The Almighty Dragon General Chapter 5711-Yemima disappeared after speaking. In the next second, she appeared before Thea, reaching out to pull the latter.

James stopped Yemima just in time and confronted her attack.

Boom!

Powerful energy filled the place.

James' body flew backward from the blow.

Even though he used the Tressencia Completare Art and obtained a new power, he still could not go up against Yemima, who was in the eighth stage of the Transcendental Bliss Rank.

The gap between the two was huge. Although James had the Obsidian Body and was not injured, he was knocked back due to the powerful energy.

As he stumbled backward, Yemima's potent energy engulfed Thea.

Thea wanted to fight back, but Yemima's power was too strong. Thea was only in the Consummation Quasi Bliss Rank. She could not fight back at all.

Having trapped Thea, Yemima disappeared.

"Don't leave!" shouted James.

Then, he used the power of Anceralos. It entered his body in continuous streams.

Following that, his body disappeared and entered the Dark World.

Yemima appeared in the Dark World.

Following her appearance, an invisible palm emerged. The palm landed like the Five Finger Mountain. It wanted to suppress Yemima.

Yemima's body disappeared.

Boom!

The moment she disappeared, the dark void collapsed due to the illusionary palm. The terrifying aftermath of the battle filled the place.

All of the Dark World was alerted. Many races from the Dark World were confused. What was going on again? Why was there such a frightening fluctuation of a battle?

“How troublesome.”

Somewhere in the Dark World, Yemima appeared with a frown.

Even though she was in the eighth stage of the Transcendental Bliss Rank, James had also entered the Transcendental Bliss Rank. With the Tressencia Completare Art, which was the fusion of James’ past, future, and present forms, and the power of Anceralos in James’ hands, Yemima would be suppressed.

James appeared shortly after Yemima.

In the dark void, inscriptions filled the sky. Countless inscriptions gathered and formed an Inscription World.

Instantly, Yemima was trapped in the Inscription World.

“James, must you force me to fight against you?” Seeing that James was pursuing her relentlessly, Yemima felt helpless.

“Let Thea go,” said James.

“I can’t. I’m sorry.” Then, a dazzling longsword appeared in her hand.

“Break!”

At once, a terrifying Sword Light exuded from the longsword. The Sword Light shot up into the dark void and attacked the mysterious inscriptions.

Immediately, the Inscription World that James created using countless races’ inscriptions broke.

Once the Inscription World shattered, a Sword Light landed directly on James’ body.

Instantly, James' body was pierced.

His Obsidian Body broke. His body continued to fly backward. At the same time, he spat out blood.

'The Obsidian Body isn't invincible.'

Yemima's voice sounded throughout the area. Then, she vanished.

Ignoring his injuries, James went after Yemima.

He chased after Yemima all the way to the entrance of the Halcyon Road.

Yemima entered the Halcyon Road and disappeared from James' sight.

James wanted to go after Yemima.

At this instant, a man appeared before James and blocked the latter from entering.

"Why?" James looked at the man, who appeared, and could not help but roar.

The man who appeared was Wyot. Seeing that James was still alive, Wyot was delighted. However, now was not the time to reminiscence the past.

"James, after you and Xayvion died, many things happened. I can't explain it to you right now. I'll explain everything to you next time."

Nevertheless, James did not want to talk to him. Countless inscriptions emerged. These inscriptions gathered and formed a huge sword.

The huge sword slashed at Wyot.

"I will fight whoever takes Thea."

Furiously, James' roar sounded throughout the area.

Following his roar, the huge sword formed by countless inscriptions landed on Wyot's head.

At this moment, a magical power emerged from Wyot's body. Linder the traction of this power, the huge sword formed by the inscriptions disappeared at a speed visible to the naked eye.

James' most powerful sword was dissolved by Wyot with ease.

Without saying anything else, Wyot disappeared from James's sight. James wanted to go after Wyot, but he realized the entrance of the Halcyon Road had disappeared.

The Almighty Dragon General Chapter 5712-Wyot appeared and dissolved James' most powerful sword without a sweat.

Then, he disappeared.

Following that, the entrance of the Halcyon Road also vanished.

Even though James had entered the Transcendental Bliss Rank, he could not sense where the entrance of the Halcyon Road was.

Standing in the dark space, he clenched his fists as veins popped up on his face and intense anger exuded from his body.

His anger was terrifying.

