“Chapter 721: 160: This is my sister, Ye Zhuo! 4”

“It’s the sixth day of the New Year.”

Cen Shaoqing nodded slightly. “Okay.”

“Not long after, the car stopped at the entrance of Jinxiu Manor. The snow was too heavy for the car to drive in. ”

Cen Shaoqing got off the car and sent ye Zhuo in.

“The snow on the road was about 20 centimeters thick. As he stepped on it, it made a creaking sound. Ye Zhuo raised his head and looked at Cen Shaoqing. “Does it snow so heavily in the capital every year?” ”

“Cen Shaoqing nodded slightly and said, “Yes, it’s the same every year.” ”

“Ye Zhuo looked at the snow on the road and a faint light flashed in his eyes. “Cen Shaoqing, close your eyes. I have a gift for you.” ”

Gift?

Cen Shaoqing’s eyes moved slightly and he closed his eyes.

Ye Zhuo squatted on the ground and grabbed a handful of snow. He quickly squeezed it into a ball and stood up. He stuffed it directly into Cen Shaoqing’s neck and ran away.

Cen Shaoqing only realized then that he had been tricked by this person and immediately chased after him.

The two of them got into a mess in the snow.

“For the first time in his life, Cen Shaoqing actually started a snowball fight with a twenty-year-old girl.”

What was even more terrifying was that he actually found it quite interesting.

“At this moment, it was as if he had become a few years younger.”

“Half an hour later, the two of them lay on the snow. Ye Zhuo raised his head to look at the sky.”

““Cen Shaoqing, are you tired?” ”

Cen Shaoqing raised his eyebrows slightly. “Are you doubting my physical strength?”

Trying to understand a barbell that weighed 300 kilograms?

“A moment later, CEN Shaoqing stood up from the snow. “Get up quickly. It’s too cold in the snow. It’s not good for a girl’s body.” ”

“It’s so comfortable in the snow. Let me lie down for a while more.”Ye Zhuo did not want to get up.

Cen Shaoqing looked at her from above. “Get up quickly. I’ll carry you.”

“Really?”Ye Zhuo turned to look at Cen Shaoqing.

Cen Shaoqing nodded slightly. He took ye Zhuo’s hands and carried her on his back.

It was much lighter than he had imagined.

Carrying her was like carrying a little bird.

“Although it was very light, there were some parts of it that were turbulent.”

Cen Shaoqing felt his heart skip a beat as he carried her on his back. He could not help but think of the scene in his dream.

He was very glad that he was carrying ye Zao.

If he was carrying him...

He would be making a fool of himself!

“Cen Shaoqing, why aren't you speaking?” Ye Zao asked.

“What did I say?”

Ye Zao raised his eyebrows slightly. “Why is your voice hoarse? Did you catch a cold in the snow just now?”

“Maybe,” Cen Shaoqing said concisely.

“Ye Zao said, “Then you really can't do it. You'll catch a cold just like that!” ”

Can't do it?

He can't do it?

"He could lift two barbells that weighed 300 kilograms at once, but ye Zhuo said he couldn't do it?"

"Cen Shaoqing suspected that ye Zhuo was implying something about him, but he had no evidence."

Ten minutes later.

Cen Shaoqing carried ye Zhuo on his back and arrived at the main entrance of the Lin family manor.

"Then I'll be going back first." Cen Shaoqing put ye Zhuo down.

"Wait a moment." Ye Zhuo held Cen Shaoqing's hand.

His hand was very hot.

The temperature of his palm was almost scorching.

Ye Zao stretched out his hand and touched his forehead. "Do you have a fever?"

"Maybe a little." Cen Shaoqing avoided ye Zao's gaze.

"Ye Zao continued, "I have cold medicine there. Come back with me. I'll get you some." "

Cen Shaoqing's body temperature gradually rose. "No need. My body is good. I'll be fine after carrying it."

"That's fine too. Take care to keep warm." Taking medicine would indeed lower one's immunity.

“Okay.” Cen Shaoqing nodded slightly. “Then I’ll go back first.”

“If he didn’t go back now, what if ye Zao asked him to take medicine?”

“Drive carefully on the road,” ye Zao reminded him. ”

“Okay.”

“After watching Cen Shaoqing leave, Ye Zao turned around and returned to the house. ”

“After Cen Shaoqing got into the car, he opened the refrigerator, took out a bottle of mineral water, and gulped it down. ”

“Although the process of falling in love was wonderful, it was also a physical labor. People with a slightly weaker physical quality really couldn’t stand it. ”

“This month, he had drunk many bottles of ice mineral water and taken many cold showers. ”

Even Cen Shaoqing himself couldn’t remember!

The Cen family.

“After Old Mrs. Cen returned, she called Cen Yuyan to the study on the third floor. “Fourth girl, let me ask you, what is the matter you are handling today?” ”

“What is it?” Cen Yuyan looked at Old Mrs. Cen with a puzzled expression.

“Old Mrs. Cen continued, “Don’t pretend to be ignorant! Don’t you know what’s going on in your heart?” If ye Zhuo was a little more ordinary today, he would have been trampled under song Chenyu’s feet. ”

“It was the new year, so old Mrs. Cen did not want to quarrel with Cen Yuyan. She could not hold it in today.”

“After saying that, old Mrs. Cen continued, “Song Chenyu is not someone who is easy to deal with. You are a good friend of her and you will be set up by her sooner or later!” ”

Chapter 722: 160: This Is My Sister Ye Zao! 5

““Chenyu isn’t the kind of person you’re talking about!”Cen Yuyan frowned. “Chenyu is a very good girl. You’ve misunderstood her too deeply! Besides, you don’t have the right to interfere in my social life!””

Song Chenyu wasn’t someone easy to deal with?

The person who was truly not easy to deal with should be ye Zao.

“First, he seduced Lu Xiu, then he blocked her moments.”

She saw that ye Zao was guilty!

She didn’t know why Old Lady Cen would take a fancy to such a person!

Song Chenyu was hundreds of times more outstanding than ye Zao!

“Old Lady Cen looked at Cen Yuyan, she tried her best to be calm and said, “Fourth brother, if you continue like this, sooner or later, you will be at a disadvantage with song Chenyu. At that time, don’t blame me for not reminding you.””

Why did Song Chenyu approach Cen Yuyan?

Wasn't it because Cen Yuyan was Cen Shaoqing's fourth sister?

"If Cen Yuyan was just Cen Yuyan, Song Chenyu would still bother with Cen Yuyan."

"However, Cen Yuyan was still like a fool, unaware of being used by others."

It was said that only old people would be muddle-headed.

"Cen Yuyan was only in her thirties this year, how could she be muddle-headed?"

Old Madam Cen was very puzzled.

