The Almighty Dragon General Chapter 4501-Maxine was startled by her words.

She had not entered the Quasi Acme Rank and was far from learning about these matters.

Maxine asked, puzzled, "Why are you telling me this? My cultivation base is very low, and these things do not concern me yet. You should see a Caelum Acmean like Thea or even James instead. What's the use of coming to me? Also, who the hell are you?"

'You can call me Teresa.'

Teresa smiled faintly and said, "Naturally, I have my reasons for reaching out to you. However, it's not the right time for you to know yet. Knowing the truth now isn't going to do you any good."

Maxine fell into thought.

Teresa continued, saying, "When the number of Caelum Acmeans reaches a certain number, the Sky Burial will befall the Greater Realms. A Mega Sky Burial is terrifying. When it happens, countless wars will erupt, and the Greater Realms will be chaotic. Unfortunately, I can't gain any insight into the cause of these wars yet. I only know that the impending Mega Sky Burial will be horrifying and involve some powerhouses from the previous Sky Burials."

Maxine was taken aback and quickly questioned, "Aren't they supposed to be dead?"

Teresa replied, "It's not as simple as that. Many powerhouses did indeed die in the previous two Sky Burials. However, the Chaos existed way back in time. Many powerhouses that have existed since ancient times can sense impending Sky Burials and have used various methods to avoid them.

"However, it's impossible to avoid the Mega Sky Burial. When the time comes, these powerhouses will reveal themselves and grab onto any hope of survival."

Maxine responded nonchalantly, “I’m not interested in these things. What does the Greater Realm’s survival have to do with me? We’re all going to perish together anyway, so do I have to fear?”

She had already detached herself from these worldly affairs and did not care if she were to die. After all, everyone was going to be wiped out together.

Teresa sighed. She did not expect Maxine to have zero ambitions. Even worse, Maxine did not seem to care about anything.

“Then stay here for now. I’ll let you go whenever you come to a different decision.”

After Teresa spoke, she disappeared from the area.

Maxine stood up and shouted, “Hey!”

Suddenly, the gazebo vanished. Maxine attempted to leave the area but triggered a restriction barrier. Her body was knocked away, and she fell to the ground.

Maxine was battered and bruised after the fall. She got back to her feet and pouted, “What the hell?”

Unable to leave, Maxine decided to live in seclusion in the area.

After all, her goal was to find a place to live alone.

Meanwhile, a middle-aged man sat in a mysterious palace somewhere within the Greater Realms. He looked incredibly mysterious as his body emitted a dazzling light.

Looking into the distant sky, he murmured, “The Heavenly Path’s luck has shifted toward the humans. It’s a sign that a Mega Sky Burial is about to happen. I can’t stay hidden any longer and must look for new opportunities to survive it.”

The man had stayed hidden for countless years but knew it was time he revealed himself.

He had to leave seclusion and find a chance to survive the Mega Sky Burial.

Meanwhile, James had no idea the humans' prosperity was the sign a Mega Sky Burial was about to strike.

The powerhouses that have survived since ancient times were anxious as the time left until the Mega Sky Burial happened was getting shorter. All of them began to formulate plans to stay alive.

All this while, James was preparing for his wedding with Thea.

The Almighty Dragon General Chapter 4502-Since there was still time before James and Thea's wedding ceremony, they temporarily settled down in a humble village atop a spiritual mountain within Mount Bane. They were finally living the leisurely life they had always dreamed of.

The village consisted of only a few families but was abundant with common poultries and had some crop fields nearby.

A plainly dressed man stood in the field, hoeing the ground. Despite being a peerless powerhouse, James worked hard to plow the land.

"Honey, it's time to eat," a sweet voice called out to him from inside the village.

James put down his gardening tools and leisurely walked back to the village.

Thea had prepared some simple meals for them. Although it was nothing fancy, James ate with relish.

James put down his spoon and asked, "It's almost the day for our wedding ceremony. What are your plans after? Do you want to keep living here?"

"Yeah. What else can we do?" Thea turned the question to him.

"I..." James hesitated.

