

## Almighty D 711

“Chapter 711: 159: a Big Show, slapping song Chenyu in the face! 6”

Cen Yueying only dared to slap Cen Shaoqing in front of ye Zao when he was around.

“If ye Zao was not around, she would not dare to call Cen Shaoqing the fifth girl. ”

“Then I have to eat more. I Can’t let the fifth girl down.”Ye Zao teased Cen Shaoqing with Cen Yueying.

Cen Shaoqing:” ...”the fifth girl was a bad joke.

“CEN Yueying continued, “After eating the pineapple, there are still cherries. This cherries was also bought by the fifth girl.” ”

“At this moment, Cen Yueya looked at ye Zao and said with some surprise, “Zao Zao, are you wearing the latest model of ZY Technology?” ”

“Yes.”Ye Zao nodded slightly.

“CEN Yueya continued, “I have also been eyeing their new model for a long time. Unfortunately, my hand speed is still a little slow.” ”

“Ye Zao smiled and said, “Second sister, if you like it, you can tell me. Next time, I’ll help you snatch it for you.” ”

“”Really?”Cen Yueya’s eyes lit up. She was also a designer, so Cen Yueya really liked Z’s works. Unfortunately, the clothes that z personally designed were all limited edition. ”

It was impossible to snatch them if they were not the chosen ones.

“Other than the limited edition that ye Zao gave her last time, the others were all normal editions.”

Ye Zao nodded slightly. “Of course it’s true.”

“CEN yueying said, “Zao Zao, you can’t favor one over the other. Other than second sister, I also like ZY’s limited edition.” ”

“”And me!”Cen Yuying, who had always been very generous, also raised her hand. ”

“Ye Zao smiled and said, “I’m very familiar with ZY’s designers. Eldest sister, second sister, and third sister, if you guys have any styles that you like in the future, just send them to me directly. I’ll help you guys settle it!” ”

“Really?”The three of them were especially excited.

Ye Zao nodded slightly. “Of course it’s true.”

“Hearing this, Cen Yuyan raised her head and looked at ye Zao. ”

She was also a loyal fan of ZY technology.

“When ye Zao called the other three sisters, he didn’t even call her. ”

He was really too insensible.

“At this moment, CEN Yuyan remembered that song Chenyu had used her phone to add ye Zao’s wechat. ”

“Later on, she forgot about this matter. ”

Did Ye Zao agree to be friends with her?

Cen Yuyan quickly took out her phone and saw ye Zao’s wechat in her contact list.

“At this moment, CEN Yuyan received a wechat message from song Chenyu. ”

“Cen Yuyan then remembered something more important, she stood up and said, “Elders sister, second sister, third sister, Shaoqing, Zao Zao, the few of us are quite bored at home. Why don’t we go out for a walk? I know a club with a lot of entertainment facilities.” ”

““Sure! I also feel that it’s quite boring at home,”Cen Yueying stood up and said. ”

Cen Yueya and Cen Yuying also expressed their agreement.

Cen Shaoqing turned to look at Ye Zhuoluo.

“Ye Zhuoluo smiled and said, “I don’t have a problem with that either.” ”

Old Madam Cen came down from upstairs. “Where Are you guys going? I want to go too!”

“Ye Zhuoluo walked over and held old Madam Cen’s arm. “Grandma Cen, then let’s go quickly.” ”

“En!”Old Mrs. Cen nodded and held ye Zhuo’s hand. “We two little girls will go together and ignore them.”

Ye Zhuo smiled.

“Zhou Xiang stood up and said, “Then I’ll go along and join in the fun.” ”

Cen Yuyan didn't expect the entire family to go together.

But it was better this way.

"It just so happened that the family didn't understand song Chenyu, so they could take advantage of this opportunity to let everyone see a talented and beautiful song Chenyu. "

"Cen Yuyan took out her phone and sent a wechat message to song Chenyu. [ Chenyu, my grandma and my mom are coming too. ] "

"On the other end of the screen, when Song Chenyu saw this message, the corner of her mouth curled up slightly. She replied, [ Okay. ] "

Okay.

This was really great.

"This time, she wanted to get back all the face she had lost in front of Ye Zhuo! "

"For today, song Chenyu even invited Li Shang. "

Who Was Li Shang?

"The CEO of Xing Tianxia Media Co. , Ltd. . He was also ye Zao's immediate superior. "

Song Chenyu still did not believe that ye Zao was a phd in Science and technology.

How Old was ye Zao?

“Ye Zao was 19 last year, and he was only 20 this year after the New Year.”

Which of those phd's were not in their early 40s?

What right did ye Zao have?

“Other than being an anchor and relying on her face to make a living, what else could she rely on?”

The Cen family was the number one family in Huaxia.

Old Mrs. Cen and Zhou Xiang were both from prestigious families.

Would they tolerate their daughter-in-law being a small live streamer?

“Therefore, she wanted to expose ye Zao's true identity in front of the Cen family!”

“In addition to exposing the truth in front of the Cen family, she also wanted to indirectly remind ye Zao not to try to compete with her.”

Ye Zao was not from the same world as her.

How could a live streamer compete with a celebrity?

“The people she interacted with were all big shots. She could sit at the same table as the world-famous CEO, Li Shang, and drink tea. Could Ye Zao do it?”

“On the other side, the CEN family sat on the extended version of Lincoln and came to the club that Cen Yuyan was talking about.”

This was a membership club.

“There were all kinds of food, drinks, and entertainment. ”

“Cen Yuyan smiled and said, “My friend has already booked a room upstairs. We can just go over directly.” ”

Friend?

Old Mrs. Cen’s eyebrows jumped subconsciously.

Could it be that this friend that was so stupid was song Chenyu?

“It was the new year, what was Cen Yuyan trying to do? ”

Old Mrs. Cen frowned without a trace.

“As soon as she came upstairs, song Chenyu walked out. “Yuyan, you’re here.” ”

“Chenyu.”

“Song Chenyu greeted the others again. “Auntie, Old Madam, the two of you are here too.” ”

“When Old Madam Cen saw song Chenyu, her displeasure was written all over her face. ”

She really did not expect Cen Yuyan to be so stupid to this extent.

She could really infuriate people to death!

“Fortunately, ye Zao did not have a weak character. Otherwise, he would have been dragged down to death by her.”

“Song Chenyu then greeted the Cen family’s sisters, then, he said, “Cen Fifth Master and Miss Ye are also here. Please come in quickly. I didn’t know that you were coming just now, so I invited a few guests as well. Please don’t mind.” ”

“Cen Yuyan smiled and said, “What’s there to mind? It’s only lively when there are more people. Besides, we came uninvited. Chenyu, it’s good that you don’t mind.” ”

The few of them came inside.

Everyone was a little surprised when they saw the CEN family members. They thought that they were hallucinating.

Cen family members?

CEN fifth master?