The dark space around him was constantly getting destroyed.

It was collapsing.

He did not know why the Halcyon Road suddenly disappeared.

His Zen seeped out and continued to sense the dark space.

Unfortunately, he could not sense the existence of the Halcyon Road.

He left, feeling sad.

In the Human Race's Heavenly Court, many members of the Human Race gathered.

All of them were waiting anxiously.

Soon, James returned.

Seeing James' sad expression, everyone could guess the outcome.

James did not manage to get Thea.

Qairo, Xeraiah, Quattro, and other living beings rushed over.

They came over after hearing the commotion.

"What's wrong?" Seeing James despondent, Xeraiah could not help but ask, "What happened?" Talvelai was present too.

The fluctuation from the Dark World was too strong.

He had come over to investigate what was going on.

Upon arriving, he found out that a powerhouse had come and taken Thea away by force.

He also knew that the person who took Thea was Yemima, who held a grudge against James.

"James, please speak." Talvelai was getting a bit anxious.

He asked, "What on earth happened?" James glanced at the living beings in the main hall and those who had rushed over.

He said, "It's nothing.

I will deal with them.

You guys don't have to worry.

Just do whatever you need to do." After James finished speaking, he used his Zen to sense the current state of Anceralos.

Upon sensing an aura, he disappeared from the Human Race's Heavenly Court.

A group of confused people was left behind.

An ancient ruin in Anceralos, which was the Ancestral Site of the Doom Race and the birthplace of the Doom Race's founder, appeared once again.

Xezal sensed it.

Following her senses, she came to the Doom Race's Ancestral Site.

James showed up in the Doom Race's Ancestral Site as well.

In the Ancestral Site, a lady in a white dress was sitting on the ground with her legs crossed.

The Doom Race's primitive inscriptions surrounded her body.

Her aura continued to grow stronger, from the Holy Celestial Rank to the Quasi Bliss Rank to the Transcendental Bliss Rank.

Her aura was continuously improving.

Finally, her aura stabilized at the eighth stage of the Transcendental Bliss Rank.

Upon appearing at the place, James sensed Xezal's aura and realized her cultivation rank was increasing rapidly.

He did not disturb her and stood outside the Doom Race's Ancestral Site.

When Xezal's cultivation rank stabilized in the eighth stage of the Transcendental Bliss Rank, James showed up.

Xezal sensed his existence immediately.

Sitting on the ground in a lotus position, Xezal opened her eyes and stared at the man before her.

A few pictures emerged in her mind.

They were scenes of the past and current Anceralos.

These scenes merged with one another, making her feel dizzy.

"You're here." A while later, she stood up and spoke in a gentle voice.

Her voice sounded pleasant and beautiful.

The Almighty Dragon General Chapter 5713-James stared at Xezal and said, 'You must have recovered your memory of the Anceralos Era since your cultivation rank increased so quickly. I'm here to see you because I want to know what happened to the Dark World after Xayvion and I died in Anceralos.'

James wanted to get an explanation from Xezal. At the same time, he wanted to confirm Thea's true identity.

No matter Thea's background, she was his wife in this life. No one could harm her.

Nevertheless, he needed to find out the truth.

Upon hearing that, Xezal fell into deep thought. The matters of the past continuously emerged in her mind.

A while later, she said, "Back then, after you and Xayvion died, the Hagios Sect led many powerhouses of the races from the Dark World to wipe out the Morro Sect. The races from the Dark World suffered heavy losses, but the Dark World became peaceful for some time."

'What happened after that?' James asked.

Xezal took a deep breath and said, "Xayal recovered after absorbing a lot of Dark Energy. Then, he left the Dark World. After some time, Xayal led an army from another realm to attack the Dark World. He wanted to seize the Dark World.

"That was the darkest period of the Dark World. All powerhouses above the Holy Celestial Rank and the Grand Patriarchs in seclusion of all races participated in the battle.

'The Dark World suffered grave losses but managed to severely injure Xayal, forcing him to reincarnate.

“Even though Xayal died, his subordinates were still around. However, countless powerhouses of the Dark World had been wiped out, including some in the Yuraeceon Rank.

Hence, the Dark World lost its protectors.

“At the end of the battle, the remaining powerhouses of the Dark World sealed the Halcyon Road to protect the Dark World from being wiped out.

