The Almighty Dragon General Chapter 4571-The guards knew that the lady before them was strong, so they hurried into the residence without wasting time.

When they pushed the door open, a man walked out.

The man was one of the leaders of the Daemonium Sect. He was human, but he was powerful. He had reached the middle stage of the Terra Acme Rank. He sensed the aura of the battle in the outside world and quickly came out.

“Sir.”

The guards reported, “Th-They want to see you.”

The sect leader of the Daemonium Sect, Mauricio Lionel, glanced at the Simpson couple, who were actually James and Waleria. Arrogantly and casually, he asked, “Why are you looking for me?”

Waleria immediately disappeared before appearing before Mauricio.

Her powerful aura blew Mauricio away.

Before his body could land on the ground, he was pulled.

Waleria dragged him over and threw him onto the ground.

Mauricio was bewildered by Waleria’s sudden attack just as they had met. He quickly shouted, “I’m the sect leader of the Daemonium Sect. If you offend me, you offend the entire sect. Regardless of your background, you’re dead meat.”

Embarrassingly, Mauricio got up and stared at Felicia— Waleria—vigilantly.

Waleria said, “We’re the Simpson couple. The Theos Sect wants to kill us, so we have nowhere to go. We want to join the Daemonium Sect. Please inform your leader, Yvan, and ask him to meet us.”

The Simpson couple was powerful. Their cultivation bases had reached the late stage of the Caelum Acme Rank.

Initially, Waleria wanted to catch Yvan herself.

“How dare you speak in such a tone?”

Upon hearing that the Simpson couple wanted to join the Daemonium Sect, Mauricio regained his confidence. He glanced at the Simpson couple and said, “I’ve heard of you before, but who cares if you’re the Simpson couple? The Daemonium Sect isn’t a sect you can just join as you like. Even if you wish to join us, that doesn’t give you the right to see our leader.”

He raised his head and looked at the Simpson couple before him. Casually, he said, “Alright, I’ll let you join the Daemonium Sect. From now on, you’ll be my subordinates. You shall listen to me.”

Mauricio was delighted.

Having the Simpson couple as his subordinates would grant him a higher status in the Daemonium Sect. He could even become an elder.

However, a terrifying punch was awaiting him.

Waleria punched Mauricio and blew him away. His body struck the door of the manor behind him, and he coughed up blood.

He quickly crawled up and smiled.

“I-I was joking.”

Mauricio knew of the famous Simpson couple. As his wishful thinking had been ruined, he could only smile and welcome them.

“I’ve been in the Daemonium Sect for thousands of epochs. I’ve met even the most powerful elder, but I’ve yet to see the leader. How about this? You stay here for now, and I’ll contact the elder right away. I’ll have the elder meet you.”

This was precisely what Waleria wanted.

She stepped into the manor.

“Bring the elder of the Daemonium Sect to me as soon as possible.”

Her voice was low.

James gazed at Mauricio. Upon seeing the latter covered in sweat, he could not help but laugh. Then, he followed Waleria.

Mauricio wiped away the sweat on his face.

He could not vent the pain he felt.

At first, he thought that the Simpson couple wanted to join the Daemonium Sect to gain the sect's protection as they

were being pursued. He wanted to use the chance to turn them into his subordinates. Who knew that Felicia would attack him?

Obediently, he followed them inside and arranged rooms for James and Waleria. Then, he contacted the elder.

Sitting on the chair, James smiled and said, "I'm not used to you acting this way. I prefer your old personality. Especially when you walked out of the Ancient Magic Circle and called out my name sweetly."

"Do you want to die?"

Angrily, Waleria scolded, "Remember your identity. You're my disciple. You need to respect me."

The Almighty Dragon General Chapter 4572-Even though James did not acknowledge Waleria as his teacher, the latter treated him as her disciple.

James pursed his lips and said, "I didn't agree to become your disciple. Instead, I want you to be my disciple."

"What a brat."

Waleria could not help but laugh.

She was one of the best powerhouses in the Theos Sect, and countless living beings in the Theos District wished to become her disciple. However, now that she was willing to take in someone as her disciple, they were rejecting her.