"Grandma, don't worry, this kind of thing will never happen! Chenyu is my best friend. I understand her character and believe in her." In Cen Yuyan's eyes, Song Chenyu was the most outstanding person in the world, so she couldn't plot against others."

"Moreover, she and Song Chenyu were best friends."

How could Song Chenyu scheme against her!

"Old Mrs. Cen nodded. "Alright, as a grandmother, my responsibilities have been fulfilled. Whether you listen or not is up to you." Cen Yuyan was already in her thirties this year. She couldn't force her."

"Being scolded by Old Mrs. Cen for no reason, Cen Yuyan felt very uncomfortable in her heart. She continued, "If there's nothing else, I'll leave first!"

Old Mrs. Cen waved her hand.

Cen Yuyan walked out.

Cen Yuyan had just arrived at the room when she picked up her phone to call Song Chenyu and complain to Song Chenyu about Old Mrs. Cen.

“Song Chenyu smiled and said, “Old people talk too much, and old trees have too many roots. Yuyan, don’t be angry with old Mrs. Cen.””

“Cen Yuyan didn’t expect that even though Old Mrs. Cen was slandering Song Chenyu, Song Chenyu could still speak up for old Mrs. Cen. “Chenyu, aren’t you angry at all?””

“Song Chenyu said, “What’s there to be angry about? No one is perfect. Even though I’m a celebrity, I can’t make everyone like me. Furthermore, old madam still has a misunderstanding about me. There’s no need for me to be angry with her.””

“Cen Yuyan sighed. “Chenyu, you’re too Buddhist!” It was obviously a big matter, but in Song Chenyu’s eyes, it was like a small matter.”

“Song Chenyu continued, “Alright, go to bed early. You still have to go to the nursing home with me tomorrow.””

“Thinking that she would be able to see Lu Xiu tomorrow, Cen Yuyan immediately smiled. “Then you go to bed early too.””

“”Alright, good night.””

“”Good night, Chenyu.””

“After hanging up, Song Chenyu’s expression immediately darkened.”

“Although she knew that old Madam Cen didn’t like her, she didn’t expect that old Madam Cen would have such a deep opinion of her.”

“At this moment, her phone rang again.”

Song Chenyu picked up the call. “Hello.”

“It’s me.” Lu Xiu’s voice came from the other end of the line.

“What’s wrong with Lu Xiu?”

“Lu Xiu continued, “I’m downstairs at Your House.””

Downstairs?

Song Chenyu frowned and immediately went to the window. She lifted the curtains and took a look.

“As expected, Lu Xiu was standing downstairs.”

“What’s the matter?” Song Chenyu asked.

“Lu Xiu raised his head and looked at Song Chenyu’s window. “Chenyu, can you come down? I have something to tell you.””

“Song Chenyu narrowed her eyes and continued, “It might be a little inconvenient for me to come down now. Let’s talk about it tomorrow when we meet!””

She naturally knew what Lu Xiu wanted to say to her.

“However, she did not like Lu Xiu at all. The person she wanted to marry was Cen Shaoqing, so she would not go down.”

“Lu Xiu looked at song Chenyu’s window and continued, “I have something very important to say to you...””

“Song Chenyu directly interrupted Lu Xiu’s words. “Oh Right, Lu Xiu, I’ve even arranged for Yuyan to go to the nursing home tomorrow. Yuyan is my best friend. I don’t want to see her sad and sad.””

“”Chenyu, you know what I’m thinking.””

“Song Chenyu sighed. “But I don’t want to see Yuyan Sad and sad, and I don’t want to lose Yuyan as a friend because of me. Lu Xiu, if you care about me, don’t say such things in the future.””

“Chapter 723: 160: This is my sister, Ye Zhuo! 6”

“Chenyu...”

“Song Chenyu continued, “Alright, stop talking. That’s it. See You Tomorrow.” ”

“Looking at the phone that was hung up, Lu Xiu’s eyes were filled with loneliness. ”

He had liked song Chenyu for many years.

He liked him very much.

“But now, Song Chenyu had given up on their relationship for Cen Yuyan. ”

“Since this was song Chenyu’s choice, he could only respect it. ”

“In his memory, song Chenyu was very kind. If he ignored song Chenyu’s feelings and directly told Cen Yuyan about his intentions, song Chenyu would definitely not forgive him. ”

“After all, Cen Yuyan was song Chenyu’s best friend. ”

“In the blink of an eye, the next day arrived. ”

The second day of the first month.

“In the morning, ye Zao had just gotten up to change when someone knocked on his room door. ”

Ye Zao walked over to open the door.

It was Lin Ze.

“Brother.”

“Lin Ze said, “Zao, what are you doing today?” ”

““Nothing major,”ye Zao said. ”

“Lin Ze continued, “I have three friends who want to meet you.” ”

“Ye Zao nodded. “Sure, when do you want to meet?” ”

Lin Ze did not expect ye Zao to agree so quickly. “10 a.m.”

“Okay.”Ye Zao nodded.

“The three friends that Lin Ze referred to were Li Wen, dog er, and fat tiger.”

The three of them agreed to meet at the coffee shop at ten in the morning.

“Although it was only nine in the morning, the three of them couldn’t wait to go to the coffee shop and wait for Lin Ze.”

The three of them were too curious about who Lin Ze’s sister was.

“Although Lin Ze had already said that ye Zao was his sister, the three of them didn’t quite believe it.”

How could there be such a coincidence in this world?

It just so happened that ye Zhuo and Lin Ze looked a little alike. Ye Zhuo was Lin Ze’s sister?

“At this moment, the three of them were especially excited.”

“Li Wen said, “Can you guys tell us who brother Ze’s sister is?” ”

“Dog two said, “I saw a picture of brother Ze walking together with the school Belle on the school forum before. Then, the comments below all said that the joke was brother Ze’s sister. Do you guys think that the school Belle is really brother Ze’s sister?” ”

“Fat tiger said, “I think the possibility is a little low.” ”

Li Wen looked at his watch and was a little anxious. “Why isn’t it 10 o’clock Yet?”

“After waiting for so long, it was finally 9:50.”

“Li Wen saw a familiar figure through the glass window and said excitedly, “Look! Brother ZE is here!” ”

Dog Two and fat tiger stood up excitedly and looked out of the window.

“They saw a thin, long-haired girl beside Lin Ze. She looked very quiet and quiet. From a distance, they couldn’t see her face clearly. ”

“Fat tiger said, “That’s our sister, right?” ”

“It must be! It must be!”

“Li Wen smiled and said, “Brother Ze was bragging before that our sister is the campus Belle!” ”

“Although the girl beside Lin Ze was also very beautiful, compared to ye Zao, the campus belle of Beijing University, she was not just a little inferior. ”

“At this moment, Lin Ze pushed open the door and entered. ”

“Fat Tiger immediately stood up and waved at Lin Ze. “Brother Ze, this way!” ”

Lin Ze walked over.

