“Chapter 941: 210: the whole Internet is boiling, we will never admit defeat! 5”

“In the early years, there was even the matter of spraying contraceptives on cucumbers.”

Xia Xiaoman was stunned. “Then what should I do?”

“Ye Zhuo said, “Pay attention to your diet. It’s best to buy some tools that can measure hormones. Once you find vegetables with excessive hormones, don’t eat them.””

“Okay.” Xia Xiaoman nodded.

“Ye Zao continued, “Later, I’ll prescribe a medicine to detoxify you. Keep your mood happy. Who knows when your little brother and little sister will come.””

“Xia Xiaoman smiled. “Zao Zao, thank you.””

“Of course.”

“After they finished talking about Xia Xiaoman, Ye Zao followed her to the front hall.”

An Lizi was hugging brother Meow and kissing him on the left and right. She didn’t even know that ye Zao had come.

““Lizi,” ye Zao said with a smile.”

“Upon hearing ye Zao’s Voice, an Lizi released brother Meow from her arms and sprinted towards ye Zao. “Big Zao Zao!””

Brother Meow was thrown to the ground and meowed pitifully.

Little White picked brother Meow up from the ground.

...

Time passed very quickly.

“In the blink of an eye, half a month had passed.”

“In order to make Cen Yuyan successfully get pregnant, Zhou Rui worked very hard every night.”

Unfortunately.

Cen Yuyan’s stomach just couldn’t see any movement.

“Logically speaking, after Cen Yuyan took mother Zhou’s medicine, she should be able to get pregnant very quickly.”

“But even after so long, Cen Yuyan’s stomach still didn’t show any reaction.”

What exactly was going on?

Zhou Rui took the time to return to the Zhou family.

“These few days, Zhou Rui had been very busy. He was almost not at home during the day and only returned at night when it was close to midnight.”

“Therefore, Cen Yuyan made a trip to Song Chenyu’s place during the day.”

“When he saw Cen Yuyan come over, Song Chenyu smiled and said, “Why are you the only one here? Where’s Zhou Rui?””

“Cen Yuyan said, “He’s so busy! He can only be seen at night.””

“Fortunately, Zhou Rui was very busy and could only go home at night. However, he cared for Cen Yuyan a lot.”

“Otherwise, Cen Yuyan really couldn’t stand it.”

Busy?

What else could Zhou Rui be busy with?

Busy playing with women?

“A mocking look flashed across Song Chenyu’s eyes. Fortunately, Cen Yuyan was stupid enough. If it were anyone else, they wouldn’t be able to hide it.”

Song Chenyu held Cen Yuyan’s hand. “It’s been more than half a month. Is there still no news from your family?”

“Cen Yuyan shook her head. “In any case, I have Zhou Rui to support me now. It doesn’t matter whether they acknowledge me or not.””

Zhou Rui to support?

Zhou Rui's money was still hers!

"Song Chenyu's eyes dimmed. It had only been half a month, and Zhou Rui had already taken more than five million from her."

"If Cen Yuyan did not get pregnant soon, who would be able to bear it?"

No.

They had to resolve the conflict between Cen Yuyan and the Cen family immediately.

Let the Cen family restore Cen Yuyan's economy.

"Song Chenyu frowned without a trace, he continued, "Although what you said is true, they are your family after all. Even if you marry Zhou Rui in the future, they are still your family. To put it bluntly, if Zhou Rui bullies you in the future, you still have your family to support you!"

Cen Yuyan glanced at Song Chenyu. "Zhou Rui won't bully me."

"Song Chenyu smiled and said, "Yes, yes, yes! Zhou Rui won't bully you! Zhou Rui treats you the best!"

"That's a must."

"Song Chenyu continued, "Do you want to eat grapes? I just got someone to deliver them this morning. They are fresh, sour, and sweet."

Cen Yuyan couldn't help but swallow her throat when she heard the sour and sweet words. "Are they in the fridge? I'll go get them!"

"I'll go." Song Chenyu stood up.

“No need, I’ll go.” Cen Yuyan continued, “Why are you like Zhou Rui? You won’t let me do this, but you won’t let me do that? I’m not a child anymore!”

Song Chenyu smiled and said, “Looks like Zhou Rui is quite considerate.”

“That’s true.” Cen Yuyan continued, “Chenyu, do you eat grapes? If you do, I’ll bring more.”

“I’m full,” Song Chenyu replied.

Cen Yuyan was a little puzzled. “What did you eat that made you full?”

Song Chenyu smiled. “The dog food between you and Zhou Rui.”

Cen Yuyan said somewhat embarrassedly, “Only you know how to make fun of me.”

“I’m just telling the truth. I’m not making fun of you.”

Cen Yuyan walked out of the kitchen with grapes and sighed. “If it weren’t for Ye Zhuo, you wouldn’t be single until now.”

Chapter 942: 210: the whole Internet is boiling. I will never admit defeat! 6

“It has nothing to do with Miss Ye. I’m not good enough,” Song Chenyu said.

“How is it not related?” Cen Yuyan frowned slightly, “Ye Zhuo is a scheming white lotus. If she didn’t sow discord in front of Lu Xiu, I wouldn’t have such a big misunderstanding of you! I even caused you to be injured! “Although my fifth brother is a shrewd person, he is still a man. A man’s thoughts are far less

meticulous than a woman's! "I think my fifth brother was deceived by ye Zhuo's White Lotus appearance! "Otherwise, how could he have coaxed my fifth brother to publicly admit her identity in front of so many media outlets!"

"I think that photo was exposed by her own people!"

""My fifth brother is just too stupid. He couldn't even see through such tricks and even held her in his hands. If it were me, I would have dumped her long ago!""

Cen Yuyan was filled with anger when she thought of this matter.

The person standing beside Cen Shaoqing should have been Song Chenyu.

"However, he was intercepted by Ye Zhuo."

"That was fine, but Song Chenyu was a Buddhist and did not want to compete with Ye Zhuo."

"If Song Chenyu had used some tricks, even a little, he would not have ended up in this situation."

"One had to know that when Song Chenyu met Cen Shaoqing, Ye Zao was nowhere to be found!"

"Song Chenyu smiled. "Yuyan, don't say that. You and Miss Ye are going to be a family in the future. If you always have a problem with Miss Ye, how are you going to get along in the future?"

"Cen Yuyan hugged Song Chenyu's arm. "If you want to talk about sister-in-law, I only acknowledge you as my sister-in-law! Ye Zhuo won't enter my eyes!"

