The Almighty Dragon General Chapter 3513-James stared blankly into space in the courtyard.

Meanwhile, Thea had already gone searching for Sienna and told everything to her.

Hearing this, Sienna fell silent. After some time, she asked, "Did James agree to this?"

Thea shook her head slightly and said, "Not yet, but he will. This is his only way to survive."

Saying that, she glanced at Sienna.novel.xo

"Sienna, James is an unrivaled genius. If someone like him joins the Callahans, we will reach even greater heights. You have to convince him."

Sienna opened and shut her mouth. Then, she nodded slightly and said, "I will try."

"Mhm."

Thea then turned to leave.

Sienna left her accommodation and went looking for James.

Just as James was staring blankly into space in the courtyard, a knock that came on the door interrupted his thoughts. Then, he said, "Come in."

Sienna walked in and greeted him with a sweet smile, "Hey there, James."

Her voice was melodious and bewitching.

James hurriedly stood up, "What brings you here, Sienna?"

Sienna took a seat and said, "Thea told me everything about Mount Heavenly Path. What's your opinion?"

Hearing this, James' expression turned grim as she said, 'To be honest with you, I only have feelings of admiration toward you, not love. The woman I love is Thea, and I came here just for her.'

Hearing this, Sienna was crestfallen. Though this was an obvious fact, she simply refused to believe it. Though she was dismayed, she forced a smile and said, "I know you love Thea. Anyone can see that. However, Herschel has stated his demands. To survive, you need to go to Mount Heavenly Path."

“Besides...”

She paused for a brief moment before continuing, ‘Thea acts coldly toward all men, even the Young Master of Mount Heavenly Path. However, if you work hard, you will have the chance to win her heart in the future. As long as you remain in the Callahans by marrying me, all is not lost.”

She came here to convince James. Sienna was more than willing to marry James. After all, he was the one who saved her. From the moment she regained consciousness, James was right before her. At that moment, she was determined to marry James. For him, she was willing to do anything.

“We can fake our marriage. That way, you can remain in the

Callahans. After our marriage, I won’t stop you from doing anything you want. If you wish to chase after other women, I won’t mind,” Sienna said.

James sighed and said, “But this isn’t fair to you.”

Sienna smiled and said, “You were the one who saved my life. If it weren’t for you, I would still be in a state of Energy Deviation, imprisoned in the iron cage far away from sunlight.”

“You really don’t mind?” James asked.

Sienna shook her head slightly and said, “When Thea falls for you, I will leave voluntarily.”

The more magnanimous Sienna was, the more guilty James felt. He could not sacrifice the happiness of others for his own sake.

“Let me think this over.”

At that moment, James was at a loss.

Sienna stood up and reminded him, “We’re running out of time. You only have five hundred years. You have to make a decision as soon as possible and head to Mount Heavenly Path.”

After speaking, she turned to leave.

As James watched her retreating figure, he felt awful deep inside. He sighed, “What have I done to deserve your sacrifice?”

The Almighty Dragon General Chapter 3514-Thea returned to her closed-door meditation sanctuary. This was an underground basement. As she sat in a lotus position on the ground, the figure that had always been on her mind since she was young resurfaced. She was puzzled about the constant appearance of the figure. Just who exactly was he? Why would he appear in her mind? This figure was extremely similar to James'. Though she suspected James, James was simply too young.

Meanwhile, she had lived for several Epochs. James was not yet born when she was born. So, this figure could not possibly be James.

She had her reasons for arranging for James to remain in the Callahans. There were two objectives, in essence. One, James possessed immense potential. If he remained in the Callahans, the family would gain an additional powerful figure. Two, she wanted to get to the bottom of the figure that constantly appeared in her dreams. She wanted to wait for the figure to turn around and face her so that she could discern his appearance. If it truly were James, that would mean she had an intimate relationship with him and that James' strength would reach a terrifying level in the future. Even if he came from a different age, James could still use Karma to affect her. If James truly was the figure, she could not care less even if he married Sienna. Worse comes to worst, she would not mind polygamy.

Taking a deep breath, she forcibly calmed herself down.

Meanwhile, James was stuck between a rock and a hard place. He was contemplating whether he should head to Mount Heavenly Path. Even if he chose otherwise, he was confident that he had the strength to survive for the remaining time.