The girl next to him walked to the other side.

“Li Wen said in surprise, “Isn’t our sister coming over to sit?” ”

Dog Two and fat tiger were also very puzzled.

“What sister?” Lin Ze looked up at Li Wen.

“Li Wen pointed over there and said, “Isn’t that our sister?” ”

Lin Ze shook his head. “I don’t know her.”

They just happened to enter the house together. They didn’t know each other at all.

They didn’t know each other?

They actually didn’t know each other!

“Li Wen was even more confused. He continued, “Brother Ze, didn’t we agree to bring our sister over to meet us today? Why did you come alone? Are you not going to bring your sister to meet us?” ”

“Not only was Li Wen disappointed that he didn’t see his sister, but dog two and fat tiger were also disappointed. ”

“Fat Tiger said, “Brother Ze, we clearly agreed on something. You Won’t go back on your word, right?” ”

“None of the three of them had a sister. Lin Ze had a sister, so the three of them were as rare as anything else. They had long wanted to see what ye Zao looked like, but unfortunately, they had never found a suitable time to meet him. ”

“They had finally agreed on a time, and now Lin Ze had stood them up again. ”

“Lin Ze raised his head slightly. “Don’t worry, I’m not lying to you! My sister just met a high school classmate over there. He should be here soon.” ”

“Hearing this, the three of them heaved a sigh of relief. ”

“Dog Two handed the menu to Lin Ze. “Brother Ze, you can order the drinks first. The three of us have already ordered.” ”

“Lin Ze took the menu and ordered five desserts, a cappuccino, and a cup of Blue Mountain Coffee. ”

“Dog two asked curiously, “Brother Ze, didn’t you say that you don’t like desserts? Why did you order so many desserts?” ”

“My sister likes them.”

My sister likes them?

TSK TSK TSK.

The three of them looked at each other and saw the mockery in each other’s eyes.

“Previously, Lin Ze had been very resistant to his sister’s existence. ”

“Now, he knew how to help his sister order dessert. ”

It seemed that Lin Ze wasn’t far from being a sis-con.

“Dog two asked curiously, “Brother Ze, are you and Your Sister Really Twins?” ”

Lin Ze nodded.

“Li Wen said, “Then you must look very similar to your sister.” ”

Fat Tiger nodded as well.

“Lin Ze looked up and said very seriously, “Ye Zhuo is my sister.” ”

“Brother Ze, are you talking about the school Belle?” Fat Tiger asked. ”

Lin Ze nodded.

“Stop bragging!” Li Wen continued, “Last time, we just said it casually. Brother Ze, you really took it seriously!” ”

“At this moment, the door of the cafe was pushed open again. ”

Lin Ze looked out of the door and smiled slightly. “My sister is here.”

“My Sister Is Here?”

The three of them looked up.

A slender figure walked in from the door. She was wearing a beige coat and a pair of Martin boots. She looked very imposing when she walked.

She was wearing an english-style hat. The wide brim of the hat covered her eyes and eyebrows. Only her fair chin and red lips could be seen.

“Although her face could not be seen, she gave off a powerful aura. ”

“This, this was really the school belle? ”

The three of them were stunned.

Ye Zao walked over. “Brother.”

“Lin Ze introduced them to Ye Zao. “The three of them are my best friends. This is Fat Tiger, this is Mozzie, and this is dog two. This is my sister, Ye Zao.” ”

Ye Zao!

It was really ye Zao!

The three of them felt that it was very surreal. No one had expected that Lin Ze was not bragging at all. Ye Zao was his sister.

Only when ye Zao sat down did the three of them realize that it was not fake.

Ye Zao was really Lin Ze’s sister!

“Fat Tiger was still in disbelief. “Sister, are you really brother Ze’s sister?” ”

Chapter 724: 160: Meeting Song Shiyu in Yun Jing! 1

Ye Zao nodded slightly. “Yes.”

Yes.

Holy shit!

Ye Zao was really one!

These two siblings were too amazing. One was the top scorer in the arts while the other was the top scorer in science.

“It was one thing for them to have two top scorers, but these two were actually the school Belle and the school Belle.”

What kind of godly genes were these?

“Fat Tiger hurriedly stood up. “Hello, Little Sister. I’m Fat Tiger. You Can Call Me Brother Tiger.” ”

“”Little sister, I’m dog two, Brother Dog.” ”

“”Little sister, I’m Mosquito, brother Mosquito.” ”

“”Brother Tiger, Brother Dog, brother Mosquito.”Ye Zhuo stood up.”

“Fat Tiger, dog two, and Li Wen had never experienced the feeling of having a little sister before. Suddenly having a little sister made the three of them especially excited. “Little sister, quickly sit down.” ”

Ye Zhuo leaned over and sat down.

Lin Ze immediately brought the dessert in front of Ye Zhuo. “This is their new product. Have a taste.”

Ye Zhuo was a person who couldn’t move around when he saw the dessert. He immediately picked up the dessert.

“”Younger sister, which Department are you from?”Fatty Tiger asked.”

“Chemistry Department.”

“Fatty tiger said in surprise, “Chemistry department? Then there must be very few girls in your department.” ”

“Under normal circumstances, very few girls would choose the chemistry department. ”

“It’s not too bad.”Ye Zhuo thought for a moment. “There are a total of eight girls in our class.”

...

“In the blink of an eye, it was the sixth day of the first month. ”

“Ye Shu, Lin Jincheng, Ye Sen, Ye Zhuo, and Lin Ze, the family of five, set off for Yun Jing. ”

“Four hours later, the plane landed at Yun Jing Airport. ”

The temperature in Yun Jing was higher than that in the capital.

“The capital was now a vast expanse of whiteness, and the temperature had reached -10 degrees Celsius. The lowest temperature in Yunjing was only 15 degrees Celsius. ”

“After a long time, Lin Jincheng stood at Yunjing Airport once again, his heart filled with emotion. ”

He had come to Yunjing a year ago for the sake of ye Zhuo’s background.

“At that time, he had no time to care about the changes in Yunjing. ”

“Looking at it from a new perspective, the changes in Yunjing were really too great. ”

High-rise buildings were springing up like mushrooms after a rain.

“Because they had been arranged in advance, someone came to pick them up outside the airport.”

“Not long after, the car stopped at the entrance of the residential area that ye Zao had rented before.”

It was a very ordinary residential area.

“Lin Ze had never lived in such a residential area before, so he couldn’t help but feel a little sad. What kind of life had his mother and sister been living in.”

Especially when he remembered that ye Shu had once lived in the basement.

“If even the neighborhood was like this, wouldn’t the basement’s environment be even worse?”

“The more Lin ze thought about it, the more uncomfortable he felt.”

