“Chapter 911: 212: it’s too late to regret, I have news for half a month! 4”

“Don’t think that Tian Tian is called Tian Tian, Tian Tian is actually a little boy who lives up to his name.”

The reason why he is called Tian Tian is because Tian Tian has an older brother above her.

“When she was pregnant with Tian Tian, Cen Yueya liked to eat sweet things throughout her pregnancy. In addition, she wanted a girl, so she felt that the child in her stomach was definitely a girl.”

“Who knew that after she gave birth, she would be pregnant with a girl.”

“She couldn’t give birth to a girl as she wished, so Cen Yueya gave Tian Tian a nickname of a girl.”

Tian Tian’s big name was Zou Junwen.

Her brother Zou Junxi was currently studying abroad.

““Let go of your little aunt,”Cen Shaoqing said in a deep voice.”

Tian Tian quickly let go of Ye Zao.

Ye Zao reached out and patted Cen Shaoqing. “Why are you scaring the child?”

“Tian Tian looked up at ye Zao, her eyes filled with admiration.”

Little Aunt was really amazing!

She actually dared to hit her uncle!

One had to know that even his mother did not dare to hit his uncle.

“Moreover, he had heard his parents’ conversation behind his back.”

“Actually, his father was also quite afraid of his uncle.”

“The last time when the Zou family’s company had problems, his father did not dare to tell his uncle directly. He even played rock-paper-scissors with his mother. Whoever lost would be the one to tell.”

“He did not expect that even though his little aunt looked thinner than his uncle, shorter than his uncle, and not as strong as his uncle, she was so amazing!”

“Seeing Tian Tian like this, Ye Zhuo thought that he was frightened by Cen Shaoqing. He quickly bent down to comfort Tian Tian. “Tian Tian, your uncle was just joking with you!” ”

“After saying that, Ye Zhuo looked at Cen Shaoqing. “Quickly give Tian Tian a smile.” ”

A Smile?

Cen Shaoqing raised his eyebrows without a trace.

Why did he feel that there was something wrong with these words?

“Although he felt that there was something wrong, Cen Shaoqing still forced out a smile.”

He rarely smiled.

“At this moment, when he smiled, the ice and snow melted and everything in the world revived. ”

“Tian Tian worshipped ye Zhuo even more. She turned to look at Ye Zhuo. “Little aunt, you’re really amazing!” ”

“That’s true.”Ye Zao raised his chin slightly. “How can your little aunt not be amazing?”

Ye Zao held Tian Tian’s hand. “Let’s go. Let’s ignore your little uncle and go over there to play.”

“Sensing Cen Shaoqing’s death stare, Tian Tian immediately broke free from ye Zao’s hand. “Little aunt, I still have other things to do!”After saying that, she ran away in a flash. ”

Ye Zao turned to look at Cen Shaoqing. “Look at how scared you are of the child.”

Cen Shaoqing took a step forward and held ye Zao’s hand with the hand holding the Buddha beads. “It’s because he’s too timid.”

“Do you like children?”Ye Zao turned to look at Cen Shaoqing.

“You want to give birth to my child?”Cen Shaoqing lowered his eyes slightly.

Ye Zao slapped Cen Shaoqing’s face.

PA —

“A middle-aged man in a suit walked over with a goblet in his hand. When he saw this scene, he was stunned. ”

What did he just see?

Cen Wuye was slapped?

The person who hit him was a little girl.

“What was most unexpected was that the aloof and unsmiling Cen Wuye did not get angry. Instead, he leaned over to the other side of his face. In the end, he gently held the girl’s hand and asked with a smile, “Does it hurt?” ”

Does it hurt?

The middle-aged man felt that he was blind. He rubbed his eyes hard and placed the wine glass back on the table before walking towards the exit.

“Director Zhang! The banquet has just started! Where are you going?”

“”Director Wang!” Director Zhang nodded at him and continued, “There might be something wrong with my eyes. I plan to go to the hospital to see the ophthalmology department.” ”

CEO Wang was stunned. “Are You Alright?”

CEO Zhang gulped. “It might be quite serious.”

“CEO Wang continued, “Then the results are out. Remember to inform me on wechat that you’re safe.” ”

“Alright.” CEO Zhang nodded.

CEO Zhang walked out of the Zou family’s banquet hall.

On the other side.

“After song Chenyu returned, her expression did not look good.”

She had been chased out by Cen Yuyan. It would be weird if her expression looked good.

Cen Yuyan was the only stepping stone that she could use to get to the CEN family.

“If she lost Cen Yuyan’s help, she might not even have the chance to get close to Cen Shaoqing, let alone marry him.”

“Song Chenyu called Cen Yuyan and tried to explain the matter clearly, but there was a busy tone on the other end of the phone.”

This meant that she was blacklisted.

“Song Chenyu frowned slightly, then opened wechat and edited almost a thousand words of apology to Cen Yuyan. However, the phone screen showed a system notification message that was rejected by the other party.”

Song Chenyu opened Weibo again.

There was no Cen Yuyan among the 90 million-plus fans.

“In addition, there was no Cen Yuyan’s account in the fan group.”

“Chapter 912: 212: it’s too late to regret, I have half a month’s worth of news! 5”

Cen Yuyan was song Chenyu’s fan group operating officer.

Cen Yuyan's sudden withdrawal from the group caused the other fans in the fan group to discuss animatedly.

"Song Chenyu edited a paragraph and sent it out: [Yan Yan has been feeling a little unwell recently, so she has temporarily withdrawn from the group. Don't worry, everyone, she will return. After that, I'll have to trouble zhizhi to temporarily take over Yan Yan's job.] "

"[okay, Chenyu.] "

"After comforting her fans, song Chenyu opened other social media accounts and realized that Cen Yuyan was nowhere to be seen. "

It seemed that Cen Yuyan was really angry this time. She was serious about severing ties with her.

Song Chenyu frowned slightly.

What should she do now?

It looked like she had to think of a way.

"Fortunately, Cen Yuyan was a brainless person. "

"If it was someone else, it would be a little difficult to resolve. "

Song Chenyu made a call. "Zhou Rui."

