Chapter 741: 166: Can Ye Zao do it? Old Lady Lin fainted from anger

“Ye Zao smiled and said, “Lizi, you can’t mess with seniority. He should have called you cousin.””

Cen Shaoqing nodded. “Zao Zao is right.”

“An Lizi:” ...”So, was she being fed dog food?”

“After a series of ceremonies, Lin Qingxuan carried Xia Xiaoman into the wedding car.”

The motorcade drove directly to the hotel.

“Old Mrs. Cen didn’t come, so the witnesses of the wedding were Lin Qingfan and Wu Mei.”

The two of them sat at the head of the viewing platform and accepted the kneeling worship of a couple. They offered tea.

“Xia Xiaoman picked up the tea. “Big Brother, please have some tea.””

“Okay.”

Lin Qingfan placed a thick red packet on the tray.

“”Sister-in-law, please have some tea.””

“Wu Mei smiled as she picked up the Teacup. “Xiao Man, from now on, you’re a part of the Lin family. Sister-in-law wishes you and Qingxuan a long and happy life together.””

“”Thank you, sister-in-law.””

Wu Mei also placed a thick red packet on the tray.

“After the change of topic, it was time for the other segments.”

“In order to liven up the atmosphere, Lin Qingxuan specially invited a famous television host for the wedding ceremony.”

The wedding only officially ended at nine o’clock in the evening.

“Lin Qing Xuan brought Xia Xiao Man to toast his brothers and sisters-in-law. “Big Brother and sister-in-law, second brother and sister-in-law, third brother and sister-in-law, Jin city’s fifth brother and sister-in-law. Thank you so much for today!””

“If it weren’t for the full support of the Lin Brothers, the wedding wouldn’t have gone so smoothly.”

“Lin Qing fan raised his cup and said, “It’s only right for brothers to help each other. Don’t say anything else. Just Live Well with your fourth brother and sister in the future.””

“I will.” Lin Qingxuan nodded.

“After the wedding, Old Lady Cen came to the Lin family home.”

“”Old Lady, Old Lady Cen is here.” Auntie Wang came in to inform Old Lady Lin.”

“Old Lady Lin asked curiously, “Why is she here?””

“Old Lady Cen smiled and walked in. “Of course, she’s here to congratulate you.””

“Congratulate what?” Old Lady Lin looked at Old Lady Cen in confusion.

Could it be that something good had happened to the Lin family recently?

“Old Mrs. Cen pretended to be puzzled and said, “You still don’t know?””

“Know what?”

Old Mrs. Cen narrowed her eyes. “It seems that you really don’t know! I was wondering why you didn’t appear at the wedding today! So you still don’t know!”

“Wedding? Who Got Married?” Old Mrs. Lin’s eyebrows inexplicably jumped.

“Old Lady Cen smiled and said, “Of course Qingxuan got married! You Don’t know how lively the wedding ceremony is today. Almost all of Your Lin family’s relatives are present!””

Lin Qingxuan got married?

Who Did Lin Qingxuan get married to?

Could It Be Xia Xiaoman?

No!

Impossible!

Old Lady Cen must be lying to her.

Lin Qingxuan didn't get her consent. How could he marry Xia Xiaoman casually?

Old Mrs. Cen saw through Old Mrs. Lin's thoughts. She took out her phone and pulled out the video that was recorded today. "Take a good look and see if this is your Qingxuan."

Old Mrs. Lin was dumbfounded when she saw the video.

Her blood boiled.

It was Lin Qingxuan!

It was really Lin Qingxuan!

Lin Qingxuan really married Xia Xiaoman.

How did he dare?

How did he dare?

Old Lady Lin had originally thought that Lin Qingxuan had come to inform her about this matter yesterday just to probe her. Old Lady Lin had never dreamed that Lin Qingxuan would actually marry Xia Xiaoman!

It had gone against the grain!

It had gone against the grain!

It had gone against the grain!

“Without her mother around, Lin Qingxuan had actually dared to marry Xia Xiaoman on his own.”

Old Lady Lin’s blood rushed to her heart. Her vision turned black and she fainted just like that.

“Old Lady Cen said speechlessly, “Look at this old lady! Why is she so anxious?””

“Auntie Wang was shocked. “Old Lady, Are You Alright?””

“Old Lady Cen walked over and pressed on Old Lady Lin’s Ren Zhong acupoint. She said in surprise, “D * mn! She really fainted!”She thought that Old Lady Lin was faking it, but she did not expect that this old lady actually fainted.”

“Old Mrs. Cen instructed Auntie Wang to call the family doctor over. Then, she instructed two servants to carry old Mrs. Lin onto the bed.”

“After a series of first aid measures by the Doctor, Old Mrs. Lin finally woke up. “Auntie Wang!””

““Old Lady, please speak.””

“Old Mrs. Lin continued, “Go and call Qingxuan! Tell him to get his ass back here right now! Otherwise, he will never be able to see his mother again!””

Auntie Wang quickly went to make the call.

“A few minutes later, Auntie Wang jogged over. “Old Madam, Qingxuan’s phone is switched off.””

Switched Off?

“Old Madam Lin continued, “Then call the others! Call boss and Wu Mei! I’d like to ask them who gave them the courage to overstep their boundaries and officiate Qingxuan’s wedding! “Do they all think I’m Dead?””

She was still here!

These people actually dared to ignore him!

They were all lawless!

“Auntie Wang called Lin Qingfan and his wife again. After a while, she said, “Their phones are switched off too.””

The Lin family’s brothers seemed to have made an agreement as they all switched off their phones.

“Old Lady Lin was furious. “I don’t want to live anymore! I Don’t want to live anymore either! What’s the point of living in this world now? Auntie Wang, go and contact them now and tell them to come back and collect my body!””

“Old Lady Cen immediately handed Old Lady Lin a rope, “Hang yourself! Although hanging yourself is a little ugly, the process shouldn’t be very painful. Besides, I’m watching by your side. I’ll immediately get someone to collect your body so that no one can see your remains.””

Auntie Wang was shocked.

She never expected that old lady cen would hand over a rope at this time and ask Old Lady Lin to hang herself.

Wasn’t this adding fuel to the fire?

“What was even more unexpected to Auntie Wang was that old lady cen immediately handed over a fruit knife, “If you don’t want to hang yourself, then commit hara-kiri suicide. Although hara-kiri suicide

is a little more painful than hanging yourself, hara-kiri suicide is a greater deterrent! You have to let the children see your determination to commit suicide!””

Auntie Wang gulped.

“Seeing that old Mrs. Lin did not have any reaction, old Mrs. Cen handed over another bottle of pesticide, “Hara-kiri is indeed a little painful! I know that you are most afraid of pain. Why Don’t you just drink the medicine! This is called paraquat, and its toxicity is very strong. As long as you drink it, even if a great god was present, he would not be able to reverse the situation! The more miraculous thing is that this medicine won’t take effect immediately. It will swallow you bit by bit while you are conscious. This will give you just enough time to let you see the children regret it.””

