“Chapter 861: 193: the all-powerful great burning, the reaping of fanboys and fangirls (fifth watch)2”

The system was stunned. “Borrow a tractor?”

Not only was the system stunned.

Even the camera crew was stunned.

No one had expected ye Zao to ask to borrow a tractor.

Why would ye Zao Want to borrow a tractor?

“Ye Zao smiled slightly. “Yes, I want to borrow your tractor.” ”

“The system nodded and continued, “Sure, why do you need a tractor? I’ll drive it for you.” ”

“Ye Zao smiled and said, “You don’t have to drive it. I can drive it myself.” ”

“This time, the system was stunned. ”

“”Young Lady, you can drive a tractor?” ”

“When the camera crew behind heard this, they were also shocked beyond words. ”

“In this era, it was very common for women to be able to drive cars, and it was also very common for women to be able to drive yachts... ”

“However, there were almost no women who could drive a tractor.”

Was Ye Zhuo joking?

“Ye Zhuo nodded. “Yes, I can drive.” ”

“The uncle looked at ye Zhuo and said, “Little girl, come with me.” ”

Ye Zhuo followed the uncle into the courtyard.

There was a blue hand-guided tractor parked in the courtyard.

At the Melon Field.

Yin Wei and the others were putting the watermelon into the basket and preparing to pick it back up.

“At this moment, a rumbling sound came from afar.”

Yin Wei looked up and saw a red hand-guided tractor driving in their direction.

“Looking from afar, she felt that the person driving the tractor looked familiar.”

Could it be that she was seeing things?

Yin Wei narrowed her eyes.

“As the tractor got closer, the person driving the tractor also saw more clearly.”

The girl driving the tractor had long hair that fluttered in the wind.

Her facial features were as beautiful as jade.

She looked valiant and valiant.

This.

This was ye Zao?

“After confirming that the person driving the tractor was really ye Zao, Yin Wei was immediately stunned. ”

She swallowed her throat in disbelief.

“F * CK, F * ck! ”

She was a tough woman!

“Seeing that Yin Wei was stunned, Chang Yu asked curiously, “Wei Wei, what are you looking at?” ”

“Yin Wei turned to look at Chang Yu and pointed in the direction of ye Zao. “Look, is that person driving the tractor ye Zi?” ”

“Chang Yu looked up and could not help but exclaim in surprise, “F * ck! So Fierce?” ”

Wei Xingzhi also looked up.

His eyes were filled with shock!

No one had expected that ye Zao would actually drive the tractor over.

This was too intrepid!

“Not to mention the few people from the red team, even the director team was shocked by Ye Zao.”

A female broadcaster who could drive a tractor!

She was also so beautiful.

This was simply a treasure trove!

The director immediately got the cameraman to give ye Zao a panoramic close-up.

“There were no flaws on ye Zao’s face. No matter which angle he shot it from, it was very photogenic.”

Rumble!

The blue tractor approached from afar and soon stopped in front of the few people.

“Ye Zao turned off the engine and jumped down from the tractor. It was a simple action, but it somehow gave people a sense of gangsterism.”

““Teacher Wei, let’s use the tractor to pull the watermelon back.””

So Ye Zao didn’t go back to rest just now...

She went to find the tractor to pull the watermelon.

It had to be said that ye Zao refreshed everyone's understanding of her.

"Wei Xingzhi was still unable to react. He gulped and said, "Ye, you know how to drive a tractor?" "

"En, that's easy. I'll be able to do it after taking a look."Ye Zao said casually. "

"Yin Wei looked at Ye Zao. Her eyes were almost sparkling. "Ye, you're really amazing!" "

"It's just so-so."Ye Zao continued, "Let's start moving the watermelon onto the tractor now. Then, we'll bring it back in one car. There's no need to go through so much trouble." "

"Behind the hand-guided tractor, there was a huge trailer that could hold almost a ton of things. "

"Good! Ye, you have a way!" "

The few of them began to load the watermelons onto the truck.

Ye Zhuo held a large watermelon in each hand with a calm expression. It was as if the watermelon did not have any weight at all.

"Wei Xingzhi and Chang Yu were originally going to take one watermelon at a time, but when they saw ye Zhuo take two at a time, they immediately took two as well. "

The two men couldn't be weaker than a little girl.

"The watermelon was very heavy. When they carried half of it to the car, the two men were extremely tired. "

Then they looked at ye Zao.

He didn't even take a deep breath.

He didn't even say that he was tired.

This was completely different from what Wei Xingzhi and Chang Yu had imagined.

They had thought that ye Zao would hold them back.

"They didn't expect that in the end, they would be the ones holding them back."

"Wei Xingzhi could not care less about being dirty. He sat on the ground and looked at ye Zao. "Yezi, aren't you tired? Do you want to rest for a while?" "

Ye Zao looked back slightly. "I'll carry a few more."

"Yin Wei was also extremely tired. She sat on the ground and said, "Yezi is really amazing! I see that she's working as if she's playing." "

Chang Yu nodded. "She's really amazing. This is the first time I've seen a girl like her."

"After resting for a few minutes, they continued to move the watermelon."

Ah!

Yin Wei suddenly let out a scream.

"What's Wrong?" Chang Yu, who was the closest to her, immediately ran over."

“Yin Wei’s face turned pale. She pointed at the ground and said, “Snake! There’s a snake!” ”

“They saw a long snake on the ground, spitting its tongue at them. ”

“Chang Yu was so scared that he hurriedly took a few steps back. He grabbed Yin Wei’s hand and cried out, “Ah!” ”

“At this moment, a figure ran over quickly. Then, a slender white hand pinched the snake’s seven inches and grabbed it, “Don’t be afraid. This kind of snake is called a cauliflower snake. It’s not poisonous, and it won’t take the initiative to attack people!” ”

“The voice was very light, but it was inexplicably magical, making people unconsciously calm down. ”

Yin Wei and Chang Yu looked at Ye Zao.

They were all stunned.

“If they hadn’t seen it with their own eyes, who would believe that a little girl would dare to catch a snake with her bare hands? ”

“But not only did ye Zao grab the snake like that, there wasn’t a trace of emotion on his picturesque face. ”

He was extremely calm.

This scene was even more exciting than ye Zao driving a tractor.

“Not to mention a little girl, even Chang Yu and Wei Xingzhi, two big men, didn’t dare to do this. ”

The entire program team was shocked by Ye Zao.

Especially the director. He quickly drank a mouthful of mineral water to calm himself down. The excitement in his eyes could not be suppressed.

He could already imagine how explosive the viewership ratings would be after this episode was broadcast

“Yin Wei looked at ye Zao and only reacted after a long time. She tried to control the fear in her heart and continued, “Ye, how did you catch it? Aren’t you afraid?” ”

“I’m not afraid. It Can’t bite me.”Ye Zao’s tone was indifferent as he took a step forward.

“Seeing ye Zao Walk Forward, Yin Wei and Chang Yu immediately took a few steps back. “Ye, don’t walk forward. We’re afraid of snakes!” ”

“Ye Zao stopped and smiled. “A cauliflower snake isn’t poisonous. Moreover, I’ve already pinched its seven inches. Don’t worry, it can’t bite people.” ”

“This snake isn’t poisonous?”Chang Yu’s voice was trembling.

“Yes.”Ye Zhuo nodded slightly. “It’s not poisonous.”

Chang Yu couldn’t believe it.

All snakes were poisonous in their eyes.

“Yin Wei looked at Ye Zhuo and asked curiously, “Ye, where’s the seven inches of the snake?” ”

“Ye Zhuo held the snake with one hand and pointed at the seven inches of the snake with the other. “It’s right here. As long as you attack quickly and accurately, you can subdue the snake.” ”

“Afraid that Yin Wei could not see where the seven inches of the snake was, ye Zao took a few more steps forward.”

““Don’t come over! Ye, don’t come over!”Yin Wei was so scared that her face turned pale. “I’m Scared!” ”

Yin Wei was really scared. Even her voice was distorted.

“Ye Zao stopped in his tracks. “Don’t be scared, Wei Wei. Actually, the cauliflower snake is very docile. Why Don’t you come over and pet it? Just like this. You See, it doesn’t bite, right?” ”

“Yin Wei looked at Ye Zao, who was stroking the cauliflower snake’s head like he was stroking a puppy. Goosebumps appeared on her skin. Not only was she not afraid, she was even more afraid. ”

The others also looked at ye Zao in horror.

“After a moment, Yin Wei gave ye Zao a thumbs up and said, “Ye, you’re really amazing!” ”

Chapter 862: 194: Beyond Everyone’s imagination (6pm)1

““It’s just a snake.”Ye Zhuo continued, “Since all of you are so afraid of it, I’ll put it over there.” ”

“Not only was the cauliflower snake not poisonous, but it also ate rats, which was considered a beneficial insect. ”

““Go, go, Go!”Chang Yu hurriedly nodded. ”

“Yin Wei raised her voice and said, “Zhuo Zhuo, remember to put it further away. Don’t crawl back later.” ”

Ye Zhuo didn't even look back as he made an 'OK' gesture. The back view of the snake as it left was extremely cool.

