The Almighty Dragon General Chapter 4411-His voice resounded through the search Doom Race's land. A brief moment later, a dark, shadowy figure slowly materialized in the main hall.

"Sir Youri," Xezal greeted the man respectfully.

Youri instructed, "I want you and Wyot to head to the Cloud Realm and meet with Soren Plamen. Tell Soren that I've killed James Caden, the promising cultivator from the Human Race, and that they've lost their only hope at starting an uprising again. Also, demand that he surrender the Blithe Omniscience if he wants to prevent the complete annihilation of the Human Race."

"Once you have the Blithe Omniscience, kill Soren immediately."

Xezal paused briefly. "Sir, I am tasked with the duty of guarding and protecting our homeland. I can't possibly leave."

Youri directed his gaze at her. "This matter directly concerns the future of the search Doom Race. You must head to the Cloud Realm. Without your help, Wyot and the other cultivators might not be able to overpower and kill Soren."

After a moment's consideration, Xezal replied, "In that case, I'll see to your orders."

James was slightly caught off-guard upon hearing Youri's words. However, he did not let those emotions show on his

face.

'How do I get Soren out with Xezal Dalibor around?

'Anyhow, it's too late for me to say anything now. I'll have to devise some plans once we get to the Cloud Realm.' James thought.

'The two of you can go now.' Youri waved his hand dismissively.

James gave a bow. Then, he walked out of the main hall with Xezal following behind.

“Should I inform the other races to have their best men gather at the Cloud Realm?” Xezal asked.

“Yes,” James said flatly.

Suddenly, a bold and crazy idea popped into his mind at that moment.

“Also, tell them to stop killing the humans. We’re to gather at the Cloud Realm to exterminate Soren. We won’t be able to force James Caden out of hiding by slaughtering the insignificant masses. However, if we threaten Soren

Plamen, we might be able to lure James out.”

‘An eye for an eye, and a tooth for a tooth.

‘I can temporarily stop the other races from hunting down more humans with this plan. Also, I’ll be able to gather all the best fighters from the other races at the Cloud Realm. I might not be powerful enough to eliminate all of them, but I can still make them pay dearly for what they have done to our people.’ James plotted inwardly.

“Alright.” Xezal responded, ‘Til relay that to all the other races right now.”

In a matter of seconds, the members of the other races had received the latest instructions from the Dooms.

“What? They want us to head to the Cloud Realm and publicly execute Soren to lure James Caden out of hiding?”

“Great! We are finally going to kill Soren! I can’t sit still knowing that man is still alive!”

“Let’s depart for the Cloud Realm!”

People from various races started getting ready to leave for the Cloud Realm after receiving the Dooms’ message.

“Sir Youri, is this really going to work?” Qimat asked, “Would this really force Soren to surrender the Blithe Omniscience?”

Youri smirked. “Wyot is right. Soren might not care about his own life, but he couldn’t possibly turn a blind eye to the suffering of his people. He might surrender the Blithe Omniscience if we threaten to wipe out the Human Race.”

“He’s also right about James Caden. Once news of Soren’s execution reaches James, the man will definitely make his move. That will also be our chance to end him once and for all.”

The smile on Youri’s face broadened.

“Should we head to the Cloud Realm too?” Qimat asked.

“No.” Youri shook his head. “It’ll be alright since Xezal is there. You should keep an eye out for any news on James Caden’s movements or whereabouts. Report to me the instant you have any new findings.”a