“Looking at the things that old Mrs. Cen handed over, Old Mrs. Lin was immediately stunned. She didn’t want to live anymore and just casually said that she wanted to scare a few of the Lin family’s brothers. How could she have thought that.., old Mrs. Cen would prepare everything so well?”

“Even the rope, the fruit knife, and the paraquat were all prepared!”

Chapter 742: 167: Sever the mother-child relationship and the assessment begins! 1

Old Mrs. Lin was so angry that she couldn’t say a word.

“She couldn’t really let her die, right? ”

“She had everything she wanted now. She had five great-grandsons, which could be considered a full house. ”

Why did she have to die?

No!

She couldn't die.

She still had a lot of blessings to enjoy!

"Seeing that Old Lady Lin didn't say anything for a long time, old lady cen put down the paraquat in her hand. "What? ! You're not satisfied with the things I've prepared for you?" "

"Bai Tang!" Old Lady Lin glared at Old Lady Cen. "We've known each other for decades! Do you really want to see me die?"

"Old Lady Cen said speechlessly, "Zhao fangyue! Do you still have a conscience? ! You were the one who said you wanted to die! I didn't force you! I provided you with the tools and helped you, and now it's My Fault? Or do you not like these ways of dying?" "

"After saying that.., old Mrs. Cen continued, "If you don't like these ways of dying, there's still charcoal burning! Why don't I get someone to prepare some charcoal for you? I heard that charcoal is the least painful way to commit suicide. It is especially uncomfortable when you are about to die. However, this discomfort will not last for long. You Don't have to worry! If you feel uncomfortable, you will die! Anyway, you have lived enough. Some people will leave when they are 60 or 70 years old. You are already in your 80s this year! "Even if you don't leave now, you'll still have to leave in a few years. A petty person like you will die of anger sooner or later! "Rather than die of anger, you might as well commit suicide!" "

"The More Old Lady Lin Heard, the more uncomfortable she felt. She frowned and raised her head to look at Old Lady Cen. "Who said I'm going to commit suicide! I'm still alive and well, why would I commit suicide?" "

Old Mrs. Cen was too blind.

"She had already said that she was going to commit suicide, so it was fine if old Mrs. Cen did not hold her back. Instead, she wanted to make peace here and add fuel to the fire! "

She really did not have the slightest bit of sympathy.

“For such a person, no wonder his daughter-in-law gave birth to four servant girls in a row and only got a grandson. ”

She deserved it!

“In his opinion, a person like old Mrs. Cen should not have even half a grandson! ”

He should have cut off the Cen family’s incense.

““Didn’t you say it yourself?” Old Mrs. Cen said innocently, “You see, you really don’t know a good person when you bite Lu Dongbin! I wanted to help you, but you didn’t appreciate it!” ”

“After saying that, old Mrs. Cen looked at Old Mrs. Lin and narrowed her eyes, “Zhao fangyue! Are you scolding me in your heart?” ”

“Who scolded you?” Old Mrs. Lin turned her head.

“Old Mrs. Cen smiled and said, “It’s okay if you don’t admit it! Whoever scolded me in their heart just now, whoever scolded me in their heart is a puppy!” ”

Old Mrs. Lin choked and was so angry that her whole body was trembling.

Was this damn old lady trying to anger her to death?

“Unfortunately, Old Mrs. Lin could only bite off her teeth and swallow her blood. ”

She could not speak of her suffering.

“Old Lady Cen continued, “So you’re not going to commit suicide now?” ”

Old Lady Lin did not say a word.

Only a fool would commit suicide!

“Even if everyone in the world committed suicide, she would not commit suicide!”

“Old Lady Cen looked at Old Lady Lin, “If you’re not going to commit suicide, then I’ll go back first. I’ll leave these things here for you. If you want to commit suicide later, you can choose any one of them. However, I still suggest that you drink paraquat!” ”

“After saying this, old Mrs. Cen stood up from the bedside and looked at Auntie Wang, she instructed, “Auntie Wang, if this old lady wants to commit suicide later, you must inform me! “No matter what, I’ve known your old lady for decades. If she wants to go on her journey, I must send her on her last journey no matter what!” ”

“Auntie Wang stifled a laugh in her heart. She sighed in her heart that old Mrs. Cen’s status was still high. With just a few words, she was able to subdue Old Mrs. Lin. ”

“After Old Lady Cen Left, Old Lady Lin instructed Auntie Wang to close the door. She was afraid that Old Lady Cen would make a comeback. ”

““Auntie Wang, go and contact Qingxuan Again!” This time, Old Lady Lin did not dare to say that she had committed suicide. “Tell him that if he doesn’t come back, I will sever my mother-son relationship with him!” ”

“Auntie Wang nodded. “Alright, I will go now!” ”

“The phones of the Lin family’s brothers were all switched off, so sister-in-law Wang was able to contact them.”

“Fortunately, Old Lady Lin fell asleep after drinking the medicine, so she did not make a fuss.”

“The next morning, the first thing Old Lady Lin did after she woke up was to ask sister-in-law wang, “Did the family of four from Jin City Come Back Last Night?” ”

“Chapter 743: 167: Sever the relationship between mother and son, and the assessment begins! 2”

“You’re back.” Auntie Wang nodded.

““You Go!” Old Lady Lin pointed to the door and said, “Go and call them over!” ”

Auntie Wang immediately went to the east courtyard to look for Lin Jincheng.

“Hearing Auntie Wang’s intentions, ye Shu put down his chopsticks and stood up. “Then let’s go quickly.” ”

Lin Jincheng took out a tissue to wipe his mouth. “I’ll go.”

Old Lady Lin was definitely here to cause trouble.

Lin Jincheng did not want ye Shu to suffer any grievances in front of Old Lady Lin.

“Coincidentally, Ye Shu was too lazy to deal with Old Lady Lin. ”

Lin Jincheng followed Mrs Wang to the western courtyard.

“As expected, just as they reached the door, a glass glass smashed over. ”

Bang!

The glass shattered all over the floor.

“”Mom, it’s so early in the morning. What are you doing this time?” ”

Old Lady Lin walked out of the room in a rage. “Let me ask you! Did you know that Qingxuan and Xia Xiaoman were getting married?”

“Yes.” Lin Jincheng nodded.

“Old Lady Lin continued, “Who allowed them to get married? Who allowed you to attend his wedding? I’m Still Alive! Do you all think I’m Dead?” ”

Old Lady Lin was furious when she thought about how Lin Qingxuan had married Xia Xiaoman behind her back.

“She was the old lady of the Lin family, Lin Qingxuan’s biological mother. However, Lin Qingxuan had avoided her and married Xia Xiaoman! ”

What was she then?

