Chapter 881: 206: Can't turn a blind eye (18th watch)¹

"With the help of Song Chenyu and Zhou Rui's understanding of Cen Yuyan these days, Zhou Rui had a thorough understanding of Cen Yuyan's personality."

Perhaps it was because she had been the Cen family's fourth young miss since she was young.

"Although Cen Yuyan was already 39 years old, her IQ was not even comparable to a minor."

"As for Cen Yuyan, she only needed to put on a good show."

"While she was at it, she was selling her misery."

"The Cen family was a high-class family. No matter what kind of rich and powerful family they were, they could not compare to the CEN family. Therefore, regarding the issue of family background, Zhou Rui could not hide it at all. Being born into an ordinary family would instead win Cen Yuyan's good impression."

"For a young miss like Cen Yuyan, she liked to look down on everything with an aloof and compassionate attitude."

"I don't dislike you." Cen Yuyan reached out and held Zhou Rui's hand. "Zhou Rui, don't underestimate yourself. Although you were born average, the current you isn't worse than anyone else!"

"Zhou Rui lowered his head, "Yuyan, you're the first girl I've ever seriously liked. I hope that we can continue to walk together, but I'm afraid that your family and friends won't think well of me. After all, the difference between our families isn't just a little bit. Why don't we take advantage of this moment and part on good terms?"

“Zhou Rui, what are you talking about? ! What do you mean by good terms and good terms? !”CEN Yuyan continued, “Before I break up with you, you’ll always be my boyfriend! “Also, my friend also thinks highly of you. She’s the same as me. She’s not the kind of person who cares about her family background! “As for my family, they’ll also respect my opinion! “So, you don’t need to have such worries and concerns at all!””

“Really?”Zhou Rui raised his head and looked at Cen Yuan with a face full of disbelief.

“But in his heart, he was mocking her.”

“Cen Yuyan, this old woman, was really stupid. He casually said a few words, but she actually took it seriously. She was simply easier to deceive than those university students who had just graduated.”

“Thinking of how he was going to become the CEN family’s son-in-law in the future, CEN fifth master’s brother-in-law, Zhou Rui was extremely proud in his heart.”

“Once he married Cen Yuyan, he would be able to do whatever he wanted in the capital!”

Zhou Rui had never thought that his old Zhou family would flourish in his hands!

He heard that Cen Shaoqing was an unmarried man.

“An unmarried man had no descendants. In the future, he would be the only heir of the Cen family. The child he had with Cen Yuyan would also be the only bloodline of the Cen family.”

“At that time, the entire Cen family would be his!”

The other three sisters of the Cen family had already married and had children. This daughter-in-law would definitely not be able to return home to inherit the family property. The only ones left would be him and Cen Yuyan.

“The more Zhou Rui thought about it, the more excited he became. It was as if he had already become the owner of the CEN family.”

“However, at that time, the Cen family could no longer be called the CEN family. It should be called the Zhou family!”

“Of course it’s true!” Cen Yuyan hugged Zhou Rui. “Zhou Rui, I love you. I will always be with you and you are not allowed to change your heart! If you dare to change your heart...”

“Before Cen Yuyan could finish her sentence, Zhou Rui said, “If I change my heart, I will be struck by lightning and die a horrible death!””

“Don’t talk nonsense!” Cen Yuyan was so scared that she covered Zhou Rui’s mouth.

“Zhou Rui hugged Cen Yuyan tightly. “Yuyan, my love for you will last forever. As long as you don’t change your heart and fall in love with other men, I won’t Change My Heart!””

Cen Yuyan took the initiative to kiss Zhou Rui. “I’m the same as you. I Won’t change my heart no matter what!”

“Thank you, Yuyan.” Zhou Rui kissed Cen Yuyan back emotionally.”

But he didn’t take the next step.

This made Cen Yuyan very surprised.

“She originally thought that what happened next would be logical, but she didn’t expect Zhou Rui to be a gentleman. It was clearly very hard for him to endure, but he didn’t take even half a step.”

This made Cen Yuyan even more certain that Zhou Rui was the person who was worthy of being entrusted with her life.

“Zhou Rui?” Cen Yuyan raised her head to look at Zhou Rui, her eyes brimming with spring.”

“Zhou Rui hugged Cen Yuyan just like that. How could he not understand the meaning behind Cen Yuyan’s eyes when he was living among the flowers, he continued, “Yuyan, you’re a good girl. I want to cherish you properly. I Can’t touch you now. What if your family isn’t satisfied with me after we’re together? That would be unfair to you.””

Zhou Rui would always be like this.

“No matter what he did, he would always put himself first.”

“Cen Yuyan smiled and said, “Even if all of them aren’t satisfied with you, I still want to be with you. Zhou Rui, don’t think so much! It’s enough that I love you.” After saying that, CEN Yuyan took the initiative to kiss Zhou Rui again.”

This kiss was too suggestive.

“Zhou Rui also knew that it was almost time. If he continued to keep Cen Yuyan’s appetite, it would only backfire.”

“The two of them tangled together, going from the living room to the bedroom.”

An hour later.

“Cen Yuyan lay in Zhou Rui’s arms. “Zhou Rui, do you mind that this isn’t my first time?””

““No.” Zhou Rui endured the nausea and kissed Cen Yuyan on the forehead. “I just need to know that you have me in your heart. Yuyan, it’s already the 21st century. Don’t think too much.””

““Zhou Rui, thank you.””

“Zhou Rui looked at the time on his phone. “It’s late, let’s go to bed early.””

“Okay.” Cen Yuyan nodded.

“When she woke up the next morning, Zhou Rui was no longer in bed.”

“She could faintly hear Zhou Rui lowering his voice and talking to someone in the bathroom. Cen Yuyan narrowed her eyes. Girls were curious, and she was no exception.”

Cen Yuyan was very curious when she heard Zhou Rui deliberately lowering his voice.

Could it be...

That Zhou Rui was carrying her outside?

Cen Yuyan walked over quietly and leaned against the door. She could clearly hear the voices inside.
“Did you withdraw your investment? Why did you withdraw your investment?”

“”I have very important people to accompany right now, so I don’t have time to come over.””

“I’ll think of a way to settle the money issue. You first stabilize the employees who are about to leave.”

“That’s all for now.”

“Although it was only a few sentences, Cen Yuyan could tell that something must have happened to Zhou Rui’s company.”

“It turned out that in Zhou Rui’s heart, she was more important than the company and his career.”

“Otherwise, Zhou Rui wouldn’t have said that he had very important people to accompany.”

“Thinking of this, the corners of Cen Yuyan’s mouth curled up into a smile. She turned around and walked towards the bedroom.”

“Zhou Rui heard the faint footsteps, and a smug look appeared in his eyes.”

Wait.

The fish was about to take the bait.

“It wasn’t in vain for him to spend the whole night with Cen Yuyan last night,”

cen Yuyan returned to the bedroom and began to change her clothes.

