“Chapter 791: 175: face-smacking, dog-eat-dog, Old Lady Lin Exposed Feng Xianxian’s true face! 2”

“This way, it was just enough to clean up the LIN Group!”

“Zhou Dawei looked at Lin Jincheng, his eyes full of disdain.”

Lin Jincheng’s move was a desperate struggle.

“At this moment, Zhou Dawei’s gaze fell on Lin Jincheng’s hand, and the disdain in his eyes became even more obvious.”

What was Lin Jincheng holding in his hand?

He was actually holding the black card given by Ye Zao.

No wonder Lin Jincheng was so confident all of a sudden.

“He couldn’t really think that the card given by ye Zao would work, right?”

Ridiculous!

This was too ridiculous!

“Indeed, like father, like daughter.”

“Ye Zao was just an idiot. As Ye Zao’s father, how could Lin Jincheng be any better?”

Clap! Clap! Clap

“Zhou Dawei raised his hand and clapped. “Good! Good! That’s great! Jincheng, what you said was very good. I hope that when the Lin Group declares bankruptcy, you can still be so arrogant!””

“Lin Jincheng raised his head and looked at Zhou Dawei. At this moment, ye Zao’s cool face appeared in front of his eyes.”

“It seemed that no matter what, Ye Zao was always calm and collected.”

“His daughter was so outstanding, so as a father, he naturally could not hold her back!”

“A smile appeared on Lin Jincheng’s face. “Uncle Zhou, you want to see the LIN Group declare bankruptcy? I’m afraid you won’t be able to wait until that day!””

Zhou Dawei nodded. “Really? Then what if I Do?”

“At this time, Lin Jincheng was still so confident!”

Just wait!

“No matter how confident Lin Jincheng was now, he would regret it when the time came!”

“”Then, just wait.””

Zhou Dawei did not waste any more time talking to Lin Jincheng. He turned around and looked at the people behind him. “Let’s go.”

The group of people followed behind Zhou Dawei in an imposing manner and walked out.

“The secretary said somewhat anxiously, “Director Lin, what should we do now?””

Lin Jincheng narrowed his eyes. “Get the personnel department to blacklist all the people who left the company today.”

““Okay.”The secretary continued, “I’ll do it right away.””

“Lin Jincheng stood where he was, feeling a little dizzy.”

“Facing the LIN Group now, not only was there a huge funding gap, but there was also a loss of talent.”

Could it be that.

The Lin Group was really going to be destroyed by him?

“At this moment, Lin Jincheng suddenly thought of the black card that ye Zhuo had given him.”

He hoped that the money in the card could solve the urgent problem.

“Lin Jincheng came to the bank, intending to check how much money was in this card.”

“Seeing the number on the bank card, Lin Jincheng was immediately stunned.”

A full 14 digits.

This was the small amount of money that ye Zhuo had mentioned?

“Although he had long known that the money in this card was definitely a lot, he had not expected that it would actually be 14 digits.”

No wonder ye Zhuo said so confidently that she would fill in the remaining capital gaps.

With this amount of money.

“Not only would the LIN Group be able to live peacefully, it would also be able to smoothly open up the foreign market!”

...

The matter of the five old shareholders of the LIN Group withdrawing their capital together was quickly found out by Old Lady Lin.

Old Lady Lin sat on the sofa with a smug smile on her face.

She knew that these old shareholders would definitely avenge her!

“These old shareholders had followed Old Master Lin all the way here. Now that her sister-in-law was being bullied by a junior like Lin Jincheng, they definitely wouldn’t let Lin Jincheng off.”

“Next, Lin Jincheng should come and beg her.”

“Thinking of this, Old Lady Lin was extremely happy. It was as if she could already see Lin Jincheng humbly humoring her in front of her.”

“Originally, Old Lady Lin only wanted Lin Jincheng to bring her and Feng Xianxian back.”

“But now, she couldn’t!”

She had to divorce Lin Jincheng and ye Shu.

She had to get ye Shu to take ye Zhuo and get out of the Lin Family!

“Ye Shu was a jinx. Ever since she and Lin Jincheng got back together, the Lin family had never had a peaceful day.”

Old Lady Lin had already thought it through.

“After Lin Jincheng and ye Shu divorced, she would personally help Lin Jincheng choose a well-educated and reasonable young lady.”

“Feng Xianxian walked out of the room. When she saw Old Lady Lin like this, she smiled and said, “Grandma, what happened? Why Are You So Happy?””

Old Lady Lin raised her head and looked at Feng Xianxian. “You’ll know when you look at the stock market situation of the LIN Group.”

Stock market situation?

Feng Xianxian narrowed her eyes and immediately took out her phone. She opened the official website of the LIN Group and the stock market.

“One wouldn’t know if one didn’t look, but one would be shocked.”

“The Lin Group’s stock had actually dropped by five points in a short period of time, and now it was still in a straight line of decline.”

It looked like it was about to hit the limit!

It looked like the Lin group must have suffered some serious damage!

“Otherwise, it wouldn’t have become like this overnight.”

“Chapter 792: 175: face-smacking, dog-eat-dog, Old Lady Lin has exposed Feng Xianxian’s true face! 3”

“”Grandma, what’s Going On?”Feng Xianxian looked at Old Lady Lin in disbelief. ”

“Old Lady Lin smiled and said, “After Grandpa Zhou heard about my matter, he withdrew his capital with the other four old shareholders! If that unfilial son doesn’t come and beg for my forgiveness, then the company will be buried in his hands!” ”

Could Lin Jincheng watch helplessly as the Lin group collapsed?

Definitely not.

“Hearing this, Feng Xianxian’s eyes flashed with a faint light, but she frowned. “Grandma, isn’t it a little bad for you to do this? After all, Uncle Lin isn’t targeting you. He just doesn’t want me to go back with you...” ”

“Feng Xianxian looked like she was exonerating Lin Jincheng, but she was actually adding fuel to the fire. ”

“Old Lady Lin held Feng Xianxian’s hand, “Xianxian, you are my biological granddaughter. If he is targeting you, he is targeting me! Wait! This time, I must let them know who is the real master of the Lin Family! Otherwise, they will never know the immensity of Heaven and Earth!” ”

“Feng Xianxian was very touched and said, “Grandma, thank you for being so good to me.” ”

“Old Madam Lin patted Feng Xianxian’s hand. “Silly child, good is mutual. I’m only good to you if you’re good to me!”She was not blind. Feng Xianxian was not like that ingrate ye Zhuo! ”

“Feng Xianxian was sensible, kind, and filial. Old Madam Lin always felt that she had accumulated great virtue in her past life to be able to meet such an obedient and filial granddaughter like Feng Xianxian in this life. ”

Feng Xianxian’s lowered eyes were full of pride.