Ye Zhuo wanted to become a family with her?

In her dreams.

She would never agree to that!

“Song Chenyu smiled and said, “Fate is determined by heaven, and it’s not up to you to decide. Right, why don’t we go out for a walk? I’ve been staying at home for quite a few days!””

“Okay.” Cen Yuyan nodded.

Song Chenyu put on some makeup and a mask and went out with Cen Yuyan.

“In order not to highlight the mask on song Chenyu’s face, Cen Yuyan also put on a mask.”

The two first bought clothes and then a bunch of skincare products.

“Cen Yuyan had no financial source now, so she used song Chenyu’s card.”

“”Chenyu, don’t worry. When I have money, I will return this money to you immediately.””

“Song Chenyu said speechlessly, “Is there a need to be so distant between us?””

“Cen Yuyan hugged song Chenyu. “Chenyu, thank you.””

“Idiot.” Song Chenyu patted Cen Yuyan.

“This scene happened to be seen by Old Mrs. Cen, who was shopping.”

Old Mrs. Cen narrowed her eyes and took off the sunglasses on her face. She turned to look at Zhou Xiang beside her. “Do you think that’s the fourth girl?”

Zhou Xiang looked up and nodded. "It's her."

"Old Mrs. Cen continued, "Who's the person beside her?""

"Zhou Xiang carefully identified her and continued, "It seems to be song Chenyu.""

Song Chenyu?

"Upon hearing this name, Old Madam Cen could not remain calm."

Idiot!

He was simply an idiot.

"He had already been deceived by song Chenyu to such an extent, and now he was still fooling around with song Chenyu."

Was he brainless?

"Old Madam Cen continued, "Xiang Xiang, go and call that girl over for me.""

"Alright." Zhou Xiang nodded and walked over to call for her.

"When she saw Zhou Xiang, Cen Yuyan said in surprise, "Mom?""

"Song Chenyu politely said, "Auntie.""

Zhou Xiang nodded at song Chenyu and then looked at Cen Yuyan. "Your grandmother is here too. Come with me."

Cen Yuyan followed Zhou Xiang's footsteps.

"When she saw Cen Yuyan, old Mrs. Cen's expression was not very good, but she did not scold her. She only said, "Why are you still with that fish?""

"Cen Yuyan said, "I misunderstood Chenyu the last time. Actually, Chenyu is a very good girl!"

"Do you want me to say that you're Stupid? Or do you want me to say something good about you?" Old Mrs. Cen hated that she had failed to live up to her expectations. "Hearing is believing, seeing is believing. Not only did you see it with your own eyes, but you also heard it with your own ears. How could you be deceived by her?"

"Chenyu didn't lie to me. There was indeed a misunderstanding about this matter." Seeing that old Mrs. Cen had such a deep opinion of Song Chenyu., cen Yuyan continued, "Grandma, let me tell you the truth. Actually, the person who was truly scheming was ye Zhuo! The incident that night was also designed by Ye Zhuo. She almost caused me to misunderstand chenyu and even caused Chenyu to be injured!"

Chapter 943: 216: Old Mrs. Cen was domineering and overprotective. Cen Yuyan took one wrong step after another! 1

Cen Yuyan's words were filled with righteous indignation. It was as if she had seen what ye Zhuo had done with her own eyes.

Old Mrs. Cen was so angry that her face turned red. She raised her hand and slapped Cen Yuyan's face.

PA!

Cen Yuyan's face was slapped to the side.

“You Ungrateful Thing!”

“Cen Yuyan covered her face and looked at Old Mrs. Cen. “Who is ungrateful? The ungrateful person is clearly you! If it weren’t for you, would our family have become like this?” ”

“If it weren’t for old Mrs. Cen, Cen Shaoqing would have been with song Chenyu long ago. ”

Why would there be anything with ye Zao?

Cen Shaoqing was with Ye Zhuo because of old Mrs. Cen.

“If it wasn’t for old Mrs. Cen threatening him with death, Cen Shaoqing definitely wouldn’t have put on such an act. ”

Yes.

“In Cen Yuyan’s view, all of this was Cen Shaoqing putting on an act. ”

Whether it was publicly admitting that ye Zhuo was his girlfriend or something else.

It was all Cen Shaoqing putting on an act for old Mrs. Cen.

“Old Madam Cen was already quite old. As her grandson, Cen Shaoqing did not want her to have any regrets in her later years. ”

“Yet, Old Madam Cen was still so foolish that she did not know anything and treated ye Zao as a treasure. ”

“Now, for Ye Zao, she even hit her biological granddaughter. ”

This was simply unreasonable!

Old Madam Cen felt that she was about to suffer a heart attack from Cen Yuyan's aura. She clutched her chest and panted heavily.

"Zhou Xiang pointed at Cen Yuyan and said, "How can you talk to your grandmother like that? Quickly apologize to your grandmother!" "

"Apologize?" Cen Yuyan snorted. "I'm not in the wrong, why should I apologize! The one in the wrong is her. She only knows how to take advantage of her seniority! She even has to count the money for others when she's cheated!" "

"Cen Yuyan!" Looking at Cen Yuyan like this, Zhou Xiang, who had always been calm, also changed his face. "You're too much!" "

"Was it me who went too far, or did you guys go too far?" Cen Yuyan's eyes were red as she said, "Now, I'm the one who was beaten up, I'm the one who was kicked out of the house, and I'm the one who was wronged! Now, you guys are actually pointing at my nose and scolding me for going too far! Is there no room for reasoning in this world?" "

"Ever since Old Mrs. Cen brought ye Zhuo to the Cen family, the Cen family had been in complete chaos."

"Now, even she had been chased out by old Mrs. Cen."

"If ye Zhuo had not stirred up trouble in front of Old Mrs. Cen, why would old Mrs. Cen chase her out of the family?"

"Old Mrs. Cen raised her walking stick. "You Little Bastard, I'll break your legs today!" "

"Mom, calm down." Zhou Xiang was so scared that she hugged old Mrs. Cen. "

“After all, it was a public place. If Old Mrs. Cen caused any trouble and was photographed by someone who wanted to post it on the Internet, the loss would not be worth it. ”

“”Xiang Xiang, let go of me!” Old Mrs. Cen was furious. “Let me break that little bastard’s leg!” ”

Cen Yuyan walked in front of old Mrs. Cen. “Beat him up! beat him up! I want to see if you can break my leg today! You did something wrong and you still won’t let others say it! Who Do you think you are?”

