The Almighty Dragon General Chapter 2518—After meeting Xandros, James did not obtain any useful information.

Xandros' advice was to keep a low profile and observe the situation. After the Four Calamities on Earth came to an end, he would find a suitable time to leave Demon Abyss.

James left the Demon Abyss.

"Sophie, are you there?" James contacted Sophie who was in a closed-door meditation in the Celestial

Abode.

"Mhm," a feeble voice answered.

James said, "I have met Xandros, and I'm now ready to leave. However, this place is too far away, and I don't know how long it would take for me to reach the void passageway. Could you give me a ride?"

The moment he finished his sentence, the power came from inside the Celestial Abode and enveloped him. Then, his body flew toward the exit at extraordinary speed. In just a few moments, he arrived at his destination.

At the same time, in a secret room inside the Celestial Abode....

After helping James out, Sophie spurted out a mouthful of blood and collapsed to the ground. As she was already injured before, her injuries were aggravated as she forcibly summoned the strength to transport James from one place to the other. With great difficulty, she crawled up and began healing her injuries.

Meanwhile, James had no idea what had happened to her.

James lifted his head to look at the spatial crack in the sky.

He had been in the Demon Abyss for quite some time..

James had entered a closed-door meditation for 800 years in the time formation, which was approximately eight years in the outside world. Now that so many years had passed, he wondered what had happened to the other people who came to the Demon Abyss.

Along the way, he encountered many instances of danger. If he was not mistaken, all of them could have been dead with only a few fortunate ones surviving the ordeal. Even so, they might not have obtained the Demonic Spiritual Herb.

After some thought, James leaped into the air and entered the void passageway. After traversing for a few minutes, he reached the end of the passageway. When he reappeared, he was already at the Labhranns.

All these years, many powerful families and individuals of the Divine Dimension had gathered at the Labhranns. Many people had ventured forth into the Great Dividing Range, and they were curious to see who among these weak and insignificant living beings could return safely from the Demon Abyss with the Demonic Spiritual Herb

However, after waiting for many years, none returned.

Based on their estimates, it would take at least a few millennia for them to return. Though a few millennia sounded like a long time, they passed by in the blink of an eye to these cultivators of the Divine Dimension.

Under everyone's watchful gaze, a figure slowly emerged from the void passageway.

"L-Look! Someone has returned!"

"It's a human."

"Impossible! Humans have an insignificant presence in the Demon Realm. How can they can have a genius among them?"

As James appeared, many exclaimed.

Upon seeing James return, Txomin was delighted, and so was Brielle.

All these years, she had been waiting for a prodigy to return from the Demon Abyss with the Demonic Spiritual Herb. That individual would surely be worthy of marrying.

"It's James!"

"H-He's back!"

Henrik and Qusai were overjoyed as well.

James descended from the sky and appeared in front of the Labhranns' main hall. Brielle hurriedly approached him and asked, "How did it go? Do you have the Demonic Spiritual Herb?"

"Mhm."

The Almighty Dragon General Chapter 2519—James nodded.

Then, he pulled out the Demonic Spiritual Herb he casually plucked from the Celestial Abode and handed it over to Txomin.

After scrutinizing it, Txomin said, “Th-This is the Demonic Spiritual Herb!”

The others approached Txomin and stared at the Demonic Spiritual Herb in his hand. Sensing the aura emanating from the herb, they could not help but be stunned.

“I-Is that true?”

“A young man of the human race ventured deep into the Great Dividing Range, break the Ancient Magic Circle, entered the Demon Abyss, and obtained the Demonic Spiritual Herb!”

“How unbelievable! He must have possessed incredible luck!”

“Young man, how did you obtain the Demonic Spiritual Herb?” A powerful figure stared at James and wished to know the process of how he obtained the herb.

James glanced at the man. Realizing he was an elderly man who exuded a terrifying aura, he immediately knew he was a powerful figure not to be trifled with. Immediately, he said, “I-I don’t know... After entering the Great Dividing Range, I kept walking straight until I encounter the Demonic Spiritual Herb.”

“Haha... How fortunate he is to have completely avoided all danger.”

“Young man, I have a granddaughter whose beauty is comparable to Brielle. Besides, she has reached the Divine Rank. Would you like to consider her as your wife?”

James attracted the attention of many powerful figures.

They wanted to win him over to their side due to his incredible luck. The moment someone stepped forward to court him, a dozen jumped at the opportunity to invite James into their family or clan.

Meanwhile, Tigranes simply stared at James and said nothing.

Though the others knew nothing about James’ identity, the opposite was true for him. However, he was nonetheless shocked that James managed to return with the Demonic Spiritual Herb. He really did possess luck so incredible that he managed to avoid all danger.

