“Chapter 901: 211: setting up a trap to torture the scum, peeling away song Chenyu’s true colors, and causing Cen Yuyan to collapse! 2”

“Just as song Chenyu was feeling depressed, director Feng raised his head in surprise. “Ye, you and CEO song, Do you know each other?””

Ye Zhuo smiled slightly. “We’re friends.”

Song Shiyu nodded slightly. “Yes.”

“When he heard that song Shiyu and Ye Zhuo knew each other, director Feng heaved a sigh of relief.”

It was good that they were friends.

“If they did not know each other, director Feng really did not know how to end things.”

“After all, Song Shiyu’s reputation was well known.”

Friend?

Ye Zhuo’s face was really big. He actually said that she and song Shiyu were friends.

“If it were not for Cen Shaoqing’s words, song Shiyu probably would not have even looked at her twice.”

He did not know how she had the nerve to say such a thing!

“Song Chenyu opened his mouth at the right time. “Third brother, when did you and Yezi Meet?””

““Not long ago,” song Shiyu said concisely.”

“OH.” Song Chenyu nodded.

“Looking at song Shiyu’s indifferent expression, he probably didn’t take ye Zhuo to heart.”

She knew that song Shiyu had given Cen Shaoqing face and barely responded to Ye Zhuo.

“In front of Song Shiyu, Ye Zao was nothing?”

He was not even a small sparrow.

“Ye Zao looked at the two of them in surprise. “Brother Song, are you brother and sister?””

“Yes.” Song Shiyu nodded slightly. “Chenyu is my sister.”

Ye Zao did not expect that song Chenyu and song Shiyu were actually brother and sister.

“When Old Madam Song passed away last year, Song Chenyu was not present. Ye Zao thought that song Shiyu was the only son.”

“OH.” Ye Zhuo nodded slightly.

“Song Shiyu raised his head to look at song Shiyu and continued, “Third brother, it’s not easy for you to come here. I’ll bring you to see where I live.””

Ye Zhuo was too beautiful.

“Although song Shiyu did not have any thoughts towards ye Zhuo right now, just in case, song Shiyu still did not want ye Zhuo to have too much contact with song Shiyu.”

“Alright.” Song Shiyu nodded slightly and followed song Chenyu’s footsteps.

“Yin Wei stood beside ye Zao, she said softly, “Yezi, I was scared to death just now! That was the head of the song family! “It’s a good thing that you know the head of the song family. But speaking of which, I really did not expect song Chenyu and the head of the song family to be brother and sister! “The two of them don’t look alike at all!””

“Ye Zhuo raised his eyebrows slightly. “Actually, I didn’t expect that they were brother and sister.””

“Yin Wei continued, “I heard that song Shiyu killed someone.” After all, a person whose hands were stained with blood was different from an ordinary person. There was a sense of ruthlessness that ordinary people could not resist.”

“I’m not too sure.” Ye Zhuo’s expression was indifferent.

“Seeing that ye Zhuo did not seem to be interested in this matter, Yin Wei did not continue speaking. She followed ye Zhuo into the house.”

“Ye Zao found the medical kit that he carried with him. He took out a bottle of ointment and handed it to Yin Wei. “Wei Wei, go and give this to Song Shiyu. I’ll go to the kitchen to take a look.””

“Due to Guan Li, song Shiyu’s face was not only bruised but also swollen. If he did not apply some ointment, it would probably take about a week for the bruise to disperse.”

Yin Wei hurriedly waved her hand. “I’m afraid. I’m not going.”

“Although song Shiyu did not do anything, Yin Wei was still afraid. She did not even dare to look up at him. Just one more look and her scalp would go numb.”

That kind of fear was emitted from deep within her bones.

“Ye Zhuo smiled and said, “Look at how useless you are! No matter how terrifying song Shiyu is, he’s just a human. He can’t eat you up.””

““I’m not going anyway,” yin wei continued, “There’s no use trying to provoke him.””

“Ye Zao continued, “Then go to the pot and watch the fire. I’ve just boiled the chestnuts and they’re almost cooked now. If the water in the pot has been boiled dry, add more water. Don’t let it Burn.””

““Okay, I’ll go now.”Yin Wei quickly ran toward the kitchen.”

Ye Zhuo took the ointment and went to where song Chenyu was resting.

“Standing outside, he could vaguely hear song Chenyu’s voice coming from inside.”

““Third brother, why didn’t you inform me beforehand that you were coming to see me? I could have arranged for my assistant to pick you up at the airport in advance.””

Song Shiyu’s tone was indifferent. “There’s no need to go through so much trouble.”

Ye Zhuo did not have the habit of listening to the corner of the wall. He reached out and knocked on the door.

“Who is it?”Song Chenyu asked.

“It’s me.”

It was ye Zhuo again.

Song Chenyu's eyes were filled with disdain.

What was Ye Zhuo doing here?

Wasn't he just trying to seduce Song Shiyu.

It was really too disgusting!

"Standing behind the door, Song Chenyu adjusted his expression and smiled. "Yezi, why are you here?""

Ye Zhuo took out the ointment. "This is the ointment for promoting blood circulation and removing blood stasis. Please pass it to Brother Song."

"Chapter 902: 211: setting up a trap to torture the scum, peeling away Song Chenyu's true colors, causing Cen Yuyan to collapse! 3"

Ointment?

Song Shiyu would never use such a useless ointment.

Ye Zhuo was really shameless.

He actually used the excuse of delivering the ointment to approach Song Shiyu.

Did he really think that Song Shiyu would spare her a second glance?

“Song Chenyu was just about to reject when a slender arm came over from behind song Chenyu and took the ointment from ye Zuo. His voice was slightly lowered as he said, “Thank you.” ”

Song Chenyu raised his head and looked at song Shiyu in disbelief.

She thought that song Shiyu would directly ignore ye Zao.

She did not expect that song Shiyu would actually accept it.

“Don’t say that.”Ye Zao’s red lips parted slightly. “The injury on your face was caused by me. I should be responsible for it.”

“Song Shiyu smiled and said, “My skin is rough and my flesh is thick. Actually, it’s nothing. I’ll be fine after one night.” ”

“”Even though my skin is rough and my flesh is thick, I still need to apply the ointment that needs to be applied,”ye Zao said in a shallow voice. “This ointment is applied every two hours. The effect is very good.” ”

“Okay.”Song Shiyu nodded slightly.

“Ye Zao continued, “If there’s nothing else, I’ll go back first.” ”

“Okay.”

