“Chapter 951: 217: the true faces of Zhou Rui and song Chenyu, Cen Yuyan broke down! 2”

“Cen Yuying might seem gentle and gentle, but she was actually a black belt expert in taekwondo.”

Zhou Rui was just an embroidered pillow in front of her.

“Until now, she still didn’t understand why CEN Yuyan would like such a thing!”

“Cen Yuying looked at CEN Yuyan and continued, “If you still want to acknowledge our mother and our three sisters, then immediately cut off all contact with this person!””

“I love Zhou Rui. I Won’t leave him.”Cen Yuyan’s attitude was very firm.

“Cen Yueya stood out and said, “Fourth girl, is mother and our three sisters together not as important as Zhou Rui?””

“The corners of Cen Yuyan’s mouth curled into a mocking smile. “Then let me ask you, if the person who is pregnant today is ye Zhuo, will you also force Shaoqing to break up with Ye Zhuo?””

“You’re twisting the facts!”Cen Yuaya was furious. “Can Zhou Rui be compared to Zao Zao?”

“Cen Yuyan looked at Cen Yuaya. “Why can’t Zhou Rui be compared to ye Zao? We’re both humans, so why is Zhou Rui inferior to others? It’s obvious that you guys are biased!””

“Cen yueying could no longer listen to these words. She stood up and said, “Yuyan, this Zhou Rui is obviously lying to you. He’s interested in your status as the Cen family’s fourth Miss!””

“Zhou Rui immediately stood up to show his sincerity. “Third sister, don’t worry. I truly love Yuyan. No matter who Yuyan is, poor or rich, I will love her as much as I do now!””

“”Who is your third sister? Shut Up!”Cen Yueying said bluntly. “With this little trick of yours, it’s fine if you lie to the brainless Cen Yuyan, but you still want to lie to me? !””

“As she finished speaking, CEN yueying turned around to look at Cen Yuyan, hating her for failing to live up to her expectations. “You believe such low-level flowery words! Are You a pig?””

Cen Yuyan was not stupid.

She had a master’s degree from overseas and had won many awards.

It was just that she did not have a good eye for men.

“She had a few boyfriends before and after, all of them living off women. Among them, Zhou Rui’s methods were the best.”

“Now, he had actually gotten Cen Yuyan pregnant.”

“Cen Yuyan could not stand seeing her sisters insult Zhou Rui like this, she raised her head and said, “You keep saying that Zhou Rui took a liking to the Cen family’s fourth young Miss’identity, but what about Ye Zhuo? If Shaoqing was not CEN fifth master, do you think ye Zhuo would still be together with Shaoqing?””

Ye Zhuo was the true gold-digger.

“However, under the influence of the Cen old lady, when the Cen family members looked at ye Zao again, they automatically put on a layer of filters.”

“Zhou Xiang, who had been silent all this while, raised her head and looked at Cen Yuyan, “Zao Zao doesn’t need to rely on anyone. The person who is with Shaoqing is Shaoqing! “Since we’ve already said this, there’s no point in talking about anything else. I’ll ask you one thing now. Do you want him or us?””

“With the situation developing to this point, Zhou Xiang was completely disappointed in Cen Yuyan.”

“Cen Yuyan was thirty-nine years old this year, not a nine-year-old child.”

“Some things could be said at the right time, but repeating it over and over again did not have much meaning.”

“Zhou Rui pulled Cen Yuyan’s hand, then knelt down with Cen Yuyan. “Auntie, Yuyan and I truly love each other. Please help us.””

“Zhou Xiang lowered his head and looked at Cen Yuyan. “You chose him, right?””

“Cen Yuyan said, “Mom, can’t you help us?””

““Okay, I got it.”Zhou Xiang raised his head and looked at the three Cen sisters. “Let’s go back.””

The three sisters followed Zhou Xiang’s footsteps.

“After taking a few steps, Cen yueying turned to look at Cen Yuyan. “Fourth girl, don’t be stubborn. Quickly break up with him!””

“I won’t break up.”Cen Yuyan’s attitude was equally firm.

Cen yueying shook her head helplessly.

“CEN yuying frowned and said, “This person was chosen by you. No matter what happens in the future, you have to bear with it.””

""Don't worry. No matter what happens in the future, I Won't blame anyone!"CEN Yuyan continued, "Since that's the case, then I'll put it here. If Zhou Rui stands out in the future, none of you can take advantage of him!""

Someone like Zhou Rui still wanted to stand out?

Cen Yuya's eyes were filled with speechlessness.

The mother and daughter continued to walk into the manor.

Zhou Rui looked at the backs of Zhou Xiang and the three Cen sisters and frowned slightly.

What did Zhou Xiang mean by this?

She didn't agree to them being together?

But Cen Yuyan was already pregnant...

"Cen Yuyan stood up and said, "Zhou Rui, let's go. Don't kneel here! Even if we kneel until next year, they won't agree to people like them who have a heart of stone.""

"Chapter 952: 217: the true faces of Zhou Rui and song Chenyu, Cen Yuyan broke down! 3"

"Zhou Rui looked at Cen Yuyan and said, "Yuyan, they are your family after all. Everything they say is for your own good. Don't be angry. After all, they are different from you. The two of us have been together for a long time. You know my character and know that I won't lie to you, but they are not you. "Let's kneel for a while longer! "Perhaps they will agree to us being together after they go back! "Moreover, without a marriage certificate, our child will be born into an illegal household. Can you bear to see our child not even have his own household registration?" "

“No matter what, Cen Yuyan was the Cen family’s blood. Zhou Rui did not believe that the Cen family would give up on Cen Yuyan. ”

Especially since Cen Yuyan was already pregnant.

He was doing this to scare Cen Yuyan and at the same time to test his sincerity towards Cen Yuyan.

How could he be tested so easily?

“If he really took Cen Yuyan away at this time, then his efforts would be for naught. ”

Cen Yuyan looked at Zhou Rui with a moved expression.

She did not expect Zhou Rui to still speak up for the Cen family at this time.

“Even if the Cen family called Zhou Rui a gigolo, Zhou Rui did not care. ”

But the CEN family did not know how to cherish Zhou Rui at all.