Old Lady Lin felt that her dignity had been challenged.

“Lin Jincheng was not angry and continued, “Mom, fourth brother should have told you about his wedding yesterday, right? He also invited you to attend his and fourth sister-in-law’s wedding. It was you who didn’t want to Go!” ”

“”Fourth sister-in-law?”Old Lady Lin pointed at Lin Jincheng and said, “Who is your fourth sister-in-law? Let me tell you! As long as I don’t die, I will not acknowledge that B * Tch Xia Xiaoman!” ”

Lin Jincheng frowned. "It doesn't matter if you don't admit it. I will admit that she is my fourth sister-in-law!"

"What did you say?" Old Lady Lin was furious. "Say It Again!"

What did Lin Jincheng mean by that?

Did he mean that she was no longer in charge of the Lin Family?

"Lin Jincheng continued, "Even if you let me say it ten more times, it won't change the fact that Xia Xiaoman is my fourth sister-in-law." "

"It's all wrong! It's all wrong!" Old Lady Lin was so angry that her eyes were red. "Lin Jincheng, I'm your biological mother! I carried you for ten months to give birth to you, and now you're treating me like this! Do you still have a conscience? !" "

"One cry, two bickering, and three hanging. "

"Lin Jincheng had long been fed up with Old Lady Lin's behavior. "Mother, if you have nothing else, I'll be leaving first." "

"Old Lady Lin looked at Lin Jincheng's back and was so angry that she couldn't say a word for a long time. If it weren't for sister-in-law Wang supporting her from behind, Old Lady Lin would have fainted long ago. "

"Now, even Lin Jincheng had begun to ignore her. "

It must be Ye Shu. Ye Shu was instigating her from behind.

"If it weren't for Ye Shu instigating her from behind, Lin Jin Cheng wouldn't have ended up like this. "

Her family was unlucky!

This was simply the misfortune of her family!

Her two sons had been bewitched by the woman from Yun Jing!

Madam Lin went to look for the other brothers of the Lin family.

“When she found out that Lin Qingfan and Wu Mei were still staying in the hotel, Madam Lin immediately rushed to the hotel.”

“Without saying a word, madam Lin slapped Wu Mei across the face.”

Wu Mei was stunned. Her eyes were filled with disbelief.

“After being married to the Lin family for so many years, this was the first time Madam Lin had hit her!”

Lin Qingfan was also shocked. He immediately stood in front of Wu Mei and glared at her. “Mom! What are you doing?!”

““What am I doing? I should be the one asking you, what do you want to Do?” Old Lady Lin continued, “I’m not dead yet! All of you are overstepping your authority! Let me ask you, who agreed to let you officiate Qing Xuan’s wedding? And who agreed to the matter between Qing Xuan and Xia Xiaoman?!””

“If Lin Qingfan and Wu Mei hadn’t made the decision to officiate Lin Qingxuan’s wedding, would Lin Qingxuan and Xia Xiaoman have successfully held their wedding?”

All the relatives of the Lin family were present!

She was the only one missing!

How would those relatives view an old lady like her?

Saying that she was heartless?

“When a biological son got married, the one who hosted the wedding wasn’t her mother, but the eldest son and eldest daughter-in-law of the family! ”

She wasn’t dead yet!

“”I agreed to this! What does it have to do with Wu Mei?”Lin Qing fan continued, “If there’s anything, just come at me! What right do you have to hit Wu Mei? ! You have to apologize to Wu Mei Right Now!”

Chapter 744: 167: break off the mother-son relationship and start the assessment! 3

Lin Qingfan and Wu Mei had been married for more than 30 years and had never blushed.

Wu Mei was also a good wife and the two of them were very loving.

“At this time, Wu Mei was slapped by Old Lady Lin for no reason and this made Lin Qingfan very angry.”

“Seeing Lin Qingfan protect Wu Mei like this, Old Lady Lin was very upset.”

Apologize?

Lin Qingfan actually asked her mother-in-law to apologize to Wu Mei?

Could Wu Mei take it?

“Besides, wasn’t it common for an old woman to hit her daughter-in-law in the past?”

“Old Lady Lin pointed at Lin Qingxuan’s nose and scolded, “Unfilial Son! You unfilial son! I’m your mother! Your biological mother! Do you even think that you have a biological mother like me? I’m already more than 80 years old this year, and you want me to apologize to her? Lin Qing fan, aren’t you afraid of being struck by lightning?””

“Lin Qing fan furrowed his brows tightly. “No matter what, it’s wrong for you to hit someone!””

“Old Lady Lin continued, “If it’s wrong for me to hit someone, then what you two did was right? Boss! You’re the eldest son in the family. It’s fine if you don’t want to be on my side! But now, you’re actually allowing Qing Xuan to mess around with you! You’re still allowing that ambitious Xia Xiaoman to marry into our Lin family! You’re not helping Qing Xuan! You’re harming Qing Xuan!””

How could Lin Qing Xuan and Xia Xiaoman Be Happy Together?

Anyone with a discerning eye could see that Xia Xiaoman was only with Lin Qing Xuan because of money.

Only Lin Qing Xuan was foolishly deceived by Xia Xiaoman!

It was fine if Lin Qingxuan was stupid.

“Madam Lin never thought that Lin Qingfan, who she had always been proud of, would also be deceived by Xia Xiaoman. He even went beyond her and officiated the wedding for Lin Qingxuan!”

He simply didn’t have any rules at all!

“Elder brother as father, elder sister-in-law as mother, these words were indeed correct.”

But she was still alive!

She was still fine!

“As long as she was still in this world, Lin Qingfan and Wu Mei didn’t have the right to do this.”

Why should they?

“Lin Qingfan tried his best to calm himself down, “Mom, fourth sister-in-law is a good woman. Like Qing Xuan, she had a hard life in the first half of her life. I believe that they will be very happy when they get together! Don’t interfere in this matter! As parents, don’t they just want their children to be happy? Qing Xuan and fourth sister-in-law now have a very happy small family. Why are you doing this?””

A good woman?

Just Xia Xiao Man?

Old Lady Lin’s face was full of disdain.

““Shut up!” Old Lady Lin continued, “Let me ask you, where is Qing Xuan Now?””

“Lin Qing fan looked at Old Lady Lin. “Mom, you’ve already caused Qing Xuan a lot of trouble! What else do you want? Do you have to make him lose this son of yours to be satisfied?””

Lin Qing fan knew that these words were very hurtful.

But he really couldn’t hold it in any longer.

“If madam Lin were to continue like this, Lin Qing Xuan would definitely not be able to take it.”

Madam Lin was stunned and her face instantly turned pale.

It turned out that Lin Qing Xuan wasn't the only one blaming her.

