Chapter 931: 215: face smacking! Official Protection! 2

“Other than Cen Shaoqing, Cen Yuyan was her youngest daughter. A daughter needed to be pampered, so Cen Yuyan had always been pampered.”

“Now that Cen Yuyan had become like this, other than feeling heartache, Zhou Xiang also felt a strong sense of failure.”

It was her fault for being too arrogant to Cen Yuyan.

“Fourth girl!” Zhou Xiang raised her voice.

““Let Her Go!” Old Mrs. Cen said coldly, “Just wait! Sooner or later, she will regret it!” ”

Regret?

Zhou Rui would make her regret it?

“Zhou Rui loved her too much, so how could she regret it?”

It was impossible!

“Cen Yuyan originally didn’t want to pay attention to old Mrs. Cen, but when she heard this, Cen Yuyan couldn’t help but turn around and look at Old Mrs. Cen. She said sarcastically, “Grandma, in Your Lifetime, I’m afraid you won’t be able to see this day!” ”

“Old Mrs. Cen wasn’t angry either. She only said, “Remember what you said today!” ”

Cen Yuyan turned around and left.

She would remember this day forever!

“The Cen family looked down on Zhou Rui today. Sooner or later, all of them would regret it.”

“With Zhou Rui’s ability, he would definitely not be inferior to CEN Shaoqing in the future.”

His status would even surpass Cen Shaoqing.

“At that time, Zhou Rui would be someone that no one could compare to.”

“Thinking of this, Cen Yuyan felt extremely happy.”

Although she did not know when this day would come.

But she believed that this day would come sooner or later!

Zhou Xiang looked at Cen Yuyan’s back and wiped his tears.

“Old Madam Cen looked at Zhou Xiang. “Xiang Xiang, Don’t Cry! This fourth lass is getting more and more outrageous!” ”

Zhou Xiang took a deep breath.

“Old Mrs. Cen turned to look at the housekeeper. “From today onwards, stop all the bank cards of the fourth girl!” ”

““Yes, Old Mrs. Cen.”The housekeeper nodded. ”

“Old Mrs. Cen then looked at the Cen Sisters. “And the three of you, no one is allowed to secretly help her!” ”

““Yes, Old Mrs. Cen.” ”

““Xiang Xiang.”Old Mrs. Cen looked at Zhou Xiang, “No one can blame the fourth girl for coming to this point. She can only blame herself! Which of the few children in the family didn’t grow up pampered? Why is she the only one who doesn’t have a brain? If I don’t give her some suffering to eat this time, she will always be like this! A loving mother is a waste of children. If you dare to secretly give money to the fourth girl, I will cut off your finances too!” ”

“Having been with Zhou Xiang’s mother-in-law for so many years, old madam Cen really understood Zhou Xiang too well. ”

Zhou Xiang was a soft-hearted person who was easy to talk to. She might even give Cen Yuyan money if Cen Yuyan said a few words in front of her.

“This time, old Madam Cen had to straighten Cen Yuyan out! ”

She wanted Cen Yuyan to see the essence of the situation through the surface.

“Otherwise, CEN Yuyan would always be like this. ”

“Zhou Xiang nodded. “I understand, mother.” ”

“Old Madam Cen turned to look at Cen Shaoqing and Ye Zhuo. “Shaoqing, Ye Zi, the two of you are not allowed to give money to the fourth girl either.” ”

“Don’t worry.”Cen Shaoqing nodded slightly.

Cen Yuyan walked out of the Cen family manor.

“The Cen family manor did not allow taxis to enter or leave, and there was not even a bus nearby. Cen Yuyan could only hail a taxi when she walked to the side of the road.”

“Normally, she didn’t feel anything when driving, but after Cen Yuyan walked for half an hour and still hadn’t walked out of the Cen family manor, Cen Yuyan finally realized how big the Cen family was.”

“Forty minutes later, Cen Yuyan got on the bus.”

“Half an hour later, she arrived at her destination.”

“A total of 98 yuan.”

““Scan the code,” Cen Yuyan said.”

“The driver didn’t even turn his head and said, “There’s a QR code on the back of the chair.” ”

Cen Yuyan opened Alipay and started to scan the code to pay.

Beep —

Payment failed.

The bank card you have bound is insufficient.

Cen Yuyan frowned slightly and clicked to change a QR code.

“Unfortunately, it still showed that there was insufficient balance.”

The third or fourth card was not enough.

“Without even thinking, it was definitely Old Lady Cen who stopped her bank card.”

She didn’t leave a single cent for her.

How ruthless!

“The driver couldn’t wait any longer and said, “Why don’t you pay in cash?””

“Cen Yuyan said a little embarrassedly, “I didn’t bring any cash. Please wait for a while. I’ll ask my friend to come over and help me pay.””

“After saying that, CEN Yuyan made a call. “Hello, Chenyu, I’m right below your house. Can you come over and pick me up?””

“Okay.”

Song Chenyu quickly came over. “Yuyan!”

“Seeing song Chenyu, Cen Yuyan seemed to have seen her savior. “Chenyu, do you have money? Help me pay the fare.””

““Okay.” Song Chenyu nodded and walked to the front of the car. “How much is the total, master?””

“98.” Song Chenyu handed the driver a 100. “Keep the change.”

Chapter 932: 215: Face smacking! Official cover-up! 3

“The driver took the money and realized that song Chenyu looked familiar. “You, you are that Big Celebrity Song Chenyu, right?””

“Although song Chenyu was wearing a mask, one could vaguely see his facial features. In addition, Cen Yuyan was wearing extraordinary clothes and even called Song Chenyu Chenyu Chenyu Chenyu Chenyu Chenyu Chenyu. Therefore, the driver immediately thought of Song Chenyu.”

“Song Chenyu said, “You have the wrong person.””

“”I didn’t get the wrong person! You are that Big Celebrity, song Chenyu! I have seen the reality show that you participated in.”The driver said excitedly, “Big celebrity, can you give me an autograph?””

Autograph?

Give it to such a person?

“Song Chenyu continued, “I’m sorry, you really got the wrong person. I have other things to do.””