“Although the Dark World gained temporary peace, battles repeatedly broke out at the end of the Halcyon Road. Thus, the Halcyon Road would open every now and then, and powerhouses would enter the Halcyon Road to participate in the battles to complement the combat power of the Dark World.”

Xezal talked about the past.

“I was also severely injured during that battle. I could not recover if I did not reincarnate. So, I was forced to reincarnate.”

“Did Xzavion participate in that battle?” James asked.

“Yeah.”

Xezal nodded and said, “Not just him. Many powerhouses who had been in seclusion also participated in the battle. Among these powerhouses, there were a few in the Yuraeceon Rank. These Yuraeceon Rank powerhouses worked together with many powerhouses at the peak of the Transcendental Bliss Rank. After using the Genesis Heavenly Path Power of the Dark World, they finally managed to injure Xayal and force him to reincarnate.”

“What about Theognostos?” James questioned.

Xezal shook her head and answered, “I’m not sure. When I reincarnated, although Xayal was already dead, his subordinates were still around. So, the battle was still ongoing. I don’t know what happened during the latter part of the battle.”

“How can I open the sealed Halcyon Road?” James asked.

Xezal glanced at James and said, “You need to enter the Yuraeceon Rank to open the entrance of the Halcyon Road.”

“Does that mean Wyot has entered the Yuraeceon Rank?” James frowned.

Xezal shook her head.

James continued to ask, "Why did Wyot take Thea away?"

"I don't know." Xezal shook her head again.

"Do they think Thea is the reincarnation of Xayal?" James stared at Xezal and questioned.

Xezal asked, "Since you've guessed it, why are you asking me?"

Upon hearing that, James stopped talking. Then, he disappeared.

He learned some things from Xezal. He found out what happened after Anceralos collapsed.

However, he still needed to investigate Thea's identity from several aspects.

He needed to ask someone about this.

Besides, he needed to find a way to open the entrance of the Halcyon Road as soon as possible and enter it. Any longer, and Thea's life might be in danger.

James left the Doom Race's Ancestral Site and returned to the Human Universe.

The Almighty Dragon General Chapter 5714-When James returned to the Human Universe, he went straight to the Orstellen Sect.

Upon arriving at the Orstellen Sect, he entered the Orstellen Realm. In the realm, he sensed Lady Tehila's aura from the past Endlos.

After sensing a bit of aura left behind in the area, he began to use the Extrapolation Formation to find out Lady Tehila's location.

Before him, a mysterious formation rotated rapidly. James received some pieces of information. Several pictures emerged in his mind.

They were a scene in the deepest part of the Dark World.

James' body disappeared and entered the Dark World. He rushed toward the place he extrapolated.

He continued to use the Blithe Omniscience to traverse the void.

Soon, he arrived at the deepest part of the Dark World.

It was an unknown area. No races' universes were in this area. The area was shrouded in darkness.

Even though James was now a powerhouse in the Transcendental Bliss Rank, his Zen could only reach a short distance.

In the vast Dark World, there was an energy that made one fear.

James marched forward in the vast Dark World. A moment seemed to have passed, but at the same time, it seemed to have been a long time.

He almost got lost in the Dark World.

At this moment, he suddenly sobered up. He remembered his purpose of coming to the deepest part of the Dark World. He was here to look for someone.

He scanned his surrounding area.

Black mist surrounded him. The black mist contained powerful Dark Energies.

However, James sensed that the Dark Energies were not complete. Something seemed to be missing.

"Where is she?" James frowned.

He set up the Extrapolation Formation again to find out Lady Tehila's location.

Then, he continued to advance.

Gradually, he arrived at the deepest part of the Dark World. It was an area where only a few living beings had entered.

"She should be around here."

James scanned the surrounding area.

Using his Zen, he realized there were a few inscription sigils in the Dark World.

Nonetheless, the inscriptions sigils were not complete. James could not extrapolate a complete sigil from fragmented ones.

Besides, this kind of inscription sigil was very mysterious. He had mastered the primitive inscriptions of all races from the Dark World, but he had never seen such inscriptions.

He fumbled forward in the Dark World.

Just then, a dark palace appeared in his sight.

“It’s here.”

James was delighted.

He walked over to the black palace quickly, arriving at the entrance of the black palace.

Staring at the black palace before him, he realized it was not solid. It was formed by a kind of energy and the rules of Heaven and Earth.

James did not bother about it. Under his extrapolation, he could tell Lady Tehila of the past Endlos Plane was in this palace.