"Looking at Ye Zhuo's back view, Yin Wei, Wei Xingzhi, and Chang Yu swallowed their throats silently."

This little girl was really too fierce!

Liu Xie!

"If it were anyone else, they would have been scared to death. Not only was ye Zhuo not afraid, he even treated the snake as a pet."

"By the time ye Zao returned from releasing the snake, all the watermelons had been moved to the tractor."

"Ye Zao was a little surprised and said, "You guys are moving too fast!" "

"It's okay. The main thing is that the tractor is in the ground, so it's easier to move." After saying that, Chang Yu continued, "Ye, where's the key to the tractor? We can go home now."

"Ye Zao smiled and said, "The tractor doesn't have a key."

"It doesn't have a key?" Chang Yu was very curious. "How can it be started without a key?"

Chang Yu wasn't the only one who was curious. Wei Xingzhi and Yin Wei were also very curious. They all leaned their heads over.

Ye Zhuo took out a z-shaped handle. "Use this."

Chang Yu had a face full of question marks. "What's This?"

"Ye Zhuo explained, "This is a handle. It's used to start the tractor." "

"Before the three of them could react, ye Zao inserted the crank into the engine hole and gently shook it twice. "

Rumble —

The tractor made a loud noise.

The three of them looked at the tractor in surprise.

"Ye Zao turned to look at everyone. "Teacher Wei, Chang Yu, Wei Wei, the three of you sit at the back. I'll drive the tractor to take you for a ride!" "

The three of them immediately climbed onto the tractor.

Ye Zhuo started the tractor.

The Sun was setting in the west. The golden sunlight cast a layer of golden light on the tractor that was driving.

Behind them were Green Mountains and green waters.

"Looking at it this way, it looked like a perfect oil painting that made people gasp in amazement. "

Yin Wei stood on the tractor and looked ahead. "This is my first time riding a tractor!"

"Chang Yu continued, "It's also my first time riding on a tractor. What about you, teacher Wei?" "

“Wei xingzhi smiled and said, “When I was filming a period drama, I sat on a tractor once, but that was three years ago.” ”

“The tractor rumbled along the way, looking extremely cool. ”

The camera of the production team followed them along the way.

“On the way, they bumped into song Chenyu and Lu Qi, who were carrying the watermelons back. ”

It had been more than an hour.

They had only carried a dozen watermelons back.

“Looking at the tractor that drove past him, song Chenyu thought he was seeing things. ”

“Song Chenyu turned to look at Lu Qi and said, “The tractor with the watermelon just now seemed to belong to their Red Team, right?” ”

“Lu Qi immediately questioned the director team, “Why do they have props and we don’t?” ”

Why did the red team have to work so hard to carry the watermelon back when they could use the tractor?

“The director smiled and said, “The red team borrowed the tractor from the villagers in the mountains. If you can borrow it, you can also borrow it! But the prerequisite is that the person driving the tractor must be a member of Your Blue Team! You Can’t ask for help from others!” ”

Lu Qi felt much better when she heard the director say that they could also borrow the tractor.

“Lu Qi turned to look at song Chenyu. “Chenyu, let’s wait for Xuancheng and Yi Wan.” ”

“Lu Qi didn’t know how to drive a tractor, so she could only ask Wang Xuancheng if he knew how to drive.”

“If Wang Xuancheng knew how to drive a tractor, they wouldn’t have to be so tired.”

Song Chenyu nodded. “Okay.”

The two of them stood where they were and waited for Wang Xuancheng and song Yiwan.

About five minutes later.

Wang Xuancheng and song Yiwan carried the watermelons over.

The two of them carried a total of five watermelons.

It was about 50 kilograms.

“Wang Xuancheng was still fine, but song Yiwan was so tired that her face was pale.”

“She usually acted in both films and also participated in a few variety shows, but she wasn’t this tired.”

“If it were not for the good viewership ratings of ‘village’, Song Yiwan would have fallen out with them long ago.”

“”Xuancheng, Yiwan.” Song Chenyu waved at the two of them.”

“The two of them immediately stopped in their tracks. “Chenyu, Lu Qi, what’s the matter?” ”

“Lu Qi asked, “Xuancheng, do you know how to drive a tractor?”? “There’s a tractor in the village. The director said that we can borrow a tractor from them, but the prerequisite is that the person driving the tractor must be us. With a tractor, we won’t have to be so tired.” ”

“Wang Xuancheng shook his head. “Although I don’t know how to drive a tractor, I know how to drive!” ”

The light in Lu Qi’s eyes completely disappeared at this moment. “Of course! I know how to drive too!”But so what if he knew how to drive? He had to know how to drive a tractor here!

“Lu Qi and Wang Xuancheng didn’t know how to drive a tractor, let alone song Chenyu and song Yiwan. ”

The four of them had no choice but to give up on the plan to drive the tractor and carry the watermelon back.

“Wang Xuancheng asked curiously, “Who is the person on the Red Team who knows how to drive a tractor?” ”

“Song yiwan continued, “Among them, teacher Wei is the most experienced. He should be teacher Wei, right?” ”

Lu Qi and song Chenyu only saw the members of the red team return in the tractor. They did not see who was driving the tractor at all.

But it should be Wei Xingzhi.

“After all, Wei Xingzhi’s age was obvious. ”

Who could drive a tractor nowadays?

“Even song Chenyu, who had extensive knowledge, couldn’t. ”

Not to mention ye Zhuo and Yin Wei.

In the small courtyard.

Ye Zhuo directly started the tractor and poured out the watermelon from the bucket. The other three moved the watermelon to the side.

“In less than ten minutes, the watermelon was neatly piled in the corner of the courtyard. ”

“After the director team weighed them, there was a total of 1,000 catties. According to the price of 10 yuan per 50 catties, 1,000 catties was 200 yuan. ”

The director team personally handed the money to Wei Xingzhi.

“Looking at the hard-earned 200 Yuan, Wei Xingzhi was full of emotion and said, “Let’s exchange it for 20 yuan of chicken feed first.”After saying that, Wei Xingzhi turned to look at the other three, “Yezi, Wei Wei, Chang Yu, what do you guys want to eat tonight? We can ask the director team to exchange it.” ”

“Yin Wei thought for a moment and said, “I want to eat boiled meat.” ”

“Chang Yu said, “I want to eat braised fish.” ”

“Ye Zhuo looked at Wei xingzhi and said, “Teacher Wei, I want some flour, glutinous rice flour, and a bag of sugar.”She had a habit of eating desserts after meals. Now that she had come to the program team, she could only rely on herself, she could only rely on herself. ”

“Wei Xingzhi nodded and turned to look at the director team. “If it’s fish, we can go to the fish pond to catch it ourselves. Then we’ll need a catty of streaky pork, a bag of flour, a bag of glutinous rice flour, a bag of sugar, and a bag of baking powder.” ”

“The director noted down these things and continued, “In thirty minutes, we’ll get someone to buy these things and send them over. It’s a total of 100 yuan.” ”

“That expensive?” Wei xingzhi continued, “Can it be cheaper? Look at the four of us, we’ve been working hard all afternoon!” ”

“No!” The director shook his head.

The others also started to bargain with the director.

“However, the director was not cheap at all. ”

Wei Xingzhi endured the pain and handed the director a 100 yuan bill.

“After exchanging the ingredients and feeding the chicken, Chang Yu took fishing tools from the warehouse. “Then let’s Go Fishing First!” ”

“Sure!”

“Is this a fishing net?” Yin Wei asked curiously.

“Chang Yu explained with a smile, “This is an earth cage, and this is a fishing net.” ”

Yin Wei nodded.

The four of them walked towards the fish pond in a majestic manner.

“The fish pond was very large, covering an area of three Mu. ”

“The water was relatively clear, and there were even lotus flowers growing inside. At this time, it was the time when the lotus flowers were in full bloom. A gentle breeze blew over, bringing with it the fragrance of the flowers. Looking over, one would immediately feel relaxed and happy, and one could not help but think of that poem.”

“The sky-reaching lotus leaves were boundless green, and the lotus flowers reflected the Sun were exceptionally red.”

“This place is so beautiful!” Yin Wei exclaimed.

“Ye Zao nodded. “The Willows on the shore dye the green streams, and the fragrance of the lotus infuses the golden autumn. It is indeed very beautiful.” Before coming to this world, ye Zao had originally thought that the scene described in this poem did not exist at all.”

“After coming, he realized that all the beautiful scenes he had read in the poem could be seen in real life.”

“Hearing this, Wei Xingzhi raised his head and looked at ye Zao.”

He had thought that ye Zao only had great strength and knew how to catch snakes.

He did not expect that this person was also very talented.

“These two lines were not as well-known as ‘sky-connecting lotus leaf Wuqiong Bi, Sun reflecting Lotus Flower Bie Yanhong’. If it was not for his extensive reading, he would not have been able to remember them.”

This meant that ye Zao was not as simple as she looked.

Her ability might have exceeded everyone’s imagination.

