

## Almighty D 971

“Chapter 971: 220: Slap on the face, ugly fish being tortured! 7”

“[ it’s really disgusting, even lying to an old man! ] ”

“[ it’s fine if you lie to an old man, but she didn’t go back to Old Madam Song’s funeral last year. ] ”

[ it turns out that the Zhou family’s parents aren’t any good either. It’s really like dragons giving birth to dragons and phoenixes giving birth to phoenixes. Mouse’s son knows how to dig holes! ]

[ the whole net boycotted song Chenyu! ]

“[ sister upstairs, you are wrong. It should be Zhou Chenyu. ] ”

“Old Mrs. Cen was also sitting on the sofa and scrolling through Weibo. When she saw that song Chenyu had turned into a complete black, she was so happy that she slapped her thigh. “This is really retribution! I finally see this ugly fish with a box lunch!” ”

“After saying that, old Mrs. Cen looked back in confusion. “Xiangxiang, do you think I’m sick?” ”

“What’s wrong with you?”

“Old Mrs. Cen continued, “I just slapped my thigh a few times, but it didn’t hurt at all. Just Like This!” ”

Slap!

“After saying that, old Mrs. Cen raised her hand and imitated Zhou Xiang. “It really doesn’t hurt! It’s So Strange!” ”

Zhou Xiang looked at Old Mrs. Cen. "Because you've always slapped my thigh."

Old Mrs. Cen:"..."

She was most afraid of the sudden silence in the air.

\* \*

On the other side.

"Ye Zhuo, an Lizi, and Zhao Pingting had made an appointment to go shopping together. "

"It was October, and the weather in Beijing was already very cold. "

"The leaves of the ginkgo trees on both sides of the road had turned golden yellow. Looking from afar, it looked particularly spectacular. "

Ye Zhuo stood at the appointed spot and waited for the two of them.

""Are You Yezi?" At this moment, someone recognized ye Zhuo. "I really like you in Country 2!" "

Ye Zhuo raised his eyes slightly. The person who came was a short-haired girl with a backpack. "Thank you for liking me."

"The short-haired girl continued, "Yezi, can you give me an autograph?" "

"Sure."Ye Zhuo nodded.

The little girl immediately took out a pen and a notebook from her school bag.

Ye Zao took the pen and notebook and signed his name on it.

“Sign one for me too.” At this moment, a fair and strong arm appeared in ye Zao’s line of sight. ”

“Ye Zao had done things like signing on the arm and clothes many times. Writing was a breeze. In just a second, a handsome name was signed. ”

“This person’s arm was very white. The black font was printed on the arm, and the black and white were distinct. ”

It actually had an indescribable artistic beauty.

Ye Zhuo returned the pen to the little girl.

“Thank you.” The little girl immediately thanked him. As she turned around, she even glanced at the man standing beside Ye Zhuo. ”

Damn!

So handsome!

Ye Zhuo raised his head slightly and saw a familiar profile. “Brother Song?”

“Song Shiyu smiled and said, “You Recognize me?” ”

“Ye Zhuo removed the wireless earpiece on his left ear. “I’m sorry, I really didn’t react just now.” ”

“Where are you going?” Song Shiyu continued to ask.

“Ye Zhuo replied, “I’m waiting for my friends.” ”

“Da Zhuozhuo!”

“Just then, an Lizi and Zhao Pingting ran over. ”

“Ye Zhuo looked back slightly. “Look, they’re here.” ”

Song Shiyu tilted his head and saw two young girls about ye Zhuo’s age running over.

“Ye Zhuo waved at them. “Lizi, Pingting.” ”

““Big Zhuozhuo, you’ve been waiting for us for a long time, haven’t you?”Zhao Pingting asked. ”

“Ye Zhuo shook his head slightly. “No, I just arrived. Oh right, let me introduce you to my friend, Brother Song. Brother song, this is my cousin, an Lizi. This is my friend, Zhao Pingting.” ”

Song Shiyu nodded slightly. “Hello.”

“Zhao Pingting and an Lizi quickly greeted him. “Hello, Brother Song.” ”

“Song Shiyu turned to look at Ye Zhuo. “I have something to do, so I’ll be leaving first.” ”

“Okay.”Ye Zhuo nodded slightly.

Song Shiyu greeted an Lizi and Zhao Pingting before turning to leave.

“Looking at song Shiyu’s back, an Lizi said, “Da Zhuozhuo, what’s this brother song’s name? He’s quite handsome!” ”

“His name is song Shiyu.”

“Zhao pingting continued, “Not only is he handsome, his name is also quite nice. Does he have a girlfriend?” ”

“Ye zhuoluo teased, “You like him? I’ll Be Your Matchmaker!” ”

“Zhao pingting smiled and said, “This song Shiyu is obviously a business elite. I can’t hold him back. I was just curious and asked.” ”

“An Lizi nodded in agreement. “This kind of man deserves to be raised in a boudoir by a socialite! By the way, does he have a girlfriend? I’m quite curious too!” ”

Ye Zao shook his head. “No.”

People like song Shiyu were almost open to liking and accepting people.

An Lizi sighed. “I wonder what kind of girlfriend he’s looking for.”

On the other side.

Song Shiyu walked to a tattoo shop.

““Sir, are you looking for a tattoo?” ”

Song Shiyu nodded.

The shop owner immediately handed a tattoo album to Song Shiyu. "This is a picture album. Take a look."

"There's no need to look."

"Do you have your own design?" The shop owner asked.

"Yes."

"The shop owner put the tattoo album back and said, "Is it convenient for me to see what kind of design you want to tattoo? Because we can't guarantee a 100% restoration of some of the designs." "

"Song Shiyu rolled up his sleeves, revealing a clean signature. "

"Because it was an art form, the shop owner could only roughly see the outline of the word 'Ye'."

"The shop owner smiled and said, "That's easy, but are you sure you want to tattoo it on your arm?" "

"I'm sure," Song Shiyu said concisely. "

"The shop owner reminded him, "The tattoo medicine in our shop is imported from abroad. Once it's tattooed, it can't be washed off. Why Don't you think about it first?" "

"There were many cases of young people who ended up breaking up because they had their girlfriend or boyfriend's name tattooed on their arms, and their current boyfriend became their ex-boyfriend. In the end, they wanted to come over and wash their tattoos but were unable to do so. "

Song Shiyu's face was expressionless. "There's no need to think about it."

