The Almighty Dragon General Chapter 2536—Thea was careless and fell for the man's scheme.

The man was famous in the Demon Realm's Mortal Dimension.

He was an important member of the Golden Snakes Clan.

His father was the Clan Leader.

Moreover, he was very powerful, at the peak of the Tribulation Rank's Third Stage, just one step away from entering the Sage Rank.

His nickname was Lord Goldenbane.

The Golden Snakes Clan had a wide sphere of influence.

Bloomshire was the Golden Snakes Clan's territory.

Thea was struck and her body was sent flying.

Immediately after that, Lord Goldenbane quickly charged at her and struck her meridians, sealing her cultivation base.

He stood aside, looking down from above at Thea, who was lying on the ground.

As he looked at her beautiful and alluring face, his heart fluttered.

He had seen beautiful women, but he had never seen someone as beautiful as her.

"Take her away," Lord Goldenbane commanded.

"Understood." Several guards approached Thea, whose cultivation base had been sealed, and took her away.

Mount Golden Snakes was the base of the Golden Snakes Clan.

As soon as she arrived at Mount Golden Snakes, Thea saw a mountain covered with golden snakes.

Some of these golden snakes were large, and some of them were tiny.

Countless golden snakes were before her eyes.

Looking at them gave Thea chills.

She was imprisoned in a cavern on Mount Golden Snakes.

At this location, there were Magic Circles.

Additionally, her cultivation base was sealed, so she could not escape.

In the cavern, there was a bed, tables, and chairs.

Thea's cultivation base was sealed, yet she could still move around.

She approached the door of the cavern room and pushed hard on it.

However, no matter how hard she tried, she was unable to open the door.

With a dejected look, she returned to a chair in the cavern and sat down.

Furrowing her brow, she tried to think of a way out.

She wanted to break the seal of her meridians by force.

However, she was injured.

She could not break through her meridians by force at all.

"Damn it.

I'll definitely kill you when I get out of here." Thea's face was somber.

Now that she was trapped, she had no choice but to wait for her injuries to heal.

Then, she could break through the seal on her meridians.

Regarding this, she was quite confident.

When she was breaking through, the Elysian Seal was present in her body., yet she could even break through the Elysian Seal.

A seal from a mere beastfolk at the Tribulation Rank's Third Stage would be no problem for her.

At this moment, the door opened.

Lord Goldenbane walked in.

He sat across from Thea on a chair and crossed his legs.

He looked closely at Thea, a faint smile on his handsome face.

“You’re already a Sage.

Why are you staying in the Mortal Dimension rather than ascending to the Sage Dimension?” Lord Goldenbane had fought Thea several times, but he had always lost.

He was also aware that Thea was a Sage.

Thea snorted coldly, ignoring Lord Goldenbane’s presence.

Lord Goldenbane went on, “Since you’ve come to Mount Golden Snakes, be at ease and stay here from now on.

I’ll choose an auspicious day for us to get married.

After a short while, I’ll become a Sage.

Then, we’ll ascend to the Sage Dimension together and travel around in the Sage Dimension, making a name for ourselves.” Lord Goldenbane had a wonderful notion.

Thea was too beautiful.

He was attracted to Thea as soon as he saw her.

He wanted to marry Thea.

He wanted to be her partner and make his way in the world with her.

“Don’t even think about it.

Even if I die, I’ll never marry you,” Thea said coldly.

“That’s not up to you.” Lord Goldenbane smiled faintly.

He then stood up, took out a small, blue bottle, and opened it.

While squeezing Thea’s cheeks to force her mouth open, he poured the blue liquid from the blue bottle into Thea’s mouth.

Thea wanted to resist.

However, her strength was sealed.

She could not fight back at all.

Soon, the liquid in the blue bottle was drunk by her.

She had been struggling for a while and was now weak.

She sat powerless on the chair and snapped, "You..."

"What did you make me drink?" Lord Goldenbane smiled faintly and said, "It is a special poison made by the Golden Snakes Clan.

If there is no antidote, after a week, your body will slowly turn into wastewater.

You'll need to take the antidote once a week.

Otherwise, death awaits you."

The Almighty Dragon General Chapter 2537—Lord Goldenbane was beaming.

From his perspective, Thea would not be able to escape his grasp.

Hearing his words, Thea's brow furrowed slightly.

She was not afraid of death, but she still had a lot she had yet to do.

"Think carefully. After you've thought it over, I'll give you the antidote." Lord Goldenbane laughed, then turned around and left.

