“Chapter 961: 219: Cen Yuyan finally came to her senses. A dog biting a dog, a mouthful of fur! 4”

“Cen Yuyan wiped her tears and smiled as she looked up. “No, I don’t regret it.” ”

The doctor nodded. “Then follow me to the operating theater now.”

Cen Yuyan followed the doctor’s footsteps.

“The operating light lit up, and an anesthetic was slowly injected into Cen Yuyan’s body. Cen Yuyan only felt a wave of sleepiness hit her, and she closed her eyes just like that. ”

“When she opened her eyes again, all she could see was white. ”

Where was this?

“Cen Yuyan was stunned for a moment, and her right hand subconsciously touched her lower abdomen.
”

It was a flat area.

Only then did Cen Yuyan realize that the child was gone.

All the beautiful things had turned into Phantoms last night.

“Thinking of all the things that happened last night, Cen Yuyan took a deep breath. ”

“At this moment, a phone suddenly rang in the quiet ward.”

Cen Yuyan picked up her phone.

The Caller ID was song Chenyu’s name.

“Hello.”

Cen Yuyan’s tone sounded no different from usual.

“Song Chenyu heaved a sigh of relief when he heard Cen Yuyan’s voice. “Yuyan, you finally picked up the phone! Do you know how anxious Zhou Rui was when he couldn’t contact you last night! Where are you now?” ”

“Cen Yuyan tried her best to suppress the anger in her heart and said with a smile, “I’m at my house now. I want to beg my grandmother and mother to forgive me. I Can’t let my child be born without my grandmother and great-grandmother.” ”

“Song Chenyu continued, “Then why did you move all the things in the house?” ”

“”To put on an act for my mother and grandmother to see,”Cen Yuyan continued, “You know that my mother doesn’t like Zhou Rui. This is also a temporary measure.” ”

“Hearing this, song Chenyu heaved a sigh of relief. “Yuyan, it’s good that you’re fine! Do you want to talk to Zhou Rui?” ”

“”My mother will be here soon. I Won’t talk to him for now. Help me tell him not to worry. I’ll definitely think of a way to get my family to accept him!”! “No matter what, I already have Zhou Rui’s flesh and blood now. I believe that my grandmother and my mother will not be so heartless!” ”

“Song Chenyu scolded a fool in his heart, then he smiled and said, “Then I’ll wait for Your Good News.” ”

“En.”Cen Yuyan hung up the phone.

The hand that was holding the phone was trembling.

Wait.

She must make Zhou Rui and song Chenyu get their retribution!

“On the other side, song Chenyu turned to look at Zhou Rui. “Cen Yuyan has already returned to the CEN family.” ”

“Really?”Zhou Rui’s eyes lit up.

“Song Chenyu nodded, “I’ve already told you not to be so anxious. Cen Yuyan is the Cen family’s bloodline after all, so how could the Cen family really ignore her! From now on, you just need to wait for Cen Yuyan’s good news in peace!” ”

Zhou Rui was extremely excited.

“After leaving song Chenyu’s place, he immediately went back to tell the Zhou family’s parents the good news.”

The Zhou family’s parents were also very excited.

“”Rui Rui, is what you said true? Is Cen Yuyan really going back?” ”

“Zhou rui smiled and said, “Of course it’s true! Father and mother, the two of you should follow behind me and enjoy your life!” ”

“Mother Zhou said with a face full of pride, “My Son is really amazing!” ”

All the young ladies in the city came knocking on their doors. How could they not be amazing?

“In the blink of an eye, a week passed. ”

Cen Yuyan was also successfully discharged from the hospital.

“Although she was discharged, she still had a big belly. ”

Cen Yuyan dragged her suitcase to the hotel and finally called Zhou Rui.

“After a week, she received another call from Cen Yuyan. Zhou Rui was especially excited. “Hello, Yuyan!” ”

“Cen Yuyan said, “Zhou Rui, it’s been so many days. Did you miss me?” ”

“Yes! Of course I have! Even in my dreams.”

“Cen Yuyan resisted the urge to vomit and continued, “Where Are You Now? Let’s Meet?” ”

““Where are you? I’m coming to pick you up,”Zhou Rui immediately said. ”

“Cen Yuyan said, “I’m on Guohua Road near Our House.” ”

““Okay, I’ll be there right away.” ”

Cen Yuyan also immediately took a taxi to Guohua Road.

“Cen Yuyan had just gotten out of the car when Zhou Rui arrived and hugged Cen Yuyan. “Yuyan, I missed you so much.” ”

“I missed you too.”

“Zhou Rui did not notice the coldness in Cen Yuyan’s eyes and continued, “How was your trip back? Are Mom and Grandma willing to accept me?” ”

“Cen Yuyan shook her head. “Zhou Rui, I’m sorry for making you suffer. My mom and Grandma’s side...”the rest of her words were self-evident. ”

“The moment she finished speaking.., cEN Yuyan continued, “Actually, my mother’s side is still fine. It’s just that my grandmother is more stubborn. However, although they didn’t accept you, they accepted our child. They even said that our child will become the heir of our family in the future.” ”

“Chapter 962: 219: Cen Yuyan finally came to her senses. Dog Bites Dog, a mouthful of fur! 5”

“Really?”Zhou Rui was ecstatic.

“After waiting for so long, he had finally waited for this day.”

“Cen Yuyan nodded. “Of course it’s true. You also know that my fifth brother is an unmarried man. How can an unmarried man inherit the family property? Therefore, our child is now our family’s only hope.””

“”That’s great, that’s great! Yuyan! Thank you!”Zhou Rui hugged Cen Yuyan excitedly.”

“Cen Yuyan sighed. “What’s so great about it? They only accepted the child. However, my mother gave us an idea, but I felt that it wasn’t a good idea, so I rejected it.””

“What Idea?” Zhou Rui immediately asked.

“Cen Yuyan said with some difficulty, “She asked us to fake a divorce. You also know that my grandmother is old. She might leave one day. My mother meant that after my grandmother leaves, we will immediately remarry!” “But how can that be! “Marriage is not a daughter-in-law! “I don’t agree to a divorce! “Even if it’s fake! “So my mother chased me out!””

