The Almighty Dragon General Chapter 3081-The Oscars were one of the most influential families in Elixir City. Even if the Elixir Pavilion's Master were to visit them, they would not put so much effort into welcoming him.

Meanwhile, the entire city continued to discuss James.

"Did you see the powerful cultivator that defeated Kai with just a wave of his hand? He even shattered Kai's Path Seal."

"I saw him!"

"He's young but so strong! With just a wave of the hand, he summoned countless Paths."

"What's his origin?"

"I've no idea."

Regardless of rank, all the cultivators within Elixir City were discussing James, trying to figure out his origin.

Meanwhile, James left Sky City with Jules and headed toward Elixir City. Monica also accompanied them.

As soon as they left Sky City and arrived on a mountain path, a gorgeous woman immediately approached them.

The woman wore a white dress and had an alchemist badge on her chest. She was beautiful and had an outstanding temperament.

"James?"

Seeing James' party approaching, she was stunned. Then, she walked over and looked at James in disbelief. "Why are you here, James?"

"Yuina?"

James was also shocked to see her.

She was the woman he met after he sold the elixirs he had refined.

"Sis, what brings you home?"

Jules was also surprised to see her and asked, "Do you two know each other?"

Yuina was stunned.

'Could it be that Jules brought James here?'

James said smilingly, "We've met before. I never expected her to be your younger sister."

Jules thought for a while, pulled Yuina aside, and whispered, "What's going on, Yuina? How do you know Mr. Caden?"

"Mr. Caden?"

Yuina was taken aback by Jules' formal manner toward James.

Then, she returned to her senses. Someone who could easily summon an Ancestral God Weapon was indeed worthy of such respect.

Yuina began to explain how she met James while he was selling elixirs.

Hearing her recounting their encounter, Jules had a clearer picture.

Then, he said smilingly, "Yulia invited Mr. Caden to the Oscar Residence for dinner. Since you're back, let's go together."

"I-I still have to report back to Father."

Before Yuina could continue speaking, Jules interrupted her, saying, "There's no rush."

Then, he pulled Yuina close to James.

Jules took Yuina's hand into James' hand and said smilingly, "I'll leave my sister to you, Mr. Caden."

James was startled.

Yuina's pretty face blushed, and she quickly withdrew her hand. She immediately expressed her dissatisfaction, "What are you doing, Jules?"

Jules said smilingly, "Mr. Caden, my sister is very shy and hasn't been in a relationship before. You just need to go on a few more dates with her."

James was speechless.

Jules was trying to matchmake him and his sister.

"I-I'll go back first! Let's talk another time."

Yuina babbled and excused herself.

After she left, Jules asked smilingly, "What do you think of my sister, Mr. Caden?"

James commented, "She's decent and very beautiful."

With a bright smile, Jules clasped his hands and cheered, "Perfect!"

The Almighty Dragon General Chapter 3082-Jules was thrilled.

James was an unrivaled powerhouse. If Yuina and James became a couple, he would become related to James. In the future, no one would dare to touch him.

"Mr. Caden, this way, please."

Jules gestured to James with a smile.

James did not say anything much about the situation.

The three departed and soon arrived in Elixir City.

Countless powerhouses were gathered in Elixir City. James' appearance immediately caused a sensation.

Despite the streets being full of people, they consciously made way for him.

"It's him!"

"The man beside the Elixir Pavilion's Young Master is the one who defeated Kai!"

"Is he really that strong? I can't tell since his energy is so weak."

"What do you know? He must be staying low-key because he's humble."

Constant discussions surrounded James.

Hearing their conversations, James was troubled. He did not expect Emperor Jabari's casual interference to have caused such a huge commotion. Now, it would be hard for him to keep a low profile even if he wanted to.

'I hope this doesn't cause me trouble in the future,' thought James.

Soon, they arrived at the Oscar Residence.

It was a luxurious mansion. The streets outside the mansion were covered in red carpets, and many people were gathered at the gate. Standing in the lead was Yulia.

Accompanying her was the Oscars' Great Elder, Saffron, as well as some other core members of the family.

