Chapter 781: 173: Old Lady Lin has suffered the consequences of her own actions. Feng Xianxian has taken the bait! 4

Chi —

“A sudden brake. Due to inertia, all the people in the car leaned forward.”

“Feng Xianxian immediately thought of Old Lady Lin’s concern and asked, “Grandma, How Are You?” ”

Old Lady Lin smiled and shook her head. “I’m fine.”

“After saying that, Old Lady Lin looked up at the driver in the front seat. ”

““Little Zhao, how Do You Drive?” ”

“The driver, Little Zhao, looked back with some difficulty. “Old Mrs. Lin, they said they want to check the car.” ”

““Check the car?” Old Mrs. Lin frowned and said, “Are they blind?” How dare they check her car? They didn’t know that she was an old lady of the Lin family.”

“The driver continued, “If they don’t let them check, they won’t let them in.” ”

“Check! Let them check!” Old Lady Lin’s expression didn’t look too good. She was already thinking that she would have to fire these people when she returned!

She didn’t even have the ability to see!

The driver nodded and got out of the car to open the door.

Four security personnel came over to check the car.

“The head of security at the front looked at Feng Xianxian and said, “Old Lady Lin, I’m sorry. This young lady can not enter.” ”

“Old Lady Lin frowned and said, “Xianxian is my guest! What right do you have to not let her in?” ”

“The head of security continued, “I’m sorry, this is Mr. Lin’s idea. We are only following the rules.” ”

Jinxiu manor was a private manor and the security work was done very well.

“As long as the owner of the manor did not agree, outsiders were not allowed to enter the manor without permission. ”

Mr. Lin?

It was obvious that this person was Lin Jincheng.

“Old Mrs. Lin was furious, “Who does Lin Jincheng think he is! I am his mother! I am the old lady of the Lin Family! Xianxian is my guest! Get Out of my way! I want to see who dares to stop me!” ”

““I’m sorry, we are also following Mr. Lin’s instructions.”The security supervisor’s attitude was very firm, “You are the old lady of the Lin family, of course you can go in, but not this Miss Feng!” ”

“Old Lady Lin was so angry that her face turned white, “The person in charge of the Lin family is me! Who Does Lin Jincheng think he is! He said that whoever isn’t allowed to go in can’t go in? I’m telling you! Quickly get out of my way! Otherwise, I’ll make you suffer!” ”

Unfilial son.

Lin Jincheng was simply an unfilial son.

How could she give birth to such an unfilial son!

“The security supervisor continued, “I’m sorry, Old Lady Lin. The head of the Lin Family Manor is Mr. Lin, so we have to listen to Mr. Lin. He said that whoever is not allowed to enter can not enter.” ”

“If the security personnel did not let them in, the car would not be able to enter.” ”

Feng Xianxian frowned.

She was the same as Old Lady Lin. She did not expect Lin Jincheng to be so ruthless!

“Feng Xianxian narrowed her eyes and walked in front of Old Lady Lin, she said pitifully, “Grandma, since Uncle Lin won’t let me in, then forget it! It’s pretty good that I’m staying in that apartment now. You Don’t have to compromise with this kind of person for my sake.” ”

“These words seemed to be persuading Old Lady Lin, but they were actually adding fuel to the fire, igniting the anger in Old Lady Lin’s heart.” ”

Hearing this.

A few security personnel frowned slightly.

This kind of person?

What did Feng Xianxian mean by this kind of person?

It was obvious that she was looking down on people.

“Ye Zhuo was so outstanding, but she was not as arrogant as Feng Xianxian.”

“A pot of water does not make a sound, but half a pot of water makes a clanking sound.”

“Old Lady Lin got out of the car and pointed at the security supervisor. “Go in and tell Lin Jincheng that if he doesn’t let Xianxian in, then I won’t go in either! Go and ask him if he doesn’t want to acknowledge me as his mother anymore!” ”

“Under the current circumstances, Old Lady Lin could only use her trump card! ”

She didn’t believe that Lin Jincheng wouldn’t acknowledge her as his mother anymore!

“No matter what, she would let Feng Xianxian live in the Lin family openly today.”

No one could stop her!

“Hearing this, the head of security and the other three security guards looked at each other and then said to the other security guard, “Xiao Dai, go in and inform Mr. Lin.” ”

They had almost broken off their relationship.

This was not a small matter.

“Okay.”Xiao Dai nodded and stood on the balance car at the side. He controlled the balance car to drive in the direction of the Lin family.

“Soon, they arrived at the Lin family home.”

Xiao Dai walked over and rang the doorbell.

The person who opened the door was the butler.

“Butler Wu, is Mr. Lin Home?”

Butler Wu nodded. “Please follow me in.”

The Butler led Xiao Dai inside.

“Just then, a light voice appeared in the air. “Grandpa Butler.””

“Miss.”The Butler turned around.

Chapter 782: 173: Old Lady Lin has suffered the consequences of her own actions. Feng Xianxian has taken the bait! 5

“Are you guys going to look for my father?”Ye Zhuo asked.

The butler nodded. “This young man has something to say to the family head.”

Ye Zhuo smiled slightly. “Just tell me if there’s anything. My father is quite busy right now. He might not have the time to be a slut.”

The Butler knew ye Zhuo’s position in the Lin family. He turned to look at little dai. “Then you can tell our young miss.”

Little Dai nodded and repeated what Old Lady Lin had said.

“Hearing this, Ye Zao raised his eyebrows slightly.”

It seemed that there was no deviation from his expectations.

Old Lady Lin had indeed brought Feng Xianxian here.

“After about fifteen minutes, little dai returned. He looked at Old Lady Lin and said, “Old Lady Lin, Mr. Lin still has the same intention as before. Miss Feng can not go in!””

Old Lady Lin furrowed her brows tightly. “He doesn’t even want to acknowledge me as his mother?”

“Xiao Dai looked at Old Lady Lin. “Mr. Lin said that if you insist on bringing Miss Feng home, then he can only respect your wishes.””

“Old Lady Lin was so angry that she was trembling. “He, he really said that?” Never in her dreams did she expect that Lin Jincheng would go to such an extent!”

The security guard nodded. “Mr. Lin did indeed say that.”

How dare he?

How dare Lin Jincheng?

Lin Jincheng actually did not even acknowledge her as his mother!

“Old Madam Lin stumbled. If it were not for Feng Xianxian supporting her from behind, she would have fainted.”

Too Much!

This was really too much!