“After all, a good son-in-law like Zhou Rui could not be found even if he had a lantern. ”

Cen Yuyan sniffled. “I just feel that this is too unfair to you.”

“Zhou rui smiled and said, “Silly, what kind of unfair treatment is this? If you want to talk about unfair treatment, you should be the one who has been wronged. You’re still pregnant with a child. It’s my fault for being incompetent. It’s my fault for letting you and the child down. If I could obtain the recognition of your family, we wouldn’t have to kneel here now.” ”

“Hearing this, Cen Yuyan’s heart was filled with guilt. ”

She was the one who should apologize.

But Zhou Rui apologized instead.

Meeting Zhou Rui was simply the greatest luck in her life.

“Cen Yuyan held Zhou Rui’s hand. “Zhou Rui, don’t worry. I will definitely kneel here with you until they agree to our marriage.” ”

““Yuyan, thank you.” ”

“The one who should say thank you is me.”

The Cen family.

“When Old Madam Cen heard about this matter, there was no special expression on her face. She only turned to look at Zhou Xiang. “Xiangxiang, follow me to the police station.” ”

Zhou Xiang nodded. “Okay.”

“Why do you want to go to the police station?”Cen Yueya asked.

“Old Mrs. Cen said, “Move the fourth servant girl’s Hukou out.” ”

“Cen Yueying raised her head in surprise. “Grandma, are you really going to move Yuyan’s hukou out?” ”

“Old Mrs. Cen sighed. “She chose her own path. Since she likes Zhou Rui so much and wants to get married to him, then I’ll fulfill her wish.” ”

“Hearing the affirmative answer, Cen Yueying felt a little uncomfortable.”

This fourth girl was really too insensible!

She couldn't blame anyone for creating such a situation.

“When Old Mrs. Cen and Zhou Xiang took the car out, Zhou Rui and Cen Yuyan were still kneeling on the ground.”

“Seeing the Cen family's car come out, Zhou Rui narrowed his eyes.”

What was the Cen family planning?

Could it be that they were going to look for Cen Shaoqing for a discussion?

“After all, getting married was a major event.”

“Moreover, Cen Yuyan was the only daughter of the Cen family who had yet to get married.”

“When that time came, their wedding would definitely shake the entire city!”

“When he thought of that scene, Zhou Rui's heart beat extremely fast.”

“Soon, he would be the Cen family's legitimate son-in-law.”

“At this moment, a cold and indifferent daughter appeared in the air. “Yuyan!” ”

Cen Yuyan raised her head and saw that it was Cen Yuyan.

“Third sister.”

“Cen Yuyan couldn’t bear to see Cen Yuyan being chased out of the house. She continued, “Get up. I have something to tell you.” ”

“”Third sister, if you have something to say, just tell me here.” ”

CEN yueying frowned.

“Zhou rui smiled and said, “Yuyan, go quickly.” ”

Only then did Cen Yuyan stand up and follow Cen Yueying’s footsteps.

“The two of them came to the lounge next to the manor. “Yuyan, Grandma, Mom, and our three older sisters’ words are like a whisper in your ear. To that Zhou Rui’s words, it’s like an imperial edict! Don’t you think you’re being very foolish?” ”

“Cen Yuyan frowned. “Third sister, if you called me over just to say these words to me, then I feel that the two of us should have nothing more to say.” ”

“Seeing Cen Yuyan like this, Cen Yueying also held back a breath in her heart. She was the Cen family’s third elder and had grown up next to Cen Yuyan. She didn’t want to see Cen Yuyan do something that she would regret too much. ”

There was everything in this world.

Only there was no medicine for regret.

“Chapter 953: 217: the true faces of Zhou Rui and song Chenyu, Cen Yuyan broke down! 4”

""Could it be that those of us who are related to you by Blood Will Harm You? Yuyan, what's wrong with you now? You Can't even tell the good from the bad!""

""Who exactly is the person who can't tell the good from the bad?"Cen Yuyan suddenly raised her head to look at Cen Yueying, "Cen Yueying, Don't blame me with the appearance of standing on the moral high ground! Don't use your short-sighted eyes to measure the love between me and Zhou Rui! Don't you think you're too hypocritical? You're someone who can even abandon true love. Do You Think You're Worthy? Do you have the right to blame me?""

Cen yueying met her first boyfriend when she was 20 years old.

The two of them were madly in love.

"Just as they were about to discuss marriage, cen yueying was surprised to learn that the boy already had a fiancée in his hometown."

"The two of them were in an arranged marriage. The boy did not love his fiancée, but under the pressure of his parents, he made a marriage contract with her."

"After CEN yueying found out about this matter, she did not ask for the reason and immediately broke up with the boy."

"Because in Cen Yueying's opinion, no matter what the reason was, the person who interfered in other people's feelings was a third party."

Cen Yueying's Pride did not allow her to become a third party.

She married her current husband in the same year.

"Because of this matter, CEN Yuyan had always looked down on Cen Yueying."

“In Cen Yuyan’s opinion, since it was true love, they should be together.”

“Moreover, that boy did not love his fiancée, but Cen Yueying had forgotten their vows of eternal love. In the blink of an eye, she could marry a man she had only known for a few months.”

Why did Cen Yueying marry her brother-in-law?

It was all because he was rich!

“Although Cen Yueying’s first love was from a decent family background, she was nothing compared to her brother-in-law.”

In the end.

Cen Yueying was still too realistic.

“If Cen Yueying’s first love was from a prestigious family, she definitely wouldn’t break up so easily.”

“In fact, Cen Yuyan had wanted to say these words a long time ago.”

“But because of their sisterly relationship, Cen Yueying’s face had probably been hidden up until now.”

“She didn’t expect Cen Yueying to not only not know gratitude, but instead, she followed the CEN family to criticize her.”

Did Cen Yueying have the right to criticize her?

“Hearing these words, Cen Yueying was immediately stunned.”

She had never thought that Cen Yuyan would have such a person in her heart.

Disappointed.

Very disappointed.

“At this moment, CEN yueying could only express her endless disappointment towards Cen Yuyan.”