“Song Chenyu turned to look at Ye Zhuo, he smiled and said, “Miss Ye, it’s a coincidence. Today, I also invited CEO Li. I heard that you just signed a contract with CEO Li’s world-traversing company not long ago. Come, let me introduce you. This is CEO Li.” ”

A small live streamer like ye Zhuo definitely did not have the qualifications to meet Li Shang.

“After saying that, song chenyu continued, “CEO Li, this is Miss Ye. She’s also a live streamer that your company has just signed a contract with. Miss Ye and I are very good friends. I hope that CEO Li can take care of Miss Ye at work.” ”

“Li Shang looked at Ye Zhuo. “Ye, CEO Ye?” ”

Chapter 712: 159: continue to slap my face and Call Me Daddy in public! 1

“When Li Shang saw ye Zao, he was stunned for a moment.”

“If song Chenyu had not taken the initiative to introduce ye Zao, he would have thought that he was hallucinating.”

He did not expect song Chenyu and ye Zao to know each other. He did not expect to see ye Zao in this club.

President Ye?

This call of President ye not only stunned Cen Yuyan.

Even song Chenyu was stunned.

Who Was Li Shang calling President Ye?

Ye Zao?

Ye Zao was President Ye?

Wasn't Ye Zao a live streamer under President Li?

When did she become President Ye?

Did Li Shang get the wrong person?

Song Chenyu frowned without leaving a trace.

Ye Zao smiled slightly. "Uncle Li."

"Li Shang and Lin Jincheng were about the same age, so it was reasonable for ye Zao to call him Uncle Li."

"Li Shang looked at song Chenyu and said very formally, "Miss Song, let me introduce you. This is the real boss of our company, President Ye. I'm just President Ye's partner.""

"Song Chenyu asked him to take care of Ye Zhuo, so how could Li Shang still stand firm?"

"Although ye Zhuo was young and always called Li Shang as Uncle Li, Li Shang never treated her as a little girl."

A boss was a boss.

"Hearing Li Shang's introduction, Song Chenyu was stunned."

Ye Zhuo was the boss of world of Xing?

Li Shang was just a partner?

Did she hear wrongly?

"Song Chenyu had originally wanted to introduce Li Shang to ye Zhuo, but never did she expect things to turn out this way. Ye Zhuo had actually become Li Shang's boss. She was extremely depressed, but she still maintained a smile, she said in surprise, "I didn't expect Miss Ye to be the boss of the world. You're really young and promising!"

“Song Chenyu was, after all, from the entertainment industry. Although she found it very difficult to accept this fact, there was not a single trace of abnormality on her face.”

“Ye Zao’s eyebrows remained the same, and his tone was shallow. “Miss Song, you flatter me.””

“Old Mrs. Cen walked in front of Ye Zao and looked at Song Chenyu, she raised her chin and said, “Of course! My granddaughter-in-law is not young and promising. Who is young and promising? Do you really think that any Tom, Dick, or Harry can become the CEN family’s daughter-in-law? !””

Ye Zao was so outstanding.

“As a grandmother, Old Mrs. Cen was also honored!”

“If it were not for her, would cen Shaoqing have married such an outstanding wife?”

She could see through song Chenyu’s tricks.

“Song Chenyu only wanted to use the fact that she knew Li Shang to make a name for herself in front of ye Zao. However, she never expected that ye Zao was the boss of the world!”

This face slap was too exciting!

Old Mrs. Cen’s indifferent words turned into a loud slap on song Chenyu’s face.

A cat or dog?

She was a cat or dog?

Although song Chenyu knew that old Mrs. Cen did not like her.

“But she had thought that in old Mrs. Cen’s heart, she was a nobody!”

Everything in the world could not escape the law of fragrance.

She was waiting for the day old Mrs. Cen called her a nobody’s granddaughter-in-law!

The others in the room were also stunned.

They had only heard that Cen Shaoqing had a girlfriend.

But they did not know that Cen Shaoqing’s girlfriend was ye Zhuo.

“Moreover, looking at Old Madam Cen’s appearance, she was very satisfied with Ye Zhuo. Otherwise, she would not have announced that ye Zhuo was her granddaughter-in-law in front of so many people.”

Song Chenyu had originally invited these people to see ye Zhuo lose face.

Who would have thought that the person who lost face in the end would instead be her? She was a superstar that was held up by the entire entertainment industry. When had she ever suffered such grievance?

“Song Chenyu suppressed his anger and said with a smile, “Old Madam is right. Miss ye is graceful and graceful, and Zhong Lingyuxiu is indeed not someone that ordinary people can compare to.””

Old Madam Cen looked at Song Chenyu.

Little Lotus.

She was quite calm.

“She was just short of naming song Chenyu as a nobody, but song Chenyu could still smile and praise ye Zao.”

His skin was thick enough!

It could be said that he was at the corner of the city wall.

“He didn’t have the looks of a vixen, yet he was trying to seduce people by copying other vixens.”

He really overestimated himself.

Did song Chenyu think that she was an old fool?

“With a good grandmother like her in China, this fish wouldn’t be able to succeed!”

Old Mrs. Cen snorted coldly.

“Cen Yuyan walked over with a smile. “Grandmother, Zao Zao, Chenyu, we’re here to play today, so don’t just talk. Sit down first.”Cen Yuyan was also angry.”

“She was clearly here to look for trouble for Song Chenyu today, but she didn’t expect the limelight to be stolen by ye searing.”

No.

She still had to help song Chenyu look for trouble.

“Cen Yuyan narrowed her eyes, thinking about how to help song Chenyu look for trouble.”

Chapter 713: 159: continue slapping my face and Call Me Daddy in public! 2

Old Mrs. Cen rolled her eyes at Cen Yuyan.

What a brainless thing!

How could she have such a brainless granddaughter?

“Yuyan is right. Let’s all take a seat first,” song Chenyu followed. ”

“Because the CEN family had joined in, the others in the private room became much more reserved. ”

Old Mrs. Cen pulled ye Zhuo to sit beside Cen Shaoqing.

“After sitting down, Old Mrs. Cen said in a low voice, “Ye, let me tell you, that ugly fish is not a good person! She’s just a scheming little lotus! You mustn’t be like the ignorant fourth brother and have a heart-to-heart with her!” ”

Ye Zhuo nodded slightly. “I know.”

“Having fought with song Chenyu so many times, she naturally knew what song Chenyu was thinking. ”

“Madam Cen was afraid that Ye Zhuo would be deceived by song Chenyu, so she continued, “Ye, you know who the ugly fish I’m talking about is, right?” ”

“I do.”

“Then who do you think I’m talking about?” Madam Cen continued to ask.

Ye Zhuo lowered his voice. "Song Chenyu?"

