

# The Almighty Dragon General Chapter 4794

The Almighty Dragon General Chapter 4794-After Wynton was freed from his seal, he heard rumors about James' actions in the Dooms' territory.

He also knew that Yemima had given birth to a son named Carson Dalibor.

Waleria was intrigued and asked, "What's the story between them? I'd like to hear about it." "Td rather not run my mouth." Wynton quickly dismissed the topic.

Meanwhile, Wyot hovered in the Endlos Void.

He stared at James in the distance and was boiling with anger.

Even if he were to kill James, his fury would not diminish.

However, he prioritized obtaining the sacred scrolls.

He decided to spare James' life for now.

Despite that, he wanted to cause James a bit of suffering.

Wyot immediately mobilized all his strength, and his aura improved significantly.

Then, a bright, long sword appeared in his hand.

He immediately unleashed the Chaos' Nine Voice's First Tone.

Terrifying sound waves gathered to form a substantial Sonic Sword Energy.

The Sonic Sword Energy released a strange sound and shattered the Endlos Void.

"This?" Waleria was stunned.

"Why does he know this sword technique?" The powerhouses that had seen James display the Chaos' Nine Voices before were surprised.

Everyone began wondering why Wyot also knew the same sword technique.

| James, on the other hand, was equally surprised.

He pondered, ‘ He’s going all out right away?’” He knew how terrifying Wyot was and did not dare to be careless.

He summoned the Chaos Sword and cast the same technique.

Boom! The two Sonic Sword Energies clashed and caused a massive explosion.

The explosion’s shock waves continued to spread out.

Soon, it reached James and Wyot.

Wyot leaped and bypassed the shock waves, instantly appearing in front of James.

Then, he immediately unleashed another Sonic Sword Energy.

James followed with the same technique.

The Sword Energies clashed again.

This time, James was blown away.

A terrifying force permeated the Chaos Sword and snaked into James’ body.

His Blood Energy churned, and he spat out a mouthful of blood.

“T underestimated him.” James was slightly careless and got injured.

He summoned his power again and enhanced his strength.

Wyot continued to attack.

The two fought fiercely in the Endlos Void.

From the First to the Ninth Tone, Wyot consecutively used the Chaos’ Nine Voices against James.

However, James managed to block all his attacks.

Wyt decided to try another move and fused the Nine Tones into Sword Energy.

The Sword Energy pierced through the Endlos Void.

James also did the same.

Rumble!!! The two terrifying Sonic Sword Energies constantly destroyed the Endlos Void.

The spectators were surprised.

Wyt cursed out, “Fucking bastard!” The Chaos’ Nine Voices was a signature skill of the Doms.

However, James obtained the Chaos Sacred Art by impersonating him.

At that moment, his hatred toward James deepened.

The power of the various Paths of heaven and earth emerged from his body, significantly improving his energy.

His Spiritual Power was also boosted, and his Thousand Paths Holy Body was awakened.

The Almighty Dragon General Chapter 4795-With the awakening of his Thousand Paths Holy Body, Wyt concentrated the various Path Powers of heaven and earth to form Chaos Power.

Wyt’s aura was incredibly terrifying.

He would not be afraid even if he faced a powerhouse at the Quasi Chaos Rank.

Waleria fixed her gaze on Wyt.

“His power...” She thought, ‘Isn’t it the power James used before?’ Waleria was not expecting Wyt to have the same power.

“Impressive.” James was surprised at Wyt’s overwhelming aura.

James no longer held back and quickly activated his Thousand Paths Holy Body.

Then, he also merged his Path Powers into Chaos Power.

After Wyot enhanced his aura, James followed suit using the same technique.

Everybody watching the battle was confused and began speculating about the relationship between James and Wyot.

Swoosh!!! Wyot held a long sword, and a substantial Sword Energy that contained the power of the Chaos' Nine Voices emerged.

However, James could not identify which of the Nine Tones was used.

The Sword Energy pierced through the sky.

James immediately sensed the void around him being sealed, making it hard to move an inch.

He quickly racked his brains and remembered that Xezal mentioned that the Chaos' Nine Voices were the basics of cultivating the Chaos Sacred Art.

The Chaos' Nine Voices's Tones could be arranged in different combinations and used with secret arts to unleash unique power.

Suddenly, Wyot charged at him and thrust his sword at James.

James had an exceptional physical body.

Moreover, he had the power of heaven and earth protecting his body.

However, Wyot was the same.

He mobilized his Chaos Power and the Chaos' Nine Voices to break through James' defenses.

Wyot withdrew his sword, and blood spurted out of James' chest.

Then, he slashed with his sword, unleashing countless Sword Energise.

James' body was instantly riddled with holes.

“Break!” James roared furiously.

His Blood Energy surged violently, and a white halo emerged from his body.

James had entered the Omniscience Path, significantly improving his Spiritual Power.

He instantly broke free from the seal, then cast the Blithe Omniscience to appear behind Wyot.

Then, he jabbed his sword at Wyot.

1 Wyot was blasted away by the terrifying force and spat a mouthful of blood.

The powerhouses spectating the battle were startled.

Initially, they had no expectations for the battle.

They were simply interested because it was a conflict between the Verde Academy and Mount Kapron.

Unexpectedly, James and Wyot both displayed terrifying strength.

Both of them unleashed powers that were not much inferior, or perhaps even more potent, to that of a powerhouse at the Quasi Chaos Rank.

Wyot thought to himself, 'What a difficult opponent.' He expected to be able to overpower James.

However, he could not defeat James even after unleashing many of his signature skills and mobilizing his Chaos Power.

Even worse, he was injured, Wyot forcibly activated the incomplete Tenfold Realms Transcendent Sutra.

Kapron Power emerged from his body.

Since the Tenfold Realms Transcendent Sutra was incomplete, his Kapron Power was also unstable.

Wyot forcibly activated Kapron Power and merged it with his Chaos Power.

After fusing the two forces, Wyot struggled to control it.

His face distorted in pain as he roared, "Die!" He quickly appeared above James, clenched his fists, and swung at James's head.
