Chapter 81: 073: go to the capital, the anniversary party! 2

This was a dress that could adjust the temperature!

It could be bought without tens of thousands of yuan?

Although tens of thousands of yuan was quite expensive, it was really worth it to buy a dress that could adjust the temperature!

Therefore, even if it was tens of thousands of yuan, Lin Sha still felt that it was worth it.

This kind of high-tech was not something that could be bought with money.

Ye Zao said, "Sister Shasha, I remember that you gave me a necklace on my birthday. Do you want me to transfer the money for this necklace to you?"

As he said that, ye Zao pulled out a four-leaf clover necklace from his neck.

The silver four-leaf clover necklace made his fair skin look even clearer like snow.

Lin Shasha did not expect ye Zao to wear the necklace that she gave him all the time. Her heart suddenly felt warm.

"The necklace that I gave you is not worth anything. How can it compare to this dress!"

Ye Zhuo held Lin Sha's hand, "But in my heart, this necklace is priceless. It represents our friendship, just like the dress that I gave you. "Sister Sha Sha, if you treat me as a friend, don't mention money anymore. Otherwise, I will be angry."

Ye Zao had said so much. If he refused, it would be unreasonable.

Lin Shasha continued, "Then I will accept it. Thank you, Zao Zao."

"You're welcome." Ye Zao continued, "Wonderful Music's party is on the evening of the 18th. I plan to go to the capital a day earlier. After the party, I will also play in the capital for a few days. Sister Shasha, do you have time?"

Hearing this, Lin Shasha's eyes lit up.

"Okay, okay. I've never been to the capital before." Lin Shasha had quit her job because of the abortion and had not gone to work yet.

She had just enough time to play for a few days.

After saying this, Lin Shasha continued, "Don't you have classes, Zhuo Zhuo?"

January 18th was not the winter holiday yet. Ye Zhuo was only in his third year of high school. Lin Shasha was afraid that it would affect her studies.

Ye Zao shook his head. "I've already made an agreement with our class teacher. As long as I'm back on time for the final exam, it will be fine."

Ye Zao had already promised Jiang Wenhui that he would definitely get into the top ten of the grade for the final exam, so Jiang Wenhui had approved so many days of leave.

"That's good." Lin Sha nodded.

Because it was Ye Zao's first time going out, Ye Shu was worried that he did not sleep well the night before.

Ye Sen was also worried. "Zao Zao, why don't I Go With You?"

Yun Jing was thousands of kilometers away from the capital. If he did not go with Ye Zao, Ye Sen would not be at ease.

“Yes, yes, yes. Let your uncle go with you.”Ye Shu nodded in agreement.

Ye Zao shook his head, “Uncle, are you still not at ease with my skills? The express delivery company is just on the right track now, and it is an important period of development. If you are not in charge of the overall situation of the company at this time, I wonder how much business you will lose!”

Just as ye Zhuo thought, Ye Sen was very business-minded.

In just two months, he had brought the company back from the brink of bankruptcy.

At present, Shengdong Express Company’s business was already expanding to the neighboring city.

Ye Sen said, “But no matter how important the business is, it’s not as important as you! I have to go with you!”Although ye Zhuo’s skills were not bad, she was still an 18-year-old child after all. What if she was cheated?

“Uncle, you really don’t have to worry. By the way, Sister Shasha is accompanying me.”

“Shasha is going too?”Ye Shu asked.

Ye Zao nodded slightly.

Ye Shu was relieved to hear that Lin Shasha was going too.

Lin Shasha had been working for a few years and had traveled a lot by herself. She had a lot of social experience.

With Lin Shasha accompanying ye Zao, there was no need to worry.

“So, Mom, uncle, don’t worry. I’ll be fine.”

The next morning, Ye Sen drove ye Zao and Lin Sha to the airport.

Ye Sen was worried that the two girls would be deceived outside, so he told them a lot of things.

“Remember to lock the door when you’re in the hotel. Don’t open the door for strangers. When you’re there, remember to call me.”

Ye Zao nodded. “I understand, uncle. Why are you acting like a little old man? I’ve repeated this sentence ten times!”

“People talk too much and trees have too many roots. Do you think I’m being too long-winded?” Ye Sen patted ye Zao’s head.

Ye Zao was a little stunned by the PAT.

In her previous life, she was a big boss in technology. She had never been treated like a child, nor had she been patted on the head like this...

Soon, they arrived at the airport.

Chapter 82: 073: Going to the capital, the anniversary party! 3

Yesen repeated what he had just said.

This time, Yesen did not complain that Yesen was too long-winded.

They got on the plane.

Lin Sha smiled and said, “Zaozao, I didn’t realize before that uncle was so cute.”

“Didn’t he treat Mu Yourong like this in the past?”Yesen asked.

“No.”Lin Sha shook her head,

in the past, Mu Yourong despised ye Sen for being just a delivery man. She did not even want to talk to him. She even liked to ridicule him. She did not treat ye Sen as an elder at all.

Liking each other was mutual.

Since Mu Yourong despised ye Sen so much, Ye Sen naturally did not like Mu Yourong.

Therefore, Lin Sha had always thought that ye Sen was a very serious person.

She didn’t expect Yesen to be so cute.

It took four hours to fly from Yunjing to the capital city.

So, after the plane took off, Yesen put on an eye mask and began to take a nap.

Last night, the live broadcast lasted until three o’clock in the morning, which was a good time to catch up on sleep.

Just then, a piercing cry of a baby was heard in the air.

“Wah, wah, Wah...”

All the passengers on the plane were startled awake and looked towards the source of the sound.

It was a young couple.

The husband was holding the child and coaxing him.

The wife said with a red face, "I'm sorry everyone, the child choked when he was eating just now. I'm sorry, I'm Sorry Love."

At this moment, the child's crying stopped abruptly.

The husband said, "Shuxiang, quick, look, what's wrong with the baby! Why is her face so Green!"

Chu Shuxiang looked down and was so shocked that her face turned pale. Her sobbing voice sounded, "Baby, Baby, are you okay?"

The child's face was black and blue, and her lips were tightly shut. She looked as if she was about to die.

