Chapter 731: 161: the tough Lin Qingxuan has decided to get married. She and Aunt Lang both like Lily of the Valley 2

She thought that Lin Qingxuan was like most men who would change their minds and dislike the old.

She did not expect that Lin Qingxuan was not that kind of person at all

“Even when she saw a young girl who was younger, prettier, and more qualified than Xia Xiaoman, Lin Qingxuan was still unmoved. She even begged Old Lady Lin bitterly.”

“Old Lady Lin narrowed her eyes and spoke angrily, “That Xia Xiaoman is a troublemaker! She hasn’t even passed the door yet, and she has already caused chaos in our Lin family! If they really get together, would qingxuan still have me as a mother in her eyes?””

Want her to agree to Lin Qingxuan and Xia Xiaoman getting together?

Impossible!

Who Was Xia Xiaoman?

“Auntie Wang continued, “As the saying goes, when a rabbit is anxious, it will bite. Aren’t you afraid that you will force Qingxuan into a corner?””

Old Madam Lin took a sip of tea. “Don’t worry! He won’t dare! Unless he doesn’t want me as his mother anymore!” “Would Lin Qingxuan abandon her mother for a woman?”

Of course not!

Lin Qingxuan valued filial piety the most.

“Old Master Lin had left early. He could understand how difficult it was for Old Madam Lin. Back then, it was old madam Lin who forced Lin Qingxuan to break up with her first girlfriend in the same way.”

Practice makes perfect.

That was why Old Lady Lin was so confident.

“Auntie Wang was still a little worried. “Old lady, apart from bringing up a child, Xia Xiaoman doesn’t have any other flaws. Otherwise...””

“Hearing that, Old Lady Lin immediately frowned. “No flaws? In terms of family background, how can Xia Xiaoman match up to our Lin Family? What kind of socialite can’t you find like Qingxuan? Who does Xia Xiaoman think she is?””

Auntie Wang stopped talking.

Her advice was harsh to the ears.

“She had better do her job well. If she made the old lady unhappy, it would not be worth it to lose her job.”

“After being rejected by Old Lady Lin, Lin Qingxuan felt extremely uncomfortable.”

“Xia Xiaoman was still waiting for his reply, but Old Lady Lin’s attitude was so firm.”

He did not know how to tell Xia Xiaoman.

Lin Qingxuan stood up from the ground and walked towards his own courtyard. He pushed open the door of the wine storage room and began to search for wine.

It was said that one would get rid of a thousand worries after getting drunk. He was looking forward to Old Lady Lin helping them after getting drunk.

“After coming out of the wine storage room, Lin Qingxuan had a few bottles of wine in his hands.”

“Immediately, a servant told Old Lady Lin about this matter.”

“Old Lady Lin said, “Let him go! If he wants to drink, let him drink! After he sobers up, he will naturally know that I’m doing this for his own good!””

...

On the other side.

At the airport.

Ye Zao had just alighted from the plane when he saw a familiar figure at the airport’s entrance.

“He was dressed in a retro-styled long gown with a black knee-length coat draped over it. In his hand was a string of bright red Buddhist beads. Although he did not do anything, just standing there like that still made people feel intimidated.”

“In the crowd, his figure stood out like a crane among chickens, especially eye-catching.”

“Ye Shu said with a smile, “Isn’t that young master?””

“Lin Jin Cheng nodded. “That’s right, it’s little cen.”Initially, Lin Jin Cheng was still not used to calling him ‘little cen’ because subconsciously, Cen Shaoqing had always been the fifth CEN who was the undisputed master of the capital.”

“But now, he could call him ‘Little Cen’ easily.”

Lin Ze’s gaze swept past CEN Shaoqing and his tone was rather displeased. “He’s really attentive.”

“Although he already knew that Cen Shaoqing was ye Zao’s boyfriend, Lin Ze still did not want to accept this fact.”

“His sister was as beautiful as a flower. How did Cen Shaoqing, this old Fox, manage to woo her?”

“He had originally thought that ye Zao’s interest in Cen Shaoqing was only temporary. After this newness, Ye Zao would definitely lose interest in Cen Shaoqing.”

“Now, it seemed that the matter was more complicated than he had imagined.”

Ye Zao smiled as he walked forward. “When did you arrive?”

“It was said that a day of absence was like three years. He had not seen ye Zao for a week. Seeing ye Zao now, Cen Shaoqing felt a myriad of emotions in his heart. He felt that ye Zao seemed to have lost a lot of weight.”

“He wanted to hug ye Zao, but since Lin Jincheng and ye Shu were both present, he took the suitcase from ye Zao. “We just arrived. Did your journey go smoothly?””

Ye Zao nodded. “Very Smooth.”

“”Xiao Cen, how did you know that we were coming back today?” Lin Jincheng smiled at Cen Shaoqing.”

“Of course I told him.” Ye Zao looked back at Lin Jincheng.

“Lin Jincheng nodded and sighed in his heart. As expected, when a woman is old, she can’t be kept.”

Ye Zao was already 20 years old this year. He didn't know how many years he could stay by their side.

Chapter 732: 161: the tough Lin Qingxuan has decided to get married. She and Aunt Lang both like Lily of the valley

"Thinking of this, Lin Jincheng felt a little melancholic."

"The few of them walked out of the airport in an imposing manner. This family was all extremely beautiful. Along the way, it was unknown how many people looked back at them."

"Walking out of the airport, they saw an extended Lincoln."

"Cen Shaoqing and ye Zao sat in a row. On the surface, there didn't seem to be anything unusual about them, but in fact, their hands had long been intertwined."

"Cen Shaoqing tilted his head and looked at Lin Jincheng and Ye Shu. "Uncle and aunt, you must have not eaten yet, right? Why Don't We Go Eat First?" "

"Sure." Lin Jincheng nodded. "Then I'll have to trouble you, Little Cen." "

"It's no trouble at all. It's my pleasure." Cen Shaoqing did not dare to say that it was troublesome in front of his future father-in-law.

"After a while, the car stopped in front of a high-end member-only restaurant."

"It was not until an hour later that the family walked out of the restaurant. The snowy scenery in the capital was very good. This was something that could not be seen in the capital. Therefore, Lin Jincheng suggested that they walk for a while."

They could enjoy the scenery while digesting their food.

Ye Shu and Lin Jincheng walked in front.

Cen Shaoqing and ye Zhuo walked in the middle.

Lin Ze walked at the back to prevent CEN Shaoqing from secretly taking advantage of ye Zhuo.

Cen Shaoqing did not even have the courage to hold hands with his brother-in-law. Lin Ze had a very bad impression of him to begin with. He could not leave him with the label of 'frivolous' and 'Hooligan' anymore.