“Feng Xianxian sighed. “Grandma, you can go back first! Talk to Uncle Lin properly. I believe that Uncle Lin is not that kind of unfilial person. There must be some misunderstanding.””

“”No! I Can’t go back!”Old Lady Lin said, “Since this unfilial son has already disowned me, why should I go back!””

The reason why Lin Jin Cheng dared to do this was because he did not dare to leave!

Then she would go and show Lin Jin Cheng!

She wanted to make Lin Jin Cheng regret it.

“Feng Xianxian continued, “Grandma, I can’t let you have any animosity with uncle Lin because of me! You should go back! Otherwise, uncle Lin will really be angry!””

Angry?

Lin Jincheng still dared to be angry?

“Old Lady Lin held Feng Xianxian’s hand tightly, her face full of anger. “That unfilial son still dares to be angry? I’d like to see what he wants to do!””

“”Grandma.”Feng Xianxian frowned. “You’d better go back. After all, Uncle Lin is targeting me, not you. You and uncle Lin are mother and son after all. There’s no need to be so angry between the two of you.””

Go Back?

Old Lady Lin would not go back easily!

“If Lin Jincheng dared to reject her today, she would have to let Lin Jincheng personally invite her and Feng Xianxian back!”

“Otherwise, they would really think that an old woman like her was easy to bully!”

“”Let’s go.” Old Lady Lin pulled Feng Xianxian into the car and instructed the driver, “Xiao Zhao, send us back.””

“Xiao Zhao turned to look at Old Mrs. Lin with a troubled expression, “Old Mrs. Lin, Mr. Lin just called and said that if you insist on going back with Feng Xianxian, then this car can not be used by you...””

“Old Mrs. Lin’s face was already ugly to begin with, and now it was even uglier.”

“Good! Good! Good job! Lin Jincheng is really good!” Old Mrs. Lin was so angry that her entire body was trembling.

“Feng Xianxian supported Old Lady Lin and said worriedly, “Grandma, Uncle Lin seems to be really angry this time.””

“Let’s Go! Let’s Get Out! We’re not taking his car!”

Old Lady Lin brought Feng Xianxian out of the car.

Feng Xianxian took out her phone. “Then I’ll call an online car-hailing service.”

Old Lady Lin nodded.

“Soon, the online car-hailing service arrived.”

It was a very ordinary Volkswagen.

“The moment she got into the car, old Mrs. Lin’s face turned green.”

It was fine that the car seat was not made of real leather.

“The car still emitted the smell of inferior plastic. If she drove a little faster, she could hear the noise coming from the window.”

Old Mrs. Lin planned to stay in a hotel near Feng Xianxian’s home.

“Soon, the car arrived at the entrance of the hotel.”

Feng Xianxian helped old Mrs. Lin to the front desk of the hotel.

This was a high-end five-star hotel.

“Feng Xianxian said, “Hello, I’m looking for a presidential suite.””

“How long will you be staying?”

Feng Xianxian looked at Old Mrs. Lin.

“Old Mrs. Lin continued, “Let’s book it for three days first.”She didn’t believe that Lin Jincheng wouldn’t come to pick her up three days later.”

“The receptionist nodded and operated the computer. “The suite is ready. Please deposit 10,000 yuan first. Do you want to use wechat or Alipay?””

Chapter 783: 173: Old Lady Lin has suffered the consequences of her own actions. Feng Xianxian has taken the bait! 6

Old Lady Lin was not very good with electronic products. "Can I swipe my card?"

"Yes."

Old Lady Lin took out a bank card from her bag.

"The receptionist took the bank card and swiped it on the swipe card machine. Then, she handed the card to Old Lady Lin. "I'm sorry, but your card has insufficient balance." "

Insufficient balance?

"Old Lady Lin frowned. Without thinking much, she took out another card from her bag. "

"Ten seconds later, the receptionist continued, "I'm sorry, but your card has been frozen." "

Frozen?

Old Lady Lin's heart skipped a beat.

Could it be that Lin Jin Cheng did it?

Luckily!

"Luckily, she still had a black card. "

Old Lady Lin handed the black card to the receptionist again.

“The front desk swiped the card and said, “This card is still frozen.” ”

Old Madam Lin’s expression was extremely gloomy.

She did not expect Lin Jincheng to tamper with her bank card.

“Feng Qianxian narrowed her eyes and said in a timely manner, “Grandmother, if you don’t mind, you can come to my house and live with me.” ”

Old Madam Lin nodded.

She followed Feng Xianxian to the apartment.

“Although the apartment they rented for Feng Xianxian was very nice, it only had one room because Feng Xianxian lived alone.” ”

“Feng Xianxian said considerately, “Grandmother, from now on, you’ll sleep in the master bedroom and I’ll sleep on the living room sofa.” ”

“Old Lady Lin held Feng Xianxian’s hand. “Silly child, grandmother can sleep on the sofa. You can sleep in the master bedroom.” ”

“Feng Xianxian smiled and said, “You have already suffered so much for me. How can I let you sleep on the sofa! I’ll sleep on the sofa. It’s settled then!” ”

“Old Lady Lin was very touched and continued, “Good child, it’s been hard on you.” ”

“Not only did her own son chase her out of the house, he even stopped her bank card. At this time, only Feng Xianxian was willing to pour her heart out to her.”

““It’s just sleeping on the sofa. It’s nothing,”Feng Xianxian continued, “Grandmother, do you really think that I’m such a delicate person? I’ll go and make the bed for you!” ”

Old Lady Lin nodded.

“After Feng Xianxian entered the bedroom, Old Lady Lin started to contact the Lin family’s boss and asked him to transfer the money to her.”

“Lin Qing fan said, “Mom, you’re too muddle-headed! Jin city didn’t do anything wrong! If you hadn’t gone overboard, Jin City wouldn’t have turned a blind eye to you. I support him on this matter!” ”

Old Lady Lin scolded him for being an unfilial son and hung up the phone. She pulled out the name of the Lin family’s second son from her contact list.

She had many sons anyway.

The east was not bright and the west was bright.

The Lin family’s second son and Lin Qing fan had the same attitude.

Old Lady Lin went to contact the Lin family’s third son.

The brothers seemed to have made an agreement and refused to give a single cent to Old Lady Lin.

“The Lin family’s third son said, “Mom, you’re already so old. Can’t You Save Us Sons some trouble? The fourth son has already run away because of your anger. What more do you want? I advise you to apologize to Jin city and get Jin City to forgive you! In the future, you can retire peacefully. Jin city isn’t the kind of unreasonable person!” ”

Apologize?