Lin Qing fan also thought that what happened to Zhao Shu Ning was her fault.

The entire family felt that it was her fault!

But was it her fault?

Wasn't her motive for doing this for Lin Qingxuan's own good?

“”And Jin city's family of four. Mom, if it wasn't for you, would the four of them have been separated for so many years? Would Jin city lose a leg in a car accident? Would fifth brother and sister-in-law and little twelve have to suffer so much outside? Since so many things have happened, why can't you reflect on yourself?""

Every single word of Lin Qingfan's was heartbreaking.

Old Lady Lin almost lost her balance. The world was spinning around her.

“She never thought that after living for so long, she would actually become the 'sinner' in her son's eyes”

But did they ever think about it.

She was also a victim.

She was also kept in the dark by someone who had intentions.

No one understood her.

They were all blaming her.

“Seeing that Old Lady Lin did not speak for a long time, Lin Qingfan supported Wu Mei and said, “Mom, think about it carefully. I’ll bring Wu Mei to treat her wound.””

Old Lady Lin’s slap was not light. It made Wu Mei’s mouth bleed.

“After saying that, Lin Qingfan left with Wu Mei.”

Old Lady Lin looked at the backs of Lin Qingfan and his wife and could not help but cry.

Lin Qingfan brought Wu Mei to the clinic.

The doctor prescribed some ointment to reduce the swelling.

“Lin Qingfan bent down to apply the ointment on Wu Mei. His eyes were filled with guilt. “I’m sorry, I made you suffer.””

““It’s okay,”Wu Mei said with a smile. “Actually, it doesn’t hurt very much.””

“Although she was very angry at that time, at this moment, Wu Mei was no longer angry.”

She was very happy that Lin Qingfan did not compromise with Old Lady Lin Today.

“Chapter 745: 167: Sever the relationship between mother and son, start the assessment! 4”

“On the other side, after Lin Qingxuan heard that Wu Mei had been slapped because of him, he was also very upset. He immediately came to visit Wu Mei with Xia Xiaoman.”

““Sister-in-law, I’m sorry. I’ve made you suffer so much because of us.” ”

“Wu Mei raised her head and looked at Lin Qingxuan. “Qingxuan, you don’t have to take this matter to heart. We’re family. As long as you and Xiaoman live a good life, sister-in-law’s slap is nothing.” ”

“As her sister-in-law, Wu Mei also hoped that Lin Qing Xuan could continue to be happy in the future. ”

“Lin Qing Xuan nodded. “Sister-in-law, don’t worry. We will definitely not let down your painstaking efforts.” ”

“After leaving Lin Qing fan and Wu Mei’s place, Lin Qing Xuan planned to return to the Lin family and explain this matter clearly to Old Lady Lin. It was not a good idea to continue hiding like this. ”

“Xia Xiaoman said, “I’ll go back with you.” ”

“Lin Qingxuan shook his head. “I can go back alone. My mother is currently in a rage. She will definitely make things difficult for you.”Not only that, her words would also be very unpleasant. ”

“As a son, Lin Qingxuan knew Old Lady Lin too well. ”

“Xia Xiaoman reached out and held Lin Qingxuan’s hand. “We’re husband and wife now. Since we’re husband and wife, we should advance and retreat together. We’ll face all the storms and setbacks together.” ”

“Lin Qingxuan was very touched when he met Xia Xiaoman’s determined gaze. Then, he nodded. “Xiaoman, thank you.” ”

““Since we’re husband and wife, there’s no need to say thank you.” ”

“When the two of them arrived at the Lin family home, Old Mrs. Lin was lying on the bed and sighing.”

“Mom!”

Old Mrs. Lin sat up from the bed when she heard Lin Qingxuan’s voice.

She knew that Lin Qingxuan would definitely come back to look for her.

She was Lin Qingxuan’s mother. Could it be that Lin Qingxuan would really sever the mother-son relationship with her?

How was that possible?

“However, when Old Madam Lin saw Xia Xiaoman beside Lin Qingxuan, her expression immediately changed. “Why did you bring her back?” ”

“Xia Xiaoman took a step forward. “Old Madam, I know that you have never liked me, but I am now husband and wife with Qingxuan. I hope that you can accept me.” ”

““Accept you?” Old Lady Lin could not contain her anger. “Unless I die! Otherwise, our Lin family will never acknowledge you! Why Don’t you see which part of you is worthy of our Lin Family!” ”

“Xia Xiaoman was not angry either, she continued, “In the entire Lin family, other than you, everyone else agrees that I am together with Qingxuan. So, whether you admit it or not, I have already entered the Lin family. From now on, I am a member of the Lin family.” ”

Old Madam Lin was furious.

As expected!

“After Xia Xiaoman married Lin Qingxuan, she revealed her true colors.”

Shameless!

Shameless!

“Old Madam Lin turned to look at Lin Qingxuan. “Lin Qingxuan, I want you to divorce her immediately!” ”

“”Mom, I Won’t divorce Xiaoman.”Lin Qingxuan’s attitude was very firm. ”

“Old Madam Lin continued, “Let me tell you, there’s no me in this family, there’s no her, there’s no me! You have to divorce her!” ”

“”Mom, don’t worry,”Lin Qingxuan said, “We won’t live here after we get married, so you don’t have to worry about this.” ”

Old Mrs. Lin took a deep breath. “Then we’ll break off the relationship between mother and Son! You can choose between me and this B * Tch!”

Would Lin Qingxuan dare to break off the relationship between mother and son with her?

As soon as she said that.

The air immediately became quiet.

Sever their mother-son relationship?

“”Mom, do you have to do this?”Lin Qingxuan raised his head and looked at Old Lady Lin with a complicated expression. ”

A smug look flashed across Old Lady Lin's eyes. "Yes! You have to make a choice today!"

Xia Xiaoman wanted to succeed in her position?

No Way!

"Xiaoman..." Lin Qingxuan turned to look at Xia Xiaoman, his eyes filled with a thousand words. "

"Xia Xiaoman smiled at him. "No matter what choice you make, I will respect you." "

"No matter what, Old Lady Lin was Lin Qingxuan's mother. "

"If Lin Qingxuan chose Old Lady Lin, she would let go. "

"Seeing this, the smug look in Old Lady Lin's eyes became more obvious. "

She knew that this trick would definitely work.

"No matter what, she was Lin Qingxuan's mother. She was pregnant with Lin Qingxuan for ten months and gave birth to him. Could it be that Lin Qingxuan would abandon her as his mother because of a woman? "

How was this possible?

What was the use of Xia Xiaoman's methods?

"In the end, Xia Xiaoman could only hope for nothing! "

"Lin Qingxuan closed her eyes and let out a breath of turbid air. She turned to look at Old Madam Lin. "Since that's the case, Mom, don't blame your son for being unfilial!"