“Yin Wei took out her phone. “Teacher Wei, Ye Zi, Chang Yu, shall I take a picture of the three of you?” ”

Chapter 863: 195: "Everyone calls me God Ye (seventh watch)1."

"Sure."

The three of them walked together because they pressed the photo button.

"At this moment, a villager passed by. Yin Wei immediately walked over and said with a smile, "Aunty, wait a moment.""

"What's the matter?"

"Yin Wei continued, "Aunty, can you help us take a photo?""

"Sure."The aunty nodded and took the phone that Yin Wei handed over.

Yin Wei immediately ran to the side of the three of them and made a pose.

"The Auntie held the phone. "Three, two, one, cheese.""

A group photo of the four of them was fixed on the screen of the phone.

"After the Auntie took the photo, she walked over with a smile. "Can I take a photo with you guys?""

"Yin Wei said, "Of course.""

The Auntie stood in the middle of the four of them. The staff of the photography team held the Auntie's phone and took a photo of them.

"After taking the photo, the Auntie left happily"

The four of them also began their fishing plan.

"Not only were there fish in the fish pond, but there were also crayfish. In the evening, they could see crayfish that came to the shore to look for food in the shallow water."

"Because there were lotus flowers in the fish pond, they needed to row a boat to lower the fishing tools."

A small wooden boat was parked by the pond.

The few of them jumped onto the boat.

"The director asked, "Which one of you knows how to row a boat? If you don't know how to row a boat, you can spend 50 yuan to hire a captain to row a boat for you.""

Row a boat?

Wei Xingzhi knew how to sail a yacht.

"However, he didn't know how to paddle a boat manually."

"Moreover, if he didn't control the paddle boat well, it would easily capsize."

The program team was obviously causing trouble and trying to earn their money.

“Is 50 yuan so expensive? Isn't it cheaper?” Wei Xingzhi stood up and said, “How about 25 yuan?”

The director shook his head. “The minimum is 50 yuan.”

Ye Zao smiled and picked up the paddle. “There's no need to bargain with them. I know how to row.”

“Everyone looked at ye Zao in unison, and their eyes lit up.”

Amazing!

Ye Zao was really too amazing.

“Wei Xingzhi looked at Ye Zao. “Ye, do you really know how to do it?””

“Yes.” Ye Zao nodded slightly. “Everyone, take your seats. We're about to set off.”

Everyone immediately took their seats.

Yin Wei got into the water and raised her head in surprise. “This water is so cold!”

“It was 36 degrees, and the sun was scorching hot. They had thought that the water would definitely be very hot, but they did not expect the water to be so cold.”

“Wei xingzhi said, “There are lotus flowers in the fish pond. The Lotus leaves have a heat resistance effect. If there were no lotus leaves, the water temperature would definitely not be so low.””

“Teacher Wei is right.” Chang Yu agreed.

“Ye Zhuo stood at the bow of the boat. His body was extremely slender, and he was rowing the oars.”

“Yin Wei’s hobby was photography. At this moment, looking at ye Zhuo’s back, she immediately took out her phone and took a few photos in a row.”

Those who knew photography knew a secret.

That was to never take photos with beautiful flowers.

“Because if one was not careful, one’s appearance would be dwarfed by the flowers.”

“But in ye Zao’s case, there was no such problem.”

“Whether it was the beautiful lotus flowers or the blue sky and white clouds behind him, under the contrast of this person, they could only become a dull background.”

The small wooden boat floated and soon disappeared among the endless lotus leaves. The camera crew’s boat immediately followed.

“Soon, they arrived at the center of the fish pond.”

“The lotus flowers here bloomed the most beautifully, and they were also the most suitable for fishing.”

The water in the fish pond was not deep. Wei Xingzhi and Chang Yu went into the water and placed the cage on the ground. “The water is too cold. you two girls don’t have to come down. Chang Yu and I will put the cage and net on the ground.”

“Not only was it bad for a girl’s health, but it was also inconvenient for her to go into the water in front of so many cameras. Needless to say, Wei Xingzhi was a very meticulous person.”

“Ye Zhuo smiled and said, “Teacher Wei, it’s been hard on you and Chang Yu.””

“Yin Wei also said, “It’s been hard on you.””

“It’s not hard. It’s what I should do.”

Wei Xingzhi and Chang Yu took the fishing net and walked inside.

“Ye Zao looked at Yin Wei. “Wei Wei, shall we pick some lotus seeds?””

“Sure.”

“The two of them not only picked a lot of lotus seeds, but also a lot of lotus flowers and leaves.”

“”I’ll put a hat on you too.”Yin Wei picked a lotus leaf and placed it on ye Zao’s head, blocking out the sunlight.”

Ye Zao sniffed it gently. “This lotus leaf smells so good.”

“It does smell good.”Yin Wei nodded.

“Two hours later, Wei Xingzhi and Chang Yu returned with a full load of fish nets and cages.”

There were a total of eight fish.

All of them were extremely plump.

The largest fish weighed around seven to eight catties.

“”This fish is so big!”Yin Wei said excitedly, “Teacher Wei, Chang Yu, you guys are really amazing!””

Chapter 864: 195: Everyone calls me God Ye (7th watch)2

“Chang Yu shook his head. “Of course, your brother Chang Yu is the best. Of course, the best is still teacher Wei!” ”

Wei Xingzhi was experienced.

“There were eight fish in total, and seven of them were caught by Wei Xingzhi. ”

“Ye Zhuo smiled and said, “Then we’ll eat braised fish today, fish with bean petals tomorrow, boiled fish the day after tomorrow, and fish with pickled cabbage the day after tomorrow.” ”

“Yin Wei turned to look at Ye Zao. “Ye, you know how to do all these?” ”

“Yes.”Ye Zao nodded slightly.

“Boasting.”

“Chang Yu didn’t have any objection to ye Zao at this time. He also joked, “It’s definitely boasting!” ”

Ye Zao turned to look at the two of them. “Do you know what my friends call me?”

“I don’t know.”Yin Wei and Chang Yu shook their heads.

“Ye Zhuo said with a serious expression, “Everyone calls me God Ye. I’m already a god. How can I not be powerful?” ”

“Hahaha!”Yin Wei laughed out loud.

“Chang Yu said, “God ye is nothing. My friends call me the most powerful in the world!” ”

Ye Zhuo supported himself on the boat with a smile on his face.

“Very soon, the boat stopped at the side. ”

The four of them carried the fish and the lotus leaves they had picked back to the small courtyard.

The tractor was still parked in the courtyard.

“Wei xingzhi said, “Yezi, why don’t you send this tractor back to Uncle First?” ”

“Okay.”Ye Zhuo nodded. “I’ll go right away.”

“Ye Zhuo sent the lotus flowers into the house and turned to look at Wei Xingzhi. “Teacher Wei, why don’t you bring two fish to thank uncle?” ”

““It’s my pleasure.”Wei Xingzhi nodded. “Uncle is so enthusiastic. You should bring two fish over. Yezi, you’re the most thoughtful one!” ”

Ye Zhuo took a bag and put the fish in it. He hung it on the tractor and drove it to master’s place.

Yin Wei looked at ye Zhuo’s back and sighed. “Yezi is really amazing! I admire her so much!”

“Before this, Yin Wei had never seen a girl like Ye Zhuo. ”

She was very confident.

She was very beautiful.

“More importantly, she was not arrogant at all.”

She did not think that she would be complacent about everything.

“From the beginning to the end, she was unperturbed.”

She did not look like a teenage girl at all.

Yin Wei was not the only one who was surprised.

“There were also the other two members of the Red Team, Wei Xingzhi and Chang Yu.”

These two people thought that Ye Zhuo was just an internet celebrity who came in through the back door.

They did not expect that this person had strength and looks!

He was simply omnipotent.

“It was easy to imagine that after this episode’s broadcast, Ye Zhuo would definitely become famous overnight.”

“On this side, Ye Zhuo drove the tractor into the uncle’s courtyard.”

The uncle and the aunt were preparing dinner in the house.

“When they heard the sound, the two of them walked out of the house.”

“Uncle, aunt,” ye Zhuo called out politely. ”

“The uncle smiled and said, “Young Lady, is my tractor running okay?” ”

“It’s very good!”Ye Zhuo took the two fish out of the car. “Uncle, thank you for lending me the tractor. This is a gift from our program team. Please accept it.” ”

“The uncle refused, “Didn’t I just borrow a tractor? You Don’t have to be so polite!” ”

“The aunt also said, “Take the fish back and eat it yourself! I see that there are quite a few people here. If the food is not enough, you can come to our vegetable garden to pick it!” ”

The people in the mountains were especially enthusiastic.

