Chapter 981: 222: Master Five has become the king of tricks! 4

“CEN Shaoqing said, “Maybe it’s because his physical fitness is good.” ”

“After a short while, the dishes were served.”

Everyone began to put all kinds of ingredients into the boiling pot.

“However, Ye Zhuo was mainly responsible for eating.”

“Perhaps it was because there was a lack of food in her previous life, and people relied on nutrient fluids to maintain their lives, so she enjoyed the process of eating very much. Every time she ate, she was even more serious than when she was doing scientific research.”

Cen Shaoqing seemed to be able to read her mind. He cooked everything that she wanted to eat in advance and brought it to her.

“With a glance, Cen Shaoqing knew whether she wanted to drink water or tissues.”

Zhao Pingting and an Lizi were extremely envious. They wanted to find a boyfriend immediately and have a passionate relationship.

An Lizi also secretly took a photo of Cen Shaoqing feeding ye Zao Meat.

The capture was very good.

“From the looks of it, it gave off a strong feeling of a domineering CEO and a petite wife. ”

“Cen Shaoqing looked up at an Lizi. “Cousin, aren’t you guys going to eat?” ”

“We’re full.”They were full from eating dog food.

Cen Shaoqing did not ask any more questions and continued to cook for ye Zao.

“He ziteng looked at an Lizi and asked uncertainly, “What did my fifth brother call you just now?” ”

Did he hear correctly?

“”Cousin,”an Lizi answered. ”

Cousin?

It was really cousin!

He ziteng swallowed his throat.

He thought he had a problem with his hearing.

“An Lizi knew what he ziteng was thinking. She whispered, “What’s the big deal about calling him cousin? He even called Ping Tingting!” ”

“Really?”He ziteng couldn’t put on any expression.

“Cen Shaoqing was a man of few words. He did not even bother to call his four sisters, let alone the others. ”

“An lizi smiled and said, “Of course it’s true.” ”

“He ziteng touched his chin and continued, “That girl, do you have a boyfriend?” ”

“What do you want?”An Lizi looked at he ziteng.

“He ziteng said, “If you don’t have a boyfriend, do you want to consider me? Coincidentally, I don’t have a girlfriend either!” ”

It didn’t matter whether he found a girlfriend or not. He ziteng mainly wanted to hear Cen Shaoqing call him brother-in-law.

Brother-in-law!

“When he thought that Cen Shaoqing was going to call him brother-in-law, he ziteng felt like he was going to float. ”

An Lizi looked at he ziteng and felt that there must be something wrong with this person’s brain. How could a normal person talk about such a topic when they just met?

“”I’m sorry. I like people like my younger brother, Millennium.” ”

“He ziteng felt that an Lizi was joking. “Sister, don’t be like this. I’m serious.” ”

“I’m also very serious.”

He ziteng rubbed his chin.

No Way.

He had to chase after an Lizi.

He asked Cen Shaoqing to call him brother-in-law.

“After dinner, it was past seven. He ziteng said, “Fifth sister-in-law, there’s a new movie screening today. Let’s go watch it?” ”

Ye Zhuo turned to look at an Lizi and Zhao Pingting. “Do you two want to go?”

“Sure.” An Lizi nodded. “It just so happens that Pingting and I are also discussing whether or not we want to watch the movie.”

“Cen Shaoqing held his phone and said, “I’ll book the tickets.” ”

“He ziteng smiled and said, “Fifth brother, there’s no need to book. I’ve already booked it.” He would never let go of such a good opportunity to perform! ”

The few of them arrived at the cinema.

“Although it was snowing outside, there were quite a number of people in the cinema. ”

“When he ziteng booked the tickets, he specially reserved the seats for the five of them separately. ”

“Ye Zhuo and Cen Shaoqing sat in the front row while he, an Lizi and Zhao Pingting sat in the back row. ”

Cen Shaoqing was very satisfied with he ziteng’s arrangement. He turned around and glanced at he ziteng. He ziteng made an ‘ok’ gesture to CEN Shaoqing.

The movie started very soon.

“This was a high-explosive sci-fi movie, but ye Zhuo was not interested in it. After all, the scenes in the movie were nothing compared to her experience in her previous life. ”

“In addition to the fact that she did not sleep well last night, it did not take long for ye Zhuo to fall asleep. ”

“Cen Shaoqing lowered her eyebrows and carefully pressed her head on her shoulder. Then, she covered her body with her coat. The entire process was maintained in one position. She did not even dare to move, he was afraid that he would accidentally wake her up. ”

Ye Zhuo slept very contentedly until the end of the movie. Only then did she open her eyes.

“You’re Awake?”

“Yes.”Ye Zhuo pinched the bridge of his nose. Only then did he realize that he was wearing Cen Shaoqing’s coat. “Aren’t you cold?”

“”No.”Cen Shaoqing’s tone was low, and his cold voice was a little hoarse. ”

Ye Zhuo frowned slightly and immediately took off his clothes and draped them over him. “You still say you’re not cold? Your voice is hoarse.”

Chapter 982: 222: Master Five has become the King of tricks! 5

“Cen Shaoqing:”...”how should he explain to Ye Zhuo that his voice had changed not because it was too cold, but because it was too ‘Hot’? ”

“Ye Zhuo turned to look at an Lizi and Zhao Pingting. “Lizi, Pingting, should we go back now or go shopping?” ”

Zhao Pingting yawned. "Why don't we go back first? It's getting late."

An Lizi nodded. "I think Pingting is right."

It was mainly because an Lizi was too annoying to he ziteng.

"Then let's go home."

Ye Zhuo and Cen Shaoqing drove back.

"He ziteng did not drive over. Instead, he sat in the backseat and stretched his head out to chat with Cen Shaoqing. "Fifth brother, I just heard you call an Lizi Cousin?" "

"Yes." Cen Shaoqing said concisely.

He did not feel that this was anything embarrassing.

"He ziteng smiled and said, "Then, if anyone manages to woo an Lizi, wouldn't that make them your brother-in-law?" "

"Cen Shaoqing nodded slightly. "Theoretically speaking, that's the case." "

"He ziteng continued, "Then what do you think of Me?" "

Cen Shaoqing glanced at he ziteng through the rearview mirror. "You want to woo my cousin?"

He ziteng nodded without hiding it.