“When he heard that Cen Yuyan was chased out by Zhou Xiang, Zhou Rui was extremely anxious. “What? You were chased out by Auntie?””

“Yes.” Cen Yuyan nodded. “She asked me to get a divorce! It’s impossible for me to divorce you!”

“Zhou Rui continued, “But isn’t that a fake divorce?””

““Fake divorce won’t work either!” CEN Yuyan continued, “Right now, how many people have become real divorces because of fake divorces! What if after you fake divorce me, you get together with someone else outside?””

““I won’t!” Zhou Rui immediately swore. “Yuyan, my feelings for you can be seen by the Sun and the Moon. How can I find someone else outside!””

“At this moment, Zhou Rui still didn’t know that he had already fallen into Cen Yuyan’s trap.”

“After all, in Zhou Rui’s eyes, Cen Yuyan was just an idiot.”

How smart could she be if she was an idiot?

“As long as Cen Yuyan had some brains, she wouldn’t have been deceived to this extent by him.”

Divorce was just Cen Yuyan’s first step.

“CEN Yuyan continued, “Not only is it a fake divorce, my mother has even borrowed a loan from a loan shark in the name of us husband and wife. If we divorce, this loan shark will fall on your head and you will have to bear it alone! She said that this is to test you! “But you love me so much, yet she tests you so many times. Isn’t this an insult to your personality? “No! “I absolutely won’t allow such a thing to happen!””

“At this moment, Zhou Rui only wanted to become the CEN family’s son-in-law, so he simply couldn’t think too much, he immediately said, “It’s fine, it’s fine. I love you so much. So what if I accept a little test? As long as I can be with you, as long as the three of us can be happy, I’m willing to do anything!””

“But I’m not willing!”Cen Yuyan was a little unhappy. “My mom is really too much!”

“Zhou Rui put his arm around Cen Yuyan’s shoulder. “Yuyan, mom is also doing this for our own good. It’s really not a big deal for me to suffer a little! Don’t you want to see the three of us live happily together?””

“Cen Yuyan was a little shaken when she heard Zhou Rui’s words. “But, but...””

“”No buts,”Zhou Rui continued, “Let’s go to the Civil Affairs Bureau to settle the formalities now.””

“So Soon?”Cen Yuyan asked in surprise.

“Zhou rui smiled and said, “Isn’t this to make our mother feel at ease? Not only do I have to bear all the debts in our marriage, but I also have to leave all the assets and real estate in my name to You!””

“Zhou Xiang had borrowed the loan sharks to test him. If he were to leave everything to Cen Yuyan, he would definitely be able to make Zhou Xiang look at him in a new light.”

“In this world, other than him, how many other good men could do what he did?”

“Hearing this, Cen Yuyan was so touched that her eyes were red. She hugged Zhou Rui. “Zhou Rui, thank you! You’re So Kind!””

""Silly, we're husband and wife.""

"Cen Yuyan sniffed. "Zhou Rui, aren't you afraid that I'm lying to you? What If I run away with your assets?"

"If it were anyone else, Zhou Rui would really have this worry."

But this person was Cen Yuyan!

The Cen family's fourth miss!

"Moreover, Cen Yuyan loved him so much!"

How could Cen Yuyan lie to him?

It wouldn't!

"Zhou Rui turned back to Cen Yuyan and said affectionately, "Yuyan, I love you more than myself. Even if you're really lying to me, I'm willing to be deceived by you.""

"Seeing Zhou Rui like this, Cen Yuyan's stomach churned, and in the end, she directly retched."

"Chapter 963: 219: Cen Yuyan finally came to her senses. Dog Bites Dog, a mouthful of fur! 6"

Disgusting.

It was really too disgusting.

Cen Yuyan was very confused. Why would she sleep with such a person for such a long time?

“Zhou Rui thought that Cen Yuyan was pregnant and immediately patted Cen Yuyan’s back. “Are You Alright, Yuyan?” ”

“I’m fine.”Cen Yuyan shook her head.

Zhou Rui helped Cen Yuyan into the car.

“Soon, the car stopped in front of the Civil Affairs Bureau. ”

“In order to show his sincerity, Zhou Rui transferred all his assets and real estate to Cen Yuyan in the divorce agreement. ”

“The Civil Affairs Bureau staff looked at the two of them. “If the two of you have no objections to the agreement, Please Sign It.” ”

Zhou Rui signed it without hesitation.

Cen Yuyan also signed it.

Cen Yuyan heaved a sigh of relief when she successfully received the divorce agreement.

The entire process was much smoother than she had imagined.

“Zhou Rui held the divorce certificate and smiled. “Yuyan, shall I send you back now?” ”

“Cen Yuyan pretended to be reluctant and said, “I still want to accompany you for a while.” ”

Accompany Him?

Zhou Rui did not need Cen Yuyan to accompany him.

He felt disgusted whenever he saw Cen Yuyan now.

“Yuyan, now is not the time to accompany me. You Go back first and tell mom about our divorce.” ”

Cen Yuyan hesitated for a moment and nodded.”... Alright then.”

“I’ll send you back.”Zhou Rui pulled Cen Yuyan’s hand.

“Cen Yuyan smiled and said, “You should be very busy now, right? I don’t need you to send me off. I’ll walk around alone first. I’ll get the chauffeur to pick me up later. You Go do your work quickly.” ”

Zhou Rui just happened to not want to accompany Cen Yuyan. “Then I’ll be leaving first. Send me a message when you get home.”

“Cen Yuyan nodded. “Don’t worry, I will.” ”

Zhou Rui drove off.

Cen Yuyan looked in the direction where the car had disappeared and narrowed her eyes.

Three days later.

“Early in the morning, Father Zhou was woken up by Mother Zhou’s voice. ”

“Father Zhou said unhappily, “It’s so early in the morning. Why Are You Howling?” ”

“Mother Zhou was so frightened that her face turned white. She walked over and said, “Quickly come over and take a look! See What’s posted outside the door!” ”

Father Zhou followed mother Zhou to the door.