“Yuyan,” Cen Yueying raised her head and looked at Cen Yuyan. “Don’t tell me that in your heart, I’m this kind of hypocritical and money-worshipping person?”

“Don’t Tell Me You’re not?” CEN Yuyan continued, “If you’re not, why did you break up with Cao Wei back then?”

“Cen Yueying took a deep breath. “Words don’t mix. As a sister, I’ve already said what I should say. You should take care of yourself.”

“You have a guilty conscience?” Cen Yuyan’s lips were actually mocking.

Cen Yueying’s footsteps paused. “I hope you won’t regret it in the future.”

Regret?

Cen Yuyan narrowed her eyes.

Who would regret it?

Cen Yuyan returned to the door.

“Yuyan, what did third sister say to you?” Zhou Rui asked impatiently when he saw her return.”

“Some useless nonsense,” Cen Yuyan replied.”

“At this moment, an extended Lincoln steadily stopped in front of the two of them.”

The car door was opened.

Zhou Xiang helped old Madam Cen out of the car.

“Auntie, Grandma,” Zhou Rui immediately greeted politely.”

Why did old Mrs. Cen and Zhou Xiang return?

They must have figured it out.

Zhou Rui was very excited now.

Old Mrs. Cen directly ignored Zhou Rui and looked at Cen Yuyan. “I’m going to ask you one last time. Do you not want to be with this Zhou?”

“Yes.” Cen Yuyan nodded.

“No regrets?” Old Mrs. Cen continued to ask.

“Cen Yuyan nodded very firmly. “Yes, never regret.””

“Old Mrs. Cen’s face didn’t have any expression. “Even if I break off my relationship with you, you won’t regret it?””

“No Regrets!” Cen Yuyan enunciated each word.

“Good! Very good! Good one, no regrets!” Old Mrs. Cen smiled and said, “Then I’ll fulfill your wish!”

“Zhou Rui was overjoyed and quickly said, “Thank you, Grandma! Thank you, Grandma!”

Cen Yuyan was stunned.

She didn’t think that old Mrs. Cen would agree to her and Zhou Rui’s matter so easily.

Old Mrs. Cen turned to look at Zhou Xiang. “Give her the thing.”

Zhou Xiang nodded and took out a brand new household register from her bag. She handed it to Cen Yuyan. “Take this and register with him.”

Chapter 954: 217: the true faces of Zhou Rui and song Chenyu. Cen Yuyan was on the verge of collapse!
5

“Since things had come to this point, Zhou Xiang could only accept reality. ”

“Zhou Rui hurriedly took the household register and bowed to Zhou Xiang. “Thank you, Mom. Thank you for helping us.” ”

“Zhou Xiang looked at Cen Yuyan. “Live a good life with him. From now on, we won’t have any relationship between mother and daughter.” ”

“After saying this, Zhou Xiang and old Mrs. Cen got into the car. ”

“Seeing the extended version of Lincoln disappear from his sight, Zhou Rui was stunned. He quickly opened his household register and realized that Cen Yuyan’s household register had been moved out. ”

Zhou Rui’s forehead was covered in cold sweat.

How could this be?

How could this be?

“Even in his dreams, he never thought that old Mrs. Cen would be so ruthless. ”

Cen Yuyan was the only daughter of the Cen family who was not married. were they not afraid that the Cen family would have no heir?

“Now that Cen Yuyan was chased out by the Cen family, what was he then? ”

What was the point of him working so hard to make Cen Yuyan pregnant with his child?

“Different from Zhou Rui, Cen Yuyan only felt that she was finally free. She smiled and hugged Zhou Rui.
“Zhou Rui, that’s great! We’ve finally waited until today!” ”

“However, Zhou Rui did not respond at all. ”

“Cen Yuyan asked in puzzlement, “Zhou Rui, what’s wrong?” ”

“Zhou Rui tried his best to calm himself down. The corners of his mouth curled up into a smile. “I, I’m just too happy!” ”

“”OH.”CEN Yuyan continued, “Now that we’ve obtained the household registration, shall we go and get the certificate?” ”

“Now?” Zhou Rui asked.

“Cen Yuyan nodded. “That’s right, now!” ”

“If this had happened an hour ago, Zhou Rui would definitely be very happy. ”

But now...

Cen Yuyan had already been chased out by the CEN family.

“Zhou Rui found an excuse. “Today is not a good day. Why don’t we choose another auspicious day? After all, this is a major event in our lives. I don’t want to be so hasty. This is too unfair to you.” ”

He could not fall out with Cen Yuyan for the time being.

What if the Cen family was just testing him?

“In order to become the Cen family’s son-in-law, Zhou Rui had spent so much time with Cen Yuyan. If Zhou Rui really gave up like this, Zhou Rui would not be willing. ”

“After all, the plan was already half-completed. ”

“Cen Yuyan smiled and said, “Alright, then I’ll listen to you. Let’s go back now.” Cen Yuyan had a smile on her face, but she did not feel good in her heart. Originally, they had agreed at home that they would go to collect the marriage certificate today., but now, Zhou Rui suddenly changed his mind. ”

Could it be...

Zhou Rui didn’t want to collect the marriage certificate with her?

“At this moment, Cen Yuyan suddenly doubted her choice. ”

She was so determined to sever her relationship with the Cen family.

But now...

Cen Yuyan narrowed her eyes. She hoped that she was thinking too much.

She believed that Zhou Rui wasn't that kind of person.

“Cen Yuyan looked at Zhou Rui and continued, “Then tell me, when do you think it's appropriate for us to go and get our marriage certificate?” ”

“Zhou Rui said perfunctorily, “I'll go and look through the calendar.”. ”

“Okay.”Cen Yuyan nodded.

Zhou Rui drove back.

The first thing he did after returning was to find an opportunity to call song Chenyu.

“When he heard this, song Chenyu frowned tightly. ”

The Cen family's reaction was beyond her expectations.

She did not think that old madam Cen would really be able to sever ties with Cen Yuyan.

