“Chapter 891: 209: Cen Shaoqing, someone who humiliated himself and protected his own shortcomings! (21st update)4”

Cen Yuyan was right.

“No matter what, she was Cen Shaoqing’s sister. As long as Cen Yuyan made a move personally, ye Zao would have to post a clarification on Weibo.”

“Once ye Zao posted a clarification on Weibo, this matter would not affect her at all. She could even gain a wave of popularity because of this matter.”

It was really a blessing in disguise.

Song Chenyu turned around and walked towards the ward.

Cen Yuyan came to Ye Zao’s residence.

The person who opened the door was ye Zao.

“Fourth sister.”

Cen Yuyan looked into the house. “Is Shaoqing not here?”

“”He’s sleeping upstairs,”ye Zao replied. ”

Cen Shaoqing had been catching a plane for the whole day and was currently sleeping upstairs.

Cen Yuyan had a rough idea and followed ye Zao into the house.

This was a two-story house.

It was located in the center of the city.

The transportation was convenient and there were scenic spots nearby.

“In addition, the East continent’s climate was good and it was close to the sea. It was very suitable for retirement, so ye Zao bought this house when he participated in the first episode of the program. ”

“When he reached the house, a robot brought him tea. ”

“Cen Yuyan looked at Ye Zao and said earnestly, “Zao Zao, Ah, I know that you’re a reasonable and good girl. I came here this time because I have something to tell you.” ”

Ye Zao nodded slightly. “Go ahead.”

“Cen Yuyan looked at Ye Zao, “I saw Chenyu apologizing to you on Weibo, but in the end, this matter was not Chenyu’s fault. She was also one of the victims. “I hope that you can delete that Weibo Post and post a new one to clarify that this matter has nothing to do with her.” ”

““If it’s not song Chenyu’s fault, then fourth sister, whose fault do you think it is?”Ye Zao raised his eyebrows slightly. ”

“Cen Yuyan’s expression turned cold, “Do you really want me to say such harsh words? “Ye Zao, on account that you’re Shaoqing’s girlfriend, I won’t argue with you about Chenyu apologizing. However, you must immediately post an apology to Chenyu on Weibo! Otherwise, this matter won’t end!” ”

“Cen Yuyan’s last sentence was loud and clear. It was as if if ye Zhuo did not apologize and post a clarification on Weibo, she would teach ye Zhuo a lesson. ”

“Without even thinking, it was obvious that ye Zhuo must be very flustered right now.”

“She was the Cen family’s fourth miss, Cen Shaoqing’s biological sister.”

Making her angry was making Cen Shaoqing angry!

“Most importantly, Cen Shaoqing had always respected her as his sister.”

“Old Mrs. Cen had forced ye Zhuo into Cen Shaoqing’s hands. Cen Shaoqing did not like ye Zhuo at all, so he must have been tired of ye Zhuo long ago.”

It was just that he had never found an opportunity to get rid of Ye Zhuo.

“Taking advantage of this opportunity, CEN Shaoqing could just get rid of Ye Zhuo.”

“Actually, Ye Zhuo also knew his own situation.”

Wasn’t she just relying on Old Lady Cen’s blurred vision to like her?

If Old Lady Cen wasn’t there...

What would ye Zao Be?

Ye Zao couldn’t even compare to song Chenyu’s little finger.

But this was the east continent.

“Old Lady Cen was thousands of miles away in the capital, and right now, there was no one to support ye Zao!”

Would Ye Zao Dare to challenge her?

In less than three seconds...

Ye Zao would apologize to her.

“Cen Yuyan curled her lips slightly and continued, “If you don’t know how to do it, send me the password for Your Weibo account. I’ll get someone to do it.” ”

“Ye Zao looked at Cen Yuyan like this, his eyes sparkling, “I can understand if you want to be a dog for Song Chenyu. After all, everyone is blind at times, but is it really good for your brain to be like this? After all, you’re Cen Shaoqing’s fourth sister. Can’t you give Cen Shaoqing some face?” ”

Lick a dog?

Blind?

And she even said that she had embarrassed Cen Shaoqing?

“Cen Yuyan thought that she was hearing things. She originally thought that ye Zao would lower himself and apologize to her, but she did not expect that ye Zao would actually dare to say such words to her.”

This was really heaven-defying!

Did Ye Zao really think that Cen Shaoqing loved her?

Cen Shaoqing was merely putting on an act for her to see.

Cen Yuyan had never been scolded like this by someone pointing at her nose. She was so angry that her entire body was trembling. She pointed at ye Zao and could not say a word for a long time.

“Ye Zao’s tone was shallow as he continued, “On account of Cen Shaoqing, I don’t want to argue with you about today’s matter. You can leave.” ”

Don’t want to argue with her?

Cen Yuyan was about to faint from ye Zao’s anger.

Just who didn’t want to argue with whom?

Ye Zao really treated her as a human!

How disgusting!

“Cen Yuyan’s expression instantly changed, “Ye Zhuo! I’m Shaoqing’s fourth sister! Don’t think that just because my grandmother likes you, you can be arrogant! Let me tell you! As long as I don’t approve of you, you can never marry into our Cen family!” ”

“Is that so?”Ye Zhuo raised his eyebrows slightly.

“At this moment, soft footsteps sounded from upstairs. ”

Cen Yuyan turned around to look.

She saw a slender figure slowly walking down the stairs with a string of Buddhist beads in his hand.

Cen Yuyan’s eyes lit up when she saw who it was. “Shaoqing! You’re finally down!”

Cen Shaoqing looked at Cen Yuyan with a layer of frost in his eyes. "Repeat what you said just now."

What was Cen Shaoqing doing here?

"Of course, he was here to support her and vent her anger. "

"She was Cen Shaoqing's fourth sister, but ye Zhuo was so arrogant. "

"Cen Shaoqing did not like ye Zao to begin with. This time, Ye Zao had hit the gun's muzzle. "

"Moreover, Cen Shaoqing was the most protective. "

"Although Cen Shaoqing was a Buddhist, if anyone crossed his bottom line, it would be over. "

Who was Cen Shaoqing's bottom line?

"Of course, it was her fourth sister! "

"Cen Yuyan became more and more proud and began to complain, "Shaoqing, you also know that Chenyu is my best friend. She is an extremely kind-hearted girl, but is kindness enough for ye Zhuo to bully her as he pleases? "Chenyu was also a victim of that incident, but ye Zhuo actually made Chenyu, the victim, apologize to her! "I asked her to delete her Weibo to clarify that this incident had nothing to do with Chenyu, but she actually scolded me! She called me blind and called me a dog-eater!" "

"Chapter 892: 211: Master Five's domineering online wife protection, Cen Yuyan was beaten into a pig's Head! 1"

“After saying this, Cen Yuyan looked at Ye Zhuo.”