“In fact, he had been to this neighborhood before.”

“But at that time, he didn’t know that his mother, uncle, and sister lived here.”

The five of them walked in and soon arrived at the door of their house.

Ye Shu took out the key and opened the door.

“The house was very clean. The windows on the balcony were open, and there was no strange smell in the air. The plants in the flower pots were also very vibrant.”

Lin Jincheng quietly sized up the furnishings in the house.

“The space was very small, but the decorations were very warm. It was actually not inferior to the Lin family’s large manor.”

Ye Shu smiled and looked at Ye Zhuo. “The house is still the same. There’s not even a speck of dust. It must be your aunt Lian who often comes to clean.”

Ye Zao nodded. “Aunt Lian basically comes to visit once every three days.”

“Who’s Aunt Lian?” Lin Ze asked curiously.

“Ye Shu explained, “Aunt Lian is my best sister. She has helped me a lot over the years. Let’s clean up at home today and visit your Aunt Lian’s house tomorrow.” ”

“In order to give Zhou Yuelian a surprise, ye Shu specifically did not tell Zhou Yuelian and the others that they would be coming back today. ”

Lin Ze nodded.

“Lin Jincheng said, “We should really thank her.”He had disappeared for so many years. Without Zhou Yuelian’s help, Ye Shu and the others really did not know how they would survive. ”

“Ye Zhuo continued, “Oh right, Mom, how are we going to sleep tonight?” ”

There were only three rooms in the house.

There were five people now.

“Ye Sen said, “That’s simple. Ah Ze will sleep with me tonight. You guys can still sleep in your own rooms.” ”

Lin Ze nodded in agreement.

Ye Shu went to make the bed while Lin Jincheng helped clean up.

Ye Sen took a call and left in a hurry.

“In the blink of an eye, there were only four people left in the house.”

...

At the same time.

Song family.

Song Shiyu stood in front of the French window in the study and looked down at the scenery below him. His eyes were filled with a layer of haze that could not be dispersed.

“At that moment, there was a knock on the door.”

““Come in,” song Shiyu said without turning his head.”

The assistant pushed the door open and came in. “Boss.”

““Speak,” song Shiyu said in a deep voice.”

“The assistant continued, “Miss Ye is back.” ”

Chapter 725: 160: I Met Song Shiyu in Yun Jing! 2

Miss Ye.

“When he heard these three words, the gloominess in the man’s eyes slowly disappeared. “When did you come back?” ”

“The assistant said, “The flight is at two o’clock this afternoon.” ”

“Ask the kitchen to bring over a bowl of brown sugar ginger water.”

“Okay.”

“The assistant was very confused. He did not know when it started, but song Shiyu had begun to like brown sugar ginger water. Even in the hot summer, he would bring over a bowl. ”

“Sometimes, song Shiyu would even drink three bowls a day. ”

“After the assistant left, song Shiyu made a phone call. “How are things going in Beijing?” ”

“Everything is ready.”

“Okay.”

...

“At three in the afternoon, Ye Zhuo and Lin Ze went out to buy groceries. ”

It was just enough to familiarize Lin ze with the surrounding environment.

The market was very close. It was only a ten-minute walk away.

The brother and sister chatted as they walked.

There were many people at the market. There were aunties and uncles haggling everywhere.

“Ye Zhuo looked at Lin Ze. “Brother, what do you want to Eat Tonight?” ”

“Lin Ze continued, “Why don’t we have grilled fish tonight?” ”

Ye Shu’s grilled fish was very good. He couldn’t forget it even after eating it once. Everyone in his family liked ye Shu’s grilled fish very much.

“Okay.”Ye Zhuo nodded. “Then let’s go buy some fish.”

The two of them walked towards the fresh fish stall.

““Uncle Zhou, I want a silver carp,”ye Zhuo said. ”

“When the boss saw ye Zhuo, he thought that he was hallucinating. He said in surprise, “Isn’t this Zhuozhuo? Zhuozhuo, when did you come back?” ”

“Ye Zhuo was the top scorer in the college entrance examination last year. In addition, he often came here to buy fish and was polite. After a while, the boss got to know ye Zhuo. Because of ye Zhuo, the boss’s fish stall was also called the top scorer fish stall. ”

There were even rumors that eating fish could make people smarter. The top scorer only got into the top scorer’s stall after eating fish.

“Ye Zao said, “We just got home in the afternoon.” ”

“The boss continued, “So your mother and your uncle are back too?” ”

Ye Zao nodded. “Yes.”

“The Boss looked at Lin ze and asked curiously, “Zao Zao, who is this young man? Is He a relative of yours?” ”

“Ye Zhuo smiled and said, “This is my brother.” ”

Lin Ze politely nodded at the boss.

“The boss said in surprise, “Is he my biological brother or cousin?” ”

“He’s my biological brother.”

“The boss was even more surprised. “No wonder he looks so similar! Zhuo Zhuo, your family’s genes are too good! Both brother and sister are so handsome!” ”

Lin Ze curled his lips.

“The boss handed the fish to Ye Zhuo. “Zhuo Zhuo, your fish.” ”

“How much is it?”Ye Zao looked up and asked.

“The boss smiled and said, “Zao Zao, you don’t come back once every six months. It’s too polite to say that it’s money! Uncle Zhou gave this fish to you to eat!”If it weren’t for ye Zao, the business of his fish stall wouldn’t be so good. ”

“Ye Zao continued, “If you don’t take money, then I won’t buy it.” ”

“Take it, take it!” The boss directly stuffed the fish into ye Zao’s hands. “It’s just a fish, don’t be polite to Uncle Zhou!” ”

“Uncle Zhou...”

“Ye Zao wanted to say something else, but the boss interrupted him. “Zao Zao, look at you. Do you want Uncle Zhou to personally deliver this fish to your house?” ”

“Ye Zao couldn’t reject his kind offer, so he had no choice but to accept the fish. ”

Only then was uncle Zhou satisfied.

Lin Ze took the fish from ye Zao’s hands. “I’ll take it.”

“After buying the fish, the siblings walked towards the vegetable stall. ”

The boss looked at the siblings’ backs and smiled.

The siblings were so outstanding. They would definitely be the cream of the crop in the future!

“When they arrived at the vegetable stall, ye Zao bought some potatoes, lotus roots, and golden needle mushrooms. ”

Lin Ze was still in charge of carrying the things.

“Not long after, the siblings returned with a full load. ”

“When they passed by the milk tea shop, Ye Zao looked at Lin Ze. “Brother, do you want to drink milk tea?” ”

Lin Ze nodded.

“Ye Zao continued, “Then I’ll go buy milk tea. What flavor do you want?” ”

““I want a cup of coffee,”Lin ze said. ”

““Okay.”Ye Zao continued, “Then wait for me here for a while.” ”

“Okay.”