“Ye Zhuo stuffed the fish into the aunt’s hands, “Uncle, aunt, we just fished this fish in the fish pond. We can not afford to finish it even if we fished a lot of it. You guys can be your subordinates. If you don’t accept it, I will be too embarrassed to come and borrow a tractor next time.” ”

“After saying this, the aunt was finally willing to accept it. She held ye Zhuo’s hand and said, “Young lady, if you want to borrow a tractor, you can come and borrow it at any time. Don’t stand on ceremony with us.” ”

“Okay, thank you.”Ye Zao bowed slightly. ”

“After returning the tractor, Ye Zao walked back. When he passed by the program team’s vegetable garden, he picked some vegetables and garlic and went back. ”

“After he went back, ye Zao went to the kitchen and started cooking. ”

“Yin Wei walked in from outside. “Yezi, let me help you.” ”

“Ye Zao did not stand on ceremony. He smiled and said, “Then help me wash the vegetables in the basket.” ”

“”Okay.”Yin Wei picked up the basket and continued, “Do you want to wash all of these?” ”

“”Yes, wash them all.”Ye Zao nodded slightly. ”

“Yin Wei was not the kind of rich young lady who would not touch the sun. Although she did not know how to cook, there was no problem in washing the vegetables. ”

The vegetables were washed very quickly.

Ye Zao began to cut the vegetables.

Yin Wei started a fire under the stove. She originally thought that ye Zao only knew how to cook.

She didn’t expect that this person was even more professional than a chef.

“An ordinary white radish, in her hands, turned into an exquisite hibiscus flower in less than three minutes. ”

“Ye Zao put the carved carrots into the plate to make decorations, and then began to kill the fish, sliced fish. ”

“The whole movement was smooth and smooth, without even a frown. ”

“Seeing this, Yin Wei couldn’t bear to blink her eyes. ”

Amazing!

Ye Zao was simply too amazing.

“Not long after, the small courtyard was filled with a seductive fragrance. ”

“At this moment, team blue had finally brought back all the watermelons. ”

Lu Qi slumped on the ground without any form of image. “I’m so tired.”

Wang Xuancheng sniffed. “It smells so good! I didn’t expect the sunken fish to be so good at cooking!”

Who else but song Chenyu could cook such a delicious meal?

“Lu Qi smiled and said, “We’re going to have a feast tonight!” ”

“Wang Xuancheng rubbed his belly. “Lu Qi, are you hungry?” ”

“Lu Qi nodded. “Yes! How about you?”They had been working all afternoon. Up until now, they had eaten nothing but water. How could they not be hungry? Lu Qi even felt that she could eat three cows right now! ”

Wang Xuancheng also nodded. “I’m really looking forward to Chenyu’s dinner!”

“Song Chenyu’s dishes smelled so good, so it would definitely taste better! ”

“Thinking of this, Wang Xuancheng swallowed his throat. ”

“Lu Qi stood up from the chair and said, “Let’s go outside and take a look first! We can eat when we come back later!” ”

“Okay.” Wang Xuancheng nodded and the two of them walked outside.

Song Chenyu was indeed cooking in the kitchen.

“However, this meal was very frustrating.”

“Although she had learned to cook, when she learned to cook, the ingredients and seasonings were prepared by the chef in advance. Even the onions, ginger, and garlic were cut by others.”

But now...

She had to do everything herself.

She had to wash the dishes and cut the meat herself.

She even had to kill the fish herself.

“Moreover, there was no rice cooker in the mountains, so she had to use firewood to cook rice. Usually, she used the rice cooker to cook rice. Now that it was suddenly changed to firewood, she could not control the heat at all.”

Although she had Song Yiwan’s help.

“However, Song Yiwan was the type of person who would get more and more busy the more she helped.”

“In less than three minutes, Song Yiwan had already broken two bowls.”

“Song Chenyu looked at Song Yiwan and tried his best to suppress the anger in his heart. He then said, “Yiwan, it’s been a tiring day. Why don’t you go and rest for a while? I’ll take care of the kitchen.””

“Song Yiwan walked down the stairs. “Chenyu, thank you for your hard work.” ”

“She had already broken two bowls. If she continued to stay in the kitchen, her image would be ruined. ”

“Song Chenyu smiled and said, “My biggest interest is cooking. It’s not hard to do what I like to do.” ”

“Song yiwan flattered, “Chenyu, you’re really amazing! Unlike me, I only know how to eat.” ”

“After song Yiwan left, song Chenyu continued to cook. ”

“After working for more than an hour, song Chenyu finally finished cooking a vegetable dish. ”

“At this moment, Lu Qi walked in from the kitchen and said with a smile, “Chenyu, did you cook braised fish in brown sauce? I could smell the fragrance outside the courtyard. Your cooking is simply superb!” ”

“Song Chenyu was a little embarrassed, but he had to answer, “I haven’t killed the fish yet.” ”

“Lu Qi was also a little embarrassed. He touched his nose and said, “Is there anything I can help you with?” ”

Chapter 865: 196: convinced by Capital (8pm)1

“Song Chenyu smiled and said, “There’s no need. You can go out. I’ll do it here.” ”

“Lu Qi didn’t know how to cook, so when she heard this, she smiled and said, “Okay, then you cook. After dinner, Xuancheng and I will be responsible for washing the dishes.” ”

“Okay.” Song Chenyu nodded.

On team Red’s side.

“It was too hot to eat in the house at night, so Wei Xingzhi moved the table outside and the few of them ate in the courtyard.”

“Although it was quite hot in the day, it was very cool and breezy outside at night. The few of them sat in the courtyard, which was more comfortable than sitting in an air-conditioned house.”

There were four dishes and one soup in the evening.

One braised fish.

“Then boiled meat slices, white cabbage with black fungus milk, and then mapo tofu ordered by Wei xingzhi.”

There was also a tomato and egg soup.

“Wei Xingzhi poured four cups of beer, raised the cup and stood up. “Wei Wei, Chang Yu, tonight’s meal is made by Yezi. Yezi worked so hard during the day. Let’s drink to Yezi.” ”

Yin Wei and Chang Yu immediately stood up.

“Before today, perhaps Chang Yu still had a deep opinion of ye Zao.”

“But after today, Chang Yu could only acknowledge ye Zao with respect!”

This person had no choice but to acknowledge him!

She was really too amazing.

“Ye Zao also hurriedly held the glass and stood up. “Thank you, teacher Wei. Wei Wei, Chang Yu. Actually, I’m not the only one who has worked hard. You guys have also worked hard. This glass of wine is for all of us.” ”

The few of them downed the wine in their cups in one gulp and then began to sit down to eat.

Chang Yu tasted a mouthful of braised fish.

This braised fish was too good-looking. The plate was even decorated with shredded green onions and lotus flowers carved from turnips. He had thought that the taste of the fish would definitely not be too good.

It was flashy and unreal.

“Some things might look good on the outside, but they might not be delicious. ”

“Some things might not look good on the outside, but the taste was surprisingly good. ”

But what Chang Yu did not expect was that the taste of the fish was actually so good.

“There was not even the slightest bit of fishy smell. It was fresh and delicious, and there was also a faint spicy taste. ”

It was very stunning.

It made people want to swallow their tongues together.

“Chang Yu’s expression changed very obviously. Then he looked at Ye Zhuo. “Ye, how do you make this braised fish?” ”

“Ye Zao smiled and said, “Fry it in edible oil first, then add the bean paste, onion, ginger, and garlic to stir-fry it into red oil. Lastly, add the fish and water. Oh right, also add half a cup of rice wine. This way, the fish will be fresh and not fishy.” ”

“Chang Yu took out his phone and continued, “I want to memorize these steps. When I go back, I’ll let my mother learn how to make it too.” ”

Yin Wei tasted the boiled meat slices that she had ordered.

The meat slices tasted very tender.

“It was smooth and refreshing. After one bite, a mouth full of spicy and fresh fragrance made people squint their eyes in satisfaction. ”

Yin Wei couldn’t even care about talking anymore. She gave ye Zao a thumbs up.

“Wei Xingzhi, who was sitting across from her, was also conquered by ye Zao’s craftsmanship. ”

The few of them were eating very well.

They didn’t want to talk at all.

They even forgot about their body shape management.

“They were afraid that the dishes on their plates would be eaten up in the next second, and they didn’t even let go of the vegetable soup. ”

This was what Lu Qi saw when he walked out of the kitchen.

The four members of the red team surrounded the small table and were eating happily.

They had eaten?

Their red team had actually eaten!

It turned out that the aroma of braised fish that he smelled just now was the red team's...

Who was the person in charge of cooking for the Red Team?

Lu Qi thought for a moment.

“Then, her eyes were filled with disbelief.”

Ye Zao?

Could it be that these dishes were cooked by ye Zao?

Was Ye Zao that amazing?

Or could it be...

That the program team had opened the back door for ye Zao?

These dishes were definitely not cooked by ye Zao himself!

“With Ye Zao's skills, how could she cook the dishes so well! ?”

Definitely Not!

“Thinking of this, Lu Qi narrowed her eyes.”

“Seeing Lu Qi coming over, Wei xingzhi hurriedly said, “Lu Qi, you guys haven’t eaten yet, right? Why Don’t you come over and have some to fill your stomach first?” ”

“Lu Qi had been busy for a long afternoon, so she was already hungry. Now that she saw such an alluring meal, how could Lu Qi endure it?”

But she had to endure it even if she couldn’t!