He needed to find Lady Tehila and ask her some questions.

He did not know what Lady Tehila looked like. Back then, Lady Tehila only left behind a trace of Zen in the Orstellen Realm. The Zen was illusionary. He could not see Lady Tehila’s appearance.

James came to the entrance and opened it lightly.

There were no restrictions on the entrance. He could open it easily. Walking forward, he entered the palace.

After entering the palace, he could only see a ball of black mist. The ball of black mist was strange. James’ Zen could not see through it. He could not sense what was in the black mist.

Without hesitation, he continued to walk forward.

The Almighty Dragon General Chapter 5715-James could not see his hands in the black mist. He relied on his senses to walk forward.

Slowly, the black mist in his sight disappeared.

Although it disappeared, James was still in darkness. It was just that darkness and light had no difference to him with his current cultivation rank.

James scanned his surroundings.

He saw the main hall of the palace. At the center of the main hall, a lady was sitting on the ground with her legs crossed. She was staring at the entrance of the main hall.

James walked over to the lady.

His footsteps sounded loudly in the quiet palace.

All of a sudden, the lady sitting on the ground woke up. She got up and turned to look at the man walking toward her. She could not help but be taken aback.

James was also shocked.

“Teacher?”

After a while, a beautiful voice sounded in the quiet main hall.

“Hershya? Why is it you?” James recovered from the shock. The lady before him was the disciple he recruited in Anceralos.

James took a few steps forward and appeared before her.

“Y-You’re Lady Tehila?” James asked.

Hershya nodded.

James asked, "Back then, after Xayvion and I died, what happened?"

Hershya told James about several matters after Xayvion and James died.

Her story was similar to Xezal's.

"After you died, I buried the Supremusse Sword and went to meditate in seclusion. I comprehended the Human Race's primitive inscriptions. My cultivation also improved a lot. I have entered the Yuraeceon Rank. Not long after I entered the Yuraeceon Rank, Xayal attacked the Dark World with an army of another world.

"An intense battle between the Dark World and another world was ignited.

"Many powerhouses of the Dark World worked together and used the Genesis of the Dark World as well as the power of the Dark Heavenly Path to severely injure Xayal. Xayal was then forced to reincarnate. Some powerhouses who worked together to injure Xayal died, some were injured, and some reincarnated. I was also forced to reincarnate."

"You left behind a Zen in the Orstellen Realm asking me to be aware of Thea.

What do you mean by that?" James asked the question that had been on his mind.

Upon hearing that, Hershya frowned.

"Although I've reincarnated, I'd mastered the Human Race's inscriptions in my previous life. So, I can sense some things in advance. I sensed that Thea was dangerous, so I left a message telling you to be aware of her. As for the details, I'm still investigating."

Hershya knew which era James was in. In her previous life, she knew everything about James. After she reincarnated, even though she did not have the memory of her past life, she could foresee and sense some things.

"What are you here for?" James asked.

Hershya answered, "I entered the Dark World after leaving Endlos. I recovered the memory and strength of my past life in the deepest part of the Dark World.

“This is the most mysterious place in the Dark World. Xayal reincarnated to the Dark World. I’ve searched the entire Dark World but could not find him. He’s good at hiding. I suspect he’s hiding in this area, so I came to investigate.”

“Is Thea related to Xayal?” James asked.

Upon hearing that question, Hershya fell into deep thought.

After a while, she said, “Previously, I sensed that she was Xayal. However, after coming to this area, I realized she wasn’t Xayal. Xayal’s reincarnation has been hiding in the Dark World.”

“She isn’t Xayal?” James frowned.

“Yeah.” Hershya nodded with certainty.

“She has the uncanny Tenebrous Body. She can absorb any Dark Energy.

There’s no difference between her and the past Xayal. If she isn’t Xayal, who is she?”

James asked a question that he had been confused about.

Even he thought Thea was Xayal’s reincarnation.

Hershya explained, “Xayal does have that ability, there’s another living being in the Dark World that also has that ability.”

“Who is it?” James asked.

“The Dark Heavenly Path,” said Hershya. Her answer stunned James. It was not something he expected.

The Almighty Dragon General Chapter 5716-“That’s right. The Dark Heavenly Path,” said Hershya sternly.

Recovering from the shock, James asked, “What’s that about?”