"Yes, yes, yes!" Madam Cen laughed out loud, "You really know me, Ye Zi!" "The ugly fish I'm talking about is her!" She's really a clown who doesn't know her place. She looks so ugly in clothes, and she thought she was so pretty! It's fine if she's pretty, but she's so ugly, and she's still pretending! The most interesting thing is that she actually claims to be the number one beauty in the entertainment industry!"

"In old Madam Cen's view, Song Chenyu couldn't even compare to a strand of Ye Zao's hair."

She didn't know where Song Chenyu's sense of superiority came from in front of Ye Zao!

"Yet, Cen Yuyan still wanted to get involved."

She was like a fool.

"Old madam Cen continued, "Yezi, if only that stupid fourth brother was half as smart as you! Ugly fish was about to sell her, yet she was still counting the money for ugly fish! Thinking of my illustrious reputation, how could I have such a silly granddaughter!"

She was too silly!

"She was so silly that old lady Cen couldn't bear to look at her. It was better for her to take a look at her granddaughter-in-law, the most beautiful woman in the universe, to wash her eyes!"

This private room was very big.

"There were all kinds of entertainment facilities in it. After sitting for a while, everyone became less reserved and began to move around. Some played billiards, and some began to play truth or Dare."

"Do you want to try that Dart?" Cen Shaoqing peeled an orange and handed it to Ye Zhuo.

“It’s a little sour.”Ye Zhuo tasted an orange and turned to look at the dart board not far away. “You mean that one?”

“Yes.”Cen Shaoqing nodded slightly.

“It’s no big deal.”Ye Zhuo stood up and walked over.

Cen Shaoqing also stood up.

“This dart board was about five meters away from the dart board, and its height was 1.8 meters. ”

“On the ground, there were a bunch of darts that missed. ”

“If you wanted to hit the darts, not only did you have to find the right direction, but you also had to have strength. ”

“Otherwise, even if you threw the darts, the darts could not be stuck on the dartboard. ”

Ye Zao picked up a dart and was about to throw it.

Bang!

A dart flew out from the side.

It hit the Red Bull’s eye.

Someone had made a move before her.

Ye Zao looked up slightly and saw the gentle-looking song Chenyu.

That's right.

This dart was thrown by song Chenyu.

“Song Chenyu smiled at Ye Zao. “Miss Ye, do you also like to play with darts?” ”

““It's average,”ye Zao said indifferently. ”

Average?

He probably couldn't hit it at all?

Darts were not something that girls could play with.

Song Chenyu had also practiced darts for the sake of filming.

He did not expect it to come in handy today!

He even showed off his skills in front of Cen Shaoqing.

“Cen Yuyan walked over from the side and said with a smile, “You hit the bull's-Eye! Chenyu, you're so amazing!” ”

“Song Chenyu smiled at Cen Yuyan and said humbly, “I was just throwing it for fun. It's not considered amazing. It can't be compared to a professional.” ”

“CEN Yuyan continued, “You can hit the bull's-eye just for fun. Isn't that amazing? Then wouldn't someone like me be called Trash?” ”

“Seeing this scene, the Cen old lady on the side frowned unhappily, “How can there be this ugly fish everywhere? Isn’t it just a Dart? What’s so great about it!” ”

”

“Cen Yueying, who was at the side, smiled and said, “Grandma, I’ve seen it. The throwing distance of this club’s darts is much farther than the professional darts competition distance! Song Chenyu is a girl. It’s really not easy for her to hit the target in one shot.” ”

“Although Cen Yueying was a girl, she liked to watch darts competitions very much. She had also practiced in her spare time, but she was not as good as song Chenyu. ”

“Old Mrs. Cen snorted coldly. “Third girl, Yezi is your sister-in-law. Why are you always trying to influence others?”Old Mrs. Cen did not want Cen Yueying to praise song Chenyu! ”

Chapter 714: 159: continue slapping her in the face and call her dad in public! 3

“CEN yueying continued, “Grandma, I’m telling the truth. It’s true that Zhuozhu is my sister-in-law, but Zhuozhu isn’t omnipotent. No one is perfect, so it’s normal that she doesn’t know how to throw darts. However, although Zhuozhu doesn’t know how to throw darts, she’s amazing in other aspects!””

“Old Mrs. Cen was still a little unhappy, “So what if she knows how to Dart? She’s not doing her job properly! Our family’s Yezi knows medicine, can program, can assemble robots, and is also the boss of a media company. Does that ugly fish know how to do it? “What does she have to be proud of? “In any case, Yezi is omnipotent in my heart!””

“Cen yueying smiled and patted old Mrs. Cen’s shoulder. “Alright, Grandma, don’t be angry.””

Old Madam Cen was still very angry.

“Cen Yuyan, on the other hand, looked very appeased.”

Song Chenyu had finally managed to turn the tables around.

However.

This was not enough.

It was far from enough!

The good show had just begun!

Song Chenyu still had a lot of ways to crush ye Zao.

“The more Cen Yuyan thought about it, the happier she became. She raised her head and looked at ye Zao. “Zao Zao, if you want to play darts, you can let Chenyu teach you. Chenyu is a very responsible teacher.””

“Song Chenyu picked up a dart and looked up at Ye Zao. She spoke softly, “As long as Miss Ye doesn’t mind, I can share some tips with Miss Ye. Actually, darts aren’t very suitable for girls to play with. They’re too sharp. If you’re not careful, you’ll easily hurt yourself.””

A delicate flower like ye Zao was definitely not suitable to play with darts!

Ye Zao was like a dodder flower that needed to attach itself to.

All of her strengths were like those female stars in the entertainment industry who deliberately set themselves up. All of them were concave!

This was not the real ye Zao.

“Once she encountered practical problems, Ye Zao could only turn into a dodder flower.”

Cen Shaoqing frowned slightly.

“Ye Zao pinched Cen Shaoqing’s hand with one hand and picked up a few more darts with the other. He raised his chin slightly, and his eyes were filled with light. He looked at Song Chenyu and said, “Then I’ll be counting on Miss Song’s guidance!””

“Her gaze was clearly on Song Chenyu, but the darts in her hand were thrown onto the dart board at this time.”

“It was a very casual action, but it revealed a biting cold aura.”

It made people not dare to look directly at it.

Clap Clap Clap!

“At this moment, all six darts hit the dart board. One of them hit the bull’s-eye and even lined up in a straight line!”

It was extremely shocking!

Clang.

“Song Chenyu’s darts that hit the bull’s-eye were squeezed to the ground, making a crisp sound.”

Everyone was stunned when they saw this scene.

No one expected Ye Zao to be so powerful.

There was a total of six darts.

“If only one darts hit the bull’s-eye, it could be said to be a coincidence.”

But now.

Six darts hit the bull’s-eye and were arranged so neatly.

If it were an ordinary person...

Would it work?

Cen Yuyan was stunned. She rubbed her eyes in disbelief.

“No, she wasn’t seeing things.”