“A moment later, Zhou Rui also walked out of the bathroom and saw that Cen Yuyan had already woken up, he said with some surprise, “Yuyan, why are you awake so early? It’s only eight o’clock now. Sleep a little longer and I’ll make you breakfast. I’ll call you after breakfast is ready.””

“”Wait a moment,”Cen Yuyan said.”

“What’s Wrong?”Zhou Rui asked.

“Cen Yuyan continued, “Zhou Rui, let me ask you. Are you hiding something from me?”Zhou Rui’s company had a problem. As Zhou Rui’s girlfriend, she naturally could not turn a blind eye and ignore it.”

“No.”Zhou Rui shook his head.

Cen Yuyan narrowed her eyes. “Really?”

“Zhou rui smiled and said, “Really.””

“Cen Yuyan stood up and held Zhou Rui’s hand. She said very seriously, “Zhou Rui, we are boyfriend and girlfriend. We have the most intimate relationship. I don’t want you to hide anything from me.””

Zhou Rui was a smart person.

“He knew that he couldn’t immediately reveal his motive. It was too obvious. He had to get Cen Yuyan to take the initiative to give him the money. After all, Cen Yuyan was working for him now, not him.”

“”It’s really nothing, Yuyan. Don’t think too much.”Zhou Rui patted Cen Yuyan’s head and continued, “What do you want to eat in the morning? I’ll make it for you.””

Cen Yuyan thought for a moment. “I want to eat a sandwich.”

“Sure.”Zhou Rui nodded. “Then I’ll go and Cook First.”

“Cen Yuyan continued, “Zhou Rui, are you really not hiding anything from me?””

“”I’m really not. Silly Girl, don’t let your imagination run wild.”After saying that, Zhou Rui turned around and went to the kitchen.”

Cen Yuyan looked at Zhou Rui’s back and her face was full of smiles.

All of Zhou Rui’s actions were telling her that she had not misjudged him.

He was a good man that was hard to come by.

Zhou Rui did not seek power or money when he was with her.

“Soon, Zhou Rui finished making breakfast. “Yuyan, come out and eat.””

"I'm Coming." Cen Yuyan washed up and went to the dining room to eat.

"Zhou Rui not only made a sandwich, but he also made porridge. He even thoughtfully gave the porridge to Cen Yuyan Sheng. "The porridge I just made is a little hot. Let Me Blow on it for you.""

"Although Zhou Rui was younger than Cen Yuyan, Cen Yuyan could not see the generation gap in him at all. She was the one being taken care of when she was with Zhou Rui."

"Everyone said that it was very tiring for siblings to fall in love with a woman, but Cen Yuyan did not think so."

Chapter 882: 207: True Face -LRB-19th watch)1

"After drinking a mouthful of porridge, Cen Yuyan looked at Zhou Rui. "Zhou Rui, I'll give you another chance. You really don't have anything to tell me." "

"I really don't."

"Cen Yuyan put down the bowl and looked at Zhou Rui. "Zhou Rui, when you woke up this morning, you were hiding in the bathroom and talking on the phone. I heard everything." "

Zhou Rui was stunned. "I was clearly very quiet..."

"Cen Yuyan grabbed Zhou Rui's hand and continued to ask, "Is there a problem with your company?" "

""It's alright." Zhou Rui already had a whole set of methods to deal with Cen Yuyan. "Yuyan, you don't have to worry. It's not a big problem." "

"I heard that some shareholders are starting to withdraw their capital. Isn't it a big problem?" Cen Yuyan asked back.

"Zhou Rui sighed, "Yuyan, this is my matter. I don't want you to get involved. If you're with me, I want you to be happy. I don't want you to know about these worries. The company is mine, and these worries are mine." "

"Cen Yuyan knew that Zhou Rui was thinking of her. "But if you don't let me know about this, how can I Help You?" "

"Zhou Rui looked at Cen Yuyan. "Yuyan, I know that you have the ability to help me, and I know that you really want to help me. But I don't want to accept your help." "

"Why?" Cen Yuyan asked in disbelief.

"Zhou Rui continued, "Yuyan, you were born better than me, and your family background is better than mine. There is a huge gap between us. I don't want people to say that I spend women's money, and I don't want people to talk about you." "

"At this point, Zhou Rui sighed, "Do you believe that many people now suspect that I'm with you because of money? "It's not a big deal for a grown man like me to be wronged, but you're my girlfriend. As my boyfriend, I should protect you and protect you. How can I let people talk about you?" "

Zhou Rui displayed the image of a good man to the fullest.

"Cen Yuyan was also touched by him. At this moment, Cen Yuyan was willing to give up everything for Zhou Rui. "

"I'm not afraid of being talked about! "I'm also willing to spend money for you!" Cen Yuyan said emotionally, "You're now my boyfriend, so we should share the good and the bad together. Now that your company has a problem, I, as your girlfriend, actually watch from the sidelines. How does this look?" "

“Zhou Rui hugged Cen Yuyan emotionally and said with a raised voice, “Yuyan, thank you! Your words are enough. I’ll think of a solution for the company myself. Don’t worry, I’ll definitely have a solution.” ”

Cen Yuyan took out a card. “There’s five million in here. Take it for emergency. The password is my birthday.”

“”No, I can’t Take Your Card.”Zhou Rui directly rejected. ”

“Cen Yuyan said with a straight face, “Zhou Rui, if you don’t take this card, then we’ll break up!” ”

“Yuyan!”

“Quickly take it.”Cen Yuyan directly stuffed the card into Zhou Rui’s hand.

“Zhou Rui wanted to reject it again, but Cen Yuyan said, “Zhou Rui, think carefully before you speak, unless you want to break up with me.” ”

“No! I don’t want to break up with you!”

“Then keep it well.”

“With no other choice, Zhou Rui could only force Cen Yuyan to give him the card. ”

It was still easier to earn the money of a young miss.

“Usually, song Chenyu would hesitate for a long time to ask for a million yuan. ”

Cen Yuyan immediately offered five million yuan!

“After breakfast, Zhou Rui drove Cen Yuyan back. “Yuyan, I have something to do at the company today, so I can’t accompany you. I’ll look for you again tonight.” ”

“”Go,”Cen Yuyan said considerately. “Work is more important.” ”

Zhou Rui sent Cen Yuyan upstairs before leaving.

“After getting into the car, Zhou Rui called Song Chenyu. “I’ve settled Cen Yuyan.” ”

“Think of a way to get her pregnant.”Song Chenyu’s voice came from the other end of the phone.

Pregnant?

“Zhou Rui was stunned. They had taken measures last night, so it was impossible to get pregnant. ”

“Isn’t this too fast?”

“Song Chenyu continued, “Only by getting Cen Yuyan pregnant can you completely establish yourself in the CEN family.”Other than Cen Yuyan, everyone in the Cen family was smart. If Zhou Rui did not get Cen Yuyan pregnant.., zhou Rui would never be able to get the Cen family’s approval. ”

Only a child could completely tie Cen Yuyan up.