“Song Chenyu looked at Ye Zao’s back and narrowed his eyes. He then looked up at song Shiyu and said, “Third brother, I see that you and Miss ye seem to be very familiar with each other?” ”

“”Not really,”song Shiyu said concisely. After saying this, he walked into the house. ”

“Upon hearing this answer, song Chenyu inexplicably heaved a sigh of relief. ”

“This meant that in song Shiyu’s eyes, Ye Zao was not any different from other women. ”

Ye Zao returned to the kitchen.

“Yin Wei was peeling chestnuts while waving at ye Zao. “Yezi, the chestnuts are already ripe.” ”

“Are they good?”Ye Zhuo asked.

“They’re good.”Yin Wei hurriedly nodded. “They’re soft and sticky! Try One!”

Ye Zhuo took the chestnuts that Yin Wei handed over.

The taste was indeed not bad.

“The texture was not only soft and sticky, but also especially sweet. ”

“In order to maintain his figure, Yin Wei did not dare to eat another one. ”

Ye Zhuo ate five or six in a row.

“Yin Wei looked at ye Zhuo enviously. “Ye, you said that you eat more than me every day and drink more than me. Why Can’t you gain weight?” ”

“Ye Zhuo looked back slightly and smiled. “If you wake up at 5:30 tomorrow morning to run with me, you won’t gain weight.” ”

5:30 am?

Yin Wei shook her head. "I can't get up at 5:30 am." She would rather eat less than get up so early.

"Ye Zhuo scooped the chestnuts out of the pot and asked Yin Wei to send them to Wei Xingzhi and Chang Yu for a taste. Then, he gave some to the program team staff."

"Although they were recording the program, Ye Zhuo always made more when she was cooking. Therefore, the staff had a good impression of her."

...

In song Chenyu's lounge.

"Third brother, when are you going back to the East continent this time?"

"The weather in the east continent is good, and the scenery is also not bad. It's not easy for you to come here, so you must play for a few more days! Our program is about to end, and I'll bring you around when the time comes!"

"..."

"Song Shiyu just sat there with his lips slightly pursed. Song Chenyu asked five or six questions in a row, but he did not answer any of them. His beautiful face seemed to be covered in a layer of mist, making it impossible for others to see his true thoughts, there was not even a hint of expression."

It was like a statue that could breathe.

"Although song Shiyu did not answer her, song Chenyu did not mind at all."

It was because she understood song Shiyu.

“Song Shiyu was such a person. When he did not want to talk, no matter how much the other party said, he could not be bothered to say a single word.”

“Only she could talk so much to song Shiyu. If it were anyone else, they would not even have the right to stand in front of Song Shiyu.”

“She had been filming for so many years, and this was the first time song Shiyu had come to the set to see her.”

This also meant that her position in song Shiyu’s heart was getting higher and higher.

“At this moment, Song Shiyu suddenly raised his eyes and looked at song Chenyu. “You can go out first.””

“Song Chenyu was stunned at first, then he smiled and said, “Alright, third brother, take a good rest first. I Won’t disturb you anymore.””

“Okay.”

Song Shiyu turned around and walked out.

““Close the door,” song Shiyu’s voice was heard.”

Song Shiyu closed the door.

“Looking at the closed door, song Shiyu pinched his temples. There was a hint of fatigue between his brows. Then, he picked up the ointment on the table and smeared it on his face bit by bit.”

“In a moment, song Shiyu seemed to have suddenly thought of something. He picked up a tissue and wiped off all the ointment on his face.”

“Looking at himself in the mirror, Song Shiyu’s lips curled into a faint smile. He raised his hand and drew the shape of the bruises on his face bit by bit.”

“Chapter 903: 211: setting up a trap to torture the scum, peeling away Song Chenyu’s true colors, Cen Yuyan broke down! 4”

“Soon, it was time for lunch. Song Chenyu came to deliver food to Song Shiyu.”

““Third brother, it’s time to eat. Today, we have your favorite, stir-fried eggs with Chinese toon. The Chinese toon in this village is all natural and organic, and it tastes especially good.” ”

Song Shiyu lowered his head and glanced at the food Song Chenyu brought over. “Don’t you have brown sugar ginger water?”

Brown sugar ginger water?

Song Chenyu was stunned for a moment before he quickly reacted. He had no idea when Song Shiyu had gotten used to drinking brown sugar ginger water like it was boiled water.

“I’ll Cook it for you right away.”

Song Chenyu went to the kitchen to cook brown sugar ginger water.

“Soon, a bowl of warm brown sugar ginger water was ready. “Third brother, you can start eating now.” ”

Song Shiyu drank a mouthful of brown sugar ginger water before starting to eat.

“After eating, Song Shiyu ate a few anti-stress pills and walked around the courtyard. When he arrived at the courtyard, he ran into Yin Wei who was running in from outside.”

“When she saw Song Shiyu, Yin Wei subconsciously took a step back. “Song, CEO Song.” ”

Song Shiyu acted as if he didn't see Yin Wei. He turned a deaf ear and was as cold as an ice sculpture.

Yin Wei shivered. She didn't dare to look at Song Shiyu anymore.

In fact...

It wasn't that Song Shiyu had any opinions about Yin Wei. It was just that his personality was like this. He wouldn't even give a glance to an unimportant person.

“Yin Wei gulped and quickly ran into the house. Then, she closed the door and covered her chest, looking as if she was still in fear. ”

“Seeing her like this, Ye Zao smiled and said, “What's wrong? Did you run into a Ghost?” ”

Yin Wei saw that there were no cameras around. “Scariest than a ghost!”

“What's That?” Ye Zao raised his eyebrows slightly.

“Song Shiyu!”

Ye Zao laughed softly. “Is Song Shiyu that scary?”

“Yes!” Yin Wei nodded very seriously. “Very!”

“You're too timid.” Ye Zao poked Yin Wei's forehead.

“Yin Wei said, “It’s not that I’m timid, it’s just that song Shiyu is too scary.” ”

Ye Zao took out a straw hat and put it on his head. “Let’s go quickly.”

“Where are we going?”Yin Wei asked.

“Ye Zao said, “The program team has arranged for rice transplants! Teacher Wei, Chang Yu, and the others have already gone over. There’s a total of eight plots of land. Let’s go early and come back early. We’ll come back in the afternoon to make delicious food.” ”

“Upon hearing that there was delicious food, Yin Wei’s eyes lit up. “I want to eat beggar’s Chicken Tonight, and I also want to eat spicy crayfish...” ”

“Then let’s go quickly.”Ye Zhuo put the remaining straw hat on Yin Wei’s head.

Yin Wei took a deep breath and followed behind ye Zhuo.