They saw a notice from the court pasted on the front door of the villa.

“It was written in black and white on the notice that this villa had already been mortgaged to the bank. The court had limited them to move out of the villa within half a month. Otherwise, they would not be forced to do so. ”

“When Father Zhou saw this flyer, he was stunned. He immediately picked up his phone and called Zhou Rui. ”

“He called many times, but Zhou Rui did not pick up the phone. ”

“In fact, the situation on Zhou Rui’s side was the same as Father Zhou’s. ”

“Just as he was about to leave, he saw the court notice next to the door. ”

“The court had given him half a month to move out. Otherwise, he would be forced to do so. ”

Zhou Rui was scared silly.

Didn’t Cen Yuyan say that Zhou Xiang was just testing him?

Then why did the court seal the house?

“Zhou Rui quickly took out his phone to call Cen Yuyan, but the other party was on a busy line. ”

“Obviously, he was blocked.”

Zhou Rui opened wechat again.

Cen Yuyan’s name was no longer on wechat’s friend list.

He opened other social media accounts.

The results were the same.

Cen Yuyan seemed to have vanished from the face of the Earth.

“This time, Zhou Rui really panicked.”

“Just as he was about to call song Chenyu, he received a call from Father Zhou. Upon hearing Father Zhou’s words, Zhou Rui collapsed to the ground.”

The villa had also been notified by the court.

“At this moment, Zhou Rui received countless reminders on his phone.”

These loan sharks were all borrowed by Cen Yuyan with their marriage certificates and his identity cards.

Zhou Rui took a rough look. All the loan sharks added up to more than 60 million yuan.

“Seeing this number, Zhou Rui’s face turned pale. Her instincts told her that Cen Yuyan was not playing around with him.”

What should she do?

What should she do now?

“In his panic, Zhou Rui quickly took out his phone and called Song Chenyu. After explaining the situation, song Chenyu said, “Don’t be anxious. Maybe Cen Yuyan and Zhou Xiang are testing you. I’ll contact her right away.” ”

“After hanging up, song Chenyu immediately contacted Cen Yuyan. ”

“Very soon, CEN Yuyan picked up the call. “Hello.” ”

“Song Chenyu hurriedly said, “Yuyan, where are you now?” ”

“What’s Wrong?”

Cen Yuyan’s voice was a little cold.

“Song Chenyu could hear that something was wrong with Cen Yuyan’s voice and frowned slightly.
“Yuyan, what’s Wrong?” ”

“Cen Yuyan’s lips curled into a mocking smile. “Song Chenyu, don’t you think you’re disgusting?” ”

Song Chenyu’s heart thumped. “Yuyan...”

“Chapter 964: 219: Cen Yuyan finally came to her senses. Dog Bites Dog, a mouthful of fur! 7”

““Enough! Stop acting!”CEN Yuyan continued, “It’s been so long. Song Chenyu, aren’t you tired?” ”

Song Chenyu was about to say something when the busy tone came from the other end.

Cen Yuyan hung up the phone.

“When song Chenyu went over, the line was already busy.”

“Soon, Zhou Rui called again. “How was it? Did you contact Cen Yuyan?” ”

“Song Chenyu tried hard to calm himself down and continued, “Did anything unusual happen to Cen Yuyan these past few days?” Song Chenyu was still confused. She didn’t know how Cen Yuyan found out about all this.”

““Unusual?” Zhou Rui said, “No! I haven’t seen her since I got my divorce certificate!” ”

Divorce?

It was also at this moment that Zhou Rui realized that Cen Yuyan had been scheming against him since the day he got his marriage certificate.

“At that time, he was too excited when he heard those words and didn’t have time to think about it.”

“Now that he thought about it, Cen Yuyan’s reaction at that time was simply too strange.”

“Song Chenyu continued, “Cen Yuyan already knows everything and has already blacklisted me.” ”

“Zhou Rui did not take this matter seriously. After all, Cen Yuyan was an idiot. He narrowed his eyes and said, “Then, let’s do another bitter-meat tactic?” ”

“This matter is not that simple. It can not be solved with a bitter-meat tactic.”

""Then what do we do now?"Zhou Rui was about to cry. He continued, "Send me sixty million first. The platform is urging me to pay it back!" "

""60 million? Zhou Rui, you're Crazy!"Song Chenyu raised his voice and said, "How can I have that much money?" "

"Zhou Rui said, "If you don't have it, then go and borrow it! You know so many celebrity friends. How can you not even be able to borrow 60 million! I don't care. Anyway, I want to see it before six o'clock in the evening..." "

"Before Zhou Rui could finish his sentence, song Chenyu directly hung up the phone. When Zhou Rui called again, it was already busy. "

At the same time.

Zhou family's villa.

"The moment Zhou Rui returned home, he saw Zhou family's parents sitting in the living room, sighing. "

""Rui Rui, you're back!" "

""Rui Rui, what's going on? Why did the court close down our villa all of a sudden?" "

"Zhou Rui frowned tightly. "These things were all caused by that slut Cen Yuyan! She first tricked me into getting a divorce, and then made me sign an unequal divorce agreement." "

""B * Tch! Cen Yuyan is a B * TCH. She's lucky that our Rui Rui took a fancy to her, but now she actually dares to do something evil!"Mother Zhou slammed the table and stood up. "

“Zhou Rui’s face was full of worry, “Mom, let’s not talk about this for now! Cen Yuyan used my name to borrow sixty million dollars from a loan shark. The repayment period is just in a few days. If I can’t pay the money back, I’ll have to go to jail! Please help me think of a way!” ”

Zhou Rui was only 26 years old this year. He did not want to go to jail.

“Go and ask song Chenyu!”

“Father Zhou stood up and said, “Your mom is right! Go and ask song Chenyu!” ”

“Zhou Rui said, “I’ve asked her for money. She said that she doesn’t have any money.” ”

“”She said that she doesn’t have money?”Mother Zhou said fiercely, “If that little B * Tch dares not to give it, we’ll go to the news media and expose her! Let everyone know her true colors!” ”

“Ever since Cen Yuyan left the CEN family, she had been the one sending money to Zhou Ruihua. ”

How could she have any money to give to Zhou Ruihua Now?