Lin Ze stood where he was and waited for ye Zao.

Ye Zao jogged over to buy milk tea.

“Ye Zao liked the strawberry milkshakes in this shop the most, so she ordered two strawberry milkshakes and a cup of Oolong tea. She liked sweets very much. She could eat several servings of sweets at a time, and she had to drink two cups of milk tea at a time. ”

“Just as she walked out of the door, she heard a familiar voice in the air. ”

“Ye Zao.”

Ye Zao looked up and saw a familiar figure.

“Wearing a black shirt, the black buttons were meticulously tied to the top, and there was a hint of abstinence. ”

Chapter 726: 160: Meeting Song Shiyu in Yun Jing! 3

This was song Shiyu.

“Brother Song!”Ye Zhuo did not expect to meet song Shiyu on his first day back in Yun Jing.

“Song Shiyu continued, “When did you come back?””

“I just got home this afternoon.”Ye Zhuo handed song Shiyu a strawberry milkshake. “Do you want some milk tea?”

“Thank you.”

“Ye Zhuo thought that song Shiyu would refuse. After all, boys did not really like strawberry-flavored drinks. He did not expect that not only did song Shiyu not refuse, he even inserted a tube into it and took a sip.”

“It tastes good.”

“Ye Zhuo smiled and said, “So you also like strawberry milkshakes.””

Strawberry Milkshake?

“Song Shiyu secretly remembered this name. “Yes, I’ve always liked to drink it.””

“Ye Zhuo continued, “I also quite like to drink it.””

“Song Shiyu took another sip of the strawberry milkshake and said, “How have you been in Beijing recently?””

“Pretty good.” Ye Zao nodded. “How About You?”

“Same old.” Song Shiyu didn’t have any special expression on his face.

The two of them talked as they walked forward.

“Lin Ze was waiting for ye Zao not far ahead. When he saw that there was an additional person beside ye Zao, he looked at Ye Zao with some confusion.”

“When he saw Lin Ze, song Shiyu also had some doubts.”

“Ye Zao took the initiative to introduce him. “Brother song, this is my brother, Lin Ze. Brother, this is my friend, Brother Song.””

“Song Shiyu knew a little about what happened to ye Zao in Beijing, but it was his first time meeting Lin Ze.”

Song Shiyu nodded at Lin Ze. “Hello.”

Lin Ze followed ye Zao and called him Brother Song.

“Ye Zao passed the Oolong tea to Lin Ze and looked up at song Shiyu. “Brother song, it’s getting late. Why Don’t you come with me to my house for a simple meal?””

“Ye Zhuo truly treated song Shiyu as a friend. Moreover, she felt that song Shiyu was a little familiar.”

It was as if...

She had seen him somewhere before.

“Song Shiyu smiled and said, “Then I’ll be impolite.””

“Let’s go.”

“The two-person line became a three-person line. Song Shiyu continued, “Ye Zhuo, are you and your brother Twins?””

Ye Zhuo nodded. “Yes.”

“The two of you look very similar.”

Ye Zao smiled slightly. “That’s what everyone says.”

“Not long after, they arrived at the Ye residence.”

Ye Shu was busy in the kitchen while Lin Jincheng was changing a light bulb.

“The house had not been occupied for more than half a year. Although Zhou Yuelian would often come to clean, because Zhou Yuelian always came during the day, she did not know that the light bulb was broken.”

Ye Zhuo took out disposable slippers for song Shiyu to change into.

This was song Shiyu’s first time coming to the Ye residence.

“After changing into the slippers, Ye Zhuo came into the house and introduced song Shiyu to Ye Shu and Lin Jincheng.”

“Song Shiyu said, “Uncle, Auntie, I’m sorry to disturb you. You can just call me Xiao Song.””

“Ye Shu was a hospitable person. She smiled and said, “Xiao Song, please have a seat. We just came back today and the house is a little messy. Don’t mind us.””

“”Auntie, you’re too polite.””

“Lin Jincheng brought over a cup of tea. “Little song, have some tea.””

“”Thank you, Uncle.”Song Shiyu immediately stood up and took the Teacup with both hands.”

“Lin Jincheng smiled and said, “Don’t stand on ceremony here.””

The Ye family was very harmonious.

“The father was the father, the mother was the mother, the brother was the brother, and the sister was the sister.”

Song Shiyu looked at the busy family and a warmth that he had never seen before appeared in his eyes.

“When he was very, very young, he also wished that he could have a happy family like this.”

Unfortunately.

He had not even waited for this day before he fell into the infernal hell.

“Thinking of this, song Shiyu’s eyes deepened. He put down the Teacup and went to the balcony to help ye Zhuo and Lin ze choose vegetables.”

“Ye Zhuo looked up slightly. “Brother Song, you’re a guest. I don’t need your help here. My brother and I can do it.”This was probably song Shiyu’s first time choosing vegetables, ye Zhuo watched helplessly as he threw the best part of the vegetables into the trash can.”

“Song Shiyu said, “It’s alright.””

Ye Zhuo passed the potatoes and a knife to song Shiyu. “Then peel the potatoes.”Ye Zhuo really couldn’t bear for song Shiyu to harm the vegetables.

“Song Shiyu took the potatoes. For the first time in his life, he felt troubled. He didn’t know where to start with the potatoes.”

“His hands had won against the King of gamblers in C Nation. He had been stained with blood, but he had never peeled the potatoes.”

“In fact, no one dared to let song shiyu peel the potatoes.”

“Ye Zhuo saw song Shiyu’s dilemma. He picked up a potato and showed it to song Shiyu. “Come, I’ll teach you. Do this first, then do this again.””

Song Shiyu looked at it very seriously. He had finally learned the technique of peeling potatoes.

“Half an hour later, the three of them selected the dishes and took them to the kitchen.”

Chapter 727: 160: Meeting Song Shiyu in Yun Jing! 4

Ye Shu was already busy grilling the fish.

“An hour later, the meal was ready. Ye Shu said, “Zhuozhuo, call your uncle to come back for dinner.” ”

“Lin Ze continued, “Uncle said that he has something to do today, so he won’t be coming back for dinner tonight.” ”

“Then let’s eat first.”Ye Shu carried the grilling plate and walked out.

The five-kilogram silver carp was especially fragrant when it was roasted.

“Ye Shu smiled and looked at song Shiyu. “Little song, it’s just a normal meal. Don’t stand on ceremony and eat as much as you like.” ”

“Lin Jincheng followed, “Yes, yes, yes. Don’t stand on ceremony.” ”

“”Thank you, uncle and Auntie.” ”

This was probably the most heartwarming meal song Shiyu had ever eaten.