““Wait a moment, maybe the CEN family is testing you.” ”

“Zhou rui continued, “But the CEN family has already moved Cen Yuyan’s household registration out.” ”

“Song Chenyu said, “Since they can move out, then they can move back!”! “There’s no use in being impatient. No matter what, Cen Yuyan is the Cen family’s fourth young miss. She broke her bones and connected her meridians. The CEN family should be testing you just for show. They won’t really sever ties with her.” ”

“At this point, song chenyu paused and asked, “Have you and Cen Yuyan gone to collect the marriage certificate?” ”

“”Not yet,”Zhou Rui answered. ”

“”Not Yet?”Song Chenyu asked, “Why didn’t you go to collect the marriage certificate today?” ”

Zhou Rui lowered his voice. “Cen Yuyan was chased out by the CEN family. Why should I still collect the marriage certificate from her?”

“Idiot!”Song Chenyu berated. “The Cen family’s severing their relationship with Cen Yuyan was just for show. You found an excuse to refuse to collect the marriage certificate with Cen Yuyan. Didn’t you fall into the Cen family’s trap?”

“Zhou Rui narrowed his eyes. It sounded like that was indeed the case. Perhaps after he and Cen Yuyan got married, the Cen family would move Cen Yuyan’s household registration back! ”

“Then I’ll go and get married to Cen Yuyan Tomorrow?”

“Nonsense!”

“After hanging up, Zhou Rui went into the room. “Yuyan, I want to discuss something with you.” ”

“Chapter 955: 217: the true faces of Zhou Rui and song Chenyu, Cen Yuyan broke down! 6”

“What’s Wrong?”Cen Yuyan turned to look at Zhou Rui.

“Zhou Rui continued, “Yuyan, let’s Go get the certificate tomorrow? I’ve just studied the calendar. Tomorrow’s Day will be very good.” ”

Cen Yuyan’s originally somewhat depressed mood was swept away at this moment. “Are you serious?”

Zhou Rui nodded. “Of course I’m serious.”

“Okay.”She knew that Zhou Rui was not that kind of person.

“Even though her household registration had been moved out by the Cen family, Zhou Rui still did not leave her.”

“The next morning, Cen Yuyan and Zhou Rui arrived at the civil affairs bureau.”

“Two hours later, the two of them received a red book each.”

“Zhou Rui took a photo and said, “Yuyan, let’s post it on wechat moments?” ”

“Cen Yuyan’s wechat moments had Cen family members, and only this group of friends would post it. She believed that the CEN family members would soon know about their registration.”

“Okay.”Cen Yuyan nodded and the editor posted a group of friends.

“Zhou rui smiled and said, “We still have to tell dad and mom about this. If they know that we’ve registered, they will definitely be very happy.” ”

“Okay.” Cen Yuyan’s face was full of happiness.

“Half an hour later, the two of them arrived at the Zhou family home. ”

“When the Zhou family’s parents heard that the two of them had already received their marriage certificate, they were indeed very happy. Especially mother Zhou, the smile on her face was almost overflowing, she held Cen Yuyan’s hand and said, “Yuyan, from now on, we will be a family! Oh right, have you discussed with your grandmother and the others about when the wedding will be held?” ”

“Cen Yuyan said, “Auntie, the wedding can be held at any time. There’s no need to discuss it with them.” ”

“Why are you still calling me auntie at a time like this?” Mother Zhou rebuked.

Cen Yuyan immediately changed her words. “Mom.”

“”That’s a good girl.” Mother Zhou patted Cen Yuyan’s hand and continued, “What do you want to eat? Auntie will make it for you?” ”

“Cen Yuyan smiled and said, “I’ll go and help you.” ”

“Mother Zhou said, “You’re a healthy person now, so you can’t do heavy work. Quickly sit down, I’ll Go!” ”

“Pregnant people were very emotional. Seeing mother Zhou treat her so well, CEN Yuyan was very touched. ”

“She was pregnant, and her biological mother and grandmother, including her biological sisters at home, let her have an abortion. ”

“But not only did mother Zhou not despise her for being old, she even loved her so much. ”

“It was said that the relationship between mother-in-law and daughter-in-law was the most difficult to handle, but in Cen Yuyan’s eyes, mother Zhou was even closer to her than her own mother. ”

“”Oh right, Yuyan, you haven’t said what you want to eat for lunch?”Mother Zhou continued to ask. ”

“Cen Yuyan said, “I’m not picky about food. Anything is fine.” ”

“Mother Zhou smiled and said, “Look at what you’re saying, how can you be so casual! Quickly tell me what you like to eat! I’ll go and make it for you!” ”

“Zhou rui followed, “Mother is right, we’re not outsiders. Just tell me what you want to eat.” ”

“I want to eat something sour.”

Want to eat something sour?

Mother Zhou’s eyes lit up.

This Cen Yuyan was definitely pregnant with someone with a penis!

“Otherwise, she wouldn’t want to eat something sour. ”

“Although mother Zhou despised Cen Yuyan, now, Cen Yuyan could not only bring wealth to the Zhou family, but she could also bring a big plate of grandchildren to the Zhou family. How could mother Zhou not be happy? ”

“In the future, the Zhou family would be famous in the capital! ”

“The more mother Zhou thought about it, the more excited she became. “Yuyan, wait for me. I’ll go make it for you.” ”

“”Thank you, Mother.” ”

“”Silly Child, why are you still thanking me?” ”

“Zhou Rui held Cen Yuyan’s phone. He originally thought that Cen Yuyan would definitely receive likes and comments from the Cen family after the post of the marriage certificate was posted. However, not only did she not receive any messages from the CEN family, but she also did not receive any likes or comments from the Cen family, on the contrary, she did not even receive any likes or comments from other people. ”

This was a little strange.

“Cen Yuyan had many friends in the circle. Unless the CEN family announced that they had broken off their relationship with her, those who were good friends with Cen Yuyan would deliberately distance themselves from Cen Yuyan. ”

“Otherwise, CEN Yuyan would not be so down and out that she would not even receive a likes. ”

Zhou Rui began to suspect if Cen Yuyan had really been abandoned by the CEN family.

If it was true...

“Not only did he not get anything, he even got the title of second-hand goods. ”

Wasn’t this a joke?

Zhou Rui furrowed his brows without leaving a trace.

