Chapter 751: 168: Scorching Hot: take first place! 4

The three of them walked into the boarding gate as they spoke.

“Six hours later, the plane stopped at the C City Airport.”

The three of them had just walked out of the exit when an Lizi saw a person holding a large sign at the airport’s entrance. On the sign was ye Zhuo’s name.

““Scorching hot,”an lizi said, “Is that the person who picked you up?””

Ye Zhuoluo looked up. “I think so. Let’s go over and take a look.”

Master Yu had indeed arranged for someone to pick her up.

An Lizi and Zhao Pingting followed ye Zhuoluo over.

The two young men and one woman were responsible for picking her up.

“At this moment, the three of them were looking down at their phones.”

““Hello, May I know if you’re President Wang?”Ye Zhuoluo asked calmly.”

“Hearing this, the long-haired woman who was looking at her phone lifted her head to look at Ye Zhuoluo and asked doubtfully, “Are You Miss Ye?””

Ye Zao nodded. "I'm Ye Zao."

It was really ye Zao!

"The long-haired woman immediately extended her hand to ye Zao. "Hello, Miss Ye. I'm Wang Zhishu. This is Sun Openg from the literary world, and this is Deng Zi Kai.""

Sun Openg and Deng Zi Kai immediately greeted ye Zao. "Miss Ye."

Although they had long known that ye Zao was very young.

"However, they had never expected that ye Zao would be so young."

It was beyond their imagination.

The girl in front of them looked to be around 18 or 19 years old. She was wearing a white shirt with the hem tucked into her pants. Her legs were long and straight. She looked a little unruly and had a bit of a bandit's aura.

She was so young. Could she really get a place in the assessment and stand out?

"Originally, the literary world had been saying that ye Zao had entered through the back door. Now, it seemed that the rumors were true."

After all...

Ye Zao was too young.

The three of them all broke out in cold sweat for Master Yu.

They were afraid that ye Zao would embarrass master Yu during the assessment.

Ye Zao then introduced an Lizi and Zhao Pingting to the three of them.

“”Miss an, Miss Zhao.”The three of them shook hands with an Lizi and Zhao Pingting one by one.”

“Wang zhishu then said, “Miss Ye, we will take you to the hotel now. After taking a short rest in the hotel, we will take you to take a look at the examination room.””

“Sure.”Ye Zhuo nodded slightly.

“Soon, they arrived at the hotel.”

Ye Zhuo and Wang Zhishu went to the examination room while an Lizi and Zhao Pingting stayed at the hotel to rest.

Tomorrow was the assessment competition.

“Today, there were many examinees who participated in the assessment competition who came to the examination room and stayed in the examination room to do the mock exam questions.”

There were three sets of mock exam questions.

Many examinees came early in the morning to do the mock exam questions so that they could perform normally in the assessment competition tomorrow.

Some of them had already mingled with the surrounding examinees.

“Although the exam hall was full of electronic equipment and there were cameras everywhere, it was impossible to cheat. However, there was no harm in getting to know more people.”

Ye Zhuo's position was close to the middle.

"After taking a glance at the exam hall and confirming his position, Ye Zhuo turned to look at Wang Zhishu. "President Wang, let's go back first."It was already past one o'clock in the afternoon."

Ye Zhuo wanted to take advantage of the afternoon to go out with an Lizi and Zhao Pingting and familiarize himself with the surroundings of the hotel.

Wang Zhishu was stunned.

She did not expect ye Zhuo to suggest returning to the hotel so soon.

""Miss Ye, aren't you going to look at the mock exam questions?"Wang Zhishu asked."

Ye Zhuo shook his head. "There's no need to look at them."

"If they did not even look at the mock exam questions, then what was their purpose in coming to the exam hall?"

"Ye Zhuo knew that she did not do well in the exam, so she gave up on herself?"

"Otherwise, why did she not even look at the mock exam questions?"

"For a moment, Wang Zhishu's gaze was especially complicated."

Why did master Yu take such a person as his disciple?

“President Wang, didn’t you say that Master Yu’s new last disciple will also participate in this year’s assessment? Why didn’t I see her come to visit the examination venue today?” In the crowd, a middle-aged woman with short hair suddenly walked over. She looked very scholarly.”

It wasn’t anyone else.

“It was the president of the literature association, Han Zhen.”

“Han Zhen was a talented person in the literary world. Although she wasn’t old, she could be described as a person of high moral standing.”

“Seeing Han Zhen walk over, Wang Zhishu was a little embarrassed, but he quickly reacted. He smiled and introduced her to Yu Zhen, “President Han, this is Master Yu’s closed-door disciple, Ye Zhuo, Miss Ye.””

“After saying that, Wang Zhishu introduced her to Ye Zhuo. “Miss Ye, this is president Han Zhen from the Literature Association.””

“Han Zhen did not expect Ye Zhuo to be Master Yu’s last disciple, and her eyes were filled with shock.”

The first impression that Ye Zhuo gave her was that she was beautiful.

Chapter 752: 168: Great Burning: Get First Place! 5

She was very beautiful.

She was more stunning than any girl Han Zhen had ever seen.

“It could be said that after seeing ye Zhuo, those people whom she had called beauties were not called beauties.”

“Before seeing ye Zhuo, Han Zhen had heard ye Zhuo’s name from master Yu more than once.”

“From Master Yu’s words, it was not hard to tell that he was very satisfied with Ye Zao.”

“Therefore, Han Zhen was also very curious about Master Yu, the last disciple of Master Yu.”

She originally thought that she would meet an ordinary-looking girl wearing thick glasses.

She did not expect that.

“She did not expect that not only did ye Zao not wear glasses, but he was also so good-looking.”

“Such a young and beautiful girl, did she really aspire to be in the literary world?”

Perhaps... ? ... could she really be qualified to be Master Yu’s last disciple?

Even the highly respected Han Zhen could not help but recall that rumor in the literary world.

“Ye Zhuo looked at Han Zhen and politely said, “Hello, President Han.” ”

“Hello.” Han Zhen took the initiative to shake hands with Ye Zhuo.

“When they saw Han Zhen here, other people immediately came over.”

This was because Han Zhen was not the only one who was curious about ye Zao. There were also other people who were curious about ye Zao.

“Miss Ye, I heard that Master Yu and your grandfather are old friends for many years. Is this true?” A sweet-looking young woman asked.

“This woman was called Zhou Miaoyan. Previously, Han Zhen had recommended her to be Master Yu’s disciple.”