Tigranes took a deep breath and looked at James, saying, "I underestimate you, James Caden. I never thought you'd be able to venture deep into the Demon Abyss and find the Demonic Spiritual Herb."

James looked at him and frowned.

'How did he know my name?'

Although he was baffled, he remained silent.

Txomin smiled and said, "So your name is James Caden. Since you've obtained the Demonic Spiritual Herb, based on the rules, you'll be able to marry Brielle after defeating her in battle."

James scanned his surroundings.

Many powerful figures gathered around him with intense gazes. If he turned down Txomin's request, they would certainly try courting him.

Besides, Txomin was a human as well. The final decision of Brielle's marriage rested on him.

"In that case, let the battle begin."

James smiled faintly.

Hearing this, Brielle lowered her head shyly.

When he saw this, James murmured, "Don't tell me she's fallen in love with me."

Txomin said, "You must be tired after venturing deep into the Demon Abyss. Why don't you rest for a few days before continuing the battle?"

"Alright then."

James nodded and turned to leave.

"Sigh... What a shame..."

"What do you mean?"

"He must have used up all of his luck by surviving the Demon Abyss. He's going to have terrible luck for the rest of his life."

"I guess you make sense."

As James left, many powerful figures began conversing in whispers. Many believed that James had used up all of his luck in surviving the Demon Abyss.

The Almighty Dragon General Chapter 2520—James returned to where his accommodation was.

Though he spent more than 800 years in a closed-door meditation inside the time formation, only eight years had passed in the outside world.

After returning to his room, James lay on his bed and contemplated.

In the blink of an eye, he had been in the Demon Realm for fifteen years. He wondered how Earth was doing at the moment.

At that moment, he missed his friends in the Celestial Abode. Back then, concerned about the safety of his friends and loved ones, he brought them into the Celestial Abode in advance.

James stood up. As his mind stirred, he entered the Celestial Abode.

In the courtyard of the Celestial Abode's City Lord's Mansion, Winnie was playing with a purple scythe in her hand. As time passed, the aura the scythe exuded grew increasingly stronger.

"Dad!"

Sensing James' presence, Winnie stored the scythe away and greeted him.

James looked at Winnie.

As the years went by, she transformed from a little girl into a stunning beauty. She stood about 180 centimetres tall, dressed in casual clothing, and had long black hair. Her skin was fair and her features delicate. Her appearance resembled Thea's.

"Winnie, you've turned into a gorgeous beauty."

Winnie looked at James and said, "Dad, I don't want to stay inside the Celestial Abode anymore. I want to leave this place."

James hurriedly shook his head and said, "No way! Do you have any idea where I am at the moment? I'm in the Demon Realm, where there are countless cultivators at the Sage and Divine Ranks. You'll lose your life if you wander about outside."

“But...”

“No buts.” James cut her short and said, “As long as I’m still alive, I’ll protect you. I won’t let your encounter any danger outside. You’ll be safe and sound for the rest of your life.”

“Dad, I’m no longer a child. I’m all grown up now. I want to experience life outside, not trapped here in the Celestial Abode.” Winnie looked at James pleadingly.

She had no motivation to keep cultivating inside the Celestial Abode. She wanted to head to the outside world.

However, James knew what Winnie was. He would not simply sit by the sidelines as he watched her turn into an emotionless Heaven’s Adjudicator

Upon seeing Winnie’s pleading look, James took a deep breath and sighed, “Let’s not rush things for now, alright? We’ll discuss this once I return to Earth.”

After he spoke, he turned to leave.

There was a region behind the City Lord’s Mansion where James’ friends and family resided-the Callahans, the Cadens, Langston, and the others.

All these years, they had grown accustomed to life in the Celestial Abode. When they were free, they would cultivate or even pluck the mysterious berries in the Celestial Abode. Even with the Elysian Seal, their strength had increased by leaps and bounds through the nourishment of countless berries and the Time Chamber.

There was also a village that acted as a huge training ground where the 400,000-strong army would undergo special training and cultivate.

James walked toward the village.

At the entrance of the village, there was a willow tree planted. Beneath the tree sat a thirty-year-old man with dark skin who was staring blankly into the distance while nibbling a tiny blade of grass. It was Henry.

Beside him was a woman, who was dressed in a white dress and had a slender figure.

“Henry, when can we leave?” the woman asked.

The woman was none other than Whitney Walker, Henry’s wife.

Henry sighed. “I don’t know either. I’m very bored too inside the Celestial Abode. I want to travel the world with James.”

“James?”

At that moment, upon noticing James, Henry immediately stood up and cried out delightedly, "You're finally here, James."

"Hey, Henry." James smiled and greeted him.

"James is here!" Henry yelled.

His voice echoed throughout the village, and the villagers walked out.