“Zhou Rui was not a fool. He quickly understood song Chenyu’s intentions and continued, “Alright, I know what to do.” ”

“”En.”Song Chenyu continued, “If there’s any new progress, remember to tell me at any time. When you’re alone with Cen Yuyan, remember to restrain yourself. Don’t expose your Fox’s tail. Be careful.” ”

Zhou Rui was a dummy in front of Cen Yuyan. Everything was an act.

“If Cen Yuyan were to see through Zhou Rui’s true colors, then everything would be for naught. ”

...

On the other side.

Cao Wei had not given up on searching for information on ye Zao these days.

“He had thought that he would never have the chance to find out ye Zao’s true identity. After all, even a hacker God like Baron was helpless. He did not expect ye Zao to suddenly participate in a variety show. ”

“Looking at the figure on the television, Cao Wei narrowed his eyes slightly. ”

This girl had a face that could turn all living things upside down.

“She seemed to be indifferent to everything, but in fact, in this indifference, there was a ruthlessness that could not be ignored. There was also a hint of bandit aura. ”

“In order to understand ye Zao, Cao Wei patiently sat in front of the television and watched the entire episode. ”

“At the beginning, the few stars in the program had a lot of opinions about ye Zao. Even before she showed her face, they had already begun to isolate her. ”

“However, she used her strength to conquer them. ”

Catching snakes with her bare hands.

Driving a tractor.

Three meals a day for the contractors.

“Everyone was disdainful at the beginning, but now they were filled with admiration. All kinds of emotions could be clearly seen even through the television screen.”

Even the attitude of the fans on the bullet screen changed a lot.

“Cao Wei’s hand fell on Ye Zhuo’s hand, which was cutting vegetables.”

“To be precise, it was the position of the Little Red Mole.”

This Little Red Mole was exactly the same as the Little Red Mole on ye Langhua’s hand.

This time.

Did he find the wrong person?

Was there a relationship between Ye Zhuo and ye Langhua?

Cao Wei immediately got someone to look up ye Zhuo’s information.

Time passed quickly.

“In the blink of an eye, it was time to record the second episode of the program.”

Ye Zhuo arrived at the program team on time.

“Unlike the first time, Ye Zhuo received the warmest welcome from everyone as soon as he arrived at the small courtyard. ”

“Yin Wei immediately rushed out and hugged ye Zhuo. “Yezi, you’re finally here. I’ve been waiting for you for a long time.” ”

“I was delayed on the way here.”

“Wei Xingzhi handed over a Barbie doll. “Yezi, my daughter really likes you after watching the last episode of the show. This is a gift from her to you.” ”

“”Thank you.”Ye Zao continued, “What’s Your Daughter’s name?” ”

“Her name is fan fan. It’s been smooth sailing.”

Ye Zao turned to look at the camera and held the Barbie doll. “Auntie fan fan likes this Barbie doll very much. Thank you.”

“After saying that, ye Zao turned to look at the director. “Director Feng, don’t cut this part.” ”

“Chang Yu smiled and said, “Ye, teacher Feng’s daughter is eight years old this year. How Old Are You? You’re already calling yourself an Auntie.”Furthermore, it was in front of the camera. Most girls cared about their age very much, ”

“however, ye Zao did not seem to care about this at all. ”

He even called himself an Auntie.

“Ye Zao smiled and said, “I’m already old enough to be an aunt. I Can’t take advantage of a child.” ”

“Chang Yu asked curiously, “Yezi, how old are you this year?” ”

“20.”

“Yin Wei said in surprise, “F * ck, Yezi! You’re actually five years younger than me!” ”

“Chang Yu smiled and said, “That Yezi is two years older than me.” ”

““Can you be a little more shameless?”Yin Wei smiled and said, “You’re already almost 30 years old, yet you’re still pretending to be young.” ”

“In the afternoon, the director assigned the two teams to explore the deep mountains. ”

The director’s team hid a treasure box at the top of the mountain.

Whichever team found the treasure box first would win.

The two teams set off at the same time.

The road up the mountain was not easy. The eight of them stopped halfway up the mountain and began to rest.

“Due to the climate in the east continent, there were many fruit trees hidden in the deep mountains. There were ripe wild fruits all year round. ”

Ye Zao took advantage of the time when everyone was resting to take a look around.

“Yin Wei was the first to notice that ye Zao had disappeared. She asked curiously, “Where’s Yezi?” ”

Chang Yu shook his head. “I don’t know. She was just here a moment ago.”

“Wei xingzhi said, “Could she have gotten lost? Should we go and look for her?” ”

Yin Wei nodded. “Then let’s go and look for her now.”

The environment on the mountain was complex to begin with.

“Chapter 883: 208: an unexpected turn of events, another slap in the face, and song Chenyu fell into total darkness! (20th watch)1”

“In addition to the good climate in the east continent, there were bushes and towering trees everywhere. It was normal for a little girl like ye Zao to get lost.”

“Everyone was already tired from climbing the mountain, and now they had to look for ye Zao.”

This made Lu Qi of the blue team very unhappy.

“It was undeniable that ye Zao’s performance in the first episode was indeed good, but she could not be arrogant and look down on anyone.”

This was the mountain.

“On the mountain, she should follow everyone.”

What was she doing acting alone?

Was it to show that she was very good?

“Song Chenyu smiled and said, “Yezi is so good, she definitely won’t get lost. Let’s Wait a little longer. Maybe Yezi will be back soon.””

“Lu Qi continued, “Chenyu is right. Let’s Wait a little longer. Yezi should be back soon. I don’t think Yezi is the kind of person who doesn’t have a sense of time.””

“At this moment, footsteps appeared in the air.”

“Yin Wei looked back and said in surprise, “Yezi!””

“Wei Wei.”

“Yin Wei continued, “Yezi, where did you go?””

“Ye Zao said, “I saw some wild lotus mist over there, so I went to pick some.””

“Only then did Yin Wei see that ye Zao was holding a bag in his hand. “Yezi, don’t tell me that this bag of yours is filled with Lotus Mist?””

“Ye Zao nodded slightly. “It’s Lotus Mist. Try it and see how delicious it is. At this time of year, the Lotus Mist has just ripened, and there’s a lot of moisture in it.””

Yin Wei tried a mouthful of Lotus Mist. It was indeed not very tasty. It was sweet and refreshing. It was many times more delicious than what she had bought in the supermarket.

Ye Zao then took the Lotus Mist and distributed it to the others.

“Everyone was tired and thirsty from climbing the mountain. Now that ye Zao had brought the Lotus Mist, it just happened to solve the urgent problem at hand.”

The director ate two of them in one go.

Ye Zao took a big bag full of them. Everyone present could get a share.

“Ye, you’re really amazing. How did you find the Lotus Mist in the mountain?” Chang Yu asked.”

