“Chapter 921: 213: Shunxi Financial Group, the top aristocrat 6”

““Classmate?” Old Mrs. Cen narrowed her eyes. “It’s a girl, right?””

““It’s a boy,” Lin ze continued, “I know that boy, Zhuozhuo.””

“Who is it?” Ye Zhuo was also a little curious.

“Buttface.”

“Hearing this, Ye Zhuo said in surprise, “I didn’t expect brother Buttface to be so caring.” Usually, girls raised more cute and delicious creatures like rabbits.”

“Hearing that it wasn’t a girl, Old Mrs. Cen was a little disappointed. She patted Lin Ze’s shoulder and said, “Ah Ze, you’re not young anymore. You can find one.””

“No Rush.”

“Old Mrs. Cen turned to look at Lin ze and said, “AH ze, do you have a little girl that you have a crush on? You can tell Grandma. Grandma will help you. One is worth two. I promise to help you get your little wife back!””

““No.” Lin Ze picked up the rabbit cage and continued, “Grandma Cen, I’ll go back to my room first.””

“Looking at Lin Ze’s back, old Mrs. Cen smiled and said, “Ah Ze, you’re too shy! You’re so thin-skinned. How are you going to find a girlfriend in the future!””

“After saying that, old Mrs. Cen turned to look at Ye Zao. “Oh Right, Zao Zao, the fourth girl will bring her boyfriend back tomorrow. You should go over and give her a big hand.””

“Tomorrow?”

“”Yes.” Old Mrs. Cen nodded. “The fourth girl isn’t young anymore. If the man has a good character, I want to settle their matters as soon as possible so that I can settle my worries as soon as possible.””

“When one was old, their greatest hope was to see their children and grandchildren get married and start their own businesses.”

“Now that Cen Shaoqing had found his best partner, Cen Yuyan was the only one left.”

“Ye Zhuo nodded slightly. “Alright, since it’s fourth sister’s lifetime event, I definitely can’t miss it.””

“In the blink of an eye, the next day arrived.”

“Early in the morning, Zhou Rui drove to Cen Yuyan’s residence.”

“CEN Yuyan also woke up early. After all, today was the day she brought Zhou Rui home to meet her parents, “Zhou Rui, there are more people in our family. I have three older sisters and a younger brother. Today is the first time I’m bringing you home. My older sister and my three brother-in-law will definitely come back. My three brother-in-law’s family background is very good, but compared to them, you’re not bad either, so you don’t have to be nervous.””

Zhou Rui nodded. “Then is your brother at home today?”

“My older sister is bringing her brother-in-law back. How can he not be at home?” Cen Yuyan said.

Brother-in-law.

He was about to become CEN fifth master's brother-in-law.

A sense of superiority arose spontaneously.

"Zhou Rui couldn't help but raise the corners of his mouth. "Oh right, I've even prepared gifts for Auntie and Grandma. They're in the backseat. Can you take a look?""

"Cen Yuyan smiled and said, "There's no need to look. I've finally brought them a son-in-law. Even if you give them a fart, they'll still think it's fragrant!""

"With that said, Zhou Rui became even more excited."

A rich son-in-law.

He was simply the Cen family's rich son-in-law.

The car soon stopped at the entrance of the Cen family's manor.

"Because it was an unfamiliar license plate, the security personnel had to conduct a routine check."

"Zhou Rui looked at the magnificent gate of the manor, his heart racing."

"Ever since he was born, he had never dreamed that one day he would be able to drive freely in and out of such a wealthy area."

"The Cen Manor was located in the center of the capital city, where every inch of land was extremely valuable. It occupied an area of more than 500 acres."

"The deeper the car drove, the more luxurious the buildings became. Zhou Rui even saw two alpacas and peacocks strolling by the artificial lake, as well as a limited edition luxury car that could be seen everywhere."

“Zhou Rui originally thought that the villa he bought was already luxurious enough, but compared to this place, it was nothing.”

“Thinking that he was about to become the owner of this manor and could live here forever, Zhou Rui became elated again.”

“”Turn ahead, and then the next intersection is our home.””

“Okay.” Zhou Rui suppressed his excitement.

“Soon, the car stopped in the CEN family’s courtyard.”

“Apart from the car, there was also a helicopter parked in the courtyard.”

“Zhou Rui swallowed his saliva and said in a low voice, “Yuyan, this helicopter is also yours?””

“”Yes, my brother bought it, but he rarely drives it and has been idle for a long time.””

“At this moment, a butler in a suit walked over. “Fourth miss, Old Madam and Madam are already waiting in the living room.””

“”Okay.” CEN Yuyan continued, “Oh right, Uncle Sun, let me introduce you to my boyfriend, Zhou Rui. Zhou Rui, this is our butler, Uncle Sun!””

Uncle Sun nodded at Zhou Rui. “Mr. Zhou.”

“Uncle Sun.”

“When Uncle Sun walked over, Zhou Rui thought that he was Cen Yuyan’s brother-in-law. He didn’t expect that he was just a butler.”

“Chapter 922: 213: Shunxi Financial Group, the top aristocrats among the aristocrats”

Big families were indeed different.

Even the butler was so imposing.

“After ten minutes, they finally arrived at the main hall of the CEN family. ”

There was a group of people sitting in the hall.

“Old Mrs. Cen and Zhou Xiang sat at the head of the table, while the rest of the younger generation sat on both sides. ”

“This was the first time Zhou Rui had seriously come into contact with a real aristocrat. Moreover, it was the top aristocrat among the aristocrats. It would be a lie to say that he was not nervous. Zhou Rui’s hands were shaking. ”

““Don’t be nervous,”Cen Yuyan comforted him in a low voice. “My mother and my grandmother are very easy to talk to.” ”

“Okay.”Zhou Rui swallowed his saliva. “I’m not nervous.”

“Although he said that he was not nervous, Zhou Rui’s hands were shaking even more violently. ”

“Cen Yuyan held Zhou Rui’s hand and walked in front of everyone. “Grandma, Mom, this is my boyfriend, Zhou Rui.” ”

Old Mrs. Cen looked Zhou Rui up and down and frowned slightly.

She originally thought that Cen Yuyan really had eyes this time.

But what was this thing that she brought back?

A proper gigolo!

He was timid and did not have the slightest bit of manliness.