Her eyes were full of pride.

“Next, she could only appreciate how unlucky ye Zhuo was.”

“Song Chenyu was her best friend. Ye Zhuo deliberately made things difficult for song Chenyu, which was to make things difficult for her.”

Although Cen Shaoqing had a total of four sisters.

Cen Shaoqing respected her the most.

1

Ye Zao would definitely die a horrible death.

Cen Shaoqing had better kick ye Zao.

At this moment.

PA —

A crisp slap sounded in the air.

Cen Yuyan’s head was hit hard and a bright red palm print instantly appeared on her left cheek.

It was extremely shocking.

Her eyes were dazzled and she was completely stunned.

She didn't expect Cen Shaoqing to make a move on her.

She even thought that it was an illusion.

But the intense pain on her face reminded her that this wasn't a dream.

“Why would cen Shaoqing make a move on her, this fourth sister! ”

The person who should be hit should be ye Zhuo.

There was a mistake.

Cen Shaoqing must have made a mistake.

“Shaoqing?” Cen Yuyan raised her head to look at Cen Shaoqing. “Look carefully at who I am! I am your fourth sister! The person who should be hit is there!”

“The one who should be slapped is you.” Cen Shaoqing held the Buddha bead with one hand and slapped Cen Yuyan with the other.

Cen Shaoqing did not leave any face for Cen Yuyan with this slap. He directly slapped Cen Yuyan until she fell to the ground and her entire face swelled up.

She was like a pig's head and one could hardly see her original facial features.

Cen Yuyan was in so much pain that she could not even feel anything. Her ears buzzed.

“Ever since she was young, even Zhou Xiang had never slapped her. ”

But today.

Cen Shaoqing had slapped her twice in a row.

“Shaoqing...”Cen Yuyan raised her head and looked at Cen Shaoqing in disbelief.

Cen Shaoqing twirled the Buddhist beads and looked down at Cen Yuyan. “Apologize to searing.”

Apologize?

Apologize to ye searing?

Make Her apologize to ye searing?

Did she hear wrongly?

On what basis?

What right did ye Luoluo have to accept her apology?

“”Shaoqing, what are you saying?”Cen Yuyan almost couldn’t find her voice. “I’m your sister! Your Own Sister!” ”

She was clearly Cen Shaoqing’s most respected sister.

How did things turn out like this?

“I said, apologize to Luoluo unless she forgives you.” Cen Shaoqing’s voice was very faint, but there was a chill in it. “Otherwise, it won’t be as simple as two slaps.” ”

Cen Shaoqing was never a man who hit women.

But Ye Zhuo was his only bottom line.

If anyone dared to touch ye Zhuo.

Not to mention women.

“Even Cen Yuyan, his fourth sister who was related to him by blood, he would still hit them! ”

“Cen Yuyan was angry and in pain, her entire body was trembling. ”

She originally thought that Cen Shaoqing was only dealing with ye Zhuo.

“She didn’t expect Cen Shaoqing to actually hit her, his fourth sister, for Ye Zhuo. ”

It was a great humiliation!

“To Cen Yuyan, this was a great humiliation. ”

When had she ever been humiliated like this in her life?

“Three, two...” Cen Shaoqing’s thin lips opened and he began to count down to three. There was not a trace of warmth on his cold white skin. ”

Cen Yuyan had never seen Cen Shaoqing like this.

He was so cold that it was terrifying.

He was like the Grim Reaper on the asura arena who was covered in blood. It made people shudder.

Cen Shaoqing had been a vegetarian for a long time.

Cen Yuyan had almost forgotten his true nature.

“He was originally a person whose hands were covered in blood, and his methods were so cold that it made people’s hair stand on end. ”

But Cen Yuyan did not expect that.

There would be a day.

The viciousness on Cen Shaoqing would target her.

They were blood-related siblings.

Did Cen Shaoqing not know that his elder sister was like a Mother?

“For the sake of Ye Zhuo, Cen Shaoqing had already disowned all his relatives? ”

“Just when Cen Shaoqing was about to say ‘three’, Cen Yuyan hurriedly said, “I’m Sorry, Zao Zao, I was wrong! I Won’t dare to do it again in the future! Please have the magnanimity to forgive me!” ”

Cen Yuyan was unable to imagine what unexpected things Cen Shaoqing would do next.

“At the moment, it was still more important to save his life. ”

“Cen Shaoqing turned his head to look at Ye Zao, and his thin lips lightly opened. “Leader, have you calmed down?” ”

“At this moment, CEN Shaoqing seemed to have changed into a completely different person. ”

The sinister look on his body instantly disappeared.

“If he had not seen it with his own eyes, who would believe that this was a person? ”

Leader?

Cen Shaoqing actually called ye Zao Leader!

Could it be that Cen Shaoqing was just putting on a show for ye Zao?

How could this be?

How could Cen Shaoqing fall in love with Ye Zao?

It was clearly old Madam Cen who forced Cen Shaoqing to be together with ye Zao.

What the hell is going on?

Cen Yuyan’s downcast eyes are full of unwillingness.

Chapter 893: 211: Fifth Master’s domineering online wife protection. Cen Yuyan was beaten into a pig’s Head! 2

“Ye Zao’s eyes were indifferent as he looked at Cen Yuyan. “Since fourth sister already knows that she’s wrong, then forget it.””

“Cen Shaoqing lowered his head and looked at Cen Yuyan, “Just because I don’t tell you some things doesn’t mean that I don’t know. I don’t want to ask about your personal matters. “But if you provoke Zao again next time, Don’t blame me for not caring about blood and family ties. “Listen carefully, Luoluo is my final line!””

Final line.

Cen Yuyan never dreamed that ye Zhuo was actually Cen Shaoqing’s final line.

“Then what was she, his fourth sister?”

“In Cen Shaoqing’s heart, did he still have her, his fourth sister?”

Cen Shaoqing’s words made Cen Yuyan break out in cold sweat.

“As he finished speaking, CEN Shaoqing pressed the communication device on his ear. “Come in and take Cen Yuyan away.””

Cen Yuyan did not have time to react before she was taken away by Cen Shaoqing’s two assistants.

He did not care about the relationship between brother and sister at all.