"Chapter 972: 221: a dragon has a reverse scale. If you touch it, you will definitely get angry! 1"

Song Shiyu said it bluntly without any hesitation.

“The shop owner smiled and said, “Alright. Since you have already considered it, I will prepare the medicine for you.” ”

“Okay.” Song Shiyu nodded slightly.

The shop owner went to prepare the tattoo medicine.

The tattoo needed to be applied with a local anesthetic.

Song Shiyu looked at the anesthetic the shop owner brought over and frowned slightly. “There’s no need for anesthetic.”

“No anesthetic?” The shop owner was stunned.

“Although the tattoo did not have a knife or a wound, the tattoo had to be pricked into the skin with a needle dipped in medicine. It would hurt terribly if it was pricked, not to mention that the tattoo had to be pricked into a pattern. ”

“Song Shiyu said, “Using anesthetic will affect the effect. I need the handwriting to be 100% the same.” ”

“The shop owner did not expect song Shiyu to be an expert. He smiled and said, “Then can you bear it without anesthetic?” ”

“”No problem.” Song Shiyu said calmly, not taking this matter seriously at all. ”

“The shop owner nodded. “If you can’t bear it halfway, please let me know.” In fact, the shop owner had met many people before. In order not to affect the beauty of the patterns, he chose not to use anesthetics, but none of them could endure it. ”

Because it was really too painful.

“Okay.” Song Shiyu uttered a syllable from the depths of his throat.

“Realizing that the customer didn’t talk much, the owner didn’t say anything more. After mixing the medicine, he brought the tattoo machine over and said, “Sir, please sit here.” ”

Song Shiyu walked over and sat down.

“The owner was a little worried and said, “I’m going to start. If you feel pain, you must tell me.” The owner had two tattoos on his body. He knew the experience of tattoos. ”

“Back then, he had tried to be a hero and insisted on not applying anesthetics in front of his girlfriend, but in the end, he lost to reality. ”

“Although the man in front of him had made a solemn vow, there were some things that he could not control. ”

“For example, pain. ”

The pain brought by tattoos was a heart-wrenching pain.

1

“Okay.”

The shop owner had thought that Song Shiyu would definitely not be able to hold on halfway through his tattoos. He did not expect Song Shiyu to not make a sound from the beginning to the end. He just sat there without any expression on his face. He did not even frown.

“The light from the tattoo shop coated his body with a layer of clear light, like bamboo under the white snow.”

“The shop owner had opened a tattoo shop for three years. He had seen all kinds of people, but this was the first time he had seen a customer with such strong willpower.”

Did he not feel pain?

“An hour later, the shop owner put down the tool in his hand and said with a smile, “Sir, it’s ready.” ”

“How much is it?” Song Shiyu asked.

““350 yuan,” the shop owner answered.”

Song Shiyu took out his wallet and counted 400 yuan before handing it to the shop owner. “Keep the change.”

““Thank you,” the shop owner continued, “Remember to tear off the gauze seven hours later and rinse it clean with warm water. Before the wound heals, you can’t drink alcohol or eat spicy food.” ”

“Song Shiyu nodded slightly, then turned around and left.”

“Looking at Song Shiyu’s back, the shop owner’s eyes were full of admiration.”

This person was really amazing.

“Seeing song Shiyu return with an ‘injury’, Bai Jiayu was shocked. “Brother song, what happened to your arm?” ”

Song Shiyu’s tone was indifferent. “I accidentally touched it.”

“Is it serious?”

“It’s just a small injury.”

“Bai Jiayu was a little worried. Song Shiyu usually wouldn’t take the initiative to see a doctor even if there was something wrong with his body. He then said, “Why don’t I take you to the hospital to have a look?” ”

““I’ve already been to the hospital,”song Shiyu said. ”

“Really?”Bai Jiayu was stunned.

“Yes.”

“Hearing this, Bai Jiayu heaved a sigh of relief and continued, “ZY sent over a new contract. Take a look.” ”

“Song Shi Group had cooperated with ZY technology company a year ago. Previously, song Shiyu had deliberately given ZY’s director a problematic contract to test whether it was worth cooperating with. He did not expect that the boss behind the scenes would see through it at a glance. ”

“Now that the contract had been renewed, ZY’s director was afraid that song Shiyu would tamper with the contract again, so he got someone to draft the contract first. ”

Song Shiyu took the contract and glanced at it. “Why are you asking questions? Sign it.”

“Bai Jiayu continued, “I heard that ZY’s behind-the-scenes boss is a woman. Who Do you think she is? What kind of woman would be able to create Zy?” ”

“ZY had always been ranked first on the dark horse list ever since it came into being. It was the leader that everyone in the fashion industry looked up to, and it was also the target that the technology industry wanted to rope in time and time again. ”

“Chapter 973: 221: a dragon has a reverse scale, it will be enraged if it is touched! 2”

“Unfortunately, it had been so long, and no one had seen ZY’s behind-the-scenes boss in person.”

“I don’t know.” Song Shiyu’s face was expressionless.

“Bai Jiayu glanced at song Shiyu. “She is your partner, after all. Aren’t you curious about who she is?””

“Not interested.”

“Bai Jiayu narrowed his eyes as if he suddenly remembered something, he continued, “Oh right, what’s up with that sister of yours? Didn’t you treat her quite well before? Why are you so ruthless all of a sudden? You even changed her surname back?””

“Song Chenyu had been praised so highly back then, but now he had fallen so hard.”

Song Shiyu loosened his tie. “It’s nothing. I just feel that she doesn’t deserve to have the surname Song.”

“Bai Jiayu was even more curious now. “Brother song, What’s Going On?””

“Although Bai Jiayu didn’t know song Chenyu very well, he had interacted with him a few times. Song Chenyu was a cautious person, and he was even more respectful to Song Shiyu.”

“Logically speaking, Song Shiyu shouldn’t have hated her that much.”

“At that time, Bai Jiayu didn’t know that there was a saying:”

“A dragon has a reverse scale, if you touch it, you will be angry!”

Song Shiyu’s reverse scale was the person he had placed in his heart and tattooed on his arm.

“Are you that free?” Song Shiyu lowered his head and glanced at him.