They looked into the distance, waiting for James to appear.

Benedict did not show up to welcome James. He was a Grand Emperor and an Emperor Rank Alchemist. He had his pride, so he refused to personally show up to greet the rumored powerhouse, James.

Suddenly, someone shouted, "He's here!"

As soon as the words left his mouth, everyone stared into the distance and saw the three people approaching the mansion.

Jules pointed ahead and said, "Mr. Caden, that's the Oscar Residence. The Oscars aren't ordinary people. The head of the family is a Grand Emperor and also an Emperor Rank Alchemist. His prestige is very high..."

Jules briefly ran James through the Oscars' background.

"Yulia, on the other hand, is a very influential person in Elixir City. Although her cultivation rank is relatively low, she's a very smart businesswoman. She's in charge of managing all of their family's business.

"She has many suitors, but none of them are to her liking."

Speaking of suitors, Jules had a dejected look. He had also pursued Yulia for a long time, but she was always indifferent to him.

James nodded in response.

Soon, they reached the Oscar Mansion's gate.

Yulia immediately walked over.

She wore a red dress and looked stunning. She had fair skin and seductive red lips. Her every move was glamorous.

Yulia took a few steps forward and smiled brightly.

She greeted James with a bright smile, "Mr. Caden, we've been anticipating you. I'm glad to finally see you again. Please do come inside."

Then, a loud and neat chant resounded, "Welcome, Mr. Caden!"

The family's core members at the gate bowed slightly to welcome James into the house.

The Oscars were a powerful family. Those at the gate greeting James were all strong cultivators. The weakest among them was a Quasi-Emperor. Any one of them could easily crush James.

James felt slightly embarrassed by the grand welcome. He scratched his head and said, "This is too much, Yulia."

Jules interrupted and said, "Mr. Caden likes to keep a low profile. Do you understand?"

"Of course, of course!"

Yulia immediately understood his words and ordered, "Everyone's dismissed."

The Almighty Dragon General Chapter 3083-The Oscars' core members at the gate immediately dispersed.

"This way, please."

Yulia invited James into the mansion.

James walked into the Oscar Residence.

He sat down inside the reception hall of the Oscar Residence. Various kinds of Empyrean fruits containing abundant energy were placed on the table in front of him.

Even Monica could not help but drool upon seeing them and thought, 'This is too extravagant!'

James also gave in to the temptation and picked up a translucent fruit to munch. After a bite, energy emerged from the fruit's juices and spread throughout his body.

His body's pores immediately opened, and mysterious energy emerged from them. James felt as if he was about to ascend into the sky.

"Amazing."

He could not help but praise the fruit.

Meanwhile, Yulia had a strange expression as she watched him eat the fruit.

To her, these fruits were just decoration.

Powerhouses were not interested in these kinds of Empyrean fruits. However, James seemed to like them. If she had not seen him attack Kai, she would think that James was just a Sage.

She smiled and said, "Haha. You should have more if you like them. If these aren't enough, I can order our servants to harvest more from our orchard."

James had experienced a lot in the past and knew nothing was free.

The Oscars must have invited him over for a purpose.

"Go ahead and tell me what you need," James said lightly.

Yulia was stunned by his question.

"What do you mean?"

She was puzzled.

She invited him over simply to build a good relationship with a powerful cultivator.

"Uhh..."

James was stunned for a moment. Then, he waved his hand, saying, "Nevermind."

He felt like he had misspoken.

His cultivation rank was still low, and he could not perform the role of a powerhouse very well.

Thinking of this, he felt embarrassed and coughed a few times.

Fortunately, Yulia did not ask any more questions.

To her, powerful people were all quite strange.

"Mr. Caden, my name is Yulia. It's a pleasure to meet you."

Yulia suddenly stood up and introduced herself.

James also wanted to stand up. However, he remembered to stay in character. He remained seated and nodded slightly to Yulia, saying, "Mhm. I've heard Jules speak about you. It seems you're very talented."

Yulia was delighted to be praised by a powerful person.