“Seeing that Zhou Rui did not speak for a long time, Cen Yuyan hurriedly pinched Zhou Rui’s hand. Only then did Zhou Rui react and hurriedly greeted, “Auntie, Grandma, I’m Zhou Rui.” ”

“Old madam CEN continued, “How Old Are you this year?” ”

““Twenty-one,” Zhou Rui answered. ”

Twenty-one?

“This answer not only stunned old madam Cen, but also Zhou Xiang and the other three daughters and sons-in-law. ”

Cen Yuyan was thirty-nine this year.

Zhou Rui was twenty-one.

There was too much of a difference.

“Second brother-in-law Zou Lanwan looked at Cen Yueya and said in a low voice, “Your fourth sister is like an old cow eating young grass!” ”

Cen Yueya’s expression also did not look good.

Twenty-one years old.

“The difference between these two people was eighteen years. Cen Yuyan could have given birth to Zhou Rui, but Cen Yuyan was lucky to be able to keep her mouth shut! ”

“Cen Yuyan had said it so well before, and Cen Yueya had really thought that she had found an excellent boyfriend. ”

He did not expect it to be like this.

This made Cen Yueya very disappointed.

“Seeing that everyone’s expressions were not too good.., cen Yuyan hurriedly said, “Grandma, Mom, don’t look at Zhou Rui as young, but Zhou Rui is very mature! He has his own company and career! He’s also good to me. The two of us don’t have the sense of distance brought about by age when we’re together!” ”

“Even Zhou Rui’s parents did not dislike her for being older, so what could the Cen family dislike about Zhou Rui being young? ”

“After all, she was the one who took advantage of them. ”

Zhou Xiang drank a mouthful of water and looked up at the two of them. “Isn’t the difference too big?”

“”It’s not too big, it’s not too big. I think it’s just right,”Zhou Rui quickly said. “Auntie, I like Yuyan very much. Don’t worry about me.” ”

Zhou Xiang frowned.

“Cen Yuyan followed up immediately. “Mom, what era is it now? Why are you still talking about this? Besides, Shaoqing is older than Zhuluo by more than ten years. I don’t see you have any objections against the two of them.” ”

“As she finished speaking, Cen Yuyan looked around. “Why don’t I see Shaoqing and zhongruo?” ”

“They’re still on the way.”

“OH.” Cen Yuyan nodded and pulled Zhou Rui to the front of her sisters and brother-in-law. “This is eldest sister and eldest brother-in-law. This is second sister and second brother-in-law. This is third sister and third brother-in-law.”

Zhou Rui followed behind and called for help.

“Cen Yueya and Cen Yueying were twins and looked the most alike. Eldest sister Cen Yuying looked a little like old Madam Cen. The CEN sisters each had their own merits. If one had to make a comparison., it should be Cen Yuying.”

“After all, Old Lady Cen was a great beauty when she was young! ”

“Although the three sisters were somewhat dissatisfied with Zhou Rui, they did not embarrass him in the end.”

“At this moment, the sound of footsteps came from outside the door.”

Zhou Rui looked up and saw two figures walking over.

“Against the light, it was difficult to see their faces clearly, but the domineering aura on their bodies could not be ignored.”

Chapter 923: 214: Sever ties! No longer the Cen family's fourth young Miss! 1

“Looking at the two figures outside the door getting closer and closer, Zhou Rui couldn't help but become even more nervous.”

Although he couldn't see their faces.

But he could still feel that the person who had come was definitely the CEN fifth master who could cover the skies with one hand in the capital.

“Zhou Rui swallowed his throat, his heart instantly rising to his throat.”

“At this moment, Cen Yuyan held Zhou Rui's hand and said with a smile, “Don't be nervous, that's my fifth brother.” ”

““OH.”Zhou rui continued, “Then who's the one beside him?” ”

“That's my fifth brother's girlfriend.”

Girlfriend?

Zhou Rui was stunned.

Didn't they say that Cen Wuye was an anti-marriage activist?

What was going on?

“Just as Zhou Rui was stunned, Cen Shaoqing and ye Zhuo had already walked into the house.”

Zhou Rui raised his head to look.

“The man walking in front was dressed in a retro long gown. The same-colored buttons were meticulously tied to the top. In his left hand, he held a string of bright red Buddhist beads.”

“His beautiful facial features seemed to have been carefully carved out. A small red mole was outlined at the top of his eyes, making his cold white skin appear even fairer.”

“The bottom of her eyes was pitch-black, so deep that one could not see the bottom of it. There was an aura that made people unable to catch up with her.”

“Then, she looked at the girl next to him.”

She was wearing a very simple white robe and black pants. Her eyebrows and eyes were like paintings. Her every frown and smile could make everything in the world pale in comparison.

She was cool and cold.

“When the two of them stood together, even if they did not do anything, they were just a painting.”

Zhou Rui was also a person who had seen countless beauties.

But after seeing this person.

Those people could barely be called mediocre.

“For a moment, Zhou Rui was stunned.”

“Cen Yuyan quickly pulled Zhou Rui forward. “Shaoqing, zhuzhuo, let me introduce you. This is my boyfriend, Zhou Rui. Zhou Rui, this is my fifth brother. This is my fifth brother’s girlfriend, Ye Zhuzhuo.”

“Cen Shaoqing lowered his head to look at Zhou Rui, his eyes indifferent. ”

““Fifth, Fifth Master.”Zhou Rui greeted him. ”

“Actually, compared to fifth master, he wanted to call him fifth brother more. But when the words were on the tip of his tongue, he still did not dare to call him fifth brother. ”

Cen Shaoqing’s aura was too strong.

“Standing in front of him, Zhou Rui felt as if there was a jack pressing down on his body. ”

It was hard to breathe.

Old Mrs. Cen quickly stood up. “Yezi is here! Come over quickly. I’ve already asked someone to prepare dessert.”

““Thank you, Grandma Cen.”Ye Zhuo walked over. ”

“Cen Shaoqing followed and said somewhat helplessly, “Eat less sweet food. Be careful not to get cavities.” ”

““I’m not a child anymore.”Ye Zhuo took a bite of the dessert. “It’s so delicious! Grandma Cen, this is made by the new dessert master, right?” ”

“Yes.”Old Mrs. Cen nodded. “There’s a dessert maker at home.”