“Three months ago, Song Shiyu had asked him the same question. After that, he had been sent to Africa by Song Shiyu on a business trip.”

“Bai Jiayu immediately waved his hand. “I’m not free, I’m not free at all. I’ll leave Right Now!””

...

On the other side.

Xi Weiyue carried bags of food and went to Little Half Moon to see Ye Langhua.

“Aunt.”

Xiao Mei walked out of the house and smiled as she took the things from Xi Weiyue’s hands. “Aunt Lang went for a walk.”

“Xi Weiyue nodded and continued, “Has that Mr. Cao come over these few days?””

“No.” Xiao Mei shook her head.

“When she heard that Cao Wei did not come to look for ye Langhua anymore, Xi Weiyue heaved a sigh of relief and continued, “How’s My Aunt’s health these past few days?””

“”Pretty good.” Xiao Mei continued, “Aunt Lang has been taking her medicine on time these past few days. The Doctor Zhao who examined her body said that she’s recovering very well, so you don’t have to worry about her.””

“Because she was overly worried, ye Langhua’s health had been in a bad condition, and the medicine did not taste good either. She was using this method to punish herself. After all, if it was not for her negligence at that time, she would not have been lost for half a month, now that she heard that Cao Wei could help her find half a month, ye Langhua started to take the medicine properly.”

“When she heard this, Xi Weiyue narrowed her eyes.”

“This ingrate was an ingrate. She had been filial to ye Langhua for so many years, and she had even personally brewed medicine for her many times, but ye Langhua had never once accepted her love.”

“Now that she heard that it was possible to find half a month, she immediately changed into a different person.”

“Even though Xiao Banyue was her biological daughter, in the past 30 years, Xiao Banyue had never shown her the filial piety that a daughter should show.”

She had always been the one who showed filial piety to ye Langhua.

“But in the end, she still could not compare to ye Langhua’s biological daughter.”

Just thinking about it made her heart turn cold!

“That’s good.” Xi Weiyue nodded without changing her expression. “I’ve always been worried about aunt’s health. Now that I hear you say that, I’m much more relieved. Oh right, where did aunt go for a walk? I’ll go check on her.”

“Xiao Mei said, ‘I saw her heading west with the bread. She should be looking for Zhou Mai.’”

“Zhou Mai was a wandering mother. A few years ago, her biological daughter had gone missing nearby. Ever since then, she had been wandering nearby while looking for her biological son. Unfortunately, after three years of searching, her husband had already remarried, however, she still could not find her son.”

“In order to find her son, Zhou Mai had even cut off relations with her family.”

Her in-laws felt that she was too stubborn.

Wasn’t it just a child?

“Adults had tried their best. If they really could not find her, they would have to return to the family to continue living. They were still young, so they could definitely have another child.”

“However, Zhou Mai was extremely stubborn. She would not stop until she found a child. In the end, she broke up with her in-laws and ended up getting a divorce.”

“Zhou Mai was an orphan herself. After divorcing her husband, she was not in the mood to work. In the end, she became a homeless vagrant.”

“Xi Weiyue nodded. ‘Then, I’ll go take a look.’”

“When she left, Xi Weiyue did not forget to bring a box of pastries.”

“Xi Weiyue came to the entrance of the alley. As expected, she saw ye Langhua chatting with Zhou Mai. Perhaps it was because they shared the same illness, but every time the two of them were together, there would always be endless topics to talk about.”

“”Auntie, Mai Jie.””

Xi Weiyue walked over.

“Chapter 974: 221: a dragon has a reverse scale, it will be angered if it is touched! 3”

Zhou Mai looked up and smiled. “Weiyue came to visit your aunt again?”

“Xi Weiyue nodded. “I came by to see you. By the way, this is the pastry that I just bought. You can try it.” ”

“Although Zhou Mai had been wandering, she was dressed cleanly and spoke elegantly. She did not look like a vagabond at all. She took the pastry that Xi Weiyue handed over with both hands. “Thank you, Weiyue.” ”

“Xi weiyue said, “Sister Mai, you’re too kind.” ”

“Zhou Mai turned to look at Aunt Lang and smiled. “Your Weiyue is really sensible.”Although she was not aunt Lang’s biological daughter, she was not inferior to her biological daughter at all. Although she was born into a wealthy family.., she had never looked down on people like them. ”

Zhou Mai had a very good impression of Xi Weiyue.

“Aunt Lang smiled and said, “This child has been sensible since she was young.” ”

“When she heard this, Xi Weiyue’s eyes flashed with a sarcastic light. ”

So what if she was sensible?

“Even if she was sensible, she could not replace ye Banyue’s position in ye Langhua’s heart. Ye Langhua could never treat her as his own daughter. ”

“Her eyes flashed, and Xi Weiyue said a little embarrassedly, “Aunt, sister Mai, I’m not as sensible as you say!” ”

“Zhou mai continued, “Since Weiyue is here, then Aunt Lang, you should go back with Weiyue.” ”

“Aunt Lang nodded and held Xi Weiyue’s hand. “Then, we’ll go back first.” ”

“Okay.”

Xi Weiyue turned around and greeted Zhou Mai before she and Aunt Lang walked towards the direction of half a month.

“Xi Weiyue held Aunt Lang’s hand tightly and said affectionately, “Aunt, I heard from Xiao Mei that you’ve been taking your medicine on time these few days and your health has improved a lot. You must keep it up and don’t let me worry.” ”

“Aunt Lang nodded. “Don’t worry, I Won’t let you worry anymore in the future.”She had to live well and live a healthy life so that she could reunite with her little half moon. ”

“Xi Wei narrowed her eyes and continued, “Right, aunt, my father seems to have found out about Sister Half Moon.” ”

“Really?”Aunt Lang’s originally calm mood suddenly became agitated.

“Xi Weiyue nodded. “Of course it’s true! I know that you haven’t given up on looking for half moon sister all these years. My father is the same. Last night, I personally heard my father talking about half moon sister on the phone.” ”

“At present, Yang Jiao had already found a suitable person to impersonate half moon at the aid station. Some things had to be pre-prepared, otherwise, she would suddenly find someone to bring it to ye Langhua without any foreshadowing, ye Langhua would not believe it. ”

“”Then, did your father say where half a month is?” Aunt Lang followed up with a question. ”

“Xi Weiyue shook her head. “Not yet, but don’t worry. My father never does things that he’s not sure of. Just wait for him to bring sister half a month to you intact.” ”

Aunt Lang took out her phone from her pocket. “What’s Your Father’s number? I want to ask your father personally.”