“After saying that, he pulled Cen Yuyan away.”

The chauffeur quickly took out his phone and took a few photos of Song Chenyu’s back.

“Song Chenyu and Cen Yuyan chatted as they walked. “Yuyan, why did you suddenly come back? Didn’t Zhou Rui send you back?””

“”Don’t mention it!”Cen Yuyan frowned. “Sometimes, I wonder if I’m my mother’s biological daughter!””

Song Chenyu was stunned. "What happened?"

Cen Yuyan told Song Chenyu about what happened at the Cen family.

"Hearing this, song Chenyu frowned slightly."

"The Cen family and Cen Yuyan were in such a mess, which was beyond song Chenyu's expectations. "Yuyan, didn't I tell you not to quarrel with Aunty and Grandma? If you have something to say, say it properly. After all, they are doing it for your own good.""

"There's no way to say it properly." Cen Yuyan was still angry at the mention of this matter. "You didn't see the way my grandma looked at that time!"

Old Mrs. Cen looked as if she had done something outrageous.

She wanted nothing more than to slap her to death.

"Song Chenyu continued, "But I think Grandma likes miss ye quite a lot." Zhou Rui and miss ye are about the same age and are both young people. Why is there such a big difference? "Is it because Zhou Rui's performance isn't good enough to make Grandma Unhappy?""

"Biased!" Cen Yuyan sneered. "My Grandma personally took a liking to ye Zao. How could she not like him? I chose Zhou Rui myself. She just doesn't like Zhou Rui in any way!"

"In the past, Cen Yuyan only felt that old Mrs. Cen was a little muddle-headed due to her age, and that she couldn't recognize people clearly."

It was only now that Cen Yuyan finally understood.

"Not only was old Mrs. Cen muddle-headed due to her age, she couldn't recognize people clearly, and she was even biased."

“Putting her biological granddaughter aside, she didn’t like her biological grandson-in-law and liked an outsider instead.”

It was polite to say that she couldn’t recognize people clearly!

It was simply extremely stupid!

Cen Yuyan was so angry that her liver hurt whenever she thought of old lady cen talking about Zhou Rui like that.

“Song Chenyu continued, “Then what do you plan to do now? After all, they are your family. Do you really want to sever ties with them?””

““As long as I can be with Zhou Rui, I’m willing to do anything!”Cen Yuyan had a determined look on her face.”

“Then does Zhou Rui know about this?”Song Chenyu asked.

Cen Yuyan shook her head. “I haven’t told him yet.”

“Song Chenyu continued, “Yuyan, I feel that you’ve acted a little too rashly in this matter. Although Auntie and Grandma are temporarily unable to accept Zhou Rui, you can slowly persuade them. Why do you have to make things so difficult for them?””

“Cen Yuyan said, “I just want to use practical actions to tell them that Zhou Rui isn’t the kind of person they say he is! “I like Zhou Rui, and Zhou Rui likes me too! “Even if I’m not the Cen family’s fourth young miss, Zhou Rui will still treat me as usual! “Chenyu, do you understand? “I just can’t swallow that anger!””

“To Cen Yuyan, Zhou Rui was the most important person in her life. No one could insult Zhou Rui.”

Cen Yuyan would definitely be angry if old madam Cen directly called Zhou Rui a gigolo?

“Song Chenyu smiled and said, “Don’t worry, Zhou Rui is definitely not that kind of person. When the time comes, your family will definitely regret it.””

“”Chenyu, the only person who understands me now is you.”Cen Yuyan hugged song Chenyu.”

“Song Chenyu patted Cen Yuyan’s back, “Silly, actually, your family also cares about you. Otherwise, they wouldn’t object to you being together with Zhou Rui. The reason why they object to you being together with Zhou Rui is because they don’t understand Zhou Rui. “They think that Zhou Rui is here for your identity, but in reality, he’s not. As time goes by, People’s hearts will be revealed. I believe that one day, they will understand you and bless you.””

“What did he mean by a true best friend, a true good friend!”

Chapter 933: 215: face-smacking by force! Official propaganda! 4

Just like people like song Chenyu.

“The Cen family didn’t like song Chenyu and were all slandering her. If it was anyone else, they would have long added insult to injury. ”

But song Chenyu didn’t.

“Not only did she not, she even spoke up for the CEN family. ”

“Song Chenyu and Zhou Rui were the same kind of people, the kind of people who didn’t want to fuss. ”

“When she thought of this, Cen Yuyan did not feel so bad. ”

Although God did not give her a good family member.

But God gave her the best lover and best friend.

There was no such thing as having the best of both worlds. She was already very satisfied with how things were now.

“CEN Yuyan continued, “Chenyu, my house has been taken back by my grandmother. I may have to stay at your place for a while.” ”

“Song Chenyu smiled and said, “If this were in the past, you can stay as long as you want, but not now.” ”

“Why?”Cen Yuyan asked in confusion.

“Song Chenyu said, “Because you’re just a poor daughter now. Who is willing to give their house to a poor daughter to live in? I can’t get any benefits from you. Do you think I’m doing charity?” ”

““Chenyu?”All of a sudden, Cen Yuyan felt that this song Chenyu was very unfamiliar. ”

Song Chenyu suddenly laughed softly. “Look at how scared you are. I’m just joking with you!”

Cen Yuyan also laughed. “I’m dumbfounded!”

““But to be honest, it’s indeed not suitable for you to stay at my place now.”Song Chenyu suddenly straightened his expression. ”

“Why?”Cen Yuyan asked.

“Song Chenyu smiled and said, “Because some people will be jealous.” ”

“Cen Yuyan understood the meaning of song Chenyu’s words in a second and said shyly, “He won’t be jealous.” ”

“Song Chenyu said, “You’re already a married man now. If you stay at my place again, what will it look like? Even if I let you stay, Zhou Rui will eat me up!” ”

“Speaking up to this point, song Chenyu continued, “Give me your phone.” ”

“What do you want?”Cen Yuyan asked.

