The Almighty Dragon General Chapter 5031-King Marciais coughed a few times. Then, he said seriously, "I'm a disciple of the Orstellen Sect, and I've been instructed

to deliver an invitation to the Theos Sect to attend our convention."

Waleria had always been proud. Now that she had entered the Chaos Rank, King Marciais' sudden request to be his maid

offended her. Her face immediately darkened.

"You're rather arrogant. You're not qualified for me to serve as your maid. Besides, I've never heard of the Orstelleen Sect.

We won't be going."

King Marciais turned to James, shrugged helplessly, and said, "I was already polite enough. You can't blame me for this."

James whispered, "Then don't go overboard or hurt anyone."

The next moment, King Marciais had already appeared in front of Waleria.

Before Waleria could react, she was blown away by a powerful aura. She plummeted to the ground but was suddenly

caught by King Marciais' aura and brought safely to the ground.

Waleria was horrified. The person before was definitely a powerful cultivator. Although she had entered the Chaos Illimita

Rank, he could easily toy with her.

"W-Who are you?" Waleria stared at King Marciais.

King Maricias said smilingly, "I already announced it just now. My name is Zavis Fiadh, but you can call me King Marciais."

Immediately afterward, he asked, "Is the Theos Sect's

Leader available to see me?"

“He’s in seclusion right now and isn’t accepting any guests,” said Waleria.

“I’ve already personally come to visit. There’s no reason not to come to see me. Get out right now.” King Marciais stomped

the ground.

Boom!!!

The ground began to tremble.

The spiritual mountain where the Theos Sect was located shook. However, King Marciais controlled his power, so it would

only cause tremors and not collapse the area.

“Who dares cause trouble in the Theos Sect?” A voice came from the Theos Sect.

Immediately afterward, a middle-aged man wearing a cyan robe appeared above the Theos Sect.

King Marciais glanced at it and flicked his fingers. In the blink of an eye, a powerful force emerged and sealed Sedris in

the sky. Despite being at the Chaos Transcendence Rank, Sedris was unable to move.

Sedris instantly knew King Marciais was superior and someone that he could not offend.

“S-Sir, let’s settle this with words,” Sedris spoke without the arrogance he had before.

“Get down here.”

King Marciais casually waved his hand, and Sedris’ body was dragged from the sky to the ground.

Sedris crashed into the ground, and his bones were broken.

The force from the impact was so potent, but it did not damage the ground.

Sedris had a pained expression as he lay down on the ground, unable to get up. He said feebly, "I don't know how I

offended you, Sir, but please forgive me."

The Theos Sect's powerhouses and elders were dumbfounded. Their sect leader was at the Chaos Transcendere Rank

but could not even fight back. They began wondering who King Marciais was.

King Marciais casually waved his hand, and the invitation from the Orstellen Sect appeared again.

"This is an invitation from the Orstellen Sect. We're inviting the Theos Sect to participate in the Orstellen Convention."

After speaking, the invitation flew toward Sedris.

Sedris seal was also lifted. He stood up, accepted the invitation, and said respectfully, "Yes, yes. I'll definitely go in person

to participate in the Orstellen Convention."

King Marciais' eyes fixated on Waleria. He smiled brightly

and said, "Young lady, our sect's Grand Priest has taken an interest in you. Are you willing to marry into our sect?"

James panicked and said frantically, "What are you saying, Zavis?! When have I taken an interest in her? I already have a

wife