“Unfortunately, master Yu refused.”

“When she heard that Master Yu had taken in a disciple in the capital city, Zhou Miaoyan was extremely curious.”

She had joined the literary world at the age of 12 and thought that her literary attainments were very good. She had never thought that she would lose to an unknown junior that she had never heard of.

Zhou Miaoyan’s words were a provocation and a taunt.

What right did a person who relied on connections to enter the literary world have to appear in the same examination hall as them.

“When they heard this, everyone looked at ye Zao curiously.”

“After all, Ye Zao only became Master Yu’s last disciple through the back door. This was just a rumor. As for whether ye Zao’s grandfather and Master Yu were close friends, no one knew if this was true.”

Everyone was looking forward to ye Zao’s answer.

“Ye Zao was not embarrassed. He smiled and said, “Yes, my grandfather and my master were very close old friends.””

So it was true!

Everyone had different expressions.

Zhou Miaoyan began to despise ye Zao from the bottom of her heart.

“She did not know how ye Zao had the nerve to admit it, but his face was not red and his heart was not beating. ”

His face could be said to be the corner of the city wall.

“Zhou Miaoyan continued, “Miss Ye, I heard that you have outstanding talent and unparalleled talent! Tomorrow is the assessment competition. What rank do you think you can get?” ”

Which place?

“A person who relied on her connections to become Master Yu’s disciple, how many places could she get?” ”

She probably came to the bottom as well.

Ye Zao smiled slightly. “There shouldn’t be any problem getting first place.”

First place?

Ye Zao really dared to say that!

The mocking look in Zhou Miaoyan’s eyes was almost overflowing.

Wang Zhishu’s face flushed red. He also felt embarrassed for ye Zao.

Ye Zao would be thankful if he couldn't be ranked last.

She actually boasted shamelessly that she was ranked first?

First!

Did she think that first place was so easy to obtain?

No one knew where ye Zao's confidence came from.

Master Yu was also old and muddle-headed. He actually gave ye Zao a backdoor.

The other people looked at ye Zao with very interesting eyes.

Han Zhen didn't say anything.

She had always admired confident juniors.

"However, she did not like a junior who was blindly confident and complacent."

It would have been fine if ye Zao had the ability.

"However, ye Zao did not have the ability at all."

"If it were not for Master Yu, she would not even have the qualifications to step into the assessment venue."

"At this moment, Han Zhen also felt that Master Yu's decision to accept a disciple was too hasty."

“Zhou Miaoyan smiled and said, “Miss ye is indeed worthy of being master Yu’s personal disciple. You have guts! I believe that Miss Ye will definitely crush everyone and get first place!” ”

“Wang Zhishu was extremely embarrassed. He was embarrassed for ye Zhuo and also for himself. He stood out and said, “Miss Ye, didn’t you say that you were tired just now? Why Don’t we go back first?” ”

“En.”Ye Zhuo nodded slightly.

“Wang Zhishu looked at Han Zhen and Zhou Miaoyan. “President Han, Miss Zhou, we’ll be leaving first then.” ”

Han Zhen nodded.

Zhou Miaoyan’s lips curled into a smile.

“After the two of them left, the crowd began to discuss. ”

“I really didn’t expect master Yu to pick such a person as his last disciple! Someone like her actually wants to get first place! It’s hilarious!”

“”To be honest, I also didn’t expect her to say that she got first place.” ”

“”I heard that the last disciple position was originally given to another girl with the surname Feng. It was because ye Zhuo’s grandfather had been kind to master Yu, so...” ”

“”Then she’s really shameless! She doesn’t have a diamond in the rough, but she still wants to take on a porcelain job!” ”

“I also heard that this Miss Feng will also participate in today’s assessment competition.”

“Is that true?”

“Of course it’s true! I heard that Miss Feng met Bo Le in a thousand miles and was appreciated by the vice president of the Chinese Arts Association, Liu Caiyi. It was Liu Caiyi who recommended her to participate in today’s assessment competition.” ”

“ .. ”

“Listening to the discussions of the crowd, Feng Xianxian, who was sitting in her seat doing a mock question, curled her lips slightly. The corners of her mouth were filled with pride. ”

She did not expect that the news of ye Zao using a backdoor would spread from the capital city to the literary world.

“Now, she was just waiting for the assessment competition tomorrow. ”

“When the time came, Ye Zao would be ranked last while she would be ranked first in the positive category. ”

Who knew how master Yu would regret it!

He just didn’t know where ye Zao would put his face when the time came.

The girl sitting behind Feng Xianxian poked Feng Xianxian’s back with a pen.

“What’s the matter?”Feng Xianxian turned her head.

“Is the Miss Feng they’re talking about you?”This girl was the daughter of another big shot in the literary world. Zhao Tong, Zhao Tong was forced to participate in the assessment competition. She didn’t expect to see such a big show. ”

“Zhao Tong knew the identities of every contestant, but she didn’t know much about Feng Xianxian and ye Zhuo.”

It was as if the two of them had descended from the sky.

Feng Xianxian nodded in embarrassment. “It’s me.”

“Zhao Tong continued to ask, “Was it really ye Zhuo who took your things?” ”

Feng Xianxian lowered her head. “Ye Zhuo was born rich and had a good grandfather. I can’t compare to her.”

“Zhao Tong frowned. From her looks, ye Zao didn’t seem like the kind of girl who would force others. “Is there a misunderstanding?” ”

“Feng Xianxian laughed self-deprecatingly. “Maybe, but I will use my strength to prove myself.” ”

She wanted everyone to see her excellence.

What was ye Zao?

Ye Zao was destined to be her stepping stone.

“Seeing Feng Qianqian like this, Zhao Tong did not know who to trust. She was a complete beauty. Ye Zao was so beautiful. She had originally wanted to be friends with ye Zao...” ”

It seemed that she could only wait for the results of the assessment tomorrow.

“If ye Zao really had everything that he had now because of the backdoor, then she definitely would not get any good results. ”

“If ye Zao had great talent, then she would not be afraid of this assessment competition.”

...

On the other side.

Wang Zhishu sent ye Zao to the hotel.

“Just as they got off the elevator, Zheng Zikai and Sun openg walked to the front and said with some surprise, “Didn’t you bring Miss Ye to the examination venue? Why did you come back so quickly?” ”

“Wang zhishu said somewhat speechlessly, “Don’t mention it! That Miss Ye did not plan to take the exam properly at all!” ”

“What’s going on?”