Thea said smilingly, "I know you're unwilling to live like this forever and still have many things you want to accomplish. You want to find your son and see Yemima. Most importantly, the Mega Sky Burial is going to happen very soon. You mentioned the Sky Burial will occur when the numbers of Caelum Acmeans reach a certain number, right?"

I have a feeling that our peaceful days are about to end very soon.”

As a Caelum Acmean and James’ wife, Thea was far more informed than Maxine. She knew about the Mega Sky Burial and James’ experiences in the Path of Heavenly Awakening.

Thea took out the sigil James had given her before and returned it to him. Then, she said, “You passed this to me last time. I’m handing it back to you. I’m curious to know what’s recorded inside the sigil, but I suppressed my urge to open it.”

James put away the sigil and said smilingly, “I’m sure the Mega Sky Burial won’t happen anytime soon. We still have a long time to enjoy our leisurely days. We’ll think of a solution when a problem arises.”

James was optimistic. He had overcome countless obstacles in the past and could now calmly face whatever challenges came his way.

His priority was to hold a wedding ceremony with Thea and live happily with her for some time.

“Dad.” A man called out from outside the village and ran over to them.

Thea reprimanded him, “What are you doing here, Jacopo?”

You’re supposed to be in the Heavenly Court.”

“Are you two eating? I haven’t enjoyed such a heartwarming meal in so long!”

Jacopo sat down, picked up a spoon, and gobbled the food. Although the food did not contain Spiritual Energy, he still enjoyed the meal.

While chewing the food, Jacopo said, “By the way, someone came to see you, Dad,”

Surprised, James asked, “Someone came to see me? Who?”

“I don’t know. He didn’t look really old but had a powerful cultivation base. I wasn’t even able to sense his cultivation rank. He suddenly appeared in the Heavenly Court’s hall requesting to see you.”

James’ brows furrowed, and he thought to himself, ‘Even Jacopo can’t see through his cultivation rank? Who could it be?’

He stood up and said, “Thea, I’ll go take a look.”

“I’ll be leaving too, Mom!” Jacopo put down his spoon and left the village with James.

After they left, Thea stood up and cleaned the dishes.

The Almighty Dragon General Chapter 4503-Swoosh!

Suddenly, a ray of light shone down from the sky and gradually materialized into an elderly man dressed in a white robe.

The elderly man had white hair and a wrinkled appearance.

Thea was surprised by the unexpected visitor. She quickly greeted him, “Elder.”

“It’s time to return home, Thea.” The elderly man leaned on his cane and looked at Thea.

“Elder, I...” Thea’s brows furrowed.

The elderly man said softly, “Have you forgotten where your home is? The Mega Sky Burial is about to befall the Greater Realms. Now that you’ve entered the Caelum Acme Rank, our Patriarch requests that you return home and attend our discussion on how to deal with the Mega Sky Burial.”

Thea said pleadingly, “C-Can it wait until after my wedding ceremony? After the ceremony, I’ll swiftly return home to join discussions.”

Although Thea was a Caelum Acmean and acknowledged as one of the strongest powerhouses in the Greater Realms, she was very respectful toward the elderly man.

‘That won’t be possible. You’ll have to return home immediately.’ The elder’s man darkened.

Thea’s face also became grim. Then, she said coldly, “I can’t go back now. Please return, Elder. I’ll hold my wedding ceremony with James and spend some time with him before I return home.”

“I’ve been given an absolute order to bring you back.”

“With your strength, I’m afraid you won’t be able to force me home.”

Thea released a powerful aura, forcing the elderly man to stumble backward.

The elderly man’s face was solemn. He did not linger and disappeared in a flash.

Thea was relieved after the man had left. However, she still had a solemn expression.

Meanwhile, James had already arrived at the Heavenly Court’s hall.

A man who looked to be in his thirties was waiting inside the hall.

Sensing James approach, he stood up and beamed with a bright smile. Then, he said, “Hello, James! My name is Wyndael Klein.

“Wyndael Klein?” James stared at the man before him, unable to recall any memories related to him.

James walked over, sat beside him, and asked, “Do I know you?”

“Nope, but I’m sure you know someone from my sect,”

Wyndael said smilingly.

Intrigued, James asked, ‘Who is this someone?’