“Upon receiving mother Zhou’s call, song Chenyu frowned tightly. “How many times do you want me to say it? I don’t have any money now!” ”

“”If you don’t have any money, then go and borrow it!”Mother Zhou said matter-of-factly, “You have so many celebrity friends. Don’t tell me they don’t have money too? I don’t care. I have to see 80 million yuan by Six o’clock Tonight!” ”

“Mother Zhou’s plan was very good. 60 million for Zhou Rui to repay the loan shark, and 20 million for the flowers. ”

“Their villa had been mortgaged to the bank, so they had to buy another house.”

“After hanging up the phone, mother Zhou felt good. ”

This lousy villa could be mortgaged!

They would have a new villa soon anyway.

“Mother Zhou looked at Zhou Rui and smiled, “Don’t worry Rui Rui, I’ve already told that little slut that she will definitely transfer the money before six o’clock!” ”

Zhou Rui nodded.

“Time passed quickly. It was already six o’clock, but mother Zhou had yet to receive song Chenyu’s money. ”

What made Mother Zhou even angrier was that song Chenyu had actually blocked her cell phone number!

“This godforsaken little B * Tch! She’s really rebelling!”

“”Mom, what should I do now? I’m not really going to jail, AM I?”Zhou Rui looked at Mother Zhou with tears in his eyes. ”

He was really afraid.

A whole sixty million!

How many years would he have to go to jail?

“The more Zhou Rui thought about it, the more panicked he became. ”

“Seeing Zhou Rui like this, his mother’s heart ached. She hurriedly hugged Zhou Rui and comforted him, “Don’t worry, Mom will not let you go to jail!” ”

Song Chenyu had been contacting Cen Yuyan.

“After all, this matter was caused by Cen Yuyan. As long as he could contact Cen Yuyan, he could solve all the problems. ”

“For two whole days, song Chenyu did not manage to contact Cen Yuyan. ”

It was as if she had vanished into thin air.

“Just as song Chenyu did not know what to do, she received a call from her assistant. “Sister Chenyu, something bad has happened. Go on Weibo and look at the hot searches!” ”

“Chapter 965: 220: Slap on the face, ugly fish is being abused! 1”

Song Chenyu had been busy looking for CEN Yuyan these days and did not pay attention to Weibo at all.

“When he heard his assistant’s words, song Chenyu’s heart skipped a beat. He immediately opened Weibo and saw the trending articles that had already exploded. Song Chenyu’s face turned pale.”

song Chenyu abandoned his parents

song Chenyu got out of the entertainment industry

"The top five trending articles on Weibo were all about song Chenyu, and the words before the articles were all 'exploded'."

"When he clicked on the trending articles, he could see the Zhou family's parents standing in front of the camera, complaining about song Chenyu's unfilial behavior."

"In front of the camera, the Zhou family's parents were dressed in shabby clothes, crying until their eyes were swollen. They looked as if song Chenyu had really abused them."

""I raised her up with all my might, but now she actually despises us as country bumpkins and refuses me and her father. If I had known this would happen, I wouldn't have sent her to the city to study that year!""

""You reporters, please give us a verdict. Is there such an unfilial daughter like her in this world?""

""The year I gave birth to her, I almost died from dystocia. When I was young, I would always cling to her whenever there was anything good to eat or drink at home! Who knew that I would raise such an ingrate!""

"Father Zhou put his arm around mother Zhou's shoulder. "Her mother, don't be sad. It's not Chenyu's fault for not recognizing us. who asked us to be from the countryside? If we weren't from the countryside, Chenyu would definitely recognize us.""

"After saying that, Father Zhou looked at the camera. "Please Don't blame Chenyu. Actually, it hasn't been easy for her for so many years. No matter what, we parents can't drag her down.""

"After saying that, mother Zhou and father Zhou hugged each other and cried."

The Zhou family's parents' words and actions made the netizens furious.

"Just because the Zhou family's parents were not from the city, Song Chenyu could disown him?"

Heartless!

She was simply too heartless!

"Celebrities lived under the spotlight. Their words and actions affected the values of the young generation, especially those underage fans."

"A national idol could actually abandon her parents, so what right did she have to stand in front of the screen?"

She was simply a social tumor that affected the next generation of the motherland.

"Seeing the Zhou family's parents acting in front of the camera, Song Chenyu's face turned pale. She opened her Weibo with trembling hands."

The comments at the bottom of the Weibo were all to scold her.

"The number of comments at the bottom of the latest Weibo Post had already reached more than 100,000. What was even scarier was that the number of comments was still increasing rapidly."

"[I really didn't expect you to be this kind of person! Previously, you pretended to be pitiful and said that you were an orphan on the show, but it turns out that you're not an orphan at all!]"

"[so disgusting. You've become a bright and beautiful superstar, and now you don't even care about your parents.]"

“[before, I thought that the matter with Yezi was song Yiwan’s fault. Now, it seems that it’s your fault!]! Song Yiwan was clearly standing up for you. It was fine if you weren’t grateful to song Yiwan, but in the end, you still had to step on her! How disgusting!]”

[a person like you doesn’t deserve to stay in the entertainment industry.]

[I support song Chenyu to get out of the entertainment industry!]

[get out of the entertainment industry!]

[you don’t even care about your own parents. What right do you have to be a human? You’re an animal! Calling you an animal is an insult to animals!]

[people like you don’t deserve to live in this world!]

[unfilial son! Go To Hell!]

“[after watching the video, I was really angry! If it weren’t for your parents, would you be the person you are now? People like you are simply a cancer to society!]”

“[I really feel sorry for your parents. They are still speaking up for you even at this time, and they even asked us not to blame you! Ask yourself in your conscience, are you worthy of your parents?]”

“[I’ve been your fan for three years. Today, I have to say goodbye.]”

[I’m no longer a fan. Goodbye!]