“Wang zhishu said, “I went there to take a look and was about to come back. I asked her to take a look at the mock exam, but she actually said there was no need!”! Later, she was stopped by Zhou Miaoyan. Zhou Miaoyan deliberately ridiculed her. How many places could she take the exam tomorrow! Do you know how she answered?” ”

Zheng Zikai and Sun Openg shook their heads.

“Wang zhishu said, “She actually said she could take the first place!” ”

Chapter 753: 169: a perfect score once every 15 years! Everyone was in an uproar! 1

First place?

Ye Zhuo said that she would get first place in the exam.

Wasn't this a dream?

Wang Zhishu felt extremely embarrassed when he thought of the scene at that time.

Especially in front of Zhou Miaoyan and Han Zhen.

"Hearing this, Sun Openg and Zheng Zikai were also speechless."

Who would have thought that ye Zhuo would be so smug.

"She had come in through the back door. It would have been fine if she had kept a low profile. After all, she was good-looking, and being quiet could also win the favor of everyone."

"Yet, she was so high-profile."

Wasn't it obvious that she wanted others to laugh at her?

She really did not have the slightest discernment!

"Zheng zikai said in disbelief, "Miss Ye, you really said that?" He did not see ye Zao as a person who did not know what to say. How could she say such arrogant words about getting first place?"

Wang Zhishu glanced at Zheng Zikai. "Do you think I can use such words to frame her?"

Sun Openg frowned. "What's going on with Master Yu? He's letting go of such an outstanding disciple like Zhou Miaoyan! He brought such a person back from Yun Jing. Who knows how he'll Lose Face Tomorrow!"

Zhou Miaoyan was supposed to become master Yu's disciple.

"However, master Yu said that they did not have the fate of being master and disciple. "

"Initially, everyone thought that master Yu would choose some kind of genius to be his disciple. They did not expect that he would choose such a person! "

It was simply shocking!

Wang Zhishu sighed. "Who knows! Now we can only leave it to fate!"

Zheng Zikai also sighed.

"Just as the three of them were sighing, Ding — "

The elevator door opened.

Three figures walked out of the elevator.

"They were ye Zhuo, an Lizi, and Zhao Pingting. "

"Miss Ye." Wang Zhishu was the first to react and walked up to greet them.

"President Wang."

"Wang zhishu continued, "Is miss ye preparing to go out?" "

“Ye Zhuo smiled and nodded. “Yes, I’m planning to go out for a walk with the two of them.” ”

Go for a walk?

“It was already so late. It was fine if ye Zao did not stay in the room to prepare for the exam, but now he actually had the mood to go out and play? ”

He was simply a dead pig that was not afraid of boiling water!

“Although he thought so, Wang Zhishu did not show it. He continued, “Miss Ye, you are not familiar with the surrounding environment. Do you want the three of us to be your guides?” ”

““There’s no need,”ye Zhuo continued, “We plan to walk on our own.” ”

“Wang zhishu smiled and said, “Alright, pay attention to your safety. If there’s anything, give me a call.” ”

“Okay.”

“Seeing the three of them disappear in front of him, Wang Zhishu turned to look at Sun Openg and Zheng Zikai. “See! This is Miss Ye’s attitude towards the assessment competition!” ”

Sun Openg and Zheng Zikai had very complicated expressions on their faces.

The assessment competition was much more important than the college entrance examination.

How many college entrance examination students would be in the mood to go out and play the day before the college entrance examination?

“Originally, Sun Openg and Zheng Zikai had thought that even if ye Zao did poorly in the examination, he would not be ranked last. Now, it seemed that Ye Zao was definitely ranked last!”

Zheng Zikai rubbed his chin. “It seems that miss ye is very confident in herself.”

““What’s the use of having confidence or not having strength?”Wang zhishu continued, “I feel that she’s like a child who hasn’t grown up. She thinks and acts as she pleases. She has no idea what this assessment competition means!” ”

“Originally, she was only a child at the age of 18 or 19.”

“Zheng zikai continued, “I now feel that this miss ye might really be able to get first place.”When he saw ye Zao again, Zheng Zikai saw a very calm temperament from her. ”

She was not shocked by honor or disgrace.

This was not something that could be seen from a little girl.

“Moreover, master Yu was not the kind of person who would casually open a back door. ”

“If he could use a back door, then he did not know how many disciples master Yu had now. ”

Perhaps.

They had underestimated ye Zhuo from the start.

““Are you crazy?”Wang Zhishu looked at Zheng Zikai, his eyes filled with astonishment. ”

Sun Openg also looked at Zheng Zikai in disbelief.

“Zheng zikai continued, “Just you wait. I feel that Miss Ye will definitely give us a surprise.” ”

Wang Zhishu curled his lips. “I think you’re really crazy!”

Sun Openg nodded in agreement.

...

On the other side.

Han Zhen came to Master Yu’s residence and wanted to discuss with master Yu about Ye Zhuo.

Master Yu taking in a disciple was a matter of great importance to the future development of the literary world.

But now...

He had taken in such a disciple.

“As the President of the Literary Association, Master Yu felt that it was very necessary for him to negotiate with Master Yu.”

1

“No matter what, he could not joke about the future of the literary world.”

Chapter 754: 169: a perfect score that only appears once every 15 years! Everyone was in an uproar! 2

“In the past, master Yu would always participate in the question setting of the assessment competition. However, today, because ye Zhuo was also participating in the competition, master Yu did not participate in the question setting.”

“At this moment, master Yu was practicing writing in the study room.”

There were two sets of words hanging on the wall of the study room.

“Concealing one’s skill was not enough. Using obscurity to make it clear, concealing one’s purity to make it clear.”

“After writing a line of words, master Yu felt that something was amiss no matter how he looked at it. In the end, he crumpled the words into a ball and threw them into the trash can. Then, he spread a new piece of rice paper and continued writing.”

“He wrote more than ten pieces in a row, but Master Yu was still not satisfied.”

“The words were clearly still the same, but he felt that something was missing.”

Master Yu frowned.

Dong Dong —

“At this moment, there was a knock on the door.”

““Come in,” master Yu said without raising his head.”

Han Zhen pushed the door open and walked in. “Elder Yu.”

“Little Han is here.” Master Yu put down the brush and looked up at Han Zhen.