“Even if she starved to death, she wouldn’t eat anything from the Red Team.”

“Lu Qi smiled and said, “There’s no need. We can start eating soon.” ”

“Since Lu Qi wasn’t willing to come over, Wei Xingzhi no longer forced her.”

“After the red team finished eating, the two men volunteered to wash the dishes. After all, the ones cooking tonight were ye Zhuo and Yin Wei.”

“After Wei Xingzhi and Chang Yu finished washing the dishes, the blue team started preparing the meal.”

The food was very sumptuous.

It was also four dishes and one soup.

“If they didn’t eat ye Zao’s dishes again, Wei Xingzhi and Changyu would definitely think that song Chenyu’s four dishes and one soup looked very good.”

Chapter 866: 196: 'I'm convinced'(8th watch)2

“But after eating ye Zhuo’s dishes, he didn’t feel anything when he saw song Chenyu cooking.”

Compared to ye Zhuo’s dishes.

Song Chenyu’s five dishes could only be considered common meals.

“”Chenyu, you’re really amazing!””

“These dishes look so delicious!”

“”Chenyu, you can even become a chef!””

The three of them sat at the dining table and praised song Chenyu.

“Song Chenyu smiled and said, “It’s just a few dishes. It’s nothing. Everyone has been hungry for a whole day. Let’s start eating.””

Lu Qi was the first to pick up the chopsticks and pick up a piece of green vegetable. He had just put it into his mouth.

His expression was a little subtle.

The taste of the dishes was indeed not bad.

But he seemed to have eaten a grain of sand.

It should be an illusion?

“The taste of this dish was so good, how could there be sand?”

Lu Qi tried to chew a few more times.

Crack crack —

It was not an illusion.

“The sand stuck on his teeth, and it was very uncomfortable.”

Lu Qi subconsciously wanted to spit out the sand.

But at this time.

“A bunch of cameras were pointed at them, so he could not spit it out. If he did, wouldn't it be a slap to Song Chenyu's face?”

“After all, Song Chenyu's cooking was something that all the fans on the Internet knew.”

“Therefore, Lu Qi could only forcefully swallow the sand.”

Song Yiwan's expression was also a little bad.

She was eating fish.

Although the taste of the fish was very good.

However.

“After picking up a piece of meat, Song Yiwan realized that the belly of the fish didn’t seem to be cut open...”

The internal organs were still in the belly.

Just thinking about it made her feel a little disgusted.

“Song Yiwan tried her best to hide the disgust in her eyes. She endured the disgust and ate the fish meat. Then, she said in surprise, “Oh my God! The taste of this fish is too good! Chenyu, you’re really amazing!””

“Song Chenyu smiled and looked up. “If it’s delicious, then you should eat more. The three of you have been tired all day.””

“Song Yiwan picked up a piece of vegetables for Song Chenyu. “Chenyu, eat more at home too.””

Wang Xuancheng was extremely hungry.

He picked up the rice and took a big bite of the rice with the vegetables.

He took a bite.

He was completely stunned.

The rice was raw.

There was sand in the vegetables.

Didn't they say that song Chenyu was very good at cooking?

But why did this happen?'

Could it be that he fainted from hunger and was hallucinating?

Wang Xuancheng took another bite of the rice.

It was the same feeling.

The rice was not cooked.

The vegetables were not washed clean.

"The vegetables could not be eaten, so Wang Xuancheng picked up a piece of fish. When he saw the situation below the belly of the fish, Wang Xuancheng wanted to throw away his chopsticks."

The fish was not dissected!

Wang Xuancheng put the fish in the bowl as usual and took a bite of the rice.

"Although there was something wrong with song Chenyu's dishes, the three of them did not show anything. Instead, they smiled and said, "MMM, not bad! The taste of these dishes is really good! Chenyu, you are so amazing!""

Song Chenyu curled her lips slightly.

Everyone's reaction was within her expectations.

After all...

She had practiced before.

“Song Chenyu picked up a piece of green vegetable and said with a smile, “Actually, my skills are just so-so. You guys are flattering me too much.””

“When a piece of green vegetable entered her mouth, song Chenyu’s expression changed.”

“The green vegetable had not been washed clean, and there was sand in it.”

The green vegetables in the mountains were different from those in the city’s vegetable market.

“The vegetables sold in the vegetable market were all hydroponic. They could be washed casually, and there was no sand at all.”

“But the vegetables in the mountains were grown with sand. If they were not washed clean, they could eat sand.”

But it was not her fault.

“After all, she had never washed vegetables before!”

Who knew that the vegetables here were different from the vegetables in the vegetable market.

“It was her first time washing vegetables, and it was already very difficult for her to wash them like this.”

“Although there was sand in the vegetables, at least the taste was very good.”

Ye Zhuo’s cooking was definitely worse than hers!

“Compared to Team Red, they were much happier.”

“Thinking of this, song Chenyu felt a little better.”

“After eating a few mouthfuls of rice, song Yiwan put down her chopsticks and smiled. “I have a fat-prone physique, so I can’t eat too much tonight. You guys eat slowly, I’m going to take a shower first.””

“Seeing song Yiwan put down her chopsticks, Wang Xuancheng also put down his chopsticks immediately. “I can’t eat too much tonight either.””

Song Chenyu’s dishes were really difficult to swallow.

Wang Xuancheng would rather go back and secretly eat instant noodles!

“Fortunately, when he got off the plane, he packed some instant noodles into his suitcase.”

He still had to live here for six days.

That was the first day.

What about the remaining six days?

“She couldn’t keep eating instant noodles, could she?”

“Song Chenyu maintained her smile. “Then hurry up and take a shower. I’m not going to eat any more. I have to eat some more.” Other than the once-in-five-thousand-years beauty persona, Song Chenyu also had a foodie persona.”

“No matter how bad the food tasted, she had to eat more in front of the camera.”

This was also one of the reasons why Song Chenyu didn't want to participate in a reality show.

"Because without realizing it, it was possible for the character to fall apart."

It was actually quite tiring to work so hard to maintain the character.

Twenty minutes later.

"Lu Qi braced herself and finished the rice in the bowl. "Chenyu, are you done eating? I'm going to wash the dishes.""

Song Chenyu smiled and put down the bowl and chopsticks. "I'm done eating. Let's go wash the dishes together."

"Lu Qi said, "We agreed that you would cook and I would wash the dishes. You've been tired all day. Go and rest for a while. I'll wash the dishes.""

"Of course, Song Chenyu would not let Lu Qi do the dishes alone. He continued, "It's okay. I'm not tired.""

The two of them walked to the kitchen together.

The lights in the opposite kitchen were still on.

Ye Zhuo was busy steaming the lotus cake.

"Through the window, one could smell the fragrance."

“The lotus flowers and Lotus leaves were picked from the fish pond this afternoon. They were very fresh, and the lotus cake made was extremely sweet.”

“Ye Zao tasted a piece of the lotus cake and narrowed his eyes in satisfaction. Then, he put the lotus cake on a plate and sent it to Wei Xingzhi, Chang Yu, and Yin Wei.”

“At this moment, the three of them were sitting in the living room chatting.”

“Yin Wei saw ye Zao coming over and turned around with a smile. “Yezi, where have you been? I haven’t seen you since I entered the house!””

“Ye Zao smiled and said, “I went to the kitchen to steam the lotus cake. You guys should try it too.””

“After saying that, ye Zao placed the lotus cake on the table.”

“You made this?”Wei Xingzhi looked at ye Zao in surprise.

“He didn’t expect ye Zao to not only know how to cook, but he also knew how to make desserts.”

“I made it.”Ye Zao nodded. He picked up a piece of lotus cake and ate it in one bite.

Yin Wei broke a piece of lotus cake into two halves. “I can’t eat too much sweet stuff at night. I’ll get fat. Who wants the other half?”

“Give it to me.”Chang Yu took the remaining half of the lotus cake.

Wei Xingzhi also tasted a piece.

“The Lotus cake tasted very good, but in order to not get fat, no one ate a second piece.”

Then they looked at ye Zao.

“After eating one piece after another, the plate was about to run out, but she had no intention of stopping.”

“Yin Wei gulped. “Yezi, aren’t you afraid of gaining weight?””

“This kind of lotus cake had a lot of sugar, fat, and calories... .. just a small bite was comparable to a big bowl of rice. If it wasn’t for her gluttony, Yin Wei wouldn’t even dare to eat half a piece.”

“Ye Zao smiled and said, “It’s okay. I eat like this every day.””

“It was also because of the limited conditions. Otherwise, ye Zao would eat even more!”

How could this be?

““Every, every day?”Yin Wei looked at ye Zao in disbelief. “Did I hear wrong?””

Wei Xingzhi and Chang Yu also looked at Ye Zao.

Ye Zao nodded. “You didn’t hear wrong. I prefer sweet food.”

“Yin Wei continued, “You eat like this every day. Why are you still so thin?””

“Ye Zao smiled and said, “Maybe I don’t have a fat body from eating?””

Chapter 867: 197: she actually has a boyfriend (9am)1

“I’m so envious,” yin wei continued, “I’m the kind of person who will get fat if I drink plain water!” ”

Female celebrities were different from ordinary people.