“The two of them came to the courtyard, but Song Shiyu was still standing there. ”

“Brother Song.”Ye Zhuo took the initiative to greet him.

Song Shiyu looked back slightly. “Where are you going?”

“”To the fields to transplant rice seedlings,”ye Zhuo answered. ”

Transplant?

What was transplanting rice seedlings?

Song Shiyu frowned without leaving a trace.

“Ye Zhuo saw song Shiyu’s confusion and explained, “Transplanting rice seedlings is to transplant rice seedlings into rice fields.” ”

“OH.” Song Shiyu nodded slightly.

“Ye Zhuo continued, “The scenery in the village is very good. If brother song is free in the afternoon, you can also go out for a walk. It’s not good to stay indoors all the time.” From the color of Song Shiyu’s skin, it could be seen that.., he is not a regular exerciser. ”

Even the sun is rare.

“Yes.” Song Shiyu then nodded.

“That I and only left first.” Ye Zhuo took Yin Wei to go out of the house.

“Yin Wei curiously way: “Leaf, you and song Shiyu how to know?” ”

Ye Zhuo way: “I see a doctor for his grandmother.”

“”Leaf, you really know medical skill?” Yin Wei surprised way. ”

“”Yes.” Ye Zhuo nodded slightly. “I’ve already told you. I’m a godly doctor, the kind that can match a Hua Tuo.” ”

“Yin Wei was about to believe him when she heard the second half of ye Zhuo’s sentence. She smiled and said, “You’re Bluffing!” ”

“”If you don’t believe me, then forget it.” ”

The two girls chatted and laughed as they walked out.

“In a short while, they arrived at the paddy field.”

Wei Xingzhi and Chang Yu were already planting rice seedlings in the field.

“It was the first time for both of them to plant rice seedlings. Although it was not very beautiful, Wei Xingzhi and Chang Yu had already made a great breakthrough.”

“After all, they had never seen it before.”

Ye Zao neatly rolled up his pants legs and went down the field without even frowning.

“Yin Wei followed behind ye Zao and went down the field. However, she was frightened by a leech and screamed.”

“What’s Wrong?” Ye Zao turned around to look at her.

“There are leeches!”

“Taking advantage of the fact that he was not paying attention, ye Zao quickly picked up the Leech and threw it away. Then, with a puzzled look, he said, “Where are the leeches? Wei Wei, are you seeing things?” ”

“Chapter 904: 211: setting up a trap to torture the scum, peeling away song Chenyu’s true colors, Cen Yuyan collapsed! 5”

Yin Wei focused her eyes and took a look. “Eh? I clearly saw it just now!”

““You’re seeing things,” ye Zao said with a smile.”

“Yin Wei used her hands to dig again. After confirming that there were no leeches, she was finally relieved.”

“Everyone went out to work. In the blink of an eye, only song Shiyu was left in the small courtyard.”

“Song Shiyu wanted to go back to his room to rest, but he heard ye Zhuo’s voice, so he pushed the door open and walked out.”

“Walking along the small path, it didn’t take long for him to see an open field.”

“It was the time when the farmers were busy, and there were busy figures in almost every paddy field.”

There were unknown little flowers blooming on the edge of the field.

“Gusts of breeze blew over, sweeping up the faint fragrance of the flowers, making people feel relaxed and happy.”

“Although the scenery in the fields was beautiful, song Shiyu was not in the mood to appreciate it. Just as he was about to go back, his gaze swept past not far away.”

A slender figure came into view.

“The girl’s facial features were as clear as jade, and her temperament was as elegant as an orchid. However, there was also a bit of unruly unruliness about her.”

Extremely Beautiful.

And also extremely unruly.

Song Shiyu subconsciously stopped his footsteps.

He looked in that direction.

“By the time song Shiyu returned to the small courtyard, it was already evening.”

The golden sunlight cast a faint layer of light over the small courtyard.

“Seeing that song Shiyu had returned, Song Chenyu immediately went up to him and said with a smile, “Third brother, why don’t you not go back tonight? There happens to be an empty room here!””

“Okay.” Song Shiyu nodded.

“Really?” Song Chenyu was a little surprised.

“She had only asked Song Shiyu to give it a try, but she did not expect song Shiyu to actually agree.”

This made song Chenyu a little flattered.

“Really.”

“Song Chenyu smiled and said, “Then I’ll go clean up your room now.””

The next morning.

Ye Zhuo got up at 5:30 am on time to run.

“He had just run two laps when he ran into song Shiyu, who had gotten up early for morning exercises.”

“Ye Zao.”

“Brother Song.” Seeing song Shiyu, ye Zao subconsciously slowed down his footsteps. His gaze fell on song Shiyu’s face, and he asked curiously, “Didn’t you apply the ointment I gave you?”

“I did. According to what you said, once every two hours.” He did apply it, and it was very punctual.”

“It was just that after applying it, he wiped it off with a tissue.”

Ye Zhuo frowned slightly.

“She had personally concocted that ointment. It was very effective in promoting blood circulation and removing blood stasis. Under normal circumstances, after eight hours, all the bruises on her face would disappear.”

“However, the bruises on song Shiyu’s face were still the same.”

“After saying that, song Shiyu continued, “My constitution is special. Perhaps that ointment has no effect on me.””

“Ye Zhuo nodded slightly. “How about this? When we get back, I’ll give you another ointment to try.””

“Then I’ll have to trouble you.”

“Of course.”

“After running, Ye Zhuo brought another bottle of ointment for song Shiyu. Then, Ye Zhuo began to prepare breakfast.”

...

On the other side.

Beijing.

Today was Saturday. It was also the day that Cen Yuyan and Zhou Rui went home to meet their parents.

“At 6:30 in the morning, Cen Yuyan got up and sat in front of the dressing table to freshen up.”

“In order to meet the Zhou family’s parents, Cen Yuyan specially asked the makeup artist to design a make-up for her that looked very young and youthful.”

“The effect was very good, but the make-up time was a little long.”

“As the makeup artist put on Cen Yuyan’s make-up, she sighed and said, “Miss Cen, Your Foundation is really good. I need at least two hours to put on this kind of make-up for others. With You, one hour is more than enough.””

“Cen Yuyan smiled and said, “Is that so?””

““Of course,”the makeup artist continued, “But it’s also possible that they’re too old. Miss Cen, I don’t think you’re more than 25 years old, right? This youth is really good. Your face is full of collagen.””

How could the makeup artist not know Cen Yuyan’s true age?

She was just speaking human language to others and nonsense to ghosts.

Reality proved that these words were very applicable to CEN Yuyan. How could Cen Yuyan not be happy that a 39-year-old who was approaching 40 years old was said to be less than 25 years old?