Get Her to apologize to Lin Jin City?

Shouldn't Lin Jin city be the one apologizing to her?

"In this world, how could a mother apologize to her son? "

Old Lady Lin instantly felt that she had raised her sons in vain.

An ingrate who forgot his mother when he had a wife.

Old Lady Lin was so angry that she wanted to smash her phone.

All of them!

Did they all want to anger her to death.

"After the Lin brothers hung up the phone, they went to remind their sons and daughters-in-law not to secretly send money to Old Lady Lin. "

"This time, they had to use this opportunity to teach Old Lady Lin a lesson. "

"Sure enough, after Old Lady Lin Hung up on her sons, she went to look for her grandchildren. "

But the result was still the same.

Old Lady Lin was very upset.

“She had so many sons and grandchildren, but what was the use?”

“In the end, she still couldn’t compare to Feng Xianxian!”

It was always easier to add flowers to the icing on the cake than to send charcoal in the snow.

“At this time, if it were not for Feng Xianxian, Old Lady Lin would not even know how to persist.”

Did Lin Jincheng really think that she would be afraid if he cut off her economy?

Just you wait!

“In less than three days, Lin Jincheng would regret coming over to pick her up.”

She was the old lady of the Lin family.

“If the Lin family did not have her suppression, would they still be able to survive?”

“Especially those shareholders of the Lin Group, which of them did not follow Lin Jincheng wholeheartedly because of her face?”

“If those old shareholders knew that she was chased out by Lin Jincheng, they would definitely change their faces.”

“When that time came, she would definitely teach Lin Jincheng a lesson!”

“If a tiger does not show its might, does it really think that she is a sick cat?”

In the bedroom.

Feng Xianxian was making the bed for Old Lady Lin when her phone lit up.

Feng Xianxian picked up the phone and saw the content on it. Her eyes narrowed.

“Ten minutes later, Feng Xianxian came out of the room and walked to Old Lady Lin’s side. “Grandma, I’ve already made the bed. You can go in and rest for a while. By the way, what do you want to Eat Tonight? I’ll go buy groceries.” ”

“Old Lady Lin said, “I can eat anything.” ”

“Feng Xianxian smiled and said, “Then I’ll go buy groceries first.” ”

“Okay.” Old Lady Lin watched Feng Xianxian leave.

Feng Xianxian walked all the way out of the apartment.

“Miss Feng.”

“At this moment, a female voice sounded behind her. ”

“Miss Gao.” Feng Xianxian turned to look at the person who had come.

“Gao di continued, “That old woman from the Lin family has already moved into your house?” ”

“Yes.” Feng Qianqian nodded.

“Gao di handed Feng Qianqian two bottles of medicine, “The blue bottle is to suppress toxins. The white bottle has a health care effect. If you take two pills at the same time, it will cause the patient to have a stroke. No matter how brilliant the medical technology is, it can not be detected.” ”

“Feng Qianqian took the bottle, and a hint of hesitation flashed in her eyes.”

She really hated Old Lady Lin.

“But for now, Old Lady Lin was still useful to her...”

“Compared to a person with flesh and blood and thoughts, and a marionette that can be manipulated by anyone, which one would you rather control?”

“Feng Xianxian said without hesitation, “The marionette, of course!””

“Gao di smiled and said, “Since Miss Feng understands this, you should also understand the meaning behind my words.””

“Why are you helping me?” Feng Xianxian raised her head warily.

“Gao di said, “I don’t know if Miss Feng has heard of the saying, ‘the enemy of an enemy is a friend’. Of course, Miss Feng can choose not to trust my words. But I have to remind Miss Feng that other than me, no one can help you now.””

Feng Xianxian put the medicine bottle into her bag.

Yes.

No one could help her now.

She had to fight for herself!

“Although she was making the bed in the bedroom, she had heard the phone calls of old Mrs. Lin and the Lin Brothers.”

Old Mrs. Lin was basically kicked out of the house now.

“If she did not take the initiative, she would end up with nothing.”

“As far as she knew, Old Lady Lin still held 50% of the shares in the LIN Group.”

“If she could get Old Lady Lin to sign the share concession letter and fully support her, then the LIN Group would still have Lin Jincheng’s say?”

Of course.

“Under Old Lady Lin’s conscious state, she definitely would not sign.”

But what if Old Lady Lin had a stroke? What if she could not speak?

“Thinking of this, Feng Xianxian narrowed her eyes.”

She had a plan in mind.

“Seeing Feng Xianxian like this, Gao Di’s lips curled into a smile. He said, “I think Miss Feng already has an answer in her heart, right? I wish Miss Feng Success.” ”

“With that, Gao di turned around and left.”

“Walking to the corner, Gao di turned a corner and walked to the coffee shop on the side.”

A fashionable girl wearing sunglasses was sitting at the window and drinking coffee.

“Sister Ya.” Gao Di walked directly to the girl’s side.

“Everything is done?” The modern girl took off her glasses, revealing a beautiful face. ”

“If this wasn’t Wang Shuya, then who was it? ”

Chapter 784: 1

“Gao Di smiled and sat opposite Wang Shuya. “Sister Ya, are you still worried about me?””

“Wang Shuya took a silver spoon and stirred the coffee in the cup. “If I was worried about you, I wouldn’t have come to you.””

“Gao Di raised the cup at Wang Shuya. “Thank you for Your Trust in me, Sister Ya.””

Wang Shuya also raised her cup.

A crisp clanging sound could be heard in the air.

“Wang Shuya took a sip of her coffee. “Gao Di, there mustn’t be any mistakes in this matter.””

“I know.” Gao di nodded.

...

“After Feng Xianxian and Gao di met up, she went to the fresh produce supermarket to buy some vegetables.”

She bought the vegetables that Old Lady Lin liked the most.

The fresh produce supermarket sold organic vegetables. She only bought a little and spent a few hundred yuan.

“When she paid, Feng Xianxian frowned slightly.”

“The 100,000 yuan that Old Lady Lin had given her previously was not much left now.”

“If Old Lady Lin continued to stay at her place and could not make ends meet for a long time, then in the following days, she could only drink northwest wind.”

On the way to the supermarket.

Feng Xianxian thought about a lot of things.

“In these few days, she would first appease Old Lady Lin. If Old Lady Lin was willing to leave 50% of the shares of the LIN Group to her, then she would not make a move.”