“Knowing that ye Zhuo liked to eat desserts, the cen family had no lack of dessert makers. ”

“Cen yuying smiled and said, “Zhuozhuo, a dessert maker has come to my house recently. When are you coming over with Shaoqing?” ”

“”Sure, Big Sister.” ”

“After ye Zhuo arrived, everyone’s attention was on Ye Zhuo. ”

Cen Yuyan frowned slightly.

Today’s main characters should be her and Zhou Rui.

“It was Zhou Rui’s first day meeting his parents, and his family was treating him like this. Wasn’t that a little too biased. ”

“In the end, this daughter couldn’t compare to her son. ”

“When a daughter brought a boyfriend back, she was like an outsider. ”

“When her son brought a girlfriend back, he was treasured by the entire family. ”

“What era was this, and they still valued boys over girls! ”

It would be a lie to say that she wasn’t angry.

Who would like to be treated differently like this?

Especially since ye Zao had designed a scheme to sow discord between her and song Chenyu.

“If it weren’t for ye Zao’s design, she wouldn’t have misunderstood song Chenyu. There wouldn’t be any misunderstanding between her and song Chenyu, and Song Chenyu wouldn’t have been hurt!”

“Therefore, all of this was ye Zao’s fault.”

“In the past, Cen Yuyan thought that ye Zao was just good-looking.”

She did not expect ye Zao to be so scheming.

She had to admit that ye Zao was really beyond her imagination.

“Cen Yuyan bit her lip and smiled, pretending that nothing had happened. She walked forward and said, “Oh right, Mom, Grandma, Zhou Rui even prepared a gift for you.””

“Zhou Rui also reacted at this time and immediately took out the gift. “Grandma, Auntie, this is a little token of my appreciation. Please don’t mind it.””

“Zhou xiang smiled and said, “The family doesn’t lack anything. There’s no need to bring gifts.””

“Cen Yuyan said, “At least it’s Zhou Rui’s token of appreciation.””

“Old Mrs. Cen looked at Zhou Xiang. “Xiang Xiang, come with me.””

“Okay.” Zhou Xiang stood up and followed Old Mrs. Cen’s footsteps.

Chapter 924: 214: Sever ties! She was no longer the Cen family’s fourth young Miss! 2

The two of them came to the side hall next door.

Old Mrs. Cen looked at Zhou Xiang. "What do you think of that Zhou Rui?"

"Zhou Xiang said, "He looks alright, but he's a little younger. He doesn't look that steady.""

There was a difference of eighteen years!

""Age is not a problem."Old Mrs. Cen continued, "I think that pretty boy with a glib tongue is not a good person. This fourth girl must have been deceived by him!""

"After saying that, old Mrs. Cen continued, "The fourth girl is a simple-minded person. If this matter is really successful, she will have to suffer in the future!""

"Then what do you mean?"Zhou Xiang asked.

""I don't agree with this matter,"old Mrs. Cen said."

"Zhou xiang smiled and said, "Then you think the same as me. I also think that the two of them are not suitable to stand together. That Lu Xiu from before is not bad. Unfortunately, these two people are not fated.""

"Old Madam Cen nodded and said in agreement, "I also feel that Lu Xiu is not bad.""

"Although Lu Xiu was younger than Cen Yuyan, he was very steady and had his own field in the scientific and technological world."

"Old Madam Cen sighed. "There are so many children in the family, but this fourth girl is the most worrying one. Age alone does not increase intelligence! She's almost forty years old, and she's always in a Daze!""

"Old Mrs. Cen continued, "Oh right, go and call the eldest girl over. I want to hear what the sisters have to say.""

“Okay.” Zhou Xiang nodded and turned to the hall to call Cen Yuying.

“Soon, Zhou Xiang brought Cen Yuying in.”

“Grandma.”

“Old Mrs. Cen said, “Eldest girl, what do you think of the boyfriend that the fourth girl found?””

“Cen Yuying shook her head. “He’s too young. He’s only twenty-one years old. Let’s not talk about anything else. Just his age alone is not suitable for the fourth girl. Also, I keep feeling that there’s something wrong with his eyes...””

“CEN yuying paused at this point, she continued, “Under normal circumstances, a twenty-one-year-old boy would not like a woman eighteen years older than him. I keep feeling that he’s here for the fourth girl’s money and our family’s background.””

“If Cen Yuyan wasn’t the Cen family’s fourth miss, would Zhou Rui take another look at Cen Yuyan?”

Definitely not.

“”In that case, you sisters don’t think well of the fourth girl and Zhou Rui either?” Old Mrs. Cen asked.”

Cen Yuying nodded.

“Although Cen Yueya and Cen Yueying didn’t say anything, Cen Yuying could tell that the two of them didn’t think much of Zhou Rui either.”

In the main hall.

Zhou Xiang called Cen Yuying to the side hall and did not come out for more than ten minutes. Anyone with a discerning eye knew what they were discussing.

“Zhou Rui was already quite nervous, and now he was even more nervous.”

Cen Yuyan was not worried at all.

“Zhou Rui was so good, so there was no reason for old Madam Cen and Zhou Xiang not to like Zhou Rui.”

“In a moment, Old Madam Cen, Zhou Xiang, and Cen Yuying walked out of the side hall.”

The Cen family was happily chatting with each other. Zhou Rui sat on the chair and felt quite uncomfortable.

“Cen Yuyan wanted to change the topic to Zhou Rui, but she couldn’t get a word in.”

“Today was obviously the day she brought Zhou Rui back to meet the parents, but what was the Cen family doing in this state?”

Did they know who was the main character today?

“Cen Yuyan was already feeling uncomfortable, and now it was even more uncomfortable.”

“If not for Zhou Rui’s presence, she would have left immediately.”

“Soon, it was time for dinner.”

“Zhou Xiang looked at Zhou Rui and smiled. “Little Zhou, it’s time for dinner. Why Don’t you stay at home and have a casual meal?””

Casual?

Stay at home and have a casual meal?

Shouldn't Zhou Xiang have a special banquet to entertain Zhou Rui?

"After all, Zhou Rui was Zhou Xiang's future son-in-law."

"In Cen Yuyan's eyes, Zhou Xiang had always been a fair and just mother."

"But today, Cen Yuyan was extremely disappointed in Zhou Xiang."

"Zhou Rui also faintly heard that something was wrong with this sentence and said with a smile, "Then Auntie, I Won't disturb you. I'll be leaving first.""