Time passed.novel.xo

In the blink of an eye, three months passed.

Three months later, Thea and Sienna appeared.

Sienna was dressed rather differently today. Wearing a red wedding gown, she looked absolutely gorgeous.

This stunned James.

Thea spoke to break the awkward silence.

"The time has come, James. You should depart. Sienna will be waiting for you at Mount Heavenly Path."

James sighed and said, "Thea, I have told you many times that I love you. How can I possibly marry Sienna?"

Thea said coldly, "And I've told you that I don't have any feelings towards you. Whether or not I will fall for you in the future will depend on you."

As the bride, Sienna was dismayed upon hearing her loved one confessing his love to another woman. However, she forced herself to smile.

"We'll talk about this in the future, James. Even if you don't like me now, I will make you fall for me when we are married."

Sienna was a prodigy as well. No matter her looks or potential, she was not beneath Thea. So she was confused about why James would fall for Thea.

"Think twice, Sienna. This concerns your chastity for the rest of your life." James warned her.

Sienna nodded and said with a serious look on her face, "I have thought this through. Let's proceed based on what we agreed upon. I will first head to Mount Heavenly Path and wait for you there. I believe you will overcome all obstacles and reach your destination in five hundred years."

Then, Sienna's body flashed, and she disappeared without a trace.

Only James and Thea remained. Now that they were alone, James had so many things to talk about with her. However, since they were all concerning the future, Thea would not be able to hear him anyway.

The Almighty Dragon General Chapter 3515-"How's your comprehension of Karma going?" Thea glanced at him and asked.

She was curious to know whether James had cultivated Karma. If he did, he would be able to control everything with Karma.

James nodded slightly and said, "Thanks to you, I have successfully comprehended the Karma Script and cultivated Karma Power. Now, I have already cultivated the Karma Path Seal."

Hearing this, Thea was stunned.

This changed her opinion of James.

She took a deep breath and said, "Alright not, stop your dillydallying. Let's depart at once. I'll be waiting for you at Mount Heavenly Path."

After speaking, she disappeared.

James was at a loss.novel.xo

After some time, he murmured and said, "Now that things have come to this, I have no choice but to head to Mount Heavenly Path. I really feel bad for Sienna though..."

After arriving at Mount Heavenly Path, he planned to compensate Sienna by giving her the Dark Wellspring.

Then, he strode forward and walked out of the Callahans.

At that moment, thousands upon thousands of disciples had gathered outside. Over the past few months, word of Herschel's 500-year limit had spread across the entire universe. Since every powerful figure of the universe had already gotten word of this, the disciples of the Callahans knew about this.

"Curse that James... What has he done to deserve Sienna's hand in marriage?"

"He got his hands on Sienna just like that... Curse him!"

As they watched James arrive at the gates of the Callahans, everyone's heart was full of fury and frustration. However, they did not dare overstep their boundaries.

Apart from the disciples of the Callahans, there were also many other outsiders as well. Upon hearing of the news, they hurriedly made their way here to watch the show. They wanted to follow James and watch how he would overcome all obstacles and reach Mount Heavenly Path.

"Mount Heavenly Path's Young Master has set a time limit of 500 years. I heard he's determined to get rid of James once and for all. He even sent prodigies on the Martial Ranking after James."

"Really?"

"The prodigies of the Martial Ranking?"

"But of course! I bet that James will die a horrible death the moment he steps foot outside the Callahans, let alone reach Mount Heavenly Path."

"The Young Master of Mount Heavenly Path has already stated that Sienna Callahan is waiting for him at Mount Heavenly Path in a wedding gown. Whoever annihilated James will be able to marry her in his stead."

‘That’s what I heard as well. Herschel said that he’s a man of his word.’

Many living beings gathered outside the Callahans to watch the show.

As James appeared, he overheard their chatters. Immediately, his face darkened, and he clenched his fists, saying coldly, “Killing me won’t be as easy as you might think.”

Then, he strode forward.

At the same time, on Mount Heavenly Path-

Sienna and Thea had arrived.

Upon Sienna’s appearance, Herschel stood up and gaped at her face. Stunned by her beauty, he said, “What a beauty! I wonder who will be the lucky one.”