"Quickly give the child to me." At this moment, a light voice appeared in the air.

Chu Shuxiang looked up and saw that the other party was a young girl around the age of seventeen or eighteen.

She was very beautiful.

It was the most suitable description to describe her as devastatingly beautiful.

It was just that she was a little young.

"You, what do you want to Do?" Chu Shuxiang looked at ye Zao with a guarded expression.

Ye Zao smiled faintly. "I know the Qi Huang technique. Quickly give the child to me, or else she will lose her life."

Hearing this, not only were the young couple stunned.

Even the other passengers on the plane were stunned.

Such a young girl actually said that she knew Chinese medicine.

Wasn't this a joke?

Chinese medicine was the quintessence of the nation left behind by the ancestors, and there were many mysteries in it. Normal people had to study for more than ten to twenty years before they could master it, so since ancient times, Chinese medicine had always been the elderly.

How many young people dared to say that they knew Chinese medicine.

Therefore, Ye Zao's words were no different from a joke.

The young couple did not dare to trust ye Zao either.

At this moment, the child's face turned from green to white at a speed visible to the naked eye. His body was also soft. The husband immediately cried out. He did not think too much and quickly handed the child to ye Zao.

"I beg you to save my baby!"

"Jianbang! You're Crazy!" Chu Shuxiang looked at Zhou Jianbang in disbelief.

Then, she snatched the child back from ye Zhuo's hands. "Give the child back to me!"

Zhou Jianbang hugged Chu Shuxiang. "Shuxiang, don't be so agitated. Let this young lady try!"

The child was already on the verge of death!

Under such circumstances, she could only try her best.

It was better than watching the child die!

Chu Shuxiang struggled with all her might. "Zhou Jianbang, let go of me! She will cause the death of our baby!"

As a mother, Chu Shuxiang could not bear to see Zhou Jianbang hand over his own flesh and blood to a little girl who was not even an adult yet.

Zhou Jianbang looked at Ye Zhuo. "Little girl, Please!"

Ye Zhuo nodded slightly and carried the child. He half-squatted down and pinned the child on his knees.

Ye Zhuo first pressed a few major acupoints on the child's body and then gently patted the child's back.

After a series of movements, the child did not improve at all. Instead, it became more serious.

Lying on Ye Zao's knees, he did not move at all, as if he had already died.

Seeing This!

The passengers on the plane all sucked in a breath of cold air.

The little girl was really too daring!

This was a human life!

“I knew that this little girl definitely did not know Chinese medicine!”

“This is too ridiculous!”

“I wonder how this little girl’s parents taught her! She really doesn’t know what’s good for her!”

“Poor little baby, she’s not even two years old yet...”

Listening to the voices of the crowd, Chu Shuxiang had already lost control.

Chapter 83: 073: Going to the capital, the anniversary party! 4

“Zhou Jianbang, you killed my daughter, I’ll fight you to the death!”

“Baby!”

Even though the people around were talking about her as if she was a murderer, ye Zao’s face didn’t change at all. He continued his action and gently patted the child’s back.

He lowered his eyes slightly, and his long eyelashes covered the emotions in his eyes.

“Urgh—”

At this moment, the child suddenly vomited a pool of blood.

“Wa wa wa wa...”the child, who was already close to death, started crying loudly again.

This cry was obviously much more energetic than before.

At the same time, the child's expression also slowly turned better.

Seeing this, everyone's faces were filled with shock!

If they had not seen it with their own eyes, who would believe that a little girl would have such ability.

Oh My God!

It was really too amazing.

To think that they had even suspected that the little girl would cause the death of this child.

Not only did she not have a child, but she even saved this child's life!

"Baby! Baby, you're Alright!"

"Thank you, little girl, thank you!"

The couple was so excited that they wanted to kneel down to ye Zao.

At the same time, thunderous applause sounded in the cabin.

Their blood was boiling.

"It's nothing. You Don't have to do this." Ye Zao quickly helped the couple up and continued, "If I'm not wrong, this child should be born before the month is up, right?"

Chu Shuxiang hurriedly nodded. "Young Lady, you're right. My Baby was born prematurely at seven and a half months pregnant. The system is much worse than a baby of the same age."

Ye Zhuo continued, "That's no wonder. It's best for such children not to eat seafood. Take care to keep warm during normal times."

"Thank you! Thank you! Little benefactor, What's Your Name? Where do you live? When we reach the capital, the two of US will definitely thank you properly!" Chu Shuxiang was extremely regretful, just now, she actually did not believe this young lady and was even worried that she would harm her baby to death.

Sometimes, age was not equal to strength!

Although the little girl was young, her ability was not small at all.

If it was not for her today, the consequences would be unimaginable.

Moreover, although she had saved her child, she was not too proud of it. She had always been like this, neither proud nor impatient.

She was also not angry because she and the other passengers on the plane had misunderstood her.

This measure, this temperament.

Not to mention a little girl, even many adults could not compare to her.

"No need to thank me. Traditional Chinese medicine emphasizes the fate of doctors. I saved this child's life by accident. It's my fate with the child," ye Zao said faintly.

Zhou jianbang said, "Benefactor, can you tell me your surname? You saved our child's life. If we don't even know the surname of our benefactor, how can we rest assured in the future?"

“My surname is Ye.” Ye Zao’s tone was indifferent.

After saying this, ye Zao walked to his seat.

Zhou Jianbang and Chu Shuxiang held the child in their arms and looked at ye Zao’s back. They memorized her surname in their hearts.

Seeing ye Zao return, Lin Sha was so excited. “Zao Zao, you were so handsome just now!”

At the beginning, Lin Sha was scared to death.

She thought ye Zao was going to get into trouble.

She didn’t expect ye Zao to turn the tables in the end!

He was so handsome!

Ye Zao raised his eyebrows slightly and said, “Of course, who asked me to be so good-looking?”

This scene was watched by an old man with white hair.

He looked at ye Zao with admiration in his eyes and then walked to the first-class cabin.

There were only four seats in the first-class cabin, so the space was very spacious.

On the right side of the row, an old man with white hair sat on the inner seat. The Old Man’s face was very pale, and he was leaning on the back of the chair to rest.

