Chapter 871: 199: Who Will Crush who (11th watch)2

“Grandma Cen.”

“This was the first time ye Zao had seen Grandma Cen wearing a qipao. Her eyes were filled with amazement. “Grandma Cen, you look so good in a qipao.””

““Of course. Grandma, I’m a famous beauty in my youth. The people who chased me in the past could circle the earth several times by holding hands,” Grandma Cen said with a smile. “I’m just a little inferior to you, Ye Zao.””

“When she said the last sentence, old Mrs. Cen made a gesture.”

“Old Mrs. Cen had lived to such an old age, but no one was convinced, so she was convinced by Ye Zao.”

“Ye Zao smiled and said, “Grandma Cen, you’re too modest. When I reach your age, I definitely won’t be as good-looking as you.””

““Who said that! Ye, in My Heart, you’re the best-looking person in the universe! Even if you’re old, you’re still the best-looking person in the Universe!””

Ye Zao smiled.

“Old Madam Cen sat in the passenger seat and turned to look at Ye Zao, then she said, “Zao Zao, I heard from the second girl that your driving skills are very good! You can even drive a car to the point of flying. Today, you’re going to let me have an eye-opener? When I was young, I also liked racing cars very much. Unfortunately, I’m old now and can’t do it anymore!””

“Ye Zao was a little surprised. “Grandma, you also like racing cars?””

“Of course!” Old Mrs. Cen nodded. “Your Grandpa Cen and I met because of racing cars. It’s just that we’re both amateurs.”

“Ye Zao continued, “Then sit properly. Let’s take a detour to the Winding Mountain Road. Otherwise, it won’t be easy to perform.””

“There were many cars in the capital. Not to mention racing cars, even if they drove normally, they would be stuck in traffic for a long time.”

““Okay, okay!” Old Mrs. Cen was especially excited.”

“Soon, a red car appeared on the Winding Mountain Road.”

The car swung its tail —

The car skidded at high speed —

All kinds of thrilling movements took place one after another. It was a feast for the eyes.

The people sitting in the car were even more excited.

The Adrenaline was surging!

“Old Mrs. Cen had never experienced such an exciting feeling before. She turned to look at ye Zao and said with admiration, “Ye, you’re really amazing!””

“Ye Zao placed both hands on the steering wheel. His expression was so calm that it was as if the person driving the car was not her. “Just so-so, third in the world.””

“Nonsense!” Old Mrs. Cen continued, “You’re clearly the first in the world!”

Ye Zao laughed out loud.

“Soon, the car stopped in front of the venue.”

“At this moment, the parking lot of the venue was already filled with all kinds of luxury cars.”

“After all, the election of the president was not a small matter.”

Ye Zhuo held the Cen old lady’s arm and the two of them walked towards the entrance of the venue.

The election was held in the form of a cocktail party.

“Inside, there were toasts and toasts. There were people everywhere and it was very lively.”

“Once they entered, they could hear all kinds of conversations.”

“Who do you think will be the next president of the Association?”

“It must be Liu Caiyi! Is there a need to say that?”

“I also think it will be Liu Caiyi.”

“Liu Caiyi was the vice president herself. She was very capable and talented, so it was normal for her to become a vice president.”

“Liu Caiyi is quite amazing. I heard that she is only 28 this year.”

“Then does she count as the youngest president in the history of the Literature Association?”

“Do you even need to say that?”

“It was already a foregone conclusion that Liu Caiyi would become the president of the association from the Vice President. Therefore, today, she was dressed rather grandly. She was wearing a wine-red evening gown and held a goblet in her hand, she calmly dealt with everyone’s blessings and flattery.”

“”Miss Liu, Congratulations!””

“Thank you.”Liu Caiyi raised the goblet in her hand.

“”Look at my mouth. From now on, I should call you president Liu,”the middle-aged woman continued, “President Liu, please take care of me in the future.””

“Sure.”Liu Caiyi nodded lightly.

She had been waiting for this day for three years.

The position of president was just an excessive one.

“In the future, she would climb higher and go further.”

Her future was bright.

“At this moment, Liu Caiyi swept her gaze and saw a slender figure.”

White clothes and black pants.

“Her eyebrows were like a painting, and there was a sense of coldness in her undisciplined manner. There was also a sense of bandit aura that could not be ignored. The noisy cocktail party had inadvertently become her backdrop.”

This was... Ye Zhuo.

Liu Caiyi's gaze turned cold.

Today was her venue. What was Ye Zhuo doing here?

Stealing the limelight?

It was said that Ye Zhuo had recently gone to the Entertainment Circle and filmed a variety show.

Could she have mistaken the Chinese Art Circle for the Entertainment Circle?

Those who were good-looking might be able to gain a wave of cosmetic fans in the entertainment circle.

“After all, those fans all depended on their looks.”

But this was the Chinese art world.

“In the Chinese art world, those who were good-looking could only be considered vases at most.”

Liu Caiyi frowned.

“At this moment, ye Zao suddenly raised his eyes.”

His gaze happened to meet Liu Caiyi's gaze.

“Ye Zao slightly curved his lips, the light in his eyes overflowing with color. He looked at Liu Caiyi like he was looking at a clown.”

Liu Caiyi did not expect ye Zhuo to suddenly make such a move.

“Feeling guilty, a layer of cold sweat broke out on her back. She hurriedly averted her gaze.”

Only after she averted her gaze did Liu Caiyi react.

Why was she panicking?

The person who should be panicking should be ye Zhuo.

Ye Zhuo relied on cheating to win first place in the assessment competition.

“Yet, she was an extraordinary talent!”

“Soon, she would be the President of the Chinese Arts Association.”

What was Ye Zhuo?

“Other than being master Yu’s disciple, she was nothing.”

“Thinking of this, Liu Caiyi raised her head again and looked at Ye Zhuo.”

“At this moment, there was only one silhouette left for Liu Caiyi.”

“As Liu Caiyi looked at Ye Zhuo’s back, a glimmer flashed in her eyes.”

Ye Zhuo held the Cen old lady's wrist as they walked in the hall.

"Everyone looked over curiously. When they saw ye Zao's face clearly, their eyes were filled with surprise."

She was too eye-catching.

She was like a shining sun.

It was hard to ignore her.

"Who is this girl?"

"I'm not sure."

"My God, she's So Beautiful."

"Do you think she's even prettier than Liu Caiyi?"

"These two people are not on the same level at all, Okay?"

"I thought Liu Caiyi was already pretty enough. I didn't expect someone to be even prettier than Liu Caiyi!"

"I didn't expect Liu Caiyi to be outclassed one day."

"Listening to the crowd's voices, Liu Caiyi's expression changed again and again."

Pretty?

What was the use of being pretty?

She was the one who was about to become the president.

What could ye Zao Do?

Ye Zao was just waiting to be crushed by her!

“Thinking of this, Liu Caiyi felt much better.”

Ye Zao and old Madam Cen found an empty seat and sat down.

“Not long after they sat down, ye Zao’s phone rang.”

This was a special notification.

“Ye Zao looked at Old Madam Cen. “Grandma Cen, I’m going to the washroom.””

“Go ahead.” Old Madam Cen nodded.

Ye Zhuo stood up and walked towards the washroom.

“When he found out that old Madam Cen had come, elder Qi immediately came over to welcome her.
“Sister Tang, there are many people today. I’m really sorry for neglecting you.””

Old Madam Cen waved her hand. “We’re all on the same side. There’s no need to come here.”

“Elder Qi looked around old madam Cen and continued, “Your granddaughter-in-law isn’t free to come today?””

“Ever since he had returned that day, elder Qi had been very curious about what kind of person grandmother Cen’s granddaughter-in-law was.”

“To be able to draw such a landscape painting, it was definitely not simple.”

Elder Qi even suspected that the painting was really the work of a young man.

He always felt that young people nowadays were too impetuous and did not have such a state of mind.

Not to mention young people.

Even he found it difficult to draw such a painting.

“Old Mrs. Cen smiled and said, “She went to the bathroom. She’ll be back soon.””

“Okay.” Old Qi nodded. “Then I’ll wait for a while.”

Chapter 872: 200: I didn’t expect it to be ye Zhuo (12th watch)¹

“About five minutes later, Old Lady Cen suddenly stood up and said with a smile, “Look, my granddaughter-in-law is back.” ”

Old Lady Qi looked back and her expression changed slightly. “Miss Ye!”

“Old Lady Cen said in puzzlement, “You also know my granddaughter-in-law?” ”

The champion of the literary world assessment.

Who Didn't know her?

"However, what Old Lady Qi didn't expect was that ye Zhuo was actually old lady Cen's granddaughter-in-law. "

This was too much of a coincidence!

"Old Lady Qi suddenly couldn't react in time and turned to look at Old Lady Cen. "Sister Tang, are you sure that Miss Ye is your granddaughter-in-law?" "

Old Lady Cen's face darkened and her boss was displeased. "Look at what you're saying. Can I still mistake my granddaughter-in-law for someone else?"

"Old Qi gulped and confirmed again, "Is it that little girl in the white shirt?" "

"Yes." Old Mrs. Cen nodded and said proudly, "How is it? is my granddaughter-in-law outstanding?" "

"At first, Old Qi did not believe that a young man could draw like that. "

After seeing ye Zhuo.

He did not have any doubts.

Because ye Zao was not an ordinary young man to begin with.

