"At last, I have refined the Dark Wellspring. Fortunately, I have cultivated Curse Magic and comprehended the Curse Script in advance. Otherwise, it would be nigh impossible to comprehend the script left behind by the Eternal Lord."

James took a deep breath.

Now, his Dark Path had reached the pinnacle of the Ninth Heaven Grand Emperor Rank. At present, only the Five Great Paths and Karma remained, which were also some of the hardest Paths to cultivate. That was because there was no precedence regarding the two, and he had no choice but to cultivate himself.

Upon sensing the time, he froze.

"I never thought so much time had passed. Now, only 5 million years remain."

He was stunned.

He never thought that refining the Dark Wellspring and cultivating the Dark Path would spend such a long time. Now, only 5 million years remained. In the remaining 5 million years, would he be able to reach the Ninth Heaven Grand Emperor Rank for the Five Great Paths and the Karma Path? Even if he could, how was he supposed to compete

His expression was grim.

"I can only try my best," he said.
