

## **Almighty D 761**

“Chapter 761: 170: a slap to the face, a worthy first place! 2”

“Seeing Li Zhentian come over, Wang Tao, who was in charge of marking the papers, was also stunned. ”

“After a long while, he finally nodded. “Yes.” ”

“When he first changed the papers to full marks, Wang Tao was also full of disbelief. It was only after a few teachers checked them one by one and confirmed that there were no problems did he dare to announce this news. ”

“Li Zhentian continued, “Let me see the test paper.” ”

Wang Tao handed the test paper to Li Zhentian.

Li Zhentian held the standard answer in one hand and the test paper in the other. His eyes were full of surprise and he almost could not believe his own eyes.

This was because the answers on this test paper were actually more than three points better than the standard answer.

“Moreover, the handwriting was so beautiful that it was beyond people’s reach. ”

It was said that every word looked like a person.

“Just by looking at the handwriting, one could tell that this must be a person full of experience! ”

It seemed that the new peak of the literary world was really coming!

Li Zhentian was so excited that both of his hands were trembling.

“Who is this ye Zhuo?”

“Wang Tao lowered his voice and said, “He is the last disciple that master Yu accepted not long ago.” ”

“Where is he?” Li Zhentian continued to ask.

“Wang Tao glanced at Master Yu’s seat, but did not see ye Zao. He swept his gaze and finally saw ye Zao in the back seat. He continued, “Do you see three little girls over there?” ”

Li Zhentian nodded.

“Wang Tao continued, “The little girl sitting in the middle is Miss Ye.” ”

“Is it the one wearing a white shirt?” Li Zhentian continued to ask.

“It’s her.”

“Li Zhentian narrowed his eyes. “No Wonder.” This young lady was not an ordinary person at first glance. Her temperament was like an orchid, elegant and noble. Originally, Li Zhentian was still curious about what kind of person would be able to get full marks. ”

“After seeing ye Zhuo, he did not find it strange anymore. ”

“Wang Tao continued, “Miss ye even handed in her paper two hours earlier.” ”

“Hearing this, Li Zhentian was stunned. He thought he was hearing things. ”

“After a while, he finally reacted and turned to look at Wang Tao. “What did you say just now?” ”

“Wang Tao said, “Yes, you didn’t Mishear. Miss ye only spent an hour to finish all the questions.”Originally, Wang Tao was like the others. He thought that ye Zhuo was just an embroidered pillow, good-looking but useless. ”

“In addition, Ye Zao had handed in his paper two hours earlier, which made Wang Tao even more unconcerned. ”

Who would have thought.

It was this person who everyone looked down on that actually got full marks.

“If it wasn’t for seeing it with their own eyes, who would believe that an eighteen or nineteen-year-old girl would have such ability? ”

“As the highest-level leader in the literary world, Li Zhentian was also shocked at this time. He looked in the direction of ye Zao, unable to recover his senses for a long time. ”

“Ye Zao, an Lizi, and Zhao pingting were sitting behind Feng Qianxian and Old Lady Lin. ”

“When Li Zhentian looked over, it gave people the illusion that Li Zhentian was looking at Feng Qianxian. ”

Feng Qianxian was immediately stunned.

“But when she thought about how she had just gotten first place, she was not surprised. ”

She was first.

Who Would Li Zhentian look at if not her?

“Could it be that he was looking at that trash, Ye Zhuo?”

“Ye Zhuo had handed in his papers two hours earlier, so most of the papers he handed in were blank.”

Or it was a ghost drawing talisman.

“When Li Zhentian arrived at the scene, the contestants and the spectators were also very shocked.”

Many people had never seen Li Zhentian before.

“Chief Li is looking over here! is the person who got a full score on our side?”

“That’s for sure!”

“Hearing this, everyone quickly looked left and right to see who was sitting here.”

There were quite a few capable people sitting in this row.

“Could it be Zhou Miaoyan?”

““I heard Zhou Miaoyan say that she didn’t do the last question, so it shouldn’t be her.””

““If it’s not Zhou Miaoyan, then who is it? Could it be Zhao Tong?””

“Zhao Tong doesn’t sit here at all!”

““F \* ck! It Can’t Be Ye Zao, right?”Someone in the crowd said this.”

The crowd immediately burst into laughter.

Ye Zao?

How could it be?

Ye Zao handed in his paper two hours in advance.

There were more than 260 questions in total.

“Even if she scribbled on the paper, it was impossible for her to finish all 260 questions.”

“Therefore, it was impossible for it to be ye Zao.”

“Could it be Miss Feng?”

“Miss Feng? Which Miss Feng?”

“”It’s that Miss Feng who wanted to become master Yu’s disciple in the beginning, but ye Zao beat her to it.” ”

“”Oh my God! If the person who got a perfect score was really miss feng, then wouldn’t there be a good show to watch?” ”

“Then master Yu will regret it to death!”

“Chapter 762: 170: face-smacking, a well-deserved first place! 3”

“Of course!”

“I feel that Master Yu is already starting to regret it.”

“Another voice sounded, “It might not be that Miss Feng. I think there’s an 80% chance that it’s Zhao Tong.” ”

Zhao Tong was born in the literary world and had a deep literary background. It was normal for her to get first place.

“I’ll stand by Zhao Tong.”

“Then I’ll stand by Miss Feng!”

“For a moment, everyone was guessing who the person who got a perfect score was.”

“Listening to the discussions of the crowd, Feng Xianxian smiled. ”

She was looking forward to the moment when the Chief Examiner announced the results.

At that time.

She would be the most eye-catching person in the crowd.

Master Yu would regret it too much!

“Now, even the top leaders of the literary world were alarmed. This meant that in the future, her position in the literary world would be even more honorable than Master Yu’s. ”

Who Was Master Yu?

“When she thought of this, a mocking look appeared in Feng Xianxian’s eyes.”

Who were those people who looked down on her?

“Twenty minutes later, all thirty papers were graded.”

“Finally, it was time to announce the results.”

“The head examiner stood on the stage and gave an opening speech. After a round of deafening applause, he announced the top ten contestants of the competition.”

“Now, let’s welcome the tenth-place winner, Yang Zifeng, to the stage. Congratulations, Yang Zifeng!”

The big screen displayed the scores of the tenth-place winner.

The full score was 100 points.

The tenth-place winner scored 79 points.

“Actually, it could be seen from the scores of the tenth-place winner that the exam this time was very difficult.”

“In the past, the scores of the tenth-place winners were all within 90 points.”