“Old Man.”

Hearing this, the old man slowly opened his eyes. "Fu Nian, what's wrong?"

Sun Fu Nian lowered his voice and told the old man about what happened in the cabin.

Then he said, "Old man, I see that the young lady's medical skills are very good. Why don't we invite her over to take a look at you?"

The old man waved his hand. "I know my body." His illness was a death disease and there was no cure for it. The old man no longer had any hope.

Hearing this, Sun Fu Nian sighed. "Are you really not going to try?"

The old man's illness was very strange. The pain was unbearable when the illness started. If it continued like this, even a young man would not be able to endure for long.

"No need." The old man laughed and said, "Fu Nian, I'm already so old. It's natural for people to die. It's nothing."

Chapter 84: 073: go to the capital, the anniversary party! 5

Even though that was what he said.

But who didn't want to Live Well?

Especially since the old man still had a very important wish that hadn't been fulfilled.

There was only a disappointed sigh in the air.

Soon.

The plane arrived at the capital airport.

Sun Fu Nian helped the old man off the plane.

“Old Man Yang.” At this moment, a deep male voice came from behind.

Old Master Yang raised his head and saw that the person who came was a young man in his thirties. His facial features were cold and handsome. Although he was not old, the aura of a superior who looked down on the world was not to be underestimated!

Was this the Cen family’s fifth elder who was known as CEN Fifth Master?

Although Old Master Yang had only met Cen Shaoqing once, this young man was too outstanding. There was no junior in the capital who could compare to him.

Hence, old master Yang recognized him at once.

“CEN Fifth Master.” Old Master Yang stopped in his tracks and looked up.

Cen Shaoqing twirled the Buddhist beads. “Old Master, you’re too kind. You’re an elder, you can just call me by my name.”

Hearing this, Old Master Yang looked at Cen Shaoqing with a hint of admiration in his eyes. “No need to be modest. You can take on this CEN fifth master title.”

Cen Shaoqing became famous in a single battle at a young age. Although he was not old, the CEN family was currently an existence that overshadowed the heavens in China. Their seniority and prestige were very high.

Therefore, they could afford to be called fifth master Cen by Old Master Yang.

The two of them exchanged a few pleasantries,

after the old man left, Li Qiandong walked in front of Cen Shaoqing and said with a sigh, "It's said that the old patriarch of the Yang family is seriously ill and doesn't have much time left. I thought it was just a rumor, but I didn't expect it to be true."

After saying that, Li Qiandong continued, "It seems that the Yang family is going to change!"

Just now, Old Master Yang's condition was terrible to the extreme. Even someone like him who didn't know much about medicine knew that he didn't have much time left.

The Yang family was the head of the top ten wealthy families in the capital.

Back then, Old Master Yang was also a legendary figure. Unfortunately, the hero was dying.

Now, who knew how many people were waiting for grandfather Yang to fall!

Cen Shaoqing did not reply. The red prayer beads went around the back of his white hand and looked at the front of the crowd indifferently.

There were two young women standing in front of them.

One of them was wearing a beige down jacket and was talking to a little girl beside her.

The little girl was wearing a beige overcoat. The buttons of the overcoat were unbuttoned. Her long legs were slender and she wore a khaki English hat on her head. She lowered her head slightly to listen to her companion's voice. The wide brim of the hat covered her eyes and brows, only a part of her fair chin could be seen.

Although her face could not be seen, the penetrating aura around her was hard to miss.

The walking crowd at the side had unknowingly become her background.

Li Qiandong looked around and said in surprise, "Isn't that the Almighty? Fifth Brother, let's Go Say Hello!"

Cen Shaoqing nodded slightly and walked forward.

"Great God?"

Hearing this, Ye Zao raised his eyes slightly, revealing a plain white face.

He was clearly facing the sky and wasn't wearing any makeup, but his beauty was exquisite and soul-stirring.

"The Great God is really you!" Seeing that this person was really Ye Zao, Li Qiandong was very excited.

Ye Zao smiled slightly and took the initiative to greet him, "Mr. Li, Mr. Cen."

CEN shaoqing nodded slightly, "Miss Ye."

Li Qiandong continued, "God, why are you here in the capital? By the way, who is this?"

Ye Zao said concisely, "I'm here for some business. This is my good friend, Lin Sha Sha. Sister Sha Sha, this is Mr. Cen, and this is Mr. Li."

Just Li Qiandong alone was enough to surprise Lin Sha.

Moreover, Li Qiandong had Cen Shaoqing standing next to him. The aura of a man that was born to be an overlord made the air around them oppressive.

Lin Sha was so nervous that she stuttered, "Hello, Hello."

She looked at ye Zao again. He still looked indifferent.

Ye Zao was too powerful!

How could he remain so calm under such circumstances!

Lin Sha felt a sense of admiration in her heart.

Li Qiandong continued, "God, this is your first time in the capital, right? Let's go, I'll be the host today. I'll bring you to the capital to have some fun! At the same time, you can familiarize yourself with the environment."

"Thank you. We've already booked a hotel, so we won't trouble the two of you." Ye Zhuo declined politely.

Cen Shaoqing replied indifferently, "The driver who picked us up is here. If you don't mind, Miss Ye, we can get our driver to give you a ride."

As soon as he finished speaking, a luxurious extended Lincoln stopped in front of them.

Chapter 85: 073: Going to the capital, the anniversary party! 6

"Then we will accept your offer."

The traffic in the capital was so heavy that it was difficult to get a taxi. Even if they wanted to book a taxi online, they had to make an appointment. Since there was a ready-made car, ye Zao did not refuse.

"Please."

Cen Shaoqing opened the door of the car like a gentleman and carefully covered the roof of the car with his other hand.

“Thank you.”Ye Zhuo and Lin Sha sat in the car.

Seeing this, Li Qiandong was stunned.

This was the first time he saw Cen Shaoqing being so considerate to a woman.

Ye Zhuo was probably the first girl to sit in Cen Shaoqing’s car.

Could it be...

Cen Shaoqing versus Ye Zhuo?

Although Cen Shaoqing and ye Zhuo were quite compatible.