Elder Qi smiled and nodded. "Excellent. Your granddaughter-in-law is simply too excellent."

“That’s right!” Old Mrs. Cen said with a proud face, “How can the granddaughter-in-law that I personally picked not be excellent?” ”

“At this moment, ye Zao walked to the side. Old Mrs. Cen held ye Zao’s hand and took the initiative to introduce, “Ye, this is elder Qi from the Chinese painting world. Little Qi, this is my future granddaughter-in-law, Ye Zao.” ”

“Ye Zhuo turned to look at elder qi and politely said, “Elder Qi.” ”

“Miss Ye,” elder Qi said with a smile, “I’ve long heard of your name.” ”

Ye Zhuo smiled slightly. “You flatter me.”

“Before this, elder Qi had never interacted with Ye Zhuo. ”

“After a simple exchange, elder Qi admired this young man in front of him who was neither arrogant nor impatient. ”

“Elder Qi continued, “Sister Tang, I still have some matters to attend to. I need to go over for a while. Please forgive me if I haven’t treated you well.” ”

Old Madam Cen waved her hand. “You can go back to your work.”

“Elder qi cupped his hands towards old madam Cen. “Sister Tang, I’ll go over first then.” ”

Not long after.

The election had officially begun

Everyone put down their wine glasses and looked towards the stage.

Elder Qi stood on the stage. He first exchanged a few pleasantries before getting into the main topic. "I now announce that the next President of the Chinese Arts Association will be..."

"Liu Caiyi's heart was about to jump out of her throat. Under everyone's gaze, she slowly stood up from her chair. "

Although elder Qi had yet to announce who that person was.

The result was already obvious.

"Other than her, who else had the ability to sit on the president's seat? "

"At this moment, elder Qi's gaze slowly landed on ye Zao and he continued, "Miss ye Zao!" "

Ye Zao?

Ye Zao?

"When she heard this name, Liu Caiyi was immediately stunned. "

She thought that she was hearing things.

She should be the one who successfully promoted to president.

Why did it become ye Zao?

"Liu Caiyi's face was deathly pale. She stood there, her legs trembling, embarrassed and embarrassed. "

Why?

Why was this so?

How did ye Zao become the President?

Did she have real talent?

Everyone present was stunned.

“They all knew that Liu Caiyi was the next president. Liu Caiyi also stood up from her chair, but the final result was ye Zao.”

Ye Zao?

Who Was Ye Zao?

“Ye Zao seems to be the girl who won first place in the literary world assessment not too long ago.”

“But I heard that she plagiarized...”

“I don’t know if she plagiarized or not. I heard that she’s very good-looking.”

“Why did elder Qi choose her to be the President?”

“Could it be because elder qi and master Yu are good friends?”

“F * ck! What are they doing! That’s the President of the Chinese Arts Association. Is it possible for anyone to be the president? Has Elder Qi lost his mind?”

“This is a campaign for the president, not a beauty contest! Let Ye Zao be the President? Does ye Zao have the ability to do that?” ”

There was a flurry of discussion below the stage.

“In fact, Ye Zao was also a little confused. ”

“When she heard her name from elder Qi’s mouth, she thought that she had misheard. ”

She was just here to join in the fun. She did not expect to become the next president for no reason...

Was the president chosen so casually now?

“Just like ye Zao, Old Madam Cen also thought that she was hearing things. She turned to ye Zao and asked, “Ye, did Xiao Qi just say your name on the stage?” ”

“I think so,”ye Zao continued, “But I’m not interested in the position of President.” ”

“At this moment, elder Qi walked down the stage and came in front of ye Zao. “Miss Ye Zao, would you like to be the next President of our Chinese Arts Association?” ”

“Ye Zao stood up and looked at elder Qi, tactfully rejecting him. “Thank you for your kindness, elder Qi...” ”

“Before she could finish her sentence, she was interrupted by an angry voice. ”

“Elder Qi! I disagree!”

Elder Qi turned around and saw that it was the second elder of the Chinese arts world who stood up.

The second elder thought highly of Liu Caiyi.

“The person who was originally decided to be Liu Caiyi was suddenly replaced, and it was a newcomer with a history of plagiarism. This was something that the second elder could not accept!”

How could the Chinese arts world let a person with a history of plagiarism become the president?

Wasn't this a joke?

“Second elder continued, “The position of president is very important. You didn't even discuss it and handed such an important position to miss ye. Isn't this too hasty?” ”

“Not only was it too hasty, it was also unfair to Liu Caiyi. ”

Liu Caiyi had relied on her own ability to climb up step by step.

What About Ye Zao?

On what basis did ye Zao have?

On the basis of plagiarism?

“When these words were said, someone immediately echoed, “I think second elder is right. This is indeed too rash!” ”

“It's indeed very rash!”

“Seeing that so many people were standing up for her, Liu Caiyi felt much better. ”

Ye Zao could not be compared to her at all.

Elder qi frowned slightly.

“Seeing that so many people were supporting her, second elder felt much more confident, then he said, “Vice president Liu’s ability is something that we all have witnessed, and Miss ye only got first place in the literary world assessment. Moreover, that first place is still unclear!” ”

“Ye Zao did not have the intention to be the president, nor did he have the intention to participate in this dispute. However, when she heard this, she frowned slightly and looked up at second elder. “Please explain what is unclear.” ”

“Her tone was clear and shallow, but it was loud and clear, making people feel a chill in their hearts. ”

““What doesn’t make sense? Don’t you know in Your Heart, Miss Ye?”Second Elder looked at ye Zhuo with contempt in his eyes. He hated people who plagiarized and cheated the most in his life. ”

He had admired Master Yu very much.

“However, he had never expected that master Yu would walk down a path of no return. ”

“Liu Caiyi stood up from her chair again. “If Miss Ye is open and aboveboard, why don’t we have a competition in front of everyone?” ”

“Hearing this, the crowd below the stage immediately echoed, “Yes, yes, yes! Let’s have a competition!” ”

“Only a competition is fair.”

Ye Zhuo stood up slightly and looked at Liu Caiyi. “What competition?”

“This is the world of traditional Chinese painting. Of course, it’s a competition of painting. Why don’t we use the pastoral scenery as the theme to draw a painting?” Liu Caiyi replied. “I heard that Miss Ye is proficient in zither, chess, calligraphy, and painting. I wonder if Miss Ye dares to compete?” ”

“Why not?” Ye Zhuo raised his eyebrows slightly.

“Along the way, Ye Zhuo had seen quite a number of paintings hanging in the exhibition hall. ”

She had thought that her paintings were bad enough.

She did not expect that the paintings in the world of traditional Chinese painting were even worse than her paintings.

“From this, it could be seen that the world of traditional Chinese painting was only so-so! ”

“Miss Ye, you have guts.” Liu Caiyi smiled, her eyes filled with ridicule. ”

“In terms of drawing, Liu Caiyi was a professional. ”

Did Ye Zhuo think that she could cheat this time?

Drawing was different from the assessment competition.

The assessment competition allowed one to know the answer in advance.

Drawing was not allowed!

Drawing depended on one’s true ability.

Ye Zhuo was just waiting to make a fool of himself!

“Thinking of this, Liu Caiyi felt extremely happy. ”

“Ye Zhuo turned to look at the second elder. “If vice president Liu loses, I hope that you and vice president Liu Can personally send an apology to me in the Micro World.” ”

“The micro-world was a common APP in the Chinese painting, literary, chess, and calligraphy worlds. ”

It was similar to Weibo.

“Usually, people in the circle would use this app to communicate. ”

“Sure.”Second Elder did not hesitate at all.

“In second elder’s view, Ye Zhuo was just trying to put on a show. ”

How could someone like Ye Zhuo win against Liu Caiyi without cheating?

It was impossible!

“Ye Zhuo smiled. “Second Elder, I believe that you are a man of your word. If you go back on your word, it will be a Good Show!” ”

“”Don’t worry, I will never go back on my word!”Second elder puffed out his chest. ”

“I am relieved with your words.”Ye Zhuo turned to look at Liu Caiyi. “Where is vice-president Liu?”

Chapter 873: 201: face smacking (13th watch)1

“Of course you can!” Liu Caiyi did not think that she would lose and continued, “However, if Miss ye loses, I hope that Miss Ye can take the initiative to admit that she plagiarized!”

“Sure.”

A look of success flashed across Liu Caiyi’s eyes.

Ye Zhuo was just waiting to make a fool of himself.

“She had thought that ye Zao would think of a way to reject her, but she did not expect that this idiot, Ye Zao, would actually agree.”

“After saying that, Liu Caiyi walked out from her seat and walked towards the backstage.”

Ye Zao’s expression did not change as he stood up slightly.

“Old Madam Cen tugged at ye Zao’s hand. “Ye, you can do it!” Although she was not worried that ye Zao would lose, she could not lose the sense of ritual that she should have.”

“Ye Zao smiled. “Don’t worry, I will.””

“On the stage, the second elder had already gotten someone to arrange the easel for the painting.”

“For the sake of fairness, the two easels and the painting tools were the same.”

“On the stage, Liu Caiyi looked at ye Zao. “Miss Ye, although these two easels are the same, the visitor is the guest. You can choose first.””

“Thank you.”Ye Zhuo glanced at Liu Caiyi and walked towards the easel on the left.