Thea, on the other hand, became absorbed in her thoughts.

When she was on Earth, she had a Demonic Body.

In her body, there were four kinds of Demonic Blood.

She had no fear of typical poisons at all.

Although the Demonic Energy in her body had been purified, the Four Holy Beasts' blood inside her body was very frightening.

Normal poisons did not frighten her.

However, her body was injured.

She could not break through the seal in her body.

For the time being, she could only make a compromise.

At this moment in time, Lord Goldenbane had arrived at Mount Golden Snakes' summit.

At this location, there was a simple cabin.

He approached the cabin and gently knocked on the door.

"Come in!" A voice came from inside the house.

Lord Goldenbane walked inside.

A middle-aged man was sitting in the lotus position inside the cabin.

He had a slightly rugged appearance, and there were some golden scales on his face.

He appeared somewhat menacing and vicious.

Lord Goldenbane walked over and asked, "Father, how are your injuries?" The middle-aged man spoke softly, "The Heavenly Tribulation is quite powerful.

I'm severely injured.

It'll take a long time for me to recover." "By the way, I found a celestial plant.

I've already instructed an alchemist to make the healing elixir.

Your injuries will be able to recover quickly.

Aside from that, I met a woman from the human race.

She is already a Sage, and she is stunning.

I've decided to marry her and become partners with her." The middle-aged man waved his hand slightly and said, "That is your private matter.

You are free to make your own decision." "Mhm.

Then I'll take my leave now and stop bothering you while you're recovering." After saying that, Lord Goldenbane turned around and left.

Thea had been trapped in the room for five days.

After five days, Lord Goldenbane showed up.

As soon as he entered the room, he sat on a chair, crossed his legs, and asked Thea with a bright smile, "Have you made up your mind, Beauty?" Thea was sitting on the bed in a lotus position.

She cast a glance at him and said softly, "I agree.

However, I'm already injured, and my injuries are getting worse.

You've sealed my cultivation base, so I can't heal.

Give me a healing elixir first." As he heard her words, Lord Goldenbane's face lit up.

He walked over to Thea, wanting to touch her cheek.

Thea stopped him in time, saying, "Before we're married, you're not allowed to touch me." "Okay, okay.

I won't touch you.

I'll give you the healing elixir right now." As he spoke, he took out a healing elixir and the poison antidote and gave them to Thea.

"Babe, you should heal.

I'll make the arrangements for the wedding right away." After saying that, he left.

With a grave expression on her face, Thea took the elixir.

She thought coldly in her heart, 'B*stard.

When my injuries are healed and I've broken the seal, I'll take your life.' She ingested the healing elixir.

Once she did so, the healing elixir dispersed within her body.

A warm sensation spread throughout her entire body, slowly healing the injuries within her.

At this rate, it would take at least ten days for her to recover.

Thus, she would have to hold off the wedding for at least ten days.

The Almighty Dragon General Chapter 2538—After Thea agreed to marry him, Lord Goldenbane was very excited.

His original form was a snake, and he was inherently a womanizer.

However, he never wanted to marry anyone.

Upon seeing Thea, he had a desire for marriage.

In order to hold a grand wedding, he started to send out invitations.

He invited all of the prominent figures in the Mortal Dimension.

The wedding date was also set.

It would take place ten days later.

After the date of the wedding was decided, he went to Thea and told her about it.

“Babe, what do you think?” he asked.

Thea’s strength was currently sealed.

She had no choice but to accept.

She nodded her head softly and said, “You can decide.” “Babe, I want...” He looked at Thea, who was an extraordinarily beautiful woman, with a greedy expression.

He could not help but lick his dry lips as he gazed at her flawless face.

Thea’s expression immediately changed.

She said, stopping him, “ No, you can’t.

Not right now.

After the wedding, you can do whatever you want.” Seeing that Thea was angry, Lord Goldenbane suppressed the desires in his heart and quickly said, “Babe, don’t be angry.

I promise that I won’t touch you before the wedding.

You should rest.

I’ll go outside.” He finished speaking, then turned around and left.

After he walked out of the cavern room, his face darkened.

He said coldly, “Wait and see how I’ll deal with you after the wedding.” Thea, on the other hand, felt relieved.

Currently, the injuries within her body were slowly healing, but she still needed time.

She stopped overthinking and focused on healing.

Ten days went by in the blink of an eye.

The injuries in Thea's body had yet to recover.

Maids had already arrived and began grooming her, changing her clothes, and putting on her makeup.