Hershya pointed at the wall at the front of the palace and said, “Look.”

James looked where Hershya pointed. Ahead of him was a mysterious-looking wall. Several lines of characters were carved on the wall.

James found the characters familiar. He had seen them before.

Previously, when Thea was meditating in seclusion, similar inscriptions appeared around her.

Hershya explained, ‘This palace is magical. It’s made up of the Dark Heavenly Path. Everything in the palace is the core of the Dark Heavenly Path. When I first arrived here, the Heaven’s Law was incomplete. It was only recently restored.

“During that battle, many powerhouses worked together and used the Dark Heavenly Path to deal with Xayal. Even though they injured Xayal and forced the latter to reincarnate, the Dark Heavenly Path was damaged.”

‘What does this have to do with Thea?’ James asked.

Hershya explained, “I suspect the Dark Heavenly Path gained consciousness after it was damaged. The Dark Heavenly Path hid in the deepest part of the Dark World and protected itself.

The consciousness of the Dark Heavenly Path detached itself from the nature of the Heavenly Path and carried out reincarnation. In the end, it became Thea.”

James listened to Hershya attentively.

Hershya continued, “I’ve been in this Dark Heavenly Path Palace for a long time. During this period, the Dark Heavenly Path had been recovering by absorbing Dark Energy.

“As the Dark Heavenly Path needed energy to recover, there were the restrictions of heaven and earth. The living beings in the Dark World could not enter the Transcendental Bliss Rank because a large amount of energy was required to enter it. If a living being absorbed and refined the energy, the recovery of the Dark Heavenly Path would be affected.

"I observed the restoration of the Dark Heavenly Path in the Dark Heavenly Path Palace. At the same time, I observed Thea's movements. I realized that she shared a similar structure with the Dark Heavenly Path. Her consciousness was generated in the Dark Heavenly Path."

Upon hearing that, James could not help but frown. He asked, "So, is she a living being or the Heavenly Path controlling the Dark World?" Thinking for a while, Hershya explained, "She was born in the Dark Heavenly Path. It could be said that she's the daughter of the Dark Heavenly Path. At the same time, she could be the Dark Heavenly Path. In the future, she could control the Dark Heavenly Path or become the Dark Heavenly Path. She could also be a living being. She's a complex existence."

Hershya could not explain everything.

"So, the living beings of the Dark World can successfully enter the Transcendental Bliss Rank only after the Dark Heavenly Path is restored."

At this moment, James understood why Talvelai, Qairo, Xeraiah, and other powerhouses entered the Transcendental Bliss Rank one after another.

In the past, James suspected that Thea was Xayal's reincarnation because everything about her was too similar to Xayal.

Now that he heard Hershya's explanation, he let out a sigh of relief.

However, there was another problem.

Since Xayal had reincarnated, where was he currently at?

"You have been staying in the Dark Heavenly Path Palace for a long time.

Logically speaking, you should know about the current Dark World well. Do you know where Xayal is right now and who he became after reincarnating?" James asked.

"Xayal..."

Upon hearing Xayal being mentioned, Hershya frowned.

She had been in the Dark Heavenly Path Palace observing the restoration and operation of the Dark Heavenly Path to understand everything about the Dark World.

Nevertheless, Xayal was not a living being of the Dark World. Even if he reincarnated to the Dark World, his traces would not be in the Dark Heavenly Path.

Hershya could not find out the location of Xayal via the Dark Heavenly Path.

She shook her head and sighed, “I can’t find Xayal from the Dark Heavenly Path. He reincarnated into a living being outside of the Dark World. He’s a transcendent being, but...”

With a serious expression, she said, “Now that the Dark Heavenly Path has recovered, the reincarnation of Xayal must have also grown up. His ability should also be recovered. I’m afraid another catastrophe will hit the Dark World.”

The Almighty Dragon General Chapter 5717-James did not have the time to care about all that.

“Wyot took Thea away, and the Halcyon Road has also disappeared. I can’t enter it. Why don’t you leave this place with me? We’ll go to the Halcyon Road and ask Wyot to hand over Thea. If we don’t leave now, Thea might be in danger.”

“Alright.”

Hershya could sense Thea being taken away because she had seen everything in the Heavenly Path.

She did not leave because she wanted to find Xayal’s location via the rules of heaven and earth.

“Let’s go,” said Hershya. Then, she left the Dark Heavenly Path Palace.