“If Old Lady Lin did not make a move, then she could only make the first move.”

“After returning home, Feng Xianxian personally cooked.”

The apartment’s kitchen was open. Old Lady Lin looked at the busy Feng Xianxian on the sofa in the living room and felt extremely touched.

“Her biological son, granddaughter, and grandson had never cooked a meal for her.”

But Feng Xianxian did it.

“Xianxian, do you need help?” Old Lady Lin walked to Feng Xianxian’s side.”

“Feng Xianxian smiled and looked up. “I don’t need help. Grandmother, quickly go to the living room. The kitchen is too oily.””

“Old Lady Lin continued, “If you’re not afraid of me, what Am I afraid of?””

“Feng Xianxian walked out and pushed Old Lady Lin into the living room. “That’s different. You’re an old lady, and I’m a young man.””

“This silly child,” old lady Lin said, “I’m not made of gold.””

“Feng Xianxian said, “In my eyes, you’re made of gold.””

Old Lady Lin was very happy to be coaxed.

“An hour later, Feng Xianxian finished cooking three dishes and a soup.”

“In order to take care of Old Lady Lin, Feng Xianxian specially cooked the dishes until they were very soft and rotten.”

Old Lady Lin noticed these details and was even more satisfied with Feng Xianxian.

After dinner.

“Old Lady Lin looked at Feng Xianxian and said, “Xianxian, I’ll go downstairs to take a look and digest my food.””

“Feng Xianxian stood up and said, “I’ll go with you.””

“No need.” Old Lady Lin waved her hand. “I’ll go down myself.”

“Feng Xianxian nodded. “Okay, then you take care of your safety.””

“Okay.” Old Lady Lin nodded. “I know. Don’t worry.”

Feng Xianxian sent Old Lady Lin Downstairs.

Old Lady Lin was not here to digest her food. She was here to make a call. She had to think of a way to let the old shareholders of the Lin Corporation know that she had been chased out by Lin Jin city.

“Once those shareholders knew of her current situation, they would definitely take action.”

Lin Jincheng wanted to cut off her economy?

“In the end, he was still too inexperienced!”

Three days.

“In just three days, she could make Lin Jincheng kneel down and beg her to go back.”

“Originally, Old Lady Lin did not want to make the matter known to everyone.”

That would be too ugly!

It was Lin Jincheng who forced her.

...

The Cen family.

“After Old Lady Cen heard about Old Lady Lin’s matter, she slapped her thigh so agitatedly that it made “PA PA” sounds.”

“”This is simply a case of good being rewarded for good, and evil being rewarded for Evil! Just you wait! That Old Fool’s retribution is still coming! For a person with another surname to cause such a ruckus with his own children and grandchildren, it’s simply extremely stupid!””

The height of stupidity?

Cen Yuyan wanted to laugh when she heard this.

“In her opinion, Old Lady Cen was the true height of stupidity.”

“In this world, how many grandmothers did not like their own biological granddaughter but liked an outsider?”

There was clearly something wrong with ye Zao.

“If ye Zao was really that good, would old lady Lin not like ye Zao?”

How was that possible?

“Old Lady Lin and ye Zao were of the same blood, how could she treat her own granddaughter like that?”

“In the entire Lin family, Old Lady Lin was probably the only one who understood.”

Look at the Lin family again.

“Before ye Zao returned, the Lin family was so harmonious.”

“After ye Zao returned, it became chaotic.”

Old Lady Lin was even angered by Lin Jincheng and left!

Could it be all the fault of the old lady of the Lin Family?

Chapter 785: 174: great burning to resolve the crisis! 2

Definitely Not!

Old Lady Cen was still laughing at Old Lady Lin.

Where did she get her face from?

“If Old Lady Cen continued like this, she would sooner or later bring disaster to the entire Cen family.”

“At that time, she would be the sinner of the entire Cen family!”

“Cen Shaoqing did not like ye Zao at all, but Old Lady Cen insisted on forcing Cen Shaoqing to be with ye Zao with her death.”

It was not sweet to force things.

“If this continued, something bad would happen sooner or later.”

This was simply luring a wolf into the house!

“Unfortunately, Old Mrs. Cen could only see other people’s shortcomings and could not see her own shortcomings at all.”

“Cen Yuyan put down the yogurt in her hand and looked at Old Mrs. Cen, “Grandma, have you ever thought about why Grandma Lin would rather help an outsider like Feng Xianxian than help her own granddaughter? Is this really Grandma Lin’s fault alone? This fly doesn’t even bite a seamless egg.” ”

It was clearly ye Zhuo’s fault.

It had a little to do with Old Lady Lin?

“If Old Lady Lin was really that muddle-headed, then would all her sons be so promising?”

“Old Lady Cen said directly, “Because there’s something wrong with her brain!” ”

“Cen Yuyan smiled and said, “But I think Grandma Lin is quite clear-headed.” ”

Clear-headed?

“If Old Lady Lin was clear-headed, then there would be no one in this world who understood!”

Old Madam Cen could hear the hidden meaning in Cen Yuyan’s words and narrowed her eyes. “What do you mean by this strange tone?”

“I don’t mean anything.” Cen Yuyan smiled. “Grandma, you’re thinking too much.” ”

“Old Madam Cen looked at Cen Yuyan, with a straight face, she said, “Fourth brother, what are you thinking about? Your Grandma’s heart is like a mirror! I don’t want to meddle in the matter between you and that fish, and I don’t want to ask! But if you dare to have designs on my granddaughter-in-law, then don’t blame me for being impolite! I’m not that muddle-headed Zhao fangyue!” ”

Old Lady Cen was not a fool. She knew Cen Yuyan’s scheming ways too well.

“In fact, Cen Yuyan was just stupid. ”

She did not know that she was being played by Song Chenyu.

“Cen Yuyan frowned. “Grandma, I really didn’t mean anything else! You’re thinking too much! Also, don’t talk about Chenyu like that. Isn’t Chenyu pretty good? Why do you have such a deep opinion of her?” ”

Cen Yuyan could not understand.

Song Chenyu was loved by everyone and was a famous celebrity. He had never done anything that old Mrs. Cen disliked. Why did old Mrs. Cen have such a deep opinion of Song Chenyu?

Could it be that someone was trying to sow discord in front of old Mrs. Cen?

If that was really the case...

Then it was very obvious who the person trying to sow discord was.

In the CEN family.