“Ye Zhuo came to the easel. He was not in a hurry to put down his brush. Instead, he raised his hand to grind it.”

Haste makes waste.

“Drawing and writing required inspiration. It required painstaking work to have a soul, giving people a visual impact.”

Liu Caiyi came to the easel on the left and started to write.

It was better to strike first.

Painting was no exception.

“Liu Caiyi had studied Chinese painting for many years, and she knew Chinese painting very well. Moreover, the theme was decided by her.”

Landscape Garden.

“Recently, Liu Caiyi had been studying this theme, and she had visited many exhibitions about landscape garden.”

“Therefore, when the topic was set, she had a perfect landscape garden in her heart.”

“If ye Zhuo really knew how to draw, he wouldn’t have asked her to set the question.”

This meant that.

Ye Zhuo didn't know how to draw at all.

"Because she already had the most perfect answer in her heart, Liu Caiyi's strokes were exceptionally smooth, causing people to be amazed."

Everyone at the table looked at the stage with rapt attention.

"President Liu is so amazing!"

"As expected of the president. Although this painting is only halfway done, it has already let people see the Soul!"

"This is the first time I've seen president Liu Draw on the spot!"

"It's so beautiful."

"Seeing that Liu Caiyi was already halfway done, Ye Zhuo didn't even move his brush."

Discussions broke out among the seated people.

"What's going on?"

"I guess she doesn't know how to draw! After all, she's a plagiarist!"

"Oh my God! This is too embarrassing!"

"It's indeed embarrassing. Even I feel embarrassed for her."

"At this moment, Ye Zhuo picked up a brush, dipped it in ink, and started sketching. She was very fast, so fast that people could only see her afterimages."

However.

“She was very fast, but people could not understand what she was drawing.”

There were no rules at all.

“Compared to the word ‘drawing’,.”

Or ‘doodling’ would be more appropriate.

““Oh my God, what is she doing?””

“I can’t understand it either? Is she drawing talismans?”

““If I were her, I would just find a hole and crawl into it.””

Elder Qi looked at ye Zao and frowned slightly.

Could it be... that he had really misjudged someone?

Ye Zao did not know how to draw at all?

Elder Qi’s frown deepened.

“Listening to the discussions of the crowd, the corners of Liu Caiyi’s lips curled up.”

This was only the beginning.

“In a while, she would make ye Zao even more embarrassed!”

She would use her strength to prove to ye Zao what a true talented woman was!

Ye Zao.

She was just a clown.

“Ye Zao’s eyes and brows were still the same. Under the crowd’s discussion, his expression was indifferent as he changed a brush and began to color and shape it.”

It was like a magic trick.

“The originally messy painting became lively under ye Zao’s hands, as if it was suddenly given life.”

The discussion stopped abruptly at this moment.

“The air was terrifyingly quiet, as if someone had suddenly pressed the pause button.”

The second elder rubbed his eyes in disbelief.

“If he had not seen it with his own eyes, he might not believe that this was true.”

He also did not believe that a young lady who looked like she was only 18 or 19 years old could paint Chinese traditional arts so well.

Yet.

All of this happened in real life.

“Everyone at the banquet was stunned. “My God, this painting is too good!””

“It’s Amazing!”

“Ahhh! I’m about to Cry!”

“Hearing the discussions of the people at the banquet, the corners of Liu Caiyi’s mouth curled up slightly.”

Presumably everyone was shocked by her bar.

Chapter 874: 201: face smacking (13th watch)2

She had been working on this painting since March last year. She didn’t expect it to be completed under such circumstances.

Liu Caiyi knew that everyone would be shocked when her painting was completed.

But she didn’t expect everyone to be so shocked.

““Vice president Liu, I’ve finished painting. How much longer do you need?” ”

“At this moment, a light voice appeared in the air. ”

It was ye Zao’s voice.

Finished drawing?

What the Hell Could Ye Zao Draw?

“I’ve finished drawing too.”

“Liu Caiyi’s eyes were filled with disdain. She put down her brush and turned around to look at Ye Zao. Her gaze landed on the painting beside ye Zao, and when she saw it, she was immediately stunned. ”

Her face was deathly pale.

She was completely dumbfounded.

“This, this painting was painted by Ye Zao. ”

The background was night.

“The entire village was shrouded in darkness, and the sky was filled with bright stars. ”

“On a summer night, two or three children were holding cattail leaf fans and catching fireflies. ”

The Fireflies’specks of light were just in time to reflect the stars in the sky.

“The silver candle autumn light was reflected on the cold painting screen, and the light lu small fan was fluttering against the Fireflies. ”

The night sky of the heavenly steps was as cold as water. They sat and watched the Morning Glory Vega Star.

“Not far away, there were a few children surrounding the old man with a white beard, listening to the story of the past. ”

“No matter which angle one looked at it from, there were no flaws in the picture. ”

It was a very simple picture.

There were three colors in total.

But it was such a simple picture that resonated with everyone. Everyone automatically put themselves into the roles in the picture.

In their paintings were old men telling stories.

They were children catching fireflies...

Or passers-by chatting in the shade.

Only then did Liu Caiyi realize why everyone was so shocked just now.

She couldn't believe it.

She couldn't believe that this painting was painted by Ye Zao.

She couldn't believe that ye Zao had such a skill.

She thought that she could beat ye Zao beautifully.

“Although Liu Caiyi did not want to admit it, at this moment, she had to admit that ye Zao's painting was indeed endowed with a soul. ”

The greatest success of an artist was to be able to resonate with the audience.

Ye Zao did it.

“At this moment, everyone’s emotions were immersed in the painting. ”

They could not extricate themselves.

“Elder Qi reacted at this moment and walked to ye Zao’s side. He said very sincerely, “Miss Ye, everyone has witnessed your ability. I hope that you can consider the position of president of the Association.” ”

“Ye Zhuo’s expression was indifferent, “Thank you for your kindness, elder Qi, but I’m not interested in the position of president. You should leave it to those who need it. For example, vice president Liu is not bad. She’s a rare talent.” ”

What was the point of Liu Caiyi sitting in the position of President Now?

Ye Zhuo’s words were even more ruthless than a slap to her face!

Could it be that she was only fit to use what ye Zao did not want?

Liu Caiyi’s entire body was trembling.

She wished she could find a hole to hide in!

“Ye Zao turned to look at Liu Caiyi and second elder. “Oh right, I’m waiting for your apology in the Micro World.” ”

Liu Caiyi could not put on any expression.

Second Elder's expression was also very bad.

Who would have thought that ye Zao would win?

Liu Caiyi did not even think that ye Zao could draw.

"In her heart, Ye Zao was a Missy who did not know anything."

"This time, if she did not see it with her own eyes, she would not believe that it was real!"

"After saying that, ye Zao turned around and walked down the stage."

Old Mrs. Cen stood up excitedly to welcome ye Zao. "Ye! You were really amazing just now!"

"I also think I'm pretty amazing." Ye Zao raised his eyebrows slightly and continued, "This place is really boring. Grandma Cen, Let's go back."

The Experience Tonight had ruined all of ye Zao's good impressions of the Chinese art world!

"Okay, let's go back." Old Mrs. Cen nodded.

"Just when the two of them decided to leave, old Mrs. Cen seemed to have thought of something and walked back. "Yezi, wait a moment."

"What's Wrong?" Ye Zhuo looked back slightly.

"Old Mrs. Cen continued, "I'll go and bring your drawing. You drew so well, we can't let these people off so easily."

“As she finished speaking, Old Mrs. Cen quickly walked up to the stage. Before anyone could react, she took down the drawing on the easel and turned around to leave. She looked extremely dashing.”

“Elder Qi caught up to old Mrs. Cen. “Sister Tang, don’t go. If you have something to say, say it properly.” ”

“”There’s nothing to talk about.”Old Madam Cen shook off elder Qi’s hand, she said angrily, “I can finally see that you’re not a good person. If you’re a good person, then there were so many people who misunderstood my granddaughter-in-law just now, but I didn’t see you stand up and say anything to my granddaughter-in-law! I’ve finally seen through you!” ”

“Elder Qi continued, “Sister Tang, I’ll apologize to you. I’ll apologize to Miss Ye.” ”

Elder Qi was also very regretful.

He regretted that he had not always trusted ye Zhuo.

But now.

What was the use of regretting?

“”Apologize? If an apology is useful, why do you need the police?”Old Lady Lin looked at elder Qi, then, she said, “Besides, if I were to hammer you for plagiarism in front of so many people and then apologize to you, would you be able to accept it?” ”

“Ptui! Nothing!”

“After saying this, Old Lady Lin turned around and left. ”

“Looking at Old Lady Cen’s back view, elder Qi pinched his temples helplessly. ”

“If he could turn back time, he would definitely stop second elder! ”

“Second Elder stood at the side, his face flushed red. ”

“Today was supposed to be a good day for the election of the president. After such an incident, he could only announce that the election would be suspended and that it would be postponed. ”

“First Elder Guan Sheng was absent today. When he heard what second elder had done, he was so angry that his temples were throbbing. He cursed at second elder. ”

“”Do you even have a brain? Every day I’m not around, you create such a Big Mess for me! You actually think that Miss Ye is plagiarizing! That was the literary world’s assessment competition. If the literary world allowed their own people to plagiarize, what was the point of holding this assessment competition? If Miss Ye plagiarized, could she use two different languages to write out the problem solving process? Now, the calligraphy world, the chess world, and the literary world all treat miss ye like a treasure! But you actually pushed miss ye out!” ”

“At present, the calligraphy world and the chess world all wanted to rope in ye Zao. ”

“Originally, Guan Sheng also wanted ye Zao to join the Chinese painting world. ”

“Now that such a thing had happened, wanting ye Zao to join the Chinese Painting World? ”

It was simply a fantasy!