“According to this development, in less than three days, Lin Jincheng would have to come and pick them up obediently. ”

At that time.

She would still be the eldest daughter of the Lin family.

Ye Zhuo?

What was Ye Zhuo?

So what if she had the blood of the Lin family flowing in her body?

She would still not be able to win Old Lady Lin’s favor.

“After all, in the Lin family, the person who held great power was Old Lady Lin. ”

This old lady of the Lin family was also so stupid that she was cute.

She would rather believe an outsider like her than ye Zhuo.

“From this, it could be seen how much of a failure ye Zhuo had been.”

The smug look in Feng Xianxian’s eyes became even more intense.

“Old Lady Lin continued, “Xianxian, I still have some cash here. Let’s go to the supermarket later and buy some wine to celebrate.” ”

“Okay.”Feng Xianxian nodded.

“In the evening, in order to celebrate, Feng Xianxian personally cooked a table full of food.”

“Before going to bed, Feng Xianxian specially went to take a look at the situation of the LIN Group’s stock market.”

“Seeing that the LIN Group’s stock market kept falling, Feng Xianxian felt much more at ease.”

“It seemed that when she woke up the next morning, she would see Lin Jincheng’s regretful face.”

The next morning.

Feng Xianxian woke up early. She originally thought that she would be able to see Lin Jincheng after breakfast.

However.

“Until the afternoon, there was no movement from Lin Jincheng’s side.”

“Logically speaking, because of the withdrawal of the shareholders, the LIN Group should have been in chaos by now.”

Lin Jincheng was not anxious at all?

Was he not afraid that the LIN Group would fall?

Could it be that the LIN Group had encountered a turning point?

Or could it be that Cen Shaoqing had stepped in to help?

“Although the LIN Group had too big of a capital hole and could not be easily closed, to CEN Shaoqing, it was just a matter of a word.”

Could it be Cen Shaoqing?

Feng Xianxian bit her lip.

Logically speaking.

Cen Shaoqing should not have stepped in to help.

Because he was not sincere towards ye Zao at all.

He just wanted to play with ye Zao.

A man would only play with a woman. He would only add insult to injury and would not help her in time of need.

“But there was still no movement from Lin Jin city, which made Feng Xianxian a little worried.”

What if...

What if Cen Shaoqing helped?

“Feng Xianxian narrowed her eyes and immediately turned on the computer. When she saw that the shares of the LIN Group on the stock market had been red all the way to the end, she heaved a sigh of relief.”

Fortunately.

“Fortunately, CEN Shaoqing did not lend a hand.”

“If Cen Shaoqing really lent a hand, then the shares of the LIN Group would not be red.”

It seemed that her guess was right. Cen Shaoqing was only fooling around with Ye Zao.

“If Cen Shaoqing really loved ye Zao, would cen Shaoqing not have any reaction when the LIN Group was severely damaged?”

A person like Cen Shaoqing should be worthy of her!

What was ye Zao?

A bastard who only knew how to snatch other people’s things!

Shameless!

Feng Xianxian clenched her fists.

“This time, she would definitely make ye Zao return the things that he had stolen from her, with interest.”

Another Day passed in the blink of an eye.

There was still no movement from Lin Jin city.

“Chapter 793: 175: face-smacking, dog-eat-dog, Old Lady Lin has seen through Feng Qianxian’s true colors! 4”

“Feng Qianxian came to the living room and made a cup of tea for Old Lady Lin. She said gently, “Grandma, two days have passed. Why do you think there is no reaction from Uncle Lin’s side? Did those shareholders’ Grandpas go back on their word and not withdraw their investment?” ”

Why was Lin Jincheng so calm?

Why didn’t he come and apologize to Old Lady Lin?

He must have convinced those old shareholders not to withdraw their investment again!

“Thinking of this, Feng Xianxian’s eyebrows jumped. ”

“If those old shareholders did not withdraw their investment again, how was she going to return to the Lin Family? ”

No!

She could not let this happen.

““It’s impossible,” Old Lady Lin said firmly. “They are definitely not that kind of people!” ”

“Those few old shareholders had been loyal to Old Master Lin. Since they had already withdrawn their investments, they would not go back on their words!”

“After saying this, Old Mrs. Lin was a little worried again. She continued, “I’ll make a call to ask.” ”

Feng Xianxian handed the phone to Old Mrs. Lin.

Old Mrs. Lin took the phone and walked to the bedroom.

“After making the call and learning that the five shareholders were still withdrawing their investments, old Mrs. Lin heaved a sigh of relief. ”

“Seeing Old Lady Lin walk out of the bedroom, Feng Xianxian immediately walked over and asked, “How is it, Grandma? What did those shareholders Grandpa Say?” ”

““Don’t worry.” Old Lady Lin smiled and said, “I already said that they aren’t that kind of people.” ”

“Hearing this, Feng Xianxian also heaved a sigh of relief. ”

“At this moment, Lin Jincheng must be like an ant on a hot pan. ”

“Lin Jincheng wanted to come and beg Old Lady Lin, but he couldn’t bring himself to do so. ”

Tomorrow.

“At most, he could wait until tomorrow. ”

“The five old shareholders would withdraw their capital, and the capital chain of the LIN Group would break. They wouldn’t be able to hold on for more than a few days. ”

“After Tomorrow, Lin Jincheng would definitely come and Beg Old Lady Lin. ”

Unless Lin Jincheng wanted to watch the collapse of the Lin Group with his own eyes!

“Thinking of this, a faint light flashed in Feng Xianxian’s eyes. ”

...

At the same time.

The shareholders who had withdrawn their capital were also watching the LIN Group at all times.

Zhou family.

“At this moment, Zhou Dawei was sitting in front of the computer desk in the study, looking at the stock situation of the LIN Group. ”

“Once the LIN Group could not hold on and declared bankruptcy, he could immediately start the plan to buy the LIN Group. ”

“At that time, the LIN Group would be changed to the Zhou Group. ”

“Thinking of this, Zhou Dawei’s eyes were full of pride. ”

He had planned for more than ten years to wait until today.

He had thought that he would not be able to wait until today in his lifetime.

He did not expect that this day would come so quickly!

