“Chapter 851: 187: Use Your Tricks Cen Yuyan, defeat the enemy in one move! 1”

“The young man continued, “It’s only two million. That was ten days ago. I’ve already spent it all!””

“Song Chenyu’s tone was a little cold, “You spent two million in ten days, and you went to gamble again?””

““This is my business.”The young man said matter-of-factly, “It’s none of your business! Just one sentence, are you going to pay or Not!””

“I don’t have money now.”Song Chenyu looked at him and tried to suppress the anger in his heart.

“The young man said incredulously, “How can a big star like you not have money? Who would believe you if you tell others?””

“I really don’t have money.”

“The young man looked at song Chenyu and said, “You earn tens of millions of dollars for just one scene. Usually, there are many advertisements and endorsements. You Say You don’t have money. Song Chenyu, do I look like a Fool to you?””

“After saying that, the young man continued, “I’m talking to you nicely now. Do you really want me to fall out with you? Let Me Tell You, a barefooted person is not afraid of wearing shoes. If you really make a big deal out of this, I’ll see how you can survive in the entertainment industry!””

“Hearing that, song Chenyu sighed helplessly. “How much do you want?””

“Give me ten million first.”

“Ten million?” Song Chenyu could not help but raise his voice. “Zhou Rui! Do you think I’m a bank owner? I only have one million now. Do you want it or Not!”

“”1 million? Song Chenyu, you’re just sending away a beggar!””

“Song Chenyu continued, “I’ll transfer the money to your account in a while. I really don’t have 10 million. If you want to blow the matter up, Blow It Up! If you really blow the matter up, don’t even think about getting 100,000, let alone 1 million!””

“When she said the last sentence, a sinister light appeared in song Chenyu’s eyes.”

“To her, Zhou Rui was a demon.”

It was exactly what Zhou Rui had said.

A barefooted person was not afraid of wearing shoes.

“If she were an ordinary person, it would have been fine.”

“However, she was a star with dazzling starlight, and her every move was under the spotlight.”

Her life was not allowed to have a single stain.

“Even if there was, she would do her best to cover it up.”

“Zhou Rui took the opportunity to stop. He looked at song Chenyu and said, “Then let’s make it a million dollars. I’ll wait for the transfer of the money.””

Even a rabbit would bite when it was anxious.

Zhou Rui was also afraid that he would make song Chenyu anxious.

“When he heard this, song Chenyu heaved a sigh of relief.”

“When he returned to the hotel room, Cen Yuyan had already gotten out of bed. She looked at song Chenyu and asked curiously, “Chenyu, where did you go?””

“Song Chenyu smiled and said, “I had something to do downstairs.””

“OH.”Cen Yuyan nodded. “I’ll go brush my teeth first.”

“Looking at Cen Yuyan’s back, song Chenyu seemed to have thought of something. A faint light flashed in his eyes. He picked up the phone at the side and sent a message.”

“[ at 9:30 pm, I’ll wait for you at the legendary restaurant. ]”

“After sending this message, song Chenyu walked to the bathroom as if nothing had happened and asked Cen Yuyan, “Yuyan, what are we eating tonight?””

“Cen Yuyan said, “I might have to go home for a while, so I’ll come back to see you tomorrow.””

“Okay.”Song Chenyu nodded.

“At 9:30 pm, Song Chenyu arrived at the legendary bar on time.”

“The person she was meeting was none other than Zhou Rui, the young hunk who had asked her for money in the basement of the hotel.”

It had always been Zhou Rui who took the initiative to look for Song Chenyu.

This was the first time that Song Chenyu had taken the initiative to look for Zhou Rui.

Zhou Rui was very curious. "Why are you looking for me?"

Song Chenyu leaned over and sat opposite Zhou Rui. "Don't you like money? I'm here to give you money."

Give Money?

"When he heard this, Zhou Rui's eyes lit up. "You've gathered ten million?""

Song Chenyu took out a photo and placed it opposite Zhou Rui.

Zhou Rui frowned. "What do you mean?"

"Song Chenyu continued, "Do you know the Cen Family?"

Zhou Rui shook his head.

"He had come from a small place. In the capital, other than knowing a bunch of scoundrels, he only knew Song Chenyu. He did not know anything about the Cen family."

"If you have something to say, just say it. Don't beat around the bush with me."

"Song Chenyu tapped the table with his finger and continued, "The CEN family is the number one family in China. The person in the photo is CEN Fifth Master's fourth sister, Cen Yuyan."

"Zhou Rui did not know about the CEN family, but he knew about CEN fifth master."

CEN fifth master's great name shocked both the underworld and the white world.

"Song Chenyu continued, "If you can handle Cen Yuyan, you'll be the Cen family's son-in-law and CEN fifth master's brother-in-law in the future. At that time, you'll be above everyone else. Do you want anything?"

"Cen Yuyan had just been rejected by Lu Xiu, and it was time for her to be comforted."

"Although Zhou Rui's character was a bit rotten, her looks weren't bad."

"Instead of letting Zhou Rui pester her, it was better to think of a way to get it over with once and for all."

"Chapter 852: 187: Cen Yuyan, one move to defeat the enemy! 2"

"Once Zhou Rui took care of Cen Yuyan, she would have another helper in the Cen family. "

This was killing two birds with one stone for song Chenyu.

"Zhou Rui looked at song Chenyu. "This is the Cen family's fourth miss! CEN fifth Master's biological sister, you want me to take care of her? What kind of international joke is This!" Although Zhou Rui recognized his looks, song Chenyu was still the Cen family's daughter, after all, the other party was the Cen family's daughter. "

"Cen Yuyan is my best friend." Song Chenyu continued, "As long as you do as I say, in less than a month, she will take the initiative to pursue you." "

"Is that true?" Zhou Rui did not dare to believe it.

“Of course it’s true.”

“Zhou Rui picked up the photo on the table and looked at it carefully. Suddenly, he felt that something was wrong. “CEN fifth master is already 31 this year. Doesn’t that mean that his sister is even older?” ”

Song Chenyu did not deny it. “Cen Yuyan is 37 this year.”

“36?”Zhou Rui stood up from his chair. “You want me to serve a 37-year-old woman?”

Zhou Rui was only 20 this year.

Cen Yuyan was 17 years younger than him.

This made Zhou Rui somewhat unable to accept it.

“After all, he had dated girls who were only 18 or 19 years old. ”

Cen Yuyan could already be his mother at this age!

Song Chenyu raised his head and looked at Zhou Rui. “Being able to get close to Cen Yuyan is something that no one can hope for. You shouldn’t be ignorant of your fortune. Do you know how much Cen Yuyan’s net worth is?”

“”When you’re with her, not only will your status rise with the tide, but your entire family will also rise with the tide.”Speaking up to this point, song Chenyu paused, then, he continued, “Compared to the CEN family, a small celebrity like me is nothing. In any case, you only have one chance. Think about it carefully.” ”

“Hearing this, Zhou Rui was stunned. ”

Song Chenyu was right.

“Compared to the CEN family, what was song Chenyu? ”

“If he could become the CEN family’s son-in-law, then even fifth master CEN would have to be respectful to him. ”

Besides.

“As long as he had money, what kind of woman would he want to play with? ”

“When he thought of this, Zhou Rui’s eyes were filled with pride. ”

“”Alright, I’ll listen to you.”Zhou Rui continued, “Do you really have a way to make Cen Yuyan chase after me?” ”

Being chased by Cen Yuyan and him taking the initiative to chase after Cen Yuyan were two different concepts.

“”Just listen to me.”Song Chenyu continued, “I’ll contact you when I go back.” ”

No one knew Cen Yuyan better than she did.

Song Chenyu knew clearly what Cen Yuyan liked and disliked.

“As long as she made a move, CEN Yuyan would not be able to escape. ”

“After meeting Zhou Rui, song Chenyu returned to the hotel. ”

“After settling Zhou Rui’s matter, song Chenyu was in a very good mood. He poured himself a glass of red wine and planned to celebrate. ”

“After drinking the red wine, song Chenyu checked Cen Yuyan’s recent schedule. ”

“Three days later, Cen Yuyan would be attending a celebrity party. ”

Perhaps.

This was a chance.

She had to think of a way to let Zhou Rui get the admission ticket.

“As a big star, it was not difficult for song Chenyu to get the admission ticket after he had helped song Chenyu accumulate a lot of connections in the circle. ”

“Therefore, song Chenyu easily got the admission ticket to the party. ”

“After getting the admission ticket, Song Chenyu met Zhou Rui again and conveniently told him some things. ”

““Cen Yuyan is arrogant and conceited. She’s too smart. Because she’s the Cen family’s fourth young miss, she’s been pampered since she was young. All these years, with her family background, she’s gained countless suitors. As long as you act different from other men, she’ll definitely notice you.” ”

“Zhou Rui looked at song chenyu and asked doubtfully, “How is it different?” ”

The corners of Song Chenyu’s mouth curled up slightly. “Do the opposite.”