“Second Elder lowered his head. “I didn’t know that Miss Ye was so powerful...”if he had known that ye Zao was so powerful, he definitely wouldn’t have rammed into the gun! ”

“However, second elder only wanted to seek justice for Liu Caiyi, so he didn’t think too much about it. ”

“”If you don’t know, you can just misunderstand that Miss ye plagiarized?”The veins on Guan Sheng’s face bulged. “Why don’t you take a look at the occasion today!” ”

The second elder knew that he was in the wrong and did not say anything.

“Elder Qi took a step forward and said guiltily, “Actually, this matter is also my fault. I did not stop him in time. If I had stopped him, this kind of thing would not have happened!” ”

Guan Sheng took a look at elder qi and sighed deeply. His heart was very uncomfortable. “You are not a muddle-headed person usually. Why didn’t you stop him today?”

““Because Miss Ye is too young.”Elder qi continued, “It’s my fault for not thinking things through.” ”

“Guan Sheng looked at second elder and continued, “A man’s words can not be taken back. Quickly go to the micro world and apologize to Miss Ye! This matter, our Chinese art world must show some sincerity!” ”

“He hoped that after second elder’s apology, Ye Zhuo would calm down and forgive them. ”

Second Elder was a little unwilling.

“No matter what, he was still a senior in the Chinese art world. Asking him to apologize to a junior? ”

Wouldn’t that be a joke?

He did not want to apologize.

He could not bring himself to do so.

“Seeing that second elder did not speak for a long time, Guan Sheng continued, “I asked you to apologize, did you hear me!” ”

Second elder withstood the immense pressure and nodded. "I got it."

Chapter 875: 202: Super Protective (14th watch)1

"However, although second elder nodded, he did not really want to apologize."

"In any case, it was just a verbal agreement."

"If he did not apologize, what could ye Zhuo Do?"

"Perhaps after a long time, Ye Zhuo would forget about this matter."

"Guan Sheng continued, "And that Liu Caiyi, how do you plan to deal with Liu Caiyi?""

Second Elder raised his head in surprise. "What do you mean?"

"Guan Sheng said, "Liu Caiyi has repeatedly questioned Miss Ye's plagiarism and has no intention of repentance. She has caused the Chinese art world to lose face. Such a person is definitely not suitable to stay in the Chinese art world. Her position will be temporarily replaced by Pingjiang.""

This could be considered as an explanation to ye Zhuo.

"After all, this matter was indeed unethical by the Chinese art world. If they did not show some sincerity, not only would they not be able to answer to Ye Zhuo, they would also not be able to answer to the literary world."

One had to know that those people in the literary world were all extremely protective of their own shortcomings.

“Hearing this, second elder frowned slightly.”

“Among the younger generation, the person he admired the most was Liu Caiyi.”

“Now that Guan Sheng was going to punish Liu Caiyi, second elder was naturally unhappy. “This matter is my problem alone. How can it implicate vice-president Liu! vice-president Liu is a talented person!””

“Guan Sheng could barely control his emotions. “Shut up! If it weren’t for Liu Caiyi, the matter wouldn’t have ended up like this!””

“As he said that, Guan Sheng turned to look at elder Qi. “I’ll leave this matter to you.””

Elder Qi nodded. “Alright.”

“The second elder was very unwilling and continued, “The matter isn’t that serious, right? vice-president Liu is a talent in our Chinese art world. Aren’t you trying to boost the morale of others and diminish your own prestige?””

“In second Elder’s opinion, their Chinese art world could nurture talents of their own. There was no need for them to suck up to the literary world and Ye Zhuo.”

“Guan Sheng could hear the hidden meaning in second elder’s words. He sighed and said, “The literary world is no longer the literary world of the past. Just do as I say.””

“Second Elder wanted to say something more, but elder Qi stood up and said, “Let’s go. Let’s go out!””

Second Elder was dragged away by Elder Qi.

“Just as second elder left, an assistant came to inform Guan Sheng, “First Elder, chief Li and Master Yu from the literary world are here.””

“Second Elder had just accused Ye Zhuo of plagiarism, and chief Li and Master Yu from the literary world had arrived. It was obvious what they were here for.”

They were definitely here to protect their own!

“Guan Sheng hurriedly said, “Invite them to the VIP Lounge! I’ll be right there!””

“Okay.”The assistant nodded.

“Guan Sheng continued, “Make a pot of good tea and send it over.””

“After saying that, Guan Sheng added, “Go to the warehouse and get some of the purple cloud peak that I collected last year.””

Purple Cloud Peak was the best of the best tea.

“A single gram was sold for five figures. Of course, the most important thing was that there was no market for it. Guan Sheng had gone through a lot of connections and only bought 250 grams. Usually, Guan Sheng would not let anyone touch it.”

“Occasionally, he would want to taste it, but he was afraid of brewing it by counting the tea leaves.”

“But now, Guan Sheng could not care less about the pain. The most important thing was to appease master Yu and Guan Sheng.”

...

Ye Zhuo and Old Mrs. Cen did not go back immediately. There was a particularly popular food street nearby. The young and old went to the food street.

“Yezi, do you like Durian?” Old Mrs. Cen asked.”

“I quite like it,” ye Zhuo answered.”

Old Mrs. Cen was pleasantly surprised. “Really?”

Ye Zhuo nodded.

“I also like eating durian, but they don’t like it! I’ve finally found a bosom friend this time!” Old Mrs. Cen said excitedly, “I know a stall selling roasted durian over there! Let’s go and try it.””

“Roasted durian?” Ye Zhuo raised his eyebrows slightly.

Can roasted durian really be eaten?

“Before ye Zao could react, he was pulled by Old Mrs. Cen to the stall selling roasted durian.”

“Although roasted durian sounded like a dark dish, there were many people who bought it. They all lined up.”

“Ye Zao said, “Grandma Cen, I’ll line up. Please go and take a seat.””

“Okay.” Old Mrs. Cen nodded and continued, “I’ll go and buy stinky tofu. Do you want to eat stinky tofu?””

“I can have one.”

“Then I’ll go.” Old Mrs. Cen went to buy stinky tofu.

Ye Zao continued to line up.

“Soon, it was ye Zao’s turn.”

“Boss, I want two servings of roasted durian.”

“Okay.”

“Ye Zao continued to ask, “How much is it?””

“Two servings of 50 yuan.”

Ye Zao took out a 50 yuan note and handed it to the boss.

“The boss seemed to have not expected ye Zao to give him cash. He looked up at Ye Zao. After all, most young people nowadays paid with their mobile phones.”

“At this glance, the boss’s eyes were filled with surprise.”

“When she heard ye Zao’s voice just now, she had already felt that she was a beauty.”

She did not expect that she would be even more beautiful in person than she had imagined!

“The boss was slightly stunned. He handed the roasted durian to ye Zao. “Beauty, be careful not to burn it.””

“Thank you.”

Ye Zao took the roasted durian and sat down at the table.

Old Madam Cen had not returned from buying stinky tofu.

Ye Zhuo picked up her phone to reply to the message.

“When she opened her phone, she found that it was a message from director Feng.”

Director Feng told her that the first episode of “Village” had been scheduled for release.

Ye Zhuo was a little surprised.

“She had said that the news would only be released after a week, but she didn’t expect it to be approved so quickly.”

“[ye, after this episode is released, you will definitely become popular. Do you want to consider registering for a Weibo account?]”

“Actually, Ye Zhuo had a weibo, but he didn’t have a certificate. After all, she just wanted to be a bystander in peace.”

Ye Zhuo replied: [I don’t want to sign up for a Weibo yet.]

Director Feng was stunned when he saw ye Zhuo’s message.

He thought that ye Zhuo would definitely agree to sign up for a Weibo.

“After all, this was a rare opportunity.”

He didn’t expect ye Zhuo to directly reject it.

Did this person not want to be popular at all?

“Director Feng then sent a paragraph of text, [Ye, I have a major female lead role to shoot. The female lead role has not been decided yet. I would like to invite you to audition for the female lead role.]”

The female lead role for this major female lead role was originally song Chenyu.

“However, after meeting ye Zao, director Feng discovered that song Chenyu and the female lead’s temperaments were not just a little inferior.”

Ye Zao was simply a female lead that had walked out of the script!

“Although he said that he was inviting ye Zao to audition, it was actually just a formality.”

“As long as ye Zao nodded, the female lead’s role would be ye Zao’s.”

“[thank you for your kindness, but my acting skills are not good. I might have to disappoint you.]”

He rejected it.

Ye Zao still rejected it.

Director Feng scratched his head. He suddenly did not understand why ye Zao would agree to participate in “The village.”.

“Wasn’t the purpose of going on variety shows to become famous? Then, he could film a television series and become a big star?”

Why did ye Zao not have any intention of doing so?

“For a moment, director Feng suddenly had some doubts about ye Zao’s character.”

“However, it did not matter if ye Zao did not agree. He could look for Li Shang.”