“Cen Yuyan smiled and said, “That’s not true. I’m already over 30 years old this year.””

“”Already 30 years old?”The makeup artist had dealt with this group of socialites all year round and his acting skills had long been perfected, he said incredulously, “Oh my God! I couldn’t tell that you were already 30 years old! I thought you were at most 22 or 23 years old!””

“”Not 30, but 39,”Cen Yuyan continued.”

“Oh my God! 39!”The makeup artist was even more surprised.

Cen Yuyan nodded.

“An hour later, the makeup artist applied a layer of make-up spray on Cen Yuyan’s face and said with a smile, “See if there’s anything you’re not satisfied with.””

“Chapter 905: 211: setting up a trap to torture scum, peeling away song Chenyu’s true colors, Cen Yuyan broke down! 6”

Cen Yuyan carefully looked at herself in the mirror.

“Under the thick makeup, the more Cen Yuyan looked, the more beautiful she felt. “Sure, I’m very satisfied. You can go find my assistant to settle the bill. Oh right, you can also take this set of makeup on the table with you.” ”

“The set of makeup on the table belonged to the luxury series and was only opened. Adding up the total price, it was around six figures. Cen Yuyan had always wanted to use the best things for her face.”

“Hearing this, the makeup artist said in disbelief, “Miss Cen, you don’t want these anymore?” ”

“En.” Cen Yuyan nodded. “I’ll give them to you.”

“Thank you, Miss Cen.” The makeup artist hurriedly bowed to thank her. ”

She sighed in her heart. Those flattery just now were not wrong.

“After the makeup artist left, Cen Yuyan opened the wardrobe and chose a familiar dress to change into.  
”

“Just as she changed into the dress, footsteps came from outside the door. “Yuyan.” ”

Cen Yuyan curled her lips slightly and opened the door. “You’re here.”

“Zhou Rui leaned against the door frame and looked at Cen Yuyan. “My Young Miss, are you ready?” ”

Cen Yuyan held up her skirt and twirled in front of Zhou Rui. “Is it Nice?”

“It’s very nice. It’s said that a heavenly immortal has descended to the mortal world.”

Cen Yuyan was so coaxed by Zhou Rui that she couldn’t close her mouth.

“Then, this heavenly immortal, can we set off now?” Zhou Rui continued to ask. ”

“Yes.”

“Then let’s go.” Zhou Rui held Cen Yuyan’s hand.

The two of them walked out of the door together.

“At this moment, CEN Yuyan seemed to suddenly remember something and suddenly stopped walking.  
“Wait a moment.” ”

“What’s Wrong?”Zhou Rui turned around to look at her.

“I’m going into the house to get something.”Cen Yuyan walked into the house.

“Not long after, Cen Yuyan walked out of the house with two beautiful gift boxes. ”

“Zhou Rui’s eyes flashed as he asked, “What’s inside?” ”

“CEN Yuyan said, “It’s a gift for uncle and aunt. I almost forgot about it.” ”

“Zhou Rui said, “If you want to prepare a gift, it should be my parents preparing a gift for you. What kind of gift would a prospective daughter-in-law like you prepare for them? For such a good girl like you to be willing to be with their son, the old couple would be more than happy!” ”

“Cen Yuyan smiled and said, “I’m still a junior after all. Preparing a gift is a gesture and a courtesy.” ”

“I can’t win against you.”Zhou Rui put his arm around Cen Yuyan’s shoulder. “Let’s go quickly.”

“Okay.”Cen Yuyan nodded.

Zhou Rui’s car stopped outside the villa’s door. The two of them got into the car together.

“Not long after, they arrived at the Zhou family home. ”

The Zhou family’s parents were dressed very ceremoniously today.

“After all, Zhou Rui’s girlfriend was not an ordinary person.”

She was the Cen family’s fourth young miss.

“The more mother Zhou thought about it, the more agitated she became. Her hands were trembling.”

“Father Zhou pressed down on mother Zhou’s hand. “Look at you. You look like you’ve never seen the market before. So what if she’s the Cen family’s fourth young miss? In the end, she’s still trying to please us!” ”

“In the end, their son was still very capable.”

“Although his studies were not good and he did not even pass the university entrance exam, he was much better than those who passed the entrance exam to a prestigious university.”

How could those who got into a prestigious university make Cen Yuyan fall for them?

“Hearing Father Zhou’s words, mother Zhou calmed down a little and said with a smile, “You’re right. So what if she’s the fourth daughter of the Cen Family? If she marries into our Zhou family, then she’s a member of our Zhou family!” ”

“At this moment, the sound of a car engine could be heard outside the door.”

“Mother Zhou originally wanted to go out to welcome them, but Father Zhou stopped her. “Now is not the time. Don’t forget Rui Rui’s instructions. We have to put on a good front.” ”

Mother Zhou immediately sounded Zhou Rui’s instructions

“A moment later, the doorbell rang.”

The nanny walked over to open the door.

Zhou Rui walked in with Cen Yuyan.

“Cen Yuyan was the Cen family’s fourth miss after all. Whether it was her appearance or temperament, she was incomparable to ordinary people. The Zhou family’s parents looked at Cen Yuyan and felt a little cold. They couldn’t help but sigh in their hearts at Zhou Rui’s ability. ”

““Yuyan, these are my parents.”Zhou Rui introduced the Zhou family’s parents to Cen Yuyan. ”

“Cen Yuyan hurriedly greeted, “Hello, uncle and aunt.” ”

“Zhou rui immediately followed up, “Father and mother, this is my girlfriend, your future daughter-in-law, Cen Yuyan.” ”

“Mother Zhou was the first to react. She smiled and said, “This is Yuyan! I’ve heard Rui Rui mention you a long time ago. Quickly sit, quickly sit. Just treat this place as your own home. Don’t stand on ceremony.” ”

““Thank you, Auntie.”CEN Yuyan continued, “By the way, Auntie, this is a gift I prepared for you and uncle. It’s a small token of appreciation. I hope you and uncle won’t mind.” ”

“Chapter 906: 211: setting up a trap to torture the scum, peeling away song Chenyu’s true colors, Cen Yuyan collapsed! 7”

“Mother Zhou very well concealed the greed in her eyes and said with a smile, “So what if you came? What’s the point of bringing gifts!””

“Just accept it.”Cen Yuyan stuffed the gift box into mother Zhou’s hands.

Mother Zhou still wanted to refuse.

“Zhou Rui said with a smile, “Mom, this is Yuyan’s filial piety.””

“Mother Zhou smiled and said, “Since it’s Yuyan’s filial piety, then I won’t stand on ceremony.””