"It had always been Zhou Rui who called Song Chenyu. He did not expect song Chenyu to call him as well. Zhou Rui asked in surprise, "Song Chenyu? Why are you looking for me?" "

“I had a misunderstanding with Cen Yuyan and I need your help.”

““Sure, no problem.”Zhou Rui continued, “Five million.” ”

Song Chenyu frowned. “Has Cen Yuyan not fed you yet?”

“Who would complain about having more money?”Zhou Rui asked back.

“Song Chenyu had indeed earned a lot of money over the years, but the Zhou family was like a bottomless pit that could not be filled at all. If she continued to satisfy them unconditionally, the consequences would be unimaginable. ”

“Song Chenyu continued, “If that’s the case, then it’ll be meaningless. In any case, Cen Yuyan has already fallen out with me, so let’s shed all pretense of cordiality together!” ”

“The last sentence was ruthless and ruthless, causing Zhou Rui’s brows to twitch. ”

“In the past, he was unafraid of wearing shoes when he was barefooted, but it was different now. If Cen Yuyan knew everything, how would he marry Cen Yuyan? How could he inherit the Cen family’s assets? ”

““Let’s talk it out!”Zhou Rui continued, “We’re all on the same side, why are you so angry? Tell me, how do you want me to help you?” ”

“I need to see Cen Yuyan.”

“When she and Cen Yuyan were good friends, it was easy for them to meet. But now, Cen Yuyan had blocked all her social media accounts. Without Zhou Rui’s help, it was even harder to see Cen Yuyan. ”

“Zhou Rui continued, “Then let’s go to Pearl Square at eight tomorrow night. I’ll go there with Cen Yuyan to watch a movie.” ”

“Sure.”

Song Chenyu narrowed his eyes on the other end of the phone.

Zou family.

Cen Yuyan calmed down after a while. She went to the bathroom to wash her face and walked to the banquet hall.

Today was Tian Tian’s 10th birthday party after all. The capital especially valued the child’s 10th birthday. It was not good for her fourth aunt to be absent for no reason.

“Just as she walked into the banquet hall, she saw ye Zhuo talking to his three older sisters.”

Cen Yuyan felt a little embarrassed when she recalled the various misunderstandings she had towards ye Zhuo in the past. It was all song Chenyu’s fault.

It was all song Chenyu’s fault.

“If song Chenyu had not accused ye Zhuo of seducing Lu Xiu, she definitely would not have had such a prejudice against Ye Zhuo.”

“Cen Yuyan walked over to greet him. “Eldest sister, second sister, third sister, Zhuozhuo.” ”

“The fourth girl is here.”

“Ye Zhuo was no different from before. He smiled at Cen Yuyan. “Fourth sister.”From Cen Yuyan’s appearance, it was most likely that she was awake. Hopefully, she could stay awake forever.”

“Although song Chenyu was a few levels higher than CEN Yuyan, if Cen Yuyan was tricked by song Chenyu again, she could only blame herself for being stupid.”

...

“After Tian Tian’s birthday party ended, Cen Yuyan returned to the CEN family. ”

“When Old Madam Cen saw her return, she said, “Did you see the Ugly Fish’s true face?” ”

“Old Madam Cen was feeling a little unwell today. Because it was a small problem, she did not trouble ye Zao. She went to the hospital by herself, which was why she did not make it to Tian Tian’s birthday party. ”

“Look carefully.”Cen Yuyan looked dejected.

“Old Mrs. Cen rolled her eyes at her and continued, “It’s good that you’ve seen clearly. It’s not too late to see clearly now. I’m really afraid that you’ll be deceived by that ugly fish for the rest of your life!” ”

“Cen Yuyan lowered her head, feeling very uncomfortable in her heart. ”

It was only after she saw song Chenyu’s true face that she understood old Mrs. Cen’s feelings at that time.

“If she could turn back time, she would definitely choose to travel back in time and hammer her previous foolish self to death. ”

Unfortunately.

She couldn’t turn back time.

Old Mrs. Cen glanced at Cen Yuyan. “I heard from your second sister that you found a boyfriend?”

Chapter 913: 212: it's too late to regret. I have half a month's worth of news! 6

"En." Cen Yuyan nodded. "Yes."

"Old madam CEN continued, "When are you going to bring someone back to take a look? If it's suitable, you can make a decision earlier. You're not young anymore." "

"Although CEN Yuyan was usually uninteresting and did not have a good mind, she was still her granddaughter after all. Old Madam Cen was still very concerned about the important matters of her life. Old Madam Cen never favored any granddaughter. "

"Cen Yuyan was almost forty years old. Old Mrs. Cen had previously asked someone to introduce many high-quality young men to her, but Cen Yuyan did not take a fancy to them. "

"Yes, Grandma." Cen Yuyan continued to nod. "

"Old Mrs. Cen added, "But I have to say, don't bring those crooked melon dates to me!" "

"Don't worry." Cen Yuyan said very seriously, "Zhou Rui is not that crooked melon dates." "

"Although she had not known Zhou Rui for a long time, Cen Yuyan knew Zhou Rui very well. "

Zhou Rui was a person with very strong willpower.

"If it was not for him, the Zhou family would not have come out from the countryside. "

"Although the Zhou family was nothing in the eyes of the Cen family, among ordinary people, they were already considered top-notch existences. "

“Just the villa of the Zhou family alone was worth more than ten million. Moreover, the Zhou family had hired a nanny. These were all expenses. ”

How could an ordinary family live in a large villa?

How could they hire two nannies?

“Old Mrs. Cen added, “And don’t forget to bring those Phoenix men with me! Actually, Little Lu is quite good. It’s a pity that the two of you aren’t fated!” ”

“Cen Yuyan looked at Old Mrs. Cen and continued, “Grandma, don’t worry. Zhou Rui will definitely satisfy you! “It’s useless for me to tell you so much now. When you see him, you’ll know that I didn’t misjudge him! “What Phoenix Guy? Pretty Boy? He has nothing to do with Zhou Rui.” ”

Old Mrs. Cen didn’t believe Cen Yuyan.