"When passing by a flower shop, ye Shu suddenly stopped. Her gaze was attracted by a bunch of flowers. Something seemed to flash past her eyes, but it was so fast that ye Shu almost couldn't catch it."
"

"What's Wrong?" Lin Jincheng turned to look at Ye Shu.

"That flower looks pretty good."

"Following ye Shu's line of sight, Lin Jincheng saw a bunch of snow-white flowers through the glass window. "Is it that white flower?" "

"Ye Shu nodded. "Yes, it's the one that looks like the wind chime." "

"Lin Jincheng smiled and said, "That's the bell orchid. If you like it, I'll go buy it for you." "

Ye Shu was about to say no when Lin Jincheng had already walked towards the direction of the flower shop. A smile appeared at the corner of Ye Shu's mouth.

“Ye Zhuo and Cen Shaoqing walked over. “Mom, where did dad go?” ”

“He went to buy flowers.”

“Buy Flowers?”Ye Zhuo was a little puzzled.

“Yes.”Ye Shu nodded.

“The four of them stood where they were and waited for Lin Jincheng. Not long after, Lin Jincheng came trotting back with a bunch of white lilies. “Ah Shu, here you go.” ”

Ye Shu reached out and took the flowers from Lin Jincheng with a smile on her face.

“Lin Jincheng continued, “The boss said that the lilies aren’t blooming right now. This flower was flown back from abroad. Then, I bought you a potted plant of the lilies. He said that it will bloom in May or June.” ”

Ye Shu nodded. “Okay.”

“Ye Shu had never seen the Lily of the valley before, but when she saw the Lily of the valley, she had a very strange feeling. ”

“It was a very familiar feeling, as if she had seen the Lily of the valley somewhere before. However, she fell in love with this kind of pure white flower at first glance. ”

“Ye Zhuo looked at the flower in ye Shu’s hand and found it somewhat familiar. He raised his head to look at Cen Shaoqing and said in a low voice, “Last time when we went to Aunt Lang’s place for a meal, did her small courtyard grow a lot of these flowers?” ”

“Although he had only met Aunt Lang once, Ye Zhuo had a deep impression of this old man. ”

“In order to find his biological daughter, an old man over sixty years of age had waited in the same place for more than thirty years. This kind of spirit was worthy of admiration.”

“Cen Shaoqing nodded. “Yes, Aunt Lang likes the bell orchid very much.” ”

“Ye Zhuo continued, “Has there been any news about Aunt Lang’s little half a month?” ”

Cen Shaoqing shook his head slightly. “Not yet.”

Ye Zhuo frowned. “There’s no news at all?”

“Yes.”

“Thinking about Aunt Lang’s gorgeous hair, Ye Zhuo suddenly felt his heart ache.”

“After waiting for more than thirty years, no one knew how many times Aunt Lang had experienced despair!”

...

“The next day, Ye Zhuo and an Lizi made an appointment to go shopping together.”

Ye Zao arrived at the coffee shop on time.

“Big Zao Zao.”

“Seeing ye Zao come in, an Lizi immediately stood up and waved at ye Zao.”

“Lizi!”

“This was the first time the two of them met after the new year. Ye Zao jogged over and hugged an Lizi.
“Lizi, Happy New Year.” ”

“Happy New Year.”

“After sitting down, an Lizi took out a beautifully wrapped box from her bag. “This is a dessert made by my mother. Try It.” ”

““Thank you.”Ye Zhuo took the dessert with both hands, opened the box and took a bite. He squinted his eyes and said, “It’s very delicious! Auntie’s cooking is really good!” ”

Chapter 733: 161: the Stubborn Lin Qingxuan has decided to get married. She and Aunt Lang both like the Lily of the valley

“An lizi smiled and said, “My mom will be very happy after hearing this. By the way, did you guys just come back from the Cloud Capital Yesterday?””

Ye Zhuo nodded.

“An Lizi did not return to the cloud capital for the New Year this year. Instead, she went back to Xia Xiaoman’s hometown and continued, “How is it? Is it cold in the cloud capital?””

““It’s not cold,”ye Zhuo continued, “It’s much warmer than the capital city. The temperature is around 16 or 17 degrees.””

“An Lizi nodded. “We were going to return to Yun Jing this year, but my grandmother wasn’t feeling well, so my mother decided to go back to visit my grandmother at the last minute.””

“Ye Zhuo smiled and said, “Yun Jing is still the same. If you want to go back and take a look, you can take advantage of the summer vacation to go back.””

“Then will you go back this summer vacation?” An Lizi asked.

“I’m not too sure either. It depends on the situation.”

An Lizi nodded.

“Ye Zhuo took a bite of dessert and continued, “Oh right, how’s the matter between Auntie and my uncle?””

“An Lizi shook her head. “I’m not too sure either, but I can feel that your grandmother’s situation isn’t going well.””

“After saying that, an lizi continued, “Although Uncle Lin has been coming to our house quite frequently these past few days, I can see from his eyes that he’s under a lot of pressure.””

“Ye Zhuo narrowed his eyes. “My grandmother is indeed very difficult to deal with, but don’t worry too much about you and Auntie. I believe that my fourth uncle will definitely not compromise with my grandmother this time.””

An Lizi nodded.

“After leaving the cafe, the two of them went to watch a movie. Then, they went to the nearby shopping mall and bought a lot of clothes. It was not until evening that the two of them returned to their respective homes.”

...

“At the same time, at the Lin residence.”

“Lin Qingxuan’s body reeked of alcohol as she looked for Old Madam Lin. “Mom, can you really not help Xiao Man and me?””

“”No.”Old Madam Lin’s face was stern. “Qingxuan, I’m doing this for your own good! I hope that you can understand me! I’m already so old, do you have the heart to make me work hard for you every day?””

“At her age, she was supposed to be enjoying her retirement, but now she was worried about Lin Qingxuan every day.”

Which child would be as insensible as Lin Qingxuan?

“The More Old Lady Lin thought about it, the angrier she got. “Is that Xia Xiaoman that good? Better Than Me, your biological mother? You’re already in your forties this year, not four years old. Can’t you feel sorry for Your Mother?””

“At this point, Old Lady Lin couldn’t control herself and started coughing violently.”

“The poison in her body hadn’t been completely removed yet, but Lin Qingxuan acted as if he couldn’t see it. Whenever he opened his mouth and shut it, it was Xia Xiaoman. Every time she thought of this, Old Lady Lin’s heart would turn cold and she would feel very uncomfortable.”

“”Mother,”Lin Qingxuan looked at Old Lady Lin like this. “Xiaoman is really a good woman...””

“”Get lost! Get lost!”Old Lady Lin pointed at the door and said, “I don’t want to hear Xia Xiaoman’s name again! Are you trying to anger me to death? So that you can marry that woman?””