Jules took the opportunity and said, "Look how good I've been to you, Yulia. I've been praising you in front of Mr. Caden. If he's happy, he might even gift you a Secret Art. You'll be set for life!"

Yulia immediately understood his words and hurriedly said, "It would be an honor, Mr. Caden."

James rolled his eyes.

Jules was making things difficult for him.

Where was he going to find a Secret Art to give her?

However, the words had been spoken, and now he would have to give her something.

Yulia was currently in charge of most of the Oscars' affairs and had seen all kinds of treasures.

Ordinary things would not please her.

Moreover, there was nothing he had that was suitable for Yulia.

"Ahem."

James coughed and said, "I heard the head of the Oscars is an Emperor Rank Alchemist. I have a bit of experience in alchemy as well. Would I have the chance to discuss alchemy with him?"

"You're an alchemist too, Mr. Caden?" Jules was shocked.

Yulia hurriedly replied, "Of course! That won't be a problem! I'll go and invite my father over right now."

The Almighty Dragon General Chapter 3084-Benedict was the head of the Oscars.

He was usually very low-key and did not wander outside.

Benedict entrusted the Oscars' affairs to Yulia.

Yulia had outstanding abilities and managed the family's affairs very well. Moreover, she had befriended various influential people.

Benedict had acquiesced to most of her actions and decisions.

He also agreed to host James at their residence today.

Although he knew about it, he did not show up. From his perspective, he was also a powerful person, and he did not need to befriend other powerhouses.

Thus, he continued with his seclusion.

Tap, tap, tap.

Footsteps resounded.

Yulia showed up at Benedict's seclusion sanctuary in her red dress. She looked at the man sitting in a lotus position on the ground and said respectfully, "Father."

Benedict slightly opened his eyes and looked at Yulia. He nodded and asked, "I thought you were holding a feast for someone. Why are you here?"

Yulia said, "Father, Mr. Caden claims to be an alchemist and wants to share some of his alchemy experiences with you."

"Oh, is that so?"

Benedict was surprised.

An Alchemist?

He knew almost all of the powerful alchemists in the world.

However, he did not know who James was.

After being slightly taken aback, he said smilingly, "Presumably, this man is trying to use this opportunity to curry favor with the Oscars."

Yulia immediately said, "That's not true, Father. I saw him make a move with my own eyes. He easily defeated Kai, the Spiritual Realm's Lord. His strength has definitely surpassed the current Elixir Pavilion's Master. He's definitely at a cultivation rank higher than a Fifth Heaven Grand Emperor.

"The Elixir Pavilion's Young Master respects him a lot.

"His cultivation rank must be incredibly high. For us to overtake the Elixir Pavilion, we have to befriend him and pull him to our side..."

Before Yulia could finish speaking, Benedict's face darkened.

Yulia noticed and immediately stopped speaking.

Benedict glanced at her and said softly, "You better stop speaking of such things."

"Yes, Father. I understand."

Benedict said, "Since you insist, I'll meet him."

"This way, Father."

Yulia gestured to him.

James waited in the reception hall for a while. Then, Yulia returned with a fairly young-looking man. He was probably around his mid-twenties and looked relatively handsome.

He strode into the reception hall, emanating an authoritative demeanor.

Yulia walked over to James and introduced, "Mr. Caden, this is my father."

Benedict looked at James. After sensing that James was only at the Sage Rank's Twenty-Fifth Stage, his face had a trace of disappointment.

However, he quickly concealed it and sat down.

Benedict said coldly, "Nice to meet you, James. I hope you're enjoying yourself?"

James looked at Benedict, and the black Curse Inscriptions in his body immediately reacted. Suddenly, James felt as if his mind had cleared up and entered a different state.

At that moment, he sensed a trace of Curse Power from Benedict.

After sensing the Curse Power, James frowned.

'Why does Benedict have Curse Power on him? Could he also be a member of the Sanctuary of Darkness?' thought James.

Jules sat beside him and asked, "What's wrong with you, Mr. Caden?"

Hearing his voice, James looked at Jules. Once again, he was startled. He could see Jules being surrounded by black energy.

The black energy was Curse Magic.
