor people outside! Are you going to bring them to our house for the New Year?"

"But I'm different from Chenyu. Chenyu is my friend."

"Old Mrs. Cen continued, "Don't think that I don't know what you're up to! Do you think that the position of the Cen family's granddaughter-in-law can be remembered by any Tom, Dick, or Harry? Not to mention that it's just a fish! Does she deserve that fish?" "

Old Mrs. Cen and Zhou Xiang were both very kind people in Cen Yuyan's heart.

"She originally thought that after she said this, the two of them would definitely agree with her. "

She did not expect that old Mrs. Cen seemed to have changed into a different person.

“She had become without the slightest bit of sympathy. Instead, she was still smearing song Chenyu’s name.”

She really did not know what was so good about Ye Zhuo!

He could actually make old Mrs. Cen so blind.

Just wait.

Old Mrs. Cen would regret it when the time came if she protected ye Zao now.

“Forget it! Just pretend that I never said anything about this!” Cen Yuyan dragged her suitcase and went upstairs in a huff.

Old Mrs. Cen looked at her back and frowned. “He’s getting more and more outrageous!”

“Chapter 703: 158: it’s the New Year! Show Off Your Love, the secret of the Xi family! 4”

Upstairs.

Cen Shaoqing was listening to the calming Buddhist music while cutting the window flowers. There was a pile of red paper on the table that had been cut.

“After cutting for a long time, CEN Shaoqing did not succeed. Instead, he managed to leave two wounds on his fingers. Blood dripped on the red paper, but it was not obvious.”

“Although he cut the red paper, CEN Shaoqing still did not give up.”

On the other side.

“After Cen Yuyan went upstairs, she dialed song Chenyu’s video.”

““Chenyu, I’m sorry.”Cen Yuyan said with a face full of guilt, “I couldn’t convince my grandmother.””

“This result was within song Chenyu’s expectations. Ever since she went to the Cen family, song Chenyu knew that old Madam Cen was not very satisfied with her.”

“After all, Ye Zhuo was the granddaughter-in-law that old Mrs. Cen had personally chosen.”

It was only natural that old Mrs. Cen would favor ye Zhuo a little.

“However, song Chenyu would not be discouraged by this.”

Life was full of challenges.

To conquer Old Mrs. Cen and win her recognition was song Chenyu’s current task.

No one had ever disliked song Chenyu in his entire life.

Which of the country-level veteran actors that had worked with her had not praised her endlessly?

Old Madam Cen and those veteran actors were difficult to deal with?

“Song Chenyu smiled and said, “What’s there to be sorry about? The New Year is a day for family reunion. As an outsider, it’s indeed inappropriate for me to go to Your House for the New Year. Don’t be angry with your grandmother.””

“CEN Yuyan continued, “My mother was about to agree, but my grandmother was the only one who firmly refused. I was almost angered to death by her! I even suspect that my grandmother has Alzheimer’s Now!””

Song Chenyu had always known that Zhou Xiang had a good impression of her.

“If ye Zhuo had not interfered, perhaps Zhou Xiang would have already introduced her to Cen Shaoqing.”

“Unfortunately, there were no ifs in this world.”

“Song Chenyu’s heart spun a thousand times, but the smile on his face remained. He continued, “Don’t be angry. Your grandmother did the right thing. Yuyan, you must have been angry with your grandmother just now, right?””

Cen Yuyan did not speak.

“Song Chenyu continued, “Yuyan, we are best friends. I don’t want you to have conflicts with your family because of me, especially your grandmother. Grandmother is already so old. Today is the New Year, and she is already old. Who knows how many days she will have like this in the future. I hope you can go and apologize to her.””

Cen Yuyan sighed in her heart.

“Old Mrs. Cen had slandered song Chenyu, but Song Chenyu was so magnanimous and even advised her to apologize to old Mrs. Cen. If it were anyone else, how could they be as magnanimous as song Chenyu?”

Yet old Mrs. Cen did not appreciate her kindness at all.

“Seeing that Cen Yuyan had not spoken, song chenyu continued, “Yuyan, are you listening?””

“Cen Yuyan finally reacted, “Chenyu, do you know what my grandmother said about you just now?””

“Song Chenyu smiled and said, “The old lady has a mouth but doesn’t mean it. Don’t be calculative. Hurry up and apologize to grandmother.””

“”Alright, if you’re not calculative, why should I be calculative with her?”Cen Yuyan continued, “I’ll go in a while.””

“After chatting with song Chenyu, Cen Yuyan adjusted her mood and went downstairs to apologize to old Madam Cen.”

“”Grandma, I’m sorry. I shouldn’t have used that attitude to talk to you just now. Please forgive me.””

“Old Madam Cen glanced at her. “Since today is the New Year, I won’t bother with you! Go upstairs.””

“Cen Yuyan wanted to say something, but she swallowed her words and turned around to go upstairs.”

“Looking at Cen Yuyan’s back, Zhou Xiang whispered to old Mrs. Cen, “Mom, do you think the fourth girl has grown up? She even knows to take the initiative to apologize!”The CEN Yuyan in the past would not be like this.”

“Old Mrs. Cen said, “It’s most likely that the fish gave it to me.””

“What?”Zhou Xiang was a little surprised.

“Old Mrs. Cen continued, “Don’t you understand? That fish wants to use this imbecile to gain a good impression of me! Do you really think I’m that old fool of the Lin Family? Playing this trick in front of me! She’s still young!””