“But now, Zhou Rui couldn’t show the slightest abnormality. What if the Cen family was still testing him?”

Wait a little longer.

“Anyway, the wechat moments had already been sent out, so the Cen family must have already known that they were together.”

The Cen family indeed knew about Cen Yuyan and Zhou Rui getting married.

“Chapter 956: 217: the true faces of Zhou Rui and Song Chenyu, Cen Yuyan broke down! 7”

Zhou Xiang looked at the marriage certificate on her phone and shook her head angrily.

“Cen Yueying’s heart was broken by Cen Yuyan. She looked at Zhou Xiang and said, “Mom, she chose this path herself. We’ve said so many good and bad things, but she didn’t listen to us. Don’t blame yourself.””

“CEN Yueya said, “Third sister is right, Mom. You Can’t blame anyone for this. If you want to blame someone, blame yourself.””

Cen Yuying also walked over to comfort Zhou Xiang.

“After being comforted by her daughters, Zhou Xiang’s mood was also much better.”

The next day.

Song Chenyu brought a congratulatory gift to celebrate Cen Yuyan and Zhou Rui’s marriage.

“Cen Yuyan smiled and hugged song Chenyu. “Chenyu, thank you.””

“After the Cen family broke off their relationship with her, her former good friends had also blacklisted her. Now, only song Chenyu was left.”

“Song Chenyu continued, “The marriage certificate has been received. When are you guys planning to hold the wedding?””

“CEN Yuyan said, “This little fellow is so annoying. I’ve been throwing up so much these past few days. It’s definitely not possible to hold the wedding in the first three months. It Won’t look good in a wedding dress in the next three months, so I plan to hold the wedding after the child is born.””

“Anyway, the marriage certificate had already been received. The wedding was just a formality.”

Song Chenyu nodded. “That works too.”

“As time passed, Cen Yuyan’s stomach was also getting bigger bit by bit. However, the Cen family had no intention of sending Cen Yuyan back.”

Zhou Rui couldn’t wait any longer.

“Not to mention Zhou Rui, even song Chenyu couldn’t sit still anymore.”

“In the past, she only supported Zhou Rui alone, but now, she had to support both Zhou Rui and Cen Yuyan.”

“It was easy to go from frugality to extravagance, but difficult to go from extravagance to frugality.”

“Cen Yuyan was used to being pampered and pampered in the Cen family. Although she had already left the Cen family, she still spent money lavishly.”

“During pregnancy, due to the effects of hormones and neuroendocrine, a pregnant woman’s appearance and figure would also undergo a great change.”

“In just four short months, CEN Yuyan seemed to have changed into a different person.”

“Her figure was out of shape and her face was swollen. She was not young to begin with, and at this moment, all of her shortcomings were exposed.”

Zhou Rui was only twenty-one years old.

“In the past, he could barely deal with Cen Yuyan, but now, as long as he saw Cen Yuyan’s face, he felt like vomiting.”

“Slowly, Zhou Rui began to stay out at night. Sometimes, he would not even come back for a few days.”

“In order to prevent Cen Yuyan from suspecting that she was secretly eating outside, Zhou Rui explained that he was too busy at the company and needed to work overtime.”

“Cen Yuyan felt very tired, but she had no choice but to persevere.”

Because she believed that Zhou Rui loved her!

“As long as Zhou Rui loved her, she was willing to do anything.”

Cen Yueya made an appointment with Ye Zhuo to go shopping together.

“At 10:30, Ye Zhuo arrived at the appointed place on time.”

“Cen Yueya wore a pair of sunglasses and waved at ye Zao. “Zao Zao, over here.””

Ye Zao jogged over. "Second sister."

"Cen Yueya held ye Zao's hand. "Zao Zao, it's been a long time. You've lost weight again!""

"As she spoke, CEN Yueya's gaze inadvertently swept behind ye Zao. She was stunned and her eyes were filled with disbelief."

What did she see?

Who was that?

Cen Yuyan?

That middle-aged woman who was drinking milk tea was Cen Yuyan?

"Cen Yueya rubbed her eyes and looked over again, but her gaze did not change."

""Second sister, What's Wrong?"Ye Zhuo looked back at Cen Yueya."

"Cen Yueya covered her mouth and looked in Cen Yuyan's direction. "That, that's Yuyan?""

Ye Zhuo looked up and was stunned. "It seems to be her."

"It had only been a few months, but Cen Yuyan seemed to have aged more than ten years. Her figure was completely out of shape. Not only was her face swollen, but there were also many freckles."

She looked very old.

It made people sigh endlessly.

“At this moment, Cen Yuyan also saw Cen Yueya not far away.”

“However, she did not want to greet Cen Yueya.”

“From the moment Old Madam Cen moved her out of the Cen family’s household register, she had no relationship with the Cen family.”

Only Zhou Rui and the Zhou family’s parents were her family.

“Yuyan!”Cen Yueya called out to Cen Yuyan.

Cen Yuyan pretended not to hear and continued walking forward.

“Cen Yueya jogged after her. “Yuyan, I’m calling you! Didn’t you hear me?””

“”Hear what?”Cen Yuyan frowned slightly. “Second Miss Cen, have you forgotten that we are no longer related?””

“Cen Yueya took a deep breath. “I didn’t come here to quarrel with you! Let Me Ask You, how did you become like this? Did Zhou Rui Bully You? I’ve said long ago that Zhou Rui is unreliable! You refused to listen! Now, regret it!””

“Chapter 957: 217: the true faces of Zhou Rui and song Chenyu, Cen Yuyan broke down! 8”

“”I’m very sorry to disappoint you, second Miss Cen. Zhou Rui and I are very happy now, and we will be very happy in the future!”Cen Yuyan smiled when she said this, “Oh, I forgot. Second Miss Cen, you are a

pitiful person who has never been happy. How can a pitiful person understand the happiness of others?" "

"Cen Yueya frowned. "Cen Yuyan, I'm talking to you properly. Is there a need to be so weird?" "

"Cen Yuyan Sized Cen Yueya up and down, "Cen Yueya, are you especially jealous of me because you see that I'm living such a happy life? Jealous that I've found a good husband, jealous that I'm about to have my own flesh and blood? "Unlike some people who can't even have their own flesh and blood!" "

"Cen Yueya's husband was unable to give birth, and Cen Yueya's two children were IVF babies. "

"However, this matter was a secret in the circle. "

"Other than the CEN family, almost no one knew. "

"Cen Yueya's face turned pale in an instant. "If you have the ability, don't cry in front of me in the future!" "

"Who knows who will cry in front of whom!" Cen Yuyan pursed her lips.