“Han Zhen nodded. His gaze fell on the words Master Yu had written. He sighed and said, “Elder Yu, this thin golden body of yours is becoming more and more out of reach!” ”

Master Yu shook his head. “I’m Old! It’s the young people’s World Now!”

“Han Zhen smiled and said, “You’re too humble.” ”

“Not only was master Yu talented, he was also the best calligrapher in the entire literary world! ”

There was once someone who offered five figures to buy a single word of his.

He had achieved the true meaning of a thousand gold coins for a single word!

There was no other person in the entire literary world who could match up to Master Yu.

“Master Yu pointed at the two sets of words hanging on the wall and said, “Look over there. How are the words compared?” ”

Han Zhen raised his head and looked over.

He saw two amazing words.

It was a very standard thin golden body.

It was majestic!

The strokes were swift and forceful. Every stroke and stroke was so precise that not a single mistake could be found!

“Compared to these two sets of words, master Yu’s words were indeed lacking a lot of things.”

“Han Zhen was stunned for a moment before he continued, “Elder Yu, which master’s calligraphy is this?” ”

“Seeing the shock in Han Zhen’s eyes, a smile appeared on the corner of Master Yu’s mouth. He said humbly, “This is the calligraphy of my good-for-nothing disciple.” ”

Disciple?

“It’s Shaoqing?” Han Zhen’s first reaction was Cen Shaoqing.

Cen Shaoqing was indeed a talented person.

It was a pity.

His ambition was not in the literary world.

“If Cen Shaoqing was in the literary world, he would definitely lead the literary world to a new peak.”

Master Yu shook his head. “It’s not him.”

It’s not him?

“If it’s not him, who else could it be?”

Master Yu only took in two disciples in total.

One was Cen Shaoqing.

And the other...

Could it be...

It's Ye Zhuo?

"When he thought of this, Han Zhen's eyes were filled with disbelief. "

Ye Zhuo was still so young. Could she really write such a character?

This seemed a little impossible.

Even master Yu could not write such a character.

Ye Zhuo could?

"Han Zhen hesitated for a moment before continuing, "It's... Miss Ye?" "

Master Yu's eyes were filled with satisfaction. "It's her."

It was ye Zhuo?

It was really ye Zhuo!

"Upon hearing this, Han Zhen's eyes were filled with astonishment. "You, you're not joking with me, right?" "

“Master Yu smiled and said, “What’s there to joke about? Not only was this calligraphy written with a burning flame, but she also used the left and right strokes!” ”

Left and right strokes?

“This time, Han Zhen was even more surprised. ”

“These two characters were exactly the same, and there was no difference at all. ”

“If Master Yu did not say it, almost no one would believe that this was written by the left and right hands at the same time. ”

“Han Zhen continued, “Elder Yu, did you personally see Miss Ye write it?” ”

““That’s not true.” Master Yu shook his head. “This character was given to me by someone else. After asking around many times, I found out that these two characters were written by Searing Flames!” ”

“Hearing this, Han Zhen understood. ”

““So, you accepted Miss Ye as your disciple because of these two characters?” ”

“You can say that.” Master Yu nodded.

“Han Zhen continued to ask, “Then, have you ever thought that perhaps the person who wrote these two words wasn’t miss ye at all?” ”

“After all, master Yu hadn’t personally seen ye Zhuo write them. ”

Hearing was believing.

Seeing was believing.

“That’s impossible!” Master Yu continued, “This is what Zhuo Zhuo wrote!” ”

“Han Zhen said, “Elder Yu, I met Miss ye today. To be honest, there’s a gap between Miss Ye and what I imagined.” Saying that there was a gap was giving master Yu Face. ”

“After meeting ye Zhuo, Han Zhen’s heart turned cold. ”

She really could not understand why master Yu would accept such a rich young lady as his disciple.

Master Yu was a little unhappy to hear this.

“In his opinion, Ye Zhuo was a very outstanding person! ”

No one in the entire literary world could compare to her.

Chapter 755: 169: a perfect score once every 15 years! Everyone was in an uproar! 3

“Xiao Han,” master Yu picked up the pen and put it down again. “What do you mean by this?””

“Han Zhen continued, “I think you should disqualify miss ye from participating in the assessment competition.””

“From the current situation, only by disqualifying ye Zhuo from participating in the competition could the losses be stopped in time.”

If people found out that master Yu’s last disciple was ranked last in the assessment competition...

“Not only was master Yu embarrassed, the literary world was even more embarrassed.”

Master Yu looked at Han Zhen. “Withdraw from the competition? Why did my disciple withdraw from the competition?” I believe that my disciple will definitely stand out in this assessment competition!”

Stand Out?

Ye Zhuo?

“Elder Yu... confidence is a good thing, but you have to face reality.” Han Zhen frowned.”

Master Yu accepted ye Zhuo as his disciple because of two pieces of calligraphy.

“However, master Yu still did not know who wrote these two pieces of calligraphy...”

“Master Yu knew what Han Zhen was worried about. He continued, “Little Han, after the written test ends tomorrow, there will be a calligraphy competition. Whether or not this calligraphy was written by my disciple, you will know when the time comes.””

Tomorrow?

The people coming to watch the competition tomorrow were not just people from the literary world.

There were also people from the calligraphy world.

The traditional Chinese painting world.

“But don’t you think that it will really be too late by then?” Han Zhen continued, “There are so many pairs of eyes watching below the stage. If anything were to happen to Miss Ye, who would you feel embarrassed about?”

The rest of his words were self-evident.

“Master Yu’s eyes were filled with anger. “I believe in my disciple. No matter who makes a mistake, she will not make a mistake!””

“Han Zhen sighed and tried his best to use euphemisms. After all, master Yu was already this old. “Elder Yu, I know that my words may not be pleasant to hear, but as the saying goes, good advice goes against the ear and good medicine tastes bitter. Miss Ye, she...””

“Master Yu raised his hand and interrupted Han Zhen’s unfinished sentence. “Little Han, Ye Zhuo is my disciple. You have no right to criticize her!””

Han Zhen felt that Master Yu was lying to himself.

“Even at this time, he still trusted ye Zhuo so much.”

No wonder people had to retire when they reached a certain age.

It seemed that the literary world would have to implement this system in the future.

“After all, master Yu had long passed the age of retirement.”

“Master Yu pointed to the door and said, “If there’s nothing else, you can leave now.””