“Cen Yuyan originally thought that this trip would bring justice to Song Chenyu, but she did not expect that not only did she not get justice, but she was even slapped twice by Cen Shaoqing.”

“In the end, she was dragged out like a dead dog.”

Cen Yuyan couldn't accept this at all.

Cen Yuyan was too embarrassed to go back and see song Chenyu after getting into such a sorry state with Ye Zao.

“She was Cen Shaoqing's fourth sister, but she was slapped twice by CEN Shaoqing because of an outsider. Where was she supposed to put her face?”

No.

She couldn't let song Chenyu know that she was slapped by Cen Shaoqing.

It wasn't just that she couldn't let song Chenyu know.

She had to hide it from the others as well.

Cen Yuyan clenched her fists tightly.

The person Cen Shaoqing liked should be song Chenyu.

“If it was song Chenyu, she would definitely not treat herself this way.”

Just wait.

“One day, Cen Shaoqing would regret it.”

Cen Yuyan lowered her head and walked towards the hospital.

“After the doctor saw Cen Yuyan’s injury, he frowned and said, “Miss, are you being abused? Do you need help? Your injury has already caused a slight concussion!””

The doctor had met many women who had been abused.

He had also helped many people to call the police.

“Seeing Cen Yuyan’s injury like this, the doctor subconsciously thought that Cen Yuyan had been abused.”

“Hearing that she had been beaten up by Cen Shaoqing to a mild concussion, Cen Yuyan was even more furious.”

She was Cen Shaoqing’s biological sister.

But Cen Shaoqing had done such a ruthless thing to her!

What was so good about ye Zao?

He had actually charmed Cen Shaoqing to this extent.

“Seeing that Cen Yuyan did not speak for a long time, the doctor continued to ask, “Miss, do you need help?””

““Thank you, no need.”Cen Yuyan finally reacted and raised her head to look at the doctor.”

“The doctor nodded and continued, “You need to be hospitalized for observation for three days. Go and settle the hospitalization procedures first.””

“Okay.” Cen Yuyan nodded and stood up to walk to the first floor.

Song Chenyu’s side.

Song Chenyu had been observing the situation on Weibo.

“Logically speaking, Cen Yuyan had already found ye Zao.”

But why had ye Zao not posted a clarification on Weibo?

“Not only did he not clarify, he did not even delete the reply that tagged her.”

What was going on?

Could it be that ye Zhuo was unwilling to delete it?

“However, Cen Yuyan was Cen Shaoqing’s elder sister after all.”

Wasn’t Ye Zhuo afraid of making Cen Shaoqing unhappy?

“She was much younger than Cen Shaoqing to begin with, and there was no love between the two of them. It was all because of Old Lady Cen’s matchmaking...”

“If ye Zhuo offended Cen Yuyan,.”

Would Cen Shaoqing Forgive Ye Zhuo?

Definitely Not!

“Song Chenyu had known Cen Yuyan for a few years. Cen Shaoqing might be cold to outsiders, but he still respected Cen Yuyan as his sister.”

Cen Shaoqing would definitely not fall out with Cen Yuyan over ye Zao.

Therefore...

Ye Zao had to delete Weibo!

He had to apologize and ye Zao had to say it too!

Ye Zi was definitely going to suffer this loss.

“In the end, she would still be the winner in life.”

“Thinking of this, the corners of Song Chenyu’s lips curled up.”

She was waiting for ye Zao to personally post an apology to her on Weibo.

“When that time came, the scene would definitely be lively.”

“Chenyu.”

“Her manager, brother Tao, pushed the door open and entered.”

“”Brother Tao, What’s Wrong?”Song Chenyu looked up.”

“Brother Tao continued, “Chenyu, Miss Ye’s matter hasn’t gone down yet. Try to be careful these few days and don’t frequently log in on Weibo.””

“Okay.” Song Chenyu nodded and continued, “Oh right, brother Tao, I think I should be discharged soon. Don’t I still have two commercials to shoot the day after tomorrow?”

She started shooting commercials before she was fully recovered.

Which female celebrity in the entertainment industry was more dedicated than her?

“Chapter 894: 211: Lord Fifth’s domineering online wife protection, Cen Yuyan beaten into a pig’s Head!
3”

“Hearing this, brother Tao’s expression didn’t look too good. “LD and Louis have already terminated their contracts with us.” ”

“Terminated their contracts?” Song Chenyu frowned. “Just because of this matter?”

“Yes.” Brother Tao nodded. “Although you’ve already posted a response on Weibo, this matter still has quite a big impact on us. There’s no rush to be discharged from the hospital here. You should recuperate properly first. When your body recovers, you can continue working.” ”

“Song Chenyu narrowed her eyes and continued, “Don’t worry, this matter won’t affect us in any way.” ”

Won’t affect us in any way?

“The matter has already been blown to such a big extent, and it still hasn’t affected us? ”

“Brother Tao touched Song Chenyu’s forehead. “Chenyu, you don’t have a fever, right?” ”

“Song Chenyu curled the corners of her lips. “In a while, Ye Zhuo will delete his Weibo and apologize to me!” ”

“Miss Ye apologizes to you? Why?” Brother Tao was stunned. He thought he was hearing things.

“Song Chenyu continued, “I’m also one of the victims in this matter. If song Yiwan didn’t mislead me through Weibo, I definitely wouldn’t have responded to song Yiwan. “I’m innocent. Why should I accept ye Zao’s accusations? “Shouldn’t Ye Zao Apologize to me?” ”

Brother Tao felt that this matter was a little mysterious. “Then can ye Zao agree to it?”

“If ye Zao could agree to it, he wouldn’t have set song Chenyu up. He would have waited for song Chenyu to reply on Weibo before releasing that video. ”

“If ye Zao had released that video before song Chenyu replied, would song Chenyu still have replied to Song Yiwan on Weibo? ”

Definitely Not!

“From the beginning until now, Ye Zao had been trying to trick song Chenyu. ”

“She clearly had the video to prove her innocence, but she had insisted on dragging song Chenyu down with her. ”

All of this was ye Zao’s trick.

Song Chenyu narrowed his eyes. “Whether she agrees or not is not up to her.”

“After saying that, song chenyu continued, “When the hot search results come out later, LD and Louis will definitely regret canceling their contracts. When that time comes, just ignore them.”In this world, how could there be so much medicine for regret? ”

“Brother Tao still felt a little incredulous. “Chenyu, are you sure that Miss Ye will post an apology to you on Weibo?” ”

““Yes, I’m sure.”Song Chenyu nodded. ”

Cen Yuyan was personally involved in this matter. Could there be a difference?