“Lin Qingxuan looked up at Old Lady Lin and wanted to say something, but in the end, she didn’t say anything. She turned around and walked out of the door.”

Old Lady Lin looked at Lin Qingxuan’s back and sighed deeply.

“Without realizing it, Lin Qingxuan walked to the east courtyard.”

The east courtyard housed Lin Jincheng's family of four.

"Compared to the quiet west courtyard, the east courtyard was very lively. Standing in the courtyard, one could hear the voices coming from inside."

"At this time, the family of four was having dinner."

"Lin Qingxuan did not want to go over and disturb them, but he could not hold it in anymore. He walked over and knocked on the door."

"The person who opened the door was Ye Zhuo. Seeing Lin Qingxuan like this, Ye Zhuo said in surprise, "Fourth uncle? Are You Okay?""

"I'm fine." Lin Qingxuan waved his hand.

"Fourth brother is here?" Lin Jincheng walked out of the house and was shocked to see Lin Qingxuan like this. He quickly walked over and held Lin Qingxuan. "Fourth brother, why are you like this?"

"Lin Qingxuan immediately hugged Lin Jincheng and said in distress, "Jincheng! What should I do? What should I do?" Old Lady Lin was driving him crazy!"

Lin Qingxuan just wanted to find someone to talk to.

"Lin Jincheng helped Lin Qingxuan into the house. "Fourth brother, what happened?"

"Seeing Lin Jincheng helping Lin Qingxuan into the house, Ye Shu said, "I'll get some water to wash fourth brother's face."

Lin Jincheng nodded.

Ye Shu went to fetch water.

“Lin Qingxuan held Lin Jincheng’s hand, “Jincheng, didn’t you know how much I Envy You? Look at how happy your family of four is! I finally found someone I like, but mom still tried every means to stop us from being together...””

Chapter 734: 161: the Stubborn Lin Qingxuan has decided to get married. She and Aunt Lang both like the Lily of the valley

“After what Lin Qingxuan said, Lin Jincheng finally understood why he wanted to drink. ”

So it was because of the matter between him and Xia Xiaoman.

“Lin Jincheng continued, “What did mom say?” ”

“Lin Qingxuan said, “She said that I want to marry Xiaoman unless she dies. Jincheng, what do you think I should do? What should I do?”The word ‘die’pressed down on Lin Qingxuan until she could hardly breathe.”

“Hearing this, Lin Jin Cheng furrowed his brows tightly. ”

“He thought that after experiencing so many things, Old Lady Lin would wake up. ”

He didn’t expect that Old Lady Lin would still be the same.

“In the past, Old Lady Lin had interfered in Lin Qingxuan’s life affairs, causing Lin Qingxuan to give up his first love and get together with Zhao shuning. ”

“Now that Lin Qingxuan had finally gotten rid of Zhao Shuning and found his true love, Old Lady Lin still tried to stop her.”

“At this moment, Ye Shu came over with a basin of water.”

“Lin Jincheng took the basin and said, “Fourth brother, let me wipe your face first.” ”

Lin Qingxuan lay on the sofa while Lin Jincheng took a towel to wipe Lin Qingxuan’s face.

““Dad, feed this to fourth uncle.” Ye Zhuo came down from upstairs and handed Lin Jincheng a black pill.”

“What’s This?” Lin Jincheng asked.

“Ye Zhuo explained, “It’s a hangover pill. It melts in the mouth.” ”

““Okay.” Lin Jincheng put the towel back into the basin, took the hangover pill from Ye Zhuo, and fed it to Lin Qingxuan.”

“Five minutes later, Lin Qingxuan woke up quite a bit, but she was still very distressed. She sighed at Lin Jincheng, not knowing what to do.”

“Seeing Lin Qingxuan like this, Ye Zao could not help but say, “Fourth uncle, this matter is actually very easy to solve. You don’t have to be so distressed.” ”

“Hearing this, Lin Qingxuan immediately looked up at Ye Zao. “Zao Zao, do you have a solution?” ”

“Although Ye Zao was only twenty years old and had not graduated from university yet, ”

Lin Qingxuan had never treated Ye Zao as an insensible child.

“Instead of answering, ye Zao asked, “Fourth uncle, do you want to be together with Aunt Xia?” ”

“Yes.” Lin Qingxuan nodded firmly.

“He wanted to be together with Xia Xiaoman, even in his dreams. ”

“Ye Zao said, “Since you want to be together, then be together! Don’t hesitate anymore. You and aunt Xia have been together for half of your lives. There isn’t much time left for you to waste in the rest of your life.” ”

“Lin Qingxuan said with great difficulty, “But on your grandmother’s side...” ”

“He understood the logic, but Old Lady Lin had never relented, so there was nothing he could do. ”

“Ye Zao continued, “Fourth uncle, to put it bluntly, your life was almost ruined in grandmother’s hands. Could it be that this time, if grandmother doesn’t agree with you and aunt Xia being together, you will give up on Aunt Xia? Your behavior isn’t filial piety, but stupidity. Not only did you hurt yourself, but you also hurt Aunt Xia.” ”

“If it weren’t for Old Lady Lin forcing Lin Qingxuan and Zhao shuning to be together, Lin Qingxuan would have ended up like this? ”

“Lin Qingxuan was good in other aspects, but he was too stupid and filial. ”

“Old Lady Lin had caused him to end up like this, yet he was still controlled by Old Lady Lin. ”

“Lin Qingxuan opened his mouth and said, “Zha Zha, what do you think I should do?” ”

“Ye Zha continued, “Follow your heart. Since you want to be with Aunt Xia, you should give her an explanation as soon as possible. As for Grandma, if she wants to cause trouble, you should let her do it. You must let Grandma see your determination! “You are already forty years old, you should have your

own opinions. If you don't even have the right to choose, then what's the difference between you and a crying baby waiting to be fed?" "

"Ye Zhuo's words woke him up from his dream. He was already in his forties. A man in his forties could not even make decisions for his own life. If this were to spread, wouldn't he be a joke?" "

"Lin Qingxuan immediately sat up from the sofa. "Zao, you're right! I was too stupid before! I shouldn't have thought so much!" "

"After saying that, Lin Qingxuan said worriedly, "But your grandmother said that if I were to be with your aunt Xia, then she would die. I can only choose between her and your aunt Xia..." "

This was what Lin Qingxuan was most worried about. He was afraid that he would really force his own mother to death.

"Ye Zhuo smiled slightly. "Don't worry, she won't bear to die." "

Old Madam Lin was living a life of superiority now. Would she despise her long life?