Do the opposite?

Zhou Rui still found it hard to understand. “Don’t give me such cultured words. Just tell me what to do.”

“Song Chenyu cursed ‘idiot’ in his heart and continued, “You have to ignore her, despise her, and look down on her.” ”

“This time, Zhou Rui understood. ”

Wasn’t this playing hard to get?

“He only knew that women often played hard to get with men, but he did not expect that men could also use this trick on women. ”

“Song Chenyu said, “Song Chenyu hates those gigolos who live off women. Before she falls for the trap, you’d better restrain yourself. Only women who fall in love have zero IQ.” ”

“”Oh right,” song Chenyu seemed to have suddenly remembered something. “Cen Yuyan likes Mr. Fujiino’s Virgo. After you go back, take a look at this work and search for some analysis online.” ”

“Chapter 853: 187: Cen Yuyan’s tricks, one move to defeat the enemy! 3”

This was creating a common language.

“Zhou Rui nodded. “Don’t worry, I know what to do.””

Song Chenyu raised her goblet to Zhou Rui. “I wish you all the best.”

“Thinking that she would be able to get rid of Zhou Rui’s threat soon, song Chenyu felt extremely comfortable.”

“Thank you.” Zhou Rui also raised his goblet. “Let’s have a good cooperation.”

Three days later.

The banquet began.

Cen Yuyan went to attend on time.

“During the process of attending the banquet, she was attracted by a tall figure.”

“The other party looked to be about twenty-one or twenty-two years old. His facial features were handsome, and when he smiled, there was a warm light in his eyes.”

It made people unconsciously look at him.

A Little Puppy.

“Cen Yuyan had grown up, so what kind of man had she not seen before?”

“She had a boyfriend who was a little puppy like this. Later on, they got tired of being together and broke up.”

“The reason why this little boy was able to attract Cen Yuyan was because from the start of the banquet until now, he had never looked her in the eye once.”

Even if others came over with wine glasses and called her cen fourth miss.

“Over the years, Cen Yuyan was used to being flattered and had long been tired of such things.”

“When she suddenly saw a person who couldn’t be bothered with her, CEN Yuyan’s gaze was immediately attracted to him.”

“What surprised Cen Yuyan the most was that this little boy had always kept himself clean and kept a distance from the opposite sex. Even if a girl specifically came to pick him up, he would politely reject her.”

This man.

Seemed to be more outstanding than Lu Xiu.

Cen Yuyan drank a mouthful of red wine and calmly retracted her gaze.

“Zhou Rui knew that Cen Yuyan was paying attention to him, and there was a smug look in his eyes.”

Song Chenyu really did not lie to him.

“Three hours later, the banquet ended.”

It had started to rain in the sky.

Cen Yuyan walked out of the door and subconsciously placed her bag on her head.

“At this moment, an umbrella was placed above her head. “Use my umbrella.””

It was a very warm tone.

Cen Yuyan looked up and saw a familiar face. She subconsciously took the umbrella. “Th-thank you.”

““You’re welcome.” After saying that, Zhou Rui walked into the rain.”

“Cen Yuyan asked, “Aren’t you going to use an umbrella?””

“My driver is waiting for me in front.”

Cen Yuyan jogged over and chased after him. “What’s Your Name? Can you give me your contact information? I’ll get someone to give you the umbrella tomorrow.”

“”No need, it’s just an umbrella.””

“Before Cen Yuyan could react, the man’s figure had already disappeared in the rain.”

Cen Yuyan looked at the umbrella in her hand. The handle of the umbrella still seemed to carry the warmth of the man’s palm. She originally thought that he was using the umbrella to hit on her and ask for her contact information. She didn’t expect that he was just simply lending her an umbrella.

She was thinking too much.

“The corners of Cen Yuyan’s mouth curled up slightly, and her originally gloomy heart suddenly became clear.”

“All the way back to Song Chenyu’s residence, Cen Yuyan’s face was filled with a smile.”

“Seeing her like this, song chenyu smiled and teased, “Yuyan, are you lucky?””

“Cen Yuyan shook her head. “No, I just suddenly realized that there are many men in this world who are better than Lu Xiu. There’s no need for me to hang myself on a tree.””

“A faint light flashed across song Chenyu’s eyes as he said happily, “Yuyan, it’s great that you can think like that. I’ve always been worried that you won’t be able to pass this test.””

“There’s nothing to be worried about.” Cen Yuyan took off her high heels. “Isn’t it just a man? Don’t tell me that I can’t live without him? I don’t believe that Ye Zhuo can make all the men in the world fall in love with her!”

“Song Chenyu smiled and said, “That’s hard to say. After all, Miss Ye is really outstanding. Otherwise, Lu Xiu wouldn’t have fallen in love with Miss Ye so badly. In order to protect Miss Ye, he didn’t even dare to admit who he liked.””

Cen Yuyan’s eyes flashed with a gloomy light.

Just wait.

A fickle woman like ye Zao would one day receive retribution.

“Song Chenyu walked over and patted Cen Yuyan on the shoulder. “Okay, okay, Yuyan, I was just joking with you!””

...

On the other side.

“Ye Zao was sitting in front of his computer and broadcasting live. After a game of chess, Ye Zao received a PK invitation.”

The invitee.

Little Yu’er.

“Looking at her profile picture, she was a great beauty.”

[ little Yu’er? Isn’t she the new chess streamer? ]

“[ ye, quickly agree! ]”

[ I heard that this little Yu’er is quite amazing. ]

[ I went to watch her live stream a few days ago. Her chess style is indeed not bad. ]

“[ F \* ck, is the goddess going to have a competition with the goddess? ]”

“Seeing that everyone was quite excited, Ye Zhuo clicked to agree to the invitation.”

“Chapter 854: 187: Cen Yuyan, one move to defeat the enemy! 4”

Lian Mai succeeded.

“An exquisite baby face appeared on the screen. “Hello, senior leaf.” ”

“Hello.”

Little Yu’er had joined Miao Yin platform three months ago. She was a retired national player and had started learning chess at the age of seven.

“In the past three months, Little Yu’er had challenged many chess live streamers and had yet to lose. ”

“Because of this record, Little Yu’er was now firmly known as the second elder sister of the live broadcast world. ”

“If she could be the first elder sister, who would be willing to be the second elder sister?”

“Therefore, after watching ye Zao’s two live broadcasts, Little Yu’er decided to send ye Zao a PK invitation.”

As long as she could defeat ye Zao.

She would be the first elder sister in the future.

She had carefully observed ye Zao’s go style.

“She realized that ye Zao’s go moves were not very clear, and he did not have a plan either. Every move he made was his own. Being able to become the first elder sister was just luck.”

“Little Yu’er revealed a smile. “Senior Ye, I’ve been watching your livestream since last year. I’m your loyal fan.” ”

“[ ah Ah Ah, so little Yu’er likes our ye Zao too. ] ”

[ I’m in love. I’m going to follow her. ]

[ I’m going too. ]

“Seeing that many of ye Zao’s fans were climbing over the wall to follow her, the smile on Little Yu’er’s face became even more intense.”

“After she won against Ye Zao, Ye Zao’s 90 million fans would probably lose half of their fans.”

“Thank you for liking it.”Ye Zao controlled the game to enter the game page. “Let’s begin.”

“Okay.”

The system automatically divided the pieces.

Ye Zao was given the black pieces.

“Little Yu’er said a little embarrassedly, “Senior, I’ll start first then.” ”

“Let’s begin.”

The PK officially began.

“In order to win against Ye Zao, Little Yu’er specially made a set of plans and followed the plan. In a short while, she had already eaten a car full of ye Zao’s guns. ”

“Looking at ye Zao’s side, she did not even get a small soldier to eat. ”

“However, the fans were not anxious. ”

This was because this was ye Zao’s usual routine.

“In the end, Ye Zao would definitely be able to turn defeat into victory! ”

“Little Yu’er naturally knew of ye Zao’s tactics, so she was not in a hurry. She continued to follow the plan and ate ye Zao’s taxi. ”

“Seeing that she was about to win, Little Yu’er’s eyes were filled with excitement. ”

Ye Zao moved the soldier one step closer.

“Little Yu’er moved a cannon. “A general with two cannons has no son. Senior, thank you for letting me win.” ”

“Eat.”Ye Zao jumped over and ate the cannon behind him.

Xiao Yu’er’s face turned pale. Only then did she realize that this was a trap set by ye Zao.

She did not expect ye Zao to be able to break the dual cannon general’s situation.

Those who knew chess knew that the dual cannon general would definitely die.