“[I suddenly feel sorry for Song Yiwan. At that time, song Yiwan was clearly standing up for song Chenyu, but after the incident, song Chenyu turned around and bit song Yiwan!]”

“I don’t understand how a person like you can still become a celebrity!”

“Not only were there unsightly comments, there were even people who photoshopped song Chenyu’s photo into a posthumous photo.”

“Song Chenyu’s hands were trembling, and layers of cold sweat appeared on her forehead.”

Never in her dreams did she expect that the Zhou family’s parents would cause such a scene.

“As a celebrity that was the focus of everyone’s attention, she was most afraid of such dirt.”

What should she do?

“Chapter 966: 220: Slap in the face, ugly fish is tortured! 2”

What should I do now?

Song Chenyu bit her lips tightly and tried to calm herself down. She picked up her phone and called the Zhou parents.

“In order to let everyone see the Zhou parents’ true colors, song Chenyu specially turned her phone to recording mode.”

Weren’t the Zhou parents doing this to ask for money?

“If she gave them a call, the Zhou family’s parents would definitely reveal their true nature and ask for money from her.”

“When that time came, she would upload the recording onto the Internet and the truth would be revealed.”

Very soon.

The call was connected.

“Hello, this is song Chenyu.”

“After song Chenyu received her call, the Zhou family’s parents would definitely ask for a lot of money. It was as if the Zhou family’s parents had become a different person. “Chenyu, you’re finally willing to call. Father and mother are doing very well now. You Don’t have to worry.”

The Zhou family’s parents could naturally think of the problems that song Chenyu could think of.

They had long guessed that song Chenyu would definitely record the conversation.

“Song Chenyu was stunned for a moment before she continued, “Don’t you all just want money? Tell me, how much do you want? I’ll transfer it to you!”

“Mother Zhou hurriedly explained, “Chenyu, you’ve misunderstood. We have no intention of asking you for money...”

“Then what do you want to Do?”

“Mother Zhou said, “Your father and I couldn’t find you anywhere. We were worried that you would be cheated. When we called you, you blacklisted us again, so we could only find you through the media! “Now that we know that you’re fine, we’re much more relieved.”

“Song Chenyu almost roared in anger, “Stop acting!”

““You child, we really care about you! How can you say that we are acting?” ”

Song Chenyu was so angry that he smashed his phone.

Bang!

The black phone was smashed to the ground and instantly shattered into pieces.

“On the other end of the screen, mother Zhou sneered, “Little B * Tch! With that little trick of hers, she still wants to fight with me!” ”

“Father Zhou said with some worry, “We have made things so awkward. What if she doesn’t pay when the time comes?” ”

“Mother Zhou said, “Doesn’t give us the money?”? “If she doesn’t give us the money, we’ll expose her to the media again!”! “I’d like to see if she still wants to continue working in the entertainment industry!”! “Besides, it’s only 80 million yuan. She’s a big star and not like US ordinary people. Big Stars get paid quickly. 80 million yuan is nothing to her!” ”

Father Zhou nodded. “That’s true.”

“Song Chenyu had just dropped her phone when the door was pushed open from outside. Her manager, brother Tao, walked in with a face full of anger. “Chenyu! What’s going on with your parents? Didn’t you say that you’re an orphan?” ”

“Song Chenyu grabbed brother Tao’s sleeve. “Brother Tao, you have to help me!” ”

Brother Tao’s expression did not look good.

“Previously, because of the incident that happened in Country 2, Song Chenyu had already lost a portion of her popularity. Now that there was such a scandal, it was really difficult to clear her name in such a short period of time! ”

“When he first appeared on the trending searches, brother Tao and the public relations department had taken down the trending searches for three hours. The first trending search had just been taken down, but the second trending search had already risen up. Not only did it not suppress the popularity, but it also increased the popularity of the trending searches, on the contrary, it increased the popularity of the trending searches.”

It was useless to post a lot of articles to attract public opinion.

““Did you offend someone?” Brother Tao continued to ask, “There must be someone manipulating public opinion behind the scenes. Otherwise, the popularity would not have risen so quickly!” ”

“If it wasn’t for someone manipulating from behind the scenes, the popularity wouldn’t have risen so quickly.”

“Hearing this, Song Chenyu was stunned.”

She had always been very popular in the circle. The only person she had offended was song yiwan.

But song Yiwan had long been banned. She simply didn’t have the ability to do so.

Could it be?

It was Cen Yuyan?

Song Chenyu narrowed his eyes.

It was definitely Cen Yuyan.

“From the moment she divorced Zhou Rui, Cen Yuyan had been making plans.”

Cen Yuyan had always been an idiot in Song Chenyu's eyes.

"Therefore, Song Chenyu had never taken Cen Yuyan to heart. "

He did not expect that she would actually fall into Cen Yuyan's hands this time.

"Brother Tao." Song Chenyu grabbed brother Tao's hand. "You must help me think of a way."

Brother Tao pressed his temples. "The only way now is to get your parents to release a clarification video and tell everyone that this is all a misunderstanding."

Clarification Video?

"This sentence was simple. If the Zhou family's parents had clarified it so easily, they would not have gone to the trouble of finding the media. "

""80 million. Brother Tao, do you have 80 million?" Song Chenyu looked up at brother Tao. "Lend me 80 million!" "

"80 million?" Brother Tao thought he had heard wrong. "Did you say 80 million? Not 8 million?"

"Chapter 967: 220: Slap in the face, ugly fish gets tortured! 3"

""That's right, it's 80 million." "

Brother Tao gulped. "What do you want 80 million for?"

"Song Chenyu continued, "It's not for me, it's for them. Their goal is to get 80 million." "

“Your parents?” Brother Tao asked.

Song Chenyu nodded.

“Brother Tao frowned and said, “If it’s 8 million, I can still think of a way for you. 80 million...”if it wasn’t a top-tier wealthy family, who could easily take out 80 million? ”

“Song Chenyu’s face was full of worry, but she didn’t say anything. ”

“Brother Tao continued, “Why don’t you look for someone else? By the way, I heard from director Feng that you’re quite familiar with song Shi Group’s CEO Song. Why Don’t you go ask him to help you?” ”

Song Shi Group was also the father of the investor of Song Chenyu’s entertainment company.