But if they were together, what would happen to Mu Yourong?

Mu Yourong was so kind, vegetarian, and even knew how to play chess.

Although ye Zao was also very powerful, she was only a big shot in science and technology. She did not know how to play chess, did not know how to do business, did not know how to design, and was also not vegetarian...

Compared to Mu Yourong, Ye Zao was a technological geek.

And Mu Yourong was all-rounded.

So, in Li Qiandong’s eyes, Mu Yourong was still the most compatible with Cen Shaoqing!

She got into the car.

Lin Sha felt like she was dreaming,

the extended version of Lincoln...

She had only seen this kind of car on television before. She did not expect to not only see it today, but also get into the car.

Lin Sha nervously held ye Zao's hand, her palm covered in a layer of sweat.

"Miss Ye, which hotel are you staying in?"

At this moment, a low voice sounded from inside the car.

Ye Zao narrowed his eyes and saw a well-defined profile. From ye Zao's angle, he could see the man's thin jaw and the sexy Adam's apple hidden under his white collar.

Perhaps it was because he had been paying respects to Buddha for a long time, but there was a faint sandalwood scent on his body. In the enclosed workshop, the sandalwood scent was especially obvious.

"We've booked the New World Glorious Hotel at 1788 Bicheng Road."

"Okay." Cen Shaoqing nodded slightly and turned around to instruct the driver to go to the New World Glorious Hotel.

The driver was also slightly stunned. His small eyes could not help but look at the rearview mirror.

He had worked for the CEN family for twelve years.

This was the first time he had seen Cen Shaoqing take the initiative to talk to the opposite sex.

Moreover, he did not know if it was an illusion, but he felt that Cen Shaoqing's words had the intention of pleasing the little girl.

After a short while, the car arrived at its destination.

Cen Shaoqing got out of the car and opened the door.

"Thank you, Mr. Cen, for today," Ye Zhuo took the initiative to thank him.

"Miss Ye, you're too polite."

Ye Zhuo continued, "I'll treat you to a meal when I have time."

"Okay."

Ye Zhuo was stunned.

She was just casually saying it, but he did not expect Cen Shaoqing to actually agree to it.

The dignified CEN fifth master still needed someone to treat him to a meal?

Cen Shaoqing raised his eyebrows slightly.

Many people racked their brains, wanting to have some nepotism with him to have lunch with him, but this little girl actually gave him a perfunctory reply...

Could it be that he was some ferocious beast?

Li Qiandong said, "Guru, how many days are you going to stay in the capital? If you have time, let's go out for a meal together?"

Cen Shaoqing replied indifferently, "It just so happens that miss ye still owes me a meal. I wonder if Miss Ye will still be in the capital on Saturday Night?"

"Then Saturday Night?" Ye Zao's tone was clear and shallow.

Why did she feel like she was shooting herself in the foot?

"Then it's a deal." Cen Shaoqing twirled the prayer beads. "Tell me on Wechat."

"Okay." Ye Zao nodded slightly.

She did not want to have too many interactions with CEN Shaoqing, but now she was riding a tiger.

After Cen Shaoqing and Li Qiandong left, Lin Sha asked curiously, "Zao, is that Mr. Cen Super Powerful?"

"Yes."

"How did you two meet?" Lin Shasha continued, "I think Mr. Cen is interested in You!" Besides, she felt that Ye Zhonghua and Cen Shaoqing were quite a good match!

The handsome man and beautiful woman looked more and more pleasing to the eyes.

"That Mr. Cen is a vegetarian all year round, and he doesn't marry," Ye Zhonghua said faintly.

"F * ck! Really? That's such a pity..." such an outstanding man actually didn't marry.

Li Qiangdong and Cen Shaoqing got back into the car. "I really didn't expect to meet the God in Beijing. Fifth brother, how do you feel about the god?"

Cen Shaoqing didn't answer and asked instead, "Send Me Sitara's live broadcast number."

Li Qiangdong frowned slightly. "Fifth brother, do you suspect that Sitara and the god are the same person?"

Cen Shaoqing didn't say anything.

Li Qiangdong continued, "They can't be the same person! I saw the God doing missions on the technology website every day. How could she have time to live broadcast?" Besides, Sitara was just a cheating dog.

Chapter 86: 073: Going to the capital, the annual gala! 7

How could she be ye Zhuo!

It was simply impossible.

"I say," Cen Shaoqing turned his eyes slightly and impatience appeared in his eyes. "I want you to send me Sitara's streamer number."

Li Qiangdong did not dare to say anything else and immediately sent the streamer number to CEN Shaoqing.

He opened Sitara's ID number.

Cen Shaoqing frowned slightly. "What's with this cheating?"

Li Qiangdong told him the whole process, "Fifth brother, I might have to disappoint you. Sitara did not win you with strength at all, but cheated! However, don't be discouraged. Although Sitara cheated, Miss Mu is the real deal..."

“She didn’t cheat.” Cen Shaoqing directly interrupted Li Qiandong’s unfinished words.

Although CEN Shaoqing was not sure if that person was ye Zhuo or not.

But after playing chess with the other party for so long.

From the other party’s chess style, it could be seen that she was not the type of person to cheat.

Li Qiandong sighed. Cen Shaoqing usually looked like a smart person. Why was it that when it came to a critical moment, he could not recognize people clearly?

“Fifth brother, no matter how much I say now, you won’t believe me. Tomorrow night, you will be able to see the truth. At that time, Sitara will definitely not dare to come. However, you can play chess with Miss Mu.”

“Is she worthy?”

“Fifth brother, your prejudice against Miss Mu is too deep.” Li Qiandong sighed again.

However, tomorrow night, Cen Shaoqing would be able to see the truth.

...

Time quickly passed, and the next day arrived.

Miao Yin’s third anniversary party was very grand. Countless reporters were waiting to film, all wanting to get the latest news.

Mu Yourong arrived neither early nor late.

As the number one female anchor in the world, she was dressed to the nines today.

She wore a limited edition Chanel gown that sold for a million dollars.