“Zhou Xiang said with some doubt, “Are you so sure that the fish gave it to her?””

“As a grandmother, don’t I know what kind of person my granddaughter is?” Old Mrs. Cen continued, “To put it bluntly, I already know what kind of SH * t she is going to take before she even raises her buttocks!”

“Old Mrs. Cen’s words were rough but not harsh. Thinking about it carefully, it was indeed reasonable!”

“After she finished speaking, Old Mrs. Cen instructed Zhou Xiang again, “Xiang Xiang, you are a good child in every way, but you are a little bit stupid. Let me tell you, don’t be deceived by that fish! Our Cen family’s granddaughter-in-law can only be Yezi!”

“Chapter 704: 158: it’s the New Year! A show of affection, the secret of the Xi family for half a month! 5”

“Zhou Xiang might have been too well-protected at home, but she was very simple-minded. Therefore, Zhou Xiang did not care much about the Cen family’s big and small matters, and it was the Cen old lady who took care of them. ”

“Zhou Xiang was not angry at being called stupid by the Cen Old Lady. She smiled and said, “Don’t worry, I know! Not to mention you, I have long treated searing flames as my own daughter-in-law. In My Heart, no one can replace her.” ”

Old Mrs. Cen nodded in satisfaction.

“Fortunately, Zhou Xiang was a clear-minded person. Otherwise, with Cen Yuyan, the Cen family would definitely be in chaos. ”

“After cutting the window flowers, Old Mrs. Cen, Zhou Xiang, and the servants went to paste them. ”

“When the two passed by Cen Shaoqing’s room, Zhou Xiang asked curiously, “Mom, what do you think Shaoqing is doing in his room?” ”

“Old Mrs. Cen said, “He’s most likely practicing window cutting!” ”

“Are you that sure?” Zhou Xiang asked in surprise.

“Old Mrs. Cen smiled and said, “If you don’t believe me, you can just knock on the door and find out.” ”

Zhou Xiang reached out to knock on the door.

“Soon, CEN Shaoqing came over to open the door. “Mom, What’s the matter?” ”

“Seeing Cen Shaoqing holding the red paper in his left hand and the scissors in his right hand, Zhou Xiang had an answer in her heart. She smiled and said, “Do you have anything you want to eat for the New Year’s Eve Dinner Tonight?” ”

““I can eat anything.” In the past, when Cen Shaoqing was a vegetarian, he only ate some vegetable leaves every day. ”

“Although Cen Shaoqing was not afraid of meat and vegetables now, he still did not have high requirements for food. ”

“As far as he was concerned, as long as he could fill his stomach, it was enough. ”

““Okay, I got it.” Zhou Xiang nodded. ”

“Coming out of Cen Shaoqing’s room, Zhou Xiang came to the side of old Mrs. Cen with a face full of excitement. He smiled and said, “Mom, you really hit the nail on the head. Shaoqing is cutting window flowers inside!” ”

“Old Lady Cen said with a proud face, “That’s right! How can a half-immortal like me be lying? I think this rascal is practicing cutting the window flowers, trying to win Ye Zi’s favor!” ”

Zhou Xiang nodded. "I think what you said makes a lot of sense."

All the men in the CEN family were infatuated with each other.

"It was fine if they were not enlightened, but once they were enlightened, they would stay together until death."

...

"In a short while, the sky turned dark."

The New Year's Eve dinner officially began.

"Because it was a reunion dinner, the Lin family did not have separate tables for tonight. Lin Jincheng and a few of the Lin brothers moved out the big table in the warehouse."

This table was specially customized and could accommodate more than thirty people.

The four sisters-in-law of the Lin family and their daughter-in-law worked all afternoon and cooked a big table full of dishes.

"This table had been modified by ye Zao to control the temperature. No matter how long the food was on the table, it would not get cold."

"After the food was set up, Lin Ze and his cousins went to the West Courtyard to invite Old Lady Lin over for dinner."

"Old Lady Lin sat at the head of the table and looked at the big family. Although she was very happy, she still felt somewhat regretful."

Everyone was here.

It was a pity.

Feng Qianxian was missing.

She didn't know what Feng Qianxian was doing at this moment.

"Today was the reunion night, and Feng Qianxian was alone."

"Thinking of this, Old Lady Lin felt very uncomfortable."

Old Lady Lin's gaze inadvertently shifted to Ye Sen. It was a lie to say that she was not angry at all.

"Lin Jincheng didn't allow her to call Feng Qianxian over, but she called Ye Sen, a foreigner, over."

"If it was not the New Year's Eve today, Old Mrs. Lin would have wanted to flip the table!"

"Ye Sen was a foreigner, what right did he have to come to the Lin family for the New Year?"

"The more old Mrs. Lin thought about it, the angrier she got. A mouthful of blood stuck in her heart, and she almost could not breathe."

"When the New Year's Eve dinner began, the younger generation in the family stood up to Toast Old Mrs. Lin."

"Looking at the faces of her children and grandchildren, the anger in Old Mrs. Lin's heart dissipated a little."

"After the toast, the New Year's Eve dinner officially began."

“There were many people in the Lin family, so everyone spoke one after another. It was very lively. ”

“At this moment, ye Zao’s phone rang. ”

Ye Zao opened his phone.

It was a wechat message from CEN Shaoqing. [[photo jpg] we are starting to eat.]

The photo was of the CEN family’s New Year’s Eve dinner.

There was a table full of dishes and ye Zao’s favorite dessert.