Sienna glared at him and grunted coldly.

Thea, on the other hand, questioned him, “Why didn’t you discuss the marriage with Sienna with me in advance?”

Herschel smiled faintly and said, ‘There’s no point in discussing something so inconsequential with you. Besides, this is the only way to motivate some secluded prodigies to fight James.’

“Hmph.” Thea grunted and said, “I’m afraid you’re about to be disappointed. Though James’ rank is low, he’s invincible against anyone below the Quasi Ancestral God Rank.”

The Almighty Dragon General Chapter 3516-Thea was fully confident in James. After all, he had cultivated the Karma Path, which was the most powerful among all Paths. Since antiquity, no one had been able to cultivate the Karma Path except for James. In addition to other Paths, James was invincible against all below the Quasi Ancestral God Rank. Even a Macrocosm Ancestral God who suppressed his power might not stand a chance against James.

“Hahaha...” Herschel laughed and said, “We will see. Let’s pray that James will be able to overcome all obstacles and arrive at Mount Heavenly Path.”

Thea did not respond. Now, nothing she said would matter. The only thing she needed to do was to wait patiently.

Meanwhile, outside the Callahans...

James had left the Callahans. Upon leaving the Callahans, someone was blocking his way.

A man was standing on an empty plot of land before him. Wearing a grey robe with a broadsword pierced into the ground, he simply stood there while exuding a terrifying aura.

He had been waiting here for some time now.novel.xo

The moment James walked out of the Callahans' sphere of influence, he saw the man blocking his way. He had been prepared for battle and was ready to strike down anyone standing in his way.

James stopped a kilometer away from the man. Meanwhile, countless living beings surrounded them. Some of them were in the Ancestral God Rank, whereas the others were in the Grand Emperor Rank."

'That's Xesus Leofwine who's ranked thirtieth on the Martial Ranking." Someone recognized the man.

'That's right. He's Xesus Leofwine."

"Xesus Leofwine came from an ancient sect. He possesses immense power. Though he's ranked last on the Martial Ranking, there's no weakling on the Martial Ranking."

James overheard the chattering.

"What the heck is the Martial Ranking?"

He furrowed his eyebrows.

It was the first time he had heard about this. As he scanned his surroundings, his gaze was fixed on a nearby individual. Seeing that James had his sight on him, the individual hurriedly stumbled backward and hurriedly said, "I-I'm only here to watch the show. I don't plan on fighting you."

James smiled faintly and asked, "What is the Martial Ranking?"

Hearing this, the man breathed a sigh of relief and explained, 'The Martial Ranking is a ranking for all those beneath the Quasi Ancestral God Rank. Only those below the Quasi Ancestral God Rank have the right to be on the ranking. Everyone in the ranking is extremely powerful.

Though Zenaida Xayah, whom you defeated, is invincible in

the Sixth Heaven Grand Emperor Rank, she was not on the ranking.”

Hearing this, James immediately understood.

“Martial Ranking... Number thirtieth... To me, they are all nothing but ants.”

James said coldly.

The broadsword before Xesus was golden, and the broadsword glimmered a golden light. With his hands to the back, his black hair flowed with the breeze.

At that moment, he made his move. The moment he charged toward James, he grabbed the broadsword on the ground and slashed him ferociously. The moment he made contact with the broadsword, the broadsword was already above James’ head.

At that moment, a powerful Formation Boundary appeared in the surroundings.

This was the territory of the Human Race. Since there would be great destruction caused by this battle, many powerful figures watching from the sidelines immediately set up a Formation Boundary upon seeing Xesus charge at James. With James’ strength, he could not destroy the area outside of the boundary yet.

Swish!

A terrifying Broadsword Light charged toward James, carrying destructive power.

The Almighty Dragon General Chapter 3517-James’ body disappeared without a trace, and he dodged the attack. At that moment, the ground shattered due to the impact. However, due to the boundary, the fissure did not spread.

In the next instant, James suddenly appeared behind Xesus and struck with great force with his palm. However, despite his full force, he was unable to cause true damage to Xesus and could only knock him back.

Xesus staggered backward due to the great force.

Seeing that he was unscathed, James was stunned, “What terrifying physical strength...”

