“Chapter 801: 176: Old Mrs. Lin’s retribution, the burning began to torture the dregs! 5”

Miracle?

“If a miracle could be so easily seen, would it still be called a miracle?”

A huge rock in Feng Xianxian’s heart finally fell to the ground.

“When Old Mrs. Lin woke up again, the tip of her nose was filled with the choking smell of medicine.”

She was...

In the ward?

Old Lady Lin tried to move her hands.

“However, it was as if her hands were weighed down by a huge rock. She could not lift them up at all. Her hands and feet could not move.”

“Old Lady Lin tried to open her mouth again. “Ah, ah...””

A complete sentence turned into a broken syllable when it reached her mouth.

““Elder sister, you’re Awake?” At this moment, an old man with a walking stick walked over. He looked at Old Lady Lin and said, “Elder sister, you’re looking for your granddaughter, right?””

“Your granddaughter went downstairs to buy food. Don’t worry, she’ll be up soon.””

Who was this old man’s granddaughter?

Was It Ye Zhuo?

“Thinking of this, a glimmer of hope appeared in Old Lady Lin’s eyes.”

“After saying this, the old man continued, “Elder sister, you’re a lucky person. Your granddaughter stayed in front of your bed all night last night. Her eyes were swollen from crying!””

“At this moment, footsteps could be heard from outside the ward.”

A figure walked in from outside.

“The old man smiled and turned around. “Xianxian, you’re back. Your grandmother has already woken up.””

Hearing this.

The light of hope in Old Lady Lin’s eyes instantly disappeared without a trace.

Feng Xianxian...

Why was it still Feng Xianxian.

“To the current Old Lady Lin, Feng Xianxian was a devil.”

“Feng Xianxian walked over with a smile, “Grandma Liu, I don’t know what you like to eat, so I brought you a portion of preserved egg and lean meat porridge.””

“Look at you, child, why are you still buying it for me! I Can't Take This! You can give it to your grandmother.”

“Feng Xianxian directly placed the preserved egg and lean meat porridge on the old man's bedside table, “I also bought a portion for my grandmother, so you can eat it. Your legs aren't good, so it's not convenient for you to go downstairs to buy things.””

“The old man was extremely grateful. He turned around to look at Old Lady Lin and said enviously, “Elder sister, why do you think I don't have the same fortune as you?”At the end of his sentence, the old man sighed.”

Old Lady Lin looked at the old man.

It was as if she could see herself in the past.

“At that time, everyone said that Feng Xianxian was up to no good.”

“However, she seemed to have been possessed.”

She was determined to go her own way.

She had hurt the people closest to her for Feng Xianxian!

“At the thought of this, Old Lady Lin's eyes turned red once again, and tears streamed down her face.”

She was wrong.

She was really wrong.

“If she was given a chance, she was willing to kneel down in front of everyone and repent.”

“When the old man saw Old Lady Lin Crying, his eyes also turned red. He said emotionally, “Elder sister, Don’t cry. When you cry, I’m going to cry too. With such a good granddaughter, you should laugh.””

Laugh?

“When she heard this, Old Lady Lin felt that it was extremely ironic.”

She was indeed very funny!

She was the biggest joke in the world!

“Feng Xianxian sat by the bed and opened the disposable lunch box to feed Old Lady Lin. “Grandma, you haven’t eaten for a day. Hurry up and eat something.””

Old Lady Lin only wanted to strangle Feng Xianxian right now. How could she be willing to open her mouth?

“Feng Xianxian cried, “Grandma, I know that you’re feeling very uncomfortable right now and can’t accept this reality, but things have already happened. Don’t worry, I’ll take good care of you in the future. “It’s okay if you can’t walk anymore. In the future, I’ll be your leg. Wherever you want to go, I’ll accompany you!””

“The old man beside her also advised Old Lady Lin, “Elder sister, this child is giving you a token of his appreciation. Just eat a little. Xianxian was worried that you wouldn’t be able to make it last night and didn’t sleep a wink. You should eat a little more so that this child can rest assured!””

The old man felt that Old Lady Lin was a little insensible.

“Feng Xianxian was so nice, but Old Lady Lin didn’t appreciate it.”

“If she had such a good granddaughter, she would wake up laughing in her dreams.”

Some people...

Really did not know how blessed they were.

“Old Lady Lin glared fiercely at Feng Xianxian, and there was something she wanted to say in her heart.”

“However, she could not say a single word.”

She hated herself!

“Right now, she wished that she could go back to three months ago and slap her stupid self to wake up.”

Unfortunately.

There was no medicine for regret in this world for her to eat.

““Grandma, I’m begging you, just eat a little.”Feng Xianxian sighed. If people who did not know saw her, they would really think that she was a good and filial granddaughter, “Grandma, I Know You’re blaming me for not arranging a VIP ward for you, but we don’t have any money now. All my money has been spent on your surgery...””

Chapter 802: 176: Old Lady Lin’s retribution! 6

“Hearing this, the old man chimed in, “Elder sister, this is your fault. The child doesn’t have the conditions to let you stay in the VIP ward. You should understand. How can you throw a Tantrum?” ”

“Old Lady Lin tried her best to open her mouth, wanting to say everything. ”

But she couldn't say a single word.

“The old man looked at Feng Xianxian again. “Xianxian, Where's your father? Your Grandmother is sick. Why aren't your parents coming over to take a look?” ”

“Feng Xianxian said hesitantly, “I'm not related to my grandmother by blood. My uncle doesn't recognize my grandmother anymore. I called them last night, but they didn't pick up either...” ”

“Hearing this, the old man looked at Feng Xianxian in surprise. He didn't expect that Feng Xianxian and Old Lady Lin weren't related by blood. ”

Feng Xianxian was really too kind. She could actually treat a person who wasn't related to her by blood so well.

“If it were anyone else, who could do what Feng Xianxian did? ”

“Feng Xianxian continued, “Although I'm not related by blood to Grandma, Grandma has treated me like her own granddaughter since she was young. Now that he's old, it's only right for me to treat her better.” ”

Only old madam Lin knew that Feng Xianxian was putting on an act.