“Indeed, the six darts had all hit the bull’s-eye.”

And they were arranged very neatly.

This was too unbelievable!

How could ye Zhuo be so powerful?

Cen Yuyan didn’t react for a long time.

“Clap Clap Clap!” Old Madam Cen was the first to clap. “Good!”

The others also clapped.

“Old Mrs. Cen clapped as she looked at Cen Yueying and said with a proud face, “Third girl, is my granddaughter-in-law awesome?””

“Awesome!” Cen Yueying was also shocked.

“She didn’t expect ye Zao to have such skills. Cen Yueying looked at Old Mrs. Cen, she teased, “But Grandma, your face-changing speed is too fast. Just now, you said that playing darts is not doing your job properly! How did it become awesome when it comes to Zao Zao? Grandma, aren’t You a little double standard?””

“”Can that ugly fish compare to my granddaughter-in-law?” Old Mrs. Cen continued, “Besides, my granddaughter-in-law can hit six darts at once. Can that ugly fish do it?””

“Cen Yueying smiled and sighed, “I really didn’t expect that burning’s skills were so good. Shaoqing has really picked up a treasure now.””

“”It’s clearly my good taste. What does it have to do with that Brat?” Old Mrs. Cen looked at Cen Yueying, then she said, “If it weren’t for me, a good grandma from China, do you think that Brat would have such good luck?””

“Back then, she had chosen ye Zhuo with one look in the crowd.”

“At this moment, Old Mrs. Cen was more and more glad that she had chosen to stay in the cloud capital.”

“If they had left the cloud capital at that time, they would not have met such an outstanding granddaughter-in-law.”

Chapter 715: 159: continue slapping my face and Call Me Daddy in public! 4

“Song Chenyu’s expression turned ugly for a moment, but it quickly returned to normal. She looked up at ye Zao and said, “So it turns out that miss ye is the real expert! I should be the one asking miss ye for advice.” ”

“Ye Zao smiled faintly and said, “A dangerous thing like a dart is not suitable for a delicate flower like miss song to play with.” ”

Old Mrs. Cen covered her mouth and laughed secretly.

Song Chenyu was still far from her precious granddaughter-in-law.

“Cen Yueying looked at Old Mrs. Cen and said in confusion, “Grandma, just laugh. Why are you covering your mouth?” ”

“Old Mrs. Cen said, “I’m afraid that I’ll laugh my fake teeth off.” ”

Cen Yueying:” ...”

“Hearing this, song Chenyu’s expression remained the same, but the hand hidden in his sleeve shook and shook. ”

“She was not a fool, so she naturally understood what ye Zao meant. ”

“In her life, she had never lost to anyone. ”

Especially those of the same sex.

“She lived like a female lead in a TV series. She had the aura of a female lead, and she could do whatever she wanted. There was nothing that she could not get. ”

“However, ever since ye Zao appeared, everything had changed.”

“In just half a year’s time, she had fallen on ye Zao several times.”

“First, it was a race car.”

“Now, it was a dart.”

Was Ye Zao that powerful?

What did ye Zao have?

She didn’t believe that she couldn’t win against ye Zao!

“At this moment, a well-dressed curly-haired woman walked to ye Zao’s side, “Hello, Miss Ye. I’m Zhou Xiaowan. I’ve watched your live broadcast of chess on the fast track platform before. I’m your loyal fan. I didn’t expect to see you in person today!” ”

““Thank you for liking it,”ye Zao’s tone was indifferent.”

“Cen Yuyan walked over and looked at Zhou Xiaowan in surprise. “Xiaowan, so you like Zao Zao Too?” ”

“Zhou Xiaowan, Cen Yuyan, and song Chenyu were very close.”

She was the same as Cen Yuyan. They both felt that a great beauty like song Chenyu should be Cen Shaoqing.

“Song Chenyu and Cen Shaoqing were about to become a couple, but ye Zao interfered. This made Zhou Xiaowan have a bad impression of ye Zao.”

She felt that ye Zao was a third party.

“Zhou Xiaowan nodded and continued, “Miss Ye’s go skills are very good! I like her very much! I also admire her go skills very much.” ”

Ye Zao’s lips curled up slightly.

The fans who really liked her would not call her ‘Miss Ye’. It was just that she was too lazy to expose Zhou Xiaowan right now.

“Not only did she not want to expose her, but she was also very curious about what Zhou Xiaowan and Cen Yuyan were up to. ”

It just so happened that they were quite bored at the moment.

Why not play with them.

Cen Yuyan was even more surprised when she heard this. “So you also know how to play chess?”

“En.”Ye Zao nodded slightly.

“CEN Yuyan continued, “Chenyu also knows how to play chess. What a coincidence!” ”

“Zhou Xiaowan smiled and said, “Yuyan, look, if you didn’t say anything, I would have forgotten that Chenyu also knows how to play chess!” ”

“Not only did song Chenyu know how to play chess, but he was also an expert among experts. ”

Her grandfather was also the president of the Chess Association.

“Song Chenyu, who had grown up in a chess family, was naturally not too bad. Moreover, song Chenyu had extraordinary talent.”

“At the age of thirteen, song Chenyu was first place in Liancheng’s third chess competition.”

Unless song Chenyu did not want to participate in the competition.

Any competition that song Chenyu had participated in would definitely win first place!

“As soon as she finished speaking, Zhou Xiaowan continued, “Then why don’t we let Searing Flame compete with Chenyu? It just so happens that all of us are quite bored now.” ”

“Chess competition?”Ye Zao raised his eyebrows slightly. “Are you sure?”

“Cen Yuyan nodded and said in disbelief, “Searing flame, don’t tell me you don’t dare to play with Chenyu?”Although ye Zao’s chess skills had already reached the grandmaster level in the live broadcast world.”

But that was only in the live broadcast world.

Who knew if ye searing had cheated during the live broadcast?

It was normal for ye searing not to dare to let ye searing and song Chenyu PK Go Skills Face to face today!

“I’ll accompany you at any time.”Ye searing’s brows and eyes were still the same.

A proud expression flashed across Cen Yuyan’s eyes.

She had originally thought that ye searing would know the difficulty and retreat.

She did not expect ye searing to be a person without discernment and actually agreed.

Then she would be crushed by song Chenyu!

She did not know where ye Zao got his confidence from.

“Even if ye Zao did not cheat during the live broadcast, she would not be able to win against song Chenyu.”

“After all, Song Chenyu was born into a chess family.”

His starting point was different.

How could she compete with Song Chenyu?

She really overestimated herself!

Chapter 716: 159: continue slapping my face and Call Me Daddy in public! 5

“Old Mrs. Cen walked over and said with a smile, “What’s so fun about a competition? It’s only fun if we add a little bit of luck!””

““Sure, old Mrs. Cen, what kind of luck are you talking about?”Zhou Xiaowan asked.”