Yang Zifeng walked onto the stage under the applause of the crowd.

“Next up is the ninth place, Wu Yue.”

The ninth place had 80 points.

The eighth place had 80.5 points.

The seventh place had 81 points.

“Very soon, he entered the top three.”

“Now, let’s invite the third place winner of the assessment, Zhou Miaoyan, to the stage.”

“Although Zhou Miaoyan did not get first place, she was already very satisfied to be able to enter the top three. After all, the examination questions this year were so difficult.”

Fourth place received 85 points.

Zhou Miaoyan got 87 points.

“Next, let’s invite the second-place winner of the assessment competition, Zhao Tong, to come up on stage.”

Second place?

Zhao Tong was actually second place.

“Seeing Zhao Tong come up on stage, there was a flurry of discussion below the stage.”

“If Zhao Tong was second place, then there was a high possibility that the first place winner would be Feng Xianxian.”

Wang Zhishu was stunned. "I didn't expect Miss Feng to really get full marks."

"Sun Openg sighed. "If Master Yu hadn't taken Miss Ye as his disciple at that time, then the person who got full marks would have been from our sea of Books Association!" "

Master Yu was the founder of the Sea of Books Association in the literary world.

There were a total of three conferences in the literary world.

"They were the Sea of Books Association, the Sea of Books Association, and the Sea of Poetry Association. "

"Above the three presidents was Li Zhentian, the first seat. "

"Although the Sea of Books Association appeared to be glorious on the surface, once something happened to Master Yu, the Big Dipper, the Sea of Books Association would be riddled with holes. "

This was also the reason why Master Yu insisted on taking in ye Zao.

He wanted ye Zao to lead the literary world to a new peak.

He also hoped that the sea of books association would flourish in the hands of Ye Zao.

Unfortunately.

"In the end, master Yu still mistook the fish eye for a Pearl and missed out on a true talent. "

Zheng Zikai looked at the stage. "The head examiner hasn't announced the first place yet. How do you know it's Miss Feng? What if it's Miss Ye?"

“Zikai, Stop Dreaming!” Wang zhishu continued, “There are more than 260 questions in total. Miss ye turned in her paper two hours in advance. How many questions do you think she can get right?” ”

“For someone like Ye Zhuo, to be able to get three questions right was like burning incense! ”

Zheng Zikai was actually still dreaming that ye Zhuo could get full marks.

It was simply a pipe dream!

“Zheng Zikai’s gaze was firm. “Anyway, it’s not the last moment yet. None of us can jump to conclusions.” ”

“Then what you mean is that Miss Feng didn’t even make it into the top ten?”Wang Zhishu asked back.

The main examiner had started reporting from the tenth place.

Feng Xianxian’s beautiful name was well-known. It was impossible that she didn’t make it into the top ten.

She wasn’t in the top nine.

This meant that Feng Xianxian was definitely in first place.

“Zheng zikai continued, “We don’t have a substantive understanding of Miss Ye. Everything is just hearsay. It’s the same for Miss Feng. What if Miss Feng really didn’t make it into the top ten? “Do you really believe that Miss Feng got full marks?” ”

“Wang Zhishu looked at Zheng Zikai. “Zikai, haven’t you heard of such a saying?” ”

“What saying?”Zheng Zikai asked.

“The eyes of the masses are sharp.” If only one person had said that ye Zao had entered through the back door, it would have been fine. But now, everyone was saying that ye Zao had entered through the back door.”

“Chapter 763: 170: face-smacking, a well-deserved first place! 4”

Was everyone blind?

“Zheng zikai smiled and said, “There’s another saying, ‘The word of a man is terrible.’””

“Seeing Zheng Zikai like this, Wang Zhishu shook her head helplessly.”

She felt that Zheng Zikai must have been possessed.

“Otherwise, he would not have blindly trusted ye Zhuo.”

“After Zhao Tong went on stage, in the blink of an eye, only the first place did not go on stage.”

“Seeing that she was about to go on stage to receive the award, Feng Xianxian’s palms were covered in a layer of sweat as she silently recited the acceptance speech in her heart.”

Everyone present today was the manager of the literary world. Even Li Zhentian was present.

She had to give a proper speech.

It made everyone’s eyes light up.

“Liu caiyi smiled and said, “Xianxian, don’t be nervous. Be Calm.””

“Feng Xianxian turned to look at Liu Caiyi and said, “Okay.””

“On the stage, the chief examiner adjusted the microphone, he smiled and said, “The most anticipated moment is coming! “I believe that everyone here is looking forward to today’s first place as much as I am! “I now announce that the first place in the assessment is also the first participant in the literary world to obtain a full score in the assessment for the past 15 years! Who Is She?””

“At this point, the chief examiner deliberately kept her in suspense. He looked around the stage, as if he wanted to say something, but he hesitated.”

“Seeing the chief examiner looking in her direction, Feng Xianxian became more and more nervous. Her heart was beating fast.”

Bang Bang Bang —

Feng Xianxian tried hard to calm herself down.

Wasn’t it just getting first place?

She had to be calm.

Calm.

She couldn’t lose her composure.

Today’s first place was just the beginning.

She would create more miracles in the literary world in the future!

“Seeing that the chief examiner was about to announce the first place, everyone held their breaths and looked at the Chief Examiner.”

“Under everyone’s expectant gazes, the chief examiner continued to announce, “Now, let’s welcome the first prize winner of the assessment competition, Ye Zhuo, to the stage!””

Ye Zao?

It was actually ye Zao!

“When these words were said, the audience fell silent. Everyone looked at each other and saw the doubt in each other’s eyes. They thought that they had misheard.”

It was not until ye Zao walked out of the audience seats that the crowd reacted.

They had not misheard.

The first place was really ye Zao!

How could ye Zao be first place?

Looking at ye Zao walking towards the stage.

Feng Xianxian’s face turned pale. She was ready to go on stage to receive the award.

But the final result was actually ye Zao.

The first place was ye Zao?

What right did ye Zao have?

What right did she have to get first place?

The first place should be hers.

Never in her wildest dreams did she expect that the first place was actually ye Zao!

What about her?

What was her place?

She couldn't possibly not even enter the top ten?

It wasn't just Feng Xianxian who was stunned.

Even Old Madam Lin and Liu Caiyi were stunned.

The expressions on these two people's faces were each more interesting than the last.

Old Madam Lin looked at Ye Zhuo with a face full of disbelief.

Ye Zhuo got first place?