[ ye Zi 666666! ]

[ the user’s dog: give out a sports car. ]

[ the sky-toppling Purple Gold Hammer 1225: give out a peerless beauty. ]

[666666! ]

Xiao Yu’er narrowed her eyes and tried her best to calm herself down.

She had only lost one cannon.

She had taken all of Ye Zao’s cars and cannons.

She was still the one who had the upper hand now.

“Xiao Yu’er smiled and said, “Senior, you are really amazing. You can even crack the double cannon general.” ”

“It’s no big deal.”Ye Zao’s tone was indifferent.

No Big Deal?

What did ye Zao Mean?

Xiao Yu’er had seen conceited people before.

She had never seen someone as conceited as ye Zao.

She had to defeat ye Zao.

Xiao Yu’er continued to take the next step.

Ye Zao also took a small step.

“At this moment, she received a message. ”

It was from Li Shang.

“[ President Ye, are you free to meet tomorrow? ] ”

Ye Zao operated the mouse with one hand and replied to the message with his phone in the other. [ yes.  
]

[ then I will wait for you at the usual place at 10 o’clock tomorrow morning. ]

“[ Okay. ] When the message was sent, it was Hei Zi’s turn to leave. Ye Zao casually moved the elephant a step and ate the other side’s pawn. ”

Little Yu’er looked at the situation on the chessboard and her heart was beating fast.

She was tricked.

Ye Zao was tricked.

“In order to win against Ye Zao, she specially dug a trap. ”

Using a pawn to exchange for a general was simply too straightforward.

“When she set up the trap, Little Yu’er was still worried that ye Zao would see through it. ”

Now it seemed that.

Ye Zao’s chess skills were only so-so. He could not even see through such an obvious trap.

Little Yu’er covered the smile on her lips very well and continued to carry out the next trap.

She would definitely make ye Zao admit defeat.

“After sending the message, ye Zao put his phone aside and looked at the screen, continuing the live broadcast. ”

“[ ye, you seemed to have made a wrong move. ] ”

[ F \* ck! F \* ck! The other party is going to be the general! ]

“[ ye, you’re not going to lose, are you? ] ”

“Looking at the words on the bullet screen, ye Zao finally reacted. He had just focused on sending a message to Li Shang and made a wrong move. ”

“Chess was closely linked. One wrong move, one wrong move. ”

“At this moment, the situation on the chessboard was in a dilemma. ”

The first step was death.

The second step was retreat or death.

Ye Zhuo’s lips curled up slightly.

Interesting.

“She liked smart opponents the most. Since the other party wanted to trick her, she would grant her one chance. ”

Little Yu’er stared at the chess board closely.

Vault.

It had to be the vault horse.

“Once ye Zao jumped the horse, she would be the general. ”

Ye Zao controlled the mouse and moved the horse over.

Okay.

This was great.

Little Yu'er was so excited that her heart was about to jump out of her chest.

The Vault Horse.

Ye Zao finally jumped the horse.

"Little Yu'er immediately moved the carriage over and ate ye Zao's horse, facing the general directly! "

"F \* ck! It's a trap!"

"This little Yu'er seems to be a little powerful."

"Is she trying to become a full-fledged sister?"

"What's going on with Ye?"

""Go, Ye!" "

""Ye, hang in there! Don't Lose!" "

""Go, Ye." "

“Ever since ye Zao’s live broadcast, he had never lost to anyone. ”

“This was the first time he was at a disadvantage. Seeing that he was about to lose, his fans were all very anxious. ”

Ye Zao’s eyebrows and eyes were light. “Don’t panic. Let’s see how dad will defeat the enemy in one move.”

Chapter 855: 188: Yezi is so handsome! 1

“[ F \* ck, Yezi is so handsome. ]”

“[ video recording, video recording! ]”

[ this voice sounds like a queen. ]

“[ I, Yezi, AM awesome. ]”

Little Yu’er’s expression did not change.

She felt that ye Zao was too conceited.

“In the current situation, ye Zao could not save himself.”

She was going to lose for sure!

The bullet comments on Little Yu’er’s side were also very interesting.

“[ sister Yi is already at the end of her life, and she’s still pretending! ]”

[ sister Yi’s position is gone. ]

“[ I’m dying of laughter, someone like her still wins. ]”

“[ I thought sister Yi was very powerful, but I didn’t expect her to lose to our little Yu’er. ]”

“[ sister Yu, you can do it! ]”

“[ sister Yu, V587! ]”

[ punch sister Yu’s time card crazily. ]

“Little Yu’er’s fans were all crazier. They were still not satisfied with sending bullet comments in Little Yu’er’s live stream room, but they actually climbed over the wall and came to ye Zao’s side.”

[ a certain elder sister’s position is gone. ]

[ hahaha! ]

“[ it’s a little embarrassing. If I Were you, I would just find a hole in the ground and hide. ]”

[ one move to defeat the enemy? I think it’s certain death! ]

“[ you’re not as good as her, yet you’re still not being modest. You’re Really Shameless! ]”

“[ it’s already so late, yet you’re still so proud. If you apologize to our little sister Yu Now, our little sister Yu can consider letting you die a less ugly death. ]”

“[ fish fans, please take care of yourself, okay? This is Leaf’s live stream room! ]”

[ apologize to leaf! ]

[ a bunch of lunatics. ]

“[ leaf, ignore them. ]”

“[ really, what kind of idol has what kind of fans. A certain elder sister has already lost so badly, yet she’s still licking the dog! Disgusting licking the dog! ]”

[ I should call her second elder sister. ]

“[ yes, yes, yes, licking the dog is too disgusting. ]”

“Seeing that the gunpowder on the bullet screen was getting stronger, ye Zao glanced at the screen and said in a flat tone, “Babies, don’t be angry. As the saying goes, don’t argue with a fool. Daddy loves teaching people!””

[ Love Ye! ]

“[ Father Ye, you can do it! ]”

“[ ye is right, don’t argue with a fool. ]”

[ I Knew Ye wasn’t the kind of person who was afraid of trouble. ]

[ you're the kind of person who teaches others how to Behave! ]

[ I think it's more like you're embarrassed. ]

Teach others how to behave?

Who taught whom to behave?

""Senior, I'm going to be a general." Little Yu'er raised her eyes slightly."

"On the screen, Ye Zhuo's face couldn't be seen. He could only see a pair of beautiful hands controlling the keyboard and mouse. However, from these hands, one could see how the owner of the hands looked like a city-toppling beauty."

A clear and shallow voice came from the other end of the screen. "Are you sure you can be a general?"

"It was clearly a very soft voice, but it made little Yu'er stunned. "My Car ate your elephant. Your General had nowhere to go and could only be my general.""

"Take a closer look."

Little Yu'er carefully looked at the situation on the chessboard. Only then did she realize that ye Zao's remaining cannon was waiting for her to move the car away.

The car could not leave.

"But if the car did not leave, the car would be eaten. Ye Zao would still be the general in the next step."

"In the blink of an eye, Little Yu'er became the person who was caught in a dilemma."

The bullet screen immediately exploded.

“[ holy shit! Leaf is awesome! The opposite party, does this feel good to teach a person a lesson? ]”

“[ second brother in ten thousand years still wants to turn the tables? With our father ye around, you will never be the boss! ]”

“[ hahaha, I’m dying of Laughter. -RSB-”

[ where are those people who were jumping up and down just now? Why are they gone? ]

[ I knew that Ye Zi wouldn’t let us down. ]

“[ Ye Zi is still me, Ye Zi! ]”

“[ upstairs, you should say that your father is still your father. ]”

[ Ahhh! My whole body is exploding! ]

“-LSB- damn, it’s so hot. ]”

“[ do you still remember Ye Zi’s classic saying? Unless father doesn’t want to win, no one can let father lose. ]”

[ kneel down for Daddy. ]

“-IDaddyYe ye, please accept my knees. ]”

[ Daddy Ye is still your Daddy Ye. ]

"[ I didn't like chess at first. After watching Daddy Ye's live broadcast, I signed up for a chess training class. I'm going to enter the Chess Association soon. Everyone, please give me your blessings. ]"

-IDaddyYeYe is the faith in my life! ]

Little Yu'er didn't expect that the final situation would turn out like this.

She had always thought that she would win.

"Even now, she felt that all of this was incredible."

How did she lose?

"Other than being eaten by ye Zhuo, what was wrong with her?"

The smile on Little Yu'er's face almost could not be maintained.

"Because she had watched ye Zhuo play chess, Little Yu'er thought that she knew ye Zhuo's tricks very well."

"She did not expect that ye Zhuo, who seemed to be nonchalant, would always fall into her trap. In fact, when she fell into the trap, she was also setting traps."

She had been careless.

She had been so focused on setting up a trap for ye Zao that she had forgotten about the danger.

"Little Yu'er raised her head to look at the camera, trying to make her expression look more natural.  
"Senior Ye, it's my fault that I'm not as good as you.""