“”To call Zhou Rui.”Song Chenyu smiled and said, “Ask him to come and pick you up.” ”

“Although Cen Yuyan said not to call Zhou Rui, she still handed the phone to Song Chenyu without hesitation. ”

Zhou Rui arrived very quickly.

“In less than half an hour, song Chenyu’s doorbell rang. ”

Song Chenyu bumped into Cen Yuyan’s shoulder. “Look at how nervous your family is about you. They probably left all their work behind.”

Cen Yuyan blushed. “You’re the only one who makes fun of me.”

“I’m telling the truth.”Song Chenyu pulled Cen Yuyan up from the sofa and walked out of the door. “Let’s go quickly. Don’t make Zhou Rui wait so anxiously.”

Cen Yuyan stood up with a half-push.

“The two of them opened the door, and sure enough, Zhou Rui was standing outside. ”

“Song Chenyu pushed Cen Yuyan into Zhou Rui’s arms. “I’ll leave Yuyan to you. Don’t bully her! I still have things to do, so I won’t keep you guys!” ”

“After saying that, he slammed the door shut. ”

“Cen Yuyan stood outside the door and shouted, “Chenyu, thank you.” ”

“Song Chenyu, who was inside the door, curled his lips slightly. ”

A Fool was a fool.

There was simply no hope.

“Outside the door, Zhou Rui looked at Cen Yuyan. “What’s going on? Didn’t I send you back? Did you have a conflict with your family?” ”

“En.”Cen Yuyan nodded.

“Zhou Rui sighed. “Your family didn’t have a good impression of me to begin with. This time, it will definitely be worse.” ”

“After saying that, Zhou Rui continued, “Why don’t I send you back and you apologize to your family?” ”

“”No!”CEN Yuyan said, “This matter was their fault to begin with. What right do they have to make me apologize? Zhou Rui, you don’t understand the cause and effect of this matter at all!” ”

Zhou Rui pulled open the car door. “Then let’s sit in the car and talk about it slowly?”

“En.”

The two of them got into the car and Cen Yuyan began to tell Zhou Rui the whole process.

“Hearing this, Zhou Rui frowned. “How can you make things so awkward with your family?”The awkward situation was secondary. The important thing was that old madam Cen had cut off Cen Yuyan’s source of income. ”

“Without money, how could she live? ”

How could she eat?

“After all, when Zhou Rui and Cen Yuyan were together, it was because Cen Yuyan had money. ”

“Otherwise, who would be willing to serve such an old woman? ”

“Hearing that the CEN family had cut off Cen Yuyan’s source of income, Zhou Rui really panicked. ”

He didn’t know what to do.

“”Zhou Rui, you have to be clear. I’m only making trouble with my family because of you! It’s fine if you don’t comfort me, but how can you still be angry at me!”Cen Yuyan felt extremely wronged. ”

Chapter 934: 215: Face-smacking! Official propaganda! 5

“My Grandmother said that you love the Cen family’s fourth miss and not Cen Yuyan. I just wanted to prove to them that you love me as a person! I didn’t expect you to actually scold me!”

“The more Cen Yuyan thought about it, the more uncomfortable she felt.”

Zhou Rui also came to a realization at this moment.

Yes.

How could he blame Cen Yuyan.

Cen Yuyan was his money tree and his hope for the rest of his life. He couldn't blame Cen Yuyan.

“Since the Cen family didn't believe him, then he had to prove to the CEN family that he wasn't the kind of unreliable person.”

“After all, Cen Yuyan was the Cen family's fourth young miss. The blood of the CEN family flowed in her body.”

Could it be that the CEN family could really let Cen Yuyan go?

Definitely Not!

“Yuyan, I'm sorry. I didn't mean to be fierce to you.” Zhou Rui turned to look at Cen Yuyan, he continued, “I just feel that it's not worth it for you to fall out with your family for me. After all, they are your family. They will definitely feel terrible if you do this.”

“But I feel that it's very worth it.” Cen Yuyan looked at Zhou Rui and said very seriously, “Zhou Rui, you're my boyfriend. I'm willing to give up everything for you!”

Even my life!

“Zhou Rui was moved as he hugged Cen Yuyan. “Thank you, Yuyan.””

“Cen Yuyan sniffed and continued, “Zhou Rui, now my grandmother and my mother don’t want me anymore. Do you still want me?””

““Yes, of course!”Zhou Rui hugged Cen Yuyan tightly. “Yuyan, in a while, I’ll earn money to support you! You’ll be responsible for being as beautiful as a flower, and I’ll be responsible for earning money to support the family!””

“Really?”Cen Yuyan was very touched.

“Zhou rui smiled and said, “Of course it’s true. You’re my girlfriend, my future wife, and also the future mother of my child. If I don’t support you, who will?””

“Cen Yuyan was even more touched. This was the most beautiful words of love she had ever heard in her life. Cen Yuyan directly kissed Zhou Rui’s lips. “Zhou Rui, thank you.”.”

“Although she could no longer be the Cen family’s princess, she could still be Zhou Rui’s princess.”

Cen Yuyan knew that Zhou Rui would not let her down.

Because Zhou Rui was not that kind of person!

The two of them lingered for a long time before letting go of each other.

“Zhou Rui said, “Then from now on, you just need to stay at home and be as beautiful as a flower.””

“Okay.”Cen Yuyan nodded.

The car soon stopped at the place where Zhou Rui was staying.

“Zhou Rui personally got out of the car and opened the door for Cen Yuyan. “Yuyan, we’re home.””

“Although this neighborhood was also a wealthy neighborhood, it couldn’t be compared to the neighborhood where Cen Yuyan used to live.”

“However, Cen Yuyan believed that with Zhou Rui’s ability, sooner or later, they would live in a more upscale neighborhood.”

Their good days had just begun.

The two of them entered the house together.

“Cen Yuyan had lived here twice before, so there was still Cen Yuyan’s change of clothes in the house.”

“Zhou Rui said, “Go in and take a shower first. I’ll get you some clothes. Oh right, what do you want to Eat Tonight?””

“Cen Yuyan smiled and said, “Anything Is Fine. The important thing is who you eat with.””