Ye Zao also took out his phone and took a photo of CEN Shaoqing. [[photo jpg] we have just started.]

Cen Shaoqing looked at the photo sent by Ye Zao and smiled.

“In the past, he never understood why some people would hold their phones and giggle. ”

Now he finally understood.

“As long as ye Zao talked to him, he could hold his phone and giggle all day. ”

“Chapter 705: 158: it’s the New Year! A show of affection, the Xi family’s secret for the next half month!
6”

At the Lin family’s side.

“Halfway through the meal, the parents of each family started to give out new year’s money to the younger generation.”

“As the only girl in the family, Ye Zao received a red packet, and a few aunties not only gave ye Zao red packets, but also prepared a lot of gifts for him.”

“Beautiful little dresses, beautiful jewelry, and aunties all transferred their regrets of not being able to have a daughter to Ye Zao.”

Even the five little nephews prepared new year’s money for ye Zao.

The five little guys stood in a row and raised the red packet in their hands. “I wish Aunt Tianxian is as beautiful as a flower and will always be eighteen!”

Ye Zao was overjoyed. He also took out the red packet that he had prepared beforehand and gave it to the five little guys.

“After the New Year’s Eve dinner, the cousins discussed about setting off fireworks.”

Lin Ze went out with dog two and Fat Tiger Li Wen.

Ye Zhuo was about to go out with the five little guys to build a snowman when her cell phone rang.

Ye Zhuo picked up the phone.

“‘I’m at Your House,’ Cen Shaoqing’s voice came from the other end of the screen.”

“I’ll be right there.”

“As Ye Zhuo spoke, he picked up his scarf and put it on, then walked out of the door.”

“It was a festival, and there were colorful lights everywhere.”

“As soon as ye Zao stepped out of the door, snowflakes started to fall from the sky.”

“When he walked out of the door, he saw a black car parked by the fountain. A slender figure was leaning against the car door. Because of the cold weather, Cen Shaoqing had added a long black windbreaker on top of his long robe, although he didn’t do anything at the moment, he gave off a powerful aura.”

It was beyond his reach.

“Cen Shaoqing.”Ye Zao jogged over.

Cen Shaoqing looked back slightly and reached out to hug her. He wrapped her in his coat. “Are you cold?”

Ye Zao wrapped his arms around his slim waist. His nose was filled with the unique scent of his body. There was a faint sandalwood scent. “It’s okay. It’s not very cold.”

“The snow continued to drift. In a short while, their hair was dyed white.”

CEN Shaoqing reached out and brushed the snow off her head. “I’ll take you somewhere.”

“”Where are We Going?”Ye Zhuo looked up at him. From her angle, she could just see the man’s chin with stubble sticking out.”

Ye Zhuo reached out and touched it.

“It was a little different from what he had imagined. Perhaps it was because his beard had not fully grown out yet. It was not very prickly, but it was a little painful.”

He did not expect her to suddenly attack him.

“Cen Shaoqing was stunned. His entire body was on fire, and he finally focused on a certain spot.”

“Ye Zao continued, “How often do you shave your beard?””

“Cen Shaoqing tried his best not to let his imagination run wild. He opened his thin lips and said,” ... about once every two days.””

He grew so fast just by shaving once every two days?

Ye Zhuo suddenly thought of a joke.

The joke said that a man with a lot of hair also had a lot of needs.

He didn't know if it was true.

“Thinking of this, Ye Zhuo suddenly blushed and quickly changed the topic. “Where are you taking me?””

Cen Shaoqing opened the door of the passenger seat. “You'll know when you get there.”

Ye Zhuo got into the car and took off his scarf.

Cen Shaoqing did not get into the car immediately. He stood outside and took in two deep breaths of cold air before opening the door of the driver's seat.

“After getting into the car, Cen Shaoqing opened the refrigerator in the car and took out a bottle of ice mineral water. He gulped down two mouthfuls of it and his sexy Adam's apple moved up and down. It was indescribably sexy.”

Ye Zao was a little confused. "You're still drinking ice water on such a Cold Day?" Aren't you afraid of freezing to death?

Cen Shaoqing slowly twisted the cap of the bottle. "I've been a little angry recently."

"Ye Zao continued, "Why don't I prescribe some medicine to make you angry?""

This medicine couldn't be used with ordinary fire.

Cen Shaoqing's expression didn't change. "There's no need. I've already taken the medicine to make me angry at home."

"OH."Ye Zao turned on the music in the car.

"Soon, the car was filled with pleasant music."

"It was snowing outside, and Cen Shaoqing was not driving fast either. He followed the car lights and waited until he saw the snowflakes dancing in the air."

Ye Zao liked this snowy night very much. He laid the back of his chair flat and lay on it. He crossed his legs and sang along with the music as he admired the snowy scenery outside.

Cen Shaoqing looked at her in the rearview mirror and the corners of his mouth curled up slightly.

"About half an hour later, the car slowly came to a stop."

Ye Zao looked out of the window. "Are we here?"

“Yes.” Cen Shaoqing nodded slightly and continued, “Close your eyes first. I want to give you a surprise.”

“What Surprise?” Ye Zao closed his eyes as he was told.

“Cen Shaoqing opened the door and got out of the car. He went around to the front passenger seat, pulled open the door, and reached out to hold ye Zhuo’s hand. “Follow me out of the car. Be careful of the stairs.”

Ye Zhuo followed Cen Shaoqing out of the car.

“The two of them walked for about a minute before Cen Shaoqing’s voice rang in their ears. “Leader, you can open your eyes now.”

