Chapter 821: 180: take a sip of Coke to calm down. The same Little Red Mole! 1

“In Tang Xue’s eyes, Cen Shaoqing was the supreme existence.”

“At the same time, Cen Shaoqing was also the person she had always admired.”

“In her opinion, it should be ye Zhuo who should curry favor with Cen Shaoqing.”

“After all, Cen Shaoqing’s status was noble.”

How did it become CEN Shaoqing who curry favor with Ye Zhuo Now?

Leader?

A leader was the way a subordinate addressed a superior.

Could Ye Zao be worthy of Cen Shaoqing’s title of leader?

“This title of Leader made Tang Xue Feel a little uncomfortable, and her face turned slightly pale.”

“Hopefully, Cen Shaoqing’s feelings for ye Zao only lasted for three minutes.”

“Tang Xue suppressed the messy thoughts in her heart and took a few steps forward. She smiled and said, “Miss Ye, remember to come to the base often when you have time.” ”

Ye Zao nodded slightly.

“Tang Xue took out her phone and continued, “Oh right, Miss Ye, shall we add Wechat?” ”

Only by understanding the enemy could one disintegrate the enemy.

“Tang Xue wanted to approach ye Zao Step by step and get to know ye Zao. If possible, she even wanted to become good friends with Ye Zao. ”

“The first step to becoming good friends was, of course, to add wechat. ”

Ye Zhuo would be eighteen or nineteen years old at most this year.

Most children of eighteen or nineteen years old were more naive and liked to share their thoughts with others.

It just so happened that Tang Xue was addressed as a caring elder sister in the experimental base.

Perhaps.

She could give ye Zhuo some pointers when he was confused.

“Ye Zhuo declined politely. “I’m sorry, my phone is out of battery.”Ye Zhuo did not have many good friends in his previous life. In this life, she did not refuse to make friends, but she could not like Tang Xue. ”

“With regards to people she did not like, Ye Zhuo did not even bother to brush them off. ”

His phone was out of battery?

All he needed to do to add wechat was to report his phone number. What did it have to do with his phone running out of battery?

“Tang Xue was not a fool. She could naturally understand the meaning behind ye Zhuo’s words. “Alright, next time then.” ”

Ye Zhuo smiled faintly.

Cen Shaoqing greeted elder Zhao and left the experimental base with Ye Zhuo.

Tang Xue looked at the backs of the two of them and her expression was very ugly.

She originally wanted to find a time to invite ye Zao out for tea after adding ye Zao’s wechat.

She did not expect ye Zao to reject her.

“In the experimental base, Tang Xue was very popular. ”

“Even professor Yue, who was so serious, praised her endlessly. ”

But today.

Ye Zao actually rejected her.

“From the beginning to the end, she was very respectful to ye Zhuo and did not do anything that made ye Zhuo dislike her. ”

Why would ye Zhuo reject her goodwill?

““Sister Xue, What’s Wrong?”Cen Jiang saw that Tang Xue was in a daze and asked. ”

“Nothing.” Tang Xue withdrew her gaze.

“Cen Jiang continued, “Sister Xue, do you feel that Fifth Master is a good match for Miss Ye?” ”

“Yes.” Tang Xue’s lips curled into a stiff smile as she nodded.

“I really hope that master five can bring miss ye around the base more in the future. It would be even better if Miss Ye could join our laboratory!” Cen Jiang was very much looking forward to ye Zhuo joining the laboratory, “Sister Xue, do you wish for Miss Ye to join us?” ”

“Ye Zhuo had yet to join the laboratory and Cen Jiang had already gone crazy. If ye Zhuo joined the laboratory, wouldn’t Cen Jiang Go Crazy? ”

“Tang Xue said softly, “Miss Ye is a talent. Of course, I hope that Miss Ye can join our laboratory.” ”

“Cen Jiang said with a face full of longing, “If only master five could think like us.” ”

Tang Xue smiled.

“Cen Hai added from the side, “Our laboratory is so tiring. Master five would definitely not be willing to let miss ye come over.” ”

“That’s true.” Cen Jiang nodded with a face full of regret.

On the other side.

Cen Shaoqing and ye Zao got into the car.

Cen Shaoqing turned to look at ye Zao. “Are we going to watch a movie now?”

“Sure.”Ye Zao took out his phone. “Let me see if there are any good movies.”

“At this moment, Cen Shaoqing seemed to have suddenly thought of something and continued, “Shall we watch a horror movie?” ”

“”Sure.”Ye Zao continued, “Let me see if there are any horror movies.” ”

“”I think there’s a movie called Ghost Next Door That’s not bad,”Cen Shaoqing continued. ”

“”Let me see.”Ye Zao looked at his phone and continued, “Then let’s watch ghost next door.” ”

“Soon, they arrived at the cinema. ”

“At 4:30 in the afternoon, there was a long queue at the entrance of the cinema to collect tickets. ”

“Cen Shaoqing turned to look at ye Zao. “Leader, please sit here for a while. I’ll go and line up to collect the tickets.” ”

“Okay.”Ye Zhuo nodded slightly and found an empty seat in the rest area to sit down.

“After sitting down, Ye Zhuo took out his wireless headphones. Pleasant music came out of the headphones, blocking the noise from the outside world. ”

Chapter 822: 180: take a sip of Coke to calm down. It’s the same Little Red Mole! 2

Ten minutes later.

“Cen Shaoqing walked over with two big buckets of popcorn and ice coke in his hands. “Leader, let’s go.””

“So Fast?”Ye Zhuo raised his eyes slightly and took one of the buckets of popcorn.

The two of them walked towards the broadcast hall together.

“This horror movie was very popular. When Ye Zhuo bought the tickets, only the second row in front had seats left. Because it was a horror movie, most of the people who came to watch it were couples.”

“As soon as the two of them sat down, they heard the discussions around them.”

“I heard that this horror film is super scary. Many people were scared to tears.”

“”If you’re scared, hug me later.””

“Is this horror film really that scary?”

“Don’t be scared. I’m still by your side.”

“Cen Shaoqing turned to look at ye Zao and said in a low voice, “Leader, are you scared?””

Ye Zao raised his eyebrows slightly. “What’s there to be afraid of?”

“Cen Shaoqing extended his arm in front of ye Zao. “If you’re afraid, you can bite me.””

“”Don’t worry, you’re very brave.””

“Not long after, the movie started.”

“Just as the movie started, there was a terrifying ghostly face. It struggled to crawl out from the screen. Because it was 3D, the effect was very realistic.”