“Seeing that song Chenyu was so confident, brother Tao also heaved a sigh of relief. He smiled and said, “If ye Zhuozhen apologizes to you, then this matter is actually a good thing for us.” ”

“Don’t worry.”

“Brother Tao continued, “Then I’ll go back first.” ”

“En.”Song Chenyu nodded.

“After brother Tao left, song Chenyu’s phone rang. ”

“Song Chenyu picked up the phone and the corners of his mouth curled up slightly. He answered, “Hello, Yuyan.” ”

Why was Cen Yuyan Calling?

It was definitely because of the matter with Ye Zhuozhen.

“Although Cen Yuyan had yet to state her intentions, song Chenyu already had an idea. ”

“Cen Yuyan’s face was smeared with medicine, and the redness and swelling had already dissipated a little. However, her voice was a little unnatural. “Chenyu, I’m sorry...” ”

“When he heard the words ‘Sorry’, Song Chenyu’s heart thumped, and he suddenly had an ominous premonition.”

“Song Chenyu tried his best to calm himself down and asked gently, “What’s wrong with Yuyan? Did Something Happen?” ”

“Cen Yuyan continued, “Ye Zhuo isn’t willing to delete Weibo or post an apology. Shaoqing isn’t here, so I can’t do anything to her.” ”

Song Chenyu frowned.

She didn’t expect ye Zhuo to not even give Cen Yuyan face.

What should she do now?

She had already told brother Tao everything.

“Although she did not feel good in her heart, song Chenyu’s voice was still gentle, “It’s Alright, Yuyan. To tell you the truth, I did not expect Miss Ye to apologize to me. Although you are fifth master’s sister, Miss Ye is not the kind of person who looks at others.” ”

“After saying that, song chenyu continued, “Yuyan, you must not feel guilty. I’m already very happy that you can stand up for me. Oh right, Yuyan, where are you now? Why do I feel that something is wrong when I Hear Your Voice?” ”

Cen Yuyan felt extremely wronged when she heard song Chenyu’s words.

She had never been slapped by anyone since she was young.

This was the first time.

What she found the most difficult to accept was that Cen Shaoqing actually hit her because of an outsider.

He even made her apologize to ye Zhuo!

“The more Cen Yuyan thought about it, the more wronged she felt. Her eyes were red, but Cen Yuyan still tried her best not to cry, she continued, “It’s fine. I just have a little cold and my throat isn’t feeling well. Oh right, sunfish, I still have something to do in C city. I Won’t be coming over to see you for a while. I’ll see you in the capital when you return.” ”

Chapter 895: 211: Lord Fifth Domineeringly protects his wife online. Cen Yuyan has been beaten into a pig’s Head! 4

“She was injured now, so she naturally couldn’t let song Chenyu see it.”

“”Okay.”Song Chenyu continued, “Then I wish you all the best.””

“After hanging up the phone, song Chenyu felt that Cen Yuyan was a little strange today, but he couldn’t figure out what was strange about her.”

Song Chenyu frowned.

“However, song Chenyu did not have time to think about what was strange about Cen Yuyan.”

“At first, she thought that ye Zao would definitely apologize to her.”

“Now That Ye Zao did not apologize to her, and she had told brother Tao, she had to call brother Tao to explain.”

“After brother Tao went back, he had been refreshing Weibo’s hot searches. However, after waiting for a long time, he did not manage to refresh the hot searches that ye Zao had apologized to Song Chenyu.”

“At this moment, brother Tao received a call from Song Chenyu.”

“Song Chenyu said tactfully, “Brother Tao, there might be some changes in ye Zhuo’s matter.””

“Brother Tao could hear the hidden meaning in song Chenyu’s words. He frowned and said, “She doesn’t want to apologize again?””

“Yes.” Song Chenyu squeezed out this word from his throat.

“Brother Tao pinched his temples and said with a slightly tired expression, “Alright, you should rest well first. Don’t let your imagination run wild during this period of time.””

“”I know, brother Tao.” Song Chenyu continued, “Sorry for the trouble.””

“It’s alright.”

“After brother Tao hung up the phone, he contacted the public relations department and continued to comment on the release of the release, maintaining song Chenyu’s persona.”

“Fortunately, song Chenyu had a large number of fans. After some fans saw the release of the release, they firmly believed that song Chenyu was also one of the victims.”

“After all, this matter had nothing to do with song Chenyu.”

Song Chenyu’s response did not mention ye Zhuo at all. Song Yiwan was the one who started all of this

“If song Yiwan had not suddenly posted on Weibo to accuse Ye Zhuo, things would not have turned out this way.”

“Song Chenyu browsed through the comments one by one. When he saw that the comments of the netizens were no longer as intense, his expression eased up a little.”

...

On the other side.

Lan Ting Garden.

“After ye Zhuo finished processing the last order, he turned around and looked at Cen Shaoqing. “Have you been busy recently?””

Cen Shaoqing silently closed the video conference that had just been connected. His thin lips opened slightly. “No.”

“On the other end of the screen, looking at the video that had suddenly been cut off, the shareholders looked at each other. They could see the confusion in each other’s eyes.”

“They had been with Cen Shaoqing for a long time, but this was the first time they had seen him having a problem during a video conference.”

“At the last moment when the video went off, they seemed to have heard something.”

It sounded like a girl’s voice.

Was It a girl?

The shareholders had long heard that Cen Shaoqing was in love.

“But they had never seen the legendary female lead, and they did not dare to confirm it.”

“After all, for a man like Cen Shaoqing, who was pure-hearted and abstinent, who ate vegetarian and chanted Buddhism all year round, it seemed a little impossible for him to fall in love.”

“Should we call the fifth master again?”

“Hearing this, everyone looked at each other. No one dared to make a decision casually.”

“Cen Shaoqing seemed to be very refined, but in fact, he was temperamental.”

He was not someone to be trifled with.

“But if he didn’t call Cen Shaoqing, what would happen to the next meeting?”

“At this moment, special assistant Liu pushed open the door and came in. “Fifth master has an urgent matter to deal with. Today’s video conference is canceled.””

“When he said this, everyone started discussing.”

Cen Shaoqing wasn’t the type of person to casually cancel a meeting.

“Moreover, this meeting was so important.”

Could it be that they had encountered some thorny matter?

The heart of a monarch was unpredictable.