Ye Zhuo slowly opened his eyes.

At this moment.

Countless fireworks bloomed from the horizon!

“Red, orange, yellow, green, cyan, blue, and purple. The bright fireworks were reflected in that pair of clear eyes, and they were very dazzling.”

“In the end, these fireworks formed three words.”

Qing Mu Zao.

She looked at the fireworks.

He looked at her.

His gaze was dotting.

“His eyes could accommodate everything in the world, but at this moment, they could only accommodate one of her.”

“Do you like it?”

“I like it.”Ye Zhuo nodded slightly.

“CEN Shaoqing continued, “Oh right, I have another gift for you.””

“What?”

Cen Shaoqing took out a small box. “Open it and take a look.”

Ye Zhuo opened the lid.

He saw a small portrait lying in the box. The features were clearly cut according to her outline.

“You Cut This?”

Cen Shaoqing nodded slightly. “Am I Good?”

“Good! You’re really good!”Ye Zhuo picked up the portrait and studied it carefully. All her fondness was displayed in her eyes.

“Seeing her like this, Cen Shaoqing suddenly felt that the sweat and hard work in the afternoon was worth it.”

...

On the other side.

At the Xi family home.

“It was supposed to be a day of family reunion, but ye Langhua was sitting in her room, holding a child’s clothes in her hands and weeping alone.”

“The older she got, the more afraid she was of the New Year.”

She didn’t know how her daughter was living now.

She didn’t even know if she was still alive.

“Sometimes, she even wanted to die so that she could go to the other world to find her daughter.”

But she was afraid that her daughter would still be waiting for her in this world.

“If she died, wouldn’t her daughter have no mother?”

“”Listen, she’s crying inside again!”Yang Jiao heard the commotion inside and frowned slightly. “It’s the New Year and she’s really unlucky!””

“Xi Muwen, who was beside her, also frowned. “Bear with it, at least until she reveals that secret.””

“Yang Jiao sighed and turned to look at Xi Weiyue. “Weiyue, knock on the door.””

“Chapter 706: 159: a big drama, face-slapping song Chenyu! 1”

Xi Weiyue was the person who looked like little half moon the most in the entire Xi family.

“Because he wanted ye Langhua to think that Xi Weiyue was little half moon who had gone missing, Xi Muwen had specially named his and Yang Jiao’s daughter Weiyue when he was naming her.”

Weiyue and half moon were only one word apart.

Reality proved that.

Ye Langhua really treated Xi weiyue pretty well.

“Ye Langhua did not speak much in the Xi family, and he never took the initiative to communicate with anyone except Xi Weiyue.”

“Many times, ye Langhua would even take the initiative to talk to Xi Weiyue about half moon.”

“Therefore, it was most suitable for Xi Weiyue to knock on the door.”

“Xi Weiyue adjusted her mood, smiled, and walked up to knock on the door. “Auntie.” ”

“Inside, Ye Langhua heard the knock on the door, wiped his tears, and tried his best to control the sadness in his heart. “Who is it?” ”

“Xi Weiyue’s voice came from outside. “Auntie, it’s Weiyue.” ”

“Ye langhua continued, “Weiyue, what’s the matter?” ”

“Xi weiyue continued, “Auntie, it’s the New Year today. My parents asked me to keep you company.” ”

“There’s no need.”Ye Langhua put the clothes in his arms back under the pillow. “You can go back. I’ll be fine by myself.”

Go Back?

Ye Langhua actually asked her to go back?

“When she heard this, Xi Weiyue’s face revealed a hint of surprise. ”

“To be fair, she really treated ye Langhua very well. ”

“Whenever it was a new year or a festival, she would forget no one and would never forget ye Langhua. She would even buy gifts for ye Langhua. She treated ye Langhua even better than her biological mother, Yang Jiao. ”

But what about ye Langhua?

How did ye Langhua treat her?

Ye Langhua did not treat her as her biological daughter at all. She had kept a secret for almost half her life and had not said a single word to her.

She really had no conscience at all.

Treating her well was better than treating a dog!

“Treating a dog well, the dog even knew how to wag its tail at people. ”

What would ye Langhua Do?

Ye Langhua only knew how to think about that biological daughter all day long.

It had been thirty-six years.

She turned a blind eye to the person who was truly filial to her.

“Xi Weiyue bit her lip, but because of that secret, she still maintained a smiling face, she said gently, “Aunt, I know you miss sister again, so please let me come in and accompany you! I’ve been close to you since we were young. On days like this, if I don’t accompany you, I won’t be at ease either!” ”

“”There’s really no need. I’m fine.”Ye Langhua was not in the mood to see Xi Weiyue now. Seeing Xi Weiyue’s face only made her miss her biological daughter even more. “Weiyue, go back and keep your parents company.” ”

Xi Weiyue glanced at XI Muwen and Yang Jiao.

Xi Muwen and Yang Jiao looked at each other and saw the confusion in each other’s eyes.

Not opening the door?

Neither of them had expected ye Langhua to reject XI Weiyue.

This seemed a little abnormal.

“Auntie...”Xi Weiyue still did not want to give up. “Just open the door and let me come in and talk to you for a while. It’s not right for you to keep all your unhappiness bottled up in your heart...”

“In the past, she had accompanied ye Langhua every New Year’s Eve. ”

She did not know what was going on this year.

Could it be that ye Langhua's time was coming?

Xi Weiyue's heart was filled with countless thoughts.