Wyndael said, “The mysterious man that orchestrated the death match on Planet Desolation. You obtained the Primal Mantra thanks to my uncle.”

James was immediately enlightened.

The mysterious mastermind behind the death match on Planet Desolation was related to the man before him.

‘What can I do for you?’ asked James.

“I came to invite you to our sect, the Invincible Sect.

‘The Invincible Sect?’ James was slightly taken aback. He had no idea when a sect called the Invincible Sect had appeared in the Greater Realms.

“I’m not interested.” James instantly rejected him.

Even though he gained the help of the mysterious man on Planet Desolation, James was not interested in joining their sect.

“Haha.” Wyndael chuckled.

He gently waved his hand, and a token appeared in his palm. Then, he tossed it over to James.

‘Take this. I’m sure you’ll come to the Desolate Grand Canyon to join the Invincible Sect sooner or later. After you join us, you’ll be able to come in contact with the Greater Realms’ secrets.’

The Almighty Dragon General Chapter 4504-James casually examined the token, then put it away.

“Dad, who’s this Wyndael? Also, what is the Invincible Sect?” asked Jacopo.

James shook his head lightly, expressing he was clueless as well.

Jacopo further inquired, “What happened on Planet Desolation?”

James briefly shared his experiences on Planet Desolation.

After hearing James’ story, Jacopo said solemnly, “A sect that had their hands on a powerful cultivation method like the Primal Mantra must be very potent. It seems they are not a sect to be messed with.”

“Forget it,” James brushed the incident aside, stood up, and said, “Focus on managing the Heavenly Court. You don’t need to worry about these things.”

Then, he disappeared from the Heavenly Court’s hall in a flash. The next moment, he returned to the village.

Thea was sitting on a chair on their porch in a daze. She did not even notice that James had already returned home.

“What’s on your mind?” James called out to her.

“Ah, it’s nothing.” Thea snapped out of her thoughts. She stood up, looked at James, and asked, “Who came to see you?”

James’ expression became solemn at her question.

“He claimed to be Wyndael Klein from the Invincible Sect.”

“The Invincible Sect?” Thea’s brows furrowed.

“What’s wrong? Have you heard of them before?” James looked at her curiously.

Thea shook her head lightly and replied, “No. What’s their background?”

James said, “I’m not sure either. I only know one of their members is a terrifying powerhouse. When I was on Planet Desolation, he was the mastermind behind the death match. After I won the battle, he handed me the Primal Mantra. The Invincible Sect must have an incredible history to have gotten their hands on the Primal Mantra. Moreover, the second Sky Burial was closely linked to Planet Desolation. It’s possible the Invincible Sect had something to do with the second Sky Burial.”

Thea nodded lightly and said, ‘That’s highly likely. Then, what do you plan to do?’

James responded, ‘The Invincible Sect wanted me to join them, but I turned down their invitation. For now, I don’t want to be bothered with other stuff. My priority is holding our wedding ceremony and spending some time with you in seclusion.’

Thea and James had the same plan.

Next, the two put everything aside and lived their peaceful days together.

The day of the wedding ceremony arrived in the blink of an eye.

Today, the Heavenly Court was extremely lively.

The wedding ceremony’s venue was the Supreme Palace above the Thirty-Three Heavens. Initially, the Supreme Palace was built for Soren, but Soren

had left to go on an adventure. Thus, James was free to temporarily use the place.

Many powerhouses of the Human Universe gathered inside the Supreme Palace's main hall. Meanwhile, a couple stood in the front of the hall.

Thea wore a beautiful wedding dress, and James a neat tuxedo.

"It's time for the groom and bride to exchange vows."

Henrik wore a black suit and stood before the couple as their wedding officiant.

"Repeat after me. Thea, I promise to cherish you always..."

Swoosh!!!

Suddenly, a group of unfamiliar living beings appeared outside the Supreme Palace.

A middle-aged man wearing a black robe stood before a group of armed warriors.

The uninvited guests immediately caught everyone's attention.

The Almighty Dragon General Chapter 4505-"Who's that?"

"Today's James' wedding ceremony. How dare someone show up with armed warriors? Does he have a death wish?"