“Seeing that master Yu had already changed his attitude, Han Zhen did not say anything else. “Since that’s the case, elder Yu, I Won’t disturb you anymore.””

Master Yu waved his hand.

Han Zhen turned around and left.

“Master Yu was unwilling to disqualify ye Zhuo from the competition. Han Zhen was also very helpless, but she had no choice.”

“Now, she could only wait for tomorrow’s assessment.”

“At that time, master Yu would have to face reality.”

On the other side.

“Ye Zhuo, an Lizi, and Zhao Pingting were shopping.”

The three girls were chatting and laughing along the way. This kind of youthful atmosphere made passersby unconsciously smile.

After taking a few steps.

Ye Zao felt that something was wrong. He stopped and looked behind him.

“Zao Zao, What’s Wrong?” Zhao Pingting asked.”

Ye Zao shook his head slightly. “Nothing.”

He said nothing just to not make Zhao Pingting worry because ye Zao had a faint feeling that someone was following them.

“An Lizi pointed across the road and said, “Zao Zao, Pingting, there seems to be a food street over there. Let’s go and take a look.””

“Sure.”

The three girls crossed the traffic light and walked across the road.

This was C city’s largest food street.

“The two sides of the street were filled with all kinds of local delicacies. The alluring fragrance lingered around everyone’s taste buds, making them unable to stop.”

“Even Zhao pingting, who had been clamoring to lose weight, did not want to lose weight anymore.”

She watched the three of them disappear into the traffic.

A tall figure walked out from the corner.

“The man was wearing a black shirt and a black hat on his head. Black was a dark color, so he looked even more mysterious.”

“After a long while, he lifted his feet and walked to the opposite side.”

“Perhaps it was because he had almost been discovered by Ye Zhuo, but this time, the man did not dare to follow him any closer. He only followed him from a distance.”

In the crowd.

“After she left, he immediately bought a portion as well.”

Not long after.

“A cake, candied haw, sugar figurine, Kuandong boiled, baked cold noodles appeared in the man’s hands...”

He tasted everything.

It tasted very good.

“He looked at her from a distance. The corners of his mouth curved slightly, and the wide brim of his hat covered his eyes.”

Chapter 756: 169: a perfect score once every 15 years! The crowd was in an uproar! 4

“After finishing the last skewer, Zhao Pingting held ye Zao’s hand and said, “Zao Lizi, look, there’s a five Yuan shop over there. Let’s go in and take a look.” ”

“Okay.”Ye Zao nodded.

“After coming to this world for so long, this was the first time she saw a five yuan shop. She was very curious about what kind of jewelry five Yuan could buy. ”

The three of them came to the five Yuan shop together.

They thought that the two yuan shop wouldn’t have any beautiful jewelry.

They didn’t expect to see a dazzling array of beautiful jewelry!

“DAMN! This crystal hair clip is so beautiful!” An Lizi picked up a small crystal hair clip.

“Zhao pingting came over and said, “It’s really beautiful! I think this is suitable for burning!” ”

“I think so too!” An Lizi looked at Ye Zha. “Zha Zha, come here for a moment.” ”

“What’s Wrong?” Ye Zha put down the thing in his hand and walked over.

“An lizi smiled and said, “Zha Zha, don’t move. I want to see if this hair clip is suitable for you.” ”

Ye Zha did not move.

An Lizi stood on her tiptoes and placed the hair clip next to Ye Zha’s ear.

“Ye Zao’s hair was disheveled today. The white crystal hair clip and the white shirt she was wearing complemented each other. In addition, she was already born white. Under the dazzling crystal, she felt even whiter to the point of being transparent. ”

“It had always been accessories that complemented people, but to ye Zao, they actually became accessories that complemented people. ”

“However, the hair clip that cost five yuan, when worn on ye Zao’s head, was even more dazzling than those thousands of accessories! ”

“DAMN! It’s so beautiful!” An Lizi couldn’t help but exclaim.

Zhao Pingting immediately brought a mirror to ye Zao.

“Ye Zao looked at himself in the mirror and whistled, “Tsk! You’re so naturally beautiful! Why Do I Look So Beautiful?” ”

“It was obviously a narcissistic sentence, but she said it as if it was natural.”

It was as if she was supposed to be so dazzling!

“When the shop owner suddenly heard this sentence, his heart was filled with disdain.”

“Young people nowadays were really becoming more and more narcissistic, not knowing how to be reserved at all.”

He looked up.

The shop owner was also stunned.

Holy shit!

This was indeed a natural beauty!

“After opening the shop for so long, the shop owner had seen the most young and beautiful girls, but this was the first time the shop owner had seen someone like Ye Zhuo.”

This was simply too beautiful!

“By the time the three of them walked out of the jewelry shop, it was already twenty minutes later.”

“While they were choosing accessories, the man had been sitting at the lamb soup stall next door drinking the lamb soup.”

“After drinking the lamb soup, the man once again followed their footsteps.”

Although they were very far apart.

He could still see that there was an additional hair clip on her head.

Under the Sun.

The crystal hair clip was emitting a brilliant light.

It was especially eye-catching.

“Boss.”

A young man suddenly appeared behind the man.

“What’s Wrong?”The man turned his head slightly.

“It’s time to take the medicine.”The young man handed the man a bottle of stabilizer.

“Perhaps it was because of his childhood experience, he had a severe mania and emotional disorder. He was a typical zero degree empathy negative P-type personality.”

“He had to take medicine almost every day, or else he would not be able to control his emotions.”

“The Man took the bottle, poured out three pills from it, and swallowed them.”

The assistant behind him immediately handed him an open bottle of mineral water.

The man directly raised his hand and refused.

The assistant withdrew his hand.

“The man continued, “You go back to the hotel first.” ”

“Okay.”The assistant nodded.

After the assistant left.

Ye Zao’s figure could no longer be seen in the food street.

The man walked a few steps in the direction where ye Zao disappeared.

At this moment.

The man seemed to have stepped on something. He moved his foot away and looked down.

It was a crystal hairpin that had been stepped on in half.

“The man bent down and picked up the hairpin. He took out a plain white handkerchief from his pocket and wrapped the hairpin layer by layer. Finally, he put it into his pocket. ”

“Thinking that ye Zhuo had already gone back, the man did not stay in the food street any longer. He turned around and walked to the other side. ”

“Ye Zhuo, an Lizi, and Zhao Pingting had eaten their fill in the food street and were now walking in the direction of the hotel. ”

“Along the way, Ye Zhuo had been paying attention to the situation behind her. ”

But the strange thing was.

