The Almighty Dragon General Chapter 4518-The Ancestral Blood Master was powerful. His strength was unfathomable.

James could not break free from the seal the Ancestral Blood Master set up. James tried his best to break free, but the pain in his veins made him sweat.

James was brought away and imprisoned in a spiritual mountain.

The Ancestral Blood Master did not treat James shabbily. He did not treat him as a sinner. He arranged a manor for James and did not restrict his freedom. James could walk around the spiritual mountain freely.

Besides, the Ancestral Blood Master also arranged many stunning chambermaids for James.

The only restriction was that James could not leave the spiritual mountain.

James, who was trapped on the spiritual mountain, felt helpless.

Wyndael had advised him, yet he still came. Now that he was trapped here, he had no idea what to do.

At that moment, in another spiritual mountain, Thea sat in the lounge of a manor, feeling troubled.

“Miss, please stop worrying. I’m sure James will be fine,” A beautiful lady said from her side.

“How are things like now?” Thea asked worriedly.

“James found us. He was just in the main hall with the Patriarch. The Patriarch seems to have sealed him, and he’s currently trapped on Mount Diabolic,” said Yura.

“Sigh.”

Thea sighed helplessly.

Now, she had no choice.

Even though she had entered the Caelum Acme Rank, she could not break the restriction and see James. If she could leave this place, she would visit James and let him leave before going into hiding.

This was her home.

Although it had been a long time since she returned home and her father used to be a heinous person, her father would not harm her.

She was worried about James.

In the Invincible Sect, Wyndael sat in the main hall lazily.

Meanwhile, Saewald sat at the bottom area of the main hall. He said, "I have received news from the Callahans. James has been sealed by the Ancestral Blood Master on Mount Diabolic. What are you going to do? Are you going to kill the Callahans and save James?"

Wyndael slightly shook his head and said, "Killing the Callahans is seeking death. The Ancestral Blood Master is too strong. Before the first Sky Burial Age, not many people could suppress him. Now, those powerhouses who could defeat him are dead. He has been in the Caelum Acme and Boundless Ranks for too long. His ability is unfathomable."

"Why did you let James go to the Callahans?" Saewald continued, "I thought you already had a plan."

Wyndael smiled and responded, "Of course I have a plan. The Blood Mantra created by the Ancestral Blood Master is extraordinary. However, in the entire world, only the Ancestral Blood Master has seen the Blood Mantra. Now, Thea has returned to her family."

Upon hearing that, Saewald seemed to have thought of something. He got up and said, "You can make the arrangements yourself, but please don't anger the Ancestral Blood Master. If you anger him, the Invincible Sect will be in danger."

Saewald left after saying that.

Wyndael was now the sect leader of the Invincible Sect. Saewald did not care about his plans.

Sitting in the main seat of the main hall, Wyndael rubbed his chin and mumbled, "It seems that I have to go to the Callahans myself. Before I go, I need to lure the Ancestral Blood Master out. Otherwise, he will notice my arrival."

Wyndael believed that he was talented and on par with his teacher, Yardos.

He was powerful, but he dared not break into the Callahans and face the Ancestral Blood Master head-on.

Touching his chin, he thought of a plan.

Reluctantly, he mumbled, 'The Ancestral Blood Master has always wanted to see the Divine Martial Scripture. Now, only the Divine Martial Scripture can lure him out of the house. Exchanging the Divine Martial Scripture for the Blood Mantra would seem like a good deal to him.'