“Alright, let’s take a rest. We’re in for a huge battle in the universe where the Daemonium Sect’s branch is. We need to save our energy.”

Without saying anything, Waleria sat down with her legs crossed and began meditating.

Meanwhile, James took a seat and looked at Waleria, who was disguised as Felicia, interestingly.

They stayed in the manor for ten years.

Ten years later, an elder of the Daemonium Sect showed up.

The elder was the one who had gone after James and Waleria previously. His name was Xavyer. He was powerful and in the late stage of the Caelum Acme Rank.

At the front hall of the manor, Mauricio was kneeling on the ground.

“Mr. Malachi, the Simpson couple came to find me, saying that they wanted to join the Daemonium Sect. I don’t know what they’re up to, so I came to inform you about this.”

Although Mauricio was the sect leader, he was humble before the elder. He knelt on the ground obediently.

‘The Simpson couple?’

Xavyer rubbed his chin.

He had met the Simpson couple before. They were famous in the Theos District. They had killed many.

“The Simpson couple isn’t connected to the Daemonium Sect in any way. Why would they want to join the sect now?”

Xavyer was confused.

Then, he instructed, “Bring them to me.”

“Yes.”

Mauricio dared not make any blunders. In a hurry, he got up and called the Simpson couple who were in the backyard.

Soon, James and Waleria appeared in the front hall.

When James and Waleria saw Xavyer, the two exchanged glances.

Nonetheless, they remained silent. They headed over to the chairs at the side and sat down under Xavyer's gaze.

Looking at them, Xavyer smiled and said, "It's my honor to meet the famous Simpson couple."

James stood up and greeted Xavyer. Helplessly, he said, "You're too kind. The Theos Sect has been pursuing us for a long time. We have nowhere to go now. So, we're thinking of joining the Daemonium Sect. We would also like to ask for your protection. We hope you can take us in."

Waleria also stood up and said, "We heard that the Daemonium Sect accepts anyone strong. With our strength, I believe we can join the Daemonium Sect and become an elder. It shouldn't inconvenience the sect to have more elders, right?"

Xavyer stroked his white beard and said, "The Daemonium Sect does have such a rule, but you can't become an elder. My words hold no weight. You need to be acknowledged by the deputy leader."

Xavyer looked at Waleria and James.

Waleria did not hide her aura, so Xavyer knew she had reached the late stage of the Caelum Acme Rank. However, he could not sense James' cultivation rank.

Waleria frowned and said, "At our level, can't we meet the leader?"

"Haha."

Xavyer laughed and said, "Meeting the leader is a huge deal. Not only do you need to be strong, but you also need to have prominent contributions to the sect."

Instantly, James said confidently, “I believe that with our power, we’ll be able to make a name for ourselves upon joining the Daemonium Sect. Am I right, Felicia?”

James inched closer to Waleria and placed his arm on her waist, pulling her in.

Waleria hated James for doing that.

Nevertheless, she could only smile and say, “Herman is right. I hope you can help us gain a foothold in the Daemonium Palace. We won’t forget your kindness.”

‘This is negotiable.’

With a bright smile, Xavyer said, “However, since you claim to be the Simpson couple, I have to check your cultivation bases first.”

Without any hesitation, Waleria said, “Since you doubt our identities, please enter the Endlos Void with us. You may confirm our identities by engaging in battle.”

As she spoke, her body flashed, and she hurried to the Endlos Void.

James followed her.

Xavyer did not hesitate as well.

Soon, they all left the universe and appeared in the Endlos Void.

In the Endlos Void, Waleria wore a black dress and made a gesture. Casually, she said, “Mr. Malachi, please begin.”

However, Xavyer only glanced at James and said, “I want to fight against Herman. I heard that Herman’s Palm of Destruction is one of a kind. I hope to see it today.”

Upon hearing that, Waleria frowned.

She knew James' ability.

Even though he was on par with the Caelum Acme Rank, he would be exposed if he fought against a late-stage Caelum Acme Rank powerhouse.

Among the Simpson couple, Herman was stronger than Felicia. He was also stronger than Xavier. If the two dueled,

James would be exposed.

"Mr. Malachi."