Ye Zao's tone was indifferent. "Winning and losing is the norm in war. It's nothing."

"As soon as he said that, Ye Zao's voice sounded again, "Although fans are fans and idols are idols, the two can not be tied together. "But I just checked. The person who attacked me and my fans in my live broadcast room is the manager of your fan group. I have memorized the ID numbers of those people. I will send them to you in a while. "I hope that after the broadcast, I can see them apologizing to us on Miao Yin!"

"Ahhhh! Ye Zao is such a fan!"

"Father Ye, I love you!"

"I didn't expect ye Zao to stand up for us."

"Father ye is so warm."

"Little Yu'er didn't expect ye Zao to say such a thing. She braced herself and said, "Okay, senior, I got it."

"That's it." Ye Zao was about to reach out and cut off the microphone.

"Senior, Wait a moment," little Yu'er continued to say."

"What's Wrong?"

"Little Fish said again, "Senior, let's add each other as friends. Next time, we'll ask for chess skills."

"There won't be a next time."

“After saying this, Ye Zao didn’t wait for little fish to speak and directly cut off the wheat.”

[ ye is so tough! ]

[ I like people like Ye. ]

“[ ye, from now on, I’ll be your brain-dead fan. ]”

“Ye Zao livestreamed a game, then turned off the livestream and went to take a shower.”

“In the morning, Ye Shu picked a lot of fresh rose petals and sent them over. At this time, she just happened to take a bath in rose petal essential oil.”

Good skin also needed to be managed.

“Otherwise, no matter how good the skin was, it would become riddled with holes.”

“At ten o’clock the next morning, ye Zao arrived at the old place that Li Shang mentioned on time.”

It was a cafe near Beijing University.

“When ye Zhuo arrived, Li Shang was already sitting by the window, waiting for her. It seemed that he had been here for a while.”

“Seeing ye Zhuo come over, Li Shang quickly stood up. “Director Ye.””

“Uncle Li.”

Chapter 856: 189: invited to the program (first watch)1

“Ye Zhuo leaned over and sat opposite Li Shang. He smiled and said, “Uncle Li, how many times have I told you? You Don’t have to call me CEO Ye. Just call me by my name.” ”

“Li Shang said, “How can I Do That!” ”

“Although ye Zhuo was relatively young, Li Shang had never treated ye Zhuo as a little girl. ”

“A superior was a superior, and a leader was a leader. ”

“Moreover, ye Zao had never behaved like a teenager. ”

“Since Li Shang was like this, Ye Zao did not force him. He continued, “By the way, Uncle Li, why are you looking for me?” ”

“Li Shang took out a document. “Recently, there is a variety show called ‘life in the country’that wants to invite you to participate.” ”

“Variety show?”Ye Zao’s eyes were indifferent. He reached out to take the document and casually flipped through a few pages.

“From the lack of interest on his face, it was obvious that he was not interested in this variety show. ”

“After all, when this person was broadcasting live, he did not even want to show his face. ”

“Asking her to participate in a variety show, wasn’t this a joke? ”

“Li Shang knew it in his heart, but he still hoped that ye Zao could participate, he then said, “President Ye, although our company is currently in an explosive phase, we still need popularity and promotion. Once you participate in this program, not only can we save a huge amount of endorsement fees, but we can also increase the company’s popularity. It’s a good thing to kill two birds with one stone. Do you want to consider it?” ”

This was equivalent to advertising for the company for free...

It was still very cost-effective.

“Ye Zhuo had recently donated a large sum of money to a poor mountain village anonymously, and he had previously given Lin Jin city a black card. ”

He was indeed quite short of money now.

If he saved the endorsement fee to buy desserts.

It seemed to be not bad.

Ye Zhuo narrowed his eyes.

“After that., li Shang continued, “Moreover, this ‘brave torrent into the countryside’ variety show is different from other shows. It’s said that this show doesn’t have a script or lines, so it’s rather interesting. Just treat it as a tour.” ”

“Ye Zhuo raised his eyebrows slightly and continued, “How long will it take?” ”

“Li Shang said, “There are three episodes in total. One episode will last seven days.” ”

“When will it start?”Ye Zhuo continued to ask.

“Li Shang continued, “If you agree, you can join the group in a week.” ”

“Ye Zhuo nodded. “Alright, I’ll join.” ”

“Really?” Li Shang looked at Ye Zhuo in disbelief.

“Have you brought the contract?” Ye Zao asked.

“Yes!” Li Shang quickly took out the contract.

Ye Zao took the contract and signed it cleanly.

Li Shang looked at the words on the contract and still felt a little confused.

Everything seemed to be going too smoothly.

...

On the other side.

At Tianhua Entertainment.

“Song Chenyu pushed open the door to his manager’s office. “Brother Chao, you were looking for me?” ”

“Chenyu is here.” Ma Chao immediately stood up from his office chair. “The filming of the second season of ‘country’ is about to begin. The program team would like to invite you to be their resident guest.”

‘Brave Torrent’s country life’ was a very popular summer variety show.

“The first season of filming in Meizhou last year had a viewership of over 2 billion when it first aired. It had made quite a few celebrities famous, and it had even made an old actress famous. ”

“As the most popular actress in Tianhua Entertainment, Song Chenyu naturally received the best resources. ”

“Therefore, after obtaining the spot, Ma Chao was the first to think of Song Chenyu. ”

“Although song Chenyu did not lack traffic now, with how popular country was now, it was not wrong to increase the exposure. ”

“Song Chenyu’s popularity was not low to begin with. If she performed well on country, she would definitely reach another peak. ”

“Hearing this, song Chenyu frowned slightly. “Brother Chao, you should know that I dislike reality shows the most.” ”

Every celebrity in the entertainment industry had their own persona.

The slightest carelessness in participating in a reality show would cause the persona to fall apart.

Song Chenyu only wanted to act well and did not want to participate in these messy variety shows.

“Ma Chao handed song Chenyu a document, “This is the guest list for ‘country’. In the second season, other than Wei Xingzhi, there are also Lu Qi and song Yiwan. Although Lu Qi and song Yiwan have only debuted recently, their traffic and popularity are very good!” ”

“After saying that, Ma Chao continued, “I think they even hired a streamer who is very popular on the Miao Yin platform recently. What’s his name...” ”

“Ma Chao Thought for a long time before his eyes finally lit up, “Sitara YC’s Ye! Yes, that’s her! Don’t look down on her just because she’s a live streamer. She has over 90 million fans on the platform and is about to break through 100 million! Chenyu, this opportunity is really rare. I hope you can consider it carefully!” ”

Sitara YC’s Ye?

A faint light flashed across song Chenyu’s originally calm eyes.

“If she remembered correctly, Ye Zao’s Streamer name on Miao Yin platform was ye of Sitara YC. ”

Could it really be ye Zao?

She did not expect ye Zao to participate in such a variety show.

Could it be that ye Zao wanted to debut as a star?

Debut?

Did Ye Zao really think that it was so easy to enter the entertainment industry?

With her around.

Ye Zao would not be able to successfully debut!

“Song Chenyu quickly flipped through a few pages of the name list. When she saw ye Zao’s name, she raised her eyebrows slightly. A bright light flashed in her eyes as she looked up at Ma Chao, she smiled and said, “Since brother Chao has already said so, then if I don’t go, wouldn’t I be letting down brother Chao’s good intentions?” ”

“Ma Chao looked up happily. “Chenyu, does that mean that you agree?” ”

“Yes.” Song Chenyu nodded.

“Ma Chao smiled and said, “Then I’ll make the arrangements for you. We’ll enter the set in a week.” ”

“”Alright.” Song Chenyu continued, “Then I’ll have to trouble you, Brother Chao.” ”

“It’s my pleasure.”

...

“A week later, the filming crew of ‘village’ really started filming in a small mountain village in the East Continent. ”

“The small mountain village was surrounded by mountains on all sides and had a beautiful scenery. However, the location was a little remote. After getting off the plane, they had to take a three-hour car ride before they could reach their destination. ”

At this time.

Three people had already gathered in the small farm courtyard arranged by the program team.

They were the well-known actor Wei Xingzhi.

Wei Xingzhi was 49 years old this year. He had been there since the last episode of the program.

“He had become famous early, and everyone addressed him as teacher Wei. ”

The other two people were Lu Qi and Song Yiwan.

The three of them were sitting in the courtyard and chatting.

“Dongzhou was a tropical region. It was summer all year round, and the hot sun was roasting the earth. Although the small courtyard was shaded by trees, the three of them were still extremely hot.”

“Lu Qi went into the house and brought out three bottles of ice-cold cola. “Teacher Wei, Yi Wan, have some cola.” ”

“Thank you.”

“Thank you.”

The two of them thanked him.

Wei Xingzhi pulled open the tab and drank more than half of the cola.