Then what about Feng Xianxian?

"Moreover, how did ye Zhuo get first place?"

Liu Caiyi furrowed her brows tightly.

She had always thought that the first place was Feng Qianxian.

She had never expected that Feng Qianxian would not even make it into the top ten.

This was not normal.

It was very abnormal.

“Feng Qianxian was quite talented, and with the answers she gave, how could she not even make it into the top ten?”

Liu Caiyi was puzzled.

“At this moment, ye Zhuo walked onto the stage.”

“The head examiner looked at the audience and said, “I believe that everyone is still very unfamiliar with this miss ye. Now, let me introduce her to everyone. This miss ye is Master Yu’s last disciple, Ye Zhuo, at the end of last year.””

“After he finished speaking, the head examiner handed the microphone to ye Zhuo and said, “Miss Ye, now, you will introduce yourself.””

““Ye Zhuo, the mouth of a wooden leaf, burning brightly,” ye Zhuo said concisely.”

“Such a simple introduction, yet it revealed a domineering air that could not be ignored.”

“The chief examiner continued to ask, “Miss Ye, may I ask how you managed to hand in your paper two hours earlier and still get a full score?””

Ye Zao frowned slightly. "Is it very difficult to get a full score?"

Very... difficult?

Did you hear what he said?

"The chief examiner said, "Miss Ye, you may not know this, but this year's examination paper is the most difficult one in the past fifteen years.""

"OH."Ye Zhuo's tone was indifferent.

Oh?

The most difficult examination paper in the past 15 years was exchanged for one of Ye Zhuo's?

Everyone in the audience had looks of disbelief on their faces.

Liu Caiyi could not stand ye Zhuo's arrogant face.

"She clearly did not have any real talent, yet she stood on the podium to receive the award."

She must have cheated!

She had to expose ye Zhuo's true face in front of everyone!

"With this thought in mind, Liu Caiyi immediately stood up. "Chief Li, I think this assessment is unfair.""

"Chapter 764: 170: face smacking, a worthy first place! 5"

“Li Zhentian looked at Liu Caiyi. “Vice president Liu, do you feel that something is unfair?” ”

““The person who should have gotten a full score but didn’t get a full score, the person who shouldn’t have gotten a full score but relied on an imposter to stand on stage. Chief Li, by doing this, aren’t you afraid that everyone in the literary world will lose confidence in the literary world?” ”

Imposter?

“When these words were said, everyone was in an uproar. ”

Right!

Ye Zhuo must have been an imposter!

“Otherwise, how could she have gotten a full score? ”

It was impossible to think about it with her toes.

Li Zhentian looked at Liu Caiyi and his expression didn’t change. “Then who does vice-president Liu Think is the one who got a full score?”

““Feng Qianqian.”Liu Caiyi continued, “I suspect now that someone deliberately changed Feng Qianqian and ye Zhuo’s test papers, causing their rankings to be reversed! “I now request to Reexamine ye Zao and Feng Xianxian’s test papers in front of everyone. Take out their test papers and let us compare them. I believe that the eyes of the masses are clear.” ”

Feng Xianxian had the information that she gave. It was impossible that she did not even enter the top ten.

“Therefore, the biggest possibility was that someone changed Feng Xianxian and ye Zao’s test papers. ”

“If the test papers had really been swapped, it could be seen by comparing the handwriting. ”

“Moreover, the entire test was monitored electronically. ”

“”Sister Caiyi, thank you.”Feng Qianxian looked at Liu Caiyi with red eyes. ”

She also felt that someone had swapped the test papers of her and Ye Zhuo.

It was ye Zhuo who had snatched away the glory that belonged to her.

“Liu Caiyi looked at Feng Qianxian and said with a smile, “Qianxian, don’t worry. I will definitely return you justice.”Liu Caiyi had always been a messenger of justice. She could not stand to see someone impersonating her. ”

She could not stand to see a person who cheated so arrogantly!

The person who got full marks was Feng Xianxian. On what basis was ye Zhuo impersonating her?

This was not fair!

“As soon as these words were said, someone immediately echoed. ”

“I agree with Vice President Liu’s words!”

“I agree too!”

“There must be someone impersonating her!”

Re-examination papers?

“As soon as these words were said, Li Zhentian frowned. ”

“After all, there had never been such a precedent in the literary world. ”

“Moreover, this was also disrespectful to Ye Zhuo! ”

“Li Zhentian looked at Liu Caiyi. “Vice president Liu, our literary world’s examination papers have always been fair and just. There will never be a situation where we swap papers!” ”

“Liu Caiyi continued, “True Gold is not afraid of fire, and true results are not afraid of being questioned! “If no one really tampered with the test papers, chief Li, why don’t you dare to take out their test papers? “I always firmly believe that justice may be late, but it will never be absent!” ”

Liu Caiyi’s words stirred up the emotions of the crowd.

Some people even cheered.

“Re-examine the Test Papers!”

“Imposter is Shameless!”

“Hearing the questioning voices below the stage, Ye Zhuo’s face didn’t change at all. He only took a few steps forward, slightly bent over, and dialed the microphone in front of him. ”

Such a simple action made everyone subconsciously quiet down and look at Ye Zhuo.

“Imposter is not something that can be said lightly. Since vice-president Liu is questioning my results, then I will accept vice-president Liu’s doubts.”. I believe that those who have just participated in the assessment competition are very clear that the last question on the exam paper is extremely difficult. Since vice-president Liu thinks that Feng Xianxian is the one who got a full score, then can I request for student Feng Xianxian to go on stage and solve this question with me?” ”

“When these words were said, everyone nodded. ”

It had to be said that ye Zhuo’s method was indeed not bad.

“If someone really changed the test paper, then ye Zao would definitely not solve this question. ”

“Of course!”Liu Caiyi nodded and laughed in her heart. This ye Zao really dared to say it.

Solving the question in public?

“Did she really think that after she impersonated him, she would have the real thing? ”

Impossible!

Feng Qianqian immediately stood up from her seat and went to the stage.

“Li Zhentian asked someone to bring two blackboards, and Ye Zhuo and Feng Xianxian solved the questions at the same time. ”

The last set of questions covered all the knowledge and propositions in ancient and modern times.

“Because Feng Xianxian had done it once, she did not find it difficult to do it again. She picked up the marker pen and began to solve the questions, ”

then she looked at Ye Zhuo.

He did not write for a long time.

“Seeing this scene, the disdain in Liu Caiyi’s eyes became even stronger. ”

She knew that Ye Zhuo would definitely die in front of the light!