Everyone inside the hall stared at the group of uninvited guests.

Under countless gazes, the middle-aged man walked into the hall. As he stepped forward, his oppressive aura knocked away the powerhouses inside the hall.

Only James and Thea stood firmly in place.

James stepped forward and said coldly, "Who are you?"

Today's our wedding ceremony. If you're here to attend the ceremony, I warmly welcome you. However, if you're here to cause trouble, I advise you to turn away immediately. I don't want to stain my hands with blood on such a joyous occasion.

"Hehe" The middle-aged man chuckled.

He turned to Thea and said, "I've come to escort you home, Thea."

Thea frowned and said furiously, "Didn't I already promise to return home after the wedding ceremony? Why are you causing trouble in the Human Race's Heavenly Court?"

The black-robed man said coldly, "I'm afraid the wedding ceremony can't go on."

Then, he immediately ordered his armed warriors, "Escort Ms. Thea home."

With his command, the warriors rushed into the hall.

"How dare you cause such a scene in the Heavenly Court?"

Furious, James unleashed a terrifying aura from his body.

Jacopo, Winnie, Xainte, Noel, and some other powerhouses quickly rushed before James. All of them quickly released their powerful auras.

"Our mission is to bring Ms. Thea back home. I've no intention of killing anyone."

The black-robed man's face darkened. He raised his hand, and mysterious inscriptions emerged to form a powerful force.

The force swept forward and blasted the powerhouses in front of James.

Even James was knocked a few meters backward.

The middle-aged man quickly approached Thea, sealed her cultivation base, and disappeared with her.

The series of events happened in the blink of an eye.

Before the powerhouses inside the hall could even react, Thea had already been kidnapped by the group of warriors.

“Mom!”

After realizing the situation, Jacopo and the others wanted to chase after the group of warriors. However, they had already disappeared without a trace. They were unable to even detect their auras. Not even James could.

‘That’s terrifying.’ James took a deep breath.

‘What’s going on, Dad?’ Noel asked puzzledly. He was unsure of what had just happened and why a mysterious group of powerhouses came to kidnap his mother.

James shook his head. He too, was confused by the whole situation.

However, he could tell from what had happened that Thea must have some kind of extraordinary background, and they wanted her home.

James was not familiar with Thea’s background. He simply knew she was the Human Race’s matron, but there was a period she was known as Zaire. While living as Zaire, she was infamous for being a wicked cultivator that took countless innocent lives.

When James entered the Path of Heavenly Awakening, he was sent to the era where Thea lived as Zaire. He was punished in her stead and saved her from going down the wrong path. After that, Thea turned over a new leaf and became the Human Race’s matron.

‘What exactly is her background?’ James frowned and murmured, “It seems there’s more to the Greater Realms than I thought.”

“What do we do about the wedding ceremony, Dad? Mom was kidnapped. Is she in some kind of danger?” Xainte

asked worriedly.

James replied, “She’ll be fine. Cancel the wedding ceremony. We’ll have to reschedule it.”

With a troubled expression, James thought to himself, ‘Good thingstake time.’

The Almighty Dragon General Chapter 4506-James and Thea's wedding ceremony was unexpectedly put to a halt.

After the wedding ceremony was canceled, the powerhouses that came to attend gradually left the Supreme Palace.

Only those that were family and friends to James stayed back.

James sat at the threshold of the Supreme Palace and sorrowfully looked into the distance.

"Dad." His children stood behind him worriedly.

James stood up and said, "I'm fine. Go ahead and take your leaves. I'd like to be alone for a while."

"Alright."

The remaining crowd dispersed and left.

Soon, the Supreme Palace became quiet. However, Sienna refused to leave.

She walked over to James and sat down beside him. Then, she followed his gaze into the distance.

"James," Sienna's sweet voice called out.

"What do you think is Thea's background?" asked James.

Sienna rolled her eyes and said, "How would I know? I hoped you'd marry me after the wedding ceremony as well. Who would've expected such a turn of events?"

Sienna always remembered James' promise to take her as his wife. Even though she would not be his only wife, she was willing to endure it.

James fell into thought. He had very little knowledge about Thea's background.