Cen Yueya took a deep breath and walked to ye Zao's side. "I'm so angry! I'm so angry! That fourth girl is simply infuriating me to death!"

"Ye Zao comforted her. "Don't be angry, fourth sister. Anger is not good for the heart, liver, spleen, and lungs." "

"Cen Yueya raised her head and looked at ye Zao. "Zao Zao Zao, I know you have great ability. Do you have any way to let the fourth girl see Zhou Rui's face!" She could not wait to see Cen Yuyan's regretful look. "

Ye Zao took out his phone from his pocket. "Let me take a look."

Cen Yueya saw a string of code changing on the phone screen.

The speed was very fast and it was too much for her to take in.

“Cen Yueya was clearly a computer expert, but now, she could not understand a single word.”

“Five minutes later, ye Zao sent Cen Yueya a file. “This is Zhou Rui’s schedule for the next few days.” ”

Cen Yueya opened it and frowned. “This gigolo’s nightlife is very rich!”

“In fact, the CEN sisters had also asked someone to investigate Zhou Rui’s background, but Zhou Rui’s hands and feet were too clean. They could not find anything useful.”

Zhou Rui had recently dared to indulge himself like this because Cen Yuyan had completely lost her value in his eyes. That was why he dared to steal her openly.

“Ye Zhuo put away his phone and continued, “Also, there’s something very strange.” ”

“What is it?”Cen Yueya asked.

“Ye Zhuo said, “Zhou Rui and song Chenyu have been in contact very frequently. These two should have known each other a long time ago.” ”

“Cen Yueya frowned. “In other words, all of this is a trap?” ”

A trap that invited him into the trap.

“It’s very possible.”Ye Zhuo nodded slightly.

Cen Yueya narrowed her eyes and had a plan in her heart.

At night.

Cen Yuyan received two anonymous emails. She opened them and saw that they were full of photos of Zhou Rui fooling around with other women.

It was colorful.

Cen Yuyan trusted Zhou Rui very much. She did not believe that these photos were real at all.

“With the current high-tech development, they were definitely synthetic. ”

She did not even need to think to know that this was definitely done by the CEN family.

Their goal was to sow discord!

“However, the address at the bottom of the email made Cen Yuyan squint her eyes. ”

This was song Chenyu’s home address.

8:30 pm.

“Cen Yuyan looked at the time on the right side of her computer. It was seven o’clock, and there was still an hour and a half before 8:30 pm. ”

“This place was not far from song Chenyu’s house, and it was only half an hour’s walk. ”

Cen Yuyan had the key to Song Chenyu’s house.

“Although she felt that these things were made out of thin air, CEN Yuyan still decided to go to Song Chenyu’s house to take a look. ”

“When Cen Yuyan arrived, song Chenyu’s house was empty. ”

“An hour later, the sound of the door opening and conversation came from outside. ”

“Recalling the words on the email, CEN Yuyan immediately found a place to hide. ”

“As the footsteps got closer and closer, the voice also got closer and closer. ”

“”I don’t have ten million now, at most two million.” ”

This was song Chenyu’s voice.

“”Two million? Are you trying to send a beggar away? ! Song Chenyu, I trusted you so much, but you treated me as a fool! You said that after Cen Yuyan and I received the marriage certificate, we could officially become the CEN family’s son-in-law. What about now? The CEN family has already completely forgotten that Old Woman!” ”

“Cen Yuyan, who was hiding in the closet, covered her mouth tightly, not allowing herself to make any noise. ”

“This, this is Zhou Rui’s voice? ”

“Chapter 958: 219: Cen Yuyan finally came to her senses. Dog Bites Dog, a mouthful of fur! 1”

Was this Zhou Rui’s voice?

Cen Yuyan's tears flowed down almost instantly.

They surged forward.

One couldn't tell from Zhou Rui's words that he and song Chenyu had known each other since a long time ago.

Her acquaintance with Zhou Rui was also a conspiracy.

No.

Cen Yuyan didn't believe it was true.

Cen Yuyan tried her best to force back her tears. She took a deep breath and continued to listen to the conversation in the room.

Zhou Rui was very angry.

Very angry.

"Back then, he had listened to song Chenyu's words and got together with CEN Yuyan. He had spent so much time with Cen Yuyan, but now? "

"Not only did he not become the son-in-law of the Cen family as he wished, but Cen Yuyan had even pestered him. "

"It would have been fine if Cen Yuyan was a young and beautiful woman, but Cen Yuyan was an old woman who could have anything she wanted. "

“During this period of time, song Chenyu had already given Zhou Rui nearly 20 million. She was not Cen Yuyan, but she could easily get 10 million. A celebrity’s job looked glamorous, but the money came quickly.., in fact, she did not earn as much as outsiders thought. ”

“If she had to pay taxes, she had to split it equally with the management company. How much would she have left in her hands? ”

“In addition to Zhou Rui being like a bottomless pit, song Chenyu was also mentally and physically exhausted. ”

“Song Chenyu sighed, “Zhou Rui, I understand your current mood, but please be patient. It’s only four months now. Maybe when your child is born, the Cen family will take her back! “No matter what, Cen Yuyan is the Cen family’s fourth young miss. No matter what, the CEN family will not let Cen Yuyan Go!”

Blood ties were not something that could be severed just like that.

“As long as Cen Yuyan was still alive, she was the Cen family’s unique fourth young miss. ”

No one could replace Cen Yuyan’s position.

Cen Yuyan was just suspecting that song Chenyu and Zhou Rui had known each other for a long time.

Now...

“Through these words, she had basically confirmed that these two people knew each other. ”

No...

They wouldn’t.