Song Chenyu was still the smartest.

"Before meeting the parents, song Chenyu had only revealed the attitude of the Cen family members, so he specially instructed Zhou Rui not to use a cold face to snub him."

Cen Yuyan's personality was especially strange.

"If Zhou Rui acted too lowly in front of the Cen family members, it would instead disappoint Cen Yuyan."

"In front of Cen Yuyan, Zhou Rui had to have his own true personality."

Only a different Zhou Rui could attract Cen Yuyan's eyes.

"If Zhou Rui fawned over the Cen family, then he would be no different from Cen Yuyan's previous boyfriends."

Chapter 925: 214: Sever ties! She was no longer the CEN family's fourth miss! 3

"Zhou Rui."

"As expected, when she saw that Zhou Rui wanted to leave, CEN Yuyan immediately stood up as well. "

Zhou Rui smiled and looked at Cen Yuyan. "Today is Sunday. You stay at home and accompany aunt and the others. I'll go back first. You Don't have to worry about me."

"After saying that, Zhou Rui turned to look at Zhou Xiang and old Madam Cen. "Then, aunt and grandmother, I Won't disturb you." "

Zhou Xiang nodded.

"Cen Yuyan looked at Zhou Xiang, her eyes filled with disappointment. She originally thought that Zhou Xiang would say something to make Zhou Rui stay, but Zhou Xiang didn't even say anything to make him stay. "

"Not only did Zhou Xiang not say anything, the Cen family's older sisters and brother-in-law also didn't say anything. "

They were as cold as a group of strangers.

Zhou Rui turned around and left.

Cen Yuyan immediately followed Zhou Rui's footsteps.

“Yuyan, why did you come out?” Zhou Rui turned his head to look at Cen Yuyan. ”

“I’ll go with you,” Cen Yuyan said. ”

“Zhou Rui smiled and said, “Why are you going with me? Quickly go back. Auntie and the others were already very dissatisfied with me. If you go with me again, they will definitely have a deeper opinion of me.” ”

“Cen Yuyan sighed. “Zhou Rui, I’m sorry. I didn’t expect my mother and the others to be like this...” ”

“It’s fine.” Zhou Rui continued, “Actually, I already expected this outcome before I came with you. But I believe that one day, I will use my heart to move Auntie and the others.” ”

“At this moment, the Butler came out of the house. “Mr. Zhou, please wait a moment.” ”

“What’s Wrong?” Cen Yuyan turned around.

The Butler held the gift box that Zhou Rui had brought. “Old Madam asked me to return this to Mr. Zhou.”

Cen Yuyan was so angry that her entire body was trembling.

Zhou Rui held Cen Yuyan’s hand with one hand and took the gift box that the housekeeper handed over with the other.

“After returning the gift box to Zhou Rui, the housekeeper turned around and left. ”

“Cen Yuyan said in an angry tone, “My grandmother and the others have really gone too far!” ”

Sending goose feathers from a thousand miles away was a light gift with a heavy meaning.

“Zhou Rui had bought the gifts for them out of goodwill, but not only did they not appreciate it, they even returned the gifts.”

Who was he slapping in the face?

He was slapping her in the face!

“After all, Zhou Rui was her boyfriend, their future son-in-law, their grandson-in-law!”

““Alright, don’t be angry,” Zhou Rui continued, “I was born into a humble family, but you are the Cen family’s eldest daughter. Perhaps in their eyes, I am not worthy of you at all. “Actually, this is also normal. Grandma and Auntie took you as their biological granddaughter and daughter, so they did not agree to this. This shows that they have taken a liking to you!” ”

Cen Yuyan didn’t expect Zhou Rui to still speak up for Old Madam Cen and Zhou Xiang.

“If it were anyone else, would they have the same magnanimity as Zhou Rui?”

Such a good son-in-law was simply hard to find even with a lantern in hand.

“Yet, Old Madam Cen, Zhou Xiang, and the others didn’t know how to cherish it.”

“After she finished speaking.., Zhou Rui continued, “Yuyan, although they aren’t satisfied with me now, I believe that one day they will be satisfied with me. Alright, you should go back quickly. “Auntie and the rest must have a lot to say to you now. You are too impatient. Don’t argue with them on such matters. Calm down. No matter what, they are your family.” ”

“Yes.” Cen Yuyan nodded. “I know. Drive carefully on the road.”

“Okay.” Zhou Rui smiled. “I’ll call you when I get home.”

Cen Yuyan waved at him and watched Zhou Rui get into the car before she turned around and walked into the house.

“When she entered the house, Cen Yuyan looked at Zhou Xiang. “Mom, why did you treat Zhou Rui like that?” ”

“Zhou Xiang said, “That little boy doesn’t suit you.” ”

“Where doesn’t suit you?”Cen Yuyan asked in return.

““Nowhere.”Old Mrs. Cen continued, “Fourth Girl, you’re thirty-nine this year, not nine. Can’t you tell what that gigolo is thinking?” ”

“Cen Yuyan was about to faint from old Mrs. Cen’s words, but she still tried her best to calm herself down. “Grandma, Zhou Rui is not a gigolo! He’s my boyfriend! How can you say that about him!” ”

““Not a gigolo, not a gigolo. Let me ask you, why does he like you?”Speaking up to this point, old Mrs. Cen raised her head to look at Cen Yuyan, “Does he like that you’re older than him? Or does he like that you have a brain like a fish? I beg you to grow some brains, okay?” ”

““Grandma, this is an insult to Zhou Rui’s personality!”CEN Yuyan continued, “You don’t understand him at all. He’s not the kind of person who relies on women!” ”

““If he doesn’t rely on women, will he be with you?”Old Mrs. Cen lowered her head to look at Cen Yuyan. “Cen Yuyan, if your name isn’t Cen Yuyan, if you’re not the Cen family’s fourth miss, do you think Zhou Rui will still bother with you?” ”

Chapter 926: 214: Sever ties! No longer the CEN family’s fourth miss! 4

“He will!” Cen Yuyan said firmly, “He was never with me because I’m the Cen family’s fourth Miss!” ”

Old Mrs. Cen covered her heart with her hand. “Oh my God! I Can’t take it anymore!”