Everyone had been deceived by Feng Xianxian.

No!

No!

She could not let Feng Xianxian succeed just like that.

She wanted to live on.

She wanted to live on well.

She wanted to see Feng Xianxian's retribution with her own eyes.

"Thinking of this, Old Madam Lin opened her mouth. "

"Feng Xianxian immediately fed Old Madam Lin a spoonful of preserved egg and lean meat porridge, breaking her tears into a smile. "Grandmother, it's good that you have thought it through." "

The next second.

Old Lady Lin wanted nothing more than to immediately spit out the preserved egg and lean meat porridge in her mouth.

This preserved egg and lean meat porridge was not a normal bowl of preserved egg and lean meat porridge at all.

It was so salty!

It was intentional.

Feng Xianxian did it on purpose!

She wanted to slowly torture herself to death like this.

"But now, apart from glaring at Feng Xianxian, Old Lady Lin could do nothing else. "

“After taking the first bite, Old Lady Lin refused to open her mouth to take a second bite. ”

“Feng Qianxian said with some doubt, “Grandma, Why aren’t you eating? is the porridge not to your liking? Why don’t I Go and buy you a new one?” ”

“The old man next door took a bite of the preserved egg lean meat porridge and said with a smile, “This preserved egg lean meat porridge is delicious! Qianxian, you don’t have much money to begin with, so don’t waste it! Your Grandma is not eating, so maybe she is not hungry?” ”

“Feng Xianxian sighed, her eyes filled with sadness. “Maybe grandmother is still blaming me! If I had found out earlier that grandmother had fallen, she wouldn’t be like this! It’s My Fault, it’s All My Fault!” ”

““No, child, it’s not your fault,”the old man comforted Feng Xianxian. ”

He was very dissatisfied with Old Lady Lin.

“Feng Xianxian was not her biological granddaughter, so it was already very rare for her to be so good to her. ”

“It was fine if Old Lady Lin did not appreciate her kindness, but now it was Feng Xianxian’s fault! ”

“At night, Feng Xianxian fed old lady lin salty noodles again. ”

“Old Lady Lin did not eat much throughout the day. At noon, Feng Xianxian fed her salty thin meat porridge. At this time, she was so thirsty that her throat was almost smoking. She only wanted to drink a cup of water, how could she still eat noodles? ”

“But now, even if she couldn’t eat, she had to grit her teeth and eat it. ”

She had to live well.

She had to live to see Feng Xianxian suffer!

...

A week later.

Old Mrs. Lin was officially discharged from the hospital.

“Old Mrs. Lin sat in her wheelchair, looking at the long-lost sunshine. There was no expression in her eyes.”

These ten days.

“Feng Xianxian fed her salty food at every meal, and only gave her half a cup of water every day...”

She didn't even know how she survived.

But she told herself.

She had to endure it!

Only by enduring it could she see Hope.

Feng Xianxian pushed Old Lady Lin in the direction of the LIN Group.

“Now, Old Lady Lin had already put her fingerprint on the share rights. From now on, she was the real owner of the LIN Group.”

“She had already discussed with the five shareholders who had previously withdrawn their capital from the LIN Group. After she officially took over the Lin Group, she would let these five shareholders reacquire their shares!”

“Now, these five shareholders had already arranged a press conference in the LIN Group.”

She wanted to push Old Lady Lin to publicly announce that she was the real successor of the Lin Group!

“Very quickly, Feng Xianxian pushed Old Lady Lin to the Lin Group’s headquarters.”

At this moment.

Many reporters had gathered below the LIN Group’s building.

“When they saw Feng Xianxian pushing Old Lady Lin over, reporters immediately trotted over, “Miss Feng, there are rumors that Old Lady Lin left all the shares of the LIN Group to you and even left a suicide note. Is this news true?””

Chapter 803: 176: Old Lady Lin’s retribution! 7

Feng Xianxian smiled and looked up. “The press conference is about to begin. I will answer your questions in public.”

“At that moment, Zhou Dawei jogged over. “Xianxian.””

“Grandpa Zhou.” Feng Xianxian looked up at Zhou Dawei.

“Zhou dawei continued, “Let’s go in first.””

Feng Xianxian nodded.

Seeing so many people and seeing so many reporters...

Old Mrs. Lin faintly felt uneasy.

But there was nothing she could do now.

What to do?

What to do?

What should she do?

“Ah, ah, ah...” Old Mrs. Lin opened her mouth anxiously, but she just couldn’t say anything. ”

“Zhou Dawei continued, “Have you brought the share rights and the will?” ”

“Don’t worry, Grandpa Zhou, I’ve brought them all.” ”

Zhou Dawei nodded.

The LIN Group held an emergency meeting at the last minute.

11 o’clock sharp.

The press conference officially began.

“Feng Xianxian pushed Old Lady Lin to stand on the high platform, accepting the reporters’ interviews, “Although Grandma isn’t my biological grandmother, she’s even closer than my biological grandmother. If not for this accident, I wouldn’t know that Grandma actually left everything to me. “Perhaps, she is completely disappointed in uncle Lin and Auntie Ye!” ”

Twisting black and white.

Feng Xianxian was twisting black and white!

“Old Lady Lin was so angry that her entire body was trembling. She glared fiercely at Feng Xianxian, and her eyes were terrifyingly red. ”

“However, in the eyes of outsiders, it was as if she was moved by Feng Xianxian. ”

““Director Lin, what do you think about this?”The reporter handed the microphone to Lin Jincheng again. ”

“Lin Jincheng’s expression did not change, “The LIN Corporation was single-handedly taken down by my father. I believe that my mother will not easily hand it over to outsiders! Everyone has also seen that my mother is now completely paralyzed and unable to speak! Therefore, I now question whether the share rights deed and the will have any legal effect!” ”

““Director Lin, do you mean that the share rights deed and will in Miss Feng’s hands are forged?” ”

“Yes.”