“Over the years, Cen Yuyan had dated no less than twenty times, but every time, it ended in failure. ”

““Bring him back first.”Old Mrs. Cen continued, “I think next Wednesday will be pretty good. Why Don’t you bring him back next Wednesday?” ”

Cen Yuyan seemed to hesitate for a moment before nodding.

“Old Mrs. Cen waved her hand and said, “Alright, you can go back and rest first.” ”

Cen Yuyan walked upstairs.

...

“At eight o’clock the next night, Zhou Rui and Cen Yuyan came to Pearl Square to watch a movie.”

“Before they left, Zhou Rui specially sent song Chenyu a text message.”

“As soon as he entered the square, Zhou Rui looked around. Soon, he saw song Chenyu’s figure. The two of them looked at each other. As their eyes exchanged, Zhou Rui’s phone suddenly rang.”

Zhou Rui picked up the phone. “Hello? What’s Wrong?”

“He didn’t know what was said on the other end, but Zhou Rui continued, “I’m accompanying my girlfriend right now. I don’t have time!” ”

“When she heard this, Cen Yuyan immediately looked up at Zhou Rui. “Zhou Rui, if you have something to do, go and do your work first! I’m fine, I don’t need you to accompany me!” ”

Zhou Rui hugged Cen Yuyan’s shoulder. “Nothing is more important than accompanying you.”

“”Hurry up and get busy!” CEN Yuyan continued, “Come and find me when you’re Done!” ”

“But...” Zhou Rui was a little hesitant.

“Cen Yuyan deliberately put on a stern face. “Zhou Rui, didn’t you say that you have to listen to me in everything?” ”

“Only then did Zhou Rui Compromise. “Alright, Alright, Alright. Little Grand aunt, can’t I listen to You?” ”

“”That’s more like it.” Cen Yuyan smiled and said, “Hurry up and get busy.” ”

Zhou Rui kissed Cen Yuyan before turning around to leave.

“All of this was seen by Song Chenyu, who was hiding in the corner.”

Song Chenyu narrowed his eyes.

Zhou Rui was indeed capable.

“Looking at Cen Yuyan’s appearance, he knew that Cen Yuyan loved Zhou Rui dearly.”

“Thinking of this, the corners of Song Chenyu’s mouth curled up into a mocking smile.”

Cen Yuyan could be considered to be an old tree in spring.

“Although Zhou Rui wasn’t a good person, Cen Yuyan was still quite old. Cen Yuyan really didn’t lose out.”

“After a moment, Song Chenyu composed his expression and walked to Cen Yuyan’s side. With red eyes, he said, “Yuyan.” ”

“Seeing Song Chenyu, Cen Yuyan frowned slightly. “Why are you here?” ”

“Song Chenyu continued, “Yuyan, I’m here to apologize to you. I hope you can give me a chance to explain.” ”

““There’s no need to explain.” In a public place, Cen Yuyan tried her best to suppress her voice, “Song Chenyu, I can see through who you are now! There’s no need for you to put on a fake act in front of me! I Won’t believe you anymore!” ”

““Yuyan, things are really not what you think.” ”

Chapter 914: 212: it’s too late to regret. I have news for half a month! 7

“Seeing song Chenyu here, Cen Yuyan didn’t even have the mood to watch the movie. She turned around and walked out.”

Song Chenyu immediately followed Cen Yuyan.

“Cen Yuyan had come in Zhou Rui’s car today. Now that Zhou Rui had something to do and left, CEN Yuyan could only call the driver to pick her up.”

“But when she picked up her phone to make a call, Cen Yuyan was dumbfounded.”

Her phone was out of battery.

“Song Chenyu immediately took out his phone. “Yuyan, I’ll let you use my phone.” ”

“I don’t want it!”Cen Yuyan put her phone back into her bag and turned to walk to the roadside.

Song Chenyu also followed Cen Yuyan’s footsteps.

He didn’t say anything and just followed Cen Yuyan.

Cen Yuyan turned to look at song Chenyu. “Can you not follow me?”

“Song Chenyu looked at Cen Yuyan, “Yuyan, I didn’t know that Lu Xiu liked me before. If it wasn’t for Lu Xiu’s sudden confession, I wouldn’t have known about this at all! We’re best friends. What benefits do you think I have by lying to you?” ”

“Do you know that you know in your heart!” Cen Yuyan continued, “Song Chenyu, I’ve already been lied to by you once. Do you think I’ll be lied to again? Do you really think I’m a Fool?” ”

“Yuyan...” song Chenyu’s eyes were red from crying. “Please believe me. I really didn’t lie to you. I don’t know how things turned out like this...”

Cen Yuyan didn’t want to listen to Song Chenyu’s nonsense. She turned around and continued walking.

“She originally wanted to walk to the main road and take a taxi back, but she didn’t expect to actually walk into a small alley. ”

Song Chenyu still followed behind her.

“It was still very lively at eight o’clock at night, and residential buildings were on both sides of the alley, so it wasn’t that scary. ”

“Song Chenyu looked upstairs, and an old lady holding a flower pot looked at her. ”

“Three, two, one. ”

The flower pot that was originally in the old lady’s hand suddenly fell down.

“Yuyan, be careful!” ”

“Before Cen Yuyan could react, her entire body was pushed away by song Chenyu. ”

Bang —

“Cen Yuyan was shocked. By the time she reacted, song Chenyu was already on the ground with blood all over his face. ”

“Chenyu! Are You Alright? Don’t Scare Me!” Cen Yuyan took out her phone from Song Chenyu’s bag with trembling hands and called the ambulance.

“Soon, the ambulance arrived.”

Song Chenyu was sent to the emergency room.

“Half an hour later, the emergency room’s door opened and Cen Yuyan immediately walked over. “How is it, doctor? Is My Friend Alright?” ”

The Doctor took off his mask. “The wound on the injured person’s head is a little deep. Just the surface layer alone has more than 30 stitches. She needs to be hospitalized for observation for three days. Go to the first floor to go through the hospitalization procedures.”

“Hearing this, Cen Yuyan was shocked.”

“She did not expect Song Chenyu to be injured so deeply. If Song Chenyu had not pushed her away in time, she would be the one injured now.”