"Ye Zhuo continued, "Grandma has many children and grandchildren now. It's time for her to enjoy her life. How could she be so reckless as to commit suicide? Moreover, grandma is a person who cares about her reputation. Do you think the reputation of suicide is good?" "

Chapter 735: 161: the tough Lin Qingxuan has decided to get married. She and Aunt Lang both like Lily of the valley

"Lin Qingxuan felt that what ye Zao said was very reasonable. She smiled and said, "Thank you, Zao Zao! Fourth Uncle really listened to you today. It's better than ten years of studying!" "

"Ye Zao smiled and said, "Fourth uncle, it's good that you can understand this logic." "

She was most afraid that Lin Qingxuan would go into a dead end.

“Lin Qingxuan looked at Lin Jincheng and Ye Shu. “Jincheng, sister-in-law, I’ll be leaving first then!” ”

“Lin Jincheng followed Lin Qingxuan’s footsteps and asked worriedly, “Fourth brother, where are you going?” ”

“Lin Qingxuan raised her voice and said, “To where I should go!” ”

“Ye Shu walked over from behind and said with a smile, “I’m definitely going to look for sister Xiaoman.” ”

“Lin Jincheng looked at Lin Qingxuan’s back as she disappeared into the night and continued, “I hope that fourth brother and Madam Xia will have a good ending.” ”

“Ye Shu said, “Don’t worry. I can tell that fourth brother has already thought it through. He and sister Xiaoman will definitely have a good ending.” ”

Lin Jincheng nodded.

“In fact, Lin Qingxuan really went to look for Xia Xiaoman. She even specially brought the proposal ring that she had prepared beforehand.”

“Although it was already past nine o’clock in the evening, when Xia Xiaoman received a call from Lin Qingxuan, she still went outside immediately.”

Lin Qingxuan stood under the street lamp and waited for her.

“Under the dim yellow light, Xia Xiaoman saw that his waist was straight. Suddenly, it rang. Lin Qingxuan was also a member of the army.”

“Xiaoman!”

Xia Xiaoman walked to Lin Qingxuan’s side. “Why did you call me out so late?”

“I did!” Lin Qingxuan nodded. “And it’s a major event in my life.”

“Before Xia Xiaoman could react, Lin Qingxuan suddenly knelt down on one knee and opened the box of the diamond ring. “Xiaoman, can you marry me?” ”

Propose?

Xia Xiaoman was stunned for a few seconds before she realized that Lin Qingxuan was proposing to her.

“Lin Qingxuan continued, “Xiaoman, don’t worry. I’ll take good care of you for the rest of my life. I’ll also take care of Lizi as my own flesh and blood.” ”

“Xia Xiaoman didn’t immediately take the diamond ring. Instead, she said, “Did your mother agree to your proposal?” ”

“Lin Qingxuan looked into Xia Xiaoman’s eyes. “Xiaoman, it’s between you and me when I’m with you. It has nothing to do with my mother! Even if she doesn’t agree, I still want to be with you!” ”

“After saying that, Lin Qingxuan took out the household register from his bag. “I’ve thought it through. Let’s go to the Civil Affairs Bureau to get our marriage certificate tomorrow!” ”

“Have you really thought about it?” Xia Xiaoman looked down at Lin Qingxuan.

“Lin Qingxuan nodded seriously. “Yes, I’ve already thought about it.” ”

“No regrets?”

“”Never!” Lin Qingxuan held the diamond ring and the Household Register. “Xiaoman, please marry me.”

“Actually, Xia Xiaoman wanted Lin Qingxuan to have an attitude.”

She didn’t want her partner to be a Mama’s boy who had to listen to his mother.

“She was very surprised that Lin Qingxuan could have such a change. She thought that Lin Qingxuan would hesitate for a long time, but she did not expect Lin Qingxuan to make a decision so quickly.”

“Xia Xiaoman passed her hand to Lin Qingxuan, her eyes watery. “Okay, I promise you.” ”

Lin Qingxuan immediately held Xia Xiaoman’s hand and put the diamond ring on her ring finger.

“At this moment, Lin Qingxuan’s hand was shaking.”

“In his dreams, he had dreamed countless times of him putting the diamond ring on Xia Xiaoman. He didn’t expect that the day would come so soon.”

“”Xiaoman, thank you.” Lin Qingxuan slowly planted a kiss on Xia Xiaoman’s ring finger.”

“That night, Lin Qingxuan and Xia Xiaoman spent the night in a nearby hotel.”

“At 9:30 am the next day, the two of them appeared at the entrance of the Civil Affairs Bureau and successfully received their marriage certificate.”

“After receiving their marriage certificate, Lin Qingxuan and Xia Xiaoman brought an Lizi to a restaurant to eat and celebrate.”

“An Lizi was very happy when she heard that Xia Xiaoman and Lin Qingxuan had already received their marriage certificate. This time, she really became ye Zhuo’s cousin. ”

“An lizi smiled and said, “Uncle Lin, when are you going to prepare the wedding with my mother?” ”

“Lin Qingxuan said, “Your mother and I have already discussed it. The wedding will be held on the eighth day of next month.”After the wedding, they would go on a honeymoon trip. ”

“At their age, of course, they would do whatever was romantic. ”

“Really?”

“Yes.”Lin Qingxuan nodded.

“After eating and sending the mother and daughter home, Lin Qingxuan returned to the Lin family and couldn’t wait to tell Lin Jincheng and ye Shu about him and Xia Xiaoman getting married. ”

“Hearing this, Ye Shu said in surprise, “Really?” ”

She didn’t expect that Lin Qingxuan would get the marriage certificate in one night.

Lin Qingxuan nodded. “It’s true.”

“Afraid that Ye Shu and Lin Jincheng wouldn’t believe it, Lin Qingxuan even took out the marriage certificate. ”

“After seeing the marriage certificate, ye Shu dared to believe it. ”

“Lin Qingxuan continued, “I plan to hold the wedding with Xiaoman on the eighth day of next month and live with Xiaoman after the wedding.” ”

““Fourth brother, have you thought about it?” Lin Jincheng raised his head to look at Lin Qingxuan. ”

““Yes, I have.” ”

“Lin Jincheng continued, “Since you have thought about it, don’t let fourth sister-in-law down.” ”

““Don’t worry, I won’t let her down.” ”

“After saying that, Lin Qingxuan continued, “Jincheng, what do you think we should do if mom doesn’t help us host the wedding?” ”

“Lin Jin Cheng said, “Elder brother is like a father, and elder sister-in-law is like a mother. If it really comes to that, let elder brother and sister-in-law be your wedding witnesses!” ”

“With Lin Jin Cheng’s words, Lin Qingxuan felt much more at ease. ”

“In the following days, Lin Qingxuan did not go to look for Old Lady Lin anymore. She was at ease with Xia Xiaoman to prepare for their new home and the necessities for the wedding. ”

“The day before the wedding, Lin Qingxuan looked for Old Lady Lin. “Mom, I’m getting married. I hope you can come to my wedding.” ”

“Married?” Old Lady Lin frowned. “With who?”