She wore a crown studded with diamonds on her head, her long curly hair draped over her shoulders. Her shoulders were faintly discernible, and her face was covered in exquisite makeup. Every step she took was like a lotus flower, making all the female anchors present pale in comparison.

Seeing the envious gazes of the surrounding people, Mu Yourong's lips curled up slightly.

She was born to be the most dazzling existence. How could these vulgar cosmetics compare to her?

"Yourong."

Seeing Mu Yourong, du Ruo jogged over.

"Sister Du."

Mu Yourong held du Ruo's hand.

Du Ruo continued, "Yourong, you're finally here. I've been waiting for you for half a day. Let's go. Director Li is over there. I'll introduce you to him." As the director of the wonderful sound platform, Du Ruo and Li Qiandong were very familiar with each other.

Hearing this, Mu Yourong's face flushed a little. "It's better not to. I'm not familiar with director Li either."

"Won't we be familiar after getting to know each other?" Du Ruo continued, "When I told director Li about you just now, he was quite interested in you."

Mu Yourong half-heartedly followed du Ruo to the audience stand.

Li Qiandong stood there.

On the seat behind him sat a man. He was holding a Buddhist bead in his hand and his long legs were crossed.

It was clearly a very casual movement, but it exploded with an imposing aura that made people unable to catch up to it.

The lights were very dim.

It was difficult to see his face clearly, but Mu Yourong recognized him immediately. This person was Cen Shaoqing.

She knew that Cen Shaoqing would definitely come to this party.

It seemed.

The day when Cen Shaoqing abused his wife for a moment and chased after the crematorium was not far away.

Mu Yourong held her head high and puffed out her chest. She maintained her best state and followed du Ruo to Li Qiandong's side.

"Director Li, this is the My Rong I told you about, Miss Mu." Du Ruo took the initiative to introduce her.

"Miss Mu, I've heard so much about you."

The graceful and graceful Li Qiandong reached out his hand. "Director Li, you're too kind. I'm just a nobody. Didn't I just lose to our rookie on the same platform, Sitara?"

“Sita la cheated, so it can’t be considered a win.”

“There’s always someone better than you. It’s normal for me to lose,” Mu Yourong continued. “Miss Sita La asked me to play chess with her tonight. Who knows, she might win again.”

Li Qiangdong looked at mu yourong, his eyes filled with admiration.

Mu Yourong was simply kinder than he had imagined.

Even at this time, she was still speaking up for someone who cheated.

Such a kind-hearted girl was really too rare in today’s society.

A smug look flashed across Mu Yourong’s eyes. Looking at Li Qiangdong’s expression, she knew that Li Qiangdong had already fallen head over heels for her.

What a pity.

Li Qiangdong and Cen Shaoqing could not be compared.

A stepping stone could only be a stepping stone forever.

Li Qiangdong continued, “Miss mu is too modest. Sitara doesn’t even dare to show her face, so how could she dare to play chess with you on the same stage?”

It was almost time for the live broadcast, but Sitara was not here yet. If this was not guilt, then what was it?

Mu yourong said, “Maybe she was delayed on the road? I think Miss Sitara doesn’t seem like the type of person who can’t be seen in the light.”

At this moment, du Ruo looked at her watch and continued, “Yourong, let’s go over there. We’re about to walk down the red carpet.”

Mu Yourong nodded and said goodbye to Li Qiandong.

Over three hundred female streamers were lining up to walk down the red carpet.

When Mu Yourong arrived, everyone immediately began to discuss.

After all, the cheating incident between Mu Yourong and Sitara had blown up so much that Sitara had even personally announced that they would participate in the gala and sent Mu Yourong an invitation to a PK.

Seeing that they were about to enter the red carpet segment, Sitara still did not come. She probably did not dare to come, right?

She was ugly and even cheated. If she came, it would only be embarrassing.

Not coming was the wisest move.

The live broadcast platform was also very exciting.

[has Sitara Come Yet?]

[waiting for the red carpet segment to slap her in the face!]

[I’ve watched for a long time, but I haven’t seen anyone at the scene who looks like Sitara. If she really came, she would probably be an ordinary-looking nobody. She wouldn’t even be comparable to Rong Rong’s little finger.]

“Hahaha! The cheating dog doesn’t dare to come ~”

“Disperse. If the cheating dog doesn’t come, I won’t be able to eat this melon.”

At this moment, the red carpet ceremony officially began.

The host stood on the stage, holding a microphone in her hand. “The first to enter is the host riding a big fish on a trip.”

The wonderful sound platform deliberately caused trouble, deliberately placing mu Yourong and ye Zao’s names at the last two.

After all, those with a lot of traffic were the last ones.

They probably knew that ye Zao did not dare to come, so ye Zao’s name was the last one.

“Next, let’s welcome our female streamer of the year, Miss My Rong!”

Mu Yourong brushed her long hair and leisurely walked towards the red carpet.

[Ahhhh! She’s so beautiful! She’s so beautiful!]

[she’s so beautiful!]

[the next one is that cheating dog, right?]

[don’t worry, there won’t be any cheating dogs. Cheating Dogs won’t dare to come!]

Mu Yourong walked onto the stage, signed her name on the advertising wall, took a photo, and then stood on the stage to wait for Sitara.

After all, she and Sitara still had a PK.

Although she knew that the clown who couldn't be seen would definitely not dare to come, she still had to do what she had to do.

"The next person will be the newbie streamer that we are all looking forward to the most! Her name is: Sitara YC's Ye! It is said that Sitara YC's ye even sent an invitation to My Rong for a PK. For this, our platform has even specially set up a chess stage for the two streamers. I wonder if we will have the honor to see the two of you PK Live!"

"Now, let's Welcome Sitara YC's Ye!"

After the host finished speaking, the red carpet was silent.

[I knew that cheating dogs wouldn't dare to come.]

[ugly bastard who died in the light!]

[disgusting!]

After waiting for dozens of seconds, there was still no movement from the other end of the red carpet.

The host held the microphone and said, "It's a pity! Our newbie host, Sitara YC's Ye, is absent tonight..."

"I'm sorry that I'm late."

A clear female voice interrupted the host's unfinished sentence.

Hearing this, everyone turned to look at the other end of the red carpet.