“Zhou Rui loved her so much, and song Chenyu was her best sister. ”

How could they betray her.

There was a mistake.

There must be a mistake.

The people who were talking in the living room were definitely not song Chenyu and Zhou Rui.

Cen Yuyan gently pushed the cabinet door open a crack.

She saw the two people in the room.

Those two people.

One was the person she slept with.

The other was a good sister who helped her solve her problems.

That’s right.

It was them.

It was really them.

“Cen Yuyan covered her mouth, her eyes filled with disbelief. ”

Her entire heart felt like it was being cut by a knife.

It was so painful that it tore her heart apart.

Song Chenyu and Zhou Rui did not notice the pair of eyes behind the cabinet door.

“Zhou Rui looked at song Chenyu like this, “Think about how many times you’ve said this! Back then, you said that the CEN family would recognize that old woman after she and I got our marriage certificate! Now, you’re saying that you want to wait until the child is born. After that child is born, are you saying that you want to wait until the child grows up to marry and have children?” ”

Zhou Rui couldn’t wait any longer.

He really could not wait any longer.

He believed that anyone would break down in the face of Cen Yuyan’s ugly face.

“Cen Yuyan was not only very ugly. Ever since she became pregnant, her entire person had become even more pretentious. It was still alright for Zhou Rui to coax a young and beautiful girl. ”

But what was the point of having Zhou Rui coax an old woman like Cen Yuyan?

“Looking at Cen Yuyan’s face, he already felt disgusted, let alone coax her. ”

“Song Chenyu continued, “I want the Cen family to recognize Cen Yuyan more than you do. I’m not Cen Yuyan. I don’t have any backers behind me. If you keep asking me for money like a bottomless pit, I’ll break down too! “Believe me, wait a little longer. The Cen family will recognize Cen Yuyan one day. When that time comes, you’ll be the Cen family’s fourth son-in-law. The Sun will always shine after the storm. When you become the CEN family’s fourth son-in-law, do you have anything you want?” ”

Song Chenyu’s words were sincere.

Only when Cen Yuyan was recognized by the CEN family would she be able to completely get rid of Zhou Rui.

"Hearing these words, Zhou Rui slowly calmed down. "Then I will endure it!" For his bright future and for the Zhou family's position in the capital, he had to endure it. "

Song Chenyu was right. The Sun would always shine after the storm.

"I heard Cen Yuyan say that you've been staying out all night?"

Zhou Rui loosened his tie in annoyance. "Who's willing to look at her ugly face all the time?"

Song Chenyu was unwilling to say more. "Keep your hands and feet clean. Just don't let her discover anything at a time like this."

""So what if she finds out?" Zhou Rui said disdainfully, "What else can a fool like her do? Didn't she also find out about you and Lu Xiu last time? What happened in the end? If you ask me, she's really stupid! She was actually fooled by you to this extent!" "

"Chapter 959: 219: Cen Yuyan finally came to her senses. Dog Bites Dog, a mouthful of fur! 2"

"Song Chenyu poured herself a glass of water and moistened her throat. "If it wasn't for that trick, do you think she would have believed me? In short, you have to be more careful. Acting out a trick requires brains!" "

Hearing these words.

"Cen Yuyan, who was hiding in the closet, was trembling all over. "

It was a ploy to make her suffer.

So those were all ploys to make her suffer.

“Looking back on her actions these past few days, Cen Yuyan felt that she was the dumbest fool in the world.”

The true lovers and true sisters that she thought were all fake in the end.

They were just acting with her.

“Cen Yuyan now really missed old Madam Cen, Zhou Xiang, and her three older sisters.”

She regretted not listening to the words of her family.

“Other than regret, the only thing left was guilt.”

She felt extremely guilty!

It was her fault.

It was all her fault.

She had let down those who truly loved her.

“Got it.” Zhou Rui stood up and continued, “When will your two million be transferred over?”

“I’ve already asked my assistant to arrange it.”

“Then I’ll be leaving first.” Zhou Rui turned around and walked out.

“Song Chenyu stood up to send him off and reminded him, “Remember what I said. No matter what you do outside, remember to keep your hands and feet clean. Don’t do something that will bring you nothing.” ”

“”I got it, I got it! Aren’t you annoying? !” ”

“Looking at Zhou Rui’s back, the corners of Song Chenyu’s mouth curled up as she spat out two words, “Idiot!” ”

“In her eyes, Zhou Rui and Cen Yuyan were both idiots among idiots! ”

“If Zhou Rui did not have something to hold over him, she would not even look at Zhou Rui! ”

“After Zhou Rui left, song Chenyu turned around and returned to his room. ”

“Then, he entered the bathroom to wash up. ”

“During this period of time, Cen Yuyan had been sitting in the cabinet. Her face was deathly pale, and her entire person was like dead wood and ashes. There was not a single bit of luster on her body. ”

“After a long while, Cen Yuyan finally reacted. She stumbled out of the cabinet with tears on her face. ”

Cen Yuyan also didn’t know how she left this place.

“Standing on the busy street, Cen Yuyan’s face was at a loss. ”

She didn’t know where the future was.

She also didn't know where she should go next.

She was like a homeless vagrant.

What was the point of living?

How about...

She died.

"For a person like her, there was no point in living in the world. "

She might as well die.

"Now, death was a relief for CEN Yuyan. "

Cen Yuyan stuck out her stomach and walked to the middle of the road in a daze.

"Seeing a taxi quickly rushing over, Cen Yuyan closed her eyes. "

"At this moment, countless images flashed before Cen Yuyan's eyes. "

There was old Madam Cen.

Zhou Xiang.

"There were three older sisters, Cen Shaoqing and Ye Zao. "

"When she thought about it, the people she had let down the most were old madam Cen and ye Zao. "

It was because of Song Chenyu.

She had imagined ye Zao as a scheming woman...

And Zhou Xiang and the three older sisters at home...

She had let them down.

A crystal-clear tear flowed from the corner of Cen Yuyan's eyes.

PFFT!

"At this moment, an ear-piercing screech of brakes sounded in the air."

The front of the car was only 0.01 millimeters away from Cen Yuyan's body.