Everyone was screaming in fear.

Some of the little girls even sat on their boyfriends’ legs.

“When they looked at ye Zao again, there was not even a hint of emotion on his face. It was as if he was watching some love idol drama.”

Cen Shaoqing frowned slightly.

This seemed to be a little different from what he had thought.

Didn’t they say that little girls were afraid of ghosts?

How could ye Zao be so calm?

He wasn’t afraid.

There was something very scary about “Ghost next door.” He heard that even grown men were scared.

He didn’t believe that ye Zao wouldn’t be scared.

“Seeing that the movie was about to reach its scariest moment, Cen Shaoqing’s heart was beating a little fast.”

He was looking forward to ye Zao’s next reaction.

Although ye Zao was indeed very powerful.

“She was, after all, just a little girl.”

Little girls were born with this kind of fear towards ghosts.

Cen Shaoqing looked up the guide on the Internet.

Almost 100% of the girls in the country were afraid of ghosts.

“Three, two, one.”

“Finally, it was the most terrifying time.”

Cen Shaoqing sat up straight and waited for ye Zao to throw himself into his arms.

“Ah!”

“When the female ghost in red with a long tongue suddenly jumped out of the screen, the entire theater exploded.”

The male and female voices were mixed together. The young lady sitting next to Cen Shaoqing had long jumped into her boyfriend’s arms and was so scared that she cried out loud.

“Cen Shaoqing curled the corners of his mouth slightly. If it was not unexpected, ye Zhuo must have been scared out of his wits. Thinking of this, Cen Shaoqing sat up straight and waited for ye Zhuo’s next reaction.”

“At this moment, ye Zhuo slightly looked back at Cen Shaoqing. There was some doubt in his clear eyes. “What are they shouting?””

What were they shouting?

Cen Shaoqing did not expect ye Zao to react like this. He slowed down and opened his thin lips."... maybe it was too scary?"

"Was it really scary just now?"Ye Zao was even more confused.

"In Ye Zao's opinion, when the red-dressed female ghost jumped out from the screen, it was just a 50 cents special effect."

Cen Shaoqing's expression was the same as usual. "It was alright. It wasn't that scary."

Ye Zhuo turned around and continued watching the movie.

Cen Shaoqing took a sip of coke to calm himself down.

His girlfriend might be different from other people's girlfriends... ..

"Two hours later, the movie ended."

Almost all the makeup on most of the girls'faces had been ruined.

"After watching the movie, the two of them found a place to eat."

...

The Lin family.

“During this period of time, not only did Old Lady Lin Start eating vegetarian food, she also set up a Buddhist temple in her spare room. She spent most of her time in the temple.”

“She had done too many wrong things in the first half of her life, and in the second half of her life, she hoped that she could atone for some of her sins.”

“The person she was most worried about right now was Lin Qingxuan, and she was also very regretful. When Lin Qingxuan had decided to be together with Xia Xiaoman, she should have given her blessings...”

“Old Madam Lin came to the east courtyard again. “Jin Cheng, have you spoken to Qingxuan on the phone these past few days?””

“Lin Jincheng saw the changes in Old Mrs. Lin during this period of time. “Mom, I’ve talked to fourth brother. He and fourth sister-in-law will be back next week.””

“Really?” Old Mrs. Lin asked in surprise.

“It’s true.” Lin Jincheng nodded. “Fourth brother told me personally last night that they will be back next week.”

“Old Mrs. Lin immediately asked, “Then when will they be back?””

““I heard from fourth brother that they seem to have bought tickets for Tuesday,” Lin Jincheng replied.”

““Okay.” Old Lady Lin held Lin Jincheng’s hand, her eyes slightly red. “Jincheng, thank you.””

Chapter 823: 180: take a sip of Coke to calm down. It’s the same Little Red Mole! 3

““Mom, you should be thanking yourself.” After thinking for a while, Lin Jincheng continued, “I hope that when fourth brother comes back, you will be the same as you are now. Don’t make things difficult for them.” ”

Lin Jincheng was most afraid that old Mrs. Lin would go back on her words.

“Old Mrs. Lin took a deep breath. “Jincheng, don’t worry. Mom has really thought it through.” After so many things had happened, if she was still as stubborn as before, then there was really no cure. ”

Lin Jin Cheng nodded.

“Just then, an Lizi walked out of the house. ”

Old Lady Lin Smiled at an Lizi. “It’s Sunday today. Why isn’t Lizi out to play?”

An Lizi was stunned.

“Old Lady Lin’s behavior had been too abnormal recently. First, she said that she was too thin and had people bring her a lot of nutrition products. Then, they gave her a shopping card. Now, she took the initiative to greet her. ”

““What, what can I do for You?” ”

An Lizi really didn’t have a good impression of old Mrs. Lin.

“Previously, in order to stop Lin Qingxuan and Xia Xiaoman from being together, old Mrs. Lin had called her a burden and a little slut in front of her... .. she was so scared that every time she went out, she would take a detour. She was afraid that she would accidentally bump into old Mrs. Lin. ”

“Old Mrs. Lin suddenly treated her so well, which made an Lizi feel a lingering fear. She always felt that old Mrs. Lin was holding back some big trick. ”

An Lizi was not the kind of person who could be coaxed by a slap and a date.

“Old Lady Lin smiled and said, “Look at how beautiful the child is! I was blind back then. Lizi, I hope you don’t blame Grandma...” ”

An Lizi smiled.

“Old Lady Lin continued, “Oh right, Lizi, have you finished the nutritional supplements that Grandma asked for? If you have, I’ll get someone to prepare some more for you.” ”

“”No need, there are still many more.” ”

“OH.”Old Lady Lin nodded.

“Seeing that an Lizi still seemed to be against her, old lady lin continued, “Jin Cheng, I’ll be going back first. If Qingxuan and the others come back, remember to let me know.” ”

“Okay.”Lin Jin Cheng nodded.

Sister-in-law Wang pushed Old Lady Lin out.

“After Old Lady Lin left, an Lizi initially thought that Lin Jincheng would at least say a few words to her. After all, she did not treat Old Lady Lin very well just now. ”

“However, Lin Jincheng did not say a single word. Instead, he smiled at an lizi and said, “Scorching went out early in the morning. Lizi, didn’t you go out to play today?” ”

“An lizi smiled and said, “I ran outside for a whole day yesterday. Today, I want to rest at home.” ”

Lin Jincheng nodded.

Liu family.

Liu Caiyi had been preparing for her promotion to president recently.