“Others were afraid of Old Mrs. Cen, but Cen Yuyan was not. ”

So what if Old Mrs. Cen was her grandmother?

“No matter who it was, they had to bear the corresponding responsibility for doing something wrong. ”

She would not forgive Old Mrs. Cen just because she was her grandmother!

“Shut up!” Zhou Xiang pushed Cen Yuyan away.

Bang!

“Cen Yuyan was not prepared, and she did not expect Zhou Xiang to make a move on her. She was pushed to the ground by Zhou Xiang just like that. ”

“Mom?” Cen Yuyan raised her head to look at Zhou Xiang. “When did you become like Grandma?”

“Although Cen Yuyan didn’t like Old Lady Cen very much, she didn’t have any objections to Zhou Xiang as a mother. ”

But she didn’t expect Zhou Xiang to actually make a move on her.

“Zhou Xiang looked at Cen Yuyan and frowned. “Yuyan! When did you become like this? You Can’t even differentiate between good and bad! Today, don’t blame your grandma for breaking your legs! I can’t even stand it anymore!” ”

“Cen Yuyan stood up from the ground. “Haven’t you already severed your relationship with me? Since you’ve already severed your relationship, you don’t have the right to ask about my matters! From now on, my matters have nothing to do with you!” ”

Cen Yuyan said everything that she had hidden in her heart. She felt extremely carefree and continued:

“”Let me tell you, even without you, I can still live a very happy life! Didn’t you say that Zhou Rui fell in love with the Cen family’s fourth young mistress? “But I’m not the Cen family’s fourth young mistress now. I didn’t spend a single cent of the Cen family’s money. Seeing that I’m living so well, aren’t you all very disappointed? “Let me tell you, this is just the beginning! “I’ll be happier in the future!” ”

Chapter 944: 216: Old Mrs. Cen was domineering and overprotective. Cen Yuyan took one wrong step after another! 2

“From the moment she left the Cen family, everyone looked down on her and Zhou Rui. ”

They thought that Zhou Rui was a womanizer.

“But now, she had already left the CEN family for more than half a month. Not only did Zhou Rui not have any change of heart, he even took good care of her. Their relationship was more than twice as good as ten days ago. ”

“After saying this, Cen Yuyan turned around and left. ”

“Old Mrs. Cen looked at Cen Yuyan’s back. “Karma isn’t good! This little bastard, sooner or later, she will cry!” ”

“Zhou Xiang did not know why Cen Yuyan had suddenly become like this. He sighed and turned to look at Old Mrs. Cen. “Mom, don’t be angry. This fourth girl is getting more and more outrageous. It’s not worth it to be angry with her.” ”

“”No, I’m not angry! I’m more than Happy Now!”Old Mrs. Cen knocked her walking stick on the ground, “I’m waiting for this little B * Stard to suffer retribution! At that time, none of you are allowed to sympathize with her! This kind of person is not worthy of sympathy at all! This little B * Stard is nothing!” ”

“Zhou Xiang supported Old Mrs. Cen. “Then, are we going home now?” ”

“”Why are we going home? We’re here to shop, not to be bullied! Now that we’re only halfway through shopping, of course we have to continue shopping! We can’t let a Little B * stard ruin our mood! Not only do we have to continue shopping, we also have to shop happily! That Little B * Stard will die of anger!” ”

Zhou Xiang broke into a smile.

“She had been old Mrs. Cen’s mother-in-law and daughter-in-law for decades, and no one knew old Mrs. Cen better than she did. ”

Old Granny Cen was an optimist. She would not get angry unless it was something that made people angry.

“Indeed, Cen Yuyan had gone too far. ”

Zhou Xiang had never felt so troubled before.

“If she allowed Cen Yuyan to continue like this, she would definitely cause a big mess. ”

Zhou Xiang narrowed his eyes.

“On this side, Song Chenyu saw Cen Yuyan return with her face covered. He asked with concern, “Yuyan, what happened to you?” ”

Cen Yuyan bit her lip. “It’s nothing. I was bitten by a Mad Dog.”

“In her opinion, old Mrs. Cen was no different from a mad dog that bit people. ”

“Clearly, everything was old Mrs. Cen’s problem, but Old Mrs. Cen pushed all the responsibility onto her head. ”

Other People’s grandmothers retired to the front line to take care of themselves when they were old.

Old Mrs. Cen wouldn’t stop until she was old and had to stir up some trouble.

She had to make the Cen family suffer until they were destroyed before she could be happy!

“The more Cen Yuyan thought about it, the angrier she got. ”

“Seeing Cen Yuyan like this, Song Chenyu had an idea and continued, “You were beaten by your grandmother?” ”

“En.”Cen Yuyan nodded.

Song Chenyu sighed. “They still oppose you being together with Zhou Rui?”

“Cen Yuyan didn’t want song Chenyu to know that she was beaten because she was together with song Chenyu. She nodded and said, “En.” ”

“Looks like your grandmother and the others still have a deep misunderstanding of Zhou Rui.”

“Cen Yuyan said angrily, “They are snobbish. Because Zhou Rui’s family environment is not as good as ours, they think that Zhou Rui has taken a liking to my money! In fact, Zhou Rui is not such a person!” ”

“If Zhou Rui really took a liking to her money, he would have broken up with her long ago. ”

Why wait until now?

“After all, she had already severed her relationship with the CEN family half a month ago. ”

“Song Chenyu said, “As the saying goes, ‘distance knows horse power, but time reveals the heart’. I believe that Grandma and the others will one day let go of their prejudice against Zhou Rui.” ”

““I don’t expect them to wake up now,”Cen Yuyan continued, “It’s fine just like this. Zhou Rui can take care of me anyway.” ”

Zhou Rui took care of her?

A hint of mockery flashed in song Chenyu’s eyes.

Zhou Rui’s money came from her!

“If Cen Yuyan’s relationship with the Cen family remained at a stalemate, song Chenyu would be the first one who couldn’t stand it. ”

““You’re still the best. Even if you break up with your family, you still have a boyfriend. You’re not like me, who’s all alone.”Song Chenyu’s eyes turned into envy. ”

““Who said you’re all alone? In My Heart, you’re Shaoqing’s girlfriend! It’s all ye Zao’s fault. If it weren’t for ye Zao, you would have been family with me by Now!” ”

“Hearing this, Song Chenyu’s face was full of embarrassment. “Don’t say that. How can I be worthy of Fifth Master Cen?” ”

“”If you say that I’m not worthy, Ye Zao is the one who’s really not worthy.” Cen Yuyan’s eyes were full of ridicule, “If you say that she’s really stupid, she can’t even see through reality and acting! My fifth brother is coaxing her to play! She can’t even see through it!” ”

“Song Chenyu said softly, “I feel that fifth master Cen doesn’t seem to be acting. Perhaps they’re in love.” ”

Chapter 945: 216: Old Lady Cen was domineering and overprotective. Cen Yuyan took one wrong step after another! 3

“What true love!” Cen Yuyan scoffed. “She’s clearly acting! My fifth brother would never fall for a scheming woman like her!”