Once they walked out of the palace, it disappeared from the deepest part of the Dark World.

They arrived in the area where the entrance of the Halcyon Road was located.

The entrance of the Halcyon Road had been sealed. Even though James was in the Transcendental Bliss Rank, he could not sense its existence.

Xezal mentioned that only a powerhouse in the Yuraeceon Rank could open the seal and enter the Halcyon Road.

When they arrived near the entrance of Halcyon Road, Hershya waved her hand. An energy that could suppress the Transcendental Bliss Rank emerged in her palm.

It was the energy of the Yuraeceon Rank, and the Halcyon Road, which had disappeared, reopened.

Seeing the entrance of the Halcyon Road appear, James was delighted. He entered the Halcyon Road and quickly rushed to its end.

There was another world at the end of the Halcyon Road.

The world was created by living beings.

The ancestors of all races from the Dark World worked together to create it. It was used to resist the living beings who did not belong to the Dark World and Xayal's army.

In the main hall of Theognostos, a cage appeared. The cage was made out of special materials.

Thea was trapped in the cage. Her cultivation power had been sealed. She could not use any power.

In the main hall, many powerhouses gathered.

Wyt was sitting in the main seat. He was the creator and Lord of Theognostos.

During the last battle, he had already entered the Transcendental Bliss Rank.

After Xayal's death and reincarnation, the battle still went on.

In the meantime, Wyt grew stronger and became the strongest powerhouse in the Halcyon Road. He took charge of the Halcyon Road and fought back against Xayal's subordinates.

“We’ve been watching Thea ever since she reappeared and know that she’s the reincarnation of Xayal. However, she has a complex relationship with James, so we dared not act recklessly. Instead, we waited for James to chase Xayvion to the Anceralos Era and went after Thea only after the fall of the Anceralos Era,”

said Wyot in the main seat. His loud voice sounded throughout the main hall.

“Nevertheless, James was fine. He survived. We took Thea away forcefully this time because the Dark Heavenly Path has been restored, which also means the reincarnation of Xayal will also recover soon.

“We have no choice but to bring Thea here as she’s the reincarnation of Xayal.

Now, we will kill Thea in front of the living beings of all races.”

In the main hall, Thea felt helpless in the cage.

James had told her about going to Anceralos. She knew a bit about it and the existence of Xayal.

However, how was she related to Xayal?

She was confused.

Nonetheless, her cultivation had been sealed. She could not even speak. She could not defend herself

The Almighty Dragon General Chapter 5718-Wyot was a powerhouse in the Yuraeceon Rank. He was also the current Guardian of the world at the end of the Halcyon Road.

For the safety of the Dark World, he had to bring Thea to Theognostos forcefully, ignoring James’ opposition.

“Kill her.”

“She must be killed.”

“Previously, we let her live for the sake of James. Now that the Dark Heavenly Path has been restored, the reincarnation of Xayal will be recovered soon. If we don’t kill her now, we will no longer have the chance to do so.”

In the main hall, many powerhouses spoke up.

These powerhouses guarded the end of the Halcyon Road. They fought back against the subordinates of the Halcyon Road. To protect the Dark World, they paid a heavy price.

Now, once they killed Thea, everything would come to an end.

They could deal with the subordinates of Xayal outside the area easily.

“Thea Callahan. No, I should call you Thea Mabins. What else do you have to say?” In the main seat, Wyot spoke up.

He waved his hand and touched a part of the seal in Thea’s body. Then, Thea was able to speak.

“Wyot, is there some misunderstanding?” Hurriedly, Thea said, “The reincarnation of Xayal? What’s all that? What do I have to do with Xayal?”

Enunciating each word, Wyot said, “We have been watching you since you were born. We’ve seen everything you’ve done.”

“I...”

Thea wanted to explain, but she did not know what to say.

“If you guys insist on me being Xayal, kill me. If killing me can bring peace to the Dark World, then do so.”

After saying that, Thea went silent.

“Everyone.”

In the main hall, Wyot said, “Even though her cultivation has not recovered, she’s the reincarnation of Xayal. When Xayal died and entered the Dark World, she was one with the Dark World. Even a powerhouse in the Yuraecheon Rank may not kill her. Let’s annihilate her together.”

“Alright.”

“Let’s kill Xayal together and bring peace to the Dark World.”

In the main hall, many voices sounded.