“Chapter 746: 167: Sever the relationship between mother and son, start the assessment! 5”

What?

What did Lin Qingxuan Mean?

Old Lady Lin looked at Lin Qingxuan in disbelief.

“Before Old Lady Lin could react, Lin Qingxuan held Xia Xiaoman’s hand. The two of them knelt on the ground and kowtowed to Old Lady Lin. ”

“After kowtowing, Lin Qingxuan did not say anything else. He held Xia Xiaoman’s hand and walked out. ”

Xia Xiaoman was stunned the whole time.

She didn’t expect Lin Qingxuan to do this.

“Are... are we leaving just like this?”Xia Xiaoman asked.

“Lin Qingxuan nodded. “I listened to my mother for half of my life. For the rest of my life, I want to live for myself.”In the first half of his life, he was with Zhao shuning because of Old Lady Lin. ”

“Every night when he dreamt about it, he felt extremely uncomfortable. ”

“Because of Zhao Shuning’s lie, he felt guilty for most of his life. In the middle of it, he even suffered from depression. ”

No one knew how he had survived for so many years.

“Now, Old Lady Lin was using the same trick again. He really did not want to endure it anymore.”

He had to give himself an explanation and give Xia Xiaoman an explanation.

“Xia Xiaoman was still a little worried. “Then your mother, she...” ”

“Lin Qingxuan continued, “This is her own choice. No one forced her. When she comes back in a hundred years, we can send her to her death.”Originally, he could have been with Xia Xiaoman to properly show filial piety to Old Lady Lin.”

But Old Lady Lin insisted on torturing her.

“This time, Lin Qingxuan was really tired and really hurt by Old Lady Lin.”

“If he didn’t make this decision, Old Lady Lin would definitely go on and on.”

“If this went on, he and Xia Xiaoman wouldn’t have to live anymore.”

“Looking at the backs of Lin Qingxuan and Xia Xiaoman, Old Lady Lin didn’t even have time to put on her shoes and immediately chased after them, “Qingxuan! Lin Qingxuan! Come back here! Don’t tell me that you don’t even want your own mother for this woman?” ”

“Lin Qingxuan!”

Old Mrs. Lin continued to scream at the top of her lungs.

Unfortunately.

She didn’t make Lin Qingxuan turn back.

“Seeing Lin Qingxuan’s back disappear into the green plants in front of her, old Mrs. Lin collapsed to the ground and wailed loudly. ”

“Auntie Wang followed them. She didn’t know how to persuade Old Mrs. Lin, so she had to pull old Mrs. Lin up from the ground. ”

“Lin Qingxuan and Xia Xiaoman did not leave immediately. Instead, they made a trip to the east wing. ”

Lin Jincheng and Ye Shu were both at home.

“Seeing that Lin Qingxuan and Xia Xiaoman’s expressions were a little strange, Ye Shu hurriedly went up to them. “Fourth brother and fourth sister-in-law, why are you here?” ”

Lin Jincheng also stood up. “Fourth brother and fourth sister-in-law.”

“Lin Qingxuan did not beat around the bush and went straight to the point. “Jincheng, fifth sister-in-law, I have broken off my mother-son relationship...” ”

Lin Jin Cheng’s expression changed. “What happened?”

“Although he knew that the outcome of this matter would not be too good, Lin Jin Cheng never thought that he would walk the path of breaking off their relationship. ”

Lin Qingxuan told him what had happened.

“Although Lin Jin Cheng was very surprised, he could understand. After all, he was also one of the victims. ”

“If it was not for Old Lady Lin’s extreme actions, Lin Qingxuan would definitely not have chosen to break off their relationship. ”

“Lin Jincheng continued, “Fourth brother, what do you plan to do in the future?” ”

“Lin Qingxuan said, “Xiao Man and I are already at this age. In the next few days, we plan to take a round-the-world trip. When we return from the trip, we should be able to settle down in the capital. If Xiao Man is willing, we might also be able to settle down abroad. We haven’t made any plans yet.” ”

Lin Jincheng nodded.

“After saying that, Lin Qingxuan continued, “During this period of time, I’ll leave Lizi to you and the fifth brother and sister to help take care of her.” ”

“Lin Jincheng smiled and said, “Don’t worry about that. If Lizi is willing, let her move in with searing flames. In any case, she and searing flames are good sisters to begin with.” ”

““Jincheng, thank you.” ”

“Lin Jincheng patted Lin Qingxuan on the shoulder. “We’re all family. Fourth brother, what are you talking about! Right, fourth brother, don’t you still need to inform eldest brother, second brother, and third brother about this?” ”

The Lin family’s brothers were more amiable. He believed that they should be able to understand Lin Qingxuan.

“Lin Qingxuan nodded. “Jincheng, you’re very thoughtful. You should inform them.” ”

...

West courtyard.

“Ever since Lin Qingxuan left, Old Lady Lin had been lying on the bed, coughing non-stop. ”

She felt sick!

Really Sick!

“Lin Qingxuan was the son that she had raised, a piece of flesh that had fallen from her body. But now, Lin Qingxuan wanted to break off relations with her for a woman!”

Chapter 747: 167: Sever the mother-child relationship and the assessment begins! 6

And she was so determined!

Just the thought of Lin Qingxuan severing the mother-child relationship with her for Xia Xiaoman made old Madam Lin extremely uncomfortable.

She felt like she couldn't breathe.

“She was already so old. If this news were to spread, how would she be able to live?”

“Auntie Wang brought over a bowl of Chinese medicine. “Old Madam, it's time to drink the medicine.” ”

Old Madam Lin turned her head. “I'm not drinking it! What's the point of drinking the medicine now?”

“Auntie Wang Sighed, “Old Madam, no matter who you go against, don't go against your own body. You have to at least drink some of this medicine. Don't forget, you still have to participate in Miss Xianxian's assessment! If you don't drink the medicine, how are you going to take part in Miss Xianxian's assessment?” ”

“Hearing this, Old Lady Lin’s expression changed and she sat up from the bed.”

“Right now, other than Feng Xianxian, no one understood her and no one was filial to her.”

She must not disappoint Feng Xianxian.

She wanted to see Feng Xianxian take first place with her own eyes!

“With this thought, Old Lady Lin’s expression softened a little. She took the Chinese medicine that Auntie Wang handed over and began to drink the medicine.”

It was already the second day when Ye Zhuo found out that Lin Qingxuan had broken off relations with Old Madam Lin.

“Actually, she was not surprised at all that Lin Qingxuan and old madam Lin had come to this point.”

“According to Old Madam Lin’s methods, how many people would be able to withstand it?”

“Lin Jincheng looked at Ye Zhuo. “Zhuozhuo, your fourth uncle and fourth aunt are going on a trip around the world. Why Don’t you go and talk to Lizi and have her stay with us for the time being?” ”

“Sure.” Ye Zao smiled and nodded.