“Song Chenyu patted Cen Yuyan’s hand. “Alright, Alright. No matter how bad she is, she’s still fifth master’s girlfriend. I’m worried that trouble will come out of her mouth.””

“Hearing these words, Cen Yuyan thought of Cen Shaoqing’s two slaps and immediately shut her mouth.”

“The reason Cen Shaoqing gave her two slaps back then was because she did not care about Cen Shaoqing’s face. She said a lot of bad things about Ye Zhuo in front of Cen Shaoqing, so Cen Shaoqing became angry out of humiliation.”

“Actually, Cen Shaoqing was not venting his anger on Ye Zhuo at all. He was angry that she did not give him face.”

“Just as Song Chenyu said, even if Ye Zao was not doing well, he was still Cen Shaoqing’s girlfriend. By saying that about Ye Zao, she was actually slapping Cen Shaoqing’s face.”

“Now that she thought about it, Cen Yuyan really regretted it.”

She should not have been so reckless back then.

“If she had spoken to Cen Shaoqing in private, Cen Shaoqing definitely would not have slapped her.”

“Song Chenyu held Cen Yuyan’s arm. “The injury on your face is not light. Let’s go to the hospital to have a look, shall we?””

“Cen Yuyan smiled and said, “It’s a small problem. We don’t need to go to the hospital.””

“Song chenyu frowned and said, “How can we not go to the hospital! ! If we go to the hospital, we can get the doctor to prescribe some medicine. It will also help us recover faster. I know a doctor in a private clinic who is very good at treating injuries caused by injuries. It’s not far from here. Let’s go together.””

Cen Yuyan needed people’s care and comfort the most right now. Song Chenyu naturally would not miss this good opportunity.

“Without Cen Yuyan as a stepping stone, how could she enter the Cen Family?”

Song Chenyu pulled Cen Yuyan and walked out. “Let’s go quickly.”

“Seeing how concerned song Chenyu was for her, Cen Yuyan felt a myriad of emotions in her heart.”

It was really worth it to have a close friend like song Chenyu in her life.

“Although they were not related by blood, they were better than biological sisters.”

“If not for Old Lady Cen’s interference, Song Chenyu would have long been her sister-in-law.”

Thinking of this.

Cen Yuyan frowned.

“In the past, she did not know what a troublemaker meant.”

Now she finally knew.

Someone like Old Lady Cen was a troublemaker.

She did not know how Zhou Xiang and Cen Shaoqing could tolerate her.

“The more Cen Yuyan thought about it, the angrier she got.”

Song Chenyu brought Cen Yuyan to the private clinic.

The doctor prescribed some medicine for Cen Yuyan and told her not to eat cold and spicy food for the next few days.

“Song Chenyu smiled and said, “Okay, I’ll remember it.””

On the other side.

At the Zhou family home.

“Zhou Rui was extremely anxious. “Mom, the medicine you gave me is not enough! Why is Cen Yuyan’s stomach still not moving?” Zhou Rui had originally suspected that Cen Yuyan was a hen that could not lay eggs, but now he was even more suspicious.”

“An old woman was indeed an old woman, she didn’t even know how to give birth!”

“Mother Zhou wasn’t anxious at all, “Giving birth isn’t a game, how can you get pregnant just like that? It’s only half a month. Under normal circumstances, it would take one or two months to get pregnant. Anyway, CEN Yuyan has already rushed here, are you still afraid that she’ll run away?””

Zhou Rui being able to take a liking to Cen Yuyan was simply a blessing that the CEN family and Cen Yuyan had cultivated in their past lives.

An old woman who could not be married off.

Could it be that she still wanted to be a demon?

““But I can’t wait any longer.”Zhou Rui continued, “Mom, do you have any other ideas?””

“Seeing Zhou Rui like this, mother Zhou frowned. “How about this, I’ll prescribe some pregnancy-enhancing drugs and you let her drink it once a day.””

““Okay, thank you, Mom.””

Mother Zhou passed the prescribed prescription to Zhou Rui. “Taking too much of this medicine is not good for your body. Don’t put too much at once.”

“Zhou Rui nodded. “Alright, I got it.””

“After bringing the prescription that mother Zhou had given him back, Zhou Rui began to brew the medicine.”

“The moment she got home, Cen Yuyan smelled a strong medicinal smell. When she saw Zhou Rui at home, she asked in surprise, “Why did you come back so early today?””

“Zhou Rui continued, “I saw that you were so thin and didn’t sleep well at night, so I grabbed some tonic from the pharmacy to let you replenish your body.””

“Cen Yuyan didn’t expect Zhou Rui to be so meticulous. She smiled and said, “How did you know that I didn’t sleep well at night?””

“Zhou Rui looked at Cen Yuyan. “I’m the person next to you. I’m going to spend the rest of my life with you. If I can’t even see through such a small problem, then what right do I have to be with you?””

“Cen Yuyan was very touched when she heard that. She hugged Zhou Rui from behind. “Zhou Rui, thank you.””

Chapter 946: 216: Old Lady Cen was domineering and overprotective. Cen Yuyan took one wrong step after another! 4

“Silly.” Zhou Rui turned around and kissed Cen Yuyan.

“It was also at this time that Zhou Rui realized that Cen Yuyan’s face was injured. He hurriedly asked, “Yuyan, what happened to your face? Who bullied you?” ”

“It’s nothing. I applied the medicine. It’s almost done.” Cen Yuyan said indifferently.

“Zhou Rui said, “Tell me who bullied you. I’ll go and avenge you now!” ”

Cen Yuyan looked at Zhou Rui. “It’s my grandmother.”

“When he heard that it was old madam Cen, Zhou Rui felt as if someone had poured a bucket of cold water on him. “Why did she hit you? Was it because of me?” ”

“CEN Yuyan said, “It wasn’t all because of you.” ”

Zhou Rui was stunned.

Cen Yuyan explained song Chenyu’s matter to him.