Xi Weiyue took out her phone and dialed Xi Muwen’s number. “Let me do it.”

“Very soon, the call went through. “Hello, father, aunt has something to tell you.” ”

“After that, Xi Weiyue handed the phone to Aunt Lang. ”

“Aunt Lang said in a raspy voice, “You, you have news about half a month?” ”

“Regarding this matter, Xi Weiyue had talked to her before. Xi muwen said, “Did Weiyue tell you?” ”

“Yes.”

“Xi Muwen sighed on the other end of the phone, “This child, didn’t I say not to tell you for the time being? She just can’t hide it! “Langhua, don’t worry. Little Half Moon is our biological child. I Won’t give up on her no matter what! “All these years, I’ve been thinking about her all the time. I do have some

news now, but I'm not sure if it's little half moon. When I have reliable news, I'll inform you immediately." "

Xi Muwen was a father who was overly worried about his daughter.

No one could have imagined that Xi Muwen on the other end of the phone would say this with a dark expression.

It had been more than thirty years.

"This was the first time ye Langhua had taken the initiative to call him, and it was for the matter of half a month. "

"With him around, did ye Langhua want to find that bastard? "

In her dreams!

"Aunt Lang nodded. "Alright, then you must let me know if you have any news." "

A tiger would never eat its own son.

"At this moment, Aunt Lang had never expected that this person would be so much more ruthless than a tiger or a beast. "

"Don't worry, you are the child's mother. I will definitely tell you." "

"Chapter 975: 221: a dragon has a reverse scale, it will be enraged if it is touched! 4"

Aunt Lang passed the phone to Xi Weiyue with red eyes.

“Xi weiyue said, “Dad, let’s not talk about it now. I’m hanging up.” ”

“After hanging up the phone, Xi Weiyue turned to look at Aunt Lang and said with a smile, “How is it, Aunt? Am I right? My dad already has news of Sister Half Moon.” ”

“”MMM.” Aunt Lang nodded. “Weiyue, thank you.” ”

“Xi weiyue said, “Why are you thanking me? Half Moon is my sister. I hope to find her as soon as possible, just like you.” ”

“Now, not only did she hear Half Moon’s news from Cao Wei, Auntie Lang’s heart was filled with hope. ”

“She believed that one day, she would find Half Moon. ”

She would definitely find half moon!

It was already past three in the afternoon when they returned from Auntie Lang’s place.

At the XI residence.

“Yang Jiao sat on the sofa, applying nail polish. The air was filled with the faint fragrance of flowers. ”

It smelled very nice.

“When she saw this scene, Xi Weiyue frowned slightly. “Mother, it’s been so long. Have you not found a suitable candidate at the aid station?” ”

“It was fine that Yang Jiao was not in a hurry to find someone, but she had the leisure to apply nail polish elegantly.”

Yang jiao blew on her freshly painted nails. “Finding someone isn’t as easy as just saying a word. How can it be that simple?”

“Although the major aid stations would take in homeless vagrants every day, Yang Jiao had searched for so long, but she couldn’t find anything suitable.”

“First, she needed to be of a suitable age. Second, she needed to look passable. After all, Ye Langhua wasn’t an ordinary person. If her daughter was too ugly, it wouldn’t make sense.”

“Most importantly, she could not be too smart for the third task.”

It was not easy to control someone who was too smart!

“Xi weiyue continued, “I’m afraid that it’ll be too late! Coincidentally, I have nothing to do this afternoon. Why don’t we go to the rescue station to take a look?” ”

“Now?” Yang Jiao was a little unhappy.

“In the afternoon, she had even arranged to play cards with a group of rich ladies.”

“In the first few days, Yang Jiao was quite active. She went to the rescue station almost every day, but after searching for so long, she still could not find a suitable candidate. Yang Jiao did not have much confidence in this matter.”

“Xi Weiyue looked up at Yang Jiao. “Mom, don’t You Want Me to join the financial world and become a member of Shunxi Financial Group?” ”

“When she heard the words “Shunxi Financial Group”, Yang Jiao immediately stood up and said, “Let’s go, let’s Go Now!” ”

She could not go against anyone or money.

“When XI Weiyue successfully joined Shunxi Financial Group, other than the Cen family, no one else in the capital would dare to look down on them!”

“Even though XI empire was still doing well, Xi Muwen’s reputation was not that good.”

“After all, before this, Xi Empire’s surname was Ye.”

“If XI Muwen had not used such underhanded methods, would ye corporation suddenly become Xi Empire?”

“However, if XI Weiyue could successfully join the Shunxi Corporation, it would be like standing in the Golden House of the business world. When that happened, the entire XI empire would shine.”

“At this moment, Yang Jiao received a message and turned to XI Weiyue. “Weiyue, let’s go to the aid station at 987 man Xi Ring Road.” ”

“Xi weiyue asked in confusion, “Why are we going there?” ”

“Yang Jiao continued, “Just now, the volunteer sent me a message saying that someone just came over. It fits our requirements quite well.” Yang Jiao lied that a relative had gone missing and left her contact information at the aid station, if she ran into a beautiful woman in her mid-thirties who was delirious, she would immediately contact her.”

Xi Weiyue nodded. “Okay.”

“Soon, a Mercedes-benz stopped at the entrance of the West Ring Road Aid Station.”

““Hello, you must be Ms. Yang, right?” A staff member jogged forward.”

"I am." Yang Jiao nodded.

"The staff member continued, "Ms. Yang, Hello, the person is right over here. Please follow me." "

"Okay."

Yang Jiao and Xi Weiyue followed the staff member's footsteps.

There were vagrants from all over the world in the aid station. The place was noisy and the environment was not very good.

Many people looked curiously at the luxuriously dressed Yang Jiao and Xi Weiyue's mother and daughter.

The way the two of them dressed was a stark contrast to the crude aid station.

"Yang Jiao was fine. After all, it was not her first time coming to a place like this. "

Xi Weiyue was not used to it and her frown never eased.