“To be more precise, he wanted to be Cen Shaoqing’s brother-in-law. ”

“He ziteng continued, “Fifth brother, do you support me pursuing your cousin?” ”

Cen Shaoqing nodded slightly. “Of course I support you. I remember that it was your idea to help me Woo your fifth sister-in-law.”

“He ziteng smiled embarrassedly. “It’s been so long. Fifth Brother, do you still remember it?” ”

““Some favors should be remembered for the rest of your life.”CEN Shaoqing continued, “Let’s not talk about other things. You are indeed talented in chasing girls!” ”

He ziteng was praised so much by Cen Shaoqing that he could not even find his bearings.

“In his impression, Cen Shaoqing was a person who would not easily praise others. ”

“But today, Cen Shaoqing was so abnormal. ”

It must be because he was too outstanding!

“After all, if it wasn’t for him, Cen Shaoqing wouldn’t have been able to chase after ye Zhuo so quickly. ”

It was all because he was giving Cen Shaoqing advice.

“CEN Shaoqing continued, “Ziteng, do you still remember what girls like?” ”

“Ah?” He ziteng was stunned.

“Cen Shaoqing returned to he ziteng exactly what he ziteng had taught him back then, “Girls always say what they mean. They’re used to saying what they mean. When they say they like something, they mean they don’t like it. When they say they don’t like it, they mean they like it.” ”

“Hearing this, he ziteng’s eyes lit up. “So when an Lizi said that she doesn’t like me liking millennium younger brother, she’s saying the opposite of what she meant?” ”

Cen Shaoqing furrowed his brows without leaving a trace. “You told her tonight that you’re going to pursue her?”

“That’s right.” He ziteng nodded.

“He ziteng suddenly understood, “Oh!”! I get it now. Girls are very reserved and shy. An Lizi must have fallen in love with me at first sight, but it was hard for her to say it out loud. So, she used the excuse that she liked Qianxi’s younger brother. In fact, she doesn’t like Qianxi’s younger brother at all. The person she really likes is me!” ”

“He was tall and strong, charming and suave, and handsome. It was normal for an Lizi to like him. ”

“If he was a woman, he wouldn’t be able to resist his handsomeness! ”

“The more he thought about it, the happier he ziteng became. He was deeply immersed in his own fantasies. ”

Cen Shaoqing:” ...” why was he so stupid to listen to he ziteng’s words in the first place?

“If it wasn’t for he ziteng, he wouldn’t have taken such a detour. ”

“Fortunately, the heavenly axiom had a cycle of reincarnation, and retribution wasn’t pleasant. ”

Cen Shaoqing narrowed his eyes.

“After a long while, he ziteng finally walked out of his fantasy and turned to Cen Shaoqing, “Fifth brother, I think since an Lizi is too embarrassed to say it, I’ll tell her first. Anyway, I’m a man, so it doesn’t matter if my skin is thicker! Don’t you think so?” ”

“”I think what you said is very right,”Cen Shaoqing opened his thin lips, he continued, “When you confess, remember to prepare more pink lipstick and pink dress. Girls like these the most. When I gave these things to your fifth sister-in-law back then, she was so happy!” ”

She was so happy that she almost beat him half to death.

“He ziteng patted his chest and said with a smile, “Don’t worry, Brother Five, I know what to do! I was the one who told you about these things!” ”

He ziteng was very experienced in chasing his wife.

“Otherwise, he would not have helped Cen Shaoqing to chase after ye Zhuo so smoothly back then. ”

How difficult it was to chase after Ye Zhuo!

“But with his help, Cen Shaoqing still managed to chase after Ye Zhuo. ”

This showed that he was powerful.

“Cen Shaoqing recalled the detours he had taken in those years, he continued, “Also, when you go shopping and eat with girls, if they say that they don’t like it, you must remember that they are speaking the truth. If at this time, you order what they really want to eat in their hearts, they will be very happy!” ”

Chapter 983: 222: Master Five has become the king of tricks! 6

“He ziteng nodded. “Don’t worry, don’t worry. Fifth brother, you can rest assured. I have more experience than you in chasing after a girlfriend.””

“Thinking that Cen Shaoqing was about to call him brother-in-law, he ziteng was so excited that he wanted to sing a song!”

It would definitely be a wonderful scene!

“He ziteng took out his phone and continued, “Right, fifth brother, do you have an Lizi’s wechat? I forgot to add her!””

“No.”

He ziteng opened wechat. “Then I’ll ask Zhao Pingting for it.”

“When Zhao Pingting received he ziteng’s wechat, she turned to look at an Lizi. “Lizi, that he ziteng asked me for your wechat. I pushed your business card to him.””

“Push it.” An Lizi was playing a game and casually replied.

“A few seconds later, an Lizi looked up at Zhao Pingting. “Pingting, who did you say asked you for my wechat?””

““He ziteng,” Zhao Pingting replied.”

“Him?” An Lizi frowned slightly. “I feel that he ziteng is a little crazy.”

“Ye Zao smiled and said, “He ziteng was Cen Shaoqing’s childhood friend. He’s actually a good person.””

“An lizi continued, “Zao, do you know what he said to me during dinner?””

“What?”

“An Lizi said, “He asked me if I have a boyfriend. If I don’t, should I consider him? Do you think strangers would talk about this on their first meeting?””

“In an Lizi’s opinion, it was a little frivolous.”

Ye Zhuo raised his eyebrows slightly. “He ziteng said it himself?”

“Yes.” An Lizi nodded. “Do you think he has a screw loose in his brain?”

“Ye Zao said, “Actually, he’s usually quite steady. Did he fall in love with you at first sight?””

Zhao Pingting immediately came over. “Wow! Love at first sight!”

“An Lizi said speechlessly, “What era is it now? Do you guys still believe in love at first sight? I think he’s just a little dim-witted.””

An Lizi did not believe in love at first sight.

She felt that he ziteng’s brain was not good and his behavior was frivolous. He was not a good man.

On the other side.

“After he ziteng successfully added an Lizi’s wechat, he immediately sent her a message.”

“But after waiting for a long time, he still did not receive a reply from an Lizi.”

He ziteng frowned slightly.

It shouldn't be.

"If an Lizi fell in love with him at first sight, she should have replied immediately."

"He ziteng raised his head to look at Cen Shaoqing. "Fifth brother, why do you think an Lizi hasn't replied me yet?""