“Mom, are you okay?” Zhou Xiang was shocked and quickly supported Old Mrs. Cen. ”

“Old Mrs. Cen pointed at CEN Yuyan and said, “I’m going to die of stupidity from her!” ”

Cen Yuyan was even angrier than old Mrs. Cen!

“Grandma, are you looking down on Zhou Rui’s family background?” Cen Yuyan continued, “I know that Zhou Rui’s family background is indeed not good, but three generations up, who is better than who? Although Zhou Rui was not born well, he was never a person who resigned himself to his fate. He relied on his own efforts to bring his parents out of the countryside. In my opinion, he is the most amazing person!” ”

“Cen Yuying stood up and said, “Fourth Lass, have you really gotten to know Zhou Rui? Let Me Ask You, how long have you known Zhou Rui?” ”

“Two months,” Cen Yuyan replied. ”

Cen Yuying frowned slightly. “It’s only been two months and you believe in him that much?”

“Because he’s worth it,” Cen Yuyan said. ”

“CEN yuying continued, “Have you met his parents? You’re eighteen years older than him. What did his parents say?” ”

“His parents are also very satisfied with me, especially his mother. She gave me the jade bracelet of their family’s inheritance.” Cen Yuyan rolled up her sleeves and revealed a jade bracelet. ”

“Just this? This is also called the jade bracelet of inheritance?” Old Granny Cen stood up excitedly, “Just this thing. I can buy three of them at the street stall at the school gate for a hundred Yuan!” CEN YUYAN! The Cen family’s fourth miss! Are You Blind? Did the Zhou family trick you with such a small broken bracelet? Are You So Worthless?”

Old Mrs. Cen only felt her blood pressure rise.

“It was said that girls had to be well-off, or men would simply give something and cheat them. Therefore, the Cen family’s four sisters had been pampered since they were young.”

Cen Yuyan had seen all kinds of good things before?

But she was still fooled!

The Cen family’s three sisters were also shocked.

“CEN Yueya said, “Four girls, can’t you tell that this is a cheap street vendor?”

“I know that this bracelet is not valuable,” CEN YUYAN continued, “But can it really be exchanged with money? The important thing is not how much this bracelet is worth, but that this bracelet is the Zhou family’s inheritance! Zhou Rui’s mother told me that their family’s conditions aren’t good and they can’t afford to buy anything good. Although this bracelet isn’t worth much, it’s passed down from generation to generation.”

“Cen Yuya smiled and said, “Then let me ask you, how many generations have they passed down this bracelet?”

Cen Yuyan was stunned for a moment. “I don’t know about this. I only know that this bracelet was passed down from Zhou Rui’s grandmother to Zhou Rui’s mother.”

“Zhou Rui is 21 years old this year. Not counting the age of Zhou Rui’s grandmother, this bracelet is at least 21 years old. Fourth Girl, take a good look. Does this bracelet really have a history of more than 21 years?”

““Why isn’t It There?” CEN Yuyan continued, “Look at the wear and tear on it. It’s clearly passed down from generation to generation.” ”

““The wear and tear can also be faked,” Cen Yueya said. “Who knows if this wear and tear is fake!” ”

““It’s definitely not fake.” Cen Yuyan trusted Zhou Rui very much. “Second sister, without real evidence, what right do you have to suspect Zhou Rui? This is an insult to his personality!” ”

“You’re twisting the facts!”

“It’s your slander!”

Cen Yueya was so angry that she had a headache.

“Ye Zao said with a smile, “Actually, it’s very easy to prove whether this jade bracelet is something that’s 21 years old or not.” ”

““Zao Zao, do you have a way?” Cen Yueya turned to look at ye Zao. ”

“Ye Zao continued, “The production process of a jade bracelet is divided into four main steps: slicing, delineating, molding, and polishing. However, due to the limitations of Technology 21 years ago, jade bracelets are usually half-hand and half-machine-made. “However, the jade bracelet on fourth sister’s hand was obviously mass-produced by a machine. There was no such technology twenty-one years ago. If fourth sister doesn’t believe it, you can find someone to appraise it. Is this jade bracelet a modern technology or a twenty-one-year-old technology?” ”

“Hearing this, Cen Yueya looked at ye Zhuo with admiration. ”

“Cen Yuyan said, “Then what if it’s appraised that this is a twenty-one-year-old technology?” ”

Ye Zhuo said: “That means Zhou Rui is sincere to you.”

Chapter 927: 214: Sever ties! She was no longer the CEN family's fourth miss! 5

“Cen Yuyan turned around and left. “Wait, I’ll find someone to appraise it now!””

She didn’t believe that Zhou Rui and his parents would lie to her!

“Yuyan!” Zhou Xiang called out to Cen Yuyan.

Old Madam Cen patted Zhou Xiang’s hand. “Let Her Go!”

“Cen Yuyan came to a jade appraisal center. After the boss looked at the bracelet, he smiled and said, “Miss, this kind of table is the cheapest glass bracelet. It’s sold in the wholesale market by the catty. It’s not worth anything at all.””

Cen Yuyan’s expression was a little ugly. “I didn’t ask you about this. I just want to know if this bracelet was left behind 21 years ago!”

“The boss smiled and said, “Miss, what kind of joke are you making? ! There was no such technology 21 years ago! This is the kind that was mass produced on a machine.””

Cen Yuyan frowned. “Are you sure you didn’t see wrongly?”

“The boss continued, “I saw through this technology at a glance! How could I have seen wrongly? !””

“Cen Yuyan did not believe that Zhou Rui would lie to her. She went to several jade shops, but the results were the same.”

This was a jade bracelet that could not be any newer.

Cen Yuyan had never thought that Zhou Rui would lie to her.

Could it be that Zhou Rui was really with her because of her money?

“She loved Zhou Rui so much, but Zhou Rui lied to her!”

PA —

Cen Yuyan directly threw the cheap jade bracelet on the ground.

“Looking at the broken jade bracelet, Cen Yuyan felt extremely uncomfortable and wanted to find a place to cry.”

Cen Yuyan came to Song Chenyu’s residence.

“Because of his injury, Song Chenyu had not returned to work and had been recuperating at home for the past few days.”

“When he saw Cen Yuyan come over, Song Chenyu said in surprise, “Yuyan, didn’t you bring Zhou Rui home to meet his parents today? Why are you free to come to my place? Could it be that your family is dissatisfied with Zhou Rui?””