“In the afternoon, Ye Zao went to find an Lizi.”

“An Lizi was naturally very happy to be able to stay with Ye Zao. However, apart from being happy, she was also a little worried. “Then, will your grandmother agree?” An Lizi did not forget that the Lin family still had a troublesome Old Lady Lin.”

“Ye Zao smiled and said, “It doesn’t matter. She doesn’t live in the same courtyard as us. We don’t interfere in each other’s business.” Although they lived in the same manor as Old Lady Lin, because the

Lin family manor was relatively large, in terms of life.., the family of four hardly interacted with Mrs Lin.
”

“So, on the same day Anlizi moved to the Lin family. ”

Lin Jincheng in leaf burning bedroom next door to Anlizi arranged a bedroom.

“”Thank you, Uncle Lin, thank you, Aunty,”said anlize ”

“Ye Shu said with a smile: “This child, now we are a family, also called Uncle Aunt?” ”

“An Lizi immediately changed her words. “Thank you, fifth uncle. Thank you, fifth aunt.” ”

“We’re all family. You’re welcome.”

“In order to celebrate an Lizi moving into the Lin family, Lin Jincheng personally cooked dinner that night. ”

“When Old Lady Lin heard that an Lizi was staying in the Lin family manor, she was furious again! ”

She called Lin Jincheng over overnight and asked him to chase an Lizi away.

“Lin Jincheng looked at old madam Lin and said, “Mom, if you don’t want fourth brother and I to make the same choice, then don’t get involved in this matter.” ”

Old Madam Lin choked in her chest and almost didn’t recover.

It was the opposite.

It was all the opposite.

These brothers were getting more and more outrageous!

Time passed very quickly.

“Seeing that the day of the literary world assessment was getting closer and closer, Feng Xianxian became more and more nervous.”

“Although there were only thirty people participating in this assessment, other than ye Zhuo, everyone else had real talent.”

“Other than Feng Xianxian, Liu Caiyi was also a little worried.”

“After all, she had placed her bet on Feng Xianxian.”

“In order to let Feng Xianxian smoothly get first place, Liu Caiyi specially invited the Chief Examiner to dinner tonight. “Mr. Teng, let me toast you.” ”

1

““Vice-president Liu, you’re too polite.” ”

“Liu Caiyi’s talent was well-known in the Chinese Arts Association. Although she was only a vice-president now, she would definitely be able to become the president in time, or even a higher position.”

“Liu Caiyi drank a mouthful of wine and continued, “I heard that Master Yu’s new last disciple, Miss Ye, will also participate in the assessment competition. I wonder if that’s true?” ”

“It’s like this.”Teng Xin nodded.

“Liu caiyi smiled and said, “I heard that Miss Ye is a talented person. She will definitely be able to get first place in this assessment.” ”

This was called flattery.

“After all, the higher one stood, the worse one would fall. ”

“When Master Yu’s last disciple, Ye Zhuo, was mentioned, Teng Xin’s gaze was a little complicated. ”

He didn’t even understand why master Yu would take in a person whom he had never heard of in the literary world as his last disciple.

Who Was Master Yu?

He was the great master of the literary world. The disciple he took in would one day become the great master of the literary world.

But could ye Zhuo really do it?

Teng Xin had heard a lot about ye Zhuo over the past few days.

It was said that ye Zhuo became master Yu’s last disciple because he used a backdoor.

“After all, master Yu and Old Master Lin were close friends. ”

“Moreover, old master Lin still owed Master Yu a favor. Therefore, master Yu only accepted ye Zao because he wanted to repay the favor. ”

Wasn’t he joking about the future of the literary world?

“Seeing that Teng Xin didn’t speak for a long time, Liu Caiyi asked, “Mr. Teng, What’s Wrong? Are you not feeling well?” ”

“It wasn’t that Teng Xin wasn’t feeling well, but he was unable to answer Liu Caiyi’s question. ”

There was no way for him to reply?

It would have been fine if ye Zhuo hadn’t entered through the back door.

“However, Ye Zhuo had entered through the back door. ”

Liu Caiyi said that ye Zhuo would be able to get first place?

Wasn’t this a fantasy?

“Teng Xin could only smile and say, “Since Miss Ye is Master Yu’s new last disciple, then her aptitude shouldn’t be too bad.” Master Yu was the person Teng Xin worshipped the most. Right now, he only hoped that ye Zhuo wouldn’t lose too miserably, he would embarrass master Yu. ”

“Seeing Teng Xin’s reaction, Liu Caiyi had a plan in her heart. ”

It seemed that these people in the literary world all knew about ye Zhuo’s background.

“Two hours later, Liu Caiyi said goodbye to Teng Xin and went to Feng Xianxian’s residence. ”

“At this time, Feng Xianxian was very happy to see Liu Caiyi. “Sister Caiyi, please come in.” ”

“Liu Caiyi nodded. “There are three more days until the assessment competition. Xianxian, how are your preparations going? Have you read the information I gave you last time?” ”

“Sister Caiyi, don’t worry. I’ve memorized all the content.” ”

“That’s good.” Liu Caiyi continued, “I just met the head examiner of this assessment today. He told me that at least half of the answers to the assessment questions are on the information I gave you.” ”

“Really?” Feng Xianxian was overjoyed.

“She was originally worried that she wouldn’t be able to pass the other examinees, but now it seemed that she didn’t have to worry at all.”

Chapter 748: 168: Scorching Hot: get first place! 1

Feng Xianxian was now full of confidence in herself.

She believed that she would definitely be able to get first place in the assessment competition.

“Firstly, it was because her strength was already very high.”

“Secondly, there was the answer provided by Liu Caiyi.”

This was already a matter where victory was in the bag.

“Liu caiyi smiled and said, “Of course it’s true.” She had a good relationship with Teng Xin. In addition, she didn’t have many acquaintances in the literary world, so Teng Xin told her everything in just a few sentences.”

“Although the exam questions for this year’s exam were very difficult, they had already prepared for it, so they didn’t need to worry at all.”

“Sister Caiyi, thank you.” Feng Xianxian invited Liu Caiyi into the room.

“Liu Caiyi said, “You’re welcome.” She was helping Feng Xianxian out of justice because she didn’t like people doing tricks behind her back. The literary world couldn’t be entered just by looking.”

“As for Ye Zhuo, other than that face, he was completely useless.”

The literary world was not the entertainment industry.

“In the literary world, those who were good-looking were called vases, and those who were called idiots.”

Only those who had real talent could be called talented women.

“For someone like Ye Zhuo, she probably would not even know how to copy the answer into her hands.”

She could not compare with Feng Xianxian at all.

“Although Liu Caiyi had revealed the test questions to Feng Xianxian, Liu Caiyi didn’t think that she was helping Feng Xianxian cheat.”