She simply could not accept the test of an imposter.

The people below the stage also had different expressions.

It was really too shameless!

To actually create an imposter.

“At this moment, Ye Zhuo, who was originally in a daze, suddenly started writing. ”

She wrote very quickly.

“Before the crowd could react, she had left a string of characters on the blackboard. ”

It was a feast for the eyes.

It was so fast that almost no one could understand the words she had written.

“What is she writing?”

“Why can’t I understand it?”

“I can’t understand it either!”

Ding!

The ten-minute countdown ended.

Feng Xianxian finished writing one question at a time.

She then looked at Ye Zhuo and stopped writing at that moment.

“Time’s up.”The chief examiner walked between the two of them. “Now let’s take a look at your answers.”

The Chief Examiner projected their answers onto the big screen with a projector.

On the top of the screen were the standard answers.

Only then did everyone see the two answers clearly.

Feng Xianxian also looked up.

The first thing she looked at was ye Zao’s answers.

Ye Zao’s answers made her a little confused.

“She probably didn’t know how to write, so she just wrote a little. ”

Only her answers were the most perfect.

“DAMN! This is written in three different languages?”

“It’s indeed written in three different languages!”

“This is written by Miss Feng?”

“Miss Feng is too amazing!”

“On the stage, Feng Xianxian had a smug look on her face. ”

Of course she was amazing!

“That’s not right... This seems to be written by Ye Zhuo...”

“DAMN! This is really written by Ye Zhuo!”

“Then what is she writing?”

“”This is a problem-solving process written in three different languages. They are the international common language, Egyptian language, and oracle bone script.” ”

When these words were said.

Everyone was stunned.

“No one expected that not only did ye Zhuo write the answer perfectly, but he also used three different languages to write a different problem-solving process. ”

Ye Zao was truly the first place winner!

“All the doubts, sarcasm, and disdain turned into affirmation and shock at this moment.”

“The chief examiner’s voice sounded again, “Vice president Liu, Feng Xianxian’s last problem was solved incorrectly, while miss ye used three different words to write out the correct problem-solving process. Now, do you still suspect that Miss Ye is an imposter?” ”

The result was obvious.

“If ye Zhuo had really cheated, would she have mastered the solution of three different characters at the same time?”

“Hearing this, Feng Qianqian was stunned.”

She did it wrong.

She actually did it wrong!

How was this possible!

It couldn’t be!

She didn’t do it wrong.

Feng Qianqian quickly looked up at the standard answer.

At this moment.

Her face turned pale.

It was different.

Her answer was really different from the standard answer.

How could it be wrong?

“Liu Caiyi was also stunned, her face slightly pale.”

Liu Caiyi couldn't believe her eyes.

“At this moment, Li Zhentian took out the two's exam papers and showed them on the big screen through the projector.”

Feng Xianxian scored 60 points.

Ye Zhuo scored 100 points.

Looking at the bright red 60 points on the test papers.

Liu Caiyi frowned slightly.

“So, Feng Xianxian only got the answers right?”

Did she get the other questions wrong?

“Thinking of this, Liu Caiyi almost couldn't breathe.”

She tried her best to get justice for Feng Xianxian.

She didn't expect the result to be a slap to her face.

She never expected Feng Xianxian to only score 60 points.

“Li Zhentian looked at Liu Caiyi. “President Liu, now that the truth has been revealed, shouldn't you apologize to Miss Ye?” ”

Chapter 765: 171: No. 1! 1 being fought over by a few big shots

Apologize?

Ask her to apologize to Ye Zhuo?

“Liu Caiyi's face was already ugly to begin with. After hearing these words, her face became even uglier.”

She was the vice president of the Chinese Painting Association.

She was going to be the president of the association in the future.

How could she apologize to Ye Zhuo?

“If she really apologized, where would she put her face?”

No.

She couldn't apologize.

“Liu Caiyi’s hands, which were hidden in her sleeves, shook again and again.”

““Chief Li,” Han Zhen stood up from the seats, “Vice-president Liu merely raised objections to the competition. Everyone makes mistakes. Since it’s a competition, it’s normal for someone to raise objections. There’s no need to apologize, right?””

“Liu Caiyi was, after all, the President of the Chinese Arts Association. If she really apologized, it would make the Chinese arts world lose face.”

Han Zhen was a very thoughtful person.

She was afraid that this would offend the Chinese art world.

To make Liu Caiyi apologize and offend the entire Chinese art world was a very unwise decision.

Ye Zao’s talent could not be denied.

But this apology could not be said.

“If ye Zao was a sensible person, she should have stood up herself and asked Li Zhentian not to fuss over this matter and at the same time give Liu Caiyi a way out.”

But now it seemed.

Ye Zao was completely carried away.

He actually did not say a word.

Such a person could really become the future hope of the literary world.

Han Zhen was faintly worried.

She was afraid that ye Zao would not be able to shoulder this heavy responsibility.

When Han Zhen said this.

The audience also felt that Han Zhen was quite right.

It was normal for someone to raise objections in the competition.

“Now that it was proven that ye Zao was not an imposter, there was no need for ye Zao to be calculative.”

“After all, she had not lost anything.”

“Ye Zao is too pretentious. isn't she just being suspected? What's The Big Deal! She has nothing to lose!”

“That's right! What right does she have for president Liu to apologize to her?”

“She's just being petty!”

“Seeing that the public opinion was gradually shifting in her direction, Liu Caiyi heaved a sigh of relief.”

Her popularity in the Chinese art world all these years had not been accumulated for nothing.

So what if ye Zao got first place?

He was just a rookie!

Master Yu frowned and turned his head to look at Han Zhen.

Han Zhen looked straight ahead and avoided master Yu's gaze.

Master Yu was muddle-headed. It was normal that he had not thought things through thoroughly.

"However, she had to be responsible for the literary world."

"In the audience stands, an Lizi was about to die from anger."

""What's wrong with these people? It was clearly that vice-president Liu who deliberately picked a fight. Now, they actually think that it's Zao Zao's fault! Is there something wrong with these people?""

"Zhao Pingting held an Lizi's hand. "Lizi, don't be anxious. I believe that Luohou will definitely have a way to deal with it.""

An Lizi could only show her anger and cheer ye Zao on.

"Hearing the discussions below the stage, ye Zao's expression did not change. He turned to look at Han Zhen and said in a shallow voice, "President Han, I now suspect that there's something wrong with your character. I also suspect that you're having an affair outside and have an illegitimate child.""