“Zhou Rui pushed Cen Yuyan into the bathroom. “Alright, go take a shower. I’ll order takeout.””

“Okay.”

“Although Cen Yuyan said that anything was fine, Zhou Rui still very considerately ordered a bunch of dishes that Cen Yuyan liked to eat.”

Cen Yuyan was already very touched.

“At this moment, she was even more touched.”

“The more she thought about it, the more she felt that she was right about the person.”

Zhou Rui was the man she wanted to spend the rest of her life with.

“After dinner, Zhou Rui found an excuse to go out.”

He had to ask Song Chenyu for money.

“Cen Yuyan was now penniless, and he had no source of income. The two of them couldn’t just sit at home and eat their fill. “I want ten million.””

Zhou Rui opened his mouth and asked for ten million.

“Ten million?” Song Chenyu’s voice came from the other end of the screen. “Do you think I’m Cen Yuyan?”

“Now that the CEN family has cut off all of CEN Yuyan’s financial resources, what do you want me to do?”

Song Chenyu narrowed his eyes. “I only have one million. I’ll transfer it to your card in a while. You guys should spend it sparingly during this period of time.”

“Only one million?” Zhou Rui frowned.

“Song Chenyu continued, “Now is not the time to worry about one million or two million. You have to quickly get Cen Yuyan pregnant. Only when Cen Yuyan is pregnant can you officially become the CEN family’s son-in-law!” When the rice is cooked, they can’t deny it even if they want to!”

Zhou Rui also wanted to get Cen Yuyan pregnant.

Even in his dreams.

“However, he had tried so many times, but Cen Yuyan had never been able to get pregnant.”

Chapter 935: 215: face smacking! Official Protection! 6

“Zhou Rui said, “I think Cen Yuyan is an old hen that can’t lay eggs.” ”

Song Chenyu narrowed his eyes. “What do you mean?”

““We don’t have any contraception when we’re together, but she just can’t get pregnant.” ”

Can’t get pregnant?

“Song Chenyu continued, “Think of a way yourself! If you want to become the son-in-law of the CEN family, you have to make Cen Yuyan pregnant!” ”

“Zhou Rui also knew the importance of this matter and continued, “When will your one million be transferred over?” ”

“Right away.”

““Then hurry up,” Zhou Rui continued, “There’s no money in my card.” ”

“Although one million was a little little, it was still better than nothing. ”

“No matter how thin a mosquito’s leg was, it was still meat! ”

“After song Chenyu hung up the phone, he logged into the online bank and transferred the money over.”

“Before Zhou Rui entered the house, he received a text message saying that he had successfully received the money.”

“Seeing him enter, Cen Yuyan asked curiously, “Where did you go?” ”

Zhou Rui raised his phone. “I went out to take a call.”

“A call from the company?”Cen Yuyan asked.

Zhou Rui nodded.

“Cen Yuyan sighed. “Unfortunately, I can’t help you now.” ”

Zhou Rui walked over and put his arm around Cen Yuyan’s shoulder. “Taking care of yourself is the greatest help to me.”

Cen Yuyan’s face was full of smiles. “You’re the only one who knows how to Coax Me.”

““I’m not coaxing you.”Zhou Rui continued, “Everything I said to you, every word I said was from the bottom of my heart.” ”

“The next morning, Zhou Rui made a trip home. ”

“When mother Zhou saw that he had returned, she asked curiously, “Rui Rui, why are you back today?” ”

“Zhou Rui looked at Mother Zhou. “Mother, I want Cen Yuyan to be pregnant. Do you have any ideas?” ”

“Zhou Rui’s grandmother had some medical skills and was very good at treating infertility. Later on, when Zhou Rui’s grandmother got old, she passed this skill to mother Zhou. ”

“Why? She can’t get pregnant by herself?”Mother Zhou asked.

“Yes.”Zhou Rui nodded.

Mother Zhou looked at Zhou Rui. “Wait a moment.”

“After saying that, she turned around and walked into the house. ”

Zhou Rui stood where he was.

“A moment later, mother Zhou walked out of the house and handed Zhou Rui a small box. “Take this and try it out. As long as it’s not a big problem, it should be useful.” ”

“Under normal circumstances, there were very few women who were infertile. ”

Many people who were unable to get pregnant were just suffering from an endocrine disorder.

“Zhou Rui took the box and smiled. “Thank you, Mom. Just wait for your first grandchild.” ”

“Mother Zhou continued, “Didn’t you go back with her to meet her parents yesterday? What did their family say?” ”

“Zhou Rui shook his head. “The situation isn’t too good. Otherwise, I wouldn’t be in such a hurry to get her pregnant.” ”

“You’re eighteen years younger than Cen Yuyan, and you’re so outstanding. How can their family not be satisfied?” Mother Zhou stood up excitedly. “If they’re not satisfied, it should be us who are dissatisfied! What’s there to be dissatisfied about?” ”

“From mother Zhou’s point of view, Cen Yuyan was here to curry favor with Zhou Rui. ”

What right did she have to be dissatisfied with Zhou Rui if she was here to curry favor with him?

“Zhou Rui said, “The CEN family is a prestigious family after all.” ”

“Nonsense,” mother Zhou said. “If it wasn’t for the fact that they’re from a prestigious family, would I have agreed to let the two of You Be Together?” ”

...

On the other side.

“After filming of Country 2 ended, Song Chenyu received an invitation from the program team to attend the press conference of Country 3. ”

Song Chenyu gladly invited her.

“However, before attending the press conference, she still had a big matter to attend to. ”

“Song Chenyu opened her chat tool and anonymously sent a photo to Dong Lou, who was known as the ‘number one paparazzi’ in the circle. ”

“In the photo, there was a young man and woman. ”

“The girl’s features were like a painting, and she had a devastatingly beautiful appearance. ”

“The man was dressed in a plain robe, and his facial features were extremely cold. He stood beside her, and the two of them held each other’s hands tightly. Their posture was intimate, and one look was enough to tell that they were a couple in love.”

“With the broadcast of “Country 2”, Ye Zhuo’s popularity on the internet was getting higher and higher. The topic even surpassed many A-list celebrities.”