“For people without ability, even if they told her all the questions, she might not be able to do it.”

“Entering the house, Feng Xianxian poured tea for Liu Caiyi.”

...

On the other side.

At the elegant residence teahouse.

Master Yu sat cross-legged on the couch. There was a tea set on the short table in front of him. The young man sitting opposite him wore a long robe with his thin lips tightly pursed. His ten fingers continuously shuttled between the porcelain-white tea set.

The rising smoke from the tea blurred his face. Beside the short table was a string of bright red Buddha beads.

“In a moment, he poured the clear tea into the Teacup. “Master, Please.””

Master Yu picked up a cup of tea. “The bitter taste returns the sweetness. The sweetness doesn’t get tired. Good Tea!”

The young man opposite him also picked up a cup of tea and took a sip.

The smoke from the tea dispersed and the man’s exquisite and peerless face appeared in the air.

“His skin was very white, the kind that had not seen the sun for a long time. There was a red mole at the end of his eye, which carried a hint of sickness, and a hint of coldness and wildness.”

“There was a sense of solemnity in the elegant room, and his body was covered in a layer of snow.”

It made people feel a little intimidated.

This was Cen Shaoqing.

“Master Yu continued, “Let me tell you something.””

“Please tell me.”Cen Shaoqing picked up the Buddha bead.

“Master Yu glanced at Cen Shaoqing. “Tell me, how did you start to believe in Buddhism at such a young age?” Not only did he believe in Buddhism, he was also a vegetarian... When he first met Cen Shaoqing, master Yu thought that he had met a good seedling. Reality proved that Cen Shaoqing did not disappoint him. This person’s literary attainments had almost exceeded his imagination.”

Who would have thought.

“Halfway through, Cen Shaoqing suddenly saw through the secular world and said that he wanted to become a monk...”

“In the end, under the interference of the Cen Old Lady, although Cen Shaoqing did not become a monk, he began to live the life of a monk.”

He ate vegetarian and prayed to Buddha. He went to the temple and stayed there for ten days to half a month.

Cen Shaoqing drank a mouthful of tea and did not speak.

“He was not a talkative person, so master Yu did not find it strange. He continued, “Recently, I Found You a junior sister.””

“You took in a disciple?” Cen Shaoqing raised his eyebrows.

“Master Yu nodded. There was some excitement in his eyes, “Yes, let me tell you. That junior sister of yours is talented and charming. She is the future hope of the literary world! And she writes very well! Other than you, I have never seen such a good seedling!””

Master Yu was very satisfied with ye Zao.

Very satisfied.

“Although the people around him were doubtful of his choice, he believed that ye Zao would definitely surprise everyone.”

This assessment was also ye Zao’s fame competition!

Cen Shaoqing’s expression was the same as usual. He nodded slightly. “OH.”

Oh?

“Ye Zao was so amazing, yet Cen Shaoqing was given an ‘oh?’”

“Master Yu continued, “The assessment is in three days. When that time comes, your junior sister will also participate. As a senior brother, shouldn’t you come and cheer for your junior sister on the spot? “I’ll introduce you and your junior brother to each other as well.””

“When he accepted ye Zao as his disciple that day, he had originally planned to invite Cen Shaoqing to participate. However, Cen Shaoqing happened to have something on, so he was delayed.”

“Thus, up until now, they had not gotten to know each other.”

“Cen Shaoqing took a sip of tea. “I’ve already left the literary world for many years. There’s no need to get to know each other, right?””

Chapter 749: 168: Scorching Hot: get first place! 2

“Master Yu was a little unhappy, “That’s your little junior sister! Not only is your little junior sister talented, intelligent, and graceful, but she also has an unparalleled beauty. I believe that after you meet her, you will definitely like her.”The ‘like’that master Yu mentioned was not the ‘like’between a man and a woman, he knew that Cen Shaoqing was not interested in women. ”

“Cen Shaoqing put down his teacup. “Master, I already have a girlfriend.” Other than ye Zhuo, Cen Shaoqing was not interested in anyone of the opposite sex. He was even less interested in this junior sister whom he had never met before. ”

“In his eyes, Ye Zhuo was the most outstanding. ”

This junior sister could not even be compared to a single strand of ye Zhuo’s hair.

“In Cen Shaoqing’s opinion, there was no essential difference between the junior sister and the passerby. ”

Cen Shaoqing could not be bothered to deal with this passerby.

What?

“Master Yu looked at Cen Shaoqing in surprise, his eyes filled with disbelief. ”

Cen Shaoqing actually had a girlfriend?

Didn’t he not get close to women?

Wasn’t he going to become a monk?

““You, you’re not joking with me, right?” ”

Cen Shaoqing’s expression remained the same. “I’m not joking.”

Master Yu had taken Cen Shaoqing as his disciple when Cen Shaoqing was thirteen years old. No one knew Cen Shaoqing better than him.

He knew that Cen Shaoqing was not someone who liked to joke around.

“Since CEN Shaoqing had already said it, it meant that he really had a girlfriend.”

Master Yu gulped and walked over to the window from the collapse. He pulled open the curtains and looked out.

“What are you looking at?” Cen Shaoqing opened his thin lips.

“Master Yu continued, “I’m looking to see if the Sun has risen from the west today.” ”

Cen Shaoqing actually fell in love and had a girlfriend. This was even more unbelievable than the sun rising from the west.

After a long while.

Master Yu finally reacted and walked to Cen Shaoqing’s side. “When did this happen?”

““Last year,” Cen Shaoqing answered. ”

“Master Yu continued, “So, you’re not going to be a monk anymore?” ”

“Yes.” Cen Shaoqing nodded slightly.

“Master Yu glanced at Cen Shaoqing, “Since you’re not going to be a monk anymore, can you consider returning to the literary world? I’ve just found a junior sister for you. With the strong combination of you and your junior sister, the literary world will definitely reach a new peak!” ”

Ye Zhuo’s strength was not to be underestimated. Cen Shaoqing was next.

Master Yu seemed to have seen the glorious future of the literary world!

“I’m not interested.” Cen Shaoqing shook his head slightly.

“Master Yu continued, “Your junior sister is really very powerful. Aren’t you curious at all?” ”

“My girlfriend is also very powerful.”

“Master Yu curled his lips. “How can your girlfriend be as powerful as your junior sister? I’m not bragging, but I’ve traveled all over the world for so many years, but I’ve never seen such a powerful girl!” ”

Master Yu had never seen a girl as powerful as ye Zhuo.

Her manner of speaking did not seem like an eighteen or nineteen-year-old child at all.

“On the contrary, she looked at problems more sharply than someone like him who had gone through thousands of trials and tribulations! ”

Cen Shaoqing twirled the Buddhist beads habitually. “I’ve also never seen a girl as powerful as my girlfriend.”

