The Almighty Dragon General Chapter 5030-King Marciais had created the Marciais Path, also known as the Omniscience Path. Nobody was more familiar with the

Marciais Path than him. With his guidance, James' cultivation process was twice as effective. Soon, he reached the twelfth

rank of the Marciais Path.

Now, James' body and soul had already met the requirements to enter the fourteenth and even fifteenth rank of the

Marciais Path. However, his bloodline power was still lacking. As long as he could improve his bloodline power, he would

improve rapidly in the Marciais Path.

The same was true for his cultivation rank. His understanding of cultivation was profound, so he could easily make

breakthroughs as long as he increased his strength.

"Mhm, not bad."

King Marciais nodded and said smilingly, "Now that you've entered the Marciais Path's Twelfth Rank, you must cultivate

your bloodline power and cultivation rank."

James dissipated his aura, clasped his hands, and said, "Thank you for the guidance, Zavis."

King Marciais waved his hand and said, "It's just an exchange of interests."

"By the way, where are you going next?" asked James.

King Marciais said, "There are many powerful sects in the Theos District. Then, we'll visit some hidden forces."

Previously, I was giving out invitations randomly. From now on, I need to hand out invitations to some truly powerful

forces. It's time for me to start showing off."

"..." James was speechless.

King Marciais marched forward, saying, "Let's go!"

He cast the Blithe Omniscience and disappeared from the area.

James followed closely and asked, "How do you know the Blithe Omniscience, Zavis?"

King Marciais smiled lightly and replied, "It's a Supernatural Power within the Divine Martial Scripture. There's nothing

special about it."

"Amazing," James gave a thumbs up and praised, "Yardos acquired the Blithe Omniscience, and it's his proudest

Supernatural Power."

King Marciais said calmly, "As long as you have cultivated the Marciais Path and reach a particular achievement, you'll be

able to comprehend the Blithe Omniscience. However, it's not called the Blithe Omniscience in my Divine Martial

Scripture.

"The Blithe Omniscience was the name given by Yardos. The real name of the Supernatural Power is Aerial."

"I see." James came to a sudden realization.

The two quickly traveled through the Endlos and arrived in the universe where the Theos Sect was located.

Outside the Theos Sect, King Marciais had his hands behind his back and said softly, "The Theos Sect's Leader has

already entered the Chaos Transcendere Rank, so he's considered a powerhouse. From now on, I'll be taking action."

"Go easy, Zavis."

"Don't worry. I know when to stop." King Marciais chuckled.

Immediately, he shouted, "Orstellen Sect's Zavis Fiadh is here to visit."

King Marciais' voice resounded. Shortly after, a woman walked out of the formation.

A beautiful woman in a purple dress appeared and was followed by many elders of the Theos Sect.

"Waleria?" James took a step forward after seeing Waleria. He wanted to greet her but remembered King Marciais' words

and stepped back again.

"Who dares to cause trouble in the Theos Sect?" Waleria's face was grim.

King Marciais smiled at Waleria and said, "The Chaos Rank? Not bad. Young lady, I need a maid on my journey. How

about being my maid?"

From behind, James quickly interrupted, saying, "Not her, Zavis. For my sake, don't choose her."

"Oh?" King Marciais turned around and smiled meaningfully.

"Ahem."