“At this moment, the door of the study was pushed open.”

Zhou Dawei looked up and saw an old man with white hair walking in from outside.

“This was one of the old shareholders who had withdrawn their capital, Wang Jianguo.”

“Wang Jianguo looked at Zhou Dawei. “Brother Zhou, the Lin Group has risen by the limit three times in a day. It’s only a matter of time before they declare bankruptcy. We should be able to go to Lin Jincheng now to discuss the acquisition plan, right?” ”

“”Wait a little longer.”Zhou Dawei narrowed his eyes. “The crisis of the LIN Group has just begun. If we go to Lin Jincheng now to discuss this matter, it’s inevitable that people will talk about it.” ”

“After all, they had followed Old Master Lin for almost a lifetime.”

Such words were not pleasant to hear.

“Although they had already shed all pretense of cordiality with Lin Jincheng, they still had to do the face project.”

“Wang Jianguo nodded. “Brother Zhou, I understand what you mean, but you should also know in your heart that we are not the only ones who are eyeing this piece of fat meat.” ”

“There were countless people outside eyeing the LIN Group covetously, all wanting to take down the LIN Group in one fell swoop.”

“If someone beat them to it, then their gains would not make up for their losses!”

“When that time came, the losses would not be small.”

“Zhou dawei smiled and said, “Brother Wang, I understand what you mean. Don’t worry, I can guarantee that other than us, no one would dare to lay a hand on the Lin Group!”The Lin Group operated household goods.”

Those who did not understand this industry did not dare to take over rashly.

“Because if they were not careful, they would lose so much money that they would not even be able to wear pants.”

Small businesses did not have the funds to buy them.

Medium and large enterprises did not have the courage to buy them.

“Moreover, Zhou Dawei had already made some arrangements. Once someone wanted to buy the LIN Group, someone would remind him.”

“Therefore, he was not worried at all that the Lin group’s fat meat would be taken by others.”

That was because there was no such possibility.

“Alright.”Wang Jianguo nodded and a worried look flashed across his face. “Then let’s Wait a little longer!”

“After saying that, Wang Jianguo continued, “Brother Zhou, you said that the LIN Corporation is about to go bankrupt. Why is Lin Jincheng still so calm? There’s no sign of him declaring bankruptcy at all! Do you think he has any other tricks up his sleeve?” ”

“Chapter 794: 175: face-smacking, dog-eat-dog, Old Lady Lin has exposed Feng Xianxian’s true face! 5”

This was something that Wang Jianguo was very worried about.

“Although the LIN Group’s stock had always been on the rise, Lin Jincheng looked too calm.”

“He did not go around asking for help, nor did he look for any bank loans.”

Could it be that he did not want to save himself?

This did not seem like the performance of a person who was about to go bankrupt.

He was afraid that Lin Jincheng still had some tricks up his sleeve.

“Zhou Dawei patted Wang Jianguo on the shoulder and said with a smile, “Brother Wang, don’t worry! Lin Jincheng is now a turtle in our jar. He can’t run away!””

“Not only did the few old shareholders withdraw their capital, but they also took away many of the technical personnel of the LIN Group.”

The Lin Group had no money and no one.

What could they use to operate?

The black card that ye Zao gave Lin Jincheng?

“Thinking of that black card, a look of disdain appeared on Zhou Dawei’s face again.”

“Seeing Zhou Dawei’s confidence, Wang Jianguo also heaved a sigh of relief.”

“Perhaps, he had thought the matter too seriously.”

The Lin Group had suffered such a heavy blow. How could they possibly get up in such a short time?

“Zhou dawei continued, “Brother Wang, just stay at home and wait for Lin Jincheng to declare bankruptcy! When that time comes, the entire household industry will be ours!””

Wang Jianguo nodded.

...

Old Lady Lin had been waiting for Lin Jincheng to come over and apologize to her for the entire day.

“However, in the evening, there was no sign of Lin Jincheng.”

But Old Lady Lin was not worried at all.

“In her opinion, Lin Jincheng was struggling on the brink of death.”

Just wait.

“At the last moment, Lin Jincheng would definitely come looking for her.”

“At this moment, Feng Xianxian walked to Old Lady Lin’s side. “Grandma, I just finished eating. Shall I accompany you downstairs for a walk?””

“Okay.” Old Lady Lin nodded.

Feng Xianxian brought Old Lady Lin Downstairs.

This apartment belonged to the luxurious and luxurious district of the capital. There were many shopping malls beside it.

“Feng Xianxian and Old Lady Lin walked around the shopping malls. On their way back, they bumped into Lin Jincheng and ye Shu walking over.”

“Feng Xianxian pointed over there and said, “Grandma, do you think that’s uncle Lin and Auntie Ye?””

What were Lin Jincheng and ye Shu doing here?

They must be here to apologize and beg for Old Lady Lin’s forgiveness.

Feng Xianxian didn’t expect ye Shu to still dare to approach Old Lady Lin at a time like this.

Wasn’t this adding fuel to the fire?

Just wait.

Old Lady Lin might humiliate ye Shu in a while!

“Hearing this, Old Lady Lin immediately looked over and her eyes lit up. “It’s them!””

It was already past seven o’clock at night.

Old Lady Lin had thought that Lin Jin Cheng was tough.

She did not expect that Lin Jin Cheng would still be afraid.

“Since he had come, so be it.”

He had actually brought that b \* Tch Ye Shu along.

“Seeing ye Shu, Old Lady Lin’s eyes were filled with disgust. She turned to look at Feng Xianxian and instructed, “Xianxian, you are not allowed to intercede for them later. This time, I must show them something!””

“Feng Xianxian frowned. “Grandma, this is your family matter after all. It’s not appropriate for an outsider like me to stay here. Why don’t I Leave?””

“Who says you’re an outsider!” Old Lady Lin pulled Feng Xianxian’s arm. “You’re the granddaughter of an old lady like me!”

“Grandma!”

“You’re not allowed to leave!”

Old Lady Lin’s attitude was very firm. Feng Xianxian had no choice but to ‘reluctantly’ stay.

“Old Madam Lin stood straight and waited for Lin Jincheng and ye Shu to come over and kowtow to her to admit their mistakes. At the same time, she was thinking about how to choose her words.”

Ye Shu also saw Old Madam Lin and turned to look at Lin Jincheng. “Your mother is there. Should we go up and say Hello?”

“Lin Jincheng looked over. “Feng Xianxian is here too, right?””

“I think so.” Ye Shu nodded.