They saw a tall figure walking over from the other end of the red carpet against the light

Chapter 87: 074: strength slaps face, stunning all four! 1

The air was very quiet.

Everyone's eyes turned to the entrance.

Everyone was very curious about what Sitara looked like.

Was she really the second magnificent Tang princess.

But because of the backlight, no one could see her face clearly. They could only see a tall figure.

Mu Yourong just watched the figure getting closer and closer to her.

Was this Sitara?

Why did she feel that this Sitara's figure was a little familiar.

Could it be an illusion?

It should be an illusion, right?

How could she possibly know a cheating clown?

Mu Yourong's eyes revealed some ridicule.

This sitara was truly shameless.

She actually had the nerve to appear at the party.

Did she not know that everyone called her a cheating dog and an ugly freak?

However, it was good to have a clown as a foil to her at this time.

A noble flower like her would only appear more noble under the contrast of a ruined flower.

The curve of Mu Yourong's lips became more obvious.

"Da-da-da."

The sound of high heels was rhythmic.

As the figure got closer and closer, the suffocating facial features slowly appeared in the air.

She was wearing a red one-shouldered gown.

Her fair shoulders and delicate collarbones were exposed.

The fiery red was originally an extremely gorgeous color, but when it was worn on her, it was as if red was born for her.

Step by step, it was as if every step was stepping on the hearts of everyone.

It was like a red plum returning from treading snow.

Beautiful.

Extremely Beautiful.

The live broadcast camera captured this moment very well and zoomed in on her on the projector.

This was a face that could topple all living beings. Even if it was magnified dozens of times, there was not a single flaw to be found. There were no blind spots at 365 degrees.

Even Mu Yourong, who had just been in the limelight, could only serve as a foil by her side.

Seeing this face...

Cen Shaoqing, who had been resting with his eyes closed, suddenly opened his eyes and the corners of his mouth curled up into a faint smile.

So it was really her.

Cen Shaoqing twirled the Buddhist beads in his hands. The deep depths of his eyes were as dark as ink, making it impossible to tell what he was thinking.

Li Qiandong was immediately stunned.

He stared blankly at Ye Zhuo.

His face was filled with disbelief.

He even wiped his eyes a few times, afraid that his eyes were playing tricks on him.

He had not thought of ye Zao and Sitara at all.

Li Qiandong had originally thought that Sitara was just an ugly and unspeakable cheater.

He had not expected Sitara to be ye Zao.

Ye Zao was too amazing!

He was actually able to play around in the tech world while conquering the broadcasting world.

Just how many aspects of her that no one knew about?

Li Qiandong swallowed several mouthfuls of saliva. He could not describe what he felt in his heart.

Mu Yourong looked at that face.

Her pupils gradually dilated.

Was she seeing things?

Was that ye Zao?

Ye Zao was Sitara?

Sitara was actually ye Zao!

But when did ye Zao learn how to play chess?

How could ye Zao have changed so much during this period of time?

Could it be?

Ye Zao had also been reborn?

Mu Yourong suddenly had a terrifying thought.

But the ye Zao of her previous life was just trash. Even if she was reborn, it was impossible for her to be reborn. Could it be that ye Zao also had a system?

What should she do now?

If ye Zao also had a system, how was she going to win against ye Zao?

How was she going to capture Cen Fifth Master's Heart?

Little Slut!

Ye Zao was just a little slut!

She had come to snatch fifth master Cen away from him.

Shameless!

Mu Yourong clenched her fists by her waist, and a layer of sweat appeared on her forehead.

At this moment, the system's voice sounded, [host, there's no need to be anxious. I've already configured a top-tier chess skill for you. Even if the opponent is a max-level chess boss, you don't have to be afraid!]! Moreover, I've just scanned ye Zao's body, and there isn't any system on him! So, don't worry, Ye Zao isn't your opponent at all.]

Hearing this, Mu Yourong heaved a sigh of relief.

Her face returned to its calm expression.

It was good that there was no system.

So what if ye Zao was beautiful?

Even if she was beautiful, it wouldn't be able to wash away her identity as a cheating dog!

When the time came, she could still use her strength to crush ye Zao.

At this moment.

The bullet screen exploded.

Ye Zao's aura was very strong. Facing the audience and the many cameras below the stage, her face didn't show any stage fright.

She was still as calm as ever.

Every step created a breeze.

Even though it was separated by layers of screens, it still made people fearful.

[Ah Ah Ah! Is this my leaf? It's so beautiful! I Cry Bird...]

Chapter 88: 074: strength slaps face, stunning everyone! 2

[yezi is so beautiful!]

[F * ck! Yezi is so a!]

[F * ck! This streamer's face is so tough. Most people would die in front of such a high-definition camera.]

[I love her! She's a fan!]

[F * ck! With her looks and legs, I can lick them for the rest of my life!]

[punch in for Leaf!]

[my leaf is so beautiful!]

[so what if she's good-looking? Just because she's good-looking, does that mean she's not a cheating dog? ! I wonder what those brainless fans are so excited about!]

[I'm waiting for leaf to slap me in the face.]

[quick, PK!]

[it's not certain who will slap who in the face, Cheating Dog!]

The host on the stage looked at ye Zhuo just like that.

Her expression was blank.

She had worked for six years and had seen countless streamers and artistes, but she had never seen such a beautiful person.

Moreover, not only was she beautiful, but her temperament was also good to the point of exploding.

Even though she was a woman, when she saw this, she was filled with emotions.

[hahaha, the host's little sister is already intoxicated by Ye Zao's magnificent beauty!]

[I'm so envious of the host, to be able to see our leaves so closely...]

[little sister has already been successfully bent by Yezi.]

After a long while, the host finally recovered from ye Zao's magnificent beauty and guided ye Zao to sign his autograph. Then, he brought ye Zao to Mu Yourong's side, "Little Sister, let me introduce you. This is the female streamer of the year, My Rong. Do you still remember your PK with her?"

Ye Zao nodded slightly. "Of course I do."

The host continued, "Then I wonder if I will be lucky enough to see your PK today? I see that the audience on the screen is looking forward to it."