“Zhou Rui narrowed his eyes and said, “It seems that your future sister-in-law isn’t someone easy to deal with.” ”

“”What future sister-in-law? Who would acknowledge her future sister-in-law!”CEN Yuyan continued, “Only Chenyu is my future sister-in-law!” ”

“Miss Song?”Zhou Rui asked.

Cen Yuyan nodded.

Zhou Rui did not expect that song Chenyu was targeting fifth master cen.

He even dared to have designs on Fifth Master Cen.

His appetite was not small.

“However, if song Chenyu could really marry into the CEN family, it would not be a bad thing for him.”

“Zhou rui continued, “Then can fifth master take a liking to miss song? I think his relationship with Ye Zhuo is still very unusual!” ”

“Moreover, Ye Zao was many times more beautiful than song Chenyu. ”

Anyone with a discerning eye would know that ye Zao should be chosen.

“Acting.” CEN Yuyan said directly, “My fifth brother doesn’t like her at all. He’s just acting for my grandmother. If my grandmother wasn’t around, my fifth brother would definitely dump her immediately!” ”

Old Mrs. Cen was already in her eighties and was almost ninety years old this year. How many years could she live?

One Year?

Two years?

It was only a matter of time before ye Zhuo was dumped.

“Luckily, old Mrs. Cen didn’t have many years left. If she lived another ten or twenty years, who in the Cen family could stand her? ”

Cen Yuyan only wanted Old Mrs. Cen to see the King of Hell Right now.

“Although she knew that this kind of thought was quite vicious, it was old Mrs. Cen’s fault for being so blind. ”

Such a blind person would only delay others and waste the air in the world.

“Zhou Rui frowned without leaving a trace and continued, “You mean that your fifth brother doesn’t like ye Zao at all, and all of this is because of your grandmother?” ”

“Yes.” Cen Yuyan nodded.

“Hearing this, Zhou Rui knew in his heart. ”

“At first, he was still worried that if Cen Shaoqing married ye Zao and had a child in the future, he would compete with them for the family property.”

“But now, it seemed that this question was completely unnecessary.”

Because Cen Shaoqing did not like ye Zao at all.

All of this was an illusion!

“In the future, he did not have to worry about these problems at all.”

“The corner of Zhou Rui’s mouth curled up into a smile. He turned to look at the kitchen and continued, “The medicine seems to be ready. I’ll go take a look.” ”

The medicine was indeed ready.

“Zhou Rui scooped out a bowl and carried it to the living room. He blew on it carefully to make sure that it had become cold before handing it to Cen Yuyan. He then said, “The medicine is already cold. Drink slowly. I’ll go get you some sugar.” ”

Cen Yuyan took the bowl and took a sip. The taste was very bitter and it was difficult to swallow.

“But when she thought about how Zhou Rui had painstakingly brewed the medicine for her, she should not let Zhou Rui down, so she gritted her teeth and drank all the medicine.”

“When she finished drinking the medicine, Zhou Rui immediately handed her the sugar. “Yuyan, eat the sugar.” ”

Cen Yuyan ate a piece of sugar before the bitter taste in her mouth dissipated a little.

Ding Dong.

“At this moment, Cen Yuyan received a text message on her phone. ”

“Cen Yuyan picked up her phone and frowned, her face filled with impatience. ”

“Zhou Rui asked curiously, “Who sent this message?” ”

““My mother,”Cen Yuyan replied. ”

“Auntie sent this message?”Zhou Rui’s eyes lit up.

He knew that the Cen family would not give up on Cen Yuyan so easily.

“The Cen family’s three older sisters had already married off, and the daughter that had married off had thrown a bucket of water. ”

“Cen Shaoqing was also an unmarried person, and an unmarried person had to have no descendants. ”

“In the future, the CEN family would rely on Cen Yuyan to support them! ”

How could they really chase Cen Yuyan out of the house.

“Zhou Rui continued, “Why is Auntie looking for you?” ”

“Cen Yuyan said, “She said she wanted to talk to me.” ”

“Zhou Xiang had disappointed Cen Yuyan too much today, and Cen Yuyan did not want to see Zhou Xiang now. ”

“Zhou Rui saw through Cen Yuyan’s thoughts and continued, “You don’t want to see Auntie?” ”

“Yes.”Cen Yuyan nodded.

“Zhou Rui put his arm around Cen Yuyan’s shoulder and said earnestly, “Go. She’s your mother after all. Even if she’s not good, you were still born in her womb for ten months. If it weren’t for her, there wouldn’t be the current you.” ”

Chapter 947: 216: Old Lady Cen was domineering and overprotective. Cen Yuyan took one wrong step after another! 5

Cen Yuyan felt a little uncomfortable listening to these words.

“Actually, what Zhou Rui said was quite right. ”

“No matter how Zhou Xiang treated her, she was still Zhou Xiang’s daughter. If Zhou Xiang didn’t exist, she wouldn’t exist... ”

She shouldn’t turn a blind eye to Zhou Xiang.

“Thinking of this, Cen Yuyan turned to look at Zhou Rui. “Alright, I’ll listen to you.” ”

“Zhou rui smiled and said, “Where is Auntie Waiting for you? I’ll send you over.” ”

“Cen Yuyan said, “At a teahouse on Haibo Road.” ”

“”Alright.”Zhou Rui took out a jacket and draped it over Cen Yuyan. “The temperature is low at night, so it’s draped over the shoulders.” ”

“Okay.” Cen Yuyan nodded.

The two of them went out together.

“Soon, they arrived at the teahouse on Haibo Road.”

“Zhou Xiang sat by the window. The moment Cen Yuyan got off the car, she caught sight of Cen Yuyan’s figure in the crowd, as well as Zhou Rui, who was walking beside Cen Yuyan.”

Zhou Xiang frowned slightly.

“Cen Yuyan was born into a wealthy family and had been pampered since she was young. She had seen many celebrities and dignitaries since she was young. Logically speaking, she should not have been deceived by a gigolo like Zhou Rui.”

“However, Cen Yuyan had fallen for it.”

Zhou Xiang sighed.

“At that moment, a member walked in from outside the door. “Mom.” ”

Zhou Xiang raised his head slightly. “Have a seat.”

Cen Yuyan sat opposite Zhou Xiang.

“Why are you looking for me?” Cen Yuyan looked at Zhou Xiang.

“Zhou Xiang said, “I feel that the two of us should have a good talk.” ”

Cen Yuyan nodded.