“Before this, he had never eaten such delicious roasted fish, nor had he ever felt such warm kinship. In the Ye family, it was as if he had seen the other side of the world. ”

“For the first time, song Shiyu ate two bowls of rice in one go. ”

“After the meal, song Shiyu said goodbye, “Thank you for your hospitality today, uncle and Auntie. If you have time, you must come visit our song family.” ”

“”Okay.”Lin Jincheng nodded and said with a smile, “If you have time, we will definitely bother you.” ”

Ye Zhuo sent song Shiyu out of the unit door.

The song family’s driver was already waiting outside the door.

“Ye Zhuo said, “Brother song, take care on your journey.” ”

“Okay.” Song Shiyu nodded.

...

The next day.

A family of four brought big and small bags of gifts to Lin Shasha’s house.

Zhou Yuelian suddenly saw ye Shu and was extremely surprised. “Ah Shu! When did you come back?”

“Ye Shu smiled and said, “I got home yesterday afternoon. Oh right, Little Lian, let me introduce you. This is my Jin Cheng, and this is my son, Lin Ze. Ah Ze, this is your Aunt Lian.” ”

“Lin Ze politely greeted her, “Aunt Lian.” ”

“Seeing Lin Jin Cheng and Lin Ze, Zhou Yuelian was really happy for ye Shu. Her eyes were slightly red. “After so many years, Ah Shu, you’ve finally come to the bitter end.” ”

“Along the way with Ye Shu, no one understood ye Shu’s sadness better than Zhou Yuelian. ”

Ye Shu hugged Zhou Yuelian. “It’s all in the past.”

“Lin Jincheng couldn’t help but look at Zhou Yuelian with red eyes. “Don’t worry, his aunt. I Won’t let them suffer any more grievances in the future.” ”

Zhou Yuelian nodded.

“Because it was the new year, Lin Sha and Lin Weiwei were both at home. ”

“Lin Sha and Lin Weiwei were twins, while ye Zhuo and Lin Ze were twins. The four of them could play together.”

“In order to prepare for the college entrance exam, Lin Sha had lost a lot of weight recently.”

“Ye Zhuo smiled and said, “Sister Sha Sha, if you work so hard, you will definitely get into the school you like.””

“Lin Sha said, “I want to go to your school’s Department of Politics and law.”Lin Sha’s goal in life was to become a lawyer, and the Department of Politics and Law of the capital university was especially famous.”

“Ye Zhuo continued to ask, “How many points did you get in the mock exam?””

““698,”Lin Sha answered.”

“Ye Zhuo said, “698, just a little more. Our school’s admission score for the other provinces last year was 710. Sister Sha Sha, you’re not that far off. Keep up the good work. I believe you’ll definitely get into the Capital University.””

“Lin sha sighed, “698 is the best result I got! If I don’t do well...””

“At this moment, ye Zhuo seemed to have thought of something. He took out a notebook from his bag and handed it to Lin Shasha, “By the way, Sister Shasha, this is the question I wrote according to last year’s college entrance exam. Take a look, maybe this year’s college entrance exam will be successful.””

“Really?”Lin Shasha’s eyes lit up.

“Yes.”Ye Zhuo nodded.

“Lin Shasha took the notebook and flipped through two pages. She said excitedly, “This question, this question was also written by the teachers in our tutoring class!” Moreover, the knowledge that ye Zhuo summarized was much more abundant than the teachers in the tutoring class, after looking at the notebook that ye Zhuo gave her, Lin Shasha instantly had an epiphany. ”

...

On the other side.

Ye Sen had an appointment at the coffee shop to discuss a collaboration.

“Just as they were about to leave the coffee shop after discussing the collaboration, Ye Sen suddenly saw a familiar face. was that Gu Dening?”

Ye Sen was just about to go up and greet her when a young man wearing glasses walked up to him. It seemed that he knew gu dening.

““Hello, is this miss gu?” ”

“Gu dening nodded. “Yes, it’s me.” ”

“The bespectacled young man continued, “Hello, Miss Gu. I’m Wei Liping. Your aunt introduced us to each other.” ”

“Seeing this, Ye Sen suddenly understood. ”

It turned out that Gu Dening was on a blind date.

“Gu dening was not ugly. Her facial features were exquisite, and she had a good image and temperament. She also had a decent job. Ye Sen thought that she was already taken, but he did not expect gu dening to be single. ”

Chapter 728: 160: I Met Song Shiyu in Yunjing! 5

“Gu dening smiled and said, “Please take a seat, Mr. Wei.” ”

“Wei Liping sat opposite gu dening and continued, “I heard from my aunt that you’re a doctor, Miss Gu? You even cured cancer not long ago?” ”

“Gu Dening told him the truth, “I’m not the one who cured cancer. It’s Miracle Doctor Ye. I’m just basking in the glory of Miracle Doctor Ye.” ”

“Hearing that, Wei Liping was a little disappointed. ”

“He had seen gu dening on the news many times. He had thought that gu dening was the doctor who cured the cancer, but he didn’t expect that someone else had cured the cancer. ”

“Wei liping continued, “Miss Gu, let me introduce myself first. My name is Wei Liping. I’m 33 years old this year and I graduated from a famous University of Finance and Economics in Thailand. I already have a company of my own and my assets are over seven figures.” ”

“Wei Liping was very satisfied with his own qualifications. Because his qualifications were superior enough, he was very strict with the selection of his wife. ”

His qualifications were too low to be accepted.

He could not accept her even if she was ugly.

He could not accept her even if she was not taller than 165.

“Although he was only 173, he was rich. ”

“Girls nowadays were all realistic. As long as they had money, even if he was an old man in his 70s or 80s, there would be a bunch of people who would rush to pay for him. ”

“Gu dening smiled and said, “That Mr. Wei is very outstanding.” ”

“Wei Liping said, “Miss Gu, aren’t you going to introduce yourself?” ”

“Gu dening was not interested in Wei liping and said simply, “My name is Gu Dening. I’m 29 years old and a doctor.” ”

“Wei liping continued, “Miss Gu, since we’re already at the age where we should get married, let’s speak frankly.” ”

“Okay.”Gu dening nodded.

“Wei liping continued, “Miss Gu, you’re actually very satisfied with my choice of wife. Now let’s talk about what happens after marriage! “After marriage, we’ll be the male lead and the female lead. I’ll be in charge of earning money to support the family while you’ll be in charge of taking care of the elderly and giving birth. The best age for a woman to give birth is before the age of 30. You’re already 29 this year, so I think it’s best if we have a child within this year.” ”

Gu dening stared at Wei Liping with her mouth agape.

She did not expect to meet the legendary weirdo on her first blind date.