"The moment these words were said, the audience exploded."

No one had expected ye Zhuo to say such a thing.

There was something wrong with his character.

Having an affair.

Illegitimate Child?

This was Han Zhen!

Han Zhen's character was universally acknowledged in the literary world.

"In front of so many people, Han Zhen's expression immediately changed. He said angrily, "You have no existence! You're insulting my character! You have to apologize to me immediately!""

Arrogant!

Ye Zhuo was simply too arrogant.

"Ye Zhuo smiled faintly. "Since President Han knows that something is created out of nothing, I can rest assured that you are insulting my personality.""

Han Zhen frowned. He did not understand the meaning of ye Zhuo's words.

"Just as Han Zhen was still unable to react., ye Zhuo continued, "President Han, you only saw that I created something out of nothing and insulted your personality. "Then why can't you see that vice-president Liu accused me of cheating without any evidence? When I impersonated him, I also created something out of nothing and insulted my personality? "President Han immediately thought of asking me to apologize to you. Why didn't he think of asking vice-president Liu to apologize to me for his words and actions?""

"At this point, Ye Zhuo paused. "Is it because the person vice-president Liu is blaming isn't you? Because it's not you, you can stand on the moral high ground and carelessly persuade others to forgive you?""

The moment these words were said.

Han Zhen was stunned.

“Ye Zhuo’s words were logical and well-grounded, making it impossible for her to refute them.”

Han Zhen had never thought that ye Zhuo would say such a thing.

Chapter 766: 171: No. 1! 2 being fought over by a few big shots

The people who originally thought that ye Zao was being unreasonable were also stunned.

They had to say.

What ye Zao said was too reasonable.

“When they encountered something, they would always stand at the moral high ground. They could not see the other party’s suffering at all, causing them to forget that ye Zao was the real victim.”

“She did not cheat, nor did she impersonate someone else. She was being questioned by Liu Caiyi for no reason.”

This was an insult to her personality!

The one who had been wronged was ye Zhuo.

What right did Han Zhen have to persuade Ye Zhuo to be kind?

“At this moment, a clear and shallow voice sounded again. “Don’t persuade others to be kind without going through the suffering of others. President Han, I hope you can understand this principle.” ”

Under the light.

She just stood there without any expression on her picturesque face. The light cast a layer of snow on her body.

Extremely cold.

Also extremely beautiful.

It was incomparable.

An Lizi and Zhao Pingting stood up and gave ye Zao a round of applause.

Clap Clap Clap —

The applause was almost deafening.

“At this moment, master Yu’s tightly knitted brows relaxed and the corners of his mouth curled up into a smile. ”

Good!

This was really too good!

As expected of his disciple!

“Don’t try to persuade others to be kind without going through their bank account!”

“Apologize!”

“Vice-president Liu must give us and miss ye an explanation.”

“You must apologize!”

The head of the publicity department of the Conference of Books took the lead and stood up.

“As the head of the publicity department stood up, more people stood up as well. ”

Everyone’s emotions seemed to have been exaggerated.

They became abnormally excited.

“Apologize!”

“Apologize to Miss Ye!”

“One after another, they had Liu Caiyi give Shuhai conference and ye Zao an explanation. ”

“This time, Liu Caiyi couldn’t stand it anymore. ”

She didn’t expect things to turn out this way.

The situation was forced.

It was impossible not to apologize now.

“Liu Caiyi took a deep breath and turned to look at ye Zao, trying to calm herself down. “Miss Ye, I’m really sorry for what happened just now. I apologize to you for my words and actions. I hope you can be magnanimous and forgive me.” ”

“Ye Zhuo lifted his chin slightly. “This time, I can let vice-president Liu Off the hook. I hope that vice-president Liu can be careful with his words and actions next time.” ”

Careful with his words and actions.

How could ye Zhuo dare to say such words to her without shame?

“No matter how powerful ye Zhuo was, she was only master Yu’s disciple. ”

“Yet, she was the vice-president of the Literature Association. ”

“Yet, she was still angry and could not speak. ”

She could only hold all her anger in her heart.

It was all Feng Xianxian’s fault for not fighting for her.

“If Feng Xianxian was the first place, would it be ye Zhuo’s turn to strut around here? ”

“In the end, she still misjudged Feng Xianxian. ”

Then she looked at Feng Xianxian.

“Sitting in the spectator stand, she was completely dumbfounded. ”

She could not believe that she had only scored 60 points.

She had studied for a long time before the assessment competition.

How could she have only scored 60 points?

But that paper was indeed written by her.

She was unwilling.

Feng Xianxian was very unwilling.

“Feng Xianxian looked at Ye Zhuo on the stage, wishing that she could break her silver teeth.”

On what basis?

On what basis did ye Zhuo step on her to get to the top with a peace of mind every time?

Old Lady Lin also felt very uncomfortable in her heart.

“She had thought that if Feng Xianxian got first place, she would be able to see Master Yu’s regretful face.”

Who would have thought.

“Not only did Feng Xianxian not get first place, she did not even get into the top ten. Instead, she allowed ye Zhuo to get first place and even got full marks.”

It shouldn’t be!

“With Feng Xianxian’s strength, she shouldn’t have not even gotten into the top ten.”

How did ye Zhuo get first place?

Could it be that Feng Xianxian wasn't feeling well?

Was it affecting her performance?

"Old Lady Lin wanted to sigh, but she was afraid that Feng Xianxian would be upset after hearing it, so she could only laugh at Feng Xianxian and say in a low voice, "Xianxian, it's fine! Failure is the mother of success. I believe that you'll definitely get a good ranking next time." "

She believed in Feng Xianxian.

Ye Zao was lucky to get first place this time.

"If Feng Xianxian had not performed well, would ye Zhuo have been able to get first place? "

Definitely Not!

Feng Xianxian sniffed. "I have let you down."

"It's fine, it's fine, silly child! It's not your fault." Seeing Feng Xianxian like this, Old Lady Lin's heart ached. "

"Although Old Lady Lin was indeed disappointed that Feng Xianxian did not get first place this time, she still did not want to see Feng Xianxian feel guilty because of this matter. "

Because this was not Feng Xianxian's fault at all.

"After Liu Caiyi apologized, ye Zhuo turned to look at Han Zhen. "President Han, I'm sorry for saying such unrealistic words to you just now. It was really forced by the situation. I hope you can understand." "

“At this moment, what else could Han Zhen Say?”