“Ye Zao smiled and said, “The climate in the East continent is good. When we went up the mountain, I saw many wild fruits nearby, so when you were resting, I went around and found a fruit tree covered in lotus mist. Thinking that you must be thirsty, I picked some more.””

Chang Yu gave ye Zao a thumbs up.

“For a moment, the topic and the camera turned back to ye Zao. Even the other members of the program team were praising ye Zao.”

Song Chenyu frowned.

Ye Zao was too outstanding.

This was completely different from what she had imagined.

“She thought that she could crush ye Zao on the show, but she didn’t expect that not only did she fail to crush ye Zao, but she also let ye Zao get all the limelight.”

No.

She could not let things continue like this.

“If this continued, ye Zao would really have to enter the entertainment industry.”

“Ye Zao had yet to enter the entertainment industry, and the haters were already trying to smear her. Once ye Zao entered the entertainment industry, would she still have a say in the entertainment industry?”

She had to think of a way to end this once and for all.

“Thinking of this, song Chenyu narrowed his eyes.”

“After eating the Lotus Mist, the group continued on their journey.”

Song Chenyu and song yiwan walked together. The two of them chatted as they walked.

“Song yiwan said, “Chenyu, I heard that you have a new drama to broadcast in the next few days. Your acting skills are so good. The new drama will definitely be popular.” Song Chenyu was a popular female star and had won many awards. However, she was just a little lacking in popularity, if the new drama became popular this time, song Chenyu’s status in the entertainment industry would rise to another level.”

“When that time came, she would be an existence that needed to be looked up to!”

“Song Chenyu smiled and said, “Who am I? After our last episode ended, the heat was all on Miss Ye. Do you believe that after this episode is broadcast, she will definitely become popular again?””

Let’s not talk about anything else.

“Just take today’s Lotus Mist incident as an example. If it was put on the show, it would be another big attraction.”

“A look of disdain flashed across song Yiwan’s eyes. She continued, “No matter how popular she is, she’s just an internet celebrity. She can’t be compared to You!” Song Yiwan Despised Ye Zao from the bottom of her heart.”

So what if ye Zao did well?

An internet celebrity was an internet celebrity!

An internet celebrity could never be compared to a celebrity.

“Song Chenyu looked at song yiwan, “Yiwan, you’re wrong! The times are different now. No matter if Miss Ye is a celebrity or an internet celebrity, as long as there are people who like her, she can debut! Moreover, Miss Ye is so outstanding. Her fans on the wonderful sound platform are almost over 100 million. Can’t you see? Right now, the camera crew is basically revolving around her. She’s the heat of the show. Compared to her, who am I?””

“Chapter 884: 208: an unexpected reversal, another slap in the face, and song Chenyu was blacklisted by the entire Internet! (20th watch)2”

“At this point, a bitter smile appeared on the corner of Song Chenyu’s mouth. “Forget about me, I’m afraid that the entire blue team combined can’t even compare to miss ye.” ”

“Hearing this, song Yiwan raised her head to look. ”

Song Chenyu was right.

“Right now, the center of the program team was at Ye Zhuo and the red team’s place. The cameras were focused on Ye Zhuo, and they did not even give the red team a shot. ”

“As long as ye Zao was there, no one else could stand out. ”

Song Yiwan was still a small flower with a lot of traffic. The reason why she came to “Country” was because of the popularity of “Country”.

“Now, all the shots of “Country” were with Ye Zao, and she was crushed by an internet celebrity. What was this? ”

““Director, this is too unfair!” Song Yiwan frowned. “Which one of us is worse than Ye Zao? Why doesn’t he give us a shot?” ”

“Forget it.” Song Chenyu patted Song Yiwan’s hand. “Who asked Miss Ye to be so capable? !”

“Song Chenyu could tolerate it and let it go, but Song Yiwan couldn’t. ”

“She had been in the entertainment industry for so long, but she had never been bullied by anyone. ”

“Now, she was crushed by an internet celebrity on the show. ”

Why did Ye Zhuo deserve it?

“Song Chenyu turned to look at Song Yiwan, “Yiwan, don’t think too much. Actually, it’s not a bad thing for Miss Ye to be popular. If she’s popular, it means that our show is popular again. When that time comes, we can also bask in the glory, right?” ”

BASK in the glory?

Song Yiwan felt very uncomfortable when she heard this.

Was it her turn to bask in the glory of an Internet celebrity now?

“Song Yiwan looked at Ye Zao’s back in front of her, and a faint light flashed in her eyes. ”

“Song Chenyu’s gaze swept across Song Yiwan’s face, and the corners of his mouth curled up slightly. ”

The filming continued.

“Song Chenyu’s gaze caught the camera moving over. He held song Yiwan’s arm and said, “Yiwan, are you tired?” ”

“Song Yiwan was about to say something, but song Chenyu used his eyes to signal for song Yiwan to move the camera over. Song Yiwan immediately understood and smiled. “I’m not tired, Chenyu. Are You Tired?” ”

“I’m alright. I’m not very tired.”

“Soon, they reached the top of the mountain. ”

The area at the top of the mountain was very wide.

“They did not know where the program team had hidden the item, so they split up to look for it. ”

“Actually, the program team had left some clues. As long as one was good at observation, they would be able to find clues. Ye Zhuo followed the clues to the west side of the mountain. ”

“Song Chenyu narrowed his eyes and immediately went up. “Ye, Wait for me.” ”

Ye Zao looked back slightly and saw song Chenyu running over. He smiled and looked back. “Chenyu.”

“Although ye Zao did not like song Chenyu very much, this was a show after all. Everyone called each other by their names. If she said something like miss song, it would definitely cause a heated discussion. ”

“Song Chenyu smiled and said, “Yezi, where do you think the program team would hide the things?” ”

“”It’s probably around here,”ye Zao said faintly. ”

“Song Chenyu continued, “Then let’s work together?” ”

Ye Zao raised his eyebrows slightly.

Work Together?

That was strange.

“Although song Chenyu had never said it, she could see from his eyes that song Chenyu had a deep hostility toward her. ”

There must be something fishy going on.

“Ye Zao subconsciously touched the second button on his shirt and said with a smile, “Chenyu, what did you say just now?” ”

Song Chenyu was stunned.

Why did ye Zao ask again?

Did he not hear it clearly just now?

“But she did not think too much about it and continued, “Let’s work together to find the treasure box? We can share the clues we find with each other.” ”

“Okay.”Ye Zao nodded.

“Then let’s go.”

Ye Zao followed song Chenyu's footsteps.

The two of them chatted as they walked.

Song Chenyu glanced at ye Zao out of the corner of her eyes. Her eyes were full of sarcasm.

"She had thought that ye Zao was very smart, but it turned out that he was just so-so."

Song Chenyu narrowed her eyes.

She was waiting for an opportunity.

She was waiting for another opportunity that could make ye Zao become the black sheep of the internet.

"The camera crew was behind them. Today, the camera crew did not bring a drone with them to shoot. Song Chenyu narrowed her eyes. She had been filming for many years, so she could accurately calculate the angle of the camera."