“The few shareholders discussed for a long time, but they could not come up with anything.”

“On the other side, Cen Shaoqing turned to look at ye Zhuo and continued, “Leader, do you have any plans?””

“Ye Zhuo said, “I heard that Changling Island in the east continent is quite interesting. If you have time, let’s go over and take a look. I just received a notice from the director that ‘Village 2’ will be able to continue recording after half a month.””

“Sure.” Cen Shaoqing nodded slightly.

The next day.

Ye Zhuo and Cen Shaoqing set off for Changling Island.

Changling Island was a small fishing village.

“The environment on the island was especially good, and the people were simple and honest.”

Ye Zhuo booked a boarding house.

The owner of the boarding house was an elderly couple.

They had no children.

They were especially enthusiastic.

“Although the couple was already over 70 years old, they recognized ye Zhuo at a glance.”

““Little girl! I know you! You’re Ye Zao, Right?””

Ye Zao nodded. "Yes."

"The old lady held ye Zao's hand and continued, "Ye Zao, when we were watching the program, the old couple liked you very much. I didn't expect you to be more beautiful in person than on TV!""

"Chapter 896: 211:5th master's domineering online wife protection, Cen Yuyan beaten into a pig's Head!
5"

Ye Zhuo's performance in 'The village' had increased a lot of his mother's and grandparents' fans.

"After saying that, the old lady looked at Cen Shaoqing who was beside Ye Zhuo. "Is this your brother?" "

"Ye Zhuo smiled and said, "He's my boyfriend." "

Cen Shaoqing was stunned.

He did not expect ye Zhuo to admit their relationship without any hesitation.

"Cen Shaoqing's heart was filled at that moment, and all the sense of crisis disappeared without a trace. He smiled at the old lady and said, "Hello, Old Lady." "

"The old lady nodded. "Hello! Yezi, I think the young man is a good person. Your taste is really good! The two of you standing together are like a perfect couple!" "

"Thank you."

"Yezi, can we, the old couple, take a photo with you?" "

Ye Zhuo nodded. "Of course."

"Old Man, quickly go in and get the camera." "

The old man immediately went in to get the camera.

"Not long after, the old man came out with the camera. He switched the camera to auto-shoot mode and the four of them stood together to take a photo."

Ye Zhuo and Cen Shaoqing played on Changling Island for a week before returning to the city.

Cen Yuyan also boarded the plane back to the capital.

"A week had passed, and there was no longer any trace on Cen Yuyan's face."

"Before boarding the plane, Cen Yuyan sent a message to Zhou Rui, "Dear, I'm back today, the plane leaves at 4 pm." "

"When he received this message, Zhou Rui was sitting in the private room of the KTV, hugging his left and right."

Why did the old woman come back so soon?

He had not had enough fun yet!

Zhou Rui frowned and threw his phone on the coffee table. He loosened his tie in frustration.

"Brother Rui, what happened? Did she make you unhappy?"The female partner in his arms saw that Zhou Rui's expression was not right, so she immediately went over and gave him a kiss."

Zhou Rui held the woman's face and kissed her hard.

Cen Yuyan was almost twenty years older than him.

"How could she compare to these young, beautiful, and energetic girls?"

"You kissed her but not me, Rui Ge, you're too biased." Another female partner came over. "

"Soon, a harmonious sound came from the dim KTV. "

"An hour later, Zhou Rui took out two stacks of cash from his bag and threw them on the table. "These are all yours." "

"Thank you, Brother Rui." The two female companions did not even have time to put on their clothes and stood up to protect the money in their arms. "

"After Zhou Rui put on his clothes, he went to the bathroom to wash his face. After making sure that there was no strange smell on his body, he left the KTV and went to the airport. "

Cen Yuyan's flight was at 4 o'clock.

"It was now 3:30, half an hour away from 4 o'clock. "

"Zhou Rui looked at his watch, then went to the flower shop to buy a bouquet of perfume roses. "

"The moment Cen Yuyan got off the plane, she saw Zhou Rui with fresh flowers in his hands. She ran over with a smile. "Zhou Rui!" "

"Yuyan." Zhou Rui opened his arms and hugged Cen Yuyan.

“From the angle that Cen Yuyan couldn’t see, Zhou Rui’s eyes were filled with disgust.”

“If it wasn’t for money, who would be willing to curry favor with an old woman like Cen Yuyan?”

“CEN Yuyan continued, “It’s been seven days. Have you missed me?” ”

““Yes, even in my dreams.”Zhou Rui handed the rose to Cen Yuyan.”

Cen Yuyan took the rose with both hands and lowered her head to sniff it. Her eyes were filled with happiness.

It was her fortune to be able to meet such a good boy like Zhou Rui.

“Zhou Rui continued, “Yuyan, let’s go quickly. I even ordered a candlelit dinner.” ”

“Really?”Cen Yuyan asked.

Zhou Rui gave her surprises every moment. Being with him made Cen Yuyan feel an unprecedented joy.

“Of course it’s true.”Zhou Rui nodded.

The two of them left the airport together and got into the car.

“Cen Yuyan turned to look at Zhou Rui and asked curiously, “Have you not slept well these few days?” ”

“Why do you ask that?”Zhou Rui asked.

““I see that you have dark circles under your eyes,”Cen Yuyan said.”

“Zhou Rui’s lie came straight out of his mouth. “You weren’t in the capital these few days, so I thought of quickly settling all the matters on hand. This way, when you come back, I’ll have time to accompany you.” ”

“Hearing this, Cen Yuyan was extremely touched. She turned to look at Zhou Rui. “So, you’ve been working overtime these few days to deal with the company’s matters?” ”

“Yes.”Zhou Rui smiled. “But I didn’t work overtime for too long.”

“He already had dark circles under his eyes, yet he still said he didn’t work overtime for too long?”

“Cen Yuyan held onto Zhou Rui’s arm and sniffed. “Zhou Rui, thank you.” ”

“Zhou Rui continued, “As long as I can be with you, I’m willing to do anything. So what if I work overtime?” ”

“Chapter 897: 211: Master Five’s domineering online wife protection, Cen Yuyan was beaten into a pig’s Head! 6”

“You’re So Nice.”

“There was no car in front, so Zhou Rui lowered his head and kissed Cen Yuyan.”

Cen Yuyan’s heart was instantly filled to the brim.

Little did she know that Zhou Rui’s heart was about to vomit.

“Soon, the car stopped in front of a high-class hotel.”

The two of them walked in arm in arm.