Just a little bit.

Just a little bit more and the car would have hit Cen Yuyan.

"The driver cursed as he got out of the car. "What are you doing? If you don't want to live, jump into the river! Who are you trying to harm by standing here?" "

"Cen Yuyan opened her eyes and immediately bent down to apologize to the driver. "I, I'm Sorry!" "

"The driver was furious. He was already tired after working for a whole day, and now he almost killed someone. If it were anyone else, they would not be too happy."

""What's the use of being sorry? Do you know that you almost killed me just now? If you want to die, then go die. What's the point of implicating others here? Do you know that I have a Family?" "

"Speaking up to this point, the driver looked at Cen Yuyan, then, he said, "You were deceived by a man? So you couldn't take it lying down and sought death? I say, you're quite interesting. You're not even afraid of death, so why are you still afraid of living? If I Were you, I definitely wouldn't die! I'll pull myself together and personally watch that scumbag get his retribution!" "

"Hearing this, Cen Yuyan seemed to have caught onto something as a light flashed in her eyes. "

Yes.

She couldn't die.

She hadn't seen song Chenyu and Zhou Rui get their comeuppance yet!

"Thank you."Cen Yuyan bowed deeply.

The driver waved his hand and turned to walk into the car.

"After sitting in the driver's seat, the driver turned to look at the co-driver and said gratefully, "Young Lady, thank you! If it wasn't for you, I would have gotten into trouble just now! Thank you!" "

"Chapter 960: 219: Cen Yuyan finally came to her senses. Dog Bites Dog, a mouthful of fur! 3"

"At that moment, the driver thought that he was about to become a murderer."

He didn't expect that the little girl sitting in the front passenger seat would suddenly make a move. That was why the car stopped steadily and didn't hit anyone.

“As long as he thought of the scene just now, the driver’s heart would not stop thumping, and cold sweat dripped down his forehead.”

The Girl in the passenger seat was very young.

“Her side profile was exquisite and clear, and the dim yellow light in the car coated her face with a faint halo. Although she had just saved someone, there was no obvious change of expression on her face, not even the slightest ripple.”

“She was wearing a simple white sweater, but it gave people the illusion of a gorgeous dress.”

Rulan’s temperament also carried a bit of unruly bandit aura.

“Beautiful, but also gorgeous.”

“The girl looked back slightly, revealing a face that looked like a painting. Her tone was shallow. “You’re welcome.””

“The driver continued, “Little girl, What’s Your Name? Are you from Beijing University? I’ll definitely give you a brocade flag tomorrow!” Other than giving a brocade flag, the driver could not find a better way to express his gratitude.”

“”No need.”Ye Zhuo continued, “It was just a matter of convenience.””

“Although it was just a matter of convenience for ye Zhuo, to the driver, it was a life-saving grace.”

“If she had not acted in time, he would have been brought to the police station for questioning.”

“Moreover, it was the kind where one body and two lives were lost.”

“Little girl...”

“The driver wanted to say something more, but ye zhuo reminded him, “Be careful of the car in front.””

The driver immediately turned his head and looked ahead. He turned the steering wheel and avoided the car in front.

“On the other side, Cen Yuyan arrived at Zhou Rui’s residence.”

The house was still the same as when she left.

Cen Yuyan truly wanted to live with Zhou Rui.

“Therefore, from the day they received their marriage certificate, she began to seriously decorate their home.”

It was a three-bedroom house with a living room. Every piece of decoration was personally chosen by her.

“She did not expect that one day, she would leave this place in such a way.”

“In fact, she had never thought of leaving Zhou Rui and this home.”

“Back then, she was so happy when she was busy decorating this house. Now, she felt disgusted.”

Yes.

Disgusted.

So disgusting that it made people want to throw up.

Cen Yuyan couldn't stay here for even a second. She picked up the password box and started to pack up her things.

"After living here for more than four months, CEN Yuyan really had a lot of things that belonged to her."

"The things that she brought with her were all packed into her suitcase. If she couldn't take them with her, she would pack them up and throw them into the trash can."

"When she packed up the big diamond ring that Zhou Rui gave her, Cen Yuyan originally wanted to throw the diamond ring away."

"But after thinking about it, she still did not throw it away."

"Right now, she was in need of money, so she could not throw things away!"

"Half an hour later, Cen Yuyan packed up all her things and pulled her suitcase out of the residential area. She got into a taxi and said, "Master, please go to Boyi Hospital.""

Boyi Hospital was a private hospital.

"Cen Yuyan wanted to have an abortion at a regular hospital, but she needed her family members to sign it. Now that she had caused such a ruckus with her family, she was too embarrassed to go back and ask them to sign it for her."

"So, she could only go to a private hospital."

"Very soon, the car stopped at Bo Yi Hospital."

"As long as the money was in place, the private hospital could immediately arrange for the surgery."

“As soon as CEN Yuyan entered the hospital, the Doctor arranged for her to have the surgery.”

“Before the surgery, she needed to undergo a series of examinations. Although it was a private hospital, the doctor was still very ethical, she held the report sheet and said, “Miss Cen, the fetus is currently very healthy and is developing very well. Moreover, it’s a boy. Are you sure you don’t want it?””

“I don’t want it.”Cen Yuyan shook her head. There was not a trace of longing in her eyes.

“She did not like children to begin with. If it was not for Zhou Rui, she would have aborted the child long ago.”

“Now that she had seen through Zhou Rui’s true colors, she naturally would not keep the child.”

“The doctor continued, “Then why don’t You Sign Your Name Here?””

Cen Yuyan took the pen and quickly signed her name.

“Perhaps it was because the mother and son were connected by heart. After signing, Cen Yuyan felt the little life in her stomach kick her.”

Cen Yuyan was stunned and tears instantly welled up in her eyes.

Had she ever looked forward to this little life?

“As a mother, the moment she decided to keep him, she had looked forward to the day this child was born.”

But now...

This child could not be kept.

Thousands of words turned into three words.

I'm sorry.

"The doctor seemed to have seen Cen Yuyan's hesitation. "Miss Cen, the surgery hasn't started yet. If you regret it, it's still not too late.""