"Behind her was a ravine. If she fell now, the camera would not be able to capture the entire process."

"Three, two, one."

Now!

Song Chenyu slipped and fell into the ravine. "Ah!"

This sudden scene stunned the camera crew.

The director thought that song Chenyu was joking with Ye Zao.

“Song Chenyu was a top-rated female celebrity. Because of the first episode’s broadcast, Ye Zao had also become popular. With the two of them together, even if they did not do anything, that was the topic of conversation. ”

“Chapter 885: 208: an unexpected reversal, another slap in the face, and song Chenyu was completely blackened! (20th watch)3”

“Chenyu!”Ye Zhuo immediately reached out to pull song Chenyu. He turned to look at the director.
“Chenyu fell! Quickly call the medical team over!”

“Director Feng was so scared that he hurriedly threw away the cigarette butt in his hand. He ran over and asked, “Is Chenyu Alright?””

“It might be a little troublesome.”Ye Zhuo pulled song chenyu out of the ditch. “Is the medical team here?”

Song Chenyu’s face was covered in blood. He had already fallen into a coma and looked a little scary.

“Director Feng was scared out of his wits. He held the walkie-talkie and said, “Hurry Up! The medical team, Hurry Up! Someone is going to die soon!””

“At this moment, the medical team ran over with a stretcher.”

“After the medical team’s examination, they found that the injury on song Chenyu’s forehead was more serious. After a simple treatment, the ambulance took song Chenyu to the hospital.”

“Song Chenyu had an accident, so the program team could only stop filming.”

“Song Chenyu was quite popular in the entertainment circle. Moreover, “Country” was a popular variety show. When they learned that song Chenyu was hospitalized because of his injury while filming “Country”, many entertainment reporters immediately came over to watch the filming.”

Everyone wanted to get first-hand information.

song Chenyu was injured during the second episode of “Country”!

Chenyu song was disfigured.

Chenyu song was hospitalized.

Chenyu song was in critical condition.

“The entertainment industry was always a place to listen to rumors. Soon, news of Chenyu song’s critical condition spread across the internet.”

The comments on Chenyu song’s Weibo were all praying for peace.

“[Chenyu, you must be well.]”

“[it’s too sudden. Yesterday, my sister was still posting news about children left behind. Today, something happened.]”

[I’m still looking forward to my sister’s second episode.]

[How’s My Sister? Is she out of danger?]

“Suddenly, there was a sudden change in the style of a comment. [why did Chen Yu get injured? Please tell us the truth! Release the video of Chen Yu’s injury!]”

The following comments changed.

[I heard that Chen Yu was with a certain internet celebrity when he got injured.]

“[F * ck!]! This is a very big story! When I watched the first episode, I felt that there was something wrong with these two people. A certain internet celebrity clearly knew Chen Yu, but he didn't take the initiative to attack him. He was extremely arrogant! I didn't expect that Chen Yu would be injured before the second episode was released.]”

“[now that the person above said that, I rewind the first episode and watched it again. It's really not right!]”

“Please tell us the truth!”

“Release the video of Chenyu's injury!”

“The situation became more and more serious. In the end, the program team's official account was attacked by song Chenyu's fans.”

Director Feng paced back and forth anxiously.

“However, when song Chenyu fell into the ditch, their cameras did not capture the specific process at all. They only captured the backs of the two people.”

“To be precise, it was ye Zhuo's back. However, if such an unclear video was posted, it would only confirm the speculations of the netizens.”

“Since he could not post the video, director Feng could only post a Weibo to clarify:”

“Feng Youde V: [Chenyu had an accident during the recording of the program, causing her face to be injured. We are also very sad. Now, our program team is actively cooperating with the Doctor's

treatment plan. This incident was purely an accident. Please don't make random guesses. I wish Chenyu a speedy recovery. We are all looking forward to her triumphant return.]"

"[if it was an accident, why don't you dare to post the video? Didn't you shoot the entire recording when you were recording the program?]"

[trash program team!]

[please make the video public!]

"Song Yiwan looked at the situation on Weibo, slightly curved her lips, and began to edit Weibo."

"Song Yiwan v: [this photo was secretly sent to me by the program team staff. In order to prevent him from being implicated, I won't say who he is here! Unfortunately, I wasn't able to prevent the tragedy from happening in time! After the incident, I thought that the person involved would take the initiative to admit his mistake, but he didn't! From the beginning to the end, she didn't say sorry to sunfish! She didn't say anything else. Everyone, just look at the picture. Justice might be late, but it will never be absent [photo jpg]"

"In the picture, it was the exact moment song Chenyu fell. From the photo taken by song Yiwan, it looked like ye Zao had pushed song Chenyu Down."

It had to be said that song Chenyu's timing was just right.

"There were many people on the internet who were paying attention to song Chenyu's injury. Plus, Song Yiwan posted it on her account. She already had 20 million fans."

"The moment she posted it on Weibo, it was trending."

song Yiwan reported YC's Ye in her real name!

[I knew there was an inside story!]

“[justice may be late, but it will never be absent! I hope that the perpetrator will be severely punished by the law!] ”

[such a disgusting person should be locked up for Life!]

“[if not for this photo, would the director of the program team have covered it up for her?] ”

“[my heart aches for her. It's one thing to be forced to film with such a person, but now she's being bullied to this extent!] ”

“[more importantly, that B * Tch doesn't have any remorse at all!] ”

[how F * CKING disgusting!]

Ye Zhuo scrolled through Weibo one by one. There was not the slightest expression on his handsome face.

“At first, there were only five or six trending searches. ”

“Now, she had actually taken over all the trending searches. ”

“Moreover, the names of the trending searches were constantly changing. ”

It could be seen that someone was controlling the comments behind the scenes and removing the trending searches.

Ye Zao narrowed her eyes.

“At this moment, a strong shadow came down from above her head. Then, her phone was taken away. A wine-red tassel swept across the back of her hand, and a low voice rang in her ears. ”

“Don’t look at your phone for a while. I’ll handle the rest.”

“Ye Zhuo raised his eyes slightly and saw an overly cold face. His thin lips were slightly pursed, and there was a layer of frost between his brows and eyes. ”

“Why are you here?”

“Cen Shaoqing’s face was dark. “Why didn’t you tell me that such a big thing happened?”Cen Shaoqing rarely paid attention to matters in the entertainment circle. If it weren’t for ye Zhuo’s participation in “Country”and the fact that he had been on the hot searches list many times., he would have definitely missed this. ”

“After seeing these hot searches, Cen Shaoqing put down everything in his hands and flew to the east continent without even changing his slippers. ”

Ye Zhuo’s eyes were indifferent. “It’s a small matter. Don’t take it to heart. It’s better than not telling you.”

""Ancestor."Cen Shaoqing pinched his temples. "Now that the entire hot search page has exploded, how can it be a small matter?" "

Ye Zhuo raised his eyebrows slightly. "So you're the one who is controlling the comments and removing the trending page?"