Lin Jincheng frowned. “Just pretend that you didn’t see her. There’s no need to greet her.”

“Alright.” Ye Shu respected Lin Jincheng’s intentions.

The couple continued walking over.

Old Madam Lin’s back straightened.

“Today, she had to get that B \* tch, Ye Shu, and her little bastard out of the Lin Family!”

“If a tiger didn’t show its might, did it really think that she was a sick cat?”

“One by one, they all climbed onto her head!”

“Seeing that the couple was getting closer and closer, Old Lady Lin turned to look at Feng Qianxian.

“Qianxian, you can’t take the initiative to greet them later! You have to let them call us first.””

“This time, Lin Jincheng was begging her.”

Old Lady Lin didn’t want Feng Qianxian to suffer the slightest grievance.

Feng Qianxian nodded.

“Just as Old Lady Lin was ready to see Lin Jincheng and ye Shu kneel down and apologize to her, the couple turned a corner and walked right past them.”

“Chapter 795: 175: face-smacking, dog-eat-dog, Old Lady Lin Exposed Feng Qianxian’s true face! 6”

It was as if she did not look at her.

Old Lady Lin frowned.

What was going on?

Could it be that Lin Jincheng and ye Shu did not see her?

Feng Qianxian was also stunned.

She had never expected that Lin Jincheng and ye Shu would have such a reaction.

“Lin Jincheng!”

Old Lady Lin said angrily.

“What’s the matter?” Lin Jincheng turned to look at Old Lady Lin.

“Old Lady Lin continued, “Unfilial son! You Don’t even call me mother anymore? Do you still want me to forgive you?” ”

Lin Jincheng did not say anything.

““If you still want me to forgive you, divorce ye Shu immediately! Let Her take ye Zhuo’s pack and leave! Otherwise, I will never forgive you! Don’t even think about taking me home!” ”

“Lin Jincheng looked at Old Lady Lin with a normal expression, “The issue now is not whether you forgive me or not, but whether I am willing to forgive you! If you like living outside, then just stay here. No one will stop you.” ”

Lin Jincheng was extremely disappointed in Old Lady Lin.

“If he had a choice, he would rather not have such a mother.”

“After saying that, Lin Jincheng turned his head to look at Ye Shu. “Ah Shu, let’s go.” ”

“Okay.”Ye Shu nodded.

Old Lady Lin thought that she was hallucinating.

Lin Jincheng did not beg her.

“Not only did he not beg her, he did not even say anything soft.”

Could it be that Lin Jincheng was not here to bring her home?

What was going on?

Could it be that Lin Jincheng was not afraid that the LIN Corporation would go bankrupt?

“As she watched Lin Jincheng and ye Shu’s figures get further and further away, Old Lady Lin’s heart started to panic.”

Feng Qianqian was also unable to react in time.

Could it be that Lin Jincheng didn’t even want the Lin Group anymore?

Or could it be that.

The Lin Group already had a turn for the better?

No!

That was impossible!

“As long as Cen Shaoqing didn’t make a move, the LIN Group would have no hope of making a comeback.”

“Feng Xianxian held onto Old Lady Lin’s arm. “Grandma, Let’s go home first.” ”

“Okay.” Old Lady Lin nodded.

Old Lady Lin did not know how she went upstairs with Feng Xianxian.

She did not understand why Lin Jincheng had suddenly become like this.

Could it be that Lin Jincheng did not want the Lin Corporation anymore?

Did he not want her as his mother?

Elder Lin sat on the sofa in a daze the same day.

Feng Xianxian opened the stock market.

When she saw it.

She was immediately stunned.

“The stock of the LIN Corporation, which had already fallen by the daily limit, actually rose back up at this moment.”

What was going on?

Could it be that Cen Shaoqing had helped?

How could this be?

No!

It couldn't be like this.

“At this moment, Feng Xianxian almost couldn't believe her eyes.”

“After a long while, Feng Xianxian finally reacted. She walked over to Old Lady Lin and handed her phone to her. “Grandma, take a look at this.” ”

“Seeing this scene, Old Lady Lin's face turned pale.”

She finally understood why Lin Jincheng dared to speak to her like that.

So the Lin Corporation had already resolved the crisis.

But.

How could this be?

How could Lin Jincheng turn things around if a few shareholders withdrew their capital collectively?

Could it be that those people had gone back on their word?

Old Mrs. Lin hurriedly called Zhou Dawei.

“Zhou Dawei was currently having a beautiful dream of acquiring the LIN Group and was planning to look for Lin Jincheng the next day. When he saw Old Mrs. Lin’s call, he thought that it was old Mrs. Lin who had called to plead for mercy, without thinking, he hung up the phone.”

“Old Mrs. Lin kept calling. In the end, Zhou Dawei blocked old Mrs. Lin’s call.”

“Damn old woman, does she really think she is someone important?”

The next morning.

Zhou Dawei had just woken up when there was a commotion downstairs. Zhou Dawei hurried downstairs.

He saw that Wang Jianguo and the other three shareholders had come.

Today was the day they discussed buying the LIN Group.

But Zhou Dawei didn’t expect the four of them to come so early.

“Zhou Dawei smiled and walked downstairs. “Brother Li, brother Liu, brother Wang, Brother Sun, why are you here so early?” ”

“When he saw Zhou Dawei, Wang Jianguo quickly went up to him. “Brother Zhou! Something Big has happened!” ”

“What is it?” Zhou Dawei was in a very good mood today. After all, he was about to buy the LIN Group. “Could it be that the Sky has fallen?” ”

“It’s more serious than this!”

“Zhou Dawei was not in the mood to listen to Wang Jianguo talk about other things. He continued, “Since you’re all here, let’s Go Now! We’ll go to Lin Jin city to discuss the acquisition!” ”

Wang Jianguo was on the verge of tears. “Brother Zhou! Haven’t you seen today’s financial news?”

“Chapter 796: 175: face-smacking, dog-eat-dog, Old Lady Lin Exposed Feng Xianxian’s true face! 7”

“What’s wrong with the financial news?”

“Wang Jianguo continued, “The LIN Group successfully signed a contract with overseas ZAR company, and their funding loophole has been closed!””

“What?” Zhou Dawei’s face turned pale.

“The Lin Group not only closed the funding loophole, but also got the ZAR contract? Getting the ZAR contract meant opening up the foreign market.”

How did Lin Jincheng do it?

“Zhou Dawei took a few steps back, his mind blank.”