“If the photos were to be exposed at this time, it would definitely cause a huge uproar.”

“Cen Shaoqing was a low-key person. He had once declared that he was not going to get married. For such a person, he would definitely not admit that he had a girlfriend in front of the media.”

“Not only would cen Shaoqing not admit it, but he would also be very angry.”

Who would benefit the most from exposing a relationship?

It would definitely be Ye Zao.

“After all, if ye Zao wanted to firmly tie Cen Shaoqing down, he had to make this matter known to everyone and force Cen Shaoqing to admit that he had a girlfriend in front of everyone.”

“Therefore, Cen Shaoqing would definitely think that ye Zao had asked someone to expose this photo.”

Chapter 936: 215: face smacking! Official propaganda! 7

“To song Chenyu, this was simply killing two birds with one stone.”

“Firstly, it could confirm that ye Zao was kept as a mistress.”

“Secondly, it could make Cen Shaoqing completely loathe ye Zao.”

Who Was Cen Shaoqing?

Cen Wuye who stood at the top of the pyramid!

“Such a person, would he be willing to be tied up by a woman?”

Definitely Not!

“According to what Song Chenyu knew, Ye Zao would also attend the press conference tonight. She was looking forward to the scene of ye Zao being blocked at the entrance by the reporters.”

“Thinking of this, the corners of Song Chenyu’s lips curled up.”

She had been waiting for this moment for too long.

“The previous injury incident had caused ye Zao to gain so much popularity on Weibo. This time, she wanted ye Zao to return it with interest.”

Ten minutes later.

Two hot searches exploded on Weibo.

Country 2’s hot female lead’s relationship is suspected to be exposed

[F * ck! F * ck! This is too explosive! But this man is so handsome!]

[inexplicably matching his face.]

[Ahhh! I'm going to lick the screen.]

“Song Chenyu browsed through the comments one by one, frowning slightly.”

This was not quite what she had imagined.

She had thought that someone would recognize Cen Shaoqing.

Song Chenyu switched her Weibo account to a sub-account and then commented.

“[if I'm not mistaken, this man should be the chief CEO of CEN Group, Cen Wuye. Please come out and confirm it.@cen group] ”

“After editing the text, song Chenyu spent money to make this comment a popular one.”

“After seeing this comment, the onlookers who were licking their lips immediately lost their composure.”

“[F * ck, this melon is a little big@cen group.] ”

[@cen group.]

“[@cen group, is this Cen Wuye?] ”

“[oh my God, I thought I would never see Cen Wuye in my lifetime! Thanks to the Internet, the Internet is really powerful now!] ”

[wasn't there a rumor that Cen Wuye might become a monk? Why would he suddenly find a girlfriend?]

[are you sure it's a girlfriend? What if it's an employment relationship? There was a report that Cen Wuye is an unmarried man.]

In what kind of situation would an employment relationship be formed?

An employer.

[an employer!]

[I knew it. A small streamer can also appear in country 2. It turns out that she has a big financial backer supporting her!]

[this big financier has quite a background.]

“[this photo was leaked by someone I hired, right? After all, Cen Wuye is a non-marital person. She wants Cen Wuye to acknowledge her?] ”

[F * ck! Is Cen Wuye so scheming?]

[I feel like I'm watching a large-scale palace drama!]

“[the analysis above makes sense. It's obvious that this photo is my handiwork. Unfortunately, her wishful thinking is wrong! After all, Cen Wuye only wants to follow her, while she wants to be intimate with him.] ”

“Seeing that the direction of the comments was developing according to her imagination, song Chenyu curled the corners of her lips and moved her fingers. Soon, new hot searches flooded in. ”

scheming woman explodes to the top!

Country 2's hot female lead is suspected to be kept as a mistress

Country 2's shady business

“For a time, the entire Weibo hot search page was taken over by Ye Zhuo.”

“[ye fans, don't be anxious, and don't be led astray! I believe that Ye Zi isn't that kind of person! Wait for Ye Zi's official announcement!]”

[wait for the official announcement!]

[NC fans are NC fans. Don't you know who Cen Wuye is? He just opened his mouth and announced the official announcement! I'm just a small streamer. Is she worthy?]

-LSB- official announcemeYouryour master is about to be dumped by a big financier!]

[scheming woman is really shameless. Cen Wuye is obviously a man who doesn't want to get married. She really wants to use public opinion to force Cen Wuye to admit their relationship. Does she really think Cen Wuye is that easy to manipulate?]

Ye Zhuo was choosing evening gowns for the press conference. She did not know that she was already trending.

“Just as she changed into her evening gowns, she received a text message from CEN Shaoqing.”

[I'm already at your door.]

“Ye Zhuo replied, [I'm on my way.]”

“After replying to the text, Ye Zhuo went to the door.”

“Cen Shaoqing was leaning against the car door waiting for her. When he saw her coming over, he immediately opened the car door. “Leader, Please.” ”

Ye Zhuo leaned into the car.

“Very soon, the car arrived at the press conference.”

Cen Shaoqing went to the other side and opened the car door. He extended his hand that was holding the Buddhist beads to her. “How long will it take you to finish the press conference?”

““About 15 minutes,”ye Zhuo answered.”

Cen Shaoqing’s thin lips parted slightly. “Then I’ll wait for you at the door.”

“Okay.”Ye Zhuo nodded slightly.

“At this moment, countless reporters suddenly swarmed over, surrounding Cen Shaoqing and ye Zhuo in the middle.”

““Cen Fifth Master, Miss Ye, may I ask what do the two of you think of the Weibo Trending Incident?” ”

Ye Zhuo was stunned.

She was trending?

When did it happen?

“The reporter then passed the microphone to Cen Shaoqing and said, “CEN fifth master, the trending topic revealed that you and Miss Ye are lovers. May I ask if you and miss ye are boyfriend and girlfriend?” ”

“No.”Cen Shaoqing shook his head slightly.

No.

As expected.

How could a man like Cen Shaoqing fall for a small streamer?

Wasn't this a fantasy?

The reporters looked at each other in dismay. They could see the expression in each other's eyes that they wanted to see.