"Before Cen Shaoqing could say anything, he ziteng continued, "Do you think an Lizi is afraid that I'll see through her? After all, girls are more reserved. She's afraid that I'll find out that she fell in love with me at First Sight!""

"Yes! That must be the case! Actually, she doesn't have to be like this. After all, I already know what's on her mind.""

Cen Shaoqing was afraid that he would fall too deep into it. "Are you so sure that she fell in love with you at first sight?"

"Of course!"

"CEN Shaoqing continued, "What if it's a misunderstanding?""

"Fifth brother, you're jealous of me!""

Cen Shaoqing: ? ? ?

"He ziteng continued, "You're jealous of an Lizi falling in love with me at first sight. After all, when you were courting fifth sister-in-law, fifth sister-in-law did not fall in love with you at first sight. Actually, fifth brother, you don't have to be jealous of me at all. After all, people are different. Although you're better than me, it doesn't mean that every girl will fall in love with you at first sight!""

Cen Shaoqing's expression did not change. "I don't need love at first sight. I just want your fifth sister-in-law to be strict with her husband."

"Strict with her husband?" He ziteng asked.

"Cen Shaoqing nodded slightly. "Of course. I'm a man of my word at home. If I tell your fifth sister-in-law to go east, your fifth sister-in-law won't dare to go west. If I want to eat sweet food, your fifth sister-in-law won't dare to eat spicy food. Can you do it?""

"He ziteng said, "I believe you! If fifth sister-in-law is really under the husband's control, when we have dinner together tonight, you'll still act like a cloth maid, supporting fifth sister-in-law?""

He ziteng could see all of this for real.

"CEN Shaoqing said, "In front of outsiders, we have to give her some face.""

"Is that so?" He ziteng frowned.

"Of course it's true." CEN Shaoqing continued, "So, let me tell you, when a man is in a relationship, he must set his own rules. There's a thing called husband gang.""

"He ziteng nodded, feeling that Cen Shaoqing's words were very reasonable."

"An Lizi had fallen in love with him at first sight, so she would definitely listen to him. He ziteng smiled and said, "Fifth brother, my husband Gang is definitely better than yours.""

Cen Shaoqing looked indifferent. "I'll wait and see."

"Just you wait and see."

"At this moment, he ziteng still did not know that he had completely fallen into Cen Shaoqing's trap."

...

“In the blink of an eye, another three days had passed.”

Cen Shaoqing brought ye Zhuo to eat for half a month and went to visit Aunt Lang.

“Just as they stepped into the courtyard, they heard Aunt Lang coughing.”

“Are You Alright?”

Aunt Lang raised her head and saw ye Zao. “Zao Zao is here! Where’s Shaoqing?”

“Ye Zao smiled and said, “He’s parked at the back. He’ll be here soon.””

Aunt Lang nodded.

“Ye Zao continued, “Did you go to the hospital to have a look at your cough?””

“I did. The doctor also prescribed some medicine. It’s not a big problem.”

“Ye Zao said, “I see that you look a little pale. You must not be sleeping well recently, right? I have some sedative medicine here. If you can’t sleep, take one.””

“Then, Ye Zhuo took out a bottle of medicine from his pocket and handed it to Aunty Lang.”

Aunty Lang reached out to take the medicine.

“However, when she lowered her head, she was stunned.”

It was exactly the same.

The Little Red Mole was exactly the same.

“Before Aunty Lang could react, Xiao Mei ran out from inside and said, “Aunty Lang, you have a phone call. It’s Miss Weiyue Calling.””

Aunty Lang was stunned for a moment before she took the phone. “Hello.”

“”Aunty, it’s me.”Xi Weiyue’s voice came from the other end of the phone. “My dad found Sister Half Moon.””

“”What?”Aunty Lang’s eyes instantly turned red. “Weiyue, what did you say? Say It Again?””

“Xi weiyue smiled and said, “My dad found Sister Half Moon.””

“After a long while, Aunt Lang finally found her voice. “Weiyue, are you not joking with me?””

“”Aunt Lang, look at what you said. Would I joke with you about something like this? Please come back quickly! Sister Half Moon is by my side right now!””

Aunt Lang quickly nodded. “Okay! Okay! I’ll be back immediately! I’ll be back immediately!”

Chapter 984: 223: Cao Wei has revealed the truth about the XI family. He must be lying to you! 1

“At this moment, the joy in Auntie Lang’s heart could not be described with words. ”

Thirty-six years.

A whole thirty-six years.

“Now that she had finally received news of her biological daughter, Auntie Lang was so excited that she was in a daze. She was afraid that she had misheard and confirmed it with Xi Weiyue again, “Weiyue, is what you said true? is little half moon really by your side now? has your father really found Little Half Moon?” ”

“Xi weiyue said, “It’s true! Of course it’s true. Aunt, Hurry back now! When you come back, you’ll be able to see Little Half Moon.” ”

“O-okay.” Aunt Lang’s voice was close to choking. “I’ll be back right away...”

“Aunt Lang hung up the phone and looked up at Cen Shaoqing and Ye Zhuo. She was so excited that she was incoherent. “Young, Shaoqing, I, I, I, I, I have found them. I’ll go back first. You, you, and...” ”

“Cen Shaoqing twirled the Buddhist beads. “Aunt Lang, Congratulations. You’ve waited for so many years and finally found your daughter! You should go back quickly. Don’t mind us.” ”

“Ye Zhuo was also happy for Aunt Lang. “Yes, Aunt Lang, you should go back quickly.” ”

Aunt Lang did not even have the time to change into her apron before she called the chauffeur and left.

“Looking at Aunt Lang’s hurried back, Ye Zhuo turned to Cen Shaoqing and sighed. “Aunt Lang has finally found half a month.” ”

The mother and daughter had been separated from each other for thirty-six years. It was really not easy for them to be reunited at this time.

“Cen Shaoqing nodded slightly. “That’s right. Aunt Lang doesn’t have to live in pain and guilt every day from now on.”Over the years, although Aunt Lang did not say anything, anyone could tell, aunt Lang blamed herself for the loss of half a month.”

She lived in great pain every day.

“At this moment, a crisp ringtone sounded in the air.”

Cen Shaoqing picked up the phone and opened his thin lips. “Hello.”