“You don’t have to stand on ceremony with me.”

“It was mother Zhou who had been talking to Cen Yuyan the whole time. Father Zhou sat on the sofa and didn’t say a single word. The whole process was like a backdrop. Cen Yuyan found an opportunity to call Zhou Rui out, she said with some worry, “Zhou Rui, is uncle not satisfied with me?””

Zhou Rui was stunned. “You’re so good and so careful. How can my father not be satisfied with you? Don’t let your imagination run wild!”

Cen Yuyan frowned. “But I don’t think uncle has said a single word.”

“Zhou Rui smiled and explained, “My father is that kind of taciturn character. Don’t look at him as if he hasn’t said a single word. In fact, he’s very satisfied with you in his heart! Maybe he even has a name for his future grandson.””

“Hearing this, Cen Yuyan said somewhat embarrassedly, “Really?””

“Of course it’s true.”

“Hearing Zhou Rui say this, Cen Yuyan felt much more at ease, and the two returned to the house again.”

It was soon time for lunch.

“Mother Zhou and the nanny had prepared lunch together, making a table full of dishes.”

It was not until the afternoon that Cen Yuyan proposed to leave.

“Mother Zhou held Cen Yuyan’s hand reluctantly. “Yuyan, you have to come to our house often in the future. I like you very much the moment I see you.””

““Don’t worry, I will.”Cen Yuyan nodded.”

“Mother Zhou continued, “Oh right, Yuyan, I still have something to give you. Don’t be in a hurry to leave.”After saying that, mother Zhou walked into the room.”

“Zhou Rui chimed in, “Mom, what good stuff do you want to give Yuyan? I’m telling you, you can’t be biased.””

“So what if I’m biased!”

“Zhou Rui tilted his head to look at Cen Yuyan and said with a bitter face, “Yuyan, my mom is a classic case of having a daughter-in-law and forgetting her son.””

Cen Yuyan lowered her head in embarrassment.

She originally thought that the Zhou family’s parents would have a lot of opinions about her.

She didn’t expect that this meeting would be so smooth.

“Not long after, mother Zhou walked out of the room with a red cloth in her hand.”

“Mother Zhou walked in front of Cen Yuyan and removed the red cloth layer by layer. Not long after, a jade bracelet was revealed from the red cloth.”

“Cen Yuyan was used to seeing good things. With a glance, she could tell that this was a worthless fake.”

A worthless fake. Was It Worth Mother Zhou's attention?

Or did she misjudge the Zhou Family?

Cen Yuyan narrowed her eyes.

"Mother Zhou held Cen Yuyan's hand, with red eyes, she said, "Yuyan, this jade bracelet was given to me by Rui Rui's grandmother. Now, I'm passing it to you. In the future, we will be a family. This family doesn't speak in two different ways. In fact, our Zhou family only developed in Rui Rui's hands. In the past, we were farmers digging for food in the fields. This bracelet is a fake. It's not worth anything at all! "I know that rich young ladies like you will definitely not like this kind of thing! "But in our Zhou family, it is not as simple as a bracelet. It represents the Zhou family's inheritance!""

"In fact, this bracelet was not passed down from Zhou Rui's grandmother at all. This was why mother Zhou bought three of them at a street stall for 100 yuan."

It was to fool Cen Yuyan.

Mother Zhou was very cheeky. She could not bear to spend money to buy a real jade bracelet for Cen Yuyan.

"Hence, she made up such a lie."

"How could Cen Yuyan see through Mother Zhou's tricks? She was extremely touched. "Auntie, don't worry. I will definitely treasure this bracelet.""

"Good child."Mother Zhou nodded in satisfaction and helped CEN Yuyan put the bracelet on her hand.

"Then, the Zhou family's parents personally sent Cen Yuyan into the car and instructed Zhou Rui to drive carefully."

“Looking at the car that disappeared into the distance, the Zhou family’s parents removed all the disguises on their faces. The two of them walked back into the house and opened Cen Yuyan’s gift.”

“Cen Yuyan gave Father Zhou a set of antiques, while she gave mother Zhou a set of luxury accessories.”

“Mother Zhou sighed, “In the end, it’s the Cen family’s fourth young miss. She’s really generous. She’s much better than that wretched girl! Our son is really capable, unlike that wretched girl!””

“Father Zhou looked at mother Zhou and continued, “This matter is all thanks to Chenyu. If it wasn’t for Chenyu pulling strings, Rui Rui Rui wouldn’t have been able to get to know Cen Yuyan. So don’t keep talking about that wretched girl, keep talking about her!””

“Chapter 907: 211: setting up a trap to torture the scum, peeling away song Chenyu’s true colors, Cen Yuyan collapsed! 8”

““She was a wretched girl to begin with!”Mother Zhou continued, “Our Rui Rui is more beautiful and elegant than pan an. Even without that wretched girl, Cen Yuyan would still fall for her!” ”

“Father Zhou smiled and said, “This sentence is indeed correct. In the future, our old Zhou family will rely on Rui Rui to carry forward!” ”

“Mother Zhou’s face was filled with a proud smile, “That’s right. If this were in ancient times, our Rui Rui would be the emperor’s son-in-law! I heard Rui Rui say that fifth master cen is an unmarried man. When that time comes, everything in the Cen family will belong to our old Zhou family!” ”

...

The second episode of the village’s program had already ended. Cen Yuyan directly asked Zhou Rui to send her to song Chenyu’s residence.

“Zhou Rui looked at Cen Yuyan and said with some jealousy, “What good friend? is he more important than me?” ”

“Cen Yuyan smiled and said, “He’s a very good friend. Don’t worry, I’ll introduce the two of you to each other when I have time.” ”

“Okay.”Zhou Rui nodded.

Cen Yuyan then instructed Zhou Rui to drive carefully before walking inside.

“Song Chenyu knew that Cen Yuyan was coming, so he waited at home early. “How do you feel about meeting your parents today?” ”

““Very good.”Cen Yuyan smiled and said, “Look, this is the legacy bracelet his mother gave me.” ”

“Song Chenyu smiled and said, “In that case, their family already thinks of you as their future daughter-in-law?” ”

““En.”Cen Yuyan nodded and continued, “Right, when do you think I’ll bring Zhou Rui to meet our family?” ”

“Song Chenyu hesitated for a moment, then said, “It’s fine to meet your family, but don’t let Zhou Rui meet miss ye for the time being.” ”

“Why?”Cen Yuyan asked.