“Old Mrs. Cen continued, “That... Ah No, if song Chenyu loses, the three of you will line up to call my granddaughter-in-law daddy!””

Line up to call daddy!

“The moment she thought of that scene, old Mrs. Cen became extremely excited.”

“When the time came, it would definitely be very exciting!”

“Old Mrs. Cen might be old for victory, but her mentality was still young!”

“How is it? Do the three of you dare to play?” Old Mrs. Cen raised her head to look at Zhou Xiaowan.

Cen Yuyan didn't expect Old Mrs. Cen to interfere.

“She didn't expect Old Mrs. Cen to help her out. She smiled and said, “Grandma, this isn't fair. What if Zhuozhuo loses?””

Old Mrs. Cen rolled her eyes at Cen Yuyan. “Nonsense! How can my granddaughter-in-law lose?”

““That's not certain. What if she loses?” Cen Yuyan smiled. “Grandma, since it's a bet, then we have to be fair and just. You Can't favor Zhuozhuo just because she's your future granddaughter-in-law.””

“Ye Zao replied indifferently, “That's easy. Whoever loses will call me daddy.””

“Alright! It's a deal!” Cen Yuyan turned to look at ye Zao.

“When she heard this, Old Madam Cen was a little worried.”

She was afraid that she had dug a hole for ye Zao.

Even though she was very confident that ye Zao would not lose.

But what if...

“If she knew earlier, she should not have spoken so quickly!”

“Old Mrs. Cen continued, “I’ve thought about it. This wager is not good. Why don’t we change to a more realistic wager?””

“Cen Yuyan turned to look at Old Mrs. Cen. “Grandma, if you say anything, it will be impossible to take back what was spilled. If you want to go back on your word now, it’s already too late.””

Old Mrs. Cen wanted to go back on her word now?

No Way!

Ye Zao was definitely going to call her ‘father’ Today!

Cen Yuyan felt extremely happy just thinking about that scene.

Ye Zao calling Song Chenyu ‘father’ in front of so many people...

Would ye Zao still have the face to meet people in the future?

He definitely wouldn’t have the face to meet people.

“At the same time, Song Chenyu also didn’t expect such an unexpected surprise.”

The current Old Madam Cen was simply a divine assistant to her!

“Ye Zhuo looked at Old Mrs. Cen, hinting that she should not worry.”

“When she met ye Zhuo’s gaze, old Mrs. Cen inexplicably heaved a sigh of relief.”

Don’t Panic!

She could not panic!

She had to trust ye Zhuo.

“In order to prevent Old Mrs. Cen from regretting, Cen Yuyan immediately had the club’s staff set up the chess table.”

“Ye Zhuo and song Chenyu sat at two ends of the table respectively. A bunch of onlookers surrounded the two of them, ready to watch the show.”

“One of them was a big celebrity in the entertainment industry, while the other was CEN Shaoqing’s girlfriend.”

“No matter who lost, it would be a big show of the year.”

“In order to be fair and just, the first step was to guess the go game.”

“In chess, the person holding the red go first.”

“Song Chenyu said, “Miss Ye, why don’t we skip the guessing game? I’ll let you take one step, and you take the Red Go.””

It was said that it was better to make the first move.

“Therefore, in chess, the person holding the red chess piece had a higher chance of winning.”

“However, Song Chenyu was very confident in herself.”

“She believed that even if she took the black chess piece and made a move later than Ye Zhuo, she would definitely win against Ye Zhuo.”

“After all, she had been in contact with chess since she was young.”

Not to mention Ye Zhuo.

“Even the president, Old Master Song, was once defeated by Song Chenyu.”

What was Ye Zhuo?

“Therefore, Song Chenyu didn’t care who took the first step.”

““Since it’s a competition, we have to follow the rules of the competition.” Ye Zhuo’s tone was indifferent. “If Miss Song really gives in to me, then my victory will be unfair.””

Win?

Ye Zhuo actually thought that she would win?

“A layer of sarcasm was enshrouded in Song Chenyu’s eyes, but he didn’t show it in the end.”

“Alright.” Song Chenyu nodded. “Then we’ll listen to Miss Ye. Let’s play go.”

“Since Ye Zhuo did not appreciate her kindness, then don’t blame her for being impolite!”

“In the game of go, Song Chenyu successfully got the red piece.”

What was this called?

This was called a good start.

“Song Chenyu looked up at Ye Zhuo. “Miss Ye, I’ll make a move first.””

“Please.”

Song Chenyu was the first to move.

“Ye Zao’s gaze was indifferent. Without any hesitation, he took a step forward.”

“In this exchange, song Chenyu had eaten ye Zao’s cart, Cannon, and horse.”

“However, in the blink of an eye, Ye Zao had lost five generals.”

“Then, he looked at Ye Zao.”

He had only eaten three of song Chenyu’s minions.

What can soldiers do?

Chapter 717: 159: continue slapping my face and Call Me Daddy in public! 6

Anyone who knew how to play chess would never abandon the chariot to protect the soldiers.

Song Chenyu frowned slightly and could not help but doubt whether ye Zao really knew how to play chess.

“If ye Zao really knew how to play chess, would he have to be so terrible?”

He probably had a false reputation in the live broadcast world.

As for why he won...

He was definitely cheating.

“Seeing this scene, old Mrs. Cen, who was standing by the side, also broke out in a sweat for ye Zao.”

The current situation was very unfavorable for ye Zao.

“It was over, it was over!”

“Ye Zao wouldn’t Really Call Song Chenyu Daddy, right?”

“Old Mrs. Cen frowned and was extremely anxious. Looking at Cen Shaoqing again, he was actually calm and composed, not anxious at all.”

“Old Mrs. Cen said somewhat unhappily, “Yezi is about to lose. Why aren’t you anxious at all? Are you still a biological boyfriend?” ”

“Cen Shaoqing lowered his eyes and looked at Old Mrs. Cen. There was not a trace of nervousness in his eyes. “Grandma, this is not the final step yet. You Don’t have to be so anxious.” ”

No one knew ye Zhuo's chess moves better than Cen Shaoqing.

She was different from ordinary people to begin with.

"Do you mean that Ye Zi will win?" Old Mrs. Cen asked.

Cen Shaoqing nodded slightly.

"Really?" Old Mrs. Cen could not believe it.

"Of course it's true."

"With Cen Shaoqing's words, old Mrs. Cen heaved a sigh of relief. "

The situation was getting more and more serious.

Ye Zhuo's chess pieces were almost eaten up by song Chenyu.

There was only one car left to cross the river.

"Looking at song Chenyu's side, there were still cannons and curses. "

The other people at the side also felt that ye Zao was bound to lose this round.

"Especially Cen Yuyan, her smug expression was almost written all over her face. "

She would soon hear ye Zao call her father.

How could she not be excited?

“I lost! I lost! Miss ye is definitely going to lose this round!”