“It’s said that beauty is in the eye of the beholder. Even if your girlfriend is an idiot, you still think that your girlfriend is the most powerful and the most beautiful!” Master Yu had an expression that said, “I understand.” “Your junior sister is really amazing! Otherwise, she wouldn’t have become my last disciple! Let me tell you, your junior sister is the one who is truly talented and beautiful!” ”

“Cen Shaoqing was not someone who liked to argue with others. However, if he did not argue with them today, he felt that he would not be able to get past this hurdle in his heart. ”

Talented and beautiful?

He could not imagine who else could be called talented and beautiful other than ye Zhuo.

“Master, you should know that there is always someone better out there. There is always someone better out there.”

There is always someone better out there?

Master Yu’s face was full of disdain. “I think your head has been kicked by a donkey.”

“Other than his disciple, who else could withstand this idiom, “There is always someone better out there.”?”

Cen Shaoqing twirled the Buddhist beads. “You are imagining things out of thin air.”

“Master Yu was so angry that his liver hurt. “I don’t want to argue with you right now. Facts speak louder than words. Do you dare to meet Your Junior Sister?”When Cen Shaoqing saw ye Zhuo, he knew that he was not bragging!”

“You’re just an ordinary person. There’s nothing to see.”Cen Shaoqing’s tone was indifferent.

An ordinary person?

Who was he calling an ordinary person?

“Master Yu was so excited that his face was red. He tried to reason with Cen Shaoqing, “Shaoqing, I know you love me, but let’s be reasonable. Your Junior Sister is really outstanding. Is it difficult for you to admit that others are better than your girlfriend?”

Chapter 750: 168: Great Burning: Get First Place! 3

“Cen Shaoqing looked at master Yu and said, “Master, it’s time for you to cut your hair.” ”

Cut his hair?

Master Yu was stunned for a moment before he realized that Cen Shaoqing was mocking him for having long hair and short knowledge!

“You son of a B * Tch!”Master Yu was so angry that he wanted to hit Cen Shaoqing.

Cen Shaoqing calmly brewed tea.

“The master and disciple chatted for the whole afternoon. In the end, master Yu was unable to persuade Cen Shaoqing to meet his junior sister. ”

Master Yu could only shake his head helplessly.

...

“Although the time for the assessment was getting closer and closer, ye Zhuo was not in a hurry at all. ”

The location of the assessment was C city. They had to leave a day earlier.

Ye Zhuo had a video chat with Cen Shaoqing that night and told Cen Shaoqing about this matter.

“When Cen Shaoqing heard that ye Zhuo was going to C city, he frowned slightly. “What are you going to C city for?” ”

““I have an exam to take,”ye Zhuo said casually. ”

“CEN Shaoqing then asked, “When will you be back?” ”

“Ye Zhuo said, “Within a day or two after the exam.” ”

Cen Shaoqing nodded slightly.

“After chatting with Cen Shaoqing for a while, the two of them hung up the video call. ”

“Just as they hung up the video call, there was a knock on the door. ”

“Come in.”Ye Zao looked up slightly.

“The next second, the door was pushed open from outside. ”

“An Lizi walked in with a fruit plate. “Zao Zao, do you eat fruit? This cantaloupe and strawberry are really sweet.” ”

“Yes.”Ye Zao nodded slightly.

An Lizi handed the fruit plate over and ye Zao picked up a strawberry.

It was a very authentic snow white strawberry.

It was very sweet.

“An lizi continued, “I heard from fifth uncle and fifth aunt that you have an exam in C city the day after tomorrow?” ”

“Yes.”Ye Zao nodded slightly. “There is an exam.”

“An Lizi said, “Zao Zao, let me go with you. It just so happens that I can go cheer for you! We can also call Ping Ting!” ”

“Ye Zao smiled and said, “Okay! It just so happens that the three of us have not been to C city before. After the exam, we will go to C city to take a stroll.” ”

“Then it’s decided.”An Lizi immediately put down the fruit plate. “I’ll contact Pingting.”

“The next morning, Lin Ze sent ye Zao and an Lizi to the airport. ”

Zhao Pingting was waiting for the two of them outside the airport.

““Zao Zao, Lizi!”Seeing ye Zao and an Lizi, Zhao Pingting excitedly waved at the two of them. ”

An Lizi hadn’t seen Zhao Pingting for a long time.

“Originally, Zhao Pingting was going to attend Xia Xiaoman’s wedding, but after Zhao Pingting’s mother was hospitalized for a kidney stone, Zhao Pingting had to stay in the hospital to take care of her. ”

“At this moment, an Lizi saw Zhao Pingting again. She was so excited that she wanted to hug Zhao Pingting. ”

“Pingting!”

“Lizi!”

“After a long while, the two of them released each other. Ye Zhuozhuo introduced Lin Ze to an Lizi. ”

““Lizi, this is my brother, Lin Ze. Brother, this is my good friend, Zhao Pingting.” ”

Lin Ze took the initiative to extend his hand to Zhao Pingting. "Hello."

"Hello, Brother." Zhao Pingting smiled and held Lin Ze's hand. "

"Lin Ze smiled and turned to look at Ye Zhuo. He instructed, "The three of you girls must pay attention to your safety when you're outside. Don't talk to strangers. Remember to call me when you get there." "

"Okay." Ye Zao nodded.

"Lin Ze told them something else and said, "You guys go in quickly. It'll be late later. I'll go back first." "

"Brother, drive slowly on the road." "

"I know."

"Looking at Lin Ze's back, Zhao Pingting said in a low voice, "Zao Zao, your brother is so handsome!" "

"An lizi smiled and said, "Of course. How can the campus belle of Jing University Not Be Handsome?" "

"Your family's genes are simply too good!" Zhao pingting gave ye Zao a thumbs up.

The older brother was the campus belle.

The younger sister was the campus belle.

What kind of immortal family was this?

“An Lizi looked at Zhao Pingting with a mischievous smile and continued, “My cousin doesn’t have a girlfriend yet. Do you want me to set you up?” ”

Zhao Pingting patted an Lizi. “What nonsense are you spouting!”

“An lizi smiled and said, “I know, I know! You’re already taken.”Zhao Pingting had a crush on someone since she was a teenager, and the two of them were still developing. ”

“Zhao pingting said emotionally, “Zhonghuo, Lizi, I really didn’t expect the two of you to become cousins!” ”

“Ye zhonghuo smiled and said, “Actually, I didn’t expect it either.” ”

How could she have expected that Lin Qingxuan and Xia Xiaoman would become a family?

“An Lizi put her arms around ye Zhuoluo and Zhao Pingting’s shoulders. “I didn’t expect it either, okay? To be honest, when my mother and uncle Lin were together in the beginning, I somewhat rejected them until I saw Zhuoluo at Uncle Lin’s house!” ”