““Okay, I got it.” ”

“After hanging up, Cen Shaoqing tilted his head and looked at Ye Zhuo. “Will you accompany me to the experimental base?” ”

“Sure.”Ye Zhuo nodded slightly.

...

On the other side.

“Aunt Lang was sitting in the co-pilot’s seat. Her gaze was anxious as she looked ahead. She tilted her head and urged the driver, “Xiao Li, drive faster.” ”

“Xiao Li smiled and said, “Aunt Lang, I’m already going as fast as I can. If I go any faster, I’ll be like a plane!” ”

Aunt Lang was stunned. “This is already the fastest?”Why did she feel that the speed was so slow?

““That’s right!”Xiao Li nodded and continued, “Don’t be anxious. If there’s no traffic jam, we’ll be there in half an hour.” ”

Aunt Lang was very anxious.

She wished she could speed up the car by ten times.

She wanted to see little half a month immediately.

“Not to mention half an hour, she couldn’t even wait for a minute now. ”

Thirty-six years.

She wondered what her little half a month had become?

Did she still recognize her as a mother?

“Perhaps little half a month had already gotten married and had children, and as a mother, not only did she not witness her daughter’s wedding, she didn’t even attend her daughter’s growth. ”

She was not a good mother.

“The more Aunt Lang thought about it, the more uncomfortable she felt. Tears rolled down her face, and her throat felt stiff. ”

“When Xiao Li saw Aunt Lang like this, he felt very uncomfortable. He handed Aunt Lang a piece of tissue. “Aunt Lang, don’t cry. Haven’t we already found her half a month ago?” ”

Aunt Lang took the tissue and wiped the tears off her face.

“Half an hour later, the car arrived at the Xi family’s villa. ”

“As soon as the car stopped, Aunt Lang could not wait to open the car door and run out. She was too excited. As soon as she got out of the car, she stumbled a few steps and almost fell.”

“Fortunately, Xi Weiyue ran over and quickly held Aunt Lang. “Aunt, be careful.” ”

“Aunt Lang held Xi Weiyue’s hand tightly and asked impatiently, “Weiyue, where’s Little Half Moon? is little half moon really back?” ”

“Xi weiyue smiled and said, “It’s true! My dad found Sister Half Moon. Sister Half Moon is in the house now. Please come in with me.” ”

“MMM.”Aunt Lang walked into the house hurriedly. “Where did your dad find Little Half Moon? When did he find Little Half Moon? Has Little Half Moon been living well all these years?”

“Xi Weiyue held Aunt Lang as they walked in and said softly, “Aunty, although my dad found Sister Half Moon, Sister Half Moon’s condition is not very good. You have to be mentally prepared.” ”

Not in a good state?

“Aunt Lang’s heart skipped a beat. “Weiyue, what do you mean? Did something happen to Banyue?” ”

“Xi Weiyue hesitated, then, she said, “Back then, Sister Banyue was kidnapped by human traffickers. She suffered a lot in the process, which caused her to be in a daze. She needs someone to take care of her clothes, food, shelter, and transportation. She’s only about the IQ of a three-year-old child.” ”

Chapter 985: 223: Cao Wei revealed the truth about the XI family. He must be lying to you! 2

Half a month had just turned three years old when she was lost.

Aunt Lang's eyes welled up. The tears that had already stopped started to burst again.

She could not imagine how much pain and suffering half a month had gone through that year.

This was all her fault.

It was all her fault.

"If she had not lost half a month, half a month would not have gone through so much."

"Xi Weiyue took out a tissue to wipe away aunt Lang's tears, "Aunt, don't cry. It's a happy thing to be able to find half a month's sister. Let the past be the past. My father took half a month's sister to the Doctor. The Doctor said that as long as she recuperates well in the future, half a month's sister will still have a chance to recover.""

"Xi Weiyue paused. "Aunt, do you dislike the current Sister Half Moon?""

""No! No!" Aunt Lang sobbed. "No matter what she turns into, she's still my daughter..." no mother would dislike their own daughter."

Xi Weiyue's eyes flashed with sarcasm.

Not Despise?

This ye Langhua was really ungrateful.

"She had taken care of ye Langhua for so many years, yet she had never seen ye Langhua say anything nice about her. Now that her biological daughter had turned into a fool, she did not dislike it."

It was really disgusting!

Could it be that Xi weiyue could not be compared to a fool?

It was said that the hearts of people changed.

“She was closer to ye Langhua than her biological mother. Even after 20 years, she still could not get ye Langhua’s sincerity.”

The expression in Xi Weiyue’s eyes changed.

An ingrate like ye Langhua deserved to die! She deserved to die!

Because she did not deserve to have family!

“Soon, the two of them walked into the living room.”

“When he saw Aunt Lang, Xi Muwen immediately stood up from the sofa. “Langhua, you’re back.””

“Aunt Lang’s gaze swept across the living room, but she did not see a third person. “Where’s Little Half Moon? Where’s My Little Half Moon? Are you guys lying to me?””

““No, we’re not lying to you,” xi muwen continued, “Yang Jiao took the children to change their clothes. They’ll be out soon.””

“Really?” Aunt Lang frowned.

“Xi weiyue smiled and said, “Aunt, look at what you’re saying. would my father lie to you about something like this?””

“At that moment, Yang Jiao came down from upstairs with a middle-aged woman. “Sister, this is little half moon.””

“Aunt Lang turned to look at the woman standing beside Yang Jiao. Her emotions burst at this moment and she couldn’t care about anything else. She cried out and ran over to hug the woman. “Little Half Moon, my little half moon, mother has finally found you...””

Yang Jiao and Xi Muwen looked at each other and saw the smug look in each other’s eyes.

This ye Langhua was really stupid.

“The woman was so scared that her whole body was trembling. She quickly broke free from Aunt Lang’s embrace and hid behind Yang Jiao. Her eyes were filled with fear. “Don’t hit me, don’t Hit Me...””

Aunt Lang was stunned.

“Even though XI Weiyue had told her in advance that Little Half Moon was in a trance, she did not expect little half moon to become like this.”

What kind of despair did she go through to turn out like this?

Aunt Lang covered her mouth as her whole body trembled. “Little Half Moon...”

Was this really her little half moon?

“Yang Jiao looked up at Aunt Lang. “Sister, Little Half Moon has been like this ever since she was found. Mu Wen has already taken her to the hospital for a look. The Doctor said that this has something to do with her experience. If she takes good care of herself in the future, she will return to normal.””