Song Yi Wan only took a small sip symbolically.

Female celebrities were different from ordinary people. They were very strict with their figures.

Song Yi Wan was 1.68 meters tall and weighed only 90 kilograms. She usually ate rice according to the number of grains.

“Drinks Like Cola, which were high in sugar, were even more untouchable.”

“Lu Qi continued, “I don’t know who will come next. Teacher Wei, Yiwan, have you seen the guest list?” ”

“Song Yiwan thought for a moment and then said, “There seems to be an internet celebrity.” ”

""Internet Celebrity?" There were no cameras filming at the moment. Hearing this, Lu Qi said bluntly, "When did the threshold of 'village' become so low? Even an internet celebrity can record a show with us?" "

Celebrities relied on their acting skills and true abilities to earn a living.

What did an internet celebrity know?

Lu Qi did not have a good impression of an internet celebrity.

"In his opinion, an internet celebrity was the kind of person who wore revealing clothes and stood in front of the camera, showing off his coquettishness. "Thank you, Big Brother, for the sports car!" "

""Thank you, Big Brother, for your love!" "

""Love, Big Brother!" "

"When he thought of the live broadcast of some female internet celebrities, Lu Qi could not help but shudder. "

It was a little disgusting.

"Song Yiwan scratched her head. "I'm not too sure about the specifics, but that internet celebrity doesn't seem to be simple." "

"A hint of mockery flashed across Lu Qi's eyes. "If it was simple, would it be able to be on 'country'?" "

"Without even thinking, it was obvious that this internet celebrity had definitely entered through the back door. "

Wei Xingzhi did not say anything and silently took a sip of his coke.

The entertainment industry was now under the control of the young people.

As for old people like them...

It was better to be careful with their words and actions so as not to attract trouble.

"After saying that, Lu Qi continued, "Who else will participate?" "

Song Yiwan glanced at Lu Qi. "Didn't you look at the program list?"

"I didn't." Lu Qi shook his head.

"Song yiwan continued, "Song Chenyu, Chang Yu, and Wang Xuancheng seem to be the guests invited by the program team. Oh right, Yin Wei, who acted in last year's youth school drama, is also one of them."

"Upon hearing song Chenyu's name, Lu Qi was extremely excited and quickly asked, "Do you think song Chenyu will come to our program?" "

Chapter 857: 190: Father Ye is despised? They are not on the same level! (second watch)

"Song Chenyu's acting skills were good and her looks were good. She was also known as a once-in-five-thousand-years beauty. She was the goddess in the hearts of many otakus. At the same time, she was also the goddess in Lu Qi's heart."

""Yes." Song Yiwan nodded and asked in return, "Do you like her very much?" ""

Lu Qi did not hide his love for Song Chenyu. "I liked her before she debuted."

"Song yiwan smiled and said, "Actually, I liked her too, especially her role in 'beauty'. I watched it three times!"

"'beauty' was a xianxia movie, and song Chenyu played the female lead in it."

"The female lead died in the end to save the world, and her role was very likable. Many of Song Chenyu's fans liked her from 'beauty'."

"Upon hearing this, Lu Qi quickly nodded in agreement. "Yes, yes, yes! I also fell in love with her from 'Beauty of the world.'"

"After saying this, Lu Qi continued, "But didn't the internet say that song Chenyu doesn't like this kind of reality show?"

"Song Yiwan frowned. "I'm not too sure about that. Anyway, I saw her on the guest list. Maybe our show is different from other shows, so she came, right?"

Lu Qi felt that what song Yi Wan said made sense.

"At that moment, the program team came over to greet them, reminding them that filming was about to begin."

The three of them immediately got into the mood and began to talk about what happened last season.

"Wei Xing Zhi was a very funny person. With just a few words, he made song Yi Wan and Lu Qi laugh out loud."

"Not long after, there was a knock on the door of the small courtyard."

Wei xingzhi walked over to open the door.

“Three young people were standing outside the door with their luggage. When they saw Wei Xingzhi, they immediately bowed politely. “Hello, teacher Wei. I’m Chang Yu.””

“”Teacher Wei, I’m Wang Xuancheng.””

The two of them had been very popular a few years ago and had not produced any new works recently. They had come to participate in this program to consolidate their popularity and also to promote the new drama.

“”Hello, teacher Wei. I’m Yin Wei.””

The female star Yin Wei was a newcomer who had just debuted.

“Before participating in this program, she had acted in a youth school drama and had become popular online. Currently, the traffic was plummeting.”

“Wei xingzhi smiled and said, “Come in quickly.””

The three of them followed Wei xingzhi into the small courtyard.

“When they saw a new guest come over, Lu Qi and song Yiwan immediately came out to welcome him.”

They had just gotten to know each other.

“Knock, Knock, Knock”

There was another knock on the door.

It must be song Chenyu.

“Lu Qi’s eyes lit up. He looked up at the crowd and said, “It must be my goddess. I’ll go open the door. Don’t fight with me!””

“As soon as he said that, he immediately rushed over to open the door.”

The person standing outside the door was none other than song Chenyu!

“Song Chenyu was wearing a white one-piece dress, a straw hat on his head, and light nude makeup on his face. He looked fresh and natural, and people couldn’t help but look at him again and again.”

“Although Lu Qi was also a well-known male star, he only became popular last year and had never worked with song Chenyu before. This was the first time he had seen song Chenyu in person.”

“Suddenly facing song Chenyu directly, Lu Qi’s heart beat a little faster.”

“Song Chenyu usually saw the most men, the men who admired her. Looking at Lu Qi, she knew that Lu Qi must be one of her admirers. Song Chenyu suppressed the sense of superiority in his heart and looked up at Lu Qi, “Hello, is this a small village house?””

“Lu Qi finally reacted and immediately extended her hand to song Chenyu. “Hello, teacher song, I’m Lu Qi.””

Song Chenyu debuted four years ago.

“She was good-looking, had good acting skills, and had won many gold awards. In comparison, Lu Qi was just a newbie, so it was normal for her to call song Chenyu teacher song.”

“Song Chenyu smiled and said, “Lu Qi, I’ve watched your television. We’re all the same age. You can just call me by my name.””

“After learning that song Chenyu had watched his television, Lu Qi felt a little embarrassed. He turned his head and shouted into the courtyard, “Teacher Wei, Yi Wan, Xuan Cheng, Chang Yu, Yin Wei, come out quickly. Teacher Song Is Here!””

The five of them immediately trotted over to welcome song Chenyu.

Song Chenyu followed the five of them into the courtyard.

Lu Qi immediately went to pour a glass of water for song Chenyu.

Song Chenyu took the water and took a sip. His gaze scanned the surroundings without leaving a trace. “Are there any other guests who haven’t come?”

“Lu Qi said, “There seems to be another internet celebrity who hasn’t come.””

“OH.” Song Chenyu nodded.

“”Internet Celebrity?” When he heard this, Wang Xuecheng’s expression was a little complicated. “Are there any internet celebrities coming to participate in our program?””

Lu Qi nodded. “Yes.”

“Although Wang Xuancheng did not say it explicitly, the expression on his face said it all.”

Internet celebrities and celebrities were not in the same world at all.

He did not know what the program team was doing!

Why did they even invite an internet celebrity!

“Song Chenyu’s gaze swept across his face without a trace, and he continued, “The temperature here is too high! I was still wearing my coat when I got on the plane! I didn’t expect it to be 35 degrees when I got off the plane.””

The topic of being an Internet celebrity was deflected by song Chenyu just like that.

The director secretly praised Song Chenyu’s Eq.

“Song Yiwan looked at Song Chenyu. “Chenyu, do you live in the capital?””

Song Chenyu nodded. “I spend most of my time in the capital.”

“Song yiwan smiled and said, “I also came from the capital. The highest temperature in the capital today is only 15 degrees.””

“Yeah.”

The few of them chatted from the capital to their homes.

“Knock, Knock, Knock”

“Not long after, there was another knock on the door in the quiet courtyard.”

The others had gone to pack their luggage.

On the other side of the courtyard sat song Chenyu and Lu Qi.

“Perhaps it was because they were far away, and the two of them were having a lively conversation.”

“Therefore, no one heard the knock on the door.”

“In fact, both of them heard it.”

“Now, everyone was here except for Ye Zao.”

Who else could it be other than ye Zao who was knocking on the door?

The corners of Song Chenyu’s mouth curled up slightly.

It could be seen that Lu Qi and the others were quite opposed to ye Zao.

Especially Lu Qi.

“When the two words ‘Internet celebrity’ were mentioned, the disdain in his eyes almost appeared.”

“However, it was normal when he thought about it.”

How could a celebrity compare to an internet celebrity?

They were not even on the same level!

Internet celebrities were equivalent to online beggars.

“In this information-rich era, negative news about internet celebrities was flying all over the place.”