“Seeing that the date of her election for president was getting closer, Liu Caiyi became more and more nervous. ”

“In order to be more secure in her election for president, Liu Caiyi specially invited the current president of the Chinese Arts Association, Zheng Beiyang, to a teahouse for tea. ”

“The people in the Chinese arts world were all very elegant. They did not like a cup of coffee that easily exceeded a hundred cups. Instead, they preferred a cup of green tea. ”

“In order to show her sincerity, Liu Caiyi specially came to the teahouse half an hour earlier. ”

“After she sat down, a waiter immediately came over. “Hello, this is the tea list. Please take a look.” ”

Liu Caiyi took the tea list. “I’ll take this great red robe from Wuyi Mountain.”

“After saying that, Liu Caiyi added, “Oh right, there’s no need for you to brew the tea leaves. Just bring the tea sets and tea leaves over. I’ll brew it myself.” ”

“Okay.”

“Soon, the waiter came over with a set of celadon tea sets. ”

Liu Caiyi began to burn incense and brew the tea.

“Half an hour later, Zheng Beiyang arrived as promised. ”

“Caiyi.”

“Uncle Zheng.” Liu Caiyi stood up from her chair.

“Zheng Beiyang smiled and said, “There was a bit of traffic on the road. Caiyi, what brought you here?” ”

“I just arrived too.” Liu Caiyi poured a cup of tea for Zheng Beiyang. “Uncle Zheng, have some tea.” ”

“Thank you.”

“Liu Caiyi said, “Uncle Zheng, you’re too polite.” ”

“After saying that, Liu Caiyi picked up a cup of tea to toast Zheng Beiyang. “Congratulations, uncle Zheng, you’re about to be promoted. I’m here to replace wine with tea. Here’s a toast to uncle Zheng.” ”

“Zheng Beiyang picked up his cup and smiled. “Not only am I promoted, Caiyi, your future is also limitless.” ”

“Liu Caiyi was only 28 years old this year, but she had already taken the position of vice-president. Furthermore, the higher-ups even wanted to promote her to the position of president. ”

“Thinking back, when he was 28 years old, he was still a nobody in the Chinese painting world. ”

“Hearing this, Liu Caiyi narrowed her eyes and had an answer in her heart. ”

It seemed that.

Her promotion to president was already a certainty.

Chapter 824: 180: take a sip of Coke to calm down. It's the exact same Little Red Mole! 4

"Then I'll rely on uncle Zheng's good words."

"Zheng Beiyang knew very well why Liu Caiyi was looking for him today, he then said, "Caiyi, the higher-ups think highly of you. During the general meeting to elect the next president, Second Elder and I recommended you, so the position of President will definitely be yours. You Don't have to worry.""

Zheng Beiyang's words turned into a reassurance that made Liu Caiyi let go of the huge rock that was weighing on her heart.

"Liu caiyi smiled and said, "Thank you, Uncle Zheng, for your praise.""

"Zheng Beiyang said, "This was also exchanged with your hard work and talent.""

"He had only helped to say a few words. In the end, Liu Caiyi was the one with the talent."

"If Liu Caiyi did not know anything, it would be useless for him to say ten thousand good words in front of his superiors."

"Liu Caiyi drank the tea in the cup in one gulp. She picked up a beautifully wrapped gift box from the chair beside her and handed it to Zheng Beiyang, "Uncle Zheng, I heard that Yuanyuan's birthday is coming soon. This is a birthday present I prepared for Yuanyuan. It's a small gift. Please accept it, uncle Zheng.""

Zheng Beiyang had an only daughter named Zheng Yuanyuan. She was 12 years old this year.

"The little girl was at the age where she loved to look beautiful, so Liu Caiyi prepared a set of jewelry."

“Zheng Beiyang pushed the gift box back in front of Liu Caiyi. “It’s just a child’s birthday. Caiyi, you don’t have to make it so grand.””

““It’s not anything valuable. Please accept it, uncle Zheng.”Liu Caiyi pushed the gift box back in front of Zheng Beiyang.”

“Seeing that he couldn’t refuse, Zheng Beiyang had no choice but to accept it. He opened the box and took a look.”

His eyes were filled with shock.

He saw a set of diamond jewelry lying in the box.

“Judging from the size of the diamonds, they were all collector’s items.”

They were all given diamonds.

Liu Caiyi still said that it wasn’t anything valuable?

It seemed that the Liu family was indeed a big family!

“Liu Caiyi seemed to have seen the shock in Zheng Beiyang’s eyes. She stood up and said, “Uncle Zheng, I have something else to do in the afternoon. Please excuse me.””

“After saying that, Liu Caiyi turned around and left.”

She didn’t even give Zheng Beiyang a chance to reject her.

Zheng Beiyang watched Liu Caiyi’s back as she left. He had no choice but to take the gift box and leave the teahouse.

A week passed very quickly.

Lin Qingxuan brought Xia Xiaoman back to the country.

“Although they had only been away for two months, during these two months, the two of them had visited many countries. Even their skin had become darker.”

Especially Xia Xiaoman. Her snow-white skin had turned into a wheat-colored color.

“The two of them came back early. Without informing anyone, they took a taxi to Mian Xiu manor after getting off the plane.”

“When they arrived at the east courtyard, Lin Jin Cheng was tending to the blooming Lily of the valley in the courtyard.”

“Lin Qingxuan dragged his suitcase to Lin Jin Cheng and said with a smile, “Jin Cheng.””

“When he saw Lin Qingxuan, Lin Jincheng thought he was hallucinating. “Fourth brother? Fourth Sister-in-law! Fourth Brother, didn’t you say you would be back tomorrow? Why are you back today!””

“He originally wanted to go to the airport to pick up Lin Qingxuan Tomorrow, but he didn’t expect Lin Qingxuan to come back early!”

“Lin qingxuan smiled and said, “Your fourth sister-in-law and I want to give you a surprise. By the way, where are sister-in-law and the others?””

“Lin Jincheng said, “Ah Shu has gone to work and hasn’t come back yet. The children are upstairs. I’ll get someone to call them.” After saying that, Lin Jincheng instructed the servants to go upstairs to call for people.”

“Xia Xiaoman looked at Lin Jincheng and continued, “Father Zhonghua, our Lizi has troubled you and Ah Shu during this period of time.””

“Lin Jincheng smiled and said, “Fourth sister-in-law, you’re treating us as strangers when you say that! Lizi is my niece. Ah Shu and I are aunts and uncles. Isn’t it normal for us to help take care of the children for a few days?””