“Song Chenyu said, “Because Miss Ye is too outstanding. Even Lu Xiu was attracted by Miss Ye. I’m afraid...”the rest of his words were self-evident. ”

Cen Yuyan’s face immediately darkened.

Why was Ye Zhuo so Shameless?

Cen Yuyan became even angrier when she thought of the two slaps Cen Shaoqing had given her. She wished that Ye Zhuoyuan could die on the spot.

“Song Chenyu patted Cen Yuyan’s hand and continued, “But don’t worry. All of this is just my guess. Maybe Zhou Rui isn’t the kind of person I think he is.” ”

“CEN Yuyan continued, “Tomorrow is my second sister’s child’s birthday party. Chenyu, come with me to the birthday party.” Old Mrs. Cen had already explicitly forbade her from bringing song Chenyu to the CEN family. ”

“However, she had to create an opportunity for song Chenyu and Cen Shaoqing. ”

The birthday party this time was not bad.

“Me?” Song Chenyu hesitated. “Isn’t this not too good?”

“”You’re my best sister. What’s so bad about this!” CEN Yuyan continued, “It’s settled then!” ”

“Then... Alright.”

Cen Yueya’s child was 10 years old this year.

The birthday party was very grand. Almost all the high officials and nobles in the capital had arrived.

“The moment Cen Yuyan and song Chenyu entered, they saw ye Zhuo and Lu Xiu standing together. They were far away, so they couldn’t hear what the two were talking about. However, they could see that Lu Xiu’s face was full of smiles. ”

“Shameless!” Cen Yuyan’s expression was very ugly.

Song Chenyu patted Cen Yuyan's hand.

"Lu Xiu admired ye Zao very much. After discussing technology issues with ye Zao for a while, he continued, "Father Ye, when you say you like someone, do you place this love in your heart and then silently protect her, watching her be happy?" "

"Lu Xiu didn't have many good friends, and no one usually gave him any ideas. "

"Although ye Zao was young, he was better than him in all aspects. "

"Ye Zhuo frowned without leaving a trace, "This is a scoring situation. If the other party also likes you, you can always protect her and give her happiness. But if the other party does not have any feelings for you and only uses you as a spare tire, then this kind of protection becomes meaningless! "She is not worth it for you to do this. There are plenty of other women in the world, so why must you love a single flower?" "

"But what if the other party has some unspeakable reason for not being able to accept my feelings?" Lu Xiu asked.

"Ye Zhuo smiled and said, "The person you're talking about is song Chenyu, right?" "

"Lu Xiu was stunned. "Father Ye, you can tell?" "

"Ye Zhuo smiled and said, "Ever since song Chenyu appeared, you've been looking in her direction. "You like song Chenyu, but Cen Yuyan liked you before. Because Cen Yuyan is song Chenyu's good friend, Song Chenyu can't accept your feelings because of this problem, right?" "

"Ye Zhuo had actually seen through this twist long ago, but he didn't point it out. "

"Seeing that Cen Yuyan was still being played around by Song Chenyu, Ye Zhuo really couldn't stand it anymore. "

Lu Xiu nodded.

“Ye Zhuo continued, “As far as I know, Cen Yuyan already has a boyfriend. “Why don’t you confess to Song Chenyu again? If song Chenyu likes you, you two can be together. “If she doesn’t have feelings for you, then there’s no need for you to continue protecting her, unless you want to spend the rest of your life alone.” ”

“Cen Yuyan really has a boyfriend?” Lu Xiu raised his head to look at Ye Zhuo.

“Ye Zhuo nodded slightly. “So, if you like her, then be brave and chase after her.” ”

““Father Ye, thank you.” Lu Xiu bowed in excitement. ”

““You’re welcome. We’re all family.” Lu Xiu still called her father. If he and song Chenyu became a couple, then song Chenyu would become her daughter-in-law. ”

The birthday party continued.

“When ye Zhuo finished his sixth dessert, Lu Xiu finally called song Chenyu to the other side. ”

Ye Zhuo’s lips curved slightly.

He put down the half-eaten dessert and walked toward the birthday girl.

“Tian Tian.”

“Little aunt.”

“Ye Zhuo half-squatted down. “Tian Tian, can you do me a favor?” ”

“Okay.”Tian Tian nodded.

Ye Zhuo whispered a few words into Tian Tian’s ear.

“Tian Tian smiled and said, “Don’t worry, little aunt. I Promise I’ll take care of it for you.” ”

“Be Good.”Ye Zhuo patted Tian Tian’s little head.

Tian Tian quickly ran to Cen Yuyan’s side. “Fourth aunt!”

“”What’s wrong, Tian Tian?”Cen Yuyan lowered her head. ”

“Tian Tian continued, “Fourth aunt, I think my pendant fell into the small garden. Can you accompany me to look for it?” ”

“Sure.”Cen Yuyan nodded.

The two of them arrived at the small garden.

“Cen Yuyan turned to look at Tian Tian. “Tian Tian, What’s your pendant...” ”

“At this moment, Tian Tian suddenly made a ‘hush’gesture. “Fourth aunt, it sounds like someone is talking.” ”

“Cen Yuyan focused slightly and indeed, she heard a familiar male voice. ”

“” ... “... Chenyu, I don’t want to continue like this. Previously, because of Cen Yuyan’s matter, you weren’t willing to accept me. Now that Cen Yuyan has found a boyfriend, I don’t know what other concerns you have. I only want an answer from you. Is it that difficult “...” . “...” ”

“Lu Xiu, don't you think that you're too selfish? You Don't really love me. You just want to get me and possess me!” ”

“Sink Fish...”

“Hearing these words, Cen Yuyan's face turned pale and her entire body was trembling. ”

Chapter 908: 212: it's too late to regret. I have half a month's worth of news! 1

“Fourth aunt, What's Wrong?”Tian Tian tugged at the corner of Cen Yuyan's clothes.”

“Cen Yuyan finally reacted. She lowered her head to look at Tian Tian and suppressed the anger in her heart. “Tian Tian, fourth aunt is fine. Don't speak for now.””

“OH.”Tian Tian nodded.

The conversation next door continued.

Cen Yuyan took a deep breath and took a step forward to look at the opposite side.

There was a hibiscus flower in the small garden.

“From Cen Yuyan's angle, she could see the two of them standing face to face. Behind them was a blooming hibiscus flower. Although the night was dark, under the illumination of the street lamps., cen Yuyan could clearly see the expressions on their faces.”

“Lu Xiu, I’ve already told you. Liking doesn’t necessarily mean possessing. You can turn this liking into a blessing and protection! Don’t you want to see me obtain happiness?”

“So, I can’t be the person who gives you happiness, right?” Lu Xiu asked.”