“If song Shiyu made a move, this crisis could be resolved. ”

“Hearing this, song Chenyu’s eyes lit up. ”

That’s right.

She could go look for song Shiyu.

“She was now song Shiyu’s only family in this world, and song Shiyu doted on her so much that he even moved song Shi Group’s headquarters to Beijing for her. As long as she asked, Song Shiyu would definitely help her! ”

“With song Shiyu’s protective personality, not only would he give her 80 million yuan, he would also help her deal with the Zhou family. ”

“Thinking that she could completely get rid of the Zhou family in the future, song Chenyu heaved a sigh of relief and turned to look at brother Tao. “I’m going to the Song Corporation Now!” ”

“Brother Tao said in surprise, “You really know CEO song?” ”

Song Chenyu nodded. “Song Shiyu is my brother.”

Song Shiyu is song Chenyu’s brother?

“Hearing this, brother Tao’s face was full of disbelief, but he also somewhat understood why song Chenyu’s star path had been so smooth all these years. ”

So it was because of the father of the investor!

“”Chenyu, are you kidding me?”Brother Tao continued to ask. ”

“Song Chenyu smiled and said, “I’m not kidding. Song Shiyu is my brother.” ”

“”Great! Then hurry up and go find your brother!”After saying that, brother Tao frowned in confusion. “If song Shiyu is your brother, then what’s going on with your parents?” ”

“Song Chenyu said, “This matter can’t be explained in a short time. I’ll go find my brother First!” ”

“”Hurry up and Go!”Brother Tao nodded and continued, “You’d better settle all these matters within three days. So far, there are already ten companies that want to cancel their endorsements with you.” ”

“Not only had the endorsements been canceled, but Song Chenyu’s two big female lead dramas had also been replaced. ”

“The current situation was very serious for song Chenyu. If it was not resolved quickly, not only would song Chenyu be blackened by the entire Internet, but her career would also end here! ”

“Song Chenyu nodded. “I know. Don’t worry. With My Brother’s help, it won’t take more than three days for this matter to calm down.” ”

“Brother Tao smiled and said, “Then I’ll wait for Your Good News.” ”

At the same time.

Song Corporation.

Song Shiyu was sitting in his boss’s chair behind his desk. His legs were crossed as he listened to the department manager’s report.

The Department Manager was reporting his work while secretly observing song Shiyu’s expression. His forehead was covered in layers of cold sweat.

“Although song Shiyu did not say anything, he could not help but feel nervous. ”

“Song Shiyu was an eccentric person. He was calm a second ago, but in the next second, he would become extremely agitated. ”

Even a 1.8-meter-tall Brawny man had been scared to tears by song Shiyu.

He didn’t want to be scared to tears by song Shiyu.

“At this moment, there was a knock on the door. ”

The department manager heaved a sigh of relief.

Heavenly Bodhisattva!

Someone had finally come to save him.

“Come in,” song Shiyu said slowly, then turned to look at the department manager. “You can go back first.” ”

“The department manager bowed and turned to leave. Just then, he brushed past Bai Jiayu, who had just entered the office. “President Bai.” ”

“Bai Jiayu nodded and walked straight into the office. He said with a cheeky smile, “Brother Song, there’s a party tonight. Are You Going?” ”

“No.”

“Bai Jiayu glanced at song Shiyu. “No Way, Brother Song. Not going again? I say, who are you keeping your virginity for?” ”

Bai Jiayu was really curious about who the cinnabar mole in song Shiyu’s heart was.

Song Shiyu didn’t say anything.

“Bai Jiayu continued, “Are you really not going?” ”

Song Shiyu acknowledged.

“Bai Jiayu sat opposite song Shiyu. “I heard that you’ve already found that little girl from back then. You’re not keeping your virginity for her, are you? Right, who is that girl? Do I know her? Is She Pretty?” ”

“Does it have anything to do with you?” Song Shiyu raised his head and raised his eyebrows.

“Chapter 968: 220: Slap on the face, ugly fish gets tortured! 4”

“”No Way!” Bai Jiayu said in surprise, “Is it really for her?” ”

“Although he and Song Shiyu had been good friends for many years, Bai Jiayu still couldn’t figure out Song Shiyu’s personality. ”

He only knew a little about that little girl.

Song Shiyu turned a page of the document in his hand. “You’re overthinking it.”

“Bai Jiayu narrowed his eyes and continued, “Oh right, that sister of yours is trending. It’s quite troublesome. It’s not easy for a little girl like her to survive in the entertainment industry for so many years...” ”

“What trending?” Song Shiyu raised his head to look at Bai Jiayu.

“You still don’t know?” Bai Jiayu asked in surprise.

“I don’t know.” Song Shiyu shook his head.

“He had never paid much attention to the entertainment news, so even if he had Weibo on his phone, it was just for show. ”

“Bai Jiayu continued, “You’ll know when you look at the trending topics on Weibo. Right now, the entire trending section is about your sister.” ”

“Song Shiyu did not immediately turn on his phone. Instead, he said, “Do you have anything else?” ”

“Bai Jiayu said, “There’s one last thing.” ”

“”Speak,” song Shiyu said concisely. ”

“Bai Jiayu continued, “Besides the venue tonight, there’s another venue tomorrow night. Brother song, are you sure you want to keep your body as still as Jade?” ”

Song Shiyu raised his hand and pointed at the door. “The door is over there.”

“”I’m not joking with you,”Bai Jiayu continued, “Seriously, there’s a robot boxing match at the science and Technology Hall in a few days. Do you want to go?” ”

Song Shiyu was very interested in robots. A subsidiary of the song group produced robots.

“The exact time.”

“Bai Jiayu said, “On the night of October 30th.” ”

“Song Shiyu hesitated for a moment. “We’ll see when the time comes.”He had quite a busy schedule these few days, so he might not have the time. ”

“Bai Jiayu nodded and said, “Then I’ll take my leave first.” ”

“Okay.”