“After saying that, Yang Jiao turned back to look at the woman and continued, “Little Half Moon, is this your mother? Good Child, don’t be afraid. She has been looking for you for many years. She will not hurt you...””

“Aunt Lang stood there and waved at the woman. She said in a hoarse voice, “Little Half Moon, come here. Come to your mother.””

The woman lowered her head and did not dare to look at Aunt Lang.

“Little Half Moon?” Aunt Lang called out again.

“However, not only did little half moon not respond to her, she even took a few steps back.”

She was afraid.

Afraid.

“Looking at Little Half Moon, Aunt Lang covered her mouth, trying her best not to make a sound.”

“Yang Jiao walked over to the woman and held her hand, bringing her to Aunt Lang’s side, she said softly, “Sister, you just came back. It’s normal for Little Half Moon to be afraid of you. You just need to interact with her more. We have to give the child a process of adaptation.””

“Xi Muwen looked up at Aunt Lang. “Yang Jiao is right. You have to give the child a process of adaptation. Let’s not talk about you. Even I, the father, was scared at the beginning. Half a month, be good. Come to Daddy.””

“Chapter 986: 223: Cao Wei exposed the Xi family’s true colors, he must be lying to you! 3”

Little Half Moon glanced at Xi Muwen and then at Xi Weiyue who was not far away before she walked over to Xi Muwen with a trembling body.

She did not dare not go.

“After staying at the Xi family for a few days, other than eating and sleeping, she had experienced a lot of beatings and curses.”

Especially Xi Weiyue.

“Her attacks were ruthless and accurate, and she did not even leave any scars on her body.”

“Xi Muwen held Little Half Moon’s hand, with a fatherly expression, he said, “Little Half Moon, let me introduce you. This is your mother. She’s been looking for you for many years. Back then, she didn’t mean to lose you on purpose. All these years, she’s also very guilty. For You, her hair turned white overnight. Can you call her ‘mother’?” ”

Xi Muwen purposely changed the topic to Auntie Lang losing little half moon so that she would feel even more guilty and not have the energy to think about other things.

“If ye Langhua had not lost little half moon, would little half Moon have become like this? ”

All of this was ye Langhua’s fault.

Ye Langhua should live with endless guilt and self-blame.

“Little Half Moon looked up at Aunt Lang and was so scared that she grabbed Xi Muwen’s hand tightly. Her lips trembled as she said, “Don’t hit me, don’t hit me... I’ll be obedient. I’ll be obedient in the future. Please don’t hit me...” ”

“Xi Muwen sighed. His eyes were filled with heartache. “I wonder how much this child has suffered. If it’s possible, I’d rather live thirty years less to ease your pain...” ”

“After a long while, Aunt Lang looked up at Xi Muwen. “Is she really half a month old?” ”

“Aunt Lang had been too emotional earlier. She hadn’t even noticed that there was nothing similar between half a month’s brows. Now, she realized something was wrong.”

Xi Muwen narrowed his eyes when he heard this.

Ye Langhua didn’t believe him.

“Fortunately, he had made preparations beforehand.”

“Xi Muwen held Little Half Moon’s hand and walked in front of Aunt Lang. “Langhua, I remember that you have a small red mole on your hand. Take a look, this child also has one on her hand.” ”

Aunt Lang looked down and indeed saw the same red mole.

“Xu Jiao said, “Sister, Little Half Moon has suffered too much outside. When we first found her, there wasn’t a single good spot on her body. Look at her forehead, it’s all beaten up here!” ”

Xu Jiao lifted Little Half Moon’s forehead when she said the last sentence.

“Without the cover of her hair, she could clearly see a very obvious scar under her forehead.”

“Xi Muwen then got someone to bring over a paternity test. “If these still can’t prove that she’s little half moon, this is the paternity test between me and Little Half Moon. Take a look.” ”

Aunt Lang reached out to take the paternity test.

The paternity test showed that the two of them were indeed related.

Could this really be her half a month old?

“Yang Jiao continued, “Sister, how about this? We’ll go to the hospital to do another paternity test for you and half a month old. This will be safer.” ”

“Okay.” Aunt Lang nodded.

“”Then let’s Go Now! Since the technology is advanced now, the paternity test report will be out very soon!” ”

The family headed to the hospital.

“While waiting for the report to be out, Aunt Lang was very nervous. She did not know if this person was really her little half moon. ”

“In her lifetime, would she be able to reunite with her daughter. ”

“Xi Weiyue sat beside Aunt Lang and held Aunt Lang’s hand. “Aunt, don’t worry. The report will be out soon.” ”

“On the other side, Little Half Moon was making a ruckus. Yang Jiao bought a lollipop to coax her. ”

“At that moment, the office door opened. ”

Aunt Lang stood up immediately. “How’s The Doctor? Is She Really My Daughter?”

“The Doctor held the report. “According to the results, that lady is indeed your daughter.” ”

“Aunt Lang’s hands trembled as she read the report. Hot tears almost burst out of her eyes, staining the report in black and white. ”

It was her daughter.

It really was her daughter.

Xi Muwen walked over to Aunt Lang's side. "You should be at ease now."

"Aunt Lang hugged little half moon and cried, "Little Half Moon, I've finally found you. It's been thirty-six years. I thought I'd never see you again!" "

Little Half Moon was scared out of her wits. She kept nagging her not to hit her.

"Don't worry, if I don't hit you, I won't hit you..." "

"Xi Weiyue walked over and smiled. "Aunty, Congratulations on finally finding sister Half Moon. This isn't the place to talk. Let's go back first." "

"Aunty Lang nodded. "Go back, let's go back first." "

"During the conversation, Aunty Lang held Little Half Moon's hand tightly, unwilling to let go. She was afraid that if she let go, she would lose Little Half Moon again. "

Chapter 987: 223: Cao Wei exposed the Xi family's true colors. He must be lying to you! 4

Auntie Lang did not let go of Little Half Moon's hand even after they got into the car.

"However, Little Half Moon was unwilling to get close to Auntie Lang. She shook off Auntie Lang's hand and sat beside Yang Jiao."

Auntie Lang felt that the child hated him and her eyes could not help but turn red again.

“Yang Jiao looked up at Auntie Lang. “Sister, don’t be anxious. Why Don’t you stay at home for the next few days and spend more time with the child? After a while, she’ll naturally become intimate with you.””