“Chapter 767: 171: No. 1! 3, fought over by a few big shots”

Could it be that she was going to say that she did not understand ye Zhuo?

She was now a mute who could not say anything.

“Han Zhen smiled apologetically at Ye Zhuo. “Miss Ye, you’re exaggerating. I should be the one apologizing to you. It’s me who did not consider your feelings beforehand.””

“As the President of the literary association, Han Zhen could only apologize.”

Only by apologizing could those who were trying to redress ye Zhuo’s grievances be appeased.

Seeing this scene.

Wang Zhishu and Sun Openg were dumbfounded.

They had thought that ye Zhuo had used a backdoor to become master Yu’s disciple.

“But now, it seemed that the situation was completely different.”

Ye Zhuo was a genius!

“If he wasn’t a genius, how could he solve the problem in three languages at the same time?”

Wang Zhishu and Sun Openg looked at each other and saw shock and disbelief in each other's eyes.

“Zheng zikai smiled and said, “Do the two of you still think that miss ye relied on her connections to enter the literary world through the back door?””

Sun Openg gulped and his face turned red. He did not know how to speak.

Zheng Zikai looked at Wang Zhishu. “What About You?”

Wang Zhishu immediately lowered his head.

“If she had known that ye Zao was so powerful, she definitely wouldn't have looked down on Ye Zao.”

It had to be said.

Ye Zao had done President Shuhai a great favor this time.

“The head examiner held the microphone and smiled. “Miss Ye, as the only person in the past 15 years who has obtained a full score in the assessment competition, it's not too much to call you a genius. May I ask if you have any experience to share with everyone?””

“Ye Zhuo leaned slightly and opened her red lips slightly. “No one is born a genius. If a genius really exists, then a genius is 99% perspiration and 1% inspiration.””

It was a very light sentence.

But it contained a bunch of philosophy of life.

It was also the most annoying thing to share the acceptance speech with others.

“In her opinion, all success required perspiration.”

“One minute on the stage, ten years of hard work below the stage.”

“When she saw the bright and beautiful surface, she also needed to see the sweat behind her back.”

As soon as she said this.

The audience immediately burst into deafening applause.

It was very intense.

“After ye Zhuo took the trophy that belonged to the first place, he walked down the stage.”

“Please wait a moment.” Just as ye Zhuo walked down the stage, a very low female voice suddenly appeared in the air.

Ye Zao turned his head slightly and saw a girl with long curly hair.

“You’re calling for me?”

“The girl with long curly hair nodded. “Yes! My name is Zhao Tong. Can We Be Friends?” As soon as she finished speaking, Zhao Tong extended her hand towards ye Zao.”

Zhao Tong was a complete beauty lover.

“Ever since ye Zao appeared on the first day of the assessment, she had been paying attention to ye Zao.”

“However, at that time, there were too many rumors about ye Zao. She did not dare to take the initiative to look for ye Zao.”

“Now that it was proven that ye Zao did not use any backdoor methods and did not cheat during the assessment, Zhao Tong could not wait to look for ye Zao.”

“Ye Zao smiled and reached out to shake Zhao Tong’s hand. “Ye Zao, it’s nice to meet you.””

Zhao Tong was extremely excited. “Then can we add each other on wechat?”

“Yes.”

“Then I’ll add you!” Zhao Tong immediately took out her phone.

“After adding wechat, Ye Zao returned to his original seat.”

“Not long after he sat down, Zheng Zikai called him to master Yu’s side.”

“Master.”

“Master Yu looked at Ye Zao, his eyes filled with satisfaction. “Zao Zao, Congratulations!” Although he knew that ye Zao would definitely not let him down, master Yu was still very surprised to see ye Zao score full marks.”

“At the beginning of the assessment, he had also received a test paper.”

“According to the difficulty of the test, master Yu felt that it was already very good if ye Zao could get more than 90 points.”

“After all, if he was asked to do this test paper, he might not even get full marks.”

One had to know.

The second-place student had only gotten 89.5 points.

He did not even get 90 points.

“Moreover, ye Zao had even handed in his test paper two hours earlier.”

This meant that ye Zao didn't take the three sets of papers seriously at all.

It was simply impossible to imagine just how terrifying this person's strength was.

“Master Yu continued, “I'll bring you to our sea of books meeting now. At the same time, I'll recognize you.””

Ye Zao hesitated for a moment. “Now?”

“Master Yu saw the hesitation in ye Zao's eyes and continued, “Don't worry. I'll get someone to arrange for your two friends.””

Ye Zao nodded. “I'll go and greet them now.”

“Okay.”

Ye Zao came to an Lizi and Zhao Pingting's side.

The two people that master Yu had arranged had already come to an Lizi and Zhao Pingting's side.

“Chapter 768: 171: No. 1! 4, fought over by the big shots”

Two very handsome little brothers.

“Zhao pingting smiled and said, “Zha Zha, you go ahead and do your work! We’ve already agreed that we’ll let these two little brothers take us around the literary world!” ”

“Opposites attract, not to mention that these two little brothers were so handsome. ”

“An Lizi hurriedly nodded. “Yes, yes, yes! Zha Zha, you go ahead. Don’t worry about us!” ”

“”Alright, I’ll go over first.” ”

“”Go on, go on.” An Lizi and Zhao Pingting pushed ye Zhuo over. ”

Ye Zhuo came to master Yu’s side.

Master Yu and the others brought ye Zhuo over to the other side.

“At this moment, the triennial assessment had officially ended. ”

“Feng Qianqian walked to Liu Caiyi’s side. “Sister Caiyi, I’m sorry. I’ve disappointed you.” ”

“Liu Caiyi looked at Feng Qianqian as if she was a stranger. Her usual enthusiasm was gone, and her gaze was cold as if she was looking at a stranger. “There’s nothing between me and Miss Feng, so there’s no need for Miss Feng to apologize to me!” ”

Just one sentence about Miss Feng pulled the distance between her and Feng Qianqian apart.

“Back then, Liu Caiyi approached Feng Qianqian because she felt that Feng Qianqian was a promising talent. She used her connections to get Feng Qianqian into the assessment competition and even leaked the examination questions to Feng Qianqian.”

Who knew that she still made a mistake!

“After saying this, Liu Caiyi turned around and left.”

“Looking at Liu Caiyi’s back, Feng Xianxian’s heart turned cold.”

She knew.

She had lost Liu Caiyi as a guard of honor.

What should she do?

What should she do now?

Ye Zao!