Cen Yuyan recovered after a while and went to the first floor to go through the hospitalization procedures.

“After going through the hospitalization procedures, Cen Yuyan came to the ward. Song Chenyu was already awake. When he saw Cen Yuyan coming over, he immediately smiled and asked, “Yuyan, are you alright?” ”

Cen Yuyan’s nose turned sour.

“Song Chenyu was clearly the one who was injured, but Song Chenyu was concerned about whether she was alright.”

“I’m fine, but you almost died.” Cen Yuyan took out her phone and placed it on the bedside to charge it. “The Doctor said that you had more than thirty stitches on your head. Does it hurt?” ”

“It doesn’t hurt.” Song Chenyu shook his head and continued, “Yuyan, can you forgive me?” ”

Cen Yuyan didn’t say anything.

“Although Song Chenyu had saved her once, she still couldn’t get over that hurdle. ”

“Song Chenyu continued, “Yuyan, please believe me. Before this, I really didn’t know that Lu Xiu liked me. I was also very surprised when he suddenly confessed to me last night! I don’t even know why he did that!” ”

“Later, when I went back, I thought about it. The reason he did this was probably to sow discord.” ”

Sow discord?

“When she heard this, Cen Yuyan raised her head and looked at Song Chenyu. ”

“Song Chenyu continued, “Yuyan, I grew up with Lu Xiu. If he really liked me, he would have confessed his love long ago. Why did you wait until last night? Did you really not think about the reason?” ”

“What reason?” Cen Yuyan asked.

“Song Chenyu continued, “Someone instructed him to do this behind the scenes. The goal is to sow discord between us.” ”

Cen Yuyan narrowed her eyes.

Was that really the case?

“Then, who was the person who instructed Lu Xiu behind the scenes? ”

Chapter 915: 212: it's too late to regret. I have half a month's worth of news! 8

“Seeing Cen Yuyan like this, Song Chenyu's lips curled up imperceptibly.”

“Yuyan, think carefully. If the two of us fall out, who will be the most direct beneficiary?”

Cen Yuyan's eyes darkened.

“With the situation developing like this, she did not know who to believe.”

“At this moment, her phone suddenly rang.”

Cen Yuyan picked up the call. It was from Zhou Rui. “I'm at the hospital.”

“When he heard that Cen Yuyan was at the hospital, Zhou Rui pretended to be very nervous and said, “At the hospital? Yuyan, are you injured? Which Hospital are you at? I'll be there right away!””

“Cen Yuyan immediately explained, “I'm not injured. My Friend is injured. I'm at the People's Hospital.””

“Alright, I'll be there right away.””

“Less than half an hour after hanging up, Zhou Rui rushed over. “Yuyan, are you alright?””

“I'm fine.”Cen Yuyan shook her head.

“Song Chenyu lay on the bed and continued, “Yuyan, is this your boyfriend?””

“Cen Yuyan nodded. “Zhou Rui, this is song Chenyu.””

Zhou Rui pretended not to know song Chenyu. “Miss Song.”

““Mr. Zhou.” Song Chenyu continued, “I’ve heard about you from Yuyan a long time ago. I’ve finally seen you in person today.””

Zhou Rui’s clothes suddenly came to a realization. “Oh! I know! You’re Chenyu’s best friend!”

“Hearing this, song Chenyu lowered his head dejectedly. “I was before, but not anymore.””

“Zhou Rui was stunned. He raised his head to look at Cen Yuyan, his eyes filled with confusion.”

“Cen Yuyan continued, “I’ve called a nurse for you. The Nurse Union will come over to take care of you later. Zhou Rui and I will go back first.””

Song Chenyu nodded.

“After getting into the car, Zhou Rui asked curiously, “Yuyan, what’s up with that Miss Song?””

Cen Yuyan told Zhou Rui what had happened.

“Upon hearing this, Zhou Rui said in jealousy, “Yuyan, have you liked other men in the past? Isn’t That Lu Xiu very handsome? Do you still like him now?””

Cen Yuyan shook her head. “I don’t like him. That’s already in the past. The person I like the most now is you.”

“In the end, she even kissed Zhou Rui on the cheek.”

“Only then was Zhou Rui satisfied, she continued, “You’ve known Miss Song for so many years, and miss song risked her life to save you today. You should believe her!”! Movie stars like them valued their faces the most. Think about it. If miss song hurts her face, wouldn’t her life be ruined?””

Cen Yuyan was stunned.

“Zhou rui continued, “This means that miss song values you more than herself. Otherwise, she wouldn’t have risked her life to save you! “So, Yuyan, I think you should cherish miss song! “You can’t find a second friend like miss song in all of China. It’s your loss to lose such a friend!””

“Cen Yuyan was still unable to forgive song Chenyu, but after hearing Zhou Rui’s words, she seemed to have a sudden epiphany.”

Zhou Rui’s words were very reasonable.

“Zhou Rui! Turn around!”Cen Yuyan suddenly said.

“What’s Wrong?”Zhou Rui asked.

“Cen Yuyan continued, “I want to go to the hospital.””

“Have you thought it through?”Zhou Rui asked.

Cen Yuyan nodded.

“Soon, the two of them arrived at the hospital again.”

“When Song Chenyu saw Cen Yuyan return, he was a little surprised. “Yuyan, why are you both back?””

“Cen Yuyan ran over and hugged Song Chenyu. “Chenyu, I’m sorry. It’s all my fault...”if she had not listened to Song Chenyu’s explanation, Song Chenyu would not have gotten hurt because of this.”

All of this was her fault.

“The more Cen Yuyan thought about it, the more uncomfortable she felt. The more she thought about it, the more she blamed herself.”

““Yuyan, I should be the one apologizing to you. I’m the one who let you down...”as she spoke, Song Chenyu raised his head to look at Zhou Rui. The two of them looked at each other and saw a sense of pride in each other’s eyes.”

This Cen Yuyan was really not an ordinary fool.

On the other side.

Half a month later.

Aunt Lang was sitting in front of a stone table in the courtyard. She held a string of pure white Lily of the valley orchids in her hand. Scenes of the past appeared in front of her eyes.