“Didn’t they say that Miss Ye is a big chess player in the live broadcast industry? Why is her chess skills so bad?”

“Live broadcasts are always fake. That’s all marketing. Do you really believe it?”

“I didn’t expect Miss Song’s chess skills to be so good!”

“I heard that Miss Song’s grandfather is the President of the Chess Association!”

“So it’s a chess family! No wonder miss song is so powerful!”

“Listening to the discussions of the crowd, song Chenyu picked up another stone and reminded ye zhuo, “Miss Ye, I’m going to be a general.” ”

Ye Zao’s expression remained indifferent and unmoved. “Come.”

A mocking look flashed across song Chenyu’s eyes.

What time was it.

Ye Zao was still pretending to be calm.

He was really capable.

“Song Chenyu curled his lips into a smile and placed the stone. “General, Miss Ye, thank you for letting me win.” ”

The outcome was already decided!

Ye Zao was definitely going to call her father.

“Ye Zao raised his brows slightly. “Miss Song, take a closer look and see if you can become a general?” ”

Song Chenyu was stunned and lowered his head to look at the chessboard.

“The situation on the chessboard, which had already determined the outcome of the battle, was instantly reversed.”

At this moment.

“Not only could she not become a general, but she had to face ye Zhuo’s pawn general instead, and she had nowhere to go.”

What was going on?

Song Chenyu instantly broke out in cold sweat.

The smiles on Cen Yuyan and Zhou Xiaowan’s faces also stiffened at the corners of their mouths.

He lost!

Song Chenyu actually lost.

How could song Chenyu lose?

How could song Chenyu lose to ye Zao?

Ye Zao slowly moved the small soldier over and ate Song Chenyu's handsomeness.

“Miss Song, you're Too Kind.” ”

That tone of voice was extremely calm.

“Holy shit! He's in the middle of the game! He fell into a trap!” Someone who knew chess by the side immediately saw through the trick and nearly said, “High! It's really too high! Miss Ye's move is simply unprecedented!” ”

“Miss Ye is too amazing!”

“I thought Miss Ye was going to lose just now!”

No one expected Ye Zao to turn the tables and make a strong comeback.

The scene was heated up.

Old Mrs. Cen was so excited that she almost jumped out. “She won! She won! My Granddaughter-in-law won!”

Song Chenyu held the chess piece in her hand and did not come back to her senses for a long time.

She had played chess for more than twenty years and had never lost to anyone.

Today was the first time.

“Moreover, this person was Ye Zhuo, whom she had never even looked at. ”

Ye Zhuo?

What right did ye Zhuo have?

“Old Mrs. Cen continued, “Oh right, that, fourth girl, you, your friends, and the three of you, shouldn’t you fulfill the bet?” ”

Bet?

What Bet?

“Of course, whoever lost would be called father to make a bet! ”

“Although Cen Yuyan was old Mrs. Cen’s biological granddaughter,. ”

Old Mrs. Cen had no intention of letting Cen Yuyan off.

“A person like Cen Yuyan, who was simple-minded, should be given some suffering to eat. ”

“Otherwise, she would never know the immensity of Heaven and earth! ”

“”Grandma,”Cen Yuyan looked at Old Mrs. Cen and said with some difficulty, “I was just joking just now, and you took it seriously?” ”

“”Joking? who was joking with you?”Old Mrs. Cen said with a straight face, “This is your bet with Yezi, and it can’t be brushed off with just a joke! Since it’s a competition, then you have to abide by the rules of the competition!” ”

Want to go back on your word?

No Way!

There wasn't even a window!

"Grandma..."Cen Yuyan frowned slightly.

"After all, she was Cen Shaoqing's fourth sister. She couldn't really make her call ye Zhuo Daddy, right? "

This was too ugly!

No Way!

It couldn't be like this!

Cen Yuyan only wanted to beat herself to death just now.

She shouldn't have agreed to this bet.

But it was useless to regret now.

"Cen Yuyan could only beg old madam cen, "Grandma... isn't it just a game? Do you have to be so serious?" "

""Who said this is a game? This is a competition!"Old madam CEN continued, "Since you can't afford to lose, then don't agree to the competition! What's the meaning of going back on your words now? Don't think that you're my granddaughter. You can fool me by saying a few good words in front of me! I'll tell you! No Way!" "

"Song Chenyu took a deep breath and clenched and loosened the fists hidden in his sleeves. He loosened and clenched his fists again and again and walked in front of ye Zao, "There's always someone

better than you. I'm completely convinced of my loss today. Calling Miss Ye 'Daddy' makes me completely convinced!" "

"At this moment, she could only follow the bet. "

"If she acted a little more magnanimous, she could win the favor of everyone. "

She couldn't let everyone think that she couldn't afford to lose.

"Seeing that song Chenyu was already like this, Cen Yuyan and Zhou Xiaowan could only follow behind and call him Daddy. "

It was really embarrassing to die in front of so many people.

"Especially Cen Yuyan, the blush on her face spread to her ears, but ye Zao didn't know how to help her out. "

"As long as ye Zao was sensible, he wouldn't deliberately make things difficult for her. "

Wasn't it just a bet?

Did Ye Zao have to be so serious?

"If this was song Chenyu, he definitely would not be like this. "

Old Madam Cen only felt refreshed and extremely happy. She even took out her phone to record this happy scene.

"After the chess game ended, Cen Yuyan did not dare to play any more tricks. "

“Song Chenyu raised his head to look at Cen Yuyan and Zhou Xiaowan. His face was full of guilt. “Yuyan Xiaowan, I’m sorry that you were implicated by me.” ”

“Chapter 718: 160: This is my sister, Ye Zao! 1”

“Cen Yuyan patted song Chenyu’s hand. “Chenyu, it’s not your fault.””

“Zhou Xiaowan nodded as well. “Yuyan is right. This has nothing to do with you. If It’s our fault, it’s also our fault. We were too careless.””

The two of them were the ones who proposed the game. How could they blame song Chenyu?

“At this moment, the ones who felt the most guilty were Cen Yuyan and Zhou Xiaowan.”

“They had originally wanted to help song Chenyu make a name for himself, but who would have thought that it would be snatched away by Ye Zhuo in the end!”

“Cen Yuyan looked at song Chenyu. “Chenyu, aren’t you a little off today?””

Song Chenyu’s go skills were very good. Cen Yuyan had once played against her.

“If it wasn’t for the fact that he was off, song Chenyu wouldn’t have lost to Ye Zhuo.”

“Song Chenyu nodded. “I ran through a whole day of work yesterday. I did feel a little uncomfortable when I woke up this morning. However, this is not a reason for me to lose to Miss Ye. Miss Ye’s chess skills are indeed superb.””

A smart person would never find a reason for his own failure.