Soon, she turned into a bride.

She was dressed in a white gown and wore a white veil over her face.

After that, she was led out of the room.

Mount Golden Snakes was bustling with noise and excitement today.

Almost all of the prominent figures in this region had arrived.

They all congratulated Lord Goldenbane.

Lord Goldenbane smiled as he greeted prominent figures from around the world.

It was soon time for the wedding ceremony.

With her face obscured by the veil, Thea could not see who was present.

She could only hear noises coming from all around her.

"T now pronounce you husband and wife." Following the ceremony, Thea was led into a warmly decorated room.

"Babe, you should rest first.

I'll go keep the guests company.

Be back soon," Lord Goldenbane informed Thea after he took her to the room.

There were still a lot of guests outside right now.

He could not stay in the room just yet.

Thea did not say a word.

She simply nodded her head softly and murmured in agreement.

“I’ll be back soon.” After saying those words, Lord Goldenbane left.

Right now, under the veil, Thea’s face was drenched in sweat.

Her injuries had yet to completely recover.

She was currently trying to break through the seal.

She exerted True Essence by force.

As soon as she used True Essence, sharp pain began to spread from the main acupoints in her body.

It was so painful that she was clenching her teeth as sweat covered her entire body and soaked her clothes.

‘Quick. I must be quick.’ Thea was very anxious.

There was not much time left for her.

She needed to break through the seal and regain her strength before Lord Goldenbane returned.

Otherwise, she would lose her chastity.

She was someone with a husband.

Her husband was James, and she did not want to do him wrong.

Thea sat on the bed, completely focused on breaking through the seal.

In the blink of an eye, three hours went by.

Creak...

The door to the room was pushed open.

The Almighty Dragon General Chapter 2539—“Babe, I’m here.” Lord Goldenbane walked in.

As soon as he entered the room, he rushed to Thea and pressed her against the bed.

The moment he touched Thea, he realized her entire body was wet.

“Babe, you...

What happened to you?” He was slightly taken aback.

Immediately after, he seemed to have thought of something, and his expression changed slightly.

“y-you’re breaking the seal?” he exclaimed, then he laughed.

“Babe, it’s no use.

Don’t waste your efforts.

This is my clan’s unique sealing technique.

Even cultivators several ranks higher than you can’t break the seal, let alone you.” He removed the veil from Thea’s face.

Thea was currently drenched in sweat.

Her clothes were also soaked, making her look enticing.

Lord Goldenbane looked at Thea as her clothes clung to her skin, revealing her perfect figure.

He could not help but be infatuated.

“You truly are a peerless beauty.

I’m in luck tonight.” After saying that, he pounced on Thea.

“Wait,” Thea spoke up in time and said, “D-Don’t rush.

Y-You should first take a shower.” Thea was so anxious she was stumbling over her words.

“alright. I’ll go.

Wait for me.” Lord Goldenbane could not have been unaware of what Thea was thinking.

She was just trying to stall for time.

Nonetheless, he was quite confident in his seal.

He believed Thea could not break through it.

While humming a little tune, he left to take a shower.

Thea felt temporary relief.

She took a deep breath, adjusted her state, and then worked hard to break the seal in her body.

Once she managed to break through one acupoint, the rest would be easy.

Minutes and seconds passed by.

In the blink of an eye, half an hour had passed.

Lord Goldenbane walked in once again.

He walked over naked to the waist, wearing nothing on his upper torso.

“Babe, I’m here.” With a brilliant smile on his face, he walked over to one side of the bed.

He took Thea’s hand and moved to kiss her hand.

Thea was torn with anxiety.

Currently, the power of the Four Holy Beasts’ blood was pushed to the maximum, swimming around in her meridians with speed and slamming against the seal in her body relentlessly.

Boom! At this moment, a sealed acupoint was broken through.

An extremely terrifying aura suddenly emanated from within her body.

When he sensed a shift in Thea’s aura, Lord Goldenbane’s expression changed slightly.

He was about to strike and once again seal Thea.

However, Thea was very fast.

She raised her hand and struck Lord Goldenbane’s body with great force.

Lord Goldenbane was immediately sent flying.

Boom! His body smashed the door to bits as he flew outside and landed hard on the ground, which drew the attention of the guards outside.

“Young master!” Some guards quickly rushed over and helped him up.

Thea had already walked outside.

There was a black sword in her hand.

The sword’s blade was slightly curved.

After Thea broke through the first acupoint, True Essence surged in her body, and the rest of the acupoint seals were instantly broken through.