“Feng Xianxian raised her head and looked at Lin Jincheng, “Uncle Lin, as Grandma’s son, not only did you turn a blind eye to Grandma, you even chased the eighty-two-year-old grandma out of the House! “The reason why Grandma suffered a stroke and became paralyzed was all because of your anger! “Ask Yourself, have you ever fulfilled your responsibilities as a child? “You can’t rely on Grandma’s inability to speak to change the facts and question whether the letter of ownership and will were fake! “If you didn’t disappoint grandma, would grandma have left all of this to me?” ”

Old Lady Lin couldn't speak now. The handprints on the will and the share concession were Old Lady Lin's.

"At this moment, as long as Old Lady Lin didn't speak, even if Lin Jincheng had eight mouths, he wouldn't be able to explain it clearly!"

"Feng Qianqian just looked at Lin Jincheng, her eyes concealing her pride."

"Soon, the Lin Corporation would be hers."

She did not disappoint Feng Qianhua!

As soon as these words were said.

"The reporters exploded, one after another, they handed the microphones to Lin Jincheng. "Director Lin, did you really chase Old Lady Lin out of the House?" "

"Did you and your wife indirectly cause Old Lady Lin to become like this?"

"Feng Xianxian's eyes were red as she said, "Grandma is here today. She knows best whether I'm lying or Not! If she could speak, she would definitely explain this matter in front of everyone! Unfortunately, Grandma will never be able to speak again! Uncle Lin, as a child, don't you feel guilty at all for harming Grandma Like This?" "

"Who said that my grandma can't speak?"

"At this moment, the door at the entrance was pushed open."

A slender figure walked in.

Against the light.

It was hard to see her face clearly.

But looking at her like this.

Every step was like the wind.

It was so cool that it made people want to scream.

“Chapter 804: 177: serves her right, Feng Xianxian goes to prison! 1”

Who Is This?

Feng Xianxian narrowed her eyes.

It's... Ye Zao?

What is ye Zao doing here?

Is he here to make a fool of himself?

“Seeing ye Zao Come Over, Old Lady Lin's originally obscure eyes instantly filled with hope.”

Ye Zao.

It's Ye Zao.

Ye Zao has finally arrived.

“This feeling was like someone who had lost their way in the desert, suddenly walking out of the desert and seeing the bustling city.”

Old Lady Lin just looked at Ye Zao.

She couldn't even bear to blink her eyes.

“Zao Zao.” Seeing ye Zao, Lin Jincheng, who was originally uneasy, suddenly felt reassured.”

Although ye Zao was only 20 years old.

She was more steady and self-controlled than many adults.

Even his father often felt inferior to her.

“Ye Zao suddenly came over, and the aggressive reporter immediately handed the microphone to ye Zao. “Are you the daughter of the Lin family who has been missing for many years?””

“Excuse me, Miss Lin, what is the meaning of your words to Miss Feng?””

“Did your father, president Lin, really kick old lady Lin out of the family and do nothing about it?””

What did wealthy families value the most?

Filial piety and reputation.

“If Lin Jin Cheng really did something outrageous, he would be finished after the media's ferment.”

“As a well-known entrepreneur, he had to establish a correct view of the world for the people!”

“Ye Zao’s lips curled up slightly. He lowered his eyes and pressed down on the microphone that the reporter handed over. His clear and picturesque eyebrows seemed to be coated with a layer of snow. “I am ye Zao, Ye Zao’s Ye, Ye Zao’s Zao.””

“Ye Zao’s Ye, Ye Zao’s Zao.”

“It was a short sentence, but it was so powerful that it made people shudder.”

“After saying that, ye Zao continued, “Regarding the questions that everyone has, I think that my grandmother is the most suitable person to answer them!””

Old Lady Lin?

Feng Xianxian narrowed her eyes.

What was ye Zao trying to do?

Could it be that ye Zao Could Cure Old Lady Lin?

No!

That was impossible!

“She had consulted all her life, and even the most authoritative doctor in Beijing could not do anything about Old Lady Lin’s illness.”

How could ye Zao Possibly Cure Old Lady Lin?

Feng Xianxian comforted herself in her heart.

“Hearing this, the reporter also frowned. “Miss Ye, don’t you feel that what you said is contradictory? Old Lady Lin can’t speak now, how can she dispel our doubts?””

Feng Xianxian narrowed her eyes.

She wanted to see how ye Zao would explain himself!

“Ye Zao’s brows remained the same. “My grandmother suffered a stroke because someone drugged her. As long as the poison in her body is removed, she can open her mouth to dispel elder sister’s doubts.””

“Hearing this, Feng Xianxian’s heart skipped a beat.”

Ye... Ye Zao could really remove the poison in Old Lady Lin’s body?

“Also, how did ye Zao know that Old Lady Lin was poisoned?”

What was going on?

Feng Xianxian’s face was slightly pale.

“Hearing this, Old Lady Lin’s face was almost covered in tears.”

Biological granddaughter.

Ye Zao was indeed her biological granddaughter.

“Now that she knew that she was the one who was poisoned by Feng Xianxian, Ye Zao was probably the only one.”

“In the past, she had let ye Zao Down.”

“She had raised a tiger as a threat, and she had let someone down.”

“Ye Zao looked back slightly. “Miss Feng, my grandmother is still unable to speak. Why are you panicking?””

“Feng Xianxian tried her best to calm herself down. “Miss Ye, What’s there for me to panic about? Don’t slander me!””

“Ye Zao’s tone was indifferent, and the corners of his mouth held a hint of a smile. “I saw that Miss Feng’s face was so pale, and I thought that Miss Feng was panicking! Looks like I’ve misunderstood Miss Feng. I hope that Miss Feng can be as calm and composed as she is now.””

“As he finished speaking, ye Zao took out a silver needle.”

“His fair fingertips twirled the silver needle. Under the light, it reflected a cold light.”

The others did not recognize this silver needle.

“Feng Xianxian, on the other hand, did. Back then, when Master Yu suddenly fell ill, ye Zao had used this silver needle to save Master Yu.”

What should he do?

What should he do now?

No!

No.

He could not let ye Zao Cure Old Lady Lin.