“Female celebrities weighed 90 pounds. Because of the camera angle and the lighting, they could be shot at 100 pounds. ”

Those who weighed 100 pounds could be shot at 120-130 pounds.

“Therefore, everyone was extremely thin. ”

Some of the female celebrities weighed only 70 to 80 kilograms. They were so thin that even the ribs on their chests could be seen clearly.

“This was because as long as they were a little fat, it would affect their appearance on camera. ”

“After eating, the few of them chatted for a while before going back to sleep. ”

Ye Zhuo and Yin Wei stayed in the same room.

“After returning to the room, Yin Wei looked at Ye Zhuo. “Ye, let’s add on wechat?” ”

“Sure.”Ye Zao nodded slightly. “What’s your wechat account number?”

“Yin Wei took out her phone. “Yezi, let me scan you.” ”

Ye Zao took out his phone and pulled out the QR code.

Yin Wei scanned the QR code and added ye Zao as a friend.

Ye Zao clicked "Agree."

"Yin Wei continued, "Yezi, I took a lot of photos today. I'm sending them to you now." "

" "Alright, thank you." "

Yin Wei sent all the photos over.

There were more than 20 photos in total.

"Among them, there were a few photos of ye Zao driving a tractor. "

There were also photos taken at the fish pond.

Green Lotus leaves and pink lotus flowers.

Ye Zao stood on the boat with the paddle on his hand. He had a smile on his face. Everything behind him had become nothingness because of her.

She was more beautiful than a flower.

"Ye Zao flipped through the photos one by one. "TSK, why do I Look So Good!" "

"Yin Wei raised her head to look at Ye Zao, thinking that she had misheard. "

"In her opinion, ye Zao should not be that narcissistic. "

So.

She must have misheard.

“After admiring her glory world beauty, ye Zao selected a few good-looking photos and sent them to Cen Shaoqing. [do they look good?] ”

“Cen Shaoqing quickly replied, [the most beautiful in the universe.] ”

“After sending a message, CEN Shaoqing immediately sent another message. [leader, are you deliberately not letting me sleep at night?] ”

“Cen Shaoqing was already tossing and turning. When he suddenly saw ye Zao’s photos, his heart burned even more. ”

He was extremely uncomfortable.

Ye Zao curled her lips slightly. [why can’t I Sleep?]

[because you’re so beautiful that I can’t sleep.]

This person’s mouth was really getting more and more poor. Ye Zhuo laughed softly.

“Seeing her like this, Yin Wei asked curiously, “Ye, who are you chatting with?” ”

“”My boyfriend,”ye Zhuo answered. ”

Boyfriend?

“Yin Wei looked at Ye Zhuo with a face full of surprise. “Ye, you have a boyfriend?” ”

“Yes.”Ye Zhuo nodded slightly.

Ye Zhuo was so outstanding that Yin Wei really couldn't think of how outstanding her boyfriend was!

“What does your boyfriend Do?”Yin Wei continued to ask.

“Ye Zhuo's tone was indifferent. “He... sells robots.”The CEN Group developed AI, so it wasn't a problem to put it that way.”

Sell robots?

“Do you start your own business?”Yin Wei continued to ask.

“Yes.”Ye Zhuo nodded slightly.

“”OH.”Yin Wei nodded and continued to say, “By the way, where are you from, Ye?” ”

“I grew up in Yun Jing and currently live in the capital. What About You?”

“Yin Wei replied, “I'm from Hui Zhou.” ”

“Ye Zhuo narrowed his eyes. “The mountains and streams around the city, and the white clouds and green hills are hard to come by. I heard that it's a very beautiful and poetic place.” ”

Who wouldn't like to hear praise of their hometown from others when they were traveling outside?

“Yin Wei smiled and nodded. “Yezi, you're right. Our place has a picturesque scenery and a good climate. It's especially suitable for traveling!” ”

Ye Zhuo turned around. "I'll definitely go there when I have the chance."

"You're welcome to come over anytime," Yin Wei continued. "I'll fly back to be your tour guide no matter where I am." "

"Really?"

"Of course it's true!"

The two girls chatted until midnight before going to bed.

"The next morning, when Yin Wei woke up, the quilt on ye Zao's bed was already folded. "

"Yin Wei woke up in a daze to change her clothes, brush her teeth, and wash her face. "

"After washing up, she went out and heard ye Zao's figure. "Wei Wei, come over and have breakfast." "

"Yin Wei walked over and said in surprise, "Yezi, when did you wake up?" "

Ye Zao's expression was indifferent. "Six o'clock in the morning."

"Six o'clock?" Yin Wei continued, "Why did you get up so early?" "

"I got up to run and made breakfast." Ye Zao handed Yin Wei a cup of soy milk, "I didn't know what you guys wanted to eat in the morning, so I made some porridge, boiled a few eggs, and then made some water-fried buns and mixed a cold dish." "

Chapter 868: 197: I actually have a boyfriend (9 am)2

“Looking at the sumptuous breakfast on the table, Yin Wei gulped. “This is called casually cooking?” ”

“Ye Zao smiled and said, “Let’s deal with it this morning. I forgot to ask you what you want to eat before going to bed last night. You can order your own dishes tomorrow morning.” ”

““Yezi, I love you so much!”Yin Wei hugged ye Zao excitedly. She was very glad that she was in the same group as ye Zao.”

The two girls were just about to eat breakfast when Wei Xingzhi and Chang Yu walked out.

“When they saw the breakfast on the table, the two of them were also very surprised.”

“After the four of them finished eating breakfast, the three members of the Blue Team walked out of the room.”

“Seeing that ye Zao and the others were already eating breakfast, song yiwang smiled and said, “The program team is too humane! They actually provided breakfast! Director, Where’s Our Breakfast?” ”

“They had not eaten their fill last night, and it was already past nine in the morning. They were so hungry that they felt dizzy.”

“Seeing that the program team had thoughtfully prepared breakfast, the few of them were very excited.”

“The director said expressionlessly, “Team Blue’s breakfast was made by Ye Zi herself.” ”

Made by herself?

“Hearing this, the few of them felt their hearts turn cold.”

“Then what do we eat in the morning?” Song Yiwan looked at the director.

“You guys figure it out yourselves!”

“Ye Zhuo drank a mouthful of soy milk and said with a smile, “If you guys are hungry, you can come here and eat some. I’ve made a lot anyway.” ”

“Ye Zhuo spoke up, and Wei xingzhi echoed, “Yezi is right. We still have a lot of breakfast left. Why Don’t you guys come over and eat some?” ”

They looked at each other and saw hesitation in each other’s eyes.

“If they went over to eat, wouldn’t they betray song Chenyu?” ”

No!

They couldn’t go over to eat!

They couldn’t!

“Wang Xuancheng smiled and said, “Thank you, Yezi. Thank you, teacher Wei. But there’s no need. We’ll think of a way ourselves.” ”

“After saying that, the few of them walked to the side. ”

“Lu Qi continued, “Yi Wan, Xuancheng, Chenyu cooked it for us last night. Why don’t the three of us give Chenyu a surprise in the morning?” ”

“Sure!” The three of them nodded in agreement.

They would rather cook it themselves than eat that kind of dirty food.

In a flash.

A week's time passed.

"After the first episode of the program had been recorded, they had to wait until this month to continue recording the second episode. "

"During this month's free time, everyone would go home and look for their own mothers. "

Ye Zao had booked a flight at around 10 am. The program team's car sent her to the airport.

"The director personally sent ye Zao off. "Miss Ye, let's meet again next month." "

""Let's meet again next month."Ye Zao continued, "By the way, director Feng, when will our program be broadcast?" "

"Director Feng said, "If nothing unexpected happens, it should be broadcast in a week's time. As for the exact broadcast time, our group will inform You Then." "

"Okay."Ye Zhuo nodded.

"Director Feng continued, "Have a safe journey." "

""Thank you, director Feng. Have a safe journey too." "

"After saying goodbye to director Feng, Ye Zhuo pulled her suitcase and walked towards the boarding gate. "

“At this moment, a pair of slender hands suddenly came from behind ye Zhuo’s waist. One of them was holding a string of Buddhist beads. Then, her entire body fell into a broad chest, her nose was filled with the fresh scent of mint and the faint scent of sandalwood.”

“Leader.”

“A deep and magnetic voice came from beside her ear, and the warm breath sprayed on her neck.”

It was slightly itchy.

Ye Zao smiled. “Why are you here?”

“I missed you.”

“Cen Shaoqing hugged her tightly, buried his head in her neck, rubbed against it, and took a deep breath.”

It was only when he hugged her like this.

Cen Shaoqing could feel a moment of peace.

“Hiss...”ye Zao frowned slightly.

“What’s Wrong?”

Ye Zao raised his eyebrows. “You didn’t shave?”

“”Did I prick you?”Cen Shaoqing immediately raised his head and asked nervously, “Does it hurt?” ”

Cen Shaoqing was much taller than ye Zao.

