

The Almighty Dragon General Chapter 4801

The Almighty Dragon General Chapter 4801-James said solemnly, “It’s going to be tough.

Your Dobro Eyes have been exhausted.

Even though I have a basic understanding of Dobro Inscriptions, I cannot repair them.

The only way to fix them is to continuously pour energy into them.

If we can revitalize them, they can be saved, but I’m not sure what kind of Empyrean herbs can reactivate your Dobro Eyes.

Saachi smiled and said, “It’s alright if they’re unrepairable.

I’ve already taken my revenge, so I don’t need them anymore.” James took out his final Path Fruit, handed it over, and said, “ Take this Path Fruit, and use its energy to try to revitalize your Dobro Eyes.” “Huh?” Saachi was stunned.

After a brief pause, she waved her hand and said, “This is too valuable, James.

I can’t have it.” She had absorbed and refined a Path Fruit before, so she was aware of its potent energy.

It was the most extraordinary fruit she had encountered before.

James said smilingly, “The Path Fruit isn’t beneficial to me anymore, so just take it.” “Thank you, James.” Saachi looked at him gratefully.

She took the Path Fruit and cupped it carefully in her hands.

Saachi stood up and said, “I’ll leave first and stop disturbing you from cultivating.” James nodded and said, “Alright.

Come inform me when the Hazeaf Gathering is about to begin.” “Okay.

» After giving a quick reply, Saachi turned and left.

James set up a time formation, then another formation to isolate himself from the outside world.

He took out a copy of the Kapron District's sacred scroll.

Then, he began to study it seriously.

While comprehending it, he also remembered to improve his cultivation rank.

He was already at the early stage of the Caelum Acme Rank, and his understanding of different Paths was profound.

Given time, he would make a breakthrough and enter the late stage of the Caelum Acme Rank.

However, reaching the Caelum Boundless Rank would take a lot of work.

Time passed in the blink of an eye.

Soon, it was less than 10,000 years before the Hazeaf Gathering.

James cultivated in the time formation for a very long time.

During this period, he had enhanced his strength with the energy of a mysterious black crystal obtained after killing the Mothers in the Verde Academy's Supreme Illusion.

The crystal's energy was incredibly sinister but potent.

However, James purified and absorbed the energy, allowing him to reach the middle stage of the Caelum Acme Rank.

At the same time, he had been comprehending the Kapron District's sacred scroll.

He had already cultivated the Tenfold Realms Transcendent Sutra and was profound in the Primal Mantra.

Thus, it was easy for him to comprehend the Kapron District's sacred scroll, and he successfully cultivated Kapron Power.

He had already cultivated four powers out of the Ten Path Techniques, including Chaos, Eternal, Verde, and Kapron.

There were only six left.

“James...” A voice came from a beautiful woman wearing a purple dress outside the formation.

Waleria praised him, “Not bad.

You’re already at the middle stage of the Caelum Acme Rank.

If you continue cultivating at this rate, you’ll enter the Caelum Boundless Rank soon.

After you enter the Caelum Boundless Rank, I won’t even stand a chance against you.” She was aware of James’ strength.

At the early stage of the Caelum Acme Rank, James could already kill an ordinary cultivator at the Quasi Chaos Rank.

Thus, Waleria firmly believed James could kill a powerhouse at the Chaos Rank after reaching the Caelum Boundless Rank.

As for cultivators under the Chaos Rank, they would not even pose a threat against him.