“Looking at these pure white Lily of the valley orchids, it was as if a child was still by her side.”

““Aunt Lang.” At this moment, Xiao Mei walked in from outside the courtyard.”

It was as if Aunt Lang did not hear Xiao Mei’s words.

Xiao Mei called Aunt Lang again.

“Only then did Aunt Lang hear Xiao Mei’s voice. She raised her head and asked, “What’s Wrong?””

“Xiao Mei continued, “Aunt Lang, Mr. Cao is here.””

“He’s not here.”

“Xiao Mei said again, “He said that he has something very important to tell you.””

“Let him go back.” Aunt Lang massaged her temples tiredly.

“At this moment, an unfamiliar male voice suddenly sounded in the air.”

“”If I say that I have news here for half a month, are you still unwilling to see me?””

“Chapter 916: 213: Shunxi Financial Group, one of the top aristocrats among the aristocrats”

“Hearing this, Aunt Lang’s eyes suddenly lit up. She raised her head and looked at the person. “What did you say?” ”

“Cao Wei smiled and said, “I said I have news for half a month.” ”

“Really?”

Cao Wei didn’t say anything.

“Aunt Lang stood up and said, “Let’s go in and talk.” ”

Cao Wei followed Aunt Lang's footsteps.

"Aunt Lang turned to look at Xiao Mei. "Put up the rest sign. We won't be open for business in the afternoon. Go Tell Old Wang, Old Zhang, and Xiao Li to get off work." "

"Okay." Xiao Mei nodded.

"After giving her instructions, Aunt Lang turned around and walked towards the main hall. "

Cao Wei followed Aunt Lang's footsteps.

This was Cao Wei's first time entering the main hall. His gaze swept around the room.

"The interior of the room had an antique feel to it. There were carvings everywhere, as well as antique vases placed on the table. The only flaw was that there was actually a fake. "

Cao Wei frowned without leaving a trace.

Aunt Lang poured a cup of tea for Cao Wei.

"Thank you."

"Aunt Lang continued, "I won't beat around the bush. You said that you had news about half a month ago. Is that true?" "

"Of course it's true." Cao Wei continued, "Otherwise, I wouldn't have made this trip today." "

"Where is she?" Aunt Lang asked.

Cao Wei calmly picked up his cup and drank a mouthful of water. "Don't be anxious. Allow me to drink a mouthful of water."

Aunt Lang couldn't wait any longer. She just looked at Cao Wei with an anxious look in her eyes.

"As a mother, she had waited for more than 30 years. "

"Now that she had finally received news of half a month, she was both anxious and excited. "

"In fact, over the past 30 years, she had heard about news of half a month countless times. "

Unfortunately.

The people she found in the end were not half a month.

"Cao Wei kept his appetite in suspense before he put down his cup unhurriedly. "If you have found half a month this time, you can come back with me." "

"Hearing this, Aunt Lang's expression darkened. "

"Cao Wei continued, "It's been more than 30 years. Have you still not let go of the knot in Your Heart?" "

"Aunt Lang did not answer this question. Instead, she asked, "Where is half a month?" "

"To tell you the truth, I've only found some clues. I don't know if that person is half a month." Speaking up to this point, Cao Wei paused, then he said, "But I'm 50% sure that that person is little half moon." "

"Really?" Aunt Lang's lips were trembling.

"Really." Cao Wei nodded with certainty. "If we really found little half moon, you can go back with us." "

“Okay.”

“After a long while, Aunt Lang nodded. ”

“Cao Wei smiled and said, “Then it’s a deal.” ”

“”As long as I can find Little Half Moon, I’m willing to do anything.”Aunt Lang continued, “By the way, can you tell me where Little Half Moon is now?” ”

“Cao Wei continued, “I can’t tell you now, but don’t worry. If there’s any progress, I’ll inform you immediately.” Cao Wei said, “Take your medicine and take good care of your body now. Don’t let little half moon worry.” ”

Xiao Mei stood outside the door and listened to the conversation inside.

They had found little half moon.

Xi Weiyue would be very happy when she found out.

Xiao Mei immediately went outside the house and called Xi Weiyue. “Miss Weiyue.”

“”Xiao Mei, what’s wrong? Is There Something Wrong?”Xi Weiyue’s voice came from the other side. ”

“Xiao Mei continued, “Do you have time now? I have something important to tell you.” ”

The important thing that Xiao Mei was talking about was definitely about ye Langhua.

“Actually, this matter could be said over the phone. ”

“However, Xiao Mei did not want to say it over the phone. ”

“If she were to speak to Xi weiyue face-to-face, Xi Weiyue would definitely give her some benefits. ”

“The bracelet that Xi Weiyue gave her last time, she had sold it for 25,000 yuan. ”

“If she were to say it over the phone, would she still receive good things from Xi Weiyue? ”

“Xi Weiyue was very generous. Perhaps this time, she would even receive a bracelet that was worth a lot. ”

“”Then, let’s meet at the meet cafe near half a month.”Xi weiyue continued, “I happen to have something going on nearby.” ”

“Sure.”

Xiao Mei would change out of her work clothes and come to the cafe.

Xi Weiyue was already sitting in a conspicuous spot in the hall waiting for her.

“Miss Weiyue.”Xiao Mei jogged over.

“Xi weiyue smiled and said, “Take a seat. I don’t know what you like to drink, so I just ordered two cups of coffee and snacks.” ”

“The encounter coffee shop was a high-end coffee shop. A cup of plain water was sold for more than ten Yuan per cup, not to mention coffee and snacks. ”

“Chapter 917: 213: Shunxi Financial Group, the top aristocrats among the aristocrats 2”

“Xiao Mei took a photo with her phone and sent it to her moments. Then, she started to drink coffee.”

Coffee was too bitter.

People without taste wouldn't be able to drink it.

Xiao Mei frowned slightly. The taste of the rich was too strange. They actually liked to drink this kind of thing.

“Xi weiyue continued, “Xiao Mei, do you have something to say to me?””

Xiaomei then remembered the important matter. “It's about Little Half Moon.”

Little Half Moon?