“Thinking of this, Feng Qianqian immediately stood in front of Ye Zhuo. “Miss Ye, what are you trying to do? Grandma’s body is not good to begin with. Do you want to kill Grandma?””

“Looking at Feng Qianqian who was blocking in front of her, Old Lady Lin wished she could stand up and bite her to death!”

Slut!

“Feng Qianqian, this slut.”

Ye Zhuo raised his eyebrows slightly and the corners of his mouth curled into a faint smile. “Why? Are you feeling guilty?”

“”Why would I feel guilty?”Feng Qianqian continued, “I’m afraid that you’ll kill Grandma!””

“Ye Zao stretched out his hand and gently pushed Feng Qianqian aside. “Since you’re not feeling guilty, then don’t block the way.””

“She seemed to be gently pushing him away, but in fact, only Feng Qianqian knew how much strength ye Zao had.”

“Chapter 805: 177: serves her right, Feng Xianxian goes to jail! 2”

“Feng Xianxian came back to her senses and wanted to stop him, but it was too late.”

Ye Zao had already taken the silver needle and pierced it into Old Lady Lin’s auricular acupoint.

Old Lady Lin only felt a wave of dizziness in her head.

Boom!

Something exploded in front of her eyes.

“After the dizziness, there was a violent headache.”

Old Lady Lin closed her eyes and fainted just like that.

Seeing this scene.

Everyone sucked in a breath of cold air.

Feng Xianxian’s face was pale. She stretched out her hand to check Old Lady Lin’s breath.

“No, she was not breathing!”

Feng Xianxian was delighted.

Good!

Great!

She had thought that ye Zao really had some ability to cure Old Lady Lin.

She did not expect that one needle would send old lady Lin to the afterlife.

“Now that there was no evidence of her death and Ye Zao was the murderer who killed Old Lady Lin, who would be able to stand in her way in the future?”

“Although she was very happy, Feng Xianxian still pretended to be very sad. Her sobbing voice sounded, “Grandma! Grandma, are you okay? Ye Zao! I know that you have never liked Grandma and hated Grandma! But even if you hate grandma, you can’t do this to her! You actually killed Grandma! This is your own Grandma! Ye Zao, don’t you have a conscience? !” ”

Dead?

Old Lady Lin is dead?

“This time, the crowd completely exploded. ”

No one expected that Old Lady Lin would actually die.

“Ye Zao’s brows and eyes were still the same, there wasn’t even the slightest trace of panic on her face. ”

Feng Xianxian narrowed her eyes.

“Old Lady Lin was no longer breathing, could it be that ye Zao still had the ability to bring her back from the dead?”

All she needed to do now was to put on a good show.

She did not expect that even God was helping her.

“Grandma! Grandma!” Feng Xianxian lay on Old Lady Lin and cried miserably. “Please Wake Up!”

She looked like a filial granddaughter.

“At this moment, Old Lady Lin, who had her eyes closed, suddenly opened her eyes. Before Feng Xianxian could react. ”

PA —

A slap landed directly on Feng Xianxian’s face.

This slap stunned everyone.

Feng Xianxian felt as if a mountain was pressing down on her. Blood flowed backwards from her body and her face instantly turned pale.

She could move?

Old Lady Lin could actually move!

Wasn’t she dead?

What was going on?

Feng Xianxian covered her left cheek and looked at Old Lady Lin in disbelief.

“”B * Tch! You snake-hearted B * Tch!” Although Old Lady Lin could move her hands and speak, she still could not stand up. She sat in her wheelchair and could only look at Feng Xianxian. ”

That gaze was as if it was going to eat her up.

Feng Xianxian was immediately stunned and did not know how to react for a moment.

“Seeing that Old Lady Lin did not recover, the reporters immediately passed the microphones over. “Old Lady Lin, may I ask if you have signed the share concession letter and are willing to leave all the shares of the Lin Group to Miss Feng?” ”

“Old Madam Lin said, “No! “I have not signed any share concession letter, and I have not left any will! “The reason why I suddenly had a stroke and became paralyzed was also because of the poison that this B * Tch Feng Xianxian had poisoned me! “After I was poisoned, she forged the share concession letter and the will and pressed my hand on the forged share concession letter and Will!” ”

Old Lady Lin could finally speak. She wished she could tell her everything that she had suffered during this period of time.

It felt so good to be able to speak.

“When she said this, everyone was in an uproar. ”

No one had expected that things would turn out this way.

“Feng Xianxian tried her best to calm herself down. “No, I didn’t! I didn’t do these things. Grandmother, did you remember wrongly? The share rights and will were all decided by you! I didn’t force you! No!” ”

“Old Mrs. Lin raised her head to look at Feng Xianxian, her gaze terrifyingly cold, “I raised you for twenty years! I doted on you for twenty years! I treated you better than my own granddaughter! I even turned against my own biological son and granddaughter because of you! But what about you? Is this how you repay me? You actually poisoned me! Slut! You deserve to die!” ”

Old Mrs. Lin never thought that Feng Xianxian would lay a hand on her one day.

“If she hadn’t experienced all this herself, old Mrs. Lin wouldn’t have believed it. ”

No one knew how happy old Mrs. Lin was at the moment.

She could finally speak.

She could finally expose Feng Xianxian's crimes in front of everyone.

"During the ten days in the hospital, Old Mrs. Lin even thought that she was going to die under Feng Xianxian's torture."

"Chapter 806: 177: serves her right, Feng Xianxian goes to prison! 3"

"Fortunately, the heavens have eyes!"

"If Old Lady Lin could stand up at this moment, she would have already stood up and strangled Feng Xianxian."

Unfortunately.

She couldn't stand up at all now.

This was all caused by Feng Xianxian!

"Faced with this sudden scene, the reporters seemed to have dug up some big secret of the day. One after another, they handed microphones to Feng Xianxian. Countless cameras aimed at Feng Xianxian's face and slapped it frantically."

Feng Xianxian was like a deflated rubber ball. She collapsed on the ground like dead wood and ashes.

She never dreamed that things would suddenly turn out like this.