“Along the way, she did not find any suspicious people.”

Could it be...

Something was wrong with her senses?

Ye Zao raised his eyebrows slightly.

The three of them returned to the hotel.

“An Lizi looked up at ye Zao and asked curiously, “Zao Zao, Where’s your hair clip? It looks so good. Why did you take it off?” ”

Chapter 757: 169: a perfect score once every 15 years! The crowd was in an uproar! 5

““I didn’t take it off.”Ye Zhuo raised his hand to touch the side of his ear, but he didn’t find the crystal hair clip. “Why is it missing?””

“Zhao pingting said, “Could it be missing?””

Ye Zhuo hurriedly lowered his head to look for it on the carpet.

“Although he had only worn it once, she still quite liked the hair clip.”

An Lizi and Zhao Pingting also helped to look for it.

“But after searching for a long time, they still couldn’t find that hair clip.”

The three of them had no choice but to give up on searching.

They planned to buy another one after the assessment competition tomorrow.

...

At the same hotel.

“The man returned to his room and took off the hat on his head, revealing an extremely clear and handsome face.”

This was Song Shiyu.

“Song Shiyu casually threw the hat on the sofa, took his cell phone, and made a call. “Send a bottle of glue over.””

“After saying that, he hung up the phone.”

“A few minutes later, there was a knock on the door.”

Song Shiyu walked over to open the door.

It was his assistant who had sent the glue over.

““Boss, this is glue that can stick to metal. This is for shoes and this is for paper.”As he did not know what Song Shiyu wanted to stick to, his assistant brought three bottles of glue over.”

Song Shiyu reached out to take the glue. “Got it.”

“The assistant continued, “Boss, do you need help?””

““No need.” Song Shiyu’s face was expressionless. “If there’s anything, I’ll call you.””

The assistant nodded.

“Song Shiyu continued, “Oh right, get the kitchen to make a bowl of brown sugar ginger water and send it over.” This hotel was under the Song Empire Group. In order to get the literary world to arrange a hotel for the examinees of the literary world, Song Shiyu had also put in a lot of effort.”

“Okay.”

The assistant was already used to Song Shiyu’s habit of drinking brown sugar ginger water every day.

“After the assistant left, Song Shiyu closed the door and sat in front of the desk. He turned on the table lamp and took out the hair clip that had been stepped into two halves from his pocket.”

“Not only was the hair clip stepped into two halves, but a lot of the crystals embedded on it had also fallen off.”

“Song Shiyu placed the hair clip on the white paper, picked up the broken crystals with tweezers, and decorated their original positions one by one. Then, he put glue on them.”

“This kind of glue was very strong. Soon, Song Shiyu’s fingers were covered with shiny glue.”

“However, he did not seem to care about this.”

His attention was all on the hair clip.

“An hour later, song Shiyu finally glued the hair clip back together.”

“Looking at the glued hair clip, a faint smile finally appeared on song Shiyu’s face.”

“Half an hour later, the assistant came over with the brown sugar ginger water.”

“Song Shiyu took the brown sugar ginger water and said, “Go get me a jewelry box.””

Jewelry Box?

The assistant was stunned.

Could it be that the Boss had a girlfriend?

“Just as the assistant was wondering, song Shiyu continued, “It’s best if it’s made of Crystal.””

“Only then did the assistant react. “Yes, Boss.””

“After leaving song Shiyu’s room, the assistant went to prepare the crystal jewelry box that song Shiyu wanted.”

...

“In the blink of an eye, it was the next day.”

9:30 in the morning for the exam.

“Ye Zhuo got up at 6 am on time. Although she stayed in the hotel, she did not forget the habit of getting up and running.”

“When she got up, an Lizi and Zhao pingting were still sound asleep.”

The three of them played games until midnight last night.

It was normal that an Lizi and Zhao Pingting could not get up at this time.

“Although the three of them stayed in a suite and had their own rooms, the three of them still slept in the same room last night.”

“After ye Zhuo washed up, she went to the hotel garden for a run.”

7:30 pm.

“The garden was very quiet. There was almost no one in it. A gentle breeze blew past, bringing with it a faint fragrance of flowers.”

“The morning sun rose slowly from the east, coating everything on the Earth with a layer of faint golden light.”

“Ye Zhuo liked this kind of morning very much. She narrowed her eyes and took a deep breath. At this moment, the golden morning sun seemed to have become one with her. It was extremely eye-catching.”

“From the balcony on the third floor, she could see this scene.”

Song Shiyu knew that she had the habit of jogging in the morning.

He did not expect to see this scene as soon as he walked to the balcony. The corners of his mouth curled up slightly.

Song Shiyu stood on the balcony for as long as ye Zao ran in the garden.

“After ye Zao ran back to the room, an Lizi and Zhao Pingting had just woken up.”

“An Lizi rubbed her eyes and yawned as she asked, “Where did you go so early in the morning, Zhuo Zhuo?””

““I went for a run,”ye Zhuo continued, “The two of you should get up quickly. After washing up, we’ll go to the first floor to have breakfast.””

“Zhao Pingting said with her sleepy eyes, “Let’s sleep a little longer. It’s only 7:30 now. We’ll get up at 8:00 and set off for the Examination Hall at 8:30. We’ll be there at 9:00.””

Chapter 758: 169: a perfect score once every 15 years! The crowd was in an uproar! 6

““Get up, get up, Zhao Pingting, you big lazy bum.”An Lizi directly lifted the quilt on Zhao Pingting’s body. ”

The two of them dawdled until eight o’clock before they went downstairs to eat breakfast.

Breakfast was buffet.

The food was very rich.

There was even ye Zhuo’s favorite dessert.

“After breakfast, the three of them set off for the assessment competition venue. ”

At the assessment competition venue.

Although it was only nine o'clock.

Almost all of the thirty examinees had arrived.

Except for Ye Zao.

The examination venue was very big.

It was similar to a large conference hall.

In the middle were the examinees' seats.

Around them were the invigilators and spectators' seats.

Looking at ye Zao's empty seat.

Everyone was discussing animatedly.

"Do you guys think that ye Zao doesn't dare to come?"

""Do you guys even need to say that? He must have chickened out at the last minute! Which one of us who is participating in the assessment competition isn't blessed by the heavens? Just her, can she compare to us?" "

"Hearing this, the corners of Feng Xianxian's mouth curved into a proud smile. "

Old Lady Lin was also sitting in the audience seats.