Bai Jiayu turned around and left. Only then did song Shiyu pick up his phone and Open Weibo. He lowered his head to look at the trending topics on Weibo and narrowed his eyes.

“A moment later, he tapped his desk with his fingers, picked up the microphone, and dialed the internal line. “Let Secretary Yang come in for a moment.” ”

“His voice was very cold. Even through the microphone, it made people’s hearts tremble. ”

“Soon, Secretary Yang came in. “Boss, you’re looking for me.” ”

Song Shiyu frowned slightly. “Why didn’t anyone tell me about the trending topic on Weibo?”

“Secretary Yang asked somewhat uncertainly, “Are you referring to miss song?” ”

Song Shiyu nodded slightly.

Secretary Yang was stunned.

“Although song Chenyu was song Shiyu’s younger sister, song Shiyu usually did not care about her. ”

He did not expect song Shiyu to suddenly ask about the trending topic on Weibo.

“Secretary yang hurriedly said, “Boss, I’ll get the public relations department to handle this matter.” ”

“Although there was a lot of commotion on Weibo, song Shiyu was, after all, Song Shiyu. ”

“As long as he appeared, there would be a way to calm things down. ”

Song Shiyu gently raised his hand. “How did song Chenyu get injured?”

Song Shiyu saw that incident in the comments on Weibo.

“More accurately speaking, his gaze was attracted by ‘leaf’.”

“If he remembered correctly, in village 2, everyone called Ye Zhuo ‘Yezi’.”

“Song Shiyu did not use Weibo and did not pay much attention to song Chenyu’s matter. Naturally, he did not know that song Chenyu was injured on the program team, nor did he know that she had collaborated with song Yiwang to frame ye Zhuo.”

“When he saw the comments on Weibo, song Shiyu frowned.”

Injured?

Song Chenyu was injured?

It had been a few months since song Chenyu was injured.

Could it be that song Shiyu wanted to settle the old scores with him?

Secretary Yang looked up at song Shiyu and felt that this person’s face was frighteningly dark.

It looked like he was really angry.

It looked like ye Zhuo was going to be unlucky.

“Secretary Yang gulped. “It’s like this. When Miss song was filming village 2, she was injured on the production team...”regarding that matter, secretary Yang was the only one who knew the whole story.”

“From a bystander’s point of view, this incident had nothing to do with Ye Zao. Ye Zao was almost implicated.”

But song Shiyu was song Chenyu's brother!

The person who was being bullied was song Chenyu.

Song Shiyu would definitely not let ye Zao off so easily.

"After listening to the whole story, song Shiyu continued, "Send me all the videos and responses." "

"Okay." Secretary Yang nodded.

"Ten minutes." Song Shiyu continued.

"Chapter 969: 220: Slap in the face, ugly fish is tortured! 5"

Secretary Yang quickened his pace and walked out.

"Ten minutes later, Secretary Yang sent the things he had packed to Song Shiyu."

Ding —

"At this moment, the elevator door facing the office opened."

"Secretary Yang looked up and saw a figure walking out of the elevator. Looking up from his long legs, he saw that the person's facial features were covered by a mask and sunglasses."

"However, he could still tell from the figure that this person was song Chenyu."

“When Secretary Yang Saw Song Chenyu, he immediately went up to her. “Miss Song, you’re here.””

Song Chenyu took off her sunglasses. “Is my third brother here?”

Secretary Yang nodded. “The boss is inside.”

Song Chenyu lifted her feet and walked inside.

““Miss Song, Please Wait a moment,”secretary Yang suddenly said.”

“What’s Wrong?”Song Chenyu lowered her head and asked.

“Secretary Yang continued, “The boss already knows about your matter. He’s reading Weibo inside now. Why Don’t you wait a moment before going in?””

““My third brother already knows?”Song Chenyu thought that with song Shiyu’s character, he would not take the initiative to ask about her matters.”

He did not expect song Shiyu to dote on her more than he imagined.

“Before she could speak, song Shiyu had already taken the initiative to look at Weibo.”

“One had to know that song Shiyu was an eccentric person. He never used those social media apps. He did not even use wechat, let alone Weibo.”

“Secretary Yang nodded. “Not only that, but boss also knows about the incident last time.””

“What incident?”Song Chenyu asked curiously.

“Secretary Yang continued, “It’s about the incident where you were injured in the village 2 production team. The boss even specially asked for the video from that time.””

“Only then did song Chenyu understand why when Song Shi went to visit the production team, not only did she not ask about her injury, but she even treated ye Zhuo with courtesy.”

So it was because she did not know!

“Now that the old matter was brought up again, not only would the Zhou family be in trouble, even ye Zhuo would be in trouble as well.”

How satisfying!

This was simply too satisfying!

“Thinking of this, song Shiyu raised his hand and knocked on the door.”

“Who is it?” A very cold word came from inside.

“Song Shiyu smiled and said, “Third brother, it’s me! Shiyu!””

“Come in.”

Song Shiyu immediately pushed the door open and entered.

“Song Shiyu was just sitting on the boss’s chair like this, and no expression could be seen on his face.”

“For some reason, when he saw song Shiyu like this, song Shiyu suddenly shivered. “Third brother.””

“Why didn’t you tell me about the incident at the village production team?” Song Shiyu suddenly asked.

Was he going to make trouble?

“Song Shiyu suppressed the joy in his heart, he smiled and said, “It wasn’t a big deal in the first place, so I didn’t tell you. Third Brother, don’t blame Miss Ye. This matter has nothing to do with Miss Ye. It’s all my fault. I almost implicated Miss Ye!””

“Song Shiyu raised his head and looked at song Chenyu. He slowly undid the cufflinks, then rolled up his sleeves one by one, revealing his strong arms.”

What was he trying to do?

Song Chenyu was stunned.

Crash —

Song Shiyu suddenly stood up from the boss’s chair and pushed it behind him.

“His posture was slender. When he stood up, a strong shadow cast directly on song Chenyu.”