What to do?

What to do now?

“They divested in order to destroy the Lin Group, and then buy the Lin Group at a low price.”

“But now, not only did the Lin group have nothing, it even went to the next level.”

How could they accept this?

“If they had not withdrawn their investment, their value would have increased by more than ten times.”

But Now?

“Not only did they not get a single cent of the benefits, they had even come up empty-handed!”

“Sun Zuocheng walked in front of Zhou Dawei and said, “What should we do now? Brother Zhou, you were the one who suggested withdrawing our investment back then. Now that something has happened, you should think of a way!””

Think of a way?

What could he do now?

“He couldn’t let him go back to Lin Jincheng with a straight face. Even if he went back with a straight face, Lin Jincheng would never forgive him!”

“If time could be reversed, he would definitely not do such a stupid thing!”

...

On the other side.

“After Feng Xianxian learned that the LIN Group had successfully signed the contract with Zar, she knew that Lin Jincheng would never compromise with Old Lady Lin again.”

There was only one way in front of her now.

She had to get Old Lady Lin to sign the share concession letter and give her 50% of the shares of the LIN Group.

Thinking of this.

Feng Xianxian took out the two bottles of medicine.

“Everyone knew that Old Lady Lin liked her very much. If something really happened to Old Lady Lin and she left behind the share concession letter, outsiders would not suspect anything.”

“As long as no one died, the police would not file a case.”

“If these two bottles of medicine were taken separately, they would be a good medicine for the illness.”

“If they were taken together, it would cause the patient to have a stroke, and the cause would not be found.”

This was too tempting for Feng Qianxian.

“After all, a stroke would cause the loss of speech.”

“Old Lady Lin could not even speak, so how could she not be at her mercy?”

Thinking of this.

Feng Xianxian narrowed her eyes.

Ten minutes later.

“Feng Xianxian held a cup of red date water and walked into the bedroom. “Grandma, are you still awake?””

“Old Lady Lin leaned against the headboard of the bed, her face full of worry.”

“The matter had not been resolved, so how could she fall asleep now?”

“Feng Xianxian handed the cup in her hand to Old Lady Lin. “Grandma, this is red date water. It can help you sleep.””

“Old Lady Lin took the cup. “Xianxian, it’s really hard for you to take care of an old lady like me every day.””

““You’re My Grandma. It’s my duty to take care of you.”Feng Xianxian continued, “Drink this red date water while it’s hot. It Won’t have any effect if it’s cold.””

“Okay.”Old Lady Lin nodded and drank up the red date water in one go.

Feng Xianxian looked at the empty cup and a glimmer flashed across her eyes.

She had avenged Feng Qianhua!

Just you wait!

This old woman was about to be punished.

Feng Xianxian chatted with old Mrs. Lin for a while.

“But strangely, after old Mrs. Lin drank the red date water, she did not have any abnormal reaction. Instead, she became more and more interested.”

Could it be...

Gao Di was lying to her?

Or could it be that the effect would only be seen tomorrow morning?

“Feng Xianxian narrowed her eyes and smiled. “Grandma, it’s getting late. I Won’t disturb your rest. You should go to bed early.””

“”Okay.” Old Lady Lin continued, “Xianxian, you should go to bed early too.””

“I know.”

“Feng Xianxian originally thought that she would see a paralyzed old lady Lin in bed the next morning, unable to speak.”

“However, she did not expect that not only was Old Lady Lin unharmed, she even started to make breakfast.”

“Seeing Feng Xianxian get up, Old Lady Lin smiled and said, “Xianxian, you’re up. Quickly brush your teeth, wash your face, and eat.””

“A puzzled look flashed across Feng Xianxian’s eyes and disappeared in a flash. “Grandma! I can make breakfast! How can I let you do it! You Go to the dining room, leave this to me!””

“Actually, Old Lady Lin was feeling a little uncomfortable today.”

“She had felt light-headed ever since she woke up in the morning. However, when she thought about how Feng Qianxian had to make breakfast for her every morning, Old Lady Lin’s heart ached terribly. She endured the discomfort in her body and planned to make breakfast for Feng Qianxian as well.”

“”It’s fine, Qianxian. Isn’t it just making breakfast? Quickly go brush your teeth and wash your face,” said Old Lady Lin with a smile. “Dinner will be ready soon.””

Feng Xianxian glanced at Old Mrs. Lin and quietly went to brush her teeth and wash her face.

“After breakfast, Feng Xianxian continued, “Grandma, I have something to do. I Won’t be back for lunch. I’ll come back and have dinner with you tonight.””

Old Mrs. Lin nodded. “Go do your thing. Don’t worry about me.”

“Not long after Feng Xianxian left, Old Mrs. Lin was ready to go out for a walk and also go to Beijing University.”

She had to look for Lin Ze.

“Lin Ze was her grandchild. Lin Jincheng could ignore her biological mother, but Lin Ze could not ignore her biological grandmother.”

“Just as she went downstairs, old Mrs. Lin saw a familiar figure.”

It was Feng Xianxian.

“Feng Xianxian stood under the camphor tree, holding her phone. It seemed that she was talking to someone. In order not to disturb Feng Xianxian, old Mrs. Lin deliberately slowed down her footsteps and walked in that direction.”

“Feng Xianxian had her back to Old Lady Lin. Because she deliberately slowed down her footsteps, Feng Xianxian did not know that Old Lady Lin was right behind her. Old Lady Lin reached out her hand, wanting to Pat Feng Xianxian on the shoulder, at this moment, Feng Xianxian suddenly spoke.”

Old Lady Lin’s hand also stopped in mid-air at this moment.

“”Miss Gao, why is it that after I gave the Lin family’s old woman the medicine, not only is she fine, she even has the energy to make breakfast? Didn’t you say that this medicine can paralyze a person with a stroke?””

“I gave it to her last night.”

“Mixed with red date water!”

She drank the medicine?

Paralyzed with a stroke?

Make Breakfast?

Red date water?

“Upon hearing these words, Old Mrs. Lin’s face instantly turned deathly pale. Her outstretched hand trembled as she retracted it.”

“Feng, Feng Xianxian poisoned her?”

Chapter 797: 176: Old Lady Lin’s retribution! 1

“At this moment, Old Lady Lin couldn’t believe her ears. ”

How could this be?

“She treated Feng Xianxian as her granddaughter, and Feng Xianxian treated her as her grandmother. ”

No.

It wouldn’t happen.

Feng Xianxian wouldn’t harm her.