“There was a violinist playing the romantic “Serenade” in the hall, and the atmosphere was very good.”

“During dinner, Zhou Rui very considerately cut the steak in front of Cen Yuyan. “Yuyan, I want to discuss something with you.””

“Go ahead.” Cen Yuyan took a bite of the steak.

“Zhou Rui continued, “I want to bring you home to meet my parents.””

Meet My Parents?

Cen Yuyan’s heart raced when she suddenly heard this.

“She and Zhou Rui had been talking for some time, but Zhou Rui had never taken the initiative to bring her home to meet his parents. At first, Cen Yuyan thought that Zhou Rui was concerned about her age.”

“But now, it seemed that she had misunderstood Zhou Rui.”

“If Zhou Rui really cared about his age, he wouldn’t have brought up the matter of meeting his parents.”

Cen Yuyan raised her head to look at Zhou Rui. “Then will your parents mind my age?”

“”No.” Zhou Rui smiled and said, “My parents are very open-minded people. They know that you’re very outstanding, so they want to meet your future daughter-in-law.””

“When she heard the words ‘daughter-in-law’, Cen Yuyan’s face immediately turned red. “What nonsense are you talking about?””

“Zhou Rui looked at Cen Yuyan and asked very seriously, “Don’t you want to be my parents’ daughter-in-law?””

“After saying that, Zhou Rui continued, “If you don’t want to go, I won’t force you. But Yuyan, there’s one thing you must know, and that is that I’m serious about you.””

“Cen Yuyan was afraid that Zhou Rui would misunderstand something and immediately said, “No, no! Zhou Rui, I didn’t mean that. I’m just afraid that uncle and Auntie won’t like me.””

““They won’t.” Zhou Rui held Cen Yuyan’s shoulder. “You’re so beautiful, your temperament is good, and you were born noble. It’s more like my parents are secretly happy to have a daughter-in-law like you. How could they not like you?””

“Really?” Cen Yuyan raised her head and asked.

“Of course it’s true.” Zhou Rui nodded.

“Cen Yuyan continued to ask, “Then when are we going to see uncle and Auntie?””

““That depends on when you have the time,” Zhou Rui continued, “My parents said that they will try their best to cooperate with you.””

Cen Yuyan lowered her head and thought for a moment. “Then let’s do it this Saturday.”

““Okay.” Zhou Rui nodded. “As long as you have no problems, then we have no problems.””

““Zhou Rui, thank you.” Cen Yuyan hugged Zhou Rui.”

“Zhou Rui smiled and said, “What nonsense are you talking about! You are not allowed to say thank you to me in the future!””

“Cen Yuyan continued to ask, “Oh right, Zhou Rui, do uncle and Auntie have any interests or hobbies?””

This meant that the Zhou family’s parents had to prepare a gift for the meeting.

“Zhou Rui narrowed his eyes and continued, “My father is a snob and likes to collect antiques. My mother is especially vulgar and likes jewelry.””

“After spending so much time with Cen Yuyan, Zhou Rui understood Cen Yuyan too well.”

“Cen Yuyan would either not make a move, or as long as she made a move, she would not send those cheap goods, which could easily reach six or seven figures.”

“When he thought of how he could earn a huge sum of money again, Zhou Rui could not be more excited.”

“Cen Yuyan nodded and had a rough idea in her heart. “You’re so condescending and elegant, especially vulgar. Zhou Rui, is that how you talk about uncles and Aunties?””

Zhou Rui pulled Cen Yuyan into his embrace. “You’re not an outsider. Could it be that you’re going to complain in front of my parents?”

Cen Yuyan was overjoyed that this sentence was not an outsider.

The details determined everything.

“From the details, it could be seen that Zhou Rui had already treated her as one of his own.”

“Cen Yuyan smiled and said, “How do you know that I won’t complain to uncle and Auntie?””

“If you dare to complain, then I’ll punish you.”

“How will you punish me?”

“Zhou Rui’s hand slipped into Cen Yuyan’s clothes. “This way, or this way.””

“Aiya! You’re so bad.” Cen Yuyan smiled sweetly.

“It was Cen Yuyan’s first day back today, so Zhou Rui was definitely going to accompany Cen Yuyan.”

It was not until the next morning that Zhou Rui returned home.

“Although the Zhou family’s family background was ordinary, because of Song Chenyu, the Zhou family was currently living in a luxurious villa. They even hired two nannies, so their life was very comfortable.”

“Dad, Mom, I’m back.”

“Zhou Rui entered the house, threw his briefcase on the sofa, and shouted at the top of his voice.”

“Rui Rui is back.”

Chapter 898: 211: Lord Fifth’s domineering online wife protection. Cen Yuyan’s head has been beaten into a pig’s Head! 7

Mother Zhou came out from inside.

Mother Zhou was fifty-six years old this year. Her skin was very white and her cheekbones were high. Her eyes were hanging from the top and her body was plump. One look and one could tell that she was not an easy person to get along with.

“Where’s My Dad?”Zhou Rui asked.

“”He went to play cards.”Speaking of this, mother Zhou was very unhappy. “He’s already so old, yet he still goes around fooling around all day! Doesn’t he find it embarrassing?” ”

“At this moment, footsteps came from outside the door. “What are you talking about in front of your son again?” ”

“Did I say something wrong?”Mother Zhou stood up in anger.

“”Alright, Alright, stop arguing.”Zhou Rui drank a mouthful of water. “I came back today because I have something to announce.” ”

“What is it?”Father Zhou looked at Zhou Rui.

Mother Zhou immediately shut up.

The world was so big that it was not as important as her son’s matter.

“Zhou Rui continued, “This Saturday, I’m bringing my girlfriend back.” ”

“When she heard this, mother Zhou said excitedly, “Really? Does that mean I’m going to have a grandchild? Oh right, is the woman from Beijing? She can’t be a non-local! Our family is not like before!” ”

Beijing’s local families were all exceptionally wealthy.

“After all, this was the capital of China.”

“Zhou Rui said, “Don’t worry, she’s a local.” ”

“When she heard this, mother Zhou heaved a sigh of relief and continued, “It’s good that she’s a local. Son, let me tell you, with your conditions, let alone a local, you can even find a heiress.” ”

Zhou Rui was about 1.8 meters tall. He had a good figure and a good-looking face. He had thick eyebrows and big eyes. It was unknown how many young ladies were trying to get close to him.

“Father Zhou continued, “How old is the woman this year?” ”

“39.”

“What?” Father Zhou stood up in surprise. “39?”