Holding the Malevolent Sword, she walked outside, her pretty face darkened.

She said coldly, “You foul beast.

I treated you with kindness, yet you attacked me sneakily and even wanted to marry me.

I’m going to cut you to pieces.” She charged at him with the sword in her hand.

“Go.

Take her down.” Lord Goldenbane’s face was a little pale.

At this moment, he was filled with regret.

If he had known, he would have slept with Thea as soon as possible.

Then, this would not have happened.

Knowing how powerful Thea was, he crawled up from the ground then turned around and fled after giving his order.

He would be no match for her if they fought.

With swords in hand, dozens of guards charged toward Thea.

The Malevolent Sword in Thea’s hand was unsheathed.

Whoosh! A flash of black Sword Light appeared.

Immediately, the bodies of dozens of Golden Snakes Clan’s guards were cut in half and scattered across the ground.

The Almighty Dragon General Chapter 2540—Thea did not want to kill anyone.

When it came to Outsiders, she had been incredibly tolerant.

However, Lord Goldenbane went overboard.

If she did not kill him, she would not be able to get rid of the hatred in her heart.

Dozens of Golden Snakes Clan's guards had rushed over.

These guards were all very strong.

All of them had reached the Mage Rank.

If they were on Earth, they would definitely be top cultivators.

However, these guards of the Mage Rank were unable to defend themselves against a single attack from Thea.

The bodies of several dozen guards were severed.

They were scattered across the ground, lying in pools of blood.

The scene was a little horrifying.

Lord Goldenbane suffered a palm strike and was already injured.

He quickly fled.

However, when he noticed the guards were killed in a single attack, his legs became weak from fear.

Thea chased after him, wielding the Malevolent Sword.

In a matter of seconds, she caught up to Lord Goldenbane.

The black Malevolent Sword was placed on his neck.

Lord Goldenbane was so frightened that he broke out in a sweat.

He did not even dare to pant.

With his face tinged with fear, he looked at Thea, whose face was filled with indifference, and pleaded, "D-Don't kill me.

I beg of you.

Please don't kill me.

You're poisoned.

If you don't have my antidote, you won't be able to live for long either." "Hmph." Thea snorted coldly.

What could a mere poison do to her? The commotion at this place attracted the attention of many cultivators.

Some cultivators immediately rushed over.

These cultivators were all invited to the wedding by Lord Goldenbane.

All of them were prominent figures in this region.

Although they had not reached the Sage Rank, almost all of them had entered the Tribulation Rank.

"What's happening?" "Why are they fighting?" All of these cultivators who had rushed over looked perplexed.

As he was being watched by so many living beings, Lord Goldenbane felt embarrassed.

He was a prominent figure as well, but now he was being watched in amusement.

He said in a lowered voice, "F-First, put your sword away.

If there are any problems, we can discuss them in private.

How about that?" During these past few days, Thea had been holding back, waiting for this moment to come.

In the face of Lord Goldenbane's plea, her resolve did not waver.

She raised her hand and swung down her sword.

Zzt! A head hit the ground.

Thea did not show any mercy.

As she watched Lord Goldenbane's head hit the ground, she slowly put away the Malevolent Sword.

Around her, many powerful cultivators had gathered.

When these cultivators saw Lord Goldenbane was killed, they were all scared stiff.

"Wha-?" "The bride killed Lord Goldenbane?" "What exactly is happening?" All of these cultivators were in disbelief.

Thea, on the other hand, ignored them.

She turned around and walked away.

Something occurred to her as she was just about to leave.

The main reason she came to the Demon Realm was to find James.

However, even though she looked for James for such a long time, there was still no sign of him.

These cultivators came from the Demon Realm's Mortal Dimension and from all over the world.

Perhaps they knew James or had seen him before.

She stopped, then turned around and look at the living beings behind her.

All of these living beings backed away warily.

Lord Goldenbane's strength was quite remarkable, yet he was killed easily.

If Thea wanted to kill them, there was no chance they would survive.

Thea looked at these people who were from around the world and asked, "I want to ask you about a person.

His name is James Caden.

He's from Earth." Her voice rang out.

After they heard her words, they felt relieved.

"James Caden? Who is that? Never heard of him." "T've never heard of him either."
"James Caden..."

this name sounds a bit familiar.” Hearing that, Thea appeared in front of the one who said that in a flash.

He was humanoid, but his race was unknown.

“you’ve met him before?” Thea fixed her gaze on this man.