This was all ye Zao’s fault!

“Since ye Zao did not let her have a good time, then ye Zao would not have a good time either.”

Feng Xianxian narrowed her eyes. The viciousness in her eyes was almost ready to be quenched.

...

This was the first time ye Zao visited the Sea of Books Conference since he came to the literary world.

Master Yu brought her to meet many leaders of the conference.

“Although they were leaders of the conference, they still had to address ye Zao as Miss Ye. ”

“After all, Ye Zao’s strength was obvious. ”

“Master Yu.”

“At this moment, Li Zhentian’s two assistants walked in from outside. ”

““Assistant Jiang, assistant Wang, why are you here?”Master Yu looked at the two of them. ”

“Assistant Wang said, “Chief Li has prepared a welcoming banquet for Miss Ye. He asked us to invite Miss Ye to attend.” ”

““Miss Ye, this way please.”After saying that, assistant Wang made a ‘please’gesture. ”

Ye Zhuo hesitated for a moment.

“Master Yu clasped his hands behind his back and followed ye Zhuo’s footsteps. “Zhuo Zhuo, I’ll go with you.” ”

Go Together?

Assistant Wang and assistant Jiang looked at each other and saw the dilemma in each other’s eyes.

“Chief Li didn’t invite me?”Master Yu asked.

Assistant Wang and assistant Jiang didn't say anything.

Not saying anything at this moment was the best answer.

Because Li Zhentian indeed didn't invite Master Yu.

"Master Yu continued, "He definitely didn't invite me because he has a guilty conscience! Let's Go! Zao Zao, I'll go with you! I'll see who dares to openly snatch my precious disciple in front of me!" "

Master Yu understood Li Zhentian's personality too well.

"As the head of the literary world, Li Zhentian had taken in a total of seventy to eighty disciples. "

Unfortunately.

None of them had any literary attainments.

"Seeing how powerful ye Zhuo was, he definitely wanted to snatch his disciple away from him! "

"Assistant Wang said with some difficulty, "Master Yu, this... This might not be good, right?" "

Assistant Jiang nodded as well.

"After all, Li Zhentian had only instructed the two of them to invite ye Zhuo over. "

"If Master Yu also went along, it would make it difficult for the two of them to explain. "

“Master Yu looked at assistant Wang and continued, “Don’t worry, I followed myself. I Won’t make things difficult for you.” ”

“Hearing this, assistant Jiang and assistant Wang heaved a sigh of relief. ”

“After a short while, the few of them arrived at the hotel where Li Zhentian had set up the welcoming banquet. ”

“Seeing ye Zhuo come over, Li Zhentian greeted her warmly, “Miss Ye.” ”

“Chief Li.”

“Ahem.” Master Yu coughed lightly at the side.

Only then did Li Zhentian see Master Yu who was following behind.

Why was Master Yu Here?

Li Zhentian looked at the two assistants.

Assistant Jiang and assistant Wang immediately lowered their heads.

“Master Yu smiled and said, “Don’t look at the two of them. I followed them here myself.” ”

Li Zhentian quickly smiled apologetically. “I wasn’t considerate enough. I should have invited you and Miss Ye along.”

“It’s okay. I don’t need to invite them. They aren’t outsiders. I can come over myself.”

“Please come in quickly.”

“At this moment, the sound of footsteps came from behind again.”

““Chief Li, Master Yu.” ”

Master Yu turned around and saw that there were quite a number of people.

There were five people in total.

“Chapter 769: 171: No. 1! 5, fought over by the big shots”

“They were respectively the calligraphy world, the Chinese painting world, and the chess world.”

The other two were the presidents of the literary world and poetry world.

“One of them had a head full of gorgeous hair, an old man with a sage-like appearance stood out and said, “Chief Li, I heard that you were holding a banquet to welcome miss ye here, so we came uninvited. Chief Li, please don’t take offense.””

“Li Zhentian smiled on the surface, but in his heart, he was F \* cking mad.”

It had been less than two hours since he decided to hold the banquet.

Where did these old foxes find out about this news?

What were they here for?

They were just here to snatch people from the literary world.

“The matter of ye Zhuo getting full marks not only shocked the literary world, but also the entire circle.”

A talent like her was really too rare.

“Li Zhentian smiled and said, “Elder Wu, you are too polite. Everyone who comes is a guest. Everyone, please come in.””

“Elder Wu looked at ye Zhuo and continued, “Is this Miss Ye?””

“Li Zhentian really wanted to shake his head and deny it, but he still maintained his smile. “Yes, this is Miss Ye.””

“Hearing this, the eyes of the few people behind elder Wu lit up.”

“This young lady had a clear temperament, and it was hard to ignore her just by standing there.”

No wonder she was able to amaze everyone in the assessment!

“Seeing ye Zhuo in person, the few elders were extremely excited. They wanted nothing more than to immediately pull ye Zhuo into their own camp.”

“At the same time, they were also regretting that they did not have as good a luck as Master Yu.”

If they had met ye Zhuo in advance...

What would master Yu have to do with it?

“Master Yu immediately stood in front of ye Zhuo and said, “What unspeakable things do you guys want to do to my disciple?””

“Elder wu smiled and said, “Elder Yu, what you said is too serious! We just want to see Miss Ye’s true appearance. What unspeakable things do we want to Do?””

“After saying that, elder Wu looked at ye Zhuo and said, “Hello, Miss Ye. I’m the second elder of the calligraphy world, Wu Jianhai.””

“As soon as elder Wu finished speaking, he was immediately pushed aside. “Miss Ye, I’m Qi Kaiyuan, the vice-chairman of the chess world.””

““I’m Guan Sheng, the first elder of the Chinese painting world. I heard that Liu Caiyi, the vice-chairman of our Chinese Painting Association, accidentally injured Miss Ye during the assessment. I’ll apologize to you on behalf of Liu Caiyi!” “Don’t worry, Miss Ye. I’ll definitely tell them to give Liu Caiyi a punishment when I get back.””

“The three elders stood in a row, hoping to leave a good impression in ye Zao’s heart.”

“These three people were all big shots from all walks of life. Li Zhentian did not want to offend them, so he continued, “Please come in. We have something to discuss inside.””

“In fact, compared to inviting them inside, Li Zhentian wanted to chase them out.”

Unfortunately.

He couldn’t.

The few of them walked inside.

They arrived at the private room.

Li Zhentian informed the waiter and began to serve the dishes.

The waiter nodded.