"She had long been prepared for the aid station's conditions, but she did not expect that the environment here was even worse than she had imagined. "

"Chapter 976: 221: a dragon has a reverse scale, it will be angered if it is touched! 5"

"The staff brought the mother and daughter to a clean small room, "She is there. She came to our place on the night of the 16th. She doesn't have an ID card or a cell phone on her. Her consciousness is also

somewhat unclear. She doesn't know who she is or where her family lives. From her behavior, she should have been wandering for quite a long time.””

“A woman in a black coat sat on the bed in the room. Her expression was dull, but her facial features were beautiful.”

“Perhaps because she had been wandering for too long, the surface of the black coat had condensed into a layer of dirt.”

Yang Jiao and Xi Weiyue looked at each other.

“Xi Weiyue narrowed her eyes and walked over quickly. She hugged the woman and said in a low voice, “Sister Half Moon, I've finally found you! Sister Half Moon!””

“The woman had not showered for many days and the smell on her body was very unpleasant, but Xi Weiyue still held it in.”

“The person in front of her, whether it was his facial features or his appearance, all fit their requirements very well.”

“More importantly, this person had a bad brain.”

“The woman was shocked by Xi Weiyue. She quickly broke away from Xi Weiyue's embrace and hid at the corner of the bed, shivering.”

“Xi Weiyue looked at the woman. “Sister Half Moon, don't you recognize me? I'm Weiyue!””

“The woman pulled the blanket over her head and only mumbled, “Don't hit me, don't hit me...””

“Sister Half Moon.”

“Yang Jiao walked over with reddened eyes. “Poor little half moon, how did she become like this! If sister Lang Hua saw this, wouldn’t her heart ache to death?””

“The staff turned to look at Yang Jiao. “Ms. Yang, are you sure this is the person you’re looking for?””

Yang Jiao hurriedly nodded. “It’s her! Her name is Ye Half Moon. She’s My Sister’s daughter!”

““If you’re sure, come with me. We’ll go through the procedures. After the procedures are done, you can take her back.””

““Okay! Okay.”Yang Jiao turned to look at Xi Weiyue. “Weiyue, stay here and accompany your sister. Mom will go through the procedures.””

“Okay.”Xi Weiyue nodded. “You should go now.”

“After the staff and Yang Jiao left, only Xi Weiyue and the woman were left in the room.”

“Xi Weiyue smiled and looked at the woman who was hiding on the bed. She said gently, “Sister Half Moon, don’t be afraid. Don’t worry, I won’t hurt you.””

“The woman lifted the blanket and stole a glance at Xi Weiyue. Soon, she covered her head with the blanket again.”

“Sister Half Moon?”

“This time, the woman did not respond to XI Weiyue no matter what.”

Xi Weiyue looked around and did not see any surveillance equipment. Her face turned cold. “Come here!”

“She had enough of pretending in front of others. Now that she was facing a crazy woman, she did not want to continue pretending.”

The woman still had no reaction.

“Xi Weiyue stood up and walked to the bedside. She lifted the quilt on the woman and said coldly, “You’d better listen to me obediently! or I’ll beat you to death!””

“To such a crazy woman, she should use force to suppress her.”

“In fact, this kind of person was just pretending to be crazy and acting dumb!”

“If she did not listen, she could just go straight to the point. They would immediately listen to her obediently.”

“Seeing XI Weiyue like this, the woman was scared out of her wits. Her whole body was trembling. “Don’t hit me! Don’t hit me! I’ll listen obediently!””

“XI weiyue continued, “Get down from the bed now!””

The woman carefully got down from the bed. “Don’t hit me! Please don’t hit me...”

Xi Weiyue frowned slightly.

“From her angle, she could clearly see that there were clear pinching marks on the woman’s posterior force.”

The bruise looked very terrifying.

“It seemed that she was afraid of being hit before. Otherwise, she wouldn’t be so afraid of being hit.”

This kind of person was even easier to handle.

“Soon, Yang Jiao returned after completing the formalities. “Weiyue, let’s bring your sister back?””

“Sure.” Xi Weiyue stood up and held the woman’s hand.

“Xi Weiyue had driven here. At this moment, Yang Jiao was sitting in the passenger seat while the homeless woman sat alone in the passenger seat. Just as she closed the car door, the car was filled with a stench.”

“Xi Weiyue frowned in disgust and turned to look at Yang Jiao. “Mom, why does she smell so bad?””

Yang Jiao covered her nose. “She probably hasn’t showered in months. Let’s drive to the bathhouse first.”

“Okay.” Xi Weiyue nodded.

“Very soon, the car stopped at the entrance of a bathhouse.”

“The woman’s body was really smelly, but she did not know how to bathe herself. Yang Jiao gave 500 yuan to the bathhouse Auntie and asked her to help wash her.”

“The Lady in the bathhouse was initially unwilling, but when she saw the 500 yuan, she immediately smiled like a flower. “Sister, don’t worry. I promise to wash her body clean.””

“Chapter 977: 221: a dragon has a reverse scale, it will be enraged if it is touched! 6”

“An hour later, the old lady led a new woman out of the bathhouse. “How is it, Big Sister? Are You Satisfied?” ”

“The woman who had changed into new clothes seemed to have changed into a different person. Her facial features were very beautiful. Although there was a dull aura that could not be ignored, it was still able to make people’s eyes light up. It could be seen that., she used to be an outstanding beauty. ”

Yang Jiao nodded. “Thank you.”

““You’re welcome.”The aunty smiled. “If you have business in the future, come and take care of me.” ”

“Okay.”Yang Jiao casually dealt with the Aunty and then led the woman out.

Xi Weiyue stood outside the door waiting for them.

“When she saw Xi Weiyue, the woman subconsciously shrunk her shoulders. ”

““Mom, are you done?”Xi Weiyue walked up and asked. ”

“MMM.”Yang Jiao nodded. “Where are we going now?”

Xi Weiyue narrowed her eyes. “Let’s go to the hotel first. I’ve just told Dad about this. He’s on his way here now.”

“Okay.”Yang Jiao nodded.

The mother and daughter trio quickly brought people to the hotel they had booked.

Xi Muwen was already waiting for them in the hotel’s living room.

“Dad.”

“Come in quickly.” Xi Muwen’s gaze fell on the woman. “This is the person you brought back?”