“Song Chenyu was standing opposite the two of them. When she heard Cen Shaoqing say ‘no’without hesitation, her eyes were filled with joy. ”

This answer had long been within her expectations.

“Although ye Zhuo was somewhat beautiful, he was too young. Now that he had used a method to expose her and Cen Shaoqing's relationship, it would be strange if Cen Shaoqing fell in love with her! ”

She did not even look at herself in the mirror to see what kind of person she was!

“Just as the reporters were about to ask the next more incisive question, Cen Shaoqing turned his head to look at the camera, he continued, “To be precise, I'm still in the internship period. When my family's leader finishes his inspection, I'll be able to become a full-time official and officially become a certified boyfriend.” ”

“Chapter 937: 210: the whole Internet is in an uproar, never admit defeat! 1”

“The next second, all the reporters were stunned.”

Internship?

“Who could believe that Cen Wuye, chasing his wife, actually wanted an internship?”

Everyone thought that they were hearing things.

“Hearing this, song Chenyu’s face immediately turned pale.”

She did not expect Cen Shaoqing to actually admit his relationship with Ye Zhuo in front of the camera.

Not only did he admit it.

He also indirectly raised ye Zhuo’s status.

Internship.

The man she was desperately chasing was just an intern in ye Zhuo’s eyes!

And he was so humble.

What was this?

What was so good about Ye Zhuo?

Was Cen Shaoqing Blind?

She was so outstanding and brilliant. She knew Cen Shaoqing before ye Zhuo. Why did Cen Shaoqing not like her?

She should be CEN Shaoqing's girlfriend!

"A reporter quickly reacted and continued, "CEN fifth master, do you mean that you're still Miss Ye's intern boyfriend?"

"Yes." Cen Shaoqing nodded slightly.

"The reporter immediately handed the microphone to Ye Zhuo. "Miss Ye, may I ask what you're thinking of letting Cen fifth master become an official?"

"Cen Shaoqing turned his head to look at ye Zao, his eyes filled with anticipation."

He also wanted to know when his internship would end.

"Ye Zao's tone was faint, and there seemed to be a faint layer of snow between his brows. "That depends on his performance.""

"Cen Shaoqing seemed to be in a good mood today, so the reporter mustered up his courage and asked, "CEN fifth master, I heard that you're an anti-marriage activist. May I ask if you and Miss Ye will step into marriage?"

So what if Cen Shaoqing admitted that Ye Zao was his girlfriend?

The most important thing was to get married.

Cen Shaoqing had once said in front of the media that he was an unmarried man.

Would he marry ye Zao if he was an unmarried man?

Definitely Not!

“Upon hearing this, song Chenyu felt much better. He raised his head and looked over again.”

“Cen Shaoqing nodded slightly. “The great literary hero, Shakespeare, once said that all relationships that do not aim at marriage are hooliganism.””

“After a long while, the reporter finally reacted and continued,” ... So, you mean that you will step into the marriage hall with Miss Ye?””

“”Yes.” Cen Shaoqing’s thin lips parted slightly. “If Zhuo Zhuo is willing to marry me, it will be my fortune for three lifetimes.””

Marry down.

He was talking about marrying down.

The reporters almost thought that they were hearing things.

The Cen family was the number one family in Huaxia.

“But in his eyes, if ye Zao could marry him, he would marry down instead of climbing up the social ladder.”

It was enough to show ye Zao’s position in Cen Shaoqing’s heart.

“Song Chenyu’s already pale face was now as white as a sheet of paper. She looked at the two figures, her hands clenched into fists, and her whole body was trembling.”

“There were too many reporters at the scene. In order to prevent others from taking pictures of her, song Chenyu turned around and walked inside.”

“On this side, the reporters wanted to ask more questions, but Cen Shaoqing directly escorted ye Zao to the press conference.”

None of the reporters behind them dared to chase after them. They could only let the cameraman take a few pictures of the two’s backs.

Cen Shaoqing was in a good mood today.

“If it was any other day, these reporters would not be able to post anything they took.”

“The press conference was still going on. At this time, Weibo was already exploding.”

[please be more confident above. Remove the suspicion. The photos that were trending in the search earlier must have been released by Cen Wuye.]

[I agree with the person above.]

[so sweet!]

[isn't the Cen family too powerful?]

[yezi is about to become the CEN group's Lady Boss...]

[whether or not she will become the lady boss depends on when Yezi wants master five to be promoted.]

[I'm so envious!]

"After a few official Weibo posts were posted, a bunch of onlookers immediately followed suit. "

"For a moment, ye Zao's private messages exploded. "

"Cen Shaoqing sat in the car and flipped through Weibo. His eyes were covered with a faint luster, and the corners of his mouth curled up in an invisible arc. "

"At this moment, the car door was pulled open. "

Cen Shaoqing was completely focused on Weibo and did not notice that there was an additional person in the passenger seat.

Until ye Zhuo's voice appeared in the air. "What are you happy about?"

"Nothing." Cen Shaoqing put away his phone in a serious manner and sat upright.

"Really nothing?" Ye Zhuo narrowed his eyes.

Cen Shaoqing twirled the prayer beads out of habit. "It's really nothing."

Ye Zao lowered his head and carefully fastened his seatbelt.

“At this moment, Cen Shaoqing suddenly leaned over. “Everyone is asking you when can I become a full-time official?” ”

“The two of them were a little close to each other, and their breaths were filled with each other’s breath. ”

“Ye Zao suddenly felt a little nervous, and his heart beat faster. ”

“Cen Shaoqing’s thin lips parted slightly, and he said word by word, “Leader, when can I become a full-time official?” ”

“With each word he said, his body leaned forward a little. ”

Closer and closer.

Closer and closer.

Until the tip of his tall nose touched the tip of her nose.

““Leader, answer me. When can I become a formal official? HMM?” ”

“Ye Zhuo reached out and hooked his arm around his neck, then used his red lips to press on his thin lips. ”

Everything was said without saying.

“Cen Shaoqing was stunned for two seconds at first, then he quickly reacted. His sexy Adam’s apple rolled up and down, and in an instant, the guest became the host. ”

Ten minutes later.