She originally thought that she could smoothly take away everything that belonged to her.

What should she do?

What should she do now?

Who could help her?

“Under the current situation, no one could help her.”

She could only think of a way to save herself.

No matter what.

She could not let anything happen to her.

“No, it’s not like that. Grandmother, I was also framed...” Feng Xianxian cried as she crawled in front of Old Lady Lin.

Old Lady Lin was an idiot.

“As long as she said a few soft words, Old Lady Lin would definitely forgive her!”

Right.

She would definitely forgive her.

“Thinking of this, Feng Xianxian’s eyes lit up as she cried, “Grandmother, please forgive me just this once. Just this once, I will be your slave to repay you! I really know my mistake! Grandmother, i Beg You...” ”

“Unfortunately, this time, Old Lady Lin did not relent. She turned to look at Lin Jincheng. “Jincheng, call the police!” ”

Lin Jincheng nodded and arranged for someone to call the police.

“”No! Grandma! You Can’t call the Police!”Feng Xianxian hugged Old Lady Lin’s hand. “I know my mistake! Please forgive me one more time, okay? This is the last time!” ”

Old Lady Lin pushed Feng Xianxian away.

“Feng Xianxian was thrown to the ground, her face full of tears. ”

No.

She couldn’t.

She couldn’t go to jail.

“Feng Qianhua was already in jail. If she was arrested again, they would be finished. ”

“”Grandma, I’m begging you. Since you’ve watched me grow up, please forgive me just this once, okay? As long as you can forgive me, I’m willing to pay any price! As long as you give me a chance, I’ll definitely turn over a new leaf and be filial to you... ..” ”

“Old Lady Lin looked at Feng Qianxian coldly. No matter how badly Feng Qianxian kowtowed, she did not frown. ”

Feng Qianxian knew that she could not continue kowtowing like this.

She had to think of a way.

“Feng Qianxian narrowed her eyes and looked up at Old Lady Lin. “Grandma, I owe you my life. Then today, I’ll return this life to you!” ”

“As soon as she finished speaking, Feng Xianxian rushed toward the wall at the side. ”

Bang!

A bloody mark appeared on the snow-white Wall.

Feng Xianxian also fainted on the ground.

“At the same time, the police came in one after another. ”

“Who called the police?”

““Officer, I called the police.”Lin Jincheng walked in front of the police. ”

“When Feng Xianxian woke up again, she saw nothing but white. ”

Was this the hospital?

“Looking up, she saw an old lady with white hair sitting by the bed. ”

Old Lady Lin!

“When Feng Xianxian saw Old Lady Lin, a hint of pride flashed across her eyes.”

She knew that Old Lady Lin would definitely forgive her.

“After all, after Feng Qianhua’s poisoning of Old Lady Lin was exposed last time, she had only cut her wrist and Old Lady Lin had already forgiven her.”

Idiot!

“Feng Xianxian curled her lips and hid her smug look in her eyes. She said weakly, “Grandma...” ”

“You’re Awake?” Old Lady Lin sat in her wheelchair and looked at Feng Xianxian.

“Feng Xianxian nodded. “Grandma, I’m sorry... I was wrong in the past. I didn’t expect you to forgive me...” ”

““It’s good that you’re awake.” Old Mrs. Lin turned her wheelchair and looked outside the door. “Officer Yin, Officer Ma, Feng Xianxian is awake.” ”

Feng Xianxian realized that one of her hands was handcuffed to the bed.

What was going on?

Could it be that old Mrs. Lin didn’t forgive her?

“Grandma?” Feng Xianxian looked at Old Mrs. Lin in disbelief. The cold sweat on her face almost appeared all of a sudden.

“Grandma?” Old Lady Lin sneered. “You still dare to call me grandma when death is at hand! Feng Xianxian, do you really think that I will be deceived by you again and again?” ”

“Feng Xianxian swallowed her throat and wanted to get up and run out of the door, but one of her hands was handcuffed, so she couldn’t run at all. ”

What should she do?

What should she do now?

Feng Xianxian was flustered.

“Just then, two policemen came in through the door. ”

Feng Xianxian was taken to the temporary interrogation room.

Chapter 807: 177: she deserved it. Feng Xianxian is in jail! 4

“In the interrogation room, Feng Xianxian admitted to drugging Old Lady Lin. “Officer, I was also threatened! Grandma has raised me for 20 years. How can I be so heartless!” ”

The policeman looked up at Feng Xianxian. “Who threatened you?”

“Gao di! It was Gao di!” Feng Xianxian gave Gao di up. “The drug that caused Grandma’s stroke was also given by Gao Di!”

The main culprit and the accomplice were two completely different concepts.

“Moreover, she was threatened by someone. ”

“Moreover, this matter was originally Gao di’s idea. ”

“If Gao Di didn’t give her the two bottles of medicine, why would she drug Old Lady Lin? ”

In order to prevent such a day.

Feng Xianxian even left a recording of her conversation with Gao di on her phone.

“If anything happened to her, Gao Di wouldn’t be able to escape. ”

“Thinking of this, Feng Xianxian calmed down a little. ”

The police officer raised his head and gave his companion a look.

His companion immediately understood and walked out of the door.

“The police officer continued, “Tell me how Gao di threatened you.” ”

Feng Xianxian told him what she had already prepared.

At the same time.

Lin Manor.

“Ye Zhuo sat at his computer table, his ten fingers constantly jumping on the black keyboard. ”

“In a short while, she hacked into a certain surveillance screen. ”

She pressed the Delete key.

“After doing all this, Ye Zhuo closed the webpage and opened another webpage. After finding two audio clips, she also pressed the Delete key.”

Done!

“After doing all this, Ye Zhuo sent a message to Wang Shuya.”

“Gao Di was sitting opposite Wang Shuya, and his expression didn’t look good.”

“Wang Shuya looked up at Gao Di and smiled. “Don’t worry, my goddess has already settled everything.” ”

“Really?”

“Wang Shuya nodded. “If it’s not true, you can push me out when the time comes.” ”

Wang Shuya had absolute trust in ye Zhuo.