“Cen Yuyan was already extremely uncomfortable. When she saw Song Chenyu, she immediately cried out, “Chenyu! They lied to me!””

““Who lied to You?” Song Chenyu narrowed his eyes. “Yuyan, don’t cry first. Let’s talk slowly.””

“Cen Yuyan said, “Zhou Rui lied to me! Their entire family is lying to me!””

“Hearing this, Song Chenyu’s heart thumped.”

What was going on?

Could it be that Cen Yuyan had discovered something?

It shouldn’t be!

Zhou Rui had disguised himself so well. How would a fool like song Chenyu be able to see through it?

“Song Chenyu continued, “What exactly is the reason? Tell me slowly.””

Cen Yuyan sobbed as she told him what had happened.

Song Chenyu frowned without leaving a trace.

Idiot!

The whole family was an idiot!

They were simply extremely stupid.

She never thought that mother Zhou would think she was smart enough to use a fake bracelet to fool Cen Yuyan.

“Even if Cen Yuyan was an idiot and she couldn’t tell anything, the Cen family were all shrewd people!”

Weren’t they just looking for trouble for themselves?

They were things that couldn't do anything but ruin everything!

"Song Chenyu patted Cen Yuyan's back, then, she said, "Yuyan, you're too impulsive. Actually, you should have confronted Zhou Rui about this matter! "Although I'm not very familiar with Zhou Rui, there's a phrase that goes like this: 'looks come from the heart.'from Zhou Rui's appearance, he's not the kind of person who lies! "Moreover, from his eyes, I can see that he has you in his heart, and you're all he has! "I feel that there's definitely a misunderstanding in this matter!"

"But the bracelet is indeed fake!"Cen Yuyan continued, "I feel that their family just thinks that I'm gullible, that I'm a Retard!"

"Cen Yuyan cared about Zhou Rui, but at this moment, she was very disappointed in the Zhou family!"

She really treated mother Zhou as her future mother-in-law.

But what about Mother Zhou?

She lied to Cen Yuyan like she was a fool!

"Song Chenyu took a tissue to wipe Cen Yuyan's tears. "Yuyan, don't say that. I really don't think Zhou Rui is that kind of person!"

"After saying that, song Chenyu threw the tissue into the trash can. "I'm going to the bathroom. You need to calm down and think about everything that happened between you and Zhou Rui."

Cen Yuyan nodded.

"Song Chenyu went to the washroom and made a call. Soon, the call was answered."

"What's wrong with you?"Song Chenyu's voice was filled with anger.

“What’s Wrong?” Zhou Rui was very noisy. One could tell that they were at that kind of entertainment venue.

“Song Chenyu continued, “What’s with that bracelet? Who asked you to think that you’re smart enough to give her a broken bracelet?” Because the washroom’s soundproofing was very good, song Chenyu did not deliberately lower his voice.”

Chapter 928: 214: Sever ties! No longer the fourth daughter of the Cen family! 6

“Think of a way to cover up this lie yourself!” After saying this, song Chenyu hung up the phone. ”

Zhou Rui had just played half the game when he received this call. He had no choice but to retreat from the amusement park.

“Brother Rui, why did you leave?” A beautiful woman with a hot figure leaned over. ”

Zhou Rui kissed her. “Brother is busy right now. I’ll accompany you another day.”

...

On the other side.

“After song Chenyu came out of the bathroom, he continued to arrange for Cen Yuyan. ”

“Seeing that Cen Yuyan was getting sadder and sadder, song Chenyu reached out to her. “Give me your phone.” ”

“Cen Yuyan did not know what song Chenyu wanted to do, but she still passed the phone to her. ”

“Song Chenyu entered the password and found Zhou Rui’s name in the contact list. He made a call.
“Hello, Zhou Rui! This is song Chenyu!” ”

“Hearing this, Cen Yuyan hurriedly stood up from the sofa. “Chenyu, what are you doing? Why are you calling him?” ”

“Song Chenyu ignored CEN Yuyan and continued, “Zhou Rui, you’re too inhuman! Yuyan likes you so much, how can you lie to her! I don’t want to hear your explanation, come and explain it to your girlfriend yourself!” ”

“I live at No. 28 Martial Arts Road!”

“After he said that, song Chenyu directly hung up the phone. ”

“Cen Yuyan snatched the phone away. “Chenyu, what are you doing! I don’t want to see him now!” ”

“Song Chenyu looked at Cen Yuyan. “Yuyan, escaping isn’t your style! Relationships need to be protected by both parties. You’re crying like a mess right now, but Zhou Rui doesn’t know anything. What is this?” ”

“At this point, song Chenyu paused, he continued, “When Zhou Rui comes over later, remember to explain things to him calmly. Don’t be so impatient! “I just said on the phone that you were crying. You Don’t even know how Nervous Zhou Rui is! “This means that he cares about you! “Yuyan, it’s not easy for you to find someone who cherishes you. I don’t want the two of you to be separated because of a misunderstanding.” ”

Cen Yuyan sniffled. “I don’t want to see him now!”

““Yuyan,” song Chenyu held Cen Yuyan’s hand. “You’re not young anymore. Why are you still acting like a child? Don’t tell me you don’t like Zhou Rui Anymore? Have you fallen in love with someone else?” ”

Cen Yuyan did not say anything.

“Song Chenyu continued, “If you really fall in love with someone else, then I’ll support you! I’ll call Zhou Rui now and tell him not to come! The two of you will break up from now on!” ”

“After saying that, song Chenyu picked up his phone. Cen Yuyan was so scared that she quickly grabbed song Chenyu’s hand. “Don’t!” ”

“Song Chenyu smiled and said, “I knew you still have him in your heart! “Since you still have him, then listen to him explain things clearly. If it’s a misunderstanding, then continue to be together. If Zhou Rui really is that kind of scum, don’t say that you want to break up with him. As your good sister, I’ll be the first to not let him off!” ”

“”Chenyu, thank you.”Cen Yuyan was moved as she hugged song Chenyu. ”

“If it wasn’t for Song Chenyu, she really didn’t know what to do. ”

“Soon, the doorbell rang in the air. ”

“Song Chenyu smiled and said, “It must be Zhou Rui.” ”

“After the nanny opened the door, someone came over. It was Zhou Rui. ”

“Zhou Rui had run all the way here, and his forehead was full of sweat. “What’s wrong, Yuyan?” ”

“Song Chenyu patted Cen Yuyan’s shoulder. “Tell Zhou Rui clearly what happened, and I won’t be a third wheel here!” ”

“After saying that, song Chenyu looked at Zhou Rui. ”

Zhou Rui nodded without a trace.