It would be strange if they liked Internet celebrities!

“Now that everyone was against foreigners, no one opened the door for ye Zao.”

Ye Zao would definitely be embarrassed to death standing outside alone.

Song Chenyu wanted ye Zao to know that.

She and she were not from the same world.

She was a swan that spread its wings and flew.

Ye Zao was not even a frog at the bottom of a well.

Today was just the beginning.

“In the time to come, ye Zao would be prepared to let her slap him in the face!”

A frog was a frog.

Dreaming of flying up to the branches and becoming a Phoenix?

It was simply a dream!

“At this moment, a thin figure ran out of the inner room and opened the courtyard door.”

The speed was so fast that it was almost impossible to react.

Who Was This?

Why was he so blind?

“Song Chenyu narrowed his eyes and stood up from his chair. “Someone seems to be coming. Lu Qi, let’s go take a look.””

“His expression was very natural, as if he had just found out that someone was knocking on the door.”

“Lu Qi also stood up and said, “Okay.””

The two of them stood up and walked out.

Yin Wei had already opened the door.

“The person outside the door was tall and slender. He wore a black tasseled t-shirt and jeans shorts. His long legs were long and straight, and he wore a pair of black martin boots.”

A slender and fair waist was faintly discernible between the tasseled hem. The collision of black and White was soul-stirring.

She looked cool and wild.

This was too cool!

“Yin Wei was stunned for a moment. Then, she looked up and saw a black cap covering her eyes and brows. Although her face could not be seen clearly, she could still feel the strong aura of this person.”

“Yin Wei immediately apologized, “I’m sorry! We were busy in the room just now and did not hear the knock on the door. Sorry to have kept you waiting.””

“It’s fine.” A fair and slender hand took off the black cap.

A face so perfect that it made people sigh was exposed in the air just like that.

“The girl in front of him had exquisite facial features. There was not a single blemish on her porcelain-white face. Her pair of exquisite phoenix-shaped eyes were sparkling, and it could inadvertently seduce one’s soul.”

The entertainment industry was not lacking in beauties.

“However, even Yin Wei, who was used to seeing beauties in the entertainment industry, was stunned by her beauty.”

“One point was too fat, one point was too thin.”

“One point was too white, and one point was too red.”

“Perhaps, she could no longer be described as good-looking.”

“Just as she had yet to react, a good-looking hand reached out in front of her. “Hello, I’m Ye From The Wonderful Sound Streamer, Sitara YC. You Can Call Me Ye.””

“Yin Wei only reacted when she heard ye Zao’s voice. She immediately reached out and held ye Zao’s hand. “Hello, Ye. I’m Yin Wei. You can call me Yin Wei directly, or you can call me Wei Wei.””

“I’m Wei Wei.”Ye Zao smiled.

“Yin Wei was a very easy-going girl. She did not have any prejudice against internet celebrities. She immediately held ye Zao’s arm and said, “Ye, come inside with me. They’re all here.””

“Chapter 858: 191: stunning everyone, group up (Third Watch)1”

“Okay.”

Yin Wei brought ye Zhuo into the courtyard.

“At this moment, song Chenyu and Lu Qi walked over as well. ”

“Yin Wei immediately introduced ye Zhuo, “Ye, this is song Chenyu, and this is Lu Qi. Chenyu, Lu Qi, this is our last guest today, Miao Yin’s live streamer Ye.” ”

Lu Qi looked up and was stunned.

Ye Zhuo was very different from the internet celebrity he had imagined.

“In his memory, internet celebrities had scary snake-like faces and heavy makeup. ”

“However, the girl in front of him had a plain face and didn’t even put on lipstick. She was so beautiful that she could topple cities. ”

Her features were like a painting.

Beijing was more than two thousand miles away from here.

A five-hour flight and a three-hour drive would exhaust a normal person after getting off the car.

Even a goddess like song Chenyu had a tired expression on her face when she first arrived.

“However, ye Zao did not look tired at all. Instead, his entire body emitted a youthful and lively aura! ”

A slender and fair waist was hidden in the tassel. It was faintly discernible and especially eye-catching.

“Song Chenyu’s gaze swept across Lu Qi’s face. He looked at Ye Zhuo and said in surprise, “Miss Ye!” ”

“Miss Song.”Ye Zhuo nodded politely.

“Lu Qi asked with some confusion, “Chenyu, do you guys know each other?” ”

“Song Chenyu nodded and said with a smile, “Yes, we’ve met a few times before, but before that, I didn’t know that the program team invited a guest to be Miss Ye.” ”

“Hearing this, Lu Qi frowned slightly. ”

“Ye Zao clearly knew song Chenyu, yet he pretended not to know her. He actually wanted song Chenyu to greet her first. ”

“Here, Song Chenyu was a senior and even a teacher! ”

Ye Zao was just an Internet celebrity.

What right did she have to let song Chenyu greet her first?

She was really too arrogant!

Did she really think that she could enter the entertainment industry just because of her face?

“If a small internet celebrity acted like this in front of a senior, she would be ruined sooner or later! ”

“A look of disgust flashed across Lu Qi’s eyes. She looked at ye Zao and said, “Hello.” ”

“Hello.”

“Song Chenyu smiled and said, “It’s very hot outside today. Let’s quickly come in and talk. We just made lemon honey water. Miss Ye, can you drink something sour?” ”

“Thank you. I don’t have any dietary restrictions.”Ye Zao nodded slightly.

The four of them talked as they walked into the courtyard.

“At this time, Wei Xingzhi and the other two male celebrities also walked out of the room. ”

“Yin Wei introduced ye Zao to Wei Xingzhi, Wang Xuancheng, and Chang Yu. ”

The three of them originally thought that ye Zao was a staff member.

They didn’t expect that ye Zao was actually that Internet celebrity.

“For a moment, everyone had different expressions. ”

“Other than Wei Xingzhi, the rest of the people present were around the same age. Therefore, after they got to know each other, other than calling Wei Xingzhi teacher Wei, everyone else addressed each other by name. ”

“The program team’s director walked out at the right time. “Now that everyone is here, let me announce our mission for today and the rules of the small courtyard.” ”

“There’s still a mission?”

“What Mission?”

“It can’t be that kind of perverted mission, right?” ”

Everyone discussed and was very curious.

“The director continued, “For the first mission, there are a total of eight of us, four boys and four girls. Now, these eight people need to form a team and split into two groups. Now, please form your own groups.” ”

“This side is the red group, and this side is the blue group. Those who want to join the Blue Group, stand to the left, and those who want to join the red group, stand to the left.” ”

Form their own groups?

Song Chenyu’s lips curled up without a trace.

She really liked this kind of model.

“Before coming to the program team, she had understood the rules.”

This was a self-sufficient show where everything had to be done by oneself.

“A rich young lady like Ye Zhuo, who knew nothing at all, was just waiting to be ridiculed!”

And she would become the most dazzling one among everyone.

“I like Blue.” Song Chenyu stood to the left. “I’ll join the Blue Team. If any of you want to be in my team, you can stand over here by yourselves!” ”

“Song Yiwang immediately walked over to Song Chenyu’s side and held his arm. “Chenyu, we’ll be in your team.” ”

Lu Qi immediately followed. "I'll join you too."

"Count me in." Wang Xuan Cheng also joined Song Chenyu's team.

"Chang Yu had wanted to join the blue team too, but he was too late. "

"Yin Wei held ye Zhuo's hand. "Ye, let's team up then." "

Ye Zhuo nodded slightly. "Alright."

The two of them stood on the red team's side.

Wei Xingzhi turned to look at Chang Yu. "Then let's join the red team too."

"In fact, compared to joining the red team, both of them wanted to join song Chenyu's team more. "

"After all, Song Chenyu was a topic of discussion and traffic. "

Who would want to be in the same team as an internet celebrity?

"Besides, for someone like ye Zhuo, it was obvious that she was a Missy who could not be lifted or shouldered. "

"Moreover, Ye Zhuo had entered through the back door. "

How could you expect a person who entered through the back door to have any real knowledge?

The program team of "Country" had many tasks that required the team to complete.

“When that time came, Ye Zhuo would only become a burden for everyone. He might even be blacklisted by the team. ”

“Apart from Yin Wei, Wei Xingzhi and Chang Yu were both worried. ”

“After the team was divided into groups, the director continued, “Okay, in the next week, the people in your two groups will have to fend for themselves and be self-sufficient.” ”

“”What do you mean by self-sufficient, director?”Lu Qi asked. ”

“The director explained, “I believe that when you first entered the village, you already had a simple understanding of the situation in the courtyard. Currently, there are a total of two cows and six chickens in our courtyard. “In this week, two cows and six chickens need to be fed by your two teams.” ”

“”In other words, each team will have one cow and three chickens, right?”Wei Xingzhi had been cheated badly last season. He had learned from his mistakes. This season, he had to ask more clearly. ”

“Yes.”The director nodded.