“Xiaoman.”

Xia Xiaoman.

It was Xia Xiaoman again.

Old Lady Lin was furious. "How many times have I told you? I don't agree to the two of you being together."

"Lin Qingxuan continued, "Whether you agree or not, we have to be together. The wedding is scheduled for tomorrow." "

"Lin Qingxuan, for that woman, you don't even want your own mother anymore?" Old Lady Lin was trembling with anger. "

"Lin Qingxuan bowed to Old Lady Lin. "Mother, that's all I have to say." "

"After saying that, Lin Qingxuan turned around and left. "

"Old Lady Lin shouted at Lin Qingxuan's back, "Come back! Come back quickly!" "

Lin Qingxuan acted as if he didn't hear her.

"Auntie Wang supported Old Lady Lin and said worriedly, "Old Lady, do you think Qingxuan will really marry Xia Xiaoman?" "

"Don't worry! He doesn't have the guts!" Old Lady Lin understood her son.

"Without her consent, Lin Qingxuan didn't dare to marry Xia Xiaoman at all. "

Chapter 736: 166: Can Ye Zhuo do it? Old Mrs. Lin fainted from anger

“If Lin Qingxuan dared to marry Xia Xiaoman, it would be because she didn’t want her mother anymore!
”

“Compared to her biological mother, who was more important? ”

“Of course, she was more important! ”

“Moreover, if she didn’t officiate the wedding for Lin Qingxuan, who would officiate the wedding? ”

The reason why Lin Qingxuan came to tell her this was just to scare her.

Did he really dare to marry Xia Xiaoman?

Unless the sun rose from the west!

Old Lady Lin still had this bit of confidence.

Auntie Wang nodded and felt that what Old Lady Lin said made sense.

“She had worked for the Lin family for many years and knew Lin Qingxuan quite well. According to Lin Qingxuan’s character, he really couldn’t do anything against Old Lady Lin. ”

“Old Lady Lin continued, “We haven’t visited Xianxian for a long time. Go and tidy up. We’ll go and visit Xianxian now.” ”

“”Okay.” Auntie Wang continued, “I’ll go right away.” ”

Auntie Wang prepared a lot of food that was still useful. The two of them took a car to Feng Xianxian’s current place.

“After moving out from the affordable residential area, Feng Xianxian now lived in a high-end apartment.”

“Although the apartment’s environment was not as good as the Feng family’s villa area, the people who came and went here were not ordinary people. They were either white-collar workers or internet celebrities.”

Old Lady Lin was quite satisfied with the environment here.

“These days, Feng Xianxian had been preparing for the literary world’s assessment competition.”

She must win against Ye Zhuo!

“At this moment, the doorbell rang in the air.”

Feng Xianxian jogged over to open the door.

“The moment the door opened, she saw Liu Caiyi dressed in a smart suit.”

“President Liu.”

“Liu caiyi smiled and said, “How many times have I told you? You can just call me sister Caiyi. How can you still treat me as an outsider?” Liu Caiyi had a righteous heart. After interacting with her for the past few days., she felt that Feng Xianxian was a very talented person.”

She would definitely be able to achieve great things in the future!

“And as the next quasi-president of the Chinese arts association, she naturally had to rope in talented people to prepare for the position of president.”

“Sister Caiyi.” Feng Xianxian continued, “Come in and take a seat.” ”

Liu Caiyi walked in from outside.

Feng Xianxian poured her a cup of tea.

“Liu CAIYI continued to ask, “How’s your preparation during this period of time?” ”

“Feng Qianqian knew that Liu Caiyi was asking about the assessment competition, so she replied, “It’s not bad.” ”

“Liu Caiyi knew that Feng Qianqian was different from ye Zao. Feng Qianqian was the type of person who did not reveal anything. She was very modest. Even if she had already prepared properly, she would not be arrogant and complacent. ”

She was nothing like ye Zao.

“A pot full of water would not make a sound, and half a pot of water would jingle! ”

“Up until now, Liu Caiyi still did not understand why master Yu would accept a good-for-nothing as his disciple. ”

It was simply a waste of resources.

“Liu Caiyi continued, “This year’s assessment competition has become more valuable. This is some information that I have helped you organize. Take a good look at it. It might be of help to you.” ”

“After saying this, Liu Caiyi handed Feng Qianxian a stack of information. ”

The assessment of the literary world was different from other competitions.

“The assessment was not only about calligraphy, but there were also many literary topics.”

“As the Vice President of the Chinese Arts Association, Liu Caiyi had a lot of connections. She could more or less know about the assessment questions.”

““Sister Caiyi, thank you.”Feng Xianxian took the information and thanked her.”

“Of course.”Liu Caiyi smiled.

“At this moment, there was a knock on the door again.”

Feng Xianxian walked over to open the door.

“This time, it was Old Lady Lin and sister-in-law Wang.”

““Grandma, Why are you here?”Feng Xianxian asked in surprise.”

“Old Lady Lin smiled and said, “I came to see you.” ”

“Please come in.”

Feng Xianxian helped Old Lady Lin into the house.

“Seeing Old Lady Lin come in, Liu Caiyi smiled and stood up. “Old Lady Lin.” ”

Old Lady Lin was stunned for a moment. She did not know Liu Caiyi.

“Feng Xianxian took the initiative to introduce her. “Grandma, this is Liu Caiyi, the vice president of the Chinese Arts Association.” ”

Old Lady Lin smiled at Liu Caiyi. “Miss Liu is really young and promising. She is already the vice president at such a young age.”

It was said that birds of a feather flock together. This saying was not wrong at all.

“Although Feng Xianxian was down and out now, the people who appeared by Feng Xianxian’s side were all very outstanding people. ”

Unlike ye Zhuo.

He was always hanging out with those shady people!

Could Ye Zhuo make friends with Liu Caiyi?

Definitely Not!

“Liu Caiyi said humbly, “Old Madam, you flatter me.” ”

Liu Caiyi had also heard about Feng Qianhua poisoning old madam Lin.

Chapter 737: 166: Can Ye Zao do it? Old Mrs. Lin fainted from anger

“Before this, she was still skeptical.”

Now it seemed that there must be a misunderstanding. Maybe someone was framing Feng Qianhua and her daughter behind the scenes.

“If Feng Qianhua really poisoned old Mrs. Lin, would old Mrs. Lin still treat Feng Qianqian so well?”

Old Mrs. Lin was not stupid!

“If someone was framing Feng Qianhua and her daughter, it would definitely be Ye Zao.”

“Because in the Lin family, Feng Qianqian was the biggest threat to ye Zao.”

