The Almighty Dragon General Chapter 4074-“Elder, are we really just going to let him go?” Hutchin was disappointed.

“What else can we do? We’ve already trapped him in the formation for a long time and gathered the power of the entire Hopeless City to try to kill him. If we chase after him out of the Soul Realm, not only will we not be able to kill him, but we might suffer great casualties.”

Tobias was furious.

“Moreover...”

He glanced at the powerhouses present and said coldly, “He deactivated our formation and left. Who leaked the information about the Formation Inscriptions to him? This matter has to be strictly investigated. Whoever is responsible for this will be killed without mercy.”

“Reporting!”

At that moment, a guard from Mount Carsleggh appeared and knelt on the ground.

Hutchin asked, ‘What is it?’

The guard said tremblingly, ‘The prisoners in the dungeon have already been rescued.’

‘What?!’

Hutchin was surprised and quickly rushed toward the dungeon.

Upon arriving at the dungeon, he realized the formation had not been broken.

He opened the formation and entered the dungeon, but all their creatures were already gone.

Tobias also followed him to the dungeon. Seeing the empty dungeon, he was furious. He raised his hand and slapped Hutchin’s back.

Hutchin was immediately blown away, and his back turned bloody from the impact.

Regardless of his injuries, Hutchin quickly knelt on the floor.

“Let me explain, Elder. This has nothing to do with me. Don’t worry. I’ll investigate the matter thoroughly and give you an explanation.”

At that moment, James had left the Soul Realm and appeared in the Chaos outside of the planet.

Daegus never left and had been waiting in the Chaos. He was paying attention to James’ battle and was worried he was besieged.

When Tobias made a move, he grew anxious about James’ safety.

He would feel guilty if James died, as it was his fault.

James was the first human to reach the Omniscience Path’s Seventh Stage since the ruin of the Primordial Realm Era. After seeing James escape the Soul Realm, he quickly reunited with James.

“Are you alright?” Daegus asked worriedly.

“It’s nothing serious. Let’s leave this place first.”

James was worried the Soul Race’s soldiers would chase after him and that they would have to fight again.

The two quickly left for the deepest part of the Chaos and advanced for a long time before finally coming to a stop.

They arrived in an unknown small world of the Greater Realms.

After reaching a dense primordial forest, James sat in a lotus position and urged the power of the Life Path to heal his wounds.

James’ external injuries were easy to treat. However, Tobias had struck him several times, and he forcibly persisted for a long time. Thus, he suffered severe internal injuries, which would need more time to recuperate.

Daegus took out a healing elixir and gave it to James, saying, “You should consume this healing elixir first.”

James accepted the healing elixir and swallowed it.

After drinking it, James felt a warm current flowing through his throat. A refreshing wave spread and nourished his injured body.

It took a long time for James to stabilize his wounds. For him to fully recover, he would need rest.