“Ye Zhuo’s lips moved away from Cen Shaoqing’s thin lips. His chin rested on Cen Shaoqing’s shoulder, and his breathing was a little ragged.”

“Cen Shaoqing’s breathing was also a little hurried, and his sword-like eyebrows were slightly furrowed.”

“One had to know that normally, he wouldn’t even pant when he lifted a barbell that weighed 300 jin in one breath.”

It had only been ten minutes.

“It seemed like he had to strengthen his training. It had only been a kiss, and he was already panting like this. If it was an even more difficult movement, what would it look like?”

“Thinking of this, Cen Shaoqing narrowed her eyes.”

“For the sake of a harmonious and happy life in the future, it seemed like she needed to strengthen her training.”

“After the press conference ended, Song Chenyu browsed through the situation on Weibo, and her face turned green.”

“The purpose of exposing that photo was to make Cen Shaoqing hate Ye Zao, dump Ye Zao, and at the same time, make Ye Zao become an Internet blacklist.”

“She did not expect that not only did Ye Zao not become an Internet blacklist, but he had become the envy of everyone.”

No.

Not like this.

She can not just admit defeat.

On what basis.

Ye Zao on what basis to ride on her head to bully?

Chapter 939: 210: the entire Internet is in an uproar. She will never admit defeat! 3

That seat should have been hers.

...

On the other side.

Zhou Rui's residence.

"Zhou Rui melted the medicine given by mother Zhou into the white fungus lotus seed soup and brought it to Cen Yuyan to eat. "Yuyan, this is the white fungus lotus seed soup that I personally made. Try It and see how it tastes.""

"Cen Yuyan said in surprise, "You personally made it?""

"Yes."Zhou Rui nodded.

"Cen Yuyan took the white fungus lotus seed soup with both hands. "Zhou Rui, you're really too virtuous.""

“I’m not so virtuous to everyone.” Zhou Rui continued, “Even my parents haven’t personally eaten the things I’ve made.”

Cen Yuyan drank a mouthful of the white fungus lotus seed soup and her heart was filled with happiness.

“Is it good?” Zhou Rui asked.

“It’s good.” Cen Yuyan nodded and handed a spoonful to Zhou Rui. “Do you want to have a taste too?”

“Zhou Rui smiled and said, “I specially made this for you to eat. As a man, what does it look like to eat such a sweet and greasy thing?””

“Then I’ll eat it myself.”

Cen Yuyan ate all the Tremella lotus seed soup.

“Seeing Cen Yuyan eat all the Tremella lotus seed soup, Zhou Rui narrowed his eyes.”

The effects of Mother Zhou’s medicine were very good.

Cen Yuyan would definitely be able to successfully get pregnant after eating the medicine.

“At that time, he would be the Cen family’s legitimate son-in-law.”

“Thinking of this, Zhou Rui felt extremely happy.”

“In the future, the capital would be the Zhou family’s world!”

“After drinking the tremella lotus seed soup, Cen Yuyan originally wanted to wash the dishes, but she didn’t expect Zhou Rui to stand up and take the bowl from her hands. “Let me wash it.””

“Cen Yuyan smiled and said, “Let me do it. It’s very convenient to use the dishwasher.””

“Zhou Rui said, “Your bowl must be washed by me personally.””

“Cen Yuyan looked at Zhou Rui, her face full of happiness.”

Zhou Rui’s actions once again told her that she didn’t choose the wrong person.

It was a pity that the CEN family couldn’t see this scene.

The next morning.

Old Mrs. Cen sat in the dining room and ate breakfast.

“Usually at this time, CEN Shaoqing had already finished eating and was sitting on the sofa next to him reading the financial newspaper. However, this morning, Cen Shaoqing was nowhere to be seen.”

“Old Mrs. Cen asked curiously, “Where’s Shaoqing?””

“Zhou Xiang said, “I think he’s still upstairs exercising, right?””

Old Mrs. Cen frowned slightly. “I’ll go up and take a look.”

“After saying that, old Mrs. Cen turned around and walked upstairs.”

In the gym on the third floor.

“Through the glass, old Mrs. Cen saw the sweating Cen Shaoqing.”

“When she saw Cen Shaoqing raise a 150 kg barbell with one hand, old Mrs. Cen covered her mouth in surprise.”

He had such good waist strength and arm strength.

Old Mrs. Cen was more and more worried that ye Zhuo’s strength would not be able to keep up.

“After watching for a while, old Mrs. Cen walked downstairs to the dining room again.”

“Zhou xiang smiled and said, “Mom, is Shaoqing exercising in the gym upstairs?””

“Yes.” Old Mrs. Cen nodded.

“Zhou Xiang continued, “Mom, do you think we should find some time to go to Zao’s house? Let’s settle the matter between the two of them as soon as possible.””

“”No, no.” Old Mrs. Cen hurriedly shook her head.”

“”Why?” Zhou xiang asked in puzzlement, “Don’t you want to have a great-grandson soon?””

“Old Mrs. Cen thought of the scene of Cen Shaoqing lifting the barbell with one hand and said, “Yezi is still too young. Let’s Wait a little longer.””

With ye Zhuo’s small body.

It was enough for Cen Shaoqing to live for a few days?

“No, no, no.”

Ye Zhuo was only twenty years old this year.

He was still a flower bud.

It was said that less talking and more doing was the foundation of family harmony.

These two people’s physical strength was not on the same level. How could they talk less and do more?

How could they be harmonious?

“Therefore, they could not settle the matter between the two of them just like that.”

They had to wait.

“How could Zhou Xiang not understand what old Mrs. Cen meant? He smiled and said, “So that’s what you’re worried about.””

“Old Mrs. Cen continued, “When I went upstairs just now, I saw that stinky brat lifting a 150 kg barbell with one hand. Do you think he ate pig feed? He’s actually so strong!””

Ye Zao was only about 90 kg.

Didn’t this mean that Cen Shaoqing could lift three ye Zao in one go?

Old Mrs. Cen felt more and more that Cen Shaoqing had stolen pig feed.