“Xi Weiyue nodded. “Yes, Dad. What do you think?” ”

Xi muwen sized up the woman from head to toe.

She was only three years old when she was sent away for half a month.

“A three-year-old child, her brows and eyes had not fully grown yet. It was impossible to tell what the child would look like in the future. ”

“The woman in front of him was not as outstanding as ye Langhua when she was young, but her facial features were still passable. ”

Xi Muwen’s gaze fell on the woman’s hand again.

“Ye Langhua had a very obvious red mole on her hand. Little Half Moon also had it, but this woman had nothing on her hand. ”

“Even without a paternity test, a discerning person could tell at a glance that this woman had nothing to do with Little Half Moon. ”

“Even though ye Langhua was old, she was not muddle-headed. ”

It would still be difficult to trick her.

“With this in mind, Xi Muwen frowned slightly. ”

“Dad, What’s Wrong?” Xi Weiyue asked. ”

Xi Muwen voiced out his concern.

“When she heard this, Yang Jiao smiled and said, “I thought it was something big, so it’s because of this! Isn’t it just a mole? That’s Easy! Just find a beauty salon to do it!” ”

“Xi Weiyue nodded. “Mother is right. The medical standards are so advanced now. It’s just a mole, it’s very simple.” ”

“Xi Muwen picked up the briefcase on the table. “Then, let’s go now.” ”

“There’s no rush.” Yang Jiao smiled. “I know a beautician. I’ll ask her if she has time. It’s very easy to get a mole, I can invite her to do it.” ”

Xi Muwen put down his briefcase. “Then quickly ask her if she’s free.”

Yang Jiao picked up her phone and chatted with the beautician.

“During the whole process, the woman curled up on the sofa and looked around vigilantly. ”

Xi Muwen turned to look at Xi Weiyue. “This person was brought back from the rescue station? Have you checked her background?”

“Xi Weiyue nodded. “Don’t worry, Dad. I’ve checked with the rescue station. She’s been wandering for a long time. If she had family, she would have been found long ago. There won’t be any problems.” ”

A woman who had gone crazy was a burden to her family. Perhaps her family had thrown her away on purpose.

Xi Weiyue had always been meticulous in handling matters. Xi Muwen let out a sigh of relief and nodded. "That's good."

Yang Jiao put down her phone and interrupted their conversation. "I've already contacted the beautician. She'll be here soon."

Xi Muwen nodded and turned to look at Xi Weiyue. "Give me a few strands of your hair."

Xi weiyue plucked three strands of hair from her head and handed them to Xi Muwen.

Xi Muwen turned to look at Yang Jiao again. "Give me a few strands of yours too."

It was not enough to make a copy of the paternity test.

They still had to make ye Langhua and half a month's worth of hair.

"In addition, Xi Muwen still had to bribe the doctor to leave a sample there. Now that they had found the person, there were some things that needed to be done sooner rather than later. They had to act quickly."

It was better to save time.

Yang Jiao did as she was told. She pulled out a few strands of hair and handed them to Xi Muwen.

Xi Muwen took the hair. "I'll go to the hospital first. I'll come back to look for you guys later."

"Okay." Yang Jiao nodded.

Xi Muwen then told Yang Jiao where the Little Red Mole grew on her hand for half a month before he went to the hospital.

“The beautician came very quickly. Not long after Xi Muwen left, the beautician arrived with a toolbox.”

The woman was terrified when she saw so many strangers in one day. She hugged her head with both hands and screamed.

““Shut up!”Xi Weiyue shot her a cold glance, and the woman immediately shut up. ”

The beautician glanced at Xi Weiyue and subconsciously gulped.

Xi Weiyue then realized that she had lost her composure. She immediately revealed a gentle smile. “I’m really sorry. My Sister’s brain is a little bad. Sorry for making a fool of herself.”

Chapter 978: 222: Master Five has become the King of tricks! 1

“The beautician smiled and said, “It doesn’t matter. Shall we start now? Who Wants to have a mole?” ”

“Xi weiyue said softly, “It’s my sister.”Then, Xi Weiyue walked to the woman’s side and held her wrist. “Come here, Sister. Let’s come over here.” ”

The woman looked at Xi Weiyue with a terrifying expression.

“Yang Jiao pointed at the woman’s hand and asked, “How long will it take to apply a small red mole here?” ”

“The beautician said, “This will be very fast. It’ll only take half an hour.” ”

“Okay.”Yang Jiao nodded.

“Xi Weiyue looked at the beautician. “Excuse me, can I ask if this mole will look natural after it’s been applied? Can you tell that it was applied in the later stages?” ”

“The beautician smiled and said, “Don’t worry. The technology is very mature now. It’s impossible to tell if the mole was touched later or natural.” ”

“Will it fade?”Xi Weiyue asked.

““Don’t worry, it’s the same as a tattoo. It Won’t fade,”the beautician said. ”

Xi Weiyue was relieved. “Then I’ll have to trouble you.”

“You’re too kind. This is my duty.”

The beautician had originally thought that Xi Weiyue was a very fierce person.

Now it seemed that she had misunderstood XI Weiyue.

“Xi Weiyue looked down at the woman beside her. “Sister, be good and sit down quickly.” ”

“The woman’s body trembled as she sat down, not daring to move at all. ”

“She was very scared, and her eyes were filled with fear and unease. ”

The beautician started to give the woman a mole.

“At this moment, the air suddenly smelled of urine. ”

It smelled very bad.

Xi Weiyue and Yang Jiao looked at each other and saw disgust in each other's eyes.

The mother and daughter did not expect that this crazy woman did not even know how to use the toilet.

The beautician was also a little embarrassed.

"Xi Weiyue immediately reacted. "I'm sorry, my sister is like this. Sometimes, she will incontinence. I'll take her to the toilet." "

The beautician stood up. "Okay."

Yang Jiao immediately followed Xi Weiyue and the mother and daughter went to the bathroom together.

The woman seemed to sense the anger of Yang Jiao and Xi Weiyue. She shrunk her shoulders and was so scared that she did not even dare to breathe. She was like a lamb at the mercy of others.