Everyone around her was also discussing ye Zao.

“After all, Ye Zao was Master Yu’s personal last disciple. ”

“It was already 9:20 am. The assessment competition was about to start, but ye Zao still did not show up. Everyone was naturally curious. ”

Old Lady Lin frowned slightly.

Embarrassing!

It was really too embarrassing!

“Fortunately, no one here knew that she was ye Zao’s grandmother. ”

“Otherwise, where would she put her old face? ”

“Old Lady Lin clasped her hands together and said, “Amitabha. Bodhisattva, please bless Feng Xianxian and make sure she gets first place.”. ”

“Then, she could slap master Yu in the face. ”

““Old sister-in-law.”At this moment, master Yu suddenly walked over. ”

Old Lady Lin stood up and nodded.

“Master Yu continued, “Old sister-in-law, I really didn’t expect you to come today! Are you also here to cheer for Zao Zao?”Master Yu originally thought that Old Lady Lin didn’t like ye Zao. ”

Now it seemed that it was all a misunderstanding.

“If Old Lady Lin didn’t like Ye Zao, would she come to participate in today’s assessment?”

“Hearing this, the smile on Old Lady Lin’s face faded a little. “I’m here to cheer for Xianxian.” ”

Xianxian?

Feng Xianxian?

“Before master Yu could react, old lady lin continued, “Let’s make a bet.” ”

“What Bet?” Master Yu asked.

“Old Lady Lin continued, “Let’s bet on who will win first place.” ”

“Master Yu nodded. “Sure, I’ll bet on burning.” ”

“Old Lady Lin smiled and said, “Then I’ll bet on Xianxian. If Xianxian wins first place, you’ll be crying about taking Xianxian in as your disciple. You Won’t have the chance.” ”

“Feng Xianxian was talented and intelligent. If she didn’t win first place, who would win first place?”

Ye Zao?

Ye Zao didn’t even dare to participate in the competition. He had almost embarrassed the Lin family.

She could still get first place?

It was simply a fantasy.

“Master Yu also laughed. “Old sister-in-law, you! You’re really muddle-headed!” ”

“Old Lady Lin snorted. “Even if I’m muddle-headed, I’m still better than you! I mistook the Fish’s eye for a Pearl!” Feng Xianxian was so good that he couldn’t see it, but he chose ye Zao who wasn’t as good as Feng Xianxian. ”

“Just you wait, you’ll make a fool of yourself soon! ”

Master Yu shook his head.

9:25 pm.

The competition was about to begin.

Ye Zhuo still didn’t show up.

“This time, the crowd’s discussion became even louder. ”

“Wang Zhishu and Sun Openg seemed to have already expected this situation, “I didn’t expect Miss Ye to be so tactful. She knew that she would lose face in the assessment competition today, so she simply didn’t even come. That’s good too! “If she doesn’t come, we can still find an excuse to block her way so that master Yu won’t lose face too!” ”

Zheng Zikai frowned. “I don’t think Miss Ye is the kind of person who would run away at the last minute. She must have encountered something.”

Wang Zhishu sneered. He felt that Zheng Zikai was possessed.

“Sun Openg looked at Zheng Zikai. “Brother, why have you become a person who looks at faces?”From Sun Openg’s point of view, Zheng Zikai trusted ye Zao so much because ye Zao was good-looking. ”

Zheng Zikai did not explain. He only looked at the entrance with a determined gaze.

9:28 pm.

There were only two minutes left before the papers were released.

Han Zhen looked at the entrance. The huge rock hanging in his heart was finally put down.

Ye Zao not participating in the assessment was the best result.

“Seeing that it was almost 9:30 pm, master Yu was also a little anxious. ”

“At 9:20 pm, the examiner stood up and prepared to hand out the papers. ”

“Master Yu said, “There’s still one minute left.” ”

“Han Zhen tilted her head and looked at Master Yu. “Master Yu, Can’t you tell? Miss Ye won’t be participating in the assessment.” ”

Chapter 759: 169: a perfect score that only appears once every 15 years! The crowd was in an uproar! 7

“She will come.”Master Yu’s gaze was firm. “She will definitely come.”

“After saying that, master Yu continued, “Since it is a competition, then we have to follow the rules of the competition. There is still one minute left until the time for the assessment. You can not hand out the papers.” ”

“The head examiner raised his hand and looked at his watch. “To be precise, it is 30 seconds. Elder Yu, if your disciple does not appear after 30 seconds, then I can only do it professionally.” ”

“Alright.”

30 seconds passed very quickly.

The countdown began immediately.

Just when everyone thought that ye Zao would not appear.

Beep —

The sensor at the entrance rang.

A slender figure walked in from outside.

White clothes and black pants.

It was extremely cool.

This was.

Ye Zao.

“At the same time, the number on the big screen just happened to be stuck at ‘1.’ ”

“Seeing ye Zao’s figure, Zheng Zikai let out a long sigh. ”

“Ye Zao Glanced in elder Yu’s direction, then walked to his seat and sat down. ”

“Master Yu stroked his beard and said with a smile, “I told you my disciple wouldn’t run away from battle.” ”

Han Zhen frowned.

She had thought that ye Zao was someone who could judge the situation.

She didn’t expect...

Ye Zao to actually dare to come.

Half past nine.

The chief examiner and the other invigilators began to hand out the examination papers.

Liu Caiyi sat in the position of the Vice President of the Chinese Arts Association and smiled at Feng Xianxian.

Feng Xianxian also smiled at Liu Caiyi.

“There were a total of three sets of examination papers, with a total of more than 260 questions. The examination time was 180 minutes. ”

“Ye Zhuo flipped through the examination papers, his expression indifferent. ”

“After the examination papers were handed out, the surroundings were filled with the rustling sound of writing.”

Ye Zao picked up his pen slowly and began to write.

An hour later.

“Ye Zao put down his pen, pressed the ‘hand in your papers early’ button on the table, and then walked towards the audience.”

“Seeing ye Zao Hand in his papers two hours early, everyone had different expressions.”

“The other contestants all felt that there was not enough time, after all, there were more than 260 questions.”

But Ye Zao actually handed in his papers two hours early.

“If she was not the last, who would be the last?”

“In an hour, even if she wrote randomly, she would not be able to finish all three sets of papers.”

Ye Zao walked to the audience seats.