Who Did Song Chenyu threaten the most?

“Ye Zhuo, of course!”

“After all, Song Chenyu had almost gotten together with CEN Shaoqing.”

“Moreover, before ye Zhuo appeared, Zhou Xiang had a good impression of Song Chenyu.”

“Although old Madam Lin did not like song Chenyu very much, she did not dislike song Chenyu.”

What about now?

“Ever since ye Zao appeared, even Zhou Xiang’s attitude towards song Chenyu had changed.”

One had to know that Zhou Xiang was originally a loyal fan of Song Chenyu.

“Now, in the entire Cen family, who else could see song Chenyu?”

“The more Cen Yuyan thought about it, the more she felt that this was the case. She looked at Old Madam Cen and asked, “Grandmother, tell me the truth. Did someone sow discord between you and Chenyu?””

“When she heard this, old Mrs. Cen’s expression immediately changed. She pointed at Cen Yuyan and said,”

““Do you think everyone is you? All you do is gossip behind other people’s backs all day long! And you’re a highly educated person! I saw that your books were all read into the stomach of a dog! “Eh, I have my own eyes. I could tell at a glance what kind of person that fish is! “It’s not like you, blind at such a young age!””

“Cen Yuyan tried her best to control her emotions. “Grandma, what did Chenyu do to offend you?””

“She didn’t do anything to offend me!”

“Cen Yuyan immediately asked, “Then why do you have such a deep opinion of her?” ”

Old Mrs. Cen placed her hands on her hips. “Because your grandma is an expert in judging whores!”

“Song Chenyu was a white lotus flower that was full of bitchiness. With a glance, she could see her true nature. ”

Song Chenyu was Cen Yuyan’s best friend.

“Hearing Old Mrs. Cen say this about Song Chenyu, Cen Yuyan’s expression immediately darkened.

“Grandmother! I won’t allow you to say this about Chenyu!” ”

““You’re not a good person either!”Old Mrs. Cen said, “You’re already in your thirties and can’t even be compared to a three-year-old child. You only know how to hold the stinky feet of that fish all day long. You treat her as a good friend, so what does she treat you as? She treats you like a monkey! “No, you’re not even as good as a monkey. You’re a stepping stone under her feet!” ”

Chapter 786: 174: burning to solve the crisis! 3

Old Mrs. Cen hoped that she could wake up the person in her dreams with a single word.

Unfortunately.

No.

Cen Yuyan treated song Chenyu as her best friend. How could she listen to these words?

“Not only did she not listen, she even felt that old Mrs. Cen was slandering song Chenyu. She was so angry that her face turned pale.”

“Chenyu is not this kind of person!”

How could song Chenyu use her as a stepping stone?

It was clear that ye Zhuo was using old Mrs. Cen as a stepping stone!

“Old Mrs. Cen continued, “Then let me ask you, why did that ugly fish approach you?””

““Chenyu did not approach me,” Cen Yuyan continued, “I am good friends with her, and she is not the kind of person who is scheming.””

Looking at Cen Yuyan’s dead face.

“Old Madam Cen wished she could knock her head askew. “If you weren’t the Cen family’s fourth miss, do you think song Chenyu would still bother with you?””

““She would!”! “Chenyu would!” CEN Yuyan continued, “Chenyu is a very caring girl! Every month, she would donate 1,000 yuan to the children in the poor mountainous areas. She has persisted for several years! If it were anyone else, would they be able to do what Chenyu did?””

Ye Zao knew how to do this?

“Not to mention 1,000 yuan, ye Zao probably had not even donated 100 yuan or 10 yuan!”

““People who really do good deeds would not publicize it so much!” Old Mrs. Cen continued, “Your grandmother donated more than a dozen hope primary schools! Did I say anything? Am I Proud?””

“In detail, Old Mrs. Cen had really contributed a lot to the poor mountain area.”

“It was only 1,000 yuan a month, what was there to say!”

Cen Yuyan felt that old Mrs. Cen was trying to twist the truth.

“Chenyu’s ability is limited. It’s already not easy for her to keep donating 1,000 yuan a month!
“Moreover, she’s a celebrity. A celebrity lives under the spotlight. It’s already very pitiful that Chenyu doesn’t have any privacy, yet you still want to frame her like this!””

Was it song Chenyu who wanted to spread the word?

Song Chenyu was also forced into a corner.

Old Mrs. Cen was really old and blind.

Ye Zao’s money should not be less than song Chenyu’s.

But Ye Zao had contributed to the poor mountain area?

“Yet, old Mrs. Cen was still finding fault with song Chenyu.”

“Fortunately, old Mrs. Cen was already very old this year.”

There were only a few years left.

“Once old Mrs. Cen left, the CEN family would be able to restore peace.”

“Old Mrs. Cen looked at Cen Yuyan, feeling both angry and amused.”

“Thinking of her illustrious reputation, she did not miss out on any bad things. How could she have such a brainless granddaughter?”

“She was impervious to salt and oil, so stupid that she was cute.”

She was sold and still had to count the money for others!

“Thinking of how old Mrs. Cen did not have many years left to live, Cen Yuyan’s tone softened a little. No matter what, she should not be angry at an old man who was about to die.”

“Old Madam Cen’s eyes were blurry from old age. She just had to be more tolerant, “Grandma, I know that you’re doing this for my own good. You’re afraid that I’ll be deceived, but please rest assured that I’m not the type of person who doesn’t have intelligence. I’ve known Chenyu for so many years, and I know her better than anyone else.””

Old Madam Cen looked at Cen Yuyan. “Shut up! I don’t want to talk to You Now!”

““What’s Wrong?”Cen Yueya walked in from outside. “Fourth girl, why are you angry with Grandma again?””

“I’m not angry with her.”

Cen Yueya smiled. “Look at how angry you’ve made Grandma! You still say you’re not angry!”

“After saying that, Cen Yueya turned to old Mrs. Cen. “Grandma, how did Fourth Girl Offend You? Tell me, I’ll help you beat her up!””

“I can’t even be bothered to talk to her now.”Old Mrs. Cen turned her head.

“Why?”

“Old Mrs. Cen said, “Because Little Luban said that low IQ is contagious! I have to stay away from her!” Old Mrs. Cen might be old, but she was trendy, and she played King’s game six times.”

“However, she only knew how to play Little Luban.”

“Cen Yueya laughed out loud. “Okay, okay, grandma, don’t be angry!””