“Hearing this, Gao di heaved a sigh of relief.”

“At this moment, a servant came in with a policeman. “Miss Gao, these two policemen said that they came to look for you to understand something.” ”

“Seeing the police officers, Gao di stood up in surprise. “Officers, may I ask why you are looking for me?” ”

“May I trouble Miss Gao to have a private chat with us?”

Gao di nodded. "Of course. Let's go to the study."

"After saying that, Gao di turned to look at Wang Shuya and said apologetically, "Sister Ya, please excuse me for a moment." "

"You can go back to your work."

Gao Di brought two policemen to the study room.

"When they arrived at the study room, the policemen went straight to the point. "May I ask where Miss Gao is on the afternoon of April 12th?" "

"April 12th?" Gao di frowned, "It's already may 9th today. I can't remember where I was on the afternoon of April 12th. If it was a rest day, I should have stayed at home or gone out for a stroll. If it was a work day, then I must be working at the unit." "

"Do you know Feng Xianxian?"

"Feng Xianxian?" Gao Di shook his head. "I don't know her."

"The police officer took out two medicine bottles, one white and one blue. "Does Miss Gao know these two things?" "

"No." Gao di continued, "Officers, what exactly happened? Can you tell us?" "

At the police station.

"After knowing that Gao di denied knowing her, Feng Xianxian was not surprised. After all, who would want to be involved in such a thing. "

“Fortunately, she was prepared!”

“Feng Xianxian continued, “I have a recording of my phone conversation with Gao Di!” ”

“Hearing this, the policewoman took out Feng Xianxian’s phone. “What’s the password?” ”

“698512.”

“The policewoman unlocked it and said, “Which folder does the recording belong to?” ”

“You can search for it directly.”

“The policewoman followed Feng Xianxian’s instructions and said, “I didn’t find it.” ”

“Feng Xianxian said, “Impossible! I clearly saved the recording!” ”

The policewoman handed the phone to Feng Xianxian.

“Feng Xianxian took the phone and searched for ten minutes, but she couldn’t find the recording on both ends. ”

“”How could this be? How could this be? I clearly recorded the recording.”In order to prevent the recording from being lost, Feng Xianxian even saved the recording into the cloud drive. ”

“But now, the cloud drive couldn’t find the recording either. ”

“The police continued, “Later, we will contact the technology department. They will check whether or not there is a recording in your phone. Other than recording, what other ways can you get famous? Do you know Gao Di?” ”

“Surveillance! Every time we meet, we are under surveillance!” ”

“Which day’s surveillance? What is the specific time?”

“Feng Xianxian continued, “At 3 o’clock in the afternoon on April 12th, we met at the red street light 100 meters below the intersection of Huaihai Middle Road. There is a coffee shop opposite.” ”

“Chapter 808: 177: serves her right, Feng Xianxian goes to jail! 5”

The police immediately went to retrieve the surveillance footage from that day.

“In order to make a mistake, they watched from 2 pm to 5 pm, but they still did not see Feng Xianxian and Gao di meet.”

“Did you remember wrongly?”

“No! I didn’t remember wrongly!” Feng Xianxian was a little flustered, and continued, “Is it because the surveillance footage is broken?””

“The policewoman next to her said, “If the surveillance camera at the intersection is broken, then the surveillance camera at the coffee shop across the street will definitely be able to capture it! Captain Wang, why don’t we check the surveillance camera at the coffee shop?””

“Okay.” Captain Wang nodded.

A few policemen went to the coffee shop to negotiate with the owner of the coffee shop to get the surveillance camera at the coffee shop.

But.

“After checking for two whole hours, they still couldn’t find the surveillance camera of Feng Xianxian and Gao Di’s meeting.”

“When she found out that there was no surveillance footage of Gao di meeting her in the cafe, Feng Xianxian was on the verge of breaking down.”

How could this be?

“Feng Xianxian tried her best to calm herself down and said, “Oh right, there’s also a call record. I called Gao Di! You can check the call record!””

“At this moment, the call record became the only evidence that she and Gao di knew each other.”

Unfortunately.

The result still disappointed Feng Xianxian.

“After a few police officers went to check, they didn’t find any phone records between her and Gao di in Feng Xianxian’s phone records. Instead, they found records of Feng Xianxian buying medicine in Feng Xianxian’s shopping account.”

Everything was accusing Feng Xianxian of being the mastermind.

No one threatened her at all.

What Gao Di.

What recording.

It was all her own doing.

The police transferred Feng Xianxian to the Supreme People's Court in Beijing that afternoon.

"After the trial, Feng Xianxian was sentenced to 12 years in prison."

"When she heard the news, Old Mrs. Lin was very happy, but she was still a little angry."

"Feng Xianxian had done so many wrong things, and in the end, she was only sentenced to 12 years in prison."

"But on the other hand, it was quite worth it."

Feng Xianxian was only twenty years old this year.

"Twelve years later, she would be thirty-two years old."

"At that time, what else could she do?"

"Old Mrs. Lin sat in her wheelchair and turned to look at Auntie Wang. "Is scorching hot at home today?" Currently, although all the toxins in old Mrs. Lin's body had been removed, her legs were crippled."

She could only spend the rest of her life in a wheelchair.

Retribution.

This was her retribution.

"Feng Xianxian's retribution was twelve years in prison, and her retribution was crippled legs."

“Today is Sunday. Ah Ze and Zhongruo are both at home,” Auntie Wang said.

“Push me to the east courtyard.”

“Okay.”

“Ten minutes later, Auntie Wang pushed Old Mrs. Lin to the east courtyard.”

The courtyard was very peaceful.

Lin Jincheng and Ye Shu were watering the flowers and plants.

Old Lady Lin’s eyes were slightly red when she saw this scene. How come she had never realized the beauty of life before?

“Lin Jincheng and Ye Shu were such a good couple, and Lin Ze and Ye Zhuo were such good grandsons and granddaughters. Moreover, she was dissatisfied with them all day long, and she even thought of ways to break them up.”