“Then how do we feed them?”Song Yiwan raised her hand and asked.

“The director said, “There is fresh white grass on the back slope. You can cut it and feed the cows. For the chickens, you can find insects or exchange it with our program team to feed the chickens.” ”

“Exchange? With what?”

“”Exchange it with equivalent labor.”The director continued, “See the watermelon field in front of us? “The watermelon is now ripe. Fifty catties of watermelon can be exchanged for ten yuan, and the chicken feed is exactly ten yuan per catty. “Besides the chicken feed, you can also exchange for other things.” ”

“Chang Yu frowned slightly. “Then we will feed these two cows and six chickens. Who will be responsible for our food, clothing, and accommodation?” ”

“”In a while, we’ll arrange rooms for the two of you. As for your meals, there are two kitchens over there. You can cook whatever you want to eat. “There’s a vegetable plot in front of us. We’re self-sufficient in vegetables and meat products. If you need to exchange watermelon for money, our program team will exchange it.” ”

“Cook by yourself?”

“I don’t know how to Cook!”

“”F \* ck, I don’t know how to cook either!” ”

“With that, everyone lost their composure. ”

“They were all big stars. Usually, they were busy with filming and catching up on work, so how would they have time to cook? ”

“To use a phrase to describe it, ”

they did not know how to differentiate between the four bodies and the five grains.

“If they were to let them cook by themselves, wouldn’t the program team be causing trouble? ”

“Song Chenyu smiled and said, “Don’t worry about cooking. Just leave it to me.” ”

“When they heard that song Chenyu knew how to cook, everyone immediately heaved a sigh of relief. They looked at song Chenyu as if they were looking at their savior. “Chenyu, you’re too amazing! You actually know how to Cook!” ”

“Song Chenyu said, “Back then, when I came to Beijing on my own, I even stayed in the basement. It was just cooking. It was very simple.”Not only did she know how to cook, but she was also very good at it! ”

Song Chenyu did not expect that her culinary skills would come in handy on the show.

She was now very glad that she had learned how to cook from the chef.

“Nowadays, female celebrities who knew how to cook in the entertainment industry were rarer than pandas. ”

“When the time came, she would definitely be able to use this opportunity to attract a huge amount of fans. ”

“Song Yiwan hugged song Chenyu’s arm. “Chenyu, I really admire you!” ”

“Song Chenyu smiled and said, “It’s just cooking. It’s not that serious.” ”

On team Red’s side.

“Yin Wei was born into a good family. She had never even entered the kitchen, let alone cooked. ”

“Chang Yu and Wei Xingzhi, the two big men, were even worse at cooking. ”

A gentleman would stay away from the kitchen.

Cooking in the kitchen was too easy to ruin a person’s image.

“At this moment, everyone was very envious of Team Blue. ”

“Looking at song Chenyu, one could tell that she was a girl who was both beautiful and intelligent. Her cooking skills were definitely not bad. ”

The members of team blue were in for a treat.

“Seeing that everyone was in a difficult position, Ye Zhuo stood up and said, “Then I’ll cook for us here.” ”

“Yin only a little surprised to see ye Zhuo, “Ye you can cook?” ”

Chapter 859: 192: not losing to the boys at all (Fourth Watch)1

“Ye Zao smiled and said, “Just don’t mind the taste when the time comes.””

“I definitely won’t mind!”

Chang Yu and Wei Xingzhi also looked at Ye Zao in surprise.

Their eyes were filled with disbelief.

Ye Zao was too unscrupulous in order to appear on camera.

He actually requested to take the initiative to cook?

Could the food she cooked be eaten?

This was not how one would show off!

“Song Chenyu glanced at ye Zao, her eyes filled with ridicule.”

Why would ye Zao take the initiative to take on the task of cooking?

Wasn't it because he wanted to compete with her?

He wanted to compete with her?

What right did ye Zao have?

Her culinary skills came from the hands of a five-star chef. Where was ye Zao?

“For a delicate little girl like ye Zao, she probably did not even know how to hold a spatula.”

However.

A certain Internet celebrity joining a variety show to blow up the kitchen was also a gimmick.

Thinking of this.

A mocking look flashed across song Chenyu's eyes.

“After the job of cooking was clearly divided, the director continued, “Oh right, the fish pond on the west side is also ours. If you guys want to eat fish, you can go to the fish pond to fish for fish.””

“In the following time, the director brought everyone to their respective rooms.”

There were four rooms in total.

“Two people in one room, just enough for eight people.”

Ye Zhuo and Yin Wei lived together.

Song Chenyu and song Yiwan lived together.

The remaining four boys lived in two rooms each.

In the afternoon.

“Everyone first mowed the grass and came back to feed the cows, then went to pick watermelons.”

They came to the back of the mountain in a big way.

There was a large patch of white grass growing on the back of the mountain.

The few of them took their tools and began to mow the grass.

Mowing the grass was not difficult.

“However, it was too difficult for these big stars who had never done farm work before.”

Song Chenyu had never done this kind of work before. He held a knife and was somewhat at a loss.

“Fortunately, Wang Xuancheng had participated in such a program before. He smiled and said, “If any of you don’t know how to Mow the grass, you can learn from me. Actually, this is very simple.””

“Song Chenyu was a studious person, so he immediately learned from Wang Xuancheng.”

“Ah!”

“At this moment, a sharp knife cut song Chenyu’s finger.”

Bright red blood flowed out of the wound.

“What happened to Chenyu?” Lu Qi immediately threw the knife and walked toward song Chenyu.

“Song Chenyu pinched his injured finger and said, “I accidentally cut my finger.””

“Quick, let me take a look. Are You Alright?” Lu Qi said nervously, “Does it hurt?””

“Song Yiwan came over and said, “I’ll go get a band-aid!””

Wang Xuancheng stopped mowing the grass as well. A few people surrounded song Chenyu and asked about his well-being.

“Song Chenyu smiled and said, “It’s just a little cut. You’ll be fine once you get a band-aid. Hurry up and mow the grass. Don’t delay the mowing. The cow is still waiting to eat at home.””

Lu Qi’s heart ached terribly.

“Song Chenyu was already injured to this extent, yet he was still concerned about the cow.”

“This program team was really inhumane. Even if song Chenyu was injured, no one cared.”

“Not long after, song yiwan ran over with the band-aid.”

“Chenyu, let me put it on you.”

Song Chenyu reached out his hand.

Song Yiwang carefully put the band-aid on.

“After putting the band-aid on, Song Chenyu took his knife and continued cutting the grass.”

“Seeing that Song Chenyu was working with injuries, everyone was shocked and immediately stopped him. “Chenyu, it’s just a little grass. We can cut it three times. Stand in the shade and rest for a while.””

Song Chenyu shook his head. “It’s just a little cut on my finger. It doesn’t hurt at all.”

Lu Qi snatched the knife from Song Chenyu’s hand. “Go and rest! There’s a banyan tree over there. Just stand under the tree and wait for us.”

Song Chenyu had no choice but to stand under the banyan tree and wait for them.

The remaining three continued to mow the grass.

“Song Yiwang had been a second-generation rich child since she was young and had never done such tiring work. Soon, she was so tired that her back ached and sweat poured down like rain. Even the makeup she had carefully put on melted away.”

She did not need to look in the mirror to know how pathetic she was at this moment.

“Then, she looked at Song Chenyu under the Banyan Tree.”

“She sat there quietly. The white clothes on her body blended with the white clouds in the sky, and she was so beautiful that she could explode.”

Song Yiwan frowned. How come she was not the one who cut her hand?

“First, song Chenyu cut her hand.”

“If she cut her hand again, her intention would be too obvious.”

On the red team’s side.

The four of them also came to another area where white grass grew.

“Here, the Blue Sky and White Clouds, the gentle breeze, the fragrance of flowers, and the crisp chirping of birds accompanied them.”

“Yin Wei sighed and said, “The scenery here is so beautiful!””

Ye Zhuo took out his phone to take a photo.

Wei Xingzhi and Chang Yu stood behind the two of them.

“Wei xingzhi smiled and teased, “Wei Wei, Yezi, we didn’t come here today to enjoy the scenery. Hurry up and cut the grass. There are still watermelons to pick from the wrist-cutting grass.””

“As he said that, Wei Xingzhi gave the blade to the three of them.”

“Yin Wei held the blade and looked at ye Zao. “Yezi, have you ever cut grass before?””

Ye Zao shook his head.

It was within the expectations of the others that ye Zao did not know how to cut grass.

They did not expect ye Zao to know how to cut grass. They just hoped that ye Zao would not give them any trouble.

“Yin Wei continued, “I’ve cut rice before when I participated in other programs. I can teach you later.””

“Okay.”