“After all, Old Lady Lin treated Feng Qianqian as her own granddaughter.”

“If ye Zao wanted to secure his position as the eldest daughter of the Lin family, he had to get rid of Feng Qianqian.”

“From the looks of it, Ye Zao was really shameless.”

“First, he stole Feng Xianxian’s position in the literary world and replaced Feng Xianxian as Master Yu’s disciple. Then, he stabbed Feng Xianxian in the back.”

An ordinary person really could not do what ye Zao did!

“Fortunately, Feng Xianxian was lucky enough to meet her.”

Liu Caiyi was born to fight injustice.

She did not like people who used small tricks to get to the top.

Feng Xianxian was busy making tea for Old Lady Lin.

“Old Lady Lin smiled and said, “Xianxian, you don’t have to work. I’ll just drink plain water.””

“Feng Xianxian was not willing to let Old Lady Lin Drink Plain water. After all, everything she had now was given to her by Old Lady Lin. Old Lady Lin was her breadwinner.”

“A few minutes later, Feng Xianxian came out of the kitchen with a cup of red date honey tea.
“Grandma, this red date honey tea is to nourish qi and blood. Drinking it will be good for your body.””

Old Lady Lin took the jujube honey tea from Feng Xianxian with a smile.

Feng Xianxian was still filial.

Unlike ye Zao.

“Ye Zao was still her biological granddaughter, but she had never been filial to her for a day.”

“Her body was not in good shape now, and the toxins in her body had not been cleaned. As a doctor, Ye Zao had the same blood as her in his bones, but ye Zao ignored it and did not save her!”

Who would be as cold-blooded and heartless as ye Zao?

He could actually watch his own grandmother die!

It was simply the heart of a snake and a scorpion!

“If it was Feng Xianxian, Feng Xianxian would definitely not be like this.”

Everyone said that she favored Feng Xianxian.

But was that really the case?

Ye Zao clearly did not have a granddaughter.

“As a grandmother, she had already lowered her head to ye Zao and admitted her mistakes, but ye Zao did not appreciate it at all.”

As long as ye Zao could perform a little better.

She would not be like this.

“Since ye Zao did not treat her as a grandmother, then there was no need for her to treat ye Zao as her own granddaughter.”

Because ye Zao was not worth it at all!

“Old Lady Lin drank a mouthful of red date honey tea and turned to look at Auntie Wang. She then said, “Auntie Wang, take out the pastries that I brought for Xianxian. Coincidentally, Miss Liu is here too. Let Miss Liu have a taste.””

“Okay.” Auntie Wang nodded and took out the thing that she had brought for Feng Xianxian.

“It was a very exquisite pastry, and it was still steaming when it was freshly baked.”

“Madam Lin smiled and said, “Miss Liu, quickly try this rose cake. How is it?””

““Thank you, Madam.” Liu Caiyi elegantly picked up a piece of rose cake.”

“It was very sweet and soft, and it was very different from the normal rose cake that was sold on the market. Even for someone like Liu Caiyi, it was the first time she had eaten such a special rose cake.”

The Lin family was indeed the Lin family. Even an ordinary rose cake could be made in a different way.

“After tasting a piece of rose cake, Liu Caiyi stood up and said, “Xianxian, old madam, I still have something to do. I’ll be going back first.””

Old Madam Lin raised her head to look at Liu Caiyi. “Aren’t you going to sit for a while?”

“Liu caiyi smiled and said, “You’re too polite.””

“Feng Xianxian stood up and said, “Grandma, I’ll send Sister Caiyi off.””

“You go ahead.” Old Lady Lin nodded.

Feng Xianxian sent Liu Caiyi out of the apartment building.

“Liu Caiyi stopped in her tracks. “Alright, I’ll send her off here.””

“Feng xianxian nodded and said, “Then sister Caiyi, drive carefully on the road.””

“I will.”

“After watching Liu Caiyi get into the car, Feng Xianxian turned around and walked into the apartment.”

“When she returned to the apartment, Old Lady Lin asked curiously, “Xianxian, is your relationship with Miss Liu Very Good?””

“Feng Xianxian smiled and said, “Sister Caiyi is a very upright person. She doesn’t like people who use underhanded means behind their backs. I can be considered to have met a person who uses underhanded means behind my back.””

Who was the person who used underhanded means behind their backs?

“Of course, it was ye Zhuo!”

“If ye Zhuo did not use underhanded means, would she be able to become Master Yu’s disciple?”

Dream On!

“After saying this, Feng Xianxian continued, “Oh right, grandma, Sister Caiyi helped me get a spot in the literary world assessment. When the time comes, I would like to invite you to participate in the assessment.””

“Chapter 738: 166: Can Ye Zao do it? Old Lady Lin, who had fainted from anger”

She wanted Old Lady Lin to see her defeat ye Zao with her own eyes!

“Hearing this, Old Lady Lin’s eyes lit up. “Really?””

“Of course it’s true!” Feng Xianxian nodded.

“Old Lady Lin smiled and said, “Good, good, good! Very good! Xianxian, your grandma will definitely participate in the competition!” Old Lady Lin was very excited now, when she had recommended Feng Xianxian to master Yu previously, master Yu had directly rejected her. He had even said that Feng Xianxian was not as outstanding as ye Zao!”

“If Feng Xianxian were to win against ye Zao in this assessment, master Yu would lose face.”

“At that time, master Yu would definitely regret his decision!”

Old Lady Lin could not wait to see the look of regret on master Yu’s face.

Just thinking about it made her extremely excited.

“After the assessment, it was not whether Master Yu was willing to accept Feng Xianxian as his disciple, but whether Feng Xianxian was willing to be Master Yu’s disciple.”

“The More Old Lady Lin thought about it, the happier she became. She patted Feng Xianxian on the shoulder and said, “Xianxian, Grandma believes that you will definitely get first place in the assessment!””

“Feng Qianxian said a little embarrassedly, “Sister Ye Zao will also be participating in this assessment. I only hope that I can get closer to Sister Ye Zao. As for first place, I don’t even dare to think about it. Since master Yu likes Sister Ye Zao so much, it means that Sister Ye Zao has great wisdom. The first place will definitely belong to Sister Ye Zao.””

“At the mention of Ye Zao, Old Lady Lin was a little unhappy. “She can’t compete with you.””

“Ye Zao had been poisoned when he was young. His brain was not sharp to begin with, and he had not received any good education. How could she be compared to Feng Qianxian?”

“Although ye Zao had some small achievements in the scientific and technological world, could the scientific and technological world be compared to the literary world?”

A hint of guilt flashed across Feng Qianxian’s eyes. “I’ve let Sister Ye Zao Down. I don’t know if Sister Ye Zao will be able to forgive me when we meet at the assessment competition...”