It was all her fault.

All of this was her fault!

“If she had lived a peaceful life, there wouldn’t have been so much trouble.”

Old Lady Lin was very regretful now.

But what was the use of regretting?

These things had already happened.

Old Lady Lin closed her eyes and looked up at Lin Jincheng. "Jincheng."

Lin Jincheng didn't notice Old Lady Lin. It wasn't until Old Lady Lin opened her mouth that he knew Old Lady Lin had come over. "Mom."

Ye Shu also walked over. "Can I get you a glass of water?"

Old Lady Lin shook her head and smiled. "No need to trouble yourself. I'm not thirsty."

"After saying that, old lady lin continued, "I came over today to apologize to your family of four. I'm sorry. It was my fault. I was blind in the past. I've let down your family of four, and I've let down Zhuo Zhuo!"

"Zhuo Zhuo is a good granddaughter, but I'm not a good grandmother. I know it's too late to say anything now, but I still want to personally apologize to all of you."

"Lin Jincheng sighed. "Mom, if I knew this would happen, why did you do it in the first place?"

"If not for this incident, Old Madam Lin would probably have been deceived by Feng Xianxian for the rest of her life."

"Although Old Madam Lin was also a victim, Lin Jincheng could not sympathize with her."

"If Old Lady Lin had listened to her advice, she would not have ended up in this State!"

Old Lady Lin had not only nearly harmed herself.

"If ye Zao had not intervened, she would have even implicated the entire Lin family."

“Old Lady Lin also sighed. “Oh right, where are Zao and Ah Ze? I want to personally apologize to the two children.””

Chapter 809: 177: she deserved it. Feng Xianxian is in jail! 6

“I’ll go get them.”Ye Shu turned around and walked into the house.

“After a while, Ye Shu walked out of the house with Lin Ze and ye Zao. ”

“Old Mrs. Lin looked at the two of them and said with slightly red eyes, “Zao Zao, Ah Ze, Grandma has let you two down...” ”

“Ye Zao didn’t have much expression on his face, “You know very well what you’ve done. It would be too hypocritical of me to say that it’s okay. I hope that in the days to come, you’ll remember this lesson. Don’t forget the pain after you’ve healed your scars.” ”

Although Old Mrs. Lin had already crippled a pair of legs.

Ye Zhongrao still could not forgive her for what she had done.

What was done could not be undone.

“Sometimes, what was done was done.”

“Old Lady Lin nodded. “Don’t worry, Zhuo Zhuo. There won’t be a next time.” ”

“After saying a few words to Old Lady Lin, ye Zhuo and Lin Ze returned to their room.”

“Old Lady Lin looked at Lin Jin Cheng. “Jin Cheng, can you help me contact Qingxuan?” ”

“A wary look appeared in Lin Jin Cheng’s eyes. After all, Old Lady Lin had been very dissatisfied with Xia Xiaoman and Lin Qingxuan. ”

“Why are you looking for fourth brother?”

“”Jincheng, don’t misunderstand. I just want to apologize to Qingxuan.”After so many things had happened, old Mrs. Lin had thought it through. “It was all my fault in the past. I shouldn’t have stopped the two of them from being lovers.” ”

Lin Jincheng somewhat doubted the authenticity of old Mrs. Lin’s words.

“After all, she had said the same thing to him twenty years ago. ”

“That year, in order to lure him back from Yunjing. ”

“Old Lady Lin pretended to agree to her and ye Shu’s matter over the phone. After he returned, Old Lady Lin fell out with him and locked him in the room. ”

“Old Lady Lin saw the suspicion in Lin Jincheng’s heart, she continued, “Jincheng, don’t worry. I really didn’t lie to you. Xiao Man is a good woman. I trust Qingxuan’s judgment. Right, is that child lizi here? You can let me meet her too! From today onwards, Lizi is my biological granddaughter!” ”

“Thinking of how an Lizi had never given an Lizi a good look in the past few days when she was in the Lin family, Old Lady Lin felt very regretful. ”

“In the past, she had gone too far. ”

“In the future, she wouldn’t. ”

“Lin Jin Cheng said, “Lizi had something to do at school and didn’t come back this week.” ”

“Hearing that, Old Lady Lin nodded regretfully and continued, “Then can you call Qingxuan? I want to apologize to them over the phone.” ”

Lin Jincheng hesitated for a moment.

“Three minutes later, he still dialed Lin Qingxuan’s number. ”

“But unfortunately, Lin Qingxuan didn’t pick up the phone. ”

“Old Lady Lin continued, “Since fourth brother isn’t picking up the phone, then forget it.” ”

“After saying that, Old Lady Lin turned to look at Auntie Wang. “Let’s go back.” ”

“Okay.” Auntie Wang nodded.

“Looking at Old Lady Lin’s back, Lin Jincheng turned to look at Ye Shu. “Ah Shu, do you think mom really knows her mistake this time?” ”

Ye Shu retracted her gaze. “It’s hard to say now.”

“After all, after Feng Qianhua’s incident was exposed last time, Old Lady Lin had a look of regret on her face. ”

It was just that.

She had not regretted it for three days before her true nature was revealed.

Ye Shu did not have any expectations for Old Lady Lin now.

In the western courtyard.

“After sister-in-law Wang pushed Old Lady Lin back, the servants brought the bird’s nest to Old Lady Lin.”

“Old Lady Lin raised her hand to reject. “From today onwards, I’m a vegetarian.” ”

“She had already done too many wrong things in the first half of her life, and she wanted to use the second half of her life to make up for it. ”

“Hopefully, it was not too late. ”

...

Sunday.

“In the morning, after Ye Zhuo sent the last design to nine Li, he left the house. ”

“Just as he left the house, he saw a low-profile Maybach parked there. ”

“In front of the car door, there was a tall figure leaning against it. His eyes were slightly lowered, and he could vaguely see a string of bright red Buddhist beads in his hand. ”

Ye Zhuo walked over. “When did you get here?”

“Just now.”Cen Shaoqing put the Buddha beads back between his fingers and opened the door of the passenger seat.