"Inside, Ye Langhua did not speak anymore. "

"Aunt." Xi Weiyue continued to knock on the door.

Ye Langhua still did not speak.

Only the sound of Xi Weiyue knocking on the door could be heard in the air.

"Xi Muwen waved his hand and said in a low voice, "Forget it, let's go back first." "

"Xi Weiyue nodded. "Aunty, if you're really unwilling to open the door, then I'll go back first." "

There was still no reply from inside.

"Xi Weiyue looked inside the room and saw that ye Langhua still had no intention of opening the door, so she followed Xi Muwen's footsteps. "

The family of three was walking on the road.

"Xi weiyue said, "Dad, what do you think Aunty is doing this year?" "

Xi Muwen also frowned.

It had to be said that this year's ye Langhua was indeed a little abnormal.

"He had been married to ye Langhua for 40 years, so he knew ye Langhua very well. "

"Ever since ye Langhua had gone missing half a month ago, she seemed to have changed. "

"In the past, ye Langhua only had heart-to-heart contact with XI Weiyue. "

"Now, ye Langhua even ignored XI weiyue. "

This made Xi Muwen a little worried.

He was worried that things would change.

"Yang Jiao looked at the two of them. "Aren't the two of you not anxious? Last time when I urged you two, you said to be patient. If you're anxious, you can't eat hot tofu. Now you finally know how to be anxious, right? !" "

"Xi Muwen extinguished the cigar in his hand. His face was full of worry. "At a time like this, you should stop making sarcastic remarks! At that time, she wasn't willing to say, so what's the use of US panicking?" "

"Chapter 707: 159: a Big Show, slapping song Chenyu in the face! 2"

"Yang Jiao snorted. "Fine, fine, fine. You're always the one with the right.""

“Xi Weiyue hugged Yang Jiao’s arm and smiled. “Mom, don’t worry. I promise, I’ll never let that crazy woman bring the secret into the soil!””

“Ever since ye Langhua went missing half a month ago, she had become a truly crazy woman.”

She no longer wanted the company.

She no longer wanted her career.

“She actually ran to the place where she went missing half a month ago, opened a private restaurant, and became a cook.”

“Therefore, behind her back, everyone called ye Langhua a crazy woman.”

Yang Jiao raised her head to look at Xi Weiyue. “Why? Do you have a way?”

Xi Weiyue nodded.

“Yang Jiao continued, “What Way? Tell mother about it.””

“Xi Weiyue’s lips curled up as a glimmer flashed past her eyes, “A method isn’t a good one, but I believe that as long as i persist, I can definitely get her to reveal that secret! Otherwise, wouldn’t all my efforts over the years be in vain?””

“In order to get ye Langhua to reveal that secret, Xi Weiyue had persisted for more than ten years.”

“From the age of seven, she had learned how to please ye Langhua.”

In order to please ye Langhua.

“She had even given up on her own interests and hobbies, and lived as another person.”

“Little Half Moon liked the lilies of the bell, and she also liked the lilies of the bell. Little Half Moon liked sweet things, and she also liked sweet things...”

Even her name was because of Little Half Moon.

Xi Weiyue was not willing to give up just like that.

“Seeing XI weiyue like this, Yang Jiao smiled and said, “MMM, I believe in you.””

Xi Weiyue was indeed very outstanding.

She was only twenty-three years old. She had already graduated from graduate school and had her own achievements in the financial world.

She was much more outstanding than most of the children of wealthy families.

“Therefore, Xi Weiyue had always been the pride in Yang Jiao’s heart.”

Xi Muwen turned to look at Yang Jiao. “Has doctor Li talked to you recently?”

“Yes.” Yang Jiao nodded.

Doctor Li was the doctor responsible for ye Langhua’s health.

“Ye Langhua’s health had not been very good all these years. Now that ye Langhua had suddenly changed, Xi Muwen was a little worried that ye Langhua was about to die.”

“Ye Langhua’s life was cheap. If she died, so be it.”

The most important thing was ye Langhua's secret.

"If ye Langhua told that secret, who would care about her life and death?"

The crux of the problem now was that ye Langhua had been guarding that secret the whole time and refused to say a word.

What If ye Langhua really took that secret to the ground?

Yang Jiao shook her head. "Doctor Li didn't say anything about her body recently."

"Then, what's Going On?" Xi Muwen frowned and then turned to look at Xi Weiyue. "Weiyue, come and see her again in the second half of the night."

Today was the New Year.

"It was also the time when ye Langhua's mind was at its weakest. If someone came to comfort ye Langhua at this time, they would definitely make ye Langhua spill everything."

"Okay." Xi Weiyue nodded.

...

On the other side.

Ye Zhuo and Cen Shaoqing were still watching the fireworks at the back of the mountain.

"Cen Shaoqing had prepared a lot of fireworks. Other than the ones with subtitles, there were also other shapes."

“The heavenly maiden scattered flowers, the Great Roc soared into the sky, the dove of peace, and the Dragon and Phoenix danced.”

“In the world that ye Zhuo had lived in in his previous life, because of the serious pollution of the environment, fireworks were no longer allowed to be produced. The smell of the new year had long since disappeared. This was the first time she had seen such real and beautiful fireworks.”

She could even smell the faint smell of gunpowder in her nostrils.

Cen Shaoqing looked at her with slightly lowered eyebrows. He reached out and gently brushed away the white snowflakes on her hair.

The snowflakes fell on her hair.

“On her neck, on her nose, and even on her bright red lips.”

Cen Shaoqing’s Adam’s apple moved slightly.