“”Silly child! You weren’t the one who did those things! It has nothing to do with you!” Old Lady Lin continued, “Don’t blame yourself for everything.””

“Feng Xianxian sighed. “But I’m still my mother’s daughter. Grandma, the better you treat me, the more I feel guilty...””

“At the end of her sentence, Feng Xianxian’s eyes turned red.”

Old Lady Lin was heartbroken. She felt that Feng Xianxian was a sensible and good child.

...

“Lin Qingxuan and Xia Xiaoman’s wedding was booked at a five-star hotel in the capital. The wedding was to be held tomorrow. At this moment, a few sisters-in-law of the Lin family were busy arranging the wedding venue.”

“The wedding looked simple, but it was actually very complicated. There were many things that needed to be done personally.”

Ye Shu also put down the work in the restaurant and followed the three sisters-in-law to arrange the venue.

“Lin Qingxuan was very touched when he saw the whole family busy with his work. “Sister-in-law, sister-in-law, sister-in-law, and sister-in-law, thank you for your hard work.””

“Wu Mei smiled and said, “We’re all family. It’s too much of an outsider to say that it’s not hard work!””

“After saying that, Wu Mei asked again, “By the way, you just went back. What did mom say?””

“Lin Qingxuan said, “Mom still said the same thing. Sister-in-law will have to trouble you and Big Brother to help us host the wedding tomorrow.””

“”Okay, no problem.”Wu Mei nodded.”

“After Lin Qingxuan left, Zhang Zhenzhen ridiculed, “I don’t know what the Old Lady is thinking! She has already caused fourth brother a lot of trouble in the first half of her life, and now she’s still acting like this! Isn’t she afraid that fourth brother will disown her?””

It was also because Lin Qingxuan was honest enough.

“If it were anyone else, they probably wouldn’t be able to tolerate such a mother.”

“Just because of Old Lady Lin’s family background, Lin Qingxuan sacrificed more than half of her life’s happiness and still lived in guilt towards Zhao shuning every day.”

“If it weren’t for ye Zao finding out, Lin Qingxuan would still be kept in the dark!”

“Therefore, Zhang Zhenzhen had always thought that ye Zao was the Lin family’s little lucky star.”

“If it were not for ye Zao, the dark clouds that shrouded the Lin family would not have dissipated so quickly!”

“Yang Wenyin continued, “Don’t you know the old lady well? She just wants to make all the decisions in the family, big and small! If anyone dares to go against her, then their good days will come to an end! “It’s all thanks to US splitting up early! “Otherwise, there will be a lot of arguments!””

“Although Wu Mei did not say anything, she agreed with Yang Wenyin and Zhang Zhenzhen’s words.”

Old Lady Lin was indeed a little pretentious.

“Zhang Zhenzhen turned to look at Ye Shu. “Fifth sister-in-law, the four of you have always lived with the old lady. How can you tolerate her?””

“Chapter 739: 166: Can Ye Zao do it? Old Lady Lin, who fainted from anger”

“Ye Shu smiled and said, “Although we live with Old Lady Lin, we don’t live in the same courtyard. We don’t usually interact with each other.”In addition, Ye Shu wasn’t the kind of person who would cause trouble, so up until now..., they still got along quite peacefully. ”

...

On the other side.

The Cen family.

“The Cen Old Lady looked at Cen Shaoqing and asked curiously, “I heard that Zhuoluo’s fourth uncle is getting married. Is that true?” ”

Cen Shaoqing nodded slightly. “It’s true. This is the invitation that fourth uncle gave me.”

“He married Zhuoluo’s classmate’s mother?”The Cen Old Lady continued to ask.

“Yes.”

The Cen Old Lady’s eyes were full of gossip. “Then can that old fool from the Lin family agree? Did she cause a ruckus?”

“Cen Shaoqing had never cared about such trivial matters, and Ye Zhuo was not a chatterbox. At this moment, he shook his head slightly. “I’m not very sure either.” ”

“You’re a sand sculpture! Nothing!”

“”Mom, you might as well ask me instead of him.”Zhou Xiang walked over from the other side. ”

“You know?” Old Mrs. Cen immediately raised her head to look at Zhou Xiang.

Zhou Xiang nodded and smiled. “Have you forgotten that Wenyin and I are good friends?”

“Only then did old Mrs. Cen remember this and hurriedly asked, “Then quickly tell me about it.” ”

Zhou Xiang sat on the sofa and began to talk about the Lin family.

“When she heard that old Mrs. Lin was still objecting to the matter between Lin Qingxuan and Xia Xiaoman, old Mrs. Cen sighed, “The fourth son of the Lin family has a tough life! He actually has such a mother! Other People’s grandsons saved the Milky Way in their previous lives. Did he destroy the Milky Way in his previous life?” ”

Zhou Xiang could not help but laugh.

Cen Shaoqing twirled the prayer beads and felt that he had been offended.

“Old Mrs. Cen looked at Zhou Xiang and gloated, “Do you think that old fool of the Lin family will die of anger if he finds out that Qingxuan and classmate Zhulao’s mother have already gotten married?” ”

“One had to know that Lin Qingxuan was old Mrs. Lin’s most obedient and obedient son. If even Lin Qingxuan did not listen to her and began to disobey her, old Mrs. Lin would probably collapse!” ”

Old Lady Cen liked to see Old Lady Lin angry.

Zhou Xiang nodded. “Of course. She will definitely be very angry.”

“Old Lady Cen stood up and said, “Then after the wedding ends tomorrow, I will be the first to inform her!” ”

“Mom, isn't this a little bad?” Zhou Xiang asked hesitantly. ”

“Old Lady Cen said, “What's so bad about it!” ”

“In the blink of an eye, the next day arrived. ”

It was the day of Lin Qingxuan's wedding.

“At half past six, Ye Zhuo came down from upstairs. ”

“Lin Ze held the fat brother Meow in his arms and sat in the dining room, waiting for Ye Zhuo. ”

“Ye Zhuo tilted his head and looked at Lin Ze. “Brother, are you alone at home? Have Mom and Dad gone out already?” ”

“Seeing ye Zhuo come down, brother Meow immediately jumped down from Lin Ze's arms and ran quickly toward Ye Zhuo. ”

“Brother Meow.” Ye Zao took brother Meow.

“Lin Ze nodded and went to the kitchen to bring out the food. “Zao Zao, Hurry up and eat your breakfast. We'll be leaving soon.” ”

Lin Jincheng had already left for Lin Qingxuan's place.

There were still many things to prepare before picking up the bride.

Ye Shu went to accompany Xia Xiaoman.