All of a sudden, Waleria said, "Herman is tactless. If he hurts you, it'll be bad. Why don't I learn your signature skill?"

James remained silent and allowed Waleria to make the arrangements.

Xavier shook his head and said, "I want to fight against Herman. What's the matter? Are you afraid?"

James stood forward at this time. At once, Demonic Energy surged in his body.

The Demonic Energy was strong. It had reached the Caelum Acme Rank. In fact, it was increasing continuously.

Even though it was intense, it was weaker than the real Herman.

James gestured and said, "Mr. Malachi, please go ahead."

James was calm.

Xavier could sense Waleria's aura. He knew that she was in the late stage of the Caelum Acme Rank. Since James did not exude any aura, Xavier could not sense his aura.

Now, however, Xavier could sense James' aura. He realized that the latter was also in the Caelum Acme Rank and that his aura was increasing.

Instantly, he smiled and said, "I believe you're the Simpson couple now. There's no need for a duel."

Hearing that, James dispersed his aura.

Initially, his aura was not strong.

At this time, he did not want things to go wrong. Thus, he used the secret art recorded in the Blood Mantra and burned his blood vein. In an instant, his aura grew powerful.

The Blood Mantra was created by the Ancestral Blood Master. It was mysterious and one of the most terrifying Supernatural Signature Skills in the Chaos District.

James used the Blood Mantra to burn his blood vein. Even Xavyer, a Caelum Acme Rank powerhouse, did not notice it.

It was just that he had exhausted the energy of his blood vein. It would take countless herbs to replenish the energy.

“Please head back to the universe. I will contact the deputy leader and report this to him,” said Xavyer.

James nodded.

They returned to the universe.

Xavyer left after instructing Mauricio to take care of the two.

In a room in the backyard, Waleria was confused as she asked, “How did you suddenly have such a strong aura?”

Even though James’ body was strong, it could not exude the aura of paths.

“I sacrificed a lot for you. I burned my blood vein and temporarily obtained an aura on par with the Caelum Acme Rank.”

“No way. I didn’t sense you burning your blood vein.” Waleria did not believe James. She continued, “Have you been hiding your strength? Tell me the truth. Why did you approach me?”

James rolled his eyes.

“You’re overthinking this. What do you mean I approached you? You asked me to be your bodyguard. When this matter is settled, you have to give me benefits. Otherwise, I will inform the powerhouses of the Daemonium Sect that you’re Waleria of the Theos Sect.”

The Almighty Dragon General Chapter 4574-James did not hide that he was after the benefits.

He spoke as if he would expose Waleria if she did not give him what he wanted.

“Go ahead.”

Waleria was indifferent.

She knew James would not expose her.

If James was that kind of person, he would not have come here with her and barged into the Daemonium Sect.

“If that’s the case...”

James stood up and was about to head out the door.

Waleria watched him walk toward the door. Just as he was reaching for the door, her body flashed and appeared at the door. She felt helpless.

“Alright, you win. What do you want? Tell me.”

Smiling as if his plan had succeeded, James said, “I haven’t thought about it. I’ll let you know once I know what I want.”

Waleria shook her head and sighed. “You’re asking for too much. I’ve already given you the token. With the token, you can walk freely around the Theos District. When I enter the Chaos Rank, you will also be able to walk freely in the Endlos ‘ Nine Districts. You truly can’t be satisfied.”

James rolled his eyes and said, “Walk freely? If you could walk freely, you wouldn’t have put in so much effort to enter the universe where the Daemonium Sect is.”

Waleria was not in the mood to have a debate with James.

She went to the bed and sat on it with her legs crossed. She began to focus on her meditation.

James also sat on a chair and watched Waleria meditate.

Meanwhile, Xavyer had informed the deputy leader, who got moving quickly. Within a year, he appeared in the universe where the pair was and came to the manor.

In the main hall of the manor, a man was sitting in the main seat. He had a white mask on his face. The mask was formed by a special path, concealing his face.

James and Waleria stared at the masked man.

Waleria looked at him and could not help but ask, "Are you Zeloneth Gratz, the deputy leader of the Daemonium Sect, the Immortal Gratz?"