He had the urge to eat the snowflakes on her lips.

“Sear Sear.” Cen Shaoqing’s thin lips opened slightly, and her low voice was a little hoarse.”

“Mm.” Ye Zao raised his eyes slightly.

“Cen Shaoqing lowered his head, and just like that, his thin lips pressed onto her red lips. His hot palm pressed against her slender waist, pulling her into his embrace.”

He was so strong.

It was as if he wanted to fuse her into his bones and blood.

At this moment.

“The sound of fireworks, the wind, and the sound of snow all turned into nothingness.”

Ye Zao was a little stunned.

“At this moment, her nose was filled with sandalwood, and there was a faint smell of tobacco.”

“The man who appeared gentle on the surface was like a giant beast that had been dormant for a long time. His thin lips were burning everywhere, attacking cities and seizing pools.”

“In the end, the snowflakes on his red lips were swallowed into someone’s stomach.”

“Chapter 708: 159: a Big Show, slapping song Chenyu in the face! 3”

After a long while.

About five minutes.

“Cen Shaoqing moved his lips away, and his breath stopped by Ye Zao’s ear unsteadily. “Leader, are you satisfied?” ”

“Can you not talk?”Ye Zao had never experienced this in his previous life and this life.

This was the first time.

Yet CEN Shaoqing still had to ask.

Ye Zao had never known.

“Cen Shaoqing, who was cold and abstinent, had such a side to him. ”

He was simply a hooligan!

Who would believe this?

Cen Shaoqing chuckled and wrapped ye Zao in his coat.

“Ye Zao was wrapped in this person’s embrace, tightly surrounded by a layer of warmth. Every breath he took was filled with the scent of his own male hormones. ”

...

“Soon, it was the second half of the night. ”

Xi Weiyue once again came to ye Langhua’s courtyard. “Aunty.”

“What’s Wrong?”Ye Langhua’s voice came from inside.

“”Aunty, are you hungry? I’ve asked the kitchen to make bird’s nest stew. Do you want to drink some?”
”

“Ye langhua continued, “No need, I’m not hungry. Weiyue, you can go back.” ”

“Xi Weiyue’s expression did not change. She said gently, “Aunty, I’ve already brought it over. You should at least drink a little, right?” ”

“At this moment, the door opened from the inside.”

Creak —

“Seeing this, Xi Weiyue’s eyes lit up and she immediately walked forward. “Aunt.” ”

Ye Langhua did not have much of a smile on his face. “Come in.”

“Okay.”

Xi Weiyue carried the bird’s nest and walked in with ye Langhua.

Ye Langhua’s room was very clean.

“However, Xi Weiyue kept feeling that this place was eerily gloomy, just like ye Langhua’s entire person. He kept a straight face all year round, making people look very depressed.”

“”Auntie, please drink the bird’s nest while it’s hot.”Xi Weiyue handed the bird’s Nest to ye Langhua. ”

Ye Langhua reached out to take the bird’s nest.

“After taking a sip, he put it down. ”

“Xi weiyue continued, “Auntie, are you thinking about Sister Half Moon again?” ”

Ye Langhua did not say anything.

Of course.

How could she not think about it.

It was a piece of meat that had fallen from her pregnancy of ten months.

“Xi weiyue continued, “Auntie, I believe that Sister Half Moon is living a very happy life now. She definitely doesn’t want you to worry about her.” ”

“Are you saying that my little half moon is still alive?”Ye Langhua seemed to have grabbed onto a life-saving straw as she looked at Xi Weiyue.

“Xi Weiyue nodded. “Of course, aunt. A good person will be rewarded. You’ve done so many good things. Sister Half Moon will definitely be fine.” ”

Fine?

How could she be fine.

It had been more than 30 years.

That Little Half Moon must have died a long time ago.

“Ye Langhua saw redemption in Xi Weiyue’s words. “That’s right, that’s right. Weiyue, you’re right. My little half-moon is definitely fine. She’s definitely fine.” ”

“”That’s right, Auntie. So you don’t have to worry at all.”Xi weiyue continued, “Although sister half-moon can’t be found, you still have me. You can treat me as your biological daughter. If you have anything to say or have any worries, you can tell me. I’ve watched you grow up. In My Heart, you’re just like my biological mother.” ”

Xi Weiyue spoke with sincerity.

It was as if she really treated ye Langhua as her own mother.

“Ye Langhua nodded. Looking at Xi Weiyue’s face, she could not help but shed tears.”

If only her little half moon was still around.

She would definitely be as beautiful as Xi Weiyue.

“Xi Weiyue looked at ye Langhua and narrowed her eyes. She then said, “Aunt, I plan to join the Shunxi Financial Group.””

The Shunxi Financial Group was the most mysterious financial group in the financial world.

It was made up of the five big families in the world.

It was the second largest financial group in the world.

“Ye Langhua did not have any special expression on her face. She just nodded and said, “Okay.””

Okay?

Xi Weiyue looked at ye Langhua from the corner of her eyes.

“Did this crazy woman, Ye Langhua, really not understand, or was she pretending not to understand?”

Was the Shunxi Financial Group that easy to join?

That was the second largest financial group in the world!

Could it be that...

Ye Langhua really had nothing to do with the Shunxi Financial Group?

Was everything just their conjecture?

“Xi Weiyue narrowed her eyes and continued, “Aunt, the Shunxi Financial Group has a very high threshold. It’s not easy for ordinary people to enter. Aunt, you’re very knowledgeable. Is there anything you want to tell me?” ”

Ye Langhua shook her head and her gaze was calm. “I don’t know much about the Shunxi financial group either.”