Ye Zhuo sat in the car.

Cen Shaoqing also got into the car from the other side.

“Leader, have you thought about where to eat?” Cen Shaoqing tilted his head and looked at Ye Zhuo. ”

A face filled with the vicissitudes of time suddenly appeared in front of ye Zhuo’s eyes. “Let’s Go for half a month?”

“Okay.” Cen Shaoqing nodded slightly.

Soon.

The car arrived at half a month.

“The half a month was still the same half a month, but compared to the first time they came here, the lilies in the courtyard bloomed even more vigorously. ”

“Just as the two of them walked in, Aunt Lang came out to welcome them. “Shaoqing is here.” ”

“Aunt Lang.”

“Aunt Lang turned to look at Ye Zao, a smile blossoming on the corner of her mouth. “Zao Zao is here too!” ”

“Do not know how, as long as see ye Zhuo, Lang aunt had a kind of inexplicable intimacy. ”

“Chapter 810: 178: Shunxi Financial Group, the mystery of the disappearance of half a month”

It was as if she had known ye Zao for a very long time.

It was precisely because she had an inexplicable sense of familiarity with ye Zao that Aunt Lang gave the grasshopper that she had treasured for many years to ye Zao when they first met.

“If it wasn’t for the fact that her age wasn’t right, she would even suspect that ye Zao was the half a month that she had lost for many years.”

Unfortunately.

Her age wasn’t right.

“Right now, Aunt Lang could only bury her longing for her daughter in the bottom of her heart and wait for the Little Half Moon.”

The Little Half Moon was the place where her daughter went missing.

“She believed that if her daughter passed by this place one day and saw the Little Half Moon, she would definitely remember everything.”

“Thinking of this, Aunt Lang’s eyes turned slightly red.”

“Ye Zhuo looked at Aunt Lang, his brows and eyes curved. “Aunt Lang.” ”

“Aunt Lang forced back her tears. “Quickly follow me in. Two old ducks were sent over from the countryside this morning. Zhuozhuo, do you like the old duck vermicelli soup? If you like it, Aunt Lang will make it for you.” ”

“Okay.”Ye Zhuo nodded and smiled. “I like eating the old duck vermicelli soup the most.”

“Aunt Lang nodded. “Okay, then I’ll go make the old duck vermicelli soup for you now. Shaoqing, take Zhuozhuo inside.” ”

“Okay.”

“Ye Zhuo continued, “There’s no rush to go inside. Cen Shaoqing, let’s go take a walk on the street. It’ll take some time for Aunt Lang to make the old duck vermicelli soup anyway.” ”

“Ye Zhuo had been in a hurry the last time and it was night, so he had yet to take a good look at this retro street. ”

“Aunt Lang said, “Right, right, right. Shaoqing, take Zhuozhuo around the neighborhood first. The old duck vermicelli soup will take at least half an hour. You guys can come back in half an hour.” ”

The two walked for half a month and strolled along the streets.

The walls were green and the tiles were flagstones.

On both sides of the flagstones were antique houses with two small lanterns hanging in front of every door.

Walking on such a small road gave people the illusion that they had traveled through ancient times.

The weather these days was not very good.

A layer of dark clouds covered the top of the street.

The Breeze was gentle and brought along a drizzle.

“It’s raining.”

Ye Zhuo pulled Cen Shaoqing and hid under the eaves.

“Walking in such an ancient town, the drizzle added a lot of charm. ”

“Ye Zhuo watched the raindrops drip down from the eaves, while the man next to her looked down at her. ”

It was affectionate.

It was as if she was the only one left in the world.

Ye Zhuo reached out to receive a drop of rain.

The two of them hid under the eaves for a while.

“Not only did the rain not decrease, but it was getting heavier. ”

It would not stop for a while.

“Cen Shaoqing saw that there was an umbrella seller not far ahead. “Leader, wait here for a while. I’ll go and buy an umbrella.” ”

“I’ll go with you.”Ye Zhuo’s gaze also landed not far away.

“”It’s not good for a girl to get caught in the rain.”After saying that, Cen Shaoqing rushed into the rain. ”

“About five minutes later, a tall figure appeared in ye Zao’s line of sight. ”

“The man was wearing a moon-white retro-styled long robe, with a bright red Buddhist bead in his right hand. There was a solemn and cold air in his refined and elegant manner, and his powerful domineering aura could not be ignored. His left hand was holding an oil-paper umbrella as he walked in the rain.”

“In the mist, the man came with an umbrella, and his tall and straight figure seemed to blend into the misty rain of Jiangnan.”

The man pursed his thin lips tightly. His facial features seemed to be covered with an impenetrable layer of frost. The flirtatious little red mole at the corner of his eye just happened to echo with the Buddha Pearl in his hand.

Ye Zao looked at him and smiled. “Why did you buy an umbrella?”

Cen Shaoqing stretched out his hand to ye Zao with a natural expression. “Because the shop only has one umbrella left.”

“Naturally, the shop only had one umbrella left.”

It was because Cen Shaoqing did not want to be too far away from her.

“OH.”Ye Zhuo placed his hand on Cen Shaoqing’s hand.

The two of them walked together towards the small half moon.

“The oilpaper umbrella was not very big. Cen Shaoqing covered most of the umbrella above ye Zhuo’s head. In a short while, the rain drenched most of his shoulders.”

“As she expected that it would not rain when ye Zhuo and Cen Shaoqing went out, Aunt Lang jogged over to deliver the umbrella to them.”

“When she reached the corner, Aunt Lang saw two figures walking over from the opposite side.”

Under the rain.

“The two of them were holding an umbrella. The Man’s face was like a crown of jade, and his temperament was extraordinary. One look and one could tell that he was a dragon and Phoenix among men.”

“The little girl beside them was even more like a celestial being, and her entire body was shrouded in an aura that was like an orchid in an empty valley.”

The misty rain and the ancient building behind them became the background panels for the two of them.

“Aunt Lang looked at the two people, the corner of her mouth unconsciously raised, quietly put away the umbrella in her hand, turned around and walked back.”