“Li Shang was the boss of world of motion. Ye Zao was the contract anchor of world of motion. As long as Li Shang agreed, ye Zao would definitely agree.”

“Thinking of this, director Feng gave Li Shang a call. After explaining the purpose of his visit, Li Shang said directly, “Director Feng, I can’t make the decision on this matter either. You should talk to miss ye directly! As long as she has no problems, I have no problems here.””

Director Feng was stunned again.

“Li Shang was clearly the CEO of world of Xing, so why did he now have the illusion that ye Zhuo was the boss of world of Xing?”

Director Feng hung up the phone gloomily.

“At the Food Street, Ye Zhuo waited for a while. Then, old Mrs. Cen came over with something.”

“Not only did she buy stinky tofu, but she also bought other snacks and two desserts that ye Zhuo liked.”

“”Grandma Cen, thank you.””

“Old Mrs. Cen smiled and said, “Silly child, who’s with whom? By the way, is this roasted durian good?””

“I haven’t eaten it yet.”Ye Zhuo picked up a spoon and scooped a spoonful. “It’s not bad. It’s not as strange as I thought. Please try it.”

Old Mrs. Cen also took a bite. “I feel that it’s much better than the unroasted durian!”

“Ye Zhuo finished the roasted durian and started eating the stinky tofu. “By the way, Grandma Cen, the variety show I’m participating in has already been booked.””

“Really?” Old Mrs. Cen’s eyes lit up. “When will it start?”

“Ye Zhuo said, “Friday night at 8 pm.””

“Old Mrs. Cen subconsciously bent her fingers. “It’s already Tuesday today, which means that we’ll be able to watch it in three days.””

“Okay.” Ye Zhuo nodded slightly.

“Old Mrs. Cen continued, “Can we watch the trailer now?””

““We should be able to watch it now,” ye Zao said.”

“Upon hearing this, Old Mrs. Cen immediately took out her phone, opened the app, and looked for the trailer.”

“There was a total of three minutes of the trailer. It only said that there was an unexpected new guest joining this season. In order to maintain the mysteriousness and viewership ratings, Ye Zao was not allowed to show his face throughout the entire process.”

“Old Mrs. Cen threw her phone to the side and said speechlessly, “I felt lonely watching it! This program team really knows how to keep me in Suspense!””

Chapter 876: 203: is their reputation going to collapse? -LRB-15th watch)1

“Ye Zao smiled and said, “This is their usual style.” ”

“At this moment, Old Mrs. Cen suddenly picked up her phone and said excitedly, “Ye, these hands are yours, right?” ”

Ye Zao looked up and saw that the screen was playing the scene of her cooking.

“It’s me.”Ye Zao nodded slightly.

“Although Old Mrs. Cen recognized ye Zao’s hand at a glance, the fans on the bullet screen did not recognize it. [Ahhh! This is Chenyu’s hand!] ”

[I love you! Chenyu who can cook is so charming!]

[I knew Chenyu could cook. This episode’s guests will have a good time.]

“[Ahhh! Finally, it’s the second season of ‘country’!] ”

[Chenyu is so amazing! His knife skills are like those of a martial artist!]

Almost all the bullet screens were filled with song Chenyu’s fans.

“Old Mrs. Cen said angrily, “Why is this ugly fish everywhere! This is obviously my granddaughter-in-law’s hand!” ”

“Ye Zao smiled and said, “Grandma Cen, don’t be angry. I just joined ‘The Village’, so it’s normal that no one knows me. After the show airs, the truth will be revealed.” ”

“Hearing ye Zao’s words, Old Mrs. Cen felt much better. “Then I’ll forgive that ugly fish this time! Let’s Eat!” ”

“It was already five o’clock in the evening when they came out of the Food Street. There was a movie theater nearby. Ye Zao suddenly remembered that she had never watched a movie with old Mrs. Cen before, so he continued, “Grandma Cen, Let’s go watch a movie?” ”

“”Sure!”Old Mrs. Cen continued, “I heard that there’s a big movie that’s very good recently.” ”

...

Time passed very quickly.

“In the blink of an eye, three days had passed.”

Friday.

“The variety show that ye Zao was participating in, “The village,”was going to be broadcast tonight.”

“Old Mrs. Cen was very excited. She called all the CEN sisters back, saying that there was a big announcement to be made.”

“Cen yuying smiled and said, “Grandma, what big announcement do you have to make? Why are you making it so Grand?” ”

“Old Mrs. Cen looked back at the clock and continued, “Yezi went to participate in a variety show a few days ago. It will be broadcast at Eight o’clock Tonight, so I called all of you back. Let’s watch Yezi on TV together.” ”

“Hearing this, Cen Yuyan’s eyes flashed with ridicule.”

“She knew that Ye Zhuo had gone to participate in “The village.”After all, Song Chenyu was also one of the guests.”

“The village” was not an ordinary variety show. There was no script, and there were no lines. It was a test of an actor’s ability to adapt and be professional.”

“For a person like ye Zhuo who was not famous, had no acting experience, and did not know anything, he would only embarrass himself if he went.”

Celebrities and internet celebrities were not on the same level.

Celebrities relied on their strength and acting skills to conquer their fans.

Internet celebrities only needed to twist a few times in front of the camera and call him Big Brother.

Cen Yuyan could almost imagine how ye Zao had embarrassed himself on the program team.

Cen Yuyan would not have come back if she did not want to see ye Zao embarrass himself.

“The Worse Ye Zao performed in front of the camera, the more favorable it would be for song Chenyu.”

“Otherwise, old Mrs. Cen and the Cen family would never see song Chenyu’s good side!”

Cen Yuyan took a photo and sent it to Song Chenyu. [our whole family is waiting for ‘village’ to start broadcasting at 8 o’clock.]

Song Chenyu probably had something to do and didn’t reply immediately.

“When she heard what old Mrs. Cen said, Cen Yueya immediately jumped up from the sofa,”

“Really? Yezi went to participate in a variety show? When did this happen? Why haven’t I heard anything about it?”

“Old Mrs. Cen smiled and said, “It happened not too long ago. You guys were too busy, so Yezi didn’t say anything.” ”

Ye Zhuo kept a very low profile.

It was not that he liked to publicize whenever he encountered something.

“CEN yueying said, “Grandma, is ye Zao participating in director Feng’s ‘country’?” ”

“Yes.” Old Mrs. Cen nodded. “It’s ‘country’.”

“Cen yueying smiled and said, “I chased after ‘country’ last year! I didn’t Expect Zao Zao to participate today! Right, is Zao Zao going to attack the entertainment industry in the future?” ”

“”No.” Old Mrs. Cen continued, “Doesn’t ye Zao have a media company? She’s participating in the program to increase the company’s popularity.” ”

“”Oh, I see.” CEN yueying nodded. ”

Cen Yuyan curled her lips.

Increase her popularity?

She felt that it was more like blacklisting the company.

“At this moment, Song Chenyu replied, [really?] ”

[of course it’s true.]

“When she learned that the Cen family were watching country on television, Song Chenyu was very excited.”

“This time, country would definitely let the CEN family see a different version of her.”

As for Ye Zhuo?

She could only use him as a stepping stone!

“Song Chenyu and Ye Zhuo were not on the same team, so she did not know about ye Zhuo’s performance.”

“However, it was easy to imagine that ye Zhuo must have been extremely ugly.”

“If “The village” had a script, Ye Zhuo could still act along with it.”

“However, the problem was that “The village” did not have a script at all.”

“Ye Zao didn’t know anything, and the actors she worked with didn’t like her.”

It was too difficult for ye Zao to perform well in country!

“If ye Zao really had any outstanding performance, the trailer would have been released the day before yesterday, and Ye Zao’s face wouldn’t have been hidden.”

Time passed by minute by minute.

“Soon, it was eight o’clock.”

“Country” was broadcast on the banana station on time.

“It’s on! It’s on!” Old Mrs. Cen was very excited.

The CEN sisters were also very excited and focused on the big screen.

“At the beginning of the camera, it was a small farm yard.”

The environment in the yard was very beautiful.

The camera zoomed back and could see the geographical location of the entire East continent.

“Finally, it’s the second season of “Country”.”

“Punch in from the front row!”

“Punch in!”

“I’m really looking forward to the mysterious guest of ‘Country’.”

“The program team sure knows how to create gimmicks. They even put up a trailer to whet people’s Appetite. I’ve looked up a lot of information on the Internet, but I still haven’t found out who this mysterious guest is.”

“I’m going to add one more. Let’s not talk about anything else, the secrecy of ‘Country’ is really good!”

“Because the early part of the trailer had piqued everyone’s Appetite, the program team arranged for a wave of hot searches later on, so the popularity of ‘country’ remained high.”

The trailer had more than two billion hits on the Internet.

“The camera zoomed back and saw Lu Qi, Song Yiwan, and Wei Xingzhi sitting in the small courtyard chatting.”

“Not long after, Chang Yu, Wang Xuancheng, and Yin Wei arrived.”

[Weiwei is so beautiful today!]

“[F * ck, Chang Yu is actually shorter than Wang Xuancheng!]”

[Wang Xuancheng’s official height is 178. You can imagine how short Chang Yu is. Don’t be stupid fans.]

“After the three of them entered, they began to discuss Song Chenyu.”