“Nothing!” Old Mrs. Cen picked up her phone and walked upstairs angrily.

“Looking at Old Mrs. Cen’s back, Cen Yueya turned to Cen Yuyan. “What’s going on?””

“Cen Yuyan shrugged. “Isn’t that what people do when they’re Old? Our Grandma is 83 this year! It’s okay, I understand her! Second sister, don’t worry, I definitely won’t be angry with an old lady!””

“Old Lady Cen was an elder, so she could be insensible.”

But she was a junior.

Why should a junior be calculative with an elder?

“Moreover, Old Lady Cen was already so old, what if she left tomorrow?”

“Who knew who would come first, tomorrow or the accident.”

Cen Yuyan didn’t want to leave behind words that would infuriate her own grandmother to death.

Chapter 787: 174: burning to solve the crisis! 4

Cen Yueya was a little confused. "Didn't you make Grandma Angry?"

"With Grandma's combat strength, do you think I can anger her?" Cen Yuyan asked back. "

She hadn't said a word.

Old Mrs. Cen directly retorted more than ten times.

She was the one who was angry.

"After saying that, CEN Yuyan continued, "I only said Chenyu in front of Grandma. I don't understand what exactly is wrong with Chenyu to make grandma hate him so much." "

"Cen Yueya did not explain to song Chenyu, but she had heard Old Lady Cen mention song Chenyu before. In addition, she had met song Chenyu once during the new year, so her impression of Song Chenyu was not very good. "

"Hearing this, Cen Yueya's expression changed. "Fourth girl, I'm telling you, don't think about things you shouldn't think about. Don't get too close to Song Chenyu either. In terms of scheming, you can't beat Song Chenyu." "

"In front of Song Chenyu, Cen Yuyan was nothing? "

Cen Yuyan's scheming was not even half as good as song Chenyu's.

"Second sister, why are you also saying this about Chenyu?" Cen Yuyan frowned. "

“CEN Yueya continued, “It’s not that I’m saying this, but Song Chenyu is not a simple person. Look at the way she looks at Shaoqing on the first day of the New Year at the club. is that the way a normal woman looks at a man?” ”

Cen Yuyan pursed her lips. “That means Shaoqing is outstanding! which girl doesn’t have a secret crush?”

“CEN Yueya said, “But you have to know that Shaoqing has a girlfriend!” ”

Cen Yuyan did not say anything.

So what if Cen Shaoqing has a girlfriend?

It was clearly ye Zhuo who snatched Cen Shaoqing away from Song Chenyu.

“After all, Song Chenyu and Cen Shaoqing met first. ”

“When song Chenyu knew Cen Shaoqing, Ye Zhuo was still in a corner of cloud capital. ”

“Speaking of immoral, it was also ye Zhuo who was immoral. ”

What did it have to do with song Chenyu.

“But now, Cen Yueya was the same as Old Lady Cen. She had been brainwashed by Ye Zhuo. No matter how much she said, they would not listen to her. ”

“CEN Yuyan continued, “Second sister, I know what you mean. I was just casually saying it, and you really took it seriously? Shaoqing is so good-looking. which young lady would not be at a loss when she sees him?” ”

“Cen Yueya glanced at Cen Yuyan, she continued, “Yuyan, I know that you and song Chenyu are very close, but you have to be careful in front of her. Don’t tell her everything without thinking! “Also, Zhuozhuo is my biological younger sister-in-law. Tell song Chenyu not to have any wicked thoughts, and you too! “Don’t always be an outsider. It’s your fortune to have a younger sister-in-law like Zhuozhuo in your past life! “Don’t be ignorant of your good fortune! “If you dare to scheme against burning, don’t blame me for falling out with you!” ”

“Under normal circumstances, CEN Yueya would call Cen Yuyan the fourth servant girl. However, when she said this, she called Cen Yuyan by her name. ”

“This was because from the bottom of her heart, she had already regarded ye Zhuo as a member of this family. ”

It was not easy for CEN Shaoqing to get to where he was today.

“As Cen Shaoqing’s second sister, Cen Yueya had once thought that this younger brother’s ending would always be accompanied by an ancient Buddha. ”

Ye Zao was the light in his life.

It was his salvation.

Ye Zao’s appearance changed Cen Shaoqing’s fate and also the fate of the entire Cen family.

You Don’t know how Lucky You are in life?

“Hearing this, Cen Yuyan wanted to laugh. ”

“It was clearly Cen Yueya and the others who were in the middle of the situation and couldn’t see the truth clearly, yet they still came to cover her eyes. ”

Did they really think that she was as stupid as them?

“Cen Yuyan said, “Alright, I understand.” ”

“Cen Yueya patted Cen Yuyan’s shoulder, “If it wasn’t for burning, there wouldn’t be the current Shaoqing. “Yuyan, I hope that you can understand this logic. At the same time, burning is Shaoqing’s last line. If you were to do something stupid in a moment of confusion, do you think that Shaoqing will let you off?” ”

Cen Yueya’s words were good advice and a warning.

“But in Cen Yuyan’s ears, it became a joke. ”

Cen Shaoqing would not let her go?

Cen Shaoqing did not really love ye burning.

He was just acting for Old Lady Cen to see.

“Could it be that Cen Shaoqing would turn against her, his fourth sister, for a woman?”

What a joke!

She saw that Cen Yueya was usually not muddle-headed and was also a well-known designer. Why had she become so muddle-headed at this time?

Could it be that she had inherited the Cen Old Lady’s genes?

It must be.

“Fortunately, she was not like Old Lady Cen. ”

“If she was like Old Lady Cen, then the entire Cen family would be finished.”

“As far as the eye could see, in the entire Cen family, she was the only one who understood.”

Chapter 788: 174: great burning to resolve the crisis! 5

...

Old Mrs. Lin only spent ten minutes to let the shareholders of the Lin Group know about her falling out with Lin Jincheng.

“After the phone call, she returned to the apartment.”

““Grandma, you’re back.””

Feng Xianxian walked out of the bathroom with her pajamas. “These are the pajamas I prepared for you. They’ve already been washed and dried. You can just take a shower and change into them tonight.”

““Okay, thank you, Xianxian.”Old Lady Lin took the pajamas.”

“Feng Xianxian smiled and said, “Grandma, we already said that we’re family. Why are you still so polite to me?””

“Old Lady Lin smiled and said, “Xianxian, you’re right. We’re all family. It’s too distant to say thank you.””