Many were stunned as well.

“As expected of a powerful figure of the Martial Ranking... His physical strength is unrivaled.”

“But of course! To be on the Martial Ranking, a strong physical body is a must. Those who are on the ranking have a physical strength equivalent to the Ninth Heaven Grand Emperor.”

“Not only that, they must be geniuses who have cultivated at least five Paths.”novel.xo

“The ruler of the universe once openly said that the world needs the protection of those on the Martial Ranking.”

Many conversed.

Meanwhile, on Mount Heavenly Path...

Herschel, Thea, and Sienna were all watching the scene. Upon witnessing the scene, Herschel smiled faintly and said, “That guy is ranked last on the Martial Ranking. Do you think that James can make it to the end, Thea? Even if he could, can he emerge victorious against the number-one ranked on the Martial Ranking?”

Herschel had full confidence that James would perish along the way to Mount Heavenly Path.

Thea’s expression was devoid of emotions as she glanced at Herschel and said coldly, “Hmph, if James is in a similar rank as him, he would be able to finish him off in a single move.”

Herschel said with a pitiful look on his face, “What a shame that he’s not in the Ninth Heaven Grand Emperor Rank.”

“We will see,” Thea said coldly.

She believed that James was invincible against anyone under the Quasi Ancestral God Rank. After all, he had cultivated the Five Great Paths and the Karma Path. Even the one who ranked first in the Martial Ranking would not stand a chance against him.

On the battlefield outside the Callahans...

There was a mysterious boundary in the surroundings of the battlefield.

The moment James crossed fists with his foe, he immediately knew just how terrifying Xesus was. Xesus’

physical strength had reached the Ninth Heaven Grand Emperor Rank, and his rank was even more horrifying. Since this was his first battle upon leaving the Callahans, James had to achieve a perfect victory.

Standing in mid-air, his mind stirred, and the Path Seals in his body exuded power. Apart from the Dark Path Seal, all other Path Seals were activated. As this was the Illuminated World, he could not perform the Dark Path Seal. Besides, Radomir had warned him against leaking any information regarding the Dark Wellspring. If he used the Dark Path Seal, he would be suspected.

As the Path Seals exuded immense power, this power circulated throughout his body, and his aura soared. Soon, his aura reached the pinnacle. At that moment, James exuded an unrivaled aura, and he seemed to be a supreme being who could disregard all living beings.

Standing in the distance, Xesus was holding his golden broadsword. At that moment, the inscription engraved on the broadsword began to glimmer, giving the broadsword power, which was in turn transferred to Xesus. At that moment, Xesus' aura soared.

Upon seeing this, many in the crowd held their breaths and watched intently.

"Can James win?"

"I heard that he's only just reached the Grand Emperor Rank."

"If he does, he will be a legend."

"If he wins against Xesus Leofwine, he would be the first in history to make it onto the Martial Ranking without being a Ninth Heaven Grand Emperor."

The Almighty Dragon General Chapter 3518-No one believed James could win. Even if James' results were impressive—considering that Zenaida Xayah, a Sixth Heaven Grand Emperor perished at his hands-the man before James was an extremely powerful figure on the Martial Ranking. To many people, James was sure to lose.

As Xesus held the golden broadsword, the mysterious inscription on the broadsword began to circulate. This was an ancient inscription that contained mysterious power. Now, that power had been activated and entered Xesus' body. His body flashed, and he disappeared without a trace. In the next instant, he was already before James. Upon his appearance, the broadsword in his hand was already above James' head.

Faced with this sudden attack, James remained composed. He inclined his body slightly and dodged the attack. As the broadsword descended, terrifying Broadsword Light materialized. As the Broadsword Light struck the ground, the earth shattered and the ground shook. The region was immediately destroyed by the terrifying Broadsword Light. Due to the Formation Boundary, the destruction did not spread outside.

Seizing the opportunity, Xesus changed his tactics and attacked James once more. His speed was extraordinary, and each slash contained terrifying power.

However, this was considered insignificant to James. As he controlled the Space Path, he traversed through space easily and dodged the chain of attacks.

“Break!” Xesus roared.novel.xo

His deafening roar contained immense power, shattering the space inside the Formation Boundary. As the space had shattered, James could no longer travel using the Space Path.