“Lin Qingxuan said, “Jincheng is right. A family shouldn’t talk about two families.””

“When Xia Xiaoman first decided to marry Lin Qingxuan, a big reason was actually due to a few brothers and sisters-in-law of the Lin family.”

“At that time, other than Old Lady Lin, everyone in the Lin family especially welcomed her.”

“Especially the few sisters-in-law of the Lin family, they were especially warm to her.”

“If the members of the Lin family were like Old Lady Lin, she definitely wouldn’t have chosen Lin Qingxuan.”

Looking at it now.

“Her choice back then wasn’t wrong, and neither was her marriage.”

“Lin Jincheng continued, “Fourth brother and fourth sister-in-law, don’t just stand there in the courtyard. Quickly enter the house and sit down! Oh right, you guys haven’t eaten yet, right? I’ll let you eat to cook.””

“Lin Qingxuan said, “We’ve eaten outside, you don’t have to be busy.””

“Just then, an Lizi rushed down from upstairs. When she saw the people downstairs, she said in surprise, “Mom! Uncle Lin, you’re back!””

Chapter 825: 180: take a sip of Coke to calm down. The same Little Red Mole! 5

“Lizi.”

The mother and daughter hugged each other tightly.

This was the first time the two of them had been separated for such a long time.

“Following that, an Lizi started to ridicule Xia Xiaoman. “Mom, why did you and uncle Lin Hack so much? If people who don’t know saw this, they would think that you came back from Africa!” ”

“Xia Xiaoman said very seriously, “Uncle Lin and I really went to Africa.” ”

“Ye Zhuo and Lin Ze also came down from upstairs. “Fourth uncle, fourth aunt.” ”

“Xia Xiaoman turned her head to look. “Zhuo Zhuo, ah Ze! Oh right, your fourth uncle and I also brought you gifts. I don’t know if you guys like them.” ”

“An lizi smiled and said, “Mom, you only prepared gifts for Zhuo Zhuo and Ah Ze? What about me? Where’s your biological daughter? You’re too biased!” ”

Xia Xiaoman opened the suitcase containing the gifts. It was full of gifts for the three children. “Your names are all on it. Take them and share them!”

““Thank you, Mom!” ”

Xia Xiaoman was a very attentive person. She prepared skincare products for ye burning and a bunch of limited-edition luxury perfume that could only be bought overseas.

She had also prepared sneakers and a watch for Lin Ze.

“Ye Zhuo took his gift and walked over to Xia Xiaoman. “Thank you, fourth aunt, for your gift. I like it very much.” ”

“It’s good that you like it.”

Lin Ze also walked over to thank Xia Xiaoman.

“After staying in the east wing for a while, Lin Qingxuan prepared to make a trip to the west wing. Afraid that old Mrs. Lin would make things difficult for Xia Xiaoman, Lin Qingxuan did not tell Xia Xiaoman and prepared to sneak over on his own. ”

“Where are you going?”Xia Xiaoman came from behind.

“Lin Qingxuan said, “I’m going to the West Wing.” ”

“”I’ll go with you,”Xia Xiaoman said. ”

Lin Qingxuan hesitated for a moment. “Why don’t I Go Alone?”

“Xia Xiaoman continued, “I asked Lizi. She said that old lady has indeed changed a lot recently.” ”

“She’s very fickle.”

“Xia Xiaoman smiled and said, “What? Are you afraid that she’ll eat me? Let’s Go!” ”

“After saying that, Xia Xiaoman turned around and walked forward. ”

“Lin Qingxuan immediately trotted after her and said worriedly, “What if my mother scolds you?” ”

“”Scold her back! What else can we do?”Xia Xiaoman continued, “But I think your mother has really changed for the better this time.” ”

“Are you sure?”Lin Qingxuan knew Old Lady Lin very well.

He had a feeling that old lady Lin would not let it go so easily.

“Xia Xiaoman smiled and said, “Your mother is already in her eighties this year. She was harmed twice by the same mother and daughter. This time, she even became paralyzed. If she doesn’t turn over a new leaf, who in this family can tolerate her? Unless she really wants to sleep on the streets!” ”

“As they spoke, the two of them walked to the entrance of the west courtyard. ”

“Auntie Wang was standing there. When she saw Lin Qingxuan and Xia Xiaoman coming over, she was extremely excited and hurriedly ran into the house. “Old Madam! Old Madam! Qingxuan and Xiaoman are back!” ”

Old Madam Lin was sitting in her wheelchair and taking a nap when she suddenly heard Auntie Wang’s voice. She was so frightened that she hurriedly opened her eyes. “What’s Wrong?”

“Old Lady! Qingxuan is back!”

“Really?”Old Lady Lin’s eyes lit up.

“Auntie Wang smiled and said, “Of course it’s true! He has already walked to the entrance of the courtyard.” ”

“Old Lady Lin was so excited that her eyes were red. “Quick, hurry up and push me out to welcome them.” ”

Auntie Wang pushed Old Lady Lin out.

“Just as she walked into the courtyard, she saw Lin Qingxuan and Xia Xiaoman walking in.”

“Qingxuan!”

Lin Qingxuan looked at Old Lady Lin who was sitting in the wheelchair. He couldn't say 'Mom' no matter how hard he tried. The smoke ring was a little red.

“In his memory, Old Lady Lin always had an overbearing manner and never bowed to anyone.”

“Although Lin Qingxuan sometimes hated Old Lady Lin, he couldn't accept the fact that Old Lady Lin was suddenly sitting in the wheelchair.”

“Xia Xiaoman walked over with a smile. “We heard that you were injured a while ago, and we didn't have time to rush back when we were overseas. How are you recovering now?” ”

“”Much better! Much Better!”Old Lady Lin looked at Xia Xiaoman and said with a face full of guilt, “Xiaoman, I've let you down in the past...” ”

“Xia Xiaoman smiled. “The past is in the past. Since you've already recognized your past mistakes, there's no point in bringing it up again.” ”

“Hearing Xia Xiaoman's words, Old Lady Lin felt even more guilty.”

“Xia Xiaoman was so reasonable, but in the past, she...” ”

Chapter 826: 180: take a sip of Coke to calm down. It's the same Little Red Mole! 6

It's all her fault.

"Thinking of this, Old Lady Lin wiped her tears."

"After a while, Old Lady Lin looked up at Lin Qingxuan again, "Qingxuan, I'm even more sorry to you. I've caused you trouble for most of your life... In the past, it was all my fault. I shouldn't have been obsessed, and I shouldn't have cut ties with you. I was too ruthless.""