“Old Lady Lin tried her best to calm herself down. She turned around and squatted down in front of the trash can. This trash can was very big. When Old Lady Lin squatted down, her figure was coincidentally blocked by the trash can. ”

“At this moment, Feng Xianxian continued, “Miss Gao, are you sure the medicine is okay?” ”

“Then why is that old lady still fine?”

““Okay, I understand.” ”

“After saying this, Feng Xianxian hung up the phone and looked around. Finally, she walked towards the door of the apartment. ”

“After Feng Xianxian left, Old Lady Lin walked out from behind the trash can. ”

Beijing in May.

“The weather had gradually warmed up, but old Mrs. Lin felt cold all over.”

Was the old woman Feng Xianxian was talking about her?

Would she poison herself?

“If Feng Xianxian really poisoned her, then why was she still fine?”

A misunderstanding.

This must be a misunderstanding.

“She was so good to Feng Xianxian, Feng Xianxian would not poison her!”

Feng Xianxian was a filial and good child.

There must be a misunderstanding!

Old Lady Lin tried her best to calm herself down.

After a long while.

Old Lady Lin finally came to her senses and walked out of the apartment.

She still had to go to Beijing University to look for Lin Ze.

“She had raised Lin ze up with all her might, and Lin Ze had to take care of her!”

...

On the other side.

“Ye Zhuo stood on the balcony of the dormitory and answered the phone. Her eyes were clear and bright, and the sunlight shone through the clouds, coating her body with a faint layer of golden light, giving people a sense of peace and tranquility. ”

“Wang Shuya’s voice came from the other end of the screen. “Goddess, Feng Qianxian has already made her move.” ”

“So Fast?”Ye Zao raised his eyebrows slightly.

“Although he had long known that Feng Qianxian would make her move on Old Lady Lin, ye Zao did not expect that Feng Qianxian would make her move so quickly. ”

“Wang Shuya continued, “Just now, Feng Qianxian called to ask why Old Lady Lin hasn’t had an attack until now. Goddess, is there a problem with that medicine?” ”

““There’s no problem with the medicine,”ye Zhuo said plainly. “It’s just that it hasn’t taken effect yet.” ”

“That’s good.”

Madam Lin came to Beijing University and waited for Lin Ze Downstairs.

Lin Ze came downstairs.

“Grandma.”

“Madam Lin looked at Lin Ze with a layer of anger in her eyes. “Grandma? Lin Ze, do you still see me as your grandma?” ”

“You will always be my grandmother.” Lin Ze’s tone was very calm.

“Hearing this, the anger in Old Mrs. Lin’s eyes disappeared a little, she continued, “It’s good that you know that I’m your grandmother. Xianxian is a good child. She grew up with you. The two of you are like siblings. Although Feng Qianhua did something wrong, it was Feng Qianhua’s doing after all. It has nothing to do with Xianxian! “Grandmother hopes that you can treat Xianxian as your biological sister in the future.” ”

Even though she heard Feng Xianxian’s words.

Old Madam Lin still felt that Feng Xianxian was not that kind of person.

“She and Feng Xianxian were not grandfather and grandson, but they were close. Feng Xianxian definitely would not poison her. ”

Lin Ze’s eyes were a little cold. “I only have one sister. She is Ye Zhuo. Feng Xianxian doesn’t even have the right to carry my sister’s shoes. What right does she have to be my sister?”

““Ah Ze! Do you still have me in your eyes as a grandmother?” Old Lady Lin frowned and said angrily, “Ye Zao doesn’t even recognize me as a grandmother anymore. In the future, she won’t be your sister! Xianxian is your only sister!” ”

“In Old Lady Lin’s eyes, Feng Xianxian was the most outstanding person in the world. ”

Ye Zao?

Ye Zao wasn’t even half as good as her!

“Hearing Lin ze say that about Feng Qianxian, Madam Lin was so angry that her face turned white. ”

““Have you ever thought about why Zao doesn’t acknowledge you as a grandmother?” Lin Ze looked at Madam Lin, “Feng Qianhua is not a good person. What kind of good daughter do you think she will

raise? Grandmother, please wake up. It's all Feng Qianhua and Feng Qianxian's fault that our family has become like this!" "

""What does this have to do with Xianxian?" Old Mrs. Lin was furious. "If you really want to pursue the responsibility, it should be your mother's fault! Ever since she came back, the both of you have changed!" "

"After that, old Mrs. Lin continued, "Lin ze, if you still treat me as your grandma, move out of that house immediately! Cut off relations with your parents!" "

Chapter 798: 176: Old Lady Lin's retribution! 2

"If Lin Ze continued to stay by Ye Shu's side, sooner or later, he would be taught a bad lesson by Ye Shu."  
"

"In the past, Lin Ze was an excellent student. "

What about Lin ze now?

"Not only was he an excellent student, he couldn't even differentiate between good and bad. "

Feng Xianxian was so good.

Lin Ze just couldn't see it!

"Lin Ze frowned slightly. "Grandma, I Still Call You Grandma because you raised me since I was young! If you continue like this, sooner or later, people will turn against you!" "

““Since you know that I raised you, then you should know that without me, you wouldn’t exist!” Old Mrs. Lin frowned, “Lin Ze! I’m your grandmother! Your Biological Grandmother! When you were born, you weighed only three pounds. I raised you with all my effort. Is this how you repay me now?” ”

Old Mrs. Lin felt her heart turn cold.

This was the grandson that she raised.

She thought that Lin Ze was a filial and good child.

She didn’t expect to raise an ingrate.

“If she had known this would happen, she wouldn’t have raised Lin Ze in the first place. ”

““I didn’t want to bring it up again,” Lin Ze’s tone was still the same. “Since you brought it up, I’ll repeat it again. If you hadn’t taken me away from my mother, I wouldn’t have been separated from my mother and son for so many years!” ”

“Old Mrs. Lin looked at Lin Ze in disbelief, and her eyes instantly turned red, “Good! Good! I’ve painstakingly raised you. It’s fine if you don’t know how to be grateful, but now you want to turn the tables! Raising You is better than raising a dog! Raising a dog also knows how to wag its tail at people! What about you? What do you know?” ”

“When she brought Lin ze back from Yunjing, Old Mrs. Lin was already sixty-two years old. ”

How could it be easy for a sixty-two-year-old old man to raise a newborn baby?

But How was Lin ze treating her now.

“The more old Mrs. Lin thought about it, the more bitter she felt. ”

It was unbearable.