Swoosh!

Xesus’ body flashed, and he appeared in mid-air. As he waved the golden broadsword in his hand, thousands upon thousands of Broadsword Light appeared, forming an interwoven web to envelop James.

At that moment, the Crepe Myrtle Divine Sword appeared in James’ hands. With the Divine Sword in hand, he began to fight back. Using the Sword Path to materialize Sword Energy, he fought against the Broadsword Light directly.

However, Xesus’ Sword Path was terrifying and had immense power. James’ Sword Energy was immediately extinguished. In an instant, countless Broadsword Light struck James. The moment they landed on James’ body, however, time stopped.

As the Broadsword Light remained frozen in mid-air, James dodged the attacks easily. The moment time stopped, Xesus summoned a great force to break the freezing of time and continued his relentless attack on James.

The fierce battle continued inside the Formation Boundary.

James catalyzed all power from all the Path Seals except for the Dark Path Seal and met Xesus’ attacks. Though Xesus was strong, he could not do anything against James, who mastered so many Paths. As the battle progressed, he began to lose ground.

He simply could not use his power effectively. Whenever James was about to be dealt the fatal blow, he would escape using the Space Path. This infuriated him.

Swoosh!

As Xesus retreated to the rear, he casually waved his hand. At that moment, a mysterious inscription emerged and swiftly formed a terrifying Broadsword Light, which swept toward James while carrying destructive power.

Everywhere the Broadsword Light passed caused the void to crack. At that moment, time stopped. However, the Broadsword Light did not. The moment Xesus launched his attack, he surpassed even the limitations of time. In an instant, he appeared before James and pierced through his body.

Gasp!

A gasp came from the crowd.

“J-James was struck!”

“How terrifying...”

‘That attack has surpassed even the limitations of time.

Even if James controls the Time Path, it’s no use.”

“No, I disagree. James failed to dodge the attack because his comprehension of the Time Path isn’t high enough. If they are in the same rank, James might be able to stop the attack.”

Many exclaimed.

As James’ body was pierced, there was a hole in his body. He was instantly injured, and this caused the Heavenly Path’s injuries inside his body to aggravate. Previously when he cultivated in the Dark World, he cultivated the Dark Path Seal that could effectively suppress the Heavenly Path’s injuries inside his body. Now, they were basically negligible. However, the once suppressed Heavenly Path’s injuries had been active again. So, he had no choice but to catalyze Dark Power to suppress the injuries. Then, as he catalyzed the power of the Life Path, a strong vitality washed over his body, and his injuries rejuvenated at an unbelievable pace.

Standing in the distance, Xesus stared at James.

At that moment, he was wearing a grim expression on his composed face. He never expected James to be this troublesome.

Standing in the void, he pointed the golden broadsword in his hand at James, and a terrifying power was generated. This shapeless power crushed James, so much so that he had trouble breathing. Under the overwhelming pressure of the shapeless power, his physical body began to show cracks.

“What a terrifying Sword Intent...”novel.xo

James took a deep breath.

His opponent had performed a Sword Intent, and they struck his body like blades of Sword Light. In an instant, he was covered in injuries all over his body. Then, he kept catalyzing the power of the Life Path, which constantly rejuvenated his gravely injured body.

At that moment, he raised the Divine Sword in his hand and summoned his full force before inserting them into the sword, forming an immense Sword Intent. When he was at Mount Nothingness, he cultivated his soul, and his willpower reached the pinnacle.

Sword Intent was a shapeless power formed by one's power in combination with one's willpower. Though shapeless, the power exists.

Both Sword Intents collided. As they fought against each other, a terrifying magnetic field was formed. As their bodies rotated, the bodies interwove with each other.

Boom!

James' Sword Intent was shattered, and a shapeless power swept toward him, knocking away the Divine Sword in his hand. Like an unstoppable tidal wave, the shapeless Sword Intent struck James hard, and his body immediately shattered. However, at that moment, powerful energy materialized from within his body and reshaped it.

In the competition between Sword Intents, James lost. As his body was reshaped, he spurted out a mouthful of blood and staggered backward. As he retreated to the edges of the Formation Boundary, he took a deep breath.