"Thinking about the past, Old Madam Lin was so regretful that her intestines turned green."

"If she could, she really wanted to do it all over again."

Unfortunately.

The life she had missed could not be repeated at all.

"Lin Qingxuan walked to Old Madam Lin's side and sighed deeply. "Mom, let bygones be bygones.""

"Qingxuan!" Old Madam Lin hugged Lin Qingxuan and cried loudly.

"After so many days, she finally found a vent."

She had always been worried that Lin Qingxuan would not forgive her.

"At this moment, when she heard Lin Qingxuan call her 'mom,' she put everything down."

"Even if she died, she would have no regrets."

...

At the CEN residence.

At the dining table.

“Old Madam Cen looked at Cen Shaoqing. “It’s been a long time since I’ve seen Yezi. I miss her a lot. You Little Brat, what do you mean by bringing Yezi back to play?””

“Cen Shaoqing picked up a piece of green vegetable. “Don’t you have a cell phone? If you miss her, you can video chat with her.””

“Video chat is different from real life.” Old Mrs. Cen rolled her eyes at Cen Shaoqing. “Didn’t you already start eating meat? Why are you still eating grass all day long?”

“I’m used to it.” Cen Shaoqing’s tone was indifferent.

“Old Mrs. Cen continued, “Tomorrow is Saturday. Bring Yezi home tomorrow.””

“That depends on whether she has the time.”

“Old Mrs. Cen raised her head proudly. “As long as you tell Yezi that I miss her, she will definitely come!””

Cen Yuyan listened by the side with a slightly unpleasant feeling.

This old Mrs. Cen was really muddle-headed. She never left ye Zhuo’s side.

“If people who did not know saw it, they would think that ye Zhuo was her biological granddaughter!”

“At that time, Cen Shaoqing didn’t like Ye Zao at all, and it was old Madam Cen who insisted on intervening.”

Did she really think that she was the Moon Elder?

“If it wasn’t for her old age, who would be willing to pay attention to her?”

“After Cen Shaoqing left, Cen Yuyan looked at Old Madam Cen. “Grandma.””

““What’s Wrong?” Old Madam Cen glanced at Cen Yuyan. “If you have something to say, hurry up and say it!””

“Cen Yuyan frowned. “Grandma, How Do You Speak?””

““That’s how I speak! If you’re not willing to listen, then get lost!””

“Cen Yuyan tried her best to suppress the anger in her heart and continued, “Grandma, I feel that scorching doesn’t treat me as her sister at all. Look, her wechat moments are all blocked from me.””

Old Mrs. Cen glanced at Cen Yuyan. “Don’t you realize that my moments are also blocked from you?”

Cen Yuyan was stunned.

““I can’t even be bothered to scold you now!” Old Mrs. Cen pointed at CEN Yuyan and said, “Why are we so tacitly blocking you? Don’t you have a point in the middle of AC in your heart? Even that old fool of the Lin family has come to his senses. You’re still a young man. Why are you worse than an old lady in her eighties?””

Cen Yuyan was really too angry.

She didn’t expect Old Lady Cen to say this to her.

“She was trying to reason with Old Lady Cen, but Old Lady Cen didn’t even try to reason with her.”

“I’m just saying it to you. Is there a need for you to be so agitated? I didn’t say anything bad about burning!”

“Old Lady Cen glared at Cen Yuyan. “Sun, you immortal board!””

“After saying this, she left in a huff.”

Immortal Board?

Cen Yuyan didn’t understand what this sentence meant.

“Just then, Zhou Xiang walked over. Cen Yuyan asked, “Mom, what does the immortal board mean?””

Zhou Xiang scratched his head. “Who told you this sentence?”

“Grandma.”

Zhou Xiang thought for a moment. “It should mean that fairies are flying all over the place.”

“OH.” Cen Yuyan nodded.

...

Lin family.

Ye Zhuo sat in front of his desk with a brush in his hand. He was focused on drawing something.

“He started to draw, and the ink on the white paper turned into a river.”

“In a short while, a perfect landscape painting appeared on the rice paper.”

Ding —

“At this moment, his phone rang.”

Ye Zhuo put down the brush and turned on his phone. He was focused on replying to the person’s message.

“After replying to the message, Ye Zhuo turned on the live streaming platform and started streaming.”

“She had not been streaming for a week. When her fans saw that she was online, they were all extremely excited.”

[Ah Ah Ah! Ye Zi is back!]

“[ye Zi, long time no see.]”

“[ye Zi, I miss you so much.]”

[heaven and earth collapse Purple Gold Hammer 1225: send out ten sports cars!]

[that dog: give out 10 cloud piercing arrows!]

““Good evening, everyone. Let’s play a game of chess today, and then we’ll play some pesticide.””

“[actually, I feel that Leaf’s voice is also very good. Why don’t Leaf Sing Us a song?]”

[add one!]

[+ 3]

[...]

Ye Zhuo pretended not to see the bullet screen and opened the chess APP.

Liang Ying was a loyal fan of ye Zao. She was lying on her bed watching ye Zao’s live stream.

“At this moment, a man in a white bathrobe walked out of the bathroom. “What are you watching?””

“I’m watching a live stream of chess.”Liang Ying turned around.

The man sat on the bed and hugged Liang Ying in his arms. “What Kind of streamer is this? Why Can’t I See Her Face?”

“Don’t look at how she doesn’t show her face. This person is very good at chess.”

“The man’s gaze fell on the pair of hands on the screen, and he frowned slightly.”

Those hands.

Why were they so familiar?

“They were extremely similar to ye Langhua’s hands when she was young, especially the little red mole behind her little finger.”

They were simply... exactly the same.

“Chapter 827: 181: the object in the palm of her hand, the subject beneath her skirt! 1”

“When he saw these hands, the man’s expression changed slightly. ”

“What’s Wrong?”Liang Ying looked up at him.

“The man continued, “What’s the name of this streamer?” ”

““Sitara YC’s Ye,”Liang Ying replied. ”

Ye?

Also surnamed Ye?

Was it a coincidence?

“The man sat up straight and continued, “Do you have the full face of this streamer?” ”

“Liang Ying said, “Yezi had attended Miao Yin’s annual gala before, but that was two years ago. Her old fans had seen her before. It was said that she was very beautiful in person, but now her picture can no longer be found on the Internet.” ”

Liang Ying had only become a fan of ye Zao this year. She felt especially regretful that she could not see ye Zao's face.