“Yes.” Zhou Rui nodded.

“Father Zhou said angrily, “No, I don’t agree! Zhou Rui, are you crazy? Or are all the women in the world dead? You actually found such an old woman!” ”

Zhou Rui was only 20 years old this year.

That woman was almost 40 years old!

Could Father Zhou agree?

“Mother Zhou said, “I don’t agree either! She’s already 40 years old! If people who don’t know saw this, they would think that our family has recruited an old woman! You want such an old woman? Rui Rui! Are you out of your mind?” ”

“Zhou Rui continued, “My girlfriend’s surname is Cen. She’s the Cen family’s fourth young miss.” ”

Fourth young miss?

This title was not something that an ordinary person could use.

“Zhou rui continued, “Father, mother, do you know Cen Fifth Master?” ”

CEN fifth master?

“Although the Zhou family’s parents had just moved to the capital, they had also heard of this name. ”

“After all, in the capital, the title Cen Fifth Master was a symbol of power! ”

It was an existence that covered the skies with one hand.

A person like CEN fifth master was not someone that ordinary people like them could easily meet.

“Father Zhou immediately reacted and said in disbelief, “Your girlfriend is Cen Wu Ye’s Daughter?” ”

“”No.”Zhou rui smiled and said, “Cen Wu ye is not married yet.” ”

“Hearing this, the light in Father Zhou’s eyes instantly disappeared. ”

Mother Zhou also pursed her lips.

“At that moment, she thought that their family had hooked up with some big shot. ”

She did not expect that it had nothing to do with Fifth Master Cen.

“Zhou Rui smiled and said, “Although my girlfriend is not fifth master Cen’s daughter, she is indeed fifth master Cen’s fourth sister.” ”

When he said that.

The Zhou family’s parents were immediately stunned.

“”Rui Rui, what did you say?”Mother Zhou swallowed her saliva. ”

Fourth Sister!

Fifth Master Cen’s fourth sister.

Didn’t this mean that Zhou Rui was going to become fifth master Cen’s brother-in-law in the future?

“The more mother Zhou thought about it, the more excited she became. She almost fainted. ”

Zhou Rui repeated what he had just said. “I said that my girlfriend is CEN Fifth Master’s fourth sister.”

“Is she really CEN fifth master’s fourth sister?”Father Zhou excitedly grabbed Zhou Rui’s hand.

“Yes.”Zhou Rui nodded.

“Father Zhou continued, “In that case, I will be CEN Fifth Master’s fourth sister’s father-in-law from now on.” ”

“Yes.”

“Mother Zhou continued, “Then I’ll be Cen Fifth Master and fourth sister’s mother-in-law?” ”

“Yes.”Zhou Rui nodded again.

“Oh my God!”Mother Zhou was so excited that she pressed her palms together. “How is my son so capable! To think that even CEN fifth master’s fourth sister would throw herself at my son!”

Father Zhou’s face was also filled with glory.

“He had long known that his son was capable, but he did not expect that his son would actually throw himself at someone like Cen fourth sister. ”

“Zhou rui smiled and said, “Now you won’t object to us being together, right?” ”

“Mother Zhou smiled and said, “Although I’m a little old, my family background is still passable.” ”

Chapter 899: 211: Lord Fifth domineeringly protects his wife online. Cen Yuyan has been beaten into a pig’s Head! 8

“Your mother is right.”Father Zhou nodded.

“”Oh right, that Cen family’s fourth young miss is already 39 years old and has yet to get married. Could she be a second-hand woman?” Mother Zhou continued, “Forget it, forget it. On account of the Cen family’s power and influence, I won’t mind this!””

“As long as there was profit to be made, everything was not a problem.”

“Zhou Rui smiled and said, “She hasn’t been married before.””

““Not married before?” Mother Zhou said in surprise, “She’s already thirty-nine years old and still can’t get married! Is she so ugly that no one wants her?””

““Other than being a little old, she’s still pretty good-looking,” Zhou Rui said.”

“Mother Zhou continued, “Rui Rui, then you have to coax this Cen family’s fourth young miss well. You can’t let her be cheated away by others!””

“Zhou Rui patted his chest. “Don’t worry, Cen Yuyan won’t marry without me!””

““Really?” Mother Zhou looked at Zhou Rui and said proudly, “My son is really capable!””

That was the Cen family’s fourth young miss.

“In ancient times, she would have been a princess-like existence.”

Zhou Rui was the prince consort who enjoyed boundless glory.

They were relatives of the royal family.

How could an ordinary person become the son-in-law of the Cen Family?

““Of course it’s true,” Zhou Rui continued. “In order to please you and dad, CEN Yuyan is already selecting gifts for you and Dad.””

“Then when will she come to Our House?” Mother Zhou asked.

“Zhou Rui said, “Saturday.””

“After that., zhou rui continued, “Although Cen Yuyan is the Cen family’s fourth young miss, she is no different from an ordinary woman in my eyes. On Saturday, the two of you don’t have to act too humble. Just put on the airs you should, but don’t overdo it.””

Song Chenyu had specially instructed him about this issue.

Cen Yuyan did not like flattery.

“If the Zhou family’s parents tried to curry favor with Cen Yuyan, Cen Yuyan would look down on them instead.”

“Mother Zhou frowned. “I can’t curry favor, but I can’t overdo it. What do you want me to do?””

“Zhou rui smiled and said, “Wait for Cen Yuyan to curry favor with you. When she comes to curry favor with you, just follow the steps.””

“Mother Zhou’s eyes lit up. She stood up and said, “I understand this. It’s called refusing and welcoming, right?””

“Yes.”Zhou Rui nodded. That was what he meant.

On the other side.

The second episode of country officially began filming.

“Other than song yiwan, the other seven guests had all returned.”

“After what happened, it was impossible for song Yiwan to continue developing in the entertainment industry. Song Yiwan’s position in country was also replaced by another newcomer.”

“With the example from the previous episode, the program team had reduced the exploration segment for this episode.”

“During the break, the assistant ran over. “Sister Chenyu! Sister Chenyu, someone is here to visit!””

Visit?

Song Chenyu narrowed her eyes.

Who was back to visit her?

Lu Xiu?

“At this moment, a handsome figure appeared in song Chenyu’s line of sight.”

He was dressed in a suit.

“Even though he did not see his face, he could already feel that aura.”

This was...

Song Shiyu!

“Third brother!” Song Chenyu immediately stood up from his stool.

Why was song Shiyu Here?