Don’t Know?

Was it true that she really didn’t know?

Ye Langhua was not an ordinary person when she was young.

She was talented and versatile.

“Moreover, it was rumored that one of the five big families of the Shunxi Financial Group was the ye family.”

This ye family had nothing to do with Ye Langhua?

“Xi Weiyue did not continue the topic and picked up the bird’s nest on the table. “Auntie, this bird’s nest should be drunk while it’s hot.” ”

“Chapter 709: 159: a Big Show, slapping song Chenyu in the face! 4”

Ye Langhua waved her hand. “I can’t drink anymore.”.

“Xi weiyue continued, “Even if it’s for Sister Half Moon, you have to drink more. What if Sister Half Moon comes back one day and your body collapses? What should I do?” ”

“When she heard this, Ye Langhua immediately took the bowl in Xi Weiyue’s hand and gulped down the bird’s nest. ”

Xi Weiyue narrowed her eyes.

A cold glint flashed across her eyes.

It was not wrong to say that ye Langhua was inferior to a dog.

“She was so good to Ye Langhua, but she was still inferior to that half a month who was already dead. ”

“She earnestly persuaded ye Langhua to drink all the bird’s nest, but ye Langhua refused to drink even half a mouthful. ”

“But when it came to the half a month, ye Langhua picked up the bowl and drank all of it. ”

Could it be that she was worse than a dead person?

“If it were not for ye Langhua being useful, she would not serve a crazy woman so indiscriminately. ”

“After drinking the bird’s Nest, ye Langhua put down the bowl and looked up at Xi Weiyue. “It’s getting late. Weiyue, you should go back and rest.” ”

“Xi Weiyue held ye Langhua’s hand. “Auntie, I still want to accompany you for a while.” ”

Ye Langhua patted Xi Weiyue’s hand. “Go back. I need to rest too.”

“”Okay.”Xi weiyue nodded and stood up from the chair. “Then, Aunty, rest early. I Won’t disturb you anymore.” ”

Ye Langhua sent Xi Weiyue out of the door.

“On this side, Xi Weiyue had just walked out of ye Langhua’s courtyard when Yang Jiao walked out from not far away. “How is it?” ”

Xi Weiyue shook her head.

“Did you tell her about the Shunxi Financial Group?”Yang Jiao asked.

“”I did,”xi weiyue continued, “Mom, do you think we guessed wrong? The Shunxi Financial Group’s Ye family has nothing to do with Ye Langhua? “Think about it. If the Shunxi Financial Group’s Ye family really has something to do with her, it’s impossible for the Ye family to be completely silent after such a huge incident.” ”

Yang Jiao also felt that it was a little strange.

Ye Langhua’s love for Xi Weiyue was not an act.

“Now, Little Half Moon had already passed away. ”

Xi Weiyue looked so much like little half moon.

“Currently, Xi Weiyue was ye Langhua’s only heir. If ye Langhua had something to do with the Shunxi Financial Group, Ye Langhua would not just stand by and watch.”

“Yang Jiao continued, “Even if the Shunxi Financial Group has nothing to do with Ye Langhua, that incident is still true! No matter what, we have to get that secret out of her!” ”

Xi Weiyue nodded.

...

The next morning was the first day of the New Year.

“Although ye Zhuo slept quite late last night, he woke up quite early in the morning.”

“After washing up, Ye Zhuo went to the wardrobe to pick out some clothes.”

“Although the temperature in the capital city had dropped to minus ten degrees Celsius, her clothes could be adjusted to the temperature, so she only needed to wear two thin clothes.”

Today was the first day of the New Year.

“Therefore, Ye Zao chose a red coat. The sleeves of the coat were decorated with pearls, which perfectly complemented the pearls beside her ears.”

Her skin was white.

“After the red coat on the bed, her entire face was so white that it was almost transparent.”

Under his feet was a pair of black Martin boots.

1

It looked beautiful and wild.

“Ye Zao had just opened the door when little white walked over from the side. “The most beautiful person in the universe, Da Zao, Happy New Year. Congratulations on making a Fortune!” ”

“Happy New Year.”Ye Zao patted Little White’s head.

“Little White said aggrievedly, “Da Zao, it’s your fault if I become stupid in the future!” ”

“Ye Zhuoluo’s red lips parted slightly. “Don’t worry, I’ve installed the strongest AI for you. No matter what you do, you won’t become stupid.” ”

“Really?”Xiao Bai’s eyes lit up.

Ye Zhuoluo lit up the elevator. “When have I ever lied to You?”

“Xiao Bai immediately stretched his cute little head over. “Da Zhuoluo, feel free to take any pictures!” ”

Ye Zhuoluo couldn’t help but laugh.

Ding —

The elevator door opened.

Ye Zhuo walked in and pressed the button for the first floor.

“Soon, the elevator arrived at the first floor.”

“Happy New Year, Auntie!”

“The moment the elevator door opened, five little guys surrounded them.”

“Today was the first day of the New Year. The five little guys were dressed very jubilantly, like a lucky doll.”

“Happy New Year.” Ye Zhuo touched the heads of the five little guys.

“Aunt, there are gold ingots in the morning. How many do you want to eat?”

“Gold ingots?” Ye Zao was stunned. What was that?

“Luo Luo smiled and said, “Aunt is a big idiot! She doesn’t even know about gold ingots! Gold ingots are just eggs!”