“Zhou Xiang continued, “Your father left early. All these years, Shaoqing has been supporting the family. If it wasn’t for Shaoqing, our family wouldn’t be where we are now!” “Now, Shaoqing has finally opened her heart and found her true love. Zhuluo is a very good and outstanding girl. Everyone in the family, including your three sisters, likes Zhuluo very much. Why do you have such a deep opinion of Zhuluo?” ”

“After Cen Haifeng left, Zhou Xiang only felt that the sky had collapsed. ”

Her world was in darkness.

It was Cen Shaoqing who used his tender shoulders to shoulder the sky for her and the Cen family.

How Old was Cen Shaoqing at that time?

Eighteen years old.

No one knew what an eighteen-year-old boy had gone through to carve out a bloody path in the business world and nail the CEN family to the top of the business world.

“Later, Cen Shaoqing’s mind was completely focused on the business world. ”

“It was not easy for him to have free time, so he ran to the temple. ”

Zhou Xiang was really worried.

She was worried that Cen Shaoqing would one day understand the mortal world and her son would never come back.

Fortunately.

“Fortunately, Cen Shaoqing’s life walked into a girl named Ye Zhuo.”

It was ye Zhuo who let Cen Shaoqing see the beauty of tomorrow.

“Therefore, besides liking ye Zao, Zhou Xiang was more grateful to him.”

“Because to her, Ye Zao was not only her future daughter-in-law.”

She was also the salvation.

The salvation of the Cen family!

“Thinking of this, Zhou Xiang sighed softly, then, she said, “Your grandmother is not a muddle-headed person. Everything she did was for your own good. “Yuyan, just listen to my advice and break up with Zhou Rui as soon as possible. Also, Song Chenyu is not the same as you. I think you know very well why she is so close to you.” ”

“Cen Yuyan looked at Zhou Xiang, “Mom, you have a misunderstanding about Chenyu and Zhou Xiang, so I understand your feelings now. “Please put yourself in My Shoes. In My Eyes, Ye Zhuo and the Chenyu in your eyes are the same person as Zhou Rui. Can you understand my feelings now?” ”

“You can’t only care about your own psychological feelings. You should also think about me. Have you ever thought about why I have such a big opinion of Ye Zhuo? “Because ye Zao has done many disgusting things! “It was her doing that caused the misunderstanding between me and Chenyu last time!”

“Enough! Stop Talking!” Zhou Xiang scolded in a low voice. There was anger in her eyes. “Zao is not that kind of person!”

Zhou Xiang was the same as Old Lady Cen. She could not bear to hear others say anything wrong about ye Zao.

“In her eyes, Ye Zao was the best and most outstanding little fairy in the world. His weight was even more important than Cen Shaoqing in her heart. ”

“Now that Cen Yuyan had spoken so eloquently to ye Zao, how could Zhou Xiang endure it? ”

“CEN Yuyan said, “See, you’re favoring ye Zao. In Your Eyes, Ye Zao is more important than me, your biological daughter. You and Grandma are the same person! “Actually, Shaoqing doesn’t love ye Zao at all. He’s just putting on an act for all of you! “Do you really think that Shaoqing likes ye Zao so much? “Ye Zao, is she worthy?” ”

Zhou Xiang picked up the Teacup on the table and threw it at Cen Yuyan’s face.

Chapter 948: 216: Old Lady Cen was domineering and overprotective. Cen Yuyan took one wrong step after another! 6

She originally wanted to have a good talk with Cen Yuyan.

But Cen Yuyan had no intention of having a good talk with her at all.

“”Mom, what are you doing?”Cen Yuyan was stunned for a moment before she reacted.”

“Zhou Xiang said, “I’m letting you wake up! Fourth Lass, you’re really disappointing me more and more! Just like what your grandmother said, sooner or later, you’ll regret it! When that time comes, don’t come crying in front of me!””

“Cen Yuyan wiped her face. “The ones who should regret it are all of you! Mom, just wait and see! Sooner or later, all of you will see the truth, and Zhou Rui will also make all of Your Eyes Light Up!””

“At that time, other than her, no one else would be able to climb up to Zhou Rui!”

Zhou Xiang picked up her bag and turned around to leave.

“Zhou Rui was waiting outside the door. When he saw Zhou Xiang walk out of the room with a body full of anger, he was shocked. “Auntie?””

Zhou Xiang did not even look at him and walked past him directly.

“Then, Cen Yuyan walked out as well.”

““Yuyan, what happened? Did you and Auntie Quarrel Again?”Zhou Rui hurriedly asked.”

“Cen Yuyan said, “Anyway, we’re not a family anymore.””

“Zhou Rui frowned without a trace. “Auntie Yuyan is already so old. Don’t lower yourself to her level. In the end, she’s doing this for your own good...””

Cen Yuyan turned to look at Zhou Rui. “Stop talking. I don’t want to hear this right now!”

She could finally see that the CEN family had no place for her now.

“Luckily, she had found a good boyfriend.”

“Otherwise, she really didn’t know what she should do next.”

Zhou Rui didn’t say anything more and helped Cen Yuyan into the car.

“In the blink of an eye, another week passed.”

“This morning, Cen Yuyan had just woken up to change her clothes when she felt dizzy and then fainted.”

“When CEN Yuyan woke up again, she was lying on the hospital bed.”

“Seeing that she had woken up, Zhou Rui said excitedly, “Yuyan, you’re Awake?””

Cen Yuyan felt very uncomfortable and pinched her temples. “What’s wrong with me?”

“Zhou Rui held Cen Yuyan’s hand and said, “Yuyan, you’re pregnant.””

“What?”Cen Yuyan was stunned.

Pregnant?

“Zhou Rui nodded. “Yes, you’re pregnant. We’re going to be parents.”Zhou Rui was very excited. He had waited for so long and finally had this child.”

“In the future, he would be the legitimate son-in-law of the Cen family!”

He would also be the future successor of the CEN family.

“CEN Yuyan continued, “But don’t we always have contraception? How can I be pregnant?”Cen Yuyan did not want to have a child, firstly, she was too old. There would definitely be risks during childbirth. How many elderly pregnant women had died in the delivery room?”

“Secondly, she did not like children. Not only did she not like them, she also hated them.”

“Now that she heard that she was actually pregnant, other than being in disbelief, Cen Yuyan found it hard to accept.”

How could she be pregnant?

“Although Zhou Rui had said that he wanted to have a child before, Cen Yuyan had never taken it to heart.”

That was because they had always used contraception.