Xi Weiyue narrowed her eyes. “Continue.”

“Xiaomei continued, “Just now, there was a man who looked to be about thirty-five or thirty-six years old. He drove a Bentley. Initially, Aunt Lang did not want to see him, but he said that he knew about little half moon. Then, Aunt Lang brought him into the house.””

“And then?” Xi Weiyue asked anxiously.

“Xiao Mei smiled. “I know you're very concerned about half a month, so I hid outside the door and listened. I heard the man say that he's 50% sure that it's half a month, and he asked Aunt Lang to promise him something.””

“What is it?”

“Xiao Mei frowned, then said, “He asked Aunt Lang to go back with them.””

Go Back?

“Xi weiyue asked, “Did they say where they were going?””

““They didn’t say.”Xiao Mei shook her head. “But Aunt Lang didn’t seem to be willing to go back with them. After some consideration, Aunt Lang said that as long as she could find half a month, she would do anything.””

Xi Weiyue felt a sense of crisis.

“If ye Langhua really found half a month, then what was she?”

“All these years, she had always treated ye Langhua as her biological mother.”

What about ye Langhua?

Ye Langhua was like an ingrate. He did not treat her as his biological daughter at all.

“After a while, Xi Weiyue smiled at Xiao Mei. She took out an envelope from her bag and handed it to Xiao Mei. “Xiao Mei, thank you for telling me this.””

“Xiao Mei politely pushed the envelope back. “Miss Weiyue, you’re too kind. I can’t accept this.””

““Keep it. It’s just a small token.”Xi Weiyue picked up her bag. “Then, I’ll go back first.””

““Okay, take care.””

“Watching Xi Weiyue’s back disappear outside the shop, Xiao Mei shouted, “Waiter, come here for a moment.””

“Hello.”The waiter immediately trotted over.

“Xiao Mei continued, “Help me pack all these. I haven’t drunk these two cups of coffee, so pack them too.””

“”It’s a total of 32 yuan,”the waiter answered.””

Xiao Mei was stunned. “Didn’t you already pay for it?”

“The waiter smiled and explained, “This 32 yuan is for packing.””

30 yuan was enough to buy pork!

This high-end coffee shop was really different.

“Xiao Mei continued, “Pack it up.””

The children at home had never eaten such high-end desserts and coffee before.

“Okay.”

...

On the other side.

Xi Weiyue returned to the Xi family home.

Xi Muwen was not home.

“Yang Jiao was playing mahjong with a bunch of rich ladies downstairs. When she saw Xi Weiyue, she asked curiously, “Weiyue, why are you back now?””

“At this time, Yang Jiao was still in the mood to play mahjong!”

Xi Weiyue was inexplicably annoyed and did not say anything. “I’m back for some matters.”

“OH.” Yang Jiao did not ask further.

“The rich lady sitting on Yang Jiao’s left side looked up at Yang Jiao as she touched the tiles. She smiled and said, “Mrs. Mu, your Weiyue is getting more and more beautiful!””

““That’s right.” Another rich lady added, “Not only is her weiyue beautiful, she’s also amazing. Look at how she manages the company! How many people in this circle can compare to her?””

The other two ladies immediately chimed in.

“Xi Weiyue’s talent was well-known in the circle. She had been smart since she was young. She skipped three grades in primary school, then one grade in high school. Now, Xi Weiyue was only in her twenties, but she already had a master’s degree, and she had already set up her own company.”

“Compared to those rich second-generation heirs, she was many times better!”

“Hearing everyone praising her daughter, Yang Jiao’s face naturally lit up. After all, Xi Weiyue had crawled out from her belly.”

“At this moment, Mrs. Wang, who had her hair permed, said, “Oh right, why hasn’t That Crazy Woman returned recently?””

Who was the crazy woman referring to?

“Of course, it was ye Langhua!”

“Back then, ye Langhua’s name shook the capital. She was the first love of many nobles, and also the love rival of many people!”

“Later on, Ye Langhua fell off the altar. Her hair turned white overnight, and her talent was no longer there. She even lost the ye family. She cried all day long and became a crazy woman that anyone could step on.”

“Chapter 918: 213: Shunxi Financial Group, the top aristocrat among the aristocrats”

“”40,000.”Yang Jiao threw out a mahjong card and said casually, “She hasn’t come back for a long time.”
”

“She’s still looking for her daughter?”

Yang Jiao nodded. “It’s still the same.”

“Can you still find her?”

“I think her daughter is long dead!”

“Of course!”

“Mrs. Wang continued, “Actually, I feel that she doesn’t have to do that at all! Your Weiyue treats her so well, she should be content!” ”

Everyone acknowledged that Xi Weiyue treated ye Langhua well.

“When others said that ye Langhua was a crazy woman, Xi Weiyue would come out to defend ye Langhua. ”

“When it was ye Langhua’s birthday, Xi Weiyue would secretly give her a surprise. ”

“Other than not having crawled out from ye Langhua’s stomach, Xi Weiyue was no different from her own daughter. ”

Unfortunately.

Some people did not know how blessed they were in life.

““If she really knew how to be content, she wouldn’t have kept a secret from US until now.” ”

“Secret? What Secret?”Mrs. Wang asked curiously.

“Only then did Yang Jiao realize that she had misspoken. She smiled and said, “It’s nothing. I was just saying it casually. I was just messing around!” ”

“Why are you messing around again! ?”

“I’ve lost the whole afternoon!”

““I’m not playing anymore! Our Old Wang is coming back tonight, I have to go back early!” ”

“Then, I’m going back too!” ”

The few ladies came and left quickly.

Yang Jiao immediately stood up to send them off.

“Just as she sent the ladies out, Xi Muwen came back.” ”

“The father and daughter came one after the other. Yang Jiao asked curiously, “Why are you back too?” ”

“Xi muwen said, “Weiyue asked me to come back.” ”

“This child is weird.”Yang Jiao followed them into the house.

“When they entered the house, Xi Weiyue was already sitting on the sofa in the living room. ”

“Father, you’re back.” ”

Xi Muwen handed the briefcase to the maid. “What happened to you calling me back in such a hurry?”