Give her happiness?

A mocking expression flashed across Song Chenyu’s lowered eyes.

Lu Xiu didn’t even take a piss to reflect on himself.

How could he be worthy of her?

“If Lu Xiu wasn’t still useful to her, she wouldn’t even bother to deal with him.”

“Song Chenyu narrowed her eyes and looked up at Lu Xiu. “Lu Xiu, do you have to do this? Isn’t our current situation pretty good?””

“Looking at Song Chenyu in front of him, Lu Xiu felt a little unfamiliar.”

Was the person in front of him still the little girl from back then?

“Lu Xiu exhaled and lowered his voice. “Chenyu, are you using me as a spare tire?””

“Although Lu Xiu really didn’t want to say this,.”

He felt that Ye Zhuo was right.

“Liking meant liking, and disliking meant disliking.”

“If Song Chenyu kept being so ambiguous, then she was using him as a spare tire.”

No man would be willing to be a spare tire for the woman he liked.

“Lu Xiu was almost 30 years old. He was an only child at home, so he didn’t have many years left.”

“Right now, he only wanted an answer from Song Chenyu.”

“Song Chenyu panicked. “Lu Xiu, why do you think this way?””

“Lu Xiu continued, “Chenyu, you’ve always known my intentions. In the past, you couldn’t agree to it because of Cen Yuyan’s concerns. I understand you, but now, Cen Yuyan has already found her own happiness. I don’t understand what other concerns you have! “I don’t want to force you. I only want an answer from you. If you like it, then you like it. If you don’t like it, then you don’t like it. Is this so difficult for you?””

Song Chenyu didn’t know why Lu Xiu had become like this.

“To Song Chenyu, Lu Xiu was the marionette in her hand. It was something in her hand that she could give up everything for.”

“But now, this marionette suddenly had its own thoughts. Song Chenyu couldn’t accept it at all!”

When she heard this.

Cen Yuyan’s already pale face turned pale at this moment.

She had always known.

“In other words, song Chenyu had always known that the person Lu Xiu liked was her. Song Chenyu clearly knew that the person Lu Xiu liked was her, but he still pretended to give her advice and even made her confess to Lu Xiu.”

“She was like a fool, being played around by Song Chenyu.”

“The more Cen Yuyan thought about it, the angrier she got. A sense of humiliation that she had never felt before surged into her heart. She bit her lips tightly, and her entire body was trembling.”

“At this moment, CEN Yuyan could no longer control the monstrous emotions in her body. She rushed over and directly gave song Chenyu a slap before song Chenyu could react!”

Pa..

This slap made song Chenyu dumbfounded.

“Lu Xiu reacted immediately and pulled song Chenyu behind him. He glared at Cen Yuyan. “Cen Yuyan, what are you doing? !””

“”Lu Xiu, this is between me and song Chenyu. Get Out of my way!””

It was also at this moment that song Chenyu reacted. Her heart was filled with panic.

She did not expect Cen Yuyan to hear everything.

How much did Cen Yuyan Hear?

“Song Chenyu tried his best to calm himself down. He walked out from behind Lu Xiu and raised his head. “Lu Xiu, you go first!””

“Chenyu...” Lu Xiu was very worried about song Chenyu.

“Go!”

“Lu Xiu looked at song Chenyu, then turned to CEN Yuyan and warned, “Cen Yuyan, if you dare to hurt Chenyu again, I won’t let you off!””

“Cen Yuyan sneered, “What a pair of lovers! So I’m the only one who’s a fool!””

“”Lu Xiu! Leave quickly!” Afraid that Lu Xiu would say something, song Chenyu shouted at Lu Xiu.”

“Lu Xiu lowered his head and looked at song chenyu, “Call me if there’s anything!””

Chapter 909: 212: it’s too late to regret. I have half a month’s worth of news! 2

“After saying that, Lu Xiu turned around and left. ”

“Cen Yuyan looked at song Chenyu with a mocking smile on her face. “Song Chenyu, you are indeed a qualified actor. You must have worked hard to act in front of me during this period of time, right?” ”

She treated song Chenyu as her best friend.

She had almost no secrets in front of Song Chenyu.

She even tried to get Cen Shaoqing and song Chenyu together.

But what about Song Chenyu?

How did Song Chenyu repay her?

Song Chenyu treated her as a fool.

“Yuyan, things aren't what you think! Listen to my explanation!”

“There's no need to explain.” Cen Yuyan continued, “I have eyes and I can hear too! Song Chenyu, you really make me feel disgusted! You clearly know that the person Lu Xiu likes is you, yet you still pretend to know nothing in front of me! You are a White Lotus!”

“Song Chenyu grabbed Cen Yuyan's hand and cried, “Yuyan, I also didn't know that the person Lu Xiu likes is me. I really didn't know... you are my best friend and Best Sister. How could I lie to you?”

“Now that she heard these words again, Cen Yuyan felt that it was funny and directly shook off Song Chenyu's hand. “Scram! I won't have a friend like you in the future! You're not welcome at tonight's Banquet!”

“After saying this, Cen Yuyan turned around and left without the slightest hesitation.”

Song Chenyu looked at Cen Yuyan's back and frowned tightly. A sense of crisis that she had never felt before surged into her heart.

Tonight's incident had exceeded her expectations.

What should she do now?

She couldn't rely on Lu Xiu anymore.

“No matter what, she couldn't lose Cen Yuyan.”

Song Chenyu narrowed her eyes.

“At this moment, two security personnel walked up to Song Chenyu. “I’m sorry, miss. Please leave this place in ten minutes!” ”

“Okay.” Song Chenyu tried her best to maintain a smile.

Things had already developed to this extent. She had to think of a way to make up for it.

“Under the supervision of the two security guards, Song Chenyu left the banquet venue. ”

“Cen Yuyan ran back into the room, her eyes red. ”

“Cen Yueya saw that something was wrong with her and asked in puzzlement, “Fourth Lass, what’s Wrong?” ”

“Nothing.” Cen Yuyan tried her best to hold back her tears.

“Cen Yueya did not think too much and continued, “Oh right, Have You Seen Lu Xiu? I know that you are interested in him, so I specially invited him here today!” ”

“Although Cen Yuyan was sometimes a little stupid, she was her fourth sister after all. Sisters still had to help each other. ”

Lu Xiu was indeed not bad.

“His character was good and he had the ability. As long as he could take a liking to Cen Yuyan, this was also a good fate. ”

“In fact, Cen Yuyan was very good in all aspects, except that she didn’t have an advantage in age. ”

“Fortunately, Lu Xiu was more stable.”