[oh my God! I’m also a fan of ‘Peerless Beauty’ of Chenyu.]

[I didn’t expect Yiwan to like Chenyu too.]

[why isn’t Chenyu Here Yet?]

“At this moment, there was a knock on the door.”

“[Ahhh! I, Chenyu, AM HERE!]”

“Lu Qi walked over to open the door, and sure enough, it was Song Chenyu.”

“When she saw that it was indeed Song Chenyu, the bullet screen was even more interesting”

[my goddess is dressed like an immortal today!]

“[Ahhh, I’ve finally waited for Chenyu. Chenyu is indeed a beauty that only appears once every five thousand years. Yin Wei wasn’t ugly at first, but after Chenyu came, Yin Wei became a passerby.]”

[Yin Wei is alright. She has walked the path of youth. It’s obvious that she’s different from Chenyu. Don’t trample on the one upstairs.]

“After song Chenyu entered, he discussed the last guest with everyone. When they heard that the last guest was an internet celebrity, their expressions changed. ”

[internet celebrity? Am I seeing things? ‘The village’ actually invited an internet celebrity!]

[oh my God! The threshold for ‘country’ is really getting lower and lower. It’s fine to just invite a third or fourth-rate celebrity. What’s the point of inviting an internet celebrity?]

[speechless!]

[the program team has been mysterious for so many days. I thought they had invited some big shot! So it’s just an internet celebrity. The reputation of ‘country’ is going to collapse!]

[speechless! Has the program team gone crazy? They don’t even want the reputation anymore for money!]

[why did they invite an Internet celebrity over? Did they bring any goods?]

“[internet celebrities are all the same. Just wait, there will be a good show to watch in a while.]”

[the person above is right! Most internet celebrities can’t do without filters and thin faces. Their looks can’t be compared to celebrities.]

[I’m a little looking forward to which Internet celebrity it is.]

“[this time, not only is the program team going to be overturned, that Internet celebrity is also going to be overturned. I suddenly admire her courage. She actually dared to participate in such a high-value program. Isn't she afraid of being ridiculed to death?]”

“Looking at the bullet comments on the screen, Cen Yuyan curled her lips slightly. ”

“It hadn't even started yet, and Ye Zhuo was already being ridiculed like this. ”

The broadcast would start soon.

Ye Zhuo would definitely be in an even worse state.

Chapter 877: 204: Face smacking! The entire Internet explodes! -LRB-16th watch)1

“Old Madam Cen couldn't bear to see others saying that ye Zao wasn't good. She frowned and said, “Turn it off. Turn off that annoying bullet screen for me. These people only know how to Blabber all day long.””

“Cen Yuyan smiled and continued, “Grandma, this is just the beginning. Everyone hasn't seen Zao Zao yet. It's normal to have misunderstandings about Zao Zao Zao. Let's take a look again. Who knows, maybe the rest are all Kua Zao Zao's?””

Praise for ye searing?

How was that possible!

Could it be that everyone was blind?

Cen Yuyan wanted everyone in the Cen family to see the comments praising song Chenyu.

“Hearing this, Old Madam Cen felt that Cen Yuyan’s words were quite right. “Then I’ll bear with it a little longer.””

A faint light flashed in Cen Yuyan’s eyes.

Her gaze turned to the television.

“At this moment, someone knocked on the door of the small courtyard again.”

The program team had edited a lot. The audience only saw Yin Wei rushing over to open the door. They did not know how long ye Zao had been waiting.

The door opened.

A slender figure immediately appeared in front of the screen.

“Black clothes, black pants, and a cap on his head. He looked a little cool.”

[how come I’ve never seen this Internet celebrity before?]

[he seems a little cool!]

[he’s pretending to be mysterious! He’s even wearing a cap. Perhaps he’s too ashamed to meet people.]

[you’re definitely ugly.]

“The next second, ye Zao took off the hat on his head and reached out his hand to cause.”

At this second.

The bullet screen exploded.

“[F * CK, F * CK, F * ck! Why is this internet celebrity so beautiful?]”

[Shengshi Beauty!]

“[oh my god, this waist is so thin!]”

[Sitara YC's Ye? F * ck! F * ck! Ye! Father Ye! Oh My God! Ye is actually on variety!]

[she's really beautiful. I wonder if the program team opened the filter for her alone.]

“[oh my God, I'm a fan of this streamer.]”

“[what's the use of being beautiful? One look and you can tell that she's one of those pampered young ladies. She's probably here to experience life. 'the country'needs work, can she do it?]”

[she's just a vase! She can't even compare to our sinking fish's little finger.]

The next scene was when Song Chenyu took the initiative to greet ye Zao.

“When ye Zao saw that Ye Zao knew song Chenyu, he did not take the initiative to greet him. Instead, he asked Song Chenyu to take the initiative to greet him. This time, the bullet screen exploded.”

[isn't he just an internet celebrity? He actually put on airs with Chenyu!]

“[Chenyu's temper is really good. If it were me, I wouldn't be able to tolerate it.]”

[I can't tolerate it either.]

[he doesn't have any manners at all. That's enough. This kind of person isn't worthy of being on television.]

"When she saw that everyone on the screen was criticizing ye Zao for being rude, the smile on Cen Yuyan's face deepened."

This was only the beginning.

Ye Zao would only become more and more humiliated!

"Old madam CEN continued, "Turn off the bullet screen. Quickly turn off the bullet screen! It's making my head hurt.""

"Cen Yueya was also very unhappy. She continued, "Grandma, if you can bear with it, maybe it'll be better in a while.""

"Soon, the camera cut to the team."

"When they saw song Chenyu, song Yiwang, Lu Qi, and Wang Xuancheng being assigned to the same team, everyone heaved a sigh of relief."

"Fortunately, a certain internet celebrity is not in the same team as Chenyu. Otherwise, the idiom would definitely be dragged down by her"

"[self-reliance, I Like It!]"

[team blue is so lucky to be able to eat the food that Chenyu personally cooked.]

“[a certain internet celebrity is really drunk. We, Chenyu, Cook, and you also learn from us, Chenyu. May I ask if Ning’s food is edible?]”

[imitating others! Disgusting!]

“[my heart aches for Team Red, I wonder what kind of dark cuisine they’re going to eat.]”

The camera turned and it was time to cut the grass again.

The first thing they saw was the part where song Chenyu accidentally cut his hand. [my heart aches for Chenyu.]

“[Chenyu, go back and rest.]”

“[do you really need a band-aid for such a small injury? I’m not saying that song Yiwan’s actions were any slower, but the injury on song Chenyu’s finger would have healed by now.]”

[isn’t song Chenyu acting a little too pretentious?]

“[add one more, I think so too.]”

“[haters are really brainless haters! Don’t tell me that you guys don’t even apply a band-aid on your hands when you’re chopping vegetables? Chenyu only put on a band-aid, and you guys already made him look like this.]”

“[ignore those haters, Chenyu is the best Chenyu in my heart!]”

The camera turned back to the red team.

“At first, everyone thought that ye Zao would be lazy and not cut the grass. They did not expect her to cut the grass faster than Chang Yu and Wei Xingzhi.”

“More importantly, she was very serious when she worked.”

It was also pleasing to the eyes.

[this internet celebrity is a little different from what I imagined.]

Chapter 878: 204: Face smacking! The Internet is exploding! -LRB-16th watch)2

“[did you guys notice that Yezi’s hands have blisters from the sharpening of the knife, but she didn’t act as miserably as song Chenyu.] ”

“[the one above, I specially paused to take a look. Yezi’s hands did indeed have two large blisters from the sharpening.] ”

[I saw it too.]

[little Missy’s spirit is worthy of praise.]

“[emmm, drawing such a comparison makes the drawing next door easier.] ”

“After cutting the grass, they went to pick the watermelon. ”

“When everyone saw that song Chenyu refused to go back to rest and insisted on carrying the watermelon with injuries, the bullet screen became unstable again. [my heart aches for Chenyu.] ”

“[Chenyu, you’ve worked hard.] ”

[Chenyu has really done a lot for team blue.]

“[previously, there were still anti-fans who criticized Chenyu for being lazy. If Chenyu was really lazy, she wouldn’t have moved the watermelon with everyone.] ”

“Looking at Team Red, Wei Xingzhi and Chang Yu only casually told ye Zao to go back and rest. Ye Zao actually went back to rest. ”

And she left without looking back.

[does this internet celebrity have no brain? Can’t she see that everyone is busy?]

“[this is a little ruining the relationship of the passers-by! which one of the people present isn’t her senior? Senior didn’t even go back to rest, yet she actually went back... I’m really drunk. -RSB- ”

[does this person have no Eq?]

[I had a pretty good impression of her when I was mowing the grass just now. Now... I take back what I said just now.]

“Seeing this, Cen Yuyan felt extremely happy in her heart. ”

Ye Zhuo was finally ridiculed by the group.

“Old Mrs. Cen looked at the words on the bullet screen and was so angry that her face turned pale, “Our Yezi worked so hard when she was cutting the grass just now. Almost two-thirds of the grass was cut by her! What’s wrong with going back to rest? What right do these people have to point at us?” ”

“”Grandma, don’t be angry. Let’s continue reading.”Cen Yuyan suppressed the smug look in her eyes and pretended to persuade Old Mrs. Cen. ”

The program team did not cut in the process of Ye Zhuo borrowing the tractor.