Xi Muwen nodded. “Yang Jiao is right.”

“Aunty Lang continued, “Does Little Half Moon have any other family members?””

“Xi Muwen shook his head, “When we found her at the aid station, she was alone. She didn’t know what to ask her... “However, according to the staff at the aid station, she had been wandering for a long time before we found her ... So, she shouldn’t have any other family members.””

The sentence “Wandering for a long time” hurt Aunt Lang’s heart again.

“Back then, Little Half Moon was smart and cute. If it weren’t for her, Little Half Moon wouldn’t have become like this.”

It was all her fault.

It was all her fault.

“Xi Weiyue quickly comforted Aunt Lang. “Aunt, don’t be sad. No matter what, Sister Half Moon has been found now. Let bygones be bygones.””

“Xi muwen said, “Weiyue is right. Thankfully, Little Half Moon has already been found. Even if you’re sad and guilty, it’s useless. Why Don’t you be more practical?””

“The car was very fast, and they arrived at the Xi family home in no time.”

“When they got out of the car, Little Half Moon was still holding onto Yang Jiao’s clothes tightly. She did not dare to go near Aunty Lang. She looked like she was some kind of monster that ate people.”

“Little Half Moon, let me hold your hand, okay? I’m your mother...”

Little Half Moon hid behind Yang Jiao and looked at Aunt Lang warily.

“Xi Weiyue smiled as she looked at Aunt Lang, then, she said, “Aunt, why don’t we give Sister Half Moon some time to recover?”? Since they still had a lot of time to spend together in the future, there was no need to be in a hurry. I’ll first bring you to see the room my father prepared for Sister Half Moon. You can see if you want to add anything else.”

“Okay.” Aunt Lang wiped her tears.

“Xi Weiyue brought Aunt Lang to a sunny master bedroom on the third floor. “Look, this is Sister Half Moon’s room.”

The room was obviously decorated.

“A luxurious princess bed, thick carpet, all-european furniture...”

Aunt Lang was stunned. “Isn’t this your room?”

“Xi Weiyue smiled. “My father said that he owed Sister Half Moon too much these years, so he made my room available for Sister Half Moon. Actually, aunt, in my father’s heart, Sister Half Moon is much more important than me. In the past, before he found Sister Half Moon, my father would take a photo of Sister Half Moon several times a day! “She even secretly wiped her tears. Now that Sister Half Moon has been found, can you forgive my father?”

Aunt Lang sighed. “Let bygones be bygones!”

“It had been so long, and now that Half Moon had been lost and regained, Aunt Lang no longer wanted to dwell on the past.”

She was too tired from this life.

“For the next few days, she only wanted to stay by her daughter’s side and not do anything that she would regret.”

“Xi weiyue said, “So you’re willing to forgive my father? If My father knew that you’ve forgiven him, he would definitely be very happy.””

“Aunt Lang walked into the room to take a look, then said, “Actually, your father doesn’t need you to vacate the room at all. Anyway, half a month won’t be long here.””

Xi Weiyue narrowed her eyes when she heard this.

Won’t stay here for long?

Could it be that ye Langhua wanted to bring that crazy woman out to live?

“”Aunt, are you going to bring sister half a month away?””

Ye Langhua nodded. “I want to bring her to the courtyard house.”

“Xi weiyue continued, “Whether you bring sister Weiyue or not, this is my father’s kind gesture. This is also his love for sister Weiyue. I’ve lived by my father’s side for so many years, but sister half a month has suffered so much outside. My father wants to give everything to compensate her.””

Aunt Lang sighed.

It seemed that Xi Muwen’s life these years was not much easier than hers.

“Speaking of which, it was indeed not Xi Muwen’s fault when the child was lost.”

“After all, she was the one who lost half moon.”

“After so many years, she should let it go.”

“Then.., xi weiyue continued, “If you want to take Sister Half Moon away, I hope you can bring sister half moon back to see her. You know my father very well. He’s obsessed with his face and suffers a lot. If you don’t bring Sister Half Moon back, he definitely won’t be able to take the initiative to look for you.””

Chapter 988: 223: Cao Wei exposed the Xi family’s true colors. He must be lying to you! 5

“MMM.” Auntie Lang nodded.

“Xi Weiyue held Auntie Lang’s arm. “Auntie, thank you.” ”

Auntie Lang patted Xi Weiyue’s hand.

“At this moment, Xi Muwen walked over and said, “Weiyue, I want to talk to Your Auntie.” ”

“MMM.” Xi Weiyue nodded.

“After Xi Weiyue left, only Xi Muwen and Aunt Lang were left in the room.”

“Xi Muwen poured a glass of water for Aunt Lang. “Lang Hua, ever since Little Half Moon went missing, the two of us have been strangers. It’s been many years since we sat down together to chat.” ”

Aunt Lang took the water. “What do you want to say?”

“Ever since Little Half Moon went missing, she and Xi Muwen had no common topics to talk about.”

“Xi muwen said, “Let’s talk about Little Half Moon.” ”

“When she mentioned Little Half Moon, Aunt Lang’s expression softened a little.”

“Xi muwen continued, “You’ve seen Little Half Moon’s current situation. She really can’t be stimulated by anything anymore. After so many years, I haven’t fulfilled a single day of my father’s responsibilities, so in the time that follows, I want to accompany Little Half Moon well. I hope you can give me this opportunity.” ”

““I want to bring little half moon to the courtyard house. The Doctor said that her condition can be fully recovered if she recuperates,”Auntie Lang did not hide her thoughts.”

The XI family was not suitable for little half moon to live in.

“Xi Muwen sighed, “Lang Hua, do you have to do this? “Little Half Moon is my daughter after all. My blood flows through her body. “All these years, I’ve been living in self-blame. I’ve been dreaming of finding Little Half Moon, and I hope you can give me a chance to atone for my sins.” ”

“Aunt Lang looked up at Xi Muwen. “I lost Little Half Moon, and it has nothing to do with you. You Don’t have to blame yourself. I’m the one who should blame myself, and I’m the one who should repent.” ”

““Lang Hua,”xi muwen continued, “Don’t say that. I’m Little Half Moon’s father, and I’m also responsible for losing Little Half Moon. This isn’t your fault alone.” ”

““Forget it. Let bygones be bygones.”Aunt Lang stood up from her chair. “I’ll bring Little Half Moon here for a few days. After she gets used to me, we’ll move to the courtyard house.” ”

“Must we move?”Xi Muwen stood up and asked.