Could it be because of the previous incident?

Was he here to seek justice for himself?

“When he saw song Shiyu, song Chenyu immediately found his pillar of support.”

“Third brother, why are you here?”

Song Shiyu’s expression did not change. “I came to see you.”

“When the director saw Song Shiyu, he immediately went up to him. “CEO song!””

Song Shiyu nodded.

“The director continued, “CEO song, are you and Chenyu brother and sister?””

“Yes.”

“The director looked at song Shiyu in surprise, then turned to look at song Chenyu.”

“Song Chenyu had debuted for so many years, but he had never known that she and song Shiyu were actually brother and sister!”

Song Shiyu’s gaze unintentionally swept across a spot not far away.

A hint of warmth appeared in his pair of cold eyes.

At this moment.

Xiu —

The Shuttlecock flew over.

What a coincidence.

It landed on song Shiyu's face.

Pa..

"Song Chenyu widened his eyes in surprise. "Third brother, are you alright?""

This shuttlecock belonged to ye Zao.

"In order to make a name for himself on the show, ye Zao used chicken feathers and toothpaste boxes to make a shuttlecock. When he was free, he would kick the shuttlecock with Yin Wei."

It would have been fine if it had hit someone else.

However...

This person was song Shiyu.

Song Shiyu was a person with a severe mania. He was temperamental and could not stand the slightest bit of anger.

What is the difference between this action and touching a tiger's buttocks?

"Moreover, song Shiyu this trip is to give her revenge."

He will easily let ye Zhuo off?

“Chapter 900: 211: setting up a trap to torture the scum, peeling away song Chenyu’s true colors, Cen Yuyan collapsed! 1”

The shuttlecock suddenly flew over and smashed into song Shiyu’s face. The atmosphere became strange in an instant.

Director Feng was scared silly.

He hurriedly raised his head to look at Song Shiyu.

He saw that song Shiyu’s left face was smashed with a glaring bruise.

It was over.

It was really over this time.

“Director Feng did not expect that not only did he hit song Shiyu, but he also injured him.”

“Although song Shiyu had been staying in Yun Jing, who did not know the name of the head of the song family?”

Everyone in the circle knew that the song family had killed their father when they were young.

“Now, such a large shuttlecock had hit song Shiyu’s face.”

Wasn’t this a move on the head of the Lord?

“At this moment, two figures ran over. “I’m sorry, I’m sorry, we didn’t mean it!” ”

“Director Feng also reacted at this moment and smiled apologetically. “Director song, I’m really sorry! Sir, you have the magnanimity to not lower yourself to the level of these two little girls. I’ll send you to the hospital first...” ”

“Brother Song?”

“At this moment, Ye Zhuo recognized song Shiyu, who was dressed in a suit and leather shoes. ”

Brother Song?

Ye Zhuo was calling song Shiyu?

“Upon hearing this, song Chenyu narrowed his eyes slightly. ”

Ye Zhuo knew song Shiyu?

Were they very close?

“Song Shiyu was an eccentric person and never got along with others. His only good friend was Bai Jiayu, the successor of the Bai family. ”

“All these years, other than Bai Jiayu, no one could get close to Song Shiyu. ”

“Therefore, Ye Zhuo definitely wasn’t close to Song Shiyu. ”

She just wanted to get close to Song Shiyu.

What a pity.

Ye Zhuo miscalculated.

Song Shiyu was not someone easy to get close to.

Especially young and beautiful women.

“Not only did song Shiyu not like young and beautiful women, but he also had a sense of disgust for such women.”

Very disgusted!

The only person of the opposite sex who could get close to song Shiyu was her sister.

She was a different existence to song Shiyu.

“If ye Zhuo wanted to use that face to attract song Shiyu’s attention, it was simply asking for humiliation!”

Did she really think that the whole world would revolve around her because she was pretty?

She had no self-awareness!

Just wait.

Song Shiyu would definitely give ye zhuo a slap and ask him to apologize to her.

“After being slapped by song Shiyu in front of so many people, would ye Zao still have the face to stay in the program team in the future?”

Thinking of this...

Song Chenyu's eyes were filled with joy.

The anger that had accumulated in his heart over the past few days had disappeared completely.

"Three, two..."

Song Chenyu counted down to three in her heart.

She knew Song Shiyu too well.

"In three seconds, Song Shiyu would definitely be angry."

One!

"When he counted the last word, Song Shiyu raised his eyes slightly, looked at Ye Zhuo, and raised his right hand."

Everything was within Song Chenyu's expectations.

Song Shiyu was about to give Ye Zhuo a slap.

"At this moment, Song Chenyu's heart was in his throat."

"But at this moment, Song Shiyu's raised hand landed on his collar and loosened his tie. "Ye Zhuo? You're here too?" "

"Ye Zao nodded and continued, "I thought I was seeing things! By the way, is your face okay?" "

“It’s fine.” Song Shiyu did not care at all.

Song Chenyu frowned without a trace.

She had thought that Song Shiyu would give Ye Zao a slap.

“After all, if Song Shiyu could not control himself, even her sister could be ruthless, let alone an outsider like Ye Zao.”

Song Shiyu’s reaction was unexpected.

Song Chenyu didn’t expect Song Shiyu to respond to Ye Zao.

Weren’t they not close?

Song Shiyu was never a person who liked women.

“Chen Siyan had waited for Song Shiyu for ten years. She didn’t even ask for status, but Song Shiyu was indifferent.”

Why would Ye Zao make Song Shiyu look at him differently?

“Song Chenyu furrowed his brows, puzzled.”

“At this moment, Song Chenyu thought of Cen Shaoqing.”

Could it be because of Cen Shaoqing?

“After all, Ye Zao was Cen Shaoqing’s girlfriend.”

“For Cen Shaoqing’s sake, Song Shiyu could not be blamed for being more polite to Ye Zao.”

Thinking of this.

Song Chenyu was depressed again.

“If it was not for that nosy old woman from the Cen family who insisted on forcing Cen Shaoqing to be with Ye Zao, what would have happened to Ye Zao Now?”

Song Chenyu now deeply regretted that she did not curry favor with old Mrs. Cen back then.

“Back then, if she had coaxed old Mrs. Cen to be happy, would Ye Zao still have the chance to ascend to the throne?”

Why didn’t she think of coaxing Old Mrs. Cen?

“She had clearly met Cen Shaoqing first, but Ye Zao had taken advantage of her.”

“No matter who it was, they probably wouldn’t be able to accept it!”