Cen Shaoqing nodded slightly.

"After learning about this matter, CEN Shaoqing immediately notified the public relations department and immediately removed the trending page to control the comments. "

"However, this matter was too hot. "

"With one trending page removed, dozens of trending pages appeared again. "

Public opinion was the most difficult to control.

"Afraid that ye Zao would let his imagination run wild, Cen Shaoqing did not even change into his slippers and dared to come over without stopping. "

"Unexpectedly, this person did not take this matter to heart at all. "

""There's no need to remove the trending topic. The bigger this matter is, the better." "

Cen Shaoqing looked back at her and opened his thin lips slightly. "You have a video?"

"Ye Zao nodded slightly. "Now it's up to how song Chenyu will respond. Currently, the netizens are very enthusiastic and the matter has reached a climax. Song Chenyu will definitely post a response on Weibo tonight." "

“Knowing that ye Zao had evidence, Cen Shaoqing heaved a sigh of relief and immediately contacted the public relations department.”

“Song Chenyu had actually woken up a long time ago. Looking at Weibo being paralyzed time and time again, song Chenyu’s eyes were filled with pride.”

Ye Zao wanted to fight with her?

He was still too inexperienced.

“With the situation that had developed to this point, Ye Zao was now an existence that everyone wanted to beat up.”

He was not even a street rat.

“Song Chenyu asked his assistant to bring some makeup, put on a weak makeup, took a selfie, and edited the text to post on Weibo.”

“Song Chenyu V: [I’m sorry for making everyone worry for so long. I’m much better now. The Doctor said that I can be discharged from the hospital and go home soon. Thank you, Yvonne, for protecting Me@yvonne song.]. ”

“I really like what Yvonne said: Justice may be late, but it will never be absent.”

“Actually, I don’t remember what happened that day very clearly. I only remember that I had a few words with leaf at that time, and then I fell into the ditch behind me. When I woke up again, I was already in the hospital.”

“In addition, I’m very well now. Thank you for your concern. Although the Doctor said that the wound on my forehead might leave a scar, it’s okay. I can cover it with more concealer! Little Cuties, promise me that if you see this scar in front of the camera in the future, you’ll also have to pretend not to see it. [photo JPG] ”

“Once this Weibo post was posted, it was equivalent to confirming ye Zao’s crime. ”

“Although song Chenyu did not directly point out that ye Zao was the one who pushed her, between the lines, it was full of accusations against ye Zao. ”

Every word was bloody and every sentence was heart-wrenching.

“Seeing song Chenyu’s response, song Yiwan immediately responded to her on Weibo: [Chenyu is so happy to see that you are fine. I look forward to your return.] ”

“Chapter 887: 208: an unexpected reversal, another slap in the face, Song Chenyu has become an Internet blacklist! (20th watch)5”

Song Chenyu sent a hug emoji under song Yiwan’s comments.

“Song Yiwan’s fans had increased by more than two million because of this matter, and countless advertising endorsements came knocking on her door. In less than two days, she received a job offer that went soft on her.”

“The moment song Chenyu’s Weibo post was posted, it immediately went on the hot searches in less than three minutes.”

[sob SOB SOB! I feel so bad for my sister. She didn’t even dare to make a sound when she was bullied.]

“[don’t be afraid, Chenyu! You still have us fans behind you! We will definitely fight against the evil forces to the end!]”

[I’m really going to be angered to death by that disgusting Internet celebrity! She hasn’t even shown her face since the incident. What kind of backing does she have?]

[please give us justice in exchange for Sunfish's Justice!]

[a certain internet celebrity should get out of the entertainment industry!]

"[sunfish, we're all waiting for you to sue her. She's suspected of intentional murder! It's best to let her rot in prison!]"

[we support Sunfish's lawsuit!]

[it's best to sue the program team as well.]

"After seeing song Chenyu post on Weibo, Ye Zhuo slowly edited a Weibo post."

"Today, he had to eat melon properly: [after waiting for such a long time, Miss song finally responded. Since miss song claims that she doesn't remember what happened, then I'll help you recall it. [video][photo JPG]@song Chenyu V,@song Yiwan v.]"

The video was not long for a total of five minutes.

The picture was an explanation of the 'standard sentencing for libel cases'.

"The moment this Weibo post was posted, it immediately attracted the attention of the entire Internet, and the hot searches immediately followed."

[the person above is outstanding!]

“[I didn’t expect the waters in the entertainment industry to be so deep! They even created a palace drama! If Ye Zi didn’t have this video, wouldn’t he be exposed online?]”

[to think that I trusted song Yiwan and song Chenyu so much. These two are simply a pair of vicious sisters!]

“[wow, that’s so disgusting! I was feeling sorry for Song Chenyu just now!]”

[this reversal is really unexpected!]

“[actually, leaf is really quite kind. She didn’t release this video before. She probably wanted to give song Chenyu a chance and wait for song Chenyu to come out and clarify himself. She didn’t expect song Chenyu to actually bite back and push all the blame onto her.]”

“Very quickly, the words ‘song Chenyu, song Yiwan, get out of the entertainment industry’ appeared on the hot searches.”

The Weibo trending topics were instantly occupied by song Chenyu and song Yiwan.

“When song Yiwan saw these trending topics, she was so scared that her face turned pale.”

Where did ye Zhuo get the video?

And the angle was so clear.

What should she do now?

Song Yiwan was panicking. She didn’t know what to do.

“Public opinion could lift up a person, but it could also destroy a person.”

“The next second, song Yiwan received a call from her manager. “Song Yiwan, what are you doing? Do you know that you’re in Big Trouble? Come to the company right now!””

““Okay, I, I’ll be there right away.” At this moment, song Yiwan’s lips were trembling.”

“Song Chenyu was awakened by the sound of an emergency electric arc. He picked up the phone. “Hello, brother Tao, what’s the matter?””

“Trending? What’s wrong with Trending?”

“Song Chenyu had thought that it was a trending search about ye Zao. With her response, did ye Zao Want to turn things around?”

It was simply wishful thinking.

Song Chenyu clicked on the hot search page and saw the hot search page and ye Zao’s response and video. She was dumbfounded. The cold sweat on her forehead almost appeared in an instant. She even thought that she was hallucinating.

It was not until she clicked on the video that song Chenyu realized that it was not an illusion.

“”Brother Tao, what should I do now?””

“Chapter 888: 209: Cen Shaoqing, someone who is trying to humiliate himself! (21st watch)1”

“At this moment, Song Chenyu was really panicking. ”

She did not expect things to turn out this way.

Ye Zao actually got a clear video.

“Song Chenyu had clearly seen the video equipment at the scene, and the camera crew could not capture the process at all. ”

So...

Where did ye Zao get the recording?

“At this moment, an image flashed through song Chenyu’s mind. ”

“When Ye Zao was talking to her, he subconsciously touched the second button on his shirt. ”

Could it be that the camera was on that button?