Aunt Lang nodded.

“Xi Muwen sighed. “Then, I’ll respect your decision.” ”

“Aunty Lang stood up. “If there’s nothing else, I’ll go downstairs first.” ”

“Okay.”Xi Muwen nodded and followed Aunty Lang’s footsteps.

The two of them went downstairs together.

“Little Half Moon was originally chatting with Yang Jiao, but when she saw Aunty Lang come down, she was so scared that she immediately hid behind Yang Jiao. ”

Aunty Lang’s eyes reddened.

“Yang Jiao comforted little half moon. “Don’t be afraid, she’s your mother! She’s the person who loves you the most in this world.” ”

“Half a moon hid behind Yang Jiao, her whole body trembling. ”

“Aunt Lang walked up to Yang Jiao. “Half a moon, don’t worry, Mommy Won’t hurt you. Can you look up at Mommy?” ”

“”No, no!”Half a moon tugged on Yang Jiao’s sleeve. “You’re a bad person! A bad person!” ”

A bad person?

Yes.

She was a bad person.

“Aunt Lang sighed deeply. Not only was she a bad person, she was also an incompetent mother.”

The reason why the second half of the month had become like this was entirely because of her.

“It’s always like this in the beginning.” Xi Muwen walked over and patted Aunt Lang’s shoulder. “Don’t think too much. In a few days, she’ll stick to you. You have to be patient with your child.”

“MMM.” Aunt Lang nodded.

“Xi Muwen smiled at half a month and reached out his hand to her. “Half a month, Daddy will take you to buy candy, okay?”

Half Moon looked up at Yang Jiao.

“Yang Jiao said softly, “Your Daddy will take you to buy candy. Go quickly. Don’t be afraid, he won’t hit you.”

Half Moon then walked over to Xi Muwen’s side.

Xi Muwen held Half Moon’s hand and walked over to Auntie Lang. “Let’s take the child out for a walk together?”

“Okay.”

“Just as Auntie Lang reached Half Moon, Half Moon broke away from Xi Muwen’s hand and quickly ran behind Yang Jiao. “Ah! Bad Person! There’s a bad person!”

“Yang Jiao said helplessly, “She’s not a bad person. She’s your mother.”

“Bad Person!”

“Yang Jiao looked at Aunt Lang. “Sister, this child isn’t sensible. Don’t be angry.” ”

“Aunt Lang shook her head. At this moment, the phone in her pocket suddenly rang. Aunt Lang picked up the call. “Hello.” ”

““Aunt Lang, it’s Cao Wei.” ”

“What’s the matter?”

“Cao Wei continued, “I’ve found some clues regarding the matter of half a month. I’d like to meet you to chat.” ”

“There’s no need to chat.” Aunt Lang tried her best to take a deep breath. “I’ve already found half a month.”

““You’ve found it?” Cao Wei said, “It was Xi Muwen who helped you find it?” ”

“MMM.” Aunt Lang did not deny it.

““Aunt Lang, this Xi Muwen has ulterior motives. He’s been scheming against you from the start. Please don’t believe his words! The person he found is definitely not your biological daughter!” ”

“Chapter 989: 224: face-smacking, Big Ye is still you, Big Ye! 1”

Cao Wei knew Xi Muwen very well.

“Xi Muwen was a wolf with wild ambitions. After he went missing for half a month thirty-six years ago, he only used less than a year to turn the ye group into the XI group.”

“If XI Muwen was really a good father and husband, he wouldn’t have changed the ye group less than a year after his own daughter went missing.”

“Therefore, from Cao Wei’s point of view, this was all XI Muwen’s trap.”

“After all, Aunt Lang still had a big secret.”

It was not easy for ordinary people to enter the financial world.

Aunt Lang was the key to enter the financial world.

“If the Xi family wanted to enter the financial world smoothly and join the Shunxi Financial Group, they had to start from Aunt Lang.”

“Cao Wei narrowed his eyes and continued, “Aunt Lang, I know that you miss your daughter dearly and dream of finding your daughter, but please calm down and think carefully. is that person really half a month old?””

“Aunty Lang did not answer Cao Wei right away. Instead, she turned around and walked out.”

Xi Muwen looked at Aunty Lang’s back and turned around to look at Yang Jiao. They could see the scheming look in each other’s eyes.

Who was the call that Yang Jiao received?

Since they had been chatting for half a month...

Then the other party must be related to the Shunxi Financial Group.

“After all, the people from the Shunxi Financial Group had already found ye Langhua before this.”

Thank God they were prepared!

“Aunt Lang went outside and looked back into the room. After making sure that she couldn’t hear anything inside, only then suppressed voice way: “Cao Wei, I know what you mean, please rest assured, small half month is my small half month, we have already done the appraisal.””

“Aunt Lang doesn’t trust anyone, but she does trust the report.”

The appraisal report would not lie to her.

“If the half a month in the house was not related to her by blood, then their parent-child relationship would not be established.”

“When she heard this, Cao Wei asked in surprise, “You’ve done the appraisal?””

““Yes.” Auntie lang nodded and continued, “We just came back from the hospital. The appraisal result shows that we’re biological mother and daughter.””

““Impossible!”! “That’s impossible!” Cao Wei said anxiously, “Then, have you ever thought that Xi Muwen might have discussed it with the hospital beforehand! ?”! In short, Xi Muwen was not a person to be trusted. Aunty Lang, where are you now? “There are some things that are inconvenient to say over the phone, let’s meet up! “I’m 100% sure that the little half a month Xi Muwen found is definitely not the real little half a month!””

““Cao Wei, I know your purpose,” aunty lang continued, “It’s been 36 years. Since I didn’t go back 36 years ago, then I’ve already gone back 36 years ago.””

Cao Wei wanted her to return to Shunxi Financial Group.

“However, to Aunty Lang now, those were just worldly possessions. She only wanted to spend the rest of her life with her daughter.”

“She did not want to care about anything else, nor did she want to ask about it”

“Cao Wei said helplessly, “Aunty Lang, not only do I want you to come back, I also don’t want to watch you be cheated by Xi Muwen! Xi Muwen must have a conspiracy! Please don’t believe him!””