His Chin was just above ye Zao's head.

Ye Zao raised his head and saw that this person's chin was already showing stubble. His fair skin had a faint greenish-black color. There was an indescribable sexiness to it. Ye Zao reached out and touched it.

It was a little prickly.

“It's not too painful,” ye Zao continued, “Why did you come over without even shaving your beard?”

“In Ye Zao's eyes, Cen Shaoqing had always been a very particular person.”

Such a situation.

It was rare.

“CEN Shaoqing said, “I just finished my meeting and took the plane over.” Cen Shaoqing's hair was full of fur, and he basically shaved every two days.”

“Before he met ye Zao, Cen Shaoqing did everything at a moderate pace, and his expression did not change even when Mount Tai collapsed in front of him.”

“After meeting ye Zao, he had someone in his heart that he wanted to meet, so he could not care about anything else.”

“After finishing the things on hand, he couldn't wait to get on the plane.”

How could he care about whether he shaved or not?

“I see.” Ye Zao nodded slightly and continued, “Then should we go back now, or stay here and rest for a day?”

“Why don’t we rest here for a day? Let’s Take a stroll around? This is my first time coming to the East Continent!” Cen Shaoqing said.

“Sure.” Ye Zhuo didn’t have any objections.

“Therefore, the two of them found a hotel near the airport and stayed there.”

The hotel had everything.

Cen Shaoqing found a razor to clean his beard.

Ye Zhuo leaned against the bathroom door and raised his eyebrows slightly. “I suddenly realized that you actually look quite manly with that little stubble of yours.”

“Don’t tell me I don’t Look Manly Now?” Cen Shaoqing walked over and placed his hands on the door frame, trapping Ye Zao between the door and him.

The two of them looked at each other.

Their eyes were filled with each other’s figures.

“In a flash, CEN Shaoqing extended a slender finger and lifted Ye Zao’s chin. Then, his thin lips covered his red lips.”

His lips were very thin and cold.

After an unknown amount of time.

Cen Shaoqing tilted his head slightly and moved his thin lips away from the corner of her lips. His breathing was a little hurried.

Ye Zao frowned slightly. "What did you put in your pocket?"

"Cen Shaoqing was stunned for a moment before he said, "My phone." "

1

His voice was low and hoarse.

Ye Zao did not think too much about it and nodded.

"Cen Shaoqing hurriedly released ye Zao and said, "Leader, I'm going to take a shower. You can go out for a while." "

"Didn't you just take a shower once?" Ye Zao was very confused.

Cen Shaoqing's expression was the same as usual. "I have the habit of taking a shower twice."

1

"OH." Ye Zao nodded and walked out of the door.

"Not long after, the sound of running water came from the bathroom. "

The two of them opened a suite.

Ye Zao also returned to his room to take a shower.

“After taking a shower, the two of them went out to visit the night market in the East Continent.”

It was very lively near the airport.

“Because of the climate in the East continent, it was too hot during the day and no one was willing to come out. At night, there were people everywhere and it was very lively.”

“The two of them walked hand in hand in the night market. After a while, it was ye Zao who walked in front and Cen Shaoqing who followed behind with a pile of food.”

The weather in the east continent was good.

There were also many delicacies.

There were also all kinds of fruits that ye Zao had never seen before.

“Song Chenyu wore sunglasses and also walked in the night market. She held a cup of milk tea that she had drunk half of, as well as other delicacies.”

“Recently, the program team of “Country” was in the East Continent. After many paparazzi found out about this, they all came over to take a look.”

The reason why song Chenyu chose this most lively night market was so that the paparazzi could take pictures of her.

“After all, she had set up the character of a foodie.”

“If she didn’t go to the Gourmet Street in the East Continent, she would definitely be criticized by the anti-fans.”

“At this moment, Song Chenyu suddenly saw a tall figure. ”

“He was wearing a plain robe and walking in the middle of the crowd, making him stand out from the crowd. ”

This Is?

Cen Shaoqing!

Chapter 869: 198: girls always have to be a little shameless

Song Chenyu’s eyes lit up.

She didn’t expect such an unexpected gain from this trip to the food street.

“At this moment, Song Chenyu saw another figure.”

Who was that?

Ye Zao?

Why was ye Zao Here Too?

The light in song Chenyu’s eyes instantly disappeared.

“After a while, a smile returned to Song Chenyu’s face.”

So what if ye Zao was here?

“Even if ye Zao was here, she could still let Cen Shaoqing see her!”

“Thinking of this, song Chenyu hurriedly trotted over. “Yezi!””

Ye Zao looked back slightly.

“Song Chenyu said with a face full of surprise, “Yezi, it really is you! I thought I was mistaken!””

“Ye Zao’s tone was indifferent. “Miss Song, we don’t seem to be that close outside the show.””

The smile on song Chenyu’s face froze for a moment. She did not expect that ye Zao would not give her face.

What was there to be proud of about ye Zao?

If it was not for Cen Shaoqing and the Lin family.

Ye Zao was nothing!

“Putting aside those gorgeous identities, ye Zao was just a small Internet celebrity.”

“The smile on song Chenyu’s face did not diminish. She continued, “I’m sorry, Miss Ye. I was too rash!” As soon as she said that, song Chenyu looked as if she had just seen Cen Shaoqing. She said in surprise, “Mr. Cen is here too.””

CEN Shaoqing’s gaze directly passed song Chenyu. He held something in one hand and held ye Zao’s hand in the other. “Shall we go over there and take a look?”

“Yes.”

Cen Shaoqing was only temporarily mesmerized by ye Zao.

“As long as she persisted, Cen Shaoqing would definitely be able to see her.”

“Song Chenyu comforted himself in his heart and continued, “Miss Ye, Mr. Cen, I came alone today. It’s not easy to meet acquaintances in the east continent. Why don’t I treat you to a cup of tea?””

“Miss Song.”Cen Shaoqing looked back slightly.

“Looking at Cen Shaoqing’s profile, Song Chenyu’s heart skipped a beat.”

He called her name.

Song Chenyu was very excited.

Why did Cen Shaoqing call her?

Could it be that he took the initiative to invite her to tea?

“CEN Shaoqing continued, “I’m not Cen Yuyan. I know very well what kind of person you are. I advise you to put away those shameful thoughts. A girl must have some sense of shame.””

These words did not leave any face. They directly turned into sharp blades and slashed at song Chenyu’s face.

Song Chenyu was immediately stunned.

She did not expect Cen Shaoqing to suddenly say such words.

Cen Shaoqing clearly did not hate her this much in the past!

Why did Cen Shaoqing suddenly become like this?

Could it be because of ye Zhuo?

Yes!

It must be ye Zao!

How many bad things did ye Zao say about her in front of Cen Shaoqing?

Song Chenyu looked at Ye Zao and Cen Shaoqing's backs as they left. She was so angry that her entire body was trembling.

Wait!

She must make ye Zao pay the price.

Song Chenyu clenched her fists.

"At ten o'clock the next morning, Cen Shaoqing and ye Zao boarded a private plane back to the capital."

"At three o'clock in the afternoon, the plane successfully arrived at the Beijing Airport."

Cen Shaoqing drove ye Zao to the Lin family home.

“Ye Zao had not returned for a week. Lin Jincheng, Ye Shu, and Lin Ze stood at the door waiting for her.”

““Dad, Mom, Brother!””

“Zao Zao is back.” Ye Shu walked forward and hugged ye Zao.

“They had only been separated for a week, but ye Shu felt that it had been a few months.”

“Lin Jincheng sized up ye Zao and frowned slightly. “You seem to have lost a lot of weight! Zao Zao, what did you eat in the program team these few days?” Lin Jincheng was even considering it now, when Ye Zao was filming the second episode, should he send two chefs along.”

“Ye Zao smiled and said, “How did I lose weight? Dad! You must have seen wrongly! The ingredients given by the program team are especially fresh, and the air in the mountains is also very good. I feel like I’ve gained weight these few days!””

“Lin Jincheng frowned and said, “Ingredients? Does that mean that you have to cook your own food?””

“Yes.” Ye Zao nodded slightly.

“Lin Jincheng continued, “What’s your next program shoot?””

““In half a month.” Ye Zao continued, “What’s the matter, Dad?””

“Lin Jincheng said, “Don’t you like to eat the food cooked by chef Li and chef Wang the most? When the time comes, let them go with you!””

Lin Ze nodded. “I think dad is right!”

“After not seeing ye Zao for a week, not only did Lin ze think that ye Zao had lost weight, he even felt that ye Zao was a little malnourished.”

“Ye Zao knew that Lin Jincheng was not joking with her, “Dad, brother, what are you two talking about! I’m going to participate in the program, not to enjoy it! What does it look like to bring a chef with me? If people who don’t know see it, they’ll think that I’m acting like a big miss!””

“Lin Jincheng said, “You’re the big miss of our Lin family to begin with!””

Ye Zao:” ...”

“Ye Shu smiled and said, “Alright, Alright, stop standing at the door and talking. Hurry up and go in!” After saying that, ye Shu continued, “Right, Zao Zao, Where’s Shaoqing? Didn’t he send you back? Why didn’t I See Him?””