“If the camera was really on the button, then ye Zao was too scary. ”

Song Chenyu’s face became paler and paler.

She couldn’t even hear what brother Tao was saying on the phone.

“”Hello, Chenyu, are you listening?” ”

“Chenyu!”

“Chenyu!”

“Just as brother Tao shouted for the third time, Song Chenyu finally reacted. “Brother Tao, I’m listening.” ”

“Brother Tao continued, “Chenyu, immediately post an apology to ye Zao on Weibo and push all the blame onto song Yiwan!” ”

“Fortunately, song Chenyu had said on her previous Weibo that she did not remember what had happened. ”

“As long as she posted an apology to clarify the situation, then asked the public relations department to comment on it and post a press release, the matter would be over after a long time. ”

“Although this matter still affected song Chenyu, it could at least reduce the loss in this kind of crisis. ”

“In the current situation, apologizing was song Chenyu’s best choice. ”

Apologize?

But song Chenyu did not want to apologize.

Ask her to apologize to ye Zao?

And in front of all the fans online.

On what basis?

“Is there no other way except to apologize?”Song Chenyu only spoke after a long while.

“”Chenyu, in my eyes, you’ve always been a smart and sensible artist. You have to apologize for this matter,”brother Tao continued, “Isn’t it just an apology? “It’s not a big deal. What if ye Zao falls into your hands one day?” ”

Song Chenyu was very unwilling.

She thought that she could successfully take down ye Zao this time.

She did not expect ye Zao to be so sinister and cunning!

She was too careless...

Just wait.

She had to take revenge.

The viciousness in song Chenyu's eyes was almost overflowing.

""Brother Tao, I'll listen to you." "

"Brother Tao was a little worried about song Chenyu's condition, so he continued, "I'll get editor Xiao Li to send the Weibo document to your wechat. Don't send it for now." "

"Okay."

Song Chenyu had just hung up when the door to the ward was pushed open.

Song Chenyu turned around and saw that it was Cen Yuyan.

""Yuyan, why are you here?" "

"After Cen Yuyan heard about song Chenyu's matter, she rushed over in a hurry. When she saw song Chenyu sitting on the hospital bed with tears all over his face and a bandage on his head, CEN Yuyan's heart ached terribly. "Chenyu, are you alright?" "

"I'm fine." Song Chenyu shook his head.

“Cen Yuyan frowned and said, “You’re still saying that you’re fine even though it’s already like this! I’ve Long said that Ye Zhuo isn’t an ordinary person! Look, something happened right now! I think she did it on purpose! She was jealous of your beauty and deliberately wanted to disfigure you!” ”

“Song Chenyu said with a pale face, “This matter has nothing to do with Miss Ye. I was the one who accidentally fell into the ditch.” ”

“”Chenyu, you’re just too kind-hearted.”Cen Yuyan continued, “Back then, you should have refused to film that variety show with ye Zao! I don’t know what’s going on with Shaoqing that he actually took a fancy to such a thing! If it wasn’t for Shaoqing’s sake, I would have long gone over to slap her!” ”

“In the end, this matter was all old Lady Cen’s fault. ”

“If it wasn’t for Old Lady Cen, Cen Shaoqing wouldn’t have chosen to be with ye Zao. ”

“What a piece of rat poop, spoiling a pot of porridge! ”

No one knew when Cen Shaoqing would come to his senses.

“”Yuyan, don’t say that.”Song Chenyu pulled Cen Yuyan’s hand. “This matter is indeed not miss ye’s fault. It’s all my own fault.” ”

Cen Yuyan became even angrier when she saw song Chenyu enduring such humiliation.

“At this moment, Song Chenyu received a wechat message from his assistant, Xiao Li. ”

Song Chenyu picked up and posted on Weibo.

“”Chenyu, what are you doing?”Cen Yuyan asked. ”

“”I’m sending an apology Weibo to Miss Ye,”song Chenyu replied. ”

“Apology?” Cen Yuyan directly stood up from her chair. “You mean to apologize to Ye Zhuo?”

Song Chenyu nodded.

“On what basis! ?” Cen Yuyan said angrily, “Can she afford to apologize to ye Zao?” ”

“Chapter 889: 209: Cen Shaoqing, someone who humiliated himself and protected his own shortcomings! (21st watch)2”

“Song Chenyu smiled and said, “This matter indeed has nothing to do with Miss Ye. It’s only right for me to apologize to her. Yuyan, don’t be angry. It’s just an apology. It’s nothing.” ”

Song Chenyu copied the wechat message Xiao Li sent and posted it on Weibo.

“Song Chenyu V: [regarding this matter, I want to apologize to@today as well. Miss Ye.]. ”

“Miss Ye, I’m sorry, I was wrong! ”

“I didn’t know what happened either. I was too seriously injured at that time. When I woke up, I saw the trending searches on Weibo and the photo taken by Yi Wan. ”

“At that time, I didn’t think so much. I combined Yi Wan’s Weibo to send the previous reply. ”

I didn’t know that my reply would cause so much harm to miss ye.

“I always believed that justice might be late, but it would never be absent. ”

Now Justice has arrived.

“Here, I want to say sorry to miss ye once again! ”

“If I had understood the situation at that time, perhaps these things wouldn’t have happened. It was my negligence that caused miss ye such great trouble! Not only do I want to apologize to Miss Ye, but I also want to say sorry to Miss Ye’s fans! ”

“I’m sorry to all the fans who believe in me, and I’m sorry to all of You!” ”

“This matter became more and more intense at night. Many netizens stayed up all night waiting for Song Chenyu’s response. As soon as song Chenyu’s Weibo post was posted, it immediately became a hot search. ”

song Chenyu’s response

song Chenyu’s apology

“[interpretation: this matter is not my fault. If it wasn’t for song yiwan, I wouldn’t put the blame on Yezi!] ”

[likes supporting song Chenyu to get out of the entertainment industry.]

[? ? ? Putting all the blame on song Yiwan? What kind of apology is this?]

“[wow, I threw up!] ”

[what a white lotus flower.]

“[what a good tea. Song Yiwan was obviously helping song Chenyu, but now that something happened, Song Chenyu put all the blame on song Yiwan. I admire song Chenyu’s tea skills!] ”

“Brother Tao kept refreshing the comments. He did not expect the netizens to not buy song Chenyu’s response at all. He immediately initiated the public relations department to Censor, delete, and find the Troll Army to lead the way.”

“[Chenyu has already apologized. What more do you want? Moreover, this matter was not Chenyu’s fault in the first place. As an artist, it’s already very pitiful that his face was injured. What more do you people want?] ”

“[if it wasn’t for song Yiwan deliberately misleading him, Chenyu wouldn’t have posted a Weibo response. It was clearly song Yiwan’s fault. What right do you have to force it on Chenyu?] ”

“[if everyone wants to scold, Go Scold song Yiwan! These things were all caused by song Yiwan! What does it have to do with Chenyu? From a certain point of view, Chenyu is also a victim!] ”

[song Yiwan wants to ride on the Heat!]