“”I don’t care what conspiracy he has. I just want my daughter to come back,”aunty lang continued, “That’s all. I’ll hang up first.””

“Then, Aunt Lang hung up.”

Cao Wei frowned as he looked at the phone being hung up. His face was full of worry.

He thought he could use this opportunity to let Aunt Lang return to the Shunxi Financial Group.

He didn’t expect Xi Muwen to make such a sudden move.

“With the Ye family as the leader, the Shunxi Financial Group was founded by the Ye, Wang, Zhang, and Zhao families.”

“Back then, when the Ye family’s old master was still around, the Shunxi Financial Group firmly occupied the number one position in the financial world.”

“However, ever since Old Master Ye left the financial world, the Shunxi Financial Group was crushed by the rising stars. The Lingtian Financial Group went from number one to number two. All these years, the Lingtian Financial Group had always been the number one financial group, no one had ever surpassed them.”

The main family of the Shunxi Financial Group had also become the Zhao family from the Ye family.

“Now, the Zhao family was an existence that could control the entire Shunxi Financial Group. Not only could they control the entire Shunxi financial group, but the Zhao family also wanted to push the Wang and Zhang families out of the Shunxi Financial Group and take over the Shunxi Financial Group as their own to become an aristocratic family!”

“Ye Langhua was grandfather Ye’s only heir. In this world, only she had the right to join the Shunxi Financial Group and clean up the house for Grandfather Ye. If she did not return and take charge of the overall situation.., the Shunxi Financial Group would really become the Zhao family’s world.”

“At that time, the Shunxi Financial Group would no longer exist in the financial world. The efforts of grandfather Ye and the Wang and Zhang families over the years would also go down the drain.”

“Chapter 990: 224: a slap in the face. Big Ye is still you, Big Ye! 2”

Cao Wei massaged his temples. It seemed like he had to find the real half a month soon.

“Otherwise, the consequences would be unimaginable.”

“Thinking of this, Cao Wei sighed.”

“The young woman standing beside Cao Wei saw Cao Wei like this and could not help but say, “Are you so sure that Xi Muwen is lying to Aunty Lang? What if he really found half a month?” ”

“Cao Wei raised his head. “I suspect that Xi Muwen was the mastermind behind half a month’s disappearance back then. Since he planned to throw half a month away, why would he bring her back at a time like this?”Knowing that half a month was Aunty Lang’s life.., that was why Cao Wei had been investigating the real reason for half a month’s disappearance all these years. ”

The reason he did not tell Aunty Lang was because he had not found any actual evidence yet.

“The woman frowned slightly. “A tiger will not eat its cubs. Xi Muwen should not have laid a hand on his own daughter. Moreover, doing this would not benefit him at all.” ”

“”Who said there wouldn’t be any benefits?”Cao Wei continued, “Ever since half a month was lost, grandfather Ye has not been able to recover from his illness. Aunty Lang’s hair turned white overnight. Ye group lost two pillars overnight. Xi Muwen single-handedly took the lead and in less than a year, he changed the name of Ye Group! “If nothing happened to Xiao Banyue, with grandfather Ye’s methods, would he let Xi Muwen succeed?” ”

“Not only did grandfather ye disagree, he couldn’t even get past Aunt Lang. ”

“Because XI Muwen knew that Xiao Banyue was grandfather Ye and Aunt Lang’s weakness, that was why he targeted Xiao Banyue. ”

Even if Xiao Banyue was his biological daughter.

“When she heard this, the young woman narrowed her eyes. “If that’s the case, Xi Muwen is indeed very suspicious! Did you tell Aunt Lang about this?” ”

Xi Muwen shook his head. “Xi Muwen’s hands and feet are too clean. I haven’t found any evidence to prove that these things were done by him yet.”

The young woman frowned. “Then what do we do now?”

Cao Wei picked up the phone on the table. “I’ll get someone to investigate this fake little half a month.”

Knowing oneself and the enemy was the key to victory. Only by thoroughly understanding what Xi Muwen wanted to do could auntie lang trust him.

“MMM.”

“Cao Wei continued, “Jiayi, go back when you have time. Tell elder Wang not to worry. I’ll definitely bring Auntie Lang back.” ”

“Okay.”Xue Jia Yi nodded. “I’ll go back tomorrow.”

On the other side.

“After Auntie Lang hung up, she returned to the living room. ”

“Xi Muwen walked up and said, “Lang Hua, if you’re busy, go ahead! I’ll take care of Little Half Moon here.” ”

“Yang jiao smiled and said, “Muwen is right, sister. If you’re busy, go ahead. Don’t worry, I’ll definitely take care of Little Half Moon as my own daughter.” ”

“”I’m not busy.”Aunt Lang shook her head. She wanted to walk to Little Half Moon’s side, but before she could get close, Little Half Moon was so scared that she hid behind Yang Jiao. ”

It was obvious that Little Half Moon had already regarded Yang Jiao as the person she trusted the most.

“Seeing that her daughter trusted others so much but avoided her, it would be a lie to say that she was not sad. ”

Aunt Lang was very upset now.

“Yang Jiao looked at Little Half Moon and said with a smile, “Look at you, she’s your mother! Don’t be afraid, your mother loves you the most in this world!” ”

“Bad Person!”

Aunt Lang sighed.

...

On the other side.

“A handsome jaguar stopped in front of the Cen family’s experimental base. Then, a tall figure leaned out of the car. His clean and fair hand rested on the black car door, making his already cold and white skin look white, at this moment, his skin was as white as jade. Looking up from this hand, one could see a cold and stern profile.”

“His thin lips were tightly pursed, and his well-defined facial features seemed to be covered in an impenetrable layer of ice.”

“After getting out of the car, he went around to the other side and pulled open the door of the passenger seat.”

The ice and snow on his face began to melt.

Everything was restored.

“He extended his right hand to the person in the car, and red beads and tassels flowed out from between his fingers. “We’re here.” ”

“A slender, jade-like hand rested on his hand. Then, a slender figure leaned out of the car. “You’re here so quickly?” ”

“Yes.” Cen Shaoqing held her hand tightly. The two of them turned around and walked into the base’s main entrance.

In the base’s laboratory.

“When he learned that ye Zhuo was coming with Cen Shaoqing, Cen Jiang was extremely excited. “I heard that Miss Ye will be coming today. Is that true?” ”