He was familiar with her reincarnation and clone. However, he only knew Thea's main body was once known as Zaire, who was a troublemaker. He knew nothing about Zaire.

"Where am I going to find her?" James asked helplessly.

"If you can't find her, just forget her. There are so many waiting in line to be your wife anyway," Sienna said jokingly.

She wanted to ease the tense atmosphere but immediately noticed James' displeased expression.

Sienna quickly explained, saying, 'What I mean is there is no need to be in such a rush. To find her, you'll need to do some investigation about her family. They've never appeared until now, and there must be a reason for that. If you find out the reason, you might be able to find her.'

"What could it be?" James gave it a brief thought and said, "Before this, there had only been the major races in the Greater Realms. I've not heard of any families or sects that have gone into hiding. However, I only recently learned of the Invincible Sect and Thea's family. These powerful sects and families must have been hiding for countless years but have finally emerged after sensing the Mega Sky Burial that is about to happen."

James suspected Thea's family showed up because of the Mega Sky Burial.

Meanwhile, Sienna was clueless about these things.

"No matter what the reason is, you'll need to do some research. I'll be waiting for you to find her. You still owe me a wedding."

After speaking, Sienna stood up and disappeared with a flash.

James was rendered speechless.

After a while, he stood up.

There was only one place he could acquire information.

He wanted to find the mysterious woman that placed his body in the copper coffin as she seemed to know a lot.

James felt he would learn some clues if he spoke to her.

Without notifying anyone, James left the Human Universe. He headed into the Chaotic Void and transferred the space until he arrived in a paradise-like place.

James looked at the spiritual mountain ahead of him and stepped forward. He wanted to ascend the mountain but was blocked by a powerful formation.

He stood outside the mountain gate, clasped his fists, and shouted, "It's James Caden! I've come to ask for a favor!"

The Almighty Dragon General Chapter 4507-James' voice resounded throughout the area.

Swoosh!!!

A ray of light emerged and manifested into a middle-aged man. He looked at James and said calmly, "Teresa is not here, so we're not accepting any guests."

Instead of leaving, James asked, "When will she return?"

James was not sure whether Teresa was the woman that saved him, but he could tell she was most likely the owner of this place.

"I'm not sure."

"Then, I'll wait here."

"Do as you please."

After the brief conversation, the middle-aged man disappeared.

James was desperate to learn more about the Greater Realms. He wanted to inquire more about the Invincible Sect and Thea's family. The only person he could ask was the owner of this place.

James remained outside the mountain gate, waiting for Teresa's return.

Inside the spiritual mountain, a woman sat in the highest seat in a palace hall.

A middle-aged man appeared inside the hall, knelt on one knee, and said, "Ms. Teresa, James has come to visit. He's waiting outside the mountain gate to see you."

Teresa slowly opened her eyes. She casually waved her hand, and a magical force emerged from her palm, instantly opening the formation outside the mountain gate.

James immediately sensed the formation was opened. After a brief hesitation, he stepped through the mountain gate.

Soon, he arrived at the palace hall.

James walked into the hall and stared at the woman in the highest seat.

The woman was shrouded by a dazzling white light. James could not see her appearance and could only make out the vague features on her face. 1

"Ms. Teresa?" James asked tentatively.

He was unsure who the woman before him was, but he recalled the middle-aged man mentioning the name. Thus, he made a bold guess the woman was Teresa.

"Sit." Teresa waved her hand, and a chair appeared inside the main hall.

James sat down.

Teresa asked lightly, "What brings you here?"

James answered truthfully, "I came to ask a few questions, hoping you would enlighten me."

"Go ahead."

James asked, "I'd like to know what kind of sect is the Invincible Sect and what's the background of Thea's family. What other secrets does the Greater Realms hold? Also, what kind of existence are you, and what role do you play in the Greater Realms?"

He consecutively blurted out his questions.

Teresa briefly thought about it and replied, “Your current strength isn’t enough to understand these things yet.

Everything relates back to the Sky Burial.”

James thought, ‘The Sky Burial? I knew it.’

He followed up with another question, “What is this so- called Sky Burial?”