“Guan Sheng smiled and said, “Before the dishes are served, I still have a small gift to give to Miss Ye. Please accept it, Miss Ye.””

“I have one too!”

“I have one too!”

Elder Qi of the chess world and elder Wu of the calligraphy world did not allow each other to have one.

The three of them each took out the gifts they had prepared.

It was very unexpected.

The three of them had prepared exquisite desserts.

The three of them looked at each other and saw the surprise in each other’s eyes.

They had thought that they had gotten exclusive information.

They hadn’t expected...

They had miscalculated.

“Seeing that they had prepared the same gifts, elder Wu hurriedly stood up and said, “Miss Ye, this dessert of mine was made by a high-level dessert master. There’s only one serving in the whole world, and it tastes very good! It’s sweet but not greasy!””

“Miss Ye, this dessert of mine was just flown in from France this morning. It’s said to be the most delicious dessert in the world.”

“Nonsense! Only this dessert of mine is the most delicious dessert in the world!”

“Seeing the three people presenting their treasures, master Yu could not help but curl his lips.”

These individuals were really ambitious.

“In order to snatch his disciple from him, they even found out what ye Zao liked to eat.”

Ye Zao accepted the gifts from the three of them and thanked them one by one.

“After accepting the gifts, they began to serve the dishes.”

No one had expected that the appetizer would be a dessert.

Ye Zao ate with satisfaction.

“Master Yu looked at the ambitious people around him, all of whom were eyeing his disciple. He had a heart-wrenching meal.”

“After half a day, elder Wu raised his cup and stood up. “Miss Ye, let me toast you.””

“Ye Zhuo raised his cup. “Elder Wu, you’re too serious. I’m a junior. I should be the one to toast you.””

“Chapter 770: 171: No. 1! 6, fought over by the big shots”

“Elder Wu downed the wine in his glass in one gulp, choosing his words carefully in his heart. “Miss Ye, I wonder if you’re interested...” ”

“”I’m not interested, and I don’t have the time!”Master Yu stood up and interrupted elder Wu. ”

“Elder Wu was not embarrassed and continued, “Miss Ye hasn’t expressed her stance yet. How do you know that she’s not interested?” ”

“Ye Zhuo looked at elder Wu. “Elder Wu, my master is right. I’m still in university. I really don’t have the time to cultivate other interests.” ”

Master Yu nodded in satisfaction.

His disciple had really given him face!

These three old fellows must be dying of envy for him.

Elder Wu and the others were indeed very envious of Master Yu.

Why did such a good thing happen to master Yu?

“In order to prevent ye Zao from being deceived by others, master Yu immediately took ye Zao away after the meal. ”

“On the way, master yu said earnestly, “Zao Zao, don’t be deceived by those old men! They are all trying to trick you into becoming their disciple!” ”

“Ye Zao smiled and said, “Don’t worry. You are my only master in this life.” ”

Master Yu felt much more relaxed after taking some reassurance.

“After returning, master Yu brought ye Zao around the Sea of Books Club. ”

“By the time ye Zao returned to the hotel, it was already past seven in the evening. ”

“In the hotel, an Lizi and Zhao pingting were still not back. ”

Ye Zao went to the bathroom and planned to take a bath.

“After ye Zao finished taking a bath and came out of the bathroom, an Lizi and Zhao Pingting came back with big and small bags of things. ”

““Zao Zao, you’re back.”An Lizi threw the things on the sofa and lay down on the bed. “I’m so tired today!” ”

“I’m tired too!”Zhao Pingting lay down as well.

Ye Zao wiped his hair. “Where did you guys go to be so tired?”

“Zhao pingting said weakly, “I was so tired after being brought by two little brothers to the streets for a whole day! But C city is really a good place. There are many delicious things and many fun things!” ”

“At this moment, there was a knock on the door. ”

Ye Zhuo walked over to open the door.

It was the hotel room manager.

“Because he had just taken a shower, ye Zhuo was wearing a white nightgown with a sling. ”

Water was dripping from the ends of his hair to his neck.

He looked like a beauty coming out of the shower.

“The manager controlled his gaze and continued, “Miss Ye, Congratulations on becoming our hotel’s 1008th Lucky Customer. This is the dessert our hotel prepared for the lucky customer. Please try it.” ”

He did not dare to look at this person carelessly.

“After all, the Big Boss lived next door. ”

Ye Zhuo raised his eyebrows slightly. “Does this mean that I’ve won the lottery?”

“That’s right.”

Ye Zhuo took the dessert with both hands. “Thank you.”

““You’re welcome. It’s my pleasure.”The manager continued, “If Miss Ye needs anything, you can call us anytime. If there’s nothing else, I’ll be leaving first.” ”

“Okay.”Ye Zhuo nodded slightly.

“After the manager left, Ye Zhuo closed the door. ”

He entered the room.

“An lizi asked curiously, “Zhuo Zhuo, who is it?” ”

“The hotel manager said that I won the lottery and sent me a piece of dessert. Do the two of you want to come over and try it together?”

“Forget it. I’ve gained a pound this month!”

“Zhao pingting continued, “A pound is nothing! I’m already two pounds!” ”

“Since the two of them did not eat, ye Zhuo could only enjoy it alone. ”

She would never get tired of desserts.

“After the manager gave the desserts to ye zhuo, he went to the room next door. ”

A figure was sitting at the desk with his back facing him.

“After a while, the man slowly asked, “Have you sent the things over?” ”

““Yes, Boss.” ”

“The man nodded and continued, “You can leave now.” ”

“As if he had been granted amnesty, the manager immediately walked out of the door. ”

“After the manager left, song Shiyu put the hair clip back into the crystal box. ”

...

“Three days later, Ye Zhuo, an Lizi, and Zhao Pingting boarded the plane back to Beijing. ”

At the same time.

Song Shiyu also flew to Beijing.

“Song Chenyu, who was filming, suddenly received a call. “Third Brother is in Beijing? Okay! I’ll go prepare immediately!” ”

“Song Chenyu did not even change into her costume. She greeted the director and got into the nanny van. She instructed the driver, “Go to Yu Garden.” ”

“Alright.”

The car traveled very fast. They arrived at Yu garden half an hour later.

Yu garden was a famous wealthy district in Beijing.

Song Chenyu also bought an apartment there.

“It was 90 square meters, 45 million yuan. ”

Everything in Beijing was good except that the prices were expensive.

“Back then, Song Chenyu came to the capital alone to make a living. From nothing to a famous celebrity now, no one knew what she had experienced. ”