"I don't have any problems." Ye Zhuo raised his eyes slightly. I wonder if it's convenient for Miss My Rong?"

"I don't have any problems either." Mu Yourong gave ye Zhuo a friendly smile.

Little B * Tch!

In a moment, she would not even know how she was going to die!

She dared to PK with her!

She really overestimated herself.

"Then this way, please." The host made a 'please' gesture and brought the two of them to the Go board.

The two of them sat cross-legged on the futon, and in front of them was the already arranged Go board.

After guessing the pieces, Mu Yourong was the red piece.

According to the rules of chess, the red piece went first.

Mu yourong said, "I came into contact with chess earlier, so it's better to let Miss Sitara go first."

It was said that it was better to strike first.

It was the same on the chess game, where the first person had the advantage.

"Thank you." Ye Zhuo smiled slightly and said unceremoniously, "I appreciate your kindness, but I never need others to give way to me."

[TSK TSK TSK! What Big Words! There's no need to give way! Is this the attitude you have when talking to a Senior?]

[cheating dog, what a big face!]

[Yezi is handsome!]

[Yezi, we love you!]

[our Yezi doesn't need to be given way in the first place. A certain best female streamer is too good at pretending!]! Who Didn't know that the person who played first had an advantage? If Yezi really played first and won, she would definitely be accused by shameless people as giving way to Yezi! From this, it can be seen that a certain streamer is a shameless scheming B * Tch!]

[the analysis above is very correct! Our leaf doesn't need to be given up! Scheming B * Tch is Shameless.]

[Rong Rong, you can do it! Crush the Cheating Dog!]

[the cheating dog dies in the family!]

Hearing this, Mu Yourong said, "Since that's the case, then I won't be polite. Little Sister, if you lose, Don't Cry and act shamelessly."

In this battle, she wanted to make sure ye Zao cheated, so that ye Zao would never be able to turn the tables!

She was the one who could stand shoulder to shoulder with Cen Wuye.

Who Was Ye Zao?

He was just a cheating dog that could not be seen in the light.

Ye Zao slightly raised his eyes, "Similarly, I want to give it to you. If you lose, then you lose. Today's PK is fair and just. Don't always find those lousy excuses! "Also, if I win, I hope to hear an apology from miss MY Rong for the Cheating Incident."

Hearing that.

The host's expression was very interesting.

He won against Mu Yourong?

This sitara was really confident!

Did she really think that with a beautiful face, she could win against Mu Yourong in chess?

Mu Yourong was a grandmaster!

No. 1 in the entire Internet!

She was just a rookie who was suspected of cheating, how could she compare to Mu Yourong?

Mu yourong nodded, "Sure. If you lose, I hope that you can take the initiative to admit your mistake and never cheat again! As long as you behave yourself, the door of our wonderful sound will always be open for you."

[not only must you take the initiative to admit your mistake, you must also apologize to our Rong Rong!]

[Ah Ah Ah! Rong Rong is great!]

[Rong Rong should treat cheating dogs like this!]

Chapter 89: 074: face-smacking with strength, stunning everyone! 3

[Our Rong Rong is No. 1! Some shameless rookies, if you lose, don't pretend to be a white lotus flower crying and acting pitiful.]

[waiting for Rong Rong to teach the white lotus flower how to behave!]

[the large-scale face-smacking scene is about to begin. Ahhhh, the video has already been recorded. Wait for Rong Rong to crush the rookies!]

[waiting for cheating dogs to repent and apologize!]

[I'm so excited! I'm so happy!]

After the two sides had settled on their bet, the game began.

With the help of the system, Mu Yourong very carefully made her first move.

Ye Zao did not consider it and immediately placed a stone behind him.

Mu Yourong came menacingly.

In less than three minutes, she had eaten five of ye Zao's stones.

On Ye Zao's side, she actually did not eat a single stone and was at a disadvantage.

Mu Yourong smiled at Ye Zao. "The outcome has already been decided. I don't think there's a need to continue playing, right? If you continue playing, it will only be a waste of time."

Ye Zao slowly placed a piece down and said in a shallow tone, "It's not the end yet. Why are you in such a hurry?"

Mu Yourong curled the corners of her lips, "Since young miss is unwilling to give up until she reaches the Yellow River, then I will play with you until the end. However, even if I play until the end, it won't change the outcome! "Miss, everyone makes mistakes. Even though you cheated before, your chess skills are still pretty good. "I've been playing chess for a few years, you don't have to care so much about winning or losing."

She had the top-tier chess skills given by the system.

What did ye Zhuo have?

Even if she was different from before, she still couldn't beat herself!

[hahaha! Rong Rong is really amazing!]

[cheating dog is really shameless! It's still struggling on the verge of death!]

[Rong Rong is awesome!]

[cheating dog, you only know how to waste time. Don't you know that our Rong Rong's time is very precious?]

[a loss is a loss. What's the point of wasting time?]

In the audience stands.

Li Qiangdong only stared at the go game on the big screen and said in surprise, "Miss Mu is really too amazing! The God is going to lose, holy shit! Could it be that the god really cheated on the live broadcast last time?"

As he spoke, Mu Yourong ate another piece from ye Zao.

If ye Zao was really that amazing and could win against ye Zao, then she would not be at a complete disadvantage in this PK.

But now.

Ye Zao was not only at a complete disadvantage, he was completely defeated.

Faced with Mu Yourong's powerful attack, she had no ability to counterattack.

This could only mean one thing.

Ye Zhuo had really cheated.

If she had not cheated, it would have been impossible for her to win against Mu Yourong so easily on the previous live broadcast.

“I really didn’t expect that the god would cheat...”Li Qiandong could not tell what he was feeling.

To be honest.

Ye Zhuo’s actions had really disappointed him a little.

Although it was normal to want to win, it was not right to cheat.

If everyone was like Ye Zhuo, wouldn’t the Chess Circle Be in chaos?

“She didn’t cheat.”A low voice sounded from the side. “Also, she won’t lose.”

Hearing this, Li Qiandong turned to look at Cen Shaoqing.

Cen Shaoqing was staring at the big screen with a faint smile in his eyes.