“Cen Yueya smiled and patted Cen Yuyan’s shoulder. “I found someone to understand Lu Xiu. Lu Xiu is indeed a very good person. If the two of you really succeed, Mom will definitely be very happy. You should make good use of this opportunity.” ”

“Hearing this, Cen Yuyan almost cried.”

The only people who truly cared for her were her biological sisters.

Unlike song Chenyu!

“She clearly knew that Lu Xiu’s heart belonged to someone else, yet she still deliberately let her humiliate herself in front of Lu Xiu!”

“Cen Yuyan raised her head and looked at Cen Yueya. “Second sister, thank you. I know that you’re doing this for my own good, but I already have a boyfriend now. Didn’t mom tell you?” ”

Already have a boyfriend?

Cen Yueya looked at Cen Yuyan in surprise. “Who’s your boyfriend? Didn’t you like Lu Xiu before? Why did you change your heart so quickly?”

“CEN Yuyan continued, “This matter is more complicated. It Won’t be clear in a short time. You just need to know that I already have a boyfriend now!” ”

“Who is he? where is he from? Is he reliable?”Cen Yueya followed up with a question.

“Cen Yuyan said, “He’s not from the capital. His family background is average, but don’t worry, his character is definitely not a problem.” ”

“Cen Yueya nodded. “As long as his character is good, there’s no problem.” ”

“To reach the Cen family’s height, there was no need for any form of marriage. Therefore, family background was not important, but character was the most important. ”

“CEN Yueya added, “You should also be more careful. Don’t be deceived by others!”! “Oh right, I saw that you even brought song Chenyu over. You should be very clear about what song Chenyu is thinking. Fortunately, Grandma didn’t come tonight. Otherwise, she would definitely scold you!” ”

“Old Mrs. Cen had something urgent to attend to, so she didn’t attend Tian Tian’s birthday party. Otherwise, according to Old Mrs. Cen’s personality, she would definitely scold Cen Yuyan until she was drenched in blood. ”

Chapter 910: 212: it’s too late to regret. I have half a month’s worth of news! 3

“Cen Yuyan bit her lip. “Second sister, don’t worry. I Won’t interact with song Chenyu ever again! I’ll Pretend I don’t know this person from now on!””

Cen Yueya looked at Cen Yuyan in surprise and reached out to touch her forehead. “You have a fever?”

“No Fever.”Cen Yuyan took Cen Yueya’s hand away. “I just saw her face clearly all of a sudden! I never knew she was that kind of person!”

Cen Yuyan still couldn’t help but cry when she said this.

She was really sad.

“She had always treated song Chenyu as her best sister, and even took two slaps from Cen Shaoqing for Song Chenyu.”

But what about Song Chenyu?

Song Chenyu played her like a fool!

What she really got in return was a fool.

“Perhaps in song Chenyu’s eyes, she was a fool.”

“When she thought of this, Cen Yuyan’s eyes were filled with ridicule.”

“Although Cen Yuyan was not a smart person and sometimes liked to meddle in other people’s business, this did not mean that she was a girl who loved to cry.”

“When she saw Cen Yuyan Cry, Cen Yueya jumped in fright and hurriedly said, “What’s wrong? Who bullied you?””

“Cen Yuyan just happened to have a stomach full of grievances to say. She hugged CEN Yueya and said, “Second sister, Song Chenyu lied to me! She played me like a fool...””

“”What’s going on? Tell second sister. When the time comes, second sister will help you vent your anger.””

Cen Yuyan hugged Cen Yueya and sobbed as she told her what happened.

“Hearing this, Cen Yueya frowned tightly, “Grandma has long reminded you that song Chenyu is a scheming person. In the entertainment industry, which one of them doesn’t know how to Act? Learning from your mistakes is actually a good thing for you!””

“Cen Yuyan cried until she was out of breath. “I just feel very uncomfortable. I treated her so well, but she treated me like this! She clearly knew Lu Xiu’s intentions, yet she still incited me to confess to Lu Xiu...””

“Okay, okay, Don’t cry anymore. As long as you see clearly what kind of person she is,” cen yuaya continued, “In the future, be more careful when you make friends. You’re already in your thirties this year, why are you acting like a child? “You can’t even differentiate between good and bad. If you had listened to Grandma’s words earlier, you wouldn’t have ended up like this!””

Cen Yuyan was also very regretful.

She regretted not listening to Old Madam Cen’s words.

“Cen Yueya patted Cen Yuyan’s shoulder and continued, “Don’t you already have a new boyfriend now? Oh right, when are you going to bring her back for us to see?””

Cen Yuyan’s mood eased up a lot when Zhou Rui was mentioned.

At least she still had love after losing her friendship.

“Let’s Wait a little longer,” Cen Yuyan continued.”

“CEN Yueya said, “You’re almost forty years old. Bring him back as soon as you can. Don’t let mom and Grandma Worry About You every day.””

“Okay.” Cen Yuyan nodded.

“Cen Yueya took a tissue to wipe Cen Yuyan’s eyes and continued, “You want to rest for a while. I’ll go out and entertain the guests. Your second brother-in-law might not be able to handle it by himself.””

“Alright, second sister, you can go.””

“Don’t be sad.”

On the other side.

Tian Tian ran to ye Zao's side. "Little aunt!"

"Tian Tian."

"Tian Tian continued, "Little aunt, I've completed my mission!"

"Tian Tian is so awesome!" Ye Zao patted Tian Tian's little head.

"Little aunt, I'm so awesome. Are you really not considering rewarding me?"

"Ye Zao smiled and said, "Then what reward do you want?"

"Tian Tian tilted her head and thought for a while, "I want a robot that can talk, a small one that can be put in your pocket, but not that stupid robot. I want the smartest robot in the universe like Xiao Bai!"

"Okay." Ye Zao nodded slightly.

"Really?" Tian Tian looked up in surprise.

"Of course it's true."

"Long live little aunt!" Tian Tian cheered, "Little aunt, you are simply the most powerful little aunt in the universe. All the little aunts in our class combined are not as powerful as you!"

"Ye Zao lowered his head and pinched Tian Tian's face, "Have you gained weight recently?"

"No." Tian Tian shook her head and reached out to hug ye Zao's waist, "Little aunt, your body smells so good, much better than my mother's!"

“Tiantian.”

A deep voice suddenly appeared in the air.

“Tiantian turned around and saw Cen Shaoqing standing behind her. His thin lips were tightly pursed, and his facial features seemed to be covered with an impenetrable layer of ice.”

““Uncle, uncle.””

Such an uncle seemed a little scary.

Tiantian was so scared that she swallowed her saliva.