“Song Shiyu’s body was full of hostility. Even if he deliberately restrained it, it still made it difficult for people to breathe. Song Chenyu gulped. She did not understand what song Shiyu was trying to do?”

But she knew one thing.

That Was...

He was angry.

Song Shiyu was angry.

“Song Chenyu smiled and raised his head, then he said, “Third brother, it’s been so long. Even if something really happened, I Won’t blame Miss Ye. Please Don’t blame Miss Ye.”. You and Cen Wuye are friends after all. If you really go and make things difficult for Miss Ye for me, it will be... “ ... “...””

“Before song Chenyu could finish her sentence, she received a heavy slap on her face.”

Slap!

The crisp sound of the slap completely replaced her voice.

“This slap made song Chenyu’s Ears Buzz, and her face burned with pain.”

“Who told you to bully her? Huh?”

“Before song Chenyu could react, her hair was grabbed tightly by a long and strong hand.”

“An intense pain came from her scalp, as if her entire scalp was about to be torn off.”

“Combined with the pain on her face, she simply could not breathe.”

““Third... third brother?”Song Chenyu raised her head to look at Song Shiyu. Other than the painful expression in her eyes, there was only disbelief.”

This was the second time song Shiyu had hit her.

The first time was because of that hairpin.

“After all, that hairpin was left behind by song Shiyu’s mother, so it was completely understandable for song Shiyu to hit her.”

“Chapter 970: 220: Slap on the face, ugly fish is being abused! 6”

What about this time?

Was It...

Ye Zhuo?

How could it be possible!

How could song Shiyu hit her for Ye Zhuo?

It couldn't be!

It couldn't be!

It couldn't be!

““Let me ask you, who told you to bully her?” Song Shiyu increased the strength in his hands and grabbed song Chenyu's hair. Because he used too much strength, his joints had turned slightly white. ”

Who Was 'she'?

Was It Ye Zhuo?

“Who told you to bully her! ?”

““I didn’t bully Miss Ye. Third Brother, you’ve misunderstood me...”song Chenyu said with red eyes. ”

“At this moment, Song Chenyu looked like a different person. ”

“In the next second, he let go of Song Chenyu’s hair. ”

“Before song Chenyu could let out a sigh of relief, her neck was suddenly grabbed by someone and gradually tightened. Song Chenyu only felt that his feet were getting farther and farther away from the ground. ”

A sense of fear of death surrounded song Chenyu.

Song Chenyu was truly afraid.

She had never experienced death so close to her.

It was as if she would die in the next second.

“Due to the lack of oxygen, song Chenyu’s face was flushed red. He could not say a word and his feet were flailing in the air. ”

“Seeing song Chenyu in pain, Song Shiyu slowly curled his lips. His eyes were actually filled with excitement. ”

“Seeing that song Chenyu was about to die in the next second, song Shiyu slowly said, enunciating each word, “If you dare to bully her again in the future, I’ll Take Your Life!” ”

“As he finished speaking, he slowly released his fingers. ”

Bang!

“Song Chenyu was thrown to the ground, breathing in large mouthfuls of air. His face was filled with the ecstasy of having escaped death.”

“For a second just now, she really thought that she was going to die.”

It was alright.

It was alright.

She was not dead.

Song Shiyu picked up the microphone on his desk. “Call two security guards in.”

“Very soon, the security guards arrived.”

“Boss.”

“Song Shiyu pointed at song Chenyu who was on the ground and said, “Throw her out.” ”

“Okay.”

Song Chenyu was carried away by two security guards.

Song Shiyu let Secretary Yang in again.

Secretary Yang happened to see song Chenyu being carried out by two security guards when he went in. He frowned slightly and could not react in time.

"A moment later, he knocked on the door and entered. "Boss, you were looking for me?" "

"Song Shiyu washed his hands with the hand sanitizer in a serious manner. Then, he wiped his hands with a handkerchief and threw the handkerchief into the trash can. Only then did he look up at Secretary Yang. "Take care of Song Chenyu." "

Take care of Song Chenyu?

"Just as secretary Yang had not completely digested these words, song Shiyu continued, "Oh, that's not right. He should be called Zhou Chenyu now." "

Zhou Chenyu?

Secretary Yang gulped. was song Shiyu trying to clean up the family and drive song Chenyu out of the song family?

"Song Shiyu continued, "Let Zhou Chenyu go back to where he came from." "

"Secretary Yang was stunned for a moment and immediately nodded. "Yes, Boss." "

"Until he came out of the office, Secretary Yang did not know how song Chenyu had offended song Shiyu. "

But it was normal.

"After all, Song Shiyu's personality was unpredictable. "

"Moreover, Song Shiyu and song Shiyu were not really brother and sister. "

Secretary Yang immediately went to handle song Shiyu's matter.

"The moment song Shiyu was thrown out of the office, she knew that she was finished."

She never dreamed that one day song Shiyu would be so ruthless to her sister because of Ye Zhuo.

"At that moment, Song Chenyu's phone rang. Song Chenyu took out his phone and pressed the answer button."

"Brother Tao's furious voice came from the other end of the screen. "Song Chenyu! What have you done, you idiot? Didn't you say that song Shiyu is your brother? Then why did song Shi Group suddenly withdraw their investment?" "

Withdraw their investment?

Song Shiyu actually withdrew his investment?

"Brother Tao continued, "Come to the company right away!" "

"That afternoon, many luxury brands and song Chenyu's cancellations were posted on Weibo, and Song Chenyu and the entertainment company's cancellations were trending."

"Under song Chenyu's Weibo comments, there were all comments that told her to get out of the entertainment industry."

"But in the blink of an eye, song Chenyu had become a rat on the street, and everyone was shouting at her."

"Cen Yuyan sat on the sofa and looked at Weibo, which had been paralyzed several times. The corners of her mouth curled up slightly."

She finally saw that song Chenyu had gotten his comeuppance!

“In the next second, Cen Yuyan scrolled to two new hot searches.”

the song family announced that they were terminating the adoption relationship with song Chenyu