Then, all powerhouses in the main hall activated their powers. Their auras reached the extreme.

‘To kill Xayal, we have to use the Dark Heavenly Path. Let’s activate the Dark Heavenly Path together. We’ll let the Dark Heavenly Tribulation strike and kill Xayal.”

As Wyot spoke, his aura reached its extreme.

With a Yuraeceon Rank powerhouse in the lead, countless powerhouses joined in. The most primitive and ancient power in the deepest part of the Dark World was activated.

It was the power of the Dark Heavenly Path.

The Dark Heavenly Path did not have sanity and consciousness. Some rules and orders restricted everything in the Dark World. They were the foundation of the Dark World.

In the sky above Theognostos, a lightning appeared. It was the Dark Heavenly Tribulation formed by the rules of the Dark Heavenly Path.

When the tribulation appeared, Thea sensed a dangerous aura. At this moment, even her soul was trembling.

“Kill Xayal.”

The crowd roared loudly and organizedly.

Then, countless powerhouses used the power to attract the Dark Heavenly Tribulation to strike Thea.

At the same time, James and Hershya were on the Halcyon Road rushing toward Theognostos. Hershya seemed to have sensed something as her expression changed.

“Wyot and the powerhouses of the races from the world at the end of the Halcyon Road are activating the Dark Heavenly Path by force. They want to kill Thea through the Dark Heavenly Tribulation.”

“We should hurry.”

Upon hearing that, James became anxious.

He rushed toward Theognostos as fast as he could.

Unfortunately, the Halcyon Road was too long. Even though he had entered the Transcendental Bliss Rank, he could not reach Theognostos, which was located at the end of the Halcyon Road, in an instant.

The Almighty Dragon General Chapter 5719-In the main hall of Theognostos, the cage that trapped Thea rose to the sky slowly. It was sealed in the sky above Theognostos.

Right above Thea’s head was the Dark Heavenly Tribulation formed by the Dark Heavenly Path. The power of the Dark Heavenly Tribulation was terrifying. It surpassed the Transcendental Bliss Rank and reached the Yuraeceon Rank.

Even a powerhouse in the Yuraeceon Rank might not be able to resist the Dark Heavenly Tribulation.

Silently, the tribulation struck Thea’s body.

When the tribulation attacked Thea’s body, she did not feel fear. Instead, she was smiling.

Boom!

Instantly, the area exploded.

The cage that trapped Thea disappeared.

Meanwhile, Thea turned into a black mist and disappeared.

Upon seeing this scene, many powerhouses in the main hall of Theognostos cheered.

At this moment, two figures appeared outside the spiritual mountain of Theognostos.

When James appeared, he saw the tribulation strike and watched Thea's soul dissipate. Not even a soul sigil was left. He was stunned.

He stood at the entrance of Theognostos dazedly like a statue.

Tears were falling from the edge of his eyes.

When Hershya saw James crying, she could not help but feel sad.

At this moment, many living beings appeared at the entrance before Hershya and James.

"You're here."

Upon seeing Hershya, Wyot was not shocked because he knew about her reincarnation.

"You have committed a grave mistake."

Hershya had an aloof expression.

Wyot smiled and said, 'The reincarnation of Xayal has been annihilated. From now on, the Dark World will be peaceful.'

"Is that so?" Coldly, Hershya said, "Are you certain that Thea is the reincarnation of Xayal?"

"Of course."

"When she was born, strange fluctuations came from the Dark Heavenly Path."

"Her body is unique. It can absorb a limitless amount of Dark Energy. There's no difference between her and Xayal of the past."

"If she isn't the reincarnation of Xayal, who is?"

Many powerhouses spoke up.

“Nonsense.” Hershya reprimanded, “I went to the deepest part of the Dark World and entered the Dark Heavenly Path Palace. I observed the Dark Heavenly Path for a long time. Thea isn’t the reincarnation of Xayal. She’s the consciousness of the Dark Heavenly Path. She is the Dark Heavenly Path.”

When Hershya said that, many powerhouses present were taken aback.

They might not believe other people’s words, but Hershya was one of the Human Race’s ancestors. She helped a lot when attacking Xayal.

James was standing still in the same spot. After a while, he came back to his senses and glanced at the living beings of different races present.

For some unknown reasons, when James looked at them, the powerhouses in the Yuraeceon Rank felt fear. They felt as if a devil was staring at them. They could not help but shiver in fear.