“She thought that Zhou Rui did not like children like she did, and that he had always said that he wanted to have a child.”

She did not expect that she was actually pregnant.

“Zhou Rui held Cen Yuyan’s hand and said, “This shows that this child is fated to be with us. He is destined to become a family with us.””

“This child can not be taken.”Cen Yuyan withdrew her hand.

“Why?”Zhou Rui looked at Cen Yuyan in disbelief.

Can not be taken?

“Without a child, how could he firmly tie down the label of Cen family’s son-in-law?”

This child had to stay.

“Cen Yuyan said, “There’s no such thing as having a child in my life plan.””

“Zhou Rui frowned. “Yuyan, you’ve changed. You’re different from before. You clearly promised me that you would give birth to a child for me.””

“At this point, Zhou Rui stood up and looked at Cen Yuyan with a self-deprecating look in his eyes, “That’s right. You’re a young miss from a rich family. I’m just from the countryside. How can you really like me? It’s fake! All of this is fake!””

“Hearing Zhou Rui’s words, Cen Yuyan panicked and quickly said, “Zhou Rui, it’s not like that. It’s not that I don’t love you. I just don’t want this child!””

“”A child is the crystallization of love. Since you love me, Why Can’t you accept our child?”Zhou Rui looked at Cen Yuyan. “You’ve clearly changed your heart!””

“Having been with Cen Yuyan for so long, Zhou Rui understood Cen Yuyan too well. Cen Yuyan was a person who could be tricked with just a little provocation.”

Chapter 949: 216: Old Lady Cen was domineering and overprotective. Cen Yuyan took one wrong step after another! 7

“Zhou Rui continued, “Since you don’t Have Me In Your Heart Anymore, I’ll respect your opinion and abort this child. When we meet again in the future, we’ll be strangers.” ”

“Zhou Rui!”Cen Yuyan immediately held Zhou Rui’s hand. “I didn’t mean that! I love you! I love you very much! I just don’t want this child.”

“Forget it.”Zhou Rui shook Cen Yuyan’s hand away. “I’ll immediately get the Doctor to arrange an operation for you.”

“After saying that, Zhou Rui turned around and left. ”

“Cen Yuyan couldn’t care about anything else. She was afraid that Zhou Rui would disappear in front of her in the next second. She immediately got up from the hospital bed and chased after Zhou Rui to grab his wrist, “Zhou Rui, don’t go! This is our child. I Won’t abort it! I’ll give birth to it!” ”

“Hearing this, Zhou Rui turned to look at Cen Yuyan. “Really?” ”

“Really.”Cen Yuyan nodded. “I’m not lying to you.”

“Since Zhou Rui wanted a child so badly, she would give birth to it. ”

She couldn’t go to Zhou Rui just because of a child.

“Cen Yuyan had a strange intuition. If she lost Zhou Rui, she would never be able to find a boyfriend as good as Zhou Rui in the future. ”

Therefore.

She could not lose Zhou Rui.

“”Yuyan, thank you.”Zhou Rui hugged Cen Yuyan excitedly. ”

“Silly.”

“Zhou Rui continued, “Yuyan, let’s Get Married! Will you marry me?” ”

“After saying that, Zhou Rui directly knelt down on one knee and took out a diamond ring from his pocket. ”

Marry?

Cen Yuyan was stunned.

She did not expect Zhou Rui to directly propose marriage.

“At this moment, Cen Yuyan’s heart was beating very fast.”

Bang Bang Bang —

“After a long while, she finally reacted. Tears welled up in her eyes as she nodded. “Okay.” ”

Zhou Rui immediately put the diamond ring on Cen Yuyan’s finger.

“At this moment, Cen Yuyan felt that she was the happiest person in the world. Even being pregnant and giving birth to a child was not so scary anymore. She hugged Zhou Rui tightly. “I love you.” ”

The corners of Zhou Rui’s mouth curled up slightly. “I love you too.”

“Cen Yuyan was an old pregnant woman, so she stayed in the hospital for a week. She was only discharged after her fetus had returned to normal.”

“Song Chenyu came over to fetch Cen Yuyan with flowers in his hands. “Yuyan, Congratulations. You’re going to be a mother.” ”

“Thank you.”Cen Yuyan received the flowers with both hands.

“Song Chenyu continued, “When do the two of you plan to Get Married?” ”

Get Married?

Cen Yuyan was in a difficult position when she heard this term.

“To get married, one needed a household register. Her household register was still in the Cen family, and everyone in the family objected to her being with Zhou Rui... .. If she were to go back and ask the Cen family for the household register now, it would probably be a little difficult.”

Cen Yuyan frowned.

“Zhou Rui lowered his head and looked at Cen Yuyan. “Yuyan, let’s go and ask Auntie and Grandma for permission to be together!” ”

“Song Chenyu said, “Yuyan, I think Zhou Rui is right. No matter what, they are the people closest to you. Now that you are pregnant, they will definitely not sit idly by, especially your grandma. I remember that she loves children the most. If she knew that you are pregnant, she would definitely be very happy!” ”

Cen Yuyan sighed. “It would be strange if she was happy!”

“Song Chenyu continued, “Then what are you going to do? Are you going to continue living with Zhou Rui illegally like this? Even if you can, can the child in your stomach do it? Without a marriage certificate, the hospital won’t even give you a birth certificate! This child was born unregistered!” ”

Cen Yuyan frowned tightly.

“Zhou Rui pulled Cen Yuyan’s hand. “Yuyan, let’s go and beg aunt and grandmother now!” ”

“Cen Yuyan was of the Cen family’s bloodline, so his and Cen Yuyan’s child was naturally of the Cen family’s bloodline.”

“Cen Shaoqing was unmarried, and the child in Cen Yuyan’s stomach was the only heir of the Cen family!
”

“Now that they were already cooked rice, could the Cen family still oppose them? ”

“But...”Cen Yuyan frowned.

“No buts. I support Zhou Rui on this matter.” Song Chenyu pressed Cen Yuyan’s shoulder, pushed her into the car, and then closed the car door. ”

“Looking at the car that left in the dust, the corners of Song Chenyu’s lips curled up. ”

“He was finally going to get rid of this parasite, Zhou Rui! ”

The car soon arrived at the Cen family manor.

“However, the security guards did not allow Cen Yuyan and Zhou Rui to enter at all. ”

Cen Yuyan could only call Zhou Xiang.