This person’s chess moves were still the same as before.

It seemed to be unorganized, but in reality, every step was filled with traps.

The slightest carelessness would cause one to fall into her trap.

Mu Yourong seemed to have the upper hand, but in reality, she had already walked step by step into her trap.

Seeing Cen Shaoqing like this.

Li Qiandong sighed helplessly.

He felt that Cen Shaoqing was bewitched.

Ye Zao was clearly about to lose.

Yet, he still believed that ye Zao would win...

Did he bring his own filter when he looked at ye Zao?

Although ye Zao was a big shot in science and Technology and was very powerful, cheating was cheating. Why did Cen Shaoqing choose to avoid it?

Could it be that if he did not admit it, Ye Zao did not cheat?

At this moment.

A clear and shallow voice sounded in the air.

“General! Senior M, thank you for letting me win.” After saying this, ye Zao moved the carriage in front of the commander.

At this moment, Mu Yourong’s commander was surrounded by soldiers on both sides. He could only advance forward and could not walk on either side.

Therefore, there was only one way to face Mu Yourong.

General ye Zao!

“Holy shit!” Li Qiandong felt as if his face had been ruthlessly slapped by someone.

Mu Yourong lost?

How Could Mu Yourong lose?

What was going on?

Ye Zao’s side had clearly been completely defeated and only one carriage was left to cross the river. On Mu Yourong’s side, there were still two cannons, two carriages, two horses...

This was also inconceivable!

If he had not seen it with his own eyes, he would never have believed that this was real.

What was this called?

A strong counterattack?

“Do you know what this is called in the game of Go?” Cen Shaoqing’s voice sounded a little faint. “This is called a blind eye that can not see Mount Tai. In chess, one can not win by eating many pieces. It emphasizes on strategy and brains.”

Chapter 90: 074: strength slaps the face, stunning all four! 4

Mu Yourong’s go style was clearly not on the same level as ye Zao’s.

It was obvious that they were not on the same level.

Mu Yourong's go style was like a machine that did not know how to be flexible. All she cared about was eating the stones. She did not realize that the other party had already invaded her inner circle.

Bit by bit, it destroyed her army's morale.

[Ye Zi is awesome! It makes my blood boil!]

[F * ck! F * ck! I'm so excited!]

[I love leaf to death!]

[exciting! ! ! !]

[I want to learn chess too! I want to learn from leaf!]

[you made Bitch M so proud just now! Now You've been slapped in the face by our leaf, right?]

[Bitch M is trash in front of our leaf! Trash!]

[where are those people who said that our leaf would definitely lose? Come out! Why aren't you saying anything now?]

Someone posted on the bullet screen, "I, Leaf, V587! Glory World Beauty!"

Then, the bullet screen was flooded with these words.

[F * ck! Aren't you guys too scary? Posting so many screens has affected my appreciation of Leaf's glory world beauty!]

[as a leaf fan, I'm really gratified to see leaf go from being a cute little girl to being on the hot searches, being accused of cheating, and then to leaf's perfect counterattack, crushing MY appearance with her strength! I am also very glad that I have never given up on liking ye Zi! Ye Zi is worthy of my liking!]

[I have followed Ye Zi all the way until now. When Ye Zi was questioned, it was also the darkest period of time for us ye Zi fans. Fortunately, we did not give up!]

[I am a fan of Rong Zi. From today onwards, I will become a fan of her.]

[ye Zi let me know that there is sunshine and darkness in this world. When we face doubts, don't be sad and don't be discouraged. Remember to surge forward!]

[I'm Crying!]

[there has never been a streamer who could make my blood boil like this!]

Mu Yourong's face immediately turned pale.

Looking at the anticipation that had already been set in stone, her back broke out in layers of cold sweat.

What was going on?

How could she lose?

She had the help of the system and a top-tier chess skill. What did ye Zao have?

How could ye Zao win against her?

“System! What's going on? Why did ye Zao Beat Me? Didn't you say that no one was my match?”

The system was confused.

It had always been invincible.

This was the first time it had been defeated!

[the system has been forced to level 1! Retracting the host's top-tier chess skill! Level 5 beauty skill! Attention-grabbing skill!]

Listening to the system's cold voice.

Mu Yourong almost broke down.

It was gone!

Everything was gone!

All the skills were gone.

What should she do now?

Ye Zhuo!

Ye Zhuo, this little B * Tch!

"Miss M, have you fulfilled our bet?" Ye Zhuo looked at Mu Yourong without any expression in his eyes, but mu yourong could see the mockery in her eyes.

Slut!

Did she really think that she could do whatever she wanted just because she won against her?

Mu Yourong's lowered eyes were filled with shame.

The bullet comments were very interesting.

[why do I feel that my appearance isn't just right?]

[upstairs, you're not alone. I feel as if something is suddenly missing from her body! An indescribable feeling...]

[F * ck! I also suddenly feel like she's suddenly ugly! Sitting with Yezi, she's like a backdrop...]

[what's going on? My Rong was so radiant just now, how did she suddenly become like this? If I didn't see it with MY own eyes, I would have suspected that she's a different person...]

[I'm a fan of Rong. I used to really like MY rong. I thought she was a streamer with a very good outlook on life. I didn't expect her to disappoint me today.]

[I'm a fan of Rong Rong. I apologize to Ye Zi and Ye Zi.]

[does this M Y Rong not deserve to lose?]

[I suddenly realized that Rong Rong is so ugly! Was I blind in the past? How did I become a fan of such a streamer?]

[to be honest, I used to think that Rong Rong was quite magnanimous. But today, she really disappointed me. She can't afford to lose, and she's so shy. She's far inferior to YC!]

[de-powder and de-powder!]

[I'm also a fan of Rong, starting from today.]

[Goodbye!]

It wasn't just the audience in front of the screen who felt that Mu Yourong had become ugly. Even the audience present felt that Mu Yourong had changed quite a bit.

That feeling was like the bright stars had lost their luster.

It was incomparably dark.

Just a moment ago, he could barely compare with ye Zhuo, but now...

Li Qiangdong slightly frowned, feeling very strange in his heart. He had clearly admired mu yourong very much before.