Xi Weiyue’s expression did not look too good.

“What’s Wrong?”Yang Jiao frowned.

“Xi weiyue continued, “That aunt might be looking for half a month soon.” ”

Xi Muwen’s heart skipped a beat. “What’s going on?”

Xi Weiyue explained the matter briefly.

“Yang Jiao said, “Could that man be from the Shunxi Financial Group?” ”

“Xi Weiyue nodded. “Mom, you’re thinking the same thing as me.” ”

Xi Muwen frowned deeply.

The reason why he had not touched ye Langhua for so many years was because ye Langhua was still useful.

“Even though ye Langhua had never admitted that she was related to the Shunxi Financial Group, Xi Muwen knew that ye Langhua must be inextricably linked to the Shunxi Financial Group. ”

Reality proved that his guess was correct.

“Seeing that Xi Muwen remained silent, xi weiyue continued, “Father, where exactly did you throw this child to back then? Is it still possible for Auntie to find her?” ”

““Impossible,”Xi muwen continued, “When I handed her over to that family, she had a fever for a day and a night.” ”

“Even an adult would not be able to withstand a fever for a day and a night, let alone a child that was only a few years old.” ”

Xi Muwen still remembered how the child was panting from the fever. His face was as red as a hot iron.

Even though he really did not like that little bastard.

But that was still his blood after all.

He could only blame her for crawling out from ye Langhua's stomach.

"Before he left, Xi Muwen had specially instructed that family not to read too many books to that child. If she could survive this high fever, just don't starve to death to the stutterers."

"After all, she was ye Langhua's daughter."

"Ye Langhua was a talented girl. If she continued to read to her, it would be inevitable that she would rise to the top."

"Xi Muwen hated ye Langhua. He did not want to give that child any chance to rise to the top, even if that child was related to him by blood."

"Not to mention whether that high fever had killed that child, even if she was still alive, she did not even know her own background. How could she embark on the path of finding her mother?"

"All these years, ye Langhua's focus had been on the abducted child, so she had no reason to suspect a child with a father and mother."

So...

She would definitely not be able to find her own biological daughter!

Perhaps that person was just lying to Ye Langhua.

"Xi weiyue continued, "Father, what if it really is?" "

Xi Muwen did not say anything.

“If it really was, then all his efforts would have been in vain. ”

More than thirty years of efforts would have been in vain!

No!

Such a thing could not happen.

“Chapter 919: 213: Shunxi Financial Group, the top aristocrat among the aristocrats 4”

“No matter what, they could not let ye Langhua find Little Half Moon. ”

““I have an idea,”Yang Jiao suddenly said from the side. ”

“Stop meddling!”Xi Muwen’s face was full of impatience.

Yang Jiao was just a rich lady who knew nothing except playing cards.

“If Xi Weiyue had not followed him, she would probably be a pretty girl as well. ”

““What’s wrong with me?”Yang Jiao put her hands on her hips. “You don’t like me? If you don’t like me, then don’t marry me back then!” ”

““Okay, okay, mom and dad, stop arguing!”Xi Weiyue looked at Xi Muwen. “Dad, listen to what mom has to say. Maybe she really has a solution!” ”

“What good solution can she have?”Xi Muwen scoffed.

“Yang Jiao was about to scold her when Xi Weiyue smiled. “Mom, tell me. If My Dad won’t listen, I’ll listen.” ”

“”My Daughter is still the best!”Yang Jiao continued, “Isn’t that crazy woman dreaming of finding her daughter? She even said that as long as she finds her daughter, she’ll do anything for her. Then, we’ll help her find her daughter!” ”

“Xi Weiyue frowned slightly, not understanding the meaning behind Yang Jiao’s words. ”

Xi Muwen was surprised to understand what Yang Jiao meant. His eyes lit up instantly. “You mean to find someone to impersonate Little Half Moon?”

“Yes.”Yang Jiao nodded.

“Xi weiyue said, “Now that medicine is so advanced, the results of the DNA test will be out on the same day. This method shouldn’t work, right?” ”

“”That’s simple.”Yang Jiao smiled. “When the time comes, just secretly change the sample.” ”

“Xi Weiyue narrowed her eyes. “That’s not a bad move, but who should we find to pretend to be Xiao Banyue?” ”

“”First of all, we can’t look too bad,”Yang Jiao continued. “Second, we can’t be too smart.”It was not easy to control someone who was too smart. ”

“Xi Weiyue turned to Xi Muwen. “Dad, what do you think of this move?” ”

Xi Muwen lit a cigar but did not immediately answer Xi Weiyue.

“Father, actually, I think mother’s idea is very inappropriate. That crazy woman has never treated us as a family from the start. No matter how good I am to her, she will never treat me as her own daughter. Rather than waiting like this, it’s better to take the initiative to attack.” ”

“Actually, Xi Muwen’s original plan was to make ye Langhua treat Xi Weiyue as her own daughter.”

“This way, Xi Weiyue could rightfully inherit everything that ye Langhua had.”

What a pity.

“It had been so many years, but ye Langhua still could not forget little half a month. Although she was still considered close to Xi Weiyue, compared to her biological daughter, she was not just a little bit inferior.”

“Yang Jiao continued, “I don’t know what you’re hesitating about! Back then, you were too indecisive. If you had killed that little bastard, there wouldn’t be such trouble now!” ”

“In the end, Xi Muwen was too soft-hearted and did not want to kill half a month.”

“Xi Muwen frowned. After a long while, he looked up at Yang Jiao. “Okay! We’ll do as you say!” ”

“So you agree?” Yang Jiao was overjoyed. They had been married for so many years, and this was the first time Xi Muwen had acknowledged her.”

It was not easy.

“Xi muwen nodded and said, “Go to the rescue station more often these few days.” ”

“Why do you want to go to the rescue station?” Yang Jiao frowned.

How many rich people’s wives were willing to go to places like the rescue station.

It was dirty.

There were even more lunatics.

“Xi weiyue smiled and said, “Father’s meaning should be to let you find a good vagabond in the aid station.” ”

“”It’d better be someone with mental problems,”Xi Muwen added. ”

Who was the best person to handle?