“Wei liping continued, “I’m the only son in our family, so it’s best if you can get a man in one go. I’m fine with that. After all, it’s a new era now. It’s the same whether it’s a boy or a girl, but my parents will definitely be unhappy. They, the older generation, all want to have a grandchild! “However, it doesn’t matter even if you can’t get a man in one go. Our country has already opened up to a second child. At most, we can have a second child.” ”

““Stop, stop, Stop!” Gu Dening made a ‘stop’ gesture. “Mr. Wei, it’s just the first time we’ve met. Isn’t it too early for you to say this?” ”

“But you’re already 29.” Wei Liping looked at Gu Dening. “I’m saying this for your own good.”

“After all, it was a woman who gave birth to a child, not a man. ”

“A man could be very childless at any age, but the best age for a woman to give birth was before the age of 30. ”

“GU Dening continued, “I’m sorry, Mr. Wei. I think you might be thinking too much. Our worldviews are also quite different...” ”

“This was the first time Wei Liping was rejected by someone, and the other party was a 29-year-old leftover woman! ”

“You don’t like me?” Wei Liping looked at Gu Dening in disbelief.

“GU Dening said, “No, that’s not what I meant. I just feel that the two of us might not have much in common.” ”

“Wei Liping continued, “Miss Gu, do you really think that you’re that outstanding? You have to understand that you’re already 29 years old this year, not 19 years old! What right do you have to pick and choose? If someone is willing to take you, you should pray for them? !” ”

“There were many people in the cafe, and Wei Liping’s voice was not soft. At this moment, everyone looked over. ”

“Gu Dening’s expression was a little ugly. “Mr. Wei, can you speak with a little more respect?” ”

“Am I not telling the truth?” Wei Liping looked at Gu Dening, “You’re an old woman who can’t get married. If you could get married, would you still be here? If I didn’t do it for Auntie’s sake, do you think I would come today?” ”

Gu dening was about to explode!

“Darling! Why are you here?” At this moment, a pleasant male voice appeared in the air. ”

“Before gu dening could react, an arm pressed on her shoulder, and an unfamiliar male scent assaulted her. “Darling, haven’t you told your family about our relationship?” ”

Chapter 729: 160: Meeting Song Shiyu in Yunjing! 6

Gu dening looked up and saw a handsome face.

This was...

Ye Sen.

“At this moment, gu dening felt that her breathing was a little irregular.”

Her heartbeat also inexplicably accelerated.

“Ye...” gu dening was about to speak when ye Sen raised his hand to cover her mouth.

“Ye Sen looked down at Wei Liping. “You, apologize to my girlfriend!””

Wei Liping was dumbfounded.

Didn't they say that Gu Dening was single?

Why did she suddenly have a boyfriend?

"Apologize!"

"Seeing that Wei Liping did not speak, Ye Sen walked directly to Wei Ping."

"Ye Sen was 1.85 meters tall, more than a head taller than Wei Liping. Under pressure, Wei Liping took a few steps back, picked up his phone on the table, and turned to run."

Ye Sen curled his lips.

"Gu dening finally reacted and walked to Ye Sen's side. "Mr. Ye, thank you for just now.""

"Ye Sen smiled and said, "I should be the one apologizing to you. Pretending to be your boyfriend without your consent.""

"Thinking of the experience just now, Gu Dening's ears were a little red. "No matter what, I still have to thank you. If it weren't for you, I really don't know how I would have dealt with him.""

"It's a piece of cake," ye Sen continued, "Were you on a blind date just now?"

Gu dening nodded.

"Ye Sen teased, "Who introduced you? You're too careless. Why do you have to introduce everyone to you?"

“At the mention of this, Gu Dening was a little distressed. “It was my aunt who introduced me. The person just now was a high school student of my aunt’s husband. I heard that he’s always been a good student with excellent character. I didn’t expect it to turn out like this...””

“If she had known this would happen, she definitely wouldn’t have agreed to meet him.”

Ye Sen nodded. “So it was a family relative who introduced him. No wonder I couldn’t refuse.”

“GU dening continued, “By the way, Mr. Ye, when did you return to Yunjing?””

““We came back yesterday,” ye Sen answered.”

““OH.”GU dening continued, “Did miss ye come back with us?””

““Yes, we all came back together.”Ye Sen nodded.”

“After that, Ye Sen looked at gu dening and asked, “Shall we go out for a walk?””

“Okay.”Gu dening nodded.

The two of them walked out of the cafe together.

“Gu Dening’s heart was in a mess. When she was crossing the road, she didn’t notice that there was a car on the road and directly crossed it.”

“At this moment, Ye Sen grabbed her wrist and pulled her back. “Be careful! Are You Okay?””

“Gu dening was also scared out of her wits. In a split second, she almost brushed past the car.”

Almost.

“I’m, I’m fine.” Gu Dening’s face was a little pale.”

“Ye Sen smiled and said, “It seems that the blind date incident has hit you hard.””

Gu dening smiled embarrassedly.

“At this moment, Ye Sen saw a movie theater promoting a new movie and said, “Miss Gu, Why don’t we watch a movie to relax?””

“Okay.” Gu dening nodded.

The two of them walked to the movie theater together.

“Ye Sen was standing beside Gu Dening. As long as gu dening looked up, she could see the side of his face.”

Bang Bang Bang —

Her heart seemed to beat faster.

“Because she was too nervous, gu dening didn’t even see what movie ticket ye Sen had bought. It wasn’t until she entered the theater that Gu Dening realized that this was a super scary ghost movie.”

“Although gu dening was a doctor and knew that there were no ghosts in this world, she was most afraid of this kind of ghost movie. Before it even started, her body was already covered in cold sweat. She was extremely afraid.”

“Are You Afraid?” Ye Sen tilted his head and looked at Gu Dening.

“Gu dening shook her head and tried hard to calm herself down. “No, I’m not afraid.””

“Ye Sen smiled and said, “These are all fake. You Don’t have to be afraid. Besides, I’m sitting next to you.” At this point, Ye Sen handed his arm to Gu Dening, “If you’re afraid, you can pinch me. Don’t worry, I’m not afraid of Pain!””

“Gu dening really admired ye Sen. The big screen was playing such a horrifying scene, but he didn’t care at all. He could even talk to her with a smile.”

Was he not afraid at all?

“Because of the working environment, gu dening seldom got along with men her age. The men around her were either fathers or grandfathers. This was the first time she sat with the opposite sex to watch a movie.”

““Thank you, thank you,” gu decing thanked him.”

“You’re welcome.”

“After the movie, Ye Sen and Gu decing went to have a meal together. After the meal, Ye Sen drove Gu decing to her house and then went home.”

“On the way home, Ye Sen was in a good mood and even whistled.”

“Until he got home, Ye Sen was still whistling and lying on the sofa with his legs crossed.”

“Ye Zao smiled and said, “Uncle, what happened to you? Why Are You So Happy?””

Ye Sen turned to look at Ye Zao. “It’s a secret for now.”