“Otherwise, why would he be so strong?”

“Zhou Xiang said, “Actually, Zao’s strength is not small either. The last time I saw Country 2, I saw other guests carrying watermelons one at a time. Zao Zao carried three at a Time!””

“”Also, when they were mowing the grass, the other guests carried the watermelons back with others. Yezi carried them back alone.””

Old Mrs. Cen glanced at Zhou Xiang. “How can three watermelons be compared to a barbell that weighs 300 kilograms?”

Chapter 940: 210: the whole Internet is boiling. I will never admit defeat! 4

The three watermelons weighed 70 catties.

70 catties was less than one-third of the weight of the barbell.

How could they compare?

“Zhou Xiang said, “Although it can’t be compared to the barbell, it can at least prove that Zha Zha is stronger than an ordinary girl.” ”

“”Of course!”Old Mrs. Cen raised her head proudly. “Otherwise, why did I personally choose my granddaughter-in-law? My granddaughter-in-law is the best granddaughter-in-law in the world! and the most outstanding granddaughter-in-law in the world!” ”

“Zhou xiang smiled and continued, “Then can we wait for the matter between Zhuozhuo and Shaoqing?” ”

“Old Mrs. Cen nodded. “Yes, we’ll wait for a while.” ”

“Zhou Xiang hesitated for a moment and then said, “It doesn’t matter if it’s a boy or a girl. After all, Zhuozhuo is a girl. Do you think that if we don’t mention this matter, Zhuozhuo’s parents will misunderstand that we don’t value Zhuozhuo?” ”

“Old Mrs. Cen smiled and said, “Don’t worry. I will explain this matter to Ah Shu and Jin city. They are reasonable people. As parents, they also want to stay in Luoluo for a few more years.” ”

“Okay.”Zhou Xiang nodded.

“Cen Shaoqing, who was in the gym upstairs, did not know that he worked so hard to keep fit so that he could live a harmonious life in the future. However, old Mrs. Cen had delayed their wedding date because of this.”

...

Today was Sunday. Ye Zao did not go out of the Lin family manor.

“At this moment, he was sitting in the rose garden with an easel in front of him.”

On the easel was a half-finished painting.

In the background was an endless stretch of roses. The back of a long-haired girl was looking up into the distance.

““Zao Zao.”At this moment, a gentle female voice came from behind him.”

“Ye Zhuo turned his head slightly and saw Xia Xiaoman. “Fourth aunt, when did you come?” ”

““I just arrived.”Xia Xiaoman’s gaze fell on Ye Zhuo’s painting. She asked in surprise, “Zhuo Zhuo, did you draw this?” ”

Ye Zhuo nodded slightly. "Yes."

"Your painting is really good." Although Xia Xiaoman didn't know much about painting, she could tell that Ye Zhuo's painting skill wasn't something that an ordinary person could have. "

"Ye Zhuo smiled and said, "Just drawing. Oh right, fourth aunt, is Lizi here too?" "

"She's in front," Xia Xiaoman replied. "

"Ye Zhuo could see that Xia Xiaoman had something on her mind, so he continued, "Fourth aunt, let's go to the gazebo in front and have a seat, shall we?" "

"Okay." Xia Xiaoman nodded.

The two of them went to the gazebo.

"The wind was a little strong today, and it made the beaded curtains on the gazebo jingle. "

It was especially pleasing to the ear.

"Of course, it was pleasing to the ears of those who were in a good mood, but to Xia Xiaoman's ears, it made her even more worried. "

"Ye Zhuo poured a cup of tea for Xia Xiaoman. "Fourth aunt, is there something on your mind?" "

"Xia Xiaoman took the tea that Ye Zhuo handed over with both hands, took a sip, and then said, "Zhuozhuo, I know that your medical skills are very good, so I want to ask you for a favor." "

"If you have something to say, just say it. We are a family." "

“Xia Xiaoman considered her words in her heart, then she said, “I have been married to your fourth uncle for a long time. I really want to give birth to his child, but there has been no movement. I went to the hospital for a check-up, and the Doctor said that I am fine. I want you to help me see if I am really fine.” ”

“Although Lin Qingxuan had always said that the matter of a child was not something to be forced, having an Lizi as a daughter was enough. ”

But Xia Xiaoman wanted to give birth to his child.

A child that belonged to them.

“Hearing the purpose of Ming Xia Xiaoman’s visit, ye Zao continued, “Fourth aunt, stretch out your hand. I’ll Take Your Pulse.” ”

Xia Xiaoman immediately stretched out her hand towards ye Zao.

Ye Zao stretched out his hand and placed it on Xia Xiaoman’s pulse.

“A moment later, he let go of her hand. ”

“Xia Xiaoman immediately asked, “Zao Zao, how is it?” ”

“Ye Zao said, “From your pulse, it seems that there are no problems with your body. You shouldn’t be too anxious. There are some things that can not be rushed. Just let nature take its course.” ”

“Hearing that her body was fine, Xia Xiaoman heaved a sigh of relief. She smiled and said, “It’s good that you’re fine.” ”

“Ye Zhuo’s medical skills were very good. He could even cure cancer. Now That Ye Zhuo had said that there was no problem, there was definitely no problem. ”

“After saying that, ye Zhuo continued, “By the way, fourth aunt, have you taken birth control pills before?” ”

“No.”Xia Xiaoman shook her head.

Never taken birth control pills before?

Ye Zhuo frowned slightly. Could it be that she had heard wrongly?

Ye Zhuo reached out and placed his hand on Xia Xiaoman’s wrist again.

He had not heard wrongly.

“According to Xia Xiaoman’s pulse, she had taken birth control pills before. ”

“Ye Zhuo continued, “Fourth aunt, although you have never taken birth control pills before, you must have eaten food with birth control pills before. Nowadays, many vegetables are sprayed with phytohormones, which is very bad for the human body. You might not be able to tell anything from some young people with good physiques, but you are different. When you were giving birth to Lizi, you did not give birth properly. Now, you have eaten vegetables sprayed with phytohormones, which causes you to be unable to get pregnant.” ”