Teresa explained, ‘The Sky Burial is the Chaos Heavenly Path’s defense mechanism. At the same time, it exists to protect the living beings in the Greater Realms.”

James was puzzled by her words.

“It’s a defense mechanism? How is it protecting the living beings of the Greater Realms?”

James was surprised. Her explanation was different from what James knew about the Sky Burial.

He had learned the Sky Burial happened because the Chaos Heavenly Path could not allow too many powerhouses to exist. Therefore, whenever the number of Caelum Acmeans reaches a certain number, the Chaos Heavenly Path will

create battles for the Greater Realm’s powerhouses to kill each other.”

Teresa already expected James’ surprised reaction.

She continued to explain, saying, ‘This is all you should know for now. If you’d like to resolve the Mega Sky Burial and ensure the safety of the Greater Realms, you will have to enter the legendary Chaos Rank. Once you reach the Chaos Rank, the Sky Burial will be trivial. However, if you don’t, the entire Chaos will be destroyed during this third Sky Burial.”

Read The Almighty Dragon General Chapter 4508

The Almighty Dragon General Chapter 4508-Teresa’s explanation about the Sky Burial differed from what James had learned.

“What exactly is going on? So many powerhouses died during the first Sky Burial, but you call it the Chaos Heavenly Path’s defense mechanism? How does this count as protecting the Greater Realms’ living beings?” asked James.

Teresa avoided the question and instead tried to change the topic. “Let’s discuss the Invincible Sect and Thea’s family first.”

James listened attentively.

Teresa explained, “Since ancient times, two Sky Burials have happened. The Greater Realms have existed for a long time, and many powerhouses have risen. Many of them refused to participate in the battles of the Sky Burial and used various ways to avoid the harm caused by the Sky Burial.

“The Invincible Sect and Thea’s family had survived the Sky Burial Age. They’ve lived in seclusion and never involved themselves in the affairs of the Greater Realms. Very few people know about them. Reaching a higher cultivation rank and achieving great strength was much more important to them.

“Recently, many powerhouses have entered the Caelum Acme Rank, and the Human Race’s luck has also improved. These are signs that a Mega Sky Burial is about to happen. These powerhouses are panicking and are grasping at straws.”

James asked, “Isn’t survival possible if one enters the Chaos Rank? Apart from this, is there really no other way to get through the Sky Burial?”

Teresa ignored his question and said, “You should continue cultivating at ease. If you can’t resolve the Mega Sky Burial, everything will return to ashes. When the time comes, you’ll realize nothing in life is important.”

Teresa had a sorrowful expression.

During the first Sky Burial, many peerless powerhouses close to entering the Chaos Rank tried to resolve the Sky Burial but failed.

It was almost impossible for them to get through the third Sky Burial.

Teresa had practically given up. Therefore, she did not bother explaining it in detail.

‘Where can I find Thea?’ asked James.

Teresa replied, “You don’t have to look for her. It won’t be long until these hidden families and sects emerge. The Greater Realms will go through a huge change.”

James’ question was unanswered.

“Thank you for enlightening me.”

James stood up, clasped his hands, and left.

Since Teresa was unwilling to share the details, James had no choice but to visit the Invincible Sect.

The Invincible Sect was also a hidden force so they might know about Thea’s family.

After James left, the middle-aged man appeared inside the hall.

“Ms. Teresa,” he called out respectfully and said, “Are you not going to tell him the truth? He’s going to find out eventually. The Invincible Sect has already found him. He’s going to learn about everything after seeing them.”

Teresa said, “I don’t want to dampen his spirit with the truth.”

“Who do you think is most likely to enter the Chaos Rank?” asked the middle-aged man.

After a brief thought, Teresa replied, “There have been many powerhouses that had the potential to enter the Chaos Rank. However, all of them perished in the Sky Burials.

There aren’t many that are capable of entering the Chaos Rank right now. I’d estimate about a dozen or so. Our future depends on them. Hopefully, they enter the Chaos Rank before the arrival of the Mega Sky Burial.”

“I don’t understand why you’ve chosen Maxine. Her potential is average, and her cultivation base is weak. Why do you insist on taking her as a disciple?”

“If you could understand, you would be in my position.”