Master Yu ignored the strange looks from the others and smiled at Ye Zao. “You’ve finished writing all of them?”

“Ye Zao nodded slightly. “Yes, ten minutes later than expected.” ”

“She had originally thought that she would be able to finish it in 50 minutes. However, she was stuck on the last question for ten minutes.”

Feng Xianxian had just finished writing the first set of papers in the examination room.

She was not surprised at all when she saw ye Zao leave.

These three sets of papers were very difficult.

“Even for someone like her who had prepared in advance, she felt that they were very difficult to handle.”

It was normal for ye Zao to retreat after knowing that it was difficult.

“For someone like ye Zao, it would only be a waste of time if he continued to stay in the examination room.”

Two hours later.

The examination ended.

Thirty instructors from all over the world sat in their respective seats and corrected the examination papers one by one.

Ten minutes later.

This was the news.

“Among the thirty participants, one of them actually obtained full marks.”

Full Marks?

How many years had it been since a participant with full marks had appeared in the literary world's examination competition?

It had been fifteen years!

"15 years ago, it was master Yu's eldest disciple who had gotten full marks."

"Since then, no one had ever gotten full marks."

When this news came out...

Everyone was in an uproar.

"Liu Caiyi walked up to Feng Xianxian and said, "Xianxian, Congratulations!" "

"Feng Xianxian had half of the answers. In addition, she was quite talented."

It was normal for her to get full marks.

"Therefore, when she heard that someone had gotten full marks, Liu Caiyi immediately thought of Feng Xianxian."

At the same time.

Liu Caiyi was also rejoicing that she had not misjudged Feng Xianxian.

If it was someone else.

Could she get a perfect score?

“Feng Xianxian smiled and stood up. “Sister Caiyi, I have to thank you for this.” ”

“Chapter 760: 170: face-smacking, worthy of first place! 1”

In fact.

Even Feng Xianxian herself did not think that she could get full marks.

“After all, this year’s exam questions were very difficult. They covered all the difficult questions from both ancient and modern times. If one was not a talented person, there was no way to start.”

“The moment she saw the exam papers, even Feng Xianxian was stunned.”

She even felt that she did not know where to start.

“Fortunately, she had read the information that Liu Caiyi had given her in advance.”

“If Liu Caiyi had not shown her a portion of the exam questions in advance, she would not have gotten full marks.”

Feng Xianxian was a very grateful person.

“She knew that this time, it was all thanks to Liu Caiyi!”

“If it was not for Liu Caiyi, she would not be the person she was now.”

“Liu Caiyi smiled and said, “I only played a supporting role. The one who should be thanked is still you. It was your hard work that won all of this.” The information that she had shown Feng Xianxian included half of the answers, at that time, they did not know which half of the questions would appear on the test questions.”

“Therefore, Feng Xianxian had to fully grasp all the questions and answers on the information.”

“If it was someone with average talent, would they be able to memorize all the questions and answers in such a short time?”

“No one would be able to do it, right?”

This meant that she did not misjudge the person.

Feng Xianxian also did not disappoint her.

Liu Caiyi was very satisfied with Feng Xianxian!

“Old Madam Lin was a little dumbfounded when she heard this. She stood up from her chair in disbelief. “President Liu, are you saying that our Xianxian got a perfect score?””

“Liu Caiyi nodded. “Not only a perfect score, but it’s the only perfect score in the literary world in the past 15 years.””

The only perfect score in the past 15 years?

Old Lady Lin was stunned.

She had never thought that Feng Xianxian would be so amazing.

She had never thought that Feng Xianxian would bring her such glory!

The only perfect score in the past 15 years!

This was enough to prove Feng Xianxian's strength.

“President Liu, are you not joking with me?” Old Lady Lin asked in disbelief.”

“Liu caiyi smiled and said, “Of course it's true. Why would I joke with you about something like this?””

“Good! That's Great!” Old Lady Lin was very excited at this moment. She wanted to let everyone know about this news.

“Feng Xianxian looked at old lady lin, “Grandma, the main examiner hasn't announced the results yet. Don't be so excited. Let's sit down first.” Now, everyone was guessing who the person who got a perfect score was.”

She had to maintain her mysteriousness!

“Then, she would give everyone an unexpected answer!”

“Old Lady Lin smiled and said, “Right, right, right! Now is not the time to get excited! Let's wait for the main examiner to announce the results! Then, we can go onstage and receive the award in a glorious manner!””

“When Feng Xianxian went onstage, she would definitely shock everyone!”

The disciple that master Yu personally took a fancy to turned in his papers two hours earlier and was ranked last.

“Feng Xianxian, on the other hand, had scored full marks for the disciple that master Yu had looked down on.”

How could master Yu have any face left?

Master Yu would definitely regret not taking Feng Xianxian as his disciple.

It was a pity.

There was no medicine for regret in this world for Master Yu.

“The More Old Lady Lin thought about it, the more excited she became. It was as if she had already seen master Yu’s regretful face.”

Old Lady Lin had even thought about how she would talk to Master Yu later.

“Xianxian, if master Yu comes to look for you later, don’t bother with him,” Old Lady Lin instructed Feng Xianxian.”

“Feng Xianxian said hesitantly, “This... This isn’t very good, is it?””

Old Lady Lin snorted coldly. “What’s so bad about this! Wasn’t that how he rejected you back then?” It was also because Feng Xianxian had a good heart and was unwilling to argue with master Yu.

“Feng Xianxian did not want to argue with master Yu, but Old Lady Lin could not.”

She could not stand Feng Xianxian being wronged.

“Feng Xianxian smiled and said, “Alright Grandma, I understand.””

Old Lady Lin patted Feng Xianxian’s hand in satisfaction.

Feng Xianxian pulled Old Lady Lin to sit down in her seat.

“On the field, the thirty instructors who were grading the examination papers were also stunned.”

None of them had expected that there would be a contestant with full marks in this year’s assessment competition.

One had to know.

This year’s assessment competition was the most difficult year in recent years.

“In the past few years, they hadn’t even gotten full marks for common difficult questions.”

But this year.

“In the most difficult year in history, someone had actually gotten full marks!”

This was simply heaven-defying!

It was simply impossible to imagine what kind of person would be able to get full marks.

“The full score examination paper directly alerted the highest-level leader in the literary world, Li Zhentian.”

“Li Zhentian directly went to the examination venue. “Teacher Wang, I heard that you changed the examination paper to a full score?””