“There was a custom in the capital, and it was customary to call eggs on the first day of the new year gold ingots.”

Ye Zao nodded. “Then I’ll just eat one.”

“Chapter 710: 159: a Big Show, face-smacking song Chenyu! 5”

“Luo Luo said with a proud face, “Aunt, I can even eat three gold ingots! Why did you only eat one?”

“Ye Zao was a little surprised. “Luo Luo, are you that good?” ”

“Of course!”

Duan Duan was a little unconvinced. “Eating three is nothing. My Daddi can still eat five!”

“My Daddi can eat ten!”

“Ye Zhuo smiled and said, “Alright, Alright. All of you, stop arguing and quickly go eat.” ”

Only then did the five little ones stop the war and follow ye Zhuo to the dining hall.

Almost all of the Lin family members had woken up.

“At this moment, the dining hall was filled with people. ”

Breakfast was noodles and eggs.

“Just after breakfast, there was a knock on the door. ”

Ye Zao walked over to open the door.

“As soon as he opened the door, he saw Cen Shaoqing covered in snow. ”

“The snowflakes outside were very big. At this moment, Cen Shaoqing’s head and clothes were covered in snow. ”

“”Happy New Year, leader.” ”

“Happy New Year.”

“Cen Shaoqing was just about to step into the door when ye Zao said, “Wait a moment.” ”

“What’s Wrong?”

Ye Zao stood on Tiptoe and patted the snow off Cen Shaoqing’s hair.

“After patting away all the snowflakes, ye Zao brought Cen Shaoqing in. ”

“In the entire ye family, Cen Shaoqing had the lowest seniority, apart from the five little guys. ”

“He was originally a serious person. No matter where he went, he was always flattered by others. However, when he arrived at the Lin family, he still had to take the initiative to greet the New Year. “Happy New Year, Uncle Lin.” ”

““Happy New Year, Uncle.” ”

““Happy New Year, Uncle.” ”

““Happy New Year, second uncle...” ”

“After greeting uncle and aunt, there were ten older brothers and nine older cousins. ”

“If this was in the past, the Lin family would definitely not be used to it. ”

“After all, this person was Cen Shaoqing. ”

“But now, the Lin family was already used to it.”

“Ye Sen lay on the sofa and played on his phone. After playing a game, he looked up at Ye Zao. “Zao Zao, when are we returning to Yun Jing?” ”

“Ye Zao said, “The sixth day of the first lunar month.” ”

“Okay.”Ye Sen continued to play on his phone.

“After paying their new year’s greetings, Ye Zao and Cen Shaoqing went to the Cen family home.”

The CEN sisters were all gathered today.

“At this moment, the family was sitting in the living room chatting. When they saw Cen Shaoqing bringing ye Zao over, the sisters were overjoyed. “Zao Zao is Here!” ”

““Zao Zao, is it cold outside?” ”

The sisters forcefully pushed Old Lady Cen to the side.

Not to mention Old Lady Cen.

Even Cen Shaoqing was pushed far away.

“Although Cen Yuyan was a little unhappy, she did not show it.”

She did not understand.

What was so good about ye Zao?

It was worth for the three sisters to like her so much.

Could it be that Old Lady Cen was blind and the three sisters were blind as well?

“Cen Yueying took out a red packet and handed it to ye Zao. “Zao Zao, this is the new year’s money!” ”

“Cen Yueya was not willing to be outdone and took out an even thicker red packet. “Zao Zao, this is a little gift from second sister.” ”

“Cen yuying smiled and said, “And me.” ”

The red packets that these three sisters took out were each bigger than the other.

Only Cen Yuyan did not take it.

Old Mrs. Cen looked at Cen Yuyan unhappily.

She felt that Cen Yuyan didn’t do it honorably.

Old Mrs. Cen quietly stuffed her red packet to CEN Yuyan.

““Grandma, what are you doing?”Cen Yuyan looked at Old Mrs. Cen. ”

“Old Mrs. Cen was holding her anger in her heart and gritted her teeth. “Take it to Yezi.”Thinking of her illustrious reputation, she even helped Cen Shaoqing find such an outstanding daughter-in-law. How could she have such a granddaughter? ”

“Cen Yuyan finally reacted. She had to put on a show. She took the red packet from old Mrs. Cen and walked to Ye Zao. “Zao Zao, this is fourth sister’s token of appreciation.” ”

“Thank you, fourth sister.” ”

“Cen Yuyan smiled and said, “You’re welcome. We’re all family.” ”

Cen Yuyan’s lowered eyes were filled with sarcasm

Family?

She wanted to see how many more days Cen Shaoqing could endure ye Zao.

Just wait.

Cen Shaoqing would break up with ye Zao sooner or later.

“After CEN Yuyan received the red packet, CEN could only go back to her room to prepare the red packet again. She specifically held Zhou Xiang back and did not give the red packet to ye Zao for the time being. She waited for her to take it as well. ”

“Otherwise, it would be too awkward for her to give the red packet to ye Zao alone. ”

“Cen Yueying pulled ye Zao and sat down on the sofa. “Zao Zao, this is your favorite pineapple!” ”

“Thank you, third sister.”Ye Zao reached out and took the pineapple. ”

“Is it sweet?”Cen Yueying asked.

“Very sweet.”Ye Zao nodded.

“Cen yueying smiled and said, “I know you like to eat pineapple. This pineapple was personally picked by our fifth girl at the supermarket yesterday morning.”