"When they arrived at the bathroom, Yang Jiao immediately closed the door and covered her nose. "This crazy woman! She's really unlucky! She actually peed on herself! Weiyue, what should we do now?" "

"Xi Weiyue's face was cold as she pinched the woman. "If you dare to pee on yourself again, I'll strangle you to death!" "

"At this moment, how could xi weiyue still be like her usual self?"

"In front of everyone, she had two completely different faces. "

"Sob, sob, sob..." the woman was like a child, hugging her arms as she squatted on the ground and sobbed softly. "

“Don’t Cry Anymore!” Yang Jiao raised her leg and kicked her.

“Xi Weiyue only thought that the crazy woman who was delirious was easy to deal with. She never thought that although the crazy woman was easy to deal with, it was so troublesome. “If you cry again, I’ll kill you!” ”

“In the air, it was as if someone had pressed the pause button. The woman immediately stopped crying and looked up at Xi Weiyue. ”

“Yang jiao smiled and said, “Weiyue, you’re really bold!” ”

“Xi weiyue frowned and said, “Mother, please take her to take a shower first. I’ll call someone to send a set of clean clothes over.” ”

Yang Jiao nodded.

Xi Weiyue went out to make a call.

“Soon, someone sent a new set of clothes over. ”

Yang Jiao changed her new clothes and brought her to the living room. The beautician continued to give her a mole.

“Xi weiyue smiled and said, “Sister, if you want to go to the toilet later, remember to tell me. Don’t Pee on Yourself, Okay?” ”

The woman nodded blankly.

“Half an hour later, the mole was done. As it had just been done, there was still some redness and swelling in the area between her thumb and index finger. ”

“Xi Weiyue stood up and said, “How many days will it take for the swelling to go down?” ”

“The beautician said as she packed up her tools, “This will be very fast. It will take about two to three days for it to fully recover. If there are any problems, you can ask Ms. Yang to contact me directly on her phone.” ”

“”Okay, thank you.” ”

“You’re welcome.”

Xi Weiyue got up and walked the beautician out of the door.

“After the beautician left, Yang Jiao walked out of the bathroom. “You’re done?” ”

Xi Weiyue nodded. “But the beautician said that it would take about three days for the swelling to go down.”She could use these three days to do other things.

Yang Jiao took out her phone. “Then I’ll call your father and let him know.”

...

Song Chenyu was completely shelved. Mother Zhou’s plan to threaten song Chenyu to get money fell through. Zhou Rui could only go to jail if he couldn’t pay back the 60 million yuan loan shark.

Chapter 979: 222: Master Five has become the king of tricks! 2

Zhou Rui was the only son of the Zhou family's parents. He watched helplessly as his only son was brought into the police car. The Zhou family's parents cried and shouted as they scolded Cen Yuyan.

""Cen Yuyan, that B \* Tch! Rui Rui, my Rui Rui!" "

""Dad, Mom, save me! I don't want to go to jail! Dad, Mom! Cen Yuyan, you will die a horrible death!" "

Cen Yuyan watched Zhou Rui being taken away by the police car from afar. Her eyes were filled with joy.

"Finally, she saw Zhou Rui get his retribution! "

Cen Yuyan only turned around and left when the police car disappeared in front of her.

"Cen Yuyan drove to the vicinity of the Cen family's manor and looked at the manor's entrance from afar. She wanted to walk in and apologize to her family, but she never had the courage. "

"Back then, for Zhou Rui, she had almost offended everyone in her family..." "

She was like an ingrate who didn't know what was good for her.

What right did she have to make them forgive her now?

Cen Yuyan's eyes reddened when she thought of the past.

Sorry.

She had let everyone down.

"After thinking for a long time, CEN Yuyan still didn't have the courage to take a step into the Cen family manor. She bowed deeply to the CEN family manor and then boarded the plane to Thailand. "

“That afternoon, the capital welcomed the first snowfall after winter.”

Ye Zao was sitting at his desk reading when his phone suddenly rang.

“A deep voice passed through the phone screen and clearly entered his ears. “Hello, leader.” ”

Ye Zao held the phone in one hand and jumped on the keyboard with the other. His white fingertips formed a sharp contrast with the black keyboard. “What’s Wrong?”

“It’s snowing outside.”

Ye Zao raised his eyebrows slightly. “It’s snowing?”

““Yes.” CEN Shaoqing continued, “Go outside and take a look.” ”

“Ye Zao pressed the Save Button and opened the door. When he came outside, it was indeed snowing heavily in the gray sky. ”

Laughter came from the yard.

Ye Zao looked down and saw an Lizi and Zhao pingting throwing snowballs at each other in the yard.

“Do you have time now?” Ye Zao asked.

“Yes.”

“Ye Zao said, “Then let’s Go Eat Hotpot! I have friends who haven’t seen you before.” ”

“Okay.” CEN Shaoqing continued, “Shall I pick you up?”

“I don’t need to drive myself. Let’s meet at Shuangqiao Hotpot restaurant on Jinsha Road.”

“Okay.”

“After hanging up the phone, ye Zao went downstairs. “Lizi, Pingting, let’s Go Eat Hotpot? My Boyfriend’s treating.” ”

Zhao Pingting looked up at Ye Zhuo. “Really?”

“Although she had seen Cen Shaoqing before, she had only glanced at him briefly and had never sat down to have a meal together. When she heard that Cen Shaoqing was treating, Zhao Pingting was very excited.”

“Of course it’s true.” Ye Zhuo nodded slightly.

“An lizi smiled and asked, “Then what is our departure?” ”

“Right now.” Ye Zhuo continued, “I’ll drive there.” ”

“Then I’ll go in and change first. Pingting, do you want to change?” ”

Zhao pingting nodded. “I want to change too.”

“Then let’s go and change first.”

“Seeing that an Lizi and Zhao Pingting had gone back to their rooms to change, Ye Zhuo also went back to his room to change.”

“He wore a burgundy coat and a khaki scarf. His long black hair was evenly spread behind his head, making his already jade-white face look even more fair and transparent.”

“Walking in the snow, he looked like a red plum blossom blooming in the wind.”

He was dazzling.

“By the time an Lizi and Zhao Pingting came out after changing, Ye Zhuo had already driven the car to the entrance of the courtyard.”

“Although it was snowing outside, Ye Zhuo’s speed was not slow. He sped all the way and soon arrived at the agreed restaurant.”