“Lin Ze’s heart had long since turned cold toward Old Mrs. Lin, he continued, “Grandma, the heavens are good at reincarnation. Who would be spared by the heavens? Right now, you’re stirring up trouble in the family because of a Feng Xianxian! Sooner or later, Karma will find you! Perhaps, Karma is already on its way! When that time comes, it’ll be too late for you to regret it.” ”

Feng Qianhua had done bad things and thought that she could hide it from the world.

“In the end, she still got what she deserved. ”

Lin Ze believed that old Mrs. Lin would see the truth one day!

Inexplicably.

“Lin Ze’s words reminded Old Mrs. Lin of what Feng Xianxian had said, and she felt a chill in her heart. ”

No.

No.

Feng Xianxian definitely wouldn’t treat her like that.

Old Mrs. Lin comforted herself in her heart.

“Lin Ze didn’t want to say anything more, so he turned around and walked toward the dormitory door.”

“Ah Ze! Don’t even you want to acknowledge me as a grandmother?”Old Mrs. Lin shouted.

Lin Ze walked inside without turning his head back.

Old Mrs. Lin couldn't help but cry.

Was she really making the wrong choice?

Why couldn't they accept Feng Xianxian?

"She was the old lady of the Lin family, and she was already in her eighties. She had walked on more bridges than they had walked on. Why couldn't they understand her?"

Were they trying to force her to death?

Old Mrs. Lin stood under the dormitory for a long time before she returned to Feng Xianxian's apartment.

"At five in the evening, Feng Xianxian returned from outside."

"The moment she opened the living room door, she saw Old Madam Lin lying on the sofa."

Could it be that the medicine had taken effect?

Feng Xianxian narrowed her eyes. "Grandma."

Old Madam Lin did not react.

Feng Xianxian took another step forward. "Grandma?"

Old Madam Lin still did not react.

“Just as Feng Xianxian heaved a sigh of relief, old madam Lin suddenly opened her eyes and looked at Feng Xianxian. “Xianxian, you’re back?” ”

Still not acting up?

“A glimmer flashed across Feng Xianxian’s eyes, but a smile appeared on her face. She walked over to Old Lady Lin and said, “Grandma, why are you sleeping on the sofa? Let me help you to your room!” ”

Old Lady Lin looked at Feng Xianxian and felt that she had misunderstood Feng Xianxian this morning.

Feng Xianxian was filial and sensible. She would definitely not harm her.

“If Feng Qianqian wanted to harm her, would she still be so concerned about her? ”

A misunderstanding!

It must be a misunderstanding.

“Old Madam Lin smiled and said, “It’s fine. The sofa is fine. I was waiting for you to come home. I didn’t expect to fall asleep while waiting.” ”

“Feng Qianqian helped old madam Lin into the bedroom and said, “Grandma, you can rest in the bedroom for a while. I’ll go and Cook.” ”

“Chapter 799: 176: Old Mrs. Lin’s retribution, the burning began to torture the dregs! 3”

Gao Di said that the effect of the medicine would take 10-24 hours to take effect.

“If the medicine was fine, even if old Mrs. Lin was fine now, she wouldn’t be able to hold on for long.”

She would just wait a little longer.

“Thinking of this, Feng Xianxian narrowed her eyes and turned to walk in the direction of the restaurant.”

“Soon, Feng Xianxian had prepared three dishes and a soup and asked Old Lady Lin to come out for dinner.”

“Old Lady Lin walked out of the bedroom. Before she reached the dining hall, she felt her head heavy and her legs light up. Her vision went black and she fell to the ground.”

Bang —

The Loud Sound gave Feng Xianxian a fright.

Feng Xianxian turned her head and saw that Old Lady Lin had fallen to the ground.

The effects of the medicine had taken effect!

“However, in order to ensure that nothing went wrong, Feng Xianxian did not immediately reveal her true thoughts. She immediately walked to Old Lady Lin’s side and asked with concern, “Grandma, Are You Alright? Let me help you up.””

“Seeing Feng Xianxian running over anxiously, Old Lady Lin’s eyes turned red.”

She had not seen the wrong person.

She had not seen the wrong person.

Her fall this time had nothing to do with Feng Xianxian. It was just an accident!

Feng Xianxian helped Old Lady Lin Stand Up.

“But at this moment, Old Lady Lin’s limbs were stiff and her mouth and eyes were slanted. She couldn’t even speak a complete sentence, so how could she stand up?”

It was also at this moment that Feng Xianxian dared to confirm that the drug was really acting up.

Gao Di didn’t lie to her.

This medicine could really cause a person to suffer a stroke!

“Thinking of this, Feng Xianxian was ecstatic.”

Good!

This was really great!

“”Mom, I’ve Avenged You,”Feng Xianxian said with trembling lips, unable to hold back her tears.”

“Although Old Lady Lin had suffered a stroke, her consciousness was still clear.”

“Hearing this, her eyes were filled with shock.”

No.

It couldn’t be.

“Feng Xianxian wouldn’t harm her. Old Lady Lin looked at Feng Xianxian and tried her best to utter a broken syllable, “Xianxian, Xianxian, save, save, save...””

Feng Xianxian looked down at Old Lady Lin with a smile on her lips. “Do you want to Say Save You?”

“Old Lady Lin’s eyes were wide open, filled with panic and disbelief.”

How could this be?

She was so good to Feng Xianxian.

Why did Feng Xianxian want to harm her?

Why?

““Old Woman, let me tell you, no one can save you now!” At this moment, Feng Xianxian was so unfamiliar that she was like a different person. She had removed all her disguises, “From the moment you personally sent my mother to prison, you should have thought of today! Let me tell you, I actually know that my mother poisoned you! I even helped my mother boil the medicine! I’ve been waiting for this moment! The heavens have eyes, retribution is not pleasant! Old Woman! I finally saw you get your retribution with my own eyes!””

“In order to please Old Lady Lin, Feng Xianxian had disguised herself for far too long.”

“At this moment, she no longer wanted to disguise herself.”

“Throughout the whole process, Old Lady Lin just looked at Feng Xianxian, her eyes filled with sadness.”

She really thought of Feng Xianxian as her biological granddaughter.

“Otherwise, she would not have believed in Feng Xianxian after what happened this morning.”

“She thought that if she thought of Feng Xianxian as her biological granddaughter, Feng Xianxian would also think of her as her biological grandmother.”

But she was wrong.

She was really wrong.