“At this point, Old Lady Lin held onto Feng Xianxian’s hand and sighed. “Xianxian, you’re the only one who treats me well now.” ”

“Feng Xianxian patted old lady Lin’s hand, “Grandma, I believe that Uncle Lin will definitely come to pick you up tomorrow. No matter what, you’re still her mother.” ”

“At the mention of Lin Jin Cheng, Old Lady Lin’s expression changed. She continued, “Let’s not talk about him! I’m filled with anger when it comes to that unfilial son! That family of four is not good!” ”

“Feng Xianxian said with some guilt, “Actually, this matter is all my fault. If it weren’t for me, you wouldn’t have such a conflict with Uncle Lin and made you suffer so much from me...” ”

“”No, not at all.” Seeing that Feng Xianxian was so sad, old madam Lin quickly comforted her, “Xianxian, you’re a good child. Grandma likes to live with you.” ”

How could living with Feng Xianxian be considered wronged?

The corners of Feng Xianxian’s mouth curled up.

“After saying that, old lady lin continued, “If that unfilial son comes to pick us up this time, I’ll definitely teach him a lesson!” ”

“Feng xianxian lowered her head, “Grandma, when the time comes, you can go back with Uncle Lin. I Won’t go back and cause trouble. Uncle Lin and the others won’t like me.” ”

“”If they dare not accept you, then I’ll live outside for the rest of my life! What should I do with them?” If she really lived outside for the rest of her life, then the LIN Corporation would really be in chaos. ”

Lin Jincheng took such a risk?

Feng Qianqian narrowed her eyes.

“If Lin Jincheng could come and pick up Old Lady Lin, then she wouldn’t need to take such a risky move.”

In fact.

This matter had indeed caused quite a stir in the LIN Group.

Many old shareholders wanted to use this opportunity to push Lin Jincheng down.

“That afternoon, many shareholders wanted to withdraw their capital.”

The shares of the Lin group fell by five points in the blink of an eye.

“Lin Jincheng stood in his office and looked downstairs, frowning.”

“Just then, there was a knock on the door.”

“Lin Jincheng said, “Come in.””

A few shareholders with gray hair walked in from outside.

“One of the elders said, “Jincheng, it’s not that uncle Wang is making things difficult for you. It’s just that you’ve gone too far! You can sign the withdrawal contract now.””

“And mine.”

“This is mine.”

“The few old shareholders had already discussed it. They would withdraw their capital first and wait until the Lin Group was heavily in debt and had no funds to turn over. Then, they would buy the LIN Group back at a low price. ”

“In fact, they had already had this intention long ago, but they had never found an excuse to withdraw their capital. ”

“After all, they were the first people who had followed Old Master Lin to conquer the world. ”

“Old Master Lin had done them a favor. If they betrayed Lin Jincheng, it would be too unpleasant to hear. ”

“Now that Lin Jincheng had chased Old Lady Lin out of the Lin family’s old residence, they could use this as an excuse to do what they had long wanted to do. ”

“Lin Jincheng raised his head to look at the shareholders, “Uncle Zhou, you and the other uncles have followed my father all the way here. Now that our group is at a critical juncture, if you propose to withdraw your capital at this time, wouldn’t you be watching my father’s hard work go down the drain?” ”

“These few were all major shareholders, and in total, they owned 30% of the shares of the LIN Group. ”

“Right now, the LIN Group was trying to open up a foreign market. If these few shareholders succeeded in withdrawing their capital, it would be a disaster for the Lin Group! ”

“Uncle Zhou took a step forward, “Jin Cheng, since you’re unwilling to bring your mother back from Feng Xianxian’s place, there’s no point in saying anything else. Since the few of us have opened this door today, we’ve already made preparations. You should sign the contract.” ”

Lin Jin Cheng looked at Uncle Zhou. “Do you have to be so ruthless?”

Chapter 789: 174: burning to solve the crisis! 6

“Uncle Zhou continued, “We just want to seek justice for our sister-in-law. Your father left early, so we can’t just stand by and watch our sister-in-law get bullied. Why Don’t you lend a Hand?””

These words were so grand that Lin Jincheng was speechless.

“Uncle Zhou...”

“Sign it.” Uncle Zhou pushed the contract forward.

Lin Jincheng looked troubled.

“Dad, since the GRANDPAS want to withdraw their investment, let them withdraw.””

“At this moment, the office door was pushed open.”

Lin Jincheng looked up.

“He saw a slender figure walk in from outside the door. Behind her was a boundless snow light, like the light of dawn illuminating the darkness.”

“Zao Zao!”

“Ye Zao walked in from outside. “Dad, sign it.””

Lin Jin Cheng looked at ye Zao with some difficulty. “This...”

Ye Zao handed the pen to Lin Jin Cheng.

Sign It?

Uncle Zhou and the other shareholders raised their heads to look at Ye Zao.

Their eyes were filled with disdain.

“Ye Zao said it was easy. Did she know that once Lin Jin Cheng signed it, he would face a funding loophole that could not be filled with knowledge.”

No wonder the outside world said that ye Zao was a good-for-nothing.

“Now, it seemed that the reason why the rumors could spread was not without reason.”

A good-for-nothing was a good-for-nothing!

“After saying that, Ye Zao looked at Uncle Zhou and the few shareholders and continued, “Grandfathers, once my father signs the contract, you can not go back on your words. Are you sure you want to withdraw your investment?””

Go back on your word?

Why would they go back on their word?

“In any case, they would be able to purchase the LIN Group at a low price soon.”

“Uncle Zhou smiled and said, “Don’t worry, we will never go back on our word.””

““That’s good.”Ye Zhuo nodded and looked at Lin Jincheng. “Father, since the grandfathers have said so, you can sign the contract without worry.””

Lin Jincheng took the pen that ye Zhuo handed over and quickly signed the contract.

“Since things had come to this point, he could only sign it.”

There was always a way out.

“When Uncle Zhou saw Lin Jincheng sign the contract, he was afraid that Lin Jincheng would regret it in the next second, so he immediately snatched the contract. After confirming that there were no problems, a smile appeared on his face, “Jincheng, your other uncles and I, although we have withdrawn our investment, our hearts are still with the LIN Group. If the group can’t Hold On one day, you must inform us. Don’t worry, we are all on the same side. When purchasing the group, we will definitely not deliberately lower the price. We have to let the four of you have some days to live.””

Lin Jincheng’s expression was a little unsightly.