“Cen Yuyan frowned. “Chenyu, why didn’t you tell me earlier that you were uncomfortable? If you had told me earlier, I definitely wouldn’t have let ye Zao compete with you! Ye Zao’s victory was unfair!””

What was there for ye Zao to be proud of.

“If song Chenyu wasn’t feeling well, would ye Zao have won?”

Cen Yuyan was very angry!

““Forget it.” Song Chenyu’s eyes were gentle as he smiled and said, “A win is a win. Just like in a world competition, the judges won’t rejudge the results of the competition just because the participants are sick.””

All competitions were fair.

“However, this competition was extremely unfair to Song Chenyu.”

“At this moment, the more generous song Chenyu was, the more hatred she could draw for ye Zao.”

“After all, she was sick.”

Ye Zao was perfectly normal.

It was unfair for a normal person to compete with a sick person.

“Zhou Xiaowan sighed. “Chenyu, you’re too easy to talk to! Look at how smug ye Zao is! She really thought that she won you with her strength!””

“Ever since ye Zao won against Song Chenyu, the smile on Old Madam Cen’s face had not disappeared.”

“If song Chenyu had won, Old Madam Cen would definitely have seen song Chenyu in a different light.”

Unfortunately.

“In the end, ye Zao still got the upper hand.”

“”Forget it, forget it.”Song Chenyu was not angry at all. “Harmony begets wealth.””

“Cen Yuyan looked at song Chenyu, she said somewhat resentfully, “Chenyu, why are you so Buddhist? Can’t you fight over a gun? You were the one who knew my fifth brother First! If you were half as scheming as ye Zao, my fifth brother wouldn’t have been snatched away by ye Zao!””

Song Chenyu had known Cen Shaoqing for three years.

How Long had ye Zao known Cen Shaoqing?

“Song Chenyu maintained her smile. “Some things are fated. I believe in fate. Others can’t snatch what’s mine, and I can’t snatch what’s Not Mine.””

Ye Zao’s victory was only temporary.

Did she think that she could snatch Cen Shaoqing away from her?

It was impossible!

“To Cen Shaoqing, Ye Zao was just a teenage girl.”

He and ye Zao were just playing around.

“When Cen Shaoqing was tired of playing around, he naturally wouldn’t bother with ye Zao anymore.”

Ye Zao wanted to marry him and become the Cen family’s mistress in one leap?

It was simply difficult to climb to the sky!

Although Old Mrs. Cen liked ye Zao very much and had already regarded ye Zao as the Cen family’s granddaughter-in-law from the bottom of her heart.

But who could guarantee how long this kind of affection could last?

“Moreover, old Mrs. Cen was already so old. Who knew which would come first, tomorrow or an accident?”

“If something happened to old Mrs. Cen, what kind of backing would ye Zao have in the Cen Family?”

“Therefore, song Chenyu was not worried at all.”

She was waiting for the day that ye Zao was abandoned by Cen Shaoqing.

She also believed that there would definitely be such a day.

“Seeing song Chenyu like this, Cen Yuyan sighed. “What do you mean you can’t take it away? Don’t you see that ye Zao has already snatched away my fifth brother? Chenyu, can’t you do better?””

“That’s it.” Song Chenyu patted Cen Yuyan’s hand.

“After saying that, song chenyu continued, “Oh right, Yuyan, can you lend me your phone?””

“Sure.” Cen Yuyan nodded and unlocked her phone to hand it to song Chenyu.

Song Chenyu took the phone and opened wechat. He found ye Zao from his friends list and opened her moments.

Song Chenyu originally wanted to understand ye Zao through his moments.

She didn't expect...

She didn't expect ye Zhuo's moments to be closed to Cen Yuyan!

Cen Yuyan was Cen Shaoqing's fourth sister.

Wasn't ye Zhuo doing this to slap Cen Yuyan in the face?

"Chapter 719: 160: This is my sister, Ye Zao! 2"

"Yuyan," song Chenyu frowned slightly and turned to look at Cen Yuyan. "

"What's Wrong?"Cen Yuyan asked.

"Song Chenyu continued, "You don't seem to have the authority to access Miss Ye's moments." "

"What do you mean?"Cen Yuyan frowned.

Song Chenyu handed the phone to Cen Yuyan.

Cen Yuyan took the phone and saw the screen clearly. Her expression changed.

The phone screen actually showed that ye Zhuo's moments were not open to her!

What did ye Zhuo mean by this?

She actually blocked her!

She was Cen Shaoqing's fourth sister!

Did Ye Zhuo still treat her as his fourth sister?

"Cen Yuyan was furious. She held the phone and said, "I'll go find her!" "

Why did ye Zhuo block her?

"Song Chenyu grabbed Cen Yuyan's wrist and said in a gentle tone, "Yuyan, you're too impulsive!" "

Cen Yuyan was pulled to the sofa and sat down.

"Song Chenyu continued, "If you go over to miss ye's side just like that, what if Miss ye says that she accidentally set it up? "Furthermore, everyone has their own privacy. What if Miss Ye didn't block you alone? "Furthermore, who is Miss Ye's right to block? If you go over there like that, everyone will only think that you're making trouble without reason!" "

"Song Chenyu analyzed calmly, but there wasn't any abnormality on his face. "

"Zhou Xiaowan nodded. "I think what Chenyu said makes sense. Yuyan, you'd better not be too rash." "

"Cen Yuyan frowned. "Then what should I do?"She couldn't ask ye Zao to block her for no reason, right?  
"..."

“Song Chenyu continued, “Just pretend that you don’t know anything. Under normal circumstances, if Miss ye treats you as family, she definitely won’t block your moments.” ”

The rest was self-evident.

“Cen Yuyan snorted coldly, “She doesn’t treat me as family? I should be the one who doesn’t treat her as family! If it wasn’t for my grandmother’s senile eyes, how could my fifth brother take a fancy to her? Does she really think that she’s some kind of heavenly fairy? Just wait and see. Sooner or later, my fifth brother will kick her out! Let’s see how she can be proud when that time comes!” ”

“In Cen Yuyan’s view, it was only a matter of time before ye Zhuo was kicked away by Cen Shaoqing! ”

A person like ye Zhuo simply did not deserve to enter the CEN family!

“”Alright, Alright. Don’t dwell on this matter.”Song Chenyu patted Cen Yuyan’s hand. “It’s just a small matter. Is it worth you being so angry about? Besides, didn’t you block Miss Ye’s circle of Friends?” ”

Cen Yuyan snorted coldly. She was extremely angry.

Even though she blocked ye Zhuo as well.

But Ye Zhuo couldn’t block her.

She blocked ye Zhuo because she didn’t want ye Zhuo to pry into her privacy.

But why did ye Zhuo block her?

What right did ye Zhuo have to block her?

“Ye Zhuo blocked her, but no!”

“Song Chenyu continued, “Oh right, Yuyan, I’m meeting Lu Xiu tomorrow to go to the nursing home to visit the elderly. Do you want to come along?” As a public figure, Song Chenyu had to do some charity activities every year.”