“Zhou Xiang originally did not want to pick up, but Cen Yuyan called again and again. Helpless, Zhou Xiang could only pick up the phone. “Hello.” ”

“Mom, it’s me.” Cen Yuyan said, “What happened in the past was all my fault. I apologize to you and also to burning. I hope that you can give me a chance to meet you. Is that okay?” ”

Zhou Xiang was stunned.

Cen Yuyan took the initiative to apologize to her?

“Seeing Zhou Xiang’s expression, old madam cen asked curiously, “Who called?” ”

Zhou Xiang covered the receiver with her hand. “Yuyan called! She apologized to me and said that it was all her fault in the past. She asked me to give her a chance.”

“Old Madam Cen snorted coldly. “There must be something fishy going on. She must have some big trick up her sleeve! If you want her to have something to say, say it over the phone!” ”

“Zhou xiang nodded and continued, “If you have something to say, just say it over the phone.” ”

“Cen Yuyan took a deep breath. “Mom, I’m pregnant. I want to marry Zhou Rui. I beg you to help us.” ”

“What? Pregnant?”Zhou Xiang’s expression immediately changed.

“Even in her dreams, she never thought that Cen Yuyan would actually be pregnant. ”

She was pregnant with Zhou Rui’s child?

“Old Mrs. Cen directly snatched the phone over. “Cen Yuyan, I’ll give you two choices now. First, you have to get an abortion and break up with that gigolo surnamed Zhou! Second, your name will no longer be on our Cen family’s household register!” ”

“Chapter 950: 217: the true faces of Zhou Rui and song Chenyu, Cen Yuyan was on the verge of collapse!
1”

“If the previous severing of ties was just to scare Cen Yuyan, then this time, CEN Yuyan was really serious. ”

“Very serious, very serious. ”

“Cen Yuyan made mistakes again and again. If she didn’t turn back, then the entire Cen family might be implicated by her. ”

Cen Yuyan was stunned on the other end of the phone.

“From the tone of Old Mrs. Cen’s voice, she could tell that she was serious. ”

“Cen Yuyan said, “Grandma, I already have Zhou Rui’s child now. The Doctor said that I’m an old pregnant woman. If I forcefully abort the abortion, my life will be in danger! Are you going to watch me die first?” ”

Was her life so worthless in Old Mrs. Cen’s eyes?

“If the person who was pregnant today was ye Zhuo, Old Mrs. Cen would definitely be overjoyed. ”

1

“If it was her who was pregnant, old Mrs. Cen would let her have an abortion. ”

This was the difference.

““Being pregnant with that gigolo Zhou Rui’s child is truly a life worse than death. Whether you want to have an abortion or keep the name on your household register, you can choose!”Old Mrs. Cen continued, “Cen Yuyan, I’ll put my words here today. If you regret it in the future, I won’t even look at you again! From now on, I don’t have a granddaughter like you!” ”

Old Mrs. Cen was really angry.

She had a total of four granddaughters and one grandson.

The three granddaughters in front of her did not make her worry at all.

“However, this youngest granddaughter made her worry so much that she could not distinguish right from wrong. She had said so much to her, but she did not listen to a single word. ”

She was stupid again and again.

“After saying this, old Mrs. Cen hung up the phone angrily.”

“Mom?” Zhou Xiang turned to look at Old Mrs. Cen.

Old Mrs. Cen covered her heart. “This fourth girl is as stupid as a pig! Calling her a pig is an insult to a pig! I don’t even have words to describe her!”

“After saying that.., old Mrs. Cen patted her chest again and said, “You can’t be angry, you can’t be angry. Yezi said that being angry not only makes you old, but it will also affect the normal functioning of the Qi in your body. Cute Little Girls Like Us never get angry with people who are as stupid as pigs!” ”

“Zhou Xiang’s eyes were red. “Mom, do you think that this fourth girl is really pregnant?” ”

“”Judging from her tone, it’s most likely true.” ”

“Zhou Xiang continued, “Then what should we do?” ”

“”If she doesn’t go to the hospital to abort the child, I will sever my relationship with her!” ”

“After all, she was her own daughter. Now that Cen Yuyan had become like this, Zhou Xiang was really very sad. They said that one step was wrong, and Cen Yuyan really couldn’t continue to make mistakes. ”

“If she continued like this, there would be no chance for her to turn back. ”

Zhou Xiang took a deep breath. “I’ll go and talk to that child properly.”

Old Mrs. Cen did not say anything and did not stop her.

“If Zhou Xiang could make Cen Yuyan turn back, it would be the best thing that could happen. ”

“Seeing that Zhou Xiang’s figure had already walked out of the main door, old Mrs. Cen continued, “Xiangxiang, wait a moment.” ”

“”Mom, What’s Wrong?”Zhou Xiang turned around. ”

“Old Mrs. Cen continued, “Call the eldest girl, second girl, and third girl over. After all, they are sisters. If she can’t listen to you, she should listen to the three sisters.” ”

“”Okay, Mom.”Zhou Xiang nodded. ”

The Three Sisters of the Cen family came very quickly.

“After all, Cen Yuyan was their youngest sister. ”

“Now that they heard that Cen Yuyan was actually pregnant with Zhou Rui’s child, the three sisters were also very surprised. ”

“Who would have thought that in just a month’s time, Cen Yuyan was actually pregnant with Zhou Rui’s child! ”

“Seeing Zhou Xiang and the three sisters come out, Cen Yuyan’s eyes flashed with a bright light. ”

She knew that her family would not give up on her.

“No matter what, she was still the Cen family’s fourth miss. ”

“Zhou Rui’s eyes lit up as well. He immediately held Cen Yuyan’s hand and walked forward. “Auntie, eldest sister, second sister, and third sister.” ”

Zhou Xiang did not say anything.

Cen Yuying reached out and pulled Cen Yuyan over. "You're Pregnant?"

"Yes." Cen Yuyan nodded. "I'm Pregnant!"

"Cen Yuying slapped Cen Yuyan. "You're not ashamed of being pregnant with the child of such a person, but instead you're proud of it, right?" "

Cen Yuyan was stunned.

"How could she have thought that Cen Yuying, who had always been gentle and gentle, would slap her?" "

"Moreover, she was pregnant! "

"Big Sister!" Zhou Rui immediately stood in front of Cen Yuyan. "This is all my fault, it has nothing to do with Yuyan! If you want to hit me, then hit me!" "

"Who's your big sister! If you want to be my brother-in-law, why don't you take a look in the mirror to see if you're qualified!" Cen Yuying directly waved away Zhou Rui's hand. "