“Ye Zao said, “He has a meeting to attend. He’s going back to the company.””

“OH.” Ye Shu nodded.

The family of four walked into the house.

“Lin Ze continued, “Zao Zao, when is your program going to be broadcast?””

“Ye Zao said, “It should be in a week. The director said that he would inform the group after confirming the time.””

“Old Lady Lin was sitting in a wheelchair, hiding behind a statue. She looked at the family of four and secretly wiped away her tears.”

“If she was a good grandmother, she could stand together with Lin Jincheng, Ye Shu, and the others to welcome ye Zhuo back today.”

Unfortunately.

She was not a good grandmother.

“These days, Old Lady Lin had been living in repentance.”

““Old Lady, don’t cry.” Auntie Wang handed Old Lady Lin a handkerchief.”

“Old Lady Lin smiled and said, “I’m not crying, I’m not crying! Let’s go back too.””

Auntie Wang Sighed and pushed Old Mrs. Lin back.

“In order to celebrate ye Zao’s return home, Lin Jincheng personally cooked a table full of sumptuous dishes in the evening.”

“After eating, Lin Ze brought over a plate of beautiful desserts. “Zao Zao, try it and see if it tastes good.””

Ye Zao took a bite and nodded. “It’s very delicious!”

A faint smile appeared on Lin Ze’s lips.

“Ye Shu looked at Lin Ze. “Ah Ze, I saw you frequently coming and going to the dessert room a few days ago. This dessert was made by you personally, right?””

“Hearing this, Ye Zao raised his head to look at Lin Ze. “Brother, it was really made by you personally?””

Lin Ze nodded.

“Because ye Zao liked to eat desserts, Lin Ze learned a thing or two from the family’s dessert master.”

“Ye Zao smiled and said, “Brother, you are really amazing! Since you made it yourself, I have to taste it well.” As he said that, ye Zao took a bite and tasted it carefully.”

““The Milky fragrance is rich. The cream in the cream still feels like it is exploding. There is also the fragrance of mint. Brother, this is the best dessert I have ever eaten!””

““Really?” Get the praise of leaf burning, the eyes of Lin Ze all follow to light up.”

““Of course it is true.” Ye Zhuo then said: “My Brother is the best brother in the world, make the dessert of course delicious!””

“Ye Shu looked at Lin Ze, pretended to blame: “Ah Ze, you give burning a person to do dessert? No Mother’s share? is not a bit too biased?””

Lin Ze was a little embarrassed. “I thought you didn’t like sweet food.”

“Ye Shu continued, “Who said I don’t like Sweet Food?””

“Then I’ll make it for you next time.”

“Ye Shu smiled and said, “Mom is joking with you. You just have to make it for your sister alone.””

“In the blink of an eye, it was the day of the Chinese art world’s presidential election.”

“The presidential election was a big event. After the election, there was still an art exhibition.”

Ye Zao looked at the warmth in front of him and his heart raced.

To be able to have such a warm family atmosphere was something that she did not even dare to dream about in her previous life.

“The next day, ye Zao went to school.”

“Li Yueyue had not seen ye Zao for a long time. When she saw ye Zao return, she was extremely excited. “Great Zao, you’re finally back! I’ve missed you to death!””

“Ye Zao smiled and said, “I’ve missed you too.””

“Li Yueyue continued, “How was your participation in the ‘village’ program? Did you get my Idol’s autograph for me?””

“Autograph?” Ye Zao was stunned. “What autograph?”

“The smile on Li Yueyue’s face instantly disappeared. “Wei Xingzhi’s autograph! Great Zao, did you forget about this?””

“Ye Zhuo scratched his head in embarrassment. “I’m sorry, Yueyue, I really forgot...””

Li Yueyue was about to cry.

“She especially liked Wei Xingzhi. Ever since she was young, her house was filled with posters of Wei Xingzhi.”

“At this moment, Ye Zhuo took out a notebook from his bag and said with a smile, “Idiot! I lied to you just now! This is teacher Wei’s autograph. Take a look.””

“Li Yueyue took the autographed photo and instantly revived with full health. She jumped up and hugged ye zhuo, “Ah Ah Ah! Da Zhuolao, I love you so much! Da Zhuolao, you are the best da Zhuolao in the world!””

“Ye Zhuo continued, “Oh right, after teacher Wei found out that you liked him, he asked me to bring you a gift.” ”

“Gift? What Gift?” Li Yueyue’s eyes were about to sparkle.

Ye Zhuo took out a gift box. “Take a look for yourself.”

“Li Yueyue took the gift box. After opening it, she found that there was a cup inside. ”

The cup reflected Wei Xingzhi’s poster and his autograph.

“Li Yueyue held the cup and kissed it a few times. “Ahhh! I’m so excited now! I want to take photos, I want to post them on wechat moments! I want to post them to the group of people who love each other!” ”

““Da Zhuozhu, you’re practically my closest relative!” ”

“At the end of her sentence, Li Yueyue hugged ye Zhuozhu tightly again. ”

“Ye Zhuozhuo smiled and said, “Hurry up and go take some photos.” ”

““Yes, yes, yes! I have to hurry up and take some photos!” Li Yueyue took a few photos in a row and sent them to every group before sharing them on her moments. ”

“Wei Xingzhi was a capable celebrity and there were quite a number of people who liked him. In addition to the explosive popularity of ‘country’ last year, Li Yueyue received more than 200 likes in a short while. ”

“Li Yueyue looked at ye Zao. “Da Zao, can I visit you when you’re filming the second episode of ‘country’?” ”

Ye Zao nodded. “I should be able to.”

“Li Yueyue was extremely excited and said with a smile, “Then when you’re filming the second episode, I’ll visit you.” ”

“Sure.”Ye Zao turned on his computer.

“After staying on the set for a week, she had not been doing any serious business for a week. ”

“When she turned on her computer, all sorts of messages took up almost the entire computer screen. ”

Ye Zao replied slowly.

“Li Yueyue continued to ask, “Great Zao, when will the latest season of ‘Country’be broadcast?” ”

“Ye Zao’s fingers quickly tapped on the keyboard. “According to the director, it should be in a week, but the exact time has not been decided yet. We Still Have to see the SARFT’s approval.” ”

“”OH.”Li Yueyue nodded. “That should be soon. When that time comes, I must stay in front of the television.” ”

“The next day, there were no classes in the morning. ”

Ye Zao arranged a small gathering with Zhao Pingting and an Lizi.

Zhao Pingting and an Lizi both liked Chang Yu very much.

“Therefore, ye Zao specially asked for an autographed photo of Chang Yu.”

The two of them were extremely happy.

“Zhao pingting smiled and said, “Zao, are you going to become a big star in the future?” ”

“Ye Zao shook his head. “I’m just going to participate in a reality show. I have no intention of debuting as a star.”If it were not for the sake of saving a sum of endorsement fees to buy desserts, ye Zao would not have gone to participate in a variety show. ”

“However, after participating in ‘The Village’, Ye Zao found this variety show quite interesting. ”

“The air in the village was good, the food was fresh, and there were all kinds of wild fruits to eat. Most importantly, there was a tractor that could be driven. ”

“An lizi continued, “I heard that song Chenyu is also a permanent guest on this episode?” ”

Ye Zhuo nodded. “It’s true.”

“Is song Chenyu in person good to watch? I heard that she and Chang Yu are dating. Is that true?”An Lizi continued to ask.

“Song Chenyu and Chang Yu had worked together before, and after that, there were rumors of an ambiguous relationship. Many people were fans of their relationship. ”

“However, ever since the popularity of that television drama went down, there were no more scandals between the two of them. ”

An Lizi was also a fan of their relationship.

““It’s fake news,”ye Zhuo’s tone was indifferent. “The two of them basically did not communicate much on the program team.” ”

“Hearing that, an Lizi’s face was filled with disappointment. “So it’s fake! I was wondering why there was no news from the two of them for a long time!” ”

“Zhao pingting said, “It’s fine if it’s fake. I feel that Song Chenyu doesn’t Deserve Changyu!” ”

“An lizi whimpered, “I really like their looks.” ”

“In the blink of an eye, another three days passed. ”

Today was the day of the Chinese art world’s presidential election.

Ye Zhuo had received an invitation from Old Lady Cen half a month ago to participate in the Chinese art world’s art exhibition.

“At eight o’clock in the morning, Ye Zhuo drove over to pick up Old Lady Cen. ”

“When she arrived, Old Mrs. Cen was already waiting at the door. ”

Old Mrs. Cen was wearing a light-colored qipao. Her silver-white hair was tied up at the back of her head and was fixed by a wooden hairpin.

She had an elegant temperament.

It reminded one of a saying.

Time never defeats a beauty.

“Old Mrs. Cen had been a great beauty when she was young. Although she was already in her eighties, the temperament in her bones was still there. This temperament could not be erased no matter how much wind and rain she had been through.”

“Seeing ye Zao come over, Old Mrs. Cen waved at her excitedly. “Yezi.” ”