“Xia Xiaoman didn't have many friends in Beijing, so ye Shu went to be Xia Xiaoman's bridesmaid. ”

“Ye Zhuo carried brother Meow in one hand and picked up a sandwich in the other. “Okay, let’s go together in three.” ”

“Three?” Lin Ze raised his head in confusion.

Ye Zhuo nodded slightly. “Cen Shaoqing is already waiting for us outside.”

Cen Shaoqing.

It was Cen Shaoqing again.

“Lin Ze’s expression did not change, but he was a little depressed. Why was Cen Shaoqing everywhere? ”

“After breakfast, the siblings walked out of the door together. ”

“As expected, Cen Shaoqing was standing outside the door waiting for them. ”

““Brother, Zao Zao.” ”

“Seeing the siblings, Cen Shaoqing smiled and went forward. ”

Brother?

Lin Ze’s eyes lowered.

“He was more than ten years younger than Cen Shaoqing, this old fox, but this old Fox called him ‘brother’ very naturally. ”

“If it was an ordinary person, they really wouldn’t be as indifferent as Cen Shaoqing. ”

“Lin Ze continued, “Zhuozhuo, you take his car. I’ll ride there myself.” ”

“Previously, Lin Ze had always called CEN Shaoqing as Cen Wuye. ”

“Ever since Cen Shaoqing and Ye Zhuo got together, Lin Ze had used ‘he’to call Cen Shaoqing. ”

“Okay.”Ye Zhuo nodded slightly. “Then take care on the road.”

“Okay.”

“After saying that, Lin Ze walked to the parking spot. ”

Ye Zao got into Cen Shaoqing’s car.

“Soon, they arrived at Lin Qingxuan’s new home. ”

Chapter 740: 166: Can Ye Zhuo do it? Old Mrs. Lin fainted from anger

“This was a five-story villa. After careful decoration, the inside and outside of the villa were filled with joy. ”

“The Lin family had many relatives and brothers. At this moment, the villa was bustling with activity. ”

Lin Qingxuan’s marriage was a major event.

“Other than old Mrs. Lin who was not present, all the other relatives and friends of the Lin family were present.”

“When Ye Zhuo and Cen Shaoqing arrived, Lin Qingxuan and the rest had already prepared everything. They were just waiting for the auspicious time to come and pick up the bride.”

Lin Qingxuan was in high spirits when it came to happy events. All the happiness was written on her face.

“Ye Zhuo smiled as he walked in front of Lin Qingxuan. “Fourth uncle, Congratulations. You’ve finally achieved what you wanted.” ”

“Lin Qingxuan looked at Ye Zhuo. “Zhuo Zhuo, I still have to thank you. If it wasn’t for your words that woke up the person in my dreams, how would fourth Uncle Be Here Now?”To Lin Qingxuan., ye Zao was like a life-saving straw that a drowning person would encounter.”

“If it weren’t for ye Zao’s timely advice, he might not have been able to see the truth until now.”

“Therefore, the person that Lin Qingxuan was most grateful to was ye Zao.”

“At 8:08 am, more than 30 luxury cars left the villa on time.”

Xia family.

Ye Shu accompanied Xia Xiaoman as they sat in front of the dressing table.

Xia Xiaoman looked at herself in the mirror in her pure white wedding dress and felt that everything was so surreal.

“An Lizi walked over and asked, “Mom, are you nervous now?” ”

“Xia Xiaoman smiled and said, “I’m okay.” ”

“At this moment, the sound of firecrackers came from downstairs. ”

An Lizi hurriedly stood up. “They’re here! They’re here!”

“Hearing this, Xia Xiaoman became even more nervous. ”

“Her first marriage was very sloppy. She didn’t even take any wedding photos. On the day of her wedding, she wore a red gown and walked to the an family home. ”

Although this was her second marriage.

Many of her experiences were her first.

“Ye Shu reached out and held Xia Xiaoman’s hand. “Sister Xiaoman, don’t be nervous.” ”

“After saying that, ye Shu continued, “Oh no, I should call her fourth sister-in-law now.” ”

“Xia Xiaoman’s face blushed. “Ah Shu, you’re teasing me too.” ”

“Ye Shu smiled and said, “This is the truth! How can it be called teasing?” ”

“An Lizi came to the window and looked downstairs. As expected, Lin Qingxuan and the others had come over. ”

“At this moment, an Lizi’s uncle was receiving them. ”

“Ye Shu looked at an Lizi. “Lizi, we can’t let your uncle Lin in so casually later. He’s the groom today. We have to ask him for more red packets.” ”

“An Lizi nodded and smiled. “I know, Aunty.” ”

“As soon as she said this, there was a knock on the door. ”

“Who is it?”Ye Shu asked deliberately.

“”It’s me! Fifth Sister-in-law, I’m here to bring Xiaoman home.”Lin Qingxuan’s voice came from outside the door. ”

“Ye Shu looked at an Lizi, who immediately understood and said, “Uncle Lin, if you want to take my mother home, don’t you have to show some sincerity?” ”

Lin Qingxuan immediately stuffed the red packets through the crack in the door. “Is this enough?”

“Not Enough.”

Lin Qingxuan stuffed some more red packets into the crack in the door.

“Ye Shu made things difficult for Lin Qingxuan again, and only then did she let an Lizi Open the door. ”

There was a group of people standing outside.

“Lin Qingxuan stood at the front with flowers in his hands. “Xiaoman, I’m here to take you home!” ”

“Xia Xiaoman reached out to take the flowers, her face bashful. ”

There were people at the side who jeered at Lin Qingxuan for him to confess.

“It was hard for Lin Qingxuan, a man in his forties, to be so bashful at this moment that he looked like a young boy in his twenties.”

An Lizi walked to ye Zao’s side and tugged at ye Zao’s hand. “Big Zao Zao!”

“Lizi.”

“An lizi continued, “Zao Zao, why do I Feel Like This Is All a dream! is my mother really together with your fourth uncle?” Not only was Xia Xiaoman feeling incredulous, even an Lizi felt that things had developed too quickly.”

“She had never thought that one day, she and ye Zao would become cousins and become a family.”

“Ye Zao said, “Of course it’s true. From now on, we’ll be a family.” ”

“After saying that, ye Zao tilted his head and looked at Cen Shaoqing. “Let me introduce you. This is your cousin, an Lizi.” ”

Cousin.

“Upon hearing this address, Cen Shaoqing nearly choked on his blood.”

His seniority in the Ye family was already low enough. He did not expect ye Zao to arrange another cousin for him.

It seemed that it was impossible for him to turn things around in the Ye family.

““Cousin.”Cen Shaoqing held the Buddha bead in his hand, his expression still the same.”

“How could an Lizi Bear being addressed as cousin by Cen Shaoqing? She hurriedly said, “Mr. Cen, you’re too polite! Actually, you don’t have to call me cousin. Just call me by my name!” ”