"Hearing this, the man frowned."

"Why are you suddenly so curious about Yezi?" Liang Ying continued to ask.

"It's nothing. I'm just asking."

"OH."

"The man asked again, "By the way, how old is this streamer this year?" "

"Eighteen?" Liang Ying was not too sure either.

Eighteen?

"If it was eighteen, their ages did not match."

Could it be...

That he was thinking too much?

The man lifted the blanket and got off the bed.

"Liang Ying asked curiously, "Brother Wei, where are you going?" "

"I'm going out to make a call."

“OH.”

“Cao Wei went to the balcony and lit a cigarette before making a call. “Hello, help me look up an anchor.” ”

“It was unknown what was said there, but Cao Wei continued, “Yes.” ”

“”Alright, I’ll send you a wechat message.” ”

“After hanging up, Cao Wei opened wechat. ”

He returned to his room ten minutes later.

“You went out for so long. What did you do?”Liang Ying was a little displeased.

Cao Wei’s expression was indifferent. “I made a call.”

“Liang Ying glanced at him. She knew that Cao Wei did not like blabbering women, so she did not ask further. ”

On the other side.

“After ye Zhuo ended the broadcast, he still donated all of today’s earnings to the charity organization anonymously. ”

Song Chenyu had been very busy recently.

“He was busy filming a television series, rushing to catch up on his work, and also busy dealing with Cen Yuyan. ”

“After filming a segment, Cen Yuyan walked over and said with a sullen face, “Chenyu, I invited Lu Xiu to watch a movie yesterday, but Lu Xiu rejected me.” ”

Cen Yuyan really liked Lu Xiu very much.

“Even though Lu Xiu’s family background was inferior to the CEN family, even if Lu Xiu didn’t like her at all, she still liked Lu Xiu. ”

“Song Chenyu patted Cen Yuyan’s hand, then, she said, “Yuyan, why don’t you forget it? Lu Xiu has grown up with me since young, and I know him very well. If he has someone in his heart, no matter how hard you try, he won’t be moved.” ”

“As she said this, song Chenyu paused. “Yuyan, you’re my best friend. I don’t want you to walk down a path of no return.” ”

Lu Xiu already had someone in his heart.

Who else could he have in his heart?

“Of course, it was ye Zhuo! ”

“When she thought about how Lu Xiu actually liked ye Zhuo, Cen Yuyan felt even more indignant. ”

What right did ye Zhuo have?

“He already had Cen Shaoqing, yet he still dared to seduce Lu Xiu. ”

He was simply Shameless!

Cen Yuyan bit her lip. “But I’m indignant!”

“Forget it.” Song Chenyu looked at Cen Yuyan. “Miss Ye is indeed very outstanding. Otherwise, fifth master wouldn’t have liked her. It’s normal for Lu Xiu to like Miss Ye.” ”

The subtext of this sentence was that Cen Yuyan couldn’t compare to ye Zao.

Ye Zao was someone who could even subdue Cen Shaoqing.

“Cen Yuyan snorted coldly. “I really don’t know what kind of Charm Ye Zao has! It’s one thing for him to bewitch my grandmother and Shaoqing, but now even Lu Xiu has been deceived by her! She’s fickle and fickle. She’s simply Shameless!” ”

“Don’t talk about miss ye like that.” Song Chenyu had a kind and understanding look on his face, “Liking someone comes from the heart, and there’s no way to control it. Lu Xiu likes miss ye because he’s attracted to her personality. I’ve known Lu Xiu for so long, but I’ve never seen Lu Xiu like someone so seriously.” ”

“When she said the last sentence, a look of envy appeared in Song Chenyu’s eyes. ”

Personality?

What kind of personality could ye Zhuo have?

“Actually, it was not seduction! ”

“Cen Yuyan thought that she was a person with a good personality and was easy to get along with, but she did not have the slightest good impression of ye Zao. ”

She even felt uncomfortable when she saw ye Zao.

Not to mention seeing him.

Cen Yuyan could not even bear to hear ye Zao's name.

""Chenyu, why do you always speak up for ye Zao!" "

Song Chenyu smiled. "I'm not speaking up for anyone. I'm speaking from the facts."

"Cen Yuyan frowned. "Ye Zhuo doesn't even want to add you on wechat. He's looking down on you, yet you're still speaking up for her! Chenyu, I think you're an idiot!" "

"Chapter 828: 181: The Thing in the palm, the subject under the skirt! 2"

"Song Chenyu maintained his smile and asked in return, "Haven't you heard that a fool has dumb luck?" "

"Seeing song Chenyu like this, Cen Yuyan could only shake her head helplessly. Then, she sighed again, "I don't know what my fifth brother can do to break up with Ye Zhuo." "

""Their relationship is so good, how could they break up?" "

"CEN Yuyan said, "Those who serve the monarch with lust will fall in love with Chi; those who serve the monarch with virtue will live on for a long time. Someone like ye Zao will be dumped by my fifth brother sooner or later!" "

Song Chenyu narrowed his eyes.

It seemed that Cen Yuyan's hatred of Ye Zao had reached the extreme.

“Chenyu!”

“At this moment, the director called Song Chenyu’s name.”

“Song Chenyu stood up and said, “Yuyan, I’ll go over first.” ”

“You go ahead.”Cen Yuyan nodded.

Song Chenyu was quite popular in the industry.

“In addition to her good acting skills, she rarely took bad takes. After one scene, she had gained a lot of fans.”

“Cen Yuyan sat at the side, resting her chin on her hands as she watched song Chenyu and the second male lead’s scenes.”

Song Chenyu was starring in a xianxia drama.

“Her white clothes fluttered in the wind, and her exquisite facial features were so perfect that they couldn’t be any more perfect. She instantly killed all the actresses present, and she was also known as a beauty that only appeared once in five thousand years. She was simply a perfect match for Cen Shaoqing.”

She did not know why Cen Shaoqing had taken a blind eye to Ye Zhuo.

Cen Shaoqing was not the only one who was blind.

Cen Yuyan felt that the entire Cen family was blind except for her.

No!

She had to set Song Chenyu and Cen Shaoqing up.

The first person who knew Cen Shaoqing was Song Chenyu.

1

What was Ye Zhuo?

What right did she have to snatch Song Chenyu's boyfriend.

"First, she snatched Cen Shaoqing away from Song Chenyu, and now, she even snatched Lu Xiu away from her."

"If she did not help Song Chenyu, Ye Zhuo would really think that there was no retribution in this world!"