“How terrifying... As expected of a powerful figure in the Martial Ranking. It would be extremely difficult to defeat him without using my ultimate move.”

James' expression was grim.

Since this was only the first battle on his journey, he did not wish to reveal the aces up his sleeves. There would be more powerful enemies along the way, so he wanted to keep some of his cards hidden to deal unexpected damage to the enemy. Though he cultivated many Paths, his rank was undeniably weak. Compared to those at the Ninth Heaven Grand Emperor Rank, he was still considerably weaker than them.

As his mind stirred, the power of the Life Path washed over him, and his wounds healed instantly. Now, he could only perform the moves he had previously used in public. As his mind stirred, 108 Infinity Steles appeared in his surroundings and enveloped him.

‘The Infinity Steles!’

‘The rumors are true! He really did obtain the Infinity Steles on the Boundless Road.’

“Impossible! When the rumors began to spread, I entered the Boundless Road and discovered that the Infinity Steles are still within the Infinity Cities.”

Upon seeing the Infinity Steles, everyone was dumbfounded.

However, since there was only a single opponent for now, there was no need to use everything at his disposal. For now, he would only use the Infinity Steles.

As the Infinity Steles appeared, there was a commotion. Everyone had heard of the Boundless Road. This was a magical road. Rumors say that once you appear on the Boundless Road and reach the end of the road, you would arrive at the moment when heaven and earth were created. Some Grand Emperors possessed the strength to open the Boundless Door and enter the Boundless Road. However, normally, few would do such a thing. This was because one needed to suffer great Karma by traveling back in time.

As James stood in mid-air, 108 Infinity Steles hovered around him. Each of them radiated an ancient and primordial power.novel.xo

In the distance, Xesus’ expression was grim. As a genius on the Martial Ranking, how would he not have heard of the Infinity Steles? Rumors say that this was a treasure that had existed since the creation of heaven and earth and contained supreme power.

Holding his golden broadsword, he pointed at James and said coldly, “Today, I shall fight against your Infinity Steles with my supreme Sword Path. Let us see if the Infinity Steles are truly as terrifying as the rumors say.”

As Xesus’ voice boomed, he exuded unparalleled confidence.

James smiled faintly.

Then, as his mind stirred, an Infinity Stele crashed toward Xesus while carrying immense power. As Xesus slashed with his broadsword, a Broadsword Light appeared and struck the Infinity Stele. His Sword Path was terrifying, and his Broadsword Light had surpassed the limitations of time. However, the Infinity Stele was unaffected.

As James' rank increased, the power the Infinity Stele exuded grew increasingly terrifying. Then, the Infinity Steles kept crashing toward Xesus while carrying destructive power.

Boom!

As the Infinity Steles struck the earth, the ground cracked, and a profound fissure emerged, bringing about a sandstorm. At that moment, 108 Infinity Steles came crashing toward Xesus. As Xesus performed his terrifying cultivation method, a Broadsword Light appeared and formed a Broadsword Light Formation to protect him. Even though the Infinity Steles possessed immense power, they could not harm him.

"Not bad..."

James smiled faintly. As expected of a powerful figure in the Martial Ranking, he had tricks up his sleeves.

Then, he made his move.

His body flashed, and he appeared before the Broadsword Light Formation. With the Crepe Myrtle Divine Sword in hand, he slashed the Formation, seeking to destroy the defensive formation using the power of his Sword Path. However, the power of his Sword Path was insufficient.

Rumble!

As waves of Sword Energy struck the Formation, the surrounding space began to disintegrate. However, the Formation was unscathed. At that moment, the Broadsword Light of the Formation disintegrated and gathered to form a 10,000-meter broadsword, which descended from the sky and charged toward James.

The Infinity Steles returned to James and appeared above his head, shielding him from the attack.

Boom!

As the Infinity Steles were knocked away, the power generated crashed toward James. Instantly, cracks began appearing on his body.

He swiftly dodged the attacks.

Before the broadsword touched the ground, everything on the surface of the earth disintegrated into nothingness.

James appeared in the distance and spurted out a mouthful of blood. Wiping the blood trace off his lips, he catalyzed the Life Path to heal his injuries.

“Not bad.”