“It was snowing today, so there were many people coming to eat hotpot in the restaurant.”

“The steamy bottom of the Hotpot, which was emitting red oil, reflected the smiling faces of the people. It had a hint of a new year.”

“There are so many people in this hotpot restaurant!” Zhao Pingting said.

“An Lizi nodded. “Actually, the taste of the Shuangqiao Hotpot is average. Many people are here for the service of their restaurant.” ”

“As soon as an Lizi finished speaking, a waiter came up to welcome them warmly. “Please come in! Do you have an appointment?” ”

“Ye Zhuo nodded slightly. “Yes, I do. is Mr. Cen Here?” ”

“Hearing the words “Mr. Cen”, the manager dressed in a suit immediately came up to them. “So you are fifth master’s Distinguished Guest. Please come with me.” ”

Ye Zhuo followed the manager.

The manager led the three of them upstairs.

“Unlike the lively first floor, the third floor was quiet and elegant. In the hall, there were girls in ancient clothes playing the lute.”

“Jade beads jingled, and fairy music filled the ears.”

Chapter 980: 222: Master Five has become the King of tricks! 3

“Zhao Pingting said in a low voice, “This place is so beautiful.””

“An Lizi said, “I’ve come to Shuangqiao many times to eat. This is the first time I’ve heard that their second floor also receives guests.””

Zhao Pingting was stunned. “Didn’t their second floor receive customers in the past?”

An Lizi nodded.

“Passing through the hall, she saw Cen Shaoqing sitting by the window. Sitting opposite him was a young man.”

“Hearing the footsteps, Cen Shaoqing turned his head slightly. When he saw ye Zhuo, the ice in his eyes melted. He put down the Buddhist beads in his hand and walked over. “You’re here.””

“Okay.”Ye Zhuo nodded. He took off the scarf and handed it to Cen Shaoqing.

Cen Shaoqing took the scarf and turned around to greet an Lizi. "Cousin."

Although this wasn't the first time Cen Shaoqing had called her that.

"But every time, an Lizi felt a mountain of pressure!"

"After all, this person was CEN fifth master."

"Even if he didn't do anything, an Lizi felt that the surrounding air was so oppressive that she couldn't breathe..."

"At this moment, an Lizi really admired ye Zhuo."

"To think that even a person like Cen Shaoqing, who was at the peak of the mountain, could be subdued so obediently."

"Looking at Cen Shaoqing's appearance, one could tell that this person would definitely be a strict wife in the future."

And it would be the kind that could not be saved.

Cousin?

The manager who was following them was stunned.

He felt that he was hearing things.

"This CEN fifth master looked older than an Lizi, no matter how he looked at it?"

How could he call a little girl sister?

He heard it wrong!

He must have heard it wrong!

“Ye Zhuo turned to look at Cen Shaoqing. “This is my other good friend, Zhao Pingting. According to seniority, you have to call her sister Ting too.””

Sister Ting?

“Zhao Pingting quickly waved her hand. “No need, no need. Mr. Cen, you can just call me by my name.””

“Ye Zhuo smiled and said, “Pingting, you don’t have to be so polite with him.””

“Cen Shaoqing silently recited three times in his heart. Old Madam Cen had taught him the three followers and four virtues. Then, he lightly opened his thin lips. “Sister Ting.””

She really called him sister Ting!

Zhao Pingting raised her head and looked at Ye Zhuo. Her eyes were filled with shock.

“Although she did not know Cen Shaoqing well, through an Lizi’s introduction to science, she had a rough understanding of CEN Shaoqing.”

She did not expect that the flower of the mountains in the eyes of outsiders would be as obedient as a kitten in front of Ye Zhuo.

“Zhao pingting braced herself and said, “Sister, brother-in-law...””

“This address shouldn’t be wrong, right?”

“CEN Shaoqing continued, “Sisters, please come in. The dishes have been ordered.””

“Ye Zao looked up slightly. “We haven’t arrived yet, and you’ve already ordered the dishes? Do you know what Lizi and Pingting like to eat?””

“An Lizi said, “It’s okay, Zao Zao. Pingting and I aren’t Picky Eaters.””

“”Yes, yes, yes!””

“Cen Shaoqing looked down at ye searing. “No, I’ve ordered all the dishes on the menu.””

“I wonder if we’re advocating the CD campaign now?”Ye searing raised his eyebrows slightly.

“CEN Shaoqing said, “Don’t worry. I’ve only ordered half of each dish. The five of us will definitely finish it. It Won’t go to waste.””

“Five people? Who’s the other one?”Ye searing asked.

“CEN Shaoqing continued, “I bumped into ziteng on the way out. He insisted on coming over, so I brought him along.””

“OH.”Ye Zhuo nodded slightly.

“Soon, the few of them walked to the side of their seats.”

“When he saw ye Zhuo, he ziteng stood up and said, “Fifth sister-in-law, you won’t mind if I Come Uninvited, right?””

“Ye Zhuo smiled slightly. “It’s lively with so many people. Oh right, let me introduce you. This is my cousin an Lizi and this is my good friend Zhao Pingting. Lizi Pingting, this is he ziteng.””

“He ziteng shook hands with the two of them one by one. “Miss an, Miss Zhao.””

An Lizi smiled. “We are all friends. There’s no need for you to come here. Just call me by my name. I’m an Lizi.”

“Zhao Pingting was more introverted. She nodded and agreed, “Lizi is right.””

“He ziteng said, “Then you can call me he ziteng just like fifth sister-in-law.””

“After they got to know each other, the three of them sat down.”

Ye Zhuo sat next to Cen Shaoqing.

Zhao Pingting and an Lizi sat in the same seat while he ziteng sat next to them.

“They were all young people. After a while, he ziteng started chatting with an Lizi and Zhao Pingting.”

“Are you cold?”Cen Shaoqing looked at ye Zhuo and lowered his voice.

“No.”Ye Zhuo shook his head slightly.

“My hands are all cold.”Cen Shaoqing quietly held ye Zao’s hand under the table. “Let me warm them for you.”

“Why are your hands so Hot?”

“It was winter, and Ye Zao was still wearing clothes that could adjust the temperature, but his hands were cold. Cen Shaoqing looked at him again. He was not even wearing clothes that could adjust the temperature, but his hands were hot.”