Cen Yuyan wanted to let Ye Zhuo know that there was a price to pay for snatching someone else's boyfriend.

"At 11 pm, Song Chenyu finished filming the last scene and returned to the apartment."

The nanny Van had just stopped when Song Chenyu saw a figure standing at the door of the apartment.

Song Chenyu narrowed her eyes and turned to look at her assistant. "You guys can go back first. Come and pick me up at eight tomorrow morning."

"Okay, Sister Chenyu."

Song Chenyu got out of the car and walked towards the entrance of the apartment.

The figure heard footsteps and immediately turned to look at Song Chenyu. "Chenyu."

Song Chenyu looked at the person in surprise. "Lu Xiu?"

Lu Xiu nodded.

"Song Chenyu opened the door through facial recognition and said, "Come in with me quickly." "

Lu Xiu followed song Chenyu in.

"As soon as they entered, all the lights in the room lit up. "

Song Chenyu hurriedly poured water for Lu Xiu. "Do you want tea or fruit juice?"

"Just plain water," Lu Xiu replied. "

"Okay." Song Chenyu nodded and poured a glass of plain water for Lu Xiu.

"After drinking a mouthful of water, Lu Xiu continued, "I've already done what you asked me to do last time." "

"Really?" Song Chenyu was overjoyed.

"Yes." Lu Xiu nodded.

"Song Chenyu walked over and hugged Lu Xiu. "Lu Xiu, thank you." "

Lu Xiu was stunned. His heart was beating a little fast.

“Although song Chenyu was a big star in the entertainment industry and had gained the recognition of many people, there were still many resources that she could not get.”

“If she wanted to get more resources, she had to resort to means.”

“The entertainment industry was a place that ate people. Today, you stepped on me, and tomorrow, I stepped on you.”

“If she did not think of a way to fight back, she would become the victim of someone else’s rise.”

Lu Xiu was a big shot in the technology industry. The entertainment industry did not lack anything except for technical talents like Lu Xiu.

Song Chenyu did not think that this was a big deal.

“In the entertainment industry, what kind of intrigue had she not experienced?”

“Some female celebrities, for the sake of the resources, accompanied the investors and directors, comparable to the escort girls in the red-light district.”

What was she doing?

“At most, she hugged Lu Xiu.”

“During the filming, she had hugged countless male actors.”

Lu Xiu was different from song Chenyu.

“Song Chenyu was an actor, while Lu Xiu was a person in the technology industry. Other than song Chenyu, he had never been so close to anyone of the opposite sex.”

This was also why Lu Xiu had liked song Chenyu for so many years.

He always felt that there was hope for him.

“If song Chenyu did not like him, would she do this to him?”

“A moment later, song Chenyu let go of Lu Xiu and continued, “How long have you been waiting at My Door? Why didn’t you call me in advance?” ”

“Lu Xiu said, “I didn’t wait for a while.” ”

Song Chenyu nodded.

“Chapter 829: 181: a man in the palm of his hand, a subordinate under his skirt! 3”

“Lu Xiu looked at song Chenyu, hesitated for a moment, and then said, “Chenyu, is it really impossible between us?” Lu Xiu had waited for song Chenyu for so many years, and now he only wanted to wait for an answer from Song Chenyu.”

“Hearing this, the smile on song Chenyu’s face disappeared a little, and then he asked,”

““Lu Xiu, what do you think is liking someone?””

“Lu Xiu replied, “Liking someone means being able to be with them. Chenyu, I want to be with you.””

“Song Chenyu shook his head and looked at Lu Xiu, “If you like someone, then be together. This is a selfish act. “I think that truly liking someone is looking at their happiness. “Lu Xiu, you can’t let your love become a burden to me. If you really like me, then you should keep this love in your heart. Finally, transform this love into protection and blessing!””

Lu Xiu’s love was too heavy for Song Chenyu.

“In the television shows that Song Chenyu had acted in, there were many two men and three men who were willing to sacrifice their lives for the female lead. They were willing to sacrifice everything for the female lead as long as the female lead could obtain happiness.”

“Therefore, in Song Chenyu’s opinion, Lu Xiu should also become a supporting role to protect her and help her get everything she wanted.”

Lu Xiu was stunned.

Could it be that his love for Song Chenyu was a form of pressure?

“Song Chenyu continued, “Lu Xiu, think about it carefully. Am I Right?””

“Lu Xiu did not speak. His mind was filled with Song Chenyu’s words, and his heart was in a mess.”

“After a while, Lu Xiu put down the cup and continued, “Chenyu, it’s getting late. I’ll go back first.””

“Okay.” Song Chenyu nodded and followed behind Lu Xiu to send him out.

“Looking at Lu Xiu’s back, Song Chenyu continued, “Lu Xiu.””

“What’s Wrong?” Lu Xiu turned around.

“Song Chenyu continued, “Lu Xiu, I’m a female artiste. There are many times when I can’t follow my heart. I’m telling you this today not to make things difficult for you, but to let you know that I have my own difficulties. I hope that you can understand me.””

“Okay.” Lu Xiu nodded.

“After Lu Xiu left song Chenyu’s apartment, he sat alone in the car and pondered for a long time.”

He thought.

“Actually, song Chenyu was quite right.”

“If you like someone, you should want her to be happy.”

“Or perhaps, he was forcing song Chenyu too hard.”

“In the future, he would stand behind song Chenyu and protect her well. He would love her and shield her from all the storms. He could not let his love become a burden for song Chenyu.”

“Thinking of this, Lu Xiu picked up his phone and sent a message to song Chenyu.”

“[Chenyu, I think I know what I should do. Don’t worry, I won’t do anything to make things difficult for you in the future. I will turn this love into protection and blessings.]”

“When song Chenyu saw this message, the corners of her mouth curled up slightly. She went to the wine cabinet and poured herself a glass of red wine. Her fair fingers picked up the transparent goblet and shook it gently, the red liquid rippled in circles under the white light.”

This glass of wine was now in her hands.

So was Lu Xiu.

“One day, Cen Shaoqing would also become her subordinate and be in her hands.”

“Thinking of this, song Chenyu gulped down the glass of red wine in one gulp.”

...

On the other side.

In the office of a high-rise building.

“President Cao.”

“Seeing the person who came, Cao Wei put out the cigarette between his fingers in the ashtray. “Have you found the information?””

“No.”The secretary shook her head. “The identity of the live streamer that you asked me to check has been encrypted.”

“Encrypted?”Cao Wei frowned.

It was just a small live streamer. How could her identity be encrypted?