Of course it was a fool!

“Xi Weiyue said with some worry, “That crazy woman was a talented girl when she was young. Her daughter is not very intelligent. Wouldn’t she suspect it?” ”

“No.”Xi Muwen shook his head. “Half a month has been missing for more than 30 years. Who knows what kind of torture she went through during this process? The methods of those human traffickers are more and more cruel. Isn’t it normal for their intelligence to be damaged?”

“Xi Weiyue nodded in agreement. “Dad, you’re right.” ”

“”Then, shall I go to the Rescue Station Tomorrow?”Yang Jiao asked. ”

“”Sure.”Xi Muwen nodded. “To avoid a long delay, this kind of thing shouldn’t be delayed.” ”

“Yang Jiao was an impatient person. When she heard this, she immediately stood up from the sofa. “Then, I’ll go now!” ”

Xi Muwen waved his hand. "You can go now too."

Yang Jiao immediately went back to her room to change and get her bag.

"Chapter 920: 213: Shunxi Financial Group, the top aristocrats among the aristocrats"

"Xi weiyue smiled and said, "Mom, do you have to be so anxious?" "

"Yes! Very much so!" Yang Jiao turned to look at Xi Weiyue. "That's all money!"

It wasn't just money.

There was also Shunxi Financial Group.

Who wouldn't want to go into the golden room?

...

At the Lin residence.

Ye Zhuo was sitting in the study practicing calligraphy when a servant knocked on the door. "Miss."

"What's Wrong?" Ye Zhuo put down his brush and walked over to open the door.

"The servant continued, "Old Mrs. Cen is here." "

"I'll be right down."

Ye Zhuo went back to his room to change his clothes and walked downstairs.

“Before he reached the downstairs, he heard Old Mrs. Cen and Xiao Bai quarreling. ”

“I’m the best Grandma in the Universe!”

“”That’s nothing,”Xiao Bai said proudly. “I’m also the smartest robot in the Universe!” ”

“Old Mrs. Cen glanced at it from top to bottom, “So what if you’re Smart? You’re not just a floor sweeper!” ”

“”Not only do I know how to sweep the floor, I also know how to clean the windows, wash clothes, and cook. I know a lot!”Xiao Baibai was so angry that he put his hands on his hips. ”

“Knowing so much doesn’t change the fact that you’re a floor sweeper.”

“Speak! Why are you attacking the fuselage?”

“Fuselage attack? What the hell is that?”Old Mrs. Cen was stunned.

“”Idiot.”Xiao Baibai covered his mouth and snickered. “You don’t even know what fuselage attack means! Everyone, come and take a look. There’s a person here who’s so stupid!” ”

Old Mrs. Cen:” ...”

She didn’t expect that she would be ridiculed by a robot in her lifetime.

“Grandma Cen.”

“At this moment, Ye Zhuo came down from the spiral staircase.”

““Ye!” Seeing ye Zhuo, the old lady cen immediately stood up from the sofa. “This robot is bullying me!” ”

“Xiao Baibai.” Ye Zhuo turned to look at Xiao Baibai.

“Xiao Baibai raised his hand. “To be honest, I did not bully this amiable old lady. It’s just that she is too stupid.” ”

“At this point, little white shook its head helplessly and whispered, “She doesn’t even know what the fuselage attack means. She’s really too silly!” ”

“Meow.” Brother Meow immediately echoed and jumped onto Little White’s shoulder.

“Silly cat still understands me.”

Brother Meow flipped his hand and gave little white a claw.

Little White:”...”

“Old Lady Cen laughed until her stomach hurt. “Ye, these two little things in your house are really too fun! But what exactly does that fuselage attack mean?” ”

“Ye Zhuo smiled and said, “It means the same thing as a personal attack.” ”

It was no exaggeration to say that little white had the strongest AI in the universe. It often created its own vocabulary.

“Old Mrs. Cen finally understood. “Oh, so that’s what it means.” ”

“Just then, Lin Ze walked in from outside with a cage in his hand. Just as he was about to speak to ye Zhuo, he saw old Mrs. Cen sitting on the sofa and immediately greeted her, “Grandma Cen.” ”

Old Mrs. Cen smiled at Lin Ze. “Ah Ze is back.”

““Brother, what are you holding in Your Hand?”Ye Zao asked curiously. ”

“Guess.” Lin Ze placed the cage on the coffee table.

“Little Bird?”Ye Zao asked.

Lin Ze shook his head. “No.”

“Old Mrs. Cen said, “Could it be that he’s a match for the silly cat?” ”

The silly cat was the nickname little white gave to brother Meow.

“Originally, Little White was just a robot, but now, everyone was calling it silly cat. ”

“Not really.”

“Old Mrs. Cen was an impatient person. “Ah Ze, don’t keep us in suspense. Tell US quickly.” ”

“Lin Ze removed the cloth covering the cage, revealing a furry and chubby long-eared rabbit. ”

Old Mrs. Cen swallowed her saliva. “What a delicious little rabbit!”

Lin Ze looked at Old Mrs. Cen in surprise.

““Oh no!” Old Mrs. Cen immediately changed her words. “It’s so cute! What a cute rabbit! Look at that fat calf. It has muscles...” with a bite, it would definitely be very chewy. ”

“As she spoke, old Mrs. Cen’s eyes almost lit up. She couldn’t help but think of the spicy rabbit head and rabbit meat hotpot. ”

Lin Ze:” ...”

Ye Zhuo:” ...”

““Ah Ze, where did you get this rabbit?” Old Mrs. Cen turned to look at Lin Ze. ”

“Lin Ze immediately hugged the rabbit cage in his arms and said warily, “Grandma Cen, this is a pet rabbit. Don’t look at it as fat, but it’s actually fake fat. Killing it isn’t enough to fill the gaps between your teeth!” ”

“Old Mrs. Cen smiled and said, “Don’t worry, I won’t eat a rabbit like you!” ”

“Hearing this, Lin ze heaved a sigh of relief. “This is my classmate’s. He’s going abroad for a few days, so he asked me to help take care of his pet rabbit.” ”