Yin Wei began to teach ye Zhuo how to cut grass.

“Although it was called teaching, ye Zhuo actually learned it after watching it once.”

“After all, it was not a job that required skill.”

“Yin Wei smiled and said, “Ye, you’re so Smart!””

“It’s just that cutting grass is too easy.”Ye Zhuo raised his eyebrows slightly.

“She did her work very methodically and did not think of slacking off. She was very serious. She was clearly a little girl, but she did not lose to the boys present at all. In a short while, she had cut a big basket and began to cut the second basket.”

“Seeing this, Wei Xingzhi and Chang Yu were a little surprised.”

They had thought that ye Zao would be lazy.

“They did not expect that not only did ye Zao not slack off, he was even better than them!”

“While cutting, ye Zao suddenly found a big cluster of red things in the grass.”

It was a thorn bubble.

“Thorn bubble was a wild fruit, its scientific name was raspberry.”

Ye Zao’s eyes lit up and he quickly picked a thorn bubble to taste.

The taste was sweet and sour. It tasted very good.

“Hence, he picked a second one and a third one.”

“After eating the fifth one, Ye Zao looked at Yin Wei. “Wei Wei!””

“What’s Wrong?”Yin Wei ran over.

“Ye Zao continued, “There are thorny bubbles here. Do you want to eat them?””

““Thorny bubbles?”Yin Wei had lived in the metropolis since she was young and had never seen this before. She asked curiously, “Can this be eaten? Is it poisonous?””

“It’s not poisonous. I’ve already eaten a few of them.”

Yin Wei was still a little worried. “Is it really not poisonous?”

“Ye Zhuo picked one and put it into his mouth. “Don’t worry, it’s really not poisonous.””

Yin Wei swallowed her throat and picked another one as well. She put it into her mouth and frowned as she chewed carefully.

The pulp of the fruit exploded in her mouth.

“In an instant, the juice was overflowing.”

It was sweet and sour.

It tasted even better than strawberries.

“Yin Wei looked at ye Zao in surprise. “The taste is indeed very good! Yezi, what did you say this fruit was called?””

““Spiny bubbles.”Ye Zao continued, “We can pick a little more now and eat it as fruit after dinner tonight.””

““Okay, I agree!”Yin Wei ate as she picked.”

Ye Zao looked around and found a banana tree not far away. He immediately trotted over and picked a banana leaf.

The banana leaf was very big and could be folded into a bowl.

“After a while, the two of them picked a full bowl.”

Wei Xingzhi and Chang Yu walked over curiously. “What are you two doing?”

Yin Wei looked back at the two of them. “Yezi found wild strawberries here. Do you want to try them?”

The shape of the spicules was very similar to wild strawberries and the taste was similar to strawberries. That was true.

“Wild strawberries?” Chang Yu was a little surprised.

“Yin Wei nodded. She grabbed a handful of spiny bubbles and handed it to Chang Yu and Wei Xingzhi.  
“Teacher Wei, Chang Yu, try it and see how it tastes.””

“The two of them took the spiny bubbles and tasted it. The taste was very good, and a look of surprise flashed across their eyes.”

“Wei xingzhi smiled and said, “My daughter will definitely like this wild strawberry.””

“Chang Yu continued, “Teacher Wei, how old is your daughter this year?””

“She’s eight this year.”

“”Then she should be in the first grade, right?””

“”Yes, she’ll be in the second grade in the second half of the year,” Wei Xingzhi replied.”

“After picking the thorny blisters, the three of them went to the watermelon field to pick the watermelons.”

Picking the watermelons was very simple.

“However, the problem was how to transport them back,”

“on average, each watermelon weighed more than ten catties, and the heavy ones weighed more than twenty catties.”

On the blue team’s side.

The four of them quickly finished picking the watermelons on a plot of land and discussed how to get the watermelons back.

“Lu Qi took off his straw hat and looked at song Chenyu. “This kind of hard work should be done by US boys. You two girls should go back first. Doesn’t Chenyu still have to cook? Yi Wan, go help Chenyu.””

“Chapter 860: 193: all-rounder scorching, reaping fanboys and fangirls (fifth watch)1”

“Song Chenyu said a little embarrassedly, “That’s not good, right? Moreover, the watermelon is so heavy, how can we let the two of you come? The two of US should also participate.” ”

Song Yiwan nodded. “I think Chenyu is very right.”

Lu Qi looked at song Chenyu. “Food is the most important thing for the people. You Cook is the most important thing. How can you have the strength to work if you’re not full?”

“Wang Xuancheng smiled and said, “Lu Qi is right. The two of you should go back quickly.”This kind of variety show showed one’s character and grace. If song Chenyu and song Yiwan were left to do heavy work at this time, they would definitely be criticized badly! ”

“If they let song Chenyu and the others go back, after the show was broadcast, it would attract a wave of favorability. ”

“Song Chenyu continued, “It’s still early, so there’s no rush to cook. There are so many watermelons. Just the two of you won’t be able to do it. How about this? The four of us will divide the work and carry the watermelons back? With the men and women working together, it won’t be tiring to do the work.” ”

“Although song Chenyu had never participated in a variety show before, she knew that she couldn’t go back to rest at this time. ”

She had to stay behind to share the joys and sorrows of her teammates.

Only in this way would she be able to pull people along.

“Moreover, she was injured when she mowed the grass just now. ”

Working with injuries would win the sympathy of the audience even more.

“When that time came, she might even make it onto the trending searches. ”

Song Chenyu did not want to waste this chance to make it onto the trending searches.

“After saying that, song chenyu continued, “I’ll be in a group with Lu Qi. Yi Wan, you’ll be in a group with Xuancheng.” ”

“Song Yiwang nodded. “Sure, no problem.” ”

The few of them began to work together to carry the watermelons back.

Carrying watermelons was much more tiring than mowing the lawn.

“Three watermelons would weigh 50 to 60 kilograms. The boys could still bear it, but Song Chenyu and song Yiwang had only taken a few steps before they had to rest. ”

On the red team’s side.

“Looking at the watermelons that had been picked, Wei Xingzhi also suggested that the two girls should go back first. This kind of heavy work should be done by the boys. ”

“Ye Zhuo looked at the watermelons in the ground, then raised his head to look at the Sun. “If the two of US go back, there are so many watermelons. How long will the two of you have to move until? We have to think of a way.” ”

“”It’s fine,” Chang Yu answered with a smile, “Teacher Wei and I are working together, and we will be done moving very soon. The two of you should go back and rest for a while! We have been busy for the whole afternoon. Both of US men are exhausted, not to mention you two little girls.” ”

“At this moment, a rumbling sound came from not far away. ”

Ye Zhuo narrowed his eyes and turned around to walk back.

Wei Xingzhi was stunned.

Chang Yu was also stunned.

Ye Zao went back just like that?

Even Yin Wei was a little stunned.

“After spending an entire afternoon with ye Zao, she realized that ye Zao was not that kind of delicate little girl. ”

Perhaps she was really tired.

“Yin Wei turned to look at Wei Xingzhi and Chang Yu. “Teacher Wei, Chang Yu, Ye Zi might be too tired. Shall we start the three of us?” ”

Tired?

“After working for the entire afternoon, who wouldn’t be tired? ”

They had only casually asked ye Zao to go back.

They hadn't expected ye Zao to really go back...

He wasn't polite at all.

It was different with a backer!

"Once ye Zao went back, he would have one less person to work with. With so many watermelons, how long would they have to work? "

"The two of them had a good impression of ye Zao when they were cutting the grass, but it instantly disappeared without a trace. "

The people from the directing team were also a little surprised.

None of them had expected ye Zao to suddenly leave.

A few cameramen immediately followed ye Zao's footsteps.

"Wei Xingzhi slowed down and looked at Yin Wei. "Wei Wei, why don't you go back and rest too? Chang Yu and I will be fine here." "

"Chang Yu nodded. "Teacher Wei is right. Wei Wei, you should go back and rest too. After all, Ye Zi has already gone back." "

"Yin Wei smiled and said, "There's no need. I'll stay behind and help. Then, we'll go back together." "

"Ye Zhuo did not go back. Instead, he came to a small farm yard. "

The rumbling sound just now came from here.

“To be precise, it came from a tractor in the yard. ”

Ye Zhuo walked up and knocked on the door. “Is Anyone Home?”

“The camera crew did not know what ye Zao was trying to do, so they pushed the camera over. ”

“At that moment, the door opened. ”

The person who opened the door was an old man with white hair.

“”Hello, Old Man.” ”

“The program team had to communicate with the villagers before filming in the village, so when the old man saw the camera behind ye Zao, he was not surprised. He smiled and said, “Hello, little girl. Do you need something?” ”

“Ye Zhuo continued, “Uncle, I just heard the sound of a tractor. May I borrow your family’s tractor?” ”