Song Chenyu walked outside and closed the door very considerately.

“In the blink of an eye, only Cen Yuyan and Zhou Rui were left in the room. ”

“Seeing Cen Yuyan crying like that, Zhou Rui’s heart ached terribly. “Yuyan, what’s wrong? Who bullied you?” ”

“”Don’t touch me.”Cen Yuyan directly shook off Zhou Rui’s hand. “Let me ask you, what’s with that bracelet?”? ”

“Zhou Rui was stunned for a moment before continuing, “Bracelet? Are you talking about the bracelet that my mother gave you?” ”

“Yes.”

“Zhou Rui asked, “What’s wrong with that bracelet?” ”

“CEN Yuyan said, “Didn’t your mother say that the bracelet was passed down from generation to generation? Then why did the owner of the Jade Shop tell me that the bracelet was a modern industry and was not something that was from 21 years ago! Zhou Rui! You Liar!” ”

“Zhou rui smiled and said, “So that’s why you’re angry! However, this is also my fault. If I had known that you would take the bracelet to be appraised, I would have told you everything clearly! In fact, my grandmother did have a legacy bracelet that she passed on to my mother, but my mother accidentally lost the bracelet during a farming mission. She looked for it for several days but couldn’t find it, so she couldn’t eat or sleep. I was worried about my mother’s health, so I secretly bought an identical bracelet and told her that I had found it.” ”

Chapter 929: 214: Sever ties! She was no longer the CEN family’s fourth miss! 7

Who Was Zhou Rui?

The Super King of the sea who had lived among the flowers!

“Lies came out of his mouth without even a rough draft, and he even said it with reason and evidence. He even pushed all the blame onto Cen Yuyan without batting an eyelid.”

What was the most important thing between a couple?

“Of course, it was trust!”

“But now, Cen Yuyan did not even have the most basic trust in him. She had actually used the bracelet to authenticate it!”

“When she heard this, Cen Yuyan looked up at Zhou Rui. “Is what you said true?””

““My little grandaunt, I can’t lie to anyone but you!”Zhou Rui continued. “This matter is indeed my fault. I apologize to you. If I had explained the matter clearly to you in advance, there wouldn’t have been such a blunder! “I’m Sorry!””

““I can swear to you that if there’s even the slightest bit of falsehood in what I said, then I’ll be struck by lightning!””

“Seeing Zhou Rui like this, all sorts of things from the past surfaced in Cen Yuyan’s eyes.”

Zhou Rui was a very good man.

She believed that Zhou Rui wouldn’t lie to her.

“If Zhou Rui had lied to her, he wouldn’t have made such a vicious vow.”

“Thinking of this, Cen Yuyan said somewhat embarrassedly, “I’m the one who should say sorry. I shouldn’t have not believed you and took the bracelet to appraise it.””

“”Right, where’s that bracelet?”Zhou Rui continued to ask.”

“Cen Yuyan was afraid that Zhou Rui would be disappointed in her, so she did not dare to say that she had smashed the bracelet. “It’s still in the appraisal center.””

“”That’s good.”Zhou Rui said, “My mother cherishes that bracelet very much. She sees you as her future daughter-in-law. Otherwise, she would not have given this bracelet to you.””

“En.”Cen Yuyan nodded.

Zhou Rui smiled at Cen Yuyan. “You’re not angry anymore?”

Cen Yuyan shook her head.

“It’s good that you’re not angry.”Zhou Rui took a tissue to wipe Cen Yuyan’s tears. “Look at you crying like a kitten!”

“”Zhou Rui, thank you.”Cen Yuyan reached out and hugged Zhou Rui. “Thank you for unconditionally tolerating me!””

“If it were anyone else, they would have long lost their temper.”

But Zhou Rui did not.

“Half an hour later, song Chenyu returned from outside. Seeing the two of them like this, he smiled and teased, “Has the misunderstanding been resolved?””

“En.” Cen Yuyan nodded in embarrassment.

“Zhou Rui raised his head and looked at Song Chenyu. “Miss Song, thank you for helping me Enlighten Yuyan.””

““Unbelievable.” Song Chenyu smiled and said, “Yuyan is my best sister. I hope for her happiness more than anyone else.””

“Don’t worry.” Zhou Rui hugged Cen Yuyan tightly. “I will give her happiness.”

“Song Chenyu nodded. “I believe in You! But if you dare to Bully Yuyan, I will not let you off!””

“Zhou Rui looked at Song Chenyu and said seriously, “Don’t talk about you. If I really do something to let Yuyan down, even I will not let myself off!””

““I’m relieved with your words.” Song Chenyu continued, “Alright, Alright. Since the two of you have reconciled, I won’t keep the two of you. Zhou Rui, quickly send Yuyan back safely!””

“Okay!”

“Cen Yuyan turned to look at Song Chenyu. “Goodbye, Chenyu.””

“Goodbye.” Song Chenyu waved at Cen Yuyan.

“Looking at their backs, the corners of Song Chenyu’s lips curled up.”

A Fool was a fool.

“Even after being sold, he was still counting money for others.”

If only ye Zhuo was that stupid.

Song Chenyu narrowed his eyes.

“Zhou Rui drove Cen Yuyan back to the main entrance of the Cen family manor. “Yuyan, I won’t go in.””

“Okay.”Cen Yuyan nodded. “Go back quickly. I’ll See You Tomorrow.”

“When Cen Yuyan returned home, the CEN family was eating in the dining room.”

“When Cen Yueya saw Cen Yuyan return, she asked with a smile, “How was it? What did the appraisal result say?””

“Cen Yuyan said, “That bracelet is indeed not something from 21 years old.””

“When they heard this, the others at the dining table had an expression of ‘I knew it’.”

“Old Madam Cen put down her chopsticks and looked at Cen Yuyan, “Quickly sit down and eat! When you find a man in the future, remember to keep your eyes wide open! After all, she is the Cen family’s fourth miss. If word gets out, this old woman will lose all her face!””

“Cen Yuyan stood where she was and continued, “Grandma, all of you have misunderstood Zhou Rui and his family. Although that bracelet is of the current craftsmanship, there’s a reason for all of this!””