Feng Xianxian was a poisonous snake that could bite people.

Everyone else could see Feng Xianxian’s true face.

Only she.

“Only her old eyes were dim, and she was deceived by this poisonous snake.”

Old Lady Lin never dreamed of today.

“Feng Xianxian continued, “Old Lady, do you want to know why you suddenly had a stroke?””

“At this point, Feng Xianxian paused. “Because of the cup of red date water last night.””

Red date water.

It was indeed the cup of red date water.

“If not for the fact that the pain in her body had not completely disappeared, Old Lady Lin would have thought that she was dreaming.”

She wished that this was a dream!

She could not believe that this was real.

A granddaughter that she had doted on for twenty years would actually harm her.

“For Feng Xianxian, Old Lady Lin had even turned against her own son, grandson, and granddaughter.”

“In the end, she ended up like this.”

Retribution!

Feng Xianxian was right.

This was retribution!

A hot tear fell from the corner of Old Lady Lin’s eyes.

She regretted it.

She really regretted it.

She regretted not listening to what Lin Jincheng and the others said.

She regretted not recognizing people clearly.

She made the people who were really good to her heart cold.

Raising a tiger as a threat.

Eating the consequences.

“After saying this, Feng Xianxian stood up and walked towards the study.”

“Old Lady Lin was lying on the ground, unable to move her hands and feet. Even turning her head had become a luxury. She could only look at the ceiling. She tried to open her mouth to call for help, but she could not even utter a single syllable.”

“Chapter 800: 176: Old Mrs. Lin’s retribution, the burning began to torture the dregs! 4”

“Just then, old Mrs. Lin suddenly found that her phone was in her pocket. ”

She could call the police.

Call the police and arrest Feng Xianxian.

“Old Mrs. Lin wanted to take out her phone to call the police, but her hands didn’t listen to her. ”

“At this time, she was like meat on a chopping board. ”

She could only be slaughtered.

Would Feng Xianxian kill her to vent her anger?

“Perhaps, Feng Xianxian had gone into the house to get a murder weapon? ”

“She had already had a conflict with Lin Jin Cheng and the others, and she had treated Feng Xianxian so well. Even if Feng Xianxian really killed her, no one would suspect anything ”

What should she do?

What should she do now?

She could not die just like that.

“If she died, who would reveal Feng Xianxian’s true colors. ”

“The More Old Lady Lin thought about it, the more panicked she became. She could only shout in her heart, “Jin Cheng, come and save mom...” ”

“” Ah Ze, Chouzhuo, Grandma was wrong...” ”

“Grandma is sorry.”

“” And Qingxuan, Qingxuan, Mom was wrong. Mom really was wrong. Mom shouldn’t have stopped your marriage with Xiaoman.” ”

“Not long after, Old Lady Lin’s face was covered in tears. ”

Tap Tap Tap —

“Five minutes later, the sound of Feng Xianxian’s footsteps appeared in the living room again. ”

Old Lady Lin couldn’t do anything. She could only watch as the footsteps got closer and closer to her.

Was she going to die?

“Even if she was a ghost, she wouldn’t let this B \* Tch Feng Xianxian off!”

“At this moment, Feng Xianxian stopped beside Old Lady Lin. She reached out and pressed Old Lady Lin’s hand. Then, she took out the printing ink and pressed Old Lady Lin’s thumb into the printing ink.”

Printing Mud?

What is Feng Xianxian trying to do?

What is she trying to do?

“At this moment, Old Lady Lin saw Feng Xianxian take out a document. Then, Feng Xianxian pressed a handprint on her thumb on the document.”

Share Rights?

“When she saw the five big words on the document, Old Lady Lin woke up from her dream.”

It turned out.

It turned out that Feng Xianxian was here for the shares of the LIN Group!

No.

She couldn’t let Feng Xianxian take the shares of the LIN Group.

Old Lady Lin wanted to struggle.

But she couldn't struggle at all.

She could only glare at Feng Xianxian.

"Looking at Feng Xianxian's face, Old Lady Lin wished she could stand up and bite her to death!"

But she couldn't do anything now.

She could only watch helplessly as Feng Xianxian used her hand to imprint her fingerprint on the share rights.

Not only that.

Feng Qianqian even imitated Old Lady Lin's handwriting and wrote a will.

"The main content of the will was that if anything unfortunate happened to Old Lady Lin, Feng Qianqian would inherit everything in the Lin family. Lin Jincheng and ye Shu would not get a single cent."

Slut!

Feng Qianqian was a slut!

"After pressing the fingerprint, Feng Qianqian put away the will and the share rights agreement. Then, she seemed to have changed into a different person, crying, she said, "Grandma, What's Wrong With You? What's wrong with you? Just wait, I'll call 120 immediately! I'll definitely save you!" "

Feng Xianxian hurriedly called 120.

She had already asked Gao Di.

“At the age of Old Lady Lin, once she had a stroke, even the gods would not be able to save her!”

Old Lady Lin knew what Feng Xianxian was planning.

But she could not stop Feng Xianxian.

“She could only pray in her heart that the doctor could help her recover. She had to tear Feng Xianxian’s true face apart with her own hands. Otherwise, even if she died, she would not be able to close her eyes.”

120 came very quickly.

“Twenty minutes later, Old Lady Lin appeared on the emergency table.”

Feng Xianxian waited anxiously outside the emergency room.

Yes.

She was very anxious.

She was afraid that an accident would happen. What if Old Mrs. Lin was cured?

Feng Xianxian paced back and forth.

“Two and a half hours later, the door of the emergency room was opened and a doctor in a white coat walked out.”

“Feng Xianxian hurriedly walked over. “Doctor, how is my grandmother?” ”

“The Doctor took off the mask on his face and said regretfully, “Although the patient was saved, she may not be able to stand up again in the future.” ”

“Feng Xianxian heaved a sigh of relief, but she still looked very anxious. “Then can my grandmother speak normally?” ”

The doctor shook his head.

No.

That’s great.

That’s really great.

“Feng Xianxian sniffed, with red eyes, she said, “Doctor, can you tell me why my grandmother suddenly became like this? Will she really not be able to stand up again in the future? My grandmother is a very strong person. She Can’t stand up and she can’t speak. How will she be able to live?” ”

“The doctor looked at Feng Xianxian, “The patient is old and all the organs in her body are failing. I’m not very sure about the exact cause of the stroke. Your family members should also be more open-minded and take good care of the elderly. Maybe one day, they will see a miracle.” ”