“Song Chenyu’s fan base was very good. With the comments of these netizens, some people were immediately led astray.”

“[be reasonable, this matter is indeed not Chenyu’s fault. Chenyu has been in the hospital for the past few days. When she wakes up, she will see song Yiwan’s Weibo. If you were in Chenyu’s shoes, what would you do?] ”

[this song Yiwan is really a troublemaker!]

“[Chenyu is also a victim. Moreover, she has already apologized. What more do you want?] ”

“[F * ck! It’s so disgusting! Even flies don’t bite seamless eggs. Even if this matter is song Yiwan’s fault, Song Chenyu is not a good person! NC fans are really amazing. They can even wash away this!] ”

“[song Chenyu is a victim? The victim is clearly yezi, okay? Yezi is the real person sitting at home. The pot comes from the sky!] ”

“[if an apology is useful, why do you need the police? I’ll give you a knife and then apologize to you. Will you accept it?] ”

[the onlookers should disperse. Chenyu is also a victim in this matter. The real mastermind is song Yiwan.]

“After song Chenyu posted on Weibo, a group of people ran to ye Zao’s Weibo to comfort him. ”

Ye Zao’s Weibo account also had to eat melon today.

She had registered her Weibo account a year ago.

There were a total of 53 weibo posts.

“Of these 53 weibo posts, 50 were videos of food bloggers making desserts that ye Zao had forwarded. Only three of them were ye Zao’s own original Weibo posts. ”

Eat melons today: [I really love wine making Yuanzi. [photo jpg]

Eat melons today: [I suddenly realized that papaya is also quite delicious. [photo jpg]

The third Weibo post was that reply.

“[I really feel sorry for Yezi. If Yezi didn’t have that video, he would have been wronged by song Yiwan and Song Chenyu. I don’t dare to imagine how Yezi would go on in the future if the accusation is proven true.] ”

“Chapter 890: 209: someone brought shame upon himself, the protective CEN Shaoqing! (21st watch)3”

“[Yezi, don’t worry, we’ve always been standing behind you.]”

[I was really disgusted by song Chenyu and song Yiwan. How could there be such a shameless person in the world?]

[I looked at Yezi’s Weibo. Yezi is really a dessert expert.]

[yezi definitely didn’t expect that she would end up eating melon on her own head one day.]

“[no matter what, Yezi waited for song Chenyu’s apology. Now, it’s up to the authorities to deal with song Yiwan.]”

[I’m waiting for song Yiwan’s ending.]

[I’m waiting.]

Ye Zhuo’s account originally only had a few fans.

“After this incident, it suddenly gained six million fans, and the number was still rising.”

“Just as the matter was heating up, ye Zao posted another Weibo Post.”

“Today, he had to eat melon properly: [regarding this incident, I have entrusted@mingwei law firm to handle it fully.]”

[i support Ye Zi’s rights!]

[ye Zi is so tough.]

[I'm really afraid that Ye Zi will just let it go. I'm relieved after seeing this Weibo post.]

Mingwei law firm also quickly issued a statement.

"[thank you for Your Trust, Miss Ye. Also, the lawyer's letter has been sent. Please@song Yiwan V check it carefully.]"

On the other side.

"Song yiwan, who was actively cooperating with the public relations department, was so scared that her whole body was trembling when she received the lawyer's letter."

"Her manager stood beside song Yiwan, frowning tightly."

"Normal people would choose to make a big deal out of such a matter, and make a small deal out of it."

"However, Ye Zhuo had actually sent a lawyer's letter to sue song Yiwan."

"This matter had already caused a great impact on song Yiwan. If it really went to court, song Yiwan's career would be ruined!"

"In this industry, the most taboo thing was to tarnish an artist's reputation."

"Ever since she debuted, song Yiwan had never encountered such a helpless moment."

"Her manager looked at song Yiwan like this and was so angry that her face turned green. "Yiwan, I've told you before, sometimes you can't be so ruthless! You didn't listen to me! Now that things have turned out like this, are you satisfied?""

“I didn’t know it would turn out like this...” song Yiwan’s face was full of tears. If she had known that Ye Zhuo had a recording, she definitely wouldn’t have put herself in danger.”

She did this for song Chenyu.

Song Chenyu couldn’t ignore her.

That’s right!

And song Chenyu!

“Song Yiwan took out her phone and opened the Weibo page. When she saw the trending page, she panicked.”

Song Chenyu had actually pushed all the blame onto her.

She had never dreamed that song Chenyu was such a person.

PA —

Song Yiwan threw her phone on the ground.

Wait.

Song Chenyu wouldn’t let her have it easy.

Then song Chenyu wouldn’t have it easy either!

...

On song Chenyu's side.

"When she saw song Chenyu apologizing to Ye Zhuo, Cen Yuyan was furious. "Chenyu, wait! I'll Get Ye Zhuo to post an apology to you right now. I'll get her to clarify on Weibo that this matter has nothing to do with you!"

This matter had nothing to do with song Chenyu to begin with.

"Song Chenyu was already feeling very uncomfortable, but now he actually wanted to apologize to ye Zao."

This was really unreasonable!

"Yuyan, there's no need to be like this." Song Chenyu held Cen Yuyan's hand. "Isn't it just an apology? It's nothing."

"Chenyu, you have a good heart and aren't willing to bicker with Ye Zao, but I can't!" Cen Yuyan continued, "I must get ye Zao to apologize to you today!"

Then.

Cen Yuyan turned around and left.

"Song Chenyu caught up to Cen Yuyan's footsteps. "Yuyan, there's really no need to do this. Fifth Master will definitely be by Miss Ye's side. If you go over now, what if fifth master takes out his anger on you?"

"Shaoqing is my younger brother! I don't believe that he would rather help an outsider than an elder sister like me!"

"No matter what, she was Cen Shaoqing's elder sister."

She had the same blood as Cen Shaoqing in her bones.

An elder sister was like a mother!

“As long as ye Zao had a brain, then ye Zao should listen to her.”

“As soon as she finished speaking, Cen Yuyan patted Song Chenyu’s hand, she continued, “Ye Zao is Shaoqing’s girlfriend. If she wants to marry into our family, she must obtain my approval. Don’t worry, as long as I speak, she will definitely listen to everything I say.””

She was Cen Shaoqing’s elder sister.

It was too late for Ye Zhuo to please her!

So why would he reject her?

Cen Yuyan was very confident in herself.

“From the matter of ye Zhuo moving the air-conditioner clothes for her, it could be seen that ye Zhuo was eager to obtain her approval.”

“Otherwise, ye Zhuo would not have spent so much effort to actually buy the air-conditioner clothes for ZY.”

Therefore.

“As long as she made a move, ye Zao would definitely listen to her obediently.”

Song Chenyu looked at Cen Yuyan’s back and slightly curved her lips.