“If she can’t be resurrected, all of you will die.”

James’ gaze swept across the living beings. Then, he activated the Supreme Path and turned back time.

The time turned back to when Thea was struck by the Dark Heavenly Tribulation.

However, Thea was already struck by the tribulation here. The time could no longer be turned back. Forcefully, James activated the Time Path.

Unfortunately, the time missed the moment of Thea’s death.

It meant that James could not reverse this and change the outcome with his current ability.

At this time, Hershya sensed James’ aura changing. A power seemed to be reviving in his body.

He seemed to be on the verge of going mad.

“Calm down.” Timely, Hershya said, “Thea was born in the Dark Heavenly Path.

She is the Dark Heavenly Path. As long as the Dark World isn't wiped out, she won't be annihilated. Perhaps she will walk out of the Dark Heavenly Path soon."

The Almighty Dragon General Chapter 5720-If the Dark Heavenly Path was not wiped out, she would not be annihilated. If the Dark Heavenly Path did not collapse, she would not die.

Hershya saw James' state. A power in his body that made people fear was reviving. She did not know what kind of power it was, but she could sense that if it was not suppressed, disaster would strike.

Timely, she said, "Please believe me. I have observed the Dark Heavenly Path for a long time. I understand it well."

Expressionless, James stared at the powerhouses who were under the lead of Wyot.

All this while, he had been fighting and working for this world. He put in a lot of effort for this world.

Everything he did was to bring peace to the world. He wanted to live in seclusion with Thea. However, in the end, he failed to protect her.

What a disappointment!

He was disappointed in this world and everything in this world.

'Teacher!'" Hershya called again.

James did not say anything. He only stared at the powerhouses before him. He knew that he was not these living beings' match right now.

He imprinted the appearances and auras of these living beings in his mind.

Him being silent was the most terrifying thing.

The atmosphere in the hall was depressing.

Even though he had entered the Transcendental Bliss Rank not too long ago and the powerhouses present were either in the Yuraeceon Rank or the eighth or ninth stage of the Transcendental Bliss Rank, they felt fear upon facing the silent James. They were frightened.

Without saying anything, James disappeared from the powerhouses' sight.

After he left, Hershya let out a breath of relief. Furiously, she turned to look at the many powerhouses who were under the lead of Wyot.

"Y-You guys..."

"Hershya..." Wyot finally spoke up. He said, "You mentioned that Thea was the embodiment of the Dark Heavenly Path. Are you kidding me? If she's the embodiment of the Dark Heavenly Path, why is the Dark Heavenly Path perfectly fine when she has been annihilated?" "That's right." "We led the Dark Heavenly Path and used the Dark Heavenly Tribulation to kill her. If she is the embodiment of the Dark Heavenly Path, it's equivalent to killing herself using her own power. It doesn't make sense."

"Hershya, you said that to hold back James, right?"

Many powerhouses present spoke up.

Hershya did not explain much about all this because she knew that even if she explained, no living being would believe her.

"I can only say that the real Xayal is still hiding in the dark. Now that Thea has died and can't be resurrected, the only thing we can do now is to locate the reincarnation of Xayal," said Hershya.

Disapprovingly, Wyot said, "The reincarnation of Xayal is already dead. Now's the time to deal with the subordinates of Xayal outside the formation. Issue an order. Gather the members and wipe out the subordinates of Xayal. We will bring peace to the Dark World."

James left the Halcyon Road.

He was disheartened.

However, Hershya said that if the Dark Heavenly Path was not annihilated, Thea would not be annihilated. Her words ignited a spark of hope in James' heart. He went to the deepest part of the Dark World.

He arrived at the area of the Dark Heavenly Path Palace.

When he appeared in the area again, the Dark Heavenly Path was already gone. Previously, the Dark Heavenly Path Palace had been here. He was now in the deepest part of the Dark World.

He did not leave. Instead, he stayed at that place. He created a small space and settled in a spiritual mountain in the deepest part of the Dark World.

The deepest part of the Dark World was initially filled with darkness and nothingness.

Now, there was a spiritual mountain. There was a formation outside of it. The formation engulfed the area.

At the top of the spiritual mountain, a man was sitting in a lotus position.

The man was James.

James left in a hurry because he could not do anything to the powerhouses at the end of the Halcyon Road right now.

At the same time, a trace of power in his body was awakening.

The power came from the past.
