The Almighty Dragon General Chapter 5388-A powerhouse at the Quasi Bliss Rank like Qairo definitely had the qualifications to call himself the Dark World's Lord.

James could do as he pleases in the Dark World if Qairo were to recover. With such a powerful bodyguard by his side, nobody would dare to trouble him.

Unfortunately, James had only comprehended the Glacies' primitive inscriptions, and there was still a long way to go before Qairo was back to normal.

"By the way..." James thought of something and asked, "Since the Heavenly Secrets Pavilion still exists, what happened to their master? Where is he right now?"

Qiyana shook her head lightly and replied, "Who knows? The Dark World had a huge strife in the past, leading to a major reshuffle of power. The Four Ancient Races became the rulers, and many other races were destroyed or chose to hide. Although the Heavenly Secrets Pavilion still stands today, their master had not been seen for a long time." "What caused the strife?" asked James.

Qiyana shook her head again.

Seeing that she was clueless, James stopped asking questions. He approached the Heavenly Secrets Pavilion, where a huge crowd had gathered, waiting to buy information.

The Heavenly Secrets Pavilion was massive and had many receptionists serving their customers.

"You two over there. What kind of information did you come for?"

A beautiful young woman approached and offered assistance when James and Qiyana entered the Heavenly Secrets Pavilion.

James scanned her and found that she was at the Great Celestial Rank. If she were in the outside planes, she would be a peerless powerhouse with a fifth or

sixth-level plane of her own. However, her cultivation rank was nothing impressive in the Dark World.

“You can’t give me the information I want. Who’s in charge of this place? Ask him to come see us,” Qiyana said calmly.

The receptionist stared at her for a moment. In response to her unfriendly gaze, Qiyana released some of her aura.

The receptionist trembled in fear and said frantically, “This way, please.”

James and Qiyana were led into a VIP reception hall.

After entering the reception hall, they were served with rare Empyrean Berries.

“Who asked for me?” At that moment, a lazy voice came from the entrance.

A young man dressed in ordinary clothes walked inside the hall. Although he had a carefree attitude, he was at the Martial Celestial Rank’s peak. If he were in the outside planes, he would be an unrivaled existence.

The man walked over and sat in front of them. Then, he looked at James and Qiyana. He could sense that Qiyana was powerful and was not inferior to him in cultivation rank. However, he was not wary since he was a member of the Heavenly Secrets Pavilion. He had nothing to fear, even in the faces of powerhouses from the Four Ancient Races.

“What kind of information are you two looking for?” the man asked calmly.

James replied, “I want to know about the Flamma Race.”

“Oh?” Intrigued, the man looked at James and asked, “What exactly do you want to know?”

James replied, “Everything.”
