The Almighty Dragon General Chapter 4555-James shouted, "Get lost. I don't want to make an enemy out of the Daemoinium Sect. However, if you refuse to leave or come to provoke me again, I won't hold back."

His voice boomed through the void.

The Guardian immediately ordered, "Retreat."

The group of powerhouses quickly left the universe and returned to the Endlos Void.

"Sir, are you sure we should just leave?"

"We can't just leave. Waleria is definitely inside the formation."

Many of the powerhouses expressed their opinion.

The Guardian of the Daemonium Sect ordered, "Stay here on guard and don't let anyone leave. I'll immediately activate our Forbidden Art and summon our sect's powerhouses here."

"Understood." With his order, the group of over a thousand powerhouses scattered around the universe and stood on guard.

The Guardian instantly cast a Forbidden Art to inform their sect's powerhouses.

Although James managed to temporarily chase away the group from the Daemonium Sect, he could sense they had not left but had stationed themselves outside the universe.

He knew a large number of powerhouses from the Daemonium would arrive soon.

Since he had no grievances with the Daemonium Sect, it would not be hard for him to escape.

James turned around and looked at the formation behind him. Waleria's aura was still frail and on the brink of death.

Standing outside the formation, James said softly, "Whether you're Waleria from the Theos Sect or not, this is as much as I can do for you. The rest is up to you. I can protect you for a while longer, but when the powerhouses from the Daemonium Sect arrive, I won't be able to do anything."

Meanwhile, Waleria was going through a critical moment to recover.

James' intervention was very timely and bought her enough time.

Waleria could hear James' words from inside the formation and was grateful for his help. However, she could not respond to him.

As she sat in a lotus position, a purple light emitted from her body. The light ray shot hundreds of meters into the sky and gathered to form a translucent figure.

Waleria's Spiritual Energy was rapidly drained from her body and entered the translucent figure in the sky.

James also sat in a lotus position outside the formation.

Three months passed in the blink of an eye.

James suddenly stood up after sensing a terrifying arua in the area.

Swoosh!!!

A shadowy figure appeared before him, slowly forming into an elderly man.

The elderly man wore a black robe and black hat covering half his face. James could see his wrinkled skin and his beard. He also held onto a cane.

The Daemonium Sect's Guardian and several other powerhouses also returned.

As soon as they appeared, they greeted the elderly man respectfully, "Welcome, Elder."

James solemnly stared at the Daemonium Sect's Elder and thought, 'A late-stage Caelum Acmean?'

The Elder before him was a powerhouse at the late stage of the Caelum Acme Rank.

He was still extremely powerful despite not entering the Caelum Acme Rank's Boundless Rank.

James knew he would not stand a chance against the elderly man even if his original bloodline power had not been sealed, and he could utilize his Path Powers.

He quickly walked over, clasped his hands, and said smilingly, "My name is James Caden. It's a pleasure to meet you, Sir."