“The scene changed, and Yin Wei looked at the tractor that was approaching not far away in surprise.”

[F * ck! F * ck!]

[did little Missy drive the tractor over?]

[666666!]

[what kind of fairy little Missy is this?]

[I fell in love.]

[she is clearly driving the tractor. Why Do I Feel Like Little Missy is riding a big horse?]

“[oh my God, she’s So Handsome!]”

[I’m going to Miao Yin to pay attention to her!]

[add one on Top!]

[add two!]

The netizens who were originally disgusted with Ye Zhuo became happy one after another.

Ye Zhuo stopped the tractor and moved the watermelons onto the tractor with everyone else.

[she really looks like a Hercules.]

“[hahaha, teacher Wei and Chang Yu are both stunned.] ”

“Seeing this, old Mrs. Cen was also overjoyed. “My granddaughter-in-law is really amazing! She can actually drive a tractor! weren’t they just slacking off with ye Zao? Now they’ve been slapped in the face!” ”

“Ye Zao is so amazing!”

The Cen sisters were also extremely surprised.

The smile on Cen Yuyan’s face was slowly disappearing.

She didn’t expect things to turn out this way.

She also didn’t expect ye Zhuo to know how to drive a tractor.

Ah!

“At this moment, Yin Wei’s scream suddenly appeared on the television. ”

She had encountered the cauliflower snake.

“When Chang Yu ran over, he was already shocked. ”

“At this moment, a figure walked over and calmly grabbed the cauliflower snake on the ground. ”

The program team even added a ‘hero of the world’special effect on her back.

[F * ck! Am I seeing things?]

[catching a snake with your bare hands?]

[little sister is really amazing!]

[she can drive a tractor and catch snakes! I love this little sister.]

[this boyfriend strength is simply too strong!]

“[I was so handsome that I cried. My boyfriend didn’t cry, and then I beat him until he cried.] ”

[such a fairy lady is really in love.]

[oh my God! I really like leaf!]

“The red team easily pulled the watermelon back and went to the fish pond to fish. Then, they saw that the red team was still working hard to move the watermelon. ”

“After returning from fishing in the fish pond, ye Zhuo took the fish to return the tractor to the uncle. ”

[leaf is really polite.]

[the uncle and aunt are also very warm!]

[leaf is really a treasure.]

“[the red team is about to cook, while the blue team is still moving the watermelons.] ”

“[actually, they can also borrow the tractor, but unfortunately, no one knows how to drive it.]”

“Then, the camera switched to Ye Zao’s cooking scene.”

Chapter 879: 204: Face smacking! The Internet went viral! -LRB-16th watch)3

She and Yin Wei worked well together.

“One washed vegetables for a living, while the other cut and fried vegetables.”

“[I thought these two would blow up the kitchen, but I didn’t expect them to work so well together.]”

[Yezi is really a treasure girl.]

“[holy shit, I didn’t see song Chenyu cooking in the trailer, it was Yezi...]”

[I can smell the aroma of the dishes through the screen.]

“Soon, four dishes and a soup were served.”

Wei Xingzhi raised his cup and Toasted Ye Zao with Chang Yu.

“Ye Zao also stood up with his cup. “Thank you, teacher Wei. Wei Wei, Chang Yu, I’m not the only one who has worked hard. You guys have worked hard too. This toast is for all of us.””

[F * ck! Little Sister’s EQ IS REALLY HIGH!]

[yezi really knows how to talk.]

[I really love this kind of Yezi.]

[Yezi's dishes are too delicious! I think teacher Wei even let go of the gravy!]

[I want to eat too!]

“After the blue team finished eating, the red team started eating.”

The Red Team was cooking with song Chenyu.

[why do I feel that Lu Qi's expression is weird when he eats the vegetables?]

“[Lu Qi isn't the only one who's weird. If you look closely, you'll find that song Yiwan and Wang Xuancheng are all weird.]”

“[the vegetables shouldn't have been washed clean, right?]”

[look at 78 minutes and 25 seconds. The fish in the bowl wasn't cut open at all! Doesn't song Chenyu know how to Cook? Why didn't he even cut open the fish?]

[I especially went back to take a look. The belly of the fish was indeed not cut open.]

[no wonder everyone's expressions were so complicated...]

[song Chenyu's character is a little broken.]

“[compared to the red team's leaf, Song Chenyu isn't just a little inferior.]”

[I was looking forward to Song Chenyu.]

“[song Chenyu herself ate in pain. Although her acting skills are pretty good, I still saw it from her expression.]”

The scene changed and it was time for ye Zhuo to steam the lotus cake.

“[miss, you really can eat! You just ate, and now you’re eating dessert!]”

“[this is the real foodie, right?]”

“[song Chenyu said that she was a foodie, but in the end, she didn’t even finish half a bowl of rice.]”

“Soon, the camera turned to the next morning.”

Ye Zhuo woke up very early. The first thing he did after washing up was to go out for a run.

“”Miss, you’re up early.””

After coming back from the jog

He started to prepare breakfast for everyone.

“”Compared to the blue team next door, the Red Team is as carefree as if they’re on vacation.””

“”Song Chenyu seems to be still sleeping, right?””

“I really envy the members of the Red Team. They can have such a good yezi.”

“Lu Qi and the rest of the blue team must be regretting it to death. They really thought that song Chenyu would bring them to a feast. They didn’t expect that song Chenyu couldn’t even wash the dishes clean.”

[I’m going to pay attention to Yezi’s Miao Yin account!]

“[F * CK, F * CK, F * ck! It’s really Yezi!]”

“[Yezi, you actually secretly participated in ‘village’.]”

“[I was wondering why Yezi didn’t broadcast live a while ago, so he’s participating in a variety show.]”

“[he’s coming, he’s coming!]”

“[Father Ye, we’re Coming!]”

“Countless fans of ye Zao found out through the Miao Yin short video that ye Zao had participated in ‘village’, and they all climbed over the wall.”

“Soon, the first episode of the program ended.”

Cen Yuyan originally wanted to see ye Zao make a fool of himself on the program.

“Unexpectedly, not only did ye Zao not make a fool of himself, but he became popular instead.”

Those who should be popular did not become popular.

Those who should not become popular became popular instead.

What was this?

“After the program aired, “Country” immediately became a hot search.”

country leaves!

catching snake leaves with bare hands!

driving tractor leaves!

cooking leaves!

Sitara YC leaves

The hot topics on Weibo were almost contracted by ye Zao.

“In just two hours, ye Zao had gained more than five million fans on Miao Yin platform.”

On the other side.

“Song Chenyu did not watch “Country” because she knew that after the program ended, she would definitely become a hot topic.”

“After all, her traffic was there.”

Ye Zao must have been completely discredited by now.

“Song Chenyu curled her lips and opened Weibo. The moment she saw the hot searches list on Weibo, song Chenyu thought that she was seeing things.”

The top five hot searches on Weibo were not for her.

It was fine if it was not for her.

“Instead, it made ye Zao on the hot searches.”

The hot searches were all about ye Zao’s photos.

“There were more than 10,000 comments and reposts under each keyword.”

The first hot topic was labeled as ‘explosive’.

Not only that.

Song Chenyu also found that there were many negative comments about her on the internet.

Some people said that she was a fraud.

Some people said that she was fake.

There were even people who said that she could not be compared to ye Zao!

She could not be compared to ye Zao?

Song Chenyu was so angry that she even dropped her phone.

“She originally thought that ye Zao would definitely become the target of ridicule when he appeared on the show this time. She did not expect that not only was ye Zao not ridiculed by the entire Internet, but he had also become very popular!”

No.

She could not let such a thing happen.

Song Chenyu narrowed his eyes.

“Cen Yuyan knew that song Chenyu definitely did not feel good, so she drove over to song Chenyu’s side and comforted him. “Chenyu, don’t take those words on the Internet to heart.””

“Song Chenyu smiled and said, “Actually, what the Internet said is right. I really can’t compare to miss ye.””

““Who said that you can’t compare to Ye Zhuo!”Cen Yuyan frowned and said, “I think there’s something shady going on with the program that you guys participated in!” “Other than being able to drive a tractor, the food that the snake and ye Zhuo cooked were all props arranged by the program team, right?””

“No.”Song Chenyu shook her head. “I personally prepared the food for our Blue Team. Miss ye must have also personally prepared the food for the Red Team.”

““That might not be the case.”Cen Yuyan stood up and said, “There’s definitely something fishy going on inside!””

“Otherwise, could someone like ye Zhuo catch a snake with his bare hands?”

Could he cook?

“Song Chenyu continued, “Yuyan, if there’s no evidence, you can’t just speak nonsense. It’s getting late. You should go back and rest! I’m really fine.””

“Cen Yuyan said, “I’ll stay here to accompany you tonight.””

“Song Chenyu mocked, “You dare to tell me that no one is waiting for you downstairs?” Although song Chenyu had been participating in the program for the past few days, she had spoken on the phone with Zhou Rui.”

Zhou Rui’s plan had been completed smoothly.

“Just yesterday, CEN Yuyan had already confessed her love to Zhou Rui.”

“Cen Yuyan felt a little embarrassed when Song Chenyu hit the nail on the head. “Chenyu, what nonsense are you spouting!””

“Song Chenyu smiled and said, “You’re embarrassed with me?””

“Cen Yuyan raised her head and looked at song Chenyu. “Chenyu, how did you know about this?””