Waleria had heard of the Daemonium Sect's deputy leader before but had never met him.

"Haha."

Zeloneth laughed as he observed the Simpson couple. He then said, "I didn't expect the famous Simpson couple to ask for the protection of the Daemonium Sect. You even want to join the sect."

Helplessly, James said, "We don't have a choice. The Theos

Sect has been pursuing us for countless years. We wanted to go to other districts but were reluctant to leave so easily when we had already become enemies with the Theos Sect. So, we decided to join the Daemonium Sect and fight against the Theos Sect."

"I approve of you joining the sect."

Zeloneth said, "From now on, you're the elders of the Daemonium Sect."

Upon hearing that, Waleria said, "Thank you, Mr. Gratz."

James asked, "Mr. Gratz, how many members can we summon? I plan to summon an army to wipe out a branch of the Theos Sect soon."

"About this..."

Zeloneth tapped his fingers on the table. After giving it some thought, he said, "According to the rules, an elder has the right to summon an army. Nonetheless, you've just joined the sect. Even though you're an elder, you have no prestige. You should contribute something to convince the public."

Casually, Waleria said, "With our ability, we can make contributions easily. However, we don't even have a place to stay right now. Shouldn't we have some privileges? For example, having the right to enter all branches in the Theos District and the headquarters?"

"Of course, you will have those privileges."

With a laugh, Zeloneth waved his hands, and two runes emerged.

The two runes appeared before James and Waleria.

The Almighty Dragon General Chapter 4575-Zeloneth continued, "These runes signify your status. The information about our sect's headquarters and branches is recorded in the runes. With the runes, you can enter the universes controlled by our sect."

James kept the token. Then, he said, "Thank you, Mr. Gratz. From now on, we shall follow you until the end of our lives."

James immediately expressed his loyalty.

After keeping the rune, Waleria smiled and said, "I believe we will have a place in the Daemonium Sect one day."

The deputy leader stood up and said, "There aren't many rules and restrictions that come from being a member of the sect. The only rule is if an assembly message rings from the rune, you have to go to the assembly point and listen to the order."

When Zeloneth was done speaking, his body disappeared from the main hall.

On the other hand, James and Waleria exchanged glances.

"Congratulations."

Xavyer walked up to them with a smile and said, 'You became elders the moment you entered the sect. That's a first. From now on, we're friends in the same sect. Let's look after each other.'

"Of course." James smiled.

Waleria said, "We'll be leaving now. We plan to find a spiritual mountain in a nearby universe to stay temporarily."

Waleria bid farewell to Xavyer.

Then, she left the place with James.

After they left, they took out the runes Zeloneth gave them.

These runes were tokens that recorded a lot of information about the Daemonium Sect.

Thus, Waleria and James knew how to enter the branch universe nearby.

The two left in a hurry and went to the hidden universe again.

They appeared in the Endlos Void and took out their runes. A strange energy emerged from the runes. Then, an illusive entrance appeared in the void.

Without any hesitation, they entered the place through the entrance.

Following that, they appeared in a flourishing and powerful universe.

Upon entering the universe, they sensed many strong auras.

They could sense at least thirty Caelum Acmeans in this universe. There were also hidden auras that they could not sense.

"Greetings, elders."

When the two appeared in the universe, a few warriors in

black robes showed up. Respectfully, they knelt on the ground with one knee.

Waleria said, "We recently joined the Daemonium Sect.

Now, we need a quiet place to cultivate."

“The deputy leader has informed us about this. This way, please.”

The leader of the group stood up and made a gesture. Then, he brought James and Waleria to a bustling spiritual mountain.

James and Waleria stayed there temporarily.

After settling down, Waleria began setting up formations around the spiritual mountain.

She stood at the top of the spiritual mountain with a grave expression.

“The Heavenly Path of this universe is strong. There’s no way this area can birth such a universe. The Daemonium Sect must have moved this universe from the central region of the Theos District. There are many powerhouses in this universe. It’ll be hard for us to obtain the rune of the Thala Realm from Yvan.”

“Are you not confident?” James glanced at her and said, “Since you aren’t confident, let’s leave right now so we don’t die.”