“Ye Zao smiled and said, “I’m afraid I’ll have to disappoint you. I’ll fill in the remaining holes in the Lin group’s funds.””

“Speaking up to this point, ye Zao took out a black card and placed it on the table.”

Uncle Zhou immediately recognized that it was a diamond grade black card.

Black Card?

This was the black card of the world’s largest bank. It was said that only three people in the world had such a diamond grade black card.

Even Uncle Zhou had only seen such a black card on the internet.

“Then, where did ye Zao come from?”

Could it be an imitation? was she trying to trick them?

“Otherwise, with just ye Zao alone, how could she have such a black card.”

Right.

It was definitely fake.

A sarcastic look flashed across Uncle Zhou’s eyes.

“With just this little trick of Ye Zao’s, he still wanted to trick him?”

It was simply ridiculous!

“Uncle Zhou smiled and said, “Then I wish you all good luck.””

“Ye Zhuo smiled. “Thank you, Grandpa Zhou, for your kind words. We will definitely get better and better.””

Uncle Zhou snorted coldly and walked out with a few shareholders.

“Lin Jincheng rubbed his temples, looking slightly tired.”

“Ye Zhuo looked at Lin Jincheng. “Dad, if there’s nothing else, I’ll be leaving first.””

“Okay.” Lin Jincheng nodded. “Do You Need Me to drive you?”

“No need. I drove here.” Ye Zhuo continued, “By the way, Dad, the password of that bank card is Mom’s birthday.”

Password?

Lin Jincheng was stunned. He couldn’t react in time. Could it be... ? ... that this card was real?

“Just as Uncle Zhou and the others thought, Lin Jincheng thought that this card was copied by Ye Zhuo.”

“Dad, What’s with your expression?”

“Lin Jincheng picked up the black card, his face full of disbelief. “Zhuozhuo, is this card real?””

“Chapter 790: 175: face-smacking, dog-eat-dog, Old Lady Lin has exposed Feng Xianxian’s true face! 1”

“Of course it’s real.” Ye Zhuo turned to look at Lin Jincheng. “Although there isn’t much money in it, it’s more than enough to fill the gap in the Lin group’s funds.” ”

It’s real!

“Lin Jincheng had never expected that this card was real, and the expression on his face was very complicated.”

This was Switzerland Bank’s diamond black card.

There were only three in the world!

“After a while, Lin Jincheng continued, “Zhonghua, did Shaoqing give you this card?” ”

“After thinking about it, only Cen Shaoqing had the ability to do so.”

“Ye Zhonghua was a doctor in the science and Technology field and had achievements in the medical field. However, it was not enough to apply for this black card.”

“Ye Zao curled his lips slightly. “Dad, do you think I look like the kind of person who reaches out and asks a man for money?” ”

Ye Zao had never been a person who relied on a man to live.

She had always believed that only when she was strong was she truly strong!

Lin Jincheng was stunned.

Ye Zao really did not look like one!

“Then where did you get this card from?” Lin Jincheng continued to ask.

“Ye Zao said, “I opened a small company myself, so I made a little money. Dad, don’t worry. This money came from a normal source, so you can use it without worry!” ”

A small company?

Made a little money?

“If it was just a small company, would ye Zao have a Black Diamond Card from SwOitzerland Bank? ”

This kind of black diamond card did not have any assets. It could not be handled without any local power.

Lin Jin Cheng suddenly did not understand how small the small company Ye Zao was talking about was...

Just how much of Ye Zao's side was unknown?

"For a moment, Lin Jincheng was stunned. "

"After a long while, Lin Jincheng finally reacted and continued, "Zao, your father can't take your money. You Don't have to worry about the company. I'll think of another way." "

"After saying that, Lin Jincheng returned the black card to ye Zao. "

"It was one thing for ye Zao not to fulfill his responsibility as a father for a day, but now he had to use ye Zao's money to fill the hole in the capital. This made Lin Jincheng feel very apologetic. "

"Ye Zhuo picked up the backpack on the table. "Dad, just take it. This money is not for free. Just treat it as me joining the LIN Group. When you have the annual meeting at the end of the year, remember to give me a share of the dividends." "

"Lin Jin Cheng looked at Ye Zhuo's back and his lips moved. He seemed to want to say something, but ye Zhuo waved at Lin Jin Cheng without turning his head, stopping Lin Jin Cheng from saying anything. "

Ye Zao had just left.

The secretary hurried over. "President Lin is in trouble!"

"What's Wrong?" Lin Jincheng turned to look at the secretary.

"The secretary said breathlessly, "Please follow me downstairs to take a look!" "

“Seeing the secretary like this, Lin Jincheng’s eyebrows jumped and he immediately went to the company hall.”

“Many core technical staff of the LIN Group gathered in the hall. At this moment, everyone was making a fuss about resigning.”

“These were the elites of the LIN Group. If they really left, the LIN Group would not be able to operate anymore.”

It was obvious that all of this was the work of a few shareholders.

They were trying to force the LIN Group to a dead end.

Lin Jincheng had never thought that Zhou Dawei and the other four shareholders would do something so extreme!

“Uncle Zhou!” Lin Jincheng walked to Zhou Dawei’s side, “You and my father have come all the way here. You have witnessed the decline and prosperity of the LIN Group together. It was not easy for the LIN Group to get to where it is today. I can understand why the five of you withdrew your investment. After all, people are selfish. But you don’t have to take away the backbone of the company, right?”

“Zhou Dawei glanced at Lin Jincheng, he smiled and said, “Jincheng, you think too highly of your uncle Zhou! “If these backbone members of the company want to leave, it has nothing to do with us old shareholders. If they want to leave, they can leave. If they want to stay, they can stay. Do you think we can restrict their personal freedom?”

“At this point, Zhou Dawei paused and continued, “People go higher, water flows lower. Jincheng, this is what people want. Since everyone is willing to follow me, I Can’t refuse, right?”

“Lin Jincheng nodded. “Good! Good saying, people go higher, water flows lower! Uncle Zhou, thank you for teaching me such a lesson today.”

“After saying that, Lin Jincheng turned to look at the crowd, then, he said, “If you all want to leave your jobs, go to the personnel department to go through the resignation procedures. I, Lin, will never say a single word to make you stay. However, I, Lin, also put it here today. If you don’t accompany me at sunset, who are you to rise again? Our Lin group will never hire someone who has betrayed the group before!” ”

“With the development of the matter, Lin Jin Cheng did not panic. ”

A blessing in disguise.