“I don’t think there’s a reason. You’re the one who’s sick!”Old Mrs. Cen retorted. “Cen Yuyan! Do you still think that you’re not stupid enough? To be deceived twice by the same gigolo?”

Old Mrs. Cen originally thought that Cen Yuyan had already seen through the truth.

She didn't expect this idiot to be so stupid!

She was furious.

"Cen Yuyan felt that old Mrs. Cen had a misunderstanding of Zhou Rui because the bracelet itself was a misunderstanding. "He didn't lie to me! Grandma, Listen to me!"

"I don't want to listen to you!" Old Mrs. Cen continued, "I don't agree with you guys being together!"

"This is a major event in my life! I can make my own decisions!" Cen Yuyan continued, "Even if you don't agree with US being together, I still want to be with him!"

"Yuyan!" Zhou Xiang stood up. "Your grandma is doing this for your own good! Can't you listen to her?"

"For my own good? I think you guys are kidnapping me under the guise of doing this for my own good! I just like Zhou Rui. I just want to be with him!"

"Old Mrs. Cen nodded, "Alright, you want to be with him, right?" "I'll fulfill your wish. From today onwards, you're no longer the Cen family's fourth miss. I don't have a granddaughter like you!" "I'd like to see how long that gigolo can be with you without the Cen family's fourth Miss Status!"

Chapter 930: 215: face-smacking by force! Official propaganda! 1

Old Mrs. Cen was really very angry.

"She originally thought that Cen Yuyan was still her granddaughter no matter how stupid she was. Her blood flowed through her body, and as long as someone gave her some advice, she would be able to wake up."

But now it seemed.

“Cen Yuyan was already so stupid that she was beyond redemption. If she wasn’t allowed to experience despair, she would never grow up. ”

“Cen Yuyan raised her head to look at Old Mrs. Cen. “Okay, Grandma said this sentence by you! Then you just watch! Zhou Rui doesn’t love the Cen family’s fourth miss, he loves me!” ”

“”Okay, okay.”Old Mrs. Cen nodded repeatedly. “Then go and be with that gigolo! You Leave Now!” ”

“I’ll leave!”Cen Yuyan turned around and left.

“Wait a moment.”Old Mrs. Cen continued.

Cen Yuyan turned around. “What else do you need?”

“”Leave the car keys behind.”Old Mrs. Cen said, “The car you’re driving now was bought by the family. Not only is it the car you’re driving now, the cars in the garage are all from the family. Since you’re no longer the fourth miss of the Cen family, you definitely can’t drive the family car.” ”

“Without a word, Cen Yuyan placed the car keys on the coffee table. ”

“If she didn’t drive, she wouldn’t drive. ”

“After saying that, old Mrs. Cen continued, “And the few properties you have outside are also the family’s.” ”

“Okay.”Cen Yuyan took a deep breath. “I’m not staying.”

Old Mrs. Cen nodded in satisfaction.

“Cen Yuyan said, “Is there anything else? If not, I’ll be leaving first.” ”

“Let’s go.” Old Madam Cen waved her hand.

“Looking at Cen Yuyan’s back view without turning her head, Zhou Xiang stood up and said, “Fourth girl!” ”

“”Mom, What’s the matter again?” Cen Yuyan turned her head impatiently. ”

“Zhou Xiang looked at Cen Yuyan, “Fourth girl, your grandmother and I are both experienced people. We know what kind of person suits you and what kind of person doesn’t suit you. That Zhou Rui is obviously not a good man. You should call him right now and break up with him. Then, you should apologize to your grandmother and let this matter go.” ”

“After all, she was her own daughter. Zhou Xiang could not bear to see Cen Yuyan step into the Abyss step by step. ”

“Cen Yuying continued to speak, “Mother is right, fourth lass. If grandmother thinks that Zhou Rui is unreliable, then so be it. But now, all of us feel that Zhou Rui is unreliable! If you insist on doing things your way, you will definitely regret it in the future.” ”

“Cen Yuyan said, “I’m the one looking for a boyfriend now, not you guys. In the future, it will be me and Zhou Rui living together. I don’t understand why all of you treat Zhou Rui so deeply. Is it because Zhou Rui’s family background isn’t good enough? “All of you keep saying that you don’t value the family background of the man, but I really found someone with an average family background, and all of you are trying to stop me! “Don’t you feel that you’re too hypocritical?” ”

They weren’t just hypocritical.

They were simply extremely hypocritical!

“If Zhou Rui was born into a wealthy family and was also a rich second generation, they definitely wouldn’t be like this.”

“To put it nicely, they were hypocritical.”

“In fact, they were just snobbish and looked down on the poor.”

Zhou Xiang and Cen Yuying didn’t expect Cen Yuyan to say such a thing.

“Cen Yueya stood up and said, “Mom, big sister, don’t try to persuade her! I think she’s bewitched. If she doesn’t suffer a little from Zhou Rui, she’ll never know how to turn back!” ”

“Cen Yueying looked at Cen Yuyan. “Fourth girl! All of us are doing this for your own good. If you weren’t our fourth sister, Mother’s daughter, or grandmother’s granddaughter, who would care about you?” ”

““I thank all of you for my own good! But I don’t need it!”Cen Yuyan continued, “Let’s stop here. I’ll leave first!” ”

For her own good?

“If the Cen family really did it for her own good, things wouldn’t be like this.”

“She was already thirty-nine years old. It wasn’t easy to find someone who loved her, especially an outstanding man like Zhou Rui.”

But these people in the Cen family seemed to be afraid that she would find her own happiness.

Especially old Madam Cen.

She doted on ye Zhuo a lot.

“Ye Zao liked desserts, so she recruited more than ten dessert masters.”

She originally thought that old Mrs. Cen would also like Zhou Rui very much.

“After all, Zhou Rui was also a promising young man, not inferior to ye Zao at all.”

She did not expect the reality to disappoint her.

“It was fine that Zhou Rui did not like Zhou Rui, but he even slandered Zhou Rui and forced her to break up with Zhou Rui.”

Did he really think that she was a soft persimmon?

That she could be controlled by others?

Ridiculous!

“Cen Yuyan was too angry. When she turned around and left, she did not hesitate at all.”

Zhou Xiang could not help but have tears in her eyes.