“Ye Zao raised his eyebrows slightly. “Looking at you, did you find me an aunt?””

“No, don’t guess blindly.” Ye Sen immediately stood up from the sofa. “I’m going to take a shower first.”

Ye Zao looked at Ye Sen’s back and felt that this matter was not simple. He could not help but worry about Ye Sen’s taste.

After all...

Ye Sen had already been deceived twice.

“However, ye Zao did not intend to interfere in this matter. No matter what, this was Ye Sen’s privacy.”

“On the 14th day of the first lunar month, the family of four set off for the capital.”

“Because ye Sen still had matters to deal with, he stayed in cloud capital and returned to the capital a few days later.”

...

On the other side.

In the capital.

Lin Qingxuan had been a little annoyed these few days. He had promised Xia Xiaoman that he would settle their matters after the new year and give her an explanation.

“However, Old Lady Lin had not relented. Not only did she not relent, but Old Lady Lin had also invited many young ladies in their twenties to visit the Lin family, causing Lin Qingxuan to feel extremely awkward.”

“After they left, Lin Qingxuan went to look for Old Lady Lin. “Mom, can you not be like this? I’ve already told you that I won’t marry anyone other than Xiaoman.””

“Old Lady Lin’s face was stern. “That Xia Xiaoman is already forty-one years old, and she still has a burden on her shoulders. Just what is so good about her?””

Which of those twenty-something-year-old girls was not better than Xia Xiaoman?

Old Lady Lin thought that Lin Qingxuan would be able to see the truth after seeing these girls again. She did not expect him to be so stubborn.

““She is good in every way,” Lin Qingxuan continued, “Also, Lizi is not a burden. She is a very sensible and good child. I have already treated Lizi as my own daughter.””

“Old Mrs. Lin looked at Lin Qingxuan. “Fourth brother, why do you have to go against me?””

““Mom, I’m not going against you. I really like Xiaoman. For the rest of my life, I just want to live with her.””

“Old Mrs. Lin slammed the table angrily. “You can only choose between Xia Xiaoman and me! There’s no me, no her, no me! You Choose!””

Chapter 730: 161: the tough Lin Qingxuan decides to get married. She and Aunt Lang both like Lily of the valley

Lin Qingxuan was stunned. He never thought that Old Lady Lin would have such a big reaction.

There is no Xia Xiaoman. There is no Xia Xiaoman.

“To be born the son of man, how can he choose?”

“At this moment, Lin Qingxuan was in a dilemma.”

“As the son of man, he couldn’t do anything to his own mother.”

“However, as Xia Xiaoman’s boyfriend, he could not abandon her.”

“Lin Qingxuan looked at Old Lady Lin. “Mom, do you have to do this?” ”

“Old Lady Lin Sighed, “Qingxuan, you’re already in your forties this year. I hope you can be rational and not live in an illusion. I’ve walked more bridges than you’ve walked! I know who is suitable for you and who isn’t. Xia Xiaoman is already in her forties this year. Whether she can give birth is another matter. Most importantly, she still has a burden on her. Do you want to be a cheap father and raise a child for someone else?” ”

Old Lady Lin could not accept Lin Qingxuan raising a child that was not related to her in any way.

“Moreover, the most important thing in life was to get married and have children. If Xia Xiaoman could not have children, what was the meaning of Lin Qingxuan marrying her?”

In conclusion.

Old Lady Lin Absolutely would not allow Lin Qingxuan to be together with Xia Xiaoman.

“”Mom, can you take it as I’m begging you?”Lin Qingxuan continued, “All these years, I have never asked you for anything. Right now, I only want to be together with Xiaoman. I Don’t care if Xiaoman can have children. Right now, I only want to be together with her! Moreover, Lizi doesn’t need me to support her. Xiaoman has her own business! Mom, I’m the one trying to hook up with Xiaoman Now!” ”

“In Lin Qingxuan’s eyes, he had always thought that he was trying to hook up with Xia Xiaoman.”

Because Xia Xiaoman was different from him.

“He was born superior, but Xia Xiaoman was a real self-made person.”

Everything that Xia Xiaoman had was earned by herself.

“Although he had known Xia Xiaoman for less than a year, Lin Qingxuan was very sure that Xia Xiaoman was the person he wanted to spend the rest of his life with.”

“No matter what happened, he wanted to be with Xia Xiaoman.”

Dating?

Lin Qingxuan was dating Xia Xiaoman?

Old Lady Lin thought that Lin Qingxuan must be crazy!

“Otherwise, why would he say such nonsense!”

The Lin family was a true noble family!

What was Xia Xiaoman?

Xia Xiaoman wasn't even a stray cat or dog on the roadside.

“No!” Old Lady Lin's attitude was very firm, “Qingxuan, I'm stopping you two from getting together now. You might hate me for a while, but if I let you two get together, your hatred for me will last for a lifetime! There won't be any good results if you two get together!”

Xia Xiaoman wasn't even with Lin Qingxuan.

They weren't from the same world either.

"If they really got together, Lin Qingxuan would regret it too."

"As a mother, she couldn't let Lin Qingxuan do what she regretted. She had to protect her son and not let those bad women cheat him."

"It didn't matter if Lin Qingxuan hated her now, because Lin Qingxuan would understand her one day."

"Mom!" Lin Qingxuan bent his knees and knelt in front of old lady lin, "I beg you! Please help us!" "

"He wanted to be with Xia Xiaoman, and he desperately wanted to get Old Lady Lin's approval."

"Old Lady Lin didn't expect Lin Qingxuan to suddenly kneel down, and she frowned."

"Lin Qingxuan! Do you have any backbone! You actually knelt down for a woman! Don't you know that men have gold under their knees?" Old Lady Lin was furious, "Let me tell you! I will never agree to let the two of you be together! Just give up on this idea!" "

"Lin Qingxuan could kneel down for Xia Xiaoman today. If Xia Xiaoman entered the house in the future, would she still have the right to speak in this house?"

Beauty was a disaster!

"Mom!"

"Old Lady Lin continued, "If you want me to agree to let the two of you be together, you'll have to kill me! Think about it yourself!" After saying this, Old Lady Lin turned around and walked into the house."

“Lin Qingxuan knelt in the hall, alone and helpless.”

“In a trance, he felt as if he had gone back more than twenty years.”

The same helplessness.

“When Mrs Lin returned to the back room, she was still very angry.”

“Sister-in-law Wang let her breathe, a little worried, he said, “I thought that by introducing Qingxuan to a few young girls, Qingxuan would change his mind. I didn’t expect that Qingxuan was determined to be with Xia Xiaoman. If not, old madam, please help them. If this goes on, I’m afraid something bad will happen...” . . .”

Wang Sao underestimated Lin Qingxuan’s affection after all.