“”I can see it in your eyes,” song Chenyu continued, “Yuyan, you’re my best friend. I can tell what you’re thinking at a glance. That boy must be very good, right? I can see happiness in your eyes.””

Chapter 880: 205: always following the routine (17th watch)1

Cen Yuyan nodded. “He’s very good. It’s just that...”

Cen Yuyan hesitated for a moment.

“What’s Wrong?” Song Chenyu continued to ask.

“Cen Yuyan continued, “It’s just that he’s a little young. He’s only 21, and I’m already 39.” Cen Yuyan originally just wanted to play with Zhou Rui. After all, there was an 18-year age difference between the two of them. ”

“But after getting along with him, Cen Yuyan realized that she had really fallen in love with Zhou Rui. ”

“Although Zhou Rui was young, his mind was especially mature. ”

“Most importantly, she and Zhou Rui had a lot in common when they were together. ”

Zhou Rui liked everything that she liked.

She also liked the things that Zhou Rui liked very much.

“Song Chenyu held Cen Yuyan’s hand. “Yuyan, true love can transcend age. Haven’t you heard of a saying? Height is not a distance, age is not a problem.” ”

“Cen Yuyan looked at Song Chenyu in surprise. “Chenyu, do you really think so?” ”

She had thought that Song Chenyu would not think highly of them.

She did not expect Song Chenyu to support her so much.

This made Cen Yuyan very touched.

“Song Chenyu nodded, “Yuyan, I really hope that you can be happy, because I can see from your eyes that that boy is definitely someone worth committing to for life! “Your age is right here. Since happiness

has come, you should grasp it well and not let it slip away. Once something slips away, it will never come back.” ”

“Cen Yuyan looked at Song Chenyu like this, her eyes filled with a sudden realization.”

She had to say.

Song Chenyu’s words had finally hit the bottom of her heart.

She was already thirty-nine.

It was not easy to meet a boy who was suitable for her.

She should grasp hold of him.

She could not miss out on Zhou Rui.

“If she missed out on Zhou Rui, where would she find another man like Zhou Rui?”

So...

Song Chenyu was right.

“Song Chenyu was simply a bright light in her life, able to illuminate the direction she was heading in in the dark night.”

“Cen Yuyan hugged Song Chenyu. “Chenyu, thank you. I think I should know what to do.” ”

“Song Chenyu also reached out to hug Cen Yuyan. “Yuyan, you’re my last good friend. No one wants you to be happy more than me. Aren’t you being too polite by saying thank you to me?” ”

Cen Yuyan was extremely glad that she had met Song Chenyu.

“If it wasn’t for Song Chenyu, her life would definitely be in a mess.”

“Chenyu, in my heart, you’ve long been my family.” CEN Yuyan continued, “Although Shaoqing is now with Ye Zhuo, I believe that one day, our family will definitely see Ye Zhuo’s true colors.”

“The smile on Song Chenyu’s face did not diminish. “Yuyan, it’s because you have too deep a prejudice against Miss Ye. I feel that Miss Ye is a particularly good person. Since Fifth Master likes her, then we should bless them.”

“Cen Yuyan’s eyes were filled with disdain. “Good? If she was good, she wouldn’t have seduced Lu Xiu! She clearly knows that I liked Lu Xiu previously!”

“Alright, Alright.” Song Chenyu patted Cen Yuyan’s shoulder. “The matter with Lu Xiu has already passed. Don’t you have your boy now? Oh right, tell me about him now. How did you two meet?”

“Song Chenyu was born as an actress. When she said this, her expression was very natural. Even a professional would not be able to tell that she was acting.”

“When she heard this, Cen Yuyan’s face revealed a bashful expression, “His name is Zhou Rui. I met him at a cocktail party. He’s very nice and considerate. Oh right, me and him, I was the one who pursued him first. “Sunfish, do you think he’ll change his mind if I spend more time with him in the future?”

Cen Yuyan was quite worried about this problem.

“After all, she was the one who first fell in love with Zhou Rui.”

Cen Yuyan was someone who would confess her feelings if she liked him.

She would not hide her feelings in her heart.

Zhou Rui was a very different boy to her.

“At the cocktail party, Zhou Rui rejected all the little girls who came forward to strike up a conversation.”

“After the cocktail party ended, Cen Yuyan thought that Zhou Rui had lent her the umbrella to ask for her contact information. She did not expect Zhou Rui to not have such thoughts at all.”

It was only until she met Zhou Rui again by chance.

“Song Chenyu smiled and said, “Don’t worry, it won’t happen. In love, it doesn’t matter who confesses first. Although it looks like you were the one who confessed first, Zhou Rui might have long been tempted. He’s young, so he might have other concerns, which is why he hasn’t confessed to you yet. So you don’t have to worry about this problem at all.” ”

“Hearing song Chenyu’s words, Cen Yuyan felt much more at ease.”

“Song Chenyu continued, “Isn’t Zhou Rui still waiting for you downstairs? Quickly go down, don’t waste time here.” ”

“Then I’ll go down first.”

“En.” Song Chenyu nodded. “I won’t send you off. Let’s find an opportunity and you can bring me to formally meet Zhou Rui.”

““Okay.” Cen Yuyan smiled and said, “Then when you have time, I’ll arrange for you to meet.” ”

Song Chenyu watched Cen Yuyan walk out.

“Until Cen Yuyan’s figure disappeared, the smile on song Chenyu’s face disappeared completely, and a faint light flashed in his eyes.”

Downstairs.

“Seeing Cen Yuyan go downstairs, Zhou Rui immediately walked out of the car. “Yuyan, you finally came down. If you still don’t come down, I’ll go to the apartment and ask door to door.” ”

“Cen Yuyan smiled and said, “It’s only been half an hour. Is it that exaggerated?” ”

“It’s only been half an hour?” Zhou Rui was stunned and looked at his watch. “Why do I feel like it’s been a few hours?”

“As he finished speaking, Zhou Rui hugged Cen Yuyan. “What should I do, Yuyan? I Can’t leave you for even a minute now.” ”

“Cen Yuyan smiled and said, “Who knows if you’re a glib talker?” ”

“Zhou Rui had many girlfriends before, so dealing with an old woman like Cen Yuyan was a piece of cake for him. “I have a sincere heart for you, and the Sun and moon can tell! If you don’t believe me, you can dig out my heart and have a look.” ”

“Cen Yuyan was already thirty-nine years old this year, and in many aspects, she could not be compared to a young girl. ”

“But fortunately, Cen Yuyan’s face could still be seen. In addition, CEN Yuyan had money and power. For money, Zhou Rui could still tolerate it. Otherwise, Zhou Rui would not be bothered to deal with an old woman like Cen Yuyan! ”

“Cen Yuyan liked Zhou Rui very much, so she naturally believed his words without a doubt. ”

“She was good-looking, had a good figure, a good personality, and also had a temperament. It was normal for Zhou Rui to be attracted to her. ”

“Zhou Rui continued, “Why don’t you come to My Place Tonight?” ”

Cen Yuyan hesitated for a moment.

“She had been together with Zhou Rui for nearly half a month, but she had not had any substantial relationship with Zhou Rui. ”

“Don’t hesitate.”Zhou Rui pushed Cen Yuyan into the car. “I’m not going to eat you.”

“Hearing this, Cen Yuyan’s face turned hot, and she half-pushed and half-sat in the car. ”

“Zhou Rui lived nearby, and soon, the car reached its destination. ”

“Contrary to Cen Yuyan’s expectations, Zhou Rui did not seem to have any other thoughts. He just wanted to personally cook her a candlelit dinner. ”

Cen Yuyan had dated many people before.

But this was the first time a man had personally cooked for her.

Cen Yuyan was very touched as she watched Zhou Rui’s busy back in the kitchen.

“Not long after, two steaks were placed in front of Cen Yuyan, “Yuyan, I wasn’t born well. Everything I have today was earned by myself. Don’t laugh if I say it out loud. I’ve never seen a steak before I was 16 years old. This is also my first time frying a steak. Quick, try and see how it tastes.” ”

“Cen Yuyan elegantly cut off a piece of steak. “It’s fresh, tender, and juicy. You’ve mastered the heat just right. I like it very much.” ”

“As she finished speaking, Cen Yuyan raised her head to look at Zhou Rui. “Zhou Rui, in my eyes, you’re a very outstanding person. Don’t belittle yourself so much. I Don’t care what your past is like. What I love is the current you.” ”

Cen Yuyan was not the kind of person who paid attention to family status. She did not care about Zhou Rui’s birth at all.

“A person could not decide his own birth, but he could decide his own fate. ”

Take Zhou Rui for example.

“Although Zhou Rui was not born well, he was very talented and had a business mind. He was only twenty-one years old now, but he had already made some achievements at a young age. Who knew how many streets he was ahead of his peers. ”

“Therefore, Cen Yuyan admired Zhou Rui very much. ”

Very much.

“She had dated many boyfriends, but none of them had made her love them to the bone like Zhou Rui. ”

Zhou Rui had let her know what it meant to be crazy if she did not see him for a day!

“When she heard this, Zhou Rui lowered her head. There was an indescribable expression on her face. “Yuyan, I’m afraid that I’m not good enough for you. You’re the fourth daughter of the Cen family... and Me, my parents are all ordinary workers.” ”