She would go to the orphanage to visit the children.

She would go to the nursing home to visit the elderly.

“After that, she would find someone to take a photo and post it on the Internet. It was another trending topic.”

Song Chenyu was very good at marketing herself. This was also the reason why she had always been the number one celebrity in the entertainment industry.

Who in the entertainment industry did not have some dirt on a female celebrity?

“However, Song Chenyu was an exception.”

Song Chenyu was like a lotus flower that had emerged from the mud without being tainted. She was so pure that not a single stain could be seen.

“Lu Xiu knew that Song Chenyu liked to do public welfare activities, so he often invited Song Chenyu to the nursing home.”

“However, Lu Xiu was of the opposite sex after all. It was different with Cen Yuyan around.”

“When she heard the name Lu Xiu, the anger on Cen Yuyan’s face instantly disappeared without a trace. She smiled and asked, “Really?””

Song Chenyu nodded. "Of course it's true! I've already made an appointment with him. We'll meet at Nine o'clock Tomorrow Morning."

"Then I'll go to Your House at eight o'clock to look for you!" Cen Yuyan said excitedly.

"Sure."

"Chenyu, you're really too good to me!" Cen Yuyan hugged song Chenyu excitedly. "

"Song Chenyu smiled and said, "Why are you being so polite to me?" "

"Zhou Xiaowan teased, "Yuyan, is Lu Xiu really that good? Look at you, you've become a flower addict!" "

"Cen Yuyan raised her head to look at Zhou Xiaowan. Her eyes were sparkling as she said, "Lu Xiu is the most manly man I've ever met!" "

"Actually, Yuyan, there's something that I don't know whether to say or not," song Chenyu said hesitantly. "

"Cen Yuyan smiled and said, "Chenyu, who's with whom between the two of us? Is there anything that can't be said?" "

"Chapter 720: 160: This is my younger sister, Ye Zhuo! 3"

"Song Chenyu Thought for a moment, then, he said, "I feel that Lu Xiu seems to like Miss Ye. I grew up with Lu Xiu since young, so I know Lu Xiu quite well. I know that he's a bit of a loner. Other than doing scientific research, he rarely interacts with others. However, he treats miss ye very differently. Not only did he take the initiative to call Miss Ye Daddy, did you notice the look in his eyes? "When he saw Miss

Ye, his eyes lit up! It was as if he saw the whole world! “To be honest, I’ve never seen Lu Xiu like that before!””

“Hearing this, Cen Yuyan’s brows immediately furrowed tightly. The scene she saw at He Ziteng’s house immediately appeared in front of her eyes.”

“At that time, Lu Xiu’s expression when he looked at ye Zao was indeed very abnormal.”

Ye Zhuo was too shameless!

“He clearly had Cen Shaoqing, yet he still had delusions of wanting to interfere between her and Lu Xiu!”

“When she said this, Song Chenyu patted Cen Yuyan’s hand, she comforted her, “Actually, I was just guessing blindly. Whether or not I really like her, I’m not too sure either. Yuyan, don’t take it to heart. I didn’t mean anything by what I said. I just wanted you to have some idea.””

“Cen Yuyan said angrily, “If ye Zao dares to seduce Lu Xiu, I’m not done with her!””

“Song Chenyu quickly reminded Cen Yuyan to pay attention to her volume. “Yuyan, I already said that I was just guessing. Did you really take it seriously? I believe that Miss Ye wouldn’t do such a thing!””

“Zhou Xiaowan fanned the flames by the side, “A pretty little girl like ye Zao likes to attract bees and butterflies outside to prove her charm! She’s proud of it! She’s already fifth master Cen’s girlfriend, yet she’s still so restless!””

“Song Chenyu said, “You can’t say that. I don’t think Miss Ye did anything. If you want to say that you like her, it’s Lu Xiu who fell in love with Miss Ye first.””

“Song Chenyu’s words seemed to be an excuse for ye Zao, but in fact, it was a disguised form of smearing ye Zao’s reputation.”

“The more Cen Yuyan heard, the angrier she got. She wanted to immediately go and argue with ye Zao.”

What was so great about being pretty?

“Just because she was pretty, she could hook up with other people and attract other women?”

“Song Chenyu reached out and patted Cen Yuyan’s back, “Alright Yuyan, don’t be angry. I’m just guessing. It’s easy to get wrinkles if you’re angry. It’s not worth it to get wrinkles for such a small matter! “Besides, we still have to go to the nursing home with Lu Xiu tomorrow! “It won’t look good if you get wrinkles!””

The anger in Cen Yuyan’s heart dissipated a little.

Old Madam Cen glanced over several times.

“Her instincts told her that song Chenyu, Cen Yuyan, and Zhou Xiaowan were whispering together. Nothing good was going to happen.”

“Old Madam Cen looked at Cen Yuying, Cen Yueya, and Cen Yueying, “Big Girl, second girl, and third girl, let me tell you, you are not allowed to imitate that idiot fourth girl! Yezi had almost slapped song Chenyu’s face until it was swollen, but this idiot was still holding the ugly fish’s smelly feet! I really don’t know what she’s thinking!””

Thinking about eating farts?

“Cen Yuying was a little confused. She did not know what song Chenyu was thinking. “Grandma, what do you mean by that?””

“Old Mrs. Cen said, “What do you mean? That ugly fish wants to squeeze into Yezi’s position! She doesn’t even look at herself in the mirror to see how much she weighs!””

“Cen Yueya smiled and said, “Grandma, don’t worry. Look at Shaoqing’s strict wife. Do you think song Chenyu has any hope of stealing someone else’s position? Moreover, do you think that song Chenyu is half as good-looking as searing? It’s just a clown. You Don’t have to care at all!””

Cen Shaoqing had changed so much because of ye searing.

From the principle of never getting married to the law of truth.

From the principle of vegetarianism to the principle of no restrictions on meat and vegetables.

“Other than ye Zao, no one could break Cen Shaoqing’s taboos.”

“To Cen Shaoqing, Ye Zao was a unique existence.”

“CEN yueying nodded. “I think what second sister said makes sense. Grandma, Song Chenyu is just a clown. You Don’t have to take him seriously.””

“Old Madam Cen felt that what the two sisters said made sense, so she nodded as well.”

“However, she didn’t understand why the eldest, second, and third were so smart while Cen Yuyan was so stupid?”

Could it be that Cen Yuyan’s genes had mutated?

Old Madam Cen frowned.

...

“At 3:30 pm, Cen Shaoqing sent ye Zhuo back.”

“After a day of snow, it was a vast expanse of whiteness outside. The traffic on the road was also relatively slow.”

“Cen Shaoqing turned up the temperature of the air-conditioning. “Leader, when are you preparing to return to Yunjing?””