Could it be that there was some power behind her?

“Cao Wei continued, “Are you sure that her information is encrypted?””

““Yes, I’m sure.”The secretary nodded.”

“Cao Wei continued, “Which company is she a live streamer from?””

“”She’s from world-conquering Culture Media Co. , Ltd. ,”the Secretary replied.”

“World-conquering?”Cao Wei narrowed his eyes.

He knew about this company.

“It was a new industry last year. In fact, at the beginning, he was not optimistic about this company. In this era of information development, all kinds of media companies sprouted like mushrooms after a rain.”

“Who knew that in the end, this company actually climbed up to the top 30 in the industry rankings. Now, it was firmly in the top three, and there was even a tendency for it to be ready.”

“After a while, Cao Wei looked up at his secretary. “Okay, I got it. You can go out first.””

“”Okay, president Cao, I’ll go out first.”The secretary turned around and walked out of the door.”

“Since the secretary could not find out who it was, Cao Wei could only think of another way.”

“Chapter 830: 181: a man in the palm of his hand, a man beneath his skirt! 4”

Now only hackers could find out.

“Cao Wei consulted a few hackers who often worked with him, but the results were not good. ”

“At this moment, he thought of Baron. ”

Baron was a famous hacker abroad.

“As long as Baron was willing to help, he would definitely be able to find out the real information about this YC’s Ye.”

Cao Wei immediately called Baron.

Baron quickly picked up.

“After hearing that Baron was also in Beijing, Cao Wei continued, “It’s not convenient to talk over the phone, let’s meet and talk.” ”

“Sure.”

The two of them arranged to meet at a nearby coffee shop.

“Cao Wei had a favor to ask, so he came to the coffee shop early.”

Baron also arrived as promised.

“Baron was a blonde Chinese with blue eyes. His facial features were very three-dimensional, and he was very young. He looked like he was only twenty-five or twenty-six years old.”

He wore a white t-shirt on top and a pair of cropped pants on the bottom. He wore a black cap on his head and held a skateboard in his hands. He looked very energetic and did not look like a hacker at all.

“Mr. Cao.”

“Baron.” Cao Wei stood up from his chair. “Before I made the call, I was worried that you were not in China.” ”

“I just happened to come to China to settle an important matter.”

Cao Wei nodded. “Have a seat.”

Baron sat opposite Cao Wei.

Cao Wei passed the wine list to Baron.

Baron ordered a cup of coffee.

“Cao Wei continued, “May I know why Mr. Baron has come to Beijing? “I grew up in Beijing and was born and raised in Beijing. I’m very familiar with Beijing. If there’s anything I can help you with, please feel free to ask, Mr. Baron.” ”

“Baron hesitated for a moment before continuing, “Actually, I’m here to look for someone.” ”

Look for someone?

“Hearing this, Cao Wei smiled and said, “What a coincidence! I’m Looking for you today to look for someone. May I know who you’re looking for?” ”

“Baron said, “I’m looking for a hacker.” ”

A hacker?

Baron was a hacker himself and he was looking for another hacker.

This meant that the other party was definitely not powerful.

“Cao Wei then asked, “A hacker from Beijing?” ”

“Yes.” Baron nodded.

“As a world-famous hacker, Baron had a person that he admired very much. ”

This person was the new dark horse in the industry.

Z.

“Previously, Z had become famous in one battle on an international website. ”

“Later, the founder of the Hacker Alliance, Fat Cat, had contacted z many times, hoping that z could join them and promised a generous commission. ”

“However, Z rejected all of them. ”

“Baron was a person who would not admit defeat. He felt that no one’s hacking skills could surpass his, so he sent a PK to Z. ”

“In the end, before the PK started. ”

His computer was hacked three times.

“Later, he fought with z many times on international websites. It was not easy for him to find out that the IP address of Z was in Beijing. Although he found out that Z had logged in in Beijing, he could not trace the specific address. ”

“Therefore, Baron bought a plane ticket overnight and flew to the center of Beijing.”

This was the first time Baron worshipped a person so much. It was also the first time Baron stepped onto the road of searching for someone he did not know.

He had already been in Beijing for a week.

Unfortunately.

He still could not find z.

“Cao Wei said in surprise, “There are hackers in Beijing too?” ”

“It was not that Cao Wei was a foreign man, but that the domestic computer technology was far inferior to that of foreign countries. ”

The Hacker Alliance had a total of 130 members.

Only three of them were Chinese.

This data could explain everything.

“Therefore, when he heard that Baron came to Beijing to look for hackers, Cao Wei was so surprised. He then asked, “Is he Chinese? Is He very powerful?” ”

“”He’s a very powerful boss. I’m not very sure if he’s Chinese,”Baron tried to be tactful. “I only found out that his IP address is in Beijing.” ”

Z could be Chinese?

How was that possible!

“In their eyes, China was just a little brother. There were very few hackers in the real sense.”

Z was the Dark Horse of the hacker world. He had conquered almost all the hackers in the hacker world.

Such a mysterious person was definitely from C nation.

Many hackers were afraid of exposing themselves and would hide abroad.

“OH.”Cao Wei nodded.

“Baron continued, “Right, who do you want me to help you investigate?” ”

“An anchor.”Cao Wei handed the phone to Baron.

“Baron took the phone and frowned slightly. “It’s just an anchor. Mr. Cao, can you just randomly find someone to investigate?”Baron did not accept all kinds of jobs. He liked those that were difficult and challenging. ”

Finding someone was not difficult at all for him.

Cao Wei smiled and saw the meaning in Baron’s eyes. “This live streamer is not a simple person.”

“What do you mean?”Baron asked.

“Cao Wei took a sip of coffee and continued, “Her information is encrypted. I’ve asked people to check for a long time, but they still couldn’t find out her real information.” ”

“”Encrypted?”This time, Baron’s interest was piqued. ”

Hacking the database was still very exciting.

Especially the Chinese database.

“Cao Wei nodded. “Yes, that’s why I want to ask you for a favor.” ”

““Give me 10 minutes,”Baron said. ”

“Cao Wei was stunned. “You, you want to check now?” ”

““Yes.”Baron nodded, not appreciating this at all. ”

It was just hacking into a database. It was nothing to Baron.

Ten minutes was just a conservative number.

He could be even faster!

Cao Wei thought that he would need three to five days to search for information like those anonymous hackers in China?

It was ridiculous!

He was Baron!

How could those nobodies in China compare to him?

“If it wasn’t for Z, he wouldn’t have come to such a backward country like China. ”
